Jesus said: “My son, when you are thinking of independent living on a refuge, you need to have a good source of water, because you cannot live without fresh water. I have been directing you to get more 55 gallon food grade barrels so you can store as much drinking water as possible for your forty people. You have decided to store six of your barrels in your garage that gets cold in the winter. Your friend suggested wrapping these barrels with flexible insulation to try and keep the water in the barrels from freezing. Also, only fill these barrels 2/3rds full in case the water turns to ice and expands. I mentioned before to use your drain water for washing while temperatures are above freezing. You can melt snow for water during the winter. You also have a pump and some piping if you can find water at a shallow depth. Again, I mentioned how I would multiply your drinking water and wash water. Just as you had to believe in faith that I could heal people, so you will have to believe in faith that I could multiply your water, food, and fuels. By following all of My instructions, and praying for what you need, I will see to all of your needs. In some cases you have even seen some people able to survive on just receiving daily Holy Communion, which will be given by a priest or My angels. So trust in Me that I will provide you with enough fresh water to drink and wash. You will even have water to reconstitute your dried foods.”

Saturday, September 10, 2016:
Jesus said: “My people, today’s Gospel is full of good advice for your souls. I

want My faithful disciples to be like the good tree, and bear fruit of your good works. It is true that you can tell about people in the deeds that they do in life. If you are a true disciple, you will listen to My Word and act on it. You will see mostly evil deeds come forth from an evil person, but a good person will perform good deeds for his or her neighbor out of love for Me. I also spoke about building a house on rock, instead of on sand where storms will destroy a house. This is true about the foundation you build for your faith in Me. You should build your faith around daily prayer, and daily Mass when you can, so you are always fed by My Blessed Sacrament. My graces will sustain you through the trials of life. Frequent Confession also will keep your soul pure. By trusting in Me as your Master, I will provide for all of your needs. Those people, who do not have a love relationship with Me, will suffer twice as much without My help, and could be lost."
(4:00 p.m. Mass) Jesus said: "My people, today's Gospel was quite long, but it spoke of two themes, the Good Shepherd, and the Prodigal Son. You know how much I love all of you, and I will leave the ninety-nine sheep in the desert to find the lost sheep. There is rejoicing in heaven over even one soul who repents and is converted. In the second parable the father was waiting for his lost son to come home. When the prodigal son did return, the father rejoiced with a feast because the son, who was lost, is now found. The second son was upset how his father treated the first son with a feast after spending his inheritance on prostitutes. The father assured the second son of his love, but the father was happy to have his first son home again. This is how I love all sinners as well, when I wait for them to seek My forgiveness of their sins. In the vision you are seeing how My mouth was covered so I could not speak. This is in reference to certain places where people are not allowed to speak My Name, Jesus. Your religious freedoms are being attacked, but My faithful need to speak My Name freely without worry of being persecuted. Shout My Name from the rooftops, because the evil ones run from My Name, and they fear My power being invoked. You will see Christians persecuted more as time goes on, but keep the faith no matter how much you are threatened. Do not let the atheists win by keeping you silent. You must speak the truth to witness your allegiance to your Lord."

Sunday, September 11, 2016: (Trade Towers 15th Anniversary)

Jesus said: “My people, today you heard the short form of the long Gospel. There is an emphasis on how I am always searching for the lost souls, as I pray for their return. I want souls to love Me, and repent of their sins. I do not force people to do anything, and they need to come to Me of their own free will. When souls do repent and come back to Me, there is much rejoicing in heaven over any soul, who was lost, and now was found. I will always forgive a repentant sinner. Today, you also are remembering the 3,000 or more people who were killed at the Trade Towers, and how the terrorists have changed your world. The people of America are still not understanding how your country has already been taken over by the socialists, including your President. You are one step away from a total takeover which could come by martial law. This is why I have been urging My refuge builders to complete all of their projects, so they are ready to receive My faithful. Trust in My power because My angels will be protecting you.”

September 27, 2016
Monday, September 12, 2016: (The Most Holy Name of Mary)
Jesus said: “My people, My faithful, who come to daily Mass, see My consecrated Bread and Wine as a part of their everyday lives. I am truly Present for you in My Eucharist, and you have a little taste of heaven every time you receive Me worthily. I give you My graces to support your strength to endure the daily temptations of the devil. When you come to Mass, you recite the centurion’s words: ‘Lord, I am not worthy that you should enter under my roof, but only say the Word, and my soul will be healed.’ I was awed by this response when the centurion explained how he understood the authority of orders. If he would call his soldiers or his slave, they would come and they followed his orders. Now, he believes that when I would give the Word for his slave to be healed, My healing power would heal his slave. This truly was a great expression of faith in My healing power, which is why I proclaimed that I had never seen such faith in all of Israel. My Church has also been touched by these words, and that is why the centurion’s faith has been incorporated into the Mass. I bless all of those people who truly believe in My healing powers.”
Jesus said: “My son, I have given you many messages about My Warning, but I want to give you some more details of what your experience will be like. As you enter this black tunnel, you will be moving fast toward My Light without your body, and outside of time. As you approach My Light, you will feel unworthy of being in My Presence. I will start your life review, and you will see all of the

good and bad actions that you have done in your life. In every action, you will view it from the viewpoint of everyone around you, and you will see My judgment of whether it was good or bad. You will go through every day of your life, and you will have to account for how you spent every moment. My angel will be tallying your good points and your sins. When you see how much your bad actions offend Me, you will have deep remorse, and desire My forgiveness. At the end of your life review, you will be part of making your judgment. Once you have been judged, you will see that it is fair according to the responsibilities of the gifts that I have given you. Truly the more you are given, the more that I will expect of you. With this knowledge of what you have done wrong in My eyes, you will have a second chance to change your life to how I want you to live. Take full advantage of this opportunity to improve, and you could gain a higher place in heaven. Do not be satisfied with doing the bare minimum, but strive to be the saint that I want everyone to be. Use this Warning to help bring your family back to Me, by your evangelization efforts. The more souls you can help save, the more heavenly treasure you will gain towards your reward in heaven one day."

September 27, 2016
Tuesday, September 13, 2016: (St. John Chrysostom)
Jesus said: "My people, this cup of wine on the altar is a sign of a cup of suffering, like I had to go through on Good Friday. This large damaging tornado is a sign of the many natural disasters that will be brought against America because of your many serious sins. Your hot weather has continued on into the fall season with hurricanes, tornadoes, floods, and droughts. You have even seen some severe earthquakes in Oklahoma. You will continue to see some severe weather as you will be suffering more as a nation. Your financial storms will soon cause even more damage to your economy, as the one world people will cause this problem, and give a solution which could involve martial law. Before the major financial storms, I will bring My Warning to prepare sinners for what is about to befall them. Trust in My protection at My refuges, and do not worry about the plans of the evil ones, because My power is greater than all the demons."
Jesus said: "My people, when these armed teams are called for deadly assignments, they are wearing protective shields all over their body. My faithful do not have to worry about using guns and body armor. When it is time to seek

the safety of My refuges, you will be warned and leave your homes, and your guardian angel will put a shield of invisibility around you, so the evil ones do not see you. You will also be protected by a powerful angel at both the large and small refuges. Not only will your body be protected, but My angels will also shield your soul from the demons who want to attack you. Be thankful for all of the refuge places that will be available, because some faithful have said 'yes' to providing a safe haven. You have your own refuge, and you are finishing up your outhouse and the work on your water barrels. It is difficult to imagine how you will manage to have water and food for all of those people who will come to your house. Trust in My angel help, and have faith in My multiplication of what you need to survive. When you have faith in My power to supply your needs, it will be done for you."

September 27, 2016
Wednesday, September 14, 2016: (Exultation of the Cross)
Jesus said: "My people, the cross is a symbol of suffering, but My death on the cross is a means of your salvation. Many times in life you have to suffer to gain something. In My case I had to suffer My Good Friday to have My Easter Sunday. So too, My faithful need to take up your cross of life, and suffer for Me to serve Me and your neighbor. In the readings you have some beautiful imagery in Moses lifting up the bronze serpent so people could be healed of their snake bites. This symbolizes how you look upon My Holy Cross, and you can be healed of your sins when you repent in Confession. You have a further healing when people will look upon My Luminous Cross at My refuges, and you will be healed of all of your infirmities. When you pick up your cross and carry it, you are sharing your suffering with Me on My cross. My people need to rejoice that My heavenly Father sent His only Begotten Son, that those who believe in Him may not perish, but have life everlasting." (John 3:16)
Jesus said: "My people, you know that Satan is stirring up his pot of evil, and he knows that his time is short. I have given you several messages of what is being planned by the one world people. Their goal is to have a takeover of America so the UN people can put America into the North American Union. This is part of Satan's plan to give all the nations over to the Antichrist. I am controlling what and when the evil ones can act, because I will bring My Warning first to give all souls a chance to convert their lives. I will allow these evil ones to go only so far, because you will have an opportunity to get to My refuges before your lives

will be in danger. These evil ones do not want any Republican President, as your current nominee. During this coming election, you will see a battle of the good forces against the evil forces. Ultimately, I will win this battle for power, but the Antichrist will be allowed a brief reign. Be ready to leave for My refuges of safety when I give you the word to go."

September 27, 2016
Thursday, September 15, 2016: (Our Lady of Sorrows)
Jesus said: "My people, My Blessed Mother loves Me dearly, both as her Son, and as the Son of God. She had many sorrows throughout her life, but the hardest suffering was when I suffered and died on the cross. She knew of My mission that I had to die for the salvation of all souls, but it was still painful to see the way that I was mistreated and crucified. At the foot of the cross I gave My Blessed Mother over to St. John to be the mother of all of My faithful. I said to St. John: 'Behold your mother', and to My Blessed Mother: 'Behold your son.' All mothers love their children, and they would also suffer if they lost a son. You, My son, lost an infant boy, and it was a suffering to see him die so young. So when you have pain, or are suffering for your children's problems, you can call on My Blessed Mother as your intercessor for prayer, because she is very sympathetic for your suffering. She loves all of you as her children, and she will support you in your sorrows."
Prayer Group:
Jesus said: "My people, in the vision you are seeing just one of My sufferings with the crown of thorns. My Blessed Mother had to suffer the sorrow of seeing Me crucified. I had a price to pay for all of your souls, and I gave up My life for all of you, so you all could live in faith. In another way, every soul has to count the cost of being one of My disciples. You need to die to self, so I can be the Master of your life. By giving your will over to Me, you can fulfill the mission I have for you."
Jesus said: "My people, I know there are some former military people, who may want to fight the evil ones with weapons. It is My wish that you rely more on the power of My angels so you do not have to kill anyone. When the men in black are about to come to your houses, I will warn you to leave like I warned St. Joseph to flee to Egypt with My Blessed Mother and Me. Your guardian angels will lead you to My refuges, and they will put a shield of invisibility around you so the evil ones cannot see you."

Jesus said: “My people, this miracle of raising you up into the sky is My way of protecting My people from being killed by the Comet of Chastisement, which will be My victory over the evil ones. At that time all of the evil angels and evil people will be cast into hell. I will then bring My people into My Era of Peace as you will see My victory.”
Jesus said: “My people, I have asked My refuge builders to prepare buildings with bedding, food, water, and fuels. It is not easy to make all of these preparations. Some of My people have been gifted with donations that provided the money to buy what is needed. All of My refuges will be guarded by My angels to protect the refuges from bombs and weapons of the evil ones. Only those people, who have My mark on their foreheads, will be allowed into My refuges. So put your full trust in Me, and I will protect you, and provide what you need.”
Jesus said: “My people, this is how you will have to put every refuge together, by working as a group to finish each of your projects. Once you are called to My refuges during the tribulation, you all will be working together for your survival. Everyone will be assigned jobs to help the common good at your refuge community. Be ready to do the jobs you can to contribute what you know to help everyone. You will see miracles of My angel protection, and I will multiply your water, food, beds, and fuels for your living accommodations. You will also be given daily Holy Communion by a priest or by My angels.”
Jesus said: “My people, you are nearing another election, that could involve an incident to cause a martial law takeover. You could see a financial crash that would close your banks, and you will see your electricity turned off purposely to control your people. Most people do not have food and water to sustain them for a long duration. This is how the one world people want to reduce the population, because many people could die of starvation. Once mandatory chips in the body and martial law is declared, this will be the time to come to My refuges.”
Jesus said: “My people, do not be fearful of the tribulation and the trials that are coming. I will bring My Warning to help save souls who want to repent. I will warn My faithful with an inner locution when it will be time to seek My safe havens. Some people, who remain in their homes could be captured and martyred. So leave quickly when I warn you, and you will be protected. You trust in Me to help you every day, but the coming trials of tribulation will test your endurance. So have full trust in where I will lead you, and you will be under My protective wings of My angels.”

October 13, 2016
Wednesday, September 21, 2016: (St. Matthew)
Jesus said: "My people, when I called My apostles to follow Me, they immediately left their jobs, and they did follow Me. There was no hesitation, because they realized that I had a special mission, and they were blessed to be a part of it. In today's world it is hard to find dedicated people to follow My service, and even to be a refuge builder. Those people, who are close to Me, are more than willing to serve Me, when I ask them to follow Me. It is an honor to be asked to do My special missions. When I asked you, My son, you were willing to do My Will, even when you did not know what My mission required. You also have answered My call for a second mission to be one of My refuge builders. When My faithful follow My mission, they will have a heavenly reward for their unconditional acceptance of what I ask of them. My faithful should also be happy that they are helping Me to build up My Church and provide safe havens for the tribulation. There are some people, who refuse My call, because they are either afraid of what they may have to do, or they are too weak in My love to be committed to any special mission. I thank all of My special workers who have said 'yes' to My call, for they will receive a prophet's reward."
Jesus said: "My people, when the wine is consecrated, it is transubstantiated into My Blood. This re-enactment of My death on the cross shows My Blood pouring out of the cup. When My faithful are martyred, or when you kill My babies, your blood is being mingled with Mine. You continue to see terrorist acts led by Muslim jihadists that are killing and injuring people. You also are seeing continuous riots over questionable killings of some African Americans. You also are seeing many drug related shootings. Even though millions of unborn babies are killed every year, these abortions receive little or no press stories. When people protest abortions outside of Planned Parenthood clinics, or even in Washington, D.C. on January 22, your media down plays this as not being news worthy. Yet, you see many pages of other killings all over your papers. You can see that your media has a double standard. In the future you are going to see

Christians so persecuted, that your lives will be in danger. It will be during the tribulation that My faithful will need to come to My refuges for protection. My angels will guard you at My safe havens, so your lives and souls will be protected. Even if you see some faithful martyred, trust in My protection at your refuges, and I will multiply your water, food, and fuels."

October 13, 2016
Thursday, September 22, 2016:
Jesus said: "My people, you marvel at such wonders of the world as Niagara Falls. This water comes from the other Great Lakes, but it is also a wonder that twenty per cent of the world's fresh water is in these lakes. It is a great benefit for those people who get their water from these lakes. When you look how dry it is in the West, then you appreciate this water even more. This same need for fresh water is why I was giving you so many messages on ways to get water for your refuges. You have stored some water in your food grade fifty-five gallon barrels so I can multiply it for your people that will come to your refuge. Your other sources are sump pump water, rainwater, snow, and possibly a spring that you could get out of the ground. This fresh water is an important item for survival, along with your multiplied food and fuels. Be thankful for My protection and providing for your needs."
Prayer Group:
Jesus said: "My people, a time is coming when the words of the Consecration of the Mass will be changed, and I will no longer be Present in the hosts. This is why you are seeing an empty tabernacle, and the doors closing which represents how I will no longer be Present in many tabernacles. So when you do not hear the proper words of the Consecration, I will not be Present, and you will need to go to a proper Mass. You will eventually come to your homes for a proper Mass and My Real Presence. You will be blessed to have My angels bring you My consecrated Hosts at My refuges."
Jesus said: "My people, as you have My Blessed Sacrament before you tonight, you are able to worship and adore Me in your churches. You know in the future that you may not have this gift of My Real Presence in public. A persecution of Christians is coming that will close your churches, and you will need to have secret Masses in the homes, and eventually at My refuges. I will always be with you at every refuge during the tribulation. So rejoice in My protection."

Jesus said: “My people, you have noticed the declining numbers of people who come to Sunday Mass. You witnessed a closing of your former church because the attendance was very low, and you could not find a priest to carry it on. You will be seeing more closings, and even churches closed by your government. You already are seeing Muslims killing Christians in Arab countries. As Muslims start taking over other countries, you will see more Christians killed and burned churches. When your lives are in danger, I will call My faithful to come to My refuges for Mass when you have a priest.”

Jesus said: “My people, in the days of early Christianity, Christians were killed in the Coliseum by the Romans. Today, the Vatican is near Rome, and there will again be killing of Christians in Italy. As Muslims become more powerful in Europe, you will see more terrorist attacks on My churches. When your lives are in danger, I will bring My Warning, and then you will need to come to My refuges of protection. You will be joyful at My refuges, because My angels will shield you from any evil people who want to kill you.”

Jesus said: “My people, you need to treasure your present freedoms while you still have them. Little do you know of the evil people running your government, because they are planning to take over your country with martial law by Executive Orders. These actions will defy your Constitution, and you will lose your rights and your money, as you will be joined with Canada and Mexico in the North American Union. This takeover will happen quickly as the Antichrist will come into power. I will warn My faithful when it is time to come to My refuges of protection.”

Jesus said: “My people, I have been giving you a lot of messages about how you will need to come to My refuges where My angels will defend you from the evil ones and the demons. You will see the glory of My power over all the demons and the Antichrist at My refuges. I will allow the Antichrist a brief reign before I will crush all of the evil ones as they will be cast into hell. Have trust in My power and My multiplication of your food, water, and fuels. When I bring My victory, you will delight in your reward in My Era of Peace. You may see evil winning for a time, but it will be brief before My power will be self-evident. You know that I am more powerful than the evil ones, but My victory will overwhelm you in My glory.”

Jesus said: “My people, you have read about the harbingers coming against America as several of your leaders have proclaimed this prophesy of Isaiah 9:10 which is really a condemnation of America. You just celebrated the remembrance of 9-11-01, but soon this prophesy will be carried out as the one

world people will take over your country in a martial law. Because your people have not repented of your sins, and they did not change their evil ways, you will see a destruction of your country and your freedoms."

October 13, 2016
Friday, September 23, 2016; (St. Padre Pio)
Jesus said: "My people, I came as the prophesied Messiah of the Old Testament, but I did not want the people in public to know of My identity until I was to suffer on the cross. So when I asked My apostles who I am, they were at first not knowing how to answer. Then St. Peter said that I was the Christ, the Son of God. It was the Holy Spirit that enabled him to make this declaration. I then told My apostles to keep this a secret. I performed many miracles to testify to My authority, but I did not claim My identity until I was before the High Priest, Caiaphas, just as the Jews condemned Me to death for blasphemy. My son, do not worry about your solar system that can be repaired. This is another trial as you have seen other refuges that have had problems with their solar systems. Better to repair this system now, before it will be needed later. Call on My help, and I will help you with any of your refuge projects."
Jesus said: "My people, you have just read about the history of Fr. Paul Miller, C.S.R, whom you knew as one of the speakers at your retreats at the Notre Dame Retreat House. You all looked forward to his talks and roundtable discussions. He was a great historian of My Church. He will be greatly missed, and you can pray for his soul, and have Masses said for him. You saw in the vision how a shelf of religious books could serve you well in your religious reading. You read from the Bible, the Liturgy of the Hours, your Pieta prayer book, and your Magnificat prayer book. When you read your secular papers, they do not enrich your lives, as these holy books do. You need to spend time in prayer with Me, but you also need time for spiritual reading as well. When you have some spare time without any obligations, you could spend time reading these spiritual books, and it will be well worth your time in knowing more about Me. Remember when I told you that you will have to account for every moment of your lives. This time in spiritual reading will be a blessing for your judgment."

October 13, 2016
Saturday, September 24, 2016: (Men's retreat)
Jesus said: "My son, every day of your life you behold My beautiful creation. You are seeing also all the beautiful people who I place in your life. Some of you have been graced with a loving wife and your children. You have many people and things to be grateful for in My gifts. I call all of you to know, love, and serve Me every day of your life. You all have been given many opportunities to love Me and your neighbor as yourself. In faith I call all of you to be with Me in heaven one day, so you need to repent of your sins and let Me be the Master of your life. While you are on earth, you can share My love by converting souls to the faith. By winning souls over to Me, you can build up My Church. Those souls, who you invited to love Me, will be very thankful that you brought them to My love. Just as you are viewing the beauty of My creation, I am viewing the love of all of My faithful souls. Your love warms My Heart, but it is sad that the other souls are so blind to My love that they are missing. Again, My people can pray for the lukewarm souls to be open to My love. Your persistent prayers can help save souls. Rejoice in My love and My creation because you cannot imagine how much more beauty you will see when My faithful come to heaven."
Jesus said: "My son, you are still finishing some of your projects with your outhouse and insulating your water barrels for the winter. You may need some repairs to your solar system, so be ready to finance what is needed before winter comes. The next few months will test the patience of your people, especially if martial law is forced on you. You have filled your large oxygen tank, so you can refill your smaller tanks in using your oxygen therapy. You know of some successful uses of this therapy to help people, so call on your contacts for helping those people who will use this therapy. Before you have miracle healings at your refuge during the tribulation time, you could help people as they begin any therapy. Trust in My healing powers, especially using natural means."

October 13, 2016
Sunday, September 25, 2016:
Jesus said: "My people, in today's Gospel you see the consequences of how you acted during your life on earth. This life is a place for spiritual training so you have an opportunity to be saved for heaven. I can even save people on their death bed at the last moment. I also listen to persistent prayer warriors who are

praying for their loved ones. Never give up on any living soul. You are aware of My words in the Scriptures and the teachings of My Church. If you are open and listen to My words, you know what is needed to gain eternal life for yourself. In short you are called to repent of your sins, and allow Me to be the Master of your life. The souls, who go to hell, are choosing this place of torture by their own free will, because they refuse to accept My love. Those souls, who are faithful to Me, will have an eternity to know and love Me in heaven by My beatific vision. Look forward to your sunny days because this is just a small taste of My glory that you will see in heaven."

October 13, 2016
Monday, September 26, 2016: (St. Cosmas & St. Damian)
Camille said: "I am happy to see all of you again, and I am also happy that you are about to put the house up for sale. I want you to look around in the drawers and out of the way places that you may find more hidden money, as you did under the table cover. Make a good search before you sell the house. I want to thank all of you for getting the house and the grounds ready to sell. I know you put a lot of effort into it. I am also thankful that you are helping Vic get by, even if he gives you trouble. I am aware of all of the events going on down there, but heaven is preparing for a huge battle with Satan and the Antichrist. All of your messages are telling you to be prepared for the coming tribulation. God bless all of you, and we are watching out for all of you."
Jesus said: "My people, Job is a beautiful model of patience, even in the face of losing everything. My faithful also need to be able to give up everything as well, so you are not attached to anything earthly. Like Job said, he came into the world with nothing, and you will leave this world without anything. You can be sorry for your sins, and you will carry your good works, but no possessions up to heaven. When you die to self, and let Me be your Master, you will lose your craving for anything earthly. You all are called to share your faith, your love, and your possessions. So share yourself entirely for love of Me. The closer you come to Me, the more you will be One with My Sacred Heart. As you crave to be in My Real Presence, you are preparing for being with Me in heaven. When you come to this healing Mass, you are healed in both soul and body. Rejoice in My intimate love which lasts forever. My son, you just had an unusual problem with your solar inverter when you discovered it was covered inside with a lot of water

that grounded your device, and stopped it from working. Once you dried it off, your system is now functioning properly. This was another trial just as you had with the flies. You were open to have Me fix it for you, and trust that I will be present to help you in all of your refuge needs."

Tuesday, September 27, 2016

October 13, 2016
Tuesday, September 27, 2016: (St. Vincent de Paul)
Jesus said: "My people, you saw how Job was down on himself for being born, because of all of Satan's attacks killing his flocks, and even his children. In all of these trials he never blamed Me, and he was not abusive to Me. One of the lessons from this story is to be careful how you react to bad things in your life. You can learn patience from Job, and not to blame Me for the trials in your life. In every life you are going to be tested by difficulties, and you will be tested by Satan's temptations your whole life. When you have difficulties, call on My help to ease your pain, and solve your problems. If Satan attacks you spiritually, then call on Me, and I will send you angels to protect you. Do not lose your temper with problems, but treat these things as a test of your love and faith in Me."
Jesus said: "My people, your current Administration is bankrupting your country with a welfare state, and their health care program. You have heard your President state that the more hand out programs he can start, the quicker your country will be bankrupt and ready for a totalitarian takeover. The goal of the one world people is a total martial law takeover, so you are primed for the Antichrist to take over the world. Your debt money was set up by the one world bankers's Federal Reserve, and they knew that you could never pay back your National Debt. They have been preparing for America's fall when your dollar will be worthless. Your country needs a sound money system and a solid defense, but your Administration is trying to make you weak for an easy takeover. You also need Me in your schools and your churches. It is because America is turning its back on Me, that you are in a weakened state, and you will receive My punishment soon for your abortions and your sexual sins. My faithful will be protected at My refuges by My angels."

Wednesday, September 28, 2016: (St. Lawrence Ruiz & companions)
Jesus said: “My people, you have seen violence in your streets and violence in killing people in wars. In your newspaper today you saw a comparison of deaths in the last five years in Iraq, Syria, and Chicago. There were more deaths in the killings in Chicago, Ill. than either of these battlegrounds. You have seen drive-by killings, and killings over drugs taking a substantial toll of lives in the streets of your cities. You have also seen more babies killed in abortion than all of your wars combined. This killing of My little ones is the biggest offense of your country against Me. The magnitude of these millions of deaths is even beyond those killed in the Holocaust of Hitler’s death camps. You see over one million babies killed in one year in America. My people need to stand up against your abortion laws, and any candidates favoring abortion should be voted out of office. America will pay dearly in natural disasters and your lost freedoms as a punishment for your sins of abortion. Pray to stop abortion, and counsel your young mothers not to kill their babies.”
Jesus said: “My people, you have just read how Deutsche Bank is on the verge of crashing. It is heavily invested in derivatives, and there is not enough money in all of Germany to bail out their losses. Still they will confiscate their depositors money to pay for their debts, which will not be enough for a bail out. This failure could take down the European Union and affect banks in America who hold these derivatives. You could be looking at a derivative crash that will cause a world depression. Such an event and subsequent crash of your financial system would allow a martial law to be declared. When the one world people want to take over, they will stop your electricity with either an EMP attack or they will turn off your grid. You also are seeing a possibility of your President giving your internet over to the UN, which will allow the UN to shut down all of your conservative web sites. There also is going to be a change in America’s reserve currency status when China’s currency will be a part of the new currency. This will begin the crash of your dollar when dollar reserves will not be as necessary for other nations to have on hand. All of these events will lead up to the same course of action that will create a martial law, which could supercede your election, and make your President a virtual dictator. Do not be surprised if you see a dollar crash and a stock market crash when the banks are too big to fail. There is not enough credit or money in the world to bail out all of your derivatives that the banks cannot redeem. Be prepared to come to My refuges if you see the banks collapse. Trust in My protection, and My multiplication of what you will need.”

Note: Deutsche Bank has $72.8 trillion of derivatives on its books, but its market cap is only $20 billion.

Thursday, September 29, 2016:(St.Michael, St.Gabriel, St.Raphael)
St. Michael said: "I am Michael and I stand before God. You read in the Book of Revelation how I was appointed by God to cast Satan and the bad angels down into hell on the earth. Hell was meant to be eternal, just as I told you when the priest said the opposite that hell was not eternal in his homily. Anyone who suggests that Satan does not exist, or that hell is not eternal, are telling you heresies, and they should not be listened to. You are also seeing a battle on earth, as Satan and the demons are waging war on your souls. This is why the good angels are assisting you in fighting the demons and their temptations. Carol's father told you that we are preparing for a major battle with Satan and the Antichrist. You all will be tested by the coming tribulation as the Antichrist will be allowed a short reign.
But fear not because Jesus will bring His Warning first to give all souls one last chance to repent of their sins. The good angels will be protecting the faithful at God's refuges during the tribulation, so do not worry about the demons little power. Jesus will be with you in Holy Communion every day, and the good angels will be shielding you from the demons and the evil people. Some people, who do not come to God' refuges, may be martyred, but no one will be killed at God's refuges. The faithful have been marked with a cross on the forehead by the angels, which will let the faithful into the refuges."
Prayer Group:
St. Michael the Archangel said: "I am Michael and I stand before God. You are seeing the demons preying on unsuspecting souls with their temptations and addictions. Some people are not prepared spiritually to do battle with these evil ones. I am the angel guarding America, but when people give in to their mortal sins, it is hard to help them. You need to wear your protection every day with your rosary, scapular, and St. Benedictine Blessed crosses. You also could protect yourself with Mass and your daily rosaries. Recognize that you are living through the coming tribulation, so you could come to Confession frequently to keep your soul pure."
Jesus said: "My people, I told you that you would see more disasters, and you

are seeing some hurricanes, floods, and now even a train accident that saw some injuries and a death. It is not clear what caused this accident, but something happened to the engineer, because the train came in too fast without stopping. Pray for those people who were hurt, and for those who will be inconvenienced by this station shutting down."

Jesus said: "My people, when the dollar was the more powerful reserve currency, countries had to buy dollars to make their transactions. Soon the dollar will be a smaller per cent of the world's reserve currency basket when the Chinese currency will become the third largest portion. The Euro is the second largest. This means that countries will be selling some of their dollars that are no longer needed. China is also selling your Treasury Notes instead of buying your debt. This change in currencies could reduce the value of the dollar, and it will be harder to find buyers of your increasing National Debt. Your country is becoming a larger risk because of your $19 trillion debt, so you may again see a lower grade for your bonds. Be prepared to come to My refuges when you could see your dollar crash, and a possible martial law declared."

Jesus said: "My people, some European banks are on the verge of crashing because they have many non-performing loans tied to the derivative market. The Deutsche Bank has so many debts that it would be impossible to bail out. You saw some major financial failures in 2008. If you see a derivative crash, this could endanger the finances of your world banks. Again, this could cause a martial law that could last a long time. Be prepared to come to My refuges if you see any crashes or martial law."

Jesus said: "My son, you have been working hard to finish your projects. You have your outhouse ready for construction, but you have been having rainy days. Your barrels have now been insulated, and you put some holy water in the barrels that are in the garage to keep them from freezing. You could store up a little extra pasta for some quick meals for the people. You will need trust in My protection, and faith in My multiplication of your food, water, and fuels."

Jesus said: "My son, you were surprised when one of your inverters stopped working that controls twelve of your solar panels. When the solar worker opened the inverter, you saw a quarter pail of water come out. Once he sealed the input line from your panels, and dried things out, your service was restored without any expense to you. The man said it was unusual for that much water to drain down into your inverter. This was like a flashback to when you had a problem with the flies. You need to bless your system with holy water to prevent any more problems. You were fortunate this happened in good weather so it could be

easily fixed."
Jesus said: "My son, I have been directing your projects for the last year or so, and I have been encouraging you to finish your projects quickly before events could soon endanger your lives. If all of your service lines that come into your homes were shut down, many people would die of starvation and exposure to cold weather. You remember how Noah was also criticized, but these critics died in the flood. Be grateful for My warnings and preparations, so My faithful people could find food and bedding at My refuges. Pray for My faithful that they will find protection and their needs at My refuges."

Friday, September 30, 2016: (St. Jerome)
Jesus said: "My son, when you look at your life today, you can see that you center your life around Me in all that I am asking of you. At Mass you had a strong desire to be with Me in heaven and on earth. You desire to be with Me at daily Mass and at Adoration. You give Me time each day in your Chaplet of Divine Mercy and your rosaries. You are carrying out My instructions in doing your refuge projects. You go out to your talks to spread My messages, and you are open to help people. When you center your life around Me, then you will be able to fulfill the mission I have given you. Other people, who only want to do their own plan, are not open to My instructions, and they will have difficulty hearing My Word. The more people are open to follow My ways, the more they will be able to accomplish for My greater glory."
Jesus said: "My people, I am about to bring My Warning experience to everyone on earth at the same time. No one will be excluded, and you will all face your life review and My mini-judgment. At the time of the Antichrist's declaration, everyone will have to endure the tribulation. I will then bring My Comet of Chastisement on the earth at the end of this tribulation, and only those faithful with My cross on the forehead will be raised up in the sky to avoid being killed. I will then cast the evil ones into hell, and I will renew the earth. Everyone of My faithful will be rewarded in My Era of Peace, and they will later come to heaven. So keep your trust in Me to save the souls of My faithful."

Saturday, October 1, 2016: (St. Therese of Liseux)
Jesus said: “My people, you are seeing another hurricane in the Caribbean that is headed for Cuba and other islands, and coming close to Florida. In this vision you are seeing damage to come in the wake of some flooding. Pray for the people who will be in the path of this storm, and that people will be prepared to minimize any deaths. You have seen more Atlantic storms threaten America this year than over ten years. Be thankful that your hurricane damage has been small compared to the damage in Taiwan, China, and Japan from all of their typhoons. You are at the peak of your hurricane season, so you need to be prepared. You also should be prepared for any financial storms that could affect your money or your economy. Your election could also cause some divisions in your country. My refuge builders have been preparing for an eventual martial law, and mandatory chips in the body. This will be when My faithful will be seeking My safe havens. Trust in My protection and My multiplication of food and water.” (4:00 p.m. Mass) Jesus said: “My people, in the Gospel the apostles asked Me to increase their faith. Then I told them if they had the faith of a mustard seed, they could say to this mulberry tree, ‘Be uprooted and planted in the sea,’ and it would obey them. (Luke 17:6) My people of today, you can see the priest in the vision is trying to inspire the whole parish to go out and evangelize souls. By your Baptism and Confirmation, you are priest, prophet and king, which means you have the grace to be an evangelist. Most people could share their faith with their friends and relatives, and they could find someone who might be open to join the Roman Catholic Church. I have special evangelists who desire to travel and spread My Word to all the people who would come and listen to them. I even have some messengers or prophets who also evangelize, by sharing My words in their messages. However, you can help build up My Church, you should make an effort to convert sinners to the faith. Even if you do not physically evangelize people, you can pray for the conversion of poor sinners. You can also pray for your priests, and for more vocations to the priesthood. All the work that you can do for Me will be appreciated, and it will store up treasure for you in heaven.”

Sunday, October 2, 2016: (Guardian Angel feast)
St. Mark (my guardian angel) said: “I am Mark and I stand before God. I showed you my beauty as an angel, but you have a beautiful mission which I am happy to guide you on. You actually have two missions, one to share Jesus’ messages with the people, and the other to prepare your interim refuge. I give you many urges to do everything out of love for God. I even protect you in many close encounters with the evil demons and evil people. I love your openness to do God’s Will in even some uncomfortable circumstances. By being open to listen to the words of Jesus, you have been a willing servant to go out to many places to share His Word. You have called on our angel help in your traveling experiences, and you pray daily for your strength to follow Jesus in His plans. Your efforts to spread the Lord’s Word has helped many souls to come closer to God. At the end of your life you will see the full extent of your work, for which God is thankful. Continue to be attentive to Jesus’ intentions to carry out His plan. You are coming into a time of battle with the evil ones, and you will be asked to do some heroic things for the Lord. Whatever He asks you to do, go forward, and he will give you the grace and the strength to carry it out. Keep close to Jesus in His Eucharist because He is the center of your life, and the food you need to nourish your soul.”

Monday, October 3, 2016:
Jesus said: “My people, pray for the people who are in the path of the coming hurricane. You are seeing in the vision all of the coming damage from wind and flooding. The people there need to heed the warnings so they are prepared for a serious storm. This is only the second serious hurricane of the season. Pray also that there will be little loss of life as well. There may even be some effects on your East coast with this storm. This will be one more test for the people who live in the South. These storms are another reason to live further inland, instead of on the coast. Be ready to help any victims of this storm. In the Gospel of the Good Samaritan, some people were reluctant to help the victim of the robbers. In the same way as the Good Samaritan, your people should be sympathetic for any storm victims and help them where you can.”
Jesus said: “My son, you are making plans for getting some more food, and for building your outhouse. Your time is running out to obtain more things, so it is good to make one last order. You will have a good group to work on your

outhouse, which is your last major project. Pray that your food can be delivered in a timely fashion, when you are home. You can also pray for the lady you are helping so she can be healed. You are preparing to help a lot of people at your refuge, and I will be helping you to multiply your food and water. If more than forty people come, I will have My angels supply the wood and build more buildings on your grounds. The people, who will come, should be grateful that you are providing a place of protection, and all that is necessary for survival. You will be happy to see people healed of their infirmities. You will also be happy to have perpetual Adoration at your refuge. Continue to trust in Me to help all of you to survive this coming tribulation."

Tuesday, October 4, 2016: (St. Francis of Assisi)
Jesus said: "My people, I am showing you a contrast between the ways of evil men, and My ways in the coming Warning experience. You have men with evil intentions making tunnels underground with special machines. These tunnels are a means for military people to travel for martial law. They also are storing food in underground cities for your VIP people. The other tunnels are a spiritual means of how all of you will come to Me in your Warning experience. At that time your spirit body will come out of your physical body, and you will travel quickly through a tunnel until you come in front of My Light. Every soul will see their life review so you can remember your unforgiven sins. You will all face a mini-judgment, and you will be placed back into your bodies to improve your lives. This will help sinners to have a chance to repent of their sins and be converted if they so choose."
Jesus said: "My son, as you look back over the last year and a half, you have accomplished many of My projects for your interim refuge with My help. Your neighbors' inheritance enabled you to build a new chapel and a new kitchen. You have filled both rooms with your needed furniture and appliances. You prepared three bunk beds and you bought twenty cots for people to sleep. You have also purchased some food for multiplication. You have bought a good number of barrels for storing water to drink. You installed a very good solar system with batteries. You also bought a new shed and an outhouse that is almost built. All of your projects have been carried out as quickly as possible. Not all refuge builders have a lot of money for their projects, but I have helped them in various ways to get their refuges ready. Some people may wonder why you are spending

so much money for your projects, but I thank you for listening to My plans and carrying them out. This work will not be in vain because you are just finishing up in time for the evil tribulation that is at the door. Keep your souls and your refuges ready for what you are about to face. With My help and My angels, we will provide for your protection and your needs."

October 13, 2016
Wednesday, October 5, 2016:
Jesus said: "My people, I taught My apostles how to pray with the 'Our Father' prayer with a focus on forgiving one another, as well as asking My forgiveness of your sins. It is important to make time for Me in prayer every day. I am calling you to center your life around loving Me and loving your neighbor. You saw how I retreated into the mountains to pray, away from the noise of the crowds. In the same way you can go to your prayer room to pray away from other people. You need some quiet time so you can listen for My words to direct you in spreading My Gospel. This is why I am telling you to go and reconcile any problems with your neighbor before you come to the altar at Mass. You can also come to Confession to the priest to cleanse your sins, so you can be worthy with a pure soul to receive Me in Holy Communion. You also have many intentions to pray for your relatives and friends so you can be intercessors of prayer to Me for them. I hear all of your prayer petitions, and I will answer them in My ways and in My time."
Jesus said: "My son, you are making progress on your outhouse building, but you ran into some pieces that were not cut right. You had to cut pieces that were missing, and remake the hole in a new piece of plywood, so it lined up properly. The metal roof piece was not cut properly, and the boot for the pipe needed a steeper incline. You will also need some brackets so you can use boards to lift up the outhouse to needed locations when you can dig a deep hole. This will be needed when your flush toilets will not work during the tribulation. You also ordered some more dehydrated food and some MREs, and it will be shipping from your vendor. You were making room for the food in your crawl space in the basement. Once you put the finishing touches on your outhouse, you will be ready with your finished projects. Pray for the people who will be led to your interim refuge. My angels will be guarding your refuge, and they will multiply your food, water, and fuels. They also will bring you daily Holy Communion, and they will build more buildings if necessary. Trust in My help for all of your

refuge needs."

Thursday, October 6, 2016: (St. Bruno)
Jesus said: "My people, many areas in Florida are already being asked to evacuate because electricity could be stopped for a while. There is a major concern to save lives and not worry about destroyed buildings and houses. Some people have evacuated voluntarily, but soon there will be mandatory evacuations. This is the largest evacuation ever ordered in Florida. Pray for these people that they will do the right thing and leave while they can. Even the military are getting ready to help people. This truly is one of the main events that will happen to America this year."

October 13, 2016
Friday, October 7, 2016: (Our Lady of the Holy Rosary)
Our Lady said: "My dear children, your best weapon against Satan and all of his temptations is praying the holy rosary. My complete rosary is the fifteen decade rosary of the fifteen Mysteries which was modeled after the 150 Psalms. Pope John Paul II has added the Luminous Mysteries because all the Mysteries are about my life and the life of my Son, Jesus. You have heard the many powerful stories of how my rosary has helped my children throughout history. Today, more than ever, we in heaven need your prayers to balance out all the sins of your world. Many times I have given you my intentions, which are prayers for the conversion of sinners, for the souls in purgatory, for stopping abortion, and for peace in the world. You have been praying many years for the conversion of communist Russia. You are also praying for the people who are suffering from Hurricane Matthew. I applaud all of your reparation Masses for the souls who die suddenly in disasters because they did not have time to prepare for their judgment. Remember to pray your rosaries every day, and if you should forget them, you need to make up for them on the next day. In the Gospel, my son, you saw mention of Beelzebul, who is the lord of the flies. You actually experienced thousands of flies in your new chapel as an attack on your good intentions. With praying the St. Michael prayer and consecrating your land to my Son, Jesus, this evil has been cleansed from your refuge. God bless you in your missions, and I thank all of My prayer warriors for praying my rosary."

Jesus said: “My people, a while back you were without power for eleven days, and your natural gas heater was not working in a cold March, 1991. You know what it is like to be without power for an extended period of time. You can empathize with the people of Florida in their power outage, only they will suffer the heat without air conditioners. There also is damage that may take a long time to repair. When people are suffering in one state, it is hard for people in other states to appreciate any stress the people in Florida are feeling. It will be hard to assess the total damage and hardships suffered from this storm. Pray for these people that deaths will be minimized and that power could be restored quickly. I told you that this event of Hurricane Matthew was one of the main events for this year. You still could see another main event in the next few months. Pray for the people who are suffering now, and those people who could suffer in the next event. Some of these events are a punishment for your sins, especially for your abortions.”

October 13, 2016
Saturday, October 8, 2016:
Jesus said: “My people, when people first come to America, they are greeted by the Statue of Liberty, which is a symbol of freedom. You have a constitutional republic, but the one world people, who control your government people, are moving quickly to take control of America. Your President has written many Executive Orders so he could declare martial law at any time, for any reason. If he does not like the winner of this election, you could easily see martial law. It is My Warning that could interrupt the one world people’s plans. I want all sinners to have one last chance to be saved from their sins. The moment you see mandatory chips in the body, or martial law, you need to come to My refuges for protection. It is your spiritual and physical freedoms that will soon be taken away when martial law is declared. You will also see problems to obtain food, water, and gasoline unless you have a chip in the body, or the mark of the beast. When your lives are threatened, I will warn My faithful that it is time to leave for My refuges. Be prepared, My children, because these events could be tied to your election. My angels will watch over you, but be ready to leave your homes for My refuges.”

Sunday October 9, 2016

October 13, 2016

Sunday, October 9, 2016:
Jesus said: “My people, just as you open your shades to let the sunlight come in, so I want you to open your hearts and souls to let My Light and My graces come into your souls in Holy Communion. My joy and love go out to each soul, especially to those souls who are open to receive Me. In the Gospel, you read of how I healed the ten lepers of their leprosy. I had them go to the high priest to be officially accepted back into their society. On the way, they all realized that they were cleansed of their leprosy. I want My faithful to come to Confession at least once a month so they can cleanse their souls of the spiritual leprosy of their sins. Do not look down upon people with any disease, but see that each person has My Presence in everyone, and you are all of great value to Me as My creations. Only one leper came back to thank Me for his healing, and he was a Samaritan. In your lives I give all of you many gifts of healing, and what you need in life. Remember to thank Me every day for all that I do for you. In doing so, you will be blessed for your gratitude. Just as I told the healed leper to go, because your faith has saved you, all of you will be saved who thank Me and obey My Commandments. Even in your lives, when someone helps you in some way, you need to thank them as you thank Me.”

Monday, October 10, 2016

October 13, 2016
Monday, October 10, 2016:
Jesus said: “My people, this vision is showing you an upward path that is smooth without steps. It is difficult to climb because you could slip and fall downward. My faithful struggle to walk up this slippery path to be with Me, but people who are against Me, either keep falling down, or they do not want to be with the One who loves them. In the Gospel the only sign that I will give you, is the sign of Jonah. Jonah told the people of Nineveh to repent of their sins and change their ways, or they would be destroyed in forty days. So it is today, I am still calling for all peoples to repent of their sins, and try to follow My ways. Those people, who refuse to accept Me, and refuse to worship Me on Sunday, are calling for My justice, which could be disasters, and the possible loss of their souls. Follow the words of My Gospel and act on them, and you will be saved. Repent of your sins, and confess them in Confession at least once a month, and you will be worthy of receiving Me in Holy Communion.”
Jesus said: “My people, some of your society crave wealth and possessions, and they spend their entire lives accumulating valuables. I do not measure success on

earth by how much money you have, but I measure it in your love for Me and for others, and in how many good works that you perform. Some rich people are afraid of losing their wealth to a dollar or a stock market crash, so they buy valuable assets as gold, silver, diamonds, art, and real estate. It is sad to see that people worship money and possessions more than Me. Some rich people desire to control people more than their wealth. Love of money is an addiction, and those people, who are rich for themselves, depend more on themselves than depending on Me. My people need to let Me be the center of their lives, and they need to trust in Me to provide for all of their needs. You cannot do anything on your own, but you need My graces to help you in your daily chores. This is why My faithful, who trust in Me, do not worry about growing rich, and they allow Me to provide for their food and water. All of you are very valuable to Me, and I want to save as many souls as possible. This is why I am sending My messengers out into the world so they can evangelize souls to worship Me and have people repent of their sins."

October 13, 2016
Tuesday, October 11, 2016: (St. John XXIII)
Jesus said: "My people, this vision of a ship being launched at sea, represents how each of you are placed on the sea of life. When you are at sea, you are at the mercy of the waves which are stirred up by storms. This is the ups and downs of life when you suffer trials, as in the storms. At times you seek the harbor of My grace so you can be protected from the storms of life. You also seek My direction in which way to follow Me. If you listen to My words, I will give you direction to follow My ways in life. In the Gospel the Pharisees followed all of their traditions on the outside, but I was looking into their hearts on the inside. Their intentions were not to worship Me, but what they could gain for themselves. I was telling them that it is more important to love Me and love their neighbor. You can show your love for Me by sharing alms for the support of My Church, and donations to your neighbor. This sharing with alms is an outward sign in how you can thank Me for all the gifts that I give to you every day. If all of the people loved each other as I desire, you would not have wars, disagreements, or grudges of hate or unforgiveness. When you worship Me and pray to Me daily in your prayers, you are uniting your heart with Mine in all that you do."

Jesus said: “My people, Hurricane Matthew will be remembered a long time for all the damage and the lives that were lost. The destruction of buildings, work places, and flood damage has taken its toll on the people, who have lost their homes, their jobs, as well as some who lost their lives. I am merciful in granting forgiveness to the repentant sinners. But America is calling down My justice for your many abortions, gay marriages, and even killing of older people with euthanasia. What is most offensive is that you have laws, or Supreme Court decisions that are legalizing these evils in your society. Each year the evils of your society are getting worse, instead of better, so I am allowing these disasters as a punishment for your nation’s sins. If your people do not repent and change their ways, then you will see a takeover of your country, and you will lose your freedoms. Pray for a spiritual revival of America, or you will be brought to your knees as the Roman Empire collapsed from its decadence.”

Wednesday, October 12, 2016: (Claire Farnand’s funeral Mass)
Claire said: “I am happy to see all of my family at my funeral. I love all of you, and I send my last kiss to all of you. (At that time I felt a wave of love that came over all of us from Claire.) I am with my husband, Emmet, in heaven with today’s Mass. You could see us together again as we love each other even after death. We will be looking out for all of you in our prayers for you. Remember all of my teachings of Mary and Jesus as we taught you to pray the rosary. I thank Barbara for her kind words about me. I thank you John and Carol for all the rosaries that we shared together at your prayer meetings. I love all of my family and friends, and we will be waiting to see you again in heaven.”
Jesus said: “My people, you can see how the one world people will do anything to keep your Republican candidate from becoming President. The establishment Republicans are not even supporting him. There are others who are doing everything to smear his name. Both of your candidates have histories of bad behavior. It is sad that instead of debating the issues, you are seeing a smear campaign on both sides. Your President or the Democratic candidate could easily

be put in power. Their plans are to have mandatory chips in the body that will be required for food, money, and jobs. You recently heard of some people from Venezuela tell you that their people needed chips in the body for food, and living accommodations. This will be coming to America through your health plan. The one world people also have a plan for martial law, so they can cleanse My faithful out of your society. Do not fear the plans of the evil ones because I will have My angels protect you at My refuges. The angels will multiply your food, water, and fuels. They will also bring Me to you in daily Holy Communion. The Antichrist will have a short reign, and then I will cast the demons and the evil people into hell. You will then be brought into My Era of Peace, and then later into heaven."

Thursday, October 13, 2016:
Jesus said: "My people, in just a few days of strong rain from the hurricane, North Carolina was flooded with water that had no place to flow but into the houses. You can still see people being evacuated to higher dry ground, and it will take a while for the flood water to drain off. The residents cannot restore their dwellings until the water is gone, so these people could be homeless for an extended period of time. Many people are without electricity, who are still able to stay in their homes. This devastation may even take years to repair. Pray for these people in their struggle to survive, and get sufficient food and water. You have seen many requests for donations to help the flood victims, and the damage in Haiti, where there was much more loss of life. The damage to your coastal properties could affect your national economy, especially in the East. Many of these Eastern cities have been declared national emergencies, and they will require a huge amount of tax dollars to repair the damage."
Prayer Group:
Jesus said: "My people, the straits by Yemen see many oil tankers and ships from various countries pass through this narrow waterway. You have seen your ships harassed in this area before. When two of your ships were attacked by rebel forces with missiles, your ships had to take evasive action to avoid being hit. Your ships have retaliated by sending Tomahawk missiles to destroy three radar stations. Each action seems to accelerate the hostilities against shipping in this area. Pray that these incidents do not provoke a war, or involve other

countries who could come to the aid of the rebels."
Jesus said: "My people, your news reports are finally showing these rivers in North Carolina are reaching their crests, but it will take a long time to restore these river levels to normal. There are still several hundred thousand people without electricity. This was a very destructive storm, and the full extent of the damage is still unknown. People and your government need to step up with donations to help these people get back to normal. Pray for all of your victims of this storm that they will be provided for in their needs."
Jesus said: "My people, your Supreme Court makeup could be determined by the next elected President. If the Democrats win the Presidency this election, it will be next to impossible for any conservative to win, because the population will be so imbalanced to the left. The people, who vote, will have to take their responsibility for their choice in what will happen. Your country is at a crossroads of being either socialist or being a democratic republic."
Jesus said: "My people, you have been witnessing all the latest hacking by Wikileaks and other hackers who are exposing private emails and stealing charge card information. Large corporations are having their customers' privacy invaded, where their debit accounts could be stolen. You have had to change your charge card accounts several times because of this hacking, and it does not matter if your charge cards are chipped or not. You will soon see a major change in your finance accounts that could lead to chips in the body. Pray for a better financial system to limit this extensive hacking without mandatory chips in the body."
St. Therese said: "My son, I did not have an opportunity to talk to you on my feast day or last Thursday. You can see every day how your country is moving further away from God. Your society and your Supreme Court have forced your health plan and gay marriage upon everyone, whether they want it or not. Your courts are making laws by their decisions, even when it is against the vote of the people. This is why evil laws are bringing your country down, and they are bringing the Lord's justice upon you in your disasters. Continue praying for your country, and the conversion of sinners. Your only hope will be God's supernatural intervention with His Warning to try and change your people's evil ways."
Jesus said: "My people, your National Debt is getting out of control, as your deficits continue, and you are finding it difficult to find buyers of your Treasury Notes. The latest shift in your reserve currency with China is now having their currency added to your basket of currencies, which will bring down your dollar

down in value. As the dollar decreases in value, so your wealth instruments in dollars will lose value as well. When you are forced to take chips in the body, you will need to come to My refuges so you will not be forced to take them. Refuse these chips that could control your mind and your free will."
Jesus said: "My people, you are seeing a strong possibility for either martial law or My Warning before the end of this year. The one world people will take any opportunity to force martial law on your people, so they can force America into the North American Union. These evil ones do not know when I could bring My Warning to upset their plans. I can postpone your elections with a supernatural intervention. I will also shorten the Antichrist's reign so you will not suffer as much. Be prepared for the coming tribulation when evil people will have their last struggle to win souls. Remember that I will be victorious in the end, and all the evil ones will be cast into hell."

Friday, October 14, 2016: (St. Collistus I)
Jesus said: "My people, you have heard how the Christian martyrs could not be buried in the normal graveyard, so St. Collistus I had the catacombs made to give a proper burial place for the martyrs. You have been inside the catacombs, and you could see three indentations, one over the other, in the walls on both sides for burying the bodies. You also saw some places where secret Masses and prayer services could have been held. There was a great persecution of Christians for the first three hundred years after My death on the Cross. Many Popes were martyred during this time. I am showing you these things, because you are about to see another time of Christian persecution when your lives will be in danger of martyrdom. This is why I am warning My faithful to be ready to leave for My refuges, which will be your new catacombs, but you will be above ground guarded by My angels. Those faithful, who stay in their homes, could be risking martyrdom when the men in black will come to your homes to force mandatory chips in the body on everyone. I have told you many times not to take these chips in the body, because this will be the mark of the beast. I also mentioned that you could remove this chip up until the Antichrist declares himself. Once the Antichrist declares himself, these chips will have control over your mind and your free will. Your faith will be tested during the coming persecution and tribulation. Trust in Me to have My angels protect you from the

evil ones with their shield of invisibility at My refuges."
Jesus said: "My people, I told you that America is being punished by disasters because of your abortions and your sexual sins. You just saw Hurricane Matthew cause a lot of damage on your East coast between Florida and North Carolina. Now, you are seeing hurricane winds and tornadoes coming into Washington and Oregon. You are seeing continuing disasters, but your people are not connecting your sins to this punishment. When you see such disasters, I am getting your attention. But as these trials continue, you will realize that there is a reason for your punishment. Once you see that My blessings of good weather are no longer present, then you will understand that I am calling America to repent of your sins, or face more bad weather."

November 3, 2016
Saturday, October 15, 2016: (St. Teresa of Avila)
Jesus said: "My people, be thankful that you have food to eat and share because a time is coming when you will see a world famine. People, who have suffered destruction from storms, have lost their homes, and food is hard to find. There will also be a famine for those people who do not take a chip in the body. My faithful will be fed at My refuges so they do not have to take the mark of the beast, which I do not want you to take for any reason. At this time of year you are seeing a harvest of food which is why you are thanking Me for your gifts of food from the fields. Even more important is the need for a harvest of souls, which is why I will bring My Warning experience for all souls in the world. I will give everyone a life review so you can see how you offend Me with your sins. You will have a mini-judgment to heaven, purgatory, or hell based on your life's actions. In the Gospel I told you that those people, who acknowledge Me before My heavenly Father by your worship and repentance, will be saved. But those people, who refuse to worship Me and refuse to seek the forgiveness of their sins, could be lost to hell. I will give all souls an opportunity to change their lives of sin to one of obeying My Commandments. After the Warning, souls will desire Confession, and I will be waiting for all souls to come to My forgiveness, as the father of the Prodigal son. I want all of you to receive the gifts of the Holy Spirit so you can go forth and proclaim My Good News of salvation to all the nations, and evangelize souls to accept Me into their hearts and souls. I love all of you, and I desire that all souls could be saved from hell, so they can be in My

loving presence for all eternity."
Jesus said: "My son, you may be in a dangerous area near San Francisco, if there are major earthquakes along the San Andreas fault. Your news reports are already claiming there are a lot of smaller earthquakes on this fault. The next serious earthquake could also trigger an eruption of the super volcano under Yellowstone Park. Even a minor eruption could shutdown many airplane flights which you are seeing in the vision. Such a major event could also trigger a martial law which would have My faithful come to their refuges. Be watchful of several major events that could trigger a martial law. Pray for My protection as you prepare to face the coming tribulation."

Sunday, October 16, 2016: (Conference at Legion Post)
Jesus said: "My people, you need to tear down this wall around your heart so you can be open to My love, and so you can share your love with others. You have the key from inside to open your heart to Me. I love all of you, and you need to love Me and love your neighbors. Just as the unjust judge settled in favor of the woman's case, so My faithful need to be persistent in their prayers for those souls who are away from Me. I hear all of your prayers, and when you ask for the conversion of souls, I will have mercy on those sinners. Some souls, who are away from Me, will be very grateful to you for helping to save them from hell. Pray for these souls that they will be open to My graces. I pray that all of My prayer warriors will be persistent in their prayers as the woman in the Gospel, and more souls could be saved. Especially after the Warning, be ready to evangelize your family members when they will be more open to your evangelization efforts. The more souls you can help save, the less souls that will be going to hell, and I will reward you for every soul that you were instrumental in saving."

November 3, 2016
Monday, October 17, 2016: (St. Ignatius of Antioch)
Jesus said: "My son, I am showing you the green roof of your outhouse that needs to be completed with the new piece of correct metal sheeting that was sent

to you recently. Your contractor was willing to come and finish this job. You could give him a donation for his labor. Again, I am pushing you to finish up your projects, so you are ready when I will send people to your interim refuge. In the Gospel you are seeing a rich man who had a bountiful harvest. He tore down his smaller grain bins to build larger ones, so he could store all of his harvest. When he stored the grain, he thought he could relax and live off of his harvest. I called him a fool, because he was storing treasure for himself, and not for others. That night his life would be taken, and I asked him to whom would all of his treasure go, because he would not be able to take it past the grave. Your life is brief on this earth, and you are put here to know, love, and serve Me. You are not here to accumulate wealth just for yourself, but you must share your wealth with others. So when you see someone in need, and you can afford to share your surplus wealth, it is your duty to help others in thanksgiving for all the gifts that I have given you."
Jesus said: "My people, I am showing you the beginning pews of a church, but your churches are far from being full. You see many people sitting further back in the church because they are afraid to make any commitments to build up My Church. My faithful people, who truly love Me, want to be with Me every day at weekday Mass. Those people, who just come to Mass on Sunday, could be coming more out of obligation to My Third Commandment than because they truly want to be with Me in Holy Communion. My true believers also want Me to be the center of their lives, and they long to be with Me at daily Adoration of My Eucharist. The lukewarm Catholics, who do not come to Sunday Mass, only come to Me for material possessions, or when they are tested by death or serious illnesses. My people need to understand that you are dependent on Me for everything in your lives. All that you have, has come from My gifts. I call on My faithful to do everything that you can to encourage souls to come to Me, so I can save their souls. When you love Me, you will want to share My love with everyone. Call on Me to give you all the necessary graces that you will need to serve Me in love, and to help save the souls of your neighbors for My greater glory."

November 3, 2016
Tuesday, October 18, 2016: (St. Luke the Evangelist)
Jesus said: "My people, I have told you that the harvest of souls is great, but the

laborers for My Gospel are few. You have read how I sent My apostles and deacons out to the towns to prepare them for My coming to them. When I sent them out, I told them not to take any money or food, because the laborer is worthy of his support in food and lodging. Even today, I am still sending out My prophets and messengers to prepare the people for the coming tribulation, but also for My coming again in justice. You have been happy in My year of Mercy, but soon you will experience My year of Justice. I love everyone, but you are all responsible for your actions before Me. I have called you to repent of your sins, and to allow Me to be the Master of your lives. Those people, who heed My words of repentance, will be rewarded in My Kingdom. But those people, who refuse to repent and refuse to accept Me, are on the road to hell. My laborers also need to evangelize souls, so sinners can repent and be ready for Me at My mini-judgment in the Warning, and when I return to the earth in Spirit. Have your souls cleansed in Confession, so you will be worthy to face Me at your judgment."

Jesus said: "My people, you are seeing American dollars in a glass jar that represents the basket of currencies that has changed for the reserve currency. This reduction in the percentage of American dollars as part of this basket of reserve currencies, is a sign of America's lower status in the world's currencies. China's currency has been added to this basket. As a result, the dollar is losing value to other currencies. The dollar is not backed by gold or silver, so its value could go down quickly as your National Debt increases. It will become more difficult to sell your Treasury Bonds or Federal Notes to other countries or investors. If no one will buy them, then either your Treasury or the Federal Reserve will be the buyer of last resort. As you print more money and more bonds, you will be inflating the dollar. As interest rates go up, you will have to pay more interest to finance your National Debt. Once you cannot finance your debt, your government and the dollar will crash, and you will be bankrupt. All of your instruments in dollars will crash also. This will require a new electronic currency, but you could see martial law with such a crash. Before your economy or your dollar crashes, I will send you My Warning so you can help save souls, and have time to get to My refuges. You will not need money at My refuges, but I will have to multiply your water, food, and fuels. You will be healed of your infirmities at My refuges, and you will have daily Holy Communion in perpetual Adoration. Trust in Me that My angels will lead you to My refuges before your lives will be threatened."

November 3, 2016
Wednesday, October 19, 2016: (St. Issac Joques & companions)
Jesus said: "My son, you are very familiar with these North American martyrs, because you have felt the presence of these martyrs at Auriesville and at Midland in Canada. Several times you walked the trail of the martyrs at Midland to the three crosses. You read how these martyrs were brutally killed by the Indians. They were able to evangelize some of the Indians, and these martyrs were some of the first missionaries to America. Truly all the blood of these martyrs were the seeds of faith for your people. For many years you have been able to share your faith in public, but soon you will see all Christians being persecuted by Muslims and the one world people. You will be seeing more movement to a one world religion that is being promoted by Satan. I do not want My people to compromise any of My teachings, just to please other people in their religion or atheist practices. I am the foundation for the Catholic Church, and it will prevail against the gates of hell in My faithful remnant. There is a split in My Church between the schismatic church and My faithful remnant. The schismatic church will teach heresies, lies, and New Age, which I want My faithful to avoid. This schismatic church will control all of the churches, and My faithful will need to have a proper Mass and prayer in the homes, and eventually at My refuges. Be prepared to be martyrs for your faith in Me, if you are chosen to be persecuted for Me. Never deny Me even in public, and you will have your reward in heaven."
Jesus said: "My people of America, you have an important choice coming in choosing your election for President. Some of your issues are very clear. Do you want a President who favors killing My babies, or one who treats life as precious? Do want a socialist government that takes away your rights, or a Democratic Republic that protects your rights? Do you want a government that doubles your National Debt continued, or a change in spending? Do you want your electricity cut off or lessened because some people do not want coal, which is providing 30% of your power? You have a country of laws, but your President is not enforcing them. Do you want a President who supports the one world people's agenda against America, or a President who stands up against these evil ones? When all of your votes are counted, the people will get who they voted for. If your government does not fight against abortion, gay marriage, and euthanasia, your country will suffer under the weight of your sins. You will see a

takeover of your country and many disasters, if you do not repent of your sins, and change your evil laws. Your people are bringing down My justice upon them for not obeying My Commandments."

Thursday, October 20, 2016

November 3, 2016
Thursday, October 20, 2016: (St. Paul of the Cross)
Jesus said: "My people, after the twin towers were destroyed with the terrorists influence, and the help of the one world people, your people rebuilt the 'Freedom Tower' higher in defiance of Me. You did not see this attack as a sign against you, as Israel was first attacked in the North. This is a flashback to the harbingers of your country's coming destruction, and even your leaders are defying Isaiah 9:10.
You are rebuilding the Tower without My help and without repentance of your sins. When your country defies My laws as with abortion, gay marriage, and euthanasia, you are calling down My justice. Without changing your sinful ways and your evil laws, you will see more disasters and a takeover of your country by the one world people. The one world people, who control your government, will not allow anyone to change their control, and they will tear down or kill anyone who defies them. They have power, and they will not give it up. Their goal is to have an open takeover of your country, and they will take away your rights to place you into the North American Union. You will become a part of the new world order when the Antichrist declares himself. Fear not My faithful, because I am preparing My refuges for your protection, and My angels will multiply your food, water, and fuels. I will have My victory over all of the evil demons and evil people when they will be cast into hell. Remain faithful to Me, and you will share your reward in My Era of Peace, and later in heaven."
Prayer Group:
Jesus said: "My son, I had you purchase a wellpoint, pipes to pound in, and an attached hand pump. You have used some dousing rods to determine where a spring could be found. It is not proper to dig a well right now, but you could do so when water is needed. You have seen how important a water source is when you have had a continuous drought. I told you that I would give you springs of water if you did not have a source of water on your land. You have barrels of water for drinking, but the water needs to be multiplied for drinking, washing, and bathing. Be grateful that any wells will have pure water at My refuges."

Jesus said: “My people, you have seen the debates with the two candidates, and you have heard them speak out on their talking points. Many people have made their choice, but it will be how many people that will actually come to the voting booth, that will elect a candidate. You have seen some fraudulent votes from dead people, and more votes than are registered in a district. You will see more of the same as some groups will encourage multiple votes and other illegal means of voting. People are naïve to say there is no cheating going on. Pray for a fair election without illegal votes.”

Jesus said: “My people, you have made several walks along the path that the martyrs traveled. You can try to make some plans for a time when most people could attend. It would be difficult to choose a time when people are voting for your President. It is a good time to make a trip before the end of the Year of Mercy. Events that lead up to My Warning time could start in the next Year of Justice. Pray for the safety of your pilgrims.”

Jesus said: “My people, it would not take much effort from any number of countries to send a nuclear bomb that could explode high above your country. Such an EMP attack could turn off your electricity, and you could see many people die of starvation. This is another reason to stock your homes with enough food for one year for each person in your household. You could also stock some water in case your public water gets contaminated. This preparation could also be helpful at My refuges during the tribulation.”

Jesus said: “My people, any such events that would endanger your lives, will come after My Warning experience so you can prepare your souls to face Me at your judgment. The prophecy that you may not have another normal Christmas could very well happen, if there is a plan allowed by My Will. Such significant events could trigger a martial law, so I would bring My Warning before that happens. Trust in My protection from being captured by these evil ones.”

Jesus said: “My people, you have seen the Russian people practicing for the possibility of a nuclear attack. They are being threatened by new missile batteries being placed by NATO near the Russian border. Such a nuclear war could kill many people, and it could also destroy your chips with any EMP attack. There are means to protect your grid from an EMP attack using Faraday cages, but this would be expensive to deploy. Having protection from such an attack would help preserve your society from starving. Pray that such a war does not happen, but My refuges would be protected from any nuclear bombs.”

Jesus said: “My people, it is getting late to begin making new refuges, but there are prayer groups that meet at refuges. Your prayer group angel, St. Meridia, is

also your angel of protection at your refuge. Pray for your people to be ready to leave for your refuges, and pray for your refuge builders to be ready to receive the people who I will send to them. Trust in Me that I will send only faithful people to My refuges."

Friday, October 21, 2016:
Jesus said: "My people, you are all blessed to take time to come to be with Me in this retreat to nourish your souls. My Gospa Prayerhouse group is to be commended to offer this time for Me to talk to your souls. As in many retreats, it is good to have places of silence be honored, as you should be contemplating your prayers of silence to Me in contemplative prayer. You can have time for conversation at your meals, but if you have a place for adoring My Blessed Sacrament, you could keep silence in reverence for My Real Presence. I thank all of you for making this retreat, and be ready to take what you have learned home, and put it into your life's work. I love all of you so much, and you are showing Me your love by giving Me your time and reverence at this retreat."

November 3, 2016
Saturday, October 22, 2016:
Jesus said: "My people, when you think of the fruit of your life, there are two lives because you are made up of body and spirit. You are concerned with the body's survival and the soul's eternal survival with Me. In the vision you see gold or money which is needed to buy your food and support your living accommodations. You have a work vocation to earn a living, and I give each of you special gifts in various trades. You, My son, were given a gift in the sciences to work as a chemist. Others were given gifts for other professions. You are called to be providers for your family. But do not let your earthly desires for comforts and financial security, consume your time. This life is temporary, but you are truly seeking an eternal life with Me in love, and also during your time on earth. Your spiritual fruit is how you know, love, and serve Me. I give you My Eucharist every day for those who come to daily Mass. Those souls, who are close to Me, allow Me to be the Master and center of their lives. Just as you were

given physical gifts to earn your living for the body, so you were also given spiritual gifts to bring you close to Me in prayer, worship, and perform good works for your neighbor. You have the gifts of the Holy Spirit and My own Self that I share with you in Holy Communion. I want you to use all of your gifts to provide the fruit that I am seeking in your love of Me and love of your neighbor. It is this fruit of how you loved in the world that will be your witness before Me at your judgment. So live your life in My love, so I can see that you are a fruitful fig tree, and you are worthy of coming into heaven."
Jesus said: "My people, I want to describe to you how souls are suffering in hell, but they all chose to be there of their own free will. These soul bodies are experiencing a burning sensation from the eternal flames of hell. They are constantly being tormented by the demons, and they will never see My face or love again. They are in a hopeless state of only experiencing hate with no love. You do not want any of your relatives, friends, or anyone to come to hell. Hell is eternal, and it was made for the bad angels who disobeyed Me. I am showing you this experience to warn people of the consequences of their sins when they refuse to love and worship Me. I will bring My Warning to give all sinners one last chance to be saved from hell, by repenting of their sins and changing their lives of sin. Souls, who are heading to hell, will be warned and shown what hell is like. I showed the children at Fatima a vision of hell, so you all could pray for poor sinners. You have heard testimonies of those souls who were in hell briefly in near death experiences. My people, you are called to pray for sinners in conversion, so you can save as many souls as possible from hell with My help. Many souls are falling into hell, and your prayers are needed desperately to help souls from going to hell. Give good example to all of your relatives and friends, so they could be saved, especially conversions after the Warning."

November 3, 2016
Sunday, October 23, 2016: (Eastern Rite Mass)
Jesus said: "My son, I gave you a message last night about hell, so you would pray more for sinners who are in most danger of falling into hell. In today's Gospel, I told the parable about the rich man and the beggar, Lazarus. Lazarus was at the gate of the rich man, longing to eat the scraps from his table, but no one offered Lazarus anything to eat. Only the dogs licked the sores of Lazarus. Upon their deaths, Lazarus came to heaven, but the rich man found himself in the eternal fires of hell. The rich man wanted water for his parched tongue, and

he asked Me to warn his brothers not to come to hell. I told him that they had Moses, the prophets, and the Torah to guide them. The rich man wanted Me to send someone from the dead to tell his brothers about hell. I told him if the brothers did not listen to Moses and the prophets, then they would not listen to one who rose from the dead either. I am the only man who rose from the dead to offer everyone salvation, yet still there are souls who do not want to believe in Me. In the vision I showed you how My faithful have to enter heaven by the narrow road. It is the devil who is trying to get souls to follow the easy, broad road to hell. So listen to My words of love, so you can repent of your sins and be prepared to enter heaven. Those people, who follow the pleasures and riches of this world without repenting, are truly following the devil on the broad road to hell. So again, I am asking My prayer warriors to spend your extra time praying for sinners, but especially for sinners who are away from Me, and in most peril of losing their souls into hell."

Jesus said: "My people, every time that you come to Mass, you are celebrating the Communion of Saints. This is a union of the saints in heaven representing the Church Triumphant, the souls in purgatory representing the Church Suffering, and the souls on earth who have not been judged representing the Church Militant. You have seen Me encouraging you to pray for the souls on earth so they could be saved from hell. I also at times have been encouraging you to pray for the souls in purgatory so they could one day be released from their suffering. In various ways I have been urging you not to spend your time on frivolous pleasures, but to spend more time praying for sinners and for the souls in purgatory. If you are persistent in praying for the salvation of the souls of your relatives, I will hear your prayers, and they will be allowed an opportunity to be saved. When you meditate on the Communion of Saints, you are witnessing My grand plan of salvation for souls, who choose to be faithful to Me. The souls in heaven are saved, and the souls in purgatory are saved, but they need time to be purified. This is why you are seeing a real battle for souls on earth because souls can still be lost to hell. So remember to spend as much of your time as possible praying to save poor sinners and praying to release souls from purgatory."

Jesus said: "My people, when you come before My Real Presence in the consecrated Host, I want you to be humble and give reverence to My Blessed Sacrament. Do not feel that you are better than any other sinner because I see all of you as equal, beautiful souls before Me. All that you have, and all of your accomplishments have been a result of My grace, so do not think that you have accomplished things on your own in your pride. Without My help, you would

have nothing. You are totally dependent on Me for everything. So you should be thanking Me every day for what I help you to do. When you pray, you are sharing your love with Me in prayers of Adoration, worship, petition, thanksgiving, and prayers of helping people. It is your prayers for souls that are most important now because your time is short to save souls before I will bring My Warning, and I will allow the coming tribulation. I see many of My faithful wasting their precious time on things that do not help souls. I do not know how much more I can emphasize to you that prayers for sinners are needed now, more than ever. Many souls are on the brink of being lost in hell, especially to the Antichrist. Pray for these souls to be saved, and be prepared to evangelize souls after the Warning when souls will be more open to your evangelization efforts. Saving souls with My help is your most important vocation."

November 3, 2016
Monday, October 24, 2016: (St. Anthony Mary Claret)
Jesus said: "My people, in the vision you are seeing generous people giving their time and money to help feed the homeless. My people, you need to reach out to all people to help provide them food for the body and food for the soul. In the Gospel I healed the woman of her illness on the Sabbath, and I was criticized by the Pharisees. But I told them that they would water their animals on the Sabbath. All the more it was important to free the woman both of the bondage of her illness and the bondage of her sins. In the same way I am calling all people with healing gifts to reach out to pray for a healing of both body and soul. When you heal the soul, it is forever, but when you heal the body, it is only for a short life on earth. Also when you are praying over someone, you need to have faith that I can heal that person. The person, who is asking for a healing, also has to have faith that I can heal them. Seek to heal people of their infirmities, but even more so, seek to heal souls of their bondage of sin with My help."
Jesus said: "My people, you are seeing a set of keys in the vision, and they could start your cars or unlock your home. They are a practical means of running your cars or locking your doors. Be careful with these keys to your possessions, so these things do not control you. You have a new use for your keys that open and close your interim refuge in your addition. You also have a shed and an outhouse for your refuge. When I called St. Peter the rock on whom I would build My Church, I gave him the spiritual keys to direct My Church in My Kingdom. So even now I am calling many refuge builders to set up places of safe havens, and

I am giving them spiritual keys to lead and protect the faithful who I will send to them. My angels will protect My refuges, but I need My faithful builders to help supply the people with their spiritual and physical needs. I will multiply your food, water, and fuels, but you need some basic supplies so I can multiply them. Have faith and trust in Me because I will be watching over My faithful remnant who will be rewarded in My Era of Peace."

Tuesday, October 25, 2016:
Jesus said: "My people, the Kingdom of God is like a mustard seed that starts with a small seed and grows into a large bush. Again, the Kingdom of God is like the yeast that mixes with the dough, and it rises to feed you the Bread of Life. Wherever I am present, the Kingdom of God is among you. When two or more of you are present in prayer, I am there in your midst. Treasure My Presence, because I am always with you, all of the time. I call you to be obedient to your superiors, and especially to your spiritual director. Most of all I call you to be obedient to My Commandments, which are really summed up in your love for Me and love for your neighbors. There is a special love for married couples who are called to love each other by their vows. They are committed for life to care for each other equally without one dominating the other. Out of this married union comes forth the children, who require upbringing in faith and preparation for surviving in the world. Your families are truly the basic building blocks of your society. When you tear down the families, then your society will crumble as well. I made Adam and Eve as an example for how I want most people to live. You also have the example of My Holy Family of St. Joseph, My Blessed Mother, and Me. Continue to love one another as I love all of you."
Jesus said: "My people, let Me say with certainty that Satan and the demons exist, and they are allowed to torment people in some cases, and they can even possess people who invite them. Hell with its flames does exist, and it is eternal. The souls who are in hell will be there for all eternity. Hell was originally intended for the bad angels, but a good number of souls are choosing to go there. You are seeing more occult groups and more black masses where they offer up bodies or body parts to Satan. You are also seeing a battle for souls. I am warning My faithful to wear your blessed sacramentals as a protection against demon attacks and any curses or spells. You could wear scapulars, rosaries, Benedictine crosses, blessed salt, holy water, and relics for your protection.

There are some people who are inviting obsessions or possessions with cursed potions, Ouija boards, tarot cards, or occult meetings. So avoid opening any portals for the demons to enter. These demons can also gain entrance through your addictions. Do not let anything control you, and refuse to accept any chip in the body or mark of the beast for any reason. You are seeing evil leaders who worship Satan, and they carry out his evil orders. There is even a death culture run by the one world people who are intent on reducing the population. These are the people behind abortions, euthanasia, wars, viruses, vaccines, and even gay marriage. Satan has a counterfeit for everything that I promote as holy. Beware of evil things and demons, and call on Me to send you My angels when you are attacked by demons. Use your long form of the St. Michael prayer for protection, and for deliverance of afflicted souls."

Wednesday, October 26, 2016:
Jesus said: "My people, you are seeing how all of nature in the plants and animals are called to obey Me. All human beings are also called to obey Me through the action of their free will. You have the natural law to understand what is good or bad. You are also called to obey My Commandments to love Me and love your neighbors. It is difficult in this world to know how you are to respond to evil in what is being forced on you. You have the option to live your life according to My ways, or the ways of the world. If you see the wrong teachings taught in your churches by the priest, you can try to correct them lovingly. Otherwise, you may have to go to a different church. I assure you that the evil ones are infecting your churches, so you will have to have Mass and prayer in your homes, and later at My refuges. When the evil ones try to force mandatory chips in the body on you, refuse to take any chip in the body, and come to My refuges. You will see increasing persecution of all Christians, but instead of taking up weapons against the evil ones, I am calling you to My refuges of protection. Pray and keep calling on My angels to protect your body and your soul at My refuges. You may even be tested by martyrdom, but do not deny Me, and keep faithful to My commands to love Me, and one another."
Jesus said: "My people, you are aware of all the electronic surveillance cameras that are watching your traffic and business places. Many policemen use this information to catch thieves, and to catch red light violations. You know of a lot of computer information that is used for making sales on the internet, but there is

also hacking of data to steal money from people's accounts. Even your election machines can be controlled to switch votes. I am warning My people to be aware of how this information on your credit cards can be hacked, and even stolen with readers. This is why you could put your chipped documents in aluminum foil to stop any illegal reading of your cards. The real threat to controlling your mind is when chips in the body will be mandatory. Do not take any chips in the body for any reason, even if people threaten your lives, or buying your food. This is why you will need to come to My refuges for your protection. Do not bring cell phones or electronic devices to My refuges because they will not work. My angels will protect you from all kinds of sensing devices of your location. The evil ones will not be able to detect you at My refuges by any device. I will perform miracles of healing and multiplication for all of your needs at My refuges. Trust in My protection during the tribulation, and you will have your reward in My Era of Peace."

November 3, 2016
Thursday, October 27, 2016:
Jesus said: "My people, you are in a great battle between good people and evil people. This is why I am showing you a soldier dressed in armor for battle. There will be a physical fight in the Battle of Armageddon. But the current battle is a spiritual battle where you will need to wear your spiritual armor. My faithful are dressed with scapulars, rosaries, Benedictine crosses, and relics, if you have them. Your rosary of My Blessed Mother is your best weapon to fight the devil and his demons. You should have no fear, no anxieties, and no worries when you have My protection and your guardian angels. Even if some of My faithful are tortured and martyred, I will lessen their pain, and they will become instant saints in heaven. The rest of My faithful will be protected at My refuges by My angels, where I will multiply all of your food, water, and fuels. Be thankful that you are living during this coming tribulation because you will be suffering your purgatory on earth. You will be healed of your infirmities by looking on the Luminous Cross, and the angels will put a shield of invisibility all around you at My refuges. At the end of the tribulation I will protect you and lead you into your reward in My Era of Peace. Rejoice when I will be victorious over all the evil ones when they will be cast into hell."
Jesus said: "My people, when you are boating through a large pond, you could see dangers in the dark water, like floating logs and alligators in the South. When

you have an election for President, where every vote counts, you could see many evil people who would want to rig the voting machines for their candidate. Already in the beginning votes you can see people complaining of their votes being changed to the Democratic candidate in Texas. If there were one or two mistakes, it could be voter error, but when many Republican voters complain with very few Democrat complaints, then the machines appear to be programmed for cheating. This happened in Texas and other states, but this is not in the regular controlled media. If you cannot have a fair election with rigged machines, then you need another company to check the machines for errors, or get new machines. There were so many changed votes, that the authorities were even allowing paper ballots to replace changed votes. Your governments are so corrupt that your election is always going to vote in the one world people candidates because they are fixing the machines for their candidates. If enough people complain about their votes being changed, then you may have a fairer election. Pray for the candidate who supports life decisions against abortion. If America continues to vote for abortion favoring candidates, then you will see continuing punishments from your disasters."

November 3, 2016
Friday, October 28, 2016: (St. Simon and St. Jude)
Jesus said: "My people, when you come to Holy Communion, you should be free of mortal sin and pray your Act of Contrition to ask My forgiveness of your sins. When you receive Holy Communion worthily, you will receive the grace of My sacrament to heal your spiritual wounds. Your priest talked about how you should work to be holy as a goal to work on your perfection. I have called you to be perfect as My heavenly Father is perfect. Because of the consequences of original sin, you are weak to sin, but do not despair. Because you are sinners, you all need to repent of your sins, and seek My forgiveness in Confession at least once a month. If you have committed mortal sin, then you need to seek Confession as soon as possible. Prayer and My sacraments are your means to seek your holiness. I have asked My faithful to pray your morning consecration, your chaplet of Divine Mercy, daily Mass if you can, and your three or four rosaries. When you are united with Me in prayer, you are talking to Me and showing Me your love. You can also show Me your love by your good works. It is important to give Me your 'yes' so I can be the Master of your lives. Give Me your will freely so I can use you to accomplish My mission for you. When

people follow their own will, it blocks My Will in fulfilling their missions. Strive to enter through the narrow gate to heaven, and this will be your path to holiness in your earthly life."
Jesus said: "My people, you are just hearing news of Russia building a large ballistic missile, and they are moving some ships into the Mediterranean Sea to support their involvement in Syria. The Russian leader is sensing the weakness of your President, just as you are involved in a Presidential election. This Russian leader could very well challenge your country in the Middle East, and any miscalculation on both sides could trigger a major war between Russia and America. Because your President is disarming you, and you are not challenging Russia in taking more land in the Ukraine, you could see Russia emboldened to start a war with America. Such a war could show Russia's power in the region, and it could even be involved in the Battle of Armageddon. Pray for peace in this area, but you could see a war in this area because of America's perceived weakness."

November 3, 2016
Saturday, October 29, 2016:
Jesus said: "My people, this Gospel is a teaching of being humble in your earthly life. Many people desire to be first in the best possessions, first in fame, and first in lines at the bank and at the market. You truly need to learn the lesson of being patient, and your life will be one of peace in your souls. You can find true peace only in My Presence. Even in your lives, you want to be first in controlling your life before Me. It is only when you let Me be first in your life that you will be open to hear My Word, and carry out the mission I have for you. So you have only one goal to follow Me in imitating Me in being humble and living patiently for all that I want you to do. Give praise and honor to Me in all that you do for Me in life. This place of the Luminous Cross shows you My Light in this miracle of the cross, and it is My suffering on the cross that you share in your suffering with Me. Again, give thanks to Me for all the healings of both body and spirit that are happening here."

November 3, 2016
Sunday, October 30, 2016:
Jesus said: "My people, in the Gospel I call all sizes of people, even small

people, like Zaccheus, to come and accept Me into their souls and their hearts. I am calling all sinners to repent of their sins and seek My forgiveness in Confession. All I ask is that you have an open heart and soul to receive Me. Those people, who reject Me, need My grace, or prayer warriors to help save their souls. Just as I asked sinners to repent and be saved, so I call on My faithful to reach out to all sinners to invite them to My forgiveness. At this place of the Luminous Cross you have a refuge for healings. Trust in Me to protect you at whatever refuge that you are led by My angels. Thank all of you for coming here so you can share in My graces which you will receive at any shrine to Me or My Blessed Mother."

November 3, 2016
Monday, October 31, 2016:
Jesus said: "My people, I am showing you a heart shape that could even represent My Sacred Heart. In the Gospel I asked you to invite people to your dinner without expecting people to repay you. I also am showing you My Sacred Heart of love because I want My faithful to share your faith, love, and donations with everyone, especially the poor. You are aware of how people celebrate Halloween with a lot of evil looking costumes and decorations. I want My faithful to think more of celebrating the vigil of All Saints' Day. So if you send your children out for candy, do not dress them in evil costumes, but use holy costumes to honor All Saints' Day and not the evil ones. You did the right thing to pray the long form of the St. Michael Prayer so you give praise and honor to Me, and do not give credit or worship to the evil ones."
For Yvon: Jesus said: "My people, Yvon was a missionary for his Michael paper for many years. It was unfortunate that he had to suffer and die of cancer at a young age. He worked with Pierre as his peer leader. Their group fights against abortion and many other evils of your society. Yvon is still in upper purgatory and he could use your prayers and Masses."
Yvon: 'Hello John, I always had a special place in My heart for you, and we were happy to invite you to share Jesus' messages. Your words reinforced our own mission to save souls, and make people aware of the evil around them. I am sorry I had to leave so quickly, but I will be praying for My Michael friends, and all of God's faithful warriors."
(Vigil of All Saints' Day) Jesus said: "My people, I am showing you a rainbow as My covenant of faith with all of My people. You are seeing the celebration of

My saints on their feast day as they rejoice to be in My Presence. The lives of My saints are inspirations for all of you that one day you could be saints as well. I have mentioned before that My faithful will be suffering their purgatory on earth during the tribulation. All of My faithful will see their reward in My Era of Peace, when I will bring My victory over all of the evil ones. Some faithful may be martyred in the tribulation, but they will be raised up to live again in My Era of Peace without dying again. The rest of My faithful will be brought safely to My refuges, and then after the tribulation, they will be raised up as I will recreate the earth. Then all of My saints of the tribulation will live in My Era of Peace. Those people, who were not martyred, will live a long time until their death. After the Era of Peace, My saints in white robes will join the rest of My saints in heaven, and there will be great rejoicing for My victory."

November 3, 2016
Tuesday, November 1, 2016: (All Saints' Day)
Jesus said: "My son, you need to work out whatever is necessary to fix your outhouse roof. You may want to paint it and insulate it, so you could have it multiplied if necessary. You also could stock up on more canned foods as well as any other supplies that are needed for multiplying. You have accomplished your projects, and now events could happen, so you need to be ready to receive people at your refuge. You need to be ready with your spiritual things as well as your physical things. You will be seeing events speed up, and My Warning will be coming soon."

Wednesday, November 2, 2016

November 17, 2016
Wednesday, November 2, 2016: (Rose Patalano's Funeral Mass)
Jesus said: "My people, it is sad to see a family member die suddenly without much of an opportunity to be with Rose at her death. As you see people dying close to your own age, it gives you pause to want to be prepared for your own death. You can pray for Rose and have Masses, offered for her soul. Today is the feast of All Souls' Day, so you should remember to pray for all the souls in purgatory, especially for those souls who do not have anyone praying for them. Rose will be praying for all of her family members, and she loves them very much."

Jesus said: “My people, you are seeing events that are showing the mass corruption in your government. You could very well see either martial law or an assassination of one of your candidates. The one world people do not want to see your Republican candidate win, and they will stop at nothing to destroy him, even with more manipulated voting machines. You are seeing parts of your FBI at odds with your President in wanting to investigate the new emails, and keep the case open against the Democratic candidate. You have seen so many scandals and cover ups for the Democrats, that they have lost the trust of your people. I told you before that it is just a matter of time until you will have a martial law. So be prepared to leave for your refuges when your lives are in danger. You also will have to leave if you see mandatory chips in the body, a crash of your dollar, or a bankruptcy of your government. Another threat could come from your electricity being shut down from various means. If your electricity is shut down for a long time, then many people could die from starvation. Trust in Me to protect My faithful from the evil ways of the one world people at My refuges.”

November 17, 2016

Thursday, November 3, 2016: (St. Martin de Porres)

Jesus said: “My people, as you look at the events going on, you can see how this vortex of evil circling around, represents the evil of your time. You are seeing abortions, euthanasia, and gay marriage running rampant. You are seeing a proliferation of marijuana and drugs destroying your people. You also are seeing corruption in your government at all levels. This circling mess could bring on My Warning because the one world people will use any excuse for a takeover. Once your lives are in danger, I will bring My supernatural intervention to save some souls with My life review. Keep praying for your election and for the conversion of sinners. The Gospel speaks of saving sheep and drawing sinners to repent of their sins. The Warning will wake up some souls, but others will not change their evil ways. If souls do not repent, even seeing hell in their future, then by their free will, those souls are on the path to eternal loss in hell. Keep praying for your relatives and friends who could be saved by your prayers.”

Prayer Group:

Jesus said: “My people, you have seen a drastic change in the make up of one of the teaching organizations in the Vatican. I mentioned before that there will be changes in My Church that could lead to a division in My Church between a schismatic church and the faithful remnant. If you hear of heresies or New Age

teachings coming into your church, then prepare to move to a more traditional church. Eventually, you will need to come to the homes for Mass, and then to My refuges. Trust in My protection and discern what is being taught in your churches."

Jesus said: "My people, it is sad that one of your parties has to use thugs to harass campaign rallies. Even despite a controlled media, both sides are getting their messages out to the people. You may be surprised at the election outcome. Your polls have not always been accurate in a close race. Continue to pray for your elections so those candidates who favor life could be elected."

Jesus said: "My people, carrying out a martial law will require a larger number of troops, and many preparations that will not go unnoticed. You have heard more reports of martial law signs being delivered in your country. You have also heard of foreign troops and tanks being moved around. Be ready to leave for My refuges if you see martial law declared nationwide. Before your lives are in danger, I will bring My Warning to offer you a place of protection at My refuges. Trust in My angel protection at your refuges where I will provide for your needs."

Jesus said: "My people, America has had a strong military presence around the world, but your defenses are being diminished by your current Administration. Russia and China are expanding their navies and their missile technology while you are not changing much. This is a new threat to your forces, as Russia is expanding its influence in the Middle East, and China is expanding its forces in the China Sea. Pray for peace and a viable defense for your people."

Jesus said: "My people, more FBI investigations of emails are showing you how devious one party has been in soliciting money, and a cover up of security secrets. There are definite criminal actions being uncovered in the latest emails found. It is unfortunate that this information could be shut down, and pardons for such criminal actions could be given by your President. You are seeing government corruption getting worse every day. The evil ones will have their way for a brief time, but then I will bring My victory, and they will be cast into hell."

Jesus said: "My people, the one world people have brought many foreign UN troops into your country to implement a takeover and mandatory chips in the body. More Muslim militants are entering your country to cause terrorist actions against your government. There is even a collusion of your paid off officials with these foreign forces. Be prepared to come to My refuges when these evil ones declare martial law. I will protect My faithful at My refuges with My angels who

are more powerful than the evil traitors."
Jesus said: "My people, the first few days of November are used to honor the saints who have gone before you, and a day to remember to pray for the souls in purgatory. The saints are your models for how to live holy lives, and you can call on them to help you, and be intercessors for your prayers. All Souls' Day is dedicated to make you aware of the souls in purgatory who need your prayers and Masses to get out of that place of purification. Remember these souls, especially in your family, that rely on you to pray for them. You have a Book of Remembrance for all those people who died this year. You can place the names of your deceased friends and relatives in these books so they can be prayed for. Trust in My grace and mercy to help release these souls one day from their suffering in purgatory."

November 17, 2016
Friday, November 4, 2016: (St. Charles Borromeo)
Jesus said: "My people, I am showing you some solar flares of the sun in the vision. This year has seen some active sunspots that release a lot of particles in a solar wind that shower on the earth. Some of this activity has caused unusual Aurora Borealis displays. Occasionally, large flares can affect your communications with extra static. The worst flare could even give an EMP (electromagnetic pulse) effect that could damage your microchips in all of your devices. Most of the time the earth's magnetosphere deflects the solar wind from hitting the earth. The ozone layer also protects you from ultraviolet rays. I am warning My faithful to be aware of these sun flares that could happen at any time."
Jesus said: "My people, you have seen many revolutions in France, Russia, and in America as a separation from the King of England. In the vision you are seeing a different revolution of the people against the one world rich people who run your government. You have seen how the rich people control your Congress people, your Senators, and your President and Cabinet. Because your people are controlled by your welfare state, and your wages and interest rates are controlled as well, the people are frustrated, and they want a change. If there is no change after the election, you could see a popular revolution to oust the evil people who are controlling your government. The one world people would then declare martial law to take away all of your rights. At that point I will call My faithful to My refuges where My angels will protect you. The evil ones will be in control

for a short time, and then I will bring My victory. You will rejoice when I bring My Era of Peace as a reward for My faithful."

Saturday, November 5, 2016

November 17, 2016
Saturday, November 5, 2016:
Jesus said: "My people, today's Gospel is all about how some people love money, and even kill people for money. Others spend their lives accumulating money for prestige and status. You cannot love Me and money. Love of Me and love of your neighbor is more important. It is your soul's eternal life in heaven that is more important than living a comfortable life here on earth. I call people to tithe ten per cent of their income to charity, if it is possible. Sharing your wealth will store up treasure in heaven. Where your treasure lies, so lies your heart. So do not let money run your life, but be good stewards of what you have, because wealth is fleeting and temporary. There is even a time coming when your money will be worthless, and you will need to survive at My refuges. Trust in Me more than your money, because I will always see to your needs."
Jesus said: "My people, you have seen different kinds of walls. You have seen the Great Wall of China, the Berlin Wall, and the wall on the Mexican border. Many civilizations have built walls of defense around their cities as in Jerusalem. The other kind of walls are walls of prisons as at the detention center death camps. The one world people have built hundreds of these death camps so they can kill Christians, and those people who are against the new world order. This is Satan's plan to reduce the population, and kill My faithful people. I will give all of My people the time to come to My refuges, so you can avoid the evil ones who are trying to kill you. You will see My Warning first, when all sinners will see their lives reviewed as I see them. People will be given a chance to save their souls, when they have their life reviews, and a chance to repent of their sins. You will have six weeks after the Warning to repent and change your lives. Trust in My protection from the evil ones when I bring you to My refuges."

Sunday, November 6, 2016

November 17, 2016
Sunday, November 6, 2016:
Jesus said: "My people, I am showing you the beauty of heaven in one of My many mansions for My people. I told you that I will go and prepare a place for you. I also said that in My Father's place there are many mansions. You also saw

all the saints in white robes, and the angels. When you come to heaven after your purification, I will greet you with My Blessed Mother. Then you will see all of your deceased family and friends who will congratulate you on coming to heaven. Keep praying and performing good works, and you will have your reward in heaven for all eternity."
Jesus said: "My people, when you come to November and All Souls' Day, you are thinking about praying for the souls in purgatory. In the vision you are seeing the leaves falling as another sign of life coming to an end for the year. This also is a sign for My people to start thinking about the end of their lives, and how they should have their souls purified with frequent Confession. As you grow older, you may think more of your death, but you could die at any time. You cannot even promise yourself that you will be here alive tomorrow. So again keep your soul pure because you do not know the day that you will face Me at your judgment. As you change your clocks, and you see the daytime grow shorter, this is another sign of the cycling seasons which is like your life that is coming to a close as you get older. So be ready every day if you should die, and be thankful for every day that I give you. Remember to make the most of your time, because your life could end tomorrow."

Monday, November 7, 2016

November 17, 2016
Monday, November 7, 2016:
Jesus said: "My people, as you prepare for your election for President, you are seeing all the evil forces trying to promote the establishment candidates. You have seen a dictatorial control over you at all levels of your government. Those people, who want to control you, are doing everything to keep themselves in power. Your leaders have little care for the people, and they are only focused on their own fortunes. This may be the last election to stop your socialist government from taking over. You have seen voter fraud in the past, and it will continue in this election. If the current establishment wins again, then you will see mandatory chips in the body, and you will be forced into the North American Union. Pray that your people do not believe all of the lies of the one world candidates, and vote for a democratic republic instead of socialism."
(Prayer meeting for the election) Jesus said: "My people, I hear your sincere prayers here, and other places for a pro-life candidate to win the election tomorrow. You know how the polls are, but I want you to have faith that I can answer your prayers. You remember another cause with Louis Saia when he

heard My Blessed Mother say to him: 'Just have faith in my Son, Jesus.' Because of his faith in Me, he won his case. So today, you have to have faith that I can turn the tide for the pro-life candidate to win. Pray from your heart, and have faith in Me, and you will be granted your request to your prayer. In the Scripture you have heard Me say 'Seek and you will find, and ask for a favor and it shall be granted to you.' Focus on your faith in My power, and you will see great things happen."

Tuesday, November 8, 2016

November 17, 2016
Tuesday, November 8, 2016: (Election Day)
Jesus said: "My people, you are being called to be good and faithful servants in the Gospel. I understand your free will that I have given you, but I am asking you to freely follow Me, and do not lose heart over the coming persecution. Your faith in Me is about to be tested. You will see a few victories in this life, but you will soon be entering a dark period of the tribulation that I will allow for a time. My first victory will be how I will reach out to all sinners at the same time in My Warning. I am giving every soul one last chance to renounce their earthly desires, and seek the love of your Lord and Creator. So repent of your sins, and seek My forgiveness in Confession. Call on Me to protect your souls and bodies at My refuges. There you will be with Me in perpetual Adoration. After a short trial, My true servants will then share in My victory over the Antichrist in My Era of Peace. Then you will be grateful that you have been chosen to follow Me, even through any persecution that will test your faith in Me."

November 17, 2016
Wednesday, November 9, 2016:(Dedication St.John Lateran Basilica)
Jesus said: "My people, you have witnessed a miracle and the surprise outcome that I spoke to you about with your President-Elect Trump's win. I and your people have answered your prayer for this outcome. It is your people who rose up against your establishment that have held your people hostage for so long. Your people have spoken at the ballot box, and some prayers of thanksgiving are in order. It is the reaction of your establishment that you need to be concerned about now. You need to continue your prayers that you do not see a martial law reaction, and prayers that your new President-Elect is not assassinated. The evil ones among your establishment are going to strike back, and you need prayers

and My power to protect the choice of your people. Pray also that these power people do not ruin your economy for revenge. America is standing up against abortion and socialism by this election. Now the Supreme Court can be filled with people who could change the laws that are against Me. This is an opportunity that America must take advantage of, or you could suffer the consequences."
(Ezekiel 36:25-32) Jesus said: "My son, I am showing you My supernatural intervention which I will bring upon all of the people on the earth at the same time. Before the evil ones can endanger your lives, I will intervene with My plan to spoil the plans of the evil people. You are seeing yourself drawn to My Light through a tunnel where you are tumbling through space. I will show you and everyone your life review in your soul body just like a near death experience. You will see events of your life viewed from other people's viewpoint and My judgment. At the end of your life review, I will show you your mini-judgment. You will then view your place of judgment. During your experience, I will warn people not to take the mark of the beast or a computer chip in the body. I will also warn you not to worship the Antichrist and avoid looking at his eyes where he could hypnotize you. You will have six weeks for conversion, once you return into your physical body. You will be looking for a priest to confess all of the sins that you will be able to remember. Those sinners, who convert their lives to being one of My faithful, will receive a cross on the forehead that everyone could see. If you are not at a refuge, I will have your guardian angel guide you to the nearest refuge at the proper time. At My refuges you will be protected from the evil ones with an invisible shield. At the refuge, My refuge builders will supply you a bed and give you water and food to survive. You will receive Holy Communion every day, and have time for adoring Me at your refuge. So do not worry about the men in black with guns who cannot see you, and they will not be able to harm you. You will be healed of your infirmities by looking on My Luminous Cross or drinking the healing spring water. All of My faithful will be protected at My refuges, if you come when I call you."

Thursday, November 10, 2016: (St. Leo the Great)
Jesus said: "My people, just as you are seeing a change in the seasons from fall to winter, so you will be seeing a big change in your government away from the socialism of your current President. This will happen as long as the one world

people do not intervene with your President-Elect's agenda. There will be turmoil with this change, and you need to pray that there is no violence. Even still, you will continue to see an increasing persecution of Christians. In the Gospel I told you that I would be rejected when I suffered on the cross. So My people will also have to suffer the coming tribulation before you will see your reward in My Era of Peace. Be ready to endure this trial as you are protected at My refuges. You know the Antichrist will be allowed a brief reign, but trust in Me because I will bring My victory over the evil ones, when they are cast into hell."

Prayer Group:

Blessed Mother said: "My dear children, I am happy for America that all of your prayers from the heart were answered by my Son. You had faith in my Son, and He performed a Divine miracle, despite the fixed voting machines. You have a pro-life President-Elect, and you need to continue your prayers of thanksgiving for this outcome. You are seeing the power of my rosary again. Thank you for displaying my picture that has my quote: 'Just have faith in my Son, Jesus.' This picture was a victory for Louis Saia, and your President Bush. Now, it is another victory for your President-Elect Trump."

Jesus said: "My people, every year you struggle to rake up the leaves from your trees. This is the price of having nice trees in your yard, but the trees also add to the oxygen at the ground level. When you clean up your yard, this is also a reminder that you need to clean up your soul in Confession. Seek the forgiveness of your sins, and learn from your mistakes so you do not repeat them. I forgive all repentant sinners, so repent and be sorry for your sins."

Jesus said: "My people, your own citizens elected your President-Elect, so this is how you transfer power at your National elections. For people to be protesting, it is not how your country should react to an election. There may be different desires for who should win, but once it is over, people should accept the outcome. There is a possibility that the same people who were protesting the Trump rallies, are now protesting his fair election. If you see exceptional riots and disturbances, this could be fomented by the one world people who do not want a Republican President to hold office. There is a possibility that there will be an attempt to declare martial law to deny your President-Elect from taking office. Pray that this does not happen."

Jesus said: "My people, many of your problems are now soon to be addressed by your new President-Elect. You will be seeing a transition with a new cabinet being decided. Your business people are optimistic in your stock market gains.

You have waited a long time to have a pro-life President. Pray that he will be able to implement changes that will honor Me more in your proceedings."
Jesus said: "My people, I applaud your desire to make this martyr's walk in the Year of Mercy. You will gain graces for yourselves, and for saving souls in the conversion of sinners, and helping the souls in purgatory to be released. I know when you come to Midland, Canada that you are all making a physical sacrifice of time and money. But you are doing this for the noble purpose of saving souls, and helping souls in purgatory. These souls will be grateful for your efforts. I will send My angels to protect you in your travels."
Jesus said: "My people, this coming January 22 you will have a new opportunity for your pro-life President to encourage your protest against your Roe vs. Wade decision that established abortion. It would also be a good time for My faithful to partake in this protest to show the need to stop the killing of My babies. Your country is reaping its problems because of your many abortions. Keep praying to stop abortions in America." (Note: this march will be on January 27, 2017 because of the inauguration.)
Jesus said: "My people, the next few years may bring a great trial upon you as a punishment for your abortions and your sexual sins. A time is coming when you will have a martial law takeover by the one world people. This will usher in a great Christian persecution, and you will need to come to My refuges for the safety of your soul and your body. Trust in Me to provide My angel protection, and all of your physical and spiritual needs."

November 17, 2016
Friday, November 11, 2016: (St. Martin de Tours, Veterans' Day)
Jesus said: "My people, you are seeing signs of a battle for souls all around you. Just as you are praying rosaries for the conversion of sinners, there are occult groups worshiping Satan and putting curses and spells on people. It is this spiritual battle for souls that is more important than your wars or political stands. You are either with Me or Satan, and your choice is either for heaven or hell for your eternal destination. All of your earthly battles are temporary, but your soul lives on forever. Your Gospel is speaking about the end times, and My son, this has been your mission to prepare the people for the tribulation and protection at My refuges. The Antichrist and the false prophet are going to try and win souls for Satan. My faithful people need My protection at My refuges where I will

protect your souls as well as your bodies. Keep praying for the conversion of sinners in your battle for souls."
(Stella Davis healing service)Jesus said: "My people, you were all open to the Holy Spirit as many people rested in the Spirit. Those people, who open their hearts to Me, and have faith that I can heal them, will have any needed healing accomplished by My power. Give praise and thanks to Me and the Holy Spirit for any healing that you received. You all can open your hearts to Me, but some people want to hold back, and they do not fully trust Me in everything. The more faith you are willing to have in My healing graces, the more blessings you will receive. It is this blind faith in My help that helps people get through their troubles. The more you trust in Me instead of yourself, the more I can accomplish through you. Go forward and trust that I will help you in everything."

November 17, 2016
Saturday, November 12, 2016: (St. Josaphat)
Jesus said: "My son, you have been obedient to My plans for My refuge in every detail of your projects. Now I am showing you how I will have My angels expand your refuge to accommodate a lot more people. Do not question how all of this will happen, but accept My Word in faith that I will bring it about. I will also multiply all of your food, water, beds, and buildings with sufficient fuels for you all to survive the shortened time of the tribulation. You will all be able to share Mass with some priests, and you will thank Me for all that I am doing for My faithful. Your walk at the martyr's shrine will be bringing many souls in purgatory to heaven, and your prayers will help convert some sinners as well. I thank all of you for your dedication to My directions in helping to bring souls to Me, and releasing souls from purgatory."
Jesus said: "My son, the missing twenty dollar bill happened on purpose to show you that you need to be more generous in your giving to charity. The other reason I allowed this to happen is because a time is coming when your money will be worthless. I told you events will be moving quickly that will bring about the Antichrist's reign. The evil ones will take over your money system, and all of your dollars will not buy anything because a new money system will be established. This will require a mark of the beast, or a computer microchip in the body. Refuse to take any chip in the body because it will control your mind and you will lose your free will, and be forced to worship the Antichrist. When

mandatory chips are required, you will need to come to My refuges for your protection."

November 17, 2016
Sunday, November 13, 2016:
Jesus said: "My son, this Sunday's Gospel speaks of My coming in victory as I come to judge all of humanity. I told you that you are living in a glorious time of My power over the evil ones, and you will live to see this brought about in your lifetime. At this time you are preparing both for My Warning and the coming tribulation. I have asked you to prepare a refuge for this time. You have been given My messages to help prepare the people for the Warning and the tribulation. It is the power of My angels that will protect you through this time. My Warning is My Divine Mercy on all sinners to wake up and repent of their sins. Believe in Me so all of you can receive your cross on your forehead, so you will be allowed into My refuges. This will be your last chance to evangelize your family and friends before the Antichrist's brief reign. I want all of you to trust in My protection at all times, even if some people are martyred for their faith. My son, I love your obedience to My Will in all that I have asked you to do. Keep faithful to My Word, and call on My angels whenever you are attacked by the evil one. When you trust in Me for everything, then you will experience My true love and peace that you experienced when I took you to heaven. Go and present yourselves in this walk of the martyrs so I can hear your prayers to evangelize souls and allow more souls to be released from purgatory."
Jesus said: "My people, all the souls who were released from purgatory are ever grateful for your efforts to make this walk for them. They will be praying for you to help with your refuges. You were asked to place the martyrs' picture in your chapel, so maybe you could frame a picture to remember these North American Martyrs. Invite them to help you with any of your problems. I thank all of you for acknowledging these brave martyrs who gave up their lives for their faith in Me. Be ready to suffer any persecutions that you may face in the coming tribulation."

Monday, November 14, 2016:
Jesus said: "My pilgrims, I am thanking you for following My desire for you to

come to the martyr's walk before the end of the Year of Mercy. I told you how the souls that were released from purgatory are also thanking you for making the effort to do this walk. I want to remind you to continue praying for the souls in purgatory and for the conversion of poor sinners. You will soon be thanking Me for everything at your Thanksgiving Day feast. Even now you are seeing preparations being made by your shopkeepers for My coming at Christmas. You are also seeing an end coming to My Year of Mercy. There may be a new year that could celebrate My justice, but your Pope has not made such an announcement. Continue to be prepared for any martial law that could happen, because you have yet to see the complete response of the one world people to your new President-Elect's election. Keep praying for your protection from the evil ones, because My plans will overpower their plans."
Jesus said: "My son, I know you have been wondering what is the other major disaster that could happen this year. In the vision you are sensing an event that could kill thousands of people. You were also wondering what the one world people would do to try and stop your President-Elect from taking office. The one world people could resort to some very ruthless activity to maintain power. You have seen the HAARP machine being used to cause major disasters to promote their evil plans. So you have the possibility that these evil ones could use the HAARP machine to cause a major earthquake or a major storm that could kill a lot of people. Such an event could trigger the martial law that the evil ones want for their takeover. If this event comes this year, then they could prevent your President-Elect from taking office. Be prepared for the one world people's response to stopping your President-Elect."

November 17, 2016
Tuesday, November 15, 2016: (St. Albert the Great)
Jesus said: "My people, you are seeing the scrolls of the churches of the Book of Revelation. They are encouraging these people to change their evil ways so they can be presented in washed white robes, ready to meet Me at their judgment. As you read these warnings, America could also take some lessons in cleaning up its evil ways as well. A time is coming when you will all be held responsible for your own evil deeds. You will see My Warning when all sinners will be given an opportunity to clean up their sins and seek My forgiveness. I have given you many messages about the coming persecution of Christians, and the brief reign of the Antichrist in the tribulation of evil. I will never test you beyond your

endurance, but the coming evil will be so great, that you will need to come to My refuges to protect your body and soul. Pray for your refuge builders in all the sacrifices that they are being called on to make, so My people will have a safe haven to live during the tribulation. I am also calling on My refuge builders to carry out the preparations that I have requested them to do. They need to trust in Me and My angels to have their refuges ready to receive the people who I will send to them. Your suffering will be less than 3½ years, but your reward will be great both in My Era of Peace, and later in heaven."
Jesus said: "My people, you read about the self-righteous Pharisees who were judging Me as evil because I was eating with someone known as a sinner to them. First of all, you are all sinners, and you all are in need of repentance and My forgiveness. I am the only One worthy enough to judge people in their sins. Remember when I told people that they need to remove the wooden beam in their own eye, before they can see the splinter in their neighbor's eye. So do not criticize others when you have plenty of faults of your own. In fact you should not make judgments at all of other people, because you do not know all the reasons why people behave the way they do. If you see someone acting in an evil way, you can make suggestions to help them, but do not judge them because that is done only by Me. You can see how I was criticized many times by the Pharisees, because they did not have the insight and intelligence that I have. So be humble as the tax collector, and listen to My Word to improve your lives."

November 30, 2016
Wednesday, November 16, 2016: (St. Gertrude)
Jesus said: "My people, in today's Gospel you read of the two good servants who increased the coins that they were given, but the third servant did nothing with his master's money. You are all given certain talents, so you can use them to serve Me and your neighbor. I am looking to see the fruits of your labor, but you need to use your gifts for a good purpose, and not just for yourself. Those people, who do not use their talents, will have to answer to Me at their judgment. There are some people who do not work on purpose by living off of other people without using their talents. There are also people in the spiritual life who do not use their gift of faith, and they rely on themselves instead of Me. You have spiritual talents as well, and you need to share your faith in evangelizing souls. Do not just keep your faith to yourself. My love was meant to be shared. So use your gifts both in the physical world and the spiritual world, and you will be

rewarded in heaven."
Jesus said: "My people, you are reading from the Book of Revelation that is foretelling the events of the end times. St. John is describing the beauty of heaven as appearing with beautiful gems, and lightning and thunder coming from the throne of God. You are reading of the four living creatures that could be a sign of the four Evangelists. The angels are worshiping God along with the twenty-four elders. They sang: 'Holy, holy, holy, the Lord God Almighty, who was, who is, and who is coming.' There are many scrolls and seals of terrible things that will happen during the tribulation of the Antichrist. This is why I will be protecting My faithful at My refuges. So do not have any fear, but trust that I will watch out for My people."
Jesus said: "My people, when you see digging in the dirt, it could be a preparation for making a basement, or for making a grave for a dead person. There is another use for clay in having a potter make vases on his wheel. I make all of you out of the dust of the earth as I am the Potter, and you are My creations. You will also return to dust when you die. Even as I am forming babies in the womb, there are a good number of people who are aborting My babies. Abortion has been one of your Presidential campaign issues that can still be turned around with a conservative Supreme Court. Keep praying for your new President and that he can change some of the evil laws on your books. Also pray for his protection from the demons and the evil one world people who want to stop him from being inaugurated President. He was Divinely elected by My power and the angels at the election booths. There are still many people who do not want him to succeed. Your prayers can help soften the hearts of those people who are rejecting My truths and My ways. Whether people like it or not, your new President can change much of your evil society if he is allowed to act on it. Keep praying for your country's success in getting closer to Me in your actions. The more you can convert sinners to faith believing people, the more souls you can save."

November 30, 2016
Thursday, November 17, 2016: (St. Elizabeth of Hungary)
The Blessed Mother said: "My dear son, I want you to be at peace through all of the events that are about to take place. You trust in my Son's grace to help and protect you. In the coming events many people will be frightened and upset because they have little faith in my Son. You are right in thinking that this

coming year is a year of my Son's justice. The evil of your world is so great that it will require my Son's intervention because the evil ones are mocking and killing Christians. Yes, the Warning is coming, and it will shake all sinners to the core. This will be my Son's last call to prepare everyone for the evil that will come in the Antichrist's brief reign. It is also true that My faithful will need the protection of my Son's angels at His refuges. So be at peace, my son, and do not fear, because my Son is allowing this test of all sinners. We will be with you and protect your people at your refuge. Just have faith in my Son, Jesus."

Prayer Group:

Jesus said: "My people, you have had many messages about being prepared to come to My refuges when the tribulation starts. This message is about having your car in good repair so you will be able to travel to your nearest refuge. This means having good tires, and a good engine so you have dependable transportation. You also should have your bikes in good repair with pumped up tires so you have a backup transportation in case of an EMP attack, or if gasoline is not available."

Jesus said: "My people of America, your new President is proposing an increase in infrastructure spending, and an increase in defense spending. These things are needed, but with reduced taxes, it may be hard to control your deficit on the National Debt. There will have to be some modification in your spending, and a retirement of programs that are no longer needed. This will create some resistance in reducing your socialist programs. Pray that your leaders will vote for the best budget to help your people and not just for private interests."

Jesus said: "My people, it is a week after your election, and some people are still marching in protest of the latest election. There is increasing evidence that these protests are being purposely planned by the same people who caused problems at your President-Elect's campaign rallies. The one world people are still trying to cause enough trouble to start a martial law. Pray that My angels will be instrumental in stopping any martial law. Trust in My power that is stronger than the evil ones."

Jesus said: "My people, as you see an increase in the number of Warning messages, you are seeing a stronger case for the Warning to come soon because of this increase. Many people are not seeing how your children and your adults are being brainwashed by your socialist government leaders, and your socialist teachers in your schools and colleges. By removing My teachings from your schools and the workplace, you are going along with the atheist people. It is time now to put aside your politically correct thinking, and embrace My love and My

ways in your society. Those people, who control your media and your school teaching, need to be changed back to God-fearing traditions that your country was founded on."
Jesus said: "My people, now is the time to start putting prayer and My Name back into the public view. Do not let the atheists control you. You have freedom of speech and freedom of religion. Do not let the atheists and Muslims dictate your religious norms. If Muslims can pray anywhere, then Christians can express themselves as well. Stand up for your Constitutional rights, or they will be taken away. Pray for love and unity, but there should be a fair expression for everyone."
Jesus said: "My people, your people have spoken out against your socialist policies of your current President, but now your prayers are needed for a smooth transition of power. Keep praying for the safety of your new President, and pray that martial law does not stop your new President from taking office. This was a Divine election, and it needs preserving with your prayers. You will be seeing a lot of political resistance to changing your government, but without a cleaning out of evil policies, your country will be punished."
Jesus said: "My people, beware of any made up disturbances by left leaning organizations who are trying to steal your government from the people. Many of the seeming protests are being organized against the vote of your people. Pray that your police and military are willing to protect your laws and the will of the people. All of your violent protesters should be restrained and even jailed for crimes of destruction of property. If you cannot establish proper law and order, then you are allowing the anarchists to control you. Pray that these illegal damaging protests can be brought under control."

November 30, 2016
Friday, November 18, 2016: (Dedication of St.Peter & St.Paul Basilicas)
Jesus said: "My people, when you are on the stage of life every day, you have everyone looking at you in your actions. Even people know you more by your deeds than by just your physical appearance. You can be educated in the best schools, but it is what you do with your knowledge that makes it most useful. You could have many degrees, but if you do not use them for some good purpose, then it is a wasted effort. Even now because there are not enough good jobs available, students coming out of today's colleges have difficulties in finding jobs to match their skills. I give everyone brains, and you have the

opportunity to use them to gain a good education. You have My Commandments and your faith, so it is your actions that you will be judged on. You are all good people because I created you, but it is what you do with your life that matters most. So do not waste your time or your life on frivolous things or living off handouts, but gain your own living by the work of your God-given skills. Even in St. Paul's writings he says that those people, who do not work, should not eat. Use your God-given skills for the right purpose, and you will be judged worthy to enter heaven."
Jesus said: "My son, you have been protected from evil because of your mission, and because you love Me enough to do all that I ask of you. I am letting you see that many people ignore Me, and some people even worship the devil as you know. I have only a small remnant that I can depend on as My prayer warriors. I thank all of you for being faithful to Me, and you need to reach out to evangelize souls. If you truly understood how evil this world is, you would be on your knees praying for souls constantly. I have told you in the Scriptures that many are called, but only a few are chosen who have faith and truly love Me. You are definitely in the minority, which is why the demons are attacking My faithful more, because they already control the weak sinners, especially people with addictions. When you were addicted to computer programming, you gave Me only a small part of your time. Now, you give Me a lot more time because you see the need for so much prayer for converting sinners, and helping souls get out of purgatory. Learn this lesson that you need to pray more because I am depending on My prayer warriors."

November 30, 2016
Saturday, November 19, 2016:
Jesus said: "My people, the Sadducees were badly mistaken when they asked Me about the seven brothers who married a woman. In heaven My saints do not marry, but they are like angels who constantly praise My glory. These people did not believe that there was life after death. After your soul has been purified, you will be coming to heaven. Truly your soul lives on forever. When the women came to My tomb, My angels said: 'Why do you seek the Living One among the dead? He is not here, but has risen.' (Luke 24:5-6) Just as I rose from the dead, so My faithful will have resurrected bodies on the day of judgment. This life is passing away. So focus your life around Me, so I can take you into the next life in heaven. It is your eternal destination that is most important for your soul. So

truly there is life after death, and this is why saving souls from hell, is such an important work while you are still on earth. Give praise and thanks to Me for all that I do to bring souls to Me. I give you the gift of faith, and I offer every soul an opportunity to be with the One who loves them, and not Satan who hates them."
Jesus said: "My people, you have Thanksgiving Day coming next week when all of your family comes together for a turkey dinner. Even as you prepare for this get together, you have many things to be thankful for. You can thank Me for your President-Elect's election and your wife's healing of breast cancer. You have seen other cancer healings as well. You can thank Me for the health of both of your bodies, and helping you in your travels to share My messages. You can thank Me for your inheritances and the building of your refuge. You can thank Me for your gifts of faith and many other blessings. The most important is to keep your souls pure with frequent Confession. Remember to thank Me, especially when I answer your prayers."

Sunday, November 20, 2016

November 30, 2016
Sunday, November 20, 2016: (Christ the King)
Jesus said: "My people, today all of you can give praise and glory to your King of the Universe. On such a happy occasion your people should be singing out as loud as they can at Mass. There are many people who view My creation every day, but they still do not appreciate the Creator, and give Me glory. I give all of you many gifts, and you should be thanking Me every day, especially in this Thanksgiving week. I love all of you so much, and I pray that many people would love Me as well. It is sad that many people ignore Me, and they do not seek My peace, or they would have less troubles. When you pray to Me and ask Me to be a part of your life, I will send you many blessings, and you will always be happy with Me at your side. I bless all of My faithful who give Me praise, and talk to Me in their prayers. I love you so much, and I say to you, 'You will be with Me in paradise one day.'"
Jesus said: "My people, I am so happy to see all of you who came to pray My Blessed Mother's rosary. I know it is cold and snowy, but you are still here despite the bad weather. By your presence I know you love Me so much as your King and your Creator. You all are to be commended for keeping up this Shrine in remembrance of My messages here. I thank all of your leaders for organizing this Shrine. I thank all of My faithful prayer warriors for being true to Me, and I

offer you this same promise that I gave to the good thief. I told him: 'This day thou shall be with Me in paradise.' Go forward and evangelize as many souls as you can, so they can share in My love for all eternity. Keep praying for poor sinners and for the souls in purgatory with your daily rosaries and your Chaplet of Divine Mercy. Thank you again for giving Me praise and glory on this feast of My Kingship."

November 30, 2016
Monday, November 21, 2016:(Presentation of the Blessed Virgin Mary)
Jesus said: "My son, yesterday you had a very difficult time getting home from Utica, New York because of snowy conditions at night. You saw several accidents and cars off the road. By My grace and the angels, you were spared getting into any accident or going off of the icy and snowy roads. There were even a few power outages in your area from cars hitting poles, and trees falling on your power lines. You were again spared such outages. Just as you were thankful to get home safely and stay warm, you should pray for all the people who had car problems, and had to deal with power outages. Winter has returned, and you can see all the problems associated with it. This again is another reason to have alternate fuels, candles, and oil lamps for light. Even your wind-up flashlights would be helpful. Having extra food and water will also be needed."
Jesus said: "My people, in America you have plenty of food when you go into most of your grocery stores. Your fields are fertile, and you see a lot of fields of corn, soybeans, and wheat. You even export some of your grain crops because you have so much of a harvest. This symbol of a cornucopia is appropriate for your coming turkey dinner this week. Even though the farmers grow your food, they have a hard time making a profit because they are at the mercy of your rainfall. Without irrigation and a large farm, it is hard to make money at farming. So when you see all of your food on the table, you truly need to thank your farmers for what you are eating. You need good cooks and some planning for everyone to bring a different dish. Just as you are blessed with enough food now, so you will have what you need at My refuges. Give praise and thanks to Me to help your refuge builders, and for your refuge builders who gave Me their 'yes' to My call. Call on Me to multiply your food and water, so you all will have enough to survive."

Tuesday, November 22, 2016

November 30, 2016
Tuesday, November 22, 2016: (St. Cecilia)
Jesus said: “My people, this Gospel of the five wise virgins, who bought extra oil, and the five unwise virgins, who did not, is all about making preparations. When the bridegroom was coming, the five virgins, who did not bring extra oil, had to go buy some oil because their lamps were going out. When they returned, they could not enter because the door was closed. So it is with preparing for the end times, when you will be facing the tribulation of the Antichrist. I have called some faithful souls to build refuges with supplies, and My angels will protect these safe havens from the evil ones who want to kill Christians. Those people, who do not have refuges, need to prepare backpacks or roller boards with food and clothing, so they can be ready to travel to the nearest refuge that My angel will lead them. It is this preparation that is similar to the five wise virgins who were prepared with extra oil for their lamps. Having oil lamps and lamp oil is one of the preparations to have light at night if you should have a power outage. My refuge builders are also storing food, water, and fuels during the winter. If you do not have electricity or natural gas for your heaters, then you will need alternate sources of fuel for heating your house in the winter. You could use wood, kerosene, or propane, if they are available, with the appropriate heaters to stay warm. You will also need fuels for any cooking device as a Coleman stove, or even an outside grill. You will also need spiritual preparations as an altar for Mass and perpetual Adoration. You also may need rosaries, Bibles, candles, bread and wine for Mass. In the house you will also need cots, beds, pillows, and blankets for sleeping. I will multiply what you need for living through this short reign of evil. Have trust and faith in My protection, and fulfilling all of your needs.”
Prayer Group:
Jesus said: “My son, you know how badly it was snowing on your highway on Sunday night as you were returning home from your talk in Utica, New York. You read in your morning paper how you had 14 inches of snow mostly east and south of Rochester, New York. Those people on the west of the city only had a few inches. You are still recovering from a drought, so this did give you some water. Pray for the safety of your drivers as people will be traveling for Thanksgiving Day dinner.”
Jesus said: “My people, when you see power outages this is a reminder to have some alternate fuels for heating and some oil lamps for light. It is difficult to be without power, especially in winter. You could also stock up on some extra food

if such an outage lasts into weeks. This loss of power could also come from an EMP attack which could cause people to starve if they do not have much food. Be prepared also to come to My refuges if your power is out for a long time."
Jesus said: "My people, Thanksgiving Day is a great time for your family reunions as you share in a great meal. Be sure to pray a special prayer of thanksgiving before you eat your meal. Thank Me personally for all I have done in your lives. As you greet your family, you can think of how you can pray for all the souls who need to come closer to Me in their faith. Remember this moment also when you come together at the Warning when you could evangelize these souls so they could receive My crosses on their foreheads. After the Warning, these souls will be seeking My forgiveness."
Jesus said: "My people, I have asked you to pray the long form of the St. Michael prayer so your family members could be converted. Make a cross over their pictures with holy water to help break any addictions. Your persistent prayers for your family members could help save them from hell. If any of your family is sick or dying, you could also pray a Chaplet of Divine Mercy for their intention. If you could get family members to wear blessed sacramentals, it could guard them from demon attacks. The best help you could give your family, is to help save their souls from hell."
Jesus said: "My people, you remember when I directed you to go to your room in quiet to pray your prayers to Me. Some people have set up a designated prayer room where they could pray, away from the noise of the world. When you pray in silence, then you can listen for My words to your heart so I can direct you what to do for Me. By being open and listening for My Word, then you could receive My message and direction for your life. Trust in Me as I lead you in your mission on earth."
Jesus said: "My people, once you come to Me in prayer, I allow you to see what is needed in your life to bring you closer to Me. When you see your imperfections, you want to repent of your sins, and come to Me in Confession so I can forgive your sins. You should try to have your sins forgiven in Confession at least once a month. By keeping your souls pure, then you will be prepared to meet Me at your judgment whenever I will call you home to Me. Encourage your family and friends to come closer to Me, especially in coming to Mass and Confession."
Jesus said: "My people, I give you many gifts each day, and when you pray to Me, it is your way of thanking Me for all that I do for you. I love My prayer warriors, and I thank you for all of your prayers. By being faithful to Me, you

will receive your reward both in My Era of Peace and later in heaven. Continue to pray for the conversion of sinners so they can love Me and be saved from hell. When you all come together in prayer, I am there in your midst. You all share in My joy when you pray together. I long for the day when I can welcome all of you into heaven where you will share My peace and love for all eternity."

November 30, 2016
Wednesday, November 23, 2016:
Jesus said: "My people, as you think about the first Thanksgiving meals with the pilgrims, they came to America for freedom to worship Me as they chose. For many years you have had freedom of religion that was guaranteed by your founding fathers in your Constitution. Now, you are seeing the atheists and Muslims persecuting Christians for displaying My Name in public. You are seeing openly that the Muslims here are not coming to blend in with your people, but they are coming to take over your country. This is your future when My believers will be persecuted, and some will be martyred for proclaiming My Name. Rejoice that I am having My faithful refuge builders set up safe havens, where My faithful can come and be protected by My angels from those people who want to kill you. As you are eating your Thanksgiving meal tomorrow, pray for your physical protection from the one world people who still want to take over your country by force. Trust in Me and My angels to protect you during the coming tribulation and persecution of My believers."
Jesus said: "My people, this 'boat of St. Peter' is how he led the Church as its leader, once I ascended into heaven. The apostles had to wait for the Holy Spirit to come down upon them. Then with the gift of tongues, they were able to speak foreign languages. My Church has been directed by St. Peter's successors as Popes down through the ages. My Church has been tested by time as I told you that the gates of hell would not prevail over My Church. You remember when I was on the sea with My apostles, and they were frightened by the waves of a large storm. They awakened Me, and I calmed the storm. (Matt. 8:23-27) There was another scene when I was walking on the water, and I called St. Peter to come to Me on the water. He walked on the water briefly, but then he faltered, and I had to save him from drowning. (Matt. 4:22-33) Many times I enabled My apostles to have large catches of fish. (John 21:1-14) Despite all the problems and heresies that My Church had to endure, I was leading My people as I calmed the storms. Now, you will be seeing another time when there will be a division in

My Church, but I will still be looking after My faithful remnant, even throughout the tribulation. Trust in Me to continue leading My Church on the sea of life."

November 30, 2016
Thursday, November 24, 2016: (Thanksgiving Day)
Jesus said: "My people, today's Gospel is about the ten lepers, who were healed. This is a sign of how many people forget to thank Me for all the healings and gifts that I give to them. Only one Samaritan returned to give Me thanks for his healing of leprosy. I asked him where were the other nine, but I blessed the Samaritan, and I told him his faith had saved him. Many people are praying prayers of petition, but when their prayers are answered, they need to remember their prayers of thanksgiving. In many ways I allow good things to happen for you that you did not even ask for. You also should be thanking Me for all of My gifts, even the ones you did not realize, as your existence, the air you breathe, the sun on everything, and even the rain that comes. It is good that you celebrate such a feast, because it gives you a chance to ponder all the things that I do for everyone. Give praise and thanks to Me for your gifts and talents to survive both physically and spiritually."
Jesus said: "My son, when you help people, you feel good, even if you do not get much thanks. I help a lot of people, and I do not get much gratitude either. You really are helping people more because you love them, and not just to receive a thank you. So keep up your prayers for souls, and doing what you can to spread My messages. You can share your donations of money, and you can share your faith and love of Me. You appreciate My love and help, and you want other souls to have the same experience. When you help souls by evangelizing and praying for the souls in purgatory, you are helping them, and storing up treasure in heaven for yourself."

November 30, 2016
Friday, November 25, 2016: (St. Catherine of Alexandria)
Jesus said: "My son, you have been reading the Book of Revelation this last week of the Church Year, and this is your mission to prepare the people for the end times. Very few priests want to talk about the new heavens and the new earth in the Era of Peace. You will be entering this time of tribulation where My faithful will be persecuted by the Antichrist and the evil people. This is why you

are preparing the people to understand the need for My refuges as safe havens from those who want to kill you. You will only have to bear this trial for less than 3½ years. Then you will experience My victory in My Era of Peace. In the Book of Revelation (chap 20) you will see how all the martyrs will be raised up and joining with My faithful in My Era of Peace. This will be a glorious time when My faithful will be prepared to be saints for their entry into heaven. This is a hope filled message of My love and victory over the evil ones."
Jesus said: "My people, I told you the evil one world people will make an attempt to get the electors to change their votes to the opposite party. You need to pray that the electors do not change their votes. You also need to pray that you do not see a martial law that would prevent your President-Elect from taking his office as President in January. You further need to pray for My angel protection so your President-Elect does not get assassinated. If this change in power does not occur, then your current President would stay in power. If such a power is taken away from the people, you could see a massive revolution to try and take over your government. This could create another civil war among your people. This struggle would call on Me to bring My Warning, and then you would go to My refuges for your protection with My angels. Trust in My angel protection, for you are about to see a great turmoil in your country."

November 30, 2016
Saturday, November 26, 2016:
Jesus said: "My people, I have told you before, that fears, worries, and anxieties are from the evil one trying to bring you down. If you have Me by your side, who can harm you? I want you to have hope and faith in Me, even as you are about to endure the persecution of the tribulation. You and My refuge builders are all prepared to help My faithful with My angels watching over My safe havens. Whatever you are faced with, trust that you will not be tested beyond your endurance. One day I am coming in victory to defeat all of the evil ones, and I will cast them into hell. My faithful will then be happy to be with Me in My Era of Peace with the new heavens and the new earth."
Jesus said: "My people, many people have an opportunity to get degrees at affordable colleges. Some people need to go to two year Community Colleges, and then to State Colleges for two years so they do not have large loans to pay off. Once you have a degree, it still takes time to find a good paying job that you can live on. Even college graduates have to take jobs that are not what they

trained for. It is your corporations and the one world people who make the laws so they can exploit the cheap labor overseas. The current establishment with all of their free trade, has sent many of your good paying manufacturing jobs overseas. This is why your average salaries are low, and some need two jobs to survive. You can see why your President-Elect won, because he was pushing to keep jobs in America. Many of the one world people are only helping themselves, and they do not try to protect American jobs for your own workers. Pray that your President-Elect is allowed a chance to change your socialist government back to a government of the people, and not just for special interests."

November 30, 2016
Sunday, November 27, 2016: (First Sunday of Advent)
Jesus said: "My people, at the end of the Church Year and at the beginning of Advent, you receive a similar message in the readings to be awake and watch for My coming. This stairway to heaven is everyone's dream, but you do not know the day nor the hour of My coming. So have your souls pure with frequent Confession, and be ready to receive Me at your judgment. You will either see Me coming in the clouds for everyone, or I could be calling you home to Me in death. So stay alert for the day I will bring you into heaven, or into My Era of Peace."

Monday, November 28, 2016

November 30, 2016
Monday, November 28, 2016:
Jesus said: "My people, it is true in the Gospel how I was surprised at the great faith in Me that the Roman centurion had, that I could heal his servant, even from a distance. The centurion understood his own authority over his soldiers, and he could see My authority in healing people. But he was also humble that he did not want Me to come under his roof, in case it would defile Me. It would be pleasing to Me if everyone could have such a strong faith, so I could heal many people both in their bodies and in their souls. Faith is a gift that I freely give to everyone. It is up to each person whether he or she wants to accept Me or not. If people do accept Me in faith, then it is to what extent they have faith in Me, that will determine how much I can use people for My work of saving souls. So if you have faith in Me, then give your whole mind, heart, and soul over to Me, so

I can use you to the full extent of your gifts."
Jesus said: "My people, you have seen the possible connection between the one world people and all the various attempts to stop your President-Elect from taking office. Even after the election was certified, you have had many protest marches in several states. You have also seen attempts to get the electors of the electoral college to change their votes. You are also seeing the latest attempts to have a recount of votes in Wisconsin which would not change the outcome. These people are doing everything possible to change the outcome of a completed election. My people need to continue your prayers that your President-Elect is allowed to take office in January. Any interruption of this new President in taking office, would be a violation of the people's choice, and a violation of your current law. You did prayers for the election, and thanksgiving prayers for the outcome. Now you are continuing your prayers for a new administration to lead your country back to Me."

Tuesday, November 29, 2016

November 30, 2016
Tuesday, November 29, 2016:
Jesus said: "My people, before I came to the earth, you read how Isaiah and the prophets spoke of My coming. Ever since Adam's sin, I have promised man that I would send him a Redeemer. So for many years the people were waiting for the Messiah to come. In Micah you even have the foretelling of My coming in Bethlehem. In Isaiah's reading you are even seeing some descriptions of the coming Era of Peace. Just as My prophets foretold My first coming, so My prophets of today are preparing you for My Warning, the tribulation, and My coming victory over the evil ones. You are celebrating Advent before Christmas, but you will also be pleased when I come to defeat the Antichrist and Satan. They will be sealed in hell during My Era of Peace, as you will have no evil present, and Isaiah's prophecy will be fulfilled."
Jesus said: "My people, you are seeing the one world people planning to incite riots or terrorist attacks before your President-Elect's inauguration. They have two options to either cause a martial law, or any means to prevent your President-Elect from taking office. With enough serious riots or terrorist attacks, this could cause your current President to declare martial law and allow a takeover. The establishment does not want your President-Elect in the White House, and they will attempt many possibilities to stop this inauguration. This could trigger more turmoil when your people object to any takeover. You have

seen many signs of troop movements and martial law physical signs that there is an ongoing preparation to carry out a martial law. If this plan goes forward, you could also see My supernatural intervention of My Warning to protect My faithful from being killed. Be prepared, My people, because after the Warning and conversions, you will soon have to come to My refuges as a means of protection from the coming persecution of Christians in the tribulation."

End November 2016

December 2016

Wednesday, November 30, 2016

December 15, 2016
Wednesday, November 30, 2016: (St. Andrew)
Jesus said: "My people, on this feast of St. Andrew, you are reading how he and his brother, St. Peter, were called by Me to be fishers of men. So they left their fishing jobs to follow Me in My unknown mission for the world. I also send out a call in the hearts of those men who could be My priest sons. I am always asking you to pray for vocations to the priesthood. I call all of My faithful to be evangelists, so more people could be saved by the Gospel. In the vision, My son, you remember how I asked you to do a mission for Me, and you accepted to do My Will. It was unknown to you that I was calling you to be one of My prophets for the end times. This has been a long and difficult process to give talks, write messages, and evangelize souls to be saved from hell. I thank you for your 'yes' and all that you have done through the years in your persistent effort for your mission. Continue to pray and follow Me in all that I ask of you. This applies to all of My faithful as well."
Jesus said: "My people, I have told you how you will be seeing more disasters this year, and you are seeing serious fires in Tennessee that have taken lives and destroyed homes. These fires are happening because of a drought and there are some fires that were set by arson. You also are seeing several tornadoes in the South which is unusual for this time of year. In the political arena you are seeing the Democrats pushing for recounts in several states with close contests. They are even trying to threaten the electors to change their votes. You could still see a potential martial law, if this is the last resort to keep your President-Elect from taking office. The one world people are concerned that all of their work to

control America could be undone by your new President. This is why they will try many ways to oust him. Be prepared for My Warning if the evil ones will threaten your lives. In the end I will protect My faithful because My power is greater than the evil ones' power."

December 15, 2016
Thursday, December 1, 2016:
Jesus said: "My son, you are seeing in the vision something out of the ordinary with this incensor smoking upside down. You usually see the incensor being used for Benediction or for Mass, especially at funerals. In this case the rising smoke gives glory to Me. In this vision with the smoke going down, your world is giving glory to Satan. This sign is also about how what is right, is not politically correct, but what is wrong, is accepted and tolerated. Look at people living together in fornication without marriage that is accepted in your society. Look also at gay marriage which is a violation of sinful homosexual acts, as well as giving marriage a bad name. Because of your abortions and these sexual sins, I am about to turn your world upside down when you see My Warning experience. This will show you how much you are offending Me with your sins. Even My faithful are being persecuted for worshiping Me, or saying My Name in public. You will see a short time of apostasy during the shortened tribulation, but then My faithful will be vindicated, and the evil ones will be cast into hell. Then in hell's flames the evil ones can give glory to Satan, and he will torment them for all eternity. My faithful need to reach out and shake these sinners into reality with conversions, or they will suffer the flames of hell forever. I love all of you, but you have a choice of either being with Me in heaven, or being with the devil in hell. If you truly love Me, then you should show Me in your actions of loving Me and loving your neighbor."
Prayer Group:
Jesus said: "My people, you are all sensing a coming battle between your President-Elect and your current establishment of the one world people. The principles of each side are so far apart that you could see some physical turmoil to settle these differences. If the evil ones start using violent tactics against My people, the one world people will have their plans changed by My supernatural intervention of My Warning. I will bring this intervention to keep the evil ones from harming My faithful. After the Warning I will soon direct My people to My

refuges for their protection."
Jesus said: "My people, you are now in Advent and many people are shopping for gifts, and preparing their Christmas decorations both inside and outside. You are hearing the readings of Isaiah, as he was preparing the people for the coming Redeemer. So My people are making their own preparations for their coming Christmas feast. I remind people to be kind and courteous to your fellow shoppers both in the stores and in your cars. Many of you will be traveling to get together, so pray for safe travel for celebrating My birth."
Jesus said: "My people, I know that buying gifts for each other is a tradition for celebrating Christmas. Even the Magi brought Me gifts of frankincense, gold, and myrrh. It is good to share with each other, but do not be too extravagant with your gifts because you all have different abilities to afford gifts. You can all share gifts of prayers for each other as well as your physical gifts. Remember that it is the thought of a gift that counts the most. Even sharing a meal with each other is also a happy occasion for most families. You may not see all of your family members very often, so enjoy each other's company."
Jesus said: "My people, there are poor people among you who you could share some gifts with. They do not have much, so any help would be most appreciated. When you share with the poor, you should be thankful that they could only thank you, and are not able to give you gifts in return. In these gifts of charity, you will store up treasure in heaven for your kind deeds. You can help people with food, donations, or even some Christmas flowers. When you share your love with family and the poor, you are respecting My Presence in your neighbors."
Jesus said: "My people, you can remember in past days how each family member felt chosen to light the candles on your Advent wreath at your evening meal. Try to have such an Advent wreath present in your home so you could pray some prayers that are special for Advent. You are preparing to remember My coming in Bethlehem. This was a historical event that is a center point in your dates of BC and AD. Rejoice that your Redeemer is near in your celebration of My birth, for I am truly the reason for your Christmas season."
Jesus said: "My people, there are many miracles that all are brought about in My salvation plan for all of mankind. The prophets foretold how I would be sent to My people to save sinners from their sins. With My birth you are seeing the miracle of My Incarnation as a God-man, and other miracles as My star of Bethlehem that led the Magi to Me. Even when I come in victory, you are seeing My present day prophets speak of My coming to purify My people in the end times. Rejoice that you are living in this time of My coming victory."

Jesus said: “My people, you are aware how during Lent before Easter, you take time to pray, do penances, and give alms to charities. Advent is not as long as Lent, but you could also do a little penance, prayer, and almsgiving during this time. Every extra effort to share your love with Me and your neighbors, is well appreciated, and you will store up treasure in heaven for your judgment.”

Friday, December 2, 2016

December 15, 2016
Friday, December 2, 2016:
Jesus said: “My people, at times it is good to take walks in your parks, just to appreciate the beauty of My creation. During the winter months, it is not as nice looking because the leaves on the trees and the flowers are gone. There is still a certain beauty in each of the seasons. Many of these sights were created for you to marvel at such beauty. You get caught up in your daily routines so much that you sometimes forget to thank Me for all the beautiful scenes in My creation. When you go on trips for vacations or even work, you can see more of your country’s treasures. Even as you see beautiful scenery on earth, this does not even come close to My creation in heaven’s beauty. This life on earth is a trial of your actions and faith in Me. Those people, who repent of their sins, and work hard to obey My Commandments of love in good works, will see their reward in the glory of heaven with Me one day. Even as you prepare for the celebrations of Christmas, you can also keep your souls pure with frequent Confession and be ready to be with Me in the glory of heaven.”
Jesus said: “My son, I am showing you a vision of how your life review will appear in your Warning experience. It will appear as you are looking in the mirror, and you will see your own actions, as well as how people were reacting to your actions. If you expand this mirror image out, you will be able to see everything in your life as in a time line. You will be outside of time, as you will not realize how long it took to visit every moment of your life. As you view a sin that was not forgiven, you will see it in slow motion compared to the rest of your life review. I will enable you to remember every unforgiven sin, so you could tell it to the priest in Confession later. After you digest your own life review, you will be able to help lead your family and friends back to the sacraments, especially Confession. At first they will be seeking My forgiveness, so Confession will help them the most. If you do not try to evangelize them right away, they could in time forget their experience, and it will be harder to

evangelize them. I will give everyone six weeks of time to be evangelized, and have time to learn to love Me. Once a person has faith in Me, My angels will place a cross on their foreheads. This cross on the forehead will be needed as a pass to get into My refuges by the protecting angel. Trust in My help, and keep praying that your family and friends will change their lives, so they can be saved from hell."

Saturday, December 3, 2016

December 15, 2016
Saturday, December 3, 2016: (St. Francis Xavier)
Jesus said: "My people, the laborers are few, but the harvest is great. Ask the harvest Master to send out more workers to harvest the souls. My son, it is coincidental that you are coming to another church for Saturday morning Mass, and now you hear My call for more priests. I have asked you many times to pray for your priests, and for more vocations to the priesthood. As more older priests retire, it puts more of a burden on the remaining priests to provide Masses for all the open churches. As Mass schedules change, you will see it harder to even have a Sunday Mass, let along a Saturday morning Mass. Not only are you seeing fewer priests available, but you are also seeing a declining number of lay people in the pews. There truly are a lot of souls to be converted, but few people are willing to be evangelists to save souls. I thank all of My priest sons and lay people who are reaching out to save souls from hell. Keep praying for vocations to the priesthood, and for the conversion of poor sinners."
(4:00 p.m. Mass) Jesus said: "My people, today in the Gospel you are hearing My herald in the desert preparing the way for Me. St. John called people to 'repent' of their sins, and be baptized by immersion into the water of the Jordan River. He is the one in the desert who wore camel's hair and ate locusts and wild honey. He was called by God to be one of My prophets. You have read the account how as a baby in the womb, St. John leapt for joy at the announcement of My Blessed Mother's coming to visit St. Elizabeth. This was his first announcement of My coming, as I was in My Blessed Mother's womb. Later, in the desert he called Me the 'Lamb of God', and My first apostles started following Me. St. John was strong in his faith, and he even told King Herod that he should not marry his brother's wife. For that he was imprisoned, and later beheaded by Herod. Rejoice in this second week of Advent, as I also call people to repent of their sins, and confess them in Confession frequently. You will soon

be reading the account of My birth, and you are grateful that I came as a God-man. I came to sacrifice My life so that all sinners could be redeemed of their sins, and be saved from hell. I have given you My sacrament of Baptism as an entrance into being a Christian. Many of you were baptized at birth, but you can now proclaim your own faith in Me, as your Baptismal sponsors did. Enjoy the Christmas spirit by loving Me and loving your neighbors."

Sunday, December 4, 2016

December 15, 2016
Sunday, December 4, 2016:
Jesus said: "My people, Advent time is a time of preparing for Christmas, but also it is a time to prepare your soul by confessing your sins, and changing your heart to more love for Me and your neighbor. The Pharisees also taunted Me, because I was threatening their authority over the people. I came to redeem the people with My sacrifice on the cross, but the Pharisees were hypocrites, because they did not follow what they preached. They were only interested in money, fame, and power. I also came as a God-man to give you an example to follow, since I was without sin. Even when you fall into sin, your soul can be restored by confessing your sins to the priest, and to Me in the priest. Seek My forgiveness and avoid repeating your sins that offend Me. I love all of you, and I want to look at your pure souls, instead of all the black souls in mortal sin."
Jesus said: "My people, you are seeing St. John baptizing Me in the Jordan River, and you have been to this same place in Israel. This scene was in a desolate place in the desert, and it is a great place to consider repenting of one's sins. St. John was the last of the Old Testament prophets, and he was My herald in the desert preparing the way for My mission. St. John baptized with water, but I came to baptize with the Holy Spirit. Your Baptisms now, are possible because My sacrifice has redeemed your souls with the price of My Blood. Your Baptism brings you into the faith. It is sad that some parents refuse to have their children baptized. There could be a Baptism of desire in these cases. At the Easter Vigil and at Baptismal services, you are denying the devil and all of his temptations. This sacrament is a deliverance service to claim your soul for Me. In a word, today is all about repenting and being sorry for your sins. Keep close to Me in your prayers, so the devil cannot steal your soul."

Monday, December 5, 2016

December 15, 2016
Monday, December 5, 2016:
Jesus said: “My people, when you see a stream of water, as in the vision, you see it as a sign of supporting life for drinking. The ice forming over it, is a small sign of the coldness of the hearts of My people to My love. I love you all so much, as you can see in all that I do for you. But at times people forget about Me, and some people do not even make an attempt to know and love Me. Some people only come to Me when they want something. When you truly love someone, even your Creator, you do not just give Me only one hour on Sunday. But you need to remember Me every day in prayer. Some people to not even come to church, and these people need your invitation to My love in evangelizing. You know how much you love Me, but you need to share My love with those people around you. You are preparing to celebrate My birth at Christmas, so remember to think about My love every day in all that you do in your daily consecration.”
Jesus said: “My son, I am showing you this very pointed vision of a stream of souls in mortal sin as they were flowing into the abyss of hell. These are the souls who died, and they still refused to accept Me and love Me. I have been asking My people to pray for the conversion of poor sinners. You do not realize how these souls, who were not converted, are going to be lost forever in hell. Unless there is a miracle, or people praying for these lost souls, they will all be lost forever in hell. I could see how you were taken back at the sight of so many souls who are constantly going down into hell of their own choosing. I cannot force people to love Me, because I have given all of you a free will. I want people to love Me, and desire to be with Me in heaven, but each soul has to truly love Me by their own free will. Most of these lost souls have basically ignored Me all of their lives, and they did not repent of their sins. I have encouraged all of My people to pray for poor sinners, and for the souls in purgatory. When you have extra time, pray a few more rosaries for the intention of souls that might otherwise be lost.”

December 15, 2016
Tuesday, December 6, 2016: (St. Nicholas)
Jesus said: “My people, each day in the readings of Isaiah, you are hearing about preparing for My coming at Christmas. You are also reminded about St. John the Baptist as one crying out in the desert for people to repent of their sins. Even as

you prepare to come to the altar at every Mass, you need to have your soul cleansed in Confession, so you are worthy to receive Me in Holy Communion. On today's feast of St. Nicholas, many people celebrate this as 'little Christmas'. The idea of handing out gifts to the poor came from the stories about St. Nicholas. This is part of why you share gifts at Christmas. When you see your 'Santa Claus' dressed people, this idea of giving gifts is attributed to 'St. Nick'. This is another way of preparing for Christmas, when you go out of your way to work through the crowds to buy a special gift for your relatives and friends. Many of you are still sending out Christmas cards with notes to keep in touch with your distant friends. Caring for other people is how you can share your love with your neighbors, out of love for Me."
Jesus said: "My son, you have been making updated DVD talks every two years, and making a new update in December gives you plenty of time to complete it. You have been sensing that the Warning is near. The installing of your President-elect is becoming crucial for your country so it can be turned around both physically and spiritually. Remember that I will bring about My intervention in My time, when it is the right time. So continue preparing your new DVD and pray for your protection and success with your St. Theresa Novena. A lot has happened in the last few years, so it is appropriate for making your new DVD talk. I will be blessing you in this work to reach out to save souls from hell."

Wednesday, December 7, 2016: (St. Ambrose)
Jesus said: "My son, it is true that you have seen many unusual events that could be shared in your DVD. Your readers have seen many things in the messages, but your DVD can give more explanations and personal accounts that are not in your books. Your talk can also sum up the events to show how My power is greater than the evil ones in many ways. My people need to be encouraged by all the beautiful miracles that you have experienced. I love My people and this sharing can help build up the faith and trust that they should have in Me. You have seen the power of prayers in many ways that have thwarted the plans of the one world people. You are seeing a crucial battle for souls, and you are being prepared for My Warning before the tribulation will come. Continue to trust in Me in your prayers, and I will protect you at My refuges."
Jesus said: "My people, you have so many electronic distractions that it is

difficult to find some quiet time for prayer. If you want to have true peace, you need to turn off the noise of the world, and go to a quiet place to pray. If you do not take time for Me in a quiet place, it will be hard for you to hear Me, and hard to make an assessment of where you are going in your life. If you meditate on your daily actions, you can see your mistakes, and try to change your behavior. If you do not show Me your love in quiet prayer time, then you could get taken in by worldly events, and lose your focus on Me. I should be the center of your life, but you need to turn off the noise of the world in order to hear Me. Trust in Me to lead you on the right path to heaven, but you need to give Me some prayer time each day to show Me your love. Those people, who pray and listen to Me, will receive their reward with Me in heaven."

Thursday, December 8, 2016: (Immaculate Conception)
The Blessed Mother said: "My dear children, as you read the account of Adam and Eve's original sin, you are now seeing me as the new 'Eve'. My Son, Jesus, gave me to St. John, and I was given to be the mother of all of Jesus' people. Now, Jesus is also the new 'Adam'. As you see the first Adam and Eve were in sin, now you have both the new 'Adam' and the new 'Eve' are both without sin. In the Gospel you have the account of my Annunciation on the feast day of my Immaculate Conception. You remember Bernadette Soubirous at Lourdes, France where I gave her the message of my Immaculate Conception. The Lord prepared me without original sin so I would be worthy to be His mother. Both our lives were sinless, and we are examples for you to imitate."
Prayer Group:
Jesus said: "My people, there are many one world people who do not want to see your President-elect take office. This is why I have encouraged My faithful to pray for your new President that he is not harmed, and not prevented from taking office. You have prayed for his election, and you have prayed prayers of thanksgiving that he won. Continue your prayers that America will be given a new opportunity to get rid of your current evil laws, and change your ways to love Me more."
Jesus said: "My people, America will continue to be tested by more disasters. As you move more into winter, you are seeing snow blizzards and more earthquakes that have killed some people and have caused severe damage. Pray that your

people will recover, and help the victims of your disasters. Call on My help to get through your daily trials."
Jesus said: "My people, when your new President takes office you could see some disagreements on how to address the various problems of your country. Rather than spending your time fighting, now is the time to find some compromises so you can move forward with the needs of your people. With the focus on the true needs of your country, then your establishment should not block what is good for your country. Keep praying that your leaders can make the right decisions for your people."
Jesus said: "My people, as your President submits his appointments for cabinet positions to the Senate, hopefully there will be a consensus to move on with governing, without too much disagreement over these choices. It takes time and deliberation to choose a cabinet for the incoming President. Pray that these proceedings will be brief so your new government can move forward. You have been praying for a change, and with your prayers, your new President will get his chance to govern."
Jesus said: "My people, your reading of Psalm 51 three times is a great sign by your prayer group that you are truly trying to follow My Will for your country. Your people need to change their hearts and repent of their sins. This is truly the Advent spirit that is needed for your preparation for Christmas. Look beyond your gift giving, and see the need for more prayers to convert souls to love Me. Christmas is all about sharing, so you need to pray for each other in addition to exchanging gifts."
Jesus said: "My people of St. Charles Borromeo, you have been blessed to have this old cross from Holy Name placed on your front wall. This cross took forty years until it could be placed on the altar. Your present church did not have a large crucifix, so putting this cross up is a fine tradition to show the true leader of your church in Me. My Crucifixion shows you how much I love My people that I was willing to give up My life to bring salvation to all sinners. Show your love for Me in your daily prayers and your good works."
Jesus said: "My son, you are seeing that you cannot presume everything will go along without some trials. In the past you have had difficulties in preparing the DVD talks that you sell. The evil one will always try to upset your good work. This is why you see the need for your St. Theresa Novena to prepare your way. Call on My angels to help you in your work on your DVD talk. This is a good vehicle to share your love and evangelization efforts with all the people who will watch and listen to this new DVD. I will assist you in all that you are doing to

help save souls from going to hell."

Friday, December 9, 2016: (Juan Diego)
Jesus said: "My people, in the Northern states you receive a fair amount of snow, especially around the Great Lakes with your lake effect storms. You have had some warmer weather, but now you are entering into the grip of winter and its many storms. This will be the time for snow removal, and hard to travel roads. It is also a time when you can help each other clear driveways, or offer rides when they are needed. As you travel to be with family on the Christmas holidays, your families will need to pray for safe travel on the icy roads. This time of year can also be difficult in paying for your heating bills, which are higher during the heating season. Winter has its problems, but the white covering has a certain beauty to it, especially for skiers. Be ready to help people in their needs out of love for Me."
Jesus said: "My son, you have heard of some people who are talking about this Christmas being different from those in the past. You also have seen some recent powerful earthquakes off the coast of California and a larger one near the Solomon Islands. These serious earthquakes appear to be happening more frequently. It is very possible that you could see more large earthquakes before Christmas that could cause problems for your people. There is another comet (Honda) coming by in February, but it is far away and does not appear to threaten the earth. God bless all of you for remaining faithful to Me in all of these latest events."

December 15, 2016
Saturday, December 10, 2016:
Jesus said: "My people, your first reading focused on Elijah the prophet, and how he was taken up into heaven on a chariot with fiery horses. You remember several passages when he multiplied the oil and flour for the widow, and he had the prophets of Baal killed when he brought fire down from heaven on his sacrifice. Then in the Gospel I told the apostles that Elijah had come first in the person of St. John the Baptist. This was not reincarnation, but it was like the

spirit of Elijah. St. John was first before Me to prepare the way of My mission. There is another passage in the Book of Revelation (11:3) that speaks of two witnesses in Elijah and Enoch, who will evangelize people before My return. They will be killed, but later I will raise them up in the end days. You can see how Elijah did come first, before My coming on earth, and before I will return. Trust in My prophets that I send to you, for they will witness to My coming in the end days."

Jesus said: "My people, when the one world people plan to takeover, I told you that they would find a way to turn off your electricity either by turning off the grid, causing an EMP attack, or have terrorists destroy key power stations. If your power is out for a short time, many people have backup generators that are run by natural gas or gasoline. If your power was off for a long time, then My people may have to come to their refuges sooner. My refuge builders were told to have at least two back up sources of heating. You could use wood, oil, propane, or kerosene with the appropriate burners. You also need to have sources of light as battery operated lights, windup flashlights, and oil lamps with bottles of lamp oil. You will need to pray that I will multiply your fuels, your water, and your food. You can see that there could be many deaths from starvation or freezing, because most people do not have backup plans for a long time. Be ready to leave for My refuges when your lives are in danger."

Wednesday, December 28, 2016: (Holy Innocents)
Jesus said: "My people, Herod killed the babies in Bethlehem to insure his kingship would not be threatened by the coming Messiah as King. In this time you have women killing their children for selfish reasons of convenience, saving embarrassment, or even financial problems. Life is too precious to be thrown away as human garbage. This is an act of killing, whether people want to admit it or not. It is against My Fifth Commandment, that you should not kill any human being, no matter what stage of life that person may be in. This growing baby is human, right from conception. There are many people who would want to adopt a baby, so even having the child for adoption is much better than an abortion. When you see the child, either born or in the womb, this child is too beautiful to kill. Continue praying to stop abortion, and pray for the mothers to have their children. Children should be born out of love, and not just out of lust for pleasure."
Jesus said: "My people, I am showing you this gallon jug of water because many of you have stored water at your refuges. For those people, who have room, you can also store water in your food grade 55 gallon blue barrels. If you do not have a source of water on your land, I could multiply your water in your barrels. I could also provide a shallow spring well if you have pipes and a mechanical hand pump. Water is precious, and you cannot survive long without water. You can also obtain wash water from your gutters, sump wells, hot water tanks, and melted snow. I was reviewing a few points of how to store and obtain your water. When you are on your own at a refuge, you may not have the water line coming into your house. You also will need your outhouse without flush toilets. Trust in Me to provide for your water, food, and fuels to survive during the tribulation."

Thursday, December 29, 2016: (St. Thomas Becket)
Jesus said: “My people, today’s feast of St. Thomas Becket shows you a strong man of principle and faith who did not back down, even against the king’s wishes on his divorce. He stood up for the Church and My laws, and it cost him his life. In today’s world you also are faced with people who do not abide by My laws on abortion, gay marriage, and euthanasia. So stand up for your faith, because you may be tested by others who think you are not politically correct in voicing your faith in public. Do not let the worldly people dictate how you should act and believe. For now you have a free country to voice your own opinion in following My ways. A time will come when you will be openly persecuted for living a Christian life of love. Continue in your belief to stand up against the pagans and atheists who defy you. You will eventually need to come to My refuges so you can be protected from the evil ones who want to kill you for obeying My laws. Trust in Me and My angels to protect you and provide for your needs.”
Prayer Group:
Jesus said: “My people, a resolution was put forth that would restrict Jewish settlements from being built on Palestinian lands. At the Security Council of the UN, your Ambassador to the UN voted to abstain on this resolution, instead of voting to stop it by a veto. This action was allowed against Israel by your President, and it was a change from your longstanding support of Israel. These Jewish people are still My people, and when you do not support them, you are calling down My judgment against America.”
Jesus said: “My people, as you celebrate a Happy New Year, there is plenty of optimism that your new President will have a chance to improve and correct some of the problems facing your country. You still are seeing attempts by the one world people to cause riots and protests to try and stop the inauguration of your President-elect. You need to pray for your new President so he is not hindered from taking his oath of office. You could see some resistance to the plans of your new President as well. Pray for peaceful compromises so your government can move on with its agenda.”
Jesus said: “My people, your new President will need to have his cabinet choices approved in the Senate. The majority of the Senate is the same party as your President-elect. The other party will try to stop some of these choices, but the Democrats set a previous precedent of only requiring a majority vote to approve candidates for the cabinet. This same precedent could approve your President-elect’s choices. There will be many complaints by your media, but the chosen

people could still be appointed. Again, pray that this process will not be divisive in your new Administration."
Jesus said: "My people of America, you have a chance to change your socialist government, that is against Me, back to a God-centered Democratic Republic as you had at the beginning. You have seen Christian worship of Me repressed by your current Administration. Now, you will have an opportunity for more religious freedoms if you can change your current atheist mind-set of what is 'politically correct'. Pray that your freedom to worship Me in public will be more fully accepted by your new Administration and your people."
Jesus said: "My people of America, your workers have not had any support to keep jobs here, and your corporations have sent jobs overseas for cheaper labor. Your new President is working to penalize corporations who send jobs overseas with tariffs on the products they send back to America. He is also trying to lower corporate taxes so our companies can be on a better competitive playing field with other countries. It is difficult to see how these plans will be carried out, but pray that your workers could have some good paying jobs as a result."
Jesus said: "My people, as you consider some new resolutions for the year, try to make some resolutions that are achievable, and that you will be able to keep. Your best changes could be to change your bad habits, and pray more for conversions and for the souls in purgatory. By improving your spiritual lives, you will be better prepared for your judgment when I call you home."
Jesus said: "My people, it is up to your political leaders if they really want to change the evil laws on your books. You need to pray for your leaders to change your atheistic ways back to My ways of love. If there is no spiritual renewal, then you will see more disasters befall your country. You still have the one world people controlling your lawmakers, so you need to pray hard and long for a renewal to take place. You will be seeing events move toward the coming tribulation, but I will protect My people at My refuges. Trust in Me to watch over you in all of your needs."

Friday, December 30, 2016: (Feast of the Holy Family)
Jesus said: "My people, you are seeing the greatest example to follow in My Holy Family of Me, My Blessed Mother, and St. Joseph. Your society today is destroying the family which should be the basic unit for bringing up children in

love. You have listened and tolerated the devil's call for same sex marriage, divorce, and couples living together in fornication without marriage. You know it is a mortal sin against the Sixth Commandment to commit homosexual acts and for having sex outside of true marriage in fornication. Yet by society tolerating these sinful actions with no shame, you are accepting the tearing down of marriage as an institution. If you wanted to destroy America in its love of God, love of country, and love of family, like the communists planned, you would destroy the family. The communists have planned to use sex exploitation in pornography, hard rock music, liberal teaching without God in the colleges, and drugs to destroy your country. You are seeing it happen before your eyes. Your country needs a spiritual renewal to put Me back into your society by coming to church every week, repenting of your sins, and praying more. You need to see sin and call it for what it is, without any 'political correctness'. By restoring your morals, you can save America. If you do not change, America will leave the face of the earth as you know it."
(Leonard Farnand Funeral Mass) God the Father said: "I AM WHO AM is visiting you today because I had to come to celebrate this life of Leonard, who was so dedicated to his God throughout his whole life. Leonard was always watching over his family in their faith for many years. He loves all of his family so much, and he will be praying for them, and watching over them as well. Today is the feast of The Holy Family and Leonard was a great family man, and he was a good example of faith to his family members. He is with Me now, and he will be a continual model of faith to all of you. He thanks all of you for coming to his funeral, and he wants you to remember him by posting his picture in your homes. I bless this family for having such a beautiful patriarch to lead all of you to Me."

Saturday, December 31, 2016:
Jesus said: "My people, you read from the Gospel of St. John that says: 'In the beginning was the Word and the Word was with God; and the Word was God.' This Word refers to Me, and how I would reveal Myself in the words of the Gospels of the four evangelists. As you will be starting another year tomorrow, you all could have a new beginning in how you live and proclaim your faith to people around you. Many of you have read the Word of My Gospels, and you

could sum them up in My Commandments that call you to love Me, and to love your neighbor as yourself. This is what you should be pondering in your hearts for the New Year. How can you better express your love for Me and your neighbor in your actions, and not just in your words? It is your actions of helping people that speak much louder than your words. If you want to know if someone is a Christian, it is by the fruit of their actions that you will know if that person is living a Christian life. Can people tell that you are a Christian by your actions? You all could work on expressing your love for people, because you are loving Me in each person."

Jesus said: "My people, your country is about to see some major changes, as long as your new President is allowed to have his plans carried out. There are still many people in Congress who do not want so many changes. Just as your current President penned many Executive Orders, you may see your new President also use Executive Orders to get his agenda going faster. Every President has a particular style of governing, and it will take a while to see how many new laws he can get passed. There will always be disagreements among your parties, but the incoming Administration should not have many restraints. Keep praying for your President-elect and your leaders in Congress to put forth the laws that are needed to change your current socialist government back into a democratic republic."

Sunday, January 1, 2017: (Solemnity of the Blessed Mother)

The Blessed Mother said: "My dear children, you are blessed to have another year of opportunity to change your lives, and your country into a better spiritual life. As the angel Gabriel came to me, I did 'ponder' these things in my heart. You have had a year of mercy, but this year, you will see my Son's year of justice, because of all the sin in the world. You will need to pray more rosaries than ever for what is about to occur. Very few people are praying, and I am depending on My prayer warriors to increase their prayers to make up the difference for those people who are not praying. My Son asked you to pray to have your prayers doubled, and you need it for the conversion of sinners and to help the souls in purgatory. Keep your focus on my Son this year, and keep your souls pure with frequent Confession."

Monday, January 2, 2017: (St. Basil & St. Gregory)
Jesus said: “My people, you are reading about how St. John the Baptist prepared the way for Me by calling Me the ‘Lamb of God’. Even as you are preparing for the Magi coming at the Epiphany, the readings are focusing on My public ministry that is about to begin another phase of My earthly life. There is very little written about My youth, except when My parents found Me in the Temple teaching, when I was twelve. Now, in the vision I am reminding you of another coming, when you will see Me in My Warning experience that is followed by the tribulation of the Antichrist. It is during this trial that I will bring My faithful to many refuges that will be protected by My angels. You are seeing a small refuge building, because I will use the most out of the way place that you have, even as I used a stable for My birth. Your refuges may be rustic, but My angels will supply shelter, food, water, beds, and fuels to keep you warm. Do not worry about what you are to eat, drink, or where you will stay, because I will provide for your needs, even for daily Holy Communion. You will rejoice when I will come in victory to cast all the evil ones into hell, as I will prepare an Era of Peace for My faithful as your reward.”
Jesus said: “My people, your President-elect has carefully chosen his Cabinet as a team like a football team. They are all in position and ready to be approved by the Senate. You still are being controlled by your current President, who is trying to throw as many roadblocks as he can in front of your President-elect. Continue to pray for your President-elect’s safety, and that there will be no martial law to stop the inauguration. You have been waiting many years to get rid of your socialist government. Your current President is afraid that all of his programs will be torn down, and that your President-elect could write his own Executive Orders. Beware of the one world people’s last gasps at stopping your President-elect from becoming President. They still are planning disruptions to the inauguration. Pray for My intervention in the evil one’s actions, so I can have My angels win the day for your country.”

Tuesday, January 3, 2017: (The Most Holy Name of Jesus)

Jesus said: “My people, when you have the start of a new year, it is a chance to make some good changes in your life, and in the life of your country. You have seen many restrictions on your religious beliefs, and your Republic in your country’s governing. Soon you will not have socialistic control over you, and it will be a true beginning of a new chapter in the life of America. It is not right that atheists and Muslims should control your public expression of your faith. It is time for many changes in your tax codes, and even more concern for the people’s voice to be heard, instead of the one world people’s control of your government. There is still a concern for those people who oppose the old leaders who could still threaten your new Administration. Pray for your new leaders who are trying to restore your government back to its original roots of a Republic for the people. You will see what principles that will come forth from your new President and Congress. You have a new opportunity to follow My ways or the devil’s ways. Pray for your new leaders to follow the right path.”
Jesus said: “My people, there will be hired thugs who will try to disrupt the inauguration of your President-elect with riots, paint, and snipers to kill the police. Your police, who will be protecting this event, need to have good numbers, and well dressed with riot gear and bullet proof vests. It will be dangerous even for your President-elect who should also have body armor, and be watchful of any assassination attempts. Your police may need to make any arrests of those people who are using violence to get their way. You may need to know who the groups are, and who is funding them. These are communist tactics to try and take over your government with martial law by a planned riot. Your people need to be prepared to even call out your National Guard if the rioters are too many for your police to handle. Keep praying for the safety of your police, and the safety of your President-elect.”

January 17, 2017
Wednesday, January 4, 2017: (St. Elizabeth Ann Seton)
Jesus said: “My people, you all have been given various talents to succeed in life. Many of My saints have started schools, hospitals, or orders for men or women. Everyone is expected to do what is necessary to provide for themselves, however they can manage, so they do not have to depend on others. In the Gospels on the talents, I did not have good words for those people who buried their gifts, and did not want to work for a living. Even among My faithful, those

people who did not work, did not get supper. There are some disabled people who need help, but there is no excuse for those people who are healthy and do not look for work. You see others with addictions, or people who do not know how to manage money, and they will always be begging for money. These people are those who need welfare help. People, who do not want to help themselves, can cause stress on the people around them. Pray that these people will make more of an effort to help themselves, and call on My help."
Jesus said: "My people, you have heard that I am the Master Potter, and I form people out of the dust and clay of the earth. When I form a person, and I put My life spirit into their soul, as I have a plan for that life. This vision of a broken piece of pottery represents your abortions when you kill My babies, and cancel the plans I had for these lives. This is a serious mortal sin to abort a baby, and it offends Me and defies My plans for all the babies of abortion. Those people, who favor abortion, are upset with the possibility that Planned Parenthood may have its funding cut off from the government. Your people are being forced to pay taxes to assist in aborting My babies. If your new Administration cuts off this funding, it would be one means to help discourage abortions, and not force the taxpayers to fund these abortion clinics. The blood of these babies is on your hands, so stopping this funding of abortion clinics would be a good thing. Continue to pray for the stoppage of abortion, which is weighing America down with this killing of My babies."

Thursday, January 5, 2017: (St. John Neumann)
Jesus said: "My people, My angels were always around Me when I was on the earth as a God-man. They supported Me many times, especially in My agony in the Garden of Gethsemene. They ascended with Me in My Ascension into heaven. Even now, My angels are present at Mass, and around My Blessed Sacrament in Adoration and in My tabernacles. You remember how Carol's father also saw the souls being ushered by angels going down into the newly conceived babies, and other angels ushering the deceased souls to their judgment before Me. My angels also usher souls to heaven from purgatory, and some who come directly to heaven from their earthly lives."
(Adam Andresky's Funeral Mass) Jesus said: "My people, you heard some beautiful words about Adam in his eulogy, and he was thankful for that kindness.

He passed early in the morning, as many people would like that choice. He was a great family man, and he cared and loved all of his family. He is united with his wife in heaven with this Mass. He is grateful for all the family's help in his later years. He will be praying for all of his family, and he will be watching over them. He was sorry that he did not say good-bye in person, but he loves all of you so much."

Prayer Group:

Jesus said: "My people, you have seen a few more earthquakes than normal that are occurring along the Pacific Rim. Some of your earthquakes have been a result of your fracking for oil and gas. This may not be a good practice in areas that are susceptible to earthquakes. It is hard to warn people about earthquakes, because they are very unpredictable. Because several areas are long overdue, it is possible that you could be on the verge of some serious earthquakes."

Jesus said: "My people, this program of your Health Care was forced on your people with penalties if you did not join. It is impossible to try to have your government pay for everyone's health care. This was later revealed as a tax by your Supreme Court, and it was never proposed this way when it was passed. It was intended to fail by its planners, so single payer socialist medicine could replace it. It is failing because not enough people joined, and insurance companies were backing out of these exchanges. Many people are paying huge premiums with higher deductibles that are becoming a burden to finance. The incoming Administration is being saddled with a losing program that is impossible to implement, and some people could lose their coverages. Pray that a better program could be phased in."

Jesus said: "My people, you have heard of many issues that were debated in your election. It will be difficult to handle immigration, and an increase in defense spending, and still keep your deficits from expanding. As you see budget proposals debated, there will be many debates over what budgets get cut, and what budgets are increased. Your Congress will have to make some hard decisions for how you are to carry on with your country's needs. Pray that your leaders can make some compromises that are best for your people."

Jesus said: "My people, your new Administration is trying to reduce corporate taxes so corporations can justify keeping jobs in your country. It is hard to force companies not to out source, unless they can make savings on taxes. There are still questions on how lower taxes will affect your deficits. By allowing your companies to have a fairer playing field with other countries, then they could compete with more jobs staying in your country. Pray for your new

Administration to help your businesses to succeed in providing more good paying jobs."
Jesus said: "My people, financing your National Debt will become harder to finance, especially if your deficits continue. Your deficit of payments from more imports coming in than exports going out, is draining capital out from your country that cannot be sustained. Unless these financial problems are turned around, your country is headed into bankruptcy and a crash of your dollar. Pray that your leaders can change these trends, or you could see some major financial disasters."
Jesus said: "My people, you have been enjoying the beauty of this Christmas Season. Once you celebrate the Magi on the Epiphany, many will start putting away their Christmas lights and decorations. This Season will end with the celebration of My Baptism by St. John the Baptist. Christmas is a joyful Season as you shared gifts of love among your family and friends. You will return to your Ordinary Season, and later on your Season of Lent will begin. Every Season has its own beauty, even though you repeat the same themes every year. Rejoice while you still have your decorations to enjoy."
Jesus said: "My people, many of your faithful are eager to come to the Right to Life March on January 27 as you protest your abortion decision at your Supreme Court. You will be getting more support from a President who will support your cause. You could also see some help in choosing a new conservative Supreme Court justice to fill the current vacancy. If your Supreme Court can change some of your abortion and other decisions, you could ease some of your sinful laws that are pulling your country down. Pray for a good Supreme Court justice to put Me back further into your public lives."

Friday, January 6, 2017: (St. Andre Bessette)
Jesus said: "My people, you have been blessed with My very Presence in the gift of My Blessed Sacrament. At the Consecration of the Mass, you have the transubstantiation of the bread and wine into My Body and Blood. You have this miracle at every Mass, and you can receive My Real Presence when you receive Me in Holy Communion. No other churches have this blessing that you have in your tabernacles. I am with you always, and in St. John's chapter 6 it states: 'Amen, amen, I say to you, unless you eat the Flesh of the Son of Man, and

drink His Blood, you shall not have life in you. He, who eats My Flesh and drinks My Blood, has life everlasting, and I will raise him up on the last day.' (John 6:54,55) When you receive Me in Holy Communion, you need to have a soul free of mortal sin, or you commit a sin of sacrilege. Keep your souls pure with frequent Confession. Give praise and thanks to Me for all the graces and gifts that I bestow on you every day."
Jesus said: "My people, today was another set of killings by a gunman who had several clips of bullets for his handgun. This occurred in an airport with many people around. His killing of five people and wounding eight more, was a planned indiscriminate act that has not yet been explained why he did it. This person had psychological problems, but he appeared to have no value for life with such bloody killings. It is hard for your security to be everywhere in your airports, but some security should be present in your baggage areas after this incident. This person and the weapon and ammunition need to be investigated to see if other people helped him to secure this weapon. It may be difficult to find out the real reasons for this attack, but having so much ammunition, points to a planned event. Pray for your airport security to be on guard for suspicious people, especially people with a psychological history."

Saturday, January 7, 2017: (St. Raymond of Penyafort)
Jesus said: "My people, I was not ready to start the miracles of My ministry, but at My Blessed Mother's request, I changed the water in the six water jars into wine. I also made it into a better wine than at the beginning of the Wedding feast. My apostles became true believers in Me when they saw My miracles. I am still performing miracles when you pray, like the victory of your President-elect. This Wedding feast miracle was water being changed into wine. I perform miracles at every Mass when I change the bread and wine into My Body and Blood of My Eucharist. You have seen other miracles, but My Eucharistic miracle is special, because this is how I remain with you every day in My sacramental Presence. Treasure this miracle that you share with Me, when you receive Me in Holy Communion. Give praise and thanks to Me after every Holy Communion."

Jesus said: “My people, when you have more than enough money to live a good life, some people strive for fame, power, or more money. Your Hollywood people lead different lives than most people, and they have different goals. Some share their wealth, while others want more fame, more money, or more power over people. It is the greed for things that can become an addiction. All of your money, fame, and power are fleeting, and they are passing away. My people need to focus your lives on love of Me, and being with Me in heaven for all eternity. Your lives need to be centered around Me, and not around what you can achieve in this life. Financial success or fame, will not buy your way into heaven. It is by being humble and sorry for your sins that you could be on the right path to heaven. So do not worry or strive for earthly things, because they will rot or get outdated. All things on this earth are temporary, and it is better to strive for spiritual treasures that will bring you close to Me in heaven. Give thanks and praise for all the gifts that you have received, and be grateful for your gift of faith.”

Sunday, January 8, 2017: (The Epiphany)
Jesus said: “My people, this feast of My Epiphany is a manifestation of My Kingship when the Three Kings brought Me gifts as if I was royalty. They followed My miraculous Star that led them to Israel. They were in search of the infant King, and they went to King Herod to see where the child was to be born. The Scriptures spoke of Bethlehem, so I would be called the Son of David. After visiting Me, they left for home by another route according to a dream that they had. Herod then wanted all the children of two and younger to be killed in Bethlehem. St. Joseph had a dream by an angel to take Me and My Blessed Mother to Egypt to avoid Herod’s attempt to kill Me. I have warned My faithful that when your lives are in danger, I will send a dream to My faithful to leave their homes for My refuges of protection from those evil ones who want to kill you. Just as St. Joseph had a dream when to leave, so My faithful will also have a dream to leave. My angels will be My messengers, and they will warn you, and shield you with invisibility so no one can harm you. Rejoice in My Epiphany feast just as you will rejoice in My protection of My faithful at My refuges.”

Monday, January 9, 2017: (Baptism of Jesus)
Jesus said: “My people, normally you would celebrate My Baptism on a Sunday, but you had My Epiphany to celebrate this last Sunday. You are concluding the Christmas Season with My Baptism. You had My manifestation of My birth, the Epiphany with the Magi, and now My Baptism with My Blessed Trinity. You had Me as the Second Person of the Blessed Trinity, the Holy Spirit as the dove, and God the Father speaking when he said: ‘This is My Beloved Son, in whom I am well pleased.’ You could add one more manifestation at My Transfiguration when My apostles saw Moses, Elijah, and they heard God the Father say: ‘This is My Beloved Son, listen to Him.’ All of these events were to witness to My Divine nature, as well as My human nature. I came into the world so I could offer up My Blood Sacrifice for all of your sins, and so you could come to heaven when I opened the gates. Rejoice in all of these feasts, as now you will be going back to Ordinary Time.”
Jesus said: “My people, you have seen several major snow storms recently, and now massive rains on the West coast have been causing some serious flooding. I have told you before that the HAARP machine could be used to cause bad weather and earthquakes. Many of the unusual weather patterns and frequent earthquakes that you are seeing, does fit what the HAARP machine could do. These are some of the natural disasters that I have been talking about, and the one world people control the use of the HAARP machine. Continue to pray for the victims of these storms, and you are praying and fasting already for the souls who could die suddenly in any large earthquakes. You have been praying your Reparation Masses for the souls, so they could be saved. I have answered your prayers also to finish your latest book and your latest DVD.”

Tuesday, January 10, 2017:
Jesus said: “My people, when I went to Capharnum, I immediately went into the synagogue and I began teaching with authority, that was different from the Scribes. There was a man there with an unclean spirit, and the spirit called Me the ‘Holy One of God’. I ordered the spirit to be quiet, and come out of the man.

The spirit left, and the people were in awe because I could order the evil spirit to leave with authority in My voice. The people came to respect My teachings and My healing gifts. It was by My miracles that My Apostles also came to believe in Me. There are some people who have strong faith and healing gifts. I told you if you had the faith the size of a mustard seed, you could heal people and deliver souls from the demons. Remember that you need prayer and fasting to cleanse the more powerful demons."
Jesus said: "My son, I hear your storm prayer for protection, and a request for good health. You have faith in My healing and My protection. I will send My angels to guard your property, and I will help you get better from your sickness. You could use some of your home remedies, and a doctor's prescription might be helpful. You have seen a lot of sickness and coughing around you, so pray for your people to be healed."

Wednesday, January 11, 2017:
Jesus said: "My people, your current President and his party are putting sanctions on Russia as they try to prove that Russia caused their loss to your President-elect. Russia is making preparations for war, because they do not know what your current President could do in his few more days in power. The one world people are at a loss because your President-elect's win has caused them to change their plans. Keep in mind that your Congress is still infested with many masons, and they will not give in to your new President without a fight. The first fight will be over the candidates for the new Cabinet. If your people do not stand together against your enemies, then you will be more vulnerable to continued control by the one world people. Pray for your country to move forward against any left leaning socialism."
Jesus said: "My people of America, throughout the election and even now, the liberals and one world people have been attacking your President-elect with all kinds of slander and hate stories that they could find. They have even used fake stories to stir up the people against your new President. You know by now that your President-elect's win was a miracle of My angels because of all of your prayers. The one world people are in complete disarray, because they cannot believe that the rigged voting machines did not work, as in the previous elections that put your current President in office. Your elections are so corrupt that I had

My angels turn back the changing of votes so the people could elect a courageous new leader. Despite the hoodlums trying to destroy the President-elect's rallies, and the liberal media's lies, you now have a President who is worthy of that office. All the attempts to stop your President-elect have failed, and now I will give him the grace to clean out the corruption in your government's socialist control. Your fierce storms are a reflection of all the hate against your new President. You still have a lot of one world people in both parties in Congress, who will try to block many of your new President's reforms. It is very possible that he may have to use Executive Orders to get by a reluctant Congress. The corruption in your government is so evil, that your new President may need My angel power to cleanse the swamp. Pray for your new President that he will be able to carry out his agenda to truly make your country great with My power."

Thursday January 12, 2017:
Jesus said: "My people, you have seen some pictures in the West how prolonged heavy rainstorms have caused fast rivers of water to flow into some housing developments. This has been an unusual deluge that has flooded many areas, and some people have died as a result. When you have such a once in a lifetime event, you are seeing either My punishment, or your machines manipulating the weather. Pray for the victims who have lost their loved ones, and their homes. These people will have to start all over, and hope that they can get some compensation for their losses. They may need some assistance to make a new home."
Prayer Group:
David said: "My father, mother, and my sisters, I am happy to be able to display my love for all of you. I have told you before that the Warning is coming and heaven is preparing for the coming battle. I am praying for all the souls in our family and our greater family. It is important for all of you to have pure souls with frequent Confession. There are some of our family that are not on the right path. I pray that they will change their lives after the Warning. Continue to be good examples for all of our family."
Jesus said: "My son, you have heard from one of your friends that I have put My hand on his heart to lead your people back to a Christian nation, free of your

‘political correctness’. He is truly concerned that your country was on the wrong path, and he is dedicated to making your country great, even in My eyes. It will be up to your Congress and your corporations how much they are willing to follow his leadership. It will take time and a struggle to make the needed changes. He has built a Cabinet with the right credentials to carry out his agenda. I will send him the needed graces and My angels to help him succeed.”

Jesus said: “My people, your current Health Plan was headed for disaster with few exchanges and high premiums and high deductibles. It may take a while to make the necessary changes, but it has become unaffordable as it is. It will require competition between your health insurance providers in order to make your new plan affordable. Unless you have a proper base of participants that are paying their fair share, this will not work. Getting rid of a tax and penalties will be needed. Pray for your people to work together to make a new health plan viable.”

Jesus said: “My people, for years your current President was heavily supported by the liberal elements of your media. During his eight years, he shunned conservative networks and talk shows. Now, you will be seeing just the opposite for your President-elect who is openly hostile toward liberal networks who are criticizing him with ‘fake news’ stories. You are seeing a turn over from socialism back to your original democratic republic. Rejoice that your religious persecution from the left, will be rejected by your new Administration.”

Jesus said: “My people of America, I have given you a new opportunity with your President-elect to restore your Christian values, and to change the evil ways of your current Administration. Instead of having the left agenda forced down your throats, you will have a chance to work together for what is needed for your country and its citizens. Continue to pray for the success of your President-elect and for America to succeed with My help.”

Jesus said: “My people, you are truly seeing a battle between Christian values and those people who do not love Me. You have an atheistic socialism that is trying to overtake your people, but I have brought a miraculous intervention of My power against this evil. If your people do not wake up to My love and My laws, then you will see the Antichrist have his way for a short time. During the tribulation, I will intervene again to bring My faithful to My refuges. At the end of the Antichrist’s brief reign, I will bring My victory, and all the evil ones will be cast into hell. You will rejoice when I will renew the earth, and bring My faithful into My Era of Peace, and later into heaven. Do not be afraid of the evil ones, because their time is almost over.”

Jesus said: “My people, do not be surprised that the possessed people will be attacking your churches and My Sacred Hosts. These people are seeking My consecrated Hosts so they could desecrate them in their black masses. You may not be aware of such demon inspired attacks, but they will become more frequent. You will even see a coming Division in My Church, when you will need to come to your homes and refuges to have a true Mass and prayer groups. Evil will have its day for a short time, but do not lose hope because My victory is coming soon when all the evil ones will be cast by My angels into hell. Trust in My protection because I will be the Supreme Ruler over all evil.”

Friday, January 13, 2017:

Jesus said: “My people, I was impressed by the faith of the paralytic man and his bearers, who knew I could heal him. The crowd was so great that they made a hole in the roof to let him down before Me. I told the paralytic: ‘Your sins are forgiven.’ The people who were there thought I was blaspheming, since only God can forgive sins. They did not know it, but I truly am the Second Person of God. I was concerned first with healing the man’s soul and forgiving his sins, so his soul would be saved. Then to show My authority from My heavenly Father, I told the paralytic to pick up his mat and go home, because his faith has saved him. The people were amazed that I could heal the man’s paralysis, but they should also be amazed that I could forgive his sins as well. Remember what I told you, that the one who is healing, needs to have faith that I can heal a sick person. The person, who is sick, also needs to have faith that I can heal that person. Without faith, no healing can be accomplished. This is why I could not heal people in My hometown of Nazareth, because they did not have faith in My healing power. Trust in Me, and I will forgive your sins, and heal your sickness.”

Jesus said: “My people, your country did not defend Israel when your UN Ambassador could have vetoed a UN Resolution to declare more rights for the Palestinians in prohibiting Israel from building settlements on contested lands. Your current President is also trying to use a Paris Peace Accord to further favor Palestinian possession of Israeli held sacred places. These actions by your current President will embolden Hamas and other terrorists to start an uprising against Israel. This is why you are seeing soldiers shooting their guns at those people causing a new uprising. Your current President is indirectly causing

another war to come in Israel, and he is not coming to Israel's defense. Pray for peace in Israel, despite your current President is stirring up trouble between the two factions."

Jesus said: "My people, you were praying an overnight vigil of Memorare prayers to protect the souls of those people who could be harmed in some coming disasters. I have warned you before of some impending earthquakes, which is why you are checking for them daily. You also have been warned of some possible protests and large marches before your President-elect's Inauguration. Then you will be attending a Right to Life March in front of your Supreme Court. I have asked for your prayers to help prevent any martial law, and prevent any possible harm to your President-elect. My angels will be guarding him. Eventually, you will be seeing a Division in My Church when the schismatic church will cause the changes that will split My Church. Follow My faithful remnant church and avoid the New Age teachings of the schismatic church. Trust in My protection during the coming trials."

Sunday, January 15, 2017:
Jesus said: "My people, from the beginning of My life on earth as a God-man, My whole purpose was to bring salvation to all of mankind. I am the true 'Lamb of God', and I offered My life, once and for all, as the supreme sacrifice of My earthly life for the forgiveness of your sins. Even before Holy Communion, you recite the 'Lamb of God' prayer three times. In My sacrifice I have taken on all of your sins, so you could all have an opportunity to be saved by giving your free will 'yes' to My love. My death on the cross is an expression of how much I love each soul who I created. It is My intention to save everyone, but I do not violate your free will choice. It is My hope that all souls will love Me in return and accept their own crosses to follow My Will. I know the devil has controlled the minds of some souls, and some souls are being lost in hell by their own free will choice. Those souls, who do repent and love Me, will have their eternal

reward with Me in heaven. At every Mass you have the ‘sacrifice of the Mass’ when My Body and Blood are offered up for you in the changing of the bread and wine into My Body and My Blood. It is by My Blood that your souls are washed clean, and I am your ransom to atone for the reparation of your sins. Give praise and thanks to Me for saving your souls through My sacrifice as the ‘Lamb’ offered up to My heavenly Father.”

Monday, January 16, 2017:

Jesus said: “My people, you wonder why you have so much evil and frequent disasters in your country, when all you have to do is look around at how your people are living. When a country loses its moral compass, and only listens to the devil’s call for material things and pleasures, then you know why your country is failing. You need to have loving parents and children living according to My Commandments of love. This means you need to live in marriage of a man and a woman. When you live in fornication without marriage, there is little love and little commitment. When you live in sin, you will reap the wages of sin and punishment in your life. I did not call people to live in sinful homosexual relationships either. Transgender people are also living unnatural lives. It is possible to live in a normal marriage, and you need to encourage your children to live properly. Because your society does not shun sinful living together, you are only encouraging sin with the devil’s ‘political correctness’. It is time that your people should follow My ways instead of the devil’s ways, if they expect to be able to come to heaven. You also need to have your children instead of aborting them. Your people and your country will face My justice because of your abortions and sexual sins that defy My laws and offend Me greatly. Pray for a spiritual renewal of America, or you will call down My judgment as I punished Sodom and Gomorrah.”

Tuesday, January 17, 2017: (St. Anthony of the Desert)

Jesus said: “My people, I love you all so much, and I have given you My

Commandments of love to live as your daily guide. You also have some Church laws and traditions to follow as well. There are times when your survival is more important than some traditions. At the time in the reading, My disciples needed something to eat because they were hungry. On Sunday it is part of My law not to do servile work, but if your livelihood requires you to work, then it could be tolerated. It would be better to have a different job, and do your work on another day, but the necessity of survival may be needed. You are trying to avoid offending Me in My laws, and you do this out of love for Me. There are Commandments associated with mortal sin, and you should abide by them. If you are truly sick on Sunday and cannot come out for Mass, it is understood. But do not make excuses when it is something like sports events that are not absolutely necessary to attend. This is not an acceptable excuse, and you could change the games, or do not play at all. You do make choices in your life, but try to follow My laws of love to have a proper Christian life."
Jesus said: "My son, this was an exorcist priest that you remembered, who had a large painting of St. Anthony of the Desert that was oiling. You saw several movies of how this priest exorcized demons out of people. These hermit priests live on very little food, and they pray a lot in quiet surrounds. They are even attacked by demons, because the demons do not want the priest to save souls. St. Anthony was the Father of monastic life even before monasteries were formed. His way of contemplative prayer attracted many other monks who later came to monasteries. The monks way of silence in their cells started with St. Anthony's example. Many contemplative orders adopted the teachings of St. Anthony. I need many prayer warriors to counter the evil that Satan is carrying on throughout the earth. Pray much for all the sinners who need conversions."

Wednesday, January 18, 2017:
Jesus said: "My son, you have helped your family and friends in their needs without hesitation. You have been given many gifts so you could help people, but you feel in your heart how you want to share what you have. You also are being called to share My messages and your faith with people who you do not know, and some friends who you have made in many places. Every time you share your time and finances with people, you are storing up treasure in heaven. I am also calling on all of My faithful to do what you are doing in sharing time,

faith, and donations. There is a further need for prayers for converting sinners to the faith, and for prayers to release the souls from purgatory. This is more time that I am asking, so your prayers can be used to help people in their souls. People need physical help to survive with money for food and a place to stay, but your souls last forever, and this life is temporary. The more souls you can help save is the best gift that you could give anyone. This is why prayers and Masses for the dead are greatly needed. Remember to pray and give Masses for all the people who you attend at their funerals. The souls in purgatory are quickly forgotten because you do not see them anymore. This is why they want you to have their pictures in open places, so you can see them, and remember to pray for their souls. Continue to spend as much time as you can praying for the conversion of sinners, and for the poor suffering souls in purgatory, so they can be released one day."

Jesus said: "My people, you have been waiting for this inauguration for many weeks since the election. You have never seen such a display by the losing party as you have in this election. A fair number of Congress people have said that they will not attend the inauguration. It is very hard to have a united country when one side does not even accept that your President-elect was properly elected. You are coming to a point to see what protest will be carried out. Your police and National Guard are ready to protect this event from any violence. Continue to pray for your President-elect to be sworn into office without any trouble. Pray for his safety and the safety of all of your Congress people present. You will see all the plans that will be implemented by your new President. Pray that he will succeed in turning your country around to its original roots."

Thursday, January 19, 2017:

Jesus said: "My people of America, you recently were all together celebrating the New Year, which was only a calendar event. Now, when you have a change of Presidents, your opposition leaders are doing everything possible to disrupt the inauguration of your new President. You have never seen such foolish behavior, so how can your country come together if one side is so partisan in opposition to everything? You have a duly elected President, and your people should at least respect this office of your country's leader. I have enabled this man to win, despite all of your corrupt election machines, and the hate media.

You need to see what he can do, before making any judgments. You have a socialist government that needs to be changed back to a republic, with atheism put aside, because your original documents have My Name leading you. Do not let the devil's ways lead you, as in other atheist, communist countries, but let Me and My angels guide you in faith and freedom. It is the one world Godless people who are trying to control you, but I have intervened to fight for your people's true freedom from their evil control. Be grateful for this breath of fresh air in your government, and pray for your leaders to let Me be a part of your lives."

Prayer Group:

Jesus said: "My people, I have told you in past messages that I want you to get rid of your TVs, computers, and internet devices after the Warning. I also told you to work hard during the six weeks after the Warning for conversions with your family and friends. Since you will need a means of communication during this six weeks, you can keep all of your devices until after this conversion time is over. You will see My protection against the evil ones up until the end of the six weeks after the Warning. Once the six weeks are over, then you will need to get rid of your cell phones, TVs, and computers so you do not look at the Antichrist's eyes on your screens, because he could hypnotize you into worshiping him."

Jesus said: "My people, keep praying for the safety of your President-elect and all of your Congress people. Certain parties are intent on disrupting the inauguration, and this is why you will need good security measures. All of the attempts to stop this event have failed, and I will have My angels protecting your leaders. Those people, who are causing problems, are trying to stir up the people against your new President. You need to have a peaceful transition of power if your country is able to be united again."

Jesus said: "My people, the opposition party cannot stop these confirmations unless the party in power loses some of its members against the nominees. The only resistance is to slow down this process, so your new President would have to wait for some of his plans to be put into place. Keep praying for your leaders to govern the best possible for your people."

Jesus said: "My people, your new President has a monumental struggle to battle the new world order people to implement his plans. He is putting capable people around him in his Cabinet to fulfill his plans. His inaugural address should give a few specifics about the changes that he is about to make. There are many issues, and the Budget and Health Care are the most difficult. Again, pray for your

President and his party to guide your country down the best path for your people."
Jesus said: "My people, you have some improvements to make in your Defense Department, and a need to set a tone for your foreign policy. America has helped to protect many countries, especially Israel where your previous Administration was failing. Your new President has a different world view, and it will take time to implement. Again, pray for peace in the world where there are many foreign pressures on your trade balance."
Jesus said: "My people, I have allowed your President to win so you could have a small reprieve from a one world people takeover. He will have a short time to right some of the wrongs that were done by your previous Administration. You know that eventually the evil forces will bring the Antichrist into power. The one world people need to make new plans for their takeover, and you will have a short delay, but you will have a tribulation one day when you will have to come to My refuges for your protection."
Jesus said: "My people, you know that the evil ones will have a brief reign, but do not lose hope, because I am more powerful than all the evil people and demons. My faithful are preparing My refuges for your protection during the tribulation. I will only allow the evil ones to test you so far. In the tribulation My angels will be protecting you at My refuges with miraculous powers, and they will multiply your food, water, and fuels. When I bring My victory, all of these evil ones will be cast into hell. Then I will renew face of the earth, and I will bring My faithful into My Era of Peace as their reward. Have patience for a time, because you know that I will win out for My faithful at the end of this battle."

Friday, January 20, 2017: (Inauguration Day)
Jesus said: "My people, your country has been restricted in so many ways by your previous Administration. So now you will see a new way of governing. It still is possible that the one world people in your Congress could slow down, or restrict your new President's plans. You will need to pray for your new leaders to restore some of your religious freedoms that the atheists have stifled. You will also have to pray for a good new Supreme Court Justice who will abide by the Constitution. There is an optimistic spirit that your economy will improve, and that all levels of the people will benefit, especially the middle class. You will see

your new President's inaugural address, and how he plans to govern. Again, I am blessing him with graces to help him fulfill his promises to the American people."
Jesus said: "My people, you are blessed that there was no martial law to prevent your new President from taking his oath of office. Your President has a very ambitious agenda, and he is calling on My help to bring the government back to the people. You heard him calling My Name, and your ministers and priest had some good Bible quotations to call down My help on your country. I told you My angels are protecting your President. Pray that your Congress people can work with your new President to improve your Defense, your infrastructure, your trade agreements, and your jobs, as he has promised. He is trying to help the middle class, and take care of your veterans. Keep praying for his success in making America great again."

Saturday, January 21, 2017: (St. Agnes)
Jesus said: "My son, in the first reading it talks about a tabernacle and the Holy of Holies. At this time you cannot keep My consecrated Hosts in your tabernacle, but during the tribulation, I will be there. It will be a blessing to have a priest at your refuge so he could offer daily Mass. Even those refuges, who do not have a priest, will have My angels bring daily Holy Communion to them. You will also have perpetual Adoration at every refuge, and you will assign two people to cover all the hours, as each of you will take turns. You will display My Host in your monstrance. In this way I will always be with you to support you physically and spiritually. If you have a priest, you could also have all the sacraments as well. Give praise and thanks to Me for protecting you from the evil ones."
(4:00 p.m Mass) Jesus said: "My people, truly I was calling My disciples from all walks of life to follow Me. I told them: 'Repent, for the Kingdom of God is at hand.' St. John the Baptist called the people to repent as well. I needed to have My followers to go out and preach My 'Good News'. But I taught them for three years all the lessons that they needed to write down, and share with the people by word of mouth. In the Gospel I chose fishermen in St. Peter, St. Andrew, St. James, and St. John. They all left their boats and immediately began to follow Me. I told them that they would be fishers of men for My sake. I also gave My

apostles hope and faith in Me when I performed many miracles. I would share My healing gifts with them, once I left them on their own with the Holy Spirit. Even today, I call on all of My faithful to go out and evangelize souls to the faith. Saving souls from hell should be your best vocation. I want people to love Me by their own free will. The people need to be pointed toward Me by My faithful so the people can be taught the faith. True faith is a gift that I give to you in your heart. So give thanks for your gift of faith, and share your faith with those people around you."
Jesus said: "My people, you remember when I told you that new wine has to be placed into new wineskins to preserve the wine and the skins. I have come into the world so I could offer My life as a sacrifice to My heavenly Father for the salvation of all souls who want to accept Me and repent of their sins. I told you also that I allowed your President to win so you could have a new opportunity for a spiritual renewal in America. You were in the shackles of a socialist model for total control of your government. Now, you will be able to return to your original roots of a republic form of government. You would much rather live in freedom from the likes of communism as in Russia and China. Give praise and thanks to Me for intervening for the benefit of your people."

Jesus said: "My people, you have been asked to give donations to the poor before, but this Unbound group keeps you in touch with a special person so you can see where your donation is going. Those people, who have surplus money, can share your donations with the poor. Remember that I told you, for all the charity that you share, this will store up treasure in heaven. You can offer your prayers up for the poor as well. I have given all of you enough gifts to get by, so now you can help other people in need. These people, may not be able to give you gifts in return, but you will enjoy reading their letter of gratitude."

Monday, January 23, 2017: (Right to Life protest for the unborn)
Jesus said: "My people, you see in the Gospel about the mention of Beelzebub,

the ‘Lord of the Flies’, that attacked your refuge chapel. When you are fighting the devil and the evil ones, you know you can count on Me to help you, because I have power over the demons. When you are fighting to save the lives of the unborn, you are battling devils and evil people who support abortion. All of those women, who abort their children, will suffer at their judgment. I will forgive sin, but there is still reparation for this sin that has to be paid for. Also, those people, who support abortion, are liable for punishment. All of My faithful, who struggle to save the lives of the unborn, will receive their reward in heaven. I will send My angels to guard and guide you on your trip to the March for Life on January 27. Do not worry about parking because I will assist you in your need. Everything that you do in prayers and good deeds for the unborn, is well appreciated in your efforts to save lives. You remember well how My Blessed Mother said: ‘The greatest sin of omission is for those people who do not pray or protest abortions.’ The lives of My little ones are too precious to kill for any reason. Pray for these mothers to have their children. The unborn babies are gifts of life that the devil is trying to take away. Pray for the stoppage of abortion because your prayers will be answered one day.”

Jesus said: “My people, I want to continue My message to America about stopping the killing of My babies by your abortions. How can you not see that My babies are little miracles, and the parents have the right to join with Me in creating new life? You all need to understand how precious life is whether in the womb or near death. I am so appalled by your disregard for life in allowing your babies to be aborted. This is not an old issue, but it is an important issue at all times. Your mothers need to love their children, and not kill them. This killing of the unborn babies is a mortal sin, and it greatly offends Me that abortion is about rights. The baby is different from the mother, and it is not a choice to kill the baby or not. The baby should not be killed at all. I sometimes have to shield My eyes from watching your abortions. But the guardian angels of these little martyrs are coming to Me to tell Me of the death of My little ones. Your abortions alone are calling down My wrath on your country. When I bring My Warning as My intervention, every mother of an aborted baby will know exactly the kind of life their child was meant to live. There will be great lamentation when they view the killing of their baby in their life review. I will forgive this sin if the parties repent and seek My forgiveness. Try to counsel these women not to have an abortion, but bring their baby to the term of birth. I love all of you, and I want you to love all of My creations of life.”

Tuesday, January 24, 2017: (St. Francis de Sales)
Jesus said: “My people, I am showing you this basement room full of multiplied food, so you have true hope and confidence that I will provide the food for all the people who will come to your refuges. In the Bible it says not to fear or worry about what you are to eat, what you will wear, or where you will stay. I know your needs and the restraints of staying within the borders of your refuge. So I will have to multiply your food, water, fuels, and even your buildings for your people to survive your short stay during the tribulation. Trust in My angel protection from the evil ones, because the evil ones will not see you. I will be present with you in daily Holy Communion, and in your perpetual Adoration. You will be praying more, and helping each other in eating, sleeping, and washing your clothes. Once you bear this tribulation time, then you will have your reward in My Era of Peace, and later in heaven.”
Jesus said: “My people, your President will meet a lot of opposition from different factions and the one world people in trying to get his plans through. Even though his plans are good for your people, there are still people in Washington, D.C. who do not like his changes. There will be a struggle for who is in control of your government. I will be helping him to lead your people down the right path. If the one world people continue to hire thugs to block his way, you could see more violent protests. As you go down to support the unborn babies in your protest of abortions in Washington, D.C., I will have My angels protect you from any violent protesters who could try to disturb your rally. Keep praying for the stoppage of abortion in your country, because this sin is bringing destruction upon your country in My punishments. Pray for a peaceful march, and that your press reports the real story, and not more fake news.”

February 8, 2017
Wednesday, January 25, 2017: (Conversion of St. Paul)

Jesus said: “My people, today’s feast of the Conversion of St. Paul, was a miraculous one. St. Paul was having Christians persecuted, when My Light knocked him off of his horse and blinded him. I had one of My faithful heal him, and he later became one of My greatest missionaries. I have asked you to pray for the conversion of sinners many times as one of your daily prayer intentions. You may even require My Warning to convert some of your family members. With your persistent prayers you could even help save your family members from hell. Keep praying for the conversion of poor sinners, and to save your family members from hell.”
(Pillar’s Mass, Alma’s mother) Jesus said: “My people, it is always hard to lose a mother, because you remember how she took care of you in your youth. Pillar had a long life, and she was a good woman. It is hard to keep in touch with parents who live a long distance away. The children should help their parents in their old age when possible. You could have Mass and prayers said for Pillar’s soul as you did today. She is still in purgatory and only needs some prayers and a few Masses to gain heaven. It was good that the family attended her funeral, even if it took some time and money. You all had closure as a family. Give Me thanks for the gift of her life. She loves all of you, and she will be praying for you.”
Jesus said: “My people, you are quickly seeing why I allowed the miracle of your President to win his election. Your people have had to endure some abuses under your previous President. Now, your new President is reversing many policies that were bad for your people. As time moves on, you will see his intentions are focused truly on helping American workers, and making a more level playing field in your trade deals. Most of your deficit of payments going out of your country has been because of no control over taxes, cheap labor, or currency manipulations. You finally have a President on the side of the workers in trying to keep good paying jobs in America. Many of the things that your President is doing, are common sense things for the benefit of America, and not foreign interests or corporate interests. If he is able to exercise his plans, you will be more thankful that he was elected. I continue to bless him and your country for not exporting your abortion funding overseas. You are seeing a breath of fresh air of truth in your government, so keep praying for the protection and success of your new President.”

Camille said: “Hello, John, Lydia and I are so grateful to Carol and you for all of your prayers and Masses that helped allow us into heaven. We are still watching over our family, and they will need your prayers and Masses also to help save them from hell. When a soul does not have a strong faith, that soul will need someone praying on their behalf to be saved. Our family should thank you, Carol, and us for praying for their souls to be saved. I told you before that all of heaven is preparing for the coming battle between the devils and the angels during the tribulation. Our Lord has truly given you a reprieve by allowing his angels to help Trump win. The one world people are changing their plans, and you will see a lot of resistance to your President in Congress. You are seeing how the Congress people are threatening your new President to follow their plans or else. Do not be surprised if you see the one world people try to impeach or try to kill your President, because they want control of your government.”

Jesus said: “My people, it warms My heart to see so many people who are protesting your Supreme Court decision that has allowed abortion. Abortion is murder, and your people are greatly offending Me when they kill My little babies. Your President will not support International Planned Parenthood in other countries. Even your President and Congress want to stop funding Planned Parenthood, so taxpayers do not have to pay for abortions. This effort by your leaders to try and stop abortions is to be commended, because My wrath will be held back because of your efforts. You are still killing My babies, and your mothers and your abortion mentality are still defying My Commandments. Keep praying to stop abortion, and continue your protests as your March for Life today.”

Saturday, January 28, 2017: (St. Thomas Aquinas)

Jesus said: “My people, there were times when I tested the faith of My apostles with scenes such as a storm that was swamping the boat. The apostles were fearing for their lives as the storm was quite violent. When I stood up in the boat and I said: ‘Peace, be still’, the storm stopped, and there was a great calm. This miracle amazed My apostles, and they said: ‘Even the wind and the sea obey Him.’ This was just one of many miracles that I performed to show My apostles that I truly am a God-man. I showed them that through My power, all things were possible for Me. These miracles in the Gospels are also to help all of your lives of faith to know that I can do the impossible for you in your prayers. So do not ever lose hope or faith in Me, despite all the trials and disappointments that you may encounter in life. I am always beside you to guard you from harm, and provide for your needs. Call on Me in prayer, and I will send My angels to comfort and guide you through any storms in life that may occur. When you have true faith in Me, you will no longer have worries, anxieties, or fears, because these things are only from the devil as temptations. I love all of you, and you can have confidence in My help every day.”
Jesus said: “My people, it will not be easy living in a confined space of a refuge with many people happy to be alive and cared for at a refuge. Every refuge will have perpetual Adoration where you can have a quiet place to pray to Me. It is not easy to live with a lot of people in one dwelling. This time at the refuge will be less than 3½ years, but My angels will protect you and provide for your daily needs. Just as I protected My apostles for three years, so I will be shielding you from the evil ones for a shortened time with a shield of invisibility. It is hard to imagine how I will multiply your food, water, and fuels. You read how I calmed the storm, so I will be doing the impossible for those people who believe that I can multiply the food. This is why the unbelievers will not be allowed into My refuges. You will be thankful to have a place of refuge when the evil ones will be killing Christians. You will also have to calm down the people when they first come to your refuge, because they will be scared by the evil ones. There will be some people who will be martyred, but do not be afraid because I will lessen their pain. I love all of My children, and I will help you get by this tribulation so you can be rewarded in My Era of Peace.”

Jesus said: “My people, today’s Gospel speaks about the beatitudes, and I want to talk about people with too much pride. You know how I can humble the proud, and I want My people to be more humble without bragging. Even if you have had some good accomplishments from your hard work, you need to give credit to Me for helping you to do so well. I have given you the talents for your work, and I have enabled you to have the money to buy things. Do not accumulate money just to be rich for yourself, but share what you have, because you cannot take it with you at death. I love all of you, and you could imitate My humility because I could do even the impossible by human standards. Focus your life on working to be worthy of coming to heaven by obeying My laws. I died on the cross to enable sinners to come to heaven. So give praise and thanks to Me for giving you faith, so you can come into heaven. Repent of your sins and seek My forgiveness in Confession, and you will have your reward in heaven.”

Monday, January 30, 2017:
Jesus said: “My people, in the Gospel you are familiar with the demon possessed man, when I cast out the legion of demons into the swine that ran over the cliff and drowned. This was a great miracle, but the people, who lost the swine, wanted Me to leave their district. The man, who was healed, went back to his town and proclaimed his healing to all the amazed people. I mentioned before that some possessed people may require prayer and fasting to cast out demons in My Name. There are still possessed or obsessed people in your time, and some of these demons are connected to your addictions. Do not let things control you, so you are free of these demons. Focus your lives on carrying out My mission for you, and you will be protected from any demons. When you pray and attend Mass, you will have spiritual strength from My sacraments against the demons. The demons and hell do exist, so be on guard against their temptations. Trust in My help to defend your souls from any demons.”
Jesus said: “My people, you can read about some of the latest technical weapons that are being used for a possible sea war between the US and China in the South China Sea. Both Russia and China are developing new weapons to try and overcome the US Navy. This is why your own defense requires new weapons as well to balance your opposition. Various countries are preparing for war, and it is just a matter of time until some country could challenge your forces. There are

crucial shipping lanes that are needed by various countries for goods and fuels. When these ships are challenged, they will need the protection of your Navy. You could see some kind of war start that could challenge your food and fuel deliveries. This is another reason to have extra food in your house, and extra food in My refuges. Pray for peace, but you could see a large war at any time."

Tuesday, January 31, 2017: (St. John Bosco)
Jesus said: "My people, this long Gospel was about two people who had faith that I could heal them. The synagogue official first asked Me to heal his daughter, who was near death. While we were on the way to his house, a woman with hemorrhages for twelve years was healed when she touched My cloak. She had faith that if she touched Me, she would be healed. She was rewarded for her faith when her blood flow stopped, after she touched Me. Because of her faith, I healed her spiritually as well. When the twelve year old daughter died, I put the people out, and I raised the girl back to life. The people were amazed, but this again was a reward for the faith of that synagogue official. I only healed those people who had faith in My healing power. This healing of people from the dead is still going on even in your world of today. If the person with healing gifts has faith enough, I can even bring people back to life. The person, who wants to be healed, must also have faith that I can heal them. Give praise and thanks to Me whenever someone is healed by a miracle of grace in My Name. Trust in Me, and you can see more healings both of soul and body."
Jesus said: "My people, you are seeing the liberal forces who are advocating abortion, euthanasia, and gay-marriage as rights which are totally against My Fifth and Sixth Commandments. When Catholics stand up against abortion, against euthanasia, and against gay marriage, they are criticized for violating people's rights. But you are really asking people to obey My laws. Abortion, mercy killing, and homosexual acts are all mortal sins, whether people like it or not. People who violate My laws will have to answer to Me at their judgment. When more of your people accept or tolerate these sins, you are calling down My judgment on America. These visions of a catastrophic earthquake, and a following huge tsunami wave are the kind of punishments that are coming to your sinful nation. Many people will be killed by these coming disasters, and you are praying for the souls who will die suddenly without preparation for their

judgment. Your society is getting more evil every year, and My wrath is about to come down upon America. Repent and seek My forgiveness of your sins while you still have time. You will be seeing major disasters that will lead up to the tribulation. Call on My help to get to My refuges when your lives are threatened. My angels will protect you and provide for your needs at My refuges. Obeying My Commandments is the best path to heaven that I could give you. Do not worry if you are criticized for obeying My laws, for you will have My reward."
For Jennifer's lost baby: Jesus said: "My people, losing a child in the womb can be a traumatic experience for a mother. You all are trying to comfort Jennifer with your kind words, and your prayers. This will be a painful time to remove the dead baby from the womb. After a sufficient mourning time, she could try again for another child, or possibly seek an adoption, if that is acceptable. Many people desire to have their own children, but it will require many prayers when a woman is later in life. Trust in your prayers to Me for a healthy child, and I could answer your request."

February 8, 2017
Wednesday, February 1, 2017:
Jesus said: "My people, the Gospel again speaks about faith in My healing power. The people of Nazareth knew Me as a carpenter in the family of Joseph and Mary, but they did not know My true origin as a God-man through the power of the Holy Spirit. Because their eyes were blinded to My healing power, I could only heal foreigners in My hometown. You are seeing a current battle between people who want to follow My laws, and the people who want to follow only man's laws of a 'politically correct' mentality. Just because you have laws of court decisions that defy My laws, this does not make them right. In conscience you do not have to follow immoral laws, and you are in your religious rights able to defy them. I want My people to be 'spiritually correct' in following My laws, and oppose the evil 'politically correct' thinking. This is why you are seeing such a battle of good against evil. You have at least five sins that are being considered 'legal' in your society, but I consider them 'illegal' to My laws. Abortion is the killing of a human life, right from conception where the new baby is always human. This is a mortal sin against My Fifth Commandment. Your Supreme Court decision did not change the fact that abortion is a mortal sin against Me. You have people living together in

fornication, and these acts are always mortal sins outside of marriage. This is against My Sixth Commandment, and this activity should be discouraged. You have people in same sex marriages where homosexual acts are also mortal sins, and this activity should also be discouraged. Marriage should only be reserved for a man and a woman, and not an unnatural marriage of same sexes. Again the Supreme Court does not change same sex marriage from being sinful. You also have transgender people who again are defiling their bodies from how they were made. You have people promoting euthanasia or mercy killing, but this is also sinful, no matter what your laws are. I do not want you to judge people, but you can advise your brother or sister to avoid sin against Me. If you desire to come to heaven, you need to avoid these sins, and repent of them in Confession. Those people, who defy My laws, are on the path to hell, but those people, who love Me and follow My laws, will be rewarded in heaven."
Jesus said: "My people, your President is trying to establish order and a proper government, but the opposition party is trying to hold back any nomination votes for his cabinet choices. Many of the things that your previous President did secretly, are the same things that your President is doing more openly. The street protests and even unruly mobs are the same people who harassed your President's primary and Presidential rallies. They are organized and paid to protest by the one world people, who are angry at your President for destroying their takeover plans. You can expect these protests to continue until these people are investigated, and the mob leaders jailed for their destruction. You have seen the ads in the newspapers to pay for protesters to keep marching. You have free speech, but not any authority to destroy property. You will see some groups trying to upset your government with a plan to impeach your President, and cause a martial law. It will take your police and National Guard to put down the unruly mobs who only want to cause trouble. Your people will soon realize such a perpetual protest is not normal, but organized by the enemies of your people. Pray for a restoration of calm, and pray for your leaders to do the right thing."

Thursday, February 2, 2017:(Presentation in Temple,Blessing Candles)
Jesus said: "My people, I was brought to the Temple to do the Jewish circumcision, and Simeon, and Anna blessed Me. I was not only presented, but this was also a purification rite. After I died on the cross, I paid the price for the

original sin of Adam. Now, people can be baptized into the faith either as an adult, or as an infant. This is your new purification rite in Baptism without any sacrifice of animals or pigeons. My sacrifice on the cross was My shedding of Blood that washed away your sins at your Baptism and in Confession. If I have cleansed your sins, then you are truly set free of the bonds of your sins. I have encouraged you to come to frequent Confession, at least once a month, so you can have a pure soul and be ready for your judgment any day. Once you are baptized, you are joined with Me in faith as your god-parents spoke up for you. As you mature, you can make your own act of faith in acknowledging your love for Me every day in your prayers. When you join the Catholic faith, you are expected to follow My Commandments and My Church laws. My laws are your spiritual guides through life to help protect you from the devil's temptations. This is also a feast for blessing your candles for your Masses and any candles you burn in your house. Rejoice that I have given you My sacraments for purifying the sins from your souls. Take advantage of My graces that await you in Confession to the priest, so you can be pure in your soul."

Prayer Group:

Jesus said: "My son, I had asked you previously to make an effort to come to the March for Life in Washington, D.C. You were able to come with your friends, and you took pictures of your group and video taped the Mass at the Immaculate Conception Basilica. You saw record numbers of people processing peacefully to the steps of the Supreme Court. It was your Court's Roe vs. Wade decision that brought abortion to your nation as legal. This was an evil decision, because your many abortions are bringing My punishment upon you. Pray for the stoppage of abortion, and continue to struggle to protect the unborn."

Jesus said: "My son, I gave you a miraculous light on your chapel wall a year ago as a sign of the miracles that I would perform at your refuge. The light then, was like a veil or a curtain, and it moved around. Today, you had a smaller light dance around as before. You were able to capture this light on your camcorder for people to see. This truly is another sign to you that times will be getting difficult, and you will be needing the safety of your refuges in the not too distant future. Pray for your people, and be ready to leave for My refuges when your lives are threatened."

Jesus said: "My people, you have seen many protests against your new President in many ways. Part of this protest has been to slow down the approval of your President's Cabinet choices. Some of these actions include walkouts by the opposition Senators. You have also seen some violent protests in the streets

which have become unlawful in damaging property. Your authorities need to quickly stop these outbursts, or you could see more trouble. These protests are over and above any previous transition, and they appear to be instigated by people who have no regard for other people's property. Pray for calm to be restored to your country which is becoming more divided."

Jesus said: "My people, it appears that Iran is testing your new President to see how he will respond. Sanctions are being mentioned, as well as America is putting Iran on notice for possible action beyond the sanctions. It is dangerous to give money to a country that exports terrorists. Pray again for peace among these Middle East countries, especially Iran."

Jesus said: "My people, you are living in a dangerous world where China is making a power grab for the control of the South China Sea. Russia is stirring to take more land in the Ukraine, and reacting to your forces on its border. North Korea is threatening to use ballistic missiles to put America in the dark with an EMP (electromagnetic pulse) attack. Your new President will need to make some crucial decisions, and he plans to build up your defenses. This buildup will take time, money, and more manpower than you have now. Your President wants peace from a point of strength, and it will be decided in your Congress."

Jesus said: "My people, your President campaigned on making this appointment to the Supreme Court, and your Senate is very divided on this issue of a new choice for this Court. Your Senate leader is hoping for a possible vote without having to reach for a change in the rules and from previous precedents. The opposition party is mad because the Senate did not consider your previous President's candidate. This battle could last several months, but it is difficult for the Supreme Court to vote when they are evenly split. Pray for a resolution to this problem without any more protests."

Jesus said: "My people, I allowed your new President to win, so you would have an opportunity for a spiritual renewal. Instead of accepting this transition, you are seeing evil elements of the one world people doing everything they can to stop your new President from carrying out his plans. If your violence continues to get worse, you could see a possible martial law, and a possible attempt to assassinate your President. Just as this picture on your altar shows, I am sending My angels to protect him from harm, and to keep these evil ones from causing any move severe trouble. Pray for your President and your leaders to do the right thing for your people."

Friday, February 3, 2017: (St. Blaise)
Jesus said: “My people, today you celebrate the feast of St. Blaise who was martyred for his faith in Me. This church of St. Blaise in Debrovnik that you visited, had been bombed during the war, and the people were happy to see tourists return to see their city. You saw ethnic cleansing of various peoples in the war in the former Yugoslavia. It was a dictator who was bombing and killing people in this land. In some of these European countries there has been many wars to control different lands by ethnic peoples. These hostilities run deep in their history, and it is hard to have peace when each claims the land. Even in America you are seeing hard feelings between your two major parties. If the violence and protests continue, it will be hard to unite your people against any outside threats to your country. You have an ongoing battle between your new President and the one world people. Keep praying for peace among your own people.”
Jesus said: “My people, you all are sinners and weak to sin, so I have provided My sacrament of Reconciliation, so you can cleanse your soul and start over. You should be thankful that I took all the sins of mankind on My cross, and My death and My Blood have washed away all of your sins. When the priest gives you absolution, you are forgiven your sins, and you have My sanctifying grace in your soul. By following My Commandments and performing your good deeds, you are on the right path to heaven. This life is passing away, so do not be so concerned about the things of this world that will be passing away as well. It is your eternal destination that should be your main concern, because heaven should be your desire to be with Me for all eternity. Heaven is all about love and peace, without any more trials. You are tested on earth every day by the demons, but with My protection, you have nothing to fear. Keep close to Me in Mass and daily prayer, and this will show Me how much you love Me. I love all of you, and I desire that all of you could seek My love in heaven.”

Saturday, February 4, 2017:
Jesus said: “My people, this vision of an amphitheater in Athens, Greece was where St. Paul preached about Me as the Unknown God. They listened at first, but when St. Paul tried to teach them about My Resurrection from the dead, they did not believe, and told him to talk about it at another time. It is not easy for man to understand that I am a God-man, and that I raised Myself from the dead, because death had no power over Me. In the Gospel I took pity on the crowd because they were in a deserted place, and they looked like sheep without a shepherd. This Gospel in Mark 6:30 is right before I multiplied the five loaves of bread, and the two fish for five thousand men. They collected twelve baskets of fragments from what was left over. This was another sign of My Eucharist that I feed My faithful every time when you come to Mass. Rejoice in this gift of Myself that I share with you at every Mass.”
Jesus said: “My people, I am showing you this evil eye that is projecting a bright light of movies onto a big screen. There is also an evil brainwashing going on in your programs on television. You are seeing how some of your Hollywood actors are speaking out against your President, and some are so bold that they want to overthrow your government. It may be better not to watch TV, and avoid supporting these bad actors and their ‘R’ movies. Your people listen to your news commentators, and they trust their words, but some of them are lying with fake news. It is difficult to discern which people are telling the truth. It is better to trust in My Word of the Bible as truth, and I will set you free from the bonds of your sins. My words last forever because they are Divine, but your words in the newspaper are thrown out in the trash tomorrow. It is better to believe in My ‘Good News’ than the devil’s ‘fake news’ that lead people into sin.”

Sunday, February 5, 2017:
Jesus said: “My people of faith, you truly are the salt of the earth, and the Light of faith in the evil dark world of sin. You are seeing so many protests of your new President. So if some people can voice their opinion, then you need to speak out on My issues of stopping abortion, euthanasia, and same sex marriage. Your people are listening to the constant barrage of the devil’s temptations by some broadcasters on your television. You need to speak out on My truths in the Bible against your society’s evil ways that violate My Commandments. You have

noticed that your media only wants to hear their own voice, and they fight to silence My voice or Christian morals. Pray for your country's spiritual renewal while you still have time."
Jesus said: "My people, I am showing you this clock ticking, because it is a sign that the time of the evil one is running out. You can see when someone like your new President tries to change your evil ways, some people are causing a major resistance. I told you that you would have a reprieve from your trials by My miracle of allowing your current President to be elected. I also mentioned that this would be a short reprieve, because the one world people will be fighting back. These people still have a plan for a takeover of America, and they are trying to cause a revolution by protesting everything that your President is trying to change. If these protests continue, you could be moving into a police state, as your form of government may be breaking down. Some of these property damaging thugs could really be tried for treason in trying to overthrow your government.
Your refuges will still be needed, because your takeover time has only been slowed down. I will bring My Warning soon when your lives will be in danger. Pray that the souls of your families will be converted in My Warning."

Monday, February 6, 2017: (St. Paul Miki and his companions)
Jesus said: "My people, you have heard the account of the creation of the earth according to the writings of Genesis that were written with the help of the Holy Spirit. The Bible is My Word, and I can only speak the truth. This account has more truth than your skeptical scientists, who manufacture many theories that have no proof whatsoever. The people, who doubt My account, are mostly atheists who do not believe in My existence. They truly have no proof of their made-up theories. When you all come to your judgment, you will see the real truth, and you will wonder why you even doubted My Word at all. I am in control of the universe, the wind, and the storms, as you saw Me calm the seas. In the Gospel you saw how I healed the sick when they touched My tassel. With all of the miracles that I performed, you could see My power over everything, and nothing is impossible for Me. This is why My faithful trust in Me by faith, because they have read the accounts of My miracles. You also know that I came to the earth as a God-man, so I could sacrifice My life for all of your souls, and

forgive your sins. My sacrifice is a ransom offered so you can repent of your sins, and accept Me as your Master. Rejoice in all of My creation of My people, and the things on earth, and around the earth. Give praise and thanks to Me for all that I have done for you, and show Me your thanks by loving Me and obeying My laws."

Jesus said: "My son, I have to ask all of My refuge builders if they are ready to take care of My faithful at their refuges? Right now you have been spoiled by having electricity and a working gas heater, a gas water heater, and working sump pumps. If you are in the cold winter and your electricity stopped, what would you do? You have just tested your fireplace, and your sticks worked well to get your logs burning. You had a nice warm heat from your fireplace. You also have tried one of your three kerosene burners, and your fuel was still giving good heat. You have some oil lamps and the oil to give a little heat, and a flame for light at night. Your wind-up flashlights could help you find your way in the dark. You have beds, cots, blankets, and pillows for sleeping. You have a Coleman stove and a grill for cooking. You also have food and water for eating and drinking. You have followed all of My projects, so you will have some electricity in the warmer season with your solar panels and batteries. Rejoice that I will have My angels protect you with an invisible shield, and they will provide you with daily Holy Communion. My angels will also multiply your food, water, and fuels. They will even build more buildings, if more people come that are beyond your plans. Trust in Me to have My refuges ready to receive My faithful. This will be how I will provide for My people during the tribulation, so have no fear."

Tuesday, February 7, 2017:

Jesus said: "My people, in the first reading of the creation of man in Genesis, you read how I made Adam and Eve in My own image with a free will. The animals were made with instincts to control their lives, but man has been given a soul and free will, so you can choose to love Me or not. I do not control your free will, because I want My human family to love Me freely. In the vision you are seeing a new baby born because I have given parents a part of My creation in being able to have children. I put the life giving spirit in the soul at conception, as I also assign a guardian angel to each soul. I have given you, through Moses,

My Ten Commandments as your guide to live by in love of Me and love of your neighbor. Just as I told Adam and Eve not to eat the fruit of the tree of the knowledge of good and evil, so all of My people are obligated to follow My Commandments. You can ask My forgiveness of your sins, but you must keep clean souls in order to be allowed into heaven. Rejoice in My creation, even as you see new life born into the world."
Jesus said: "My people, it is possible that North Korea could launch several missiles at once to try and cause an EMP attack on your country. You may have some intercept missiles, but it would be very difficult to try and knock down multiple missiles all at once. If even one missile gets through, an EMP attack could put part of your country in the dark for a long time. Your electrical grid is very vulnerable to such an attack. This could also initiate a retaliatory attack on North Korea that could kill a lot of people. I mentioned before that I would protect My refuges from any EMP attack, so your solar panels would still function to make electricity. You have fuels, heaters, and sources of light, but some electricity would help lights, refrigerators, and sump pumps. Be thankful that My angels will protect My refuges, but the people will need to leave quickly for My refuges when I warn them. With all of your enemies capable of causing wars, you could see a major war that could be triggered over oil fuels. Keep praying for peace and your protection at My refuges."n My creation, even as you see new life born into the world."

Wednesday,February 8,2017:(St.Josephine Bakhita,St.Jerome Emiliani)
Jesus said: "My people, today's first reading speaks about the Garden of Eden, where I created man from the dust, and I breathed the life spirit into the man in his soul. I also created woman from the rib of Adam as his helper. The two were instructed not to eat any fruit from the tree of the Knowledge of Good and Evil, but they were able to eat from the Tree of Life. This same spirit of the soul that I placed into Adam, is the same spirit of life that I place in every conceived baby. This is why every conception is a live human being with a soul that I love. This is also why no one should attempt to kill this baby in the womb, or you are defiling yourself with murder that comes from the heart. Abortion is killing a baby, and it is against My Fifth Commandment. Such an act is a mortal sin for the mother and for those who assist in this abortion. It is even a sin to promote

abortion, because you are promoting the killing of innocent, and defenseless babies. When you see the birth of My little ones, how could you think of even killing such a beautiful creation? You not only are killing babies, but you are defying My Will for the purpose of this child's life. In the Warning the mothers of aborted children, will see the life that their child would have lived, if they were not killed. Encourage all mothers to have their children, even if they may offer them up for adoption, when they cannot take care of them. Keep praying for the stoppage of abortion in your daily prayers."
Note: Our granddaughter had a little girl making us great grandparents again.
Jesus said: "My people, because of your abortions and your sexual sins, I am showing you some future punishments that I will send against your country. You are currently witnessing damage from a tornado, and some parts of your country are seeing floods with some deaths. Now, you are seeing organized protests against everything that your President is proposing. These protests are not just because your President won his election, but the one world people are deliberately causing treasonous acts by paying people to protest, and even cause damaging riots. Their goal is not just to protest, but they want to overthrow your government for a takeover. You have never seen so many protests after an election. The one world people were going to use the opposition (Democrat) party to form a communist government, but their plans were set back by this miracle win of your new President. He is doing everything to thwart the plans of the elite, which is why they are organizing an all out battle against your current Administration. My people may have to defend themselves from the anarchist forces marching in your streets. If these battles and riots get worse, My people will need to leave for My refuges, so you can be protected from those people who want to kill you. Trust in Me to protect you at My refuges, but you will see some major disasters as punishment for your sins."

Thursday, February 9, 2017:
Jesus said: "My people, you have been reading about the creation of the world in Genesis, and how I created man and woman. You also had a time when people became so evil, that I saved Noah and his family, along with the animals in the ark, when the flood killed the evil ones. I had to make a new creation on the earth again. In the vision you saw My Light when I came on the earth so I could

bring a new spiritual creation. I died for the sins of mankind, and I opened the gates of heaven. After another evil time of the tribulation of the Antichrist, I will bring My victory over the evil ones, and you will see another recreation when I renew the earth, and bring My faithful into My Era of Peace. Rejoice because this will be similar to the beginning before the fall of Adam and Eve in their sin against Me. After this Era, My faithful will be prepared to be saints before entering heaven. Those people, who love Me and follow My laws, will have their reward in heaven. But those people, who hate Me and do not repent, will see their just punishment forever in hell. Choose life and love to be with Me forever in heaven."

Prayer Group:

Jesus said: "My son, you are fortunate to see this little baby girl, who was born to your granddaughter yesterday. You have been taking pictures to show people My latest creation. I want you to remind the parents to have this child baptized as soon as possible, just as the first born great grandson was baptized at your old parish of Holy Name. I love the little children to come to Me, and I call on My faithful to protect the children from any abuse or abortion."

Jesus said: "My people, you are seeing the video with this new light that moved around as your first sign. This is a smaller light than the first sign, but I told you that it is another sign of how the time is getting short before you will see some serious events. Pray for My protection when you will need to come to My refuges."

Jesus said: "My people, by all comparisons of previous Presidents, the Cabinet confirmations for your President have been almost the slowest ever. In addition to this problem, you are also seeing some unusual protests of your President's travel ban. Some courts have spoken out against this ban, but this will be determined in the courts. Your President was trying to properly vet foreigners from terrorist countries. Pray for your President and your country to resolve your immigration policies."

Jesus said: "My people, you are seeing some possible threats of war from Iran, North Korea, and China. America is developing its own weapons to counter any missile attacks from these countries. Keep praying for peace and to stop any potential wars from killing people."

Jesus said: "My people, America has been buying many products from China, and there is going to be a clash between your President and China over unfair trading advantages for China. Many corporations have sent your jobs to China for cheaper wages, but soon these trade deals many have to be renegotiated for

adjusted border taxes and currency changes. This may increase the cost of your goods, but your workers may be getting some of their jobs back in deals with fair trading practices. China is challenging your country in the South China Sea. If you had a trade war with China over tariffs or taxes, both of your countries could suffer."
Jesus said: "My people, once you see the real purpose for these protests, you are learning that it is not just for political reasons, but it is the one world people's plan for a takeover of your country. These riots and destruction of property are nothing more than treason against your government. Once you realize the true plans of the one world people, then your government may have to use your National Guard to establish order with a possible martial law. These evil ones are trying to cause a civil war which could result in a takeover. Pray for peace in your country, but be ready to leave for My refuges for your protection when your lives are in danger."
Jesus said: "My people, the Bible speaks of a coming tribulation that will allow the Antichrist a brief reign of evil in the end times. In order for this to happen, you will see a takeover of America as a punishment for your sins. This will all come about after I will bring My Warning experience to everyone at the same time all over the world. Do not be fearful of this tribulation, because My angels will protect you at My refuges. Trust in My Word that I will provide for your protection and your needs at My refuges. Once I bring My victory over these evil ones, I will bring My faithful into My Era of Peace."

Friday, February 10, 2017: (St. Scholastica)
Jesus said: "My people, I call My faithful to love each other and to help each other when you can. Sometimes you are helping others, and at other times people will help you in return. You all have earthly needs, and you feel good when you can help someone, even if you are not asked. These good deeds are your way of thanking Me when you help your neighbors. In today's first reading you see how the devil in the serpent, tricked Eve and then Adam into eating the fruit from the forbidden tree of the Knowledge of Good and Evil. The serpent lied to them that they would be like gods, so they desired this for their knowledge. But they broke My law, and caused this original sin to be placed on everyone. This is why I promised man a Redeemer, when I would offer up My

life so your sins could be forgiven. This is also why I call My faithful to baptize their children, to take away this original sin of Adam and Eve. Baptism also brings My children into your faith community, and this puts the children on the road to heaven with the parents' help."
Jesus said: "My people, your enemies know how vulnerable your electric grid is. Your people have not taken enough care in protecting your grid from terrorist attacks. Unless you have enough generators to backup your electricity, you would have difficulty with your internet, your banking, and your heaters with electrical components. There are several ways to shut down your electricity. You could use an EMP attack from a bomb or a local high powered EMP machine. You could create a short circuit surge that would trip your breakers. You could physically destroy crucial substations. Hackers could attack any sensitive code that controls your substations. You could find a way to turn off the grid switches themselves. The one world people will find a way to turn off your electricity when they begin their takeover attempt on America. Your country should work harder on the means of protecting your electric grid from attack. Even Faraday cages could be used to defend against EMP attacks, if they were placed around your vulnerable power stations. You could also use older vacuum tube run devices that are not affected by EMP. Without defending your electrical grid, you will remain vulnerable to an attack on your power grid. Pray for your country's protection with My angels."

February 23, 2017
Saturday, February 11, 2017: (Our Lady of Lourdes)
Jesus said: "My people, today's readings have many meanings. The first reading is when Adam and Eve faced their judgment for committing their sin against Me. I promised man a Redeemer, but I cast them out of the Garden of Eden. Man would have to work by the sweat of his brow to get his food, and the woman would have to suffer pain in bearing children. Adam and Eve also were separated from eating the fruit of the Tree of Life, so they could not live forever, but now they would die. I have told My faithful that in My Era of Peace, you would have many Trees of Life, so you could live a long life. But at a certain length of time, all of you would die and be prepared to come to heaven as saints. In the Gospel you are seeing how I took pity on the four thousand people, and I multiplied the seven loaves of bread and the two fish so all of the people ate and

were satisfied. They collected twelve baskets of fragments so the food did not go to waste. When I distributed the bread, I broke it and blessed it, as I gave it to My apostles. This was similar to how I broke the bread and blessed it, and I gave it to My apostles at the Last Supper. You now receive My very Self in the consecrated Host, as I feed you in Holy Communion both physically and spiritually, as I am the 'Bread of Life.' After My Resurrection, you remember when My two disciples walked with Me on the road to Emmaus, and I explained all the references to Me in the Old Testament. Then at supper I broke bread with them, and they recognized Me, as I disappeared. So all of you can remember Me in the 'Breaking of the Bread' at every Mass. Even at your refuges, I will have My angels bring you daily Holy Communion, if you do not have a priest."
(4:00 p.m. Mass) Jesus said: "My people, your time for converting souls is growing short before I will bring My Warning. Those souls, who are faithful to Me, will not be tested by seeing any mini-judgment to hell. If you come to frequent Confession to keep a clean soul, then you will only see some possible purgatory time. After My Warning, you will be moving as fast as you can to win souls over to Me, especially those souls in your own family. Once your people witness their life reviews, they will be seeking My forgiveness, and they will be more open to your conversion efforts. If you can convert them, then My angels will put a cross on their foreheads. Without accepting Me in faith, they cannot enter My refuges. With your brief power outage, you were able to get a fire going in your fireplace, and you quickly got your oil lamps burning for light. Your wind-up flashlight helped you find your gas lighter, your lamps, and your lamp oil. You see now how important it is to be able to get heat and light quickly when the power goes out at night. You need to call your solar installer to check how your battery equipment could get turned on when the power goes out. You may have had some shorts when the water came in your lines. Be thankful that you have made your preparations to survive without power. I will have My angels assist you in multiplying any needed fuels, water, and food. Trust in My protection that you had a practice drill to get you ready for the real tribulation."

Sunday, February 12, 2017:
Jesus said: "My people, I needed to explain to the people that it is not just the letter of the law that is important, but it is the spirit of the law in doing things out

of love of Me and love of your neighbor. Even in the Ten Commandments, the first three are about love of Me, and the other seven are about love of neighbor. It is true what was said how you learn about My laws through knowledge, but it takes understanding and wisdom to follow My laws in love from the heart. Once you can move your knowledge from the brain to the heart, then you can live your lives by love. I was also expanding the meaning of My laws beyond just the act of adultery for example. This also includes even thinking of such an act about someone as a serious sin as well. By meditating on the spirit of the law, you can see how I am deeply offended by your bad actions, and your evil thoughts. I mentioned in the Gospel that you need to forgive one another, and confess your sins in Confession before you can come and receive Me worthily in Holy Communion. It is your sins and your evil intentions that come out of your hearts, so guard your intentions to keep a pure soul."

Monday, February 13, 2017:

Jesus said: "My people, you are seeing in the first reading how Cain killed his brother Abel out of jealousy and pride. Cain did not offer up his best crops, so I was not pleased with his offering. Abel offered up his best sheep, and I was pleased with his offering. Cain did not like it that his younger brother had a better offering. It was pride that took over Cain's heart, and he was jealous of Abel's offering that I accepted over Cain's. Cain did not want this to continue, so he killed Abel out in the field. This was the first killing by anger, but you have seen constant killings in wars, over drugs, and in abortions. Some people kill for money, revenge, or out of anger. In abortion some women are killing their babies out of convenience, or to cover up an embarrassing pregnancy. Again, it is out of greed, pride, or jealousy that motivates people to kill others. There is a great punishment for killing people, because you are robbing people from fulfilling My plan for them. Even people, who are not punished here for their abortions, will suffer at their judgment. There needs to be a repenting of sin, if a person wants to be saved."

Jesus said: "My people, in California you had an extended drought, but now they are having heavy rains, and it has caused flooding. One of the main dams is overflowing, and it is dangerously close to causing a huge flood from a dam failure. The people are being evacuated as more heavy rains are forecast. You

have seen floods and tornadoes in the South, and heavy snowstorms in the Northeast from the Great Lakes. These damaging storms continue to reflect the hate and protests against your current President. Instead of so many protests, your people should unite against your common enemies who are testing you with their missile tests as in Iran and North Korea. Pray for your leaders, and for America to return to your Christian morals and principles."

Tuesday, February 14, 2017:(St.Cyril & St.Methodius, St. Valentine)

Jesus said: "My people, Noah and his family were righteous people and obeyed My laws, so I had him build an ark for his family and the animals because I intended to kill the evil people with a flood. I spared Noah and his family from drowning, even while the evil people ridiculed them for building such a large ark in the desert. The rains came and flooded the earth, and the evil ones were killed. In some places you are seeing small floods, but I will not cover the earth again with a flood, and I left the rainbow in the sky as a sign of My covenant. A time of tribulation of the evil Antichrist is coming, but his reign will be brief. This time I am having My refuge builders make safe havens for My faithful people. Your refuges will be like arks where My angels will protect you. After I bring My Comet of Chastisement upon the earth, all the evil people will be killed, and cast into hell. I will protect My people by raising them into the air so they are not killed by the Comet. Then I will renew the earth as it was in the beginning, and My people will be brought down to live in My Era of Peace for a long time."

Jesus said: "My people, your President is being attacked by your media, the opposition party, and the one world people, as the masons. It is the rich evil ones who are paying people to cause protests and riots. These evil ones are also paying off your Congress people to go against your President. Now, some of the Obama bureaucrats are leaking information to the 'fake news' press to harass your President's Cabinet, and even his family members. You have never seen such a reaction to a new President. If your people do not support your President, you could see his plans get stopped by your mason infested Congress. I told you before that opposition to change the old guard establishment will be very difficult. Your President may indeed have to use his Executive Orders to get any

quick action done, because of the resistance in your Congress. Continue praying for your country's President and his protection. I will send My angels to help him, but your country needs to come back to Me in repentance of your sins."

Wednesday, February 15, 2017:

Jesus said: "My people, after the rain of the Great Flood was over, Noah sent out birds to see if the waters had subsided. Finally, a dove came back with an olive branch in its beak, which has become a peace symbol. When the dove did not return, he opened the hatch to see that the land was appearing again. I had to evaporate the water, and store water in your aquifers so the land could appear. Once Noah brought the animals out of the ark, there was a new renewal, or a recreation of the earth with its plants and animals. Noah and his family had to repopulate the earth, and they lived a long time. In the Gospel I healed the blind man and light came into his sight as a new creation as well. There are many people walking around in spiritual blindness because they fail to see My Light of faith in their hearts and souls. These people are the ones who need to be converted to help save their souls. This is why I am constantly calling on My faithful to pray for the conversion of sinners with your evangelization efforts. When I bring My Warning, the sinners will have one last chance to wake up and see My Light in faith. If they fail to repent and accept Me in love, then they will be on the path to hell."

Jesus said: "My people, Lent gives people thoughts about repenting about their sins, praying more, Confession, making some sacrifices, fasting, and almsgiving to charities. These are good ways to help improve your spiritual lives. You are constantly being challenged by the devil's temptations. This is why you need to build up your spiritual strength to combat your daily temptations from the devil. Fasting can be a challenge for your diet, especially not eating between meals, and if you are giving up sweets and desserts. It is a challenge of your will power over your bodily cravings. If you really try, you can live without sweets, and you do not need food between meals. Coming to frequent Confession can also be a challenge to be truthful in telling your sins to a priest. You need to make a good preparation in order to make a good Confession. During Lent you could also examine your budget to give some extra donations to your local food shelf, or to the poor through various organizations. Look at how much you spend on eating

out, on entertainment, or on expensive items that are extras that you could do without. Just reallocating some spending would greatly help some charities that you could donate to in money or time. By thinking out what you could do this Lent, you could even work on some of your bad habits. By disciplining your physical and spiritual desires, you could improve your lives and please Me too. Start thinking of these ideas now so you can start Lent with a plan that you could continue for forty days."

Thursday, February 16, 2017:

Jesus said: "My people, in the Gospel I asked My disciples who I am. First they responded about how other people thought I was a prophet like Elijah or St. John the Baptist. But when I asked them specifically who they thought I was, then St. Peter said: 'Thou art the Christ, the Son of the living God.' I commended St. Peter for his answer, and I told him that the Holy Spirit inspired his answer. My people of today need to remember that I am truly God's Son, the Second Person of the Blessed Trinity. Then I gave My apostles a prophecy of My mission when I said the Jewish leaders would have Me crucified on a cross, but that I would rise from the dead after three days. This was My mission to come to earth as a God-man, and I would sacrifice My life for the sins of all of mankind in the past, present, and the future. I had to rebuke St. Peter because he did not want Me to die. But I have a world to save, and My plans had to be carried out according to My heavenly Father's plans. My sacrifice of blood is far greater than all of the animal sacrifices. After My sacrifice on the cross, there is no longer any need for any more animal sacrifices. Give praise and thanks to Me that I died for each and every sinner on earth."

Jesus said: "My people, in the first reading after Noah and the animals left the ark, I told them to go forth and multiply, and subdue the earth over all of the animals. All the animals could be food for man. After Cain killed Abel years before, I told the people of that time that life was sacred, and they should not kill each other, or they will face a harsh judgment. The blood of man is precious, and even the blood of animals as well. They could only eat animals that had the blood drained or removed. This would make My Blood even more precious when it is poured out on sinners to convert them. At every Mass you have the bread and wine transubstantiated into My Body and Blood that you receive in

Holy Communion. Because human life is so precious, this is why it is so important to stop your abortions that kill My babies."
For Claude Samson's Mass intention (Lise's brother):
Jesus said: "My people, it is sad that Claude passed away because his family is grieving his death and loss. It is good that you are praying for his soul and having Masses said for him because he is still in purgatory. All souls need prayers, and do not forget to pray for him. This is why many deceased people want you to have their pictures in your house, so you can remember to pray for them. He loves all of you, and he will be praying for you as well."
Prayer Group:
Jesus said: "My son, you recently had an hour power outage just as it was getting dark. You did well to get a fire going in your fireplace for heat, and you used your wind-up flashlight to find two oil lamps with a bottle of lamp oil. You lit them with your gas lighter after adjusting the wicks. This was a test or a drill on how quickly you could have heat and a light to see at night. This power outage was a blessing in disguise because your batteries to your inverter failed to power on your lights. You had the solar man find a switch that had to be pressed to turn your inverter on, so your battery DC could be converted to AC for your lights and some appliances. It was important to get this fixed so that during the tribulation, when the power is not running, you could have electricity when the solar panels could recharge your batteries."
Jesus said: "My people, you had a few of your President's Cabinet let go, and your Press media was pressuring your President with some stories that were not true. He is trying to get his Cabinet confirmed, but he has had a slow time in the Senate. He still has had some advances to try and retain some jobs here in America. Keep praying for your President and his Administration to get your country back to more Christian principles that your country was founded on."
Jesus said: "My people, you saw a meeting of coal workers encouraging your President to allow coal to be used in your power plants, without so many regulations that were closing these plants. Now you will have the needed electricity that your factories will need to get your workers back to making good wages again."
Jesus said: "My people, you are seeing more optimism in your people for getting your industrial jobs back. You have seen a rapid rise in your stock market with increased earnings and more jobs coming. Your President is trying to discourage your corporations from sending jobs to Mexico and China by using a border tax on goods coming into your country. It will take time, but your companies are

seeing it is more profitable to build plants in your country than to send them overseas. I have allowed you a reprieve with the miracle of your new President's win."
Jesus said: "My people, you have seen some continued protests against your new President without giving him a chance to make good on his promises. The one world people and your opposition party have done all they could to harass your President, and slow down his Cabinet confirmations. Your TV and press media have put out many stories to harass your President, and some have used criminal leaks of secure information. Even false stories have been used to try and stop your new President. The people are getting tired of seeing such harassment that you have not seen with other Presidential transitions. Continue praying for your new President, as he is trying to improve your lives."
Jesus said: "My people, your present Supreme Court cannot function properly with four against four. Many lower court rulings are left standing because the High Court cannot agree on certain cases. With a new justice, your Supreme Court could function better. You are also about to see more action on your tax structure and a change in your health program. Again, pray that your country's important issues could find some common ground to help your country move forward."
Jesus said: "My refuge builders, I am giving you a reprieve of time by allowing your new President to win against the one world order people. Your President has set the plans of the one world people back, so they will have to take time to implement a new plan for taking over your country. This could involve a created financial turmoil with a potential crash of your money and your markets. My refuge builders are getting more time to prepare, but My people need to be ready to leave their homes when their lives will be threatened. Trust in My help to protect you and provide for your needs."

Friday, February 17, 2017: (Seven Holy Founders of Servite Order)
Jesus said: "My people, in the early years people wanted to make a name for themselves, so they built a great Tower of Babel. I did not approve of what they were doing, so I brought different languages upon man so they were spread all over the world in confusion. Sometimes you see man's pride also in all of the skyscrapers that he builds in his cities. You are even seeing the devil's confusion

that he brings upon you from your greed and pride. In the Gospel I am giving you some Lenten thoughts, when I tell My faithful that they need to pick up their crosses of life and carry them for love of Me. I carried My cross to Calvary, and all of you must accept the crosses of life and bear them as your commitment for life. You all face the many trials of life, but bear them for love of Me, and you could gain merits for your suffering. Man is tested by greed to have ownership of this world's goods of cars, houses, riches, and fame. Do not just seek these things for your own selfish motives, but seek what will help your souls get to heaven. For what does it profit a man if he gains the whole world, but he loses his soul in the process? Your goal should be to strive to have a pure soul with frequent Confession and good deeds, so you will be worthy of coming to heaven. Gaining heaven for your soul is far more valuable than all the riches of this world that are passing away. Your soul lives on forever, so do not get taken up with things that will pass away. Seek eternal life of love and peace with Me, and you will be completely satisfied."

For Don's foot and health problems: Jesus said: "My people, in order to have a healing, you need Don to have faith that I can heal his foot. It would also be good to have someone or a group of believers pray over him where they also have faith in My healing power. You could also pray the St. Therese Novena for nine days with your twenty-four 'Glory Be' prayers. You do not want to see Don lose his foot, so you have to be sincere in your prayers."

Jesus said: "My son, I have given you messages of how My angels are going to protect your refuge and other refuges with an invisible shield, so the evil ones could not see you. This protection would extend to the borders of your property. I am showing you this white Light because your refuge will be expanded to hold more people than the original forty people, that you were asked to prepare for. The larger refuges will have a white luminous cross in the sky that people will be healed when they look upon it in faith. This luminous cross is the white Light that will be in the sky over your refuge. Be thankful that you will be blessed with this healing miracle. You are noticing how often the sump pump in your new basement is going on at this time of year when your yard is moist. If you unplug this pump, you could bail out plenty of wash water for cleaning clothes, dishes, and sponge baths. You do have a small spring in your backyard that you may be able to use as a shallow well for your water needs. Have trust in Me that I will provide for multiplying your water, food, and fuels for the survival of your people."

Saturday, February 18, 2017:
Jesus said: “My people, My Transfiguration was a preview of My Glorified Body after My Resurrection. On Mt. Tabor I was glorified with gleaming white clothes to show My apostles My Divine Glory before them. Moses and Elijah appeared beside Me to show that I came to fulfill the law. My heavenly Father said: ‘This is My beloved Son, listen to Him.’ This was to show My apostles that I was sent by God the Father to offer My life on the cross to bring redemption to all sinners, who will repent and accept Me in love. This whole event was to increase the apostles’ faith in Me for St. Peter, St. John, and St. James. I told them not to tell anyone about this manifestation until after I rose from the dead. I have already died and I rose again, so you can tell everyone of this glorious event.”
“My son, you have had an unexpected gift given to you, and it was a fulfillment of what your wife’s father told you about his house. Be thankful for all that I have given you, and this is just another sign how I will help you at your refuge.”
Jesus said: “My people, the invention of the wheel has been very helpful in moving things for many years. The invention of the automobile has been around for years also, and it enables you to travel large distances, and to run errands to get food or go to the bank. In years past, you had to use horses and a buckboard to move things. Cars are more convenient than horses, but they still cost a lot of money, and you are dependent on gas and oil to run them. My apostles would have had more options to evangelize people, if they lived now. My faithful have this advantage of travel, so you need to get out and evangelize souls. Your cars can also be used to help transport people to church or help your relatives and friends when they need to move things. This is another means of offering your services for charity. You have had other times when you have shared your skills and your faith. So be open to take advantage of My opportunities of grace.”

Jesus said: “My people, today’s Gospel speaks about loving your enemies and your persecutors. This is difficult for man’s ways, but I want you to imitate My

love in My ways, just as I want you to be perfect as My heavenly Father is perfect. If you all had Christian love instead of wanting everything your own way, then your country would not be so divided. The biggest problem that you have in your politics, is that neither side is willing to compromise and get along. You are more content to lord it over the side who has the least votes. When one party has its way for eight years, they cannot stand being denied when it's the other party's turn. Love everyone, or you will always have wars and disagreements."

Monday, February 20, 2017:

Jesus said: "My son, you had a small flashback of your work place experiences, much like you will see in your Warning experience. Everyone will have their own life review, all at the same time. My Warning will be a blessing for all souls to wake up spiritually, and see how much they are offending Me in their sins. This may be the last chance for some souls to be converted. After your life review and your mini-judgment, you will see many people desiring to come to Confession to have Me forgive their sins. My people will have a chance to convert their family members, because they will be open to your evangelization efforts. Trust in Me that I love all of you so much that I will give everyone this one last chance to be saved. Remember that I told you how all the souls, who go to hell, have chosen hell of their own free will. Keep praying for all your family members with your persistent prayers, and you could help save their souls."

Jesus said: "My son, I have asked you to try out your fireplace, your kerosene heater, and your Coleman stove with your various fuels. You have stored more water in your barrels, and you have obtained your outhouse. You have purchased canned foods, MREs (Meals ready to eat) and dehydrated foods. You have tried some older foods before, but I want you to prepare some of your MREs and dehydrated foods so you know how to prepare and eat them. You do not need to try that many, but see how you could work them into your diet. Use the dried milk for your oatmeal. You are going to ask other people to eat this food, so you need to know how it tastes and how best to prepare them. Keep in mind, you will only be on this diet for less than 3½ years. You have tried things out before, like camping outside, so now you need to see how you can get by on your stored food. I will always be watching out for your needs by multiplying what you

have.”

Tuesday, February 21, 2017: (St. Peter Damian)

Jesus said: “My people, in St. Matthew’s Gospel (Matt 21:20-28) the mother of St. John and St. James asked Me if her sons could be on My right and on My left in heaven. First, I asked My apostles if they could drink from My cup of suffering that I would take, and they were willing to suffer for My sake. They may drink from My cup, but it is not My place to say where they will be in heaven. It has been reserved by My Father in heaven. My apostles were offended when the two disciples wanted places of honor. Then I told them: ‘Whoever wishes to become great among you, shall be your servant, and whoever wishes to be first among you, shall be your slave.’ I did not want My apostles to be like the Scribes and Pharisees who always sought places of honor at weddings and in the synagogues. It is better to be humble and help people instead of searching for fame and riches. When you pray and do good works, you will store up treasure in heaven for your day of judgment.”

Jesus said: “My people, many martyrs and saints have died for their faith rather than deny Me. You have had martyrs all throughout history, but it takes a special faith to be able to die for My sake. Even during the coming tribulation, there will be more martyrs who will die for their faith. Some of My faithful may be called on to be martyrs, but they will become instant saints in heaven. Rejoice, that I will have My refuge builders be the leaders for your communities at My refuges. My angels will protect you and provide for your needs. Be patient through this turmoil, because you will be joyful after I remove the evil ones who are challenging your faith.”

Jesus said: “My people, some years back you had an arms race and a cold war using a mutually assured destruction thinking. Today, you are seeing four nations building new extensive armies, navies, and missiles for delivering nuclear weapons. You have Iran testing missiles and delivering weapons to their client states. You have North Korea also testing missiles and threatening an EMP attack. You have China developing new missiles, a navy expansion, and trying to declare the South China Sea as their territory. You have Russia expanding its navy, missiles, and conventional weapons, as they are trying to take over the Ukraine and Syria. Your military is stretched thin in Iraq, Afghanistan, and many places where your navy is being challenged. My people need to pray for peace as your defense forces are expanding as well with your new President. It would only take one miscalculation to set off a possible world war that could leave your country without electricity in an EMP attack.”

Thursday, February 23, 2017: (St. Polycarp)
Jesus said: “My people, in the first reading from Sirach (5:1-8), it is telling people not to depend on deceitful wealth, and not to depend on your strength. This applies to individuals and to nations alike. Some people accumulate wealth for themselves, but I could bring bankruptcy upon them, and where would they be? Some people rely on their physical strength, but if they have accidents or sickness, they are brought down to nothing. Instead, you should rely on My help, and life will seem easy for you. You have communist countries relying on their oil wealth and their weapons, but the price of oil could go down, and their weapons could become rusty and obsolete. You have Russia, China, and North Korea all following atheistic communism without them praising Me. In America you also have wealth and weapons, but you have Me helping you. So whether you are an individual or a nation, it is better to rely on My help, and on My strength, than on your own wealth and strength. Pray for peace and My direction, and work to follow My Will for your life, and you will have your eternal reward in heaven.”
Prayer Group:
Jesus said: “My people, many of My refuges are in rural areas on dirt roads. Even if refuges are located in the suburbs, where they are close to other houses,

My angels will hide them with an invisible shield. I have asked My refuge builders to have everything in place, but now they have been given some extra time, because of your President's miraculous win. Do not squander this time, but you can use this time to finish up any jobs that were left undone. It would be a good time to check all of your fuel burners to make sure they are in working order. Check your batteries and oil lamps that they are available and working. Trust in My help and My angels to keep you safe and supplied with food."
Jesus said: "My people, I do not want My people to lose hope, and do not be concerned that the time for the tribulation has had an intervention of My hand. The tribulation is still coming, and you will see My Warning at a time of turmoil. My faithful still need to be ready to leave their homes when I call you to come to My refuges. You are just seeing the beginning of a movement by the one world people to try and overthrow your President. Pray for My protection in the chaos that is coming."
Jesus said: "My people, I have called many of My faithful to rise up in protest against abortion and many other evils of your society. When you are called to battle the evil ones, you do not know what I will ask you to do out of love for Me. You have participated in the Right to Life March in Washington, D.C. which was a long trip for some of My faithful. You have also on occasion marched in front of abortion clinics such as Planned Parenthood and some hospitals. You need to stand up for the unborn babies who are being killed every year. My faithful will need to join forces, against the funding of abortions."
Jesus said: "My people, your new Administration wants to arrest and remove all criminal elements that are hiding among other immigrants who are law abiding. There is also an intention to vet immigrants from some terrorist countries. The first ban is tied up in the courts, but visa holders and other citizens will have a new protection in another approach. This immigration situation needs a compromise which has not been fully resolved to keep terrorists out of your country."
Jesus said: "My people, both your health care and tax reform will be debated soon in your Congress. Both of these issues may take awhile to be resolved, especially in the Senate. Your health plan was having problems with high premiums and high deductibles. You need to pray for your leaders to present a better plan that can be implemented quickly. An easier tax code with lower rates could help individuals and businesses. Trust in Me to help your new Administration to carry out these issues to stop some of the current injustices."
Jesus said: "My people, next Wednesday is Ash Wednesday, and the beginning

of your fasting for Lent. I mentioned before to start making some plans now so you could fast between meals and not eat meat on Fridays and Ash Wednesday. Lent is a good time to work on your bad habits and removing any occasions of sin. Some people have given up watching TV or not eating desserts and sweets. You need to make some physical sacrifices, and you could help the poor with your almsgiving in donations of money and time. Try to go to Confession more frequently when possible. Lent should help strengthen your spiritual lives if you are faithful to your intentions."
Jesus said: "My people, you have seen protests before of various Administrations, but not on the scale that you are seeing in this transition. I just gave you My answer to love your enemies and persecutors in a recent Gospel, but your people today are full of anger and hate. People need more love of neighbor in trying to help each other, and not people who do not want any compromise. Pray for peace and love among your people so you can work together with My help."

My son, I used to come to you at Holy Communion when we were united in my chapel. Thank you for giving me this opportunity to share our love and our blessings on all of you. Jesus said: "My people, you remember when I called St. Peter the rock on whom I would build My Church. I want My people to build their houses on rock,

meaning you should have a sound foundation for your faith. Build your spiritual house on My Commandments and the laws of My Church, and you will be on the right path to heaven. The foolish ones build their houses on sand, meaning that they do not have a solid spiritual foundation. When temptations come, they fall to the devil's ways because they are not strong. In the Gospel, I told My people that they must have a childlike faith to enter heaven. In combination with this humble life, I want My people to have this rock of faith in My Word so they all can have a pure soul. Accept Me as your Master, and follow My Will for your life. Pray in front of My Blessed Sacrament, and I will help you discern the right direction in your lives."

Jesus said: "My people, the message today is be not afraid of the evil one, because I am more powerful than any of My creations like the devil. I love all of you so much, and I will always take care of your physical and spiritual needs. Remember in the Gospel reading: 'Seek first the Kingdom of God, and everything else will be granted to you. Worries, anxieties, and fears are tools of the devil that he uses to tempt you. Do not fall into the addictions of material things that could ensnare you with the demons. Instead, you need to put your full trust in Me every day. When you pray to Me, you are using the words of love for Me and My Blessed Mother. Prayer is how you communicate your love to us. When you make your petitions, I will always hear your prayers, and I will answer them according to My Will in My time. Keep trusting in Me, and pray for the souls that have not been judged, and for the souls in purgatory."

Jesus said: "My people, the rich man asked: 'What must I do to inherit eternal life?' I then told him that he needed to repent of his sins and obey My Commandments. I told him that he was lacking in charity, and he needed to share his money with the poor. He went away sad because he had many

possessions, and he did not want to give them up. I have told My people many times that when you give money to the poor, you are storing up treasure in heaven. In the same way, when you share your faith with others in making converts, you are also storing up treasure in heaven. Earthly wealth is passing away, and your money will crash, or you will not be able to buy anything without the mark of the beast. You cannot buy yourself into heaven, but you can perform good deeds to gain merits in heaven. Where your treasure lies, there lies your heart. If you seek spiritual treasure with Me, you will find heaven. But if your treasure is in your accumulated wealth, it will be difficult for those rich for themselves to find heaven."

Jesus said: "My people, I call people to various vocations, whether to the religious life, the married life, or the single life. Within your vocations, I call everyone to be evangelists by your Baptism and your Confirmation. In all that you do, I call you most to follow My Will so you can carry out the mission I have given you. If you follow your own will, then you will not be open to do your unique mission. My son, you have answered My call to travel to many places to share My messages in your talks. You have also taken the time to journal My messages, and put them in your books and on the internet. You are sacrificing your time and work for Me, and this is your reward to see the conversions, and to be able to spread My Word. I rely on My evangelists and My prayer warriors to help save souls, and pray for the souls in purgatory. I love all of you, and I thank you for your service, but this is the work that My followers said 'yes' to follow. All the good works and deeds of people will store up treasure in heaven. Continue praying because the souls who were converted, and the souls who were released from purgatory, are also grateful for the work and prayers of My prayer warriors."

Wednesday, March 1, 2017: (Ash Wednesday-beginning of Lent)

Jesus said: “My people, today you start the season of Lent, and you will be fasting between meals, and not eating meat today and on the Fridays of Lent. This vision of a Baptismal font represents the washing away of your sins in Baptism and Reconciliation or Confession. This is a time to renew your spiritual life with fasting, prayer, and almsgiving. You can make some Lenten penances by giving up something as sweets or TV, and you could come to daily Mass or make some extra visits to My Blessed Sacrament in My tabernacle or in the monstrance. You could also make some extra donations to help the poor and My churches. All your penances or sacrifices can store up treasure in heaven, and I will give you graces for your gifts. You can also work on healing your bad habits. All of your Lenten efforts will help strengthen your spiritual life against the devil’s temptations.”
Jesus said: “My people, you have seen some unusually warm weather for the winter time. You normally would be in the 30sF with snow, but instead you are seeing 60sF and setting records for high temperatures. Your wind has been so strong tonight that you were prompted to pray your storm prayer. Your warm temperatures have been all throughout your Northern States. Such anomalies can be caused by the HAARP machine by directing the jet stream patterns. You have a proper concern about your fruit trees that could bud and get frozen. You have seen lost apples and cherries in other years because of this kind of weather. You are right in praying for no damage from the weather. You have seen a lot of damage from tornadoes in the Southern States. I am watching over your refuge, so do not be afraid.”

Thursday, March 2, 2017:
Jesus said: “My people, in the first reading Moses presented the Commandments to his people, and gave them a choice between the blessing or the curse. He told them to choose life and avoid the sins. You all have free will to follow My Commandments or not. There are consequences for all of your actions that you will have to account for at your judgment. Those people, who follow My laws and love Me and their neighbor, will have eternal life. Those people, who disobey My laws and do not repent, are risking the fires of hell. In the Gospel and during Lent, I asked My people to pick up their cross of life daily, and carry it for My sake. Unless you deny your life and follow My ways, you cannot be

one of My disciples. Offer up all of your trials and disappointments to Me out of love, and you will have your reward with Me in heaven."
(Jerry Schneider Funeral Mass) Jerry said: "I am grateful for all of my family and friends who were able to come to My funeral. I suffered with my lung problem, but now I am with my Jesus after this Mass. I love Grace and my family so much, and I will be watching over you and praying for all of you. I loved my working with wood, and you can remember me every time you look at the cross I made, that is now hanging in St. Charles Borromeo Church. I remember this altar and the Holy Name altar, where I prayed many times with my Nocturnal Adoration members in front of the Blessed Sacrament. I love my Jesus so much, and now I am resting with Him. I am waiting to see you when you all can come to heaven with us."
Prayer Group:
Jesus said: "My son, I know your needs, and I will find a way with My angels to get you out of the problem you are in. Have patience and pray for My assistance. I have never let you down in your needs, so do not worry about your situation that needs a way out."
Jesus said: "My son, the picture of Maria Esperanza and Geo Bianchini was a gift from Juliet that you have placed on your altar. Geo died recently, and your conference was your tribute to a great man. You used to get messages from Maria for a while at Holy Communion time. You have made many trips to see Maria and Geo. You had the Bianchini family talk to your group using Skype, and they sang three songs for you. Several daughters gave some words to your Gospa Prayer house group. Give thanks for this experience."
Jesus said: "My people, when you had air turbulence on the plane, you were praying harder for safe travel. This same windy storm caused some downed tree limbs to your property and others. With your storm prayer, I protected your refuge and the people around you. You saw a downed tree that frightened your daughter, and it just missed her garage. There were also some power outages in your area, as you saw your lights flicker a little. Be grateful that you did not have much damage, and you only had some branches to pick up."
Jesus said: "My people, your President's talk was very uplifting for your people, but your stock market is speculating that his plans will be carried out. The opposition party and even some of his own party members are not all helping your President, and they may even make his plans hard to implement. Keep praying that your President and Congress can come together on what is best for your country."

Jesus said: “My people, having a national health plan without being forced on everyone, will require some compromises from your people, the insurance providers, and your doctors and nurses. It is difficult to see how the premiums will be paid, and how many people will be allowed free medical help. This will be difficult to get through Congress, especially through the Senate. Your old health system was collapsing, so pray that you could have a satisfactory health plan that truly is affordable.”
Jesus said: “My people, you know My Church’s historical position on having relations outside of marriage. Such relations, whether heterosexual or homosexual, are considered mortal sins outside of marriage. This requires Confession before such a sinner could receive Holy Communion. Even divorced Catholics require annulments for a proper marriage. When you defy My laws, you need to seek My forgiveness, otherwise people in mortal sin commit a sacrilege if they receive Holy Communion. Pray for poor sinners that they will seek My forgiveness for their sins.”
Jesus said: “My people, the Lenten Season has begun, and you need to decide what penances you will carry out to help in your spiritual lives. Fasting between meals and avoiding meat on the Fridays of Lent is just the beginning. You could make some personal sacrifices to help restrict some of your temptations for sin. By fasting you are controlling some of your passions and desires for things that you could do without, as desserts, sweets, TV, smoking, or any other addictions that you have. By working to make your spiritual life better, you are preparing yourself for your judgment day. Try to be persistent in your Lenten intentions and sacrifices.”

Friday, March 3, 2017: (St. Katherine Drexel)
Jesus said: “My people, during Lent you are called to fast between meals, especially on the Fridays of Lent. Today is also First Friday of the month, so you need to remember to pray your Stations of the Cross on Friday. In your lives you meet with all kinds of trials, so instead of getting angry, offer them up to Me, and I will help you. I know what you need, but you need to unite yourself with Me to let Me work out your problems. Even today you can call on Me to help you get your car out of a rut of mud. Have faith in Me that I can help you, and you will find a solution to your problem. After you have solved your problem, then you

can give Me prayers of thanksgiving."

Saturday, March 4, 2017: (St. Casimir)
Jesus said: "My people, in the Gospel you read how I called Levi, the tax collector, to be one of My disciples. Then he held a dinner for Me and his friends. The Pharisees and Scribes questioned Me, why I was eating with sinners and tax collectors. Tax collectors were considered traitors in collecting taxes for the Romans, who occupied Israel. I answered them: 'Those people, who are not sick, do not need a physician, but the sick people do. I have come to heal and forgive sinners, and not the self-righteous.' All of you are sinners and you are weak to sin. I came to the earth as your Redeemer in sacrificing My life for all peoples who want to repent and be forgiven. Those people, who refuse to repent, and do not love Me, are on the path to hell.
My son, you had an extreme ordeal in trying to get your car out of the mud yesterday. But then you finally gave up struggling with your own efforts, and you called a truck to pull you out with his winch and a long cable. It cost you some money, but you were able to get your car back, and you washed off the mud. You were upset how you would get the car out, but I told you not to worry, that I would find a way for you. At times you want to do things on your own, but when it is overwhelming, you need to call on others to help. When you have troubles, you can call on Me and others to help solve your problems. You need to pray some prayers of thanksgiving to have your car back. I help all sinners in both their physical and spiritual ways."
Jesus said: "My son, I told you to make use of your extra time from this short reprieve that I have given you. You still have a few things to finish up. You need to finish the roof on your outhouse and put some brackets on it so several people could lift it over a deep hole that you will have to dig out later. You might want to cut up some of your wood outside so it will fit in your fireplace grate. Your solar panels will not work much in the months of winter when you have snow on them, or you have cloudy days. You will need your wood and kerosene for heat, and your oil lamps for light. You might put tape or insulation around your water lines going through your root cellar, so your lines do not freeze on cold days.

You also need to try your MREs and your dehydrated food as I asked you before. You have a list of action items to go along with your other duties. Be thankful that you have your own refuge, but you will be doing a lot of work to help people through the coming Warning and tribulation."

Sunday, March 5, 2017: (First Sunday of Lent)

Jesus said: "My people, in the first reading from Genesis, you saw how the devil in the serpent tricked Adam and Eve into eating the fruit from the forbidden tree of the Knowledge of Good and Evil. Satan is the great liar and deceiver, who tempts people into sin with your earthly pride and desires. In the Gospel you again saw how Satan tempted Me with food after forty days of not eating. He tempted Me to fall off a cliff, and he tempted Me to kneel and praise him to gain all the kingdoms of the world. I read him Scriptures for all of his temptations, but I did not fall like Adam and Eve did. So one man sinned and he brought sin, suffering, and death upon mankind. I, as another man, have brought salvation of your sins, and eternal life for those people who obey My Commandments. This is the trial of this life that Satan and the demons will be tempting you every day of your life. So do not let your guard down because the devil never sleeps, nor does he take a vacation. This is why you need Me and My angels to fight the devil's temptations. This is also why I gave you Confession to cleanse your sins when you fall like Adam. I know you are weak, but you can ask My forgiveness of your sins. Keep focused on Me, and you will have your eternal reward with Me in heaven."

Monday, March 6, 2017:

Jesus said: "My people, when you come to your judgment, I will settle accounts with everyone on how you lived your lives. This will be a test to see if you have enough evidence that you were loving of Me and loving of your neighbor. All of your good deeds in your heavenly treasure will be used as your defense. Today's Gospel is a somber revelation of what it will be like at your judgment. I will ask you if you fed the hungry poor people? Did you clothe the naked? Did you

physically help people in need? Did you give water to the thirsty? Did you visit people in prison? Did you take in people who needed shelter? Did you give money to the poor and My Church? Did you show your love for Me in prayer and at Sunday Mass? If you did this for the least of your neighbors, you did it for Me in them. Those souls, who can say 'yes' to these things, will be allowed into heaven as an eternal reward. But those souls, who did not love Me, and did not reach out to Me in their neighbors, will be cast into hell as their punishment, never to see Me again."

Tuesday, March 7, 2017: (St. Perpetua & St. Felicity)

Jesus said: "My people, a time is coming when you will be seeing an increase in natural disasters that could cause some power outages. When these incidents become severe, as with major earthquakes, you will see a national martial law declared. When your lives are threatened, I will call all of My people to My refuges, and you will not return to your homes. My refuges will be protected by My angels from any physical harm. When the one world people plan to take over America, they will find a way to turn off your electricity. This is why some of My refuges will have some electricity from solar power and generators. This is also why you will need some sources of heat during the winter, and means for light at night, that do not require electricity. You may want to look into a relatively inexpensive backup generator, so you could have some electricity during the winter months. You may have to see how you could add something to your current solar system, or use separate wires."

For Al: Jesus said: "My son, you all have gifts for your own missions. When you are called to a healing ministry, it means that you should have faith that I can heal people. The person being prayed over, also needs to have faith that I can heal them. Not everyone, who you pray over, will have an outward healing. You could be giving a spiritual healing that could help the soul. Not all healings are instant, and it could take time and prayers. Trust and have faith in Me to use your gifts."

Jesus said: "My people, I am showing you an easy chair, because your people are so spoiled with all of your comforts. Lent is a time of doing penances, so you can be detached from so many worldly things that control you. Many of you are eating too much, and that is why so many of you are overweight. Doing some

fasting and eating the right foods, could curtail your bad eating habits. You spend a lot of money on your electronic things, cars, and houses. You could set aside some of your spending money to help the poor in your local food shelf, or other groups that help the poor. Lent is also a time to improve your prayer life, and read spiritual books. It would be a good exercise to see how you spend your spare time, and you could spend more time praying your daily prayers. Some people need to make time in their day for praying to Me. It is too hard to save your prayer time for when you are about to go to sleep. Set a time during the day for prayers, so you are not so sleepy praying them. By following your Lenten devotions, as frequent Confession, you can help improve your spiritual life with more love for Me and your neighbor."

March 24, 2017

Wednesday, March 8, 2017: (St. John of God)

Jesus said: "My people, the only sign that I gave the people, was the sign of Jonah. Because at the preaching of Jonah, he told the people of Nineveh that their city would be destroyed in forty days. The people, in fear of destruction, repented and changed their evil ways. Even the king sat in sackcloth and ashes, and he decreed a fast for man and beast. When I saw how they were sincere in their changed ways, I relented of the destruction I had planned, and I did not carry it out. My people of today have the same decision. You can repent of your sins and reform your evil habits, then you will be saved as the people of Nineveh. The other option is to remain in your sins and evil comforts, and you could face My wrath of destruction as in Sodom and Gomorrah. Lent is a time to work on your bad habits, and get your spiritual lives in proper order by following My Commandments and confessing your sins in Confession. Once you make amends with your Lord, I will give you the graces to start a new life again, with Me as your focus. Rooting out your evil addictions is not easy, because of your weaknesses. This is how you pick up your cross and bear it for Me to be saved. Following a holy Christian life is against your human nature, and against the bad ways of your society. I am giving you a higher calling to live like a saint, and you will have your reward in heaven. Even if you should fall into sin, you can pick yourself up and be forgiven in frequent Confession. Keep faithful to your Lenten devotions of fasting, prayers, and almsgiving, and your spiritual life will be better and stronger against temptations of the devil."

Jesus said: “My son, this is the second severe wind storm in two weeks, and you are seeing worse destruction with downed trees, power lines, and many power outages in your area. I was just telling you that you could see an increase in natural disasters. When your relatives are without power, it is only right to offer them a place to stay when it is cold outside. Depending on how extensive these power outages are, your power may take a longer time to be restored. You again are seeing why you were asked to have alternative electricity and heating capacity, and your oil lamps for light. Your brief power outage earlier with a car hitting a power line, helped you to make sure your batteries are now able to power your house some. When your people lose power all over your country, then you will be ready to offer people a safe haven for less than 3½ years. Trust in Me to provide for your needs at your refuge.”

March 24, 2017

Thursday, March 9, 2017: (St. Frances of Rome)

Jesus said: “My son, in today’s Gospel it says to seek Me and you will find, knock and it will be opened to you. When you had the bad wind storm, you were praying that your house would not get damaged, and you would keep your power on. You prayed the ‘storm prayer’ in your ‘Pieta’ prayer book, as well as your rosaries. I heard your prayers, and your house was spared. Now, you can pray your prayers of thanksgiving, and for all the thousands of people who do not have power. (100,000 without power, 81 mph wind) There are many people who do not have generators for keeping their burners working for heat, and they will be suffering from the cold until power can be restored. Trust in Me and your neighbors to help these people.”

Prayer Group:

Jesus said: “My people, you had high winds on Monday and Tuesday. Now that the high winds have stopped, you are working to clear the branches and fallen trees. Many people are realizing that it could take days to restore electricity to everyone. Those people, who have power, could help the people without power by letting them stay in their warm houses, and helping them with fuel and light. You could also pray for the safety of the crews that are working on the downed power lines. Pray also for those who are cold and victims of this storm.”

Jesus said: “My people, when you lose power, people may lose the food in their refrigerators and freezers. You may help people by giving them prepared food, as

some soup, vegetables, and fruits. People also need some form of light if they are staying in their cold homes. They may need some oil lamps and wind-up flashlights. In addition to your prayers, you could reach out to help your neighbors as much as you can."

Jesus said: "My people, you are seeing how all of your refuge preparations could help people heat their cold homes. You have used wood in your fireplaces with your branches and newspapers to get the fire started. You have used your kerosene burners to heat your house, but it takes care not to spill the kerosene fuel. You also need a source of kerosene. Some people have used propane or natural gas heaters, but care is needed in handling gas fuels. You can help people when you have burners, and fuel available. Be thankful if you have power, and be thankful that you could help people."

Jesus said: "My people, your present Obamacare health plan was failing badly, as the premiums and deductibles were too expensive, and the insurers were backing out because there were not enough young people signing on that paid premiums. The old system became an entitlement that your country could not afford. You have too many with free health care, and not enough people and employers paying in. Removing the mandates and penalties is a fairer system. Pray that your new health care program will be more affordable."

Jesus said: "My people, your President has finally received approval for most of his cabinet members. He is just starting out, but the one world people are doing everything to try and stop him. Your President needs your prayers and your support to restore your country to a republic and away from atheistic socialism without Me. Your country needs to repent of your sins, and call on My help with your problems. You have heard your President say 'God bless America', so he needs your support."

Jesus said: "My people, you have been working on your Lenten devotions and penances for over a week into Lent. It is good to see if you are still able to keep up with your initial intentions. Are you fasting between meals? Are you still avoiding sweets and desserts, or whatever penance you chose? All of your fasting and penances are to help you resist the devil's temptations and control your body's desires. So the benefit of your suffering will help your spiritual life. If you stopped your devotions, or you did not start any extra penance, you can still start again. Use this Lenten time for your spiritual cleansing of your bad habits. I love all of you and I thank you for trying to come closer to Me in all of your Lenten attempts."

Jesus said: "My people, some of your people spend a lot of time watching

movies and television programs. Those people, without power, are being tested with less TV time. Even if you have power, you could limit your TV time to 1-2 hours, so you would have more time to be with Me in prayer and in Adoration of My Eucharist. Time is precious and you will have to make an accounting of how you spent your time at your judgment. So make a plan this Lent to spend your time wisely with Me more than with your worldly distractions. Work on detaching yourself from any of your addictions that are controlling you. By letting Me lead you in your life's plan, you can come closer to following a good Christian life in following My Will."

Friday, March 10, 2017:

Jesus said: "My people, people have a hard time holding their temper when people hit you, or when bad things happen. At times people may be tempted to swear in a moment of anger. It is not easy to control your emotions in such situations. Some people are better than others in restraining their anger. This is one area to work on during Lent, so you can stop your swearing, and do not hit things or people in a moment of rage. You may also need to restrain yourself when you meet bad drivers on the road, when you are driving your car. During each day you may be tested with your emotions, but keep them under control, and stay calm during life's difficult situations. With a good daily prayer life, this will help you to control any anger and swearing. Trust in My help in all that you have to deal with."

Jesus said: "My people, I am showing you a monk praying his prayers in silence, because Lent is a time of prayer. The monks spend their days in prayer throughout the day. My faithful, who live in the world, do not pray as much as the monks, because they have family and work obligations to provide for their needs. My son, I know you are faithful in praying your rosaries, your Divine Mercy Chaplet, and coming to daily Mass and daily Adoration. Your prayers convey your love for Me, but I love your personal informal prayers the most, since they come from your heart. When you come to adore Me at Adoration, I ask you to spend 5-10 minutes in silence so you can listen for My words in contemplative prayer. You ask Me many things, but you need to listen in silence so I can answer you, and help you in discerning how you could work on your problems. It is how you pray from your heart, and listen for My words, that most

pleases Me. Trust in Me every day in faith, and I will satisfy your needs."

Jesus said: "My people, I want you to receive My Word of Light and love into your hearts. When you accept My Word, I want you to act on it by loving Me and your neighbor in My Ten Commandments. I am love and I want all of you to do everything for Me out of love. This means you are to share your money and your faith with all the people who you meet. You are all being called to journal My Words of love, so you can read them later, and share them with others. Do not put My Light and My Word under a bushel basket, but you are to shout My Word from the rooftops. I love all of you and I am sharing My words with you. My faithful need to have open minds and hearts so you can hear My Word and act on it. When you listen to My Word only, then it just stays with you. You need to act on My Word to put it into your everyday life and live in My Light. Follow Me as you evangelize souls. You are My arms and legs that I depend on to touch other souls with My Word."
For Fr. Bill McCarthy: Jesus said: "My son, you have been faithful to Me for many years in your work here. My angels are blessing and protecting these grounds as a refuge for My faithful remnant during the tribulation. Trust in Me that My angels will provide what is needed for the people to survive who come here."

Sunday, March 12, 2017:
God the Father said: "I AM WHO AM is here to ask you to listen to My Son, Jesus because He brings you My Word. At times Jesus is even considered the Word as He teaches you all about My Commandments and how to live a good Christian life of love. You have visited My priest son, Fr. Bill, at his place that honors Me, and I am pleased with his work. You, My son, have also honored Me in your prayer group name and the name of your chapel after Me. The people pray to Me in the Sign of the Cross, the Our Father, and the Glory Be prayers. I love all of you so much that I have sent My Beloved Son to die for your sins,

and offer you salvation. When you pray to One of Us Persons in the Blessed Trinity, you are praying to all Three of Us in Myself, Jesus, and the Holy Spirit. You also receive all Three of Us in Holy Communion as well. Sunday is My day of rest and I desire that all of you give Me praise and honor Me by refraining from work as much as possible on Sunday. I give you all good gifts for what you need every day to accomplish your mission and provide for your needs. I desire that you love Me of your own free will, as I love all of you. Go forth and make disciples of Jesus to bring My Word to everyone."

Monday, March 13, 2017:

Jesus said: "My people, I have shown you the dome of My picture as a just Judge when I judge your people. In the reading from Daniel, he spoke of the many sins in his time that needed repenting and forgiveness. In your world today, you are seeing rampant sin all over, that is even worse and perverted. Your sins of abortion, fornication, adultery, homosexual acts, and euthanasia are all calling out for My justice. You are seeing continuous disasters as punishment for your sins. In the Gospel I am telling you not to judge people, because that is My responsibility, and not yours. You can advise people how to live a proper life without sin. Do not judge people because you do not know what is in their heart's intentions, nor do you know the events in their lives that influenced their decisions. It is enough for each of you to take care of your own problems. In the Gospel I told you to take out the beam of wood in your own eye before looking to take out the splinter in your neighbor's eye. Sometimes when you judge or criticize others, you are doing the same things or worse. You all are weak sinners, and in need of frequent Confession to keep your souls pure through My forgiveness of your sins."

Jesus said: "My people, those people, who did not lose power, or have their power back on, should pray prayers of thanksgiving. You also need to pray for the people who still do not have their power on. You have seen some bad winds, but at least your homes are intact. Be thankful also that you do not normally see tornadoes that can rip your homes into shreds. This reminder of giving thanks after your power has been restored, is because some people are like the nine of ten cured lepers who did not return to thank Me for their healing. When your prayer requests are answered, you need to thank Me also. You are about to have

another storm, so you can pray your storm prayer again."

Tuesday, March 14, 2017:

Jesus said: "My people, 'Though your sins be like scarlet, they may become white as snow; though they be crimson red, they may become white as wool.'(Is. 1:18) During Lent you are called to repent of your sins, and seek My forgiveness. This is why during Lent, you have one day dedicated to hearing confessions by the priests, all day long. Take advantage of this opportunity to cleanse your souls with the absolution of My priest sons. Then you can have souls as white as the snow that is falling in your snow storm. You just suffered damage from your high wind storm, and now your Northeast will be suffering from a foot of snow or more. This is a continuing punishment for your sins that people are not repenting for. The Gospel calls My faithful to open their hearts and follow My ways of humility. 'Those people, who exalt themselves, will be humbled, but those people, who humble themselves, will be exalted.'(Matt. 23:11)"

Jesus said: "My son, you are seeing another major event that is causing snowstorms all up and down the Northeast. (Stella snow storm) You have had to clear out your driveway four times today. You also had to deal with another two hour power outage. This time your solar batteries kept your heater, refrigerator, sump pumps, and some lights and sockets working. You used your oil lamps again in darker rooms without working lights. You were pleased that your solar man fixed your inverter to convert your battery DC into AC power. It may take awhile until your solar panels are free of snow so they can start working again. Your people, who are still without power, may still have a problem heating their homes, so pray for them. It is good that you are prepared with batteries and a fireplace if it is needed, so you can have heat in the winter. You have been getting several tests of your preparations, and you have planned well by My instructions. Try your food for your last test, and you will be ready to help people at your refuge during the tribulation."

March 24, 2017

Wednesday, March 15, 2017: (The snow was so bad we did not have morning Mass-church was closed.) Jesus said: “My son, today you had a heavy snowstorm of two feet and higher in drifts. You spent yesterday and today removing the snow from your driveway, and cleaning off your cars that were outside. You noticed high drifts of snow on the side of your house where your exhaust pipe is located for your heater. When you were down in your basement, you could smell a foul odor, and you were suspicious of a gas leak. You were smart to get your carbon monoxide tester, and when you put it in the basement, your readings were dangerous at >200 ppm of carbon monoxide. As you called the gas company, your wife suggested a plugged exhaust by the snow drift. The gas man helped you clear the exhaust pipe of snow. Then you opened the door to the outside for fresh air, and you used fans to dissipate the carbon monoxide fumes. If you did not notice the odor, your meter would have beeped in your bedroom where you keep it. Now, you know to be careful when snow is high and drifting, to make sure your exhaust pipes are not covered. It may be better to have the pipes up higher. Be thankful that your guardian angel was helping you to notice this problem. Other people have had a similar problem, and it is good to check the carbon monoxide levels when you use indoor heaters. Opening the door for fresh air helped when you were burning kerosene in a previous power outage.”

March 24, 2017

Thursday, March 16, 2017:

Jesus said: “My people, the account of Lazarus, the beggar, and Dives, the rich man, is a lesson for being conscious of helping the poor. Lazarus wanted the scraps from the rich man’s table, but the rich man did not want to help the poor man. The rich man had all of earth’s comforts, but he did not share with anyone. When they both died, the rich man was tormented in the flames of hell, but Lazarus was in heaven next to Abraham. The rich man called out to Abraham to give him some water, and he wanted someone from the dead to visit his five brothers to warn them about hell. Abraham said if they do not listen to Moses and obey the Commandments, then neither would they listen to someone who

came back from the dead. In fact, I died on the cross for the forgiveness of your sins, but many people do not even listen to the Second Person of the Blessed Trinity in Me, who rose from the dead. So obey My Commandments and share your money and faith with all the people, not just the poor. If you refuse to help people, you could risk finding yourself with Dives in hell. Even Carol's father was thankful for the prayers and Masses to keep him from going to hell. He even warned his relatives to come to frequent Confession so they did not have to experience hell in the mini-judgment of the Warning. Trust in Me and keep a pure soul, and you will have your reward in heaven."

Prayer Group:

Jesus said: "My people, Baptism of adults and infants is how souls are brought into the Catholic faith. You would be surprised how many parents forget to have their children baptized. In the Catholic tradition you need godparents and some training about the sacrament of Baptism before bringing an adult or an infant to the Baptismal service in church. You also receive a Baptismal certificate which is almost as good as a birth certificate. I am just reminding your granddaughter to move forward with the classes for Baptism."

Jesus said: "My son, I know that I had you make provisions for some backup electricity throughout the tribulation with your solar panels and batteries. Even your batteries helped you through some hours of power outages. It is good for everyone to have some kind of backup power when you lose power, especially in the winter. Some people have natural gas generators, gasoline and propane powered generators. I had you look into getting a propane generator during the winter when clouds and snow would cover your solar panels. It still would be a good plan to consider."

Jesus said: "My people, I do not want people at war, but it is prudent with the dangerous countries in the world to have a strong defense. Your previous President really had a goal of disarming you, so your new President is trying to restore the neglect of your Defense. His change in the budget will have resistance because of the cuts being made to pay for this increase in defense. Pray for your leaders to protect your country."

Jesus said: "My people, all over the world you are seeing the beginning of another arms race, especially in China, Russia, North Korea, and Iran. Because America has helped to defend the free world, this is why your country may need a better Defense than in the past. You are seeing threats from China and North Korea at sea, and Russia is provoking you with fly-bys of their warplanes. Pray for peace, but America needs to be vigilant of your enemies."

Jesus said: “My people, some of your media have criticized your new President, but he truly is trying to bring jobs back to America. He is also trying to make better trade deals to give your businesses a fairer trading field so they can compete with other nations. He is restoring prayer in the White House, and he uses My Name to bless your country. Your President has a good heart, and he is trying to make your country better for all workers and the poor.”
Jesus said: “My people, during Lent you are working to improve your spiritual life so you will be prepared for your mini-judgment in the Warning, or your first judgment if you should die before the Warning. If you take advantage of frequent Confession, and the Divine Mercy Sunday graces, you can have a pure soul, and reparation for your sins to have less time in purgatory. Keep faithful to your Lenten devotions of daily prayer, fasting, and sharing donations with the poor. For all of your good works, you are storing up treasure in heaven for your judgment. Keep close to Me in all that you do every day.”
Jesus said: “My son, your group is working hard to provide accommodations for all of your friends who will be coming together to host Fr. Michel Rodrigue on March 26. You remember well his healing stories, and all the good things he is doing for his seminary. He is a beautiful priest, and he has been taught well by God the Father. He will be an inspiration for your guests. Pray for his safety and his health while he is with you. You could take up a collection to help him with his new seminary. I will bless all of you for safe travel when you all come together to give honor and praise to Me and God the Father at your Masses, Confession, and your services.”

March 24, 2017
Friday, March 17, 2017: (St. Patrick’s Day)
Jesus said: “My people, in the first reading Joseph’s brothers wanted to kill him, so they had to choose what to do. They first threw him into a dry cistern, then later they sold Joseph to the Ishmaelites for twenty pieces of silver on their way to Egypt. In the Gospel I spoke a parable about how a king left tenants to provide him the produce from his vineyard. The tenants killed his servants and also killed his son outside the vineyard. I told the Pharisees that their leadership would be given over to a group faithful to Me. But I am the Son of God that they killed outside the city on a cross. I was betrayed like Joseph for thirty pieces of silver by Judas. I am the cornerstone whom the builders rejected. I formed My

Catholic Church around St. Peter as the first Pope. My faithful should be grateful, for I brought salvation to all those people who repent and accept Me as Master of their lives. This is everyone's choice in life whether to obey Me for heaven, or reject Me on a path to hell."
Jesus said: "My people, I am showing you the plans of the one world people. In the vision you are seeing the powerful one world people who control the heads of governments, and even your own House of Representatives and Senate people. These powerful people all worship Satan, and they are working with the Antichrist for a world takeover. Your new President is upsetting all the one world plans for taking over America and forming the North American Union. This is why they are attacking your President constantly, because they want to have him removed as President. These Masons will try and block his plans in Congress, and with the controlled judges who are going beyond their authority. Their last resort will be to have him assassinated. I have placed My angel power around your President, which is why these evil ones are being confounded by your President's actions. All the evil forces and liberals are attacking your President. These evil ones are having witches try and put hexes and curses on him. Eventually, the evil ones will have their way for a brief reign. Then I will bring My Comet of Chastisement on the world, and the evil ones will be killed and placed in hell. My faithful remnant will be protected, as I will place them in My Era of Peace. You will celebrate My victory as you will be trained as saints in My Era of Peace."

March 24, 2017
Saturday, March 18, 2017: (St. Cyril of Jerusalem)
Jesus said: "My son, I am giving you a message that a famous figure will die soon, and you are seeing all these flowers on the altar for a funeral. In the Gospel you read about My parable of the 'Prodigal Son', who eventually returned to his father. I have given you this message many times that I am like the father in the parable, that I am waiting for My children to return to Me in Confession. At most every Mass you see everyone get up and come to receive Holy Communion. You know that it is a mortal sin of sacrilege to receive My Eucharist with mortal sin on your soul. Yet, people are embarrassed to remain in their seats, since others would think they are in mortal sin. So they receive Me in Holy Communion, when they should stay in their seats. You know that some

people are living together in fornication or other mortal sinful states. So pray for these souls who are receiving Holy Communion unworthily, because they are committing another mortal sin of sacrilege. I love all of My children, but you need to come to frequent Confession, at least once a month, to keep a pure soul. If you are in mortal sin, you need to come to Confession immediately, or you could lose your soul in hell if you die in that state. Keep close to Me with a pure soul, and you will be always prepared to meet Me at your judgment, when you die. Remember the joy of the father on getting his son back in the parable. All of heaven rejoices over even one sinner who repents of his or her sins. You were lost in sin, and now you will be found in My grace with Confession."
(4:30 p.m. Mass) Jesus said: "My people, the Samaritan woman was surprised that I asked her for a drink of water, because Jews do not usually associate with Samaritans. Then I offered her My 'Living Water' of the Holy Spirit, and I told her that if she drank My water, she would not have to return to this well. She did not understand that I was speaking of a spiritual gift, and not physical water. I then told her about her five husbands, and the man she was with who was not her husband. She then asked about the coming Christ, and I told her that I am the Christ. Many of the people of the town came to believe in Me by My words that I preached to them. My son, you also will be needing physical water for the survival of the faithful who will come to your refuge. You have water in your barrels that I will multiply, but you also have water for washing from your sump wells, the rainwater, and you will have a spring that you will be pumping from the ground. You will also have the bread of life in My Eucharistic Hosts from Mass or My angels. You will also share in My 'Living Water' as you will receive the gifts of the Holy Spirit in Adoration. Trust in Me to supply all of your needs for those people who will come to your refuge. Continue making any final preparations for the people to come."

Sunday, March 19, 2017: (Third Sunday of Lent)
Jesus said: "My people, you have read the account of the Samaritan woman meeting Me at Jacob's well from St. John's Gospel. I talked about the Holy Spirit in the 'Living Water'. A while later I would breathe the Holy Spirit upon My apostles. My apostles went to get food, but I was talking to them about Myself being the Bread of Life in Holy Communion. I share Myself with all of

you, as I love all of you as well. You cannot do anything without Me, so you should love Me also. I have asked you to love your neighbors, and even your enemies and persecutors. This is not easy for man, but I will give you the grace to strive for perfection in this loving of enemies. You need to pray for all sinners, including your enemies as well. I am total love, and I want My faithful to imitate My love."

Monday, March 20, 2017: (Mary Lincoln Funeral Mass)

Mary said: "My dear family and friends, I am happy that all of my trials are over, and that all of you could come to my funeral. I love my family so much, since you were so much a part of my life. I enjoyed all of my church events, and being close to my Lord and Savior. I thank many of the Holy Name people who I worked with through the years in the choir, cleaning the church, and at Adoration. I will miss all of you, but I am praying for my family and friends."

Tuesday, March 21, 2017:

Jesus said: "My people, you heard My answer to My apostle that you need to forgive people seventy times seven times, or in other words, all of the time with no limit. Not only are you to forgive people, but you need to love them as well. I mentioned the four kinds of forgiveness before. You need to repent and ask My forgiveness the most in Confession. Be able to go and ask the forgiveness of those people who you have harmed, and then bring your gift to the altar. You need to be generous and forgive anyone who seeks your forgiveness. You also need to forgive yourself, and let go of all of your past sins so the devil cannot use them against you. It is easier to forgive those people who you know and accept, but I am asking you to forgive your enemies and those who reject you. You also need to love everyone, even your persecutors and non-believers. I am all love, and I love all peoples. So if you want to be on the road to perfection, you need to imitate My love, even loving your enemies. Pray for all sinners that they can be converted, and pray for the souls in purgatory, who are a part of the Communion of Saints."

Jesus said: “My son, I am showing you a worse event than you had with your wind storm, that will affect your area. I am faithful to My refuge builders in that My angels will protect My refuges from any natural disasters, even before the tribulation. Be prepared for such a disaster, but do not be afraid because I am protecting you. As time gets closer, I will give you more details. Keep praying for the souls who will be victims of the coming disaster.”

April 5, 2017
Wednesday, March 22, 2017:
Jesus said: “My people, the Ten Commandments were given to Moses and his people as guides to live a saintly life. They are guides for all of My people. They are truly the laws to love Me and to love your neighbors. I told you in the Gospel that I came to fulfill the law, and not to change it. My laws are a covenant of love with man, and not one letter will be changed, because My law and My Words are forever. I came to the earth so I could be the Lamb of God offered up to God the Father, as the perfect sacrifice to make reparation for all of your sins. I died for love of all of you. I have given you My sacrament of Reconciliation, so you could have your sins absolved by the priest in Confession. I want you to obey My laws, but it is the spirit of the law that is most important, so you are loving Me, and you do not want to offend Me. I want to keep a loving relationship with all of My faithful. You want to be close to Me throughout your life, so I can welcome you as My friend into heaven at your death.”
Jesus said: “My people, ‘What goes into the mouth does not defile a man; but it is what comes out of the mouth that defiles a man.’(Matt. 15:11) ‘Do you not realize that whatever enters the mouth passes into the belly and is cast out into the drain? But the things that proceed out of the mouth, come from the heart, and it is they that defile a man. For out of the heart come evil thoughts, murders, adulteries, immorality, thefts, false witness, and blasphemies. These are the things that defile a man; but to eat with unwashed hands does not defile a

man.'(Matt. 15:7-20) I was taking the Pharisees to task for following mere human precepts, but their hearts are far from Me. For I look into everyone's heart, and I see the intentions of their actions. Some people may be clever in fooling you with their actions, but I am reading the heart, and you cannot fool Me in what you intended to accomplish. So My friends, you need to keep a pure soul and a heart with only good intentions. By following My ways instead of man's ways, you will be on the right path to heaven."

Thursday, March 23, 2017:
Jesus said: "My people, My Church was built on the rock of St. Peter, but I am the cornerstone of My Church. I am showing you each layer of blocks which represents the succeeding generations. Your blocks are held together with the mortar of faith in My Words of the Scriptures. The strength of the mortar is measured by how strongly you live My Words in your actions. When the faith is weak, the blocks could fall apart. You can see how the faith of My people is losing its original fervor, and as parents pass on their faith, it is getting weaker. This is why parts of My Church are crumbling away. I told you that you will see a coming division in My Church from the masons and demons like Beelzebub. Then there will be a crumbling of the schismatic church because they will only believe in New Age teachings that do not worship Me, but things as crystals. It is My faithful remnant church that will stand firm because they will stay strong in their faith of Me through My apostles. Trust in Me because I am more powerful than the demons. I will protect My faithful at their refuges with My angels, and I will provide for all of their needs."
Prayer Group:
Jesus said: "My people, during Lent you are more focused on repenting of your sins, and your additional prayers, and almsgiving. Tonight and on Saturday you have access to Confession and a chance to cleanse your souls from your sins. When you come out of the confessional, you are freed from your sins, and you are full of My sanctifying grace. When your soul is pure from mortal sin, then you are worthy of receiving Me in Holy Communion."
(Barnabus devotion) Jesus said: "My people, this devotion to My Agonizing Cross is a great prayer to honor My Crucifixion, especially during Lent and Holy Week. These prayers are powerful in fighting the evil forces around you. Take

some time to learn about this devotion which is helpful in breaking addictions and for healing in faith."
Jesus said: "My son, I have asked you to pray the Stations of the Cross on every Friday, but even more so during Lent. You pray your Divine Mercy Chaplet to honor My death on the cross at 3:00 p.m. When you pray My Stations of the Cross, you understand more how important it is to pick up your own cross and carry it for My sake. Your penances of fasting between meals, and any other pleasures that you give up, help your body to fend off temptations to sin. You realize that you can live without some of your pleasures and comforts. It is better to deny yourself, so you can detach yourself from worldly things, and dismiss some of your earthly desires."
Jesus said: "My people, every dollar that you share in donations, helps store up heavenly treasure in heaven. I have asked you to be a cheerful giver, so you do not give grudgingly with only a token donation. I have also asked you to tithe, or to give 10% of your income to charity. Those people, who do so, are having their reward multiplied even on earth. A time may come when you are in need of someone's financial help, so this favor will be returned to you. I have mentioned before: 'Where your treasure lies, there lies your heart.' If you hold on to your money as a god, your heart will be loving the world. If your treasure is with Me, then your heart will be with Me every day."
Jesus said: "My people, I know you pray a certain amount of prayers every day. During Lent I want you to make more quiet time in your day for more prayers and spiritual reading. Spend some time with informal prayer and some time in quiet contemplative prayer. You need to work harder on removing any addictions or any sinful bad habits. By working harder to improve your spiritual life, you will please Me and ease your physical burdens. Carry your cross of life to Calvary with love in your heart to follow Me."
Jesus said: "My people, as you draw closer to Easter at the end of Lent, you are seeing many signs of spring that will bring on a season of new life. You are happy to see sunny days, and warmer days without the snow. This spring time is how I bring My Light and the joy of My Resurrection. You are suffering through your Good Friday of pain, so you can appreciate your reward in your Easter moments. You will be seeing Holy Week come in a few weeks, so be ready to attend your Triduum services at your local church. This is the most blessed week of the Church Year, so make time for Me during that week. You should be thankful for how I gave up My life for you out of love."
Jesus said: "My people, you are happy to share your messages and Fr. Michel's

experiences with your people at the coming God the Father Conference on March 26. Pray for the protection of your speakers, and pray that the people's hearts will be open to receive My Word, and allow My Word to change the people's lives. This is a great grace and opportunity for people, but the evil one will try to cause problems. Exorcize the place of speaking with blessed salt, and pray to stop any evil attacks on this conference. I love all of you, and it is a joy for all of My faithful to come together in My love."

Friday, March 24, 2017:
Jesus said: "My people, there were many dark or difficult moments in My life. You remember My Agony in the Garden, when I had to follow God the Father's Will, but angels helped Me. On the road to Calvary, I had to carry the heavy cross of the sins of the world, but Simon helped Me. I was on the cross and darkness came over the world. I felt alone and abandoned, but My Blessed Mother and St. John were at the foot of My cross. I am mentioning these difficult times, because My people go through troubled times in their lives also. The vision shows you My Light and grace that are always available to help you to carry your cross. Just call on Me and My Blessed Mother, and we will help you in your needs with our help and My angels. Do not fear, but have total trust and faith in our help. We love you so much and we know your needs. You can always come to My tabernacle for your discernment in any of life's problems. Listen for My Word in silence, and I will touch your heart for what you need." (4:15 p.m. Mass) Jesus said: "My people, I want you to pray for My priest sons, bishops, cardinals, and the Pope. You are seeing a decline in the number of priests, but you need fertile ground for priestly vocations. Parishes that have prayer groups, and places of Adoration of My Blessed Sacrament, will have plenty of vocations. My people need to pray for vocations to the priesthood, and nourish your seminarians so they can enter the priesthood. You need My priests because I am acting through them in the confessional and in their counseling of couples for marriage. You can remember through the years of all of your Masses, Confessions, First Holy Communions and Baptisms of your children, and your bishop sharing Confirmation. Without the priests, your parishes would die, so you need to encourage and pray for your parish priest. The priests and the seminarians are under constant attack from the devil and the demons. This is

why they need your prayers, and they need to wear My weapons of crosses, holy medals, Benedictine crosses, blessed salt, and My Blessed Mother's scapular. Rosaries and the breviary are a priest's weapons of protection. Every priest is a gift to you, so you need to support them in their ministry, and pray to Me to send My angels to protect them. I love My priests because they have dedicated their lives to Me, and they are called to evangelize souls, and even pray deliverance prayers over souls afflicted by demons. Give praise and thanks to Me for all of the priests, especially the priests who gave you your daily Masses."

Saturday, March 25, 2017: (Annunciation of the Blessed Mother)
Our Blessed Mother said: "My dear son and daughter, your wife discovered that Fr. Michel did not have a statue of myself in his place, so she offered one of your statues to him. Fr. Michel was happy to receive this gift, and you both are generous to give this statue. You are celebrating my feast of my Annunciation when I gave my 'fiat' to St. Gabriel. I was blessed by Jesus to be sinless, even without original sin. Only my Son and I are sinless, but my children are all weak in their sins because of Adam's sin. Both my Son and I are your models for you to imitate. You can strive to be holy by your prayers, and frequent Confession. You are called to follow my Son's Divine Will in the intentions of your actions. It is your striving for perfection that is your goal. You can pick yourself up from your sins by coming to the priest who acts in place of my Son to forgive your sins. We need your prayers to make reparation for the sins of the world, so continue to be faithful to my rosaries every day. My Son's graces are being sent over all of my children so you can share the faith of My Son with those people who need conversion."
(4:00 p.m. Mass) Jesus said: "My people, in today's Gospel I was called to heal a blind man from birth, when I used some spital and clay to rub on his eyes. Once he washed his eyes in the Pool of Siloam, he could see. This disturbed the Pharisees because I healed him on the Sabbath. This account of My healing of the blind man is more than just a physical healing, but it is also a spiritual healing of blindness in the soul. How I wish to wake up all souls who are spiritually blind, or spiritually asleep in their faith. I need souls to open the door to their souls so I can let My Light of grace shine into their hearts, and wake them up to My love. Once My souls are strong in their faith, then I can use them

to evangelize souls, and shine their light on other souls to wake them up. The evil one has put blindness over many souls, but I want to heal and forgive sinners who open their hearts to My love. It is a free will choice to be open to My love, so listen to My call of the Gospel to come and follow My Will as your Master. I love all of you, and I desire to bring as many souls to heaven who accept Me and give praise to Me in Adoration. So do not remain in your sin and spiritual blindness, but be healed and see Me as I am in love."

Sunday, March 26, 2017:
Jesus said: "My people, the eyes are the light to the soul. If a soul is loving and faithful, that soul will be gleaming and joyous to be united with My love. If a soul is in mortal sin, there will be darkness in that soul, and no light will come forth. When you see the eyes of the demons, you want to shy away from the ugliness of hate and burned embers. Call on your guardian angel and My angels if you are attacked by the demons. When a faithful soul goes out into the world, you are sharing My Light and My love with all the people who you meet. Use this Light and love to convert sinners into My faithful fold. When you are in My Light, you need to share My Word and love with everyone. People will see My love in your eyes, and they will desire to be like you, with My love in their heart and soul. The more you share My Light, the less darkness of evil there will be in the world."

Monday, March 27, 2017:
Jesus said: "My people, in the first reading from Isaiah, you are seeing a description of the Era of Peace. At the end of the tribulation of the reign of the Antichrist, I will bring My victory over all the evil ones, and they will all be cast into hell. My faithful will be protected, and I will renew the earth, as in the Garden of Eden. I will then bring My faithful back down to the new earth, and they will live a long time. This is why it is said that he who dies after only a hundred years, will be considered a youth in My Era of Peace. Then My faithful

will be trained to be saints, and one day they will be able to climb the stairs in the vision up to heaven. This will be like the people climbing Jacob's ladder to heaven. Once you come to your prepared level of heaven, you will enter the house of your mansion in heaven. I love all of My faithful, and one day you will be with Me in Paradise, just like I promised the good thief on the cross."
Jesus said: "My son, I want you to tell My people to get to Confession so they can have a pure soul for what is about to happen. It is true that I will be bringing about a supernatural intervention for all souls on the earth at the same time. Everyone will see their souls as I see them. You know this experience as the Warning, and I have shown you a little of what that experience will be like. You will come outside of your body and outside of time, and you will be drawn to My Light, and you will see My face. I will show all of you your individual life reviews of all of your actions from your conception until the moment of this experience. Your focus will be on your unforgiven sins and sins of omission. At the end of your life review, you will have My mini-judgment of where your life has taken you. You will see heaven, hell, or purgatory, and you will experience your place of judgment. I am giving all of you this chance to prepare your souls by Confession, so you can avoid any experience of seeing yourself in hell. After this Warning, you will have six weeks of time to convert your lives to be faithful to Me. If you are faithful to Me, My angels will mark a cross on your forehead, so you will be able to come into My refuges during the tribulation. You will receive a just judgment, so keep your soul pure for when I will bring you in front of Me. I love all of My people, and I will give every sinner one last chance to be saved from eternity in hell. Love Me and accept Me as your Master, and you will receive your reward in heaven. Repent of your sins, and I will save you."

April 5, 2017
Tuesday, March 28, 2017:
Jesus said: "My people, both readings had water mentioned, and they had to do with the cleansing of sins and the body's sickness. At the Bethesda Pool there was a saying that once the angels stirred the water, the first one to enter the water, could be healed. This is why the lame man had difficulty to get into the water first. I asked him if he wanted to get well, so he could affirm his belief that I could heal him. Not only did I heal his body, but I healed his soul as well, and I told him not to sin. The man immediately was healed, and he carried his mat,

even though it was the Sabbath. The Pharisees criticized him for carrying his mat, and later they learned that I had healed him. This further infuriated them that I healed people on the Sabbath. This cleansing water is a sign like the waters of Baptism, where the original sin of Adam is cleansed away, and the baptized people are welcomed into the Christian faith. The parents and godparents need to attend some training classes, so they can bring up the new convert in the faith. This is why you need to encourage the parents to have their newborn children baptized, so they are free of original sin, and they will later seek conversions of other souls."

Jesus said: "My people, this vision shows you the next step of the one world people in removing circulating cash, and changing the dollar into electronic SDRs. Many vending machines use coins or dollars, but only a few use credit cards. A cashless society would essentially crash your dollar, and you may not get much value back when the SDRs (strategic drawing rights) will become the new medium of exchange. Eventually, you will need a chip in the body to make any transactions. This will be the beginning of a world takeover with a world currency. The only real valuables will be food, gold, silver, and diamonds for barter. Even the gold could become outlawed as it was in World War II. When your money crashes, this could trigger a martial law takeover. This would be a time when I will warn My faithful to come to My refuges for protection, because you could starve without a chip in your body. You had a little practice in feeding a large group at your house, so you know what it will be like. This financial crash could come at any time, so be prepared when My faithful will come to your refuges."

Wednesday, March 29, 2017:

Jesus said: "My people, as the snow is about gone, you are seeing many signs of spring with warmer weather and longer days of sunlight. You hear the birds chirping, and you see the new buds on the trees, and some early flowers. You also are a few weeks until you will be coming to your Holy Week services. Even as you are doing some spring cleaning in your yard full of twigs, so you should also be thinking of cleaning out your soul for Easter Sunday. Lent is a good time to come to Confession along with your fasting and penances. Your fasting is training your body to be more controlled by your soul, so you can control your

bodily desires and passions. It is the cravings of your body that can draw you into sin and addictions. Pray to Me to help you control your addictions and your bad habits. By cleansing your imperfections, you can keep a pure soul. Keep your desires restrained for the rest of your Lenten time with Me."
Jesus said: "My son, you are seeing a tunnel and a wheel which was a sign of a life review of the events of your life. This is another sign of My coming Warning experience. All of the people on earth will experience this life review and a mini-judgment. This will be My mercy on My people, and a chance for souls to be converted before they could be lost in hell. If people do not accept Me and change their ways, then they will not receive a cross on their foreheads. Without this cross of the faithful, people will not be allowed into My refuges. Those people, who are faithful and repent of their sins, will be marked with a cross by My angels. Only My faithful with the cross on their foreheads will be allowed into My refuges. You will have six weeks after My Warning to quickly train your family members in the ways of the faith. If they are not converted to the faith, then they will be risking a loss in hell. You can work hard to convince them to wake up, but in the end it will be their free will choice if they want to be one of My disciples. Keep praying for your family and friends to be saved."

Thursday, March 30, 2017:
Jesus said: "My people, during the Exodus of the Jewish people in the desert, it was hard to understand how they would have food and water. The people needed faith in Me as Moses struck the rock with his staff to produce water. They also had manna on the land, and they received quail at night for meat. While Moses took a long time to receive the Ten Commandments on Mt. Sinai, the people built a golden calf to worship instead of Me. There was a division in the people, and those people, who worshiped the golden calf, were slain. In your world today, you have people who are worshiping other idols than Me. People are worshiping idols of money, material things, and fame. Whenever you spend a long time on something other than Me, you are worshiping your addictions instead of Me. At times your entertainment, computers, drugs, smoking, or any other addictions are controlling you. You need to break away from these things, and let Me lead you in what you should do. You have many distractions in your world, but do not be a slave to them. Your place is to follow Me and worship

only Me, instead of any earthly idols. When you worship such idols, you are sinning against My First Commandment, which says you are only to worship Me and no other false gods. By living your lives according to My Will and My ways, you will see that My ways are always better than man's ways."
Prayer Group:
Jesus said: "My people, this is a second message about an important figure who will die soon. The empty outdoor white wicker chair was empty as a sign of a missing person. This second message is a confirmation of the first message. The time and identity will come as this event happens."
Jesus said: "My people, you had some serious revelations at your recent conference. Those people, who have copies of the video, need to listen closely to what was said. Fr. Michel gave a good mission at Holy Spirit Church, and some interesting talks at your conference. Many people came and there were some healings when you were blessed by Fr. Michel. You all need to be thankful for Fr. Michel's coming, as he touched and healed some souls of their problems. Pray for his mission and the success of his seminary and the seminarians."
Jesus said: "My people, I am showing you a view of the stars in the heavens, because you may be able to see an unusual event with binoculars or a good telescope. This event will be a sign to you of one of My prophecies that I gave in previous messages. When you see this event in the sky, you will know of its significance."
Jesus said: "My people, there is an ongoing war in the Middle East that is involving your troops, but the extent of your troop involvement is not being fully reported. There is an ongoing goal to take out the ISIS troops, and this effort is being stepped up. This is why more funds are being requested for your Defense Department. There is a planned build up of your Defense forces, which were badly depleted by your previous President. Pray for your country to be prepared for some future wars, and terrorist activity."
Jesus said: "My people, this vision of a large spike on a seismograph is a warning of a coming severe earthquake that could take some lives. You have been having reparation Masses for the victims of natural disasters who will not have any time to prepare for their judgment before Me. Your Masses will help these souls who will be in dire need of your help. When people are killed suddenly in natural disasters, be ready to pray your Divine Mercy Chaplet for these souls. Any severe disaster could affect your people in the rest of your country. Keep praying and offering Masses for these victims."
Jesus said: "My people, you have seen some significant testing of missiles in

both North Korea and Iran. This is presenting a nuclear threat to North Korea's neighbors and Israel. Such testing could lead to another war with possible pre-emptive strikes against these rogue countries. Pray for peace, but the devil is stirring up trouble in these areas."
Jesus said: "My people, you have seen a surge in the buying of rifles, hand guns, and the ammunition. Your country is becoming an armed camp because of the many divisions and terrorist attacks. People want to defend themselves at their homes. Your current President is defending the right to bear arms, but these weapons could be used if there was a revolution between your divided people. Pray that such an internal struggle does not happen, because it could result in a takeover of your country. When your lives are in danger, I will call My faithful to My refuges."

Friday, March 31, 2017:
Jesus said: "My people, you are not long before Holy Week, when you will read again about how much I suffered and died for saving My people from their sins. In the vision you are seeing how God the Father sent His only Begotten Son to save you from your sins. My coming is a blessing for all sinners who repent and seek the forgiveness of their sins. I truly died even for those people who do not love Me, but you can pray for such souls to be saved. Just as I came to evangelize sinners, so I am also calling on My faithful to reach out and evangelize people to the faith. Even if you cannot go out physically to evangelize, you can still pray for the conversion of poor sinners. You also have a duty to pray for the poor souls in purgatory so they can come to heaven sooner. I have told you before that saving sinners with My help, is your most important task on earth. All of My faithful are called to save souls, so listen to My words, and act on them."
Jesus said: "My people, hell was prepared for the fallen angels, and it is truly eternal in My now outside of time. I am showing you this vision so people can understand how horrific it is to be in hell. The soul bodies are all black and ugly from the constant flames of hell. A person recoils in pain when that person is burned by a flame or touches a hot oven. Imagine every inch of your body on fire but not being consumed by the flames. You would be in extensive pain for all eternity. The demons torment these souls, and there is only hate with no love.

These souls have no hope of ever leaving this torture, and they will never see Me, a good angel, or anyone else but more condemned souls. The demons there are also black and hideous. All souls who come to hell are there because they chose it of their own free will. Prayers will not help these condemned souls, and you will not get any word from these souls. There is a fixed abyss between heaven and hell. In the Warning, sinners who have a mini-judgment to hell, will feel what hell is all about, so they will know what they are choosing. Keep praying to save sinners from hell, because you do not want to see anyone go to hell. This is why My faithful should be working hard to save as many souls from hell as you can."

Saturday, April 1, 2017:
Jesus said: "My son, in this vision you are seeing a new three stage ballistic missile being set up for a launch. This new development would give North Korea the ability to send a nuclear missile to hit America. This also could be used to cause an EMP (electromagnetic pulse) attack that could shut down your electronic devices for years. Such a launch would cause a great threat that could even precipitate a pre-emptive strike on such facilities. As more countries acquire nuclear weapons and the long range missiles to hit America, you will have your electric grid in even more danger of being destroyed. Your country's viability depends on electricity for your electronic devices. This could be another reason to add more protection to your grid. Pray for your country's protection from such harm."
Jesus said: "My people, you are finally seeing a little sun after days of clouds and heavy rains. You can see a long stem flower in your vision, and even some flowers are breaking through the surface in your own backyard. After a long winter snow, it is good to see the green grass and buds dropping off the trees. You are still enduring the fasting and your penances for a few more weeks of Lent. You see that you can get by on less eating, but it still takes work at night to avoid snacks. You can also see that it is possible to control your free will, if you are adamant about doing it. This is the lesson of your Lenten devotions, that you can change your lifestyle. Call on Me in your prayers to help you follow My

ways, instead of falling weak to your body's desires."

Sunday, April 2, 2017:
Jesus said: "My people, you are all so happy to be alive to experience your warm sunny day after so many cloudy, rainy days. In the Gospel I was weeping over the death of My friend, Lazarus. Mary and Martha were sad that I did not come sooner to heal Lazarus, their brother. I asked Martha if she believed that I could raise Lazarus from the dead. Then I said: 'I am the Resurrection and the Life; he who believes in Me, even if he die, shall live; and whoever lives and believes in Me, shall never die.' (John 11:25,26) I later had the people roll back the stone from the tomb, and I called: 'Lazarus come forth!' Lazarus was renewed by the Spirit, and he was unwrapped from his burial clothes and alive. This raising someone from the dead is an example of how at the judgment, all of My faithful will be raised up in their glorified bodies. You are My Easter people, so rejoice that you will be raised up in the Spirit one day, and never to die again."

Monday, April 3, 2017:
Jesus said: "My people, you have seen many cases where people have been falsely accused of a crime that they did not commit. It is even more of an injustice for those evil people who purposely frame people to hide their own crimes. You are seeing more fake news accusations in your current politics, which is another form of harassment. In the Book of Daniel you saw how Daniel confronted the two lustful judges, and he had them put to death as they tried to put Susanna to death for not sleeping with them. They were convicted of their own perjury when they answered falsely to Daniel's questions. In the Gospel, people wanted to stone an adulterer to death. I wrote the crimes of those people in the dirt, and I told them to only cast a stone if they had no sin themselves. I did not condemn the woman, but I told her to avoid the sin she committed, and sin no more. There are many people who are committing fornication, adultery, homosexual acts, masturbation, or using birth control devices, which are all mortal sins. These sins need to be confessed in Confession before receiving Holy

Communion. So do not accuse other people of sins, because you are all sinners. I am the only judge of people."
Jesus said: "My people, you are seeing in the vision how a man was desperate to get down from a tall skyscraper, and he was half way down. The building was on fire from a major terrorist attack, and it was difficult to come down the elevator. Many people were in danger of being killed in this event. The whole vision seemed very real, and you could feel the tension in the people trying to escape this building. These types of incidents are hard to prepare for, so pray for the souls of the victims in such terrorist attacks. You will be seeing more terrorist attacks that could lead your country into another war."

Tuesday, April 4, 2017: (St. Isidore)
Jesus said: "My people, in the first reading from Exodus, the Israelites were not happy with the manna they had in the desert, and they even called it 'wretched food'. As a punishment I sent seraph serpents that killed some of the people. The people complained to Moses of their sin, and he fashioned a bronze serpent on a pole, and told the people, whoever looks on it, will be healed of their snakebite. There are two messages for My faithful who will be protected by My angels at My refuges. Do not complain about the food that you will have, because I will be sending you daily Holy Communion from a priest or My angels. You will have My very Self in this manna of the tribulation. My refuge builders will have other food as well in cans, MREs, or dehydrated food. The second gift will be that you will have either a luminous cross in the sky or healing spring water. When you look on My luminous cross or drink the spring water, you will be healed of all of your ailments, so you will not need any pills or doctors. My angels will make your refuges invisible to your enemies, and people without crosses on their foreheads cannot enter or harm you. Be thankful for how I will protect and feed My faithful at My refuges, during the tribulation of the Antichrist."
Jesus said: "My son, I am showing you two signs of My refuges. The shield in the vision represents the invisible shield that My angels will place over My refuges so the evil ones cannot see you. This shield will also protect you from bombs, deadly gases, and deadly viruses. My refuges will not be destroyed by any natural disasters either. The wrench in the vision is not a weapon, but it is a

sign to My faithful to bring the tools of their trade to My refuges, so they can help people, and they could be multiplied. It is good to bring these useful things, because there will be no stores to go out and buy things. Those people, who have trade skills, will be assigned the work they know best. Other jobs will be rotated so everyone shares in helping with the less desirable jobs. You all will contribute something to help run My refuges, as everyone will have to work. My refuge builders will be the worker who will assign the needed jobs for your survival. I will multiply the food, water, clothes, fuels, and bedding needs. You need to bring some hygiene needs that will also be multiplied. Give thanks and praise to Me for providing your protection, and your physical and spiritual needs at My refuges."

Wednesday, April 5, 2017: (St. Vincent Ferrer)

Jesus said: "My people, in the vision I am showing you a seaplane taking off from the water. This represents how I am saving you not only from drowning in the water, but My grace is also saving you from drowning in your sins. I lift you up in life, even when you are down in your depression or your trials. Sometimes when you are carrying your cross and you fall down, you need to pick yourself back up, and struggle on with My help. In the first reading from the Book of Daniel, you saw an act of faith in Me that I rewarded the three Jewish men by saving them from the fire in the white hot furnace. These men refused to worship the king's statue because it is idol worship against My First Commandment. I blessed them for their faith in Me by sending them an angel to protect them from the fire. The king realized that I am truly the God of the universe by this miracle. It is not easy to trust in Me when your lives are at stake, but it is better to die as a martyr, than openly deny your Lord. Those people, who die as martyrs for My sake, will become instant saints in heaven. Remain faithful to Me in all that you do, and you too will be rewarded in heaven."

Jesus said: "My people, there are two meanings for this vision. The first could mean one country is initializing a nuclear attack on another country. You have seen in Syria how they are using chemical weapons against the rebel dwellings. Nuclear weapons could be used if one side is desperate for a victory. Such weapons could spread radiation over a wide area, and many people could die of radiation sickness. The other meaning of this vision could signal how the

Republicans in the Senate want to use the nuclear option to block a Democrat filibuster, so Judge Gorsuch could have a vote on his nomination. This will be the first time one party forced a filibuster on a Supreme Court nomination, and the first time a nuclear option was used to overturn such a filibuster. Pray that nuclear weapons are not used, and pray that you see a more bipartisan government work together."

Thursday, April 6, 2017:

Jesus said: "My people, in the first reading from Genesis, I made a covenant with Abraham and his people that he would be a father of nations, and I would be their God. Then the people would have to abide by My laws and My covenant with them. You are seeing this fork in the road that represents man's free will to obey Me or not. I call all of My people to come to Me down the narrow road, by obeying My Commandments, and allowing Me to be the Master of their lives. The people, who follow My covenant, will see their reward in heaven. The other road at the fork is called the broad road of defiance of My laws that leads to hell. Those people, who refuse to repent of their sins, and do not let Me lead their lives, are calling down My justice on them, that only leads to a path to hell. If you love Me and desire to be with Me for all eternity, then you need to take the right fork down the narrow road, and you will be joined with Me forever in peace and love. By keeping your end of My covenant, you will see Me as I AM. I will always love everyone, as I keep up My end of My covenant with man."

Prayer Group:

Jesus said: "My people, I told you in previous messages that you would see one disaster after another. You have seen high winds, snowstorms, multiple days of heavy rain, and tornadoes. Your weather has been very unusual in its severity. You are seeing damage from power outages, downed trees, and flooded basements. Some of these disasters are a punishment for your many sins. When you have severe flooding, it is very difficult for your farmers to plant their crops in muddy fields. Pray for less problems in your weather, and for people to repent of their sins."

Jesus said: "My people, you have seen a hard battle in your Senate to confirm Judge Gorsuch to the Supreme Court. You are seeing history made with the first filibuster of a Supreme Court nomination. You are seeing further history when

the 60 vote mandate for a Supreme Court candidate was changed to only a simple majority. Your court vacancy needs to be filled to break the four to four deadlock on many issues coming before the court."
Jesus said: "My people, you are seeing on your news all the pictures of floods and tornado damage. Many people have lost their homes, or they had to evacuate their homes to a dry location. These events can cause people to lose their jobs, as well as access to their homes. Other areas like your own, are still cleaning up downed trees and branches. You have so much tree damage that it is overwhelming your town trucks and labor, as limbs and trees have not been removed for weeks. Pray for the victims of these disasters so they can find food, water, and shelter until they could rebuild their homes. It will be hard on insurance companies, and state and national aid to clean up all of this damage."
Jesus said: "My people, your infrastructure has suffered from storms and poorly maintained bridges, roads, and railroads. You have heard many mayors and governors seeking extra funds that are needed to pay for bridges, roads, and railroads that need repairs. It is not easy with local taxes to finance all that needs to be fixed. This is why your National government needs to help finance your infrastructure repairs. It is hard to find funds that are competing with other parts of your Budget. You are seeing this battle in your Congress. Pray for your people to have the right priorities in your National Budget to get the most needed things done."
Jesus said: "My people, for many years your corporations have been exporting your jobs to the cheap labor of China and other countries. Many countries have taxes and restrictions on selling goods, that has caused your country to have billions of dollars in deficit of payments. This means that your imports far exceed your exports, and wealth is being drained from your country. Your President is trying to make better trade deals to keep your jobs in America. Pray for his success because your country's economy is at stake."
Jesus said: "My people, your previous President was trying to discourage your coal power plants with over restrictive regulations. Coal power plants produce 30% of your electricity to run your homes and factories, so it is hard to replace this need with new natural gas plants, solar and wind. Your new President has stopped this burden of regulations on coal power plants and your pipe lines. Be thankful that some changes are helping your people and their jobs."
Jesus said: "My people, you are coming close to Holy Week this weekend, and you need to make plans to attend as many services as you can. This is the most important week of My death on the cross in your Church Year. Try to get to

Confession for this coming week, and keep up your Lenten fasting and prayers. This time of Lent has passed very fast, so make the best you can of these last weeks of Lent."

Friday, April 7, 2017:

Jesus said: "My people, you now know the new red line against Syria in using sarin gas against women and children. Your President had your ships launch many missiles at the Syrian airbase that launched the sarin gas attack. This use of such a deadly nerve gas attack on women and children, was in defiance of UN laws against these weapons. Your President's response is understood by many people, but such action could have more serious reactions by Syria and Russia. This attack did put other countries on notice that the U.S. is not reluctant to use military force. It is sad that such a war is going on against Syria's own people, and it is not sure what action will be taken next. It is dangerous that Russia and Iran could get more involved in this ongoing conflict. Pray that this war does not expand, but the battle against ISIS is still being pursued. War and killing in this area has been going on for years, but it is not My desire to see such killings."

Jesus said: "My people, seeing this tunnel makes you think of how people will be coming to My Light at the end of a tunnel in the Warning. The children playing in the tunnel represents how I want My people to have faith in Me like a child loves his or her parents. Just as I love everyone as they are, even in sin, so I want you to love Me despite your imperfections. You do not have to know all the books about Me in theology, but you only have to love Me with even the little you know about Me. Indeed, even knowing Me as a God-man is truly a mystery, and beyond your human comprehension. My Real Presence in the consecrated Host, and the Blessed Trinity are mysteries to know as well. It is important to have a love relationship with Me, as that is enough to get you into heaven. Repenting of your sins in telling Me how sorry you are for offending Me, is another way of showing your love for Me. I love all of you all of the time, because you are My creations made in love."

Saturday, April 8, 2017:
Jesus said: “My people, the Jewish leaders were perplexed when they received the report that I had raised Lazarus from the dead. As a result, many people came to believe that I was a prophet, and even some thought I was the Christ, the awaited Messiah. This fame of Mine was alarming to the Sanhedrin, who thought I needed to die to save the nation from the Romans. I went off to hide from them, but I would return to Jerusalem for the coming Passover feast. In the vision you saw the face of Putin, the Russian leader. It is serious that America bombed the Syrian airbase where Russia is supporting the Syrian leader. Russia moved one of their ships into the Mediterranean next to possibly confront the American ships. There is now a strained relationship between Russia and the United States. Pray for peace without a widening of the Syrian war.”
(4:00 p.m. Mass Palm Sunday) Jesus said: “My people, when you read about My suffering and death on the cross, you understand a little about how much I love all of you to die for your sins. I have mentioned before how much I want a large crucifix on every altar, an do not be afraid if there is red blood on My Body. Even My Agonizing Cross is more realistic than your crosses, because I suffered many wounds. Your crosses without the corpus and the resurrected crosses are a disgrace to My real love for you. When you pray the Stations of the Cross every Friday, you are reminded how much I suffered in sacrificing My life out of love for My people.”
(Laura Lynch funeral memorial) I could see Laura moving up in purgatory with prayers and Masses so she did not suffer the flames. She committed suicide, but Jesus had mercy on her soul. Jesus asked our little group to pray the Divine Mercy Chaplet for her soul. Jesus said: “My people, you heard a tragic story about Laura’s life, but I did allow her into the lowest part of purgatory at first. Your prayers and Masses have allowed her to move up in purgatory. These souls have to suffer a certain length of time in the lower parts of purgatory until some reparation is made for her sins. Keep praying for her soul, and have Masses said for her.”

Sunday, April 9, 2017: (Palm Sunday or Passion Sunday)
Jesus said: “My people, this death of Mine on the cross is a sign of how much I love everyone in the past, present, and future. I told you how I died outside of

time, so everyone can share in My pain on the cross. You read in the account of today's Gospel how once I died, there was an earthquake that split the curtain in two that was in the Temple. This flashback of seeing your miraculous veil over the Crucifixion Station of the Cross in your chapel, is a reminder of the veil in the Temple when it was split in two. This adds a little more importance to this event that happened in your Eternal Father chapel. Now, you are at the beginning of Holy Week, so give Me some extra time in your prayers at My services."

April 19, 2017

Monday, April 10, 2017: Jesus said: "My people, in Holy Week you have another reading that talks about My death. As Mary anointed My feet with an expensive oil, Judas remarked how the oil could have been sold, and the money given to the poor. I remarked how she was anointing Me for My burial, which was coming soon. I was at the house of Lazarus, the one whom I raised from the dead. The Jewish leaders also wanted to kill Lazarus, because his miraculous restoration to life was causing many to believe in Me. This week should be one of extra prayer and fasting because you will be sharing in My Paschal mystery of My death and Resurrection. My whole purpose for becoming a God-man was so I could sacrifice My life as the unblemished male Paschal Lamb. My sacrifice of My life to God the Father, is the most perfect sacrifice that could be offered up for all the sins of mankind. Because of one man, Adam, sin came into the world. Now, because of one man in Me, sin is being conquered. Death is a consequence of this sin, and I am conquering death with My Resurrection. Before I raised Lazarus from the dead, I told Martha that 'I am the Resurrection and the Life' for all souls."

Jesus said: "My people, your military people and politicians are naive to think that Iran, Syria, and Russia will abide by any treaties. These nations still have their chemical and nuclear bombs which they did not reduce, and Iran is still working toward making nuclear bombs. Iran is using your money to further their terrorist threats. Syria is still bombing its people, and even the hospital used to help the gassed victims. The various forces fighting in Syria and Iraq are hard to tell apart. Both Russian and American technical people are helping opposite parties in these wars. It is just a matter of time before America will be drawn into a war with Russia, Iran, and Syria. Your supposed allies do not want to get drawn into another long and costly war. Your President is right in that they

should be paying for their own defense. Pray that the current fighting does not spread into a larger war."

Tuesday, April 11, 2017:

Jesus said: "My people, you are moving closer to My death on Good Friday, as Judas was identified as My betrayer to the Jews. Satan was allowed to enter Judas, as he was led to hand Me over for thirty pieces of silver. I also told St. Peter that he would deny Me three times, when he said he would not betray Me. Judas did not think I would forgive him, so he went out and hanged himself. Later, St. Peter would be asked to love Me three times, after his three denials. St. Peter did love Me, and he denied Me to save his life, but he was sorry for his sin. Even today, many of My people deny Me in their sins, and even some do not realize how much they offend Me when they sin. You have My sacrament of Reconciliation to seek My forgiveness and repent of your sins. I know how you are all weak to sin, but you can renew your love and friendship with Me in the confessional. Keep your soul pure, so you will be stronger against your temptations."

Jesus said: "My people, you are seeing many sins around the earth in fornications, adulteries, homosexual marriages, and euthanasia acts. The demons are attacking many souls, and souls are being lost in hell in this black vortex of evil in the vision. You need to trust in Me that the devil's time is almost up before he will be chained in hell. Just as I conquered death and sin in My Resurrection, so I will conquer all the demons at the end of the tribulation. All the demons and evil people will be cast into hell when I bring My Comet of Chastisement. So take courage and have patience and hope in My ultimate victory. In My Era of Peace there will be no evil on the earth, as you will be training to be saints in heaven."

April 19, 2017

Wednesday, April 12, 2017:

Jesus said: “My people, you are about to share in the Triduum services of Holy Thursday, Good Friday, and Easter Sunday. In today’s Gospel you are reading of Judas’ betrayal again, according to St. Matthew’s Gospel. Yesterday, you read a similar betrayal, according to St. John’s Gospel. The betrayal by a friend or disciple hurts you more because that person was someone you trusted. I knew that Judas was My betrayer for a long time, since he would be an instrument of My death on the cross. This is why I came into being a God-man, so I could sacrifice My life as the Lamb of God for all of mankind’s sins. Tomorrow, you will be celebrating My Last Supper, which is truly the first Mass of the Passover. Every Mass is a re-enactment of My Last Supper as I consecrated the bread and wine into My Body and Blood for the first time. I told the people that unless they eat My Body and drink My Blood, they could not have eternal life with Me. In the vision you saw Me scourged at the pillar, as the whips took bits of flesh off of My back and chest. The soldiers mocked Me as a king by placing a crown of thorns on My head. I was later condemned to death by Pilate. I had to carry My heavy cross down the Via Dolorosa to Calvary where I was crucified on the cross. I suffered all of this pain and death as reparation for your sins. This is truly a sign of My love for all sinners, even those sinners who do not accept Me. Pray for all sinners so they could be saved by seeking My forgiveness.”

Prayer Group:

Jesus said: “My people, you are seeing a view of a depiction of a tar pit of hell with souls burning in the flames. You just made a DVD of a movie about hell, and you were struck by the descriptions of the souls who were in hell briefly, before I brought them back to life on earth. The one man said there is one choice between heaven or hell. I love every soul, but it is your free will choice which destination that you want for your soul. I prefer that you come to Me out of love, rather that out of the fear of hell. There is no way out of hell, and it is eternal to suffer there. You would much prefer heaven, but each soul needs to repent of his or her sins, and accept Me as your Master to be saved from hell.”

Jesus said: “My people, you know how important water is for people to survive. In the same way My well of graces are always available to you in My sacraments. I have told you that unless you eat My Body and drink My Blood, you cannot have eternal life with Me. I forgive your sins in Confession, and you receive My sanctifying grace in Holy Communion and Confession. My grace is your spiritual lifeblood for the soul, and you feed on Me as the Bread of Life.”

Jesus said: “My people, during Lent you have been called to pray and fast to protect your soul from the devil’s temptations. I have called you to pray quietly

in contemplative prayer to listen for My words to you. You can also read some spiritual books as the Liturgy of the Hours, and the Imitation of Christ. Speak to Me in your informal prayers in addition to your formal prayers. Prepare for the most holy days of the Triduum."
Jesus said: "My people, on the Easter Vigil you will see how the priest puts My five wounds of My hands, feet, and My side on the Easter Candle. This service is performed in the dark, representing the sin in the world. Then a fire is started and a new fire lights the Easter Candle which is a symbol of how My Light disperses the darkness of sin. On Good Friday you carry My crucifix to the altar that again represents how I suffered for your sins. You come forward to kiss My cross to show Me how much you love Me. Take time to come to all of these services."
Jesus said: "My people, many of you in the Northern States are happy the snow has melted away, and new spring flowers are coming through the soil. This new life in nature can also encourage you in your own new spiritual life that has been cleansed by your Lenten devotions and Confession. As Easter approaches, you are seeing longer days of daylight, symbolizing My Light coming into the world. Rejoice as you see the Easter lilies trumpeting My victory over sin and death."
Jesus said: "My people, in some areas of tornadoes and high winds, you are still in need of a spring cleanup. It has been difficult to remove all the debris from your fallen trees. Even some homes and cars will need some repairs. Be grateful if you avoided serious damage, and pray for the victims who have either lost their homes, or had some power outages."
Jesus said: "My people, you have read how much blood I lost in My scourging and My crucifixion. I am not the only life that was offered up, because your country has the blood of your abortions on your hands. You are seeing a procession carrying My crucifix on Good Friday on the anniversary of My death. Your mothers and doctors are killing a million of My unborn babies every year. Pray for the stoppage of your abortions, and that your mothers will give birth to their babies. Life is too precious to discard these babies for any reason. Each baby has a soul and My Presence in them, and each soul has My plan for his or her life. Keep struggling and praying that you can overturn this disgrace in your Supreme Court."

Thursday, April 13, 2017: (Holy Thursday)
Jesus said: “My son, you had a vision of the actual Upper Room in Israel where I offered the Passover as the first Mass with My apostles. You see the depiction of the Last Supper in many artists’ renditions. I offered the bread and wine, and I consecrated them into My very Body and Blood for all time. You also saw the priest wash the feet of twelve people, who represented My apostles. This was a sign of My love to be the servant of My apostles, so they could do this for others as well. You have made some sacrifices for Lent in your fasting and penances. Soon Lent will be over in a few days, but you could do your fasting on Wednesdays and Fridays throughout the year, and you could give up your sweets on those days as well. You were happy to visit the churches for Holy Thursday, and you shared the angels in your chapel with your priest friend. This is a beautiful and peaceful service, as you shared these precious moments with Me tonight.”

Friday, April 14, 2017: (Good Friday)
Jesus said: “My son, you are seeing many visions of your trips to Jerusalem. You saw the Upper Room of My Last Supper. You saw the rock in the Garden of Gethsemene where I prayed. You saw the various Stations that were commemorated on the Via Dolorosa. You visited the place where I was scourged. You also saw the place where I was crucified in the Holy Sepulcher. Not far away is another commemoration of My burial place and where I resurrected. In a further vision you saw the miraculous veil of light over your Station of My Crucifixion. All of these experiences made My suffering and death real for you, because you saw the places where this occurred. You and all of My people should be grateful to Me for all that I went through to bring salvation to all sinners. It is up to each soul to give his or her free will ‘yes’ to accept My gift, and seek My forgiveness for each person’s sins. You all can offer up your suffering, and unite it with My suffering on the cross. You all have troubles, as you are tested in life, so call on My help to assist you in carrying your cross.”

Saturday, April 15, 2017: (Easter Vigil 8:00 p.m. Mass)
Jesus said: “My people, you know that death had no power over Me, so I arose after three days according to My Word and other prophecies. You saw Me in the vision of My Glorified Body coming out of the tomb in a flash of Light that blinded the soldiers. The soldiers were like dead men, and later they could not find My Body. Mary Magdalene saw Me in the morning, so I told her to notify My apostles that I rose from the dead just as I had told them. Once I arose, many other souls were allowed to rise and come to heaven because of My victory over sin and death. You are My Easter People when you believe that I am the Resurrection and the Life. Rejoice as you are singing Alleluia once again after your Lenten fasting. Now you will be celebrating Easter for fifty days until Pentecost Sunday.”

Sunday, April 16, 2017: (Easter Sunday 8:00 a.m. Mass)
Jesus said: “My son, it is true that all of heaven is celebrating more than ever on Easter, that commemorates My Resurrection. As you share in all the festivities of this most holy day of Easter, this is an example of how all of My faithful will also be resurrected in their own glorified bodies on My Last Day of Judgment. Sing and rejoice in My Alleluia verses, as even the sun and nature are triumphant in My victory over sins and death. It was My Resurrection from the dead that was My greatest miracle for everyone to understand that I am truly God’s Son, and the Second Person of the Most Blessed Trinity. My apostles were overwhelmed with joy when they saw My empty tomb with the burial cloths wrapped neatly. It took some time and My personal visit in the flesh for all of My apostles to believe that I truly rose from the dead. Some of them did not recognize Me at first, because I was in My glorified Body. They finally saw and believed in Me. Give praise and thanks to Me for bringing salvation to all of My people. Your joy should know no bounds as well. I love all of you so much, that I died to save all of you from hell.”
(Easter Sunday 11:30 a.m. Mass, Demi’s Baptism, my great granddaughter)
Jesus said: “My people, My Resurrection feast day brings almost everyone in the family to church. Now that you see your relatives at church, you realize how important it is for My prayer warriors to pray that all of your family members

could be saved. You have seen in some pictures, movies, or visions how awful hell is, and you do not want to see anyone, let alone your family, be lost in hell. You need to be persistent in your prayers for your family, so they can come to Me in faith. You want them to have faith to receive a cross on their foreheads to get into My refuges. Helping to save your family's souls should be your first priority in your prayer intentions."

April 19, 2017

Monday, April 17, 2017: Jesus said: "My people, after My feast of Easter you should be sharing My words of mercy and love, but all you see in your news, is how various nations are beating drums for more wars. You have ongoing conflicts in Syria, Iraq, and Afghanistan. All of the latest bombs and troop movements are only signaling the possibility of more wars, and extended conflicts. As you increase your spending for defense, you are preparing for more wars and making more arms for war. You would be better off spending money to feed the poor, instead of killing people in wars, abortions, and euthanasia. Satan is using your pride and power to get you engaged in more fighting in wars. Keep praying for peace and to help save souls from hell."

Jesus said: "My people, the best way to have people come to believe in Me, is to have someone give a personal testimony on how and why that person came to believe in Me. You all have free will and I will not violate what you choose to do for your life. If you truly desire to come to heaven with Me, you need to ask Me to forgive your sins, and let Me be the Master of your life. Giving your will over to Me takes great faith, but you will have your eternal reward with Me in heaven. Your people prefer to hear a personal testimony because you all are familiar with your human condition. This is another reason why I became a God-man so you would know that I went through all of what you have experienced. I gave you testimony that I was God by My miracles, and I showed you My love relationship by dying for all of you on My cross. I want all of you to seek a love relationship with Me, because I am all loving with everyone. Whenever you pray to Me, you are showing Me your love and thanks for all that I do for you every day."

Tuesday, April 18, 2017: (Funeral Mass of Mary Firpo)
Mary Firpo said: “I am so happy my son, Fr. John, could offer up my funeral Mass. As a mother of a priest, I am so fortunate to have my son serving for a lot longer than I served in the Army. I am so proud of Fr. John. I love all of my family very much, but I have a special place in my heart for Fr. John. I want to thank all of the people who came to my funeral Mass. I also want to thank all of the people who cared for me in my later years. I saw Jesus coming to take me home, much like Carol’s mother saw Jesus coming for her, as she died at about 97 as well. God bless all of you, and I will be praying for all of my family and friends.”
Jesus said: “My people, your allies and your troops are trying to rid ISIS from the Iraqi cities, but it is getting hard to root them out because they hide behind the civilians. These battles do not have clear cut lines of who controls which areas. Street to street clearing of ISIS is difficult when there are so many places to hide. Your troops have similar problems riding ISIS from the many caves the enemy has constructed in Afghanistan. Your President does not want to commit ground troops when you can use drones and air cover for the local troops. These wars in the Middle East have gone on for years without any clear victories. It is difficult to have peace when the factions want to keep fighting. Keep praying for peace where Satan is keeping the hatred alive by his evil ways. Even in America you are still seeing little bursts of terrorism, and your politicians still refuse to call it what it is.”

Wednesday, April 19, 2017:
Jesus said: “My people, it is good to look at yourself in a mirror and meditate on whether you are following your ways or My ways. If you want to be a good Christian, you need to give your will over to My Will, so I can use you for My

purposes. Looking into the mirror is also a good way to see where you are in your life if you were to die today. Do you keep a pure soul with frequent Confession so you are ready to face Me at your judgment? Do you make sufficient prayer time every day, so you can be united with Me in love, and share your troubles and your prayer intentions? Do you see the big picture of your life as to whether you are headed to heaven, hell, or purgatory? By answering these questions honestly, you can see what you need to work on in order to please Me in your life's actions. When you see the images in the mirror upside down, you are seeing how difficult it is to live in your world today, because people may see you as not being politically correct in your actions. Your laws are upside down when they are compared to My Commandments. Your courts allow abortion which is killing unborn babies, and this is against My Fifth Commandment of not killing anyone. Your courts allow homosexual marriages, and many live in fornication, which are sins against My Sixth Commandment. You should be living in a proper marriage in My Church where children should be born out of love, rather than out of lust. Some states allow euthanasia and recreational marijuana, which are killing old people and ruining the young people's lives with drug addictions. Pray for sinners with your St. Michael prayer of deliverance for all people with addictions, so they can be returned to My love."

Thursday, April 20, 2017:
Jesus said: "My people, you have such beautiful readings after Easter that is a witness of My Resurrection and My healing power. St. Peter spoke out to the people that it was by the power of My Name that the lame man was healed. St. Peter also gave witness that I am the Messiah, the Son of God, who died for their sins. He told the people how I rose from the dead with the greatest miracle of all. In the Gospel I appeared to My apostles in the Upper Room, and I showed them My wounds and ate some fish to prove that I rose from the dead. I appeared in the flesh, so they could go forth and tell the people that I am alive. I conquered sin and death, and My apostles were called to convert people to this new way of Christianity. Being a Christian is not easy, because you need to deny yourself and follow My ways. You need to detach yourself from worldly possessions, and seek the forgiveness of your sins from Me. You need to repent of your sins and carry your cross of life for My sake. Obey My Commandments and encourage

others to do the same. Those people, who are faithful to Me, will also be resurrected in body and soul as your everlasting reward. Give glory and praise to your risen Lord, even as you are also joyful to be numbered among My Easter people."

Friday, April 21, 2017:
Jesus said: "My people, I am the cornerstone, and you are My Church, My followers. My early Church was rejected and persecuted. Because I founded My Church, I have protected it and I have allowed it to flourish over the years. As you are approaching the end times, you are seeing the faith in people that is waning. Today, you have many people worshiping the idols of this age in all of your electronic devices, and many addictions led by the demons. This decrease of people who are coming to church, is a sign of the end times. I even said: 'Will I find much faith in the people when I return?' You will be seeing a division in My Church between the schismatic church and My faithful remnant. As this split proceeds, My faithful will have to come to your prayer groups and your refuges for Mass and prayers together. This is why I am showing you a refuge chapel that will be protected by My angels. This is also why it is important for My faithful to help each refuge in their needs. You will all be living in refuges during the tribulation, so you need to do what you can to help support My refuge builders. I love all of My people, and these refuges are My means of protecting My faithful from the Antichrist, and the evil ones who want to kill you. Share what you have so all of My refuges will have what they need both physically and spiritually. I will multiply what you need, and you will have daily Holy Communion from a priest or My angels. Give thanks and praise to Me for all that I do for you every day."

Saturday, April 22, 2017:
Jesus said: "My people, you are celebrating Easter which is a celebration of My Resurrection from the dead. No one had ever come back from the dead under

their own power. Only a few people by My grace were allowed to return to life. This is why it was hard to believe in My Resurrection, even for My apostles. I appeared to Mary Magdalene, and also to the two disciples on the road to Emmaus, but still My apostles did not believe. Only when I appeared to them in the flesh, did they believe. I told My apostles that they believed because they saw Me, but blessed are those people who believe in My Resurrection and did not see Me. Belief in My Resurrection takes faith, and this faith is a gift of My grace. My people need to rejoice in My Resurrection, and do not be afraid to spread My Word to all the people. My disciples, St. Peter and St. John, were tested by the Sanhedrin for healing a cripple in My Name. They answered their leaders by saying it is better to obey Me rather than obeying these men. St. Peter and St. John refused to stop talking about My Name and My Resurrection. My Easter people also need to be fearless in proclaiming My Name, despite any persecution from atheists or your authorities. It would be better to die as a martyr, than to deny Me before men."
Jesus said: "My people, I am showing you fast moving spokes of a wheel that means your events are going to be speeded up as time will be going by faster. The spiraling down on a road, is a sign that the evil events will be getting worse leading up to the Antichrist's takeover. I told you that you would have a short reprieve before the evil ones would be allowed to control the earth for a short time. Be prepared to leave for My refuges when your lives will be in danger. Wars, a division in My Church, and evil dictators will be influencing your world leading up to the Antichrist's declaration when he will reign for a short time. Do not be afraid because I will protect My faithful at My refuges. Be patient through this trial because soon I will bring My victory, and Satan and the evil ones will be chained in hell."

Sunday, April 23, 2017: (Divine Mercy Sunday)
Jesus said: "My people, in the first vision you saw how crowds of people came to hear My words, and I healed them in both body and soul. Even today, I call all of My people to listen to My words of love, as I shower down My mercy and graces upon you on this Divine Mercy Sunday. I gifted St. Faustina with this devotion to My Divine Mercy. You can read about My visitations to her in her Divine Mercy diary. It would be a good recommendation to read these pages

from time to time. In the Gospel I asked St. Thomas to put his had into My wounds, and believe in My Resurrection from the dead. He responded: 'My Lord, and My God.' This is what you respond when the consecrated Host and the Wine are elevated at the Consecration. St. Thomas believed because he saw My risen Body, but blessed are those people who believe, and have not seen Me. I called My apostles then and My people of today to go out to all the nations and share My Good News of salvation."
To Elizabeth Parker: Jesus said: "My people, Elizabeth died with a suffering heart for all of her family, because there were many difficulties in the family. She will be praying for all the souls of her family. She needs some prayers and a few Masses to pass from purgatory to heaven. She loves all of her children, and she will be watching out for their souls. Pray to her as an intercessor for your prayers."

Monday, April 24, 2017:
Jesus said: "My people, I am showing you great signs in nature when big events happened in My life, and in the life of My Church. When I died on the cross, a great earthquake occurred that split the curtain of the Temple in two. A great darkness came over the land that frightened the people. The splitting of the curtain is a sign of a new Covenant by My death, that no more sacrifices would be necessary, because I am the supreme sacrifice that is offered up for your sins. In the Gospel you see another earthquake and a great wind when the Holy Spirit came down over My apostles in the form of tongues of fire. This will be celebrated on Pentecost, but My disciples were given the power and strength to proclaim My Good News. In today's world you saw lightning strike twice on the Vatican when a Pope was elected. These natural events that occur, are drawing your attention to the importance of spiritual events that are occurring simultaneously. You will see great signs also on the day of the Warning, and at the end of the tribulation, when My Comet of Chastisement will strike the earth. Have hope and trust in My protection, as I will always be guiding My people on the right path to heaven."
Jesus said: "My people, this vision of opening a window, is all about how open you are to Me, and to good change in your life. Some people think they are open, but they are only open as long as they are comfortable. As soon as I call some

people to do something outside of their comfort zone, they do not want to follow Me in being open to good change. I am all love and I love everyone, even those people who reject Me. It is hard for some people to love Me because their actions are against My Commandments, and they love their sins more than Me. If you are truly open to hearing My Word, then you need to analyze your actions to see if they are sins or not. I know you are weak sinners, but you need to confess your sins to have a pure soul. There are people in hell who totally ignored My love, and My Presence in their earthly lives. In order to save souls, My prayer warriors need to pray persistently, especially for their family members. I call on everyone to be open in their hearts so I can enter. Those people, who love Me and repent of their sins, will find Me in heaven. Those people, who reject My love or ignore Me, are on a path to hell. Reach out to save the lukewarm souls with your prayers and your good example."

Tuesday, April 25, 2017: (St. Mark the disciple)
St. Mark, my guardian angel, said: "I am Mark and I stand before God. I am always at your side, guarding you from the evil spirits and any other attack from people's actions. You are called by Jesus to be holy, and center your life upon Him. You need to be a good example to others, and show Jesus' love to everyone. You are faithful to God most of the time, but you can always try to do better. Continue your daily prayers and keep telling Jesus how much you love Him."
Jesus said: "My son, I am gracing you with this opportunity for your guardian angel, St. Mark, to give you a message. My angels and I will not interfere with your free will, but all of my people need to know they each have their own guardian angel protecting them. People may not know the name of their guardian angel, but they can give them a name. Remember they are all called saints, like My son's St. Mark. Give praise and thanks to Me that I love all of you enough to die for you, and to give each of you at least one or more angels to guard you from the evil ones and even physical harm. Your angel, St. Mark, helped you to get your carbon monoxide meter, so you knew the danger you were in by your basement. Thank St. Mark for all that he is doing to protect you."
Jesus said: "My people, I told you that you would be seeing disasters happening all over the world. Earthquakes and volcanoes have been occurring with a higher

frequency. In the vision I am showing you a place of ruins with white columns in Italy. The earthquake will be setting off a huge volcanic activity. It is hard to prepare for a good size earthquake. Pray your reparation Masses for the people who will die suddenly in these natural disasters."

Jesus said: "My people, you are seeing some dangerous signs of a potential war in North Korea as the U.S. naval ships are concentrated around this area. There is a major concern if North Korea can test an Intercontinental Ballistic Missile that could hit the United States. There is even the possibility of a pre-emptive attack on such facilities in North Korea. If such a war broke out, the people in Seoul would have to evacuate because this city is too close to the military guns of North Korea. It is unclear whether North Korea would try to attack the U.S. to cause an EMP destruction of America's grid. My people need to pray that such a war does not start, because there could be consequences if other nations are drawn into such a conflict."

Thursday, April 27, 2017:
Jesus said: "My people, you have been reading all of the beautiful Easter readings about My Resurrection. Not only is it a miracle that I rose from the dead, but My suffering and death have set all of you free from the bondage of your sins. In the vision you are all being set free from a prison for your sins. I have given you salvation, but now you must seek My forgiveness for your sins, and be sorry for offending Me. I have given you My sacrament of Reconciliation so you can be absolved of your sins by the priest in Confession. You also are to allow Me to be the Master of your life so you can fulfill the mission that I have planned for each soul. Those people, who have fulfilled the requirements for Divine Mercy, will receive a plenary indulgence to wipe away all reparation due for your sins. This will shorten any purgatory time when you die at your judgment. Rejoice that you are My Easter people who are now free to go about

your mission."
Prayer Group:
Jesus said: "My people, in the older churches you see more ornate stained glass windows that have been there for many years. The artisans who make such windows and ornate wood designs are very few today, and it would cost a lot of money to have one made today. This is why your old stained glass windows are beautiful in your chapel. The more beautiful you make your chapel, the more glory that is given to God. These artifacts in your churches are real treasures today. When you come into your chapel, you can feel the holiness of all of your treasures."
Jesus said: "My son, today it is very difficult to obtain the relics of the saints that you have acquired over the years. You have the papers for their authenticity. Many of the saints have died as martyrs, so such relics are even greater treasures. You can read about the saints' lives, and understand all that they suffered for My Name's sake. You can also imitate the lives of the saints, and you can venerate the relics by kissing them."
Jesus said: "My son, you have fulfilled many of the projects that I have asked you to do for your new refuge. You were fortunate to have funds given to you so you could afford to build your refuge. You were able to bring most of it together in less than a year. Give thanks to Me and all the people who contributed items for your refuge. Your new DVD shows all the stories that go along with all of your chapel items."
Jesus said: "My son, I have given you many common sense suggestions for the basic needs at a refuge. You need a source of water, some food, fuels, bedding places, and hygiene needs. All of your items will be multiplied so all the people will have what they need for survival. You also have stored spiritual things as rosaries, scapulars, Mass needs of bread, wine, and candles. You also have books for the readings at Mass and song books. You have some monstrances for Adoration and many beautiful pictures and statues. Even where refuges do not have these items, My angels will provide food, water, and bedding. So do not worry because you will have all that you need."
Jesus said: "My people, you are seeing terrorist attacks by radical Muslims all over the world. These terrorists kill people indiscriminately, as they continue to kill infidels who do not convert to their faith. The Antichrist is a Muslim, and you are seeing why it is necessary to have a safe place as a refuge, so My angels can protect My faithful. Be thankful that I am calling many refuge builders to set up refuges all over the world to protect My faithful."

Jesus said: “My people, the devil and the demons are constantly stirring up wars of hate so they can keep many people unsettled, and it is a means of reducing the population. Your countries are developing all kinds of deadly weapons to kill people as you have seen recently with sarin gas that attacks the nerves. Even some countries are developing nuclear weapons, that could kill many people. I have asked My prayer warriors to pray for souls, but you also need to pray for peace without wars.”
Jesus said: “My people, you see many colored flowers on your altars that are giving you a feeling of joy to see new life. As you look around, you are seeing many beautiful flowering trees, tulips, daffodils, and pansies in your gardens. Later, you will see lilacs, rhododendrons, and roses. Be grateful that you have all of these colored flowers to behold every spring and summer. You, My son, enjoy taking pictures of all these beautiful flowers. Other people enjoy planting all of these flowers in their gardens. When you come to heaven, you will see even more glorious colors and flowers.”

Jesus said: “My people, in the Gospel reading I took compassion on the people who came to hear Me, and I provided them food. I blessed the loaves of bread and the fish, and I distributed the multiplied bread and fish to the crowd. This is another sign of how I know all of your needs and troubles. Call on Me in prayer, and I will assist you to fix your needs and problems. Have faith that I will provide for your needs, and I will answer your prayer requests in My time and in My ways. Give praise and thanks to Me when your prayers are answered.”
Jesus said: “My people, as you see this vision of an in ground swimming pool, I do not want you to drown in your sins. I want you to come up for air, and seek the forgiveness of your sins in Confession. After you are absolved of your sins by the priest, you need to work on avoiding any occasions of sin, and struggle to keep a pure soul. Living in this world, you have many temptations and distractions that could lead you away from Me. By your daily prayers, sacrifices, and fasting, you can work to minimize your sins, and keep your focus on Me. Do not give in to your earthly tendencies, but let your spiritual strength overcome your human weaknesses. This is why your daily rosaries, Masses, and Adoration, can help keep your focus on Me. I love all of you so much, so show

Me your love by keeping a pure soul with frequent Confession. By staying prepared to meet Me at your death, then I will be happy to invite you into your heavenly reward with Me for all eternity."

Saturday, April 29, 2017: (St. Catherine of Sienna)
Jesus said: "My people, My apostles were in a boat and they were afraid of the storm all around them. I was on the shore, and I came to calm their fears by walking on the water. At first they thought I was a ghost, but then I called St. Peter to come to Me on the water. St. Peter started out toward Me by walking on the water, but then his faith faltered and he began to sink in the water. He called out to Me to save him, so I caught him by the hand, and I led him to safety. There is one lesson that I am always available to help you in your daily problems. Another lesson is to have faith in My help that I will rescue you out of any danger. I admonished St. Peter for his lack of faith, that he could have continued walking on the water. So it is for all of My people, in that you need to have more faith in Me to help you in all of your trials."
Jesus said: "My people, you have heard the parable about the wheat and the tares. The farmer planted wheat in his field, but the enemy planted weed seeds as well. When the wheat came up, the weeds came up as well. Instead of trying to pull out the weeds, the farmer allowed both to grow up together. This represents how I allow the good people to live along side of the evil people with a possibility of the good people saving the bad people. At the harvest I gather the wheat into My barn, but the tares or weeds are burned up in the fire. This represents how at the judgment, I will separate the good people from the evil people. The good people I will welcome into heaven, while the evil ones, who reject Me, will be cast into the flames of hell for all eternity. Keep praying constantly for your family members and you could help save their souls."

Jesus said: “My people, you have a beautiful reading of My two disciples who I visited on the road to Emmaus. I recounted to them all the readings of the Old Testament that referred to My coming. Their hearts were burning with love for Me as they listened to My words. It was at the breaking of the bread at supper that My disciples recognized Me. Then I disappeared from their sight. I want all of you to give praise to My Kingship when you visit Me in My Real Presence in Adoration in the monstrance and the tabernacle. Whenever you receive Me in Holy Communion, you also recognize Me in My Real Presence. Receive Me worthily by not having any mortal sin so you do not commit any sacrilege. I am happy to congratulate you for your anniversary of My Kingship at this Shrine.”

Monday, May 1, 2017: (St. Joseph the worker)

Jesus said: “My people, you should be thankful for all the scribes who wrote down My words of the Gospel. The evangelists wrote them, and the monks copied them for many years until the people had printing presses. You all should be thankful also for all the prophets and St. Paul who gave you their writings and epistles. Even, My son, is giving you My words by inner locutions. The people in My hometown did not know of My birth at Bethlehem in My Incarnation as a God-man. This is why they did not have faith in My healing gifts, and it is why I could not heal them. I have My ways, but man has his own ways that do not always follow My plans. Unless people open their hearts for Me to enter, it will be difficult for them to carry out My missions for them. You also have difficulties abiding by My Commandments when your societies are controlled by Godless people. If you truly loved Me, you would not kill your babies, your old people, and allow homosexual marriages. You can still obey My Commandments, despite your society’s evil laws. You may be persecuted for following My laws, but you will save your soul by doing so. Reach out to help save souls around you. By following My ways, you will have your reward in heaven.”

Jesus said: “My people, this vision is a combination of the coming Warning, and when the Antichrist will broadcast his control over the networks of an event at a football stadium. I have given you a sequence of the Warning happening first. This is the last grace for the conversion of sinners before events will lead up to the declaration of the Antichrist, as he will reign during the tribulation. The

Warning is a life review for everyone with a mini-judgment to heaven, hell, or purgatory. There will be an opportunity for six weeks to be converted in the faith. You will be warned not to take the mark of the beast, or a computer chip in the body, and not to worship the Antichrist. You will see a famine, a division in My Church, a martial law, and mandatory chips in the body. You will need to get rid of your TVs, computers, and cell phones so you do not look at the Antichrist's eyes. My faithful will be called to My refuges for protection. The Antichrist will control the networks, and those people, who look at his eyes, could be hypnotized to worship him. He will reign for less than 3½ years before I will bring My victory of My Comet of Chastisement. Then the evil ones will be cast into hell, and I will bring My faithful into My Era of Peace. Follow My angels to the protection of My refuges, and you will not be harmed."

Tuesday, May 2, 2017: (St. Anthanasius)

Jesus said: "My people, just as you saw St. Stephen stoned for his belief in Me, so My faithful are being persecuted for My Name's sake. The world and your society are so secular, that you are facing many atheists and non-believers every day. You need to love everyone, but people may criticize you for your religious beliefs. I am the Bread of Life, and I am your source of strength through any trials or persecutions. When you receive Me in Holy Communion, I give you the grace to get through your day. Even as you are seeing so many rainy and cloudy days, I am the sunshine in your lives that lifts up your spirits. So call on Me in your needs, because I am always right by your side."

Jesus said: "My people, in My day the people asked Me to give them a sign, but the only sign I give is the sign of Jonah. For at the preaching of Jonah, the whole town of Nineveh repented of their sins, and they fasted and sat in sackcloth and ashes. They turned from the evil at hand, and they changed their lives so they could be saved. This is a witness to all of My people, because you are all called as Jonah to go out and proclaim My Good News to all the people. By your preaching and example, you could also encourage sinners to repent and lead Christian lives by changing their evil ways, just as the people of Nineveh changed their lives. When I see sinners repent and follow Me, I will set them free of the bondage of their sins. All of heaven rejoices when even one sinner converts his or her life to being a Christian. That sinner was lost, but now that

soul can be found in the repenting of sins in Confession."

Wednesday, May 3, 2017: (St. Philip & St. James)
Jesus said: "My people, you have been witnessing many missile launches and underground nuclear bomb tests coming from North Korea. It is just a matter of time until they have the capability of launching an ICBM with a nuclear bomb toward America. You are seeing in this vision where North Korea could send a missile toward the United States. This could definitely send your country into war against North Korea, possibly with nuclear weapons because of their large army. My people need to pray that such a war does not happen, or millions of people could be killed in a war that could lead up to World War III."
Jesus said: "My son, you were anxious to get out in your local park to take some pictures of the flowers, trees, and the animals. Spring flowers are so beautiful, and you enjoy experiencing My creation by taking your pictures. You have been away for a week, and you had many cloudy days. Today, was a beautiful, sunny day to take in all the beauties of My creation. You were a little late for some of the flowers and flowering trees, but you still had nice pictures of the lilacs and other flowers. Every part of your spring puts forth different varieties of flowers at various times. Rejoice every year when you have an opportunity to witness My paintbrush of colors among your spring flowers."

Jesus said: "My people, water is precious because you need a source of fresh water for your survival. In areas where water is plentiful, it is taken for granted. In desert areas it is treated with more respect. In your area you are seeing a 50% increase in your rainfall, and you are seeing flooding problems and lake erosion. In the first reading you read how St. Philip baptized the Ethiopian eunuch in the water, and then St. Philip disappeared. You use water to drink, for cooking, for washing clothes and dishes, and for flushing your toilets. At your refuges water will also be a necessity for many people on limited land. You are fortunate to have a spring on your land for drinking and washing. Your water usage will be

limited, so you will need the outhouse with holes that will be dug in the future. This is another reason to get your outhouse roof piece cut and screwed into place. You also need brackets to lift it into a place over the hole in the future. I will multiply your water and your latrine facilities for more people. Trust in Me to multiply your food, clothes, bedding, and even more buildings."
Prayer Group:
Jesus said: "My people, you are seeing cooler temperatures and excessive rains that are causing floods in many of your states. You are seeing more vegetation than normal. When the hot winds of summer come, these green things will dry out, and this brush could be a fuel for more fires. It is difficult for farmers to plant their crops with the excess rain, making it difficult for the tractors to move through the mud. Pray that you will have drier weather with some sun to grow your crops."
Jesus said: "My people, you are seeing a lot of damage from tornadoes and high winds. You also are seeing many rainstorms that are unusual to last so long. Many of your jet streams are carrying storms that appear to be caused by the HAARP machine, because low pressure systems keep going over the same areas one after another. Pray that these severe rains will lessen back to your normal weather."
Jesus said: "My people, it is important that the Health Care mandate is being changed because people were having to pay penalties to avoid paying high premiums. Some people had insurance, but with high premiums and high deductibles, it is becoming unaffordable with no real coverage. People needing more care will have to pay more in premiums, even with some subsidies. Your current Health Plan was failing as exchanges were closing. This is a difficult problem to satisfy everyone. It remains to be seen what will happen in the Senate. Pray for a solution with lower premiums and lower deductibles than the current Obamacare."
Jesus said: "My people, some people have had to go to shelters for their needs, when their homes were flooded. You may be asked to help fund these families until flooded places could be restored to normal. You can pray for these families, and contribute to your local food shelves who are providing food for these needy families. Many areas will require Federal funds for any flood control with sandbags. Where possible, you may share your homes with these victims."
Jesus said: "My people, there appears to be little or no compromise between your two political parties. Each party does not want to give in to the other party, because their differences are so far apart. This gridlock in your Congress could

stifle any progress to move your country forward. Eventually, some compromise will be needed to get any needed legislation passed. Continue to pray for your leaders to settle their differences for the sake of your people's welfare."
Jesus said: "My people, some of your people have difficulty running their businesses because they have regulations that force them to do things against their faith. It is hard when some businesses do not want to sell abortion pills, or hormone pills to stop conception because this goes against their faith. Such pills could be purchased elsewhere. These cases are coming to your Supreme Court, now that it has nine justices. Pray for a fair ruling so people are not restrained in their beliefs."
Jesus said: "My people, My Resurrection is a focal point of your faith because I died for your sins, and My faithful will all be resurrected as well on judgment day. All of the people who believe in Me and love Me by repenting of their sins and following My Will, will receive their reward in heaven. This is your goal to be with Me forever in My peace and love. I want My prayer warriors to reach out to convert all souls who are wandering in the darkness of their sins. Those people, who ignore Me or reject Me for following their own ways, are on the path to hell. Wake these souls up before it is too late, and they could be lost."

Friday, May 5, 2017:
Jesus said: "My people, I told you in past messages how you would see continuous disasters. You first saw a major wind storm with plenty of power outages. Then you had a heavy snow storm, and now you are witnessing unusually heavy rains that are causing floods in several places. Your weather is changing dramatically, as you are seeing one record being broken after another. In the first reading of Mass, you read the account of Saul's conversion to the faith, and his name was changed to Paul. He became one of My strongest missionaries for Christianity. His epistles are read constantly at your Masses. In the Gospel some of My disciples left Me when I told them how they had to eat My Flesh and drink My Blood. This belief in My Real Presence and the transubstantiation of the bread and wine into My Body and Blood, takes faith to believe, because it is a mystery for you to comprehend. Even though there does not seem to be any difference in the appearances of the bread and wine, you still believe the consecrated bread and wine are My Body and My Blood. I am giving

you your spiritual food which sustains your soul and your body with My grace. Give praise and thanks to Me for this gift of Myself, that you can have Me as a part of your life in love. Receive Me often in Holy Communion, and you can visit Me in Adoration of My Blessed Sacrament."
Jesus said: "My son, this whirling motion is another sign of the coming Warning, so My people are ready to leave for My refuges at the proper time. It is one thing to be ready, but do not leave until I give you My inner locution to tell you when to leave. Some refuges do not have a source of water on the land. Do not worry, since I will have springs of water come up so you will need a short digging to have water. I have shown you My son, the area where you have a spring of water. Water will be available, but not enough for everyone to have a shower. You will be taking sponge baths for most of your washing. When you have a lot of people in a confined area, you will all have to be patient with each other getting food, water, and at your outhouse. This tribulation will only last a short time, so bear with your crowded conditions."

Saturday, May 6, 2017:
Jesus said: "My people, I do not know why your people are not complaining more about all the chemicals your government is spewing all over your people. Since the turn of the century, you have seen chemtrails all over your skies. They are spreading aluminum oxide, polymeric fibers, barium ions, and many viruses in these trails. This is why people are having memory problems, and upper respiratory problems. If you knew the exact relationship of chemtrails to your health problems, more people would be complaining. This is supposed to be a global warming project, but the real reason is to lower your immune systems for making people sick. It is in combination with the HAARP machine that these things are meant to eventually reduce the population. When you read investigations of this, it never gets into your news because these are secret projects controlled by the one world people. Pray that more light uncovers the real reasons behind these detriments to your population."
Jesus said: "My son, when you look around, you can see how you are controlled in many ways. The use of chipped credit cards and your cell phones can already tell your communications people where you are, and where you bought things. Your credit cards can be hidden in aluminum shields, but once you use them,

people know where you are. Your cell phones are directly linked to cell towers and satellites. The police have used these devices to track thieves and drug people. Even your social media tells others all about who you are. Your computers can trace where you are as well over your internet. My son, this is why you have avoided cell phones and GPS equipment. Your money and investments are electronically controlled, and someone could wipe out your accounts. Your privacy today is being invaded by your electronic devices. The one world people and the Antichrist can use these things to control even your soul, so do not ever take the mark of the beast, or a computer chip in your body. When you come to My refuges, your devices will not work, so leave them at home. My angels' invisible shield will block signals, smells, and infra-red signatures. So after the six weeks after the Warning, get rid of your TVs, computers, cell phones, and GPS gadgets so you do not look at the Antichrist's eyes. Allow Me to control your lives and souls, and do not let the world control you, or allow addictions to control you. So follow Me and avoid your devices when I call you to My refuges. Trust in Me and I will provide for all of your needs."

Sunday, May 7, 2017: (Good Shepherd Sunday)

Jesus said: "My people, I am truly the Good Shepherd, for My sheep hear My voice, and you follow Me. I am the Gate, and people can only enter heaven through Me. At the Warning, everyone will know that I am the only way into heaven, no matter what they believe. I also told you, unless you eat My Body and drink My Blood, you will not have eternal life in heaven. I am guiding My sheep on the path to heaven, but they must repent of their sins and accept Me as the Master of their lives. You have seen Me leave the ninety-nine sheep in the desert to go after and find My lost sheep. I call everyone to follow Me, and those people who do, will have eternal life with Me in heaven."

Jesus said: "My people, you have been seeing many rainstorms that have caused a lot of flooding. I am showing you a parting of the clouds as a short reprieve of your recent storms. Pray for the victims of your natural disasters. After this reprieve, you will see a resumption of your disasters, but they will increase in severity. Have your refuges prepared, because you will be seeing an increase in dangers to your lives. When these dangers get worse, there will come a time

when I will warn My faithful that it is time to come to My refuges. When I give everyone the sign to leave, then you need to leave immediately so you are not captured by the men in black. Call on Me to have your guardian angels lead you safely to My refuges. Have no fear, because I will guard My faithful from the evil ones."

Jesus said: "My people, St. Peter was given three visions about eating meat, and signs to accept and convert the Gentiles to the faith. This was a big change in the scope of the mission of My Church, because I originally came to save the lost people of the Jews. Now, both with St. Peter and St. Paul, the Gentiles are being welcomed into My Church. Give thanks and praise to Me because many Americans would not otherwise be a part of My Church. St. Peter and St. Paul were great missionaries for the Gentiles, and they each had visions to promote converts among the Gentiles. The faith kept spreading thanks to My apostles, and the work of the Holy Spirit in the hearts of these new converts. Give thanks also that the Holy Spirit has come into the lives of all of My faithful. As you celebrate My Resurrection and My being the Good Shepherd, know that I am watching out for all of My faithful."

Jesus said: "My people, I have told you that you could see one of your small wars expand into a world war. You are seeing the 100th Anniversary of Fatima when the sun was spinning, and it came close to the earth and dried up the rain. One of the prophecies of the Blessed Mother was if the people did not convert and pray the rosary, that some nations would be annihilated. You are approaching the possibility of a world war, and more nations have nuclear weapons. Most nations do not want to risk nuclear war, but you have some rogue nations as Iran and North Korea who could be foolish enough to use nuclear weapons. North Korea has made many threats to America. Iran also wants to destroy Israel and even America, who is a great Satan in their eyes. If nuclear weapons are used in a war, you could see this Fatima prophecy come true. Pray that such a war does not happen, because millions of people could be killed."

Jesus said: “My people, in My early Church My disciples had to struggle with persecutions and non-believers. But I allowed St. Peter and My apostles to perform great miracles as raising people from the dead. Many people came to believe in Me because of these miracles. At Antioch My disciples were called ‘Christians’ for the first time. It was not easy to be a Christian because these people had to hide, or they could be martyred. Even now, My faithful are being persecuted for being Christians. A time is coming when My faithful will have to hide at My refuges as the Antichrist and the evil ones will try to kill you.”
Jesus said: “My people, your President has been trying to build up your defenses that have been neglected for some years. You have many places where you are defending people in Iraq, Syria, Afghanistan, and South Korea. Your forces have been depleted, and they need to be rebuilt. You have been careful not to put many boots on the ground to fight these wars. You have a lot of firepower, but it is expensive to keep using these weapons. You really do not have a large army to make a big effect on these battles. This is why if any of these small wars are expanded, you may have to use nuclear bombs to hold off any aggressor. Keep praying that nuclear weapons are not used, so many people are not killed.”

Wednesday, May 10, 2017: (St. Damien)
Jesus said: “My son, you had a problem with your lawn mower not working, and it was difficult to start. In pulling the cord you strained your shoulder, but I told you not to worry, because I will heal it. Just have faith in My healing power, and you will be feeling better. You have also been tested with your cars, but you will resolve your problems. Each day everyone has to struggle with their daily trials, but I am always at your side to help you. Call on My help in your prayers, and I will help you work out your problems. In the first reading you are reading how My disciples worked with the Holy Spirit in spreading the faith and converting souls into My Church. In today’s world you are seeing the opposite, in that people are falling away from their former faith ways. My prayer warriors are being called to help re-convert the fallen away Catholics. You are seeing evil

forces putting curses and spells on people. If the lukewarm people do not pray and come to Sunday Mass, then they will be drawn away to the world's distractions and addictions. You need to pray deliverance prayers for these fallen away Catholics, to wake them up to how the devil is influencing them. If they listen to your suggestions, and you keep praying for them, then they have a chance to come back to Me. Do not give up on any soul, because all souls are worth saving."
The Blessed Mother said: "My dear children, you are well aware that you are celebrating the hundredth anniversary of my messages given to the three children at Fatima. These messages were not just given for that time, but they apply to your time in the world, today. Many messages have been given, but they are not being heeded or taken seriously by your people. This is why I want you, my son, to research and find all of the messages that I gave to the children on the 13th of the month from May to October in 1917. Read them so you can see that they apply to your times, now. I thank your friends for sharing my message of preparing for some difficult times. My children need to pray their three rosaries and Divine Mercy Chaplet every day. Wear my scapular, and my rosary on your person. You can also carry a St. Benedict Blessed Cross to protect you from the spells and curses of the demons and evil people. Attending daily Mass and occasional Adoration can also help you. Coming to frequent Confession is also important to keep a pure soul. When you go out to evangelize people, you are re-enforcing my messages at Fatima to try and convert as many souls as possible. Continue to praise my Son, Jesus in all that He does for you."

Thursday, May 11, 2017:
Jesus said: "My son, as you read all of the accounts of My disciples traveling from city to city in the Acts of the Apostles, you recognized a familiar story in your own evangelization efforts as you travel from state to state. My disciples would have gone further and faster, if they had your cars and planes of today. I send you out, My son, to share My Word with all the people who you meet. Be thankful that you have this gift of My inner locutions that you are sharing and encouraging people in the faith. My words are straight forward, and they are always reaching out to save souls out of love and not fear. I have many messengers guiding My people with similar warnings of being prepared for the

coming tribulation. Do not be concerned about dates, but have your souls always ready to meet Me in a pure soul, so you are ready for My Warning experience. Events will be getting more serious, but do not be afraid because I will protect you, and help you through your trials. If you encounter demonic situations, then pray your St. Michael prayer, and call on Me to send you My angels to defend you. Go forward and preach My Good News to all the nations. You can thank Me for getting your car to the repair shop."

Prayer Group:

Jesus said: "My people, you are aware of the Masons at the high level who belong to the one world people. Some of them even worship Satan and carry out his plans. There are also Masons infested in the Vatican, and they will be instrumental when My Church is divided between the schismatic church and My faithful remnant. Pray much for your Pope and the hierarchy in the Vatican."

Jesus said: "My people, I call on My faithful to build up My Church in evangelizing souls to be baptized. The real Church are the people who come to share at My Eucharistic table. I am the cornerstone on which My Church rests. My believers are the ones to spread My Good News, and invite people to come to Me to be initiated into the faith with Baptism. Bring your children,grandchildren and great grandchildren to the church for Baptism. You can encourage them to come every Sunday to Mass because it is part of My Third Commandment to honor Me every Sunday."

Jesus said: "My people, My Blessed Mother is reminding you to pray at least three rosaries every day so your constant prayers can help save all of your family members. It is My prayer warriors who have the heavy responsibility to keep praying for their family members, even those who do not come to Sunday Mass. Keep giving your family good example in your daily rosaries and Sunday Masses. Be careful in your speech so your family does not hear you swearing or getting violent. Live good Christian lives so you do not look like hypocrites."

Jesus said: "My people, you have been seeing flood damage, tornado damage, and fires in Florida. Some people have been forced out of their homes, and they need your help and your prayers. Your people need to realize that some of these natural disasters are punishment for your sins. Some of your people ignore Me and the atheists do not even believe that I exist. Pray for these people to come to Me so they are not lost in hell. You are celebrating the 100th anniversary of Fatima, and the children were given a vision of hell. If you saw how much the souls in hell suffer, this would be an inspiration for you to evangelize as many souls as possible. Every soul that you save from hell will thank you forever."

Jesus said: “My people, you have been having wars throughout man’s history, and the weapons you make are more deadly than ever. Your nuclear weapons are the most dangerous in the hands of those people who would even consider using them. In Japan in World War II you saw how vicious radiation poisoning was on the people. Even sarin gas and other poisonous gases are also inflicting many deaths on the people in Syria. Keep praying to stop all wars, but your country needs to provide a defense for your people.”
Jesus said: ‘My people, your society has become very dependent on your electricity to run your heaters, lights, ovens, and air conditioners. You need power to run your internet and your banking system. You are also vulnerable to any power outages that could come from many causes. It would be prudent to have some back up means for heating your houses with wood, propane, etc., and some candles or oil lamps for light. You also should have some extra food stored so you would not starve in a long power outage. It is just a matter of time when your power could be destroyed, so you need to think about having water, food, and fuels for your survival. My refuge builders are preparing for independent living when I will multiply your needs. Be ready to leave for My refuges when I give you the word.”
Jesus said: “My son, you were given instructions to read the Blessed Mother’s messages that were given at Fatima between May 13 and October 13 in 1917. You also saw the Blessed Mother’s Peace plan to stop the wars. This information can be found on the internet, and it would be useful to read these messages because they are appropriate for your times as it was in 1917. You may want to list the Blessed Mother’s Peace plan after this message.”
Our Lady’s Peace Plan:
Consecrate yourself to the Immaculate Heart of Mary. Offer up your daily tasks as a sacrifice in reparation for our own sins and the sins of others. Pray the Rosary every day. Wear the brown scapular. Make the five First Saturdays (Confession, Holy Communion, and rosary) with 15 minutes of meditation on the Mysteries of the Rosary. Make visits to the Blessed Sacrament.
Pray the Fatima prayers of Our Lady:
“O my God, I believe, I adore, I hope and I love you. I ask pardon for those who do not believe, do not adore, do not hope and do not love you.”
“O Most Holy Trinity I adore you. My God, my God, I love you in the Most Blessed Sacrament.”
“Most Holy Trinity, Father, Son and Holy Spirit, I adore Thee profoundly. I offer Thee the most precious Body, Blood, Soul and Divinity of Jesus Christ, present

in all the Tabernacles of the world, in reparation for the outrages, sacrileges, and indifference whereby He is offended. And through the infinite merits of His most Sacred Heart and the Immaculate Heart of Mary, I beg of Thee the conversion of poor sinners."

Friday, May 12, 2017: (Sts. Nerues, Achilleus, Pancras)

Jesus said: "My people, today's Gospel is read at many funeral Masses. (Jn 14:1-6) I told My apostles that there are many mansions in heaven, and I go to prepare a place for every soul who is worthy of heaven. When St. Thomas asked Me how he would know the way to follow Me, I told him.

'I am the Way, and the Truth, and the Life. No one comes to the Father but through Me.' (Jn 14:6) When I was explaining the Warning to you in your life review, I said that you can only come into heaven through Me. I am the Gatekeeper, and it does not matter what faith you believe, because you have to know and love Me in order to enter heaven. You need to repent of your sins, and allow Me to be the Master of your life before you can enter heaven. Many souls may require purification in purgatory to make up for the reparation due for their sins during life. This is why I call My faithful to have a pure soul with frequent Confession. You can also minimize your time in purgatory by gaining a plenary indulgence when you fulfill the Divine Mercy devotion on Divine Mercy Sunday. Pray the chaplet, come to Confession, and pray the Divine Mercy Novena."

Jesus said: "My people, the devil's time is running out, so you will soon see events moving toward the time of the Antichrist's reign. This darkness that the door opened up to, will be an evil time that you have yet to experience. You need to have your soul purified, when I will bring My Warning experience to everyone. You will be warned not to take a chip in the body, and not to worship the Antichrist. You will be working at a fever pitch to have your family members converted and come to Confession. It will not be long after My Warning that I will call you to come to My refuges of safety. Call on Me to help you bear this time of evil that I will shorten for the sake of My elect. Do not be frightened by the evil ones because their time will be short. Once you live into the time of tribulation, you will be assured of living in My Era of Peace, whether you are martyred or not. Look forward to this reign of Mine that will prepare all of you

to be saints, ready for heaven. The evil ones will be cast into hell and they will be chained there. You will see more marriages and babies born in My Era of Peace, where you will all be vegetarians without eating meat. There will be no more survival of the fittest, but you will have peace and love for each other, even among the animals."

Saturday, May 13, 2017: (Our Lady of Fatima-100th anniversary)

Our Blessed Mother said: "My dear children, today I have tears of great joy, and tears of great sorrow. I am happy that you are celebrating the 100th anniversary of my messages given to the three children at Fatima in 1917. You have given me another opportunity to share My rosary, my scapular, and the Five First Saturdays. I was happy to hear your priest say that he will have Mass on the first Saturdays in my honor. You can also understand my sadness as many of my children are not praying every day, and some have even fallen away from coming to Sunday Mass. I want to thank all of my faithful prayer warriors who are still praying their three rosaries every day for families and peace in the world. You, my son, have been faithful at your Blue Army meetings, and your own Blue Army cell prayer group for over forty-three years. I love all of you so much as I bring all of you to Jesus through me."

Sunday, May 14, 2017: (Mother's Day)

Our Lady of Fatima said: "My dear children, I am still sad for the state of your world in all of its sin, but I am joyful as a mother to all of you on your celebration of Mother's day. Heaven is happy for all the faithful prayer warriors who are still praying my rosaries every day for my intentions. Remember to offer up all of your children in your family to my care, and I will place my mantle of protection over them. Keep praying for your family members, and pray to double your prayers for sinners and the souls in purgatory. Your world is at a crossroad, as you see the evil ones of the tribulation who are about to have their reign. Pray for My Son's protection for all of my faithful children at my Son's refuges."

Jesus said: “My people, you have seen many different kinds of cyber attacks that steal data, destroy files, destroy hard drives, and now you are seeing ransomware to pay money to unlock files. This attack has paralyzed hospitals and some banks. A solution was found to free the data without paying the ransom, but this is only temporary. This is another case of determining how valuable your files are. Your work files that you type in, should be backed up on several computers and different hard drives so it can be replaced and not lost. You can also have problems with data if you have a power outage for an extended time. Then you could not access your money or medical files in a hospital. This disruption could also happen with an EMP attack that could paralyze all of your technology, including your cars. At My refuges you will not have any working electronic machines, so the evil ones cannot control you. Give thanks and praise to Me for your protection, because all you need is My love, and My multiplication of what you need to survive.”

Monday, May 15, 2017: (St. Isidore)

Jesus said: “My people, in the first reading you read how St. Paul healed a lame man who was born with that condition. It was the miracles of healing in My Name that caused many to come to the faith. Even when I was on the earth, I healed many people. The apostles also had gifts of healing that helped to convert many souls. Even in your world of today, you have witnessed miracles of healing when people have faith in My healing, and can be healed. You have also seen a few miracles in your chapel that are a sign of the miracles to come in the tribulation time. The greater miracles are the miracles of people who are converted or re-converted to the faith. The healing of sinners causes great celebration in heaven for each soul that is saved from hell. This is why it is important each day to pray for the conversion of poor sinners. These souls, who were saved from hell, will be thanking you and praying for your souls.”

Jesus said: “My son, this last week has really tested your patience when you hurt your shoulder on a lawnmower that would not start. You also had a serious problem with one of your cars that needed a valve job on one of the cylinders. You now have another electric start lawnmower, and your car should be fixed shortly. Even your painful shoulder is back to normal, just as I told you I would heal it. You can see that even in your trials, I have worked them out for you, so

you are right with all of your problems. This is another example why you should have no worries, but trust in My help in all that you do. Other people have problems also with health, finances, or their cars and homes. This is a part of your lives, but do not lose hope or get depressed, because if you stay close to Me in your daily prayers, I will work things out for you. Remaining faithful to Me is more important than what happens to your health or your possessions. Give thanks and praise to Me for working out all of your problems."

Tuesday, May 16, 2017:

Jesus said: "My people, you are aware of the communist symbols of the hammer and sickle. The communist dictators have pride in suppressing their people, so they can spend money on weapons and control of their people. In North Korea the people are fortunate to find enough food to eat. Their leader is threatening all countries, including America, with their nuclear tipped missiles. The communist mentality is affecting the people of Venezuela who are also finding it hard to get food, because of the tyranny of its leaders. All of the people who have a progressive leaning, are favoring Godless socialism or communism, yet they prefer having all of the conveniences of their Democratic Republic. When you see the face and live in a communist country, then people would realize how evil is behind such a Godless control. You need to pray the rosary for peace, like My Blessed Mother warned at Fatima, or Russia and other communist countries will spread their errors all over the world."

Jesus said: "My people, you recently celebrated the 100th anniversary of My Blessed Mother's messages to the children at Fatima on May 13, 1917. One of the visions that was seen by the children, was a vision of hell. This was given to show the world that hell and the demons do exist. Hell is eternal, as it was made originally as a place for the punishment of the fallen evil angels. I have just shown you another vision of hell as it looked like lava in a volcano. Souls, who are sent to hell, will never be heard from again. These condemned souls will suffer in the flames of hell for all eternity. There is no escape from hell, which is full of hate and anger with no love. They will never see My face again, or ever know love again. Souls choose to go to hell of their own free will. I want My prayer warriors to pray for all of their family members, because you do not want to see any member lost in hell. You can pray for all sinners as well. You have

seen visions of hell, and you saw movies like ‘To hell and back’ where souls had near death experiences in hell. By My grace I have allowed certain souls to have a second chance after being in hell a short time. This vision of hell should be an inspiration to My faithful, to pray harder for sinners, so they are not lost forever in hell.”

Wednesday, May 17, 2017:

Jesus said: “My people, I have a little box that I keep for every soul. It is My treasure box that I store all of your tears of joy and tears of sadness. Whenever you share your troubles and prayer requests with Me, I listen intently for your concerns, and I decide how to answer you. I answer you in My way and in My time, but every request does get answered, even if the answer is no. I answer requests according to what is best for your soul or others. In your treasure box I also store My graces and My Word that I give to you, so you can share them with others in converting souls to the faith. I also keep a list of all of your good deeds, and I store the merits of these deeds in your treasure box. So when you come to Me in judgment at the end of your life, this treasure box will be opened to offset the sins of your life. Rejoice, because this treasure is a lot more valuable than anything you have on earth. Your soul is your most valuable possession, so guard it well from the devil’s temptations with frequent Confession.”

Jesus said: “My people, this is a serious vision because it is a sign of the destruction of My churches, and My people may soon have to leave for My refuges. My churches will be persecuted by your authorities, and they will be closed or destroyed by one world hoodlums. It will soon be hard to find a church for Mass, and My churches will be disappearing. As your lives become endangered, I will be sending out My inner locution message to all My faithful to come to My refuges. I will then protect you from the Antichrist and the demons. At My refuges My angels will protect you with an invisible shield. I told you in the Bible that you will not travel to the towns of Israel, before I will bring My judgment. The destruction of My churches will be one of the signs when you will see the beginning of the tribulation.”

Thursday, May 18, 2017: (St. Pope John I)
Jesus said: “My people, you are aware of poor countries where people go to bed hungry because they do not have access to much food. Because there are large populations concentrated in big cities, there is not enough food being produced to feed everyone. Without much employment and living facilities in some cities, it is hard to have enough money to feed the poor who cannot find work. This problem of feeding the people is seen in third world countries, and countries with high densities of people. This problem of not enough food is spreading all over the world because governments are not caring for their people. Even in America your food shelves cannot keep up with the demand for food because there are not enough donations. Some of your people are more concerned with buying things and entertainment than working to help feed the poor. Many of your homeless people rely on food shelves instead of getting welfare. You are seeing how hard it is to break out of a poverty cycle when people do not have a desire to work, or look for food shelves to have something to eat. Pray for the poor and give regular donations to your food shelves who need your donations desperately to keep going.”
Prayer Group:
Jesus said: “My people, you come to many Masses which are truly sacrifices of My Body and Blood. There are many graces given out for the Mass intention, and for the people who worthily receive Me in Holy Communion. In some churches you have both species of My Body and My Blood. This vision is just the opposite in a black mass that is offered to Satan. These people also offer up a sacrifice of humans or animals, and they drink the blood. Evil comes out from such services, and you can pray to shield this evil from other souls. You are in a constant battle of good and evil, and you are seeing the opposing sacrifices. My power is greater than these evil ones, so pray for My grace to overcome these evil ones.”
Jesus said: “My people, you have seen this CERN machine and a fusion experiment that could cause a black hole of evil. Man is constantly experimenting with dangerous sources of power, as well as your microchips and nano technology that could control people’s minds and souls. Call on My angels to protect you from any evil forces that could control people’s minds and souls. Avoid taking any chips in the body, and avoid being influenced by experiments that use this black energy from the evil ones.”
Jesus said: “My people, I want you to avoid looking at the Antichrist because he

is a demon incarnate, and his eyes could hypnotize you into worshiping him. After the six weeks after the Warning, I want you to get rid of all of your TVs, computers, and cell phones so you do not see his eyes or hear his voice. Again, do not take any chips in the body because they could control your mind and your soul. Also, avoid occult meetings, Ouija boards, and any other New Age teachings, statues, or evil potions. By wearing your scapular, rosary, and Benedictine Cross, you can defend yourself from any evil curses, spells, and hexes. If you are attacked by demons, call on Me, and I will send My angels to protect you."

Jesus said: "My people, I have given you several messages and visions to show you that hell and the demons do exist. I have given you these visions so you may be inspired to help save as many souls as you can from hell. Some people are being blinded from this evil by the distractions of riches, possessions, and fame. Do not allow addictions to control you because they are connected to demons. Pray every day and consecrate yourself and your actions to My Sacred Heart and My Blessed Mother's Immaculate Heart. There is much evil in your world, and you need to pray for the conversion of poor sinners, and especially for your family members."

Jesus said: "My people, I have shown you some of the evil in the world, but I want you to focus more on My power and My graces that you receive when you adore My Blessed Sacrament, and when you worthily receive Me in Holy Communion. My adorers of My Blessed Sacrament are My special people who recognize My Real Presence in My consecrated Host. My daily Mass faithful also have a special place in My Heart. If you truly desire to have a close love relationship with Me, you will desire to be with Me as much as you can at Mass, Adoration of My Blessed Sacrament, and your daily prayers and consecration. I give all of you the protection of your guardian angels that you can pray to every day."

Jesus said: "My people, you are seeing all the wars, weather manipulation, and the many abortions and sexual sins occurring in the world. I am allowing the evil people to grow up with My faithful, and I pray that some people could be converted through My faithful. I am asking you every day to pray for peace, the stoppage of abortion, the conversion of poor sinners, and for those souls in purgatory to be brought to heaven. Trust in My answering your prayer requests. I desire to save all souls by My death on the cross, but I do not force anything on your free will. Keep praying persistently to help save your family members from hell."

Jesus said: “My people, I am giving you this hope in My coming victory over the Antichrist, the devil, the demons, and the evil people. This will be a glorious white flash of My power, as I will protect My faithful from the comet by raising you up into the air. The evil ones will be cast into the fires of hell. I will then recreate the earth from man’s destruction, into a new garden of Eden, and I will bring My faithful into My Era of Peace. All of My faithful will be vindicated in My victory. You will all be prepared to be saints so you can enter heaven after your death. Give praise and thanks to Me for letting My faithful see My glory in your lifetime.”

Friday, May 19, 2017:

Jesus said: “My people, as you have been reading the accounts of the Acts of the Apostles, a decision had to be made if the Gentiles had to obey all the Mosaic laws. It was decided by the power of the Holy Spirit that the Gentiles did not have to undergo all the Mosaic laws. When the Gentiles received this letter from Jerusalem, they were joyful indeed. It is not easy to convert people from the worldly distractions that afflict men and women from the devil. It is much easier to evangelize people without the extra Mosaic laws of circumcision. This was just one trial for My Church. You have seen many different heresies that have also confronted My Church leaders. Today, it is even harder to evangelize souls because you have so many more distractions, divorce, and the many sexual sins that are rampant in your society. People in your day do not always have good roots of faith from their families. Many people ignore Me, or they do not even acknowledge My existence. This is why My faithful need to pray constantly for the conversion of poor sinners, or they could be lost in hell. Use your Christian example to show people how they should live according to My Commandments.”

Jesus said: “My people, it is not easy to set up a refuge with water, food, fuels, and bedding for a lot of people. When the people first come to your refuge, you will have to calm them down from all the danger they just faced. Once I perform some miracles at your refuge, this will give the people some confidence that I am protecting them. You remember when I performed miracles before My

apostles, that the miracles strengthened their faith in Me. You will need to have the leader of each refuge assign jobs for everyone to help with the survival of that refuge. It will not be easy for people to do their jobs at first, because it will take some practice. I will see to it that you have enough food and water, as I will multiply what you have. Your people need to stay calm and have patience with My help. You will have Adoration around the clock, so pray to Me for any answers that you need for your problems. You need to have faith in My angel protection, and be patient, because this trial will last only a short time."

Saturday, May 20, 2017: (St. Bernardine of Sienna)

Jesus said: "My son, when you read about St. Paul and Barnabus traveling around on their evangelization mission, you can see the similarity to your own mission. In today's reading St. Paul had a vision to go over to Macedonia to spread the Good News of My Resurrection, and he went there. I called on you, My son, to do My work and you agreed to follow Me wherever I led you. In the Gospel you also read how I have chosen you to follow Me, and I even gave you a personal invitation. You gave Me your 'yes', so I have enabled you to travel in good health, and with many angels for your protection. Bring My joyful Good News to the people, and inspire them to share My Word with others as well. When you come to Me at the end of your mission, I will show you all the people who I have allowed you to reach, and were saved by your evangelization efforts. Give praise and thanks to Me for all that you have accomplished."

St. Therese said: "My son and daughter, thank you for all of your prayer requests when you pray my 24 Glory Be prayers for your family and friends. Just as Jesus told you that He likes your informal prayers from the heart, so I also love to hear your informal prayers as well. You are doing a great work for my Jesus in your traveling to various places for your talks. When you are out on these quiet farms, you hear the birds singing, and you try to do everything for my Jesus. You know about my 'Little Way' in how I offered every little thing in my life up to Jesus. This is how you should try to live as well, by not wasting your time, but think about how you can help people in your prayers and actions. You can see how many years have passed by already, and you see how short this life is. This is why you all will have to account for all the time that the Lord has given you. Make every moment count in your prayers, Masses, and your talks. The Lord

wants you to share His messages, and even His miracles, as well as how He has helped you in all of your trials. The more you give Jesus the credit for all that He does for you, the more you please Him with your life. Confide in Jesus for all of your needs, and He will help you through everything. I love all of you, and you can talk to me anytime."

Sunday, May 21, 2017:

Jesus said: "My people, the priest at Mass told you how there were eight new priests ordained in Cleveland, Ohio yesterday. This is great cause for celebration, because you are in great need of My priest sons to replace the priests who are dying, or are incapacitated. My priest sons take My place on earth, especially in Confession and at Mass. These men are gracious in giving their lives to My service and for the people. You need My priests as leaders of My Church, and for your daily and Sunday Masses. They also are instrumental at weddings, funerals, and the blessing of the sick. They are also needed for Confession, and some are used in deliverance for removing the demons from people or places. You need to honor and respect My priest sons for all that they do, and give them your support in your prayers and the collections for the churches and their personal needs. Keep praying for vocations to the priesthood, and for the priests to remain faithful to their vocation. I also send out My messengers and prophets to help spread My Word. I call all of My faithful to evangelize people to the faith by their Baptismal and Confirmation gifts. By living your faith every day, you give good example to others, and you please Me in your love for Me, and your love for your neighbor."

Monday, May 22, 2017: (St. Rita of Casia)

Jesus said: "My people, I appeared to My apostles several times after My Resurrection, and I promised them that I would send the Holy Spirit of God upon them when I would leave. Now, this week you will be celebrating Ascension Thursday, when I rose up into heaven. The angels told you that I would return on the clouds, even as I left going up into the clouds. My faithful

have been waiting many years for My return in victory over the evil ones. This time between Ascension Thursday and Pentecost is a special novena of the Holy Spirit. I am reminding My faithful to locate this novena, even if you need to print it off the internet. Then you can pray this novena starting after Thursday. My apostles stayed in Jerusalem waiting for the Holy Spirit to come to them in tongues of fire. This novena is a great preparation for Pentecost, when you will remember your own Confirmation and reception of the Holy Spirit and His gifts. Give praise and thanks to Me and the Holy Spirit for all that We do to help you in your daily mission."
Jesus said: "My people, I am showing you some students who are graduating from their studies. I am using this as an example for all of you, because you all are students of life. You have been given the faith through your parents and religious teachers. You have also been given a lifetime of time to share your faith and live your faith in following My Commandments. I have given you My sacraments and My very Self in My Eucharistic Host. You have an opportunity to evangelize souls and bring your children up in the faith. You do not know how long you have to live, so you need to keep your soul pure with frequent Confession. It is at your death that you will be graduating into your next life. If you die before the tribulation, your life's deeds will determine your destination of heaven, purgatory, or hell. Keep praying to help save all of your family members. My faithful are struggling to be with Me in heaven, and you will have your reward in heaven."

Jesus said: "My people, in the Gospel I am preparing My apostles for when I would leave them in My Ascension into heaven. I told them that I had to leave so the Holy Spirit, or the Advocate could come down upon them. You also are preparing for Pentecost when the Holy Spirit came down among the apostles in tongues of fire. My faithful already have received the gifts of the Holy Spirit at Baptism and Confirmation. You all are Temples of the Holy Spirit, and you receive the Blessed Trinity in Holy Communion. The account of St. Paul and Silas in the Acts of the Apostles was quite dramatic when the earthquake opened the prison cells and freed their chains. They kept the jailer from killing himself, and they baptized and converted him and his family to faith in Me. The jailer

was grateful for being saved, and he tended to the wounds of St. Paul and Silas, and fed them a meal. In the same way My faithful also need to be grateful for their gift of faith, and they can thank Me by sharing their faith in converting others. In this way you can share your love with Me and your love for your neighbors."

Wednesday, May 24, 2017:

Jesus said: "My people, you have read about My scourging at the pillar, and you are seeing it in this vision. My Church people are also being persecuted, and some physically as My apostles and St. Paul. If they insulted and persecuted Me, the evil ones will do the same to you. Following My Will and My laws, is not easy for men and women, because you are torn between the desires of the body and the desires of the soul. This is why some people rejected My message from My evangelists, especially when people were called to believe in My Resurrection, and believe in My Real Presence in the consecrated Host. Many of these mysteries require faith in My Word, even though it is hard to understand fully. So when My faithful try to evangelize souls, remember that you will also face disbelief and persecution. The devil will also fight against you because you are struggling to take souls away from him. Call on My help and My angels to defend you from the evil spirits, so My Word will fall on good soil in the hearts of the people."

Jesus said: "My people, you have just seen another suicide bomber kill some people in Manchester, England. Most of these terrorists have been Muslim, or radicalized by Muslims. This is not just profiling, but it is the fact of which people are committing these crimes. Many of these people are on watch lists, and are known to the authorities. It is hard to identify someone who is carrying a bomb, unless you had some kind of x-ray machine as in the airports. Recent bombings have been in parking lots or the outside of event buildings. It is difficult to prevent these bombings, unless certain people are tracked. Wherever you have crowds of people as at airports, train stations, sports events, or night clubs, these places have been the soft targets of choice. You have seen trucks and car bombs used as well. Your security people will have to guard these events where crowds seem to draw attacks. Pray for the people who were killed and for their families. Continue your reparation Masses for those people who could be

killed suddenly from terrorist attacks or natural disasters."

Thursday, May 25, 2017: (Ascension Thursday)
Jesus said: "My people, it was hard for Me to leave My apostles, but I had to leave so the Holy Spirit could come down upon them. Right before I left, I urged My apostles to go out to all the nations to preach My Good News of My Resurrection. Later, when My apostles received the Holy Spirit, they had the gifts to go out and preach My Word, even though many of them would be martyred for My Name's sake. The angels told My apostles that I would return on the clouds, when I will bring My victory over the evil ones. I told My apostles to remain in Jerusalem until I would send the Holy Spirit down upon them. They received the Holy Spirit as tongues of fire came over them. I am reminding My faithful to start praying the novena to the Holy Spirit, from tomorrow until Pentecost."
Prayer Group:
Jesus said: "My people, you are seeing several priests being ordained about this time in various dioceses. You also are seeing new assignments being appointed in June for the priests. Every diocese needs new priests, especially to replace those priests who have died. You have just lost one of your priests in Fr. Michael Costanzo. He died suddenly of cancer, and he is a great loss for your community who loved him dearly. Pray for his soul and for all the priests who need your prayers."
Jesus said: "My people, it is sad to see the loss of so many innocent people who were killed by this suicide bomber. There were many injured people as well. Pray for these souls with your Chaplet of Divine Mercy. After every terrorist attack your security people can take lessons from the kind of people who commit these crimes. They usually are attracted to crowds to kill the most people. Pray for your security people to be vigilant for any other suicide bombers."
Jesus said: "My son, you have been reading about how your previous President is forming a new group to harass your current President's plans. The one world people and the progressives are intent on destroying President Trump's plans, because he is changing your government away from socialism. These people actually want to cause chaos or a civil war, so they can oust your President from power. These are the same people trying to impeach your President for no

apparent reason. There is no compromise in your Congress, and the Masons will try and block his health plan and his tax reform. Pray that you do not have a civil war, and pray that your authorities can control any unlawful riots."
Jesus said: "My people, your President is trying to get your European NATO members to pay their fair share for the defense of Europe. He is asking members for only 2% of their GDP, while America is paying 4% of your GDP. With Russia, and Iran causing problems in the Ukraine and in Syria and Iraq, it is important to have a defense against this current aggression. Pray for peace, but be ready to defend the freedom of the people in Syria, Iraq, and Afghanistan."
Jesus said: "My people, your current Obamacare is forcing people to buy insurance from the government, and it is failing badly as various insurance companies are leaving the exchanges. The premiums and deductibles are becoming unaffordable. Once Obamacare fails, there will be no other choice but to start a new Health Care program. Until people realize this is a disaster, your new legislation will not be passed. There also is a new tax reform that is coming, as there is a need to help get rid of the many injustices in the tax code. Pray that your Congress can work out a compromise that will be fair to everyone."
Jesus said: "My son, it is another milestone for your prayer group to be celebrating forty-four years. Your world needs prayers more than ever, and I am pleased with your Chaplet of Divine Mercy, your three rosaries, and your Adoration of My Blessed Sacrament. I have had My hand watching over your prayer group along with your prayer group angel, St. Meridia. Continue to encourage people to come to pray for the reparation of the sins of the world. I also want to remind you again to start your Novena to the Holy Spirit that starts tomorrow."
Jesus said: "My people, you are seeing more divisions forming in your country between those people who believe in Me, and the atheist people who are defying My laws. Your political correctness does not want to see Me in the picture at all, and this is the battle of good people against evil people. Everyone has to take a position whether you will be following My laws, or the sinful laws of the world and man's ways. Those people, who want to follow Me, will be persecuted for their stand against the evil laws. But those people, who follow Me, will have their reward in heaven. You will need to come to My refuges for safety during the tribulation."

Friday, May 26, 2017: (St. Philip Neri)
Jesus said: “My people, yes, I am showering you with My many graces and blessings, but how many people are listening to Me to take advantage of these blessings? Those people, who are living in mortal sin, cannot receive My graces. How long do you expect Me to put up with all of your mortal sins? You have women and doctors killing a million babies a year with no remorse in your country. You have men living with men, and women living with women with homosexual acts that are an unnatural abomination. You have heterosexual couples living together in fornication without marriage. You have married couples using birth control devices and sterilizations. You have doctors killing older patients with euthanasia, even if it is against the law. You even have transgender people also defiling their bodies with even further abominations. These acts are all mortal sins, and need to be confessed in Confession before receiving Holy Communion. I told you that if you do not reverse your sinful Supreme Court decisions, then I will change them for you in My way. You are about to see My punishment against your country in bad natural disasters, wars, and further terrorist attacks. My Blessed Mother also told you, if you do not pray, repent, and change your ways, then there will be serious consequences that could annihilate countries. You had World War II, but now you are at the door of World War III.”
Jesus said: “My people, I am showing you a lot of people who will be lost to the Antichrist and his power to control souls. You have read several passages in the Bible where it says ‘Many are called, but few are chosen.’ The chosen are the faithful remnant who believe in Me and love Me. Unless a person is faithful, or they have a family member praying for them, they could be lost to the evil ones. This is why I will be sending My Warning experience to give every sinner one last chance to be saved. Fallen away baptized Catholics will have the better chance of being saved because they know their roots, and I will allow them to see how their sins are offending Me so much. You all have free will and I will not force My love on anyone. Keep praying for your family members, and they could be saved from hell. Those people, who choose to reject Me, and refuse to repent of their sins, are on a path to hell.”

May 31, 2017

Saturday, May 27, 2017: (St. Augustine of Canterbury)
Jesus said: “My people, you know that I am all love, and I share My love with the love of every family. The family of mother, father, and the children should be the basic unit for your society. I have given you examples with Adam and Eve, and My Holy Family. The traditional family of a man and a woman are married in My Church with the sacrament of Matrimony where I am the third partner. The modern day family has come under attack from divorce, and homosexual marriages. The love between spouses needs to be encouraged so there is no infidelity. Another attack on the family is there are couples who do not get married, but they live together in fornication, which is bad for their souls and any children who are a result from this union. Because people are not following My Commandments, your families are not complete, and they have only one parent at home in some instances. These situations make it hard for your children to find love, and you have a lot of influence from addictions to drugs and electronic devices. As a result the children have problems with their education and getting meaningful jobs. Because prayer was taken out of the schools, and fewer people are coming to church, there are many people who ignore Me, or do not seek Me in love. There is a great need for Me to be in everyone’s lives to help them, but they need to invite Me and repent of their sins. Until your country can restore proper marriage to your society, you will not have peace and a normal life. Put Me into your lives, if people want to come to heaven. Encourage your children to have families with a marriage commitment without living in sin. By following My Commandments of love, then you will have peace and harmony among your people.”
Jesus said: “My people, I am showing you the blinds on a window that can either be open or closed. This represents a soul who can either be open to Me so I can come in, or I can be closed out, and I am not able to enter. This is the free will decision of every soul. There is also another door that can close Me out to that soul, and that is when a soul is in mortal sin. In that case there is no grace in a soul, and the soul is in total darkness, and more susceptible to further sin. So if you want to allow Me to enter your heart and soul, you need to open the door to your soul, and confess any mortal sin on your soul. When a soul is united with Me in a love relationship, I can help that soul with My graces, and your guardian angel can help you as well. Mortal sin turns off these relationships, and that is why it is so important to confess your mortal sins immediately, and your venial sins at least once a month in frequent Confession. You also could be loving Me in your daily prayers and intentions. Consecrate all of your actions to Me every

day, and I will be helping you through all of life's struggles."

Jesus said: "My people, this weekend is remembering all the soldiers who died in fighting for your country. It is sad to lose so many lives in fighting wars, but they were noble in fighting for your freedom from tyrant dictators. It is proper that you should honor these brave soldiers. War is a scourge of mankind, and that is why I am always asking you to pray for peace. I told you a person is blessed who dies for his neighbor. Just as these soldiers died for your physical freedom, so I died on the cross for the salvation of all souls who will accept Me. You have My tomb in the Holy Sepulcher Church, but I rose from the dead to give all of you hope in your own resurrection on judgment day. Give praise and thanks to Me for dying for your souls, and give thanks to all of your soldiers for dying for your freedom."

Jesus said: "My people, the brutality of Islamic terrorists on Christians has been horrible, especially in Arab states. Such hate is just the opposite of My love, and this is why it is so hard to watch. You have read about the killing of Christian pilgrims in Egypt. This is just another senseless killing of innocent people that you have witnessed all over the world. The killers in most cases have been Islamic terrorists, and they continue to kill random people in crowds for the sake of killing. There is an evil behind these killings that causes these suicide bombers to act as they do. This is not normal behavior, and these kind of killings will be stopped when I bring My victory at the end of the tribulation. Pray for peace even among such violent people."
Jesus said: "My people, I am showing you this wrist watch as another sign that time is running out both for the devil, and for some major events to occur. I do not give you exact dates, but you can see that there is something big about to

happen. I keep telling My people to keep their souls pure with frequent Confession, because you want to be prepared for the Warning or any other event that could threaten your lives. You are living in dangerous times where a major war could break out which could include nuclear weapons. When your lives are in danger, I will warn My people to come to My refuges with your guardian angels. Pray for all the sinners who need prayers to save them."

Tuesday, May 30, 2017:

Jesus said: "My people, this vision of a tall cliff is a warning message to take caution not to go further, or you could go over this cliff. You are seeing threats of war which your country is barely able to prepare for. You have the radical left doing everything to block your President's plans. Your Congress and the one world people are trying to stop your Health Plan make over, and any tax reform. There even is a struggle over the National Budget and the National Debt limit. With all of this division and resistance to your President, it will not be easy for him to go forward. You need to pray for your President and your Congress that they do the right thing for your people to get your necessary legislation passed. Pray also that you do not have a civil war started by the anarchists behind any future destruction."

(Traditional Memorial Day) Jesus said: "My people, in this vision of an old style of antiaircraft guns, it reminds you of how planes and guns were made at the time of World War II. This is the traditional celebration of Memorial Day, when you honor the soldiers who died in your wars, especially World War II. Today, your ships have missiles and other kinds of guns like rail guns, and your planes are jet powered with various armaments as plane to plane missiles, and anti-ship missiles. You still are fighting wars today, and soldiers are still dying. It is one thing to honor those soldiers who died for your freedom, but it would be better if you did not have wars, and you prayed for peace. In some cases you have to defend yourselves from dictators who want to kill you, so you have to provide weapons and soldiers to defend yourselves. The devil is behind those people who are causing wars to happen. He inspires the one world people to cause wars, and they supply both sides to bring war on innocent people. Keep praying for peace, because in the end My victory will overpower the evil ones."

End May 2017

June 2017

Wednesday May 31, 2017

June 16, 2017
Wednesday, May 31, 2017: (Visitation of Mary to St. Elizabeth)
Our Blessed Mother said: "My dear son, you remember well when you made a trip to Ein Karem in Israel where you visited the Church of the Visitation. You also remember seeing on a wall over thirty different translations of my 'Magnificat'. This Gospel reading of my 'Magnificat' is repeated many times in the evening prayers of the Liturgy of the Hours. It is always in the back of your Magnificat books with the readings for the daily Masses. I do not have many quotations in the Bible, but this prayer is the most important. St. John the Baptist leapt in St. Elizabeth's womb when I came in with Jesus in my womb. You can see the distance that I had to travel from Nazareth to Ein Karem was not easy in my condition. I was doing what I could do to help St. Elizabeth in her late pregnancy. St. Gabriel told me about St. Elizabeth being in her sixth month at my Annunciation. This is the last day of the month of May when you honor me in your May crowning. On this one hundredth anniversary of my Fatima messages to the children, I encourage my children of today to pray the full fifteen decade rosary, wear my scapular, and make the five First Saturdays with Confession."
Jesus said: "My son, at all times I am always at your side, so you should have no fear of what is coming. This darkness that you are walking into on the stairs, represents the unknown of the future. The darkness also represents the coming evil of the Antichrist, and how he will threaten many souls. I will not leave My faithful remnant orphans during the tribulation of evil. Instead, I am directing My faithful to places of refuge where My angels will protect you, and I will multiply your food and water. I will call many people to your refuge, and they will be happy to have a place of protection, and a place to have their necessities. Be thankful that you will have healing of your infirmities by looking upon My luminous cross. You will also have daily Holy Communion, and perpetual Adoration where you will need to assign two people for every hour around the clock. Rejoice that you will have your physical and spiritual needs taken care of by My angels."

Thursday, June 1, 2017: (St. Justin)
Jesus said: "My people, in today's first reading St. Paul used some knowledge of the Pharisees and Sadducees to cause a dispute, so the Sanhedrin would not convict him. He told them the he was a Pharisee, and he was on trial for teaching about the resurrection of the dead. The Pharisees believed in the resurrection of the dead, but the Sadducees did not. So there was a serious dispute between the two parties. The tribune had to rescue St. Paul from these people. These same Jewish leaders were constantly testing Me as well. They knew the people did not like paying taxes to the Romans. So the Pharisees tested Me by asking if it was proper to pay taxes to the Romans. I confounded them when I told them: 'Give to Caesar what is Caesar's, and give to God what is God's.' In many other ways I was able to avoid the taunts of the Jewish leaders. I applaud My faithful who are brave enough to witness My Name among the unbelievers. At least they heard of My Word and they were given a chance to be saved. You will be seeing a worsening persecution of Christians by atheists and Muslims. But fear not, because I will protect you at My refuges."
(Funeral Mass for Fr. Michael Costanzo) Fr. Michael said: "I am happy to meet Jesus and all of my deceased relatives and friends. I thank all of my friends and family for coming to my funeral Mass. My niece and nephew had great words about me, but I told them to be brief. I also want to thank Fr. Graf who was a true friend to me. I want to thank my sister and all the people who took care of me. I am with Jesus now, and I can understand more about your mission, John. Thank you for your friendship and all of the prayer group at Lise's place. I am thankful for all of my life's experiences, and for all of the people who I met in life. I will be praying for my family and friends so you all can meet me in heaven."
Prayer Group:
Jesus said: "My people, some people were taken back by your President when he withdrew from the Paris Accords on Global Warming. There are many nations who signed this accord, but like China, there is still a lot more pollution going on. You were choking on the smoke in one of China's cities. There is no enforcement of these accords, and the whole purpose was to establish carbon credits which would set up a world welfare program. There truly are many

injustices in these accords. You can pray to preserve your resources and stop pollution, but the one world evil people are behind this movement."
Jesus said: "My people, you saw your military drop a huge bomb on the tunnels in Afghanistan that killed some Taliban soldiers. It appears this latest car bomb was also massive and made a huge crater that killed and injured many people in Kabul, Afghanistan. It could have been a retaliation for the first bomb. Getting through all the security, puts a question on how this happened. The terrorists kill people just to show their power, and they carry out their jihad according to the Koran. Pray for less killing, and make reparation for those souls who were killed before any preparations for death could be made."
Jesus said: "My people, about the same number of people died in Manchester, England and in Egypt. The one bombing in England was covered all over the world. Very little was mentioned how Christian pilgrims were killed ruthlessly, and even children were machine gunned by Muslim terrorists. Most all of the killings you have read about were carried out by Islamic terrorists. Pray for less killing and peace in your world where hate and anger are inspired by the devil."
Jesus said: "My people, you can see the hate of your liberal press when a woman was photographed with a mock beheading of your President. This was so violent and over the line display of hatred that both of your political parties were strongly opposed to it. This woman was recently fired from one job because of her vile action. You have seen many attacks against your President by the left liberals, and it is becoming hard for your President to carry out his plans. Another fake news attack has been to try and impeach your President with no proof for such an action. Pray for your President because he is still being attacked by witches with their hexes, spells, and curses."
Jesus said: "My people, you have seen a lot of wind, floods, and tornado damage all across your country. Many areas have seen record rainfalls or droughts as in Florida. Some of this destruction is part of a punishment for all of America's mortal sins of abortion, fornication, homosexual acts, and euthanasia. Millions of babies are being killed in the womb, and you still ask why you are being punished? If your people do not stop your sinful living and start praying, you will see worse punishments for your sins."
Jesus said: "My people, you have seen many spring flowers blooming in your gardens. This is a part of the beauty of My creation, and you need to take time to thank Me for all of these beautifully colored flowers. Amidst all the troubles in your world, it is calming to take in all of the beautiful spring flowers that are right in front of you. Take a moment to look at the beauty of My creation, and

thank Me for all that you are viewing."
Jesus said: "My people, you have only a few more days of your Holy Spirit Novena to go before you celebrate Pentecost Sunday. Keep remembering your prayers for this feast day of the Holy Spirit. Think of all the gifts that the Holy Spirit bestows upon all of you. He has helped you in writing down these messages, and he strengthens you to evangelize souls for the faith. I encouraged My apostles to spread My Good News among the nations. It was the coming of the Holy Spirit that gave My apostles the inspiration to carry out My desire to save souls."

Friday, June 2, 2017:
Jesus said: "My people, you have read in the Gospels how Judas betrayed Me and St. Peter denied Me three times. Judas could have sought My forgiveness, but he was led by Satan to commit suicide by hanging himself to death. St. Peter denied Me in a different way for fear of his life. Later, he was sorry for his denial of Me, and he told Me three times how he loved Me. Then I told him to feed My sheep, because he would be Pope and leader of My Church. I have instituted the sacrament of Reconciliation when I told My apostles that whatever they bind on earth would be bound in heaven, and whatever they retained on earth would be retained in heaven. I call all sinners to return to Me in Confession to the priest, so I can forgive their sins and restore sanctifying grace to their souls. You need to make time to come to Confession at least once a month. You also need to make a good Confession by reviewing your past sins, and have a properly formed conscience. You all have the opportunity to come to Confession, so there should be no souls with mortal sin. Some souls ignore Me, or they were not trained about Confession. But those souls, who know better, should not forget to guard their souls, and have it cleansed in frequent Confession. I love all of you, and I wish to restore My friendship with all of you in the confessional with My forgiveness."

Jesus said: “My people, many of you are aware of My First Commandment where I told you: ‘I am the Lord, your God, and you should not have any false gods before Me.’ Some people believe in Me, but others have let things of the world as possessions, sports, or fame become gods for them. When people come to Me in My Warning experience, they will see that they can only come into heaven through Me. People, who have different beliefs or are atheists, are going to see that I am the only God of the world. I love all of you so much that I died for your sins, and this is a historical fact that God has visited you in person. No other god can have this love for you, and I am the only power who created everything, and I can overpower all of the demons. So follow Me and love Me,and you will be on the right path to heaven.”

Sunday, June 4, 2017: (Pentecost Sunday)
The Holy Spirit said: “I am the Spirit of God, the Paraclete, and the Consoler. You receive Me, Jesus, and God the Father every time you receive Holy Communion worthily. I am honoring your wish to send you the tongue of fire over you, as I did for the apostles. I am happy that you call on Me to help give your talks, just as Jesus said not to worry about what words to speak, because I would give them to you. I also help you to write down your messages, even as I inspired all the writers of the Bible to write down their words, as in the vision. You know how much We love all of you, and I am truly the Spirit of love that moves you to love Us and your neighbors. In the Gospel you read how a great wind went toward the upper room where the apostles and the Blessed Mother were present. They all received tongues of fire, and the apostles were even able to speak different languages that the various peoples could understand. It is My Spirit of love that enters all of your hearts so you can speak the language of love to Us and your neighbors. It is the love in the family that brings forth children, and you are inspired to pass your love and faith on to your children. When I bless you, especially at Confirmation, I bestow My seven gifts upon you to help you in spreading the words of salvation to all the nations. So go forth, and I will truly give you the words to proclaim in your evangelization efforts.”
Jesus said: “My people, for about three hundred years after My death, Christians were killed or martyred for My Name’s sake. This is why Christians sought out

the catacomb caves as a hiding place from the authorities. It was not easy to live a Christian life in search of saving souls. Today, you have some persecution of Christians, but mostly in Arab countries. Christians in America are criticized, but their lives are not threatened. As more churches will be closed, it will be harder to find a church for Mass, let alone places of Adoration. You will be seeing more criticism, and eventual persecution as you approach the time of the tribulation. You have seen in vision how the authorities will use Guillotines to martyr Christians for their faith. When your lives are in danger, I will call My faithful to My refuges and even caves. These places of hiding will be your new catacombs. I will have an angel guarding each refuge so you will be protected from anyone trying to kill you. Call on Me so I will lead you to safe havens where you will have food and water multiplied for your survival. Seeing the catacombs is a preview of how you will be hiding from the authorities. Pray for My protection throughout the coming tribulation."

Jesus said: "My people, I am showing you an empty grave because you need to remember: 'You are not ready to live, until you are ready to die.' You all know that one day your physical body will pass on, but you do not know when you will die. Because you do not know which day I will call you home, you need to have your soul pure and always ready to meet Me at your judgment. This means you should confess your sins at least once a month, or sooner if you have any mortal sin. My faithful need to keep their focus on Me, and consecrate all of their days and actions over to Me. Follow My Commandments and repent of your sins, and you will have your eternal reward with Me in heaven. I love all of you and I want you to keep on the narrow road to My love. I also want you to reach out to evangelize as many souls as you can so they can be with Me also in heaven. Live your life to the fullest while you are still alive."

Tuesday, June 6, 2017: (St. Norbert)

Jesus said: “My people, I am showing you these empty milk bottles to represent how it will be hard to find milk and food for many people. I told you in many messages how there will be a famine, earthquakes, and pestilence as signs of the end times. This famine will be caused by natural disasters, and eventually there will be rationing and chips in the body to buy food. This is the same reason that I have warned My faithful to have a year’s supply of food on hand for every person in your household. If you do not have enough storage space or the money to buy the food, then I will multiply your food to avoid starvation. This is a preparation before the tribulation, because you may not find food available, or you will not take the mark of the beast that will be required to buy the food. My refuge builders are also storing food at My refuges so I will multiply it during the tribulation. You know I will not leave you orphans, and I will see to your needs. Trust in My help and protection at My refuges, when you are called to come.”
Jesus said: “My people, you remember the account in the Book of Genesis when I had Noah build a huge ark for his family and all the male and female animals that I wanted him to save. I intended to kill all the evil people with a flood, but I would spare Noah and his family who were righteous people who loved Me. Once the flood subsided, Noah and his family would repopulate the earth. In a similar manner I am about to bring a punishment of the Antichrist’s tribulation upon the earth, because of your sins. I will spare My faithful remnant from the evil ones by providing you with refuge arks of protection with My angel’s invisible shield. My refuge builders are storing food, water, and fuels that I will multiply for your survival. Then at the end of the tribulation I will bring My Comet of Chastisement upon the evil ones, who will be cast into hell. I will protect My faithful in the air, and I will bring you down into My Era of Peace. Give thanks and praise to Me for sheltering you in My refuge arks, and bringing you into My new Garden of Eden in the Era of Peace.”

Jesus said: “My son, you have had to endure being without your car for four weeks, but in the end you did not have to pay anything to have it fixed. You were fortunate that the repair was covered by warranty and the good will of your dealer. Now, you are thankful to have your car back in good running order. I told

you not to worry, because I would work things out for you. You were patient and you were happy with the result. This should be everyone's reaction to difficulties in your life. Pray for My help in your troubles, and I will work them out for you. You need to be patient and do not get angry over any difficulties in your life. When you are calm and trusting in Me, your lives will be much happier. Give praise and thanks to Me for all that I do for you in your lives."
Jesus said: "My people, these dark night scenes represent the evils going on every day in your society. It is difficult to live a Christian life with all the distractions and evil actions of the people around you. I gave the sign of Jonah as an example of how your people should live. The people of Nineveh prayed and fasted, as well as they changed their evil lives. Many people in your society have ignored Me, and they are not coming to Sunday Mass. You see declining numbers in your churches, and your families are breaking up with divorce, living in fornication, or homosexual marriages. The darkness of your sins is represented in your dark nights. My faithful prayer warriors are spreading the Light of My Good News, but there is a great need for more people to be praying. Your younger generations are praying less and are not coming to church. You need to continue to pray for your children and grandchildren to follow your good example. I will bring My Light into the world when I will bring My victory over all of the evil ones. I will cleanse the earth of all the evil ones, and I will renew the earth for My faithful to come into My Era of Peace."

Thursday, June 8, 2017:
Jesus said: "My people, today you are reading a beautiful story about the marriage of Tobiah and Sarah from the Book of Tobit. It is a long story involving the Archangel St. Raphael, Tobias the father, Anna the mother of Tobiah, Tobiah, and Sarah the daughter of Raguel, the kinsman of Tobias. St. Raphael helped catch a fish, and the gall of the fish was used to heal the father's blindness. Sarah had been married seven times to her kinsmen, but the demon, Asmodeus killed the seven husbands before they could consummate the marriage. The father, Tobias and Sarah were both in grief. He was sad over his blindness, and she over her seven dead husbands. They prayed to God and their prayers were answered when the father was healed, and Sarah had a husband who lived a long life. St. Raphael was instrumental in getting rid of the demon so the son, Tobiah would

not be killed. After Tobiah and Sarah were married, they prayed to God on their wedding night that they would live a long life together. They did live a long life, and Tobiah's prayer could be used by all married couples so they could be married in a commitment for a lifetime. Couples need to keep Me in their marriage so there is less chance of a divorce. This same love between a husband and wife is a model for My love of My Church as My bride, and I am the Groom. Love should be the harmony that unites all of My people, even following My Commandments of love of God and love of neighbor."

Prayer Group:

Jesus said: "My son, you have been asked to arrange your statues and relics in a new way by the pastor. This is only a small change to give more honor to My Blessed Sacrament. Once you explained the reason for the change, your people understood."

Jesus said: "My people, this net around your Liberty Bell represents how your freedom of speech will be more restricted by who you may offend in your audience. There will come a time when if you do not speak 'politically correct', the authorities will arrest you for hate speech, and you could be put in jail. If you speak My Name or mention sins to avoid, you could also be jailed. You are seeing daily how many of your rights are being taken away. This is just the beginning of the persecution of Christians."

Jesus said: "My people, you can see how the liberal press and the opposition party are continuing to make up stories about your President that are fake news with no proof. This has been an attempt to try and impeach your duly elected President with no proof as well. This whole array of false news is intended to keep your President and Congress from carrying out your President's plans. It is also being funded by the one world people to try and remove your President from office."

Jesus said: "My people, your House passed a Health Bill, but your Senate is not trying to pass any Health Bill. I told you before that until Obamacare is impossible to continue, it will be hard to pass any replacement Health Plan. Unfortunately, until a Health Plan is passed, it will be hard also to take up any tax reform as well. This means it could take a year or more until these subjects could get to your President's desk. Pray that your people are able to eventually have a reasonable Health Plan and your tax reform."

Jesus said: "My people, your Defense people are putting anti-missile systems in place to counter the nuclear threats from North Korea. It is amazing that South Korea's leaders are not behind this defense move. You have had some success

with these missiles knocking down ICBMs, but there is no guarantee that you could defend against multiple missiles. Keep praying that such a nuclear war does not happen."
Jesus said: "My people, your enemies and even everyday people will soon be sending out encrypted transmissions to avoid being listened to by any of your secret intelligence agencies. It will be difficult to monitor encrypted messages until such a means can be deciphered. Until encryption is added, all of your communications will be continually monitored. This is another attack on your freedom of speech. Pray for a fair monitoring that does not harass your people."
Jesus said: "My people, I have mentioned in previous messages (4-19-01, 9-7-03, 11-10-04, 8-7-13) that a time is coming when the words of Consecration will be changed so that I will no longer be Present in these Hosts. When this happens, you will no longer have My Real Presence in your Hosts, or in your tabernacles. This will be brought on by the Masons who will cause a division in My Church. Once this happens, My faithful will need to come to home true Masses with the proper words of Consecration that will have My Real Presence. Eventually, you will have to come to My refuges to have My Real Presence in your Hosts. Remember if you do not have a faithful priest praying the proper words of Consecration, I will have My angels bring you daily Holy Communion with My Real Presence."

Friday, June 9, 2017: (Donald Vigna Funeral Mass, Marie brother)
Jesus said: "My people, you are here to celebrate Donald's life, and I am escorting him to his prepared place in heaven. In the vision you could see all of Don's deceased relatives and friends looking down on you. They are happy to come with Me to welcome Don to his new home. He is free of all of his pains and problems, and he is at peace with Me. This represents the Communion of Saints that join the souls of heaven, purgatory, and earth. They are with you at every Mass, but you may not realize it. Don thanks you for attending his funeral, and he will be praying for all of you. Give praise and thanks to Me for the gift of Don's life."
Jesus said: "My people, I told you that you would have a short reprieve before you would see more disasters. As your temperatures start to warm up, I am showing you some wild fires that you will see as the vegetation dries out with

the heat. This is why you are seeing a plane spreading flame retardant over the fire in the vision. As your ocean waters heat up and winds are more favorable, you also could see a chance of hurricanes developing. If you continue to see warm summers, you could also have problems supplying enough electricity to run your air conditioners. Pray that you do not see much destruction from your weather conditions."

Jesus said: "My people, in today's Gospel you are seeing the story of the Widow's Mite in how she placed all she had to live on into the Temple treasury. Whenever you tithe your donations, you are storing up treasure in heaven. You are thanking Me in love for what you have. Even as you give donations to the poor, you also need to mention them in your daily prayer intentions. Some people only give token donations, but when you can afford to give ten per cent of your income to charities, you will truly be blessed. I love a cheerful giver who is willing to give one's time and labor as well to help people. When you can share your faith with people, you are sharing the best gift that you could give to the rich or the poor. Give praise and thanks to Me for taking care of all of your needs."

Sunday, June 11, 2017: (Most Holy Trinity)
The Holy Spirit said: "I am the Spirit of God, and I am speaking on behalf of God the Father, and Jesus as you celebrate this feast of the Holy Trinity. You are also celebrating your pastor's fortieth anniversary of his priesthood. We are Three Persons in One God, and We are always together. When you think of One of Our Persons, the other Two are there also. Your 'Glory Be' prayer is the best tribute to the Blessed Trinity, as well as the Sign of the Cross. Many times you refer to yourselves as Temples of the Holy Spirit. Keep close to Us in your daily prayers as We are always watching over you. When you pray, you are showing

Us how much you love Us."
Jesus said: "My people, this cloud is more than just a sign of bad weather, but it represents a hurricane of evil with many possible sources. You could see people manipulating the HAARP machine to cause earthquakes, a tornado, or a drought. You will be seeing more terrorist attacks all over the world. You could also see North Korea start a war with a missile attack against any number of countries, including an EMP attack on America. Your country has been warned many times about how vulnerable your electric grid is to such an attack. Still your military and your infrastructures have not taken any measures to protect your grid from an EMP attack. Such an attack could leave a lot of people dead from starvation, because very few people are prepared. Pray for the souls of your people, because your punishment is coming for all of your abortions and sexual sins."

Jesus said: "My people, this summer will be similar to last year, only you will be seeing continuous heat waves, especially in the cities. You may even see some difficulties with brown outs or power outages, as many people will be using air conditioners. These heat waves could be mild disasters for those people who cannot get cooled off. With more heat you could also see fires, and more violent storms. Be prepared for some inconveniences from less power, and possible crop damage without enough rain. You are seeing some unusual weather that could be a result of several HAARP machines around the world. Pray for My protection, and I will provide for your needs."
Jesus said: "My people of America, both North Korea and Iran have a desire to send a nuclear tipped missile over your country to cause an EMP attack. If they do not use an ICBM capability, they may launch a shorter range missile from a closer platform. You could retaliate with EMP attacks as well, but if you cannot knock down their missiles, you would suffer more damage to your electric grid than your enemies. Such an attack could come at any time, which is why you have been testing anti-missiles. If such an attack is imminent, I will warn My faithful to come to My refuges. An EMP attack on America could be fatal, because many people could die without enough food storage. America needs to protect its grid more, and store a year's supply of food for each person in your household. At My refuges I will multiply your food, water, and fuels. I told you

to be prepared for a big event, and such a war is possible."

Tuesday, June 13, 2017: (St. Anthony of Padua)
St. Anthony said: "My dear sons and daughters, some of you have had the experience of visiting my tomb in Padua, Italy. Some feel vibrations or a slight electric shock. Your one pastor fell down twice when he touched my tomb. I have helped many people find things. You remember when you found your lost luggage before a fourteen day cruise. Your wife twice prayed to me to materialize a lost ear ring and a miraculous piece of glass that was lost. They truly materialized where they had not been before. You know I have a sense of humor when I reminded your daughter of who the saint is for finding things, even on my feast day. You need to have true faith that I can find things, in order to have things found. I know also how you have thanked me many times for such answers to your prayers. The best story of 'lost and found' is the parable of the Prodigal Son. The son took his share of his inheritance and squandered it on sinful living. Then he returned to his father to ask his forgiveness. The father was pleased to have him back home safe. His son was lost in sin, and now he is found in forgiveness. I did hear your request to find your wife's lost ear ring."
Jesus said: "My people, as in the Gospel, you are the salt and the Light of the earth, because you are sharing your faith and My love with all the people of the earth. So do not keep your faith to yourself, but you must share it with others. In the same way that you put a light on a lamp stand to light the whole room, so you also must be a Light to the world by sharing My Good News. So do not hide your light under a bushel basket, but you must go out into the streets to proclaim My message of love. You are to be a shining example of My love, so people can come to know and love Me by your witness to My Light. Give praise and glory to Me for feeding you and lighting your path to heaven. I feed you My very Self in your daily Holy Communion, which is truly your Bread of Life."

Wednesday, June 14, 2017:
Jesus said: “My people, your readings today are speaking of the first covenant with Moses that is being fulfilled in My second covenant of My death and Resurrection. The moral code of the Ten Commandments will always need to be followed, because I told you that My words are forever. My second covenant is showing you how much you are all loved by Me, God the Father, and the Holy Spirit. I am offering you eternal life with Me if you eat My Body and drink My Blood worthily in Holy Communion. You receive the Blessed Trinity in every Holy Communion, and you have Our Real Presence within you. You no longer need sacrifices to Us as in the Old Testament, because you have My Sacrifice that atones for all of your sins. You are now focused on following My words of the Gospel, and you will have your eternal reward with Me in heaven. Rejoice that you have an eternal promise with Me for all the people who follow My Word, and keep it in their daily actions of love.”
Jesus said: “My people, you have seen terrorists killing many people, no matter who they were. Some attacks have been against your police authorities. Today, you are seeing a planned attack against Republican leaders in the House of Representatives, and the gunman showed hate for your President and your Republican Party. Using an assault rifle he shot one of the Republican leaders, some aides, and two policemen. The gunman was shot, and he died later in the hospital. You have seen some very hateful speech against your President by your liberal press and television networks. Some have displayed an image of a beheading of your President. You are even seeing a play mocking an assassination of your President. With all of this hate speech, this is even inspiring deranged people to shoot their political enemies. All of this hate and attempts to kill those in power, has crossed the line of decency and rule of law. You have laws against hate speech, but the left radicals who perform destruction are not being prosecuted in court. The one world people and your left progressives are trying to remove your President, even if they have to use violence and attempts to cause a civil war or martial law. Those people, who are promoting socialism, are using communist tactics to remove their enemies from power. My people need to pray for peace and a stop to all of this hate speech against your President. He needs to be allowed to make his plans without being harassed every day by your left media. I chose your President for this time to

turn the tide against Godless atheism, socialism, and communism. It is by My power and grace that America could be made great again. Your country needs to repent of its sins, and change its evil ways."

Thursday, June 15, 2017:
At St. Charles Borromeo after Holy Communion, I could see someone going to Confession. Jesus said: "My people, in the Gospel I was emphasizing how people need to stop calling people derogatory names to insult them. You may not kill them, but your words violate the love you need to have for everyone. This is what is wrong with your current political hate speech. You are even seeing how this hate is turning into violent shootings. It is time to make amends with anyone who you may have caused hard feelings by your bad remarks. You can even come to confess your sins to the priest before receiving Me in Holy Communion. Before receiving Me, you could pray a sincere Act of Contrition for your venial sins. You need to receive Me worthily without any mortal sins on your soul to avoid any sin of sacrilege. In heaven only sinless souls are allowed in, after purgatory may be necessary to make reparation for their sins. If this is required for heaven, you should also respect Me in My Real Presence in My consecrated Host."
Prayer Group:
Jesus said: "My people, you have seen the opposition party behind all of the hate for your President. Now, you are seeing the violence of hate carried out in an attempted assassination of one of your Republican leaders in the House of Representatives. He was shot by a gunman who hated your President. The Congressman is still in need of your prayers because he is in critical condition. Pray for the soul of the gunman who died of his wounds. This is another sign of how evil is fighting against the good of your President who is against abortion and Godless socialism."
Jesus said: "My people, the opposition party and the leftist media barely were saddened by this latest shooting of your Republican leader in the House of Representatives. They did not want to admit that it was their hateful words and actions that could have prompted this crime. They quickly brought leaked news of a possible obstruction of justice by your President to change the headline of this shooting. They could not stand the wrong headline stealing their thunder of

more hate. These Democrats and your liberal media have only one obsession, and that is to get your President out of the White House. Pray for more peace and love, instead of allowing the devil's hate to rule your country."
Jesus said: "My people, your current Administration is taking a stronger stand against terrorists, especially ISIS. More weapons and possibly more troops might be deployed to fight ISIS in all of their conflicts. You are seeing more terrorist attacks in Europe, and they are seeing the need to fight Muslim jihadists. You will see more money spent on your Defense Budget to pay for pushing this war against ISIS. You are continuing to see a constant battle of good and evil in your world. Keep praying for peace, but you need to be strong to stand up against these terrorists."
Jesus said: "My people, it is the plan of the one world people to overthrow your government so they can bring the Antichrist into power. These evil ones are following the devil's orders, because they worship him. They are pouring millions of dollars into protests of hate that are trying to divide your country between the socialist left and those people supporting your Constitution. By fomenting such hate and division, their goal is to use a civil war or martial law to bring down your government. I will send My angels to support your government against these evil ones so your President can stand up for what your Constitution says with your words about Me in your documents. Only America under God will lead your people to a better way of life against Godless socialism."
Jesus said: "My people, your world is in constant turmoil that is seeing a potential war with Muslim and Christian nations. The Middle East has been in constant war as more countries are being drawn into this conflict. You are also seeing a proliferation of nuclear weapons, especially in Iran and North Korea. It is very possible that you could see a nuclear war because of a miscalculation of motives. The devil is short on time, and he is encouraging hate for a war all over your world. Pray for an end to this evil because the Antichrist's reign will be brief. You know the end of this story when I will bring My victory, and all the evil ones will be cast into hell."
Jesus said: "My people, I want to give My faithful hope and confidence in My power over the demons and the evil people. Be not afraid My people, because I will protect My faithful at My refuges. My angels will defend My refuges with shields of invisibility. There will be some martyrs during the tribulation, but they will be resurrected to enter into My Era of Peace. Have patience and pray to save souls, because the evil ones will have a short reign before I will cast all of them into hell."

Jesus said: “My people, you will soon see the two witnesses of Elijah and Enoch who will come upon the earth to condemn the evil ones. They will be slain, but later they will rise again in power to lead My armies against the evil armies. I will be victorious over all evil, and you can be assured of this. Evil will have a short reign before I will bring My Comet of Chastisement. The evil ones will be placed in hell, and I will bring My faithful into My Era of Peace as their reward. Trust in My power and be patient but a moment in time.”

Friday, June 16, 2017: (Mass intention for Anne Schuerman)
Anne said: “My dear family and friends, I am thankful for Tim to have this Mass offered up for my intention. I always thought of your prayer group as my second family. I found great peace working with all of you. I was sorry that I could not see you, but you know how families are. I thank you for having a relic of St. Kateri Tekakwitha present to venerate. She was one of the saints who greeted me in heaven, and we had a beautiful embrace. You know how I dedicated my life to work for her sainthood to be acknowledged by the Church. You know how I also had an adventuresome spirit, just as your wife has. Thank you for your prayers and this Mass. I will be praying for my family and all of my friends. I am waiting for the day when I can embrace all of you when you come to heaven. I love all of you.”
Jesus said: “My son, you were helped by your friend to put the rest of your roof on your outhouse. Now, you need to put in the toilet seat and braces on the sides so your people could lift it into position at the proper time. You have fulfilled most of your projects to get your refuge ready. You may still need to purchase a generator to provide power for the winter months when your solar panels are covered with snow, and you have less light to recharge your batteries. Do not get complacent about your refuge mission, even though you have not seen the Warning or the tribulation. You are getting a sense that evil is getting worse, and the hate is generating more violence. Keep praying for the conversion of sinners, because saving souls is the most important mission.”

Saturday, June 17, 2017:
Jesus said: “My people, in the vision you are seeing a hole or a rut at the edge of the road when it is difficult to get back on to the main road. I am giving you this example because sometimes you get stuck in sinful bad habits, and it is hard to break them. First you need to realize, as you look at your life, that you have a sinful bad habit. Recognizing the problem is the first step. This means that you should have a properly formed conscience to know when you are offending Me in your sins. The next step is to make a plan how to change or avoid any sinful habits. This should involve coming to frequent Confession so you can have your sins forgiven, but you must make an intention to avoid that sin in the future. You have to avoid any occasions that lead you into sinful situations. It may even take prayer and fasting to be delivered from your bad habit. You could even seek counseling on how to change your life from a bad habit. The main goal is that you want to desire to break any bad habit, no matter how much you are drawn to that sin. Once you have stopped your bad habit, pray to Me for the grace that you do not fall back into that same rut of sin.”
(4:00 p.m. Mass, Corpus Christi) Jesus said: “My son, I know you love Me very much, because you attend daily Mass, and you see Me nearly every day at Adoration. You also believe in My Real Presence in My Blessed Sacrament, and you want to be with Me as much as you can. You are giving a good example to other Roman Catholics who may not be as strong in their faith. When you come to extra Masses more than just on Sunday, you are coming because you want to, and not just out of obligation. In the same way you make many visits to My Blessed Sacrament because you desire to be close to Me. It is a blessing for you that you receive an inner locution message every time that you receive Holy Communion, or you come to Adoration. You receive My graces and you are fulfilling My promise: (Jn 6:54) ‘Amen, amen, I say to you, unless you eat the Flesh of the Son of Man, and drink His Blood, you shall not have life in you. He who eats My Flesh and drinks My Blood has life everlasting, and I will raise him up on the last day.’”
Jesus said: “My people, you have witnessed eight years of socialism under your previous President, and now these same socialists are trying to force their ideas and way of life on to your new President and your people. These latest hate tactics have gone to a new level when liberal Democrats are encouraging acts of violence, as when your Republican leader of the House of Representatives was shot. These liberals are using an old communist tactic. If you tell a lie long

enough, the people will begin to believe their fake news and lies. You may not recognize what the left is doing, but they are like the communists who desire to take power any way they can get away with it. If your people cannot live peacefully, then you are inviting the anarchists to cause a civil war over your divided country. Pray for peace, or you could get what the left wants in a war."

Sunday, June 18, 2017: (Corpus Christi)
Jesus said: "My people, when I was present as a God-man on the earth, there were a fair number of My followers who left Me. They did not understand the mystery of the transubstantiation of the bread and wine being changed into My Body and Blood. The people, who left, thought I was calling them to believe in cannibalism. This is a mystery that My followers need to accept on faith. I have allowed many miracles of My Eucharist to occur to help people, including priests, to understand in My Real Presence in the Host. In some cases My Blood actually appears on the Host. You have seen in Lanciano, Italy how the bread was changed into the actual flesh of the heart. The wine was turned into globules of dried blood. This blood was analyzed as AB blood type when it was liquefied, and it had all the characteristics of live blood. The Host was actually myocardial tissue of the heart with no rigor mortis, even though this miracle happened 1,300 years ago. These miracles were meant to help people truly believe in My Real Presence. If I am truly Present, then you would want to be with Me as often as you could come to Mass and Adoration of My Blessed Sacrament. Rejoice that I am with you always, and pray that you keep the proper words of Consecration. Also, you need to receive Me in Holy Communion with no mortal sin on your souls, or you would commit a sin of sacrilege. Come to Confession often to keep your souls pure for receiving Holy Communion, and to be prepared if you should die today."

Monday, June 19, 2017: (St. Romuald)
Jesus said: "My people, you have seen the rain that waters your crops. Since

water is necessary for your survival, this rain is like My grace pouring out all over your people. These steps are to remind you of your traveling through life to come to heaven. Every hour and every day brings you one step closer to your goal of heaven. It may seem a long time to come through a lifetime on earth, but look how fast you have come to your present age. Time ages everyone, and you do not realize how old you are getting, until you see your hair turning grey and then to white. Your time on earth is limited, and you need to make the best use of your time in prayers, Masses, and good deeds. You cannot take your money or possessions past the grave, so you need to guard your most precious possession of your soul from the evil one. Your destination should be to come to Me in heaven, because you were made to know, love, and serve Me in this life. Those faithful people, who follow My Commandments, repent of their sins, and allow Me to be the Master of their lives, will have their reward with Me in heaven. Rejoice when you have fought a good fight during life, and have finished the course of your life, for your place awaits you in heaven."
Jesus said: "My people, your country is being tested with heat waves, heavy rains, tornadoes, and a tropical storm. During the summer months your hot weather can generate some violent rain storms with hail, and tornadoes which you have been seeing for the last few months. Your country's terrain forms more tornadoes than any other place on earth. The ocean waters are also heating up, giving fuel to a new tropical storm in the Gulf of Mexico. You could see some heavy rainfalls along the Gulf coast with some strong wind damage. Your people have been warned to prepare to leave if necessary. Every year these disasters take their toll on your homes and insurance losses. Pray for the safety of your people to avoid any fatalities. Some areas have much higher than normal rainfalls, and some have droughts. Pray that your farmers receive enough rain to grow their crops for your food."

Tuesday, June 20, 2017:
Jesus said: "My people, just as you see all the people in the vision watching a baseball game, so you have all the souls in heaven and purgatory who are watching you every day on the stage of life. You are united with these souls in the Communion of Saints at Holy Communion time, but they are also present to you all of the time. This is why you need to be on your good behavior all of the

time, because you are My faithful souls to give good example to others. You need to practice what you preach in all of your actions. In today's Gospel I am asking everyone to love their enemies and their persecutors. To love one's friends is expected, but it is harder to love those people who do not love you. I am all love, and I love all of you enough to die for you. I love the just and the unjust people, because I love all of My creations. I want My people to imitate My perfect love by loving even the people who hate you, or persecute you. Your loving example could possibly break down any barriers of hate by the devil, and you may be able to evangelize people to believe in Me. If you do not try and reach out to such sinners, they may never have a chance to be saved. Try to save as many souls as you can by your love of Me and your neighbors."
(Fr. Volino's 25th Anniversary Mass) Jesus said: "My people, you have seen some dangerous terrorist attacks with suicide bombers, vans running over people, and knife attacks. Recently, in your own country you had a political assassination attempt on one of your Congressional leaders. The police bodyguards and first responders were able to keep those people at the ball game from being killed. This gunman had a list of Republican Congressmen that he wanted to kill. The police should be thanked and honored for defending the people, even when the police were wounded. The opposition party is still encouraging fighting, even with this kind of violence. Your liberal fringe people are literally being encouraged to harm Republicans any way they can. This is beyond civility. This party wants violence or any means to take over your government. Your people would be wise to take measures against people who are encouraging violence. Pray for your country because your politics have turned into outright shooting battles that will challenge your police authorities. Pray for the safety of your police, body guards, and first responders."

Wednesday, June 21, 2017: (St. Aloysius Gonzaga)
Jesus said: "My people, you are seeing a continuation of disasters from nature, as this is a reflection of the violent hate in some elements of your people. This tropical storm is causing heavy rainfalls, tornadoes, and flooding along the coast of the Gulf of Mexico. This is the season for such storms, but it is difficult for your people when these storms hit the mainland. You could also see a flood of money that tried to push a Democrat into a position that had a Republican voter

plurality. The office was vacated by a current Cabinet member, but the people resisted trying to be bought by the one world money donations. This was another setback by a party that is obsessed with obstructing everything your President is trying to change. Pray for peace in your country where radical violent forces are trying to take over your government."
Jesus said: "My people, your President has taken away many of the restrictions on burning coal at power plants. There is a gradual replacement of coal plants with natural gas plants, but it is too expensive to replace all of your coal plants. Coal is still fueling 30% of your power plants. So it is still a needed part of your power grid. Keeping the coal mines open, also is providing some needed jobs. China and many other industrial nations are still burning coal, and they supposedly signed this Global Warming Paris accords. There is no real enforcement for global warming, which is why your President left these accords, because you were at an unfair trading advantage. There are many unfair trade practices that are being uncovered by your President, and these common sense changes should have been corrected years ago. Be thankful that you have a President with a business background to deal with your trade imbalances. Pray for your country's workers and employers, so you can all have a fair wage to live on."

July 1, 2017
Thursday, June 22, 2017: (St. John Fisher & St. Thomas More)
Jesus said: "My people, today's feast day honors St. John Fisher and St. Thomas More who were both beheaded because they would not accept the new church set up by King Henry VIII. This resulted in a split in My Church for the king's own purposes. You will be seeing another split in My Church of today between a schismatic church and My faithful remnant. The schismatic church will teach New Age principles, and it will declare that sexual sins are no longer mortal sins. If you see any such movement in your church, then leave that church for My places of My faithful remnant. My faithful will have secret meetings in the homes, and later at My refuges. My faithful will be persecuted for not going along with the schismatic church, and they will be threatened with guillotines just as St. John Fisher and St. Thomas More were beheaded. This is why you will have to flee to the protection of My refuges. The Antichrist will have a short reign before I will defeat him, and he and the evil ones will be cast into hell.

Stay with My faithful remnant, and you will be brought into My Era of Peace."
Prayer Group:
Jesus said: "My people, your society has turned so evil that it is calling bad, good, and good, bad. You have some hate laws to protect people, but this is not a license to condone sin. Even in America, pastors can be accused of a hate crime by preaching how homosexual acts are sins. You all are familiar with My Ten Commandments, and you know how abortion, fornication, adultery, and homosexual acts are all mortal sins. Some people may try to hide behind your evil Supreme Court decisions, but I will hold people accountable for these sins at their judgment. People try to hide their sins, and their conscience is reminded when you call out these actions as serious sins. I am the only judge of your souls, but you can try to help people to avoid these sins."
Jesus said: "My people, when you hear Allah being invoked by Muslim terrorists as they commit their crimes, it is obvious that these jihadists are excusing these crimes with a reference to their religious beliefs. Calling on religion does not justify such evil killings,and these terrorists are badly mistaken. They will pay for their crimes because these sins are evil actions on innocent people. Many of their claims of killing infidels is not right according to My laws. When these people see Me at their judgment, they will know the true laws of God. Pray that your people can be protected from such terrorists, or any other killings."
Jesus said: "My people, your Congress has become so divided, that there is practically no room for compromise on the major issues as health and tax reform. Your present Health Plan is forcing people to buy health insurance, or pay a heavy penalty. It is not fair that people are forced to pay high premiums with high deductibles. Even some insurance companies are pulling out of your exchanges because they are losing money. It is hard to justify a failing Health Plan, but a new plan may be needed to replace it. Pray that your Congress can support a proper health plan that will be fair to all of your people."
Jesus said: "My people, pray for all the victims of this latest tropical storm Cindy, and help them where you can. This storm is just the beginning of your hurricane season, as your people need to be prepared for every storm that comes through. This is another reason to have extra food on hand, and some means of providing power during power outages."
Jesus said: "My people, with Russian and American planes in such close proximity, you could have these incidents turn into an all out war between these forces. Keep praying for peace because such a war could kill many people. The longer your wars continue, the greater the chance of a more serious war. Your

people should try to have a peace treaty in this Syrian war."
Jesus said: "My people, the more violence you see, the more people who are being killed. You have seen terrorists with high power explosives, assault rifles, car bombs, and suicide bombers. These things are hard to defend against, so your security forces also need heavy weapons to respond. Minimizing these incidents is hard to accomplish when you have so many weapons and explosives available. Pray for love to be used to fight all the hate that the devil is encouraging. I am even calling you to love your enemies."
Jesus said: "My people, many of these terrorists use killings of innocent people to cause fear among your people. Do not be afraid of these people, but more can be done to prevent these people from entering your country, and you could monitor suspects who are training in foreign countries. In the end My power will overcome all of these killers, but you may need My protection at My refuges before I come."

July 1, 2017
Friday, June 23, 2017: (Sacred Heart of Jesus)
Jesus said: "My people, in the Gospel I called people to come to Me all of you who are burdened with this life, and I will give you rest. For My yoke is easy and My burden is light. This is the feast day of My Sacred Heart, and you can see how much I love all of you, because I died on the cross for the reparation of your sins. I have chosen all of you to be My evangelists. You did not choose Me. I created each of you out of love to know, love, and serve Me. Your parents conceived you, but I placed your soul into your body to give you life. This whole month of June is dedicated to My Sacred Heart, so remember Me in all that you do for Me. Follow the love of My Sacred Heart, and that of My Blessed Mother's Immaculate Heart, that you could celebrate tomorrow. The picture of Our Two Hearts in your computer room is a devotion for the both of us, and thank you for honoring us, and praying to us every day."
Jesus said: "My people, ultimately, there are two kinds of people who are walking your streets, those people who believe in God, and those people who do not believe in God. Those people, who do believe in Me, need to do more than just call 'Lord, Lord' to be saved. They need to repent of their sins, pray daily, and show Me by their good actions how they truly love Me. The faithful people are being marked by My angels with an invisible cross on their foreheads. My

faithful will be tested by the devil and the Godless people. I will give you sufficient graces to ward off any temptations or attacks by the devil and the evil people. You also can reach out to souls to try and convert them to faith in Me. You should know that there is a battle for souls going on between Me and the devil. I am more powerful than the devil, but I do not force My love on your free will. Everyone has to make a choice whether they love Me or not. It is unfortunate that your children are being taught and brainwashed with hate for Me in schools and colleges. Unless your children pray to Me every day, they will find it hard to counteract the atheism taught in schools and colleges. If you do not encourage your children in their faith, then they will not come to church or go to Confession. This is part of the reason that your young people are losing their faith. Pray for all of your family to be saved from hell every day, especially those people who are not coming to Sunday Mass."

July 1, 2017
Saturday, June 24, 2017: (The Nativity of St. John the Baptist)
St. John the Baptist said: "My faithful children of God, you are reading about my miraculous birth from my parents St. Zachariah and St. Elizabeth. My coming birth was announced by St. Gabriel the Archangel to my father, and he was made mute until after my birth because he did not believe the impossible could happen. The Blessed Virgin Mary came to help my mother, and as she arrived with Jesus in her womb, I leapt in my mother's womb to announce the coming of the Messiah in Jesus. I was called John as the angel told my parents. Later, you see me baptizing sinners in the vision, but I baptized with water, and I called the people to 'repent' of their sins. I was told that when I saw the Spirit of God in the Holy Spirit come down upon the Holy One of God, I would baptize the Messiah. This was my mission to prepare the way for Jesus' coming. I would decrease while Jesus must increase. This means that Jesus should always be the most important person to follow in your life. After I baptized Jesus, I told the people that He was the 'Lamb of God', and His disciples started to follow Him. Later, I proclaimed the coming of Jesus to all the people. I was imprisoned by Herod because I told him that it was unlawful to marry his brother's wife. My fellow faithful also need to speak out about the Good News of Jesus' Resurrection regardless of any threats by the evil ones. Remember that you are to obey God

first before any edict of man. So do not be afraid, but trust in the protection of Our Lord for your individual missions. Give praise and glory to God every day."
Jesus said: "My people, when you live on the Gulf coast, you know you are vulnerable to hurricanes and tropical storms. Places around New Orleans are dependent on their pumps to drain any waves that come ashore. These areas are suffering mostly from the heavy rains and flooding. There was some damage from a few tornadoes. It will take some time to assess the damage, but the people are struggling to get back to normal. You need to pray for all the victims who suffered flood damage. This storm was the first to hit the U.S. mainland. Each storm takes a toll on the people near the coast. You should be thankful that this storm did not have hurricane force winds. There will be more disasters this year as a punishment for your sins. Pray for the conversion of poor sinners."

Sunday, June 25, 2017:
Jesus said: "My people, in the Gospel (Matt. 10:26-33) I want you to pay attention to this quotation: 'And do not be afraid of those who kill the body, but cannot kill the soul; rather, be afraid of the one who can destroy both soul and body in Gehenna.' You are aware of the temptations of the devil and the demons who can lead you to serious sin and possibly to hell. Many addictions have demons attached to them. So those people, who encourage people to take drugs or encourage abortions should also be avoided. You should also avoid occult meetings, taking evil potions, or using Ouija boards. These things can bring demon possessions on people. All of those people, who teach atheism or mislead children to avoid God, should also be avoided. By being aware of those people or things that can lead you to hell, then you can avoid them and only follow My ways."
Jesus said: "My people, you are going to see more natural disasters as punishments in the areas of greatest sin. This vision is in the San Francisco area, and you are seeing a serious earthquake along the San Andreas fault. There has been little activity in this area, and the stress has been building up over the years. A severe earthquake in this area could also trigger a possible eruption of the Yellowstone super volcano that could kill a lot of people, and send a lot of dust over your crops in the Midwest. When this happens, it will give little notice. This again is why you are having your reparation Masses for the people who will

die suddenly, without any preparation for their soul's judgment before Me. Keep praying for these souls so they can be saved from hell. I have given you several messages about this area before, but the sin is getting so great there, that I find it hard to even look at the black souls in this part of your country. The punishment for the sins of abomination in homosexual acts has been overdue. I have given many opportunities for these sinners to change their lives, but their actions are getting worse. There are other areas of great sin in your large cities that are also crying out for My punishment. Keep praying for the conversion of poor sinners before it will be too late to save them."

Monday, June 26, 2017:

Jesus said: "My people, you can learn from Abram how to be obedient to My Word. When I called him to leave his home and go to a foreign land, he did not question My Word, but he left at once to follow Me. This is how I desire that all of My children would follow My directions. Just as I called you to set up a refuge, you accepted this new mission and carried out the projects that I gave you. You also need to be obedient to Me in the spiritual things as well. I call you to help people to see the need to convert their lives to following Me. You also need to keep your own spiritual house in order. This is why you need to be obedient to a spiritual director so you are not just doing things out of your own desire. Obedience to a higher power in Me and a priest, will give you comfort and assurance that you are on the right path. In the Gospel I am reminding My people that I am the only true judge of everyone. It is enough for each of you to guard your own soul and your own actions. You may notice how others are acting around you, but do not judge them because you do not know everything in their lives that are directing them, as I do. You can advise your brother or sister how to live a better life, but do not look down on others as if you are better than they are. Treat everyone equally as I treat you with no discrimination. You all are at a certain progress in faith in your own lives. Be willing to accept advice from people without your pride getting in the way. You need to love everyone and help souls to come to heaven when you can. Give praise and thanks to Me for all that I do for you in your life."

(Blessed Fr. Solanus Casey's tomb) Jesus said: "My people, it is not an easy life to live as a Franciscan. It truly is a detached life from worldly things, and you

are called at times to do menial tasks. You need to give your will over to Me, and follow My way for your life. This is a total giving of oneself over to Me, so I can lead you on a path to heaven. This is hard for most people to give up their own personal desires, and follow My ways. There are saints who have renounced their own family wealth or their personal wealth, so they could be totally dependent on Me. There are even some saints who have survived on only receiving Holy Communion for their food. People are praying for Blessed Fr. Solanus Casey to be canonized a saint by the Church. He is a saint in heaven, but the Church is slow to canonize saints, which can require three miracle healings."

Tuesday, June 27, 2017: (St. Cyril of Alexandria)

Jesus said: "My people, you are reading the passages in Genesis when Abram and Lot divided up the land between them. Abram gave Lot the first choice, and Lot pitched his tents near Sodom that was well watered. Later, you will read of the people of Sodom who even wanted to have homosexual acts with the angels of God who would bring destruction on Sodom. The sins of Sodom were so great that I brought fire and brimstone down upon those sinners who defied My laws. In the vision you are seeing a bright light of a nuclear bomb that brought fire upon the sinners of one of your cities in America. I have called your people to repent of their sins, but a good share of your people love their sins more than they love Me. Just as I brought fire down on the homosexual sinners of Sodom, so I will bring fire down upon your people who are aborting babies, fornicating outside of marriage, having homosexual marriages, and those who are killing the old people. The stench of your sins has reached heaven, and your punishment will soon come upon your land. I will protect My faithful at My refuges during the tribulation of the evil ones. Pray for the conversion of sinners before I will punish the earth for its great number of mortal sins."

Wednesday, June 28, 2017: (St. Irenaeus)

Jesus said: "My people, today's Gospel is very straightforward when I told you good trees only bear good fruit, and bad trees only bear bad fruit. Just as you see

this in nature, it is also true about good people bearing good deeds, while bad people perform evil deeds. So it is by a person's fruits of their actions that you will know if that person is good or evil. You all are sinners, so at times you may fall into sin, but you know enough to come to Me in Confession to purify your souls. You can see the sincerity of a person by whether they have a good heart in helping people or not. In the same way I look into every person's heart to see the true intentions of that person's actions. If a person loves Me in prayer and follows My laws, I will reward that person in heaven. But if a person rejects Me and commits sins without repentance, then I will see the evil deeds and judge that person according to their crimes. It is one thing to know about Me in the Scriptures, but a truly good person will bear good deeds out of love for Me and love for the neighbor. Continue to love Me from your heart, and you will have your reward in heaven."

Jesus said: "My people, you remember how I changed the six jars of water into wine for the wedding feast at Cana. You were at Cana in Israel to see how huge and heavy these water jars were. Different countries have their own cultures in how they have their weddings. You do not see a lot of Catholic Church weddings because your people are not always following My Commandments. I originally instituted Matrimony as a sacrament for marriage of a man and a woman in My Church. Some people are living in the sin of fornication, or in homosexual marriages. Others are remarrying after divorces, or they are married in other churches, or by a justice of the peace. I prefer couples to marry with My sacrament of Matrimony in My Church, so I can be a third partner in the marriage. There are too many couples living in sinful relationships that are committing sins of fornication, adultery, and homosexual acts. The children suffer in these environments because the sins cause a bad example, and there is usually very little love for Me when they do not come to Sunday Mass. Confession is needed to forgive these sins before you can receive Holy Communion. Encourage your children to get married properly in My Church, so they can give good example without living in sin. Some souls are lost in hell because of these sexual sins where people are not repentant. Pray for the souls who are living in sin, that they change their lifestyle, and come back to My sacraments."

Thursday, June 29, 2017: (St. Peter and St. Paul)
Jesus said: "My people, in the Gospel I asked My apostles: 'Who do you say that I am?' St. Peter said boldly: 'Thou art the Christ, the Son of the living God.' I was surprised at his answer, but it was My Father in heaven who revealed this to St. Peter. It was then that I told St. Peter that he was the rock on whom I would build My Church, and the gates of hell would not prevail against My Church. This power has allowed My Church to stand the test of time and the demons could not remove it. St. Peter became the first Pope, and many Popes have succeeded him. I instituted the sacrament of Reconciliation where priests can forgive sins, as I am acting through them. St. Paul was My great missionary among the Gentiles, as many people were converted to the faith by these two pillars of My Church."
Prayer Group:
Jesus said: "My son, you finally received your fixed lawnmower that caused a shoulder injury when you pulled too hard on the cord. You learned to clean out the gasoline at the end of the year so it did not clog the engine. Now you have a backup lawnmower or one to sell. You had to buy another mower to cut your grass while the other one was being repaired for four weeks. This is another example of having patience to get things fixed."
Jesus said: "My people, you have had a few cool weeks to start your summer, but your warmer weather is on its way. Any rain that you receive could cool your summer, but the heat has yet to warm up to the 90's as you had last year. You may need some air conditioning if you have such equipment available. After a hot year last year, you know how hot, muggy air is difficult to endure. Pray that your people can find a cool place when it is needed."
Jesus said: "My people, when you are planning a refuge, you are concerned with staying warm in the winter. You will not have your natural gas during the tribulation, so you will be busy cutting wood for your fireplace. You also will be using kerosene burners in other parts of your house. I will multiply your fuels for the time when you will need heating. If you have solar power, you could run your fans in the heat of the summer, but you will not have enough power to run your air conditioners. You will have to be resourceful to find ways to cool your house down in the summer. All of the refuges will be facing these extremes in your cold and hot weather. Pray that I will help you with these trials."
Jesus said: "My people, your current Health Plan of Obamacare is having trouble finding funding and insurance companies to keep it running. There are certain people who are not paying for their health care, and it will be difficult to cut

back generous subsidies that may not be available in the new plan. The states do not want to pay for all of the Medicaid and Medicare aid that will be needed. There will be many young people who will not buy insurance, once the penalties are no longer forced on the people. Passing a new Health Care bill will be difficult to get enough votes when there are so many who do not want to compromise. Keep praying that a fair Health Plan can be put in place to help people with their health needs."

Jesus said: "My people, your current investigations have not provided any proof of wrongdoing, but they are consuming precious time from your Congress. Many of these investigations are preventing Congress from working on real issues as Health Care, tax reform, and infrastructures. It is unfortunate that you have too many obstructionists that are keeping your government from working on jobs and issues needed by your people. Pray that your Congress can move forward with your needed legislation."

Jesus said: "My people, you are seeing a decline in Sunday Mass attendance, but it is getting harder to get your young people to come to Sunday Mass, let alone to Confession. The children and young adults are not getting a proper faith education in your schools or in the homes. There are too many distractions as sports and electronic devices that are occupying the time of your children. There is very little time for prayers and Mass because of these distractions. It is hard to find religious education teachers to teach the faith to the children. Many teachers in the colleges are teaching atheism instead of promoting the worship of God. If your people do not make a better attempt to teach children the faith, then you will have even fewer people coming to church."

Jesus said: "My people, illegal drugs and recreational marijuana are causing more addictions, and killing more people. The illegal drug market run by your cartels are bringing more drugs into your country than ever. It is hard to stop this influx because there is too much money involved. More marijuana availability is going to ruin young lives and cause more accidents. Instead of making drugs legal, you should be stopping such a flow of drugs. The drinking of alcohol is another problem that is ruining families and causing car accidents. Pray to minimize these addictions that are ruining lives and your economy. The demons are behind these addictions so you should work to stop people from starting, and counsel those people who need to stop drugs and excessive drinking of alcohol. These people need deliverance prayers to get rid of the demons, and a desire by the addicts to stop their bad habits."

Friday, June 30, 2017: (First Martyrs of the Catholic Church)
Jesus said: “My people, in today’s Gospel I healed a leper of leprosy which was so dreaded a disease that lepers had to live away from other people. In your society AIDS and cancer have become your dreaded diseases, and these sicknesses have also isolated people from other people. People need to have more compassion for the sick and help them instead of forgetting them. Pray for the sick to recover, as well as those people with leg or hip problems. In addition to physical problems, you have leprosy of the soul with your sins in spiritual problems. Sinful people also need to be healed by My forgiveness in Confession. Sinful addictions can hold people trapped, and they may need counseling and deliverance prayers to heal them. Getting sinners to come to Confession becomes more difficult when they get deeper into their sins. It takes a miracle of grace or a spirit filled person to lead sinners out of their depression in coming to Confession. Cleansing your souls with frequent Confession is the best solution for any spiritual sickness.”
Jesus said: “My people, every family inherits all the good and bad traits from their ancestors. Some are strong in the faith and they are needed to help pray for the souls who are weak and fallen away from Me. You also inherit tendencies to various sins or addictions such as drinking alcohol, drugs, smoking, and other weaknesses. I have given you messages on how to pray to break addictions such as excessive drinking of alcohol. You can pray your St. Michael long form prayer as a deliverance prayer to break such a generational sin of drinking. After you pray the prayer, you place holy water over a picture of your relatives. By constantly praying for your relatives, you can be instrumental in helping to save your family members from hell. You all are intertwined with your family tree, but My prayer warriors are responsible for all the live members of your family.”
For those who do not know the long form of the St. Michael prayer, here it is:
(An exorcism prayer) (+) Use the sign of Cross
Prayer to St. Michael the Archangel: In the Name of the Father, and of the Son, and of the Holy Ghost. Amen.
Most glorious Prince of the Heavenly Armies, Saint Michael the Archangel, defend us in “our battle against principalities and powers, against the rulers of this world of darkness, against the spirits of wickedness in the high places’. (Eph. 6:12)

Come to the assistance of men whom God had created to His likeness and whom He has redeemed at a great price from the tyranny of the devil. The Holy Church venerates you as her guardian and protector; to you, the Lord has entrusted the souls of the redeemed to be led into heaven. Pray therefore the God of Peace to crush Satan beneath our feet, that he may no longer retain men captive and do injury to the Church. Offer our prayers to the Most High, that without delay they may draw His mercy down upon us; take hold of "the dragon, the old serpent, which is the devil and Satan," bind him and cast him into the bottomless pit "that he may no longer seduce the nations". (Rev. 20:2-3)

Exorcism:

In the Name of Jesus Christ, our God and Lord, strengthened by the intercession of the Immaculate Virgin Mary, Mother of God, of Blessed Michael the Archangel, of the Blessed Apostles Peter and Paul and all the Saints that are powerful in the holy authority of our ministry, we confidently undertake to repulse the attacks and deceits of the devil. God arises; His enemies are scattered and those who hate Him flee before Him. As smoke is driven away, so are they driven; as wax melts before the fire, so the wicked perish at the presence of God.

V. Behold the Cross of the Lord, flee bands of enemies

R. The Lion of the tribe of Judah, the offspring of David hath conquered.

V. May Thy mercy, Lord, descend upon us.

R. As great as our hope in Thee.

We drive you from us, whoever you may be, unclean spirits, all satanic powers, all infernal invaders, all wicked legions, assemblies and sects.

In the Name and by the power of Our Lord Jesus Christ, + may you be snatched away and driven from the Church of God and from the souls made to the image and likeness of God and redeemed by the Precious Blood of the Divine Lamb.

+ Most cunning serpent, you shall no more dare to deceive the human race, persecute the Church, torment God's elect and sift them as wheat.

+ The Most High God commands you, + He with whom, in your great insolence, you still claim to be equal.

"God who wants all men to be saved and to come to the knowledge of the truth." (1 Tim 2:4)

God the Father commands you. + God the Son commands you. + God the Holy Ghost commands you.

+ Christ, God's Word made flesh, commands you; + He who to save our race outdone through your envy, "humbled Himself, becoming obedient even unto death" (Phil. 2:8); He who has built His Church on the firm rock and declared

that the gates of hell shall not prevail against Her, because He will dwell with Her “all days even to the end of the world.” (Mt. 28:20)
The Sacred Sign of the Cross commands you, + as does also the power of the mysteries of the Christian Faith.
+ The glorious Mother of God, the Virgin Mary, commands you; + she who by her humility and from the first moment of her Immaculate Conception crushed your proud head.
The faith of the holy Apostles Peter and Paul, and of the other Apostles commands you. + The blood of the Martyrs and the pious intercession of all the Saints commands you. +
Thus cursed dragon, and you, diabolical legions, we adjure you by the living God, + by the true God, + by the holy God, + by the God “who so loved the world that he gave up His only Son, that every soul believing in Him might not perish but have life everlasting” (Jn 3:16) stop deceiving human creatures and pouring out to them the poison of eternal damnation; stop harming the Church and hindering her liberty.
Begone, Satan, inventor and master of all deceit, enemy of man’s salvation. Give place to Christ in Whom you have found none of your works; give place to the One, Holy, Catholic and Apostolic Church acquired by Christ at the price of His Blood. Stoop beneath the all-powerful Hand of God; tremble and flee when we invoke the Holy and terrible Name of Jesus, this Name which causes hell to tremble, this Name to which the Virtues, Powers and Dominations of heaven are humbly submissive, this Name which the Cherubim and Seraphim praise unceasingly repeating: Holy, Holy, Holy is the Lord, the God of Hosts.
V. O Lord, hear my prayer.
R. And let my cry come unto Thee.
V. May the Lord be with Thee.
R. And with thy spirit. Let us pray.
God of heaven, God of earth, God of Angels, God of Archangels, God of Patriarchs, God of Prophets, God of Apostles, God of Martyrs, God of Confessors, God of Virgins, God who has power to give life after death and rest after work: because there is no other God than Thee and there can be no other, for Thou art the Creator of all things, visible and invisible, of Whose reign there shall be no end, we humbly prostrate ourselves before Thy glorious Majesty and we beseech Thee to deliver us by Thy power from all the tyranny of the infernal spirits, from their snares, their lies and their furious wickedness. Deign, O Lord, to grant us Thy powerful protection and to keep us safe and sound. We beseech

Thee through Jesus Christ Our Lord. Amen.
V. From the snares of the devil,
R. Deliver us, O Lord.
V. That Thy Church may serve Thee in peace and liberty:
R. We beseech Thee to hear us.
V. That Thou may crush down all enemies of Thy Church:
R. We beseech Thee to hear us.
(Holy water or blessed salt is sprinkled on the pictures.)

Saturday, July 1, 2017:(St. Junipero Serra, 1st Saturday)
Jesus said: "My people, in today's readings you see how important it is to have faith in My power to do the impossible. I promised Abraham that he would be a father of many nations, and his descendants would be as numerous as the stars in the sky. I waited until Sarah was beyond her childbearing years to have Isaac to show My miraculous power. In the Gospel I met a centurion and he requested that I heal his sick servant from a distance. He amazed Me with his faith when he said: (Matt. 8:8) 'Lord, I am not worthy that Thou should come under my roof; but only say the word, and my servant will be healed.' This quotation is recited right before Holy Communion is given out during the Mass. Today is first Saturday, and My Blessed Mother also had faith that she could be the Mother of God."

Sunday, July 2, 2017:
Jesus said: "My people, every time your relatives get together at Mass, or to celebrate a party or cookout, you should be reminded to pray for all of their souls to be saved from hell. I have told you many times of how your souls are your most important possession, and you need to guard them from the devil. The readings talk of a reward in heaven for following a good life on earth. To gain heaven, you need to repent of your sins, and love Me and your neighbor with good deeds. You may have family members who do not pray, or do not worship Me on Sundays. These are the souls who need your prayers to be saved. You do

not want to see any of your family members languishing in the flames of hell. This is why I am depending on the prayer warriors of each family to pray for saving the souls of your family from hell. At the judgment every soul has to accept loving Me, or the other option is to be lost in hell. Keep praying persistently every day to save your relatives' souls from hell. By your prayers you will all find your reward in heaven."
Jesus said: "My people, I have called you to follow the narrow straight road to My Kingdom of heaven. This road is long, meaning there is a lot of time for you to get tested in this life with all kinds of disasters. As you look back on your life, no one escapes suffering some trials. You could see sickness and death among your family and friends. You could suffer some personal financial losses, or some personal health problems. Whenever you are doing good things for Me, you could see the devil attack you, or those people who help you. This is all part of your life, but you need to keep focused on following the narrow road, even if you have detours or bumps in the road. I love all of My people, and I will have My angels guard you from any distractions of the evil ones. Keep loving Me in your good deeds and your prayers, and you will have My heavenly reward."

Monday, July 3, 2017: (St. Thomas, 52nd Wedding Anniversary)
St. Thomas said: "My son and daughter, I am delighted to wish the both of you a happy 52nd Wedding Anniversary. You have both been dedicated to doing the Lord's work in your mission. Many people call Me the 'doubting Thomas', but you know I was not the only one who found it difficult to believe in Our Savior's Resurrection. St. Mary Magdalen, the two apostles at the tomb, and the two disciples on the road to Emmaus witnessed Jesus and the empty tomb, but the other apostles did not believe either. It was only when Jesus appeared to us in the upper room that we truly believed in His Resurrection. I was not there at the first appearance, but on the second appearance I felt Jesus' wounds and I believed. I said: 'My Lord, and My God', and I am happy John, that you recite these words at the Consecration of every Mass. You remember reading this in your old Mass missal. I also asked Jesus how we were to know the way to follow Him to heaven. Jesus said: (Jn 14:6) 'I am the Way, and the Truth, and the Life. No one comes to the Father but through Me.' These mysteries had to be taken on faith, but I wondered how they would physically take place. Many of you have had

similar questions, but I just voiced them."
Jesus said: "My people, you are seeing a railroad track going around a corner in the vision. My people want to stay on the right track without any detours, or falling off the track. In life you have many distractions, and you could easily get misled if you are not careful. Trust in Me with your prayers, and focus on loving Me and your neighbor. Start with your morning offering, and consecrate everything over to Me. When you are faithful to Me, you will have My protection from any temptations. When you are curious with your own desires, then you are allowing the evil one to lead you astray. I love all of you, and you need to keep on the right track to heaven."

Tuesday July 4, 2017: (Independence day)
Jesus said: "My people, there are occult meetings going on where humans and animals are sacrificed to Satan in a black mass. You may not see this evil going on, and it is causing bad things to happen from their curses and hexes that they place on people. People are drinking evil potions, and they are causing demons to possess them. I know there is a lot of sin going on, but the evil sacrifices and curses are spreading worse evil among your people. I will be bringing down punishment on America for its sins, but I could destroy these covens with fire before I bring a general disaster on all the people. If you start seeing fires burn up places of black masses, do not be surprised. You will see My wrath pour out on the evil ones because I have limits where evil can only go so far. Trust in My protection from the worst evil among you."
Jesus said: "My people, many lives were lost in the Revolutionary War that freed you from the oppression of England's unfair taxes. You had another battle in your Civil War over the right to own slaves as property. There were other wars as well when Americans had to die to stop Hitler and similar dictators. You have a Democratic Republic which was formed by your forefathers, and it has stood the test of time because My blessings are upon your country. You have My Name in your documents and in your National Anthem. Do not allow Godless socialism or communism to ruin the plan of your forefathers, and My plan for your country. Encourage your people to pray for your country to maintain its

freedom of speech and its freedom of religion."

Wednesday, July 5, 2017:

Jesus said: "My people, when Sarah was barren, Abraham was given the Egyptian slave, Hagar so there could be descendants. Hagar had a son, Ishmael, who was blessed by God. Later, when Sarah had a miraculous birth of Isaac, there was a concern by Sarah that she did not want Ishmael to have any inheritance. She had Abraham exile Hagar and Ishmael. God the Father came to the rescue of Ishmael and He made Ishmael into a great nation of Arabs. Today this is why there is still a struggle over the land of Israel between the Jews and the Arabs. In the Gospel I cast the demons out of the demoniac into the pigs for their number was Legion. The demons drove the pigs off the cliff into the sea, so the townspeople asked Me to leave their area. They did not appreciate My healing of the demoniac at the cost of losing their pigs. This casting out of demons by My power was passed on to My disciples. A few times My disciples had difficulty in casting out more powerful demons. I told them that this kind of demon required prayer and fasting. In all healing and deliverance, you need to have faith in the power of My healing to be successful. Give praise and thanks to Me for giving this gift to My chosen ones."

Jesus said: "My people, many people watch sports games, or they play in the games themselves. Playing games is good exercise, and watching games is entertaining. A problem comes when you spend too much time playing or watching games, and this becomes an addiction at the expense of other things in your lives, like prayer time. You know how I dislike games played on Sunday morning when people should be coming to Sunday Mass. I have mentioned before to be aware of anything that controls your time, because this could become an addiction. Addictions have demons attached to them, and this is why they are hard to break. You need to guard your prayer time from any earthly distractions or addictions. If you have an addiction, you need to pray your St. Michael long form prayer for deliverance. You can also pray this prayer for others who may be addicted to drugs, alcohol, or even sports. Your time is a precious gift, and you need to use it wisely so you are making the best use of it, especially for praying for people. Keep close to Me in your prayers, so you can evangelize souls for Me."

Thursday, July 6, 2017: (Maria Goretti)
Jesus said: "My son, you were outside in a batting cage, and you were hitting softballs. You were putting pressure on your left knee, and now you are limping when it swelled up from spraining your knee. Sometimes you feel good, and you do not realize that your age is affecting how you are limited in your activities. Your knee has been giving you pain after driving for five hours, so it is not like when you were younger. You are learning how your body is not always as good as you would like it to be. Learn from this experience, and do not strain your knee with certain activities. I have given you good health, but you need to be careful not to injure your limbs that can affect your mobility. You can think of your spiritual limitations in the same way. Do not seek curiosities that could lead you into occasions of sin. Your body has certain cravings, but the soul needs to restrain any desires that could lead to sin. Keep focused on Me to control both your physical and spiritual desires. Listen to the good prompting of your guardian angel to lead you on the right path."
Prayer Group:
Jesus said: "My people, you are familiar with My parable about the wheat and the tares that an enemy sowed in a farmer's field. Instead of pulling out the weeds which would pull up the wheat as well, the farmer left the two to grow up together. This is similar among the good and bad people who I allow to grow up together. At the judgment the tares are separated and cast into the fire. The evil people also are separated and they will be cast into the flames of hell. The wheat will be gathered into My barn, much like My faithful people who will be brought into heaven."
Jesus said: "My people, you are seeing how North Korea has gradually perfected an ICBM launch vehicle that could reach the United States mainland. This is a new threat to your country which your President is deciding what action to take against North Korea. China wants you to stop military exercises with Japan, and South Korea before North Korea would stop its nuclear plan. This was not acceptable for your country. Pray that a war does not start between your country and North Korea."
Jesus said: "My people, you are seeing your troops and Iraqi troops who are rooting out ISIS from Mosul and other cities. This has been a long campaign

assisted by your planes and troops that have successfully taken these cities. You also are seeing more troops being sent into Afghanistan to fight the Taliban. These areas have been in constant warfare without an end to these wars. Pray that you could have peace in these conflicts."
Jesus said: "My people, you have seen riots and street problems in many countries. Now in Chicago you are seeing large numbers of homicides, and even some of your police are being assassinated. Some elements in your society are trying to cause a division in your country between the races. Your troops and police need to keep order to stop any riots from causing a martial law. These one world people want a government takeover, and they will be trying to carry out their plan. Pray that your police and troops will be successful in putting down any uprising."
Jesus said: "My people, you have seen some complaints to take down a cross that is on public land. Your country has been founded on freedoms for all of your citizens. It is difficult to see how a few atheists can use their influence to remove holy objects as crosses from public lands. My people need to stand up for your faith, even when you are faced with lawsuits over traditional beliefs. It may take private land to put up anything religious, but you need to stand up against these atheists who are trying to control you and your freedoms."
Jesus said: "My people, the liberal teachers in your colleges are brainwashing your children against anything that mentions My Name, and they are teaching atheistic socialism unless your children are strong in their Christian beliefs. It will be hard to continue their faith in coming to church on Sunday. You need to pray for your schools and colleges to allow prayers and conservative speakers to speak, or the students will all follow the Godless ways of evil in your country."
Jesus said: "My people, you have been reading how I brought fire and brimstone down upon Sodom and Gomorrah because of their homosexual sins. Even in your country, you have legalized homosexual marriage in your Supreme Court decision. These same sex marriages are an abomination in My eyes, and it is not beyond My power to bring punishment down upon your country for these sins. You have even seen an article about French fries with rainbow colors on the holder to promote the gay parades. America needs to repent of its sins, or you could see fire come down on your cities for your abominable sins of the flesh."

Friday, July 7, 2017:
Jesus said: “My people, God the Father tested the faith of Abraham by asking him to sacrifice his only son, Isaac, on an altar. Abraham was obedient, and he was about to kill Isaac with a knife, when an angel of God stopped him. Now, God the Father knew that Abraham was even willing to kill his son at the Father’s request. This is similar to when God the Father wanted to offer Me, His only Begotten Son, as a sacrifice for the reparation of all the sins of mankind. I am your Savior, and I was incarnated as a God-man so I could give up My life for all of you out of My love for you. I am calling on all of My faithful people to give up their will to follow My Divine Will. This is your personal sacrifice that you can share with Me on My cross. It is not easy to live a Christian life, but you can show Me your faith like Abraham, by repenting of your sins and doing good works for your neighbor out of love for Me. By your own suffering, you will gain your eternal salvation in heaven.”
Jesus said: “My son, I am giving you another experience of what your Warning will be like. In this vision you are traveling outside of your body, and you are traveling through time in a black hole. Then you will be witnessing every moment of your life in a life review. You will wonder why you made so many bad decisions in your sins. You will see how these sins offend Me, and you will see all the good and bad deeds of your life. At the end of your life review, you will see the destination of your soul in how I would judge you, as if you died today. Many people will be shocked at where they are going, but I will give all of you a second chance to change your lives, when you are returned into your body. After remembering all of your unforgiven sins, many people will desire to come to Confession, or however they know how to repent of their sins. After this Warning experience, some souls will have better lives, while others will get worse in their sins. Help your family members come back to the sacraments to keep them from going to hell. Those people, who change their lives for the better, will be very thankful that I gave them a second chance to change their lives.”

Saturday, July 8, 2017:
Jesus said: “My people, I have given you My very Self in My Real Presence of My Eucharist. I only ask that you receive Me in Holy Communion without any

mortal sin on your soul. I have instituted My sacrament of Reconciliation for confessing your mortal and venial sins. Take advantage of this grace in at least monthly Confession. I call all of My faithful to be with Me at Holy Mass on Sunday or Saturday evening. This is My Third Commandment that you give worship to Me on every Sunday. If you do not come to Mass on Sunday, you need to confess this in Confession. You need to make time for Me for at least one hour a week at Mass. You should pray your prayers each day to show Me how much you love Me for all that I do for you. Doing good deeds for people and praying, is your way of thanking Me for My gifts to you. You should rejoice at every Mass to be with Me when I come into your heart and soul at Holy Communion."

Jesus said: "My people, North Korea is now showing off its ICBM capability, and it will soon threaten the US mainland with a possible nuclear attack. Your Air Force is showing its anti-missile capability, along with the threat of long range bombers to retaliate any attack on you or your allies. With both North Korea and the United States threatening attacks, it would not take much of an accident to precipitate an all-out war on the Korean peninsula. North Korea has a very large army that would necessitate the possible use of tactical atomic bombs to defend South Korea from the North. Continue to pray for peace in this area, or many lives could be lost."

Sunday, July 9, 2017:

Jesus said: "My people, you know how most people, who work, get paid in money and benefits. There are also some people who volunteer their services to help people without getting paid. You also give donations of money to those people in need, or to your relatives and friends. I am making a point of not using people, just for your own gain. Some people abuse their friends for donations, and then use the money for something other than the original request. Some people also use someone's services for free without thanking them, or they think it is expected. You all have life's burdens, and you need to help each other. You need to do things out of love and respect for people, and be ready to compensate people for their work, unless they do not want to be paid. By sharing your time and money with people, you are showing Me how much you love Me, and your neighbor."

Monday, July 10, 2017:
Jesus said: “My people, in today’s Gospel you read about two successful healings because they had faith in My healing power. The one woman had hemorrhages for many years, and she believed if she just touched the tassel on My cloak, then she would be healed. I did heal her both physically, and in her soul. The other man asked Me to bring his daughter back from the dead, and this took an even greater faith in My healing. After I put the non-believers out, then I raised the daughter back to life. I have passed on these healing gifts to My disciples, and they healed people, even raising some people from the dead. Even today, you have witnessed people being healed by miracles of faith. You have even heard about some people being raised from the dead. Some near death people have been given a second chance to return to life, so they could be saved. Even more souls could be saved by My healing power in the coming Warning experience. Remember to have faith in My healing power, and you will see more people healed because of their belief in Me.”
Jesus said: “My people, I look on all of My people as equal. You do not get into heaven by being famous, and you cannot buy yourself into heaven. Those people, who are humble, repent of their sins, and perform good deeds for people, are the ones who will come to heaven. I look into the heart for the intentions of your actions, and you need to do everything out of love for Me. Accumulating wealth and striving to be famous, will not win heaven. You need to store up treasure in heaven with your prayers and good deeds. Seek Me first in your life, and everything else will be given to you. Saving souls from hell should be your primary occupation, because your most prized possession is your soul. Remember that those people, who exult themselves, will be humbled, and those people, who humble themselves, will be exulted.”

Tuesday, July 11, 2017: (St. Benedict)
Jesus said: “My people, when I cast out a demon from someone, then that person could speak and was no longer mute. The people around Me marveled that I

controlled demons, but instead of being grateful, they said it was by Beelzebub that I cast out demons. I quickly told them that Satan's kingdom would fall from a division from within, if I cast the demons out by Beelzebub. They then realized that it was by the Word of God that I cast demons out of people. They could even hear the demons fearing Me, when I commanded them to leave people. My son, you know that Beelzebub is the 'Lord of the flies', and you had such an attack of thousands of flies on your chapel before it was exorcised. Rejoice that you have My priests to exorcise demons, and you have blessed salt and holy water for your defense against the demons. Your relic of the True Cross, your scapular, and your St. Benedictine blessed cross are also useful weapons to fight the demons. This is St. Benedict's feast day, and you can call on his protection. You can also pray the long form of St. Michael's prayer for deliverance from demons and addictions. Use your blessed rosary to pray for sinners as well. You have My weapons, so use them to fight the demons."
Jesus said: "My people, your bodies are vulnerable to many diseases, bone problems, and addictions. You are seeing many cases of cancer at all ages. Some of these problems could be a result from your environment, as pollution, and some could be caused by what you eat, as your modified crops. You have seen people require hip or knee replacements. Others have heart attacks or poor circulation. You can comfort people with your care and your prayers. Some people have financial problems, and you could help your relatives or friends when you can. Those people, who have addictions to alcohol or drugs, are much harder to help. You have clinics to help these people, but they need to have a desire to stop their bad habit and change their lives. Pray your deliverance prayers to help free them from any demons behind these bad habits. By reaching out to help people with your actions, prayers, and donations, you can store up treasure in heaven for your good deeds."

Wednesday, July 12, 2017:

Jesus said: “My people, in the Book of Genesis you have read the story of how Joseph was sold as a slave by his brothers to the Egyptians for twenty pieces of silver. Joseph interpreted the Pharaoh’s dream about the seven fat cows and the seven thin cows. It meant that there would be seven years of plenty, followed by seven years of famine. Joseph was made governor to store plenty of grain during the good years in preparation for the seven years of famine. This account is similar to the world famine that is coming to this time. That is why I have been encouraging people to store at least one year’s supply of food for everyone in their households. All of My refuge builders are storing water, food, and fuels. The time of tribulation and pestilence will ravage the land, and just like in the time of Joseph, the people will be desperate to find food for their survival. I will multiply the food, water, and fuels at any refuges, so have trust in Me as I warn My people to be prepared for the coming famine. Be thankful for My advice on all of the refuges for their preparations. My angels will protect you, and help you in your needs.”

Jesus said: “My people of America, many countries have nuclear bombs and the ICBM missiles to deliver these bombs. You have gone through many years of a cold war, because it would be suicide for everyone to start a thermonuclear war. You still will see conventional weapons used in combat, but a new war threat will be the use of EMP weapons. This attack could come from a neutron bomb exploded high in the air that could destroy microchips, and it could shut down your electricity, computers, and vehicles. Such weapons could be fired from submarines or other ships besides using an ICBM attack. This explosion could cause a famine, when people do not have enough food and water. It would be hard to shoot down such missiles before they explode. Smaller EMP weapons could also be used against ships with a localized effect, and this could be used against your carrier ships. There will be a need to defend your electronic equipment with Faraday cages to avoid any EMP effects. Losing your electricity for a long time will be devastating, and that is why My angels will be shielding My refuges from EMP, bombs, viruses, and any means of detection. The evil ones have a plan to take over America, but they are vulnerable to EMP attacks as well. When your lives are in danger, I will warn all of My faithful to come quickly to My refuges. Trust in Me because My power is greater than the demons, and all the weapons of man. I will protect My faithful with My angel power, so have no fear of anyone.”

Thursday, July 13, 2017: (Aline Samson)
Jesus said: “My people, continue to pray and have Masses said for Aline, for she still needs your help to get out of purgatory. In today’s first reading about Joseph and his brothers, you could see how Joseph took pity on his brothers in their need for food during the famine. Joseph forgave his brothers for selling him as a slave to the Egyptians, and he even sobbed over seeing them. This is a good lesson for all of you that you are to forgive one another, even if someone has harmed you or insulted you. It is not easy to forgive, but I want you to love everyone, even your enemies. In all families, I want you to make peace with each other, and do not hold grudges or hard feelings toward your family members. Pray for all the members of your family because you do not want any of them to be lost in hell.”
Prayer Group:
Jesus said: “My people, at some time many of you have had a leg or knee injury. It is hard to heal from a leg injury because you need to get around with crutches or in a wheelchair. These injuries can take a long time to heal, and they make it difficult to have patience with your poor mobility. You, My son, have been healing from a leg injury, so you know how painful this can be. Pray for a speedy recovery, and pray for all the people who are suffering from leg injuries.”
Jesus said: “My people, in the Midwest, the L South, and the Northeast you have been seeing a steady number of rainstorms with some occasional tornadoes. You have even seen flooding where heavy rainfalls have occurred. In the West you are seeing near record amounts of burned acres with many fires. You have seen firefighters battling the fires with air drops of flame retardants. This occurs every year, but there have been larger fires. Pray for all the people who have suffered injuries, or have lost their homes to these natural disasters. Help donate to any funds that are helping these people.”
Jesus said: “My people, you have seen Iraqi troops and your forces who have fought a long time in battling ISIS forces to win Mosul, Iraq from their hands. This has been one of the few battles where ISIS has been beaten back from one of their strongholds. It took constant street fighting to takeover this city from ISIS. There has been much fighting in Iraq over the years, and ISIS is losing its influence. Pray for a cease fire in Iraq and Syria.”
Jesus said: “My people, you always have sick people in the hospital, and some

are requiring surgery. It is kind to comfort people with health problems. Those people, who visit the sick and the care givers with food, will have treasure in heaven. Visiting the sick and the elderly are corporal works of mercy, and I encourage people to continue helping others with your good works."
Jesus said: "My people, your home is your place of rest, and you share meetings with your family and friends. To lose your home means a loss of your physical things as furniture, cars, and electronic things. It is difficult to rebuild, especially if that area is prone to further disasters. In some cases as with tornadoes, you are fortunate to survive any damage. It would help if friends and relatives could reach out to help such victims resettle in a new home. Pray for these victims so they can get back to a normal life."
Jesus said: "My people, your garage sales are one inspiration to try and clean out houses, and share your belongings with those people who could use them. It is not always a profitable enterprise, but it gives cheap prices for people who may not have much money. This is another means to help the poor when you make donations to your good will stores, or other charities. You can also share donations of money and food with your local food shelves who help feed the poor. By praying and caring for the poor, you are doing more corporal works of mercy."
Jesus said: "My people, once school is out, your people look forward to relaxing with summer vacations. When you can travel together with your family for entertainment, it gives you a break from your stressful lives. Pray for safe travel and enjoy the company of your friends and relatives. Even while you are on vacation, do not forget your daily prayers, and coming to Sunday Mass. I am always at the center of your lives, and I want you to keep loving Me in all of your activities. I watch out for you all of the time because I love you so much."

Friday, July 14, 2017: (St. Kateri Tekakwitha)
Jesus said: "My people, in the first reading you could see how Joseph was helping his people to survive with the grain during the famine. Jacob and his family migrated to Egypt, and they settled in Goshen where they had food to eat. Joseph helped his people until a new Pharaoh began to enslave the Jewish people. In the Gospel you read how I encouraged My disciples to go out and preach My words about the Kingdom of God. I told them that they would be

persecuted for speaking in My Name, but the Holy Spirit would give them the words to speak to the people. Through the years I have preserved My Church, and I have provided leaders and prophets to carry on the faith in My Word. Today's St. Kateri also helped the Mohawk people, as they suffered through a smallpox epidemic. She died young from the same disease. Many of your people remember how your own Anne Scheuerman was instrumental in working for St. Kateri's sainthood by the Church."
Jesus said: "My people, when your water line stops working because you do not have a chip in your body, then you will no longer be able to use your flush toilets. This is why I have advised many of My refuges to buy an outhouse for your latrine service. My son, you have had a nice outhouse made, but it is quite heavy and you will need a means to move it to a place over a hole that you will dig when needed. You have heard of several ideas such as skis, several hard plastic pipes, or some wheels. They all involve wheels or something supporting the weight of the outhouse. You saw different kinds of wheels used to move your shed that could also be applied. Spend some time to research various ways to roll your house. It is too difficult to lift, so using braces may not be workable. You will be needing this help to move your house to various holes. So learn the best way now. When it is needed and you cannot move it physically, My angels would help lift it into place so you can use the outhouse for its purpose."

Saturday, July 15, 2017: (St. Bonaventure)
Jesus said: "My people, you have been reading the account of Joseph, and how he forgave his brothers for trying to kill him. It was My plan for Joseph to prepare the grain to save the Jews from the famine. Once Joseph died, the Pharaohs enslaved the Jews in the brick pits of Goshen to build the Egyptian cities. After some years of captivity, Moses was raised up as the 'Deliverer' to free the Jews from the bondage of the Egyptians. There is also a parallel of My Incarnation as a God-man when I became the Savior of all of mankind from their sins. Even the Passover of the Jews when they were freed, was the first Mass at the 'Last Supper'. Then My crucifixion and Resurrection freed souls to enter heaven, and My sacrifice has made reparation for all of your sins. Rejoice that I am your Savior to lead you all on a path to heaven."
(4:00 p.m. Mass) Jesus said: "My people, today's Gospel is the parable I gave

about the Sower sowing seeds. Some seed fell on rocky ground, but it withered and died because of a lack of roots. Other seed fell among thorns, but when it grew up, it was choked by the thorns. The remaining seed fell on good soil, and it yielded thirty, sixty, and one hundredfold. You realized that the Seed was My Word, but it is important to notice how My Word was received. I plant My Word in your hearts, and as in the vision, I water My Word with My graces to help you grow in faith. I explained this parable's meaning to My disciples. The seed is the Word of God. The seed that fell on rocks and the hard path, are people who hear My Word, but the devil takes it away. They do not have strong faith, so temptation causes them not to bear fruit. The seed, that fell among the thorns, are people who first rejoice in My Word, but their faith is choked by the cares, riches, and pleasures of life. They also do not bear any fruit. The seed that fell on good soil, are the true faithful who accept My Word, and they bear many spiritual fruits according to their talents. I spoke many parables to the people, and I used figures of speech and nature so they could understand My examples. My disciples had the parables explained to them so they could write down the meaning in the Gospels."

Jesus said: "My people, you are in great need of more priests, which is why I want you to pray for more vocations to the priesthood. I am showing you a priest's black shirt without the Roman collar in the vision. Pray also for all the seminarians so they can complete their intention of becoming a priest. Be thankful for these vocations, because these men are remaining celibate for My sake. Pray also for all of your active priests, so they can remain in their priestly vocation. You need to help support your parish priest with your donations, your prayers, and any physical help with your church. The best places to have fertile ground for vocations to the priesthood, is where you have constant Adoration of My Blessed Sacrament. You should be grateful for all the priests who give you daily Mass, and Sunday Mass. Thank the priests also who give you Confession, baptize your children, and marry your adult children. You also need to thank your bishop for confirming your children with Confirmation. Even at the funeral Masses, your priests are there to console your grieving families. Your priests are your best friends because they act in My place at Mass and for your sacraments. My gift of My Eucharistic Presence is made possible by your priests. Pray for the spiritual protection of your priests to have pure souls, despite any attacks of the devil."

Sunday, July 16, 2017:
Jesus said: “My people, you are aware of all of the immigrants who have come into Europe, and especially into France. You also have seen how fewer people in Europe are coming to church on Sunday. There have been several terrorist incidents in Paris, France where people have been killed. This is why I am showing you another incident that will be happening more frequently in Europe, as terrorists are infiltrating with all of the immigrants. The Muslims are having more children than the people in the European countries, and these countries are becoming ripe for a takeover. The one world people are even using Satanic rituals, as you saw with the new train tunnels. This evil will be spreading throughout Europe, as the forces of the Antichrist are preparing for a world takeover. You will be seeing more signs of the Antichrist’s power, as more continental unions will be forced on the people, modeled after the European Union. Pray for your people in America to hold onto your religious roots with Me. Do not let the worldly distractions take you away from your daily prayers and Sunday worship.”

Monday, July 17, 2017:
Jesus said: “My people, on this theme of killing newborn children, you have seen history repeating itself, even until today. Egypt’s Pharaoh was fearful that the Hebrews’ population was dangerous because it was increasing more than their own. He sent out an edict to kill all the Hebrew male children at the time of the Book of Exodus. At another time Herod wanted to kill Me because I was a newborn king, and a threat to his Kingdom. So Herod ordered all the newborn boys of Bethlehem to be killed. In more modern times you saw Hitler trying to kill the Jews and others in the ‘Holocaust’. Today, you are seeing boys and girls being killed by the millions in abortion. Even for a while in China they killed the girl babies because parents could only have one child in the cities, and they preferred boys. Life is too precious to be killing children, the unborn, or the elderly. Pray to stop abortion and euthanasia that are being legalized in your court decisions.”

Jesus said: “My people, this triangle in the vision represents the Blessed Trinity. You are seeing the earth through the Blessed Trinity’s eyes, and there are black souls in mortal sin all over the earth. There are white spots thinly spaced all over the earth which represent My places of refuge. The white light comes from the angels who are shedding their light, which is protecting each refuge even now from any natural disasters. When I call My people to the safety of My refuges, your guardian angels will lead you with a small flame to the nearest refuge. Once they arrive, some counselors will calm the people so they can each be assigned their work for the day. Some people will be preparing the fuels needed to keep the refuge warm in the winter and heat for cooking the meals. Some people will be assigned to preparing food for the rest. Some people will be washing clothes and setting the tables. Others will help with the bedding and hygiene needs. You saw how some will help dig holes and move your outhouse over them. You may have some electricity from your solar panels, but be ready to use your lamp oil for lighting the lamps at night. You will need water for drinking and bathing. My angels will multiply what you need, so trust in Me to help you to survive this trial. The angels or a priest will provide daily Holy Communion which you could even survive on if necessary.”

Tuesday, July 18, 2017:
Jesus said: “My people, you have watched the movie industry’s presentation of the ‘Ten Commandments’. You can see how the producers exaggerated the Biblical story to make their own view of the real events. Moses did lead the people out of Egypt with the power of My plagues on the Egyptians. The Passover is the biggest commemoration of these miracles, and it is carried over into the sacrifice of the Mass. The Ten Commandments are My covenant with all of mankind, and not just for the Jews. The laws are My directives on how I want you to live your lives. None of My laws will ever be changed for a better hearing, because My words are forever. I have given you My First Commandment of not putting false gods or idols before Me, as riches, fame, or sports. I have given you My Third Commandment of worshiping Me on Sunday. Your abortions and euthanasia are violations of My Fifth Commandment of ‘Thou shall not kill anyone.’ My Sixth Commandment includes all sins of the flesh such as adultery, fornication, homosexual acts, and birth control. Because

you are weak to sin, I have given you My sacrament of Reconciliation so you can have your sins forgiven. You can see how evil your society is, by how you are violating My laws."
Jesus said: "My people, in today's reading (Matt.11:21-24) I am listing the woes to the cities of Corozain, Tyre, Sidon, and Capharnaum. Their people committed worse sins than the city of Sodom, and they did not repent of their sins. In Genesis (18:23-33) I talked with Abraham and after starting with fifty just men, I relented to accepting if ten just men were in Sodom, I would not destroy it. My angels led Lot and his family out of Sodom, and then I brought fire and brimstone down upon Sodom to destroy it. You have seen My justice also on the world of sinners, when I saved Noah and his family, and I drowned the others with a great flood. There is a parallel with the sinful world of today. Because there are just people among the sinners, I have not brought My justice on the earth. When I call My people to My refuges during the tribulation, then I will bring plagues of justice against the evil ones. At the end of the tribulation, I will bring My Comet of Chastisement upon the earth, after I raise up all of My faithful off the earth. The comet will kill the evil ones, and their souls will be cast into hell. Then I will recreate the earth, and I will bring My faithful into My Era of Peace."

Wednesday, July 19, 2017:
Jesus said: "My people, today, in the Book of Exodus, you are reading how Moses met God the Father in the burning bush. God the Father told Moses to remove his sandals because he was standing on holy ground on Mt. Sinai. He also asked Moses to lead the Hebrew people out of the oppression from the Egyptian Pharaoh. The Hebrews were enslaved with hard labor for many years to build the Egyptian cities. God the Father would go with Moses to help him. In today's world I have given you My Real Presence in My consecrated Hosts of the Eucharist. At every Mass the priest consecrates the bread and wine into My Body and My Blood. When you come to receive Me in Holy Communion, I want you to respect My Real Presence by bowing or genuflecting. It is permissible to receive Me in the hand, but it is more reverent to receive Me on the tongue. Whenever you enter a Catholic Church, or when you come by My tabernacle, you should genuflect to give praise and honor to My Hosts in the

tabernacle. Those of you, who love Me so much, can even visit Me in My tabernacle, or when I am exposed in the monstrance. My daily Adorers often come to daily Mass so they can receive their daily spiritual Bread to have My graces for the day. My daily Mass people and daily Adorers have a special place in My heart. Remember to respect My Blessed Sacrament by always receiving Me in Holy Communion without any mortal sin on your souls. Those people, who receive Me unworthily, are committing a sin of sacrilege. You can cleanse your soul in Confession, and then you can receive Me with a pure soul."
Jesus said: "My people, I have been telling you for years that there would be a split in My Church between a schismatic church and My faithful remnant. This schismatic church will be teaching New Age beliefs, and that the sexual sins are no longer mortal sins. This schismatic church will be teaching many heresies that you do not have to follow. If a cleric tells you a heresy, you do not have to believe such a falsehood, and you can disobey any heretical order. Pray for discernment to the Holy Spirit so you can determine the validity of all teachings that you hear. If what you hear does not sound right, then look for this subject in your Catechism of the Catholic Church to confirm any heresy. You eventually will be coming to your prayer groups, or a place of refuge to find the truth."

Thursday, July 20, 2017:
God the Father said: "I AM WHO AM is here to tell you how I appreciate the honor you give Me in your chapel and your prayer group. I am coming today because in your first reading from the Book of Exodus (3:15) I spoke to Moses about who I am. 'God replied: 'I AM WHO AM.' Then He added: 'This is what you shall tell the Israelites: I AM sent me to you." This is the same name that you have on your chapel door. Later on, Moses brought his people out of Egypt to Mt. Sinai where I gave him My Ten Commandments. This is why I asked you through My Son, Jesus to have the Ten Commandments displayed in your chapel. Of all the signs of Me that you have, your new tablets of the Ten Commandments on the wall, best display My covenant of love for all the people. I want you to keep your focus on My Name and My Commandments when you think of Me. This is why these readings are very powerful for how to live your lives."
Prayer Group:

Jesus said: “My people, the children today have to run several gauntlets in order to survive. The first test is to avoid being an aborted baby. The next test is in the school system that teaches Godless socialism which is taught by most teachers. A third test is to avoid any addictions to drugs or alcohol. It is the parents who are most responsible for teaching the faith to their children. As parents become weak in their faith, they give bad example when they do not come to Sunday Mass. This is why fewer children are taught the faith, and many do not come to Sunday Mass. Pray your St. Michael long form prayer for the salvation of your family’s souls.”

Jesus said: “My people, My crucifix with a corpus on it, is so important to be kept on the altar, and in your homes so you can remember how much I suffered to save your souls. I love all of you enough to die for each soul. By having a large crucifix on your altars, My love is always displayed in your eyes. In the same way you need a crucifix in your homes to remember My gift of My life every day. This is why crosses without My corpus and the resurrected crosses, do not show how much I suffered, and they should be replaced. My cross is powerful in healing, especially relics of My True Cross.”

Jesus said: “My people, every year you see a few people brought to the faith in your RCIA groups at Easter. There are more people leaving the faith than are being converted. This is why I am calling on all Christians to reach out and strive to make conversions or re-conversions, even in your own families and friends. Call on the Holy Spirit to spread the faith to as many people as you can. You may be the only opportunity to invite people to know and love Me. Those converts, who become strong in their faith, will thank you so much to opening their hearts to My love.”

Jesus said: “My people, when you come to Confession, you see very few people coming, and you usually see the same few people coming often. Your priests should be encouraging their parishioners to come to frequent Confession at least once a month. Some priests make themselves more available for Confession before or after morning Mass. By telling about all the graces and help that comes from Confession, more people would take the trouble to have a pure soul. By keeping your souls pure, you can come to daily Mass and Holy Communion, and you can be ready to meet Me at your judgment whenever you die.”

Jesus said: “My people, every person has a soul created in the likeness of My Image with a free will to choose to love Me or not. You are all important in My eyes, and I am constantly battling the devil to win as many souls as I can for heaven. You also should see how precious each soul is to be loved and not

forgotten when someone dies. See to it that you pray for each deceased soul with prayers, Masses, and especially a Divine Mercy Chaplet. You have seen many souls saved with My Divine Mercy Chaplet. It is important for every family to give all of your deceased family members a proper burial service with a Mass and the sacrament of the sick."
Jesus said: "My people, these Senators need to change or improve your present Health Plan before it fails. If they cannot come up with the right bill to pass, they are risking losing their seats in the Senate for a lack of action. The first hurtle is to bring it up for debate and amendments. People should not be forced to buy a bad Health Plan, and have to pay penalties for not signing up. It may take a failure of Obamacare to get these Senators to take any action. Pray for a quick resolution to have a plan that is fair to the people."
Jesus said: "My people, I have mentioned several times that when people come to My refuges during the tribulation, you should bring the tools of your trade so you could share your skills with your refuge people. You will not be able to go out to the store to buy what you need. But if you bring your tools and supplies, I could multiply them to last for awhile, and you could share them with others. You all have certain skills that you could use at a refuge, so do not forget to put your trade tools and supplies in your backpacks so you will have them at your refuge. I love all of you, and I will even provide any tools that you need, if you should forget them."

Friday, July 21, 2017: (St. Lawrence of Brindisi)
Jesus said: "My people, in the vision I am showing you what you call the 'Last Supper', but I was celebrating a Passover Meal according to the Jewish custom established by Moses. There were some changes because instead of using an unblemished lamb for the sacrifice, I was sacrificing Myself the next day as the Lamb of God. At the first Mass I used bread and wine, but when the priest consecrates the bread and wine, it is transubstantiated into My Body and My Blood. This Eucharistic Service is also a perpetual Sacrifice that is performed at every daily Mass. It is by My power that you have My Real Presence in every consecrated Host. As in the Gospel, I want all of you to worship Me on Sunday, and give respect to that day by avoiding any unnecessary work. Give praise and thanks to Me because I am with you always in My Eucharistic Hosts in My

tabernacle."

Saturday, July 22, 2017: (St. Mary Magdalene)
Jesus said: "My people, this reading of the Gospel is read on Easter Sunday. You remember how Carol's Father told you in a message that all of heaven is rejoicing even more than normal on Easter Sunday to celebrate My Resurrection. At that moment I conquered sin and death, because death had no hold on Me. St. Mary Magdalene was gifted to be the first person in the Scriptures to see Me in My glorified Body. This is the same vision that I gave to My apostles on Mt. Tabor in My Transfiguration. Mary instantly believed in My Resurrection, but My disciples did not want to believe her. Later, when I appeared to all of My disciples, they believed also. It was hard for My disciples to understand the Mystery of My Resurrection, but later the Holy Spirit inspired them to preach My Good News. My conquering sin and opening the gates of heaven are truly Good News for every soul to desire to be with Me for all eternity in heaven. This is My mission to die for all of your sins, and to bring salvation to all sinners who believe in Me and accept Me into their lives. I want all of My faithful to be willing to go out to all the nations to share My Good News, and convert souls to believe in Me."
Kateri said: "My son, I remember years ago when you bought a statue of me, and you gave it to your daughter. I remember your intention also to help pray for your daughter's soul. I have been watching out for her, and I am praying to Jesus for her soul to be saved. Thank you again for visiting my shrine and tomb here in Canada. You have been coming now for several years, and I thank you for honoring me with your presence, and that of your group of pilgrims. Today, you were able to get here without as much traffic as last year. It takes some time and planning for this trip, and thank you for remembering me in your trips. I will pray for all of your members, and for all of your children, grandchildren, and great grandchildren."

Sunday, July 23, 2017:

Jesus said: “My people, in the vision I want you to look at this very high stairway as the steps toward your being with Me at your judgment. As each year passes, you move up one step. Your lifetime seems like a long time to know, love, and serve Me. You can see as you grow older, how quickly this life passes on. I want you to use your time well in prayer and good deeds for your neighbor. As you advance in your years, I want you to strive to grow holier in your spiritual life. As you get closer to the last years of your life, you should work to keep a pure soul with frequent Confession. When you come to Me at your judgment, you want to be among My faithful wheat, who will be gathered up into My barn of heaven. Pray for your family’s souls so they do not become like the weeds, who are burned up and cast into hell.”
Jesus said: “My people, this vision of a drawbridge over a moat of water and demons represents My link of salvation for souls. I have died for your sins, and My death and Resurrection have set you free, and now I am providing a bridge from earth to heaven for you. I do not want My faithful to fall into the abyss of hell and the demons, so I am making it possible to cross over from this life of temptation into a new life with Me in heaven. This is a miracle by My grace that I allow those souls who are worthy to enter into eternal life with Me. I love all of My people, and I desire to bring all souls to heaven. But I have given you all free will to accept Me in love or to reject Me. If you do not accept Me in love, then you are locking My drawbridge so I cannot put it down for you. Those people, who do show Me their love, will have My drawbridge put down to welcome them into eternal life with Me in heaven as their reward. Give praise and thanks to Me for all that I am doing for My faithful, both on earth and in heaven.”

Monday, July 24, 2017:
Jesus said: “My people, you are seeing My great miracles that protected My people from being killed by the Egyptians. My Shekinah flame held back the chariots of the Egyptians, while I opened the Red Sea for the Israelites to pass through on dry land. When the flame diminished, the Egyptians went into the path, but then the waters closed in on them and drowned the soldiers. This same protection that I gave the Israelites, I will also see to the protection of My faithful during the tribulation. You will be led by your guardian angels with a small flame to the nearest refuge. A shield of invisibility will protect you from

the evil ones. Later, the evil ones will be cast into the flames of hell, while I will bring My faithful into My Era of Peace. In the Gospel I told My people that the only sign I will give, is the sign of Jonah. Unless the people repent and ask for My forgiveness, they cannot enter into heaven. I told them that they had a greater person than Jonah was here in Me. The Queen of the South visited the wisdom of Solomon, but they had a person greater than Solomon here in Me. Give praise and glory to Me for My protection and My graces."
Jesus said: "My people, you are seeing a vision of demons attacking My Church, and you are wondering how can this be? I have told you that I will not allow the gates of hell to destroy My Church. I am allowing a coming division in My Church between a schismatic church and My faithful remnant. It is the faithful remnant that will be protected from the demons, and you will see this protection at My refuges. The Masons are infecting My Church with their heresies and lies. Avoid staying in any of the schismatic churches because they will be lost by their own free will. Remain faithful to My Commandments, and do not follow any evil laws of man that the devil has infected with his lies. You are seeing evil all over the world in abortions and the sexual sins. Your courts and governments have legalized abortion, homosexual marriages, and euthanasia. No matter how much your evil people claim that these things are legal, they are still mortal sins in My eyes, because My Commandments are not changeable. When you stand up against what is morally wrong, you will be persecuted for standing up for My Holy Name. Do not be afraid of the evil ones because I will protect you. Your good example will be a bright flame of truth that you will shine forth through the darkness of sin. Even if you may face being martyred for your faith, never deny Me before anyone. Your faith is a gift, and your soul desires to be with Me in heaven. Guard your soul against evil and cleanse it frequently in Confession."

Tuesday, July 25, 2017: (St. James)
Jesus said: "My people, I am giving you a second message about the evil ones who are entering My Church. In the vision you are seeing large evil demons attacking My Church on the altar. My faithful remnant are protected by My veil of invisibility. Any services in the schismatic church will not have a true Holy Communion, because they will not have the proper words of Consecration. This schismatic church will be teaching New Age, and it will be giving allegiance to

the Antichrist. My faithful will be leaving these false churches to follow Me in their homes and eventually in their refuges. As this evil spreads, you will soon see My Warning to give all sinners an opportunity to change their lives. As the lives of My faithful are in danger, I will warn them that it is time to come to My refuges. Do not be afraid, but trust in My angels to protect you from the evil ones. My punishment will soon fall on the evil ones, as My victory will then cast the evil ones into hell, and My faithful will be brought into My Era of Peace."
Jesus said: "My people, you are seeing all the people processing by the Stations of the Cross on the hill with their candles lit. It was a beautiful sight to see all the lights moving up the hill. The people come every year to honor St. Anne's feast day. You will be having a hard time to plan any future trips because the hotel is changing ownership. This difficulty in getting a room, is another sign of how close the events are that will lead up to the tribulation. No matter how evil the people will become, you must trust in My protection. Once you see the Continental Unions formed by the one world people, begin to take over, then you will soon be called to My refuges. My angels will protect My faithful, and you will soon be brought into My Era of Peace."

Wednesday, July 26, 2017: (St. Anne and St. Joachim)
St. Anne said: "My dear children, I am the mother of Mary and the grandmother of Jesus, and I am happy to greet you on my feast day. You see me pictured as holding my daughter, Mary, or teaching her the Scriptures. I am pleased to see all of your happy faces, and I will carry all of your prayer requests to my grandson, Jesus. This is a beautiful Shrine to honor me, and I bless all of you, especially for safe travel on your way home. I will be with you to comfort you in all of your trials of the events leading up to the coming tribulation. Have faith in the Lord's protection and His healing power for your body and soul. God bless all of you in all that you do for God's glory."
Jesus said: "My son, from time to time I am giving you glimpses of what your Warning experience will be like. Your first vision was of a circling picture of your galaxy with its many stars, and a location of the earth next to your sun. Your second vision was looking at a time line where you could see all the events of your life at various ages. You were seeing your work experiences in your lab with crystal clear detail. During your Warning experience you will be outside of

your body and outside of time. You will revisit every moment of your life, and you will see all the good and bad things that you did in your life. You will remember all of your unforgiven sins and your sins of omission. At the end of your life review, I will show you where you would go if you were to die right now. You will have a strong desire for confessing your sins. The Warning will give all souls a chance to change their lives when they return into their bodies. You will also experience what your destination would feel like, whether in heaven, purgatory, or hell. I am asking My people to go to frequent Confession so your Warning experience will be less severe. You will need to help souls come back to the true Church during the six weeks for conversions. Trust in Me and you will have your reward in heaven."

Thursday, July 27, 2017: (Funeral Mass for Earl Leone)

Earl said: "My dear family, I am sorry that I had to leave you, but it was my time to go. I am grateful that you had all of these moments of remembrance, and that you could all make it to my service. It was a nice touch that you had a proper burial service, and I appreciated the military honors for my service in the army. Thank you for leaving my hat and the poppy with my remains. I want to ask forgiveness from anyone who I may have hurt in my life. I did not want to go to my grave with any unforgiveness. I love everyone of my children and grandchildren. Thank you again for all of your sacrifices to be here, and for your help in arranging this service. I thank you for this Mass that has moved me up in purgatory. I thank you for all of your prayers and Masses to help me. I will be praying for all of you, and watching out for you as well."

Prayer Group:

Jesus said: "My people, you were just traveling to St. Anne de Beaupres' Shrine, and there were many people there to celebrate the feast of St. Anne. In order to carry out the candlelight processions, you need to have a place to sleep overnight. The hotel Auberge was being closed and sold to new owners. This will not be able to be used next year. The rector also is closing the support for campers, so there is no place for RVs to be set up overnight. It is sad that this could reduce the number of pilgrims who could come to this Shrine with few places to stay. Pray that these accommodations could be restored, but this is another sign of the decline in the faith."

Jesus said: “My son, even in your own parish of Holy Name, you saw that it was closed after being open for fifty years. You had enough money to keep it open, but the politics of not having enough priests to stay there, have caused it to be closed. You have seen other churches closed to pay for pedophile cases against some priests. Instead of needing to build new churches, you are seeing many churches closing for a lack of people and priests. I want My people to spread the faith, but you are seeing fewer people coming to Sunday Mass because of their lack of faith. Pray for an increase of faith to stop the decline in attendance.”
Jesus said: “My people, in years past you thought it was expected to bury a person in a casket in the ground or in a mausoleum. In certain cases cremations were done because of the expense of moving a casket over a long distance to a grave. In other cases people are using cremations to save money on a funeral expense. The dead deserve a proper burial service without worrying about saving a few thousand dollars. If the family is poor and there is little money, then it is understood to have a cheaper funeral. Most families have enough money to afford a decent funeral, so there is little excuse not to have a Mass and a normal funeral. You may have to specify such a funeral in your will in order to have things done properly.”
Jesus said: “My people, in some homes along Lake Ontario, there has been flooding and loss of land due to the lake level that has risen two feet or more. It is hard to increase the flow out of Lake Ontario because dams can only release so much water. Some homeowners are being helped by emergency funds for such damage. Many people do not have enough money to pay for flood damage insurance. Pray that this flooding problem can be resolved before more people could lose their homes.”
Jesus said: “My people, you are seeing homes being lost to fires, tornadoes, and hurricane threats. It is hard for people to rebuild their homes, especially if they cannot get insurance companies to pay any coverage for such disasters. Some families have had to rely on donations from friends or family in order to rebuild their homes. Pray that such victims are able to find a new home to live.”
Jesus said: “My people, you see many people who have health problems, and they are in great need of prayers, healings, or Masses for any solutions. In some cases operations or medications can help people recover from any illness or bone problems. You can pray your novenas for people to get better, or you could physically get them moved for an operation. I hear your prayers to heal the sick or injured people. I will answer your prayers in My time and in My ways.”
Jesus said: “My son, it is good that your family is coming together for a summer

vacation. You need a break from your daily routines to build up your spirits and take away any depression. Seeing this play about 'Jonah' is a good biblical lesson in how to change your lives away from sin. Your other activities give you a change of scene to see how other people are living their lives. You need to help each other in your families to provide for your needs. Pray for safe travel and some welcome entertainment. I love all of My children, and I like to see you share your time in loving each other."

Friday, July 28, 2017:
Jesus said: "My people, God the Father wrote the Ten Commandments on the stone tablets as a permanent record for His people to follow. You remember when the Israelites made the golden calf to worship, and there was a division between those who wanted to follow Moses, and those who worshiped the idol. The people against God were killed, and the rest of the people obeyed Moses and the Ten Commandments. The tablets of this covenant of love of God and love of neighbor, were placed in a special ark. The people carried the ark, and it was kept in a special tent of the Holy of Holies. This is a precursor for now when you place My consecrated Hosts in a special tabernacle, and you genuflect before My Real Presence. These Ten Commandments are not only a guide for your lives, but they also serve as a preparation for Confession, so you can remember your sins. You have three Commandments for the love of God, and seven Commandments for the love of your neighbor. Sinners will need to make reparation for their sins, but you can be forgiven in Confession. Give honor and praise to Me for showing you how to live and love in this world."

Saturday, July 29, 2017: (St. Martha)
Jesus said: "My people, in the first reading you read about how Moses was reading from a scroll which was the Word of God to the people. The people would roam for forty years in the desert before coming to the Promised Land. It is important to have faith in My Word, but it is also important to perform good works for your neighbor. Just as you saw Mary listen to My words, Martha was

serving the people. You need both following My Word of love, and serving Me in your deeds. I call all of My people to go out to all the nations and spread My Good News."
(5:00 p.m. Mass) Jesus said: "My people, I described the Kingdom of heaven as when a fisherman hauls in a net of fish. What is bad is sorted away from what is good. This is what it will be like at the judgment when the good souls will be separated from the evil souls. The vision of thorns on a cross represents how each person suffers through life to carry one's cross. It is how you react to situations that I see the intentions in your heart. Your actions are all judged on the intentions in your heart. It is your sins that you need to be sorry for when you come to Confession. If you love Me, you will consecrate everything you do to My greater glory. At your judgment you will be weighed on My scales of justice. Your good deeds will be weighed against your sins. Those people, who love Me, will find their reward in heaven. Those people, who ignore Me or do not accept Me, will be judged to hell. You are either with Me or against Me, that is your free will. But your destination will be judged on this decision in life."

Jesus said: "My people, you remember earlier this year that I gave you a message (3-21-17) that something big would happen this year. This vision of Niagara Falls is a sign that the big event would be a natural disaster,and it would have a large significance, meaning a catastrophic event. I am still not giving a date, but it would be good for all souls to have themselves confessed frequently in case you should die suddenly. You have been praying your Reparation Masses for all the souls who could die suddenly in a major event, and they will not have time to prepare for their judgment. Pray for all souls who could be victims of a natural disaster. You are moving into the end times, and the Warning and the tribulation will be coming soon."

Monday, July 31, 2017:
Jesus said: "My people, in the vision of the tree with green leaves, this represents

a time of plenty. The vision of three figures in the sand represents a time of famine that was caused by a drought. The volcano shapes represent the disasters that will be sent as a punishment for sin, and the demons will be spewed out from the volcanoes in the time of tribulation. Just as Joseph in Egypt interpreted the dream of seven fertile years and seven years of famine, so My people need to store up food in your time of plenty, so you can be prepared for a world famine. I have given you several messages of how to prepare My refuges for the coming tribulation. My angels will help multiply your food, and put a veil of protection over My faithful to protect them from the evil ones. Rejoice in My coming victory over evil, as I will bring you into My Era of Peace."

Jesus said: "My people, this message has to do with the vaccine medicines given to your young babies. You have seen many incidences of autism, ADD, and other side effects coming with your children as a direct effect from these vaccines. You should have these shots spaced out instead of all at once to minimize any side effects. Most of the autism is being caused by the mercury preservatives, and the vaccine that is being made in cultures of human fetal tissue. These shots are not improving your baby survival rates, which are poorer than over ten countries. You also need to avoid flu shots for the babies, children, as well as your adults. These shots also are causing side effects you may not know. Your modern medicine is extending your lives, but you are spending more money for the same health as other industrial countries. You need to have more independent research done on your vaccines to see the good and bad effects on your children. Pray for the health of your children, despite what your health people are telling you."

Wednesday, August 2, 2017:

Jesus said: "My people, in the first reading you read how the face of Moses became radiant after he was conversing with God the Father. It so frightened the

people that he wore a veil over his face, but he took the veil off when he talked with God. In a different manner, I showed My bright glorified Body to My disciples on Mt. Tabor in My Transfiguration. After My Resurrection, My glorified Body was so different that people did not recognize Me at first. St. Mary Magdalene and the two disciples on the road to Emmaus did not recognize Me until the 'breaking of the Bread'. In the same way I appeared to My disciples in the Upper Room and they thought I was a ghost. After they saw Me, and St. Thomas touched My wounds, and I ate fish before them, they knew I was flesh and bones. At the last judgment My faithful souls will be rejoined with their glorified bodies. My people also should feel radiant when you receive Me in Holy Communion, or when you are in front of Me in Adoration of My Blessed Sacrament. Give thanks and praise to Me in sharing your lives with Me during all of your contacts with Me in My sacraments and in prayer."
Jesus said: "My people, I have asked My refuge builders to be prepared to accommodate some people at their refuges. A cave for a refuge could be limited in space, but it usually has running water. You may have to use your tent to stay warm from the damp cold. You also may have to stay near the opening of the cave for sufficient air to breathe. Caves could be good bomb shelters, but My angels will have a veil of protection over you. Trust in Me because I will multiply your food and water for your survival. I will protect your refuges from harm, and all My faithful will have their reward in My Era of Peace."

Thursday, August 3, 2017: (Mass for Earl Leone)
Jesus said: "My people, in the first reading you saw how God the Father was always present to the people in the Ark of the Covenant that contained the Ten Commandments. A special tent was placed over the Ark, and only Moses could go in to talk with God. A cloud would come down over the tent during the day, and when it lifted, the people would move again. At night there was fire over the tent to light their way. In the desert Moses struck the rock for water, and they had manna in the morning, and quail at night. This is contrasted with your churches of today, where I am always Present to you in My consecrated Hosts in My tabernacles. I have instituted My Eucharist so that you could receive Me at every Mass. This Blessed Sacrament is My gift to you of My very Body and Blood. Later on at My judgment, My faithful will see the Blessed Trinity in the glory of

My Kingdom in heaven. Give praise and glory to Me every day in your prayers."
Prayer Group:
Jesus said: "My people, you will be fortunate to have a good priest to sacrifice Mass. Make sure that you have songbooks at your refuges so you can sing along with the priest during the Mass. When you sing, you are praying twice. In the morning you will have the Bread of My Eucharist in morning Mass. At night you will have the deer for meat. Trust in Me that you will have enough food to survive."
Jesus said: "My son, you were wondering if you should buy a generator to obtain some electricity during the winter. In the cold months you will have snow on your solar panels, and very little light to generate any power. You need to buy a propane/gasoline generator along with some propane tanks. You could provide some lights, and I will multiply your fuels. See if you could find an electrician who could help recharge your batteries in the winter. This will be one more project to work on. I will find help for you to supply this backup."
Jesus said: "My people, this Liberty Bell is a symbol of how your people struggled to be free from England in the early days of your government. You had some scholarly men draw up the Declaration of Independence for your freedom. Your Congress also set up a Constitution of America that is controlling your government today with the judicial, legislative, and executive branches. Your Democratic Republic has succeeded for a long time, but your people need to protect your government from any dictatorial attempts to break up your long standing precedents. Pray for your country to abide by My plans, and keep 'Under God' in your pledge of allegiance."
Jesus said: "My people, your country today is made up of many small businesses that have provided many jobs. You read about and visited this Hershey chocolate company and a caramel company. You saw how the candy was made, and how it prospered with many products that you have today. It is difficult to have a successful business, and to have it succeed for years. Pray for your country and your jobs to keep your economy running."
Jesus said: "My people, it is good to celebrate your saints as St. Anne, and St. Kateri Tekakwitha on your trip to Canada. At times you can visit the tombs of the saints as St. Brother Andre in Montreal. All of your trips with your family were very successful, and all of you were enlightened by your travels. Give thanks to Me for your safe travel."
Jesus said: "My son, as you traveled around the country, you could see different cultures of how people lived, such as the Amish people. When you watched the

'Jonah' presentation, you could see how I used Jonah to help the people of Nineveh come to Me in repentance. Even though Jonah was disappointed that I did not destroy their enemies, he was instrumental in bringing My Word to the people. This is a short account, but it is a lesson in how My faithful need to keep evangelizing people with My Good News. These biblical productions are beautiful to make the Bible come alive for everyone."

Friday, August 4, 2017: (St. John Vianney, Cure d'Ars)

Jesus said: "My people, this destruction of an altar and the pews with a large bomb crater, is a sign of how your churches are going to be attacked. You have seen churches burned by evil people in the past, and you could see more terrorist attacks on churches to come. You are also seeing churches closed for lack of attendance. Some of these closed churches could be torn down for other buildings. This vision can also represent more attacks on My churches from a spiritual point of view, when the schismatic people take over the churches. Their New Age teachings will force My people to go to other churches, and eventually to homes or refuges. You will soon be witnessing a division in My Church, when My faithful will have to have Masses in the homes or in My refuges. You will have to choose between Me or the false New Age teachings of a schismatic church."

Jesus said: "My people, I am showing you a vision of hell with the flames throughout a large hole into an abyss. I am also showing you a vision of purgatory which is also in a large hole. The flames are only at the bottom of purgatory. Those souls in hell are in the flames forever, with no hope of ever getting out. The souls in purgatory are saved to be in heaven one day, but their souls need to be purged of their sins and the reparation due for their sins. You can also pray for the souls in purgatory, and you can have Masses said for their intentions. Prayers and Masses can help raise these souls out of purgatory. Alexander has his soul in purgatory, and he will need a lot of prayers and Masses to be released."

Saturday, August 5, 2017: (Gabriella Margaret Schmidt Funeral)
Jesus said: “My people, some people have trouble dealing with pain, and they take too many pain killers to alleviate the pain. Some people take too much because they want to end their chronic pain. This was more accidental, but I am understanding her situation. She is in purgatory for some time, and she needs Masses and prayers. She is in no more pain physically, but she is sorry to leave her family. She will be watching over her family. Keep her beautiful picture around so you can remember to pray for her.”
Jesus said: “My people, this area off the coast of Seattle, Washington is prone to earthquakes, and it could easily cause a tsunami against the coast. You are seeing a rumbling on the ocean floor which is a sign of a possible earthquake there. You have seen very little activity along this part of the ring of fire, and there is a stress on these tectonic plates. If there is a sufficient size earthquake, you could see a possible tsunami. Be prepared for such an event that could happen at any time. Pray that these people could get to high ground before any waves could drown them.”

Sunday, August 6, 2017: (Feast of the Transfiguration)
Jesus said: “My people, in today’s Gospel I gave My apostles a glimpse of My glory, and they saw Moses and Elijah with Me. St. Peter, St. James, and St. John were awed by My appearance, and they heard the voice of God the Father when He said: ‘This is My beloved Son, listen to Him.’ In the pictures you have seen painted of My Transfiguration, Moses was carrying the Ten Commandments, and Elijah was carrying a knife because he killed four hundred priests of Baal. I told My apostles not to tell anyone of this vision until I rose from the dead. You had your friend paint this picture of the Transfiguration because this is the scene that God the Father wanted for your Eternal Father prayer group. In your chapel you have the signs of the Burning Bush, the Alpha and Omega, and ‘ I AM WHO AM’ on your glass doors. You also have the tablets of the Ten Commandments on the wall that were given to Moses. Give praise and glory to Me for this display of My covenants.”
God the Father said: “I AM WHO AM is here to greet all of you on this feast of My Beloved Son’s Transfiguration. The three apostles were overwhelmed with this vision of Moses and Elijah. I then spoke to them: ‘This is My Beloved Son

in Whom I am well pleased, listen to Him.' When the apostles looked up, only My Son was in front of them. The Ten Commandments are My laws of love of God, and love of neighbor. This is My covenant with all of mankind, and not just the Israelites. Having the Ten Commandments in your chapel is important to display My laws, and you have them well displayed on the two tablets. The large crucifix of My son on the cross is a second covenant that has brought salvation to all of mankind who accepts and loves Me. These two covenants are My plan for saving all souls. So when you listen to My Beloved Son's words in the Gospel, you are listening to Me as well. Rejoice on this feast, especially for all of My faithful who have visited this place on Mt. Tabor."

Monday, August 7, 2017:

Jesus said: "My people, when people have to work hard together for a common good, like helping the Right to Life cause, it is not easy to please everyone with a good working condition. Many times you have to accept what you have, and make the best of your situation. You will always hear complaints about things that are not good, but keep working on to do your best. Moses had a different problem when his people were trying to survive in the desert. You remember when the people complained about the manna, and God the Father sent snakes to bite the people as a punishment. Moses raised a bronze serpent up on a pole so they would be healed when they looked on it. Later, they received quail for meat at night. In the Gospel I multiplied the five barley loaves and the two fish so that 5,000 men could be fed, along with the women and children. This was a prefigure of My consecrated Bread in My Eucharist. The people coming to My refuges should learn from Moses, and do not complain about the food. You will have Me in daily Holy Communion, and you will have deer come into your camp for meat. I will also multiply your food and water so you will be able to survive. Trust in Me in all of your trials, and I will provide for your needs."

Jesus said: "My son, I have mentioned before to buy a propane/gasoline generator for some electricity during the winter. You also should buy some extra propane tanks to run it. When it is cold in the winter, you will not have access to natural gas during the tribulation. You will be heating your house with wood in the fire place, and some kerosene burners. It will be important to try and cut down on any heat loss through your windows. You need to purchase enough

plastic and tape to cover most of your windows. Some windows may need to be open a little for air. You could obtain some battery run carbon monoxide meters near your heaters. I will multiply your food, water, and fuels for your survival, and My angels will protect you from the evil ones."

Tuesday, August 8, 2017: (St. Benedict)

Jesus said: "My people, in the Gospel I am showing My disciples that it is more important to follow Me in obedience than to worry about burying the dead, or looking back at your old work. This is another way to speak about your commitment to Me in faith, and even your commitment to your vocation in life. If you are committed to loving Me, you will remember Me in your daily prayers, and follow My Commandments. You can also come to Confession at least once a month to seek My forgiveness for your sins. There are three general vocations in life: the religious life, the married life, or the single life. If you are a priest, a nun, or other religious, you are called to be faithful to this vocation. If you are married, then you are committed to be faithful to your spouse in your love relationship, and to love and care for any children. Single people also can be committed to Me in their vocation as well. You all are called to share My love with your neighbor, and even reach out to share your faith by evangelizing souls for Me. By living your life committed to Me in your vocation, you will have your reward with Me in heaven."

Jesus said: "My people, you have seen how your credit cards and passports now have smart chips in them. The next change will involve taking coins and dollars out of circulation. This will put full reliance on your credit and debit cards for your everyday transactions. Even your checks will be eventually eliminated in favor of using credit cards. Once these changes have occurred, you will see a move for voluntary chips in the hand. Then you will see mandatory chips in the hand for everyone. This is the mark of the beast that will control people's minds and souls with microchips. You have seen some articles recently on the mark of the beast where some companies are asking their employees to take chips in the body. I do not want My faithful to ever take any chips in the body for any reason because they will control your minds, and violate your free will. Some doctors are also encouraging their patients to take chips in the body for medical identification. You are also seeing some health jobs forcing their workers to have

flu shots or wear masks. I have warned you not to take flu shots because they could harm your immune system. My faithful need to be aware of how the one world evil people are trying to control your lives, especially through chips in the body. The Antichrist will control these people who are chipped. You can remove these chips before the Antichrist declares himself, but after his declaration, you will not be able to remove them. Once you see mandatory chips in the hand, you will soon be moving to My refuges for your protection from the authorities who want to force this on everyone. Trust in Me to protect you from this control by coming to My refuges."

Wednesday, August 9, 2017: (St. Teresa Benedicta)

Jesus said: "My people, you have seen your intelligence officials suggest that now North Korea could put a small nuclear bomb on its missiles. The leader of North Korea has threatened to target missiles on Guam. Your President has answered this leader with similar threats. Tensions have grown high over what to do with a nuclear North Korea. The UN has placed sanctions on North Korea that could slow trade to that country. You have a very dangerous threat of a possible war in Korea that could kill millions of people. Pray that war does not start there, and for less tensions between North Korea and America."

Thursday, August 10, 2017: (St. Lawrence)

Jesus said: "My people, you just read in the first reading of how I love a cheerful giver. When you give money to support My Church, you should give a fair share for your donation, and not just a token amount. This support of My Church is part of the Third Commandment, when you are to remember to keep the Sabbath holy, and attend Mass on Sunday to honor and praise Me. Your churches depend on the Sunday collections to keep them open. You are seeing a decline in your church attendance, and it is becoming harder to support churches with fewer people donating in the basket. I also call My people to help the poor with your donations so they have food to eat, and a place to stay. The more you give to My Church and the poor, the more treasure you store up in heaven. So do not be

selfish, and give a fair donation, and tithe (10% of income) your income if you can afford to do so."
Prayer Group:
Jesus said: "My people, you have heard some dangerous rhetoric coming from North Korea and America, so tensions are high between both countries. A while back you had a cold war with Russia, and you had a 'Mutual Assured Destruction' strategy that neither side wanted to start an atomic bomb war because of the consequences. Now that North Korea and America can launch ICBM missiles with nuclear warheads, you have a similar cold war with North Korea. Pray that neither side will start a war that could kill many people."
Jesus said: "My people, you celebrated the feast day of St. Teresa Benedicta yesterday. She was one of the victims at Auschwitz, Germany who was killed in the gas chambers. You have seen several dictators who killed many people while they were in power. Now, you have more dictators who are causing their people to die of starvation in North Korea and Venezuela. Pray for the victims who are suffering today from the harsh ruling by these dictators."
Jesus said: "My son, I have asked you to get a generator for the winter so you could have some backup electricity. You just recently put an order in for a propane/gasoline generator. You also ordered two more carbon monoxide meters to place near your heaters in the winter. You also purchased some plastic to seal your windows to save more heat from being lost, when you are heating only with your fireplace and kerosene burners. I thank you for acting quickly on these projects because events are getting close."
Jesus said: "My people, you were given some extra time for your refuge preparations, when I allowed your current President to be elected. This was a miracle as you now have recognized it. You are seeing increasing tensions between Russia, China, North Korea, Iran, and America. One miscalculation and you could see a huge war between these countries. My refuges need to be ready when any major events could trigger the Antichrist to declare himself. My faithful will need to come to My refuges for your protection."
Jesus said: "My son, you have practiced living in your tent, and you tried just one of your breakfast meals. I want you to use your stored food and water for your three meals one day, and try to avoid using your electric devices on that day. You need to test how you will live during the tribulation. By going through this practice run, you can be better prepared to live through this trial. Trust in My help and My angels to support you."
Jesus said: "My son, you have practiced how to live with your physical life in

eating your foods and sleeping on your cots and beds. Now, I want you to practice on your spiritual life with your prayer life, your spiritual reading, and your Adoration without your computer. You will receive daily Holy Communion from a priest or from My angels. You also will have My Blessed Sacrament to adore all the time at My refuges, and you will assign at least two people to adore Me at all the hours of the day and night. It will be your prayer life and My Real Presence that will get you through the trial of the coming tribulation. It may be difficult to practice, but you could try and see how a prayer group could live together all day and night. These are all preparations for how you will be living at My refuges."

Jesus said: "My people, several of these messages tonight are trying to make you appreciate how important it will be to start seriously thinking what refuge life would be like. This is why I have been encouraging you to make some practice runs to see how you could adapt to this lifestyle. You all have been spoiled living with all of your electrical conveniences. This time of the tribulation is closer than you think. If you know what refuge you are going to, you could practice bringing your backpacks with others to see how you could get to your refuge. Otherwise, you will rely on your guardian angel to lead you to the nearest refuge. Trust in Me and My angel protection to keep the evil ones from harming you."

Friday, August 11, 2017: (Collette Kappler Funeral Mass)

Jesus said: "My people, you are grieving your loss of an aunt, and a cousin in Collette. She was happy to see her relatives and friends come to her funeral. She helped a lot of people in her good deeds, and she suffered in her last days. She has found her reward with Me, as I have prepared a place for her. She will be praying for all of her family."

(Barbara Ann M. Memorial Mass) Jesus said: "My son, Barbara Ann invited you on her radio program many times, so it is fitting that you had a Mass offered for her intention. She was very strong in sharing her faith with others, and she did what was necessary to keep her radio program going. You saw a large metal container of holy water which represents that she needed to wash her soul of any

sins. She is in purgatory, but she will be released soon."

Saturday, August 12, 2017: (St. Frances de Chantal)
Jesus said: "My people, you read in the Gospel that those people, who have true faith in My power, can achieve impossible things for mankind. You do not realize how the forces of evil will be trying to remove all the people who believe in Me. The events of the tribulation will appear impossible for the good forces to survive. But I will not leave My people orphans, and I will protect you in this modern day Exodus much like I helped Moses and his people overcome the Egyptian soldiers in the old Exodus. In the readings you are seeing the importance of having a strong faith in My power. When you are dealing with evil in people, you will need prayer and fasting for deliverance of demons from people. When you will be tested by those people, who want to kill you, I will call you to My refuges of protection. Then you will see My angels put a shield of invisibility around you, and your enemies will not be able to enter your refuges. This will take great faith by My people to trust in My protection from the evil ones. I can do the impossible, and you will see My hand fight for you as I did against the Egyptian soldiers."

Jesus said: "My people, I am showing you one of the events to come with a large amount of smoke that was covering a large city with skyscrapers. You could see flames in one of the buildings. The smoke is coming from more than one fire, and it is from a terrorist bombing and arson. These attacks are hard to prevent, and you will be seeing more such events. They could precipitate a local martial law to deal with any violence. Pray for the victims of these attacks as they happen, and pray that your authorities can restore calm to your people."

Monday, August 14, 2017: (St. Maximillian Kolbe)
Jesus said: “My people, you are celebrating a beautiful and loving soul in My priest son, St. Maximillian Kolbe. You are viewing two incidents in his life. In the first incident his monastery was miraculously protected from any destruction by an atomic bomb blast in Nagasaki, Japan that killed many people. Take note of this destruction because you are dealing with this possibility with North Korea. More people died from radiation sickness. In the second incident you are seeing how he offered his life in place of a father of a child and his wife. This was similar to how I offered up My life for all of your souls, and you can now find salvation from your sins. You saw the destruction of so many lives in WW II from the atomic bomb and the Holocaust of Hitler in Germany. Yet, today you are killing so many babies in your abortions and your many wars. Life is too precious for such killing, and you need to pray for the stoppage of abortion, and for peace to stop your killings in your wars. Live your lives in love of each other because your lives and souls are so valuable to Me. Fight the devil with your prayers and good deeds, so you can show Me how much you love Me and all of your neighbors.”
(Vigil Mass of the Assumption) Jesus said: “My people, you remember, how you first started out near broke with little or no possessions. When you came into this world, you had nothing. When you leave this world, you will leave with nothing. So do not be concerned with what you are to eat, what you will drink, what clothes you will wear, or where you will stay. I know all of your needs, and I will help you to provide for what you need, both physically and spiritually. So do not worry about having enough money or possessions, because in the end they will not help you to reach heaven. Instead focus on loving Me in your prayers, and loving your neighbors in your good deeds.”

Tuesday, August 15, 2017: (Assumption)
Our Blessed Mother said: “My dear children, I am truly calling you to get closer to my Son. You are familiar with ‘To Jesus through me’. By praying your rosaries and letting me keep my mantle of protection over you, you can stay close to my Son in faith. Today, you are celebrating my Assumption into heaven after my death. This was a blessing from my Son, so I did not suffer corruption

in my body. Pray for all the dying people around you because they will need your prayers to get out of purgatory. Give praise and glory to Jesus for all that He does for you."
Jesus said: "My people, you are seeing another sign of the end times when you see your places of Adoration closed down. You will also see attempts to even shut down your prayer group Adoration. Where you have Adoration of My Blessed Sacrament in the monstrance, you will see it discouraged. Later, you will not see the Hosts kept in the tabernacles. Then you will see the schismatic churches not praying the proper Consecration prayers, and I will no longer be Present in these unfaithful churches. Just as you pray in front of a video of My Blessed Sacrament exposed in a monstrance in your chapel, My refuges will soon be your only places for Adoration. I have been giving you some last minute preparations for the hard times that you will be facing. Last week's messages about some practice runs for living in the tribulation were not just for fun. I really want you to prepare better how to accept what is coming, by seriously getting ready to live a refuge life. Trust in Me, and My angels will protect you as I have promised."

Wednesday, August 16, 2017: (St. Stephen of Hungary)
Jesus said: "My people, the faith in My people is growing weak, even in America because they are not being attentive to their daily prayers. I love all of you every day, and I pray that you love Me every day also. Your daily prayers are like love notes to Me, so do not just come to Me for only one hour on Sunday. I am your God every day, so tell Me how much you love Me every day in your prayers. In the Gospel I told you where two or more are gathered in My Name, I am there in their midst. This is why you come to daily Mass and Adoration, so you can be with Me in the greatest prayer of all in the Mass. You pray for many intentions, but the most important intentions are to help save souls, especially in your own family. If you are persistent in praying for the souls of your family, you could help save their souls. Encourage your family and others to pray daily. They also need to come to Sunday Mass and monthly Confession. It is because people are praying less, that they are losing their faith all over your country."
Jesus said: "My people, this fertile field with many crops reminds you of the

time of Joseph when he saw in a dream when there would be seven years of plenty, and seven years of famine. This vision and dream are similar for now, because My people need to prepare your food for the coming world famine. You have three kinds of food stored at your refuge: dehydrated food that requires heat and water to reconstitute, meals ready to eat (MRE) that can be used any time, and your canned foods. This is why I have asked you to test how these foods could fit into your diet. Do not worry about having enough food for all of your people, because I will multiply what you have. You will have daily Holy Communion and deer will come into your camp for meat. Even though your refuge life will be difficult to adjust to, I assure you that you will not starve. Trust in Me for all of your needs."

Thursday, August 17, 2017:

Jesus said: "My people, I want all of you to know that you will be held accountable for all of your actions, when you did not forgive someone. You do not want to go to your grave with unforgiveness in your heart. You had better make amends with anyone now, or you will have to suffer some purgatory time for any unforgiveness. You also can come to Me in Confession to cleanse any sins of grudges, or acts of unkindness toward your neighbor. Just as I have forgiven your debts of sin, so you must be willing to forgive the debts of others. You must be willing to seek My forgiveness for your sins, the forgiveness of others for your misdeeds, be able to forgive others for their misdeeds, and to forgive yourself. By having a free conscience, then you can bring your gift to Me at My altar."

Prayer Group:

Jesus said: "My people, most of you are familiar with the Civil War between the North and the South. The North wanted to free the slaves, but the South did not. These statues of Confederate military leaders are being seen as supporting slavery. The two groups were at odds over whether to remove the statues or not. There are one world people behind the scenes who are trying to start a war between the races. This was a staged event to make your President look bad."

Jesus said: "My people, you are seeing another terrorist act when a van drove through many pedestrians, killing some and injuring many more in Barcelona, Spain. Two people were being held, and another van could have been involved.

Europe has been seeing even more terrorist acts than America. Several recent attacks have used cars, vans, and trucks to run people over. Such attacks are hard to prevent, but pray for the victims, and for the authorities to try and prevent these incidents."

Jesus said: "My son, I thank you for obtaining your generator for providing electricity in the winter. You also received your window coverings, and your two carbon monoxide meters. These things will be needed for electricity and to save your heat that could be lost through your windows. The carbon monoxide meters are for safety when you are burning fuels inside your house, or if your gas heater has another blockage in the exhaust. Now, you need to get an extra supply of propane to run your generator. You may find such a propane cylinder where you bought your oxygen cylinder. Pray for the multiplication of your fuels in the winter."

Jesus said: "My people, your financial markets have reached some lofty levels based on your new President's plans. If your Congress does not act soon on Health Care and Tax Reform, you could see a large drop in your markets when such promises may not be kept. Many important issues such as your debt ceiling and your National Budget need the action of your Congress. Pray that your government acts on these issues, or there could be some large declines in your markets."

Jesus said: "My people, you will see more elections to replace some U.S. Senators who went to your President's Cabinet. There is a thin difference between the ruling party and the other opposition. If the ruling party cannot control its members, you will see little done in your Congress. If they do not act soon, they could get voted out of office for doing nothing. Pray for your leaders to do the right thing for your people."

Jesus said: "My people, I have asked My refuge builders to prepare to live in your houses independent from your grid and other services. You are seeing a wood burning stove as you have, so you need to have a ready supply of wood on hand. You may have to cut up the wood on the side of your house so it will fit into your fireplace cradle. I have given you many instructions to provide for your people. Trust in Me to help you with food, water, and fuels for your survival."

Jesus said: "My people, last week I suggested that your prayer group could plan a practice run overnight to see what refuge living would be like. It would be prudent to try and do this within the next month. Events will be happening quickly and you need this time to test your preparations. By trying this plan, you will see if you need to get anything else while you still can buy something.

Remember that your spiritual preparations are just as important as your physical ones."

Friday, August 18, 2017:
Jesus said: "My people, in the beginning I made man and woman, and the husband was to leave his parents, and cleave to his wife, and the two are to be one flesh. This is the love a man and woman should have in marriage, and I am the Third Partner in the sacrament of Matrimony. The promises in marriage are an intended commitment to live together until one should die. Instead of focusing on love, the people in the Gospel asked Me if it was proper to divorce a spouse because Moses allowed it. I told them that Moses allowed it because of their hard hearts. There are certain case allowed if the marriage was improper, as in an annulment. My Church also allows separations without marrying again. It is difficult to continue a marriage if there is physical harm, excessive verbal abuse, or there are cases of infidelity. If a couple truly loves each other, they could work out any differences and remain faithful to their marriage vows. Just as you love Me, a couple should keep their love as a commitment to one another. A proper marriage is the place to have children and sexual unions. All relations outside of marriage, as fornication, adultery, and homosexual unions are mortal sins, and they require Confession before receiving Me worthily in Holy Communion. Your society is in an evil way because of your abuses against My Commandments. Seek the forgiveness of your sins, and live a proper life in loving Me, your spouse, and your neighbor."
Jesus said: "My son, I have been preparing you for the coming events for your refuge. You still need to get more propane for your propane generator to run. You also need to cut up your wood so it will fit in your fireplace. After you take care of your driveway and fertilizer, you need to finish up your winter preparations. Your outhouse also needs a means to move over to a future hole, so it is ready to use. There will be a lot of maintenance needed to keep your refuge viable. Be prepared for these coming times, but your people and My angels will help you in your needs."

Saturday, August 19, 2017: (Jeanne Marie Bello 2nd anniversary)
Jeanne Marie said: “I am happy to see Al and all of my friends come to the Mass of my intention. I love Al so much, and I am satisfied with all he has done around the house. Tell Al how I am watching over all he does, and he better do all the things I taught him. Thank all of you for coming to my church. You could feel my strong presence among you. John and Carol were my trusted friends, and thank you for your prayer group that allowed Al and I to meet. I will be praying for all of you, and I am waiting to see all of you in heaven.”
(4:00 p.m. Mass) Jesus said: “My people, today’s Gospel is a little hard to understand because I was called to be the Messiah for the Jewish people. A Canaanite woman came up to Me so I could heal her daughter from a demon. I did not answer her at first because she was a Gentile. Later, I told her that I was sent to heal the lost sheep of Israel. After she pleaded more, I told her that it is not right to take the children’s bread and give it to the dogs. But the woman said that even the dogs eat the scraps from their master’s table. Because of the woman’s faith, I healed her daughter from the demon. Later, in My newly formed Church with St. Paul, even the Gentiles were accepted. You can see how I came to save all sinners, and not just the Jews. My mission was made clear after My Resurrection when I told My apostles to go out to all the nations, and tell the Good News. This is also My call to all of My followers, to go out and share your faith with everyone.”
Jesus said: “My people, you were reading about how the Israelites complained to Moses how it was hard to survive in the desert. They even asked Moses why he led them out into the desert when they had bread and meat in Egypt. How quickly they forgot about how they were freed from the slavery of the Egyptians. My faithful will be suffering as well at My refuges when you will be limited to one space, and you will be living independently from all of today’s comforts. Enjoy your comforts now, because living with many people in one place may test your endurance. You will appreciate the trials of the Israelites who had to live in tents in the desert with little food and water. So in the tribulation you will be thankful for My protection from the evil ones, and I will multiply your food, water, and fuels.”

Monday, August 21, 2017: (St. Pius X)
Jesus said: “My people, today you are honoring St. Pius X, and according to Church history he issued a decree in 1910 that the age for receiving Holy Communion was changed from twelve to seven at the age of reason. He also encouraged Confession before Holy Communion, and he stood up against modernism and relativism. In the Gospel I told the man all the Commandments to follow. These Commandments are a good preparation for going to Confession. I also told the man to share his money with the poor, but he went away sad because he had many possessions. My people also need to share your money with the poor, and share your faith with everyone. By doing so, you will store up treasure in heaven.”
Jesus said: “My people, you have heard your President change the rules of engagement without telling the terrorists how and when he will attack them. With a long drawn out war, it is hard to say what a victory would look like. Your President is focused on beating the terrorists without dictating a war. He is letting his generals fight his battles. Your President is trying to get support from your politicians and those countries involved. His plans may be addressing a difficult situation, but you may get more deeply involved with more wars, and larger wars. It is hard to have peace with Islamic terrorists who want to kill you. In time you will see if any strategy could shift the winning of the war. Wars are always destructive with a loss of lives. Keep praying for a peaceful solution to these ongoing wars.”

Tuesday, August 22, 2017: (Queenship of the Blessed Virgin Mary)
The Blessed Mother said: “My dear children, in today’s Gospel it spoke of my Annunciation when I gave my ‘fiat’ acceptance to God to be His mother. In a similar way I am calling all of my children to give their will over to my Son, Jesus, so they can consecrate everything over to Him. You all try to carry out His message of love in all that you do for Him. I am blessing your publisher, Queenship Publishing, for all that they are doing in my honor and for the glory of God. You just saw an eclipse of the sun by the moon, and you can see how close this came to my feast day. I am the Blessed Virgin dressed in the sun as in the Book of Revelation, and expressed in the miracle on Juan Diego’s tilma in

Guadalupe, Mexico. This eclipse is a sign of my triumph that will join with my Son's victory over Satan when I will crush his head."
Jesus said: "My son, I have been urging you to finish up your preparations for your refuge, and especially your winter preparations. You are seeing how the one world people are trying to purposely cause race riots over nothing but statues. They also are trying to block health plans, tax reform, and infrastructure solutions so your President cannot succeed in his office. Your party in power is not coming together, when important issues need to be passed by your Congress. I have mentioned before that if there is no success passing legislation, then the current party may lose its control when the people see no action. Be prepared for more false flag events that are meant to overthrow your President. If martial law does result, then My faithful will need to come to My refuges for your protection."

Wednesday, August 23, 2017: (St. Rose of Lima)
Jesus said: "My people, I call all of My faithful to go out and work in My vineyard. During your lives you need to find jobs so you can support yourself and your family. It is not easy to toil day after day at your job, and put up with any inconveniences to keep your job. You appreciate your employers who keep paying you for your work week after week. Your jobs give you an opportunity to be creative in coming up with new products to help people. You may work to help charities in your spare time. In a spiritual sense I give everyone an equal opportunity to gain heaven, even if they are converted in the last hours of their lives. This is My true generosity to give people the grace to save their souls from hell, and to be with Me in heaven."
Jesus said: "My people, I told you that Satan's time is running out, so he is making one last push to get the world under the control of the Antichrist. I will allow him to go only so far, so My faithful are protected. Your President has

tried to stem the tide of evil from the one world people. He is fighting even NAFTA and the North American Union. This is why you are seeing so many attacks on your President, as the evil ones are trying to cause a martial law takeover to stop your President. You will be seeing natural disasters and more severe wars as part of a world takeover by the Antichrist. I have been warning My refuge builders to finish up their projects, because you are seeing signs of a coming takeover. You have seen communist takeovers before, and these evil ones are poised to take you over. Once your lives are in danger I will warn My people to leave for My refuges. Before the Antichrist comes into power, I will send My Warning to all sinners, to give them one last chance to convert their lives to My ways. Be ready to leave for My refuges when I give you My sign."

Thursday, August 24, 2017: (St. Bartholomew)
Jesus said: "My people, I am showing you a vision of the earth from space, and you are seeing it as a dark globe without light, because a shadow of evil has come over it. You are about to see the evil ones take control of the earth for a short time, under the reign of the Antichrist and the one world evil people. You will be seeing more natural disasters, wars, and governments taken over. This shade of evil will endure throughout the tribulation. This is why many people, as refuge builders, have been rushed to finish their preparations. When your lives are in danger, I will call you to My refuges. At the end of the tribulation, I will bring My Comet of Chastisement that will kill people, and cause the three days of darkness. The evil ones will be cast into hell, but My faithful will be raised up to protect them from this destruction. I will then recreate the earth, and it will be under My white Light again, as I will bring My faithful down into My Era of Peace."
Prayer Group:
Jesus said: "My people, you are seeing the strongest hurricane to strike your country in over ten years. You have many oil rigs and refineries in this area. You could see major flooding that could kill some people and cause great damage. It will take a while for your refineries to recover. Pray for the victims who could be harmed or killed in this storm. You may want to contribute to help any homeless people."
Jesus said: "My son, you have done well in fulfilling My suggestions for your

refuge. You just purchased some propane tanks for your generator, and you repurchased two carbon monoxide meters that were lost. Your prayer member helped you in cutting up your wood, so it would fit in your fireplace. You also put some finishing touches on the inside of your outhouse. You may need to buy another chainsaw for cutting up any wood for your fireplace in the future. Trust in Me and My angels to multiply your food, water, and fuels."
Jesus said: "My people, I am happy that you are going forward with your plans for a practice overnight trial to see how you could adapt to refuge living. You will try to use your stored water, food, and your bedding supplies. Living together in a group will take some getting used to, but you can trust Me that you will have all that you need to survive. Keep in mind in the tribulation, that My angels will be protecting you from the evil ones with a shield of invisibility. You will be praying in front of your monstrance, without the Host for now, around the clock. Keep close to Me in your daily prayers."
Jesus said: "My people, the one world people have had their plans of a United States takeover thwarted by your current President's actions. The one world people wanted to form the North American Union between Canada, the United States, and Mexico. This is why they are doing everything to overthrow your President. You are actually seeing an almost communist style revolution against your government. Many of the paid radicals are causing riots in your streets. You may be on the edge of a civil war or martial law. Once you are taken over, the Antichrist will soon declare himself, and you will need to seek the safety of My refuges."
Jesus said: "My people, part of a punishment that will come upon your country, will be a collapse of your leadership when all of your leaders will be captured or assassinated by the one world people and their minions. It will be at that time that the North American Union will be brought about. After the Warning, you will need to seek out My refuges to protect your lives and souls from the evil ones. I will shorten the Antichrist's reign, and I will bring all of My faithful into My Era of Peace. Do not fear the evil ones because their reign will be brief."
Jesus said: "My people, after My Warning, you will see several events that will lead up to the Antichrist coming into power. One of these events will be a division of My Church into a schismatic church and My faithful remnant. It will be the faithful remnant that will be protected from the gates of hell. My faithful will leave the schismatic churches, and you will be protected in My refuges. Keep close to Me in your prayers and home Masses where I will be with you always. Trust in My angel protection during the tribulation, and you will be

saved for My Era of Peace and entry into heaven."
Jesus said: "My faithful people, do not be afraid of the evil ones in this coming tribulation of the Antichrist. Evil may appear to be winning in some ways, but the Holy Spirit and I will be giving you the graces to endure the coming trials. There may be some martyrs for the faith, but My faithful will be given the courage as My apostles had in order for My Church to survive. Trust in Me because I will bring My victory over Satan, the Antichrist, and all the demons and evil people. The evil ones will be separated into hell, and My faithful will see My Era of Peace, and heaven later. I am with you at all times, so have no fear."

Friday, August 25, 2017: (St. Louis)
Jesus said: "My people, you are about to see the devastation of the Texas shore from high winds, rain, and storm surge waves. The people in this area have not seen such flooding in a long time, and many have had to prepare quickly. The people in vulnerable areas need to evacuate quickly. If people heed the warnings of your weather people, you could see fewer lives lost. These people need your prayers, and they will need some financial help to restore any damage. You have seen what water damage has done to your shores on Lake Ontario, but this coming storm will continue for days. Flooding and wind damage will be the worst. This will be one of the big natural disasters that I warned you about."
Jesus said: "My people, you are seeing two incidents portrayed by a clock. In the first scene you are seeing the minute hand and the hour hand rotating around at a fast pace. This represents your Warning experience and how fast time is passing by. As you look close at a time line of your life, you will see every action you did during every year of your life. At the end of your life review, you will see how you would be judged, as if you were to die today. You will be placed back into your body in time, and you will be given another chance to improve your life, as you learned from your mistakes. In the second scene you are seeing the clock move slowly to twelve o'clock. This is a sign that you will see a war, and the tribulation that is about to start as the Antichrist declares himself. I call on My faithful to have no fear, and be prepared to come to My refuge for your safe haven. The Antichrist will have a short reign before I will bring My victory over all of the evil ones, who will be cast into hell. Those people, who are faithful to

My Word, will receive their reward in My Era of Peace and later in heaven."

Saturday, August 26, 2017:
Jesus said: "My people, you have prided yourself with all kinds of rich buildings without much concern for natural disasters that occur in this area along your coastlines. You have many refineries and deep water oil rigs where you know historically that hurricanes come in there in the Gulf of Mexico. You have become complacent with your storm preparations, because you have not seen any major hurricanes recently. Because of your pride and complacency, you could be seeing some serious damage and loss of life with this latest hurricane. You have made some changes to prepare, but you were not ready for a 130 mph hurricane on the Texas shore. You are praying for these people in your storm prayer, and your government may have to help with the flood damage. Even donations may be encouraged to help those people who lost their homes. This storm could be a shared punishment, if your gas supplies are threatened for any length of time. Let this be a lesson for all of your Southern coastlines that could be struck by such a storm. You could see more such natural disasters in the future. Trust in Me to help you through your daily trials."
Jesus said: "My son, I could see you trying out your new chainsaw, once you charged the batteries and put oil in it. You also were getting your new generator ready for running with your propane tanks. You have also ordered some more food cans when you saw how one of your cans only fed thirteen people. You need to be able to use all three kinds of your food to have a variety. Having a large kettle of soup may be easy for serving people. You may have to limit yourselves to two meals a day so your food will last longer. You also need to limit your water usage for the same reason. You will be planning how to use your cots and beds for when people have to sleep. You may want to get twenty wind-up flashlights so people could move around at night. Trying to supply enough water and food will be a challenge, so you need to have Me multiply your food, water, and fuels for your survival. Trust in Me and I will provide for your needs. You could also survive with even just receiving daily Holy Communion as some of My saints have done in the past. Do not worry, because you will have enough of what you need to survive."

Jesus said: “My people, you are seeing many events going on around you, as this current Hurricane Harvey. I told you that you would be seeing serious natural disasters, and struggles in various countries, along with threats of wars. The vision today relates to the swirling events of your lives, that you will see in your individual Warning experiences. The vision of dirt means that you will see great changes in the earth that will occur when I recreate the earth as it was in Adam’s time. You are living in the end times, and My Warning will come before the events leading up to the Antichrist’s declaration. Not long after the Warning, I will call My faithful to My refuges. It is good that you are practicing with an overnight stay with your water and stored foods. You will need to assign jobs, prepare bedding, prepare meals, and plan your prayers and Adoration hours. I will be giving you messages to help calm your people in the time of tribulation. I will be sending you to various refuges in bi-location, as you have seen some people experience. You will learn a lot of what is needed by making this effort to experience refuge life. Trust in My angel protection, and My multiplication of what you will need.”

Monday, August 28, 2017: (St. Augustine)
Jesus said: “My people, I am showing you in all of My glory, much like I showed Myself to My apostles at the Transfiguration, before My crucifixion and the persecution of Christians. You are about to see another time when all of My faithful will be persecuted for believing in My Name. At first the evil ones will attack the priests and religious, and all those people who openly profess My Word. All of your prayer groups will need to be conducted in the secrecy of your homes. This means the evil ones will close all the public churches of worship. It will be nearly impossible to go out and give your talks, or you will be placed in prison. Your website will be closed down, and you will need to stay at the safety of your refuge. This persecution will also signify the time of My coming Warning experience. Trust in Me that I will protect My faithful at My refuges.”
Jesus said: “My son, before you consecrated your chapel, you saw an attack of

Beelzebub with thousands of flies. Once you got rid of the flies, you had your priest friend exorcise any remaining evil influence. You have had a few problems that could have been the evil one trying to upset your peace. You are being protected by My angels from any natural disasters, as you survived your heavy winds without any damage. You also need to pray that no evil is brought in on people who come into your refuge. You are praying daily as you have followed My directions. Praying before My monstrance and your Adoration DVD is needed, especially during the tribulation to protect your souls from any evil influence. I told you that your chapel is holy ground, as you have seen several miracles on your walls. Continue to follow all of My recommendations for what you will need for your refuge. Your time for making preparations is almost over, and then you will have to rely on My angels and My multiplications. Keep praying for My protection from the evil ones."

Tuesday, August 29, 2017:
Jesus said: "My people, in today's Gospel I chastised the Scribes and Pharisees for being hypocrites and blind guides. I told the people to listen to their words about My law, but do not follow their actions. I made the outside of your body and the inside of your soul. Many times the Pharisees did things for show, but the intentions in their hearts were just the opposite. So be humble in your actions, and sincere in the intentions in your heart. If you are fasting, do not tell people, but keep it to yourself, and My Father will reward you. When you greet people in love, do not talk about them behind their back. You need to love everyone all the time, even if they mistreat you. You also need to be willing to share your wealth and your faith with people. It is not easy to live a good Christian life, because you will be criticized for believing in My Name. When you follow My ways, they are not like man's ways. So continue to follow My commands to love Me and love your neighbor as yourself."
(5:00 p.m. Mass) (Passion of St. John the Baptist) Jesus said: "My people, in today's Gospel you read how Herod had St. John the Baptist beheaded by an executioner to satisfy his wife's daughter's request, because of Herod's oath in front of his guests. Even in your world today you are seeing jihadists beheading Christians, because they feel justified to kill infidels. These are brutal killings that are never justified in My eyes. You see these killings in Arab countries now,

but during the tribulation, there will be demon led people who want to kill all the people who believe in Me. When you read Chapter 20 in the Book of Revelation, you are reading about those people who will be beheaded for My sake as martyrs. They will be raised up from the dead, and they will join My people in My Era of Peace. So do not have any fear of these evil ones, because even My martyrs will be raised up from the dead during the tribulation."

Wednesday, August 30, 2017:
Jesus said: "My people, I could hear some of your people speak of the floods in Texas as in Biblical proportions. One place had over fifty inches of rain which set a national record for four days of rain from a hurricane. This slow moving Hurricane Harvey has brought destruction over a huge area of Texas that will take a long time to clean up. This event has definitely got everyone's attention, but not everyone understands this event as a punishment for the sins of your country. There will be lasting effects of this storm, similar to the destruction in New Orleans years ago. The difference is that there were a lot fewer deaths in Texas than with Hurricane Katrina in New Orleans. Your storm warnings were able to allow people to reach higher ground, but many did not leave soon enough. You are seeing many acts of kindness with neighbors helping each other to reach shelters. My refuge builders will also be helping My faithful to reach places of safe havens, and My angels will be protecting you from the evil ones. As you see the flood problems, you will see worse persecution from evil people. Trust in My help to overcome your problems, and supply your needs."
Jesus said: "My son, I understand your concern to practice moving your outhouse, and possibly seeking other sources of water. You have prepared to lift your outhouse onto your new platform truck. You will see if your plans are successful. You have stored a large number of 55 gallon barrels of water, but you are seeing how much water you drink and use for washing. You will have some water for sponge baths, but not enough for showers. You will use your individual pails with a small amount of water for washing and brushing your teeth. You need to look into acquiring other sources of water, even if it is for only wash water. I will multiply your water, food, and fuels, but you need to have faith that I can do this for you. You will need your little wind-up flashlights for light, as well as your oil lamps, especially if you need to go to the bathroom in the dark

of night. In the winter you will be concerned with burning your wood, and using your kerosene. You may need your new saw to cut up any available wood. You could use your generator for some electricity, and to recharge your saw and solar batteries. Trust in Me to help all of you to survive the coming tribulation."

Thursday, August 31, 2017:
Jesus said: "My people, in today's Gospel from St. Matthew (24:44-45) you have: 'Therefore you also must be ready, because at an hour that you do not expect, the Son of Man will come. Who dost thou think, is the faithful and prudent servant whom his master has set over his household to give them their food in due time?' This Gospel is encouraging you to be watchful for the signs of the end times. I am also warning you to be ready for the coming tribulation of the Antichrist. My coming will occur at the end of the tribulation time. It is during the tribulation that I will be having your guardian angels lead you to My places of safety at My refuges. I have asked My refuge builders to store some food, water, and fuels. I will multiply what you have so many people will be able to survive during this time of evil. My angels will protect you with a shield of invisibility. This reading is very timely for your practice run in feeding your people from your stored food. Refuge life will have more time for prayer, because it will seem like an extended retreat time. All of you will be responsible for preparing meals, helping with the bedding to sleep at night, washing yourselves with proper hygiene, washing clothes, and providing water and fuels for heating in the winter. You will be assigned your hour of Adoration that will run all the hours of day and night. Your preparations will not be in vain, meaning that you will need to use them at the proper time after My Warning experience. Trust in My protection, and have faith in My multiplication of the things that you will need to survive."
Prayer Group:
Jesus said: "My people, you have seen reports of some deaths and over 100,000 homes that were destroyed in Texas. You are still seeing many rescues from flooded homes. The rivers and bayous still are rising in some areas. You have also seen some refineries closed as gas prices will be rising for a while. Many are forecasting over one hundred billion dollars of damage. You also are seeing huge losses for those people without flood insurance. Your government will

donate flood aid, but it may not completely restore people's homes and cars. Keep praying that no more people will die from this hurricane. Pray also that the people will find shelter, food, and water for their survival. You may want to donate to some authentic aid groups to help these victims."
Jesus said: "My son, you are about to test your people with an overnight stay in a refuge practice run. You have laid out some cots, and you will be using your dehydrated food and MREs for your food. You also are planning how to move your outhouse, and you are looking into obtaining more water sources. You have more food that will be coming in a week. With this experience, you may learn of any more needs that you may have to buy so you are fully ready to receive My faithful people. Remember that I will finish any projects that you may not get done, and I will multiply your food, water, and fuels."
Jesus said: "My people, you can see how fresh water was one of the most needed items for the people to survive. Having a secure place to sleep is another need that My angels will help you with. If you need to expand your living accommodations for more people, My angels will provide for your building. Food also is another need for your flood victims. By seeing other people's needs, you can see what you will need. Trust Me that I will tell you whatever other projects that you will need."
Jesus said: "My people, you have seen abortions, euthanasia, homosexual marriages, adulteries, fornications, and many other mortal sins as pornography and prostitution. It is because of your many mortal sins that you are seeing My punishments come upon your people. You still could see more hurricanes and possible earthquakes to test your people. You also are seeing continuing wars that could get worse. Pray for your people to convert their lives before My Warning will try your souls."
Jesus said: "My people, you have a dictator in North Korea who is threatening to bomb your country and your allies as he is seeking recognition as a nuclear power for his own fame. As each side tries to outdo the other, you could see a possible EMP attack from North Korea. You have some anti-missile defenses, but war can only make your world a more dangerous place to live. Pray to stop any war that could kill a lot of people."
Jesus said: "My people, soon your students will be returning to school and college. Every year the tuition and board are increasing, and it is getting harder to finance a college education. Some states are trying to pay tuition for your state schools. Taxpayers are supporting more ways to educate your children and young adults. You need to pray for your students and teachers to be successful in

their studies to gain a good education."
Jesus said: "My people, I appreciate all those people who have given of their time and physical effort to help build My refuges. All of My refuges could use some physical labor in completing the refuge building that is needed. Some refuge builders have sufficient funds, but physical labor could be most useful. My refuge builders should not be embarrassed to ask for help when they need it. Time is getting close to end all of your projects. After your completion, My angels will need to finish any remaining projects. Trust in Me to help all of your refuges to succeed in helping My faithful in their needs."

Friday, September 1, 2017: (First Friday)
Jesus said: "My people, in today's Gospel you are seeing another message to be watchful and be prepared for the tribulation that is about to come. You are familiar with the parable about the five wise virgins and the five foolish virgins who were waiting for the Groom at a wedding feast. The five wise virgins prepared their oil lamps by buying extra oil. The five foolish virgins did not buy extra oil, and they were locked out of the feast when they went to buy the oil. This is similar to your practice refuge run when you filled your lamps with enough oil for light at night. The main message of America's natural disasters is to 'Repent' of your sins. You are being punished for your sins, because you are not converting your lives to following My Commandments. You have seen how the people of Noah's time suffered the flood, and the people of Sodom were punished by fire and brimstone. I will allow the Antichrist to punish the world with a brief tribulation, while I protect My people at My refuges. This is why I wanted My prayer groups to have a practice run to see what your refuge life would be like. Have no fear of this time, because I will not leave you orphans, but My angels will protect you, and I will multiply what you need."
Jesus said: "My people, I want you to have someone signed up for each hour of the day and night, because you will have My consecrated Host with you in My monstrance during the tribulation. You will also receive Holy Communion, every day from a priest or My angels. I will be Present with you all of the time in My Host. Where you have My Presence, you will also have the Holy Spirit and God the Father. The flames of your candles and oil lamps represent the power of the Holy Spirit, and He will be strengthening you with His gifts. During your

tribulation time, you will be praying more, and learning how to live together as a Christian family. I will be helping you by multiplying your food, water, and fuels. You are seeing the events around you that could easily lead into a martial law. Some people may criticize you for your preparations, but when you lose your electricity, you will be like the wise virgins who prepared for the coming of the Groom in Me. Pray for the souls who need to be saved, especially those souls in your own family."

Saturday, September 2, 2017:
Jesus said: "My people, you have heard the expression of the Promised Land being a place of milk and honey to describe a place of plenty. My people, when you are at My refuges, you will be thankful to have any food, let alone if it is to your liking. You are seeing which foods work best for breakfast, lunch, and dinner. You are even seeing how to make bread in your propane oven. You had some trouble trying to safely move your outhouse, so you will need some professional movers, and see what kind of equipment for jacking it up on wheels that you would need. You also should further investigate how to have a well drilled for your wash water. Many of your problems should be listed so you have better lights for the night. Trust in Me that this experience was useful to see your needs."
Jesus said: "My people, you have many scenes of destruction from Hurricane Harvey in your memory, and you can imagine how difficult it will be for your people in Texas to recover from such a loss of homes and cars. This is the first major storm to hit your mainland in a long time. This is not the end of the destruction that will befall your nation. You are at the peak of your hurricane season and more storms are on the way. Your government has been restrained from making much progress in any of your legislation. Your agenda will be changed to one of restoration from all of your destruction. With all of your ongoing problems, you may be facing some activists or terrorists who could be causing further destruction. They will be taking advantage of the divisions between races, immigrants, and liberals vs conservatives. Because many people are not coming to Me in prayer and love, they are choosing man's ways which are sinful lifestyles. All of the destruction that I have shown you, is the

punishment that your people are reaping from your lives of mortal sin. You will first be tested by My Warning experience. Then you will endure an evil that you have yet to see, when My faithful will be grateful to have My refuge for their protection and survival. You will be happy to have any food when you may be faced with starvation. You will be living a modern day Exodus, and you will be facing a trial of faith in how I will provide for you. Thank Me for all that I do for you every day."

Sunday, September 3, 2017:
Jesus said: "My people, you have just learned of how the North Korean leader has directed a test of a hydrogen bomb which caused a 6.4 earthquake. They now have the capability of delivering such destruction with their ballistic missile tests. If a conventional war breaks out in Korea, it would be difficult to use nuclear weapons to stop the North Korean soldiers, or they could retaliate against America. This capability could embolden North Korea to attack South Korea, or they could strike first against Japan or America with EMP high elevation atomic weapons. EMP attacks would devastate all of your electric grid, and there would be more deaths by starvation. Keep praying that war does not start, because millions of people could die if nuclear weapons were used. Keep praying your reparation Masses for the souls that could die suddenly, because they are not prepared for their judgment."
Jesus said: "My people, in the Exodus, Moses had to deal with complaining people who had to have faith in Me to give them water, manna, and quail for meat. My people of the modern day Exodus will also have to have faith in Me at My refuges to supply water, food, shelter, and heat in the winter. I thank your prayer group for being faithful to all of your plans to use your stored food, and no lights using electricity. The food was acceptable, and you used your cots for sleeping, and your wind-up flashlights to see your way at night. You even baked some bread in your propane oven. You used your buckets and wash water from your bathtubs. You were fortunate to have summer weather without any heating. If you want to be prepared for the rest of the year, you could plan another practice run during the winter, if time permits and people are available. A winter practice run will test how you could endure the cold with your wood burning stove, your kerosene burners, and your electric heater when you have electricity

from your solar panels, or your propane generator. This will require that you use all of your preparations. You will have to trust in Me in prayer to multiply your water, food, and fuels during the whole tribulation."

Monday, September 4, 2017: (Labor Day)

Jesus said: "My people, you had a discussion about when I would take people up into the air. Some people believe that they will be taken up before the tribulation, and they would not suffer the trial of the Antichrist. I have given messages before that I will send My Comet of Chastisement at the end of the tribulation. This will be My victory over Satan and the Antichrist, and all of the evil ones who will be cast into hell at that time. In order to protect My faithful from being killed by this comet, I will raise up My faithful into the air, and you will still be alive. This taking of people up into the air will be at the end of the tribulation. This is described in today's reading: (1Thes 4:17) 'Then we who live, who survive, shall be caught up together with them (raised dead) in the clouds to meet the Lord in the air, and so we shall ever be with the Lord.' This rising up is also spoken of in (Matt. 24:37-41) 'And as it was in the days of Noah, even so will be the coming of the Son of Man….Then two men will be in the field; one will be taken, and one will be left. Two women will be grinding at the millstone; one will be taken, and one will be left.' In both of these readings the live people will be taken up at the end of the tribulation. After the evil ones are removed, I will recreate the earth, and I will bring My faithful down into My Era of Peace. At the end of this era, you will have the last judgment, and My faithful will be brought into heaven for all eternity."

Jesus said: "My people, your hurricane season is continuing to form major hurricanes that will cause more destruction to your cities in America. Your southern coast of Florida is in line for the next attack. America is being punished for its many sins with a constant barrage of natural disasters that includes earthquakes. Many of your sins are bringing these punishments upon you. It is the HAARP machine that is being used to enhance and strengthen these storms. Many of your coastal cities are not prepared for the coming devastation, nor are the souls prepared. Pray for the victims' souls, and for the reparation of their sins."

Tuesday, September 5, 2017:
Jesus said: “My people, I have shown you earthquakes before on the San Andreas Fault and on the New Madrid Fault. Even some of your fracking is causing earthquakes in Oklahoma, and you had some serious earthquakes in Idaho recently. This latest vision is showing you some skyscrapers falling over in a city from an earthquake. You are seeing disasters from your hurricanes, but even more disasters will be coming in America from earthquakes. These disasters are a result of your mortal sins, but your people are not seeing the connection between your punishments and your sins. Your country needs more than just a day of prayer. You need to change your sinful lifestyles, or you will see even further destruction. America needs to repent now for its sins, or suffer the consequences.”
Jesus said: “My son, your first attempt at trying to load your outhouse onto your metal cart was too dangerous to keep it from falling over. In the vision you are seeing round fence posts used to move the outhouse. By moving one post in front of the other, you will be able to move it gradually to where you want it. You may have had a shed mule move it, but it would be expensive, and there were no ridges for the back wheels. You will need a good number of men to hold your outhouse from tipping over with some ropes or cords. They will have to push it over the posts. You can make the posts work at any time, by storing them for when you need them again. Your other project is to move ahead with getting a water well dug. This could provide your extra wash water. You could see in your practice run how much water you used every day. You need to get both projects done before the snow comes. Continue to call on My help to get these projects done in a timely manner. Providing for your refuge takes time and effort, and I thank you for helping the people who will come to your refuge.”

Wednesday, September 6, 2017:
Jesus said: “My people, I healed many people as you read in the Gospel, and I also exorcized the demons out of people as well. You read how I rebuked the evil spirits not to reveal that I was the Holy One of God. You also have evil spirits in

people in your day, and you are seeing the evil around you in addictions, killings, abortions, and wars. There is so much evil in your lifestyles of fornication, adultery, and homosexual marriages. You even are hearing more about transgender people. You also have many divorces, pornography, and occult influences. With all of this evil around you, now you are understanding why so many punishments of natural disasters are falling on your people. You can use your weapons of the rosary, blessed salt, holy water, and the long form of the St. Michael prayer to help in deliverance for people who are possessed or influenced by evil. America needs to wake up and repent of its sins. If you refuse to change your lives to following My Commandments, then you will continue to call down My wrath upon you. I love you, but these disasters may wake you up and repent. I have given many messages to change your ways, but because you refuse to listen to My Word, you will suffer the consequences."
Jesus said: "My son, you have followed your friend's advice, and you bought and delivered ten 4 inch diameter 8 foot long round fence posts so you could roll your heavy outhouse over these posts. Now you need a plan when to move it further into the back part of your yard. You also will need cords to pull it and keep it from tipping over. Your second project is to see if someone could drill a water well. This water would be mainly for washing. I will multiply your fresh water, but this will serve as a backup if more people come to your refuge. Remember that you need to get working on these projects, so they can be finished before the snow comes. I have encouraged all of My refuge builders to get their projects done as quickly as possible because time is getting close for severe events that could allow a takeover of your country. My refuges are meant to provide your protection with My angels, and all that you will need to survive the tribulation. In certain cases where projects were not completed, I will have My angels finish your projects for your survival. Trust in Me to provide your water, food, shelter, and fuels for your needs."

Thursday, September 7, 2017:
Jesus said: "My people, this latest Hurricane Irma is one of the most severe hurricanes to come up in the Atlantic Ocean. My son, you have a sense of dread for all the people who could be killed, or lose their homes in this storm. This storm is bearing down on Florida and the islands. Many parts of Florida are not

much above sea level, so a storm surge could be devastating. Your people have been warned to leave, and many have evacuated. Those people, who do not leave or prepare, are in danger of being killed. Pray that those people will find a way to survive, and pray for the souls of those people who may die suddenly. You have been praying for souls dying in disasters at your reparation Masses, so keep praying these Masses. I keep reminding your people that these natural disasters do happen naturally, but their extra severity is a punishment for your sins. Your people need to change their sinful lifestyles to save their souls. Let My Word of warning reach out to all souls in mortal sin to repent while they still have time."
Prayer Group:
Jesus said: "My people, only a few weeks ago you were preparing for Hurricane Harvey that caused tremendous flooding in Texas, especially around Houston. Now, you are preparing for Hurricane Irma that is headed for Florida. You have already seen damage to the Carribean Islands with some deaths. Many have evacuated Florida, but those who remain, will be challenged with a surge of water, high winds, and plenty of rain. You need to pray for all the people who will be affected by this hurricane. Pray for their souls as well."
Jesus said: "My son, I am glad that you are moving ahead with having a water well dug in your backyard. You have a plumber coming to put a device on your water input to prevent any other water source from backing up into your line. You do not need a permit, so you can soon have someone dig a water well for you. This well will provide the wash water that you will need for the people who come to your refuge. By getting this project done soon, you can have it done before the snow comes."
Jesus said: "My son, you have taken advantage of a sale on buying some more dehydrated food. This replaced some of the food that you used in your practice refuge run. You also realized how well your wind-up flashlights worked, as well as your battery powered lanterns. You are seeing a need to buy more of these lights, and others are voicing a desire to order these lights as well. By having these lights available, your people will have light to get around in the dark of night. After your practice run, you are making some improvements to help people who come to your refuge. Trust in Me to help you with all of your needs and to finish your projects."
Jesus said: "My people, you were surprised when your President reached out to the Democrats to help pass legislation for hurricane recovery funds and an increase in the National Debt Limit for three months. Your President is now reaching out to both parties to get something done that is needed before your

funds run out. This took his party by surprise, but it is a wake-up call because they have not passed any meaningful legislation. Such bi-partisan agreements are going to be needed for tax reform and other legislation. Pray for your lawmakers to do the right thing which is needed by your people."
Jesus said: "My people, you have seen an impasse in this latest threat from North Korea. If North Korea starts a war, you could see a severe conflict that could take many lives whether with a conventional war or a nuclear war. You also could see a possible EMP attack on America that would cause worse problems than your hurricanes. Pray that a war does not start, but be ready for any consequences of a war with North Korea."
Jesus said: "My people, you are seeing hurricane damage, fires, and threats of war all going on at the same time. Many people are being dislocated from their homes, and you are seeing continuing earthquakes in Idaho. Your country is being tested as a punishment for your sins. You saw people coming back to church after your Twin Towers attack, but then they returned to their old ways. If your country does not change its evil ways, I will bring you to your knees with My punishments that you are seeing. Wake up America, and repent of your sins."
Jesus said: "My people, I am encouraging all of My refuge builders to hurry up and complete all of their projects so you will be ready for the coming tribulation. I am not giving a date, but I have told you that this time is almost here for the Antichrist to declare himself ruler of the earth. This reign of the Antichrist will be brief before I will bring My victory. When your lives are in danger, I will direct My faithful to come to your refuges. I have told you before that you will get to use all of your refuge preparations. This is why I have asked you to do a practice run so you will have all that is needed for your refuge. Trust in My help, and do not be afraid of the evil ones because I will control them so they do not harm you at My refuges."

Friday, September 8, 2017: (Nativity of the Blessed Mother)
Our Blessed Mother said: "My dear children, you have all the people facing Hurricane Irma in your prayers. There are some who will die suddenly, and there will be great damage. Pray for their recovery from this storm. You are celebrating my birth nine months after the feast of my Immaculate Conception

on December 8th. Your country is facing the fallout from two major hurricanes. You are praying for the restoration of these two states of Texas and Florida. Pray also that there are no exploitations of martial law, or other presumptions of power over your people. I call all of my children to pray a rosary for the intentions of these suffering people. You will be seeing more disasters, so be prepared for all the punishments that will be placed on your people for all of their sins. My Son and I love you very much, and we are calling you to repent of your sins, and convert your sinful lifestyles."

Saturday, September 9, 2017: (4:00 p.m. Mass)
Jesus said: "My people, you have seen many signs of a coming war between North Korea, South Korea, and America. I have told you in the end times, you will see wars and rumors of wars. Such a war could easily lead into a world war, but pray that you do not see nuclear weapons used. You have seen another missile launched by North Korea, and rocket launchers for the coming war. Be prepared for this coming war, and pray that you do not see an EMP attack that could ruin your electric grid. Any future war could take many lives, so pray for any souls that will die without proper preparation for their judgments. You are also seeing devastation from all of your hurricanes and more lives will be taken. Pray your Divine Mercy chaplets for those people who will die soon. Your world is going to be in constant chaos from wars, storms, fires, and earthquakes. Keep your souls holy with frequent Confession because you will have your lives threatened in the end times. After My Warning experience and six weeks of conversions, you will soon be called to My refuges. Have no fear, but trust in My angel protection."

Sunday, September 10, 2017:
Jesus said: "My son, I am calling you and My other faithful to defend the faith, and reach out to evangelize souls wherever you are sent. I know you are praying to save all the souls of your family, and you have been persistent in praying for them. You could speak out to warn them that they do not have much time left,

and they need to see My Light and get close to Me before the Warning comes. Today's Gospel of going to help someone who is astray, reminds you of your experience with a priest who mentioned three times in his homily that hell was not eternal. You went back to see why he said this, and he said that God's mercy is greater than hell's punishment. He also said hell would eventually disappear with all the souls. I pointed you to the Catechism of the Catholic Church where it says that hell is eternal, and I told you to show this to the priest. At another time St. Michael the archangel explained to you that before man was created, he placed Satan and the demons into hell for all eternity. You told the priest again and showed him the Catechism quote, but he refused to change his story. You then were told in a message to go to a higher authority, and you reported this heresy to the local bishop of the Church. My faithful need to speak out against all heresies, no matter who says them. You first go to your brother or sister to correct them one on one, and if they refuse to change, then you go to a higher authority in the Church. This is your duty, and you will save your soul for correcting people. If your brother listens and changes his thinking, then you have won him over to save his soul. If he does not convert, then he will answer to My justice, and he could be lost. Pray for him to change so his soul could be saved. This heresy of hell is not eternal, has some great consequences, because there would be no punishment for sin, and there would have been no need for My death to save your souls from your sins. This heresy is serious, and do not ever believe that hell is not eternal, because hell will always be eternal for those judged to hell."

Jesus said: "My people, I am showing you a gambling wheel that you would see in a casino. Be careful not to gamble with your physical life nor your spiritual life. You are risking your physical life if you allow your body to be taken in by any addictions such as: drugs, drinking, pornography, smoking, sports, gambling, computers, cell phones, or television. Many demons control people through addictions, so do not allow the demons to control your lives. You are called to follow My plan for your life, so do not waste a lot of your time on selfish addictions. When you use up your time with too many activities, you do not allow enough time for your prayers, which is your love and communication with your Lord. Do not gamble with your soul either in your spiritual life. You have only one soul and one lifetime, so make the best use of your lives for love of Me, and love of neighbor in your prayers and good deeds. You have free will to choose Me in heaven or reject Me in hell. I desire to save all souls, and I give you every opportunity to be saved by My grace. But it is by your free will that

you choose your final destination. Choose life if you want to be with Me for all eternity. Do not gamble on coming to Me later in life, but come to Me now, because you may not be alive tomorrow."

September 20, 2017

Monday, September 11, 2017:

Jesus said: "My people, the division in My Church will start before the Warning experience comes. I am concerned that many of My faithful could be deceived by a schismatic church that will be teaching heresies and New Age doctrines. My faithful remnant will split away from this schismatic church. When you see heresies about hell is not eternal, or when the priests say you can receive Holy Communion without Confession of sexual sins, then you need to leave that church. When the priest does not use the proper words of Consecration, I will not be present in that Host, and leave that church. You need to have a copy of the Catechism of the Catholic Church by St. John Paul II. This contains all the proper teachings of My Church, so you can discern any heresies being taught in your churches. Eventually, you will not find a proper teaching church, and you will need to come to your homes or prayer groups for a proper Mass from a faithful priest. As the persecution of My faithful endangers your lives, then I will have your guardian angels lead you to My refuges that will be protected by My angels of the refuges. Do not be deceived by clergy who do not teach My proper Word, or who teach heresies, or New Age teachings. My faithful need to be alert to what is taught in the churches. In the end times I will allow the evil ones to take over the churches, but My faithful will be led to My refuges. Trust in Me to be with you in daily Holy Communion at My refuges. This message is to be put out so My faithful are not deceived."

Jesus said: "My people of America, you are witnesses of all the destruction and loss of life in your recent Hurricanes Harvey and Irma. Today, you have the anniversary of your Twin Tower tragedy in New York City where there was much loss of life and destruction of your buildings. The current tragedy came from natural disasters, while the 2001 tragedy came from men's evil actions. In both cases they were directed on you as a form of punishment for all of your sins. They also are calling your country to repent of your sins, and seek My forgiveness. In 2001 your people were frightened and a good number of people returned to church. Once their fear was over in about a month, they returned to

their former ways of sin. You may see this now after your hurricanes. I want My people to come to Me in love all of the time, not just when you are frightened in bad times, but also in good times without any fear. You need to trust in Me all of the time, because you are about to see a great evil that you have never seen before in the tribulation. The demons will test your faith when even some of My elect will reach a breaking point. Fear not, because I will never test you beyond your endurance. I will give you sufficient graces to endure the tribulation, but you must choose by your own free will to remain faithful to My Divine Will. I love all of you, and I wish to save as many souls who will choose to love Me."

Tuesday, September 12, 2017: (Most Holy Name of Mary)

Jesus said: "My people, you have just heard Pope Francis give out a new Canon Law that would allow bishops to make changes in the liturgy of the Mass to go into effect on October 1st. I gave you a message about the same time that said when you see changes made to the words of Consecration, then you need to leave that church. Once the words of Consecration are changed from what I gave My apostles, then I will no longer be Present in that Host and Wine. It is very important to keep this tradition of My words of Consecration. This change will be about the time that you will need to come to home Masses, and eventually Masses at My refuges. These changes are more signs that My Warning is coming soon, and the tribulation will follow after. Put your trust and hope in Me that I will never leave you. You will receive daily Holy Communion at My refuges, and you will adore Me in My Real Presence as well."

Jesus said: "My people, you have been viewing the damage from Hurricane Irma after it passed over the Carribean Islands and Florida. You saw some interviews of people who had lost their homes, but they were determined to clean up and start building another home. Many did not have flood insurance, but they were hoping to get distress home loans from the government, or the banks. It will be difficult to clear all the debris and start over, but the people have determination to find another home. Your churches and many charity organizations are asking for people to donate what they could to help rebuild the lives of the hurricane victims. Pray for these victims that they will be able to return to a normal life."

Wednesday, September 13, 2017: (St. John Chrysostom)
Jesus said: “My people, you are seeing Me separating the goats from the sheep at the first, or particular judgment when you die. The goats represent the evil people who had all that they wanted in this life. The sheep are the people who suffered persecution and abuse in this life for My sake. The evil ones are judged to hell, while the good people are purified in purgatory, and then come to heaven. The last judgment is when My faithful will be resurrected with their glorified bodies in heaven. The evil ones will be joined with their earthly bodies in the resurrection to hell. Strive to love Me and your neighbors while you are living a good Christian life, and you will be rewarded by being with Me in heaven.”
Jesus said: “My people, you are seeing two major addictions that some people are misled by the devil. It is desirable for some to live in comfort for the body, and you know it takes money to live such a life. Some people worship money as a god. They are violating My First Commandment, which states that you are to worship only Me, and you shall have no other gods before Me. There is another addiction to sex when some people are craving to look at pornographic pictures or movies. This has broken up families when such viewing perverts one’s morals. When you see people addicted to money or sex, you need to pray for them, and try to show them that these things are sinful actions against Me and My Commandments. It is better to love Me and their families, than ruin their lives with selfish addictions. Pray deliverance prayers for such addicts to break them free from the demons who are controlling them.”

Thursday, September 14, 2017: (Exultation of the Holy Cross)
Jesus said: “My people, I call on all of My faithful to take up your daily cross and offer up your sufferings, and share them with Me on My cross. You have noticed these last two trips that you have had to suffer some sicknesses for the souls that you would meet. Offer up any trials for the souls of your family and friends on your travels. Call on My grace to strengthen you in your driving and for your talks. I will give you the graces that you need to accomplish your

mission. You do need to take some rest for your trip tomorrow."
Prayer Group:
Jesus said: "My people, your weather people are watching this storm which could still affect your Eastern Coast. With enough prayer this storm could swing out to sea. New England and Canada will be fortunate to avoid this storm. Your country has already taken two hits from this hurricane season. America has not been hit for over ten years, but now you will have a long way to recover from this damage. You have seen the effects on your gas prices, and you will also suffer from higher prices of your fruits. Pray for all the victims of these storms."
Jesus said: "My people, I keep asking you to pray that you do not have a war in Korea. Any war could kill thousands of people. Pray also that you do not see any bomb attacks on your cities. Should North Korea attack America, you could see a massive retaliation from America. The devil is trying to start a war, but your rosaries can overcome this evil action."
Jesus said: "My son, I have asked you to move forward with your plans to have a water well dug so you can have plenty of wash water for your refuge people. You had a plumber install a backflow valve on your water input, so any new water will not contaminate your town water supply. You also have made arrangements to have someone drill a water well in your backyard. You have ordered some battery lanterns, and you have already distributed them to your prayer group tonight. You also have wind-up flashlights coming as well. Thank you for working quickly on your refuge needs. Many people will be thankful for your work."
Jesus said: "My people, your previous President set up your DACA program without help from Congress. Now, your current President is trying to make a better plan that Congress could pass. By reaching out to both parties, your President is trying to break down the gridlock on important legislation. He is more concerned with what the people need, than who will take credit for any passed legislation. Pray for your leaders to continue to pass bills that are needed by your people."
Jesus said: "My people, it would be impossible to raise enough money to repair all the damage from the recent storms. Your military is already reaching out to help by using large equipment and aircraft carriers for the heavy loads. Your neighbors are helping each other to clean debris and rebuild their homes. It is a large recovery project, but government and local businesses are working together to get the recovery on the road. You are seeing how your neighbors are working to help each other to rebuild their homes."

Jesus said: "My people, you are seeing more missiles fired over Japan from North Korea. They are doing everything to provoke a war with Japan and America. It is just a matter of time when you will see a war on the Korean Peninsula. If North Korea sends missiles toward America or its allies, you know that America would respond with a massive attack on North Korea. If nuclear weapons are used, you would truly see the wasteland in your first vision. Keep praying for peace, because war could kill thousands of people."

Saturday, September 16, 2017: (St. Cornelius & St. Cyprian)
Jesus said: "My people, you have heard in today's Gospel how you have good people and evil people. It is by the fruits of a person's actions that you will truly know a person. The strength of a person, both physically and spiritually, is based on one's faith and trust in Me. One man, who does not have faith in Me, will build his house on sand, and he will live by his own will. Another holy man will build his house on rock, as the rock of St. Peter, and he will follow My Will. It is how you prepare the foundation of your life that will allow you to fulfill the mission that I have for you. If you follow My Will, and not your own will, you will have a holy life. You need to base your faith on My Ten Commandments, and My sacrifice on the cross for all sinners. I have given you the Gospels of My evangelists to know how to live your lives of love of God and love of neighbor. By living My Word and performing good works for your neighbor, you will find your reward in heaven. Be humble and prudent in life so your actions and prayers can lead others to Me. Share your faith and evangelize as many souls as you can to know, love, and serve Me."

September 20, 2017

Sunday, September 17, 2017:
Jesus said: “My people, today’s Gospel is all about My infinite love, and My infinite mercy to keep forgiving the repentant sinner. The king forgave his servant his whole debt, when the servant begged him for more time. But that servant did not forgive a much lesser debt from another. In response, the king had the servant put in prison until he paid off the original debt. Every time that you come to Me in Confession, I forgive you many times. The apostles asked Me how many times they should forgive their neighbor, and I answered not seven times, but seventy times seven times, or all of the time. My faithful may have a tendency to limit their love and mercy on people, when it comes to forgiving people. I have asked you to love Me and your neighbor, and even to love your enemies. When you refuse to forgive someone, or hold a grudge against someone, then you will suffer time in purgatory for your unforgiveness. I know you are human, and you may put limits on your love and forgiveness, but I am calling you to imitate My infinite love and My infinite forgiveness. The more you can imitate Me, the closer you will come to your spiritual perfection that will be required for My saints to enter heaven. This is why there is a purgatory, so all souls who enter heaven, will be perfected of all of their imperfections.”
St. Padre Pio said: “My dear children, you are seeing many people taking pictures of my relics. Some people do not truly understand the pain that I suffered every day with my stigmata, which are the five wounds of Jesus Christ. I suffered the most on Good Friday of Holy Week. In the vision you saw pictures that were out of focus, and this is very much like your society of today where people are not fully focused on my Lord. When you receive Jesus in the consecrated Host, or when you adore His Real Presence in the monstrance, you have a taste of heaven, and you need to invite Him more into your lives. It is in quiet contemplation that you can listen to His voice speaking to your heart. If you desire a good love relationship with Jesus, you could receive Him daily at Mass, and visit Him often in Adoration of His Blessed Sacrament. You know how I spent many hours in the confessional hearing the people’s confessions. So I desire that you come to Confession as often as you can.”

September 20, 2017
Monday, September 18, 2017:
Jesus said: “My people, in today’s Gospel you saw the centurion who was

seeking Me to heal his servant. Once he found Me, he asked Me to heal his servant at home, but he told Me I did not have to come to his house. He had faith that I could heal his servant, because he knew I had authority to heal, as he had authority over his soldiers. I was amazed at the centurion's faith, and I healed his servant at that hour. In the vision you are seeing many people travel through life as if they were on a subway train, and they did not take time to pray, or even search that I exist. When parents do not come to Mass on Sunday, it is hard for the children to know about Me, if they are not taught. I am love itself, and I am so loving that I died for all of mankind on the cross so I could save your souls from hell, and bring you to heaven. I created the world and all the people who are in it, but it is sad that many souls do not know Me, or even seek My love. You, who have faith in Me, are being called on to evangelize souls with My love. You first must reach the parents to show them My love, and their real purpose in life is to know, love, and serve Me. Once the parents know My love, only then will you be able to reach the children in your CCD classes or Bible study. If the children do not see love and devotion to Me in prayer at home, it will be hard to help them know that I even exist. Your society is buried in materialism and only survival, but there is more to your spiritual life than this earthly existence. It is your soul's destination that is the most important fact of your life. Listen to My call to faith in loving Me and your neighbor in My Commandments. Love Me in obedience and good deeds, and you will have your reward with Me in heaven."
Jesus said: "My people, back on September 11, 2001 you saw a horrific destruction of your Twin Towers that killed nearly 3,000 people. Where you are, there is a memorial for over thirty people who were killed in this tragedy. Pray for all the souls who were killed, and pray for the stoppage of any future wars, especially in Korea."

Tuesday, September 19, 2017: (St. Januarius)
Jesus said: "My people, you are seeing more destruction and death in the Carribean Islands from Hurricane Maria. Your people need to pray for the victims of these storms, as you are seeing a very active hurricane season with two category five storms now. As the people are seeing the damage from these storms, you can remember other storms that you have encountered in your life. Keep in mind how I calmed the storms miraculously for My apostles, and in

today's Gospel I raised the widow's son back to life. You have called on Me to calm your own storms with the Storm Prayer in your Pieta prayer book. I am a calming force in your lives when you call upon Me to help you. I am always at your side to call on Me for help in enduring your trials. When you have faith in Me, I can heal all of your ills and imperfections. Trust in Me every day, and I will help you to achieve your sainthood in heaven."
Jesus said: "My people, I have told you before that you will be seeing one disaster after another. Today, you are even seeing two disasters at once; a 7.1 earthquake near Mexico City, and Hurricane Maria as it is causing damage to the Caribbean islands. Some disasters are happening in America, but major earthquakes have been occurring in Mexico. They are also receiving punishment for their sins as well. Keep praying for all the souls who are being killed by these natural disasters. Your sins are being reported to Me, and My judgment is being carried out in these disasters. Those people, who say these disasters are not from Me, as a punishment, do not know My workings of justice. These things are not a result of global warming either."

Wednesday, September 20, 2017: (St. Andrew Kim & companions)
Jesus said: "My people, you are seeing people in all kinds of living conditions. As you traveled through some big cities, you saw houses and tall buildings close together. Some poor people were selling things to pedestrians, and the rich were in their penthouses. I am calling people to pick up their crosses in life and carry it in faith for My sake. You have some people who are being persecuted for believing in Me in communist or Arab countries. Even now you are also seeing people suffering from hurricanes that are destroying homes and flooding other homes. You are also seeing people being killed in storms and now earthquakes in Mexico. People are being affected all over America with higher gas and fruit prices. Much of the storm damage will be affecting your overall economy. Pray for people all over the world who are suffering from natural disasters or from

persecution of their faith. These are hard crosses to carry when your homes are lost, or damaged, and people are dying as well."

Thursday, September 21, 2017: (St. Matthew)
Prayer Group:
Jesus said: "My people, you still have some earthly kings, and they rule over their people sometimes with a heavy hand. I am more of a spiritual King, and My rule is all over the universe. I love all of you enough to die to save your souls. I call all of you to love Me and your neighbor. Those people, who follow Me and My Commandments, will have an eternal reward with Me in heaven."
Jesus said: "My people, you have seen severe damage in the Caribbean Islands, especially Puerto Rico. Some lives have been lost as well. Many of these islands are tourist places, but it will be difficult to recover. Texas and Florida are still trying to recover from Hurricanes Harvey and Irma. These hurricanes have caused so much destruction, that it will be difficult to find enough money for the repairs and rebuilding. Pray for the victims' survival, and that they can find a home. Pray for the dead with your Chaplet of Divine Mercy and your St. Michael prayer."
Jesus said: "My people, you are seeing many buildings that collapsed, and buried almost 300 people who died in Mexico. The authorities are still trying to rescue those people who are trapped under the rubble. These people will also need medical attention, food, and water. Two major earthquakes in a short time is testing the endurance of the Mexican people. Pray for these victims, and send any aid that you can afford."
Jesus said: "My people, your people are hurting financially where the hurricanes have destroyed homes and businesses. Your government needs to step forward to offer low interest loans for your small businesses and homeowners to get back into another home. Many military vehicles could help remove the water damaged things. Pray that your people will help each other to get back to normal. Trust in Me that I am looking out for every family to survive."
Jesus said: "My people, you are seeing a war of words going on between your President and the leader of North Korea. My people need to pray hard to avoid any war on the Korean Peninsula. Both sides have demonstrated that they each have nuclear missiles that could endanger the lives of many people if a war

should start. Pray that these leaders will not start a nuclear war that could endanger many lives."
Jesus said: "My people, many people are weeping at the funerals of those people who died in your latest storms. There is another concern that you have had over the last few messages which have seen plots to attempt to assassinate your President. You continue to have evil people who want to take over your country. Your President has stood in the breach to confront the one world people. He has been protected by Me, but eventually the evil ones will have their hour because their time is running out. Continue to pray for the safety of your President because there are many evil forces who want to remove him from power."
Jesus said: "My people, some of your astronomers are noting some great signs in the constellations of the stars for September 23. You saw an eclipse of the sun by the moon as well. These are dire signs of coming problems for the people on earth. You will continue to see natural disasters, but the evil of the coming Antichrist in the tribulation will be an evil that you have yet to see. I will allow a brief reign of the evil one before I will bring My victory over all the evil ones. Have faith in My protection at My refuges, but you will all be tested dearly. Be patient during this trial, because I will soon bring My faithful into My Era of Peace."

Friday, September 22, 2017:
Jesus said: "My people, you heard in the first reading of St. Paul to Timothy how money is the root of all evil. Love of money or a sin of avarice can control people's lives, if they allow it to be a god for them. Some money is needed to pay bills and to buy food for survival. When you desire money for buying things that you do not really need, or you accumulate money as a miser, or for power, then money will control you. In the beginning of the reading, it said that you came into this world without anything, and you will die, and leave this world without your money. There is another problem with money and power, where the rich people try to control people and governments with their wealth. Even money itself is manipulated in debts and interest. In your stock markets there is much greed, and swindling of the stockholders. You have seen how 'debt' money is made up in bonds and currency for control of your country's finances through the bankers 'Federal Reserve'. This is not part of your U.S. Treasury. When you

had ‘free’ money not tied to debts, your country thrived even more. There are evil forces controlling your money, and people kill for money and steal money for their own gain. Trust in Me that I will provide for your needs, and do not worry about needing more money than is necessary.”
Jesus said: “My son, you are asking a difficult question, because I give everyone free will to choose to love Me or not. In the first place the youth of today have many distractions with their electronic devices. They are searching for love and peace from their soul, but they allow their addictions to hold them only at a worldly level. Your soul will only find true peace in Me, but many youth of today substitute a love of things in place of loving Me. A person first has to love themself and hold themself in high esteem. Then you are able to love others and possibly find a spouse to get married. Your love can then expand into the spiritual world in a desire to find love in Me. You need to be seeking My love to find Me, and when you do, you will find true peace. I have a mission for every soul, but until you are ready to give your life over to Me, it will be hard to fulfill My mission. Each soul must understand the need to want to know, love, and serve Me. Once you have a working love relationship with Me, then I can use you to spread My Gospel message to convert souls to the faith. The youth today can be led to Mass, but as they get older, they have to make a personal commitment to know and love Me. Your children need your persistent prayers to help save their souls. Give them your good example of Mass and prayers often. They need to see how you love them, and you are willing to help them in things of life, and encourage them to pray and come to Mass. Many souls are being lost because no one is praying for them. Tell your children that you love them so much that you are praying for them every day to save their souls. I hear your prayers and I will give your children every opportunity to be saved.”

Saturday, September 23, 2017: (St. Padre Pio)
Jesus said: “My people, the Mass is the most complete prayer of My Catholic Church. You have been talking about prayer and its meaning, so remember that the Mass truly is a prayer of worship. In the vision of the priest consecrating the Host, it is important to remember that you believe that the bread and wine are transubstantiated into My Body and Blood. When you receive Me worthily without mortal sin on your soul, you are receiving Me intimately into your mind,

body, soul, and spirit. Treasure this moment because for a short time you are experiencing heaven on earth with Me. This is a taste of heaven and a special moment when you can be one with Me, as I help you through the day's trials. This intimate union is how you love Me so much, so I can be a part of your life. Listen to My Word in your hearts and literally take My Gospel to heart. You are the good seed in fertile soil, and your fruit is to go out to evangelize souls to the faith. The more souls you can bring to Me, you are adding to My greater glory. Give praise and thanks to me all day long in all that you are offering up to Me."
Jesus said: "My people, it is not easy at times to help your children and grandchildren with your financial generosity as best you can. But I love it when parents realize their need to pray for all the souls in the family to be healed in their hearts and souls to know and love Me. Parents are responsible for the souls of their children and grandchildren. I know they all have free will to choose to love Me or not, but your persistent prayers can go a long way toward saving their souls from hell. If parents pray together as a family every day, you can bring many blessings and graces upon all of your family members. Continue to pray your long form of the St. Michael Prayer for your family, and place a cross of holy water on all of their pictures. You can also pray your rosaries for your general intentions of all sinners, the souls in purgatory, stoppage of abortion, and peace from wars. You are still praying your Chaplet of Divine Mercy for all the souls who are dying from natural disasters, and there have been many. I want My faithful to also reach out with donations to help people in distress, and evangelize as many souls to the faith as you can. When you come to Me with your hands full of good deeds, I will tell you, well done My good and faithful servant. Enter into the glory of your Master in heaven, so you can join Me in love with all of My saints and angels."

Sunday, September 24, 2017:
Jesus said: "My people, this vision is a sign of how I send My gifts to a few missionaries and priests, and then they reach out to save others. I also call on My prophets and lay people to spread My message of My Word in the Gospels to all the people around them. There are two kinds of people who are represented in the Gospel reading. People are called to believe in Me in faith at various ages of their lives. There are others who have a higher calling as the religious in priests,

nuns, and brothers. Even still I also call My prophets and evangelists into My vineyard. You have heard Me say how the harvest of souls is great, but the laborers are few. Call on Me to send more laborers into My vineyard for the harvest of souls. It is the special souls that I call on to go out to evangelize as many souls as they can. Those souls, who bring souls to Me, will have the same wage as all of My followers who will receive their reward in heaven. The souls, who have been saved, or released from purgatory, will be very grateful to those who converted them, or prayed for their souls. This gratitude will be a further reward for My evangelists. My good servants will get to see all the souls that they helped to come to heaven. I thank all of the souls who were instrumental in bringing souls to Me. If you are still alive on earth, you have further work to do in My vineyard to help save souls."

Monday, September 25, 2017:
Jesus said: 'My people, a war with North Korea is about to break out, and North Korea's intent is to take out the electric grids in Japan, and America. They know America could overwhelm North Korea with nuclear weapons, so their best chance to defeat you, is to take down your electric grid with an EMP attack. You have not protected your grid, and if your anti-missiles do not take out multiple missiles, you could be devastated without electricity. There is also a possibility that your forces could try a pre-emptive EMP attack against North Korea before they could launch their missiles. The aggressive talk from both of your countries will result in a war, and your people should be ready for an attack of some kind. There could be a spread of war if China and Russia come into this conflict. You have been weakened with hurricanes, but war could take many more lives. Keep praying to stop any war with North Korea, but the forces of evil are preparing for war. Trust in Me to protect My people, even if you are called to the safety of My refuges."
Jesus said: "My son, you have seen many hurricane attacks and serious earthquakes in Mexico, and many lives have been taken in these natural disasters. You have yet to see the big event that I told you would come this year. You could see a major earthquake, a volcanic eruption, or some serious bombing from a war with North Korea. Any man-made event will be a free will decision by either side. Be prepared if such an event will trigger a martial law. If a

national martial law is called, My faithful will need to come to My refuges for your protection. Fear not any of these events, because My angels will be protecting all of My refuges from any harm. Be ready to leave for My refuges when I warn you, and when your lives will be in danger. Trust in My protection, no matter what the evil ones are planning."

Tuesday, September 26, 2017: (St. Cosmas & St. Damian)
Camille said: "Hello everybody, I am still here to comment on your world in chaos. Your priest had some trouble pronouncing my name. I am happy everything is settled with the house, and it was good to see that big tree come down. It is too bad they are not using my garden space. You have been seeing unusually strong hurricanes and earthquakes. Your events are getting more serious with a possible war. You are getting your place ready for people to come, and the family should get back to church and Confession before the Warning comes. Lydia and I say hello also to Sharon, Vic, and Carol. We love you. Thank you, John."
Jesus said: "My people, on Good Friday you can see an empty tabernacle when the consecrated Hosts are kept in a special tabernacle. This vision of an empty tabernacle has a different meaning. This is a sign that a time is coming when the schismatic church will not be pronouncing the proper words of Consecration over the bread and wine. There is a new Canon law that is going into effect on October 1st that will allow bishops in their own country to change the liturgy of the Mass. Once the words of Consecration are changed, I will no longer be Present in the Host. Even if they put hosts in the tabernacle, I will no longer be present in the schismatic churches. This means My faithful will need to come to a home Mass where a faithful priest will pray the correct words of Consecration. You will then soon come to My refuges when your lives and souls will be in danger."

Wednesday, September 27, 2017: (St. Vincent de Paul)

Jesus said: “My people, this month you are being called on to help your bishop’s fund, and those people in Puerto Rico who were devastated by Hurricane Maria. Today’s St. Vincent de Paul also helped the poor of his time. You have many demands on your funds to run your family’s expenses, but some causes demand your attention to help those people who are less fortunate without a home. Give some thought to helping the storm victims with your prayers and donations. Those people, who you help, will be grateful, and you will gain more valuable treasure in heaven.”
Jesus said: “My people, you have choices in life as to what is most important in your life. Some people are more worldly than others, so they measure success by how much money and possessions they have. Those people, who are more spiritual, are content to have only enough money to get by, and they prefer more time for prayer and good deeds. By letting Me direct your life, you will be better able to fulfill My mission for you. Do not be so focused on accumulating as much wealth as you can. You only need a bare minimum to survive, and it is better to rely on My help, than on your own wealth. I measure your success on your prayer life, and how many good deeds you can accomplish. I have told you that money cannot buy you into heaven. You cannot take any money past the grave, but you will leave it to your heirs. So focus more on following My Will, and you will be richer in heaven with what is truly more valuable.”

Thursday, September 28, 2017: (St. Wenceslaus)
Jesus said: “My people, ever since your President was put in office, the one world people have been trying to undermine and stifle all of his plans to improve your country. This latest attempt to repeal your current Health Plan is another example of the one world people stopping this effort. Your President has been so frustrated trying to get his party moving on the issues, that he has resorted to talking with the opposition party to get votes for his legislation. He is even using Executive Orders to get what is needed. Because the one world people control the media, the media people have also been harassing your President, even with fake news. Your President is now trying to move forward with tax reform, and you will see how the one world people will react to that also. These evil people know that if little is accomplished, they will control his changes of any real effect on their takeover plans. The evil people want the North American Union,

and your President is opposed to this plan. You will soon see which side will win out. Keep praying for your leaders to do the right thing for your people, rather than following the wrong plan of the evil one world people."
Prayer Group:
Jesus said: "My people, you may have had a knee injury, or you know of someone who has knee pain. You, My son, had a knee sprain, and it still gives you a minor pain. Some people take calcium pills or other means to ease the pain. When you have bone on bone, some people have had artificial knee replacements. If you have a choice, it may be better to have the operation than suffer many years of pain. Pray for a healing to relieve your pain."
Jesus said: "My people, you are seeing your President and Congress proposing some new tax reform. Your President is already inviting bi-partisan support to change your complicated tax forms with all of its deductions. The initial plan is to make your tax return less complicated, and to try and cut your high corporate taxes. It is hard to find a fair compromise because different options have their own lobbies to protect their deduction. It will also be difficult to not build up more deficits. Pray for less taxes that are fair to all segments of your people."
Jesus said: "My son, the man, who called you from Puerto Rico, was calling to have you say prayers for the hardships of the people without water, food, and gasoline. He did store some food and water when he listened to your talk. For that he was grateful. You may be able to help this man and his neighbors if you could get supplies to him. You have a contact who may be able to help him. You could ask for some donations, once you could contact him."
Jesus said: "My people, it is easier to get supplies to Texas and Florida over land. It is more difficult to get supplies to Puerto Rico, and even harder to get supplies to the interior parts of the island. Help is coming by ships, and a hospital ship is planned. Do some research to see a good trustworthy group to get needed supplies to Puerto Rico. Their economy was already in trouble, and they will need even more financial help than the affected states. Continue to pray and send regular donations to trusted groups."
Jesus said: "My people, your people see a great need to send vehicles and supplies using your military and ships to carry them to help hurricane victims. This is why some funds have been made available for various agencies to carry out the aid to the people of Puerto Rico. This has been a year of great destruction, and it is not possible to pay for all the damage. Basic infrastructure needs are needed for electricity, and survival food and water. Instead of complaining about what was not done on time, it is better to provide what help is

available. Pray that these hurricane victims can find what they need to survive."
Jesus said: "My son, you have put out many books to your publisher, Queenship Publishing. You should still make your Glory Be novenas for the success of this book. Your prayers to St. Therese have helped your previous books as well. It is difficult to know how many more books you will have time to get published. So treat each book as if this is going to be your last book. Be thankful that you have been allowed a long time to have people read My messages to you."
Jesus said: "My people, you love to receive or even look at a pretty bouquet of flowers in a vase with water. They look beautiful for awhile, but soon they wilt and have to be discarded. This story of the life cycle of flowers is a little like your lives. You first spring up with youth as flowers in spring. You then mature over time, and just as the flowers wilt, you also grow old, and you are less active. My faithful need to shine and use your time to share your faith while you are still alive. You all have to die, but you can prepare yourselves with frequent Mass and Confession. Be thankful for your life while you are living, and do everything to make the best use of your time to save souls and pray for the souls in purgatory. As your year comes to a close, you need to think more of how to prepare your soul for your judgment."

Friday, September 29, 2017: (St. Michael, St. Gabriel, St. Raphael)
St. Michael said: "I am Michael and I stand before God. I do all the Lord's bidding, and I am protecting your country. You call on me every day to protect you and your family from the attacks of the devil. You also call on my protection when you go out to give talks. You know how the evil one attacks those people who try to spread the Lord's Gospel. I am there for you in all of your work to help save souls. You have given out my long form prayer of deliverance to those people who suffer from the evil one. My prayer is also helpful in breaking addictions by removing the demons attached to these addictions. Trust in my help and the Lord's direction, and you will be saved along with your family members."
Jesus said: "My son, watching your 'War Room' movie has given you some better insights in how to pray. You are seeing first how you need to surrender all of your life over to Me. You need to trust Me more in how I am leading you through life. You should pray more with your wife, and make time for prayer

together. You are faithful to Me in your daily prayer, but there is more power in prayer when you pray together. You have a beautiful and blessed chapel, so pray more together. Try to pray your St. Michael prayer for your family every day. This is his feast day, so you can remember this request. Keep praying your Stations of the Cross on Friday, and your novena prayers to St. Therese for your next book. I love how you carry out My requests, so continue to do so, and I love you and your family so much."

Saturday, September 30, 2017: (St. Jerome)
Jesus said: "My people, this boat of St. Peter represents the Church in how I have protected it throughout the centuries. You will see My Church traveling into rough waters. Today, this boat represents My faithful remnant that will be protected from the evil ones, when you will see a split away from a schismatic church. This coming division in My Church will separate the lukewarm who will go with the schismatic church which will teach New Age, and that the sexual sins are no longer mortal sins. This schismatic church will discard many traditions, and could even mislead some of My elect with their many heresies and denials of My Divinity. Follow My faithful remnant who will follow the teachings of My apostles. My remnant church will follow the true faith described in the Catechism of the Catholic Church. You may eventually have to leave the false churches for your home Masses and prayer groups. Later, you will be coming to My refuges during the tribulation. I will be with you in daily Holy Communion from a faithful priest or My angels. You will be adoring Me in perpetual Adoration at My refuges. Trust in My protection both for your bodies and your souls, until I will bring you into My Era of Peace, and later into heaven."
(4:00 p.m. Mass) Jesus said: "My people, in the Gospel the father gave the same order to both sons to go out into the field to work. One son chose to follow his father's order, but the other son did not go out. You all have the same opportunity to follow My Commandments, but it is your obedience that will put you on the right path to heaven. Sometimes you may falter in your sins, but I will forgive you, if you seek My forgiveness. Try to learn from your mistakes, so you do not repeat your offenses. Be more willing to obey My laws from the start,

and do not lie about your bad intentions, because I can read the intentions in your heart for all of your actions. You also need to give a good example to others, so they can see you are sincere in living a good Christian life. By struggling to do the right thing, My Father will reward you in heaven."

Sunday, October 1, 2017: (Respect Life Sunday)

Jesus said: "My people, I thank your people for honoring all of My creations of man and woman made in My image with free will. You should treat all lives with respect from those formed in the womb until those who die. You are killing a million babies in the womb every year by abortion. This is denying the right to life to these defenseless little ones. The guardian angels of the aborted children come before Me to testify to their deaths. It is this sin of abortion that has brought My wrath down upon America. At the other end of your lives, you have some states that allow euthanasia. Even when you have laws that allow such taking of life, these killings are still mortal sins in My eyes. My people need to respect life in all of the various countries, and pray for a stoppage of abortion and euthanasia. Your lives are all equal to Me, so treat every life as precious in your eyes."

Jesus said: "My people, there are evil people who want to bring down your country, and they know how vulnerable your electric grid is. This power grid failure in the Northeast will be a result of a terrorist attack, or an EMP attack on your Niagara Falls power station. You had one of these power outages before, but it did not last long. This coming power outage will be a lot longer, and you will know what it is to be without power like the people in Puerto Rico. This is why I have asked people to have solar power with batteries, as well as backup generators. Many people are not prepared with food and water. Without electricity, you could see a famine that could cause many deaths. This is another warning to store food and water for more disasters that could shut down your electric grid. This could also precipitate a martial law, that could send My faithful to the protection of My refuges. Trust in Me to provide for your needs, even during the tribulation."

October 4, 2017
Monday, October 2, 2017: (Guardian Angel feast day)
Jesus said: “My people, you have been listening all morning about a lone gunman who killed fifty or more people, and wounded over four hundred people in Las Vegas, Nevada. He was high in a tall hotel shooting down on a crowd of over twenty thousand people at a concert. There were a lot of concert people who helped the wounded to get to a hospital. Some people were badly wounded, so the death toll could rise. Your announcers are already claiming that this was the most deadly shooting in recent American history. There is a lot of evil going on all over the world, but this was a horrific crime with the shooter firing multiple weapons toward the backs of the concert goers. Pray your Chaplet of Divine Mercy for the dead and seriously wounded people. This presents a threat to outside concert crowds.”
Jesus said: “My people, you are seeing one event after another, as serious events have happened in Texas, Florida, and now Puerto Rico. Now, you just had the most people killed and injured in a recent shooting than ever before. I have also warned you about the possibility of more severe earthquakes and volcanoes, especially along the Ring of Fire. I am showing you a vision of lava flowing down a volcano. Be alert for more natural disasters that could occur at any time. Keep praying for all the souls that are dying from any number of causes.”
(Guardian angel feast day) Mark said: “I am Mark, and I stand before God, while I watch over you. Your spiritual director was concerned about your health, as you are traveling to your talks. You have seen a few people with messages being told to stay close to home by the end of this month. I will help you in discerning if it is safe to travel after this month. If you are seeing serious events that could endanger your life, it may be wise to stay home at your refuge. I am protecting you, but do not take any trips that could be the time for major events to start. Trust in My direction and discernment for your future travel plans.”

Tuesday, October 3, 2017:
Jesus said: “My people, at times the evil of the people in the world gets you down, and it appears that evil is winning. No matter how evil the people get with all their killings, I am still with you like the sun to give you rays of hope. Even if it appears that evil is winning, this is only for a short time, before I will bring

My victory and vindicate My faithful people. So do not despair or get despondent, because I will be with you to raise you up with My grace. The evil ones will have their hour, but in the end My Sacred Heart will be victorious over all those people who refuse to love Me. Be faithful to Me during this tribulation, and you will have your reward in My Era of Peace, and later in heaven. Pray for strength today, so you can endure all that you will be suffering now amidst the evil of your day."
Jesus said: "My people, now is the time to mourn the loss of all of those people who were killed. They need a proper burial. The wounded need care and many have donated blood to help them. You need to thank the persons who stopped the shooting, and those nurses and doctors who are struggling to save those severe cases. There is always a question about gun control laws, but they only control law abiding citizens. Criminals and people with psychiatric problems will find guns illegally, since laws do not keep them from stealing guns. Lives are precious, and your people do not want to stop abortions. You kill millions of babies every year, yet where is the outrage over all of My lost little ones. You are seeing evil ones causing these mass killings, but My people need to love Me and their neighbors. When there is more love in your society than hate and division, then you will have less killings. Pray for peace and love among your people. Repent of your sins, and convert your sinful lifestyles."

Jesus said: "My people, you have seen your flags flying at half mast in honor of the lost lives in Las Vegas. This purple curtain of your vision is a sign of even more deaths to come in the various natural disasters and any terrorist attacks. You are about to see even more chaos in your country that is being stirred up by the one world people. They are trying to cause more fear, and any events that could trigger a martial law takeover. Pray for the safety of your people, and trust in My protection for the events that are coming."

October 19, 2017
Thursday, October 5, 2017: (Bl. Francis Xavier Seelos)

Jesus said: “My people, you have heard of the Miracles of My Eucharist, when blood has appeared on consecrated Hosts. These miracles are performed to help the people to believe in My Real Presence in My consecrated Host and the consecrated Wine, that are transubstantiated into My very Body and Blood. You have this miracle performed at every Mass. So when you receive Me worthily in Holy Communion, you have My intimate Presence in your heart and soul. This truly is My real joy in your hearts. There are many trials in the world, but know that I have conquered death and sin with My death and Resurrection. So do not be fearful of the evil ones, but trust that I am always in full control of everything. I will only allow the evil ones to go so far, before I will stop them from harming your souls. When evil attacks, call on My power, and My angels will protect you. I will be victorious in the end, so be patient and endure the evil of the day with My graces that will sustain you. I love you so much, so trust in My power over all the evil ones.”

Prayer Group:

Jesus said: “My people, America’s forefathers have given you your Constitution and its Bill of Rights, and this is guarding your country’s freedoms. You still have ‘under God’ in your Pledge of Allegiance to the flag, and ‘In God We Trust’ is on your money. Many soldiers had to die to give you your freedoms of today. Keep praying for your country’s protection as My archangel St. Michael is watching over you.”

Jesus said: “My people, some of your football players have been kneeling instead of standing at attention when your national anthem was sung. When your President spoke out about criticizing these players for their disrespect for your country’s flag, then others were upset by his remarks. This is not the time to make political statements when you are respecting your country. Many soldiers have died for your freedom, so your people should respect the people who protect you.”

Jesus said: “My people, you have seen all the damage in Puerto Rico from hurricane Maria. There is very little electricity, and people are being asked to send donations for food and water to these people in need. This island government will need billions of dollars in aid to rebuild their infrastructure. There is much need to provide homes and remove any debris. Their crops have been badly damaged, and they are in need of imported food. Pray for these people and send what donations you can share.”

Jesus said: “My people, at first people donated heavily to help the flooded people in Texas. Then weeks later, you had another disaster in Florida that called

for more donations. Now with a third hurricane disaster in Puerto Rico the donations are diminishing because of so many donations requested. These continuing storms are taking a toll on your people's charity, and the destruction of so many homes. It is not easy for poorer places to rebuild and recover from such destruction. Even though it is harder to keep giving donations for so many places hit by hurricanes, think of how difficult it is to survive with little food and water. The more you give, the greater will be your reward in heaven."
Jesus said: "My people, I told you that you would see one event after another, and you have not seen the end of your storms. Your people need to be ready for more storms on your Southern coasts. Pray that these people will be spared any more deaths, and that the people will evacuate any dangerous spots on the coasts. See these trials as a result of your sins, and pray that the people will repent, and seek My forgiveness."
Jesus said: "My people, you have seen a lot of death and destruction from your storms, and now the latest mass killing. If these events do not bring you to your knees in prayer, and you continue in your evil lifestyles, then you are calling down My wrath on your country. If you do not pray for forgiveness and change your ways, then you will see more such events until you will come begging Me to help you. Without prayer and My help, your destruction will get worse. Pray for a lessening of storms, and the stoppage of the evil killings that are going on. Pray also to stop your abortions and the killing of your older people."

Friday, October 6, 2017: (St. Bruno)
Jesus said: "My people, I love all of My people, and I do not want to lose one soul to the evil one. When the Jewish people worshiped false gods, instead of Me, I allowed the Babylonians to conquer them, and start the Babylonian Exile. When your children are disobedient, they need to be reprimanded for their own good. The parents love their children, but sometimes they need tough love in punishment to correct them. My people of America are also being punished with your recent storms, fires, and mass killings. I mentioned before that you are worshiping idols of money, pleasure, and sports which are against My First Commandment. You also are seeing many people who are no longer coming to Mass on Sunday. This is a sin against My Third Commandment, which calls on My people to give worship to Me on Sunday. Because you are disobeying My

laws, and you are not repenting of your sins, you will continue to see more disasters as a punishment for not obeying My commands. I love all of you, but I want you to love Me in return, and your neighbors as yourselves."
Jesus said: "My people, this vision of the devil wrapped around the New Year's Pole in New York City is linked with your human pleasures and traditions. There is a hidden meaning in this vision that could link a year of evil that could lead up to the tribulation. The devil's time is running out, and he will have a brief reign through the Antichrist and the False Prophet. Another meaning of this scene is that the time will be speeded up to lessen the trial of this evil time. The devil thinks he is in control of the earth, but I am only allowing him a brief reign, because My power is greater than the devil's power. My faithful will have one last chance to convert sinners after My Warning experience. Work in haste to lead your family members back to Me, so they are not lost to the evil one. Only people of faith will have a cross placed on their foreheads so they are enabled to enter My refuges. Call on My grace to evangelize souls while you are still able to do so."

Saturday, October 7, 2017: (Our Lady of the Rosary)
Our Blessed Mother said: "My dear children, I am coming to comfort you as you are mourning the loss of life in Las Vegas and in all of your hurricanes. You are celebrating my 100th Anniversary of Fatima, and I am still bringing you the same message to pray the rosary and wear my brown scapular. These are your best weapons to fight the evil of your day. I always bring you to my Son, Jesus, as He shines His graces on you when you receive Him in Holy Communion. This morning's rain is also my blessing as I send God's graces upon all of you. God sends His Word and His call for conversion out to everyone, even as you all share the same rain and sunshine. It is up to each soul to receive my Son into his or her soul and heart, and respond with love for my Son and me. It is this enduring love that is missing from your society, and this is why you have so much division and evil actions. Learn from history, my little ones, as I am repeating my warnings at Fatima. If your people do not turn to Jesus in prayer, then you will suffer from wars and natural disasters. We love all of you so much, and we desire your love in return. We bless all of you, and we are calling you to prayer, Mass, and Confession of your sins to the priest."

Jesus said: “My people, when you see someone drowning in deep water, you will do everything to try and save that person’s life. When you see someone drowning in their sins, you should have the same spontaneous desire to save that person’s soul. You need to call on My help to throw lifelines to that person. Your first try may be to convert such a person to the Catholic faith, and have them come to Confession. There are other lifelines such as praying for that soul, or having a Mass said for them. You can give them your good example as a Christian believer. You can try to have them wear a brown or green scapular. You may even pray over such a person with holy water or blessed salt. You can invite them to a prayer group or a Mass. If they have some deep seated evil, you can pray deliverance prayers, or have a priest exorcize them. Saving a life in this world is only the first step. It is even more important to save souls. Even when I prayed over people when I was on the earth, I healed a person’s soul first, and then I healed that person’s illness. This is why I send out My faithful to save as many souls as you can, because the soul and its destination is your most important possession.”

Sunday, October 8, 2017:
Jesus said: “My people, I love all of you so much, and as this search light shows you, I am like the hound of heaven ever searching to save every soul. You are seeing in the Gospel, how I started My Church with St. Peter as the rock, and now I am preparing you for the great harvest of souls. I call on all of My faithful that I am asking all souls to produce a great fruit of your labors from My vineyard. It is by your fruits that I will know if you are a good servant, or an evil one who rejects Me. In the Warning you will have a life review that will reveal all the fruits of your life’s work. I will weigh your sins against your fruits of good deeds. After your life review, you will see My mini-judgment for your destination of heaven, hell, or purgatory. If you do not change your life, then this judgment will be your final judgment as well. You will be placed back into your body, and you will be given a second chance to improve on your life’s destination. Come close to Me now while you are still living, and do not wait until tomorrow, because you may die today.”

October 19, 2017
Monday, October 9, 2017: (St. Margaret Mary Alacoque)
Jesus said: “My people, today you are celebrating the feast day of St. Margaret Mary Alacoque, who was known to have a great devotion to My Sacred Heart. In the vision I am showing you My Sacred Heart of burning love, just as you see Me in the picture on your wall in the room that you are writing this message. I want you to focus on this picture as you see an eternal flame of love, a crown of thorns around My Heart, and Blood flowing out from My Heart, as when the soldier pierced My side with a lance. In the vision you are seeing Me crying over all of the people who are rejecting My love. I respect everyone’s free will choice to accept Me or reject Me. When you come to Me, you need to count the cost, because those people who want to be with Me, must give their will over to My Divine Will. You must follow My laws and seek My forgiveness of your sins. Those people, who choose to love Me, will have their reward in heaven. I call My faithful to love Me and your neighbors as yourselves. Those people, who reject Me, are on a path to hell, and I am crying for the potential loss of their souls. I am like the father of the Prodigal Son, waiting for repentant sinners to come to Me for forgiveness. I pray for all souls to seek out My love, because their souls are seeking peace, and they will only find peace in Me.”
Jesus said: “My people, I gave you a message before that when I warn everyone to leave for a safe place, this will come as an inner locution to everyone when you will hear My voice. I will warn you when your lives will be in danger. Once you hear My inner locution warning, I want you to call on Me, and I will have your guardian angel lead you with a small flame to the nearest refuge. You need to leave in your vehicle within twenty minutes. If you hesitate a while, you will see the men in black coming house to house to try and force the mark of the beast or a microchip on everyone. Do not take this chip, or it will control your free will. If you are captured and you refuse to take this chip, they will take you to the death camps to be martyred. When you see these men in black coming, then go quickly out the back door, as these people in the vision, and call on your guardian angel to lead you to the nearest refuge. Your angels will put an invisible shield around you to protect you from any harm. This vision of people running in the street, are the people who are leaving too late for My refuges. I am giving this message again, because you are approaching the time that will lead up to the tribulation. I want you to be prepared with frequent Confession for the Warning,

and have your backpacks ready to leave for your refuges. You are doing practice runs at your refuges, so you will be prepared for a refuge lifestyle. This is also why I said that you will be fortunate to have time to do a winter practice run with your refuge, when you will be using your wood and kerosene burners. Pray for your protection, as I will be protecting you from the evil ones with My angels at My refuges."

October 19, 2017

Tuesday, October 10, 2017:

Jesus said: "My people, this is a serious vision because it is showing you very graphically how the churches will be broken when the schism or the division comes in My Church. When they will not be pronouncing the proper words of Consecration, the hosts in those churches will not have My Real Presence. This is why I am showing you a broken altar. The schismatic church will be teaching New Age worship of things, and not Me, the Creator, as in the reading. They will teach that the sexual sins are no longer mortal sins. I have told you when you see heresies, or when the words of Consecration are changed, you will need to leave that church. Eventually, all of these schismatic churches will be controlled by evil teachings. My faithful will have to come to home Masses, and finally to Masses at My refuges with faithful priests. At My refuges I will have My angels bring you daily Holy Communion, if you do not have a priest. It will take discernment from the Holy Spirit for My faithful to understand when it will be necessary to leave these schismatic churches. I have been warning you that this day is coming, because the Antichrist will try to destroy all of the churches. Only My angel protected refuges will go unharmed. Be prepared for My coming Warning experience, and the following tribulation of the Antichrist. Have no fear, because your guardian angels will lead you to My refuges of protection, where I will provide for your protection, and all that you will need to survive. The evil ones will soon be conquered and cast into hell, and I will bring My faithful into My Era of Peace."

Jesus said: "My people, when I made Adam and Eve, they were placed in the Garden of Eden, and there were two trees. The one tree was the 'Tree of the Knowledge of Good and Evil'. It was this tree that they were not supposed to eat

from, or they would die. The devil tricked Eve into eating from this tree, and she gave it to Adam. For this sin they were cast out of the Garden. There was a second tree called the 'Tree of Life', that when they ate from this tree, they could live a long time. Once they were outside the Garden, they did not live long without having the fruit from this tree. After this sin, a promise of a Redeemer was given, and I came on the earth much later. I died on a tree of the cross, and I became a new Tree of Life when I gave you My Eucharist as a new spiritual food for you. At the end of the tribulation I will place all the evil ones in hell, and I will lift up My faithful into the air. Then I will recreate the earth with its perfection as I made it before, without man's GMOs and his imperfections. You saw Me on the cross as I will lead My faithful down into a new Garden of My Era of Peace. There will be no evil, and there will be many Trees of Life. You will eat from these trees, and you will live a long life. Everyone has to die once, but you will be prepared to be perfected as saints, so when you die, you can go straight to heaven. Rejoice in My Tree of Life both in My Host now, and in My Era of Peace from the Tree of Life."

Wednesday, October 11, 2017: (St John XXIII)

Jesus said: "My son, as you are reading the story of Jonah, you can see some of your own problems. Jonah did not want to warn Nineveh to repent, because the people of Nineveh were their enemies. After being stopped from fleeing his mission, he told the people that they would be destroyed in forty days, if they did not repent. The king and the people repented in sackcloth and ashes, and they changed their evil lifestyles. I then relented in My punishment, but Jonah was disappointed. I gave him a gourd plant also for shade, but the next day it died. Jonah wanted to die, but I took care of his needs. So, My son, you are concerned about your illness, and your difficulty in sleeping. Do not be concerned, because I am giving you a blessing so you can offer up your troubles with Me on the cross for the souls in purgatory, and the souls you are praying for at your Conference in California. I will give you the strength in My Eucharist to allow you to get along even without much sleep. So do not complain, but be humble, and see how I am using you as My instrument of grace. You have been persistent in your prayers and carrying out your mission very well. Continue to trust in Me for all that you will need on this trip and others. I give you My angels to protect

you and guide you in your travels."

October 19, 2017

Thursday, October 12, 2017:

Jesus said: "My people, I am showing you a possible incident that could trigger a war with North Korea. Such a war is one of the possibilities I gave you on September 25, 2017 that would be the big event of this year. North Korea has threatened to shoot down any aircraft that comes close to their country. It is just such a miscalculation on either side that could develop into a major conventional war with South Korea. Many people have been praying that such a war will not start. With all the sanctions being placed on North Korea, they could react in defiance, rather than stop their nuclear plans. They could start a first strike against South Korea, Japan, or the United States. Be careful when you back such a dictator into a corner, because North Korea could react violently, and it could precipitate a world war. Keep praying to stop such a war, but be prepared if a war should come."

Our Blessed Mother said: "My dear children, I am happy to greet your little group today, as you prepare to celebrate my 100th Anniversary of Fatima tomorrow on October 13, 2017. I thank Juliet and her helpers for all the efforts she is making for your coming procession. You are all coming together to share the words of your speakers at your Conference. I want you to listen closely, because you are entering the end times, and you all need to be prepared in Confession for the coming Warning and the tribulation. Today, you were shown Alan Robinson's map of the places that would be annihilated. I have mentioned in my messages at Fatima that because of your sins, certain nations would be annihilated. Please wear your scapulars for your protection from the evil one, and pray your rosaries for the souls who could die suddenly without preparation for their judgment. You will have a beautiful Conference, so share your faith and love with each other. You can also share what you learned with your friends back home. My Son and I will be watching over all of you, and we will lead you to your protection at my Son's refuges."

Friday, October 13, 2017: (Our Lady of Fatima)
Our Lady said: “My dear children, I want to thank all of you for celebrating my 100th Anniversary of my messages to the three children at Fatima. You are going to process through the streets to give public witness to your Blessed Mother. I love all of you, and I am happy to be with you and bless you. In the vision you are seeing My Immaculate Heart, and I am joined as one with my Son, Jesus’ Sacred Heart. You have seen us as two hearts in many pictures. We long for all of our children to be joined with our two hearts. When you make your Consecration to me, you are joined with my Immaculate Heart. Today was a beautiful day for your Conference, and you received many graces from Jesus and myself at your Mass. Some people are thinking that something should happen now, but do not be worried about dates, because it is only for your heavenly Father to know the times of coming events. Just trust in Jesus and everything will work out for you. It is your faith and my Son’s sacrifice that will save you. So do not have any fears, worries, or anxieties, because these things come from the evil one.”

October 19, 2017
Saturday, October 14, 2017:
God the Father said: “I AM WHO AM is giving you this message. This message is all about how I understand suffering people. You remember when Moses was asking Me about the Hebrews who were suffering the slavery of the Egyptians. I knew their suffering because I know how every person suffers. I sent Moses as the ‘Deliverer’ for his people to be released from the Egyptians. So today, I see the people who are suffering death and the loss of their homes in the fires of California. I want My people to pray your Chaplet of Divine Mercy for the souls who have died in these fires. Also, pray for all the people who have lost their homes, and those who are suffering in breathing the smoke in this area. Have compassion as I do for these suffering people. You have seen one disaster after another in fires, hurricanes, and earthquakes. Your sins have brought many of these disasters upon your country, but you can still help these suffering people with your prayers and your donations. My Son, Jesus, suffered much for all of humanity on the Cross of Crucifixion. So My friends, you all have suffering in your lives, but I want you to realize that you can offer up your suffering to save souls. Do not waste your pain, and see that your suffering can be a blessing to

unite your pain with Jesus on the Cross. Your suffering can then be changed into redemptive suffering to help save souls among your relatives and friends. So do not complain about your sufferings, but see them as opportunities of grace to help souls. Now you truly understand why My Son, Jesus, had to suffer on His cross to bring salvation to all the people who accept us into their lives."
Jesus said: "My people, when you invite someone into your house, you are very careful to dust and polish everything so your house is presentable. When you go out socially, you are careful to groom yourself, and have presentable clothes. You clean the outside of your body, but you need to cleanse the inside of your soul even more. When you come to receive Me in Holy Communion, you are about to invite Me into the home of your soul. I am holy, and I expect My faithful to be holy and cleansed with Confession. So do not have any mortal sin on your soul. Do not receive Me in Holy Communion with mortal sin, or you will commit another mortal sin of sacrilege. In the Gospel you saw how the man, who was not dressed with a proper wedding garment, was tied and cast out into the dark. When you come to My Wedding Banquet at every Mass, you also need to have your soul dressed properly with a pure soul from Confession. Give praise and thanks to Me that you can receive My Real Presence in an intimate union with your soul. As was mentioned earlier, this Prayer house is truly a refuge as I have told you before. At one time you saw a stadium full of people coming to this refuge. Rejoice that the people of this area will be protected at this refuge by the angel's invisible shield."

Sunday, October 15, 2017:
Jesus said: "My son, I want you and everyone to make some quiet time for Me every day, either in the morning or at night, but not when you are tired. I want you to learn about contemplative prayer, which is truly a prayer of being quiet, so you can listen to My words of love. Many people allow too many distractions to take up their life, so it is very difficult to listen to My voice. Once you are listening to Me, I want you to consult with Me on everything you do each day. You are My faithful servant, so you need to give your will over to Me, so I can lead you on the right path to heaven. It is only when you let Me run your life, that you will be able to fulfill the mission that I have planned for you. When you do everything out of love for Me and your neighbor, that is when you are

learning the ways of heaven. I told My apostles that I wanted them to be perfect as My heavenly Father is perfect. I know that you are human, and you have inherited Adam's weaknesses, but I still want you to strive for perfection, because only saints can enter heaven. I also want My faithful to trust in Me for all that you need in life. You will have difficulties at times, but when you trust in Me, you can accomplish many things for My greater glory. You join Me in your daily prayer, but you must trust that I will lead you to do the right thing every day."

Jesus said: "My people, you have seen some farmers put hay around their houses as a means of insulation for the cold of winter. Hay is a good insulator, and even the Holy Family used the hay in the barn to keep them warm in the winter. When you put your own Nativity scene on your porch, you also put hay around the statues to celebrate Christmas. I have shown you to have tape and plastic on your windows during the winter, when you are heating with wood and kerosene to keep the heat in the house. Now, I am showing you about putting hay around your house to save more heat. You need to be prepared for a severe winter, especially if you do not have electricity, or natural gas for your normal heater. By being prepared with alternative heating, then you will be ready to stay warm for this winter. I will multiply your wood and kerosene, if it is needed for your survival. Trust in Me to provide for your necessities."

Monday, October 16, 2017: (St. Margaret Mary Alacoque)

Jesus said: "My people, I want you to continue to pray for all the people affected by the fires of California. Pray also for all the people who you will meet along the way at St. Gabriel Mission, and the community around the Luminous Cross. When you are traveling as a religious group, I want you all to be on your good behavior, and remember you are pilgrims and not tourists. Keep humble and act as Christians all of the time, but especially as you represent Me to other people. I love all of My faithful servants, and you need to be good examples of My love. Enjoy your trip and your experiences, but keep focused on Me in all that you do."

St. Gabriel said: "I am Gabriel, and I stand before God. You just had my feast day on September 29, when you honored St. Michael, St. Raphael, and myself. I am the guardian of this mission. You know that I was the messenger to ask the

Blessed Virgin Mary if she wanted to be the Mother of Jesus. She gave me her fiat to fulfill the plan of God. I also was a messenger to tell St. Zachariah that his wife, St. Elizabeth, would have a son, St John the Baptist. St. Zachariah did not believe me, so I struck him mute for his unbelief. I want to thank you and your prayer group for placing my statue, and all three of us archangels on the altar at your prayer meetings. I confirm the message to Fr. Michel that the day of the Warning is drawing near. Remember to call on us for your protection."
Note: Fr. Michel said St. Gabriel was awaiting with the others in heaven for the Word of the Father to happen.
Jesus said: "My people, in the Gospel I told the people of My day that the only sign that I would give, is the sign of Jonah. To the people of today, I am the greatest sign because you have a greater than Solomon or Jonah here in My Blessed Sacrament. You are privileged to see My Luminous Cross because I am the Light that disperses the darkness. This miracle is a gift of My Spirit of love, and you have seen miracles of healing here. This same image will be present in the sky over My refuges. Only My faithful, who are marked with the angel's cross on the forehead, will be allowed into My refuges. When you see the cross in the sky, you will be healed of your venial sins. You need Confession to forgive mortal sins. Only if there is no priest available, will you be healed of mortal sins. After healing the soul, I will heal all of your physical problems, and you will have full health. Even those people, who need dialysis, will have new working kidneys. Trust in Me and My angels to protect you with an invisible shield, and I will provide for all of your needs at My refuges."

Tuesday, October 17, 2017: (St. Ignatius of Antioch)
Jesus said: "My people, I love you so much that I died for your souls. You are seeing one of My martyrs in St. Ignatius of Antioch. These beautiful souls loved Me so much, and they were willing to die for My Name's sake by the beasts who killed them. When a person is martyred, their soul goes straight to heaven in all of My glory. These souls have a high level in heaven because of their great love for Me. In the end times you may see some people martyred also out of love for Me. I tell My faithful, do not fear if you should be called to be a martyr for Me. You may suffer a moment of pain, but you will be with Me for all eternity in heaven. In an instant you will be with Me that day, like I promised the good thief

on the cross. Those faithful people, who remain on the earth, will be protected at My refuges, and they will later be brought into My Era of Peace, and finally into heaven. My faithful need to rejoice that you will have your reward in heaven for all that you have done for Me in faith."
Jesus said: "My son, I am showing you these cots because you will be needing them soon, when events will be bringing people to your refuge. I have been preparing you to have things ready for your refuge. You have seen your angel warning you about being careful to discern if it is safe to go out on more talks after this month. I also told you about a big event to happen this year, and you are running out of months. This event (earthquake, volcano, or North Korean war) could be serious enough to cause a national martial law. This is why you need to check before you leave for any future trip. Until I tell you to stop traveling, you could plan to travel. You need a few more preparations as your water well, so follow up on your original plans. If you cannot finish, My angels will finish your water project. Keep trusting in Me, and be vigilant of your current events, so you will know what to do."

Wednesday, October 18, 2017: (St. Luke)
Jesus said: "My people, you could see a lot of cars that were evacuating to avoid a flood that was caused by a wave of water. I have warned you about some coming earthquakes, and they could cause tsunami waves, if they were severe enough. Tsunamis travel very fast, so once you are warned, you need to move inland to higher ground as quickly as you can. That is why the cars in the vision are moving as fast as they can. Remember how I told you to live further inland away from the coasts. When you saw the hurricanes in Texas and Florida, you also saw many cars evacuating before the damage occurred. Be on the watch for any such incidents, so you are ready to move to higher ground."

November 3, 2017
Thursday, October 19, 2017:(St. John de Brebeuf, Isaac Jogues, etc)
Jesus said: “My people, in the vision you are seeing polluted water, which is a sign of the pollution of evil in your society. In the readings it speaks about how many prophets and faithful people were killed for their faith in Me. They would rather die a martyr’s death, than give up their faith. Even today, you are still seeing Christians being killed in foreign lands. The persecution in America will worsen because many have lost their faith, and they do not want to be shown their sins. When evil people see you praying and going to church, they will want to kill you, because they do not want to be reminded of how evil they are living. This is why My faithful will be led to the protection of My refuges during the tribulation. Trust in My protection, and pray for all sinners.”
Prayer Group:
Jesus said: “My people, since your President has been elected, the left wing radicals, and the one world people have been harassing and criticizing your President in every way possible. If they do not have a real criticism, then they make up a non-issue. In November there are radicals trying to cause a martial law uprising. Pray that your troops and police can put down this disturbance. I will protect your country from those who want to harm you.”
Jesus said: “My people, you are seeing former presidents and other politicians continue a steady barrage of criticism against your President. The left thinks if they can keep a steady flow of criticism going against your President, that they could impeach him out of office. Your President is standing in the way of implementing the one world people’s North American Union. Trust in Me to protect you, even if you need to go to My refuges for safety.”
Jesus said: “My people, you are seeing some serious damage in Ireland from tropical storm Ophelia where thousands of people are without power. In England there were some unusual sun pictures when the sand from Africa caused some red and orange colors. Pray for the people who are suffering any damage from this latest storm.”
Jesus said: “My people, you have seen some serious fires in California that have killed some people, and they have destroyed homes and businesses. The winds and dry conditions have caused many fires in California. Many people are sick from the smoke, and many have had to evacuate from their homes because of the fires. Pray for the firefighters and those people who lost homes or loved ones in

these fires."
Jesus said: "My people, I know you have seen many mail requests to help the hurricane victims with their many hardships. Even though it is hard to help all causes, pick a few worthy causes to support these storm victims. Every kind donation or prayer can help support these peoples. Do not just give a token donation, but give what you can afford. Many of these victims have no homes, and they will need shelters to survive. So have compassion upon these people when you are helping them."
Jesus said: "My people, My Blessed Mother's requests at Fatima are focused on praying the rosary for sinners, wearing your brown scapular for conversions, and making the five First Saturdays of Confession, Holy Communion, and consecrations to Mary. You have many abortions and sexual sins that need your prayers, or you will face more punishments. Listen to My Blessed Mother's requests, especially as you celebrate 100 years since Fatima's miracle of the sun."
Jesus said: "My people, I have called certain people to set up refuges as safe havens for My faithful during the tribulation of the Antichrist. It takes dedication and considerable work to set up a refuge. A builder needs to have the land consecrated, and find a source of water on the land. There will be a need for extra bedding, food, and heating supplies and burners for winter. I will multiply your food and fuels for your survival, and My angels will put shields of protection over My refuges. You will have perpetual Adoration at all the refuges, and you will have miracles of healing when you look upon My Luminous Cross. Living a refuge life will put a strain on your faith, but trust in Me to provide for your needs, and you will have your reward in My Era of Peace."

Friday, October 20, 2017: (St. Paul of the Cross)
Jesus said: "My people, in the Gospel reading it said that everything will be revealed. All things spoken of in secret will be heard from the rooftops. This is indeed a description of what will occur during the Warning experience, when I will show people their own sins. Once you come before My Light outside of time and outside of your body, I will show you every act you committed during your whole life. This will be an illumination of your conscience, or a life review from the moment of conception to the present. I will overlook all of your

forgiven sins, but your unforgiven sins will be imprinted in your memory. You all will have a strong desire to seek the forgiveness of your sins. At the end of your life review, you will be shown a mini-judgment to heaven, hell, or purgatory based on your life's actions. You will feel what it is like at your destination. You will be placed back into your body in time, and you will have a second chance to change your life's destination. If you do not repent and change your life, then your mini-judgment will be your final judgment. Those people, who confess their sins, will be saved. Those people, who reject Me, are on a path to hell in Gehenna. This will be your opportunity to help save the souls in your family by encouraging them to come to the true faith in Me. You will thank Me for giving you a second chance to see how your sins offend Me, and you can change your life. Give glory and praise to Me for all that I am doing to help convert all sinners."

Jesus said: "My people, I know you have a lot of dehydrated food and MREs, but it would be good to have some fresh vegetables. You will have plenty of time to dig out a garden, and use your heirloom seeds to grow vegetables. Have some tools and some fertilizer to grow your vegetables. You may want to only use fertilizer without any poisons. You may even want to buy some more fresh heirloom seeds to back up your other seeds. You also need to call the man for the water well to have him come and dig it out. You could also get a good rope to help steady your outhouse when you move it. Be thankful for any wood that you could store for heating your house. I will continue to keep giving you projects to help with your needs. I will even multiply any fresh produce that you could grow in your garden."

Saturday, October 21, 2017:

Jesus said: "My people, My faithful remnant are going to be tested by the coming schism in My Church. Do not let anyone deceive you about the truth of My words. Those people, who are living in sin with fornication or adultery, should not receive Holy Communion, unless they come to Confession and stop their sinful lifestyles. You also should discern if heresies are taught, or the words of Consecration are changed. Leave those churches, if you see such errors. You also should be wary of a one world religion that could compromise the teachings of My Church. You may be tested when people will persecute you for living a

Christian life. If you are imprisoned for your faith, rely on the help of the Holy Spirit to give you what to say, but never deny Me for any reason. I will give you the grace and the strength to endure the tribulation, but you will need to come to My refuges of protection."
(4:00 p.m. Mass) Jesus said: "My people, in the Gospels you see how the Pharisees tried to accuse Me of falsehoods as they tried to trap Me in My speech. When they asked Me if people should pay the census tax or not, I confounded them when I said: 'Give to Caesar what is Caesar's, but give to God what is God's.' Whenever you speak the truth, or stand up against abortion, fornication, and homosexual marriage, you will be persecuted by the authorities, and even some church leaders. Do not worry about such persecution, because it is better to obey God's laws, than man's corrupt laws. Your society is full of evil, and the evil ones shy away from your Light of truth. In defiance of My laws, they will persecute you, and even try to put you in jail for not following man's false and evil laws. Anyone, who does good in My eyes, will have My reward, even if the evil ones harass you. If they persecuted Me for the truth, then the evil ones will persecute you also. Trust in My protection, despite all the actions of the evil ones against you."

Sunday, October 22, 2017:
Jesus said: "My people, you are seeing the young children who are singing and reading the Scriptures for the Mass. These innocent children need a proper teaching of the faith, but they need adult leadership from their parents. It is sad that some households have only one parent to watch over the children. Grandparents also need to step up to help teach the faith to your grandchildren as well. Parents and grandparents need to be good examples of Christian life for the children to imitate. When there is no direction in faith for the children to follow, then these innocent children could be misled by their peers and worldly desires. The devil takes advantage of children in addictions and evil temptations. This is why you need to be watching what your children are learning, and how their friends are influencing them. Children need to know how they are dependent on Me in their prayers. There is more to life than toys and good times. You need to direct your children closer to Me, and show them a good example in your own prayers and attendance at Sunday Mass. Parents are responsible for the souls of

their children, so keep praying for them, and guard them from bad temptations. At your judgment, you will have to account for these souls and your own soul."

Monday, October 23, 2017: (St. John of Capistrano)
Jesus said: "My people, many of you are taken up with a desire for riches and new possessions. You crave the new homes, cars, and the latest electronic devices. Once you acquire them, they soon become old and break down. Then you want more new ones. This is the endless cycle for new possessions. Your focus should be more on what I want you to do, than spending your time and money on possessions. Do not let riches, fame, and possessions become gods for you. You are still dependent on Me for everything. Your life here is only temporary, because you could die at any time, just as the rich man in the Gospel. You need to make the best use of the time that you do have, by your prayers and helping to convert sinners. Riches and possessions are temporary also, and they can control you, if you let them. Use your gifts to help people, but do not let things or people take you away from your prayer time, or away from your mission for Me. You need to depend on Me, and not on your money and your talents. Give Me the glory for your accomplishments, so you can keep humble without pride controlling you. By keeping Me in the right focus over your possessions, then you will receive a more meaningful treasure in heaven. Trust in Me every day in all that you do."
Jesus said: "My son, you have seen some movies that have shown how weather can be manipulated to cause damaging storms. You also are aware of how Nicholas Tesla was able to control weather with microwaves. You already have weather control through the use of the HAARP machine that uses multiple antennae and powerful microwaves. You have seen it enhance hurricanes and tornadoes. It can also cause massive earthquakes. With such a weapon in the hands of the one world people, they could cause enough damage to cause a martial law for their takeover of America. Do not be surprised if you see major earthquakes, or drastic changes in your weather to cause severe damage, that could paralyze your electrical grid. Do not fear the plans of the evil ones, because I will protect My faithful at My refuges. Trust in My protection and My providing for your survival needs."

Tuesday, October 24, 2017: (Funeral Mass for Barbara LaForce)
Jesus said: “My people, it is hard to lose a mother and a grandmother, who is the heart of the family. She had a good life of 45 years of marriage with her husband and children. Her mother was also sad to see her daughter pass. Her children gave a beautiful eulogy for their mother. Remember her with your pictures, and pray for her. Give thanks to Me for her life among you, and she loves you all so dearly.”
Jesus said: “My people, Satan and the people who worship him, are behind the death culture movement. They are using abortion, euthanasia, wars, viruses, and killings as a means to reduce the population. All of this killing of humans is against My plan for man to multiply and subdue the earth. Because man and governments are trying to control the population, you are having a problem with lower fertility. Once a country goes below replacement averages for fertility, that nation will slowly decline in population. Many countries are below 2.1 children per couple, so the total population of the world will peak and start to decline. Life is too precious to kill either in the womb, or at the later stages of life. Because people are living longer, your population decline has slowed. Keep praying for the protection of life from killing in abortion, or killing people with euthanasia. By opposing your death culture, you can save more lives for conversions.”

Wednesday, October 25, 2017:
Jesus said: “My people, in the first reading, St. Paul is asking people if they are slaves to sin, or slaves to Me. In order to come to heaven, you must be obedient to Me in following My Commandments. You also are called to love Me and your neighbors. Because I love you enough to die for you, I call you friends and not just slaves. In the Gospel I am warning people always to be ready with a pure soul, because you do not know when you will die, or if I am coming on the clouds for your judgment. The last line in the Gospel is even harder to achieve, because those people, who are given much, much will be expected from them. Those people, who are given little, only little will be expected. If you have been

given the grace of faith, and many talents, then I will hope that you use your talents to help save many souls. You are not just here to be entertained, but you need to work hard in My vineyard for the harvest of souls."
Jesus said: "My people, it is sad to see lost lives and lost homes because of the fires in dry California. Many people have been forced to evacuate, or they could get trapped on roads with fires on both sides. The winds have spread these fires so fast, that some people have died in the flames. You can buy another house, but you cannot risk your life to stay in a home with surrounding fires. Pray for these people who have lost homes and loved ones. When you see the inferno with these fires, how can anyone choose to suffer all eternity in the flames of hell. People need to consider the consequences of their actions in life. Those people, who reject Me and do not seek My forgiveness of their sins, are on a path to hell. At the Warning, all sinners will be given an opportunity to change their lives for the better. This may be the last chance for sinners to be saved. If they refuse My love and My help, they could be facing hell fire as the consequences of their poor choices. Keep praying for sinners that they will see My Light and be converted."

Thursday, October 26, 2017:
Jesus said: "My people, the Gospel speaks about how My Word could bring division into a household. There are some people who accept My love and the Gospel with open arms, but there are some others who are more comfortable with their sinful lifestyles, than loving Me. When you hear My Word, you will either accept it or reject it. This is what can divide families over how they want to live. In the vision you are seeing an open door, and this represents how My faithful people are opening the door to Me in their loving hearts. When you love Me and obey Me, you will have great joy both on earth and in heaven. It is when people do not open their hearts to Me, that they become hard hearted and selfish. You have some people in your family who do not come to Sunday Mass. It is your duty to pray for all the souls in your family persistently, and you could help save their souls."
Prayer Group:
Jesus said: "My son, you witnessed several miracle healings at your California Conference. Fr. Michel prayed over a woman in a wheelchair who had severe

neuropathy. After praying with her four times, she was able to walk normally. There were other healings that came forward later. Give praise and thanks to Me, as I used Fr. Michel as My instrument for healings."
Jesus said: "My people, there were many people who were touched by Fr. Michel's teachings, and they were impressed with his stories of personal healings. You are fortunate to have witnessed My priest son, who has many gifts that you now know. Not only were there physical healings, but there were some spiritual healings in Confession. Pray for more vocations to the priesthood."
Jesus said: "My people, you have not seen much legislation passed by the current Congress. You finally are seeing some compromises on passing a Budget in the House of Representatives. Health care has problems, but tax reform has a chance to pass. It will be the details that need to be worked out to find a fair compromise. Pray that your members of Congress can do the right thing to help the American people."
Jesus said: "My people, reason has finally prevailed in making use of one of your plentiful energy sources in using your large supply of coal. Your previous President tried to shut down the coal mines, but this supplies 30% of your electricity. Over regulation was being used to close the coal mines. Now the mines are open and providing your needed fuel to generate your electricity. Your country has become more self sufficient in finding new ways to obtain gas and oil. Your people are also using solar power to generate more electricity at home. Be grateful for all of your new technology to gain adequate energy supplies to provide your electricity."
Jesus said: "My people of America, you may be prospering with your physical economy, but your people are in great need of repentance for your many sexual sins. Unless your country changes your sinful lifestyles, you could see continual punishments from your weather disasters and earthquakes. Pray that your storms will lessen, and you can stop your abortions and euthanasia. Pray also that you do not have a major war that could kill thousands of people."
Jesus said: "My people, many people heat their houses with natural gas, but these heaters require electricity to keep working. Some people have backups with generators, wood burners, and kerosene burners. If there is a long power outage, many people are not prepared, and they would need shelters for keeping warm. If possible, I have asked My refuge builders to have another practice run in the winter to see how reliable your backup heating sources are. Trust in My help if you have to endure some long power outages."
Jesus said: "My people, in this morning's Gospel I spoke of the division in your

households between those people who believe and come to Sunday Mass, and those people who ignore Me, and do not come to Sunday Mass. There is another division even between various groups in My Church. My faithful remnant are following the true beliefs of the faith taught by My apostles. There will be a schismatic church that will change the words of the Mass and promote New Age teachings that really worship things instead of Me. You will have to discern with the help of the Holy Spirit to leave churches that are teaching heresies. Trust in Me and My angels to protect My faithful remnant from all the demons and evil ones who will try to lead you astray. I will be protecting My faithful remnant from the gates of hell because I am more powerful than the evil ones."

Friday, October 27, 2017:
Jesus said: "My people, this vision of men conspiring in secret, is how the one world people are planning the demise of America. Once they can bring down America, these evil ones want to combine America with Mexico and Canada to form the North American Union. I told you in previous messages that before America is taken over, the one world people will find a way to take down your electrical grid. Your banking, fuels, and food distribution are all dependent on electricity. Many people do not have stored food, and they would give in to taking chips in the body for their survival. My faithful will be protected at My refuges where you would not need refrigeration of your food. When you see mandatory chips in the body to buy food and make transactions, then you will need to come to My refuges. This is when all of your preparations will be needed, and My angels will protect you. The end times are coming upon you, but trust in My help at My refuges during the tribulation."
Jesus said: "My people, this scene of two suns in the sky will frighten many people, and some could even die of fright. Soon after this sign, everyone all over the world will have their Warning experience of seeing their whole life flash in front of them. You will all be taken out of your body and out of time, as you come to My Light through a tunnel. When you come in front of Me, you will have a life review from your conception to the present. You will focus on your unforgiven sins, and then you will see your mini-judgment of where your sins are leading you. Some will experience hell, or purgatory, and only a few will see heaven. You will be warned not to take a microchip in the body, and to come to

My refuge when I will call you. You will be placed back into your body in time, so you could improve your destination. You will have six weeks after the Warning for people to repent and change their lives. This will be the best time to evangelize your family members so they can receive a cross on their foreheads. Only My faithful people will be allowed into My refuges with a cross on their foreheads. After the six weeks, remove all of your TVs, computers, and cell phones so you do not look at, or hear the Antichrist. Then you will see a world famine, a division in My Church, a martial law, and mandatory chips in the body. All the one world people's unions on each continent will be given over to the Antichrist. He will have a different name, and when he declares himself, this will start the tribulation. His time will be brief before I will bring My chastisement over the earth. I will separate the evil ones into hell, but I will bring My faithful down into My Era of Peace."

Saturday, October 28, 2017: (St. Simon & St. Jude)
St. Jude said: "My dear son, I hear your prayers for your daughter, Donna's healing. It is difficult when you have confusing symptoms, and tests of possible problems with internal organs. Many people pray to me for difficult problems. I will be an intercessor for your daughter. Keep praying for her healing." Note: Fr. Michel prayed over Donna on Sunday to heal her kidneys.
Jesus said: "My people, I have mentioned before how caves could be used to make a refuge. You may need to stay close to the entrance for air, and maybe use a tent to keep warm from the cold dampness of a cave. In the flashback visions you could see in Bethlehem that I was born in a cave at the Church of the Nativity. You could also see another cave near Cairo, Egypt where our Holy Family stayed while we were hiding from Herod. You also visited this cave on one of your cruises. I have called many people to build refuges, and caves are just one more place. There are refuges at homes, on farms, monasteries, and shrines. My angels will protect My refuges, and guide you in what to store for your survival. Give thanks and praise to Me for providing safe havens for My faithful to stay during the tribulation."

Jesus said: “My people, you need your headlights on your car to provide light on the road. I am your Light not only to see in the dark of night, but I also provide Light and protection from the darkness of evil that is all around you on earth. By following My Light, I will lead you on a path to heaven through all of your life’s experiences. Call on Me in all of your troubles, and I will lead you by the hand, as I protect you. Be not afraid when you have Me by your side at all times. You are entering the end times, and this is why I have been encouraging My faithful to prepare refuges to protect you from the evil ones. You will see miracles of My angel protection, and I will multiply all of the food and fuels that you will need for your survival. Remember to discern your travels with prayer, and prepare for your winter night sleep over with another practice run with your heaters. Trust in Me to help you, and be faithful to your daily prayers and Adoration.”

Jesus said: “My people, you can see the tensions between North and South Korea along their border. There are many troops and artillery guns on each side that are ready for war. North Korea’s missile tests and South Korea’s military exercises have heightened the potential for a war in this area. If missiles from North Korea strike South Korea, Japan, or any United States’ territory, this could start a massive war of retaliation. Many lives are in peril of such a war, especially if nuclear bombs are used. Keep praying hard that such a war does not start.”
Jesus said: “My son, you know how important it is to have water to drink, as it is necessary for your survival. When you did your first practice run with your prayer group, you realized how much water you need not only to drink, but also to add to your dehydrated food. You need even more water for washing dishes, your clothes, and your body as well. Because of this need for water, you are continuing to work on having a water well dug. You may be able to use a mechanical pump if the water well is not too deep. This water and your rain water could be used for washing. If necessary, you can use your filter to purify

more water for drinking. By preparing your water, food, and fuels, you will have the basic needs that I can multiply for your survival during the tribulation. By using your practice runs in summer and winter, you can be prepared for accepting refuge life for your survival at My refuges. Trust in Me for all of your physical and spiritual needs."

Tuesday, October 31, 2017:

Jesus said: "My people, you have seen the protection and preservation of My Church down through the years from St. Peter, the first Pope. I will continue to protect My remnant Church, even if it has to go underground into hiding from the Antichrist. You are familiar with the prophecies of a tribulation time of less than 3½ years in the Book of Revelation. This means there will be a great persecution of My Church, and all of those people who believe in God. After the Warning, you will see some conversions with the help of My faithful. I have called some faithful to build refuges both small and large. This is so you can receive My believers into your homes, and My angels will shield you from the evil ones. All of My refuges will be places of independent living within the borders of your refuges. You will need water sources, food, and fuels for winter. My angels will help with your water wells, and they will make you invisible to the evil ones. Do not worry, because I will multiply your food, water, and fuels by your faith in Me. I know your needs before you ask, so I will see to your survival. You will have My Luminous cross in the sky to look on, so you will be healed of your ailments. You will have perpetual Adoration at all of My refuges, so you will need to assign hours for everyone. If you have a priest, you can have daily Mass. If not, My angels will bring you daily Holy Communion. You could even live on My consecrated Host without any other food, if necessary. Trust in Me to provide for the survival of My remnant Church, even as I have protected My Church in the past."

Jesus said: "My son, you have had a feeling that you will not have your electricity much longer. I have told you there are any number of ways that your authorities could turn off your power. You could even see an EMP (electromagnetic pulse) attack from any number of countries. You are seeing a plan to shut down your grid as a practice run for an EMP attack, or an eruption from the sun. Whenever they practice such a trial, it could easily be an excuse to

use the real shutdown for a takeover of your country. Such a shutdown of your electricity would trigger a martial law. If you see such an event, this will be a sign to come to My refuges immediately, because many could die trying to find food and water. My angels will protect My faithful from the authorities, and those thieves trying to steal food and water. I will multiply what you need. You may not have much power in the winter from solar panels because of the snow, clouds, and little daylight. If your natural gas is not available, you will need to rely on burning wood and your kerosene. Trust in Me to provide for your survival."

Wednesday, November 1, 2017: (All Saints' Day)

Jesus said: "My people, you know how difficult it is to live in this life, with all of your trials, pains, and temptations to sin. Every person is faced with the same struggles that you have. Some are persecuted more, and some live in poorer conditions than others. Those people, who rise above their trials, are rewarded in heaven for their faith in God. There are people of faith whom you look up to in imitating their holiness. By your prayers and good deeds, you can be good examples to inspire conversions to the faith. All of My faithful have a desire to be saints in heaven one day. Even if you need to be purified in purgatory, it is possible for My children to reach sainthood in heaven. I know you are not perfect, but you can strive for perfection in reaching for the higher levels of heaven. By keeping faithful to My love in the Commandments, you can be crowned a saint one day in heaven. Heaven celebrates every soul that is converted to the faith, so work to help bring souls to heaven."

Jesus said: "My people, you are seeing evil in its worst form of how the demons are encouraging people to kill others for their evil beliefs. Satan is trying to kill as many people as possible to reduce the population with abortion, wars, viruses, euthanasia, and terrorist killings. The one world people are planning mass killings as a means for a martial law takeover. They also are trying to create division between races, genders, and any means to undermine governments. By breaking down the society, families, and religion, they hope to give themselves a chance for a takeover of your government. Then they plan to setup the North American Union with America, Canada, and Mexico. This is all focused on giving power over to the Antichrist as he will start the time of the tribulation. My

power is greater than the evil ones, and I will bring My victory during the three days of darkness. This will be a punishment of evil that I do not want you to look at. My refuges will not be harmed by My Comet of Chastisement. I will separate My faithful from the evil ones, and My faithful will be at My refuges. The evil ones will be cast into hell. I will take My faithful up into the air so I can renew the face of the earth. I will then bring them down into a new earth of My Era of Peace. This will be your reward for being faithful to My laws. Trust in Me to protect you, and bring you into heaven at the end of your lives on earth."

Thursday, November 2, 2017: (All Souls' Day)

Jesus said: "My people, you have been to many wakes and funerals, and you have seen many of your friends and relatives die and get buried. There is a finality to a life that has passed, because you will never see that person again in this life. As you look at the dead person in the casket, there is always the thought that one day, you will be there as well. Death is a part of life, yet it is a person's destination that is so important. When you die, you will see Me at your particular judgment, and you will have a life review. All souls are weighed at My judgment seat to see if they are worthy of heaven or not. Some souls are so evil, or they never knew Me, so they are condemned to hell forever. Other souls loved Me to some extent, but they need purification in purgatory in order to be worthy of heaven. Today's feast honors the souls in purgatory. Few souls come to heaven directly, and they are the souls who led saintly lives, or because they suffered their purgatory on earth. Those faithful, who live through the coming tribulation, will suffer their purgatory on earth at My refuges. Some people, who are martyred for their faith in Me, will come immediately into heaven for their reward. Even if you need some purification in purgatory, I want you to strive for perfection, and for the higher levels in heaven. It is important to love Me and your neighbor to be worthy of heaven, so repent of your sins in Confession, and seek My forgiveness of your sins. You are also called to convert as many souls as possible, so they can be saved from hell. Pray especially for all of your family members, so you can help save them from hell as well. With persistent prayer, even souls away from Me can be saved."

Prayer Group:

Jesus said: "My son, in your vision you could see a big vortex spinning around

as many events were happening at the same time. The one world people will be inspiring more false flag events in a more frequent manner to try and cause fear among your people. You will be seeing more natural disasters and there will be threats against your country, especially from North Korea. Continue to pray that war will not start, and to control your terrorist attacks."

Jesus said: "My people, China and other nations are preparing to use EMP devices on missiles to disrupt the response of your ships in the Pacific Ocean. Many of your electronics on your ships are vulnerable to EMP attacks. Your Navy needs some counter measures to back up your navigation electronics. Even a backup system using vacuum tubes would not be affected by EMP that could destroy your microchips. You could also use Faraday cages to protect your electronics from EMP. Your Navy has new weapons as rail guns to knock out missiles. Pray for the safety of your military from EMP attacks."

Jesus said: "My people, you have not heard of any progress on fixing the radiation that is flowing into the Pacific Ocean from the failed nuclear plant in Japan. The extent of radiation that is affecting your fish and other pollutants has not been made public routinely in your news. Do some research to see what is being done, and how the radiation is measured in the Pacific Ocean."

Jesus said: "My people, your Congress is finally taking up tax reform that could help your country have a more even trading field with other nations. It will take some compromises to fix the many problems in your tax code. If the opposition party does not seek to help this process, then it will be difficult to pass such legislation in the U.S. Senate. This should be a bi-partisan attempt to pass something that could reduce taxes for your people. If this fails again like the health bill, then the current party in power could lose seats in the next election. Pray that your lawmakers can resolve their differences to help your businesses and your individual taxpayers."

Jesus said: "My people, your President has taken measures to stop your lottery for foreign Arab immigrants to enter your country. You are seeing more terrorists who are being trained abroad and allowed back into your country. After your killings in New York City, there will be more attention given to apprehend ISIS terrorists who are behind most of your terrorist incidents. Pray for your people's protection from these car and truck attacks."

Jesus said: "My people, do not assume that most souls go directly to heaven. In fact very few souls go directly to heaven after they die. Some souls go to hell, and another share of souls need purification in purgatory. You can best remember your deceased people with prayers and Masses, so you can help them get

released from purgatory. Keep their pictures in sight, so you can remember to pray for their souls."
Jesus said: "My people, you are approaching the end times or the tribulation of the Antichrist. You will be reading of My coming back to the earth to bring My victory over the demons and evil people. In November My faithful need to think more about being ready with a pure soul for when I will call you home in death. This is why I am encouraging My faithful to come to frequent Confession so your souls will be ready any day that you could die and come to your judgment. Many people are not prepared in their souls to meet Me at their judgment. Pray for these souls in your Masses of reparation. Keep focused on loving Me and your neighbor every day of your life."

Friday, November 3, 2017: (St. Martin de Porres)
Jesus said: "My people, I performed many healing acts over the sick and the lame, but the Pharisees were disturbed when I healed people on the Sabbath. They considered healing as work, and they were following the letter of the law, and not the spirit of the law. Some of the Pharisees did not always practice what they taught, and that is why I told people not to follow their actions. Worshiping Me on Sunday is required by My Third Commandment, but if you are sick or have trouble getting to Mass, I will have mercy on you. There are some faithful who have healing gifts, but they need to use their gifts in prayer, or they could lose their gifts. When you pray over people, have faith in Me that I could heal them, and you will see many healings. The people, who you pray over, also need to have faith that I can heal them. When you pray over people, pray for their souls as well as for their bodies. This is how I healed people, by healing their souls first."

Saturday, November 4, 2017: (St. Charles Borromeo)
Jesus said: "My people, in the vision I am showing you when I spoke to St. Peter, and three times I asked him if he loved Me. This was because he denied Me three times when I was taken prisoner. St. Peter had a special mission as

leader of My Church, and that is why I told him to feed My sheep. All of My apostles were given instructions to be priests and confess the sins of sinners. The Gospel is all about being humble and taking the last place at banquets. Coming to Confession frequently is also humbling, because it is hard to admit that you are a sinner. You are weak to sin as a consequence of Adam's sin, but you need to seek My forgiveness in Confession, so you are worthy and pure of soul to receive Me in Holy Communion. There are a lot of weak sinners who do not come to Confession often, and they are receiving Holy Communion in mortal sin. Some people are living together in fornication without marriage, and they have many mortal sins, but they do not accept they are sinning. My people need to look at their lives, and examine their consciences, so they can humble themselves by coming to Confession. Cleanse your souls so you can receive Me worthily in Holy Communion. Those people, who receive Me in Holy Communion with mortal sin on their souls, are committing another mortal sin of sacrilege. I love all sinners, but they need to recognize their sins, and seek My forgiveness in Confession to the priest."
(4:00 p.m. Mass) Jesus said: "My people, one of the best ways to keep your family together, is to pray the family rosary together. You see today how there are many attacks by the devil on the family as an institution. It has been expected over the years to have a couple in love get married in the Church, but you are seeing some couples living together without marriage. You are also seeing same-sex marriages, which are against My Commandments, and they are abominations in My eyes. The devil is attacking marriage to try and cause divorces, which is why I am encouraging the family rosary to be prayed to keep the family together. Encourage your young people to get married in the Church, to avoid living in sin with other unacceptable relationships. When your families break down, your society will break down as well. So pray for families to pray and stay together, and that your young people will follow your example of getting married in My Church."

Sunday, November 5, 2017:
Jesus said: "My people, in the first reading of Malachi, you are seeing a curse put on the people of Israel because they refused to follow the ways of God. America also is being cursed for your abortions and sexual sins against the Fifth

and Sixth Commandments. Your laws are against My laws, and this has brought a curse on your nation. Unless America repents and changes its sinful laws, you will continue to see disasters, and your nation will be taken away from you, as the Jews were punished with the Babylonian Exile. You will be taken over and given to the Antichrist, as you will soon face the tribulation. Be prepared to come to My refuges so you will be protected from the evil ones who want to kill you. This evil reign will be brief, when I will bring My victory over evil, and you will have your reward in My Era of Peace."
Jesus said: "My people, you will soon be preparing to celebrate your Thanksgiving Dinner with your relatives. As your children have girlfriends and boyfriends, your family is expanding. You make many preparations for your meal by buying your food. You even share food with the poor people. In the vision you are seeing even more preparations for meals as you are stocking up food for your refuges. I have told you to initially prepare for forty people at your refuge. I will multiply what you will need, and I will have My angels build more buildings when more people come. Be thankful that My angels will protect My faithful at My refuges from the evil ones during the tribulation. As you see more events occurring, you are sensing how close you are to the tribulation. Be not afraid, and give thanks for all the people who have prepared refuges for My people."

Monday, November 6, 2017:
Jesus said: "My people, I am giving you further visions to ponder the end of your life, as you are coming to the end of the year. Your first thought is how you will face Me at your judgment, as you think of all the things you did in your life, both good and bad. When you go through your life review at the end of your life, I will weigh all of your good deeds against your sins. If you have been faithful to Me, you will avoid hell, and only suffer some time in purgatory. Those people, who have done evil and were not faithful, are on their path to hell. Only if people were praying for such souls, could they be saved. Once you die and you are in your casket, you are relying on your relatives and friends to pray for you, and have Masses said for your soul. You may want to put a request for Masses in your will, to insure Masses will be offered up for your soul. This will help you in getting released from purgatory at an earlier time. You also can pray for a

plenary indulgence on Mercy Sunday to remove the reparation due for your sins. Thinking about your destination with Me after your death, is the best plan you could make to be with Me in heaven for all eternity. You also need to make a good friendship with Me now, because only My friends will be invited to My banquet in heaven."
Jesus said: "My people, you have just witnessed another mass killing in Sutherland Springs, Texas by a deranged gunman who was killing young children. He was chased down and died in his car. This is the third mass killing incident in a short time. You saw a false flag staged mass killing in Las Vegas where many died and were wounded. You also saw an ISIS terrorist kill and maim more people in New York City with a rented truck. Now you have another deranged gunman who killed people in a church service. The focus has been on guns, but it should be on how ISIS people are not followed, and how mental people need to be treated. There are a lot of questions around how these people acquired their weapons and ammunition. It is difficult to prevent attacks on what are called 'soft' targets. You can see that these gunmen are all seeking crowds to kill more people and gain notoriety. These events are being caused on purpose to cause fear and divide your society. Pray for the souls of those killed, and comfort the families of the deceased. Pray for peace and less division in your country."

Tuesday, November 7, 2017: (Election Day)
Jesus said: "My people, today is election day and you are voting for your local offices and propositions. You should be thankful that you are living in a democratic republic where your people can elect their office holders. In the Gospel I am calling out to people to come to My banquet in heaven, but many are giving various excuses not to come. I then called everyone to make a choice to love Me, or the world. Many were called to My banquet, but only a few are found worthy to enter. Only those people, who love Me and repent of their sins, will be allowed into My final banquet in heaven. Others are called, but they rejected Me, or their sins blocked them from entering. You need to give your will over to Me, and let Me lead you to heaven. You also are called to bear fruit in good deeds for your neighbor. I also need faithful souls to evangelize people to faith in Me. Other faithful are being called to set up refuges for My people

during the tribulation. America, as a nation, is being called to renounce your corrupt laws and repent of your sins. Without a changing of your evil lifestyles, you are calling down My wrath on you in all manners of destruction. Your choice is to love Me or not, but you will suffer the consequences of your evil actions."

Jesus said: "My people, I am calling all of My children to pick up your individual crosses and carry them as you unite your sufferings with Me on My cross. I lived a human life on earth in a different time, but I know what you are going through with the restrictions of the body. You have physical needs of food, water, and a place to call home. You need to earn money from your job to pay for your house, your car, and to help your spouse and children if you are married. You need to take care of yourselves with doctors when you are sick or need operations. You share your money and your faith with your neighbors in need. Your lives are constantly changing, but when you pray and come to Mass, I give you the strength you need to bear all the burdens of your life on earth. It is this spiritual life of your soul that needs care, just as your body needs care. You cleanse your soul with Confession, and you have a taste of heaven when you receive Me worthily in Holy Communion. My Body and Blood are your spiritual food to satisfy your soul, and I am the only One to give you peace of mind. I am always at your side to help you in your daily needs and troubles, so call on Me at any time. Trust in Me for all that I do for you, and share your gifts with others."

Wednesday, November 8, 2017:

Jesus said: "My people, there are some people who block Me out of their lives, like this large black wall in the vision. Unless you take down this wall, and open your hearts, how can I come into your lives with My love? You are the ones who can open the door of your heart from the inside to greet your Lord. By loving Me and allowing Me to lead you in life, then I can help you fulfill the mission I have planned for your life. You need to be quiet in prayer, so I can speak to your heart what I want you to do. This involves loving Me and your neighbor by following My Commandments. It is not easy to give up your life and your will over to My Will. By letting Me be the center of your life, you can accomplish great things with My help. You have to count the cost to give everything over to Me. So when you have achieved great things, remember to thank Me and give Me the

glory for what you have done. Do not let possessions control you, because I will provide for all of your needs. I know what you need for your survival before you ask, so I will give you the talents you need to do your work. Be not afraid, but trust in Me for everything, both in your physical and spiritual lives."
Jesus said: "My people, when you are in the darkness of night, it is hard to find your way without a point of reference. I am the Light of the world, and I disperse the darkness that can represent evil. As you approach the winter solstice of December 21, your nights are longer and it gets worse as you go further north. I have asked My refuge builders to secure enough wind-up LED flashlights for each person at your refuge. This was very helpful in your practice run without electricity, or they can be useful in power outages. Even your bright battery powered lanterns were also helpful. These lanterns were better and safer than your oil lamps. Your oil lamps also had trouble keeping the wicks burning. You needed your flashlights to see your way to the bathroom at night, and when you had two people at Adoration during the night. Be thankful that I give you the light of the sun for some warmth as well as light. You also use fuels to heat your houses during the winter, and if you burn wood, you get light from the fire. You are just entering the cold weather, and it is good to have alternate sources for heat, if you lose your electricity. You have wood and kerosene, and the appropriate burners to keep you warm. You could use these heaters for your winter practice run. Be sure to store some extra amount of batteries to power your LED lanterns. Trust in Me to multiply your fuels and batteries during the tribulation."

November 16, 2017
Thursday, November 9, 2017: (The dedication of Lateran Basilica)
Jesus said: "My people, it is good to recognize your body as the house for your soul and spirit. The human person is made up of body, soul, and spirit. Just as the angels are spirits without bodies, you are also spirits contained in an earthly body. I have given you this lesson before, but you need to remember how all three make up a human person. The spirit is how you are conscious of Me, and it is seen as intuition, conscience, and communion with God. The soul is how you are conscious of self, and it is seen in the mind, emotions, free will, and the intellect. The body is how you are conscious of the world through all of your senses. This is why you can think of the body as a holy temple. You all need to

respect this life in every person, whether you are poor or rich, and whether you are young or old. This is why you need to protect life in the womb of the unborn child from abortion, and protect the elderly from euthanasia. Your laws and court decisions are against My Commandments that say you shall not kill another. Your killing is still a mortal sin, whether it is legal in your laws or not. It is always better to obey My laws before man's evil and corrupt laws. Life is too precious to kill, and you need to stand up for My Will before man. Pray to stop abortion and euthanasia."

Prayer Group:

Jesus said: "My people, after a few lost governorships in Virginia and New Jersey, the Republicans are being pressed to make progress on their tax reform bill. It appears that it will take longer to get some compromises, and bring it to a vote. Even the word about taking longer on tax reform caused your markets to falter. Pray that your Congress can pass some form of tax code that will help individuals and your corporations."

Jesus said: "My people, this crime was so evil because this man intended to kill all the people in the church. He fired thirty clips of bullets in less than seven minutes at point blank range. He had a record that should have not allowed him to buy weapons, but the Air Force did not report him. He was an atheist and had a dislike of his in-laws at that church. Because he was shot, he stopped his killing, but died later when he shot himself. Keep praying for the deceased and their families."

Jesus said: "My son, your research showed that radiation is still being poured into the Pacific Ocean, as there has been no attempt to fully stop this pollution. The amount of radiation in the Pacific Ocean is getting worse and it is spreading. Marine life is being affected, and it could be dangerous to eat contaminated fish. The UN and other nations should try to force a meaningful repair to stop this continuing radiation contamination from entering the Pacific Ocean. If something is not done, this ocean will become too contaminated to eat the fish. Pray for a solution to this problem."

Jesus said: "My people, your President has made many enemies in your establishment and among the one world people. Even your Congress is struggling to pass any legislation that would make him look good. Now you are hearing reports of some people who want to kill your President. These people are being examined, but I am sending My angels to protect him. You have had earlier messages that such attempts on the President's life would be coming. Pray for your President's protection from harm."

Jesus said: “My people, there have been many threats by North Korea and the U.S. that could precipitate a possible nuclear war. Keep praying to stop this war that could kill millions of people. There has been little activity recently, but both sides are on a heightened alert for a war. Your President has tried to have China influence North Korea to subdue their missile tests. Trust in My protection of all of My refuges.”
Jesus said: “My people, your freedom requires defending at times in various wars with dictators and communist regimes. You have had to fight communists in Korea and Viet Nam. You have had wars in the Middle East and Afghanistan to fight ISIS and Al Qaeda. If you do not resist these fighters, more will be attacking Europe and America. Support your military people who are fighting your battles, and give them respect on Veterans Day. Keep praying also to minimize wars and the death of your troops.”
Jesus said: “My people, you have seen an unusual amount of rain and wind in your Northeast area. These weather patterns are continuing to be turbulent as you have picked up a lot of tree limbs. Some areas have had power outages, so be prepared with your backups for electricity and heating. You also need to be ready for a cold and windy winter. This is one reason to see if your weather could restrict your traveling. Do not be surprised if you have to cancel some trips because of the severe weather. You have been warned to discern any of your travel plans. Trust in My protection from such weather problems.”

Friday, November 10, 2017: (St. Leo the Great)
Jesus said: “My people, I give everyone an opportunity to search for Me in your life. Your soul is always seeking to find Me and love Me. It is My peace that your soul is searching for. You always have a choice to love Me or not. I do not force My love on anyone. I want you to love Me by your own free will. Once a person truly believes in Me all the time, My angels will place an invisible cross on the forehead of that person. As time draws near to the time of the tribulation, you will be faced with another choice between following a schismatic church, or coming to My faithful remnant at My refuges. I will be separating the non-believers from My true believers. My faithful will be directed to come to My refuges for protection from the Antichrist and his followers. This information will be given to My faithful in their Warning experience. Some people may have

a difficulty in seeing the need to come to My refuges, but they will soon learn that this will be for their protection for their body and their soul. My refuge builders are preparing to accept people into their homes. With the Lord's help, they will be providing all the supplies that will be needed to survive independently from all of your present services. Trust in My help to make the right decisions for your souls to be saved in heaven."

November 16, 2017

Saturday, November 11, 2017: Jesus said: "My people, many of My refuges are found in rural areas away from the cities. It is difficult to have refuges in the cities or suburbs, but with Me, all things are possible. Every refuge will have an angel for protection. This angel may also be the protector of prayer groups as well. My refuges will be safe havens of protection during the tribulation. My faithful will be led to My refuges by their guardian angels. You will look on My luminous crosses, and you will be healed of your ailments. My angels will put a shield of invisibility all around My refuges, and no one will harm you. The angels will only allow people with crosses on their foreheads to enter. Those people without crosses, will not be allowed into the refuge. This is why My faithful need to bring their relatives into the faith, so they can have crosses on their foreheads and be allowed to enter My refuges. My faithful need to keep praying persistently for their families so they can be saved from hell. Give praise and thanks to Me so My faithful will have a place of protection during the tribulation."

(Sunday anticipation Mass) Jesus said: "My people, when someone commits a crime in your society, you put them in jail to pay for their crime. Even in your family, you sometimes have to use tough love in punishments for your children to teach them a lesson. It is similar how I treat souls for their sins as well. I am always willing to forgive repentant sinners, but there is still the reparation due for their sins. When these sinners die, they face Me at My judgment seat. This is why many souls have to be purified in purgatory to make up for all of their sins. This is similar to various prison sentences, only some souls suffer in flames for years, while others need a few Masses and prayers to be released from purgatory. Suffering in purgatory is difficult because these souls are suffering outside of time, and these souls have no way of telling how long they have suffered, nor how much longer they will be in purgatory. These souls are dependent on your

prayers and Masses to move up and out of purgatory. So remember to pray for the souls in purgatory, especially for your own relatives. Those souls, who you have helped get out of purgatory, will be indebted to you, and they will pray for your soul. You all will receive a fair and just judgment, but you can store up treasure in heaven with your good deeds."

November 16, 2017
Sunday, November 12, 2017:
Jesus said: "My people, I instituted the sacrament of Baptism so people could enter into My Church, and so everyone could be cleansed of the original sin of Adam and Eve. You had a flashback of when you took a trip to Israel, and you went to the Jordan River where St. John the Baptist had baptized people. Your vision of St. John the Baptist baptizing Me is one of the few times in Scripture when the Holy Trinity was present. You saw Me in the water, a Dove representing the Holy Spirit in the air, and God the Father said: 'This is My Beloved Son, listen to Him.' This is why you recite the Sign of the Cross when you are baptizing someone. It is the gift of Baptism that calls you to convert souls to the faith so they can be saved from hell. Your soul is pure and clean after your Baptism. You renew this pure soul at every Confession, when your sins are cleansed by the absolution of My priest sons. You can be baptized at any age, and all the saints and angels rejoice over one soul who repents, and is converted to faith in Me. Rejoice at receiving any sacrament, because you have My grace shining in your soul. By keeping close to Me in frequent Confession and Holy Communion, you are on a path to My eternal Presence in heaven."
Jesus said: "My people, when you have the priest for Mass, he brings Me to you in My Blessed Sacrament in Holy Communion. I am the center of your life in your prayer communication with Me. You look forward to receiving Me at daily Mass, and I come into your soul and heart for an intimate union to share My love with you. You have read from St. John the apostle in his Gospel in the sixth chapter: 'Unless you eat the Flesh of the Son of Man, and drink His Blood, you shall not have life in you. He who eats My Flesh and drinks My Blood has life everlasting, and I will raise him up on the last day.' (Jn 6:54,55) When you receive Me worthily in Holy Communion, this is a unique sacrament when you have My Real Presence in the consecrated Host. Not everyone believes in My Real Presence, so I have allowed Eucharistic miracles for people to see My

physical Body and Blood on the Host. At Lanciano, Italy you saw such a miracle where the Host was changed into the myocardial tissue of the heart without any rigor mortis. You saw the wine changed into My Blood that was even analyzed as AB blood type. These miracles were to help non-believers believe that I am truly Present in My Eucharist. Those faithful, who love Me so much, not only seek Me at Mass, but they long to take time to adore Me at Adoration of My Host in the monstrance, or in My tabernacle. My adorers are My special lovers who hold Me close in all of their activities. I love everyone as My created souls, but those people, who show Me such love, are My favorite souls who will have a special place in heaven. Keep close to Me in your prayers and daily Mass,and I will be blessing you in all that you do each day."

Monday, November 13, 2017: (St. Frances Xavier Cabrini)

Jesus said: "My people, today you are celebrating the feast day of St. Mother Cabrini, who is a patroness of immigrants. You are aware of how she set up orphanages and schools for the immigrants of New York City. She also founded the Missionary Sisters of the Sacred Heart of Jesus. I have asked My faithful to imitate the lives of My saints. You see how she had a great love to help people, and share her love of Me with others. So My faithful can also reach out in love to welcome people, and share their love of Me with others as well. You are going to face people who are angry, and hard to love, but you need to love everyone, and see Me in every soul. This is not easy to live My love for even your enemies and persecutors, but I am asking you to strive for perfection by loving everyone as I do. I am all love and this is why I love you, and why I want you to love your neighbors as yourselves. My Commandments are all about love of Me and love of neighbor. So even if people do not love you in return, you still need to reach out and love people."

Tuesday, November 14, 2017:

Jesus said: "My people, you are seeing the same misty spirit that you see standing next to the caskets at people's funerals. Their bodies are cold like the

winter snow, because there is no more life in their body. You will still feel alive after death, but your spirit will be separated from your body. After the spirit stays around the body a few days, it is called before Me for its particular judgment. It is then that each person will see their death's life review, and you will receive a fair judgment to purgatory, heaven, or hell. My faithful may have to be purified in purgatory, because more is expected from those people who have received more gifts and graces. Over time My faithful will all join Me in heaven. Those people, who live through the tribulation at My refuges, will have their purgatory on earth. You will then be rewarded in My Era of Peace, and later in heaven. The evil people will be judged to the eternal flames of hell, where the demons will torment these souls forever. Keep praying for your relatives and friends so they can be saved from hell. Trust in Me to guide you on the right path to heaven."

Jesus said: "My people, I have been warning you about earthquakes and volcanoes. You had a 7.3 earthquake on the Iraq/Iran border that has killed almost 500 people. You had another 6.5 earthquake in Costa Rica in a less populated area. Now, you are seeing a volcano erupting close to Mexico city. If this volcano has a major eruption, it could endanger 20 million people. These events are the natural disasters that I have been warning you about that could endanger your lives in your travels. Keep alert in your news as you travel to your talks. Some of these events are natural, but some can be triggered by the HAARP machine. Give thanks to Me when My angels protect you from any disasters."

November 30, 2017

Wednesday, November 15, 2017: (St. Albert the Great)

Jesus said: "My people, today's Gospel is all about healing in faith, but also about giving thanks to God for all of your blessings. Many people pray for healing of themselves or others. You may also pray to get a job or some financial help. You are very sincere in your prayer requests, and your prayers could be answered because of your faith in Me. But once you receive what you have been praying for, only a few remember to come to Me in thanksgiving. This is true when the ten lepers were healed, and only a Samaritan returned to give Me thanks. You need to be just as sincere in your thanks, as you are in your prayer requests. There are many things that I bless you with which you did not ask for, but you need to thank Me for all the good things in your life. There are even

trials that I send you that change your life, or help other people. Thank Me for all that I send you, both good and bad."
Jesus said: "My son, you have been warned that from now on, you need to discern if it is safe to travel or not. You also will be tested more by the evil ones who want to keep you from giving your talks. I have told you to pray your long form of the St. Michael prayer, especially on route to your talks. You forgot this prayer on your last trip, but your rosaries protected you. The souls in purgatory were most appreciable for your extra rosaries. You had a long flight time, and you even had more time for some rosaries. Remember not to waste your time on frivolous activities. When you are traveling in your van, it is easier to remember your prayer in the glove compartment. Even when you are not traveling to a talk, you could still pray for safe travel. You have My angels with you, so you could invite them to protect you, and guide you on to the right roads. Take your time and drive carefully. When you rush too much, you make mistakes. You have seen many severe accidents on the road, so try to avoid any accidents around you. The evil ones are trying to attack you, and this is why I am giving you all of these precautions."

Thursday, November 16, 2017: (St. Margaret of Scotland)
Jesus said: "My people, My apostles asked Me about the Kingdom of heaven, and when I would return. I told them the Kingdom of heaven was upon them in My Presence. Once I died on the cross and resurrected, I lifted the bonds of sin, and I opened the gates to heaven. Now, you have My Real Presence in My Host at the Mass, and I am always with you sacramentally in My tabernacle. You are temples of the Holy Spirit, who keeps you alive, but We are Present with you in your spirit and soul. Your soul's light of grace is not present in mortal sin, so confess your sins to renew your soul's grace. At the end of time, you will see My return with Light in the sky, as I will come in spirit on the clouds, just as I left My apostles in My Ascension into heaven. Do not look for Me sooner, because the devil and the Antichrist will try to imitate My coming. Be prepared for My return with a pure soul from frequent Confession. You do not know when I will return, and you do not know the day nor the hour. Be like the wise virgins who had extra oil for their lamps, and not like the foolish virgins who were locked out of My wedding banquet."

Prayer Group:
Jesus said: “My son, today you had to use your own monstrance to hold My consecrated Host. This was because the old monstrance is being upgraded, and it was not present. Seeing My Host in your monstrance, is a forerunner for when you will have perpetual Adoration in your refuge. Then you will be allowed to have My consecrated Host in your chapel. During your practice run, you had people praying every hour, but without My Host. Your refuge people will have daily Holy Communion either from a priest or from My angels. Rejoice in your Adoration hour to be united with Me.”
Jesus said: “My son, for many years your daughter, Jeanette, and her family have driven to your house for Thanksgiving Day dinner. Now, you are going to her house for a change. When her children have grown up, it is hard to get them to come together with college and work schedules. Pray for safe travel, and enjoy being with your daughter and family.”
Jesus said: “My people, you are seeing many shootings with near automatic weapons. Now five more people are dead in California. In many of these cases such people should not be able to purchase weapons with their violent history. Even when the police were warned about this man firing many rounds at his house, they should have searched the house, and they should not be stopped at just a closed door. People with violent histories should be checked more when neighbors and others are threatened.”
Jesus said: “My people, you just saw the House of Representatives pass their version of tax reform for businesses and individuals. The Senate’s tax reform bill is somewhat different, and there are some Republicans voicing their opposition. You have not had any tax reform legislation since President Reagan. If the Republicans cannot push such tax reform through the Congress, then their party could lose power to voters who are frustrated without them passing any meaningful legislation to the President. Pray that a better tax code could be found to help your individuals and your businesses.”
Jesus said: “My people, many people will be traveling for Thanksgiving week all over your country. In the Northeast you are seeing some forecasts of lake effect snow, and some windy conditions. My son, you need to pray for safe travel and keep an eye out for bad snow storms on your return. Many people will be on the roads that could cause some accidents in bad weather. Pray your long form of the St. Michael prayer both going and returning home from your daughter’s house.”
Jesus said: “My people of America, you have a lot to be thankful for in your jobs and your many possessions. You also should thank Me for having your beautiful

families. When you have so much, you need to share your prayers and donations with those people who are less fortunate. You have been giving many donations to all the hurricane victims in Texas, Florida, and Puerto Rico. The poor also need your help, especially at your local food shelves. Do not forget to share what you can for the poor this Thanksgiving."
Jesus said: "My people, your shopkeepers are preparing for another Christmas shopping season. Some of you also need to make preparations for winter weather with hats, gloves, boots, and good coats. You may have to get new things if you cannot find last year's clothes. Advent season is also a good time for Confession in addition to preparing your gifts. You soon will be getting out your Christmas decorations, and I love those families who present My Nativity Scene, which is the reason for your season. Keep focused on the coming end time readings as you approach the beginning of Advent."

Friday, November 17, 2017:
Jesus said: "My son, when you look at the length of time you live on the earth, it is a very short time. You have lived for seventy-five years, and it is hard to say where all the time went. You are married and have children, and now you are seeing them bring up their own children. You worked for over thirty-five years, and now you have spent over twenty-four years working on My mission of saving souls. You are seeing how important it is to save souls from hell. Your prayers also are important when you pray for sinners, the souls in purgatory, the stoppage of abortions, and for peace in the world. Coming to Mass in the morning, adoring Me at night, and praying your three rosaries and your Divine Mercy Chaplet are your daily Presence with Me. I wish everyone could be so faithful. People need to work on loving Me, and loving their neighbors with their good deeds. You can help people physically with any of your skills. You can pray for them, or give them donations. Try to do everything out of love for Me, and you will gain more merits in heaven. As you look at your life, you can thank Me for all of My gifts, graces, and all the opportunities to help people. I thank you also for all that you have accomplished with the gift of time that I have given you. Continue to pray for your relatives and friends, and keep striving for your perfection with My help. I am interested in following all of your lives every

day. Keep Me close in your heart, and keep your souls pure with frequent Confession."

Saturday, November 18, 2017: (Dedication of St. Peter and St. Paul Basilicas)

Jesus said: "My people, in the Gospel I said: 'When I return, will I find any faith on the earth?' In your world of today you are seeing signs of evil all over in your abortions, euthanasia, wars, mass killings, pornography, and many sexual sins of prostitution, fornication, adultery, and homosexual acts. The worst sign is how fewer people are coming to Mass on Sunday, and fewer people are coming to Confession also. You will see the faith of people declining with churches closing, and a division in My Church between a schismatic church and My faithful remnant. Heresies and New Age teachings will come into the churches, and My faithful remnant will eventually have to have Masses with the proper words of Consecration offered in the homes by a faithful priest. Later, you will need to come to My refuges for protection from the evil ones by My angels. You will see an increase in the persecution of Christians, and some people will be martyred for My sake. Trust in My protection, as your guardian angels will lead you to My refuges at the proper time. This is the end times, and you need to keep the faith amidst all the temptations of the demons and evil people."

Sunday, November 19, 2017:

Jesus said: "My people, when you come into the world as an infant, you are baptized into the faith that will mature later in life. You have an opportunity to train in college for whatever profession that you desire. If you get married, you can use your physical talents to support your spouse and your children. You can also use your gift of faith to bring your children up in the faith, and help save souls from hell. You can also share your talents and donations with those people in need. The more talents you are given, the more that will be expected of you at your judgment. In the Gospel you saw the one person ,who was given five talents, was able to earn five more. But do not be like the third person, who buried his master's money, because those people who do not use their talents,

will answer to Me. If they refuse to believe in Me and refuse to love Me, then they are on a path to judgment in hell. Use your talents and faith well, and you will have My reward in heaven."
Jesus said: "My people, I have given you several messages of an earthquake along the San Andreas fault line. What is new about this vision, is the immediate destruction along this fault. You have not seen much activity in this area, and it is overdue for a major earthquake. Such a large event could trigger a martial law because of the damage. I have also shown you in past messages that such a severe earthquake could trigger a possible eruption of the super volcano under Yellowstone National Park. Such an eruption could kill thousands of people and ruin your crops with much dust, that could even change your weather. You have been praying your Reparation Masses for the souls who will die suddenly without preparation for their judgment. Continue to pray for such souls for all the disasters all over the world. Trust in My protection during the coming tribulation. You will see many disasters, and the evil ones killing people, but I will protect My faithful at My refuges."

Monday, November 20, 2017:
Jesus said: "My people, you read in the Gospel how I asked the blind man, Bartimaeus, what I could do for him. He asked that he could see. Then I healed him so he could see, and he rejoiced, and gave praise to God. He then followed Me and witnessed to his healing. There are many people, who are blind to seeking Me in faith. Some people wish to remain in their sin, and are blind to Me as their Lord. Those people, who love Me and see Me clearly in faith, are on the right path to heaven. Those people, who ignore Me, or reject Me, are on a broad path to hell. The Israelites worshiped false gods, and I punished them with all kinds of destruction. When your people of today worship false gods of pride, possessions, and fame, then you will see many natural disasters as a punishment for violating My First Commandment. You are to worship only Me, and you will suffer for worshiping things that will pass away. See your Lord first, for I am eternal, and if you are faithful, you can rest with Me in heaven for all eternity after this life. Seek My Light and avoid your blindness of sin in the darkness of evil."
Jesus said: "My son, you are starting to get a few inches of snow, even as you

are seeing icicles and snow in your vision. The leaves have been slow to fall because you had a warm fall. You will be fortunate to rake up your leaves before the snow will stay on the ground. As fall comes to a close in another month, your next season of winter is coming upon you. You may want to put some insulation around the outside of your house to help preserve the heat you generate. Be always prepared to use your backup heaters, if your power is out for longer than a week. You have wood and kerosene for your heaters, as well as your propane generator. You have seen people putting in natural gas generators for backups, as long as natural gas is available. All of My refuge builders also need to have backup heaters and fuels to keep warm this winter. If you have time for a winter practice run, you can see how warm you will be if you turn off your natural gas heater, and use your alternate heaters. Trust in Me to provide for your heat and fuels, as well as your water and food."

Tuesday,November 21, 2017:(Presentation of the Blessed Virgin Mary)

Jesus said: "My people, in the Gospel you read the story of the rich man, Zacchaeus, who climbed a sycamore tree to see Me. I told him that I would stay at his house tonight, and he changed his life in converting to the faith in Me. When I was on the earth, I healed people, and I converted many people to believe in My way of love. I sent My apostles out to evangelize souls, and I am sending out My faithful of today to work on converting souls. In the vision you could see the flames of hell at the bottom of a chimney. You do not want to see any soul lost in hell, so you need to share your faith with as many people as possible. By reaching out to save souls, you can keep them from being lost forever in the flames of hell. Call on My help and My angels to save as many souls from hell as you can."

Prayer Group:

Jesus said: "My people, this is still the month of November when you honor all the veterans of your wars. It is not easy to go into combat where you could be killed in war. Thank those people who died, and those soldiers who survived their wounds. You still have troops fighting in Iraq and Afghanistan. You also have troops stationed in South Korea. Pray that there is no war with North Korea."

Jesus said: "My people, you need to pray for your Congress people and your

Senators that they are able to find a compromise to pass some major legislation that is needed for your tax reform and other budgets to keep your government running. I am showing you the President signing a major bill that is needed for your country's prosperity. Pray for all of your government people to do their jobs properly."

Jesus said: "My people, at all of My final refuges, you will see a Byzantine shaped cross in the sky that is giving light by itself. When My faithful come to My refuges, and look upon this luminous cross in the sky, they will be healed of all of their ailments. In the vision you are seeing a man healed of an injured foot. Give praise and thanks to Me for any healing that you receive."

Jesus said: "My people, on Thanksgiving Day many of your relatives come together to celebrate a meal and enjoy each other's company. You have many things to be thankful for in your health and when prayers have been answered. Remember to give thanks to Me when I answer your requests. Be like the Samaritan leper, who was healed, and returned to thank Me for a healing. You can thank Me for your faith, and all the things I have given you."

Jesus said: "My people, those refuge builders, who had enough money to start and finish their refuges, need to give Me thanks that they could build what is needed for people to come to a safe place. My builders are given the inspiration and finances to carry out My call to set up a refuge. Every refuge requires planning and materials to build what is needed. I send you angels and the project ideas how to build what is needed for the people who will come. Even if your projects are not completed, I will have My angels finish them for the people to use them."

Jesus said: "My people, you may have to leave for your refuges in less than twenty minutes. This is why My faithful will need to pack a bag for your journey to the nearest refuge. Keep it handy so you can put it in your vehicle and leave quickly. When you hear My inner locution to leave, you must leave immediately. Call on Me and I will have your guardian angel lead you with a small flame to the nearest refuge. The angel will put an invisible shield over you so you will be protected from the evil ones, both on your way and at your refuge."

Jesus said: "My people, you are so fortunate to live in a country that has a democratic government of three branches: Executive, Legislative, and Judicial. You have freedoms under your Bill of Rights that is much better than atheistic communist countries. You can vote for your leaders, and you also have freedom of religion. As you remember things to be thankful for, you can be thankful that you live in a free country founded by your forefathers who gave you your

Constitution and Declaration of Independence from England. You also can thank Me for protecting you from any persecution."

November 30, 2017

Wednesday, November 22, 2017: (St. Cecilia)

Jesus said: "My people, in the Book of Maccabees you read how seven brothers and the mother were martyred for their Jewish customs and beliefs. They believed in God, and they preferred to be killed rather than give up their traditional beliefs. St. Cecilia was also martyred for her faith in Me. As you approach the end times, you will be persecuted for your belief in Me. You need to ask yourself if you are ready to die for your faith, if you were forced to decide between believing in Me, or living in an evil world. This will test how strong you believe in Me, and love Me. I will provide protection for My faithful at My refuges, so I will not leave you as orphans. Trust in Me, and you will have your reward with Me in heaven."

Jesus said: "My people, your President has won his office, but the Republicans cannot keep together to push legislation through the Senate. They have control of the House and Senate, but there are enough establishment people to block any serious legislation. If a single party cannot pass tax reform, your President may try reaching out to the Democrats to pass some compromised tax reform. I mentioned before that your President will have difficulties getting his legislation through Congress. Compromising with the Democrats, may be his only chance to pass tax reform. If there is no sign of passing tax reform legislation, your markets may come under downward pressure. If the markets drop 20% or more, you may see your legislators move faster to protect your economy by passing some form of tax reform. Your markets are patient, but they will not wait forever. Some of the rise in your markets has come from expecting a change in your tax code. If there is no reform, there will be consequences. There may be more changes in these bills, because the rich corporations stand to gain more than individuals. Some see the rich getting more favored treatment, so individuals may need more help than your corporate gains. Pray for a fair treatment of your middle income people, who are paying most of the taxes."

November 30, 2017
Thursday, November 23, 2017: (Thanksgiving Day)
Jesus said: “My son, as you think about all of your blessings, you have a lot to thank Me for, just as the healed leper thanked Me. You have a wonderful family of your wife, your children, your grandchildren, and even your great grandchildren. You have many friends in your neighbors and your prayer group. You have been blessed with a gift of faith, your mission in My messages, and now your refuge. You were blessed with a good job and several inheritances. You also are blessed with good health and a healthy spouse. You are blessed again with living in a free country. You have everything you need, and you have been generous is sharing your faith, time, and donations with others. Your prayer life is a wonderful gift to Me, as well as your ‘yes’ to My missions. Keep praising and thanking Me for all of your blessings. Continue your prayers for yourself and your family.”
Jesus said: “My people, I am showing you My planned wedding banquet in heaven where My feast will be better than any of your feasts on earth. You think you have a great feast at your Thanksgiving Dinner, but it does not compare to heaven. Only purified faithful souls are allowed through the gates of heaven. Life here on earth is passing away, but life with Me is forever glorious in heaven. Do not be attracted to things of the earth, because they have no value in heaven. Only your good deeds and a holy life will have value in heaven. Your life here is very short compared to eternity, so make the most out of your life while you still have time. You all will meet Me at your judgment when you die, so keep your soul pure with frequent Confession. I love all of you, and I desire to save all of you, but I cannot force your free will to love Me. You need to confess your sins, and ask My forgiveness in order to come to My eternal banquet.”

Friday, November 24, 2017: (St. Andrew-dung Lac)
Jesus said: “My people, in the Gospel you heard how My zeal for the Lord’s house consumes Me, when I turned over the tables of the money changers in the Temple. At that incident the Jewish leaders wanted to kill Me, but the people were attentive to My words and My healings. You are about to see another evil come into My churches, when New Age teachings and heresies will be dividing My Church. These evil ones will be in line with the Antichrist, so My people

will need to have secret Masses in the homes. Later, as My faithful remnant will be persecuted for believing in Me, they will need to come to My refuges for the safety of body and soul. Trust in My protection during the tribulation."
(Black Friday) Jesus said: "My people, your country is known for having many shoppers with expensive tastes on a low budget. Most people, when they shop for gifts, are trying to get the most value for their money. Materialism is running rampant, especially around Christmas. Many of the ads and business people are trying to entice you to buy many things that you do not need, but you are attracted to the newest things that many people are buying. If you take away the lights and excitement of buying something new, you may see deep down, you do not have to have the latest new gadgets. Do not be controlled by new things, and only buy what you truly need. You also need to buy only those things that you can afford. You should see that loving Me is much more satisfying for your soul, because I offer you eternal life, while the devil only offers you temporary pleasures. When you realize how new things quickly become outdated and need constant repair, then you see how they have a false facade to attract you. So do not make gods out of your money or material things, because you depend on Me for everything. Trust in Me, and I will provide you with what is needed for your survival."

Saturday November 25, 2017:
Jesus said: "My people, the Pharisees and Sadducees did not believe that I was the Son of God and the Second Person of the Blessed Trinity. The Pharisees believed in the Resurrection, but the Sadducees did not believe in the Resurrection. The question of which of the seven brothers would be the woman's husband in the next life, would only have meaning for the Pharisees. I told them that they were badly mistaken, because the faithful, who become saints in heaven, are like angels, and they would no longer get married. You will be giving Me praise and glory in heaven, and you will thank Me for being in heaven by My death and Resurrection. I have offered you My sacrament of forgiveness in Confession, and I have opened the gates of heaven. So keep your souls pure and holy by frequent Confession, so you can come to heaven with Me for all eternity. After the end of time, and at My last judgment, then all of My faithful will be resurrected with a glorified body. Rejoice to live after your death,

because I am building your mansions in heaven."

Sunday, November 26, 2017: (Christ the King)

Jesus said: "My people, this feast of My Kingship shows you My power over all of creation, including the devil and his evil angels. Today's Gospel is a preparation for My coming in the end times. All of you will be judged, and you need to see if you are My sheep, or one of the goats. This means whether you love Me and your neighbor, or you ignore Me and refuse to love Me and your neighbor. If you want to come to heaven, you need to do more than just call Me: 'Lord, Lord.' You need to show Me your love in your actions, and come to Me every day in prayer to acknowledge Me as Lord of your life. Make friends with Me now, because you do not want to hear Me tell you: 'I do not know you,' since those people will be sent to hell. You also need to show Me how you loved your neighbor. You could love them by providing food and water to the victims of your hurricanes. You could help your less fortunate neighbors by supporting your local food shelves of soup suppers as you feed the poor. You could share your old clothes to clothe the naked. You could also share your faith in teaching children in your CCD programs, or help new converts in your RCIA programs. You could help the homeless find shelters. You may even have to help your family and friends financially when they lose their jobs or they are sick. When I see how you love people with good deeds, you are helping Me in them. These loving souls will have their reward in heaven. Woe to those people who ignore loving Me, or who refuse to help their neighbors, because these people are on their way to hell. My faithful need to be ready by loving Me and others with your daily actions. Then at the judgment, I will welcome you into My great wedding banquet in heaven."

Jesus said: "My people, I thank all of you for praying the rosary, even in this cold weather, as you celebrate My feast of Christ the King. In the vision you see how My Blessed Mother leads you to Me through the rosary. The Mysteries of the rosary are all about the major events in both My life and that of My Blessed Mother. I thank all of you who pray all the 15 Mysteries every day. My Kingship is a foreshadowing of My coming judgment. I will cleanse the earth of all the evil ones. Evil may appear to be winning for a while, but I am allowing this time to test My faithful. In the end you will see My victory, as My power is greater

than any creature. Rejoice in My Kingship over the universe, and keep your focus on Me on your path to heaven."

Monday, November 27, 2017:

Jesus said: "My people, when I will come on the clouds, you will see Me as Christ the King, and the angels will be singing My praises at that time. You are getting close to the end of the Church Year, and you are reading the end time readings. Next week begins Advent, and you will be preparing for Christmas with all of your Christmas songs. Already your shop keepers are having continuous Black Friday sales to draw people into their stores. There is more to Christmas than buying gifts for your family and friends. You can also pray for the saving of souls in your families. It is a nice gesture to send gifts and Christmas cards to share your love with family and friends who live at a distance. Rejoice on these feast days when you are singing many beautiful hymns."

Jesus said: "My people, at certain points in your younger life you desired to have the newest and best electronic devices that you could buy. After you bought your devices, there was a big let down, because they did not really give you the joy that was anticipated. It was the craving before your purchase that kept your interest. Now you see that such earthly cravings never really satisfy your needs. Your old devices work just as well, and you really did not need the newest device to get your work done. Your spiritual cravings to be with Me are always satisfied in your soul in Holy Communion. I satisfy your desires much better than any earthly object. It is My love for your soul that you enjoy the most. Earthly objects are cold, and they are not capable of loving you. You can always trust Me that I will always love you, and I will give you the grace to accomplish your mission. You are never frustrated with Me, as you may be frustrated by your friends or your physical things. You can depend on My love, but human love can fail you at times. So cling to Me in all that you do, and I will get you through your problems. When you love Me and seek My forgiveness of your sins, you will see My reward in your lives. You may be tested at times, but you will learn from your mistakes. Seek Me first, and everything else will be given to

you.”

Tuesday, November 28, 2017:

Jesus said: “My people, a time is coming when all the leaders of the nations will be seated at a round table with the Antichrist, and they will be smoking cigars and proud of themselves. Then the Antichrist will betray all of them, and they will be killed, so he can assign his own leaders. You are about to see an evil that you have never seen before. When the Antichrist declares himself and the tribulation begins, most of My faithful will already be at their refuges of protection. The Antichrist will have all believers in Me killed, if they did not reach their refuges. Those people, who do not serve this evil one, will also be killed. Be thankful that My angels will shield My refuges from harm, and they will finish any buildings, and provide food and daily Holy Communion to My faithful.”

Jesus said: “My people, I have mentioned before that your life on earth is like you are acting on a stage with everyone looking at you. In this vision you are seeing all the saints and angels who are looking down on all the actions of the people on earth. This is how St. Therese was looking down on My son’s actions, and how she gave some messages on how to correct his life. You truly are on a stage, but you did not realize how all of heaven is watching every person. In a similar way, all the souls in purgatory are watching you as well. This is how all the souls on earth are linked with the Communion of Saints, both in heaven and in purgatory. This is another reason to be on your good behavior at all times, because these souls are watching your every move. You can call on the saints in heaven to be intercessors for your soul to gain spiritual help, and for protection, as with St. Michael. These saints are better mentors than anyone you could find on earth.”

End November 2017

December 2017

Wednesday, November 29, 2017

December 14, 2017
Wednesday, November 29, 2017:
Jesus said: “My people, in the Book of Daniel, you read how the king mocked Me by drinking from the sacred vessels that were taken from the Temple of Jerusalem. He also praised gods of gold, silver, and wood. As a punishment, there was a hand writing on the wall: Mene, Tekel, and Peres which was a sign interpreted by Daniel. This was a sign of the downfall of the king’s reign, as he was soon to die and be taken over by the Medes and the Persians. There is a lesson here for America because many of your people are worshiping false gods of money, possessions, fame, and sports. You are killing My babies in the womb, and you are mocking marriage by living together in fornication and homosexual marriages. In the vision you are seeing a tsunami on the West coast, caused by an underwater earthquake. This is a sign on the wall of how America will be brought down by natural disasters. When your lives are in danger, I will warn My faithful to come to the nearest refuge for your protection.”
Jesus said: “My people, now that North Korea has a capable ICBM that can carry several warheads, they are in a position to use their technology to take down America’s electric grid. With multiple warheads exploded up high, they could cause an EMP attack on America’s electrical grid that is vulnerable to such an attack. If any missiles come close to America or its allies, you could see a massive war that could involve nuclear weapons. Seoul is the capital of South Korea, and this city could be destroyed in any conventional war. Any war could involve thousands of people being killed. Unless there is an initial attack by North Korea, South Korea would not start a war. America would only strike back if North Korea makes an aggressive move. Keep praying that these missiles are not used to start a war. With both sides on full alert, there could be one mistake or miscalculation that could trigger a war.”

December 14, 2017
Thursday, November 30, 2017: (St. Andrew)
Jesus said: “My people, you are seeing more natural disasters all over the world, as with this huge volcanic explosion in your vision. There is a large volcanic disturbance on Bali island in Indonesia, where airplanes are not flying near it.

The recent earthquake activity in this area has triggered this volcano. Sometimes the smoke and dust can affect the weather in this region. When you will see major earthquakes on your West coast, you will see tsunamis and possible volcanic activity as well. This is a preview of what is to come. In the Gospel for the feast day of St. Andrew, you are seeing Me call My apostles: St. Peter, St. Andrew, St. John, and St. James. They all dropped what they were doing, and they followed Me. When I called you, My son, you were happy to give Me your 'yes' to your mission, even though you did not know what it would be. When people follow Me in faith, there is no care about the consequences. You just go forward with My Word. Those people, who are called, need to have a good prayer life every day, so they do not lose their gifts, nor the direction of their missions. Give praise and thanks to Me for all that I do for My faithful souls. They will have their eternal reward with Me in heaven."

Prayer Group:

Jesus said: "My people, you have been given many messages from various visionaries that are telling you to repent and change your evil ways of living. In order to get your attention to change, I am unleashing some angels to send more natural disasters upon the earth. These earthquakes, famine, and pestilence are also signs of the coming end times. Be prepared with Confession, as you will soon see an increasing persecution of Christians by atheists and Muslim terrorists. Be prepared also to come to My refuges for safety."

Jesus said: "My people, I have heard your groaning about the evil on earth, and you keep asking Me why am I allowing such evil. It is My Will at what time I will bring My Warning to show people their sins. The evil things have gotten worse over time, and your sins are crying out for My justice. The Warning will be very difficult for people to see their sins as I see them. Some people will be frightened, but others will not change their ways. You will see My first judgment on your souls, and some people will repent and be converted. The Warning will be the beginning of the many events that will test your faith."

Jesus said: "My people, one day you will see Me in Spirit as I will enter through the Golden Gate of Jerusalem to bring My judgment against all of your evil nations. I will be leading My angels and holy people against the Antichrist and the evil ones at the Battle of Armageddon. Evil will be defeated and I will bring My Comet of Chastisement against the earth, and there will be three days of darkness. The evil ones will be cast into hell, and I will renew the face of the earth. I will then bring My faithful down into My Era of Peace."

Jesus said: "My people, I see your people praying before Planned Parenthood

abortion clinics. I hear your prayers, and I will be changing hearts in the Warning so only a few abortions will occur. Those people, who continue to defy My laws after the Warning experience, will suffer more severe punishments. Evil will increase greatly when the Antichrist declares himself. I will protect My faithful at My refuges, but some will be martyred for believing in Me."
Jesus said: "My people, you are ending your Church Year, and you will soon start your Advent Season in preparation for Christmas. You can see some people have already put up their lights for Christmas outside. Some people are also putting up their Christmas trees and Nativity Scenes. God bless those faithful people who put up Nativity Scenes on their porches to witness My true coming at Christmas. I am happy that you are again wishing people a 'Merry Christmas' despite those people who are calling for politically correct words."
Jesus said: "My people, you spend a lot of time and money to share gifts with your family and friends. You are generous to show your love for people. When you give cards with your gifts, tell each person that you are going to pray a rosary for that soul. This spiritual gift will be much more valuable than any expensive gifts. It is very beautiful to bring all of your families together to celebrate My birthday at Christmas."
Jesus said: "My people, listen closely to the beautiful readings at Mass during your Advent Season. You could come to daily Mass, confess your sins in Confession, and do a little fasting between meals. Take time during Advent to do some extra spiritual reading, and some extra prayers for those members of your family who are away from Me. Pray for their conversions constantly to help save their souls. You can also do some extra deeds of charity by helping people with their problems. At the end of Advent, then you can bring your gifts to My crib at Christmas."

December 14, 2017
Friday, December 1, 2017:
Jesus said: "My people, I am showing you a vision of a black, ugly tar pit, that represents the mortal sins on many souls. I want you to see what I have to look at every day. All of these souls have the potential to seek My forgiveness, and stop living in their daily sins. The problem is that these people enjoy the pleasures of their sins more than loving Me and experiencing My love for them. Because of man's turning away from Me, you are seeing the need for Me to send My

Warning upon the earth. The people do not see the connection between their sins and My punishments in their disasters. This is why I will have to awaken all souls to see how much their sins offend Me. The Warning will save some souls, but there will still be a lot of souls being lost, if no one prays for them."

December 14, 2017
Saturday, December 2, 2017:
Jesus said: "My people, today you are celebrating the last day of the Church Year, and you are being reminded of how I will one day come on the clouds to judge all of humanity. The Book of Daniel speaks about the beasts who will come, and they will be allowed a brief reign of less than 3½ years. In the Book of Revelation it speaks of the coming Antichrist and the False Prophet who will reign over the world during the tribulation. Everyone will live through the suffering of the tribulation, and some of My faithful will suffer martyrdom for My Name's sake. I will not leave My faithful as orphans, because many of My faithful are being called to set up refuges for this end time tribulation. I will separate My sheep from the goats, as all of My faithful will be led to My refuges, and they will enter with a cross on their foreheads. Once the evil ones are separated from My faithful, I will bring My Comet of Chastisement upon the evil ones as a victory over the Antichrist and the evil ones. The evil ones will be cast into hell. Then I will raise My faithful up into the air, and I will renew the face of the earth. I will then bring My faithful down into a new earth of My Era of Peace. There you will live a long time, and be prepared as saints to enter heaven at your death. Rejoice in My victory, as My faithful will share their reward with Me in heaven for all eternity."

December 14, 2017
Sunday, December 3, 2017: (First Sunday of Advent)
Jesus said: "My people, the Gospel speaks of watch and prepare for My coming. My first coming is all about the preparation for the coming of a Redeemer that was promised ever since Adam's sin. This is the beginning of the Season of Advent, and the beginning of another Church Year. My people also need to be

watchful today for when I will come on the clouds to judge everyone on the earth. During this Advent Season, you could be more concentrated on prayer and fasting, much like you do during your Lenten Season. You could make some extra sacrifices as coming to daily Mass, and fast between meals for the souls in purgatory. You can make some extra sacrifices of helping the poor either through your food shelf, or direct donations to poor people. All of these extra sacrifices can be thought of as gifts that you bring to My crib. You are helping Me in the poor people who you are reaching out to. You can also reach out in prayers for the poor, and even share your faith in converting souls to the faith. I love all of My faithful, and I thank you for all that you do to help your neighbors."

December 14, 2017
Monday, December 4, 2017:
Jesus said: "My people, I want My people to love Me and your neighbors as yourselves. I also want you to love your enemies and persecutors. You remember when I told you if someone slaps you on one cheek, you are to turn the other cheek. I want My people to apply this love every day. You are to be humble and kind to everyone, so you can practice your patience. You can defend yourself within reason, but do not make a defense if people criticize you for believing in Me. Those people, who commit evil against you, will have to deal with My justice. Do not judge people, but leave that up to Me. By loving everyone, you will be imitating My love for all the people."
Jesus said: "My people, I told you that I allowed your President to win to give you a reprieve from the liberal one world atheists. You can see how liberal one world people are instrumental in fighting your President over everything he does. He is trying to push through a needed tax reform that would allow your businesses to be on more of an equal playing field with other countries that you trade with. He is trying to push through the oil pipeline, control your immigration of radical Muslims, and take back the land given away by your previous Presidents. The one world people are trying to stir up an impeachment, but your President is winning in some of his battles. There is a possibility of a civil war led by the one world people against your President, but the military is standing behind him. Pray that God-fearing people will win for awhile, before the evil one will be allowed his brief reign. Trust in Me, and come to My refuges when your lives are in danger."

December 14, 2017
Tuesday, December 5, 2017:
Jesus said: “My people, for three hundred years after My birth, Christians were being persecuted and killed. This is why My faithful were hiding in the catacombs where they buried the dead. You have been to Rome to see the catacombs, which were underground tunnels and caves. You are about to see another time, when you will again see the Christians persecuted, and even martyred as in some countries today. This is why I am having My faithful set up refuges for a safe place to hide from the evil ones, who want to kill God’s people. My faithful will be hiding in caves as well. You are looking at your future with this vision of the catacombs. Trust in Me and My angels to protect My faithful.”
Jesus said: “My people, you have some delicate electrical components that run your power grid. When you have a power surge, it acts like a short circuit, and all of your power could go down. I have talked about EMP attacks from bombs and solar flares. If you had too much power put into one line, or if the power is not in the right phase, you could have a short circuit to your power grid. You have prepared yourself with solar panels and batteries to store your generated power. Solar panels do not work well between December and March. This is why you need a propane generator to give you some power for short periods of time. You have a back up source of heat with your wood burning stove. You also have a kerosene burner with both fuels for awhile. You would need multiplication of your fuels, food, and water for people to survive at your refuge. You may not be able to rely on your natural gas if the pumps stop working. You have some propane that would need multiplying to run your generator. You have plenty of trees that you could cut down for heating. Be thankful that I have directed you to prepare all of your backups. Trust in Me to feed you, and keep you warm during the tribulation.”

December 14, 2017
Wednesday, December 6, 2017: (St. Nicholas)

Jesus said: “My people, you are celebrating the feast of St. Nicholas who was known to share gifts with the poor and the children. This is part of the tradition you have in sharing gifts with your family and friends on Christmas. In the Gospel I was healing the sick and the blind. Then I wanted to feed the people who were with Me for three days. So I multiplied the seven loaves of bread and the two fish so everyone could be satisfied, and still they collected seven baskets of fragments. Even then people did not waste any food. This is a sign of giving out Holy Communion when I share My Body and Blood with all the people at every Mass. Even at My refuges, I will multiply the food, water, and fuels for your survival. My angels will bring you daily Holy Communion if you do not have a priest. You could even survive only on receiving Holy Communion. This is your spiritual food that is needed more than your physical food. I satisfy all of your needs, because I know what you require for your body and soul.”
Jesus said: “My people, as you get older, you may need to buy reading glasses to see more clearly. You know the difference when you wear your glasses. Imagine if you could not see at all, as a blind person. I healed the blind, and they were so happy to be able to see things. Rejoice in My many ways that I help you to see your mission clearly with spiritual eyes. I magnify your hearts of love for Me and your neighbor. By appreciating My love for you, you can thank Me in your prayers and good deeds. When you come to adore My Real Presence in Adoration, you have a chance to be quiet, and listen to My words of love. My love puts your mind at ease, and you have true peace in your soul and spirit. Give praise and thanks to Me for all that I do for you every day.”

December 14, 2017
Thursday, December 7, 2017: (St. Ambrose)
Jesus said: “My son, today’s Gospel speaks of having a good foundation for your faith as you would build your house on rock instead of on sand. Today’s feast of St. Ambrose reminds you of when you were married at St. Ambrose’s church in 1965. Getting married in the Church is another foundation for your life to have a help mate in faith. Your children and grandchildren are My blessings upon your marriage. Now, you are called to have your family members have a good foundation in Me as yourselves. Give them a good example, and pray for the souls of your family, so you can help save them from hell, even if they wander away from Me. Having a strong faith in daily prayer and daily Mass is definitely

building your faith on a solid rock foundation. Call on Me and My Blessed Mother to watch over the souls of your family with your daily prayers for them. Remember to tell them how you will pray a rosary for their souls on your gift cards."

Prayer Group:

Jesus said: "My people, it appears that every time there is a deadline for a budget in the Congress, they are rushing at the last minute to get it done. There is also a tendency to postpone deadlines with a small number of weeks of money to sustain your government. These people in Congress have enough vacation time, but they are slow to pass budgets, tax reform, and decisions on health care. There are many distracting issues that are holding up their work. Pray that your legislators can do their job in a more timely manner."

Jesus said: "My son, you know that the old monstrance is being worked on for an upgrade, so you need to remember to bring your own monstrance. It is an extra step to remember every Thursday, so you may want to keep your monstrance in a more visible spot. You remember the church key, so you may put the key next to the monstrance. Otherwise, you are starting a little late. Call on Me to help you when it is time for your prayer group."

Jesus said: "My people, your President wants to move your embassy from Tel Aviv to Jerusalem. He is meeting some resistance from the Palestinians. Jerusalem is the main city, so it is a reasonable plan. You are seeing people object to every move of your President, and this is just another example. Pray for peace in the Middle East."

Jesus said: "My people, on this date of December 7, 1941, you saw the Japanese attack on Pearl Harbor which brought America into World War II. World War II killed a lot of U.S. service people, and it caused a lot of deaths and destruction to the European cities. America was fortunate not to be invaded, but your people suffered a lot of casualties to stop Hitler, Japan, and Italy. It was unfortunate that it took nuclear bombs to stop the war against Japan. As you look at more possible war in Korea, My people need to pray some novenas to stop any war."

Jesus said: "My people, your Advent Season is very short, and Christmas will be here in a few weeks. You are seeing people putting up their Christmas decorations, lights, and shopping for gifts. Some people are preparing to send out their Christmas cards. This is a joyful time to prepare to celebrate My coming at Christmas. Remember to show My Nativity scene in your decorations. I have even encouraged you to keep a small Christmas scene year around where you have your prayer room and your statues. Keep Me in your heart the whole

year long also."
Jesus said: "My people, as Christmas is coming, you remember how My angels were singing 'Glory to God in the Highest' to the shepherds. You also come to your concerts to hear the songs of the 'Messiah'. All of heaven rejoices with you as you celebrate the remembrance of My birth. Even your radios and TVs play your familiar Christmas songs. When you think of 'Peace on earth', you should share your love with each other, instead of your ongoing wars and anger toward each other."
Jesus said: "My people, My Blessed Mother brings Me to you in all of her feast days. You remember Bernadette who received My Blessed Mother's words that confirmed she was immaculately conceived, so she did not have original sin on her soul. My Blessed Mother did not have any sin, so she was the perfect Ark of the Covenant to carry Me in her body. Give honor to My Blessed Mother for accepting her role as My mother in My Incarnation as a man on earth. I am the promised Redeemer as you celebrate My coming into this world of sin. Rejoice that I chose to bring salvation to all of mankind by My death on the cross."

December 14, 2017
Friday, December 8, 2017: (Immaculate Conception of Mary)
The Blessed Mother said: "My dear children, I am honored by God to have been immaculately conceived without original sin, and to be the Mother of Jesus, the Son of God. My Son and I were together in my pregnancy, and we are joined as Two Hearts. My being without sin, made me the perfect tabernacle for Jesus. My feast is a good preparation for when you celebrate the remembrance of my Son's birth on Christmas. Just as I am the Mother of Jesus, I am also the mother of all people, when Jesus called me to be St. John's mother at the foot of the cross. Today, you will be praying your Hour of Grace, so pray for the souls of all of your family and friends. I hear all of your prayer petitions, and I give them over to my Son, who is always listening to me."
Jesus said: "My people, I am showing you a large dark hole in the ground, and there were thousands of flies coming out that represented Beelzebub, or the lord of the flies. This time of evil will be getting worse, as the tribulation is about to start. I will send My angels to protect My faithful from the demons, but those people, who are in mortal sin, will be constantly tormented by the demons. You can come to Confession to rid all of your sins on your soul with the priest's

absolution. When your soul is pure and not totally black, then your guardian angels will protect you from the demons. Keep praying and fasting for those people in your family who need conversion. You can also pray your St. Michael prayer in the long form to help exorcize any demons, or help people minimize their addictions. I hear all of your intentions, and I will help the souls you are praying for."

December 14, 2017
Saturday, December 9, 2017: (St. Juan Diego)
Jesus said: "My people, you are celebrating the feast day of St. Juan Diego who had the miraculous picture of Our Lady of Guadalupe on his cloak. There was also a conversion of many Native Indians when they stopped offering their children up to their gods. This feast is a preparation for My Blessed Mother's feast on December 12 of 'Our Lady of Guadalupe'. My son, you just recently went to this shrine in Mexico City, Mexico. My Blessed Mother's feast is for all the Americas in this hemisphere. She is also reminding you about stopping your abortions, because you are killing your babies, and offering them up to your gods of money, possessions, and convenience. This is the same reason why My Blessed Mother came to save the Indian babies. America is suffering your own disasters as a punishment for killing My little ones of the unborn. Pray for the stoppage of abortion."
(4:00 p.m. Mass) Jesus said: "My people, St. John the Baptist came to prepare the way for My mission on earth. In the first week of Advent you heard the word 'Watch' for I am coming. Now, this second week of Advent you are hearing the word 'Repent' and prepare your souls to be cleansed as in Baptism or Confession. When you prepare to meet Me at Christmas, you want to have a pure soul, so you can have Holy Communion worthily without any mortal sin. The people were eager to have a Redeemer come to save them from their sins, and the sin of Adam. Before I came, souls could not enter heaven, but they had to wait in Sheol until I opened the gates of heaven with My Divine Sacrifice. Once I made atonement for all the sins of mankind, only then could souls enter heaven, if they were worthy. So the people rejoiced at My coming, so souls could come to heaven."

December 14, 2017
Sunday, December 10, 2017: (Second Sunday of Advent)
Jesus said: “My son, I know this is an unusual vision, but I am holding this aluminum foil to remind everyone to protect your chipped charge cards with some aluminum foil. This thwarts thieves from using microwave readers to steal your charge card information, which they could use to rob your accounts. If you see unusual charges, you can change your cards. If you have debit accounts, thieves could steal money out of your accounts directly. Identity thieves also try to get your information on the internet as well. Do not give out your information to strangers who have no real need from you. Your electric grids are also vulnerable, but My refuges are being protected even now. Your grid could be protected, but the one world people are blocking this, so they could take over America with an EMP attack. Such an attack would stop your vehicles, your banks, gas pumps, and stop food from being moved to your stores. This is why you need backup means for electricity, food, water, and fuels, which are also protected at My refuges. In the winter you will need alternate heating sources as well. Be prepared physically and spiritually for all the evil that will be coming upon your country. Pray for My angel protection at all times.”

December 14, 2017
Monday, December 11, 2017: (Angelo ‘Jim’ Scarantino Funeral)
Jim said: “Hello everybody, I am happy that all of you could make it to my last party at this funeral and reception. You remember my favorite saying: ‘He, who is content, is crazy.’ I am so sad to leave Lil and the family, because I love all of you so much. I will be watching over you and praying for your souls. I gave all of you a good example to follow by coming to Sunday Mass and praying to God. If you are faithful to God, He will be faithful in helping you with your needs. I am in heaven, as my cancer was my purgatory on earth. I love the freedom from my body, and I am ready to dance with Lil when her time comes. Keep a picture of me so you will always remember my love.”
Jesus said: “My son, you have a similar feeling as I do when I have to send souls to their eternal punishment in hell. I give every soul many opportunities to come to Me for forgiveness, but I cannot change people’s free will. There is a day

when I will send My Warning, so all sinners can see what hell is like. When some sinners love themselves more than Me, they are on a path to this place of the evil ones. Seeing hell and how their sins offend Me at the Warning, will wake up some souls, but not all souls will change. I do ask My faithful to pray for these lost souls, because your persistent prayers can save your family members. I am seeking the love of every soul, but some souls are not listening to My words of love, because they are full of hate and worship of earthly things. You need to pray hard for the lost souls before they die, because they cannot be helped once they are lost in hell at their death. The souls in purgatory can also be helped by your prayers and Masses. When people die, you can pray your Chaplet of Divine Mercy for their soul. You are also praying the long form of the St. Michael prayer for the souls in your family. Keep praying for them, and give them good example by your holy life of Mass and prayer."

December 14, 2017

Tuesday, December 12, 2017: (Our Lady of Guadalupe)

Our Lady said: "My dear children, many of you have come to my Shrine of Guadalupe in Mexico City, Mexico. You witnessed my image on a material that should have decayed years ago. But this is a miraculous picture that I gave to St. Juan Diego with roses in winter to prove to the bishop there were true messages given to him. This image of a pregnant Indian woman, was a sign to the Indians to stop killing their children who were being offered up to their gods. It is also a sign to all women to avoid having abortions when they worship the gods of money and possessions. Children in the womb and outside the womb are too precious to be killed. You hurt my Son very much when you kill his little ones. So keep praying and fight to save these little babies who are being killed every day. It is because of your many abortions that you are bringing so many natural disasters down upon your country. Love these little ones and reach out to the pregnant mothers to have their children live. Abortion is causing a lower birth rate that will not even replace enough people who die. Love one another and do not kill your babies."

Jesus said: "My son, you have a sense that there is a continuing threat of a large earthquake that is coming along the San Andreas fault. In the vision you are seeing tsunamis and swarms of earthquakes continuing along this fault line. With a severe earthquake, you could see parts of California fall into the ocean,

especially around San Francisco. You have had many visions and messages about this earthquake, and it is just a matter of time before it happens. The fires and mud slides are also contributing to the instability of the land that could enhance an earthquake. Keep praying for the souls who are killed in disasters with your reparation Masses. Trust in Me to warn you when you need to come to My refuges for protection."

December 28, 2017

Wednesday, December 13, 2017: (Fr. Fred Bush's Funeral Mass)

Fr. Bush said: "My friends, I am so happy to see so many beautiful people who took the time to say good-bye. I love all of you so much, and I thank you for coming. My sister, Mary, is the joy of my life, and I thank her and all the people at St. Joseph's for helping me in my later years. My friend, John, I will get to read one last message from you. I thank you for asking me to be your spiritual director. I remember your family back at St. John the Evangelist in the old church. I was happy to see you when you visited me at St. Joseph's, but I missed you toward the end. I am with Jesus now, and I am happy to have a better memory now. You heard many of my childhood stories, like Fr. Erdle shared at the Mass. I was always happy to share my old neighborhood stories. I did love history and seeing all the beautiful people here at Holy Spirit Church. God bless all of you as you struggle through life. I will be waiting to meet all of you in heaven."

Jesus said: "My people, unless you have love for Me and your neighbor in your heart, it will be very difficult to face the troubles in life. When you love Me, and center your life around Me, I will help you with all that you need in life. I love all of you, and it warms My heart to see My faithful love Me in return. I give all of you free will to chose Me, or the world. It does not take long for you to realize that possessions and worldly things will never satisfy your peace, and they cannot love you as I love you. When you have Me in your heart, I will give you the peace and love that your soul and spirit are searching for. You can only find true peace in Me. You have Christmas signs that say 'Peace on Earth'. I am the only One who can bring true peace on earth, and My faithful are the only ones who truly appreciate My gifts. My faithful need to reach out to the other souls so you can share My peace with them. Once they see the joy I bring to your soul, then they may desire to be with Me as well in sharing My peace. It is love, trust,

and My help that will inspire souls to desire My love. Christmas time is a very beautiful time when you share My birth with everyone by saying 'Merry Christmas'."

December 28, 2017

Thursday, December 14, 2017: (St. John of the Cross)

Jesus said: "My people, at one point I told My apostles that the Son of Man would have to die and be raised up on the third day. Some of My apostles did not want Me to be killed, but I told St. Peter, 'Get behind Me Satan' because he did not understand why I came on the earth to bring salvation to all of mankind by My death. In another instance, two of My apostles wanted to be on My right and My left hand in heaven. I asked them if they could drink from My cup of suffering that I am showing My faithful in today's vision. I am also asking My faithful to drink from My cup of suffering in this world, so you can be with Me in heaven. You need to die to self, and carry out the mission I have given to each of you. You will face many trials on earth, but you need to share your suffering with My suffering on the cross. Today's feast day of St. John of the Cross shows you one of My saints who followed Me on the cross, and this was the delight of his life. I love you all enough to die for you, now you have to die to self to be saved."

Prayer Group:

Jesus said: "My son, you are blessed to have My consecrated Host in front of you for Adoration, no matter where you find Me. The vision of a chandelier is a makeshift light for an Adoration room in the rural parts of Trinidad. This was a vision you told a priest without even seeing this room. You saw it later as a confirmation of your messages for this priest. Give praise and glory to Me in My Real Presence at your local Adoration service."

Jesus said: "My son, your last project is to have a water well dug in your backyard so your people will have enough water to wash, and possibly another source of water for drinking. You had your backflow installed, and you had your worker come out to your house to see that his truck could come in. You also got approval from your neighbor to use her driveway. Now, you can call up the drilling team to come out and start drilling. Pray that your well will give you enough water for your refuge purpose."

Jesus said: "My people, it is hard to see your friends and relatives pass, but they

all lived long lives into their eighties and nineties. They all had physical suffering before their deaths, so this was their purgatory. You will be having a Mass offered for your wife's Uncle Irvin around Christmas when your family comes together. Keep praying for his soul as you remember him."
Jesus said: "My people, you are seeing a high bridge get shaken down by a severe earthquake. You have seen a lot of earthquake activity recently, but it is when they occur in populated areas that more lives could be lost. Earthquakes will increase as you approach the beginning of the tribulation. This is one of the end time signs, and you need to pray for all the souls who die suddenly in such disasters."
Jesus said: "My people, you are seeing some headlines that are pointing to a compromise tax reform in your Congress. You have seen such words before on previous legislation that did not have enough votes to pass. Until the actual votes are counted in both the House and Senate, this bill could meet the same fate of not enough votes. It is possible that such a bill could lower your taxes, but some people are complaining how it will help the rich more than the middle class. Let your representatives decide on the merits of this bill."
Jesus said: "My people, you can tell how cold your winter is by the amount of natural gas you are consuming to heat your houses. You could add some more insulation to keep the heat in that you generate, so less heat will escape. Your windows lose the most heat, so you may want to put plastic over them. You may still want to have a winter practice run at your refuge. You will see how hard it is to keep your house warm, even for a short time. You can have your people wear several layers of clothing to keep warm. You may have to assign people to keep your fireplace going through the night. You may want to check your burners to see that they are working properly. Pray that you will see how to survive in such weather without electricity."
Jesus said: "My people, this Advent Season is about a week shorter than usual, so you have less shopping days for buying your Christmas gifts. Be grateful that you can bring your family together to share My birth on Christmas. You will be sharing gifts and good meals. You also will have your priest friend offer a Mass for your wife's Uncle Irvin. Since it would be hard to travel to his house in North Carolina, this Mass will be for your family to grieve his loss, and remember his soul. Pray for him and at his Mass."

December 28, 2017
Friday, December 15, 2017:
Jesus said: “My son, I have asked you to get your water well dug, and now you have all that you need to get started. Now, you need to make arrangements for setting up a date that meets your schedule and your drilling team. You also need to put your straw in bags around your house so you can keep it warm for the winter. You are seeing already how you have had some cold snow storms. Your one prayer group member told you how her house was a lot warmer with the straw around her house. You can compare your natural gas usage from last year to measure the cold temperatures. Both your water well, and your straw are good helps for your refuge use, especially for your winter practice run. Trust in Me to give you good advice with your projects.”
Jesus said: “My son, you are planning to have another practice run to see how your people can deal with keeping your house warm through the night in the winter. I told you that you would have to assign people to keep adding wood to your fire in the fireplace overnight. You need to bring in some sticks from the snow so you could use them to start your fire. Try a little fire to check how much heat you can get from your fireplace. Light you kerosene burner to see how well it works in the cold. You could also try your lithium batteries to see how long your lanterns work on one set of batteries. You have plenty of wind-up flashlights for everyone to get around at night. If your water well is working, you could check the flow rate to see if you will need a cistern to store some water, and check the quality of your water. All of your plans are helping you to get familiar with what is needed in the winter. Your people are more vulnerable during the winter without electricity, so the evil ones may attack your grid during the winter. Do not be afraid because I will multiply your wood and kerosene to keep you warm in the winter. My angels will also be protecting you from harm from these evil people. Continue your hay insulation project as well. By trusting in Me, I will provide for the people who come to your refuge.”

December 28, 2017
Saturday, December 16, 2017: (4:00 p.m. Mass)
Jesus said: “My people, after you eat your supper, you have to wash the dishes from any food left on them. Your soul also gets dirty with all of your sins, so you need to wash your souls with the grace of Reconciliation in Confession to the

priest. You need to cleanse your sins, and seek My forgiveness. Advent is a good time to repent and come to Confession. You want your souls to be white and clean, so you can receive Me worthily on My feast of Christmas. You can send Me praise and thanksgiving, but I respect a humble, contrite, sinner who is seeking My mercy and forgiveness. Try to invite other sinners to come to Confession, so they can cleanse their souls as well."
Jesus said: "My people, in these visions you could compare these two houses to the five foolish virgins and the five wise virgins who did buy extra oil for their lamps. I have been calling My refuge builders to store food, water, and fuels for heating, especially in the winter. I asked you, My son, to check your heaters, and it was good that you did. When you tried to get your older kerosene burner to work, it would not light, even with new batteries, more fuel, and a flame. You fortunately bought two new kerosene burners, and you were able to get one of them working. This will be usable now for your winter refuge practice run. You may have to test your fireplace after your Christmas gift celebration, but do not forget it. Your projects are being carried out well, so you will be ready any time that the tribulation comes. It is better to be like the wise virgins who were prepared for the wedding feast."

Sunday, December 17, 2017: (Third Sunday of Advent)
Jesus said: "My people, it is not easy to travel on foot in Israel, especially when someone is pregnant. It was the decree of the Emperor of the Romans that called St. Joseph and the Blessed Virgin Mary to Bethlehem. This was to fulfill the prophecy of Micah 5:1 'But you, Bethlehem-Ephratha too small to be among the clans of Judah, from you shall come forth for Me One who is be ruler in Israel; whose origin is from of old, from ancient times'. Give thanks to St. Joseph for taking care of My Blessed Mother in finding a place to stay."

Monday, December 18, 2017:
Jesus said: "My people, St. Joseph was tested when he saw that My Blessed Mother was pregnant before their marriage. He was about to divorce her quietly,

when an angel from God told him to accept My Blessed Mother into his house, because she conceived Me by the power of the Holy Spirit. Later on, the Roman Emperor demanded a census for all the people to be registered from the House to which they belonged. Since St. Joseph and My Blessed Mother were from the House of King David, they had to travel to Bethlehem, which was a difficult journey for a pregnant woman about to give birth. This was all part of My Messianic plan that I would be born of a Virgin in Bethlehem to fulfill all the foretelling of the prophets. (Is 7:14) 'Therefore the Lord Himself will give you this sign, the Virgin shall be with child, and bear a son, and shall name Him Emmanuel.' Once My parents were in Bethlehem, you saw another miracle after My birth, when a Star led the Magi to visit Me with royal gifts of gold, frankincense, and myrrh. Rejoice in this Christmas scene of My birth, as you see Me bring My spiritual Peace on earth."
Jesus said: "My people, this vision of a large tsunami wave coming into San Francisco is a sign of a major earthquake alone the San Andreas Fault. Many people could be killed with such a disaster. I have given you so many messages about strong, severe earthquakes in California. I have also said that it is just a matter of time until this earthquake happens. This could also affect Yellowstone super volcano as I have mentioned before. Such a catastrophic disaster would call for a martial law, and time to come to the protection of My refuges. Keep praying your Reparation Masses to help save the souls who will die suddenly. Trust Me to protect you during these coming trials of the tribulation."

Tuesday, December 19, 2017:
Jesus said: "My people, today I am showing you a vision of the many fires in California that have killed some people, and have destroyed many homes and businesses. They have fires there, but these fires are setting records for damage, length of time, and acres burned. Just as I talked of earthquakes, so these fires are also a punishment for all the sexual sins going on in California. You have a homosexual problem, and your movie makers are spreading their 'R' movies all over the world. You also have pornographic movies made there as well. When you see the extent of sin in California, now they are feeling the consequences of their sins. Pray for these sinners, but they are experiencing a hell on earth."

Jesus said: “My people, do not focus your attention on money, possessions, fame, or status in your society. You should instead focus your attention on Me as the center of your lives. Those people, who are rich and famous, are more focused on themselves than on Me. Do not worry if you are poor without many possessions. The things of this world are passing away. I will bring down the rich and the famous, and I will lift up the lowly to high places in heaven. You remember the story of the beggar Lazarus and the rich man, Divies. In life the rich man had everything, but he did not help Lazarus. Lazarus had little to eat, and the dogs licked his sores. At the judgment, Lazarus was welcomed into heaven next to Abraham, but the rich man was judged into the flames of hell. The real riches in this life are My spiritual gifts, and My Eucharist that you receive in Holy Communion. These spiritual things and My words last forever, but the physical things of this life will rot away into nothing. So choose to focus on Me in love, and you will receive your eternal reward with Me in heaven.”

Wednesday, December 20, 2017:

Jesus said: “My people, you know how I allow people to have free will, but I am so hurt by how many people who reject Me, or ignore My love. I still love everyone equally, even if they do not love Me. I am also pleased to enjoy the souls who love Me and follow Me in all that I ask. My faithful are My joy in humanity, and I am relying on you to reach out and pray for souls who would otherwise be lost. I know also how you want to have control over your life, but your soul and spirit are willing to let Me lead your life. My ways are always better than your ways, so when I lead you, it will be for the best direction for your soul’s salvation. During this Christmas Season some of the lukewarm souls find their way into church. Encourage your family to come to Christmas Mass, especially those souls who do not come every Sunday. It is the least that they could do to show Me a little love. I give everyone so many gifts every day, but I do not see much thanks for My love. My faithful need to pray persistently for the fallen away souls, so they are predisposed and open to My love. If they could see My Light of love, maybe they could open their hearts for Me to enter. There are many cold hearts out in the world, and My faithful need to warm up these hearts to My love. Bring them in to the heat of My love from the cold of their indifference, and lack of love for Me and their neighbors.”

Jesus said: “My son, you are seeing the black eyes of the Antichrist, and you could sense how evil he is, because he is a demon incarnate. I have warned you in many messages not to look at his eyes, because he could hypnotize you into worshiping him. Do not worship him, and do not take the mark of the beast, which is a computer chip in your body. At the end of six weeks after the Warning, I advised you to get rid of your cell phones, your TVs, and your computers and monitors, so you do not look at the Antichrist’ eyes nor listen to his voice. When it is time, I will call My faithful to My refuges, so My angels can protect you from the Antichrist and his demon angels. This is a real danger to your life and soul, so follow My advice for your protection. As the Antichrist starts to gain power, warn others around you when it is time to come to My refuges. People, who believe in Me, will receive an invisible cross on their foreheads from My angels, so they can enter My refuges. Trust in Me to protect My faithful from the Antichrist. Those people, who come through this tribulation, will receive their reward in My Era of Peace, and later in heaven.”

Thursday, December 21, 2017: (St. Peter Canisius)

Jesus said: “My people, in the vision you see this streak of lightning from the sky to the earth, and it causes light as I disperse the darkness of evil. You are also reminded of My Star of Bethlehem that led the Magi to find Me in a stable. If you pay attention to My voice and the words of the Gospel, I will lead you on the right path to heaven. You are seeing today the longest night, so that from now on, the nights will get shorter with more daylight. My feast of Christmas is a story of My Light, as it grows stronger from now until June 21. I truly am the Light of the World, not only physically, but I enlighten all hearts and souls with My love. Christmas is a sign of My coming as a Redeemer for all of your sins. Call on Me and I will forgive all repentant sinners. Prepare for My feast of Christmas that brings Light and peace to the earth, as heaven rejoices with you.”

Prayer Group:

Jesus said: “My people, I have warned My people and My refuge builders to have some alternative burners ready with the proper fuels, so you can provide heat in your home in case you experience a power outage. In the vision you are seeing a potbelly wood stove being used to keep a family warm. You could see some power outages with ice storms or accidents to your power lines in the

winter. Many people would be without heat if their natural gas burner was without electricity. I told you that your preparations are not done in vain, meaning you will have to use your alternative heating means."
Jesus said: "My people, you have not seen any new nuclear plants built because of your previous regulations. Now some nuclear plants will be used, as well as some coal plants that were shut down. You need various sources of power, and now there will even be oil drilling in northern Alaska. Your country needs electricity to run your businesses, so now there will be more sources of power."
Jesus said: "My people, your Republican controlled Congress has finally passed a new tax reform bill that will lower people's taxes and allow your corporations to compete with a lower tax rate. Congress is also preparing to pass another budget extension to keep the government open until the middle of January. Once your President receives these documents, he intends to sign them into law. It will take some time to see the effects of this legislation. Pray for your people so they will have plenty of jobs to support their families."
Jesus said: "My people, you need to pray for safe travel for your families who are coming a good distance to be together. Your weather can be a problem with snow and ice on the road. You even saw what happened to the Atlanta, Ga. airport when the power went out due to a fire. Continue to pray also that they may be able to return to their homes safely. You do not see all of your family that often, so enjoy each other's company for your Christmas and New Year's feasts."
Jesus said: "My people, you are seeing a lot of respiratory sicknesses among your people in this winter season that just started. Many of you are taking vitamins and other herbs to protect your immune systems. Be thankful that there are medicines available to help heal these symptoms. It is not easy to be patient with illnesses that take weeks to heal. Offer up any suffering to Me to be shared on My cross."
Jesus said: "My people, many families will be sharing presents with each other on Christmas. As you celebrate My birth, you are happy to give gifts to your relatives and friends. I am happy that you are praying rosaries as spiritual gifts for your families. This was an excellent suggestion to write on your Christmas gift cards. It would be a good gift for future years as well."
Jesus said: "My son, you were able to see that your new Lithium batteries kept your LED lantern lit for over six days. This is even safer and easier to use for light at night than your oil lamps that had problems with your wicks, and a more dangerous open flame. You are stocked up with many batteries for light at night

at your refuge. You also will be having a water well dug in your backyard in the next few weeks. These are needed projects to provide enough water and light at night for your refuge people. Give thanks to Me and your refuge builders for providing what is needed at your refuges."

December 28, 2017

Friday, December 22, 2017:

Jesus said: "My people, today's Gospel is the Magnificat of My Blessed Mother when she went to help her cousin St. Elizabeth who was pregnant with St. John the Baptist. This scene is called the Visitation in the Mysteries of the Rosary, and St. John leaped in his mother's womb, when My Blessed Mother and I arrived. This was the first announcing of My coming from St. John the Baptist. St. Elizabeth recited part of the Hail Mary prayer on our arrival. My Blessed Mother attended to the needs of her cousin in St. Elizabeth's late pregnancy that was a miracle birth. My son, you have been to Ein Karem, Israel which is a good distance from My Blessed Mother's home in Nazareth. You saw the writing of the Magnificat in many languages on the wall opposite the Church of the Visitation. My Blessed Mother went to her cousin, because the angel Gabriel told her that St. Elizabeth was in her sixth month at the Annunciation. This Magnificat prayer is also said in the night prayers of the Liturgy of the Hours, or the Divine Office of the priests. Give praise and thanks that I came to the earth to redeem all mankind from their sins."

Jesus said: "My people, in all of your discussions about desiring good or evil, it comes down to a persons's free will decision in how they decide to obey My laws of love or not. If you want to come to heaven, you need to ask My forgiveness for your sins, and be willing to give up your will over to My Diving Will. Many Christians are being persecuted, and this will only get worse. You first choose whether you want to be with Me or not. You then have to decide if you want to stand up for My existence as God in front of your peers. A further question is if you are willing to die for your faith, if you were forced to decide. If you truly love Me as I love you, then you will need to show Me in your prayers and your good deeds."

December 28, 2017
Saturday, December 23, 2017: (St. John of Kanty)
Jesus said: “My people, in today’s Gospel you are seeing the time of St. John the Baptist’s circumcision. It also was the time to name the child, and his father had to confirm the name ‘John’ as the angel had told him. Since Zachariah was still unable to speak, he had to write it down. After this he was able to speak, and he recited a Canticle that is used every morning in the Liturgy of the hours. St. John the Baptist would become My messenger crying in the desert to tell the people to repent and be baptized. He prepared the way for My coming at Christmas. The people of Israel were waiting thousands of years to receive their Redeemer, but they did not recognize Me, even despite all of My miracles, and Me telling them I am the Son of God.”
Jesus said: “My people, in this vision you are seeing many ripples sent out when one stone is thrown into the water. There are times in history when one man had a large effect on many people. In the beginning you saw how one man’s sin in Adam caused original sin on all of humanity. When I came on the earth, I was one man, and by My death on the cross, I was able to offer everyone salvation, if they obeyed My laws. There is another man coming in the Antichrist, and he will try to control everyone’s soul to worship him. But I will allow My faithful to be protected by calling on My help and My angels at My refuges. My faithful need to see how they can send out ripples of love where My grace can help convert souls. It is My love in your hearts that can draw others to love Me. So use your faith influence to touch as many souls as you can.”

December 28, 2017
Sunday, December 24, 2017: (Fourth Sunday of Advent)
Jesus said: “My people, today is the last day of Advent because tomorrow you are celebrating My feast of Christmas. All of your gifts have been bought and wrapped, as some families exchange gifts on Christmas Eve. Many of your shopkeepers make most of their money on the Christmas Season. I hope everyone would give Me some time in their day for even a small prayer. In the vision you are seeing a pipe shape break up into two pieces. This represents how I pray that people would detach themselves from the love of money and so many unnecessary possessions. I know you need certain things and food to survive, but do not desire more wealth and possessions that you do not need. There is a

strong desire to have the latest and most expensive things that people can buy. You even judge people's success by how much money and possessions they have. Your true goal should be how much spiritual treasure you can store up in heaven from your kindness and good deeds. You cannot buy yourself into heaven, and it does not matter how rich or poor you are, because I love all of you equally. When you look at people, you need to see Me in everyone, because you all are Temples of the Holy Spirit. You also need to pull yourself away from the world, so you can pray to Me in silence, and listen to My voice. I look into your hearts to see your intentions in how much you love Me and your neighbors as yourself. Prepare your hearts and souls to receive Me on this coming Christmas day."
(10:00 p.m. Christmas Eve) Jesus said: "My people, Christmas should be all about mending bridges and friendships out of love, even with your enemies. You see many signs of 'Peace on Earth', but peace needs to start with you. Every time you reach out to love people, do not expect people to love you back. At least you made the effort to do your part to bring peace on earth. Look at Me in how I came on the earth to show you how much I love you, as the Second Person of the Blessed Trinity. But I was persecuted and even crucified because the religious leaders of My time did not want Me to threaten their power. I love all of you so much that I died to save all of you from your sins. So show your love to Me and your neighbors because you are a loving and kind person. I will reward your love by giving you eternal life in heaven."

December 28, 2017
Monday, December 25, 2017: (Christmas Day-Nativity of the Lord)
Jesus said: "My people, I thank you for celebrating My birthday as I came into this world incarnated as a God-man with both a Divine and earthly nature. This is more than just a day to share gifts, but it is to rejoice that your Savior is born, as I came to save all of mankind from their sins. I bring peace on earth, if you follow My commands to love Me and your neighbor as yourself. Your world is full of pride and greed for more things than you need. You are fighting over land and possessions, but in the end it is your eternal destination that matters the most. In the vision you are seeing My saints and angels celebrating My birth, and they are looking down on all the people to see who is giving praise and glory to God. It is My prayer that more people would love and thank Me as their

Creator. Those people, who do love Me, will have a reward in heaven. Those people, who do not acknowledge Me, will not be acknowledged before My heavenly Father. If those people ignore Me, they better have someone praying for them, or they could be lost in hell. Keep praying for all sinners, especially those souls in your family who do not worship Me on Sunday."
Jesus said: "My people, I am showing you some fruit trees bearing fruit in one scene. In another scene I could see that the trees had disappeared, and all that was left was the bare soil. This is a sign of the coming world famine, that will make it hard for people to find any food. There will be two events that will cause a scarcity of food. The coming earthquakes will cause the Yellowstone supervolcano to explode, and this will send ash all over America and temperatures will be colder. You will also see mandatory chips in the body, so people without the chip, will not be able to buy food. Both of these events will be reasons to come to My refuges for food and protection. At My refuges you will have food, water, and fuels for heating. Trust in Me to provide for all of your needs."

Tuesday, December 26, 2017: (Memorial Mass for Irvin H.)
Jesus said: "My people, today you are celebrating the feast of St. Stephen, who was one of the first martyrs for his faith in Me after My Crucifixion. He had a strong faith, and he gave testimony to Me, as the others could not out debate him. He was brave to stand up for his faith, even though he was risking his life for Me."
I could see Irvin come to me in a younger body. Irvin said: "Hello everyone, I am sorry I did not have a chance to say good-bye to my family members in Rochester, N.Y. I love all of you, and I thank you for your many years of friendship, especially on your trips here in North Carolina. I will remember you, and I thank you for this Mass and your prayers. They are helping me in dealing with my suffering in purgatory. I will be watching over Carol, Bruce, and your Uncle Bill, along with the rest of the family. Keep praying for me and keep my picture around you. God bless all of you."
Jesus said: "My son, I warned you earlier that you are going to see a colder than usual winter (10-15-17 & 12-14-17). I even recommended putting some hay or straw in bags around your house to keep it warm. You have your kerosene and

wood burners in working condition, in case you have a power outage. You also may expect to pay a higher heating bill when you have colder weather. Keep praying that you do not have a power outage. You will soon be planning your winter practice run, but you might want to wait until your real cold weather passes. Your people will be truly tested if you need to keep a wood fire going all night. It is also more difficult to keep your kerosene burner going when you need to add kerosene in the dark or in a deep cold. Be grateful if your natural gas heater continues to work properly. I will help you to keep warm no matter what the weather brings."

January 2018

Wednesday, December 27, 2017

January 10, 2018
Wednesday, December 27, 2017: (St. John the Evangelist)
Jesus said: "My people, in today's Gospel St. John the Evangelist and St. Peter rushed to My tomb after My Resurrection. They both went into the tomb, but My Body was not there. They saw My burial clothes, and they believed that I resurrected. Even when My apostles told the rest of My followers, they still did not want to believe that I resurrected. Only when I appeared to all My apostles in the Upper Room, did they believe. This is why I told them that they believed because they saw My live Body, but blessed are those people who believe in My Resurrection, and they did not see Me. St. John also took care of My Blessed Mother in Ephesus, Turkey. He also was the only apostle to die a natural death on Patmos. Blessed are My faithful who believe in Me and proclaim My Resurrection."
Jesus said: "My people, your police are your first line of defense against terrorists. This is why some elements of the terrorists are choosing to ambush police in their patrol cars. If they can terrorize your police, then they can threaten your first line of defense. You are seeing many shootings to cause a threat to people having guns. The thieves will always find weapons illegally, so your gun laws have no effect on criminals. You are also seeing more heavily armed special forces to combat the terrorists. If enough shootings occur, they could cause a police state, or a martial law. If martial law occurs, then My faithful will need to come to My refuges for protection from any violence. The one world people are planning a takeover of America, but your President is causing them to change their plans. I told you in other messages that the evil ones will try to assassinate your President if that is their last resort. They have made several attempts to try and impeach your President, but this is not working. My faithful need to pray for the safety of your President, so he can continue to help your country without violence."

January 10, 2018
Thursday, December 28, 2017: (Holy Innocents)
Jesus said: “My people, today’s feast of the Holy Innocents honors all the babies who were killed by King Herod in Bethlehem. This was all about Herod’s pride because he was trying to kill Me to avoid another king taking his throne. My Kingship is spiritual as well as physical, and I am King of the Universe, despite what people believe. You had another holocaust in the killing of millions of Jews in World War II. But your worst holocaust is the killing of millions of babies in abortion. It is because of this killing of the babies in the womb, that America will pay a great price. You are seeing more natural disasters, as your fires, snow storms, and frigid cold weather, as a punishment for your sins. So remember to keep praying to stop your abortions, and your Supreme Court decision that is a testimony against you. I am reminding you how I will stop your abortions, if you do not do it on your own. You do not even have death certificates for these dead babies. Life is too precious to take away, so stop all of your abusive killings.”
Prayer Group:
Jesus said: “My people, you have just celebrated My feast day of Christmas. Now, in the vision you are seeing the Magi bringing Me their gifts of gold, frankincense, and myrrh. I invite all of My faithful to bring your gifts to My crib. Pray for all the intentions that were mentioned tonight. You all are gifts to Me in your lives, and you are gifts to each other as well.”
Jesus said: “My people, as you celebrate the feast of the Holy Innocents, pray for all mothers who plan to abort their babies, that they could have a change of heart to allow their babies to live. These lives are so precious, and I want to save them from the abortionist. When you see the little babies at birth, they are so cute, and you wonder how anyone would want to kill them. Keep praying to stop the abortion of My little ones.”
Jesus said: “My people, there are times when your friends need help to move their things from an apartment to a house. These times are opportunities of grace that you could help someone. Be open to people who are in need, and I will bless your kindness with a treasure in heaven. You can also help the homeless by providing shelter and giving them food during this cold winter. Donations to your local food shelves could help the poor as well.”
Jesus said: “My people, your prayer requests are being heard, and I thank you for these spiritual gifts that you are offering for needy souls. These souls of your

intentions are most grateful for your prayers. Sometimes you get some response for your prayers, and you are happy and thankful when these people thank you for your prayers that were answered by Me."
Jesus said: "My people, you are suffering from colder temperatures than normal, and you need to dress well to avoid any frostbite or overexposure to the cold. When you plan to come to the March for Life on January 22, you need to bring warm clothes, water, and some food, in case you have an emergency on the road. Check the forecast so you can get to your destination safely. Remember to pray your long form of the St. Michael prayer both before and after your trip. I thank all of My faithful for giving testimony against your abortion decision in the Supreme Court, when you come to this March for Life."
Jesus said: "My people, I am grateful tonight for all of you here who came to pray at My crib. I bless all of you for your prayer efforts. When you celebrate in prayer, you are united with all of us in heaven. I thank you also for all the many years of your prayer group meetings on every Thursday. All of heaven rejoices to see all of you praying. You are giving a good example to all of My faithful."
Jesus said: "My people, you have so much evil going on in your world, that you need to double your prayer efforts. You can pray to Me to double your prayers for the conversion of sinners. Continue to pray to stop any terrorist attacks, and pray to stop the wars. Pray for your President's safety, and for all of those people who are traveling the highways. There will be threats to your government, so pray for your military and first responders to help your people. Be prepared for more natural disasters that will become more severe. I will protect My faithful at My refuges."

January 10, 2018
Friday, December 29, 2017: (Funeral Mass for Donald Murphy)
Jesus said: "My people, you are celebrating the life of Donald Murphy, one of My special adorers, who was faithful to Me throughout his whole life. He loves his family so much, and he will be praying for all of them. He is happy to be free of his body, and he is grateful to be with his loving Jesus in heaven. He had a wonderful life, and he was happy that he could help so many people during his life. He was also grateful to Jim and all of his care givers in his later years. He gives the family his blessing to carry on the faith in all of their lives."
Jesus said: "My people, you remember several times how I directed My apostles

to cast a net to get a large catch of fish. They marveled at the size of the catch of fish at each miracle. I then told My apostles that now they would be catching men instead of fish. They followed My plan by going out two by two to evangelize people to My new Way of love. After My apostles received the Holy Spirit, then they were strong in spirit to go out and preach the Kingdom of God is here. St. Peter was given the keys to My Church as the first Pope. I have enabled My Church to survive all through these years. I am also calling on My faithful to go out and preach My Gospel to convert sinners to the Church so they can build up My Church. I am also warning My people that there will be a division in My Church coming. You will see a schismatic church on one side, and My faithful remnant on the other side. Pray for discernment when you will need to come to your homes for a true Mass. As the persecution grows worse, you will need to come to My refuges for protection from the evil ones who are dividing My Church. Trust in Me that I will protect My remnant church from the demons, and the schismatic church."

January 10, 2018
Saturday, December 30, 2017:
Jesus said: "My people, in the vision you are seeing an older nun dressed in a black habit that could be fifty years ago. In those days the Catholic schools were flourishing, and the nuns were the teachers, as they stayed in their convent. The nuns did not take a salary, but they were given stipends, and the parish supported them. Today, there are fewer Catholic schools, and it is hard to find any nuns, let alone nuns dressed in a habit. Once the nuns went to ordinary clothes, they were giving up part of their identity. This is why your children are finding it hard to get a good education in the Catholic faith. It is the parents who are teaching the faith, but fewer parents are strong in the faith. You have some Bible study groups, but they are few in number also. This is why you have more evil, because the faith is weak, and many people have stopped coming to Sunday Mass. Pray for a faith renewal to save your children."
Jesus said: "My son, you have done well on your projects, and now you have put your straw in bags, and you have placed them around your new addition. This will help keep your house warm, especially in this cold winter weather. You have another project coming when the drilling team will try to dig your water well. You will have to remove some of the snow that would make it difficult for a

truck to get into your backyard. You will have to set up a time, and see if it is too cold to work. Pray that these men will be able to work on your water well. It is not easy to drill and obtain water without the water freezing in cold weather. You may have to wait for a little warmer weather than these frigid temperatures. I will be with you to see this work through, but you may need some patience."

January 10, 2018
Sunday, December 31, 2017:(Holy Family of St. Joseph, Mary,& Jesus)
Jesus said: "My people, after My birth at Christmas, My parents took Me to the Temple as a family for My circumcision. It was there that we met Simeon and Anna, who were promised to see Me before their deaths. This part of the Gospel was not read in church, but it is the main account of today's Gospel reading that you read by yourselves. Your people only come to Mass for a short time, and it is sad when you have to shorten the readings. This is a celebration for all families, even amidst your many trials. Pray for all of your family members to remain faithful to what you taught them about Me. It is sad also when the children stop coming to Mass on Sunday, so pray for their souls. In the vision you are seeing another missile launched by North Korea as they try to perfect an ICBM missile that could reach America. It appears that more incidents could lead to a possible war on the Korean peninsula. Pray that missiles are not launched on America or your allies, or a serious war could ensue."
Jesus said: "My people, you are always curious about what will happen in the new year. I will give you some signs, but I will give more descriptions later on. In the vision you are seeing a severe earthquake that will bring down some buildings. I did not show you where this will happen. You also saw a lot of money in bills spread all over the ground. You had the feeling that this represented a crash of some country's currency, or a crash of some country's stock market. These events will cause an emergency rule of order for the protection of the people."

Monday, January 1, 2018: (Solemnity of Mary, New Year's Day)

Jesus said: “My people, as you start a new year, you do not know what things will test you. This year will have its own troubles, but you can trust in Me to calm the waters of all of your problems. Just as the apostles were fearful of dying in the storm, so you may be afraid of any serious events of the new year. Pray every day so I will watch over you in all of your struggles in life. Some of you have to even struggle with health problems or financial problems. Do not worry, for I will help you to work out of all the things that you will face in the new year. Pray for your families and friends spiritually, and help them when you can.”
Jesus said: “My people, I have warned you of the possibility of North Korea launching an EMP (electromagnetic pulse) attack on your electrical grid. You have heard of some recommendations to your military how they should invest some money into protecting your electrical grid with Faraday cages to counter any EMP attacks. This protection should be given to your ships, planes, and military vehicles. Your microchips are vulnerable to EMP, and they need protection. You could also have backup equipment run on vacuum tubes that are not affected by EMP attacks. It would be an extra expense for such protection, but the destruction of your electrical grid would be much more expensive, and it risks the loss of 90% of your population from starvation. The evil one world people want to take over your government, and they could use such an incident, as the loss of your electricity, for such a takeover with a martial law. If you see a loss of electricity for a long time, or mandatory chips in the body, you will need to come to My refuges for food and protection from the evil ones.”

January 10, 2018
Tuesday, January 2, 2018: (St. Basil the Great)
Jesus said: “My people, the religious leaders of My day were curious why St. John the Baptist was making himself known. He proclaimed to them that he was a ‘voice in the desert’ preparing the way for the promised Messiah. He was not worthy to tie His sandals. His mission was also to call on the people to repent of their sins, and be baptized with water. Every age has its prophets, and St. John was the last of the prophets before My coming in My public life. My people, you are seeing even more prophets in this day who are preparing you for My coming again in spirit. This is another time to call on My people to repent of their sins in Confession, so you will be ready for My Warning experience. Some people are

complaining when this will happen, and why are there not any signs. You are already seeing signs in your weather, earthquakes, storms, and fires. This winter cold is another sign to you of things to come. Be patient for My Warning, because I will choose the time when it is right according to My Will, and not according to your desire."
Jesus said: "My people, this next Sunday you will be celebrating the Epiphany. This feast honors Me, and you have the Three Kings of the Magi bringing Me their kingly gifts of gold, frankincense, and myrrh. There is an old tradition to mark the Three Kings over your front door. 20 C + M + B 18 where you usually change the year every New Year. You can research this tradition for the details of the meaning. The Magi were led to Bethlehem by a miraculous star that many have tried to explain. This was more evidence of My Kingship that Herod felt threatened by it. The Three Kings did not return to Herod, but they returned by a different route. Because of this, Herod caused the slaughter of all the male children below two years old in Bethlehem. This was when an angel visited St. Joseph in a dream and he was told to have the Holy Family move to Egypt to avoid Herod from killing Me. Rejoice that I was protected from harm up until My crucifixion. It was My mission to offer My life up as a sacrifice for the salvation of all of mankind. Your redemption is at hand when I came on the earth as a God-man in Bethlehem."

January 10, 2018
Wednesday, January 3, 2018: (Holy Name of Jesus)
Jesus said: "My son, today's feast celebrates the Holy Name of Jesus, and this was your family church for over fifty years. You remember how your kids had their Baptisms, First Communions, and weddings at that church. Even some of your grandchildren and great grandchildren were baptized there. When a church closes after so many years, it is almost like a death in the family. Every church that closes, has less sacraments available, and My Presence in the tabernacle is removed. Your church recently was sold to another Christian group. Now, you are attending two churches at St. Charles Borromeo and St. John the Evangelist, where you went to grammar school. Give thanks for all the sacraments that were given out at your old parish."
Jesus said: "My people, the one world people have a plan to keep your electrical grid vulnerable to an EMP (electromagnetic pulse) attack. They know if the

electricity and the cars stop working, you would be easy to takeover. The one world people have operating vehicles and plenty of food in their underground cities. They know many people would die of starvation, or be killed fighting over what little food is left. At a certain time an army will come up out of their caves and proceed to take over your country. My faithful will be directed to My refuges, and I will protect your solar panels, and heaters so you can survive with your stored up food. I will multiply your food, water, and fuels at your refuges. My angels will put a shield around your refuges to protect your people from the evil ones. Trust in My protection because I will destroy all of the evil ones, and cast them into hell. My faithful will be taken up into the air, and I will renew the face of the earth, and I will bring the faithful back down into My coming Era of Peace. You will be prepared to be like saints, and you will come to heaven after your death."

January 10, 2018
Thursday, January 4, 2018: (St. Elizabeth Ann Seton)
Jesus said: "My people, I call all of My faithful to follow Me, and to reach out to evangelize converts. This is My general call, but I also call special souls to be missionaries for the faith. St. Elizabeth, or Mother Seton is one that I called, and she set up schools in Emmetsburg, Md. I also call My priest sons to serve at Mass, and My prophets to spread My Word. Pray for your priests, missionaries, and My prophets to carry on their work."
Prayer Group:
Jesus said: "My people, you are seeing an experiment with a Faraday cage of copper wire around the electronics of a model ship with microchips. An EMP was beamed toward the boat, but it only shattered some glass, and the boat kept on operating. This is the type of protection your country needs for its electric grid, its ships, cars, and planes. My angels will put a shield of protection all around My refuges. Trust in My protection from all the weapons of man."
Jesus said: "My people, I thank all of the people who contributed money to clean and refurbish this older monstrance. I also thank the person who did this work so you could see My consecrated Host wonderfully displayed. The more glorious you give honor to My Real Presence, the more you are thanking Me to leave you with My very Presence in My Eucharist. Those people, who adore Me in My monstrance, are My special adorers who will be rewarded in heaven."

Jesus said: “My people, I thank all of your prayer group for making an extra effort to come to adore Me, despite the near 0 degrees F cold and snow. I will give all of you an extra blessing for making your trip here. I will have My angels guide you home safely. Taking time to come and give glory to Me, is well worth the graces you are receiving tonight. You are seeing this beautiful redone monstrance for the first time. Trust in Me to guide all of you on your path to heaven.”
Jesus said: “My people, you have been fortunate to have a new President who is working to bring more jobs back to your country. Your markets are setting new records, and many are waiting to see how your new tax law will help your paychecks and your businesses. With less taxes to pay, your corporations should be able to share more profits. Pray that more jobs will result, and you can help all income levels, especially the poor.”
Jesus said: “My people, your Epiphany feast is well represented by the Three Kings who brought Me their gifts fit for My Kingship. I want all of My people to bring your spiritual gifts to My crib as well. Later, you saw how St. Joseph had to take us to Egypt to avoid Herod’s attempts to kill Me. You can see the evil of Herod when he had the young male babies killed in Bethlehem. This is another sign to you to stop killing My babies in your abortions. You are trying to plan a trip to Washington,D.C. So you can attend the March for Life. Pray for good weather so you can protest your Supreme Court decision that legalized abortion in America.”
Jesus said: “My people, the tensions are growing between North Korea and America, and your people need to pray for peace between your two countries. As both sides prepare for a possible war, it is dangerous to antagonize each side to start a war. By not having practice drills you could lower the chance of starting a war. Call on Me in prayer to restrain each side from starting a war.”
Jesus said: “My son, your Uncle Irvin thanks you for your prayers and Masses that are helping him to rise up in purgatory. Continue the prayers and Masses to help him further. Have patience with this process, and do not keep asking Me about him. When he comes out of purgatory, I will tell you.”

January 10, 2018
Friday, January 5, 2018: (St. John Neumann)
Jesus said: “My people, I am showing you these underground tunnels where

military vehicles are moving supplies from one underground city to another. These tunnels are protected from any nuclear blasts, and any EMP effects. This is how the one world VIP people will hide from any bombing or civil unrest. They have years of food stored in their cities. This is also how an army could have a martial law takeover instantly, without anyone seeing their preparations. Have no fear of the evil people's plans, because I will warn My faithful to come to the safety of My refuges when your lives are in danger. Just as St. Joseph was warned in a dream to take the Holy Family to Egypt, so I will warn you to come to My refuges at the proper time. At My refuges My angels will place an invisible shield over you, and you will not be harmed by bombs, EMP attacks, poisons, viruses, or any physical detection. I will also multiply your food, water, and fuels so all of your people could survive."
Jesus said: "My people, I told you that many of your natural disasters are a punishment for your sins. Some of these hurricanes and the recent snow storm have been enhanced by the HAARP machine. Some of your fires have been arson attacks inspired by the evil one world people. Your abortions and sexual sins are calling down My wrath against America. So expect a continuation of natural disasters that could bring you to your knees, so your people could repent and be converted. If you continue your sins without changing your sinful behavior, then you will see these disasters intensify in their damage. Repent now, so you will have a less severe Warning experience. Seek My forgiveness in Confession, and pray for your people to stop their lives of sin."

January 10, 2018
Saturday, January 6, 2018: (Epiphany, 4:00 p.m. Mass)
Jesus said: "My people, today you celebrate the Three Kings who came from afar to honor My Kingship as they followed My star. My Epiphany is how My Word and Presence are shared with everyone all over the world. Many people have heard or read about Me, but fewer people honor Me as the Son of God, even in the Christmas Season. There is a price to truly accept Me into people's lives, and that is giving your will over to My Divine Will. Some people want to control their own lives, and can only love Me from a distance. Today, all peoples need to come to My crib, and give Me the gift of your hearts. It is this selfless love that I desire, and I will reward My faithful with eternal love in heaven. I

truly am the King of the Universe, and I have created all of your souls. Give praise and glory to your King as you celebrate My Epiphany."
Jesus said: "My people, you have seen North Korea sending missiles indiscriminately in many directions, but in this vision a missile seemed headed at a U.S. base in the Pacific Ocean. An anti-missile was sent up and it destroyed the North Korean missile. Such an incident could trigger a response as an EMP attack from America against North Korea. Any number of such incidents could trigger a war on the Korean Peninsula. There is a constant threat of war that could happen at any time. Continue praying for peace in this area, or thousands of people could be killed."

January 10, 2018
Sunday, January 7, 2018: (Epiphany)
Jesus said: "My people, I am showing you these bells that are ringing, just as you had in one of your songs. The first ringing are the bells of joy as you read of the Magi bringing Me gifts of gold, frankincense, and myrrh. The second ringing of bells is at the church when it calls the people to come to Sunday Mass. It is sad for those people, who stopped coming to church on Sunday. They need to wake up, and listen to the bells and My call to return to church. The third ringing of bells are for the joy of your freedom in America, and your freedom to worship Me. Be joyful that you are not persecuted, as in atheistic communist countries. The fourth ringing of bells is the toll being rung on America for all of your abortions, sexual sins, and pornography. Because your nation is not repenting, or changing your Godless laws, you will be facing My justice as I bring My wrath of natural disasters upon you as your punishment. Repent of your sins, and pray for your country to come back to My laws, instead of man's corrupt laws."
Jesus said: "My people, you are celebrating My feast day of the Epiphany, and the coming of the Magi with their kingly gifts of gold, frankincense, and myrrh. You can bring your personal gifts to Me, and share what you have with the less fortunate. You are seeing a vision of a steam locomotive going down the track under full steam. This represents how I want all of My faithful to be working at a fever pitch to convert souls. Do not hesitate, but pray and work to save souls, especially in your own families. Even if people refuse to repent, you can pray for them persistently, and they could be saved. Do not give up on any soul, but trust Me to hear your prayers for the hard cases. It is the souls who go to hell, that do

not have anyone praying for them."

Monday, January 8, 2018: (Baptism of Jesus in Jordan River)

Jesus said: "My people, it is unusual that this feast of My Baptism does not come on a Sunday, but it was superceded by My Epiphany, which also is celebrated on Sunday. This feast of My Baptism is also a feast for the Blessed Trinity of Three Persons in One God. You have Me as the Second Person in the Son, and the Holy Spirit in the form of a dove, who is the Third Person. You also have God the Father, who is the First Person, and He said: 'This is My beloved Son in Whom I am well pleased.' It was revealed to St. John the Baptist that I am the Son of God, the Messiah and Redeemer of all of mankind. Some of the men followed Me when St. John said: 'There goes the Lamb of God.' St. John also said: 'I must decrease, while He must increase.' This feast marks the end of the Christmas Season, and the beginning of Ordinary Time in the Church Year."

Jesus said: "My people, your weapons research is continuing to make unusual weapons for making war. In the vision you are seeing a weapon that can fire a powerful laser beam over a considerable distance. I could also see a bolt of lightning come out of another weapon that was meant to destroy tanks. A larger rail gun weapon fired objects at very fast speeds that also could travel great distances. Many of these weapons are produced by your Defense-Industrial companies. A lot of your Defense Budget is spent on these weapons. Instead of fighting so many wars, your people could be spending an equal amount of money on infrastructure projects to help your people to have food sources, and build bridges and roads. Trust in Me to help provide for your needs with more emphasis on peaceful projects, instead of so many weapons for war."

Tuesday, January 9, 2018:

Jesus said: "My people, in today's reading you are seeing how Hannah pleaded with Me to have a child. Later, she conceived and bore a son, called Samuel. This was an answer to her prayer, so she thanked Me by giving her son to those people in the Temple. In the vision you are seeing how short your life is here on

earth. You are born and placed in a cradle. You go through life using your talents, and before you realize it, you are old and ready for your casket. It is how you use your life to love Me and love your neighbor that could lead you to heaven. It is important to come to know Me in faith. Then I can lead you how to love and do good works to help each other. Life is too short to waste your time, but you should use your talents for your own work, and share your time and faith with your neighbors for their needs. By helping people you are giving thanks to Me for all that I have done for you. Give constant praise and thanks to Me, and I will guide you home with Me in heaven."
Jesus said: "My people, I told you there would be continuous natural disasters because of your sexual sins. California has suffered extensive fires, and now the hills are barren with little to hold the soil in place. You are seeing heavy rains on the scorched hills, and this is causing severe mud slides that have killed some people, and have closed some roads. In other Northern states you are seeing extreme cold and snow, followed by warming for a few days. The extreme cold and warm will take a toll on your landscapes and roads. You also are seeing higher heating bills for your natural gas. This weather is also causing a problem for your drilling team because warm weather could give problems with mud and snow. Keep praying that your drilling people will have time, and good weather for drilling your water well."

Wednesday, January 10, 2018:
Jesus said: "My people, once Eli understood that I was calling Samuel after the third calling, he told young Samuel to say: 'Speak Lord, for your servant is listening.' This beautiful greeting is how all of My faithful should be listening to Me in their hearts. In Baptism each of My faithful are all blessed as priest, prophet, and king. All baptized faithful are called to listen to My words, so they can spread the faith and convert sinners. You need to come to Me in quiet contemplation so you can listen to My call. Each of you have a special mission that only you can accomplish. You need to say 'yes' to My Will so you can carry out your mission. Some of you are special prophets that listen to My Word, and they spread My Word publicly. If you are being asked to preach or start a refuge, be open to accept My mission because this is how you will be rewarded in heaven for doing My Will. Some people refuse to take on this responsibility, so

they are refusing My graces. A few brave souls say ‘yes’ to Me, and I will give them the grace and help to go forward with their mission. Pray for all sinners, but pray for the protection of My prophets, who suffer persecution and criticism.”
Jesus said: “My people, you have not seen many earthquakes in the 7.6 strength in the ocean north of Honduras. This caused a small tsunami, and it was an underwater earthquake. The location is not close to the Ring of Fire, and it was about six miles deep. You see many substantial (4.0 or higher) earthquakes along the western side of South America, but very few along the western coast of North America. This is a sign that an earthquake of good size is due along the California area. I told you that you would be seeing more natural disasters as earthquakes, which are another sign of the end times. Just as you saw this 7.6 earthquake, you will be seeing more severe earthquakes, as the severe ones are occurring more frequently. Pray for the people who are affected by these disasters, so their souls can be saved.”

January 25, 2018
Thursday, January 11, 2018:
Jesus said: “My people, you are seeing a contrast in faith between the two readings. In the first reading the Israelites were battling the Philistines, but their faith in Me was weak, that I could help them. The people did not pray or openly request My help in their battle. The Ark of the Covenant, that contained the Ten Commandment tablets, did not help them in battle either, because of their lack of faith. This is why they lost their battle that day. The second reading of the Gospel shows you a leper who had a difficult life living as an outcast from the society of the time. When he saw Me, he had a strong faith that I could heal his leprosy. He came forward in faith to ask Me to heal him. When I saw this faith in his heart, I so willed to heal his leprosy. There is a lesson in faith here for all of My people. You know that I can do the impossible, but in order to help people, they must obey My Commandments, and have faith that I can answer their requests. When your prayers are answered in My time, you need to remember another account of the ten lepers that were healed. Only one leper returned to give Me thanks. So giving prayers of thanks is another way of honoring your faith in My healing power. You need to thank Me and those people who help you as well. Trust in Me to answer your prayers in the best way possible for your

soul and the souls of others."
Prayer Group:
Jesus said: "My people, you have seen the pictures and movies on your TV news of all the damage, and the search for missing people in the mud slides in California. Pray for the people who lost loved ones and their homes from the mud slides on the hills of the burned brush and trees. This was a sudden rush of mud and debris that killed people in their sleep. Pray for their souls as well."
Jesus said: "My people, your warmer temperatures are melting your snow, and your sump pump has been pumping out a lot of water. Soon you will see cold again with freezing rain, and some heavy snowfalls in some places. It is the extremes of hot and cold that is making it difficult for the drilling people to make your water well. It has been either too cold or too muddy for your people to work. Pray for better weather while you are home, so your well can be dug."
Jesus said: "My people, you are seeing more of your brick and mortar stores that are closing because of competing businesses and your internet purchases. All stores have online services, but some stores are closing because they are not getting enough customers to make a profit. With employee wages rising, there is more pressure to be able to keep stores open. Pray for your businesses to survive these trials."
Jesus said: "My people, you are seeing more people sick with the flu, and even people who had the flu shots. On your news you are seeing that the flu shots are only about 30% effective against the latest flu strains. Pray for the sick to find care and medications to help them. Another complaint is about the higher heating bills because of your cold harsh winter, which is about to resume after a few warm days. Some people who put straw around their houses, are seeing slightly lower bills. Pray for people to survive the cold, and that they can get help to pay these bills."
Jesus said: "My people, your older monstrance needed cleaning and touching up, because now it sparkles with radiance, especially with My consecrated Host inside. I appreciate the efforts of your prayer group to come and adore Me in My Real Presence. I gave your small group a special blessing last week for braving the cold and snow. So this week I want to bless all of you for coming to adore Me, so none of you are left out from My blessings."
Jesus said: "My people, during this harsh, cold winter, you could see some possible power outages. This is another reason to have some alternate heating sources if your natural gas heater stops working. You also should stock up on some extra food and batteries for your lanterns. Have your windup flashlights

ready at night as well. When you did your practice refuge run, you could see how useful your cooking devices and lanterns were in feeding people and seeing at night. If you are snowed in, you could survive if you cannot make it to the stores. Pray for your people so they can make it through this winter. Pray for the homeless and poor people who have little money for food and heating."
Jesus said: "My people, there are some of your friends who need help moving to another house, and some people who have difficulty getting out to the stores for food. When you see such needs, and you can help, you should reach out to help where you can. There is another need, and that is to work on stopping abortions through your prayers and protesting. I thank all of My faithful who are able to come to Washington, D.C. to protest the decision of your Supreme Court to make abortions legal. Despite this decision, abortion is still a mortal sin that kills a baby. This sin is bringing My wrath against your country. When you save babies from abortion with your sidewalk counseling at the abortion clinics, you are doing a great service to My little ones. Your mothers should be ashamed of wanting to kill their babies. Keep praying to stop abortion, and continue your protest against your sinful laws and decisions in court."

Friday, January 12, 2018:
Jesus said: "My people, in the first reading the Israelites were calling on Samuel to give them a king, so they would have a leader to fight their battles, as other nations had kings. Then Samuel told them what it would cost to have a king, which amounted to a dictator. There is a lesson here for everyone because you need to be careful what you pray for and desire. Some people desire to be wealthy, so they work hard to accumulate money, and they make risky investments to make more money than they need. Once you have wealth, you are still not happy because money and things do not last, and they do not love you. It is only Me who you should trust in, because I will see to your needs, and I will give you peace and love which will satisfy your soul. You only need enough money to survive, and beyond that, such greed could harm your soul with evil desires. You cannot take money beyond the grave, and it will not get you into heaven. So strive to please Me in obeying My Commandments, and seek My forgiveness of your sins. Then you will have spiritual wealth that lasts, instead of physical wealth that will disappear."

Jesus said: “My people, My Blessed Mother gave these words to the servants: ‘Do whatever He tells you.’ This was when I called the servants to fill six large jars with water and take some to the head waiter. The head waiter remarked that the water made into wine was better than the first wine. This was the first of My miracles at the Wedding Feast at Cana. The words of My Blessed Mother could be applied to everyone. I am your Lord and Master, and I desire to save all souls, but some souls refuse to follow My ways, which are better than man’s ways. It is because of man’s pride that people refuse to follow My Commandments, and do not want to give up their will over to My Will. Even My heavenly Father told My apostles on Mt. Tabor to listen to Me. Those faithful, who follow My directions, are greatly rewarded for their efforts. When I call on people to help save souls, this is the most rewarding work you could accomplish. Those souls, who are saved through your work, are grateful for being saved from hell. I desire that all of My faithful would reach out to convert as many souls as they can. This is the most important work you could do for Me on earth.”

Saturday, January 13, 2018: (St. Hilary)
Jesus said: “My people, in the Gospel I said that I came to save sinners and not the self-righteous. All of you are sinners and you need salvation from Me to be saved. The requirements for heaven are that you seek the forgiveness of your sins, and you are to love Me and your neighbor as yourself. I love all of you equally, so do not think you are better than someone else. Even if you have the faith, do not look down on others who are at different stages of progress in their faith. Those people, who do not know Me, need you to share My Word with them. Do not force them to love Me, because I do not violate anyone’s free will. You need to keep praying for those people in your family, who do not know Me, or do not come to church on Sunday. Reach out to save as many souls from hell as you can. Many souls are blinded by the desires of the world and the devil’s temptations. Pray for the healing of people’s addictions that keep them from coming to Me. In the end there are only two choices between heaven and hell, so choose the path of life to heaven, instead of death to the soul in hell.”

January 25, 2018
Sunday, January 14, 2018:
David, my son, said: “My dear parents and sisters, I am glad that mom remembered me at Mass. Thank you for stopping by my grave, even if it was buried in the snow. You could leave a wreath at my grave as the other parents did. You need to remember myself and Mary more by placing my picture on top of your table. When you pray for my sisters at Holy Communion, you could add us to your list of family members. I want to say ‘Hello’ to Jeanette, Donna and Catherine, and tell them we are praying for their souls. Remember my birthday as you do your own. Maybe you could place a copy of my picture on the refrigerator. Mary and I are also praying for mom and dad, and please do not forget us.” Note: David was born and died in January 7-11, 1983, and this was the first time we forgot his anniversary, because we have been so busy with many things.
Jesus said: “My son, I have asked you to have another practice run for your refuge, but during the cold winter time. You could turn off your natural gas heater, and see how well your kerosene heater and fireplace wood burner would give you enough heat, even into your new addition. You may have difficulty getting heat to your basement and on the top floor of your house. You could put your kerosene heater in the kitchen, instead of in your foyer. You could plan to use your wind-up flashlights and battery powered lanterns to give light during the night. You should plan your meals for what you want to eat for breakfast, lunch, and dinner. You all may have to wear layers of clothes to stay warm, if the heat is not equally distributed around the house. Plan your water usage as you did on your last practice run. You could bake your bread again, and see if your propane oven will work in the cold outside, or if it will have to be brought inside. Keeping warm will be your biggest challenge, so plan your heaters by trying them out before your overnight run. Plan at least for one person to be praying every hour in the chapel. You learned some things from your last run, so now you know what you will need for everyone. This will be good training for how to survive during the winter. Trust in Me to provide for your needs.”

Monday, January 15, 2018:
Jesus said: “My people, the Pharisees were constantly criticizing Me or My

apostles for not following the Mosaic laws to the letter. This time they criticized My apostles for not fasting. Other times they criticized My apostles for taking the heads of grain from the wheat on the Sabbath, and for all the cures I performed on the Sabbath. These leaders may know the laws, but I told the people not to follow their actions, because they were hypocrites. They did not practice what they preached, and they were more focused on money, and the threat against their authority. I told the Pharisees that My apostles will fast when I leave them. Fasting is a good practice for helping your spiritual life, as during Lent. My apostles had a problem with a strong demon, and they could not remove it. When people are possessed with a strong demon, or multiple demons, this kind requires fasting and prayer. In the same way when you are dealing with people's addictions and demons, you need to pray and fast constantly to help save their souls. Trust in Me that I will answer your sincere prayer requests."
Jesus said: "My people, I know some of My faithful have a good heart, and they reach out to help people who are having problems with their houses. When people do not pay their house taxes, or they cannot afford to pay them, they are risking the loss of their houses when the bank evicts them. These are difficult situations to try and relocate people to another dwelling. Even if people make bad decisions, they need your prayers and help to deal with their problems. You do the best you can, but do not ridicule people, even if they cannot make good decisions. I will find a way to take care of them, so they can survive in this world. Anything you can do for people, is appreciated, even if they do not thank you. I see the good intentions in your heart, and you will receive My graces for your efforts. Pray for all the people who are finding it hard to earn a living, and keep a roof over their heads. Trust in Me to help everyone, despite any flaws in their thinking and actions."

Tuesday, January 16, 2018:
Jesus said: "My people, the Pharisees knew the letter of the law, but they also interpreted what constituted work on the Sabbath. To the Pharisees it was work to take heads of grain to eat on the Sabbath. So I told them the account of how King David fed the Temple grain to his men because they were hungry. The Pharisees missed the spirit of the law which should give Me glory. I told them

that the Sabbath was made for man, and not man for the Sabbath. (Mark 3:27,28) Even today, you are finding some religious leaders that are interpreting My Gospel in whatever way they wish. There is a coming division in My Church when a schismatic church will be teaching heresies and New Age as doctrine. When you hear heretical teachings that are not found in the Catechism of the Catholic Church, then you need to proclaim these heresies as false teachings to be avoided. If they do not stop spreading heresies, then move on to a faithful church. Eventually, My faithful remnant will need to come to My refuges to be safe from the evil ones who will try to kill you."

Jesus said: "My people, you are seeing another devious attack against America by trying to push legalization of marijuana into many states. They first get their foot in the door by saying medical marijuana is needed. This is a ploy, because marijuana destroys brain cells, and it is also being pushed to gain tax money for the states. The next step is to have what is called recreational marijuana where it is legalized in a state. This will allow more exposure and access for children, and it could cause states of mind to impair driving. This legalization of marijuana could also lead people into harder drugs as heroin and the opioids that are killing more people. Increasing drug use in America is another step to bringing America down, and destroying your society. Your people need to fight against legalizing marijuana, to save your people from literally losing their minds. Pray to stop this drug war against your people."

Wednesday, January 17, 2018: (St. Anthony of the Desert)

Jesus said: "My people, many of you face what appears to be impossible tasks to accomplish, but remember that with My help and your prayer, I can help you to do what you thought was impossible. These situations require an extra amount of faith to attempt, and it cannot be someone who doubts that I can do the impossible. Some people are frozen in their actions, because they do not have confidence in themselves or Me. Life is full of difficult trials, so call on My help and go forward in faith. You were given intelligence, so use your common sense to troubleshoot your problems. You may have to have people help you, as with cars and homes, so pay someone to help you. In some cases you may have to work around a problem in a different way than normal. Keep working hard with your physical problems, and have faith with any spiritual difficulties as well. If I

am with you, who can be against you?"
Jesus said: "My son, you are preparing for another trip to Washington, D.C. so you can march in your protest against your Supreme Court decision that legalized abortion. It is this decision and all the babies, who have been aborted, that is bringing My wrath down on America. You are seeing fires, mud slides, and major snow storms that look like hurricanes. Other areas are suffering from floods and cold weather. Your people need to realize that all of these events are punishments for your sins, especially abortion, and your sexual sins. If you do not repent of your sins, and change your laws against Me, then your punishments will become more severe, and more frequent. I am pleased that many of My faithful are standing up in protest against your abortions and abortion laws. Join with your bishop to continue your March for Life protests. Help with your pictures and movies of the Mass and your march. I will send My angels before you to calm the weather for your march. All of heaven is supporting your protests, as you try to protect the lives of My little ones. It is the evil ones, who support and carry out abortions. They will suffer dearly at their judgments. Keep praying your intentions to stop abortion."

Jesus said: "My people, I want you to be loving Me and your neighbor as yourself. In the first reading you saw King Saul was fearful of David because the people sang of Saul killing thousands, while David was killing ten thousands. Saul became jealous of David, and Saul did not want to lose his position as king. Then Saul wanted to kill David, but Jonathan, Saul's son, stood up for David saying how David should not be killed, since he was a faithful servant. You can see how anger and jealousy can lead to a worse sin of carrying out threats against your neighbor. Be loving of everyone, and do not harbor ill feelings against your neighbor. Be content with your lot, and do not desire more than you need to survive. I bless all of you in many ways, so some people may have more gifts than yourself. Some also have less gifts than you, so share your wealth and faith with others. I love all of you so much, and I want you to imitate My love for others."
Jesus said: "My people, when you think of time on a clock, several things come to mind. You use set times to eat your meals. You need clocks to meet your

appointments. You have approximate times to wake up and go to sleep. You are given a set number of years to live your life, and when you die, then time is no longer meaningful to you. When I bring My Warning, I will stop time, and you will come out of your body. You measure time by the twenty-four hours of the day, and the year is one revolution around the sun. Time is a gift for everyone, and at your judgment you will have to account for how you spent your time for good or bad. So make the best use of your time, because you will only have one chance for each day to help accomplish your mission."

Jesus said: "My people, you have seen newborn babies, and now I am showing you the horror of many aborted babies. You have seen pictures of all the gassed Jews and others, as their dead bodies were buried in mass graves. You thought you would never see another holocaust, but now you are seeing babies being aborted by the millions every year. You are killing the youth of tomorrow who were supposed to support you in your old age. Killing innocent children is about as gruesome as your people can get. Your mothers are killing their own children for a few conveniences. Your people should be ashamed of killing their babies, let along pass laws or decisions to legalize such killings. I tell you, killing babies is still a mortal sin, and those mothers and doctors, who abort children, will pay a dear price at their judgment. Life is too precious to kill, even in abortion. America is suffering with natural disasters because of its abortions and sexual sins. If you do not repent and change, I will allow others to take you over. How long do you think I will allow this irresponsible killing to continue? America's day of reckoning is coming, because I told you if you did not stop your abortions, I will stop them with My justice. Pray to stop abortion and euthanasia, so life can be protected at all ages."

Jesus said: "My people, in the Gospel My relatives thought I was out of My mind for all the things about love that I preached in My sermons. Most of all

they could not believe that I was the Messiah, the Son of God. Even in today's world, My faithful are also criticized for being out of your minds to believe abortion should not be allowed. In your society, abortion is accepted by your Supreme Court decision, but it is still a mortal sin to violate My Fifth Commandment of 'Thou shalt not kill anyone.' You have other corrupt laws on euthanasia and allowing pornography on the internet, and marijuana use in some states. Be thankful that you are not 'of' this evil world's thinking, even though you live 'in' this world. Remember how I told you that if they persecuted Me for My beliefs, then they will persecute you as well. So stand up against your establishment and fight for the right to life for the unborn. Your marching in the March for Life is your testimony against your abortion laws and decisions. Keep faithful to My Commandments, and you will have your reward in heaven."

Jesus said: "My people, In the first reading you are seeing the prophet Jonah being called to tell Nineveh that they would be destroyed in forty days. Jonah at first tried to run away, but he was sent back. When the people of Nineveh repented and corrected their lives, I held back My wrath, and I did not destroy them. In the Gospel I called My apostles from various professions, such as fishermen, to be fishers of men. Today, I am calling all baptized Christians to be evangelists in saving souls. In every age I am also calling prophets to warn the people when they need to repent and change their ways. My son, I have called you to prepare the people for the coming Warning and the tribulation. If America does not change, then your people will face more natural disasters, and a takeover of your country. You have also been called to set up a refuge at your house, and you have completed most of your projects. Other faithful are also setting up refuges, so My people will be protected from the Antichrist during the tribulation. My people need to be thankful that they are being asked to carry out My missions. It is an honor to help save souls, and to protect people at My refuges."

Monday, January 22, 2018: (Anniversary of Row vs. Wade)
Jesus said: “My people, you went to the March for Life on Friday, but today is the actual Anniversary of your Supreme Court’s decision to legalize abortion. This is an evil, corrupt decision, but it is still a mortal sin according to My Fifth Commandment. Every life in the womb is sacred and precious, and babies should not be killed. I was talking about demons, and the evil people who are behind the death culture. These evil ones are behind allowing abortion, euthanasia, wars, viruses, and other means of killing. I will forgive your sins if you repent and seek My forgiveness. Those souls, who do not repent of their sins, are on a path to hell, and it is those sinners who are sinning against the Holy Spirit. In the vision of a water well in your backyard, I want you to continue working on this project, so your people will have sufficient water for your refuge. You need water to survive, and I will multiply your water, food, fuels, and dwellings for your needs. Trust in Me to protect you, and you should show your love for Me and your neighbor by obeying My Commandments.”
Jesus said: “My people, I am using the example of how a small boy could bring down a proud and powerful warrior, like the giant Goliath. Even though strength and size was on Goliath’s side, David had My strength and courage to take down such a giant. America has been given many gifts, and you have many high buildings, but you also are proud and not obeying My Commandments. I will allow earthquakes to bring down your buildings, and you will see how I will bring My punishment upon you for killing My babies. I keep warning you to stop your abortions, and repent of your sins. Unless you change your laws and decisions, you will find only more destruction. Pray to stop abortions, and your corrupt laws and court decisions.”

Tuesday, January 23, 2018: (St. Vincent)
Jesus said: “My people, I am calling all the people to repent, and be baptized into the faith. As you see a person being baptized by immersion in the water, this is one way to cleanse your soul of sin. In the Catholic Church you can also come to a priest, and be absolved of your sins in Confession. It is important for My faithful to reach out and share your faith with others. You can encourage non-believers to be converted with Baptism, and you can convert fallen away Catholics to return to Mass and Confession. There are some Catholics, who are

coming to Sunday Mass, but they have become spiritually lazy. You need to encourage these souls to come to at least monthly Confession. You are all sinners, and you need to repent of your sins, and seek My forgiveness in Confession. By keeping your soul cleansed of sin, you will be ready for your judgment whenever I call you home in death. So have your soul prepared in grace, because you do not know the hour of your death."
Jesus said: "My people, I have warned you many times about the one world people who use secret societies to control money and governments. By controlling the votes in Congress, these secret societies control your government. This is the 'deep state' that still controls things, despite a Republican President. Because of the voter fraud that controls your elections, it is very difficult to root out the one world people. Many voters are not found in the election districts, and the electronic voting machines can be hacked to someone's advantage. If your voter fraud is not brought under control, then you have your last conservative President. These same one world people are making plans for their takeover of America by a false flag martial law. When you see mandatory chips in the body, a national martial law, an electrical grid shutdown, or a stock market crash, it will be the time to come to My refuges for your protection. I will provide for your needs at My refuges, but you will see a great persecution of those people who believe in God. Trust in Me when you see a division in My Church, and a takeover of America by force."

Wednesday, January 24, 2018: (St. Francis de Sales)
Jesus said: "My people, I gave the people a parable of the Sower, but they did not grasp the meaning of this parable. I explained the meaning to My apostles only. The seed is My Word of the Gospel, and the parable gave examples of how different people received My Word. Some people had the Word taken away by Satan. Some were joyful at first, but they did not have endurance to pursue My

Word. Some had My Word choked by the cares and desires of the world. My faithful received My Word, and they evangelized others to be converted to the faith. It is My faithful who I use by their arms and legs to pursue evangelizing and spreading the faith. I call everyone to believe in Me and share the Good News of My Resurrection. For many are called, but few are chosen. It is My chosen faithful who have the mission of bringing My Gospel for the conversion of souls. Reach out to sinners and encourage them to repent of their sins and follow My Commandments of love. You have heard My parables and the explanations of My Word, so share it with others. You may be the only opportunity for some people to be saved. So go forward to spread the seed of My Word."

Jesus said: "My people, I have told you before that earthquakes, volcanoes, famine, and pestilence are signs of the end times. In the last few days you have seen a 7.9 earthquake in the Gulf of Alaska, and a 6.2 earthquake around Japan. You also have seen three volcanoes blowing off dust, smoke, and lava. As you approach the tribulation and the end days, you will see an increase in earthquakes and volcanoes, especially along the Ring of Fire. Some of these natural disasters are a result of your sins, and some activity is due to the HAARP machine. In the way of pestilence, you are having an unusual increase in the flu and flu deaths. You have suspected the chemtrails as a source of viruses that are making people sick. I am confirming that they truly are contributing to an increase in respiratory sicknesses. Keep your souls clean, because you are about to see some serious events. Trust in My protection at My refuges."

Thursday, January 25, 2018: (Conversion of St. Paul)

Jesus said: "My people, today in the first reading you are celebrating the Conversion of St. Paul, who was one of My most devout apostles. I called Saul, and I changed his name to Paul. After he was cured of his temporary blindness, he soon was taught by the brothers about My Resurrection and the faith. St. Paul became one of My prolific missionaries. His epistles or letters are read often at your Masses. He also became a great missionary to the Gentiles. He was able to convince the early Church to drop the requirement to have circumcision for new converts among the Gentiles. St. Paul's conversion was a miracle in changing his ways to My ways. This is another example of how I can do the impossible in

man's eyes. The Gospel also speaks about how I sent My apostles out to evangelize souls. I gave them the gift of the Holy Spirit to strengthen their healing gifts both in physical illnesses and spiritual conversion to the faith. All of My faithful have been baptized and given Confirmation, so you all have similar gifts to go out and convert souls to the faith. Pray for the conversion of sinners and reach out to others to share your faith with those souls who are open to receive Me. Pray also for those souls who are not open to Me, to have a miracle in their hearts to change their ways like St. Paul."

Prayer Group:

Jesus said: "My people, preparing spaghetti and meat sauce could be an easy meal for a large group at your refuge practice run. You bought some spaghetti at one of the Mormon stores, so you would be using one of your stored foods. You may have to buy some extra sauce for a large group. This could be used for your evening meal along with your MRE meals. You will also be testing your heating equipment to keep your house warm. These trial runs will help you prepare for the coming tribulation."

Jesus said: "My people, you made some bread in your propane oven on the last practice run. That was in the summer, so now you need to see if this will work outside in the winter cold. If you have a problem getting enough heat, you may have to bake your bread inside in the kitchen. The bread will go well with your spaghetti meal. Having flour, yeast, and other ingredients will be useful for your refuge meals. Trust Me to multiply your food for all of the people who come to your refuge."

Jesus said: "My people, you have seen some powerful eruptions in some volcanoes that caused people to evacuate such a danger. You remember when I warned you to check on natural disasters before you make plans to travel. Keep a watch on earthquakes, fires, and volcanoes in the area of your talks. You will be in California for a few weeks, so keep a watch on what is happening in this area. Be thankful for good weather and no natural disasters."

Jesus said: "My people, when I call My people to come to My refuges, this will be difficult to only bring what you can carry from your house. You will not be returning to your home, and My refuges will be your new home, living together with other faithful people. You will need to get along with each other, and see the need for everyone to work in helping all of you to survive. Do not worry because I will provide what you need in multiplying your food, water, and fuels."

Jesus said: "My people, do not concern yourselves with My timing of events. It

is enough to know that you will need your preparations one day, and you will be happy that My refuge builders have plenty of food, water, and fuels. You do not see the big picture as I do, or you would understand any delay. Know that the tribulation is coming, so be prepared. I love all of you so much, and I will have My angels protect you from the evil ones. Just have faith in Me, as My Blessed Mother has advised you."
I could see the many people who came to the March for Life in Washington, D.C. Jesus said: "My people, I am happy to see that many people come out every year to fight to save My little ones from abortion. You are seeing some people who make money on abortions, and many fund elections of candidates who support abortion. These people will suffer for supporting the killing of My babies. Life is too precious to kill, so continue to protest such killings, and pray to stop your abortions."
Jesus said: "My people, you will see many good speakers at your Gospa Prayer house Conference. The subject of a possible nuclear war has been in the news as North Korea is developing the capability of sending nuclear ICBMs toward America. A nuclear war, or even an EMP attack, could kill millions of people from radiation or famine, if the national grid goes down. You have been praying for peace between countries, but now these threats are very real. Continue your prayers for peace, and be prepared if such a war happens."

Camille said: "Hello everyone, I am happy to give you a few words. Thank you John, for taking good care of Carol, because I know she can be a handful. Sharon is still busy taking care of her latest Prince. Vic is still having his problems, but Sharon is helping him with his finances. Thank you Carol for what you can do to help Vic. He may still need help with a good bed. Lydia and I love all of you, and we are watching over you. You may want to be prepared for the coming events. Be on your good behavior because all of heaven is watching over you."
Jesus said: "My son, you have seen a connection between earthquakes and the signs of the HAARP machine being used to cause them. In several large earthquakes around the world, people have described seeing rainbow colors and clouds with a harmonic pattern or striations right before an earthquake occurred. These two signs of colors and harmonic patterns in the clouds, are the typical

signature of the HAARP machine being used to cause earthquakes. This machine is located in Alaska, and it can strengthen hurricanes and tornadoes. It can also cause earthquakes by bouncing powerful microwaves off the ionosphere. This is another means of taking lives by the one world people who can control where this machine can be aimed. If you see these signs of colors and harmonic clouds, you will know which earthquakes are caused by the HAARP machine. Trust in Me to protect My people from the evil ones who are trying to kill you."

Saturday, January 27, 2018: (St. Angela Merici)
Jesus said: "My people, in today's first reading you read about the prophet Nathan being called to talk to King David about his affair with Bathsheba. David was attracted to her, and committed adultery with her. David had her husband, Uriah the Hittite, purposely placed in battle where he would be killed. Then David took Uriah's wife to be his own. For this Nathan told David how I was displeased with his sin. Many things befell David's family as a punishment for this sin. In your news lately, you are also seeing men of prestige being fired or resigning their jobs because of scandals with women. Even sexual harassment has become a recent problem in the workplace, as some women are coming forward publically about such abuses. You have seen some marriages come into divorce over such infidelities as adultery. It is important for both spouses to remain faithful, without having affairs outside of marriage. You can see how such an affair with King David has been a constant problem of sin throughout history for other men and women. So I call My people to obey My Commandments, and be faithful to your spouses."

Sunday, January 28, 2018:
Jesus said: "My people, you know I am more powerful than the created demons, so at My Word, the demon left the man. I also gave this power over demons to My apostles. Even My priest sons can exorcize demons out of people in My Name. People of today do have demons, and some are present and connected to

addictions. Each diocese should have an assigned exorcist to deal with such demon possessions. There are also groups of people who do deliverance of demons as well. It is better to have an exorcist priest, but you can also have groups pray deliverance prayers over someone. You have the long form of the St. Michael prayer, and the binding of the spirits prayer: 'We bind any evil spirits to the foot of the cross of Jesus in Jesus' Name, and never to return.' You are aware of fasting and praying to rid evil spirits. Be also aware if people leave themselves open to sinful living, then some demons can return. So a person has to get close to Me, and change his or her ways, if that person wants to be healed. I am more powerful, but you have to call on My Name to remove any evil spirits. Pray your long form of the St. Michael prayer for your family members as often as you can."
Jesus said: "My people, this pyramid shape of oil cans indicates how the one world people are manipulating oil prices higher, lowering the value of the dollar, and raising long term interest rates. You are seeing tax rates being lowered, and corporate earnings may rise as well as your stock prices. Your markets are going too high over a short period of time, meaning it is set for a correction with the least bad news. If your corporations share their gains with their employees, this could put more money into the people's hands to buy things. It will be up to the corporations what to do with their extra money. If interest rates continue to rise, this could cause a slowdown in your economy. You also are dealing with more threats of a government shutdown as immigration problems are interfering with your budgets. There is a lot of uncertainty over how your economy will react to higher interest rates, lower taxes, and higher deficits. Pray for your people that your economy continues to rise without any recessions."

Monday, January 29, 2018:
Jesus said: "My people, this Gospel is unusual because you are seeing the power of a legion of demons, as the possessed man had great strength to break his chains. In the Roman Army a legion represented 2,000 men. It is understood then, that when I cast the legion of demons out of the man, they went into 2,000 pigs and drowned into the sea. This also shows My power over even a legion of demons. The local people did not appreciate My miracle because they lost 2,000 pigs. There is another lesson here that priests, or a group of people doing

deliverance, can also exorcize large or many demons, but this kind require prayer and fasting. All deliverance of demons from people requires My help, and My people's faith that I can cast demons out of possessed people. I did tell the healed man to share his experience with his family. There are many exorcisms of demons in the Gospels, so there were a fair number of possessed people in My day. You have even a greater evil among your people of today, so you need exorcisms more than ever. Trust in My power to cast out demons, but it is better to have a group of prayer warriors to deliver possessed people, if you do not have an exorcist priest."
Jesus said: "My people, you are right about Carol's Uncle Irvin in how he moved up in purgatory with today's Mass for his intention. The other vision was about an antenna that was scanning the skies for objects coming close to the earth. You have seen news of an asteroid coming close to the earth around February 4, 2018. This is a large asteroid, but it will not hit the earth. This same antenna will also see the Comet of the Warning when it comes. The public announcement of this comet many not come until 72 hours before it arrives. You may get other warnings of this comet by amateur astronomers with large telescopes. This comet will make it appear as if there were two suns in the sky, and many people could be frightened by such a display. People will also have their Warning experience which could be frightening to some people as well. Do not worry about a date, but many will have an opportunity to change their lives."

Jesus said: "My people, in the Gospel you read how two people were healed because of their faith that I could heal them. The first woman believed that if she could touch My clothes, she would be healed of her hemorrhages. Because of her faith, she was healed both physically and spiritually. Jairus had faith that I could heal his sick daughter, when he asked Me to come to his house. When I came to the house, the daughter had died, but the people did not believe Me when I said that she was asleep. To their amazement, I even raised the girl from the dead. There are several accounts of how I raised people from the dead. I raised a widow's son from the dead, and you remember when I raised Lazarus from the tomb. I even gave this gift to My apostles, as they also raised people from the dead. Even in today's world you have seen faith filled people raising

others from the dead. Those people, who heal people, also have faith in My Name to heal others. The more powerful gift is to be able to heal people's souls, and convert them to faith in Me. All healings, both physical and spiritual, are healed by faith in My power."
Jesus said: "My people, I am showing you a dangerous situation between China and your Navy ships. China is trying to claim islands and most of the China Sea as its own territory, but this should be international waters. Your Navy is sending its ships close to these disputed new islands to proclaim China does not own the whole China Sea. There have been several close calls that could start a war between your countries. This is another example how China is building up its Navy to challenge the U.S. Navy ships. Pray that you do not have a war start over these new islands that they are claiming for their own."

Wednesday, January 31, 2018: (St. John Bosco)
Jesus said: "My people, in today's first reading about King David, you see how he had his people numbered for knowing how many potential soldiers he could command. The seer, Gad, came to David to tell him about God's punishment, and David chose three days of pestilence out of three choices. As a result, thousands of his people died. In another time David committed adultery with Bathsheba and he had her husband killed. Nathan came to David with the punishment to his son and family for his sins. If King David has to suffer punishments for his sins, then how am I to punish America for its sins of abortion, euthanasia, adultery, and fornication? This is why you are seeing so much destruction in your three severe hurricanes, your fires, your mud slides, tornadoes, and snow storms. If your people do not repent and change their lives, I told you before, that you will see even more severe destruction. You have Lent coming, so now would be a good time for prayer and Confession. Just as in the Gospel when I was not accepted as a prophet in My own town, so other prophets I send you, are also suffering persecution and ridicule. I send prophets to My people to warn you of your sins against Me, and accept the punishments I send you. I am a loving and merciful God, but I am also a just God. Hear My words from My prophets, and obey My Commandments of loving Me, and your neighbor as yourself."
Jesus said: "My people, I asked My apostles who do you say that I am? Then St.

Peter said: ‘You are the Messiah, the Son of the Living God.’ All of My faithful need to witness Me as the Son of the Living God to everyone. Your priest asked the question of what is the most important time of your life? It is difficult to choose any one event because there are many. You start with your conception, your Baptism, receiving Me in your First Holy Communion, your Confirmation, your marriage, or being a priest or a single life. For you My son, accepting your mission is also important. You have an important gift of your very life. Your gift of faith in knowing Me is also important. Bringing souls to Me in conversion are also beautiful moments. I give all of you life in your soul, and you are Temples of the Holy Spirit. You have been given all of these gifts, and you need to thank Me at every Mass, and keep your focus on Me at all times in your prayers. I love all the people, and I desire that all souls could be saved from hell. It is up to each soul to choose life with Me in heaven or death with Satan in hell. I want to bless all the people at Mass for sharing My love here at the Gospa Prayer house.”

February 8, 2018
Thursday, February 1, 2018:
Jesus said: “My people, the people of California have been suffering some loss of life, the mud slides, and fires have caused considerable damage. They need some prayers and help to get their lives back to normal. In your world today, there is a spiritual complacency, where your people are forgetting about how your lives should be centered around Me. You are in a spiritual slumber, and you have lost your moral compass of what is right and wrong. In Nineveh, Jonah warned the people that their city was about to be destroyed in forty days. So the people and the King put on sackcloth and sat in ashes. Since they repented of their sins, and changed their sinful lives, their city was spared. So it is now, your people also need to repent and fast in preparation for your Lenten Season. There are so many people who are away from Me in serious sin who are living in fornication and homosexual lifestyles. My faithful are also sinners, but they seek My forgiveness in Confession. You need to pray for sinners who are not seeking My forgiveness, because they do not realize how they are offending Me in their constant life of sin. It is because of so much sin that you are seeing My punishment with your natural disasters. Your people need to wake up and have a spiritual renewal, or you could see even worse destruction.”
Jesus said: “My people, I am showing you a bird’s nest with eggs for future

birds. You have married couples who have the responsibility for having children, so you can have the future Church members. It is important to avoid having abortions, not only because it is a mortal sin, but because your population is falling behind replacement numbers of births. You also need faithful parents to bring up their children in the faith. This requires both parents to help, because you have too many single parent households that make it hard to earn money, and educate the children in the faith. Pray for the married couples so they can remain faithful to their vocation, and avoid a divorce. Pray for the children born outside of wedlock that they too could be brought up in the faith. It is the breakdown in your families that is why you are seeing fewer young people coming to church. If you do not work on bringing the youth to Sunday Mass, then My Church will be diminishing in numbers. It is the calling of My faithful to evangelize souls, so you need to help in saving souls from hell by your prayers and teaching people the faith."

Friday, February 2, 2018:
Jesus said: "My people, today you are celebrating My Presentation in the Temple, and you will be blessing the candles. My Presentation is similar to when your infant children are baptized into the faith. Because I died for all souls to be saved, your Baptism is able to take away original sin that all humanity has inherited from Adam. You have your godparents speak for you in accepting the faith, and denying Satan's hold on you in his temptations. Later on in life, you will need to make your own true acceptance of faith in Me, and your denial of Satan's works. You need to give your will over to Me in self-denial so you can center your life on Me. At your Easter service, you renew your Baptismal promises that are an affirmation of all the truths of faith in the Apostles' Creed. You are now acting out your faith without the necessity of your godparents speaking for you. By your Baptism you are given the gifts of priest, prophet, and king, so you can go forward and share My Gospel with all of those people who want to accept Me into their lives. Rejoice in your Conference this weekend as you listen and ponder the words and experiences of your beautiful speakers. I bless the work of your Gospa Prayer house in providing this opportunity to enrich your faith."
(Presentation in the Temple) The Blessed Mother said: "My dear children, I am

happy to see you blessing candles, and processing with your candles. You are honoring me with your coronation of my statue. In thanks, Jesus and I are blessing all of your people here tonight. All of your people here and people like you, are the faithful remnant who will save my Son's Church. The gates of hell will not prevail over our faithful remnant. This refuge and other refuges will be protected by the angels of God from the demons and the evil people. Rejoice in your celebration of My Presentation of Jesus in the Temple."

Saturday, February 3, 2018: (St. Blaise, blessing of throats)
Jesus said: "My people, in the first reading I offered King Solomon any gift of his choosing. He chose an understanding heart or wisdom to rule his people. I want My people to think of how you would answer this question, if you had such a choice in life. I know in your heart, My son, you would desire faith and a promise to heaven for yourself and your family. As you ponder this choice, you see that it is the spiritual gifts that are everlasting and most desirable for your soul. This is why you desire to be close to Me in daily Mass and Holy Communion. It is also why you seek to adore Me in Adoration so you can carry out the mission I have given you. When you look at worldly gifts, these things are only temporary, and you cannot take them beyond the grave. Your real treasure, is the treasure that you store in heaven for your judgment. You can obtain such treasure by your prayers and good deeds that you can do for Me and your neighbor. You gain merits in heaven for loving Me and your neighbor when you reach out to help save souls. So when you are living your life, seek My spiritual gifts, because these gifts will be most helpful in saving your soul and the souls of others, especially your family."
Jesus said: "My people, you have been eating some beautiful meals throughout your Conference. I want to remind you with these many sacks of rice, that there are many places where people do not have enough food to eat. You have your rice bowl donations coming up during Lent, which starts in a few weeks. For your Lenten sacrifice you could send some donations to your local food shelf, or to other groups who feed the poor in other nations. You can also pray for the poor people that they can find enough food to eat. There are some countries who have plenty of food, but it is hard to distribute food to countries where people are

starving. As Lent is coming, you could think of fasting between meals and giving up something you like as a penance. You also need to think about coming to Confession during Lent. Trust in Me that I will see to feeding My little ones wherever they are."
Louise and Neville's 50th Anniversary: Jesus said: "My dear children, I am happy to see such a faithful couple for all these years. You have given great sacrifices to bring up your family, and to provide for your refuge mission. Many people will benefit from your work. You will receive a great reward in heaven for all of your good works."

Sunday, February 4, 2018:
Jesus said: "My people, in My public life I spent most of My time preaching and healing people, both in their bodies and souls. Even today I look down on the people, and I see many sick people, and those people with sin who need healing. I came to heal sinners and bring salvation with My death on the cross. I am the Great Healer of sick people who need a physician. Many of you do not realize how fortunate you are to have good health, until you get sick. Pray to Me for your physical healing. In your soul you gradually accumulate some sin, and you do not realize your sickness in your soul. It is good to come to frequent Confession, especially if you are in mortal sin. You keep your body clean, but you need to cleanse your soul of sin even more so. You also see sick people in body and soul. Some faithful souls can use My gifts of healing the body when they have full faith in My healing of people. Your priests can heal the souls in Confession, and exorcist priests can even cast out demons in My Name. My faithful can also reach out to share their faith with others, and assist people who are sick back to good health. Visiting the sick and helping them, is one of your corporal works of mercy. Keep praying for sinners to be converted, and pray for those people who are physically sick to be healed."
Jesus said: "My people, in the vision I am showing you a football game because you are competing with the Super bowl and your Fatima Celebration. Sports have their place, and it is good exercise. The problem comes when your children are forced to practice, or hold games Saturday evening and Sunday morning. When you put sports before Me, you are making sports your god, and this is against My First Commandment. When you do not come to Mass on Sunday

because of sports, you are also violating My Third Commandment. So give honor to Me by attending Mass on Sunday, and do not make gods out of objects or even sports games."

Monday, February 5, 2018: (St. Agatha)

Jesus said: "My people, in this vision of My consecrated Host in the monstrance, I am calling My faithful people to come and adore Me. You are seeing how people are rushing around, and trying to do more things than they have time for. Instead, I ask you to come before Me, and take your rest in My peace. When you plan your day, make sure you plan time with Me at Mass, your prayers, and your Adoration. I am glad you chose to come to Mass, instead of your other activities. I should be first in your life, even besides your jobs and other sports activities. I am always pleased when you make time for Mass and Adoration. Because you are obedient to My Will, I will reward you in heaven."

Jesus said: "My people, every day you get up and you wash up in front of a mirror. You notice gradually how you are aging in life, and you realize you are only here for a short time. You need to prepare your life for your destination and your judgment before Me. By living according to My Commandments and imitating My life, you can choose to come to heaven. When you look at your reflection in the mirror, you are seeing the soul within through your eyes. I have made you in My image, and I have given you free will to follow Me or not. Those people, who are faithful to Me, will receive My graces on your path to heaven. I want to save all souls from hell, and I need My faithful servants to share their faith in helping to convert souls to the faith. I love all of My people, and I have a special love for all of My adorers before My Blessed Sacrament. Show your love for Me and your neighbor in all of your actions."

Tuesday, February 6, 2018: (St. Paul Miki and companions)

Jesus said: "My people, you have water as a necessity of life, and you need water to survive in this life. In the vision you are seeing the miraculous, healing waters of the Grotto at Lourdes, where many people have been healed. In the last

vision you are seeing Me meet the woman at the well. She offered to give Me a drink of water from the deep well of her forefathers. But then I offered her My 'Living Water' that I told her she would not have to keep coming back to receive. This 'Living Water' is the gift of the Holy Spirit, Myself, and God the Father. It is the gift of life in your soul from Our graces. Once you accept Me in faith, you are always with Me, and your grace can even be renewed from your sins in Confession. It is My 'Living Water' that will sustain you throughout life, until you come to Me in your judgment. Give thanks and praise to Me for being part of My Body and Blood, especially at daily Mass."

Wednesday, February 7, 2018:

Jesus said: "My people, you have been given many gifts in life, but at your judgment you will be held accountable for how you shared your gifts and your time. If you have a gift of knowledge and intelligence, do not belittle another who is not smart. If you have a lot of wealth, do not belittle anyone who is poor. If you are a very faithful person, do not belittle anyone who has little or no faith. If you are a humble person, do not criticize someone who is loud and prideful. I look at all of My people as equal in My eyes, where no soul is greater than the other. The more gifts you have, more will be expected of you at the judgment. You were not given your gifts only for yourself, but you need to share your gifts out of love for Me and love for your neighbor. If you see people in need, you should help them where you can. It is how you use your gifts and talents that you will be judged. I look into the heart and I see the intentions of your actions. So I pray that you consecrate everything to Me each day, and focus your intentions on what I would do in your heart. Not only should you pray from the heart, but strive to have good intentions in your heart for all of your actions. By striving to be perfect with My graces, you will be on the right path to heaven."

Jesus said: "My people, I love all of you so much, and I am praying for the salvation of all of your souls. I love all of you so much that I died on the cross to free you of your sins, if you could just repent and ask My forgiveness of your sins. I am knocking on the door of your soul, so you could open your soul to let Me into your heart and soul. Once you accept Me into your heart, I can give you My abundant graces to enable you to fulfill My mission for you. Many of you are struggling with life's trials in earning your living, and providing food and

shelter for your families. When you call on My help, life will be much easier, because of your faith in Me. Trust in Me every day, and I will see to your needs. This life is short, so by following My Commandments and offering Me your good works for people, you will have eternal life with Me in heaven."

Thursday, February 8, 2018:

Jesus said: "My people, in today's first reading King Solomon had many foreign wives, and in his old age he worshiped foreign gods and even erected altars for them. My First Commandment is Thou shalt love God only, and have no other gods before Me. King Solomon knew about not worshiping other gods, but he did it anyways. For this sin, his son would suffer. In today's world your people also know My Commandments, but they continue to worship idols of lust, money, fame, and sports to name a few. When you offend Me by worshiping other gods or idols, you will suffer punishments just like King David and King Solomon. You can regain My graces by repenting and seeking My forgiveness in Confession. If you do not repent, you will be bringing My punishments down on you and your family. I gave Moses and all the people My Commandments as guides to how you should live. I want all of you to love Me and your neighbor by obeying My Commandments every day of your life."

Jesus said: "My people, when the Jewish people come close to the Passover time, they made a journey to the Temple in Jerusalem. In a week you will be starting the Lenten Season with Ash Wednesday. You have read the account of Jonah where he warned the people that in forty days, Nineveh would be destroyed. As a result, the king declared a fast and he sat in the ashes. The people changed their evil ways, and because they repented, I spared their city. So now you all will soon receive your ashes on the forehead, and you will be fasting from food between meals and not eating meat on Ash Wednesday and the Fridays of Lent. During Lent, you usually give up something as a sacrifice or penance for Lent. You can also offer your prayers and alms for the poor. Take some extra time to come to Me in Adoration of My Blessed Sacrament. Lent is a beautiful time to meditate on how to improve your spiritual life. The closer you come to Me, the more you will be assured of sharing eternity with Me in heaven."

For Rosalie: Jesus said: "I am pleased with your efforts to start a refuge. Not

everyone says ‘yes’ to My call. You had Fr. Michel exorcize your grounds, and you have made an effort to provide a place for people to stay. I bless you for all that you are doing to help save souls.”

Friday, February 9, 2018:

Jesus said: “My people, in the Gospel you read of how I healed a man’s hearing in his ears. When I gave My parables to the people, they could hear My words physically, but they did not grasp the meaning. In order for you to gain knowledge of what I am speaking, you need to listen with your heart, and pray for My gift of understanding. I explained My parables to My apostles, but the people did not understand My parables. My faithful have the gift of the Holy Spirit and His gifts, so you can understand the spiritual meaning of My Gospels. You have Bible studies from gifted people that can also help you to understand My Word. My Church has given correct explanations of My words, so you do not misinterpret My words. Let the Catechism of the Catholic Church be your guide on various subjects. You will see some heresies being taught when you see the coming division in My Church. Be aware of such people and test the spirit of any heretical New Age teachings. With your gift of faith, you will be able to discern the truth from the lies of Satan. Pray for My guidance to teach the truths of the faith. My faithful remnant will be protected by My angels, but you will eventually be called to My refuges of protection.”

Jesus said: “My son, I am showing you another preview of what the Warning or Illumination of Conscience will appear to you. First you will be drawn up in your soul body outside of your physical body, and you will be outside of time in My real Now. From the darkness you will be drawn quickly to My great Light before Me. All of your sins will be laid bare, and you will feel unworthy to be in My Presence. You will have a desire to fall on your knees and some may even prostrate before Me. I will have each of you review every second of your life, and there will be an emphasis on every unforgiven sin and every sin of omission of good deeds you could have done for people. You will understand very clearly how you have offended Me against My Commandments. A great feeling of a need for repentance will come over you, and you will have a strong desire to seek My forgiveness of your sins, especially in Confession. The Warning will be a great overshadowing of My Divine Mercy over every soul, and I will give

every sinner an opportunity to accept Me as your Savior and to say how sorry you are for sinning against Me. Those souls, who accept Me, will be saved, but those souls, who reject Me, are on a path to hell."

Saturday, February 10, 2018: (St. Scholastica)

Jesus said: "My people, you have read this Gospel many times when I multiplied the seven loaves of bread and the few fish that fed four thousand people. They even collected seven baskets of fragments. I gave them food so they would be fed for their trip home. My faithful are also hungry to receive My Real Presence in the consecrated bread. I feed all of you so you will have My graces to strengthen you through each day. I give you My very Body and Blood so I am intimately with you in your soul. I have promised you that I will be with you to the end of time. Even during the tribulation, I will be among you. If you have a priest, you will have My sacraments. If you do not have a priest, My angels will bring you daily Holy Communion. I give you nourishment for your soul, and I told you, whoever receives Me in My Blessed Sacrament worthily, will receive eternal life. So give praise and thanks to your Lord who feeds you your spiritual food as often as you receive Me. I love you so much, and I pray that all of My faithful love Me, and desire to be in My Presence every day. I am the center of your life, and I will lead you on a path to heaven, if you follow Me in all of your actions. Share My gift of love and faith with everyone."

Jesus said: "My son, you have been suffering another sickness, but I have shown you before that sickness and your trials are opportunities for grace when you offer them up to Me for souls. You pray for the souls in purgatory, but you can also offer up your suffering to help souls come to heaven from purgatory. You have heard how former Bishop Sheen used to say how much pain is wasted in hospitals because people do not offer up their pain to Me. When you do this, you can gain merits in heaven for yourself, and for those people you are praying for. Keep praying your rosaries every day for the souls in purgatory, all sinners, to stop abortion, and for world peace. Especially pray for your family members who are not coming to church, because your persistent prayers can help save their souls. You heard Father mention one of your favorite readings: 'Seek first the Kingdom of God, and everything else will be given you.' You have seen this in your own life, when you help people, and how you are rewarded in ways you

did not expect. I am a loving and gracious God, and I want My faithful to share your abundant gifts with others as I do."

Sunday, February 11, 2018: (Our Lady of Lourdes)

Jesus said: "My people, in today's Gospel you read how I healed a leper when he asked to be made clean. In My time, lepers had to live outside of the community, and warn others they were 'unclean'. Today, you are seeing many people with the flu or upper respiratory illnesses. When people sneeze or cough, you are cautious not to shake hands with a sick person. Many people are not aware of the chemtrails in the sky that contain viruses, and this is contributing to a large population of sick people spread all over your country. There is also a spiritual leprosy of sin that afflicts many souls. For sinners, I am the Great Healer and Physician for all souls. In order to be healed of your sins, you can pray for My forgiveness, and come to Me in the priest in Confession, where you can be absolved of your sins. You see almost everyone at Mass get up and come to receive Me in Holy Communion. Yet when you come to Confession, you see only a small number. Pray for those sinners, who have mortal sin, and they commit a sacrilege in receiving Holy Communion. Even with venial sins, you need at least monthly Confession. Confessing your sins is a humbling experience, yet a necessary means for cleansing sin from your soul, so you can say you are 'clean'."

Jesus said: "My people, you saw My Star of Bethlehem that announced My first coming to earth as an infant. Now, I am showing you another star that you will see in the skies, and it will announce My second coming. I will send My Comet of Chastisement that will bring the three days of darkness. This will be My victory over the Antichrist and the False Prophet. All the evil ones will be cast into hell. Then I will raise My faithful into the air, so I can renew the face of the earth. After, I will bring My faithful down into My Era of Peace, where people will live a long time. Coming into My Era of Peace will be a reward for all those people, who were faithful to Me throughout the tribulation. You will rejoice to live at that time, as you will be prepared to be worthy saints to enter heaven. The Era of Peace will have no evil, and you will be trained to be saints. The tribulation time will be your purgatory on earth, before you come into the Era of Peace."

Monday, February 12, 2018:
Jesus said: “My people, you have two kinds of rich people. The one kind is generous in sharing everything of money, time, and faith. The other kind is gathering wealth for themselves without sharing it with their neighbor. Wealth of the earth is only temporary, and it is how you use it, that could help store spiritual wealth in heaven. You are stewards of your wealth, time, and your gifts of faith. Use all of your gifts for My glory in sharing, because you are only here for a short time. I have given you everything, so your thanks is shown in your sharing. Keep your life and soul centered around Me in your prayers, Masses, Adoration, and good deeds, and you will have your eternal reward with Me in heaven. I give you the only sign in Jonah, who helped convert the people of Nineveh. The Pharisees were blinded by their own greed for power, so they could not believe I was the Messiah, the Son of God. My biggest sign was My Resurrection from the dead. My faithful are not blind, because you understand that I was incarnated as a God-man to bring salvation to mankind by My death on the cross. Rejoice in My gifts because you have been given the eyes of faith to love Me and know salvation history.”
Jesus said: “My people, each person is called to persevere in faith, even amidst all of your everyday problems, and your desires in helping souls get to heaven. I give all of you the means for your survival, and enough graces to help accomplish your missions. When the daily trials test you, do not worry, because I am with you to solve your problems. Some people allow life’s problems to depress them, and they are weighed down by their earthly fears. Remember that I am with you always, and at times you are being pruned to test your faith in Me. A true Christian should have no worries in this life, because you can call on Me to help you. You are always dependent on Me for everything, so accept your lot, and persevere through each day when you do things for My greater glory. I am always behind you helping you and loving you. You can return your love for Me, and thank Me for My many gifts to you.”

Tuesday, February 13, 2018:
Jesus said: “My people, I am truly the Bread of Life because those who eat My Body and drink My Blood will have eternal life in heaven. In the Gospel I warned My apostles against the leaven of the Pharisees and that of Herod. This means do not follow the actions of both, because they are hypocrites and they have evil intentions against Me. Instead, follow My Commandments of love of God, and love of neighbor. The apostles only brought one loaf of bread, so they did not have confidence that I could provide what they needed in more bread. I reminded them of how I multiplied the bread for the four thousand and the five thousand. I even chastised them for having little faith, and not enough understanding of My gifts. I not only multiply the bread physically, but I also multiply the spiritual bread of My Eucharist. This is why you cling to Me in My Real Presence, because I am the Light, the truth, and the life of your soul. Believe in Me, and follow Me, and you will have eternal life. My Eucharist is real Bread, and you have Me in your soul, when you receive Me in Holy Communion.”
(Ash Wednesday Vigil) Jesus said: “My people, you are beginning a new season of Lent starting with Ash Wednesday, when you receive your ashes from the priest. This is a sign to you that you were created out of dust, and to dust you shall return. Lent is a great spiritual opportunity to improve your spiritual life. You may start with a special penance that you could do throughout Lent, like giving up TV, or sweets. Pick a penance that you like to do, so you can offer it up to Me for souls. You can pray for the poor, and give alms to the poor, as your local food shelf. You can continue your prayers, daily Mass, and fasting between meals. You can make some small sacrifices, and you can help cleanse your soul with Confession of your sins. By drawing close to Me in daily Adoration, I can grow closer to you in your daily lives. Trust in Me, and ask My help to be faithful to the penance that you chose.”

No Wednesday messages because of airplane travel.
Thursday, February 15, 2018:
Jesus said: “My son, you are being tested by sickness again, and you can offer up your suffering for souls during Lent. Have patience and I will take this away

from you. This is part of the cross you must pick up daily, and follow Me. Lent is a time of giving alms and doing penances to purify your soul. You have chosen to give up TV, sweets, and fasting between meals. This will test your self-denial, and your will power to carry this throughout all of Lent. All the people should also be praying, doing penances, and giving alms. Your people have many blessings, so you need to share from your abundance with people who are less fortunate. In the first reading it asks you to choose between the blessing or the curse. So choose life with Me, so you can have eternal life in heaven."

Prayer Group:

Jesus said: "My people, you heard of many cases of flu all over your country. It is one thing to hear news of people getting sick, but when you or your neighbor comes down sick, it becomes a personal problem. Many are taking tamiflu to help heal this sickness. There are various strains of the flu and other sicknesses that are afflicting people. Pray that your people can get over their illnesses."

Jesus said: "My people, you need to pray for the wounded, and the souls of those killed, as well as for the grieving parents who lost their children. This is another deranged ex-student who took the lives of so many students. The shooter was captured, and he will stand trial for his killings. It is difficult to stop such sudden ruthless killings."

Jesus said: "My people, those people, who attended your latest conference in North Hills, Ca. heard some excellent talks from all of your speakers at Gospa Prayer house. Fr. Michel Rodrigue gave an excellent retreat, and he shared many of his exorcism experiences. We truly learned the power of prayer and faith in calling out the demons. Trust in My power that is much greater than the demon's power."

Jesus said: "My son, I thank you for answering My call to share your messages at this latest celebration of the 100th Anniversary of the Fatima messages. While you were traveling, you could hear and see many sick people on the plane, which may have caused your sickness. It is not easy to suffer being sick, but you can offer it up for souls. Pray for the sick to get better. Call on My help to heal your sickness."

Jesus said: "My people, it is one thing to choose some penances for Lent, but it can be a little difficult to endure them. You had your first craving to eat between meals, especially at night. You are doing well to avoid using your TV and avoiding sweets and desserts. You will have more time to pray and read some good spiritual books. Make the most use of your time in Lent, as you pray for

sinners and the souls in purgatory. When you do these penances in secret, your heavenly Father will reward you in secret in heaven."
Jesus said: "My people, I want you to be humble in your fasting, penances, and confessing your sins in Confession. By your acts of self-denial and carrying your cross, you will find a way to correct your faults. By focusing on Me in your Lenten practices, you can imitate Me more closely, and guard yourselves against the devil's temptations. At the end of Lent you can make a summary of your spiritual progress."
Jesus said: "My people, it is a tradition to start Lent with the placing of ashes on your foreheads. This is just the beginning, and you may be tested over these forty days. Think of the forty days that I fasted in the desert. You may not be able to fast as long as I did, but you can see the power of fasting against sin in your lives. I carried My cross to Calvary, and you can carry your cross during Lent. Suffering penances, long hours of prayer, and fasting can help you against your sinful habits."

Friday, February 16, 2018:
Jesus said: "My people, there are various ways people can fast during Lent. On Fridays of Lent you are to not eat meat. Another fast is to refrain from eating snacks between meals. This is hard at night, not to eat anything. Your fasting is meant to strengthen your soul against the body's desires. It is the excesses of the body that can cause you to sin in gluttony or drinking alcoholic drinks. This is also important for your body's health to avoid getting overweight, and to avoid any food or drinking addictions. By cutting back on your desserts and candy, you can avoid sugar and chocolate excesses that can lead to diabetes or candy habits. Fasting has a way of helping you to have a healthy diet to give your body a rest from unnecessary amounts of food. It is good for the soul, so you can strengthen your free will by acts of self-denial. You also need daily prayer in your lives, so you can keep focused on Me as the center of your life. I love My people, and prayer is how you can show Me how much you love Me in return. Give praise and thanks to Me for all that I do for you."
Jesus said: "My people, I have mentioned before that the sins of man will bring natural disasters upon areas of the greatest sin. You have been seeing these punishments in your news reports. I have warned you to be watching out for

severe earthquakes. Now, in Mexico you have seen a 5.9 earthquake earlier, followed by a 7.2 earthquake today. You have not seen any reports of deaths or damage. Severe earthquakes can be caused by the HAARP machine that is controlled by man. If people saw colors and striated clouds before the earthquake, then this is a HAARP signature. Even flu and other viruses can be planted in the chemtrials in the sky. This also is a signature of man's hand in causing so much sickness. These means are part of the one world people's plan to reduce the population for a world takeover. The devil has his hand in causing so much turmoil, because these people are devil worshipers who carry out the devil's plans. Pray for people who are killed in these disasters and shootings. Your reparation Masses are saving souls that would have been lost. Trust in Me to help you through these events."

Saturday, February 17, 2018: (4:00 p.m. Vigil of 1st Sunday of Lent)

Jesus said: "My people, in the first reading you heard of how I made a covenant with Noah and his family that I would never bring another world flood to kill most everyone. As a sign of My covenant, I put a rainbow in the sky whenever it rains, and there is sun to go through the rain. Since My death on the cross, I offer Baptism to take away the original sin inherited from Adam's sin. You also make your Baptismal vows through your godparents. Later in life, you are to fulfill these vows, and accept Me as your Savior of your own free will. During Lent, you need to be faithful to your special penances along with your prayers and almsgiving. Let Me be the center of your life, and use this Lent to improve your spiritual life."

Jesus said: "My son, I am showing you the rings of Saturn and all the planets of your solar system. You are seeing all the stars of your own galaxy and other galaxies. This is a sign of My creation of the universe, and all that is in it. You can see that I hold the ultimate power over evil, because I am the Creator of all creatures, stars, and planets. The devil is but a speck of sand before My power. So do not be fearful of the evil ones, because if you have faith in Me, they will not harm you. Call down My authority on the demons, and they will scatter on hearing My Name. It is when you commit sin against Me that you will become weak to more sin. Come to Me in Confession and I will forgive your sins and restore My graces to your soul. Do not let the demons control you with

addictions, and do not open yourself to portals of evil with the occult. Trust in My protection, and you will be on the right path to heaven."

Sunday, February 18, 2018: (First Sunday of Lent)

Jesus said: "My people, Lent is a good time to look into your life to please Me more. It is a time to examine any bad habits of sin, so you could work to avoid such temptations, and have them forgiven in Confession. In St. Matthew's Gospel (Mt 4:1-11) you see the first temptation of the devil to turn the stones into loaves of bread. I told the devil, man does not live on bread alone. This temptation is for all of you in overeating as gluttony. The second temptation was about pride when Satan wanted Me to throw Myself down from a cliff, so the angels would protect Me. All of you are tempted by pride to do things selfishly for your own gain, even if it harms others. The third temptation is for fame and fortune, when Satan wanted Me to worship him, and he would give the power of the world over to Me. I told him that God is the only One to be worshiped, and Him alone should you serve. This is the First Commandment not to put other gods before Me as fame, riches, or sports. There are many other temptations that you need to resist as well. This is why you need Confession to cleanse your sins, and use My graces to avoid offending Me in sin. Lent is that time to change your sinful lifestyles, so you can be free of the bonds of your sins. Trust in Me to help you in fighting the devil's temptations."

Monday, February 19, 2018: (President's Day)

Jesus said: "My people, you read in the Gospel how I will separate the sheep from the goats at the judgment. This means how the good people will come to heaven, while the bad people will be cast into hell. In order to come to heaven, you must show Me how you loved Me and your neighbor in your lifetime. Those people, who helped feed the hungry, clothed the naked, sheltered the homeless, and visited prisoners and the sick, are the good people. It is the treasure of your good deeds that will help you get into heaven. Those people, who did not help their neighbor, and did not love Me, are the ones on a path to hell. You want to

establish a love relationship with Me in your daily prayer, so I know who you are. Those people, who do not know Me, will also be sent to hell. Live a life according to My Commandments, and you will be on the right path to heaven, as witnessed by your love for Me and your love for your neighbor."
Jesus said: "My people, you are continuing to see natural disasters around the world. In the vision you could see flooding water from the hills with a snow melt from warm temperatures. You are also seeing in your news about a volcano erupting that caused high clouds in Indonesia. Today, you are seeing another aftershock of a 5.9 earthquake in Mexico after a 7.2 earthquake in the same area. You will be seeing more earthquakes and volcanoes blowing off as these occur going up the Ring of Fire towards California. Pray for the souls of any victims from such natural disasters. You also can pray for all the victims of your recent shooting in a high school in Florida. This is a sign of the breakdown in your families, as many homes have only one parent. The mental health of your children is being challenged by your poor home environments. Your schools may need more security present to deal with these shooters. Pray for your families, and the protection of your children in school."

Tuesday, February 20, 2018:
Jesus said: "My people, in today's Gospel you read the 'Our Father' prayer that I gave to My apostles. In Lent you are thinking of prayer as a way of communicating your love for Me, and your love for your neighbor. You also are thinking about seeking My forgiveness for your sins. This is why I am showing you the priest in the confessional, waiting for people to confess their sins. You also should seek the forgiveness of your neighbor when you may have harmed or hurt them in any way. You should be open to forgiving anyone who has harmed you, or persecuted you. After you come out of the confessional, and the priest has absolved you of your sins, you need to forgive yourself, and do not let your past sins influence your life going forward. Being able to forgive is a test of your patience, but you are trying to imitate My forgiving nature. Do not hold grudges, but free your bonds of sin from the past. You trust in My forgiveness in every Confession, so follow My example."
Jesus said: "My people, many of you are concerned with the mass killings of seventeen high school students in Rockland, Florida. You also have had other

school shootings this year as well. I want you to put these numbers in perspective to the million babies who are aborted in America every year. Since 1973 there have been approximately 45 million babies murdered in your abortion clinics. You do not see the graves of all of these babies because the abortion supporters hide these gory details from the eyes of the public. It is because of your abortions that your population in the youth is decreasing. You also are bringing My wrath down on your country for killing My little ones. I brought destruction down on Sodom and Gomorrah for less offenses. America's time of freedom is running out, like the sand in an hour glass. Your punishments are coming from natural disasters, but soon you will see persecutions of Christians, and a takeover of your country, as the tribulation of the Antichrist is coming upon you. I will separate the good people from the evil people, and the evil ones will be cast into hell. My faithful will be protected at My refuges, as you wait for My coming victory over Satan, the Antichrist, and the False prophet."

Wednesday, February 21, 2018:

Jesus said: "My people, the only sign that I will give this generation, is the sign of Jonah. The Queen of the South came to see the wisdom of King Solomon, but you have One in Me, who is greater than Solomon here. You have read of Jonah's preaching to Nineveh, but you have One in Me, who is greater than Jonah here. Jonah was reluctant at first, but he was returned to his mission. Then he went through Nineveh telling the people that in forty days, Nineveh would be destroyed. But the King of Nineveh declared a fast, and all the people changed from their evil ways, and they fasted. Seeing how the people repented, I spared that city the punishment I intended, and I did not carry it out. This is the sign and My desire for all of America to repent and change your evil ways, like the people of Nineveh. If America repents, I will spare your punishment. But if America refuses to repent, and refuses to change your evil ways, then you will

be punished. Now is an acceptable time to repent and come to Confession, or America will suffer the consequences of your sins."
Jesus said: "My people, I am comparing how a worm turns into a butterfly with a person who can be converted from a pagan into a new life as a believer in Me. You know the metamorphosis of one form of a worm into a cocoon, and then into a beautiful butterfly. It takes grace, a miracle, or training in an RCIA program to help convert a pagan into a practicing Roman Catholic. Faith in Me is a gift that starts with your Baptism to cleanse your original sin from your soul. It takes grace to help form a right conscience that knows true right from wrong. You can also consult with the Catechism of the Catholic Church for the truth of any doctrine of the faith. By following My Ten Commandments of love of God, and love of neighbor, you can be on the right path to heaven. Trust in Me to give you the graces to believe in Me, and to share your faith with others."

Thursday, February 22, 2018:
Prayer Group:
Jesus said: "My people, for many years companies were polluting your skies with black smoke and a strong sulfur smell from burning coal. Today, most of your smokestacks have a precipitator on them, and this sends out white smoke. It is much like your catalytic converters for cutting pollution on your car. In another comparison, this is like a spiritual cleansing of your souls from the blackness of your sins in Confession. You can come to Confession to cleanse your black souls into white souls."
Jesus said: "My people, you have cold and warm days during this winter, which is causing sickness and some flooding. This is about the people who are cold and warm in their faith. It is also a sign of how your society is claiming good things as bad, and bad things that are called good. Satan is confusing your people so you have morals that are being corrupted, and fewer people are coming to church. You need to pray for your families so they do not fall away from the faith. Do not let the glitter of the world, and your addictions take over your souls."
Jesus said: "My son, you have just recovered from your bronchitis, and you suffered many nights with only a few hours of sleep. Pray for all of your sick people to get better, so they can live normal lives with good sleep. Pray also for

those people who have chronic aches and pains, who cannot be cured of their illnesses. Pray for the healing of such people."
Jesus said: "My people, much of your pollution comes from inefficient jet engines and car engines. You have seen some improvements over the years so your planes and cars can better use the fuels with more complete combustion. You have the technology to have more efficient cars, but you are needing incentives to improve them. Your home heaters are also burning more efficiently. By improving these burners, you will see less pollution in the air. You could also use your solar panels more to cut down on the natural gas and coal that is needed to generate your electricity. Keep working on reducing your air and water pollution so you can have cleaner air to breathe and cleaner water to drink."
Jesus said: "My people, many of you have enough food to cook and eat for all of your meals. There are some people who cannot afford food, or find it to eat. Please remember the hungry people by praying for them, and donating to your local food shelves and soup suppers. You can also send food to poor countries who are starving because of repressive communist governments. Giving alms to the poor is one of your Lenten duties to help your neighbor get fed."
Jesus said: "My people, at the beginning of Lent you chose certain penances along with your prayers and fasting between meals. It is good to keep faithful to what you are giving up, or what you are doing to improve your prayer life. You are seeing how you have more time to pray and read when you stopped watching TV. Many people waste a lot of time watching TV and on other addictions. When you change your life habits to a better use of your time, you are strengthening your will power over temptations to sin."
Jesus said: "My people, the best way to repent of your sins, is to come to the priest to confess them in the confessional. When you come to Confession, you do not see long lines, as you see in the lines for Holy Communion at Mass. Take time to prepare yourself for Confession, and make a point to come at least once a month. If you have mortal sin, you need to cleanse your soul in Confession as soon as possible, before receiving Holy Communion. Even if you have only venial sins, you still should confess them at least once a month. You gain many graces from Confession so take advantage of this sacrament to keep your soul clean."

Friday, February 23, 2018: (St. Polycarp)
Jesus said: “My people, all of Lent is focused on turning away from sin, and repenting for your past sins. This is why coming to Confession gives you a chance to wash away your old sins, and start with a fresh look on life. Do not let your old sins influence your future life, because this is part of changing your life. Every soul has to chose to love Me or not. You have times of sin, but you can come to Me as a repentant sinner, and I will forgive you. The main thought is to be able to pick yourself up, and restore your life in My graces of Confession. You are human and you may be weak at times, but use this Lent to make some good spiritual habits, so you can move away from your sinful habits. Keep focused on Me, and doing good deeds for your neighbor out of love, and you will be on the right path to heaven.”
Jesus said: “My people, your police and military people have the capability of destroying the chips that run your car and the electricity in your homes. These one world people will be testing their equipment on small towns. Stopping your vehicles, and turning off your electricity will be the beginning of the evil one’s takeover, in conjunction with the Antichrist’s takeover. You will see persecutions of Christians grow more deadly, as the evil ones will try to kill all of My followers. I will warn My faithful when your lives are in danger. At My refuges all of your vehicles, generators, and solar panels will be working despite any EMP attacks or bad weather. Trust in My protection from any devices that the evil ones will try to use on you. My power is greater than all of the evil one’s technology.”

Saturday, February 24, 2018:
Jesus said: “My people, you have heard a constant theme of following My Commandments and doing your Lenten practices. You may be struggling with your penances, but they are meant for you to change any sinful habits. It is not easy to root out your earthly desires, and it seems almost impossible to reach perfection in this life. All I ask is that you keep striving to improve each year. Think about which sins you commit when you come to Confession, and try to root out even some occasions of sin that lead you into that sin. You need to work harder on the sins you commit most often. It is this life change that Lent is meant to heal. Keeping a daily prayer life, is so important, because this is how you

communicate your love for Me. Continue to make Me the center of your life, and let Me lead you to make the right decisions for your mission. By being open to following My lead, I will give you the graces to accomplish what you think is impossible."
(4:00 p.m. Second Sunday of Lent) God the Father said: "I AM WHO AM, is coming to celebrate the Transfiguration of My Beloved Son. Just as Abraham was asked to offer up his only son, Isaac, so I offered up My only Beloved Son, Jesus, on the cross for the salvation of all of mankind. As the apostles saw Elijah and Moses, My voice came down from heaven: 'This is My Beloved Son, listen to Him.' This picture in your Eternal Father Chapel shows this scene of My Son's Transfiguration. This is the picture for My namesake for the Eternal Father prayer group. It would be nice to bring My picture back to the altar, so you can see My Presence. I know it is harder to carry them, but you did it for many years. For Lent you can bring My Son's picture as well. God bless all of you for keeping your prayer group going in My Name."

Sunday, February 25, 2018: (Second Sunday of Lent)
Jesus said: "My people, this was a glorious moment when I appeared to My apostles in My Glorified Body along with Moses and Elijah. Abraham was having his faith tested in the first reading, when God the Father called Abraham to offer up his son, Isaac. My angel stayed his hand, because I know Abraham's faith was sincere in doing anything for his God. Abraham then offered up a lamb that was nearby. This is the parallel to the Gospel because I became an unblemished first-born male Lamb that was offered on the cross for all of humanity. I am God the Father's only Begotten Son, and I was offered up as reparation for all the sins of mankind. I told My apostles that I would rise from the dead after three days, but they did not understand what rising from the dead meant. This was a preview of My Resurrection, and a message of hope for what My apostles would endure. This is also a message of hope for all of My faithful, that one day you could be resurrected to heaven to be with Me for all eternity."

Monday, February 26, 2018:
Jesus said: “My people, the theme of today’s readings is to be merciful. I have been merciful to all sinners by forgiving your sins, and dying on the cross to help save all souls who accept Me. I want all of My faithful to be merciful to all of those people who you know and meet in life. There is a lot of fighting in wars and arguing over politics and religion. It is time to have a time of peace without judging others. Now is an acceptable time to love Me and love your neighbor. Life is too short to be killing people, or spend time arguing with each other. By helping your neighbor out of love, you would have a much more joyful world to live in. Do what you can to bring peace and joy into the world, instead of the devil’s hate.”
Jesus said: “My people, I have given My priests the gift of Holy Orders, so they could consecrate the bread and wine into My Body and Blood. They also are able to hear confessions and absolve sinners from their sins. During Lent and all during the year, I have been calling your people to repent of their sins, and change their evil ways. I am waiting for sinners to come to Me in Confession with the priest, because very few people are coming to Confession. The first step is getting people to come back to Mass on Sunday. The second step is to come closer to Me in Confession so you can cleanse your sins, and stop your bad habits. If you do not have contrite and sorrowful hearts, then it is difficult to forgive your sins. Make a good preparation for Confession, so you are sincere in seeking My forgiveness. I will always forgive any repentant sinner, but you must make the first step by coming to the confessional. Do not fear My justice, but I am always consoling sinners in their problem sins. I love all of you, and I died on the cross to save souls from hell. Accept Me into your heart and your life, and let Me lead you on the right path to heaven.”

Tuesday, February 27, 2018:
Jesus said: “My people, you are seeing smaller numbers of people coming to church, because your people are becoming complacent about their faith. Some people are so taken up with working and things of the world, that they have forgotten Me as part of their lives. You remember what I said about the lukewarm souls, that I would spew them from My mouth. You also are seeing a

parallel to your current weather. You have hot and cold days that reflect the hot and cold souls. These people also have hot and cold hearts when it comes to loving Me. The cold hearts need prayers and conversion, and the hot hearts are fewer, but they truly love Me every day. Pray for all of your family members, especially those members who are lukewarm, or who do not come to Sunday Mass."
Jesus said: "My people, I am showing you someone's ear, because when you hear the Word of God, you also take My Word into your heart. You are reading from Isaiah (1:18) 'Though your sins be like scarlet, they may become white as snow; though they be crimson red, they may become white as wool. If you are willing, and obey, you shall eat the good things of the land; but if you refuse and resist, the sword shall consume you: For the mouth of the Lord has spoken!' During Lent I am encouraging My faithful to listen closely to My words and take them into your heart. It is not enough to hear My Word, and call Lord, Lord. You must show your faith in Me and your love for Me, by your every day actions. It is by obeying My Commandments, and living your faith, that will set you free of your sins. When you do this for love of Me, I will see that you are sincere by your deeds, and I will welcome you into heaven. Trust in My protection, and you will be safe in My refuges."
Mass intention was for Sister Eddie Francione: Jesus said: "My son, it was unfortunate that you could not make Sister Eddie's funeral Mass, because you were traveling out of town. There were many clergy at the Mass. She is with Me now in heaven for all of her earthly struggles. She will be praying for her family and friends, and she thanks you for the Mass intention."

Wednesday, February 28, 2018:
Jesus said: "My son, you are seeing how much the souls in hell suffer for their sins, and they will be suffering forever. Some people think My ways and judgments are not fair, but it is truly your ways and judgments that are not fair. I have given every soul a free will to choose to love Me or not. I do not force My Will and My love on anyone, but I allow you to choose Me or not by your own free will. My burden is light, but if you desire to come to heaven, you must obey My Commandments, and show your love for Me and your love for your neighbor. I desire every soul to come to heaven out of love for Me, and not just

out of the fear of hell. Hell does exist for the evil angels and the evil people, and it is everlasting, contrary to what some people teach. Souls in hell do suffer the burning flames of pain without relief, and without being consumed by the flames. You do not want to see any of your family, friends, or anyone be lost in the flames of hell, where there is only hate and persecution by the demons. This is why it is important to pray for all of your family and friends so they will have an opportunity to be saved from being in hell. If souls ignore Me or hate Me, and they do not have anyone praying for them, then they will fall into hell. Those souls, who love Me and are prayed for, can be saved in heaven. Choose life with Me in heaven, and not death in the flames of hell."
For Irvin: Jesus said: "My son, I told you when Irvin would be released from purgatory, and today is that day with My 'yes' with the grace of today's Mass for him. Give thanks to God that he is now in heaven. He thanks all the people who were praying for his soul, and were offering Masses for him. He will be praying for all of his family."
Jesus said: "My people, there is a danger in letting your children play with addicting games on a cell phone, a computer, or a tablet. You should limit any usage to less than an hour a day. Some of these games have evil things built into the games. Because the children crave such electronic things, they can cause tantrums or unusual behavior when they cannot have them. Do not let these games become a babysitter for your children, because the children need people interaction without facebook. By limiting the time on these devices, you need to have them interact with the parents, so there is a loving relationship. The children also need to come to church so they can learn to love Me as well. Even adults can become addicted to the internet and social media. Adults also should limit their TV time and internet time so they can do what is needed in their lives, as their prayer time. You need to pray for your children and grandchildren so they do not become addicts to these electronic devices. Pray also for their souls, so they can be taught to have faith in Me with a good prayer life."

Thursday, March 1, 2018:
Jesus said: "My people, in the first reading you can see how the just man who puts his trust in Me for everything, will be on a path to Me in heaven. But the man who puts his trust in other people only, is on a path to hell for not accepting

Me into his life. I call people to be charitable to the poor, and share what you have with others out of love for Me. When you help the poor and the less fortunate, you are helping Me out of love, because I am in them. This is paralleled in the Gospel when the rich man did not lift a finger to help Lazarus in his need. The rich man was too selfish, and lived only for himself, without loving Me or Lazarus. As a result, he was condemned by his own actions to suffer forever in the flames of hell. I want people to come to Me in heaven out of love for Me, but some people may come out of fear of being in hell forever. Your outlook on life should be one of loving Me and loving your neighbor by your good deeds and prayers. I will reward the loving person in heaven, but those people who refuse to love Me and their neighbors, are on a path to hell. Those souls in hell have a soul body that will burn forever in pain, and will not be consumed by the flames. Hell is a place of hate for all souls who hate Me or reject My love. Pray for such souls, who are living, so they could be saved from such a fate in hell."

Prayer Group:

Jesus said: "My people, at first people were critical of a deputy for not entering the school while the gunman was shooting. Now the truth has come out that the sheriff told the officers not to enter, but only to form a perimeter. This is against normal training, and it allowed the man to kill more students. This and other reports of other shots, give suspicion that this was another false flag event to get rid of people's guns. Pray to stop this killing of students, and put some protection in your schools."

Jesus said: "My son, I know you are following God the Father's request to return His picture to the altar because of the Eternal Father prayer group's name. On Sunday you heard the account of My Transfiguration, and this is the scene of God the Father's Presence. This is the picture God the Father had you choose for Michele Davis to paint. God the Father said: 'This is My Beloved Son; listen to Him.'"

Jesus said: "My people, you have seen record high temperatures for this time of winter. Now you are hearing a forecast of another sudden snow storm. You can imagine how your warm and cold are unusual during normal winter months. Do not be surprised that there are evil men who are manipulating your weather to cause problems among your people. Pray that your people will not have any serious power outages. You can pray the storm prayer in your Pieta prayer book to help with your protection."

Jesus said: "My people, you are still seeing people getting sick from the flu. This

has been an unusual year for so much flu and bronchitis. It appears that such sickness is continuing, and could well be related to the viruses that are being placed in the chemtrails. Pray for your sick people to recover and get better. Many people are keeping away from each other, and they are washing their hands more. Now is a good time to build up your immune system with Hawthorn and vitamin C."
Jesus said: "My people, I have mentioned before how there are demons attached to your addictions. When you pray deliverance prayers, as the long form of the St. Michael prayer, you are praying to stop the demons who are behind your addictions. You have drug, alcohol, smoking, gambling, and pornography addictions to mention a few. Lent is a good time to work on breaking such addictions, so you can come closer to Me in Confession. Call on My help to stop the conditions that cause you to sin against Me."
Jesus said: "My people, you need to develop some good prayer lives to help you avoid the devil's temptations. Try to establish a special prayer time when you can pray without any distractions. This may mean turning off the constant noise of your TVs and radios. It is only in quiet contemplation that you can hear My voice to direct your lives. Your prayer time should be your first priority over all of your earthly concerns. By keeping Me at the center of your lives, you will find praying to Me is easy to show your love for Me."
Jesus said: "My people, do not wait until your dying breath until you decide that you want to come to heaven. There are some people who were fortunate to have a death bed conversion. You could die suddenly, and you would not have time to prepare for your death. You can start with frequent Confession so you can keep your soul cleansed of all sins. Start also to show Me your love by conversing with Me in your daily prayers. I need to see that you love Me more than just one hour a week at Mass on Sunday. You have many hours during the week to pray and show Me your love. Be prepared for your death because your time here on earth is very short."

Friday, March 2, 2018: (12.7 inch snowstorm)
Jesus said: "My people, you could see in the first reading how Joseph was sold into slavery for twenty pieces of silver. I was sold to the Jews for thirty pieces of silver. Even in the Gospel's parable the bad tenants killed the king's son outside

of the vineyard to gain his inheritance. Later, I was also crucified outside of town on Mount Calvary. The Pharisees heard Me say how their mission would be taken away from them, and would be given to another. This made them want to kill Me out of anger for taking away their leadership. This is why I had St. Peter lead My Church, because this would be the new replacement of the Pharisees' leadership. You can see a constant battle between Me and the religious leaders. Even today, Christians are being persecuted for preaching love of God and love of neighbor. Continue to follow Me, rather than the ways of man."
Jesus said: "My people, you are seeing a tabernacle at a time when it will be permissible to have My consecrated Hosts stored in your tabernacle. If you have a priest, you will store the Hosts from the Mass. If you do not have a priest,My angels will bring all of you daily Holy Communion. You will use a large Host in your monstrance for perpetual Adoration, where someone will be praying every hour. I will be Present to give you courage, as My angels will protect all of My refuges. Some people are asking when will this refuge time happen, but do not be concerned about this time, because it will happen when your lives are in danger from persecution. You are seeing the persecution of Christians getting worse, so you know this time is not far off. Do not be concerned when My events will take place, because it is only for Me to know these times. Be patient, and follow My directions, and you will be prepared for the Warning and My refuge time. These things will happen in due time, so trust in My leading you during these trials."

Saturday, March 3, 2018: (St. Katherine Drexel)
Jesus said: "My son, you remember when you visited Cana, Israel that there was one large stone vessel for the washing of hands. You can imagine six such jars that each contained thirty gallons of water. When the servants filled them with water, this was an amazing miracle of Mine to produce so many gallons of quality wine, which the head steward noticed as the better wine. The servants and My apostles were impressed also, as My apostles came to believe in Me through My miracles. My Blessed Mother had told the servants to do whatever He tells you. Even though I had not yet started My public ministry, this was My first miracle at My Blessed Mother's request. The celebration of the Marriage

Feast at Cana, is a remembrance for all of those couples who are married. It is My desire that couples in the Catholic faith should be married in the Church, with the sacrament of Matrimony, to bind their lives in union with Me. Children are a fruit of this marriage, and they should be brought up in the faith. Couples should avoid living together in fornication without marriage. They should also avoid using birth control devices or sterilizations. Live according to My Commandments, and come to Confession at least once a month."
Jesus said: "My people, you are aware of more people developing various allergies to different foods. You also know about the GMO (genetically modified organism) foods and hybrids that are being sold in your grocery markets. It is the insecticides, herbicides, and manipulated DNA of your food crops that are affecting people's bodies. When the animals avoid eating GMO corn and hay, they are sensing that it is not proper food to eat. These are the foods that are causing allergies. Some people are trying to eat strictly organic foods to have a healthy diet. Your people would benefit from independent studies on your food sources, that are not associated with your agricultural companies. Some European and other foreign countries refuse to buy your GMO crops. It is better to build up your immune system with organic food, Hawthorn, and herbs. When you have a good immune system, you will be less vulnerable to various viruses causing your respiratory illnesses. Pray for your sick people to get better by eating healthy diets."

Sunday, March 4, 2018: (Third Sunday of Lent)
Jesus said: "My people, I was showing you a large crucifix on the altar so you can remember to pick up your own cross, and carry it through life. Every church should have a large crucifix on the altar, so you can never forget that I love all of you so much, that I died for you on the cross. You have a nice crucifix in your chapel as well. You also have My Ten Commandments on your wall in your chapel. These laws of Mine are all about love of God and love of neighbor. They are always a good framework when you prepare to come to Confession. I gave these Commandments to Moses, but they are meant for everyone to follow, as in the Bible reading today. In the Gospel reading you saw how I did not want the money changers to sell things in the Temple of God. You need to respect My churches as well, and give My Blessed Sacrament a prominent position, and not

on the side, or in a back room. I am the Guest in your church, and you need to show respect for My Blessed Sacrament with My Real Presence. Be watchful of those people who want to remove the statues, tabernacles, or the confessionals. Also keep My crucifix in full view on the altar as well. When you do these things, you will be pleasing Me in your worship."

Monday, March 5, 2018: (Note: break in at St. John the Evangelist)

Jesus said: "My people, when I was in Nazareth, Israel I criticized the people for their lack of faith in My healing power, since I could not heal anyone but foreigners. The people took offense at Me saying: a prophet is not honored in his hometown. Then they tried to kill Me by throwing Me off a cliff, but I walked through them because it was not My Hour to die. All of My prophets have this problem in their hometowns, because the people cannot believe somebody they know, could have such gifts. Pray for My prophets who are criticized and persecuted. Some prophets in My day were even killed for speaking of harm coming among sinners. The people do not want to be told to repent, because they love the comfort of their sins. They also do not want to hear of any punishment coming for their sins. It is the warnings of My prophets that the people need to hear and act on, or they will face punishments."

Jesus said: "My son, I am showing you the beginning of a magnetic pole shift that is changing slowly. Such a change in the magnetic North Pole could cause some of the strange weather you are seeing. I want you to research about past polar shifts, and how long it takes to occur. Place your findings at the end of this message. You have read before that the magnetic North Pole is moving. So determine how fast it is moving, and in what direction. Your scientists know about this, but they are not revealing the speed, and how it will affect your weather. Trust in Me to reveal the future of this pole shift, and its relationship to the new heavens and new earth that will be coming."

Note: The magnetic north pole is moving 40 miles a year from Canada towards Russia. Polar shifts have occurred hundreds of times, and they occur every 300,000 years. The shift can last from 200 to 1,000 years. The last shift was 780,000 years ago. Over the last 200 years there has been a 15% reduction in the strength of this magnetism. Recently, this magnetism is weakening at 5% every 10 years. Some scientists think there are signs of a shift coming, but it occurs

very slowly. Loss of magnetism would reduce our shield to the sun's radiation that could cause more cancer. It could also upset our satellites and our electric grid.

Tuesday, March 6, 2018:

Jesus said: "My people, many people come asking Me for help when they are being tested by life's problems. But when things are going well, there is not as much concern about praying to Me. My faithful should realize that you need My help every day, even in the little things. Your prayers of requests should be followed by prayers of thanksgiving for all that I do for you. In the Gospel I was emphasizing in My parable how you need to be more loving of Me and of your neighbor. By loving people, you are better able to forgive people, and not offend people in the first place. You come to Me in Confession to have Me forgive your sins many times. So My faithful should forgive others as I forgive you. Do not hold grudges, or think of how to get even, or have revenge for things done to you. Instead, try to make peace, and let Me take care of people who insult or persecute you. At times you may have to let the courts deal with accidents, or criminal mischief against you. In the future you will be seeing persecution of Christians from evil people with evil intentions against Me, and anyone who believes in Me. This time of evil is a sign that My victory will be coming, so have patience with things until I come."

Jesus said: "My people, I am showing you this crucifix because it is good to have a rosary and a Benedictine cross on your person for protection against the demons. It is true that I desire only crosses with the corpus on it, so you can remember how I suffered to bring you salvation from your sins. This also is why it is good to have a large crucifix on your altars at church. During Lent you are focused more on picking up your cross, and carrying it through life to your Calvary. You have been concerned about your supplements of selenium and iodine to help your hypothyroid condition. You also can consider your rosaries and chaplets of Divine Mercy as supplements to help your soul. I love it when people take time with Me in holy hours, and when you pray your three rosaries and chaplet each day. This is your way of telling Me how much you love Me. A daily prayer life is also a good example to your family and friends for how they could follow this regular prayer time. By keeping close to Me every day, you

will always be ready to meet Me at your judgment, when I call you home in death."

Wednesday, March 7, 2018: (St. Perpetua & St. Felicity)

Jesus said: "My people, you read how Moses wanted his people to have My laws written on their hearts. It is important to keep My Commandments in front of you, so you do not forget them. You have a nice display of the Ten Commandments on your walls of your chapel. The people of Moses' time enshrined the tablets in the Ark of the Covenant, and they used this as their strength in Me. In the Gospel I told you how I came to fulfill the law, and not to change it. These words live on forever as a covenant with all of My people. After My Last Supper, I left you with another covenant of My very Presence in My consecrated Hosts, that you keep in your tabernacles. You can receive Me in Holy Communion, and adore Me in My monstrance during Adoration. Abide by My Commandments of love, and you will have eternal life with Me in heaven."

Jesus said: "My people, you just had a powerful snow and wind storm along the East coast, and many people are still suffering from power outages. Now, you have another snow storm coming, but not as violent. This will be a problem for people trying to repair their downed power lines. Pray for these people because it is hard to have alternative heating without electricity in the cold of winter. It also may be difficult to get food if the stores do not have generators. You may need to do your storm prayer again, so you do not have any power outages. Even in your last storm, you saw how difficult it was to remove the heavy wet snow from your driveways. Be grateful that you have more light at night when you change your clocks ahead one hour for daylight savings time this weekend. Trust in Me to help your people get through the last month or so of your winter season."

Thursday, March 8, 2018: (St. John of God)

Jesus said: "My people, I have given all of you My Commandments and My prophets to help keep you on the right path to heaven. Throughout history the Jews and others were not always faithful to Me. You are weak by your human

nature, but I came to die for all of you to have an opportunity to be saved. My prophets then and now have been criticized for warning people how they should repent and change their evil ways. Following My ways may go against your human nature, but My ways are better than your ways. In the Gospel the people of My day thought I cast out demons through Beelzebub, the prince of demons. This was not how it happens, since it is by the power of God that I cast out demons. My exorcist priests and deliverance groups exorcize people in My Name, and through My power at all times. The demons are powerless against Me, so you need to invoke My Name in faith to cure people. Do not give any authority to the demons, and avoid occult and New Age practices. Continue to pray your St. Michael long form prayer for your family, and protection in your traveling. Trust in My help in battling the temptations of the demons."

Prayer Group:

Jesus said: "My people, I am showing you how the Coptic Christians in Egypt are being persecuted by terrorist elements that have bombed their churches, even while people were praying in them. This is how My faithful in America will one day suffer persecution, as the evil ones want to kill all of My followers. Pray for all Christians in the world who are being martyred or tortured for their faith."

Jesus said: "My people, I thank all of My refuge builders for all they are doing to provide room for people to live during the tribulation. You are seeing some people suffering from power outages in the cold of winter. Some are using wood burners or kerosene burners for their heat. This is another reminder to have alternative heaters and fuels on hand. If more buildings are needed on My refuges, I will have My angels finish your buildings, or multiply your existing structures."

Jesus said: "My people of your prayer group, I asked you to do a winter practice run, where you will turn off your natural gas heater, and use your wood fireplace and your kerosene burner. You will all have to wear warm clothes to keep warm, and plan your meals for breakfast, lunch, and dinner. I asked you to prepare spaghetti and meat sauce for your dinner. You will learn how to feed a good number of people with your butane burner and propane oven for baking your bread. You will have someone praying in your chapel every hour around the clock. You will have wind up flashlights and your battery operated lanterns for light. You will be praying your rosary and Chaplet of Divine Mercy in your chapel. By practicing in winter, you will be ready for all seasons at your refuge."

Jesus said: "My people, you have seen power outages from ice storms, snow storms, thunderstorms, as well as hurricanes and tornadoes. You could even see a

possible EMP attack from rogue nations. All of your refuge preparations could be used in such power losses. Having water, food, and fuels stored, could help you endure a long power outage. Many people would not have enough food to last a long time. At My refuges I will multiply what you need to survive. Trust in My angel protection that will shield you from bombs, diseases, and any demon attacks at My refuges."
Jesus said: "My people, you will be seeing a division in My Church where you will have a schismatic church teaching heresies and allowing New Age teachings. My faithful remnant will find it hard to get a true Mass in your churches. You will have to discern what is taught, and test it with your Catechism of the Catholic Church. Eventually, evil will become so rampant, that you will have to come to My refuges for a proper Mass and your protection. Trust in My angels to protect you on your way to My refuges."
God the Father said: "I AM WHO Am is with you tonight, and I thank you for bringing back your picture of Me in the Transfiguration, as well as your Lenten picture of My Son. When My Blessed Sacrament is adored, you are adoring all Three Persons of the Blessed Trinity. I give you all My blessing for being here to adore Us. Continue your Lenten devotions so you can strengthen your souls against the evil ones' temptations."
Jesus said: "My people, you are seeing another major storm coming in to your Eastern coast. Even though your area will not receive much snow, you can pray your storm prayer not only for your own protection, but also for those people who will be suffering the brunt of this storm. Pray that there will be less damage and minimal loss of life. It is one thing to pray for your own protection, but you also need to pray for those in the thick of this storm."

Friday, March 9, 2018: (St. Frances of Rome)
Jesus said: "My people, I was happy to see that the scribe understood that all the Mosaic laws were based on love of God and love of neighbor. Even when people come to their judgment, this is how I will judge people on how much they loved Me, and how much they loved their neighbors. This understanding and witness of love will be the key that opens the gates of heaven to enter. Many of the religious leaders of My day could recite all the different laws set forth by Moses in the Torah. Yet they did not always have the spirit of love in the law. They

placed many burdens on the people, and they did not lift a finger to help them. They themselves did not always practice what they preached. This is why I told the people to follow the laws, but do not follow the Scribes and Pharisees' example in their actions. Many of these leaders were hypocrites. This is why it is important for My faithful to practice what you preach, because your actions speak much louder than your words."
Jesus said: "My people, this water falls reminds you how important it is to have a source of water for your earthly survival. This is why I am having you put in a water well for your refuge survival. You have some water in your barrels, but not enough for all the people who I will send to you. Pray for a good, clear flowing water pressure so you can bring it into your house. Water from Baptism is also important for your spiritual life. Baptism is the beginning of your faith life as your original sin is cleansed. Water has a meaning to cleanse your soul from sin, as when you come to Confession. You remember the Blessed Trinity who were Present at My Baptism. You also baptize your infant children with the sign of the cross. Give praise and thanks to Me for bringing salvation to all of My people with My death on the cross."

Saturday, March 10, 2018:
Jesus said: "My people, take a lesson from this Gospel (Luke 18:9-14) that you are to remain humble, and be able to admit you are a sinner, as all of you are. Do not be prideful in any of your accomplishments, but thank Me for helping you in all that you do. Give glory to Me for all of your good deeds. You can do nothing without My help. So do not be like the proud Pharisee, because you have done nothing more than I asked you to do as My servant. Be like the publican who kept beating his breast and said: 'O God, be merciful to Me the sinner.' The publican went home justified in his coming to pray, but the Pharisee only gave praise to himself. Those people, who exalt themselves, will be humbled, but those people, who humble themselves, will be exalted. You know how people, who brag about themselves, is offensive to your ears, but it is even more offensive to Me. It is mercy I desire, and not burnt animal sacrifices of old. I sacrificed My life for all sinners, and this is the only sacrifice needed to save your souls."
Jesus said: "My people, you are seeing a recent attack by the HAARP machine

on your weather, and a chemtrail induced flu season on your health. These black operations are perpetrated by the one world people's death culture. In your weather you are seeing multiple Northeaster storms that have put several million people without electricity by heavy amounts of snow. Some deaths have occurred as well. Your flu season has been consistent all over your country, putting people out of work, and many people in the hospital. Again more deaths than usual have been recorded. The chemtrails have viruses in them that are causing so much sickness. In areas with a lot of cloud cover, you cannot see how much the planes are putting into the sky. Both the HAARP and the chemtrails are controlled by the one world people using government operations. Your best defense is to use Hawthorn, vitamins, and herbs to build up your immune system. Call on My help to get through your sickness and bad weather."

Jesus said: "My people, I am the potter and you are the clay that I fashion into a living person, once I place the spirit and soul into that body. You were all fashioned into an infant in the womb, but it was I who placed the spark of light into the body that gave life to the fertilized egg. It is just as you started in Lent, when you were dust and unto dust you shall return. But your soul and spirit live on forever, even once your physical body dies. It is the destination of your soul that is so important. By your life's actions for good, you can put yourself on a path to heaven by loving Me and loving your neighbor. If you love Me in your neighbor, then you will help them with your time, money, and prayers. Do not be selfish with your gifts, but share your time and money with others. You can also share your faith in your attempts to evangelize souls to the faith. Trust in Me to help all of you on your path in life to heaven."

Jesus said: "My people, in the first reading you are reading a description of the new heavens and new earth of the Era of Peace. Because you will be eating from the Tree of Life, you will be living a long time in the Era of Peace. This is why it

says in Isaiah that one, who dies at 100 years old, will be considered a mere youth. In the Gospel I cured an official's son of a fever without being at his home, because the official had faith in My Word. His faith was vindicated when he received word later on the way home, that the fever left his son at 1:00 p.m. This was the time I said he would be healed. The official's whole family believed in Me because of this miracle. This is why all of My people should have faith in My healing power when someone invokes My Name for a healing."
Jesus said: "My people, My refuge builders have been doing many projects to get their buildings ready to receive the people, who will be sent to My refuges. You may have to use more wood, kerosene, and propane, if you cannot use your natural gas burners. You may not be able to get natural gas when your sources are cut off. With alternative heaters, they may not be as efficient at getting enough heat to all the rooms of your buildings. This is why I am showing you My refuge builders who are adding extra insulation to their existing homes. The best place to add insulation would be in your attic and any crawl space over your ceilings. This would not be that expensive, and you could preserve some of your heating. All of My refuge builders might look into trying to improve their insulation. I am giving you more projects to help your people. Trust in My help for all that you will need."

Jesus said: "My people, I took compassion on a man who was lame for thirty-eight years. There was a tradition when the waters of the Pool of Bethesda were stirred, people could have a healing for the first one to enter. Since the man could not enter the pool that well, others would enter before him. So I asked him if he wanted to be healed. When he agreed, I told him to pick up his mat and go home, and he was healed. Because he was healed on the Sabbath, he was criticized for carrying his mat. When the Pharisees found out I had healed him on the Sabbath, they wanted to get rid of Me for such healings on the Sabbath. Instead of rejoicing over a wonderful healing of a man who was lame for so long, these people had little faith in My mission. Even today, when you do good deeds for someone, there is little thanks, and others may not even acknowledge your good intentions. Even if people do not appreciate you are doing things out

of love for Me, I see them, and I will store your treasure in heaven. Be willing to help people in need, even if they do not ask you. In all that you are doing, do things out of love for Me and love for your neighbor."
Jesus said: "My people, the bread and wine are common foods, and they have been adopted in the Mass from its roots in the Passover Meal. You eat your three meals a day to nourish your body, but My consecrated Bread and Wine are given to you as My very Presence in Holy Communion. This is your spiritual food that nourishes your soul. It is My Body and Blood that I offer up on My cross at every Mass. My suffering on the cross has brought all of you salvation from your sins. This is why it is important to have a pure soul to receive Me without any mortal sins on your souls. If necessary, come to Confession to cleanse any mortal sin, so you can receive Me worthily in Holy Communion. The daily Mass provides your daily Bread with My Real Presence. I have told you before that the Latin Mass is My Mass of desire. You have participated in many Latin Masses before the vernacular Mass was given. Whichever Mass you attend, you have My same Body and Blood. Give glory and thanks to Me for giving you the Holy Sacrifice of the Mass."
For Betty T.: Jesus said: "My people, it is difficult to lose a mother, as when you lost your mother, My son. Pray for Betty's soul with this Mass and your prayers. You all have to make amends for your souls when you die, and it is not uncommon for souls to spend some time in purgatory to be purified. You all are mourning for her loss, but she will be watching over her family. She sends her love for the family."

Wednesday, March 14, 2018:
Jesus said: "My people, in St. John's Gospel, you see how he speaks of My Divinity in many passages. When I was questioned about how I spoke of God as My Father, I explained that He sent Me to the earth, and I followed all that He showed Me. I even gave life to several people who died. I told them that those people, who follow the Son of God, will have eternal life. I also talked of the Resurrection of those who died. (Jn 5:28, 29) 'Do not wonder at this, for the hour is coming in which all who are in the tombs, shall hear the voice of the Son of God. And they who have done good, shall come forth unto Resurrection of life; but, they who have done evil, unto the resurrection of judgment.' The good

will be with Me in heaven, but the evil ones will be cast into the eternal flames of hell. You all have free will which I cannot violate, but you will choose to be with Me or not. It is by your own actions that you will be judged. So those people, who desire heaven, must show Me their love in their good deeds for love of Me, and love of their neighbor."
Jesus said: "My people, at times you are driving at night while it is snowing. It is difficult to drive safely under these conditions as tonight. When you face such a danger, remember to pray your St. Michael prayer for your safety. If you have the long form, it would give you even more protection. There is also a danger that the evil one could cause an accident against you. Trust in your guardian angel and St. Michael to protect you from any evil or bad weather. You also remember to do your long form prayer of St. Michael when you are going out to give talks. I am helping you in your health, and protecting you from harm at all times. Be more attentive in these situations, so you can be protected from any accidents. It is also wise to clear off any snow, so you have good visibility. Think about your own safety, and the safety of your passengers. Thank Me and My angels for looking out for you."

Thursday, March 15, 2018:
Jesus said: "My people, the Jewish people in the desert waited a long time for Moses to bring down the Ten Commandments. During that time, they worshiped a golden calf, and God the Father was upset by their behavior. Moses stood in the breach to keep God the Father from consuming the depraved people. Moses divided the people between the believers and the non-believers. The evil ones were lost. In the Gospel I was giving testimony to My authority that was witnessed by St. John the Baptist and God the Father. I was telling them that if they could not obey the laws put down by Moses, how could they obey My new way of love? They could not understand that the love of God includes everyone, even their enemies. It is not easy to love everyone, but it is My call to be perfect as My heavenly Father is perfect. Trust in My words, because My words are true, and they will last forever."
Prayer Group:
Jesus said: "My people, you are working hard on your penances for Lent, as your fasting between meals, and whatever you are giving up, such as desserts or

watching TV. Since you may have some extra time, you could do some spiritual reading, some Bible study, or watching some movies about My life, or the Ten Commandments. Some people prefer reading, while others learn from spiritual movies. This is one more Lenten devotion that you could add to what you are doing during Lent. When you put extra effort into your Lent, you can help your soul throughout the whole year."

Jesus said: "My people, those of you, who live in the Northern states, are receiving more cold and snow than usual. You especially are waiting for the snow to melt, and warmer temperatures of spring. As you pass March 20, you will soon see new life in your spring flowers. This is a pretty time in nature to hear the birds singing, and the beautiful spring flowers breaking through the soil. Enjoy every season, but it is time to say good-bye to the snow."

Jesus said: "My refuge builders, I want you to use your alternative heaters when you will not have natural gas to heat your refuge. Your people will need warm clothes because the heat may not be coming evenly to all parts of your house. You will be using your kerosene heater and your fire place with an efficient insert in the chimney. You may need an electric heater in your basement where it would be harder to heat. Plan your meals and have a sign up sheet for your all night prayers." Note: plan for the night of Mar 23 at 7:00 p.m to the next day.

Jesus said: "My people, Lent is a time to repent of your sins, and coming to Confession for My forgiveness, is a great time to have your souls cleansed of your sins. Take advantage of the extra Confession time to have your sins absolved by the priest. Make a good preparation before you enter the confessional. Be sure to pray your penance from the priest, and even do some extra prayers to help take away any bad habits. Work on avoiding occasions of sin for you. By coming close to Me in My sacraments, you can enrich your souls with My love and My graces."

Jesus said: "My people, many of your school shootings are tragic when young lives are taken by mentally ill gunmen. It is not just the weapons that are causing the killings, but it is the mentally ill people who are killing your children. There are many suggestions being made to help prevent these shootings. Pray for the deceased, and for the grieving families, as well as the fellow student survivors."

Jesus said: "My people, Holy Week is a special time of Lent that leads up to Easter Sunday. My faithful should attend the Holy Week services, even if they take some time to be there. I died on the cross for your salvation, so walk with Me through the Stations and the Triduum services. Once Lent comes to an end, then you will be celebrating My Easter Sundays up until Pentecost. You also will

have an opportunity for a plenary indulgence for making your Divine Mercy Novena that lasts from Good Friday until Mercy Sunday."
Jesus said: "My people, you are approaching March 17 for St. Patrick's day feast when people celebrate the wearing of the green. St. Patrick's shamrock is a good reminder to honor the Blessed Trinity of Three Persons in one God. This feast is followed by St. Joseph's feast on March 19. Many churches celebrate a St. Joseph's table with all kinds of loaves of bread. These are two great saints to remember in this coming week. This also adds some special services for your Lenten weeks. I love when you honor My saints, and when you praise Me at Adoration."

Friday, March 16, 2018:
Jesus said: "My people, (Jn 8:12) 'I am the Light of the world. He who follows Me, does not walk in the darkness, but will have the Light of life.' My Light is how people come to see Me when they die. My Light also shines down on My people who are open to My Word. It is My Light that shows you the right path to heaven. My Light removes the darkness of sin, and you can cleanse your sins in Confession. I give you salvation by My death on the cross, and I give you My sacraments so you can walk in My Light. It is the Light of My graces that will set you free from the bonds of your sin in the darkness. Come into My Light, and follow Me, and you will have eternal life with Me in heaven."
Jesus said: "My people, in older times you saw how the Jews stored the Ten Commandments in the Ark of the Covenant in the Holy of Holies. This was a sacred place that only the priests were allowed to give the incense. At the Last Supper I instituted the Holy Eucharist at the first Mass. After Holy Communion was given out, the consecrated Host needed to be stored in a tabernacle. I have My Real Presence in every Host, so I am present in all the tabernacles all over the world. This is why you come before Me in My tabernacle to give Me praise in Adoration. Many churches lock their doors after Mass, so it is difficult to have Adoration, except for places that are open. I am alone many hours of the day without anyone visiting Me. This is why I love open churches or tabernacles that are open to the public for Adoration. Give praise and thanks to Me for giving you Myself in My Blessed Sacrament."
For James: Jesus said: "My people, James is in the bottom of purgatory because

it is against My law to take one's life. But I am merciful for those people who do such things, if there are uncontrollable circumstances that caused such an act. Pray for James' soul and continue to have Masses said for him."

March 21, 2018

Saturday, March 17, 2018: (St. Patrick's day)

Jesus said: "My people, in the Gospel you are seeing how the Jewish religious leaders did not take Me as a serous prophet, because I lived in Galilee in Nazareth. They did not know My parents were from the line of King David, and that I was born in Bethlehem. I did not proclaim My mission to them, nor did I tell them of where I was born. I kept My Messianic mission a secret, and I avoided places where the Pharisees lived. I did speak out in the synagogues, which is why My hometown people wanted to kill Me when I spoke of being God's Son. As I showed miracles of raising people from the dead, and multiplying the bread and fish for thousands, it was hard to confine the number who believed in Me. You can see when I cured people on the Sabbath, how the Pharisees wanted to kill Me. You can also read in St. John's Gospel how I claimed to be God's Son, and the people criticized Me for blasphemy. You will see in the coming readings how the religious leaders did not like their authority threatened by My large crowds. This is why they sought to kill Me. This was My mission to die for all the people, but this only would take place at the proper hour, and not before. You are getting closer to Holy Week when Judas would betray Me."

Jesus said: "My people, I am showing you hell, but your people have turned everything upside down where good is bad, and bad is good. You have listened to the lies of Satan, and you are following man's corrupt laws instead of being obedient to My laws. In man's eyes you think it is all right to have abortions, and to live together in fornication without marriage. It is difficult for the children who are brought up without loving and worshiping Me. Many of your children are not coming to Mass on Sunday, because they do not think it is necessary for Me to lead their lives. Even some people come to Mass, but they do not show Me love the rest of the week. My faithful need to stand up against the evil ways of your society. Continue to let Me lead your lives, even if your peers have lost their faith, and do not love Me. When you see your young people not coming to church, their parents are not giving them a good example to follow. Despite your

prayers for your children, sometimes they will fall away from the faith you taught them. This lack of faith is another sign of the end times. I am asking My faithful remnant to be patient until I will bring My Warning down upon all sinners. This may be the last opportunity to help save the souls in your family, who have turned away from Me. You will have to guide them back to Me, and back to Confession, when they will be more open to your words. Keep praying for your family to return to the faith of their roots in Me."

Sunday, March 18, 2018: (Fifth Sunday of Lent)
Jesus said: "My people, when I talked about the grain of wheat dying, I was referring to how I had to die at the hands of men to make reparation for all souls to be forgiven of their sins. I resurrected from the tomb to bring life to all souls. My faithful will also be resurrected at the last judgment, but during this life you must die to self, and let Me lead your life on a path to heaven. I want My people to be heaven bound and not earth bound. This life is temporary, and you all will face your judgment at the end of your life. If you are too attached to this life, you will not love Me and your neighbor. The devil and the worldly things can only lead you to hell, where there is hate and death to the soul forever. It is better to die to self and follow Me, by loving Me and loving your neighbor. It is by being faithful to Me that you will have My promise of eternal life in heaven. So choose life as heaven bound, and do not let this earthly life lead you astray."

Monday, March 19, 2018: (St. Joseph, stepfather of Jesus)
St. Joseph said: "My son, you all have prayed to me at every one of your prayer meetings, but you could pray to me every day as well. You pray to my spouse, Mary, and my foster Son, Jesus, but you could include me in your daily prayers as well. I am a good example for all fathers and husbands to follow. You can call on me for help in all of your refuge projects. You know I am in construction and working with wood, so I could help you in your needs. Call on me for my intercession, and I will be there to help you."
Jesus said: "My people, just as you see this open basket, you need to be open to

My requests to help you through life. You need to listen to My Word, and turn off the noise and distractions of the world. As you come closer to Me, you even need to detach yourself from earthly things, and seek out My spiritual things. This is why it is good to seek out some quiet time with Me, so you can hear My words. This latest Lenten mission has encouraged you to have a dialogue with Me, or a two way conversation to help you with your missions. I have given you some projects to work on for your refuge, and you have been faithful in carrying them out. You can ask Me questions if you do not understand what I am asking. I usually give you explanations that are logical and spiritually motivating. I am always here to lead you and help you in your missions. Continue to trust in Me for all that I am asking of you."

Tuesday, March 20, 2018:

Jesus said: "My son, when you read how the people with Moses complained about the manna, you were thinking about the coming people to your refuge. The people with Moses suffered from seraph serpents that bit them, and some died because of their complaining. This is a lesson to your refuge people, not to complain about the food. Moses asked God to help the people, so Moses was told to mount a bronze serpent on a pole, and hold it up. Those people, who were bit by the snakes, looked on the bronze serpent, and they were healed. At your refuge, you will have a luminous cross in the sky, so when you look upon it, you will be healed of your illnesses. This lifting up of a bronze serpent on a pole, also refers to Me when I was lifted up on the cross, when I died for your sins. When you look on My crucifix with the corpus, you see that I love all of you enough to die for you in saving your souls from sin. This miracle of My death and Resurrection, gives you all hope that you will be resurrected to heaven, if you follow My way. So pick up your own cross, as you will carry it through life to your death. This world will have many trials and sufferings from your human condition, but trust in Me to help you through everything. Offer up all of your sufferings to unite them with Me on My cross, and you could help other souls with redemptive suffering, as I did. I will never test you beyond your endurance, so continue to trust in My help each day with your trials. When you come to the gates of heaven, I will say: 'Enter' for you have done everything well My servant for love of Me."

Jesus said: “My people, in the darkness of night it is hard to find your way without any light. When you see the light of day come in, you can see clearly what to do, and where to go. I am the Light that you need, especially against the darkness of evil. Your world is becoming more corrupt, and more evil in its lifestyles. You are seeing people living together without marriage in fornication, in homosexual acts, and now even transgender lives. I made them male and female in the Garden of Eden as husband and wife in marriage with Adam and Eve. Now you are living in sexual sins, and there is no shame. Just as I brought the Jews into exile because of their worship of idols and pagan gods, so I will bring America into exile for your evil ways. Killing My little ones in abortion, is the main reason that America will suffer a takeover as your punishment. Pray to stop your abortions, or you will suffer the consequences.”
For Mary Goode: Jesus said: “My people, this mother had to endure some suffering at the end of her life, but she is free from purgatory with this Mass intention. She loves her family very much, and she will be praying for them. She thanks all the care givers and helpers in the latter part of her life.”

Wednesday, March 21, 2018:
Jesus said: “My people, in the reading from Daniel (Dn 3:1-97) you saw how the king forced the people by his decree to bow down and worship the idol statue that he made. The three Jewish men refused to worship this idol, even when they were threatened to be thrown into a white hot furnace. The king was enraged, and he had the three Jewish men thrown into the furnace. Their faith in Me was vindicated when My angel protected them from the fire of the furnace. There was a great celebration when even the king was converted to worship the One true God with this miracle. This is a lesson to everyone to trust in Me and to worship only Me, and no other idol, even if people threaten to kill you. A time of persecution of Christians is coming to America, when you will have to take a stand against idol worship. When your lives are in danger, I will have your

angels guide you to My refuges. Trust in
Me and you will be vindicated in your faith in Me as well."
Jesus said: "My son, you have tried for some months to have your drilling team come out to drill your water well. They actually pounded the casings into the ground until they stopped at the bedrock. Then they pounded the stone through to get the water at 47 feet deep. The flow is about 5 gallons per minute which is good enough to bring into your house. You will be having one pipe run by an electric pump, and another pipe will operate with a mechanical pump. Give praise and thanks that this flow rate is adequate for your refuge needs. Now, you will have an ongoing source of water for washing. You will have your water checked for its quality. You may even be able to use wash water for your practice run. I thank you for pursuing this project as I had requested. Having a water source for a refuge is needed, especially if the authorities shut off your town water line at the refuge time. Trust in Me that I will multiply your water, food, and fuels for the people who come to your refuge."

Thursday, March 22, 2018:
Jesus said: "My son, you are preparing to have your next practice run for the winter with some of your prayer group. You will need to get your kerosene burners out, and a heater for the basement. You need sticks and logs for your fireplace, and some kerosene for your burners. You will need your bread oven with your propane bottles. You will need your butane burner for heating the water for your meals. You need to get your food ready as well. Now that you have a water well, you will have wash water. You are only preparing for one night in the cold, so you will need warm clothes, because the heat may not reach all the parts of your house. You also will need to get out some cots for sleeping, and blankets and pillows. It is good that you are testing yourselves so you can live through all the seasons. Trust in Me that My angels will protect your refuge from harm, and I will multiply what you need to survive. Give praise and thanks to Me for helping you with your finances and the things that you will need, when the people come to your refuge. Do not forget to have someone praying every hour all night in your chapel."
Prayer Group:
Jesus said: "My people, as you approach Holy Week, the readings will be

focused on the Pharisees and the Sanhedrin, who wanted to kill Me. When I made statements that 'I AM', the people wanted to stone Me for blasphemy. They saw My miracles, yet they did not want to believe that I am the Son of God. This was part of My offering up of My life as the Lamb of God on the cross. My sacrifice on the cross has brought salvation to all of those people who believe in Me and act on it."

Jesus said: "My people, it does not take much negative news to send your stock investors running to the door. There are winners and losers in all of your stocks. Many of the fears do not always materialize, but today's events have challenged too many uncertainties. In the Gospels I tell people to be not afraid, since I will take care of your needs. Trust in Me every day, and you will be on the right road to heaven."

Jesus said: "My son, today you were busy getting more kerosene for your two burners. You were getting sticks, paper, and logs for your fireplace. You also got out your chef stove using propane for baking bread, and your butane burner to heat your water. You will be working on getting your food ready for your overnight stay without using your natural gas heater. This will be a test in the face of the winter cold. Someone will be praying every hour in the chapel overnight. I bless all of you for following My suggestions for your practice run in the winter."

Jesus said: "My people, this latest ransom virus is how vulnerable your utilities are to people hacking into your grids and other operations. The electricity was working, but some computer files were inaccessible. You have see this before, but this ransom virus has attacked a major city. This again is why your computer run utilities need strong security measures to protect your people. Pray for your people to be more aware of your vulnerabilities."

Jesus said: "My people of America, you have been in an economic war with China for a long time when they are using slave labor to out price your factories. Your President wants a more even trading field, but tariffs could set off a trade war. You have your largest trade deficits with China ($340 billion in 2017 or 13% more than 2016) because they manipulate the value of their currency, and you import more than you export. The uncertainty of a coming trade war is what has affected your stock market. Pray for a fairer trade with China."

Jesus said: "My people, this coming Holy Week is the biggest celebration of your whole Church Year. Pay attention to attending these services so you can appreciate how much I suffered in My sacrifice of My life for all of you. I paid the price for the salvation of all sinners. So take advantage of My graces given in

the Mass, and in all of My sacraments."
Jesus said: "My people, I am insulted by how many souls are receiving Me in Holy Communion, but many of them have mortal sin on their souls, and they are committing a sin of sacrilege. This is why I am asking My people to come to Confession, so you can have clean souls for celebrating the Triduum services. My Church has a requirement that you need to come to Confession during Lent or Easter at least once during the year called your 'Easter duty'. Make a good preparation for your Confession so you can cleanse any mortal or venial sins you have committed. You should be going to frequent Confession at least once a month. But if you are a practicing Roman Catholic, you should be coming to Confession at the very least of once a year. I want My people to have clean souls by cleansing them in a good Confession. Pray for all of your relatives to come to Sunday Mass and frequent Confession. This is how they could be on the right path to heaven now, instead of waiting until the last moment on your death bed."

Friday, March 23, 2018:
Jesus said: "My people, you are seeing Me on the cross as I suffered for all of your sins. All of you are suffering your own crosses, but not as severe as My flogging and crucifixion. Some people have temporary illnesses or broken bones that heal. Others suffer chronic pain, and even some suffer with terminal cancer. It is also hard to see older parents suffering before they die. You can offer up your suffering to Me, and others can receive your redemptive merit to help their lives. Pray for the sick and suffering, as well as for those people who are killed suddenly in accidents or natural disasters. Even pray for those who have been killed in shootings or bombings. Your life on earth is very temporary, and you cannot even be sure you will be alive tomorrow. So repent and keep your souls clean with frequent Confession."
For Fr. John M. Jesus said: "My people, this man was here today and gone the next day without much warning. He is another example of how sudden life can be taken away. He needs prayers and Masses for his soul in purgatory."

Saturday, March 24, 2018:
Jesus said: “My people, I applaud your efforts to have a practice run in the winter when you turned off your natural gas heater. You then relied on your kerosene burner and your fireplace to provide your heat. You kept your house warm even though it was near freezing outside. It appeared that you probably only needed your kerosene heater alone to heat your house. Your well water still needs some work to get it clear, which will clean out gradually. In all of your preparations, remember that I gave you all of your suggestions, which you have faithfully carried out. But do not be prideful in how they are helping you. Give all the glory to Me for how I have prepared you for the coming tribulation. You will then see how helpful they will be for all the people who I will send you. Trust in Me for My protection, and how I will multiply everything that you will need for your survival.”
Jesus said: “My people, you are just about to read My Passion and death on Palm Sunday of the Passion of the Lord. I died for all sinners, so My sacrifice could conquer sin and death. Just as the Israelites turned their back on Me after they were delivered from the Egyptians, so many of My believers are turning their backs on Me after I died for them. You are seeing fewer people coming to church on Sunday, and even fewer are coming to Confession to have their mortal sins confessed. You can tell also how fewer couples are getting married in the Church, let alone getting married at all. Today, many couples are living a lie in fornication of many mortal sins. Some also are living in homosexual marriages which are also sinful. Unless your people obey My Ten Commandments, how can I bless a nation whose sins cry out to Me in your abortions? This is why you will be seeing more punishments for all of your abortions and sexual sins.”

Sunday, March 25, 2018: (Palm Sunday of the Passion of the Lord)
Jesus said: “My people, right before I was to die, one thief called on Me to save his life, but the good thief asked Me to bring him into My Kingdom. (Luke 23:42-43) ‘Lord, remember Me when you come into your Kingdom.’ and I said to him, ‘Amen I say to you, this day you shall be with Me in Paradise.’ These words are what all of My people want to hear. For your goal on earth is to die to self and pick up your cross, so you can unite your suffering with Me. Then you

will have your reward in heaven as the good thief. As you listen to My Passion in the Gospel, know that this is why I came on to the earth as a man, so I could suffer and die to offer up My life as a ransom for all the souls of sinners. After I died, there was an earthquake. (Matt. 27:51-53) 'And behold the curtain of the Temple was torn in two from top to bottom, and the earth quaked, and the rocks were rent, and the tombs were opened, and many bodies of the saints who had fallen asleep arose. They came forth out of the tombs after Jesus' Resurrection, and they came into the holy city, and appeared to many.' This is what gives hope to all of My faithful, that after you die, you will one day be resurrected into your glorified bodies in heaven."

Monday, March 26, 2018:
Jesus said: "My people, I performed many miracles so the apostles, and the people could witness My power to heal bodies and souls. Bringing Lazarus to life from the tomb, gave most notice of My power, and many came to believe in Me as a result. The authorities and the religious leaders were most threatened by how many people were following Me. Because of their fear that the people would believe in Me, the Pharisees plotted to kill Me, and even Lazarus as well. The plan of killing Lazarus showed how much they despised Me. This is the beginning of Holy Week, and I pray My people will attend the Triduum of this most holy week of the Church Year. The Last Supper on Holy Thursday was the first Mass, and My institution of My Eucharistic sacrament. It is this transubstantiation of the bread and wine into My Body and Blood that gives you My Real Presence among you. Give praise and thanks for My dying on the cross to bring salvation to all sinners. It is your response to believe and act on My Word."
Jesus said: "My son, you are happy to have your water well working, and you had your extra insulation installed in your attic and your family room. You had a problem with your well pump when the circuit breaker was off. When you used your heater on the same circuit, it was too much draw on your breaker. You need a dedicated line hooked up to your solar panel, or do not have other devices that draw a lot of current for the outlet you are using. Once you have your hand pump for the well installed, you will have completed My requests for now for your refuge. Every time you have a practice run, you learn more how to make

things work for your refuge. Be thankful that I have given you all that is necessary for your survival, and I will multiply everything for your people as well. Many of the things that I have asked you to do for your refuge, could be applied to other refuges. Remember that round the clock prayer is needed at your refuge for your protection during the tribulation time."

Tuesday, March 27, 2018:
Jesus said: "My people, it was difficult for Me to be betrayed by one of My own apostles, but it was part of the plan for My death and Resurrection. Judas was the one who conspired to give Me over to the religious authorities of the Sanhedrin. I knew Judas would betray Me one day, but I tried to save him. He was attracted to money and his own ambitions. Once Satan entered his heart, he was controlled in his plan. Later, Judas had remorse, but he felt unworthy of My forgiveness. Under Satan's influence, he was led to suicide, by hanging himself to death. In your own lives, you also feel badly when someone betrays your personal confidences to other people. So do not wish harm to that person, but forgive him or her, and pray for that soul. You will not be persecuted as severely as I was, but you may have to stand up for your faith in Me against your peers. Do not be afraid, but remain faithful to your Lord, even if others reject you on account of My Name. You can try to evangelize souls around you, but not everyone will accept My love and My ways."
Prayer Group:
Jesus said: "My people, it is good that you are still having your prayer group meeting during Holy Week. You watched the St. Paul movie about how the Early Christians were persecuted, and even martyred for their faith. It is fitting that you are in a refuge of protection, just like the Early Christians were hiding from the Romans. When the tribulation comes, you will be hiding also at My refuges. Give thanks and praise to Me for calling some faithful to set up such refuges all over the world. My angels will shield you from harm."
Jesus said: "My people, when you come to My refuges during the tribulation time, you could bring some food to help your refuge builders. My builders are storing some food, but I will have to multiply your food so all your people will have something to eat. When you pray for this food to be multiplied, you must have faith in My miracles to provide your food. I will also multiply your water,

fuels, and other needs. Trust in Me to feed you daily Holy Communion as well."
Jesus said: "My son, you have been to many funerals where the deceased person needed Masses and prayers to get out of purgatory. This is one of the reasons that the deceased want you to have pictures of them in an obvious place to see them. They want you to remember them in your prayers and Masses to move them up and out of purgatory. Keep praying for your family members while they are alive, and continue after their death."
Jesus said: "My people, you have seen movies that portray My suffering on Good Friday. I died at 3:00 p.m. in the afternoon, and this is why you pray your Divine Mercy Chaplet at the 3 o'clock hour. There is some indication that I resurrected at 3:00 a.m. in the early morning, so you could do another Divine Mercy Chaplet then, if you are awake. It is hard to imagine how I suffered, but you have some indication when you pray My Stations of the Cross, or the St. Bridget prayers in the Pieta prayer book."
Jesus said: "My people, you all will face your death at some time, which is why I am showing you your burial place. I was buried, and I rose from the tomb after being dead for three days. This is to give hope to all of you, because your soul lives on forever, even though your body will die. Your destination is based on your life as to where you will be sent: heaven, purgatory, or hell. At the last judgment My faithful will be resurrected in a glorified body. My faithful will rejoice with Me in heaven as your reward."
Jesus said: "My people, when the tribulation happens, you will see Christians being martyred, just as in the first few hundred years after My death. When your lives are in danger, I will call My people to My refuges. Those faithful with crosses on their foreheads, will be allowed to enter My refuges. You will see some people martyred, if they could not get to My refuges in time. Pray for your families that they will be saved, and allowed into My refuges."
Jesus said: "My people, on Good Friday you will be remembering My scourging, carrying of the cross, and suffering My crucifixion. Unite your sufferings with Me on My cross. When you come up to kiss My cross, give Me all of your intentions and troubles, so I can bless them, and heal any of your illnesses. Give praise and thanks for My sacrifice of My life on the cross, so all of the sinners in the past, present, and future can receive the salvation of their souls, if they repent. By loving Me and your neighbor, you can be saved with Me in heaven."

Wednesday, March 28, 2018:
Jesus said: “My people, in the Gospel you read about Judas’ betrayal of Me according to St. Matthew. There are similar accounts in St. Mark and St. Luke. These events lead up to My trial and crucifixion according to My plan of salvation. In the next few days you will be reading about My Last Supper, My Way of the Cross, and My death and Resurrection. Some may think My death was a victory for Satan, but in fact this was My victory over sin and death, which are the consequences of Adam’s sin. So by one man, Adam, sin and death came into the world. So also by one man, Myself, I came to conquer sin and death. By My sacrifice on the cross, I have brought salvation to all sinners who repent of their sins. I have opened the gates of heaven to those souls who are worthy, and have been purified. Rejoice with Me in this victory which culminates in My Resurrection.”
Jesus said: “My son, you have been using your well water for several days, and the cloudiness is not going away. You did notice that your refrigerator filter cleaned up the water, but it got clogged up and indicated a filter change was needed. You are having your manual pump put in soon, and the water man was going to install a filter that could be changed. Then you can have your water tested, if it is good enough to drink. You are seeing several problems to get good water, and keep your pump working properly. Your water man still has to install your manual pump, which could deliver water to your whole house without the use of electricity. This is important when your solar power may not operate in a few winter months. This well will supply continuous water, but not more than 5 gallons/min. It may require some purification for drinking, but you could still use it for washing things. Be grateful that you have a working water well.”

Thursday, March 29, 2018:
Jesus said: “My people, this black tornado represents the evil destruction all over the world. I am the Light that comes into the world to dispel the darkness of sin. Only I am more powerful than the evil ones, and I will calm the storms that are started by the evil ones. You will be celebrating the remembrance of My Last Supper tonight, as you do at every Mass. Holy Thursday is special because I instituted My Blessed Sacrament in My Eucharist. Every time you receive Me in

Holy Communion, or adore My Blessed Sacrament, you are experiencing My Real Presence among you. In this sacrament of My Eucharist, I am with you always to the end of time. During the tribulation, I will be with you in My consecrated Host either from a priest, or from My angels. At that time you will be allowed to have perpetual Adoration in your monstrance in your chapel, and other refuges. Rejoice in My very Presence among you, to strengthen you through this trial of the Antichrist. My angels will protect you and multiply your food, water, fuels, and any needed extra buildings. Give praise and thanks to Me for protecting you through these evil times."
(Holy Thursday service) Jesus said: "My people, the Jewish Passover was adopted into the Mass, but I made it new when I consecrated the bread and wine into My Body and Blood for Good Friday. I did not leave you orphans, but I give you My very Self in every consecrated Host. You have My Real Presence with you in Holy Communion, and in Adoration of My Blessed Sacrament. Give praise and thanks to Me for instituting My Eucharistic Presence among you. Tomorrow you will have My Good Friday service to honor My death on the cross. When you kiss the cross, offer up all of your trials with Me on My cross. You all are suffering to live through this human life, but by following Me and picking up your own cross, you will have your eternal reward with Me in heaven. Go in peace to visit the other churches."

April 5, 2018
Friday, March 30, 2018: (Good Friday)
Jesus said: "My people, today is a solemn feast when you read about My Passion and death on the cross. You know how I suffered in agony in the Garden of Gethsemene, the agony of My scourging at the pillar, the agony of carrying My cross to Calvary, and My agony dying on the cross. I suffered all of this as a sacrificial Lamb for the reparation of the sins of all of your souls. I have brought all of you salvation, if you repent and accept Me as your Savior. By giving your will over to My Will, you will be on a path to heaven. Pick up your own cross as you kissed My cross today, and carry it to the end of your life. Give praise and thanks to Me for offering up My life for your salvation."
Jesus said: "My people, the Holy Shroud of Turin is like a negative image of My Body, both front and back. It is appropriate that you have this vision at this time, when I was in the tomb, awaiting My Resurrection. Those people, who have

examined the fibers of this image, say that it almost appears that there is a slight scorching of the material. This image is a witness of the energy that burst forth from My Body when I resurrected with a bright Light. You are awaiting the celebration of My Resurrection on Saturday night for your Vigil Mass. This is the beginning of your Easter celebration of My rising from the dead. This is another witness to My victory over sin and death, and it gives all of My faithful hope that they will be resurrected also at the last judgment."

Saturday, March 31, 2018:
Jesus said: "My son, I asked you to have a water well installed in your backyard to supply a continuous flow of water for the people who will come to your refuge. As in the vision, you have had to take various steps to make your well usable. First you installed a backflow so the well water will not contaminate the town water. Then you had the well dug, and you had a pump hooked up into your house that runs on electricity. This was followed by a hand pump with a separate line into the well that could also provide water into your house without using electricity. Now, you have examined the water, and it was surprisingly soft water. It did have some iron color, so you will be having an iron filter delivered to remove the color and excess iron. Once this filter takes out the iron, and you test the water, you could use it all the time. You have been blessed with good water, just as I told you the refuge wells will be useable water. Give praise and thanks to Me for helping you to supply a source of water on your land."
(Easter Vigil) Jesus said: "My people, thank you for coming to this Vigil Mass to celebrate My Resurrection from the tomb. This was the greatest of My miracles, and it gives hope to all of My faithful, who will all be resurrected at the last judgment. My apostles at first did not want to believe that I rose from the dead, until I appeared to them in the flesh. They thought I was a ghost, until I showed them My wounds, and I ate some fish before them. My empty tomb and the Holy Shroud of Turin are modern day evidences of My Resurrection. Your years of history are marked before and after My Presence on earth in B.C. and A.D. I have protected My Church through all the years of the successors of St. Peter, as the first Pope. Give praise and glory to Me because I said the gates of hell will not prevail over My Church."

Jesus said: “My people, I am happy to celebrate My Resurrection with you. You remember Carol’s father saying how even in heaven there is an extra rejoicing over My victory over sin and death at this time. I must tell you that your souls live on forever, even those souls in hell. Just as I told you before, hell is eternal also. Anyone who claims otherwise, or who teaches annihilism, should be called a heretic. Whenever you have any doubts of what My Church teaches, then go to your Catechism of the Catholic Church, and you will find the proper answers. (1035 ‘The teaching of the Church affirms the existence of hell and its eternity.’ 366 ‘The Church teaches that the soul is immortal: it does not perish when it separates from the body at death.’) You need to celebrate My life with you forever, for those who repent and seek My forgiveness. Those people, who refuse to love Me and refuse to accept Me as Lord, are on a path to the eternal flames in hell. I came to save souls from hell with My death and Resurrection, so listen to the truth, and discard the lies of the evil ones.”

Jesus said: “My son, right after Easter this miraculous picture of My foot is a confirmation message for you. This means I want you to continue traveling and walking in trust as you share My messages, especially now to go out and seek the conversion of poor sinners. This is not only your mission, but it is the mission for all of My faithful to share their faith with others, and encourage conversions. You already are praying to save souls from hell, so you can take the extra step to encourage souls to come to Confession, and be saved from their sins. You can also pray and re-convert souls who have fallen away from the faith. By going forth to help sinners, you can share My Easter message to My apostles to go out to all the nations and tell the Good News of My Resurrection.”
Jesus said: “My son, setting up an independent refuge is not an easy task. You were fortunate that I provided you with an inheritance of enough money to build your addition, and the many projects I have asked you to do. First you gave Me

your ‘yes’ to do this mission, and I have helped you in many ways. You first started buying some food so I could multiply it for the people who come. You had your addition built for a chapel, a new kitchen, and a basement for the beds. You built your bunk beds and bought twenty cots for forty people. You acquired some wood, kerosene, and burners to keep you warm in the winter. You had solar panels installed with batteries for electricity, and a backup generator. You now have a working water well for a water supply on your land. You put extra insulation in your attic to save heat with your alternate fuels for heating. You have had some practice runs with your prayer group to show you could survive in all seasons with your food and fuels. I have given you a sense of urgency so you could accomplish your projects quickly. You are even prepared for Masses, if you had a priest to come. When you look back on how far you have come, you are seeing how I have helped you with every detail of what you needed. You will be fortunate to have My angels guard you, and multiply what you need. Give praise and thanks to Me for leading you in setting up your refuge. I thank you also for carrying out all of My suggestions. Be consoled that the refuge time is coming, and it will be in your lifetime. You will get to use all of your preparations, even your flashlights and lanterns. Trust in My Word and I will provide for your people. I will send you a priest as well.”

Tuesday, April 3, 2018:

Jesus said: “My people, after My Resurrection, it is so inspiring for all of you to read about the reactions of My disciples. St. Mary Magdalene was the first to see Me in My resurrected Body, complete with My five wounds. She did not recognize Me until I called her name. She was so excited to see Me alive, that she ran to tell My apostles. Since no one has ever risen from the dead, it was hard for My disciples to believe her. It did inspire St. Peter and St. John to run to the empty tomb. Once they saw the empty tomb and My burial cloths there, they believed in My Resurrection. In the next readings, you will be reading about all of My appearances. The apostles did not really believe at first, but then they remembered how I told them that I would rise from the dead three days after My death. Once I appeared to all of them, then they believed in My Resurrection. They believed because they saw Me, but blessed are those people who have not seen Me, and still they believe in My Resurrection.”

Jesus said: “My people, you are seeing the forces of the one world people trying to set up unions on all of the continents, so this power could be given over to the Antichrist in Europe. Your President is fighting this plan because he wants to restore America’s industrial power that is being taken away by China. This is why he is using tariffs to even the playing field of trade for your businesses. This is so against the deep state that wants China to be the manufacturer of the world. It will be hard to fight China since a large percentage of your goods come from China. This is why the one world people are so against your President. This is also why the one world people will try to weaken your President’s support, and even have him killed if it is necessary to change his plan. The Antichrist will come into power, and America will need to be taken over, so the Antichrist can bring his reign over the world. Pray for your President, because his power is temporary. When your lives are in danger, I will call My faithful to the safety of My refuges. Trust in My protection with My angels, and prepare your refuges for the coming tribulation and the Warning.”

Wednesday, April 4, 2018:
Jesus said: “My people, today you have two beautiful stories in the Scriptures. The first reading (Acts 3:1-11) was when St. Peter healed the lame beggar at the Beautiful Gate. Everyone recognized the lame beggar who was now jumping around, and was healed. This created more problems for St. Peter and St. John when they had to answer to the religious authorities. Instead of rejoicing at this healing, the Pharisees wanted to keep any healings in Jesus’ Name quiet. The second reading in the Gospel (Luke 24:13-35) was when I met Clopas and Simon on the road to Emmaus. They did not recognize Me at first, and I asked them what they were talking about. They were surprised I did not know what went on with My crucifixion. Then I explained the Scriptures to them to show them why the Savior had to die for the reparation of mankind’s sins. I was asked to have supper with them at night. When I broke the bread with them, then they recognized Me in the breaking of the bread, and I disappeared. The two disciples were saying to each other: ‘Was not our heart burning within us, while He was speaking on the road, and explaining the Scriptures to us.’ This was the second appearance that was related to My apostles, and they still did not believe I resurrected. Only when I appeared to all the apostles, did they finally believe in

My Resurrection. My faithful believe, and you need to share your faith with others."
Jesus said: "My people, you are seeing signs of the coming tribulation in the Church and in the politics of your nations. I have talked many times about the coming division in My Church. You are seeing mounting deficits which do not look like they will stop soon. When you cannot find enough buyers for your increasing debt, your dollar could lose value quickly. Your national grid and internet are very vulnerable to being hacked or shut down. This is why I am having My refuge builders provide buildings and supplies for people to survive. Each refuge needs a water source, sleeping accommodations, food, and fuels for heating. You will need a means for lights with your windup flashlights and your lanterns. If you have solar power, you could have some electricity for most of the time, except on snowy, or cloudy days. You could also have your food, water, and fuels multiplied with My help. You will be praying more and protected from harm by My angels. I will call My people to My refuges when your lives are in danger. Trust in Me to provide for your needs during the tribulation. You will see My Warning first, a time to convert souls, and the Antichrist coming into power. At the end of the tribulation, I will cast the evil ones into hell, and then I will renew the earth, ready for My Era of Peace. Then My faithful will be rewarded on earth and in heaven."

Thursday, April 5, 2018:
Jesus said: "My people, My apostles had heard Mary Magdalene's account of seeing Me, and how I called her name. They also heard the testimony of the two disciples who talked with Me on the road to Emmaus, yet still they did not fully accept that I had resurrected. When I appeared to the apostles in the Upper Room, they were amazed and fearful at first. When I showed them My wounds in My hands and feet, and I ate the baked fish in front of them, then they finally believed in My Resurrection. They became joyful as I reminded them that I said that I would rise three days after My death. This rising from the dead was so unusual to them, but they were so happy to be with Me again. They later found out that I would only stay a short time, and they then would have to wait to receive the Holy Spirit. My Resurrection is an example to all of My faithful, who will also die and be raised up at the last judgment. Rejoice and witness My

Resurrection to all the people who are open to conversion in the faith in My ways."
Prayer Group:
Jesus said: "My people, you have just witnessed the Triduum of My death and Resurrection. This is My victory over sin and death, and it is the main mission of My coming on earth, to bring salvation to all those people who accept Me into their lives. My rising from the dead is My greatest miracle. My faithful need to give Me praise and thanks for offering up My life to save all of you from hell. This act of love shows you how much I love all of you enough to die for you. Rejoice in this week after Easter as you shout Alleluia."
Jesus said: "My people, St. Faustina has given you the Novena prayers for the coming Mercy Sunday that started on Good Friday. She has asked you to have the Divine Mercy picture before you when you pray to gain extra graces. This is why I am happy that you brought this picture today as you pray your Divine Mercy Chaplet and your rosaries. You can come to Confession, pray the Novena, and receive Holy Communion at Mass to gain a plenary indulgence to remove any temporal punishment due for your sins."
Jesus said: "My people, I have died to bring salvation to all of mankind, but you must accept Me into your hearts, seek My forgiveness of your sins, and accept Me as your Savior. I give you a way to enter heaven, but it is you who must open the door of your heart, and give Me your 'yes' to fulfill the mission I have for you. Those souls, who obey My laws and repent, will be on the right path to heaven. I call all souls to come to Me in love for Me and love for your neighbors."
Jesus said: "My son, this new iron filter is supposed to oxidize the iron with oxygen in the air to precipitate the rust. This is then back washed down your drain pipe. This is the last piece of equipment to complete your water well installation. Once the water clears more, then you could have it tested to see if it is drinkable. Give praise and thanks to Me for bringing this well water to your house."
Jesus said: "My people, many of you thought spring was here, but you are still surprised to see more snow, wind, and cold continuing. Your high winds have taken down some trees, and have caused power outages in some areas. You prayed your storm prayer, and you did not lose power. Pray for those people who had wind damage or power outages."
Jesus said: "My people, some people think you should not have tariffs, but others think it is about time to do something about China's unfair trade practices, and

they should be held accountable. Other countries and China cheat on their currency values and charge fees on your exports, but your imports are not taxed with tariffs. Your President wants fair trade without such high deficit of payments going out of your country every year. He is renegotiating fairer trade between your country and other countries."
Jesus said: "My people, you will be seeing a coming split between a schismatic church and My faithful remnant. This schismatic church will be teaching heresies and New Age beliefs that are idol worship against My First Commandment. My faithful remnant will be My Church that the gates of hell will not prevail against. My remnant will be teaching the faith of My apostles, and they will have to go into hiding from the Antichrist and the evil ones who will be trying to kill My faithful. Have no fear because My angels will protect you and lead you to My refuges at the proper time."

Friday, April 6, 2018:
Jesus said: "My people, in the first reading St. Peter boldly spoke out with the power of the Holy Spirit to proclaim My Resurrection, and said that the lame beggar was healed in My Name. This infuriated the Pharisees, so they chastised My disciples in prison, and later even had them whipped for preaching in My Name. This was the beginning of the persecution of all people who called themselves Christians. As a result, many people were martyred for My Name both then and even today. In the Gospel (Jn 21:1-14) you read of My third appearance at the Sea of Tiberias. I made breakfast for My apostles, and I helped them catch 153 large fish. This could be symbolic for catching all kinds of fish, or all kinds of people to be converted. It also was a reminder of another time of a large catch, when I told My apostles that they will be fishers of men. My appearances were to assure My disciples of My Resurrection, and the graces of healing they would have to go out and preach My Good News to all the nations."
Jesus said: "My son, I am giving you a message for all of My refuge builders to ponder. You have done a few practice runs for one day each time. Your prayer group members adapted well for your few days. You need to ask yourselves if you could live this way of heating, drinking water, preparing food, and praying without your TVs and cell phones. You need to have some stored food, and some fuels like wood, kerosene, and propane. You also have stored water, and a water

well that could help your extra water needs. My angels will protect you at My refuges, and I will multiply what you need. You also will need some organization of jobs and constant prayer in a prayer room. To think of living independently for a long time with others is hard to imagine, but at least you are making efforts to be ready. Your events that lead up to the Antichrist's takeover, are already planned by the evil ones, but My plans are for My faithful to come to My refuges. People need to have their backpacks or roller board's packed and ready to leave in twenty minutes notice. You will need water bottles, some food, hygiene items, at least two changes of clothes, sleeping blankets, tents, and your holy sacramentals as Bibles, prayer books, rosaries, scapulars, and St. Benedictine blessed crosses. It would also be good to come to Confession often so you are ready spiritually as well as physically. Then when I call you to come to My refuges, you can leave quickly, led by your guardian angels. Pray for My refuge builders to have everything ready for the people to live there."

Saturday, April 7, 2018: (Funeral Mass for Nelson Militello)

Jesus said: "My people, this was a good and faithful man for many years, and he carried out his work for Me in many ways. He gives comfort to his wife and family who he loves so much. Because of his faithfulness and his suffering, he is with Me now. He will be praying for all of his family members, and he asks to keep his picture nearby."

Jesus said: "My people, you have noticed some severe weather in the last year with colder than usual winter temperatures, with many Northeast storms even going into April. You are now beginning to see more tornadoes in the South, and you are forecast to have another strong hurricane season. Last year you had three major hurricanes which hit Texas, Florida, and Puerto Rico. You also had fires and mud slides in California that caused a lot of damage, and some loss of life. You are seeing some magnetic pole shifts that could cause weather changes, but it is your abortions and sexual sins that are calling down My punishment upon your people. Be prepared to come to My refuges when I give you the word, because you will have a short notice. Trust in My protection, and put your faith in Me to guard your refuges from the evil ones."

Sunday, April 8, 2018: (Divine Mercy Sunday)
Jesus said: “My people, St. Faustina has promoted My Divine Mercy Hour at 3:00 p.m. Her Divine Mercy prayers are said all over the world. You also remember My foot of My picture that came out on your picture as a miraculous photo. I truly have had mercy on all repentant sinners, as I forgive their sins in Confession. You went to Confession yesterday, and you have been doing the Divine Mercy Novena to have your plenary indulgence. Many people also want to be free of the temporal punishment of their sins. When you share your prayers at 3:00 p.m., you can appreciate the blessing of My death at that time. Give praise and thanks to Me for offering up My life for the reparation of all of your sins.”
(3:00 p.m. Divine Mercy Chaplet) Jesus said: “My people, you are seeing fewer people coming to prayer groups to pray, and even fewer attending special devotions as the Divine Mercy Chaplet. The children are not coming to church on Sunday, after they are confirmed. It is even harder to find youth to pray the rosary, or to pray the Divine Mercy Chaplet. You are seeing less attendance in other countries as well. This lack of a prayer life, or a lack of coming to Mass on Sunday, is another sign of the end times. I have mentioned before if I will find any faithful left when I return to the earth. It will take My Warning experience to wake up some souls, or they could be lost. This is another reason why I have been encouraging all of My refuge builders to finish up all of their projects, or My angels may have to finish them for you.”

Monday, April 9, 2018: (Annunciation of Mary)
The Blessed Mother said: “My dear son, Jesus loves you very much for your loving Him, and for carrying out your two missions. Today, you are celebrating my Annunciation later than the 25th of March because of Holy Week. This moment of St. Gabriel coming to me, was one of the greatest moments of my life on earth, when I told the angel that I accepted being the Mother of my Lord. This is a lesson for all of my children to accept the Will of God over your own will. By being obedient to God’s Will, He will help you to accomplish all of your

missions. Trust in Jesus, and be not afraid to follow all that He asks of you."
Jesus said: "My people, you just celebrated Divine Mercy Sunday, and there are some souls in purgatory who are sorry they did not reach out and accept this plenary indulgence. Those souls, who die right after receiving this indulgence, will only spend a short time in purgatory, because it removes the reparation due for your sins. If you do this Divine Mercy Novena with Confession, you will only suffer purgatory for the sins you committed since your last Novena. Take advantage of these graces that can minimize your time in purgatory. Now you can understand how merciful I am in taking away some of your purification time in purgatory."

April 18, 2018
Tuesday, April 10, 2018:
Jesus said: "My people, Nicodemus was a Pharisee, but he liked to secretly visit Me at night to hear My words. He recognized that I came from God, because of all of My miracles. So I spoke to him of being born again in the Holy Spirit, but he did not understand Me. (Jn 3:1-15) 'Amen, amen, I say to thee, unless a man be born again of water and the Holy Spirit, he cannot enter into the Kingdom of God. That which is born of the flesh is flesh; and that which is born of the Holy Spirit is spirit.' When you are an infant, you are baptized with the Blessed Trinity. But when you grow older, you can call on the gifts of the Holy Spirit to be born in the Spirit. You also are given these gifts at your Conformation. Rejoice that you can call on the Holy Spirit to use His gifts in you."
Jesus said: "My people, you are seeing an overwhelming situation that will eventually bring down your churches. Right now your pastors are dealing with fewer people coming to Sunday Mass, and this results in fewer donations. The pastors will be forced to shrink their budgets because the money is not there. Your bishops will also be forced to trim their budgets as well, because the threat of closing churches will not bring in any more money. You have a country where fewer people are coming to church, because your people are becoming spiritually lazy. You have a hard time to keep people in your prayer groups, and keeping your Adoration hours filled. Your young people are not coming to church, and they are not praying or coming to Confession. Your faithful older people are dying off, and they are not being replaced. You also are having

problems finding priestly vocations to serve your parishes. This causes your pastors to not spiritually challenge their people for fear they will leave, and lower their collections. This is why you need to pray for your priests to inspire the people more with their faith, or you will see less people coming to church. The youth need to be inspired by their parents and the priest, or your numbers will decline even faster. As you see these problems in the churches, you are seeing the signs of the end times. You will be seeing more churches closing, and more New Age teaching and heresies coming into the churches. My faithful will eventually have to come to My refuges to preserve the faith, and to hide from the evil ones who want to kill My faithful. Trust in My angel protection, and I will multiply what you need at My refuges. Keep evangelizing people on your travels as long as you are able."

Wednesday, April 11, 2018: (St. Stanislaus)

Jesus said: "My son, you have asked for a message concerning one of your places to have a talk with yourself and Fr. Michel. I am showing you a church where this could take place, if the people have it in their hearts to let you both speak. If you continue to be refused entry, then do as My apostles did when they were refused. They shook the dust from their feet in testimony against that town. You are facing the evil one who is throwing roadblocks in your way. Pray for this venue, but if they refuse, then move on to another town. My angels will go before you to protect you and lead you to your destination. I bless you for going out to evangelize the people, even if you do not receive much financial support. My faithful servants are worthy of help along the way."

Jesus said: "My people, you are seeing how evil your society looks in My eyes. You know how filthy and stinky a sewer can get. You also should know how I have to endure the stink and filth of the sins of your society. As you look around with the eyes of faith, you see people living together in fornication, and others living in homosexual marriages. Still others are changing their genders. You also see abortions, birth control, pornography, and many drug addicts. Even with this going on, these same people avoid Confession, and some receive Holy Communion in mortal sin. I know you are praying for sinners, but many in your society are defying My laws, and they do not show love for Me. Now you understand how the stench of your sins is reaching heaven, and your society is

calling out for My punishment. When you see so few people coming to Confession or repenting, you can realize how evil your society is. When I bring My Warning, do not be surprised that only a small number will be converted. Keep praying for your family members to be saved. For many souls are called to repent, but only a few are chosen as worthy of heaven."

Thursday, April 12, 2018:

Jesus said: "My people, I want you to know that just as I was rejected and persecuted for spreading My message of love, so you all will be tested as well. There are evil and blind people who will do anything to try and block My message of love of God, and love of your neighbor. You notice in the first reading how St. Peter said: 'We must obey God rather than men.' (Acts 5:29) These religious leaders wanted to stop My apostles from preaching about My Resurrection. But My apostles were defiant of their orders, and they spoke out about Me anyways. So My faithful today will also be persecuted by heretics and atheists who do not want to hear the truth of My words. You will even see a division in My Church where schismatic leaders will try and mislead My people astray with their heretical teachings, New Age ideas, and the one world religion of Satan. Be watchful of these false teachers, as eventually you will have to seek the protection of My refuges."

Prayer Group:

Jesus said: "My people, it is inexcusable to send nerve gas and chlorine gas chemical weapons on Syria's people. Assad continues to test your President and other countries with such cruel weapons that are killing children and adults. Now your President is planning an attack that could trigger a wider conflict with Russia and Iran. Pray that a larger war does not result. If these parties attack your bases in this area in response, then war could get worse. Pray for peace between these combatants."

Jesus said: "My son, you have been asked to pray for Jamie who has cancer, and he helps get your books printed. It will be difficult to put out any future books if he can no longer work on them. It will require getting another person to replace Jamie, in order for any more books to get printed. You can put your messages out on the internet for a while, but it will be more difficult as the tribulation approaches."

Jesus said: “My people, your wife and your friends had a very difficult time in resolving an impasse at your original destination for your talk. It was thanks to another friend that you were able to get another church for your talk with Fr. Michel. Give praise and thanks to Me for helping you to get this new venue. This was an answer to your prayer for yourself and Fr. Michel.”

Jesus said: “My people, as you look at these flowers on your altars, you are becoming anxious for spring weather to warm up. Be patient with the weather and focus more on My Resurrection message. The tomb is empty, and you are calling on My help to spread My Good News to all the nations. You can see in the first few hundred years after My death, how many Christians suffered martyrdom. There are still such persecutions going on in some areas of the world, but this killing of Christians will get worse with the coming of the Antichrist. Your faith will be tested in these coming events. You will have to come to My refuges for your protection.”

Jesus said: “My people, I have talked about a coming division in My Church over various teachings that could lead to a schism in My Church. You are seeing your Church leaders challenging your leadership about who can receive Holy Communion, and even questions about the eternity of hell, and the everlasting life of your souls. Pray for discernment in what is being taught in your churches.”

Jesus said: “My people, there are Scriptures that talk about a coming tribulation that will bring the Antichrist into power all over the world. I will not leave My faithful as orphans, but I am having My refuge builders set up refuges of protection where My angels will protect you from the evil ones. Only My faithful will have crosses on their foreheads that will allow them to enter My refuges. Because of this need for refuges, I want My people to take My message seriously, and prepare a backpack or suitcase to carry your things to the nearest refuge, when I will call you to leave. Trust in your guardian angels to lead you to the nearest refuge at the proper time.”

Jesus said: “My people, I allowed your current President to win his election as a short reprieve from the control of the evil one world people. I am emphasizing that his time as your leader is temporary, and you are seeing all the vicious attacks against him from both parties. You will be seeing world events getting more serious that could change the way you live. I can only warn you with My Warning and My call to My refuges. When your lives will be in danger, call on My help and My angels to protect you from the evil ones and the Antichrist.”

April 18, 2018
Friday, April 13, 2018: (St. Martin I)
Jesus said: “My people, in today’s first reading from the Acts of the Apostles (Acts 5:34) you read about the teacher, Gamaliel, in how he convinced the Sanhedrin not to kill St. Peter and St. John. He told them of other men like Theodas and Judas who had followers, but they were dispersed after these leaders died. He said to leave St. Peter and St. John go, or they could even be fighting against God. This was great wisdom because St. Peter was My first Pope, and I did claim that the gates of hell would not prevail over My Church. Even though the apostles were not killed then, they later had to face the Romans and others who killed all of My apostles except St. John. There were many Christian converts, but many of them were martyred in the early years after My death. Even today, Christians are still being martyred for their faith. I call on My faithful never to deny Me, even if they are threatened with death.”
Jesus said: “My people, some of you are not aware of all that will be needed during the coming tribulation. In order to be protected from the Antichrist and the evil ones, you will need to come to one of My refuges that will be guarded by My angels. In order to enter My refuges, you will need to have a cross placed on your forehead by My angels. Only those people, who obey My laws and repent of their sins in Confession, will be able to receive this cross. My refuge builders have bought food, fuels, and sleeping cots to be multiplied for the people who will come. You could use water sources as wells, streams, or lakes for your water. Even stored water in your jugs or barrels could be multiplied. You will need spiritual preparations as well with your Mass preparations, Bibles, rosaries, and scapulars. Hopefully, you could have a priest for Mass and My sacraments. My angels will bring you daily Holy Communion if you do not have a priest. Use one of the consecrated Hosts in your monstrance for your perpetual Adoration. You should have one or two people praying at Adoration around the clock at every refuge. You will have My luminous cross above in the sky to heal your ills by looking on it. Give Me praise and thanks for all I have done, and all I will do to provide for all of the needs of your people at My refuges. My angels will put an invisible shield around every refuge to protect you from the evil ones.”

Saturday, April 14, 2018: (Funeral for Agnes Adams)
Agnes said: “I am happy to see all of my family and friends who took the time to come to my wake and my funeral Mass. You could see me, John, taken up into heaven with my Jesus. I did everything for Him, and I was happy to be His servant. I am praying for all of my family and friends. I love all of you, and I will be waiting to see you in heaven.”
(4:00 p.m. Mass) Jesus said: “My people, the two disciples, who walked with Me on the road to Emmaus, did not recognize Me until their eyes were opened at the breaking of the bread. They were so happy to see that I rose from the dead. Their hearts were burning with love when I explained the Scriptures for them about My coming and suffering. Then I revealed Myself to all of My disciples, and I showed them My wounds, and they touched My flesh to know I was not a ghost. I wanted them to believe that a God-man could rise from the dead, and anything is possible for Me. I have given everyone hope in their own resurrection on the judgment day. Give praise and thanks for My victory over sin and death.”

Sunday, April 15, 2018:
Jesus said: “My people, sharing your faith in Me does not require degrees in theology to teach others about My Resurrection. My faithful each have a special love relationship with Me that helps them get through the ups and downs of life’s experiences. It is this trust in Me to help you, that you are sharing with others. Your deacon mentioned about giving your will over to My Will. In order to know and carry out the personal mission that I have for each person, it is necessary to give your will over to My Will. Then I can use you in a more powerful way with the Holy Spirit speaking through you. Once you can share your spiritual knowledge with another person, then they can see what you are accomplishing by being obedient to My Will. When they understand your love relationship with Me, they will be attracted to My love for themselves. I want all of My faithful to go out to all the nations to convert souls to faith in Me, and to help save them from any evil spirits, and from hell.”

Jesus said: "My people, in the first reading from the Acts of the Apostles, you read how St. Stephen was being persecuted and eventually stoned to death for preaching about My Resurrection. These people were no match for his powerful teaching, so they made up false stories to get rid of him. You have a similar problem also about your current President who is fighting against the deep state of false news from the one world people. Your President talks about Me and he is opposed to abortion and the evils of your society. In the same way as St. Stephen, you are seeing constant false stories of those people who are persecuting the President and even trying to impeach him. Pray for your President and My evangelists, who are preaching My Word, and trying to convert sinners to faith in Me."
Jesus said: "My son, what you are seeing in these visions, are a new internet virus that will be launched on your internet with the intention of bringing down the internet and your electrical grid. This will be the first attack against your country that will be a consequence of your bombing Syria. If this fails, the one world people will find a way with the HAARP machine, or an EMP attack to bring down your electrical grid. You know the consequence of a long enduring power outage that could create a famine to kill a lot of your people. Only My refuges and the evil VIP people will survive with their underground cities. When your lives are in danger, I will call My faithful to My refuges, where I will multiply your food, water, and fuels for the survival of My faithful. You need to trust in My protection from the Antichrist, as My angels will shield you from all of their weapons. My forces will be victorious at Armageddon and against all the evil ones in the tribulation."

Jesus said: "My people, after My Resurrection many of My faithful were martyred because their persecutors tried to stop My Church from growing. St. Stephen was a deacon, and one of the first martyrs for the faith in Me. In this

first reading you read how Saul was helping in this stoning. In the Gospel I spoke of Myself as the Bread of Life, because those people who eat My Body and drink My Blood will have eternal life in heaven. In the Mass you have My consecrated Host and wine transubstantiated into My Body and Blood. I give Myself to you every time you receive Me in Holy Communion. You have My Hosts stored in your tabernacles, so you have Me Present among you at all times. Give thanks and praise to Me for giving you My Blessed Sacrament for all time."

Jesus said: "My people, you have read the accounts of Moses at the Red Sea, and David when he fought Goliath. These were men of faith in Me, even when their lives were threatened. It was not by their power that they succeeded, but it was their faith in My miracles that brought them through their trials. I give this message of faith to all of My people so that they will know how to call on My power to help them. You will be facing all manner of evil in the Antichrist, but you know My power is greater than any creature. So have faith that My angels will protect you with their shields of invisibility, and a shield that will protect you from all the weapons of the evil ones. You will also be praying in faith that I will multiply your food, water, and fuels. It is not by your power, but the faith you have in My power to do the impossible, that will win the day. Continue to trust in My power in all that you do, and I will lead you to help My faithful. Give praise and thanks to Me for all that I do for you."

Jesus said: "My people, when you receive Me in Holy Communion, you are receiving My Real Presence, which is different from other sacraments. Most faithful genuflect to My Blessed Sacrament in My tabernacle when they enter their pews. I said in the Gospel that those faithful, who receive Me worthily in Holy Communion, will have eternal life with Me in heaven. My consecrated Host is the Bread of Life that I give you to nourish your spiritual life. This is

why you need to receive Me in the state of grace without any mortal sin on your soul. Come to Confession to cleanse your mortal sin, so you are worthy to receive Me in Holy Communion."
Jesus said: "My people, you know how brutal the soldiers were when they crucified Me on My cross. There was not one part of My Body that was not suffering from mistreatment. I have a world to save, so I had to suffer much for your sins. I want all of My faithful to look at Me on My cross, and unite your pains and troubles with My suffering on the cross. When you offer up your pains and trials to Me, you could help others in your intentions. Many people suffer pains and disappointments in life, but they forget to offer them up to Me for helping souls. It is this wasted pain that could be put to a better use. Call on Me to help you through your trials so I can shower you with My graces to get you through what is causing your grief. You can trust in Me to be at your side every day. It is you who have to have faith that I can help you."

Thursday, April 19, 2018:
Jesus said: "My people, I want you to draw the connection between the signs of spring to the signs of the coming tribulation. (Matt. 24:32,33) 'Now from the fig tree learn this parable. When its branch is now tender, and the leaves break forth, you know that summer is near. Even so, when you see all these things, know that the end is near, even at the door.' In the signs of spring you hear the birds singing and making their nests. You also see the flowers breaking through the soil, and the trees are budding. In contrast you are also seeing the signs of the coming tribulation. You are seeing many people who have lost their faith, and are no longer coming to Sunday Mass. You also see only a few coming to Confession, as people have lost any guilt of their sins. You see couples living together in fornication without marriage, and some living in homosexual marriage. You see your evil 'R' rated movies, and continuous abortions, as well as people with drug addictions. Evil has gotten worse in all aspects of your society. You are also seeing the beginnings of a division in My Church, and the Antichrist is already present on the earth. I will bring My Warning to help save some of the people, but My faithful will be persecuted, and you will be in the minority. In the Bible it says 'Many are called, but few are chosen'. The persecution of Christians will be so severe, that I will call My faithful to come to

My refuges, where My angels will protect you. So just as you read the signs of spring, be able to read the signs of the times, where you will see the tribulation of the Antichrist."

Prayer Group:

Jesus said: "My son, you remember when you went to see your wife's grandmother on a farm that did not have electricity. She had a hand pump to get water from her well. She had an old outhouse for a lavatory. She made hot water with a wood fire in her kitchen stove. I am telling you this because you may have to live without electricity, unless you have solar panels. You do need a water well, and you may have to use your outhouse if your drains do not work during the tribulation. This will be a difficult life, but I will provide for your needs."

Jesus said: "My people, when the tribulation comes, I will multiply the food you have stored. For fresh vegetables, you could use your heirloom seeds to plant some crops on your land. Non-hybrid seeds will allow you to replant your crops for another year from some of your plants that you let go to seed. Be grateful that My refuges will have food and water to survive, and I will multiply these things for all of you to have something to eat."

Jesus said: "My people, at My refuges I want My faithful to have one or two people praying in front of My Blessed Sacrament in perpetual Adoration. If you have a priest, you can have Mass and My sacraments. If you do not have a priest, My angels will bring you daily Holy Communion. You will be praying more than you do now in thanksgiving for My angels protecting you, and for multiplying your food and water."

Jesus said: "My people, when you are living at a community, like your refuges, you will need some order and an assignment of jobs that will be rotated. You will have what you need, but you will have to work together for your group survival. So do not be afraid because you may have to counsel people to calm them down. You will be living in full trust of My help, so be patient for your food and share the jobs in food preparation, cleaning clothes, getting fuels, and securing water for sponge baths. You all will need to get along together as a loving family. Pray to Me for any directions that you will need."

Jesus said: "My people, you are experiencing a cold spring, so you will need certain helps to keep warm. Some people will need to find wood and chop it up, or use your saw to size it to your fireplace. You may even have to chop down some trees for wood fuel. Your kerosene gives good heat, but it will require faith in My power to multiply your fuels. I will not let you freeze, so you will find a

way to keep warm. Do not rely on your natural gas that may be shut off to your refuge during the tribulation time. Every day you will give Me praise and thanks that I will provide for your food and heat in the winter."
Jesus said: "My son, every refuge will have a protecting angel, and St. Meridia will be seen protecting you from any harm from the evil ones. Only those people, who have a cross on their foreheads, will be allowed by your angel to enter your refuge. The angels are putting crosses on your foreheads if you are faithful to God and obedient to His laws. All of those people, who enter, will be blessed to be at your refuge. Those people, without crosses on the forehead, will not be allowed to enter, even if they know you. Pray for souls now so they will be converted now, or at the Warning so they could have crosses on their foreheads."
Jesus said: "My people, a day is coming when I will bless My people with My Warning experience. This will be an opportunity for all souls to see all of their unforgiven sins and to repent, and change their lives. Those souls, who say 'yes' to My Will, will be given graces to endure the tribulation. Those souls, who refuse My love and refuse to repent of their sins, will not be allowed into My refuges, and they will face the flames of hell at the judgment. My faithful will help to convert their family members, especially after the Warning. But they must choose to love Me in order to be saved. Keep praying for the souls of your family so they can be saved from hell."

My Light shone on Saul to show him My love, and I inspired him with My faith. Saul was changed to Paul and he became one of My greatest missionaries. You also are reminded of the flame of Light that your guardian angel will use to lead My faithful to their refuges. You also will see another Light in the Luminous Cross in the sky that will heal those people who look on it in faith. Even when you come to Me at your Warning or at your death, you will be drawn to My Bright Light. My Light radiates throughout all the universe to give life to all of My creatures. Do not be misled by the false light of the devil, but hold on to My true light of life."

Saturday, April 21, 2018: (4:00 p.m. Mass) Jesus said: "My people, a shadow of evil is coming over your cities, and you need to pray for My grace to help you endure this trial. This shadow represents the desire of your politicians and your Wall Street people to bring marijuana into your cities and states. Some people claim this drug has medical helps to certain patients. Most of your research has shown that this drug kills brain cells, and it is very addictive that could lead to harder drugs as heroin. Why would your people approve a dangerous drug for recreational use by your whole population? This could easily get to your children and ruin their lives. Your people need to enforce your laws against its illegal use, no matter what small medical value it has. It causes addictions similar to alcohol abuse, and it could cause more accidents in your vehicles from drug abuse. It is the wrong direction for your society to take, so fight to stop legalizing such a dangerous drug. Anything that kills brain cells is bad for your children and your adults."

Jesus said: "My people, you are seeing the fulfillment of My justice on America with this disaster of the airplanes that terrorists flew into the Twin Towers in New York City. This is the culmination of the harbingers that was written by

Jonathan Cahn. Your President George Washington consecrated America to Me in his first inaugural address in front of Congress at the St. Paul Church at ground zero. The punishment came on this same place. There is a quotation for this time in Isaiah 9:9,10: 'The bricks have fallen, but we will rebuild with cut stone; the sycamores have been felled, but we will replace them with cedars.' After your punishment in 9-11-01, your people wanted to rebuild, but without repenting of your sins. You wanted to rebuild without My help, and in total defiance of My justice against you. This is not the last judgment against America, but you will see even worse destruction, and your country will live in exile with the coming takeover by the Antichrist. This time of your destruction is coming soon, which is why I will be calling My faithful to My refuges. At My refuges you will be protected, even if an atomic bomb is dropped on or near you. This will be a miraculous protection by My angels. Pray for all the souls who may be killed who are not prepared to meet Me at their judgment."

Jesus said: "My people, this large cup of wine represents the consecrated wine of My Blood that I am sharing with all of My faithful at every Mass. This wine was in the middle of a daisy with gold metal petals. I love all of you so much, and I do not want you to be afraid of the coming tribulation. You will be seeing Christians persecuted severely, and some may be martyred for their faith. But I am having some faithful prepare refuges for the tribulation time. It will be difficult to set up a refuge, but I will help you, and My angels will help you finish any projects at your refuge. It is enough to give Me your 'yes' and give your will over to My Will, and you will see miraculous things happen. It is My refuges that will protect you during the tribulation. When this evil time comes, I will give you extra grace to have full trust in My words and My promises to protect you. The Antichrist will have his hour, but after the Warning, My people need to get rid of your cell phones, computers, TVs, and any device connected to the internet. This is so you do not look at the Antichrist because he could hypnotize you to worship him. My power is greater than all of the evil ones, so have no fear and trust in Me."
Jesus said: "My people, I am showing you an earthquake that caused a bridge to collapse. Such an earthquake can happen along the Ring of Fire, or it could be

perpetrated by the one world people using the HAARP machine. Earthquakes can cause a lot of damage, and even kill people suddenly, which is why you are doing your Masses of reparation for souls who die quickly. Earthquakes can also occur at sea which can cause tsunamis. Trust in My protection at all times, and you will be saved."

Jesus said: "My people, there are many portals through which the demons come forth to try and steal souls from Me. Some people do evil things, or occult services to call the demons to worship them. I have even shown you how in the end times, the demons are coming up through active volcanoes from hell. In the vision I am showing My power, when I will force all the demons back into hell, and I will close all of the portals of entry. In the final days, all of the evil people, who reject Me and do not love Me, will also be cast into hell. Then I will renew the earth, and My faithful will be brought down into My Era of Peace with a new heavens and a new earth. This will be a glorious day to behold, and I will show you My Spirit as I am. Trust in Me and obey My Commandments, and you will be saved in heaven."
Jesus said: "My people, the devil is running out of time, and he will be behind a larger war that will break out in the Middle East. You will be defending one of your allies against Russia and Iran. China and North Korea could also have some attacks on your ships in the Pacific Ocean. You have had a short time of peace, but soon the devil will be instigating another major war. Be prepared for any attacks on your cities that will be more devastating than on your Twin Towers. The Antichrist is planning with the one world people to neutralize your defenses. Taking over America is one of his goals, because you are blocking his takeover of the rest of the world. If your lives are in danger, I will call My faithful to My refuges with an inner locution. Trust in My protection, because events are going to be more serious with missiles being used."

Thursday, April 26, 2018:
Jesus said: “My people, this vision is very foreboding because you are seeing My angels blowing the trumpets, just as it is written in the Book of Revelation. You will also see the evil ones mocking Me with a similar display of trumpets to announce the coming of the Antichrist. My people, you need to read about the seven trumpets announced in the Book of Revelation, because you are about to witness these events.(Rev 8:6) ‘And the seven angels who had the seven trumpets prepared themselves to sound the trumpet.’ In the first trumpets, fire came over the earth in various places. Then a great star fell from the heaven called Wormwood. This would cause a darkness over the earth. Then a plague of scorpions would attack all of those evil people without a cross on the forehead. This was followed by the Battle of Armageddon. Later, the trumpets announce the beginning of the tribulation of the Antichrist that will reign for 42 months or 1260 days. Before these things happen, I will bring My Warning to give all sinners one last chance to be converted to the faith. Those people, who convert and repent of their sins, will have a cross placed on their foreheads by My angels. Only those people with a cross on their foreheads, will be allowed into My refuges. (Ezekiel 9:4) ‘Pass through Jerusalem and mark an X on the foreheads of those who moan and groan over all the abominations that are practiced within it.’”
Prayer Group:
Jesus said: “My son, I am glad that you are asking Me if it is all right to proceed with your plan for more solar power at a lower level on your addition. I understand your frustration for not having hardly any power during the winter because of snow on your higher roof panels. At a lower level it would be safer to be able to remove the snow from your new panels. This would give you more power for your two sump pumps and your water pump. So yes it would be prudent to carry out your winter plan for more power. Otherwise during the tribulation, you would be bailing out your sump pumps that run constantly from February on.”
Jesus said: “My son, you have an electric pump to bring water throughout your house for your toilets, washing, and drinking. You also have a mechanical hand pump, but it would take a lot of pumping by hand to bring water into the house. This is another reason to have more power in the winter to operate your electric water pump. Trust in Me to provide what you need.”
Jesus said: “My people, I am using My messengers to bring My Word of faith to all the people who are eager to learn about My Word and My love for people.

Continue to pray for the safety of My messengers who travel to share My messages. Pray also to fight the devil's attempts to cancel your talks, or put roadblocks in your path. By praying and trusting in Me, I will clear away all the devil's attempts to stop your talks."

Jesus said: "My people, I have told you that the best preparation for the Warning, is to come to frequent Confession to have your sins cleansed from your souls. I do not tell you the date of the Warning, nor do I want you to speculate on such a date. It is only for My Father to know the date. I can say events will be happening soon that will bring the need for My Warning. Sinners are getting worse in offending Me, and I need to give sinners one last chance to be saved. Use this time after the Warning to bring your families back to the faith so they could receive a cross on their foreheads, so they could be saved."

Jesus said: "My people, when you read of the signs of the coming tribulation, you will see famine, pestilence, wars, and earthquakes that will be causing stress among the people. (Matt. 24:7) 'For nations will rise against nations, and kingdom against kingdom; and there will be pestilences and famines and earthquakes in various places.' When you see these things happening, know that I will lead you to My refuges for your protection. The Antichrist will have less than 3½ years to try My people, but then I will bring My Comet of Chastisement that will bring My victory over all of the evil ones. Have patience and trust in My Word, as I will cast all the evil ones into hell."

Jesus said: "My people, I am calling you to not be afraid of the evil ones, because I will protect My faithful at My refuges with My angels. Evil may appear to be winning for a short time, but have no fear because I am more powerful, and I will protect you from the Antichrist. Remember that after the Warning, you are to get rid of your cell phones, TVs, computers, and any devices connected to the internet. This is so you do not look at the Antichrist, who could hypnotize you to worship him. All of these devices will not work at My refuges, so do not bring them to My refuges. My angels will put a shield over My refuges so you will not see or hear the words of the Antichrist. Trust in My protection, especially during the tribulation."

Jesus said: "My people, some people have been preparing their refuges for a good number of years. Others have only started working on their refuges. My angels will help all refuges to get ready by finishing the projects the people have started. Some refuges may be sent more people than you were expecting. In these cases My angels will build more buildings to accommodate the greater number. My angels will also multiply your food, water, and fuels, so you all can

survive this trial of the tribulation. Be patient, for the day is coming soon when I will defeat the evil ones, and bring you into My Era of Peace and later into heaven."

Friday, April 27, 2018:
Jesus said: "My people, you heard today's Gospel read at many funerals, because it talks of the many mansions in heaven. (Jn 14:1-6) I am comforting My faithful when I said: 'Let not your heart be troubled.' When you trust in Me by faith, you know I will provide for your needs. I am truly preparing places for all of you in the seven levels of heaven according to your faith and love for Me. Many of you will need some purification in purgatory, so you may not come directly to heaven after your death. But do not be afraid of death, because your soul lives on forever. Those souls, who repent of their sins and accept Me in love as their Savior, will be with Me in heaven one day. This is why I have encouraged you to pray that the souls of your family could be saved from hell. When I told My apostles that they knew the way to follow Me after death, St. Thomas asked Me how would they know the way? It was then that I told him 'I am the way, and the truth, and the life. No one comes to the Father but through Me.' This is why you need a loving relationship with Me through My sacraments. When you give your will over to My Will, and follow My commandments, you will be on the right road to heaven. Love Me and offer up all that you do for Me every day, so you can store up your treasure in heaven. By being My servant, you will gain eternal life with Me in heaven."
Jesus said: "My people, for those people who are building a refuge, you need to have some water, food, and fuels that I could multiply. It is better to have a well, or a large source as a river or a lake. If this is not available, then store some jugs or barrels of water that I could multiply. In the same way, you need a pantry of food that could be multiplied also. In the Northern climates, you will need alternative fuels as wood, kerosene, or propane for heating and cooking. These fuels could be multiplied to keep you warm, if you could not use your natural gas lines. You will need the proper burners for each alternative fuel. I will help My refuge builders, but you need to have something available so My angels could multiply it. You could even survive on just the daily Holy Communion that My angels will bring you. During this coming tribulation of the Antichrist, you

need to have things ready to endure a few years at your refuges. People, who will come to My refuges, also need to have their backpacks loaded with their physical and spiritual needs."

Jesus said: "My people, in today's Gospel I emphasized to St. Philip that the Father and I are One with the Holy Spirit, Three Persons in One God, and We cannot be separated. I have mentioned before how I was sent by the Father, and I was in union with the Father in all that I did on earth. I did not have to show My apostles the Father because the Father is in Me. Many of the miracles I performed, including My rising from the dead, are examples of My Divine Powers. These miracles were signs to My apostles to believe in Me as God the Son, and the Messiah. St. John's Gospel is focused more on My Divinity than the other Gospels. Know that I am with you always, and I will answer your requests."
Jesus said: "My people, when you are living at My refuges during the tribulation, you will have a challenge to provide for your food, water, and fuels for heating. You physically have food for forty people that will last at least a year or more. I could multiply your food when you need it. You could even survive on My daily Eucharist for your only food. For water you have your seventeen 55 gallon barrels full of water that would last a short time just for drinking. You may have water from your sump pumps and your water well. You could collect rain water or melt some snow for other sources of water. For heating you may have enough kerosene and cut wood for a winter. You could cut down some trees with your saw for more wood. When you get low on food or fuels, you could pray that I multiply them for your survival. Do not have any fear because I will see that your people will survive. You will all have to help each other for your needs, and you will be praying around the clock for your protection. Trust in Me, and I will bring you through this evil time into My Era of Peace."

Sunday, April 29, 2018:
Jesus said: “My son, this vision of a ship sinking represents America when your country will be taken over by the one world people, in preparation for the Antichrist to take over the world. My people, you need to be prepared that America will have to be taken over in order for the Antichrist to takeover. Again, I am mentioning how you will find yourself in a major battle that could involve a missile attack on your country. Be prepared if your power could get taken out by an attack on your electrical grid. If your lives are in danger, I will be calling you to My refuges of protection. Trust in Me to provide for you during the coming trials.”

Monday, April 30, 2018: (St. Pius V)
Jesus said: “My son, I am showing you this vortex of a powerful tornado to indicate the coming of My Warning, which will be a blessing for all sinners. In previous messages about the Warning, I have shown you circling events in people’s lives like a near death experience. This violent circling of events is how I will speed up events in your lives, and you will be seeing more Warning messages to indicate the nearness of My Warning experience. My people need to prepare themselves with frequent Confession so you do not have to experience any visions or feelings of what hell is like. You will receive a mini-judgment in your Warning experience. Those people, who are judged to hell, will see and feel what the flames of hell are all about, and realize this would be forever after death. Now is the time to get your life ready for your final destination, so you can be saved in heaven, or be lost in the eternal flames of hell. If you desire heaven, then you need
to obey My Commandments and repent of your sins in Confession. I love all of you, and I do not want to lose one soul. It is up to everyone’s free will to choose My love, or the hate of Satan forever. Pray for your families to convert their lives, and you will need to direct them to Me after My Warning. If they still refuse to love Me, then they are choosing the eternal flames of hell. Pray constantly to help save the souls of your family, or they could be lost forever if no one is praying for them.”
Jesus said: “My people, you sometimes get forecasts of how many named hurricanes that you will have this season. Last year you had three major

hurricanes: one in Texas, one in Florida, and one in Puerto Rico. You will have several hurricanes, and a few will be at category 5 by the HAARP machine, with one hitting the mainland. You have been seeing unusual weather with much snow (120 inches), more cold than usual, and up and down temperatures. You also have been seeing more clouds and less sun this year. Keep working on your lower solar panels so you can remove the snow during the winter. Trust in Me to protect you, no matter how the devil tries to stop you from giving your talks. Remember to pray your long form of the St. Michael prayer both coming and going to your talks."

Tuesday, May 1, 2018: (St. Joseph the worker)

Jesus said: "My people, your society today is more focused on their own working, without caring too much for others. It would only be a generous soul that would see to a dead man in the street's burial, and have respect for another person's body. Even once you are dead and buried, people will soon forget you. This is why many people at their funerals give you a word about keeping their pictures in view so others can remember to pray for them. There are many souls languishing in purgatory with no one to pray for them, or offer up Masses for them. This is why I ask My faithful to pray for the souls in purgatory, and especially for your deceased family members. You may want to put it in your will to have Masses offered up for your soul. Once you pass from this life, you still need purification for the reparation due for your sins. Many souls need purification because they are not pure enough to enter heaven. So continue to pray for the souls in purgatory, especially for the souls who do not have anyone to pray for them."

Jesus said: "My people, it takes dedication and skill to find a good paying job in your current work environment. There are plenty of less skilled jobs available, but it would take two such jobs to support a family. This is why many families have both parents working to pay the bills. Going to college or learning a good trade, may enable you to have a better job, but you will be paying off college loans. Working for a living does give you a satisfaction that you are independent in supporting yourself or a family. Workers still have a constant commitment to be on the job at the proper working hours. It may take a long time to gain a pension, or save money in your personal savings plan to afford what you need.

Having health benefits is another necessity that not all jobs have, because there are fewer full time jobs available. Pray for your workers to have a living wage, that does not require two jobs. It is better to see people working, than being forced to live on welfare programs. Ask St. Joseph to help you to find a good paying job, and strive to do the best work that you can at any job."

Wednesday, May 2, 2018: (St. Athanasius)

Jesus said: "My people, in today's Gospel I spoke of Myself as a vine, and you are the branches. Without Me, you are nothing, and you would wither away, and be burned in the fire. I also spoke of pruning the branches, so they will bear more fruit. I nourish you with My Holy Communion, so you are expected to go out and bear fruit by your good works. This means you could share your money in helping the hungry and the homeless. You could also share your faith by reaching out to evangelize poor sinners who do not go to church on Sunday. There are two kinds of people, the one believes in Me and shares with people, and the other is a non-believer, and that person does not share because he or she is selfish. Those people, who love Me and their neighbors and help others, will be on the road to heaven. But those people, who do not love Me, and do not help others, are on the road to hell. So be good faithful as the branches on My vine, and you will have eternal life with Me in heaven."

Jesus said: "My people, your previous President was trying to disarm your nuclear weapons with treaties with Russia and Iran. In all of your treaties, none of these countries ever abided by these agreements. This is why your Iranian treaty and previous North Korean agreements were all bad deals, and only amounted to appeasements. You are seeing continuing attacks on Iranian weapons in Syria by Israel. Iran knows Israel already has many nuclear weapons, and it is backed by the United States. Russia also has not responded to America's two attacks on Syria for using chemical weapons on its own people. It is just a matter of time before you will see counter attacks from Russia and Iran. This could trigger a major Middle East conflict that could easily spread into a world war. Pray that such a nuclear war does not happen, and pray for peace in this area."

May 16, 2018
Thursday, May 3, 2018: (St. Philip and St. James)
Jesus said: "My people, I am showing you water coming out of a pipe, because your body needs water to survive. This is in contrast to when you receive My graces in My sacraments, because it is My grace that keeps your spirit alive as well. I have told you many times, that without Me, you are nothing and you would not even exist. I give everyone a free will to choose to love Me or not. When you see how little you are in all of My creation in the universe, how can you not know that I exist? I love all of you so much that I died so you could have your sins forgiven, and I opened the gates to heaven. By giving Me your 'yes' to love Me and accept Me as your Savior, you are on the right path to heaven. To gain heaven you also need to obey My Commandments of love, and repent of your sins. When you show Me your love in prayer and good deeds, you are thanking Me for all that I do for you. You know how to earn your living by working, but you can help yourself to heaven by working in My vineyard to help save souls. Trust in Me every day to help you on your path to heaven."
Prayer Group:
Jesus said: "My people, you will be seeing the Egyptian goddess, Isis, and other New Age idols being adored in buildings, and even some Catholic churches. Eventually, it will be required in some churches to worship these New Age idols. Refuse to worship any idols, and leave any churches with New Age or one world religion teachings. This will be the beginning of a split in My Church between a schismatic church and My faithful remnant. It will not be long before you will need to come to My refuges of protection."
Jesus said: "My people, you will soon see the Antichrist getting more power to influence people to worship him. As this time comes, all churches will be closed, and the evil ones will be erecting temples and stadiums for the people to worship the Antichrist. All of My believers will be sought out for being killed. This will be when I will call My faithful to My refuges so your lives and souls will be protected from the Antichrist."
Jesus said: "My people, the evil ones are about to have their hour of power, and this will begin with a takeover of America. Once your country is neutralized, you will see a North American Union formed with Canada, America, and Mexico. All of the continents will have such unions forced on them. Then all of these unions will be given over to the Antichrist. He will declare himself, and the

tribulation time will begin under his control. Fear not about these evil ones because I will protect you, and I will bring My victory over all the evil ones."
Jesus said: "My people, there was a time when certain nations wanted to stop the proliferation of nuclear weapons. But now you have India, China, North Korea, and Iran all have nuclear bombs. With such weapons in the hands of rogue states, you could see a nuclear war started by any of these nations. Even if such bombs are used to cause an EMP attack on your electrical grid, this could cause a famine without people being ready with enough food to survive. This is why I have directed My refuge builders to stock up on food, water, and fuels so your people could survive a world famine. My refuges will be protected from any EMP attack, and no harm would come from any radiation or viruses."
Jesus said: "My people, even if the evil ones want to try and kill My believers, My angels will place shields of protection all over My faithful. You have not seen the power of My angels, but they will kill any evil people or remove any demons who may try to enter your refuges. People, who do not have a cross on their foreheads, will not be allowed to enter My refuges. Give praise and thanks to Me for protecting you during the tribulation."
Jesus said: "My people, My Warning will be a chance for many people to be converted to the faith. After the Warning, I want you to put all of your internet devices out of your homes, so you do not look at the eyes of the Antichrist, who could hypnotize you to worship him. These devices will not work at My refuges, so do not bring them with you. Call on your guardian angels to lead you with a flame to the nearest refuge. Your angels will put an invisible shield over you to protect you from the evil ones."
Jesus said: "My people, I will bring My Comet of Chastisement down upon all the demons and evil people, as I will bring an end to the tribulation. The tribulation of the Antichrist will be shortened for the sake of My elect. You will need My angel power to protect you from this Comet. Once all the evil ones are removed from the surface of the earth, they will be cast into hell. Then I will renew the earth to form a new heavens and a new earth. I will then bring My faithful into My Era of Peace, where you will live a long time free of any evil ones."

Friday, May 4, 2018:

Jesus said: “My people, in the first reading you are seeing how happy the Gentiles were to receive My Word of the Gospel. They were even more joyous when they did not have to follow all of the Mosaic practices to become My believers. Even today, you can see this same joy in the hearts of new converts who are being brought to My love. I died on the cross to give everyone an opportunity to be saved from your sins. By repenting of sin and following My Commandments, you can share in My love on the road to heaven. This Easter Season is all about rejoicing in My Resurrection from the dead. My victory over sin and death is reason for a great celebration. It was out of love for My people that I offered My life up on the cross. Share in My love and graces, and I will bring this joyful feeling into your hearts.”
Jesus said: “My people, sometimes people live dangerous by traveling too fast in boats or cars, as in this vision. You need a light to see where you are going, and to show others where you are. You need a compass or follow the stars to head in the right direction that you want to go. You can also look to My help to give you My Light, so you can see at night. You also need My grace to direct you on the right path to heaven. When you give your will over to My Will, then I can use you to fulfill the mission I have planned for you. So trust in Me more than your own means to carry out what is needed, and how to help save souls with your prayers.”

Saturday, May 5, 2018: (5:00 p.m. Mass)
Jesus said: “My people, in St. Paul’s letter he talks of a time when the gifts of the Holy Spirit fell on the Gentiles, just like when the tongues of fire came down on the apostles. This prompted St. Paul to have these people baptized into the faith. St. Paul recognized the people talking in tongues as a sign of the Holy Spirit’s gifts. In the vision you saw a gold rain of graces falling down on the people. When you receive Holy Communion, you are blessed in grace from Me, the Holy Spirit, and God the Father. All of My faithful have received the gifts of the Holy Spirit when they were confirmed. You will be celebrating My Ascension into heaven next week. The following week will be Pentecost Sunday, when you will celebrate the day My apostles received the tongues of fire. The power of the Holy Spirit strengthened My apostles to go out and preach My Gospel of love, without worrying whether they would go to prison, or be martyred. St. Peter and

St. John were beaten for preaching and healing in My Name. The Pharisees tried to keep My Resurrection a secret, but I formed My Church on the rock of St. Peter. My Church is still standing today because I said the gates of hell will not prevail over My Church. Since My faithful have the same gifts of the Holy Spirit, I am calling on all of you to go out and spread My Word to all the nations, as you convert sinners to the faith."

Sunday, May 6, 2018:

Jesus said: "My people, for now you have churches that worship only Me, especially on Sunday as your Mass today. It is My consecrated Host that contains My Real Presence. It is My love for you that you heard emphasized in today's Gospel. I love you so much that I died to save you from your sins. I prepared My faithful with the gifts of the Holy Spirit, so they could go forth and spread My Good News of My Resurrection to all the nations. This vision is preparing My faithful for the coming tribulation of the Antichrist. I have told you before not to look at the eyes of the Antichrist, or he could hypnotize you to worship only him. This is also why after the Warning, you are being told to get rid of all of your cell phones, TVs, and computers so you do not look at the Antichrist's eyes on your screens. This vision is of a church taken over by the Antichrist with a screen controlling the people to worship him. When the Antichrist is about to declare himself or sooner, I will call all of My faithful to My refuges where no devices will work to show the Antichrist's face. No evil people will be allowed to enter My refuges by My angels. You will need to believe in Me and have a cross on your forehead to enter My refuges. My angels are marking crosses on My faithful, and more converts after the Warning will also be marked with crosses. Rejoice that I will protect you during the tribulation, which will last less than 3½ years. After the evil one's hour, I will bring My victory over the evil ones, and I will bring My faithful into My Era of Peace. Be patient and trust in My Word."

Jesus said: “My people, St. Paul was a great missionary to the Gentiles, and he supported his new converts, so they did not have to follow all of the Mosaic traditions. All of My disciples had to show love for God, and love for their neighbors. Before I ascended into heaven, I warned My followers that they would be persecuted and rejected as I was. Many sinners do not want to face the guilt of their sins, or be told how to live without sin. My faithful will be hated so much that the Godless people will even try to kill them. Even in this evil world of today, My faithful will also be criticized and persecuted. This persecution will worsen to the point where the evil ones will try to kill you as well. When your lives are threatened, I will call My faithful to My refuges of protection. Pray for your families, and even for your enemies, because I want all souls to be saved.”

Jesus said: “My people, many of you are held prisoner by your sins, or by your addictions. I came to free all sinners of their sins, if they would follow My way of love, and obey My Commandments. In the vision you are seeing yourself set free from your dudgeon of sin. When you come to Me in Confession, the priest gives you absolution after you confess your sins. This is how I can free you of the bonds of your sins. Many people do not come to Confession, and they are remaining in the filth of their sins. Come to Me in Confession so I can free you. Then I will bring you the Holy Spirit, and He will give you the words to help evangelize souls to the faith. Trust in Me in all of your daily troubles, and I will work them out for you, when you ask for My help. Rejoice in the power and grace of the Holy Spirit who inspires you to live a good Christian life of love of Me and love of your neighbor.”

Jesus said: “My people, you are preparing for My Ascension into heaven and the feast of Pentecost. You are seeing some readings where I breathed the Holy Spirit upon My apostles. You are seeing a bridge in the vision, and this is how

the Holy Spirit will strengthen you to go out and evangelize the unbelievers. This may seem impossible for you, but the Holy Spirit and I can do the impossible for you. Even My apostles were lifted up in the power of the Holy Spirit to go out and preach the Good News of My Resurrection. I told My apostles that I had to leave them so I could send the Advocate to help them with His gifts. Trust in Me, because I would never send you out to do something, unless I give you the power and My angel help to carry out your mission."
Jesus said: "My people, your President's latest move to pull out of your previous President's arrangement with Iran, has tightened tensions with Iran. Israel is continuing to bomb Iran's weapons in Syria because Israel does not want Iran present in Syria. This also could trigger more response from an Iran counter attack. All of these latest developments could cause a major war in the Middle East, as I warned you before. Between new tariffs and new sanctions, your President is angering your enemies to retaliate in some way. China is supporting North Korea, and war in Korea is another possibility. If you have a major war, you could face nuclear missiles coming to America. Pray for peace in all of these problem areas, or war could kill millions of people."

Thursday, May 10, 2018: (Ascension Thursday)
Jesus said: "My people, this was My farewell speech to My apostles, just as I was about to ascend into heaven. The apostles asked Me if I was going to restore Israel to its freedom. I told them it was not for them to know the times and plans of My Father. This is the same answer I want you to give the people who keep asking you about the time of the Warning. These things will happen when My Father chooses, and not by any choice of man. The two angels told My apostles that just as I rose through the clouds, I will return in the same way. When I return, I will bring My victory over the evil ones, because I will end the tribulation of the Antichrist. Then My faithful will come into a new heavens and a new earth of My Era of Peace. Have no fear of the evil ones because My power is greater than all of them. Be patient, and you will enjoy the true freedom from evil in My Era of Peace."
Prayer Group:
Jesus said: "My people, your weather forecasters are already talking about warmer than normal temperatures, especially in the South. In past years you

have seen an increase in fires during the summer heat. With increasing temperatures, your fires could get worse also, especially when you have droughts. Pray for your fire fighters so you do not see anyone killed in fighting the fires. This is another source of punishment for your sins."
Jesus said: "My people, you have just had a 1.5 and a 2.4 earthquake under Lake Ontario. Some people near Windsor have seen a 3.4 earthquake near Lake Erie. In California you have seen three 4.5 earthquakes just in the last week or so. This is in combination with 5.0 earthquakes in Hawaii that have caused more volcanic explosions. Many people had to evacuate because of the lava flows. Pray for your people to be prepared for more serious earthquakes."
Jesus said: "My people, you are fortunate to see the release of three prisoners from North Korea. This is a good gesture before the meeting of your two leaders. It is not sure if any substance will come from this meeting of the two leaders. Your President has threatened to leave these talks if there is nothing accomplished. Continue to pray for peace so no missiles are used that could kill thousands of people."
Jesus said: "My people, you were seeing Israel bombing some Iranian weapons in Syria. Now you are seeing reports of Iran sending 20-50 missiles toward the Golan Heights. Israel then returned fire, and their defenses were taking down some of these missiles. With Russia and Iran backing Syria, you could see another battle that could lead to a larger war where America would be defending Israel. Pray that war does not come in the Middle East or many could die."
Jesus said: "My people, your Eternal Father prayer group has had a long history in your old Holy Name of Jesus Church, and now here at St. Charles Borromeo. Your prayer group is 45 years old and it started as a Blue Army cell. You have been faithful in adoring Me on the altar, and praying your Chaplet of Divine Mercy and your three rosaries. I have been giving you seven smaller messages on every prayer group night that you have been present. Thank you for honoring My Eternal Father in your prayers."
Jesus said: "My people, today you are celebrating My Ascension into heaven, forty days after My Resurrection. In ten more days you will be celebrating Pentecost Sunday which is fifty days after My Resurrection. There is a novena to the Holy Spirit that you could be praying to prepare yourselves for this feast of the Holy Spirit. Find a copy of this novena as you pray for your own intentions."
Jesus said: "My people, you will be seeing more frequent messages about My Warning as the time leads up to this event. Coming to frequent Confession is your best preparation for this Warning experience. Many lives will be changed as

they see how their sins have offended Me. By repenting of your sins and obeying My Commandments, you can be assured of having the faith that deserves a cross on your foreheads from My angels. After the Warning, you will have six weeks to convert your families who will be more open to your evangelizing efforts. Pray constantly for the souls of your families so they can receive a cross on their foreheads that will allow them into My refuges."

Friday, May 11, 2018:

Jesus said: "My people, there are some people who are very vigilant with their prayers and coming to Mass. There are others who either reject Me, or ignore Me. It is these people who love the pleasure of their sins more than loving Me. These people do not like being told to stop their sins and obey My Commandments. They do not want to give their will over to My Will. Others are spiritually lazy, and they do not want to pray, or even come to Mass to worship Me on Sunday. It is hard to evangelize people who do not want to change their sinful and lazy habits. If they meditated on how much I love them, or think about how I created them and the world, then maybe they could think about loving Me. You have to pray for these people to have open minds to change, or they will refuse your efforts to bring My Good News to them. Keep praying for such sinners so they can be saved."

St. Michael said: "I am Michael and I stand before God. You are in constant battles with the demons, but do not have fear of them. Your guardian angel will protect you. When you wear blessed sacramentals, like the St. Benedictine cross with the exorcism medal, you are also protected. When you go out to give your talks, you need to pray my long form prayer to protect you from the demons both coming and leaving your talks. The Lord and His angels are more powerful than the demons. People need to avoid the occult potions and Ouija boards that allow the entry for the demons. Call on me or Jesus' Name to take away any demons attacks on you. If you have faith in the power of Jesus, you can defend yourself by believing in the power of His Name against all the evil ones. Continue to pray my prayer to help save your family members."

Saturday, May 12, 2018:
Jesus said: “My people, this picture of chaos and confusion has several meanings. You are seeing constant wars and war preparations in the Middle East, Afghanistan, and North Korea. At any time a more serious war could break out. You are seeing a spiritual chaos of sin all over your society. You are seeing only a third of your households with normal families of a wife and husband married. The rest are single parents, couples living together without marriage, and homosexual unions. There is even some chaos and confusion in your churches that is going to get worse when you will see a division in My Church. This division will be between a schismatic church and My faithful remnant. You will also see a coming chaos in America when you will see your electrical grid taken down by an EMP attack or other means. You will see a man-made famine because your stores will run out of food, and people will be in chaos to find food and water. When such an attack happens, I will call My faithful to My refuges, where I will multiply your food, water, and fuels. Trust in Me to keep you alive during the coming tribulation. You will be praying and thanking Me for any angel protection. Be prepared for this coming chaos.”
Jesus said: “My people, the demons know your earthly desires for pleasure, and they prey on people’s weaknesses. Some people are weak to sexual pleasures when they are not married, or even married people may be tempted to use birth control devices, or sterilizations to avoid conception. Others are weak to pornography, gambling, drinking, or using illegal drugs. My people should know My Ten Commandments, and know if they are committing venial or mortal sins that offend Me. You need to confess your mortal sins immediately, and come to Confession at least once a month. I know you are weak to sin, but do not allow the demons to control your life with addictions to pleasures. This is why you can repent in Confession to restore My graces to your souls. When you call on My help, I will protect you from the devil’s temptations. Focus more on loving Me, so your desire to please Me, is more important than pleasing the body’s desires.”

Sunday, May 13, 2018: (Mother’s Day)
Jesus said: “My people, today you are celebrating all the mothers and the deceased mothers for all they did for their families. You are also celebrating My

Blessed Mother's Day in bringing Me up as well. This vision of a volcano is a sign of the end times as more eruptions will be increasing. The flames of a volcano are a sign of the flames of the Holy Spirit that were over My disciples on Pentecost, which you will be celebrating next Sunday. By your Confirmation you all have the Holy Spirit's flames over you as well. You have the indwelling of the Holy Spirit in all of My faithful. You are temples of the Holy Spirit. The gifts of the Holy Spirit help you to go out and evangelize souls to the faith. You will be seeing the demons coming up out of hell through the volcanoes. But have no fear because I will protect you with My good angels."

Monday, May 14, 2018: (St. Matthias)

Jesus said: "My son, you are seeing yourself driven in a car, and it was increasing in speed. This is a sign of the end times, as I am speeding up your time. The events around you will be increasing in frequency as well. You are living in trying times, right before the tribulation of the Antichrist is about to take place. My refuge builders need to get their last projects finished because you are running out of time. The rest of My faithful should have their backpacks loaded, and ready to leave in twenty minutes. Be prepared to call on Me to have your guardian angels lead you with a flame to the nearest refuge, when I call you to come. Trust in My angel protection from all the evil ones who want to kill you."

God the Father gave the message: "I AM WHO AM, is here to show you about Myself as more than just a picture of an old man, or a burning bush. These are symbols to try and describe Me. I am showing you a large daisy, like the sun and its rays, but even more you are seeing Me in varying dimensions that your human understanding cannot fathom. When you see Me, you are looking at the infinite universe, where I control every creature of Mine. When you come to heaven, you will have the beatific vision, and a better glimpse of My infinite nature and power that is hard for you to comprehend. I continue to thank you for honoring Me in your chapel and in your prayer group. I am always blessing you and keeping you in existence by My Will. I love all of you so much, and you know that the Blessed Trinity is love itself in all We do. Continue to give Me praise and thanks in the 'Our Father', the 'Glory Be', and the 'Sign of the Cross'.

Tuesday, May 15, 2018: (St. Isidore)
Jesus said: “My people, you are seeing signs that the North Korean leader wants to put conditions on any future talks. It appears he wants South Korea and the United States to stop their military maneuvers before he will come to the table. These preconditions could put an end to any substantial talks. It was unusual that North Korea would give up its nuclear program in the initial signs of peace talks. They only wanted talks because their bomb testing site had collapsed. You have not seen any communist country abide by their treaties, and they will continue such cheating. Do not trust Iran, Russia, North Korea, or China to abide by any treaties on nuclear weapons. Keep praying for peace, and to avoid any use of nuclear weapons.”
For Raoul Grassi: Jesus said: “My people, Raoul is in upper purgatory and only needs some Masses and prayers to be released. He had a good heart to provide hospice services at Mt. Carmel House for many years.”

Wednesday, May 16, 2018:
Jesus said: “My people, your heart goes out to all the people who are wounded with gunshots in strife, or with terrorists. There are also many people in home situations who are wounded by verbal abuse. There is a lot of injustice in your world, because some people are mean-spirited, and sometimes the devil is behind it. You need to pray that such people can be converted to love Me and others. There are instigators of trouble in politics, and those one world people who are creating wars. These are the people who cause people to be wounded both physically and mentally. This is why it is important to pray for your friends and your enemies, so peace will have a chance to calm people’s nerves. Love can conquer many problems, if people would only open their hearts to each other in love.”
Jesus said: “My people, the significance of the headlight is to get your attention.

The funeral director's black car is a sign to you that you will see a dignitary pass away, and this is his funeral. I will give you more details as time permits. I told you that you will see continuous events occurring one after the other. You are seeing a dangerous Hawiian volcano sending up smoke that is a hazard for airplanes. You also saw some serious storms along the East coast that resulted in thousands of people without power, and some deaths from falling trees. Stay attentive to your daily events that are moving closer to the Warning and the tribulation."

Thursday, May 17, 2018:

Jesus said: "My people, when you come to a wedding, it is most always a happy occasion with a reception and dancing. When a man and woman are married in the Church, it is even better, because some are not getting married, and others are married in other places. You, My son, have a marriage coming in your family. Some people spend a lot of money on this one day, along with a honeymoon. Others spend a lot less because of financial reasons. You rejoice with the happy couple amidst the gifts and prayers for the success of their marriage. When you think of marriage, you can also picture Me as the Groom, and My Church as the bride. I formed My Church on the rock of St. Peter, and I have protected it from the gates of hell for many years. Even as you see divorce in marriages, a time is coming when you will see a division in My Church. You will have a schismatic church and My faithful remnant that will be under My protection. You will have My faithful protected by My angels at My refuges."

Prayer Group:

Jesus said: "My people, the king tried to force Shadrac, Mishak, and Abednego, who were Jews, to worship his idol statue. They refused and they were saved from a red hot furnace. (Dn 3:1-55) A time is coming when the evil ones will try and force people to take a mark of the beast, and worship the Antichrist. If you refuse to do this, and they capture you, you could be martyred in their concentration camps. I will warn you at that time to call on Me, and I will direct your guardian angel to lead you with a flame to the nearest place of refuge."

Jesus said: "My people, a time is coming when it will be mandatory to take a Verichip in the body in order to buy and sell food, and anything else. You do not need such a chip, or the mark of the beast. It is only to control your will. Once a

person takes such a chip, the Antichrist will control them like being hypnotized to worship the Antichrist. This is why you should never take a chip in the body, nor worship the Antichrist. You can remove such a chip until the Antichrist declares himself. Then you will not be able to remove it. Trust in My protection at My refuges when chips are made mandatory."

Jesus said: "My people, I am showing you this barrel of oil that is gradually increasing in price. With this increase, gasoline and other petroleum products will be increasing as well. This will make traveling by car or truck more expensive. It could contribute to a rising cost of living called inflation. This would make your dollar less valuable, and your investments would shrink in value. This is just one cause of a coming chaos in your society. Trust in Me to multiply your fuels at My refuges."

Jesus said: "My people, the initial start of a head of state meeting between America and North Korea has had several changes in the goal of a possible removal of nuclear weapons from North Korea. North Korea does not want to give up their nuclear weapons, and they are trying to make demands on America to leave South Korea and stop the military exercises. With all of these potential roadblocks, it is becoming doubtful if any meeting will accomplish anything. Your President said he would walk out if the meeting did not have any value. Keep praying for peace between your two countries."

Jesus said: "My people, you are about to celebrate Pentecost Sunday, fifty days after My Resurrection. This is an outpouring of the Holy Spirit on all of My faithful. You all have flames over your head that represents the gifts of the Holy Spirit. I breathed on My apostles, and I told them that the Holy Spirit would come over them with His gifts. Once the apostles were inspired by the Holy Spirit, they became bold and went out in courage to spread My Good News to all the nations. Continue your Holy Spirit Novena in preparation for Pentecost."

Jesus said: "My people, I have mentioned before not to let sports become addictions or idols before Me, especially on Sunday. Many children and young adults are playing games on Saturday evenings and Sunday mornings. This does not give time to worship Me on Sunday. It is this idolization of sports that is against My First Commandment that says you are to worship only Me. Now you also are seeing sports gambling allowed in various states. This is further idolizing money before Me as well. I should be the center of your lives and not your sports."

Jesus said: "My son, these relics are a beautiful gift from your friend, Jeanne Maureens. It is proper that you thank her with the Masses you are planning.

Many of you remember the six mile walk you did up in Midland, Canada that honors the North American martyrs. It would be fitting to try and arrange another six mile walk as you carry these relics to honor these martyrs. You are all blessed to be able to venerate this relic of My Grandmother, St. Anne, and the relics of the St. Jean de Brebeuf, St. Gabril Lalemant, and St. Charles Garnier."

Friday, May 18, 2018:

Jesus said: "My people, you are reading accounts of St. Paul and St. Peter who were both later martyred for the sake of My Gospel. This vision of an executioner swinging a large sword, is how some Christians were killed for their faith in Me. In the Gospel I asked St. Peter if he loved Me three times to answer for his three denials of Me before I was crucified. I told him that he would suffer as I did from those people who did not want to hear My messages of love. If people took My message to heart, they would need to change their lives of sin. This is why people hated My faithful, because the faithful made the sinners feel guilty of their sins, and they did not want to change their pleasurable lives of sin. Since I had to suffer persecution, My faithful will also face the same criticism. Be prepared to endure such persecution, and you will have to come to My refuges for protection."

Jesus said: "My people, the one world people have a goal to take over America so it can be given over to the Antichrist for the tribulation to start. These people worship Satan, and they are ruthless and will stop at nothing to accomplish their goal. This is why they will use all the means at their disposal to take over America. This is why they are using the HAARP machine to cause severe tornadoes, hurricanes, volcanoes, and earthquakes to weaken America for their takeover. Last year you saw plenty of devastation with your storms and fires. This will continue this year, and it could even get worse. Be forewarned that events are moving closer to the Warning, and the coming tribulation. I showed you many times that after the Warning, evil will have its hour, and many will die in disasters and wars. Have your refuges ready, and My faithful need to have their backpacks ready to leave for My refuges when I give you the word."

Saturday, May 19, 2018:
Jesus said: “My people, you are seeing a close on the letters of St. Paul in his last days in Rome. He was held in chains both in Jerusalem and in Rome. You are seeing in the vision a church that held both chains of St. Paul from both places where he was held captive, because of the complaints of the Jews. In the Gospel you are seeing the conclusion of St. John’s Gospel. He remarked about how he was the only apostle to die a natural death. He took care of My Blessed Mother in Ephesus, Turkey, as you have been to her house. St. John was also exiled to the island of Patmos, where he wrote the Book of Revelation. There are many prophetic words about the coming tribulation in this book. You, My son, are carrying on this work to prepare people for the coming tribulation of the Antichrist. You have been given many messages about preparing refuges, where My angels will protect My faithful from the evil ones. I will bring an end to this evil, as all the evil ones will be cast into hell. I will renew the earth into the new heavens and new earth, and I will bring My faithful remnant into My Era of Peace. You will live for a long time without evil, and be prepared to be saints, so you can enter heaven on your death. Rejoice in the promise of My victory over the evil ones.”
(4:00 p.m. Pentecost) The Holy Spirit said: “I am the Flame of Life, and this vision of a generator is the power of My gifts that get you up and moving. I enlighten your mind and heart with My Spirit, and I give you the words to help evangelize souls to the faith. When you said ‘I do’ to your original Baptismal vows, you are affirming your faith in the words of Jesus. It is My wind and My flame that give you the strength to proclaim the Good News of the Resurrection of Jesus. The apostles were fearful of the Jews and Romans who wanted to put them to death. Once I empowered them with My graces and gifts, they now had the courage to proclaim God’s Word, even if their lives were endangered. Even if they had to suffer martyrdom, the apostles spoke out, and healed many people. They spoke in many tongues so everyone could hear the Word of God proclaimed in their own language.”
Jesus said: “My people, I told you in previous messages how after six weeks after the Warning, you need to get rid of your cell phones, TVs, and computers, so you do not look at the Antichrist’s eyes. He will control all of the networks, and his eyes could hypnotize you to worship him. In this church the lights were

acting like strobe lights, and they could also hypnotize you, which is why you closed your eyes. Using virtual reality devices are also bad, and they could control your brain as an addiction. Avoid virtual reality devices and chips in the body, and all these devices that could control you and affect your soul to the dark side. I am the Light you should focus on, and follow Me on your path to heaven."

Sunday, May 20, 2018: (Pentecost Sunday)
The Holy Spirit said: "I am the Spirit of the Love of God, and I am showering Our love over all of you. I empower you all to go forth and spread the Good News of the Resurrection of Jesus. You remember on the road to Emmaus how the words of Jesus were burning in the hearts of the two disciples. It is this love I give to all of you, so your hearts are also burning with love for Me. I give all of you the words to evangelize souls to the faith. My son, I help you to write down the messages you receive, and I help you to give your talks, as I choose the messages of Jesus to read. Give thanks and praise to Me for all that I do for you, and all the faithful. Rejoice on My feast of Pentecost, as I spread My flames of love among all of you."

Monday, May 21, 2018:
Jesus said: "My people, in the Gospel (Mk 9:13-29) you read how a man brought his son to be healed of a demon who threw the son into fire and water. My apostles could not remove the demon. I asked the man if he had faith that I could heal his son. The man said he believed, and he asked Me to help his unbelief. In order for Me to heal people, they need to believe that I can heal them. I then commanded the deaf and dumb spirit to leave the boy, and the spirit left. Later, My apostles came to Me, and asked Me why they could not bring the demon out of the boy. I told them: 'This kind can be cast out in no way except by prayer and fasting.' My son, you noticed that 'and fasting' was missing from your Magnificat reading from (Mk 9:29). When you looked in your St. Joseph Bible, both (Mk 9:29) and (Mt 17:20) had 'and fasting' which is another manipulation

of this translation. This was a harder demon to remove, so it truly did require prayer and fasting. Fasting is powerful in deliverance of demons, so it cannot be left out. This is another instance where changing the words, has watered down the original meaning. Remember to have faith in My healing, and use your prayer and fasting in your deliverance prayers."
Jesus said: "My people, you will all have this Warning experience, and you will come before My Light to view your life review. You will be placed back into your bodies, and you will have six weeks to convert your family members to the faith. Hopefully, they will all want to repent of their sins and be converted. My refuge builders will get their refuges ready to receive My faithful. My faithful remnant will get their backpacks ready, and be able to leave for My refuges, when I give them the word to go. After this six weeks of conversion, you will see famine, a division in My Church, mandatory chips in the body, and martial law. Do not take any chip in the body, which is the mark of the beast, even if they threaten to kill you. Do not worship the Antichrist, but only worship Me. My faithful will be protected by My angels, but some people will be martyred for their faith. My refuges will be My safe havens during the tribulation of the Antichrist. Trust in Me to help you to survive this trial."

Tuesday, May 22, 2018: (St. Rita of Cascia)
Jesus said: "My people, this world is not about being comfortable for the sake of the body, but you are called to know, love, and serve Me, your Creator. So just as in the Gospel, do not be concerned about who is greater, but do your best to follow My mission for you. It is not until you give your will over to Me, that you will be able to carry out your given mission. Your greatest call is to help save as many souls as you can. Converting souls is not easy, and it requires prayer, and a desire to be saved. You are constantly struggling against the desires of the flesh. The desires of the soul are to please Me on your way to heaven. So let your soul be in charge of your life by following Me, and you will overcome the temptations of the devil, and your worldly pleasures."
Jesus said: "My people, many times the devil tries to trick you into sin with something that appears good on the surface, but later the demon's evil takes away the disguise. So be careful how the demons can lead you into sin using good things that can be abused. The demons take advantage of your physical

weaknesses, especially with beautiful women. If you are married, do not seek out other women, or pornographic images. Infidelity has caused many divorces, so keep with your wife in love. You have weaknesses to food, buying things, or even gambling. The demons draw you into addictions, and they are hard to break, as drugs and alcohol. Pray to Me every day, and confess your sins so you have the grace to withstand the demon's temptations. Trust in Me, and I will protect your soul from evil."

Jesus said: "My people, this little bit of flooding in the vision, is nothing compared to the physical damage you will see later. You are at the beginning of hurricane season, and you are seeing some serious volcanic events in Hawaii. Each event by itself may not be major, but collectively the coming events will take a toll on your economy. Your economy was supposed to get better with your tax cuts, but your increasing fuel costs may change your outcome. Be prepared for more events that will lead up to My Warning. Your society is so evil that My Warning will be needed to prepare people for the coming tribulation of the Antichrist. Pray that more people will wake up and be converted."

Thursday, May 24, 2018:

Jesus said: "My people, the messages in today's readings are a little harsh. In the first reading it speaks of not hoarding money, because it is heavenly riches, like giving alms, that are more valuable than earthly riches. In the Gospel reading I was emphasizing not to allow the young children to be abused. Even today, you are killing millions of My little ones with abortion in the womb. This sin alone is bringing down destruction upon America. In the other parts of the Gospel I focused on the causes of your sins. I mentioned about cutting off your hand or foot if it causes you to sin, so you do not go to hell. Pulling out your eye is also extreme, but you need to avoid occasions of sin to protect yourself from the devil's temptations. Call on My grace of My sacraments to strengthen yourselves against your sins. This means coming to frequent Confession at least once a

month. Even your venial sins need to be cleansed, in addition to your mortal sins, so you can gain the grace from Reconciliation, and have pure souls to receive Me in Holy Communion. The devil is battling for your soul, so put on your armor of My protection to fight to save your soul, and the souls of others."
Prayer Group:
Jesus said: "My people, I am showing Myself as a small child because I do not want anyone to harm My little ones. In the Gospel, I said such a person who harms My little ones should have a millstone put around their neck and be thrown into the sea. Your doctors and mothers who have abortions, or perform them, are causing a great sin, and they will be judged accordingly. Discourage any mother who is considering an abortion. Pray also in your daily prayers to stop abortion."
Jesus said: "My people, many nations have made abortion legal in their laws or court decisions. This is why prayers are needed to help stop the legalization of abortion in Ireland. You, My son, have Irish heritage, so you need to pray much to stop abortion in your great grandfather's country. Pray to St. Patrick to shield Ireland from such a law."
Jesus said: "My people, there was some hope that North Korea would agree to disarm their nuclear weapons. Now, this planned summit has been canceled, and it is hard to bring peace on this Korean peninsula. My people need to continue to pray for peace and stop any movement to war."
Jesus said: "My people, your current President has made a bold move to take your embassy in Tel Aviv and move it to Jerusalem. Some previous Presidents wanted this, but they lacked the will to do so. This caused a disturbance among the Palestinians, but some Arab countries approved this move. America has supported Israel, and this move is another example of your President to show good faith as an ally of Israel."
Jesus said: "My people, this revolving door is another sign of the coming Warning, when all of you will come to face Me at your life review and your mini-judgment. You can prepare for this by coming to frequent Confession to avoid any judgment to hell. Those people, who see such a mini-judgment to hell, will have a taste of what it would be like to be in hell. Keep praying for your family members so they can be converted and have a cross on their foreheads. After the Warning you will have six weeks to convert as many souls to the faith as you can. You do not want any souls to be lost in hell, so you will need to work hard to help save your relatives."
Jesus said: "My people, there are many Sundays after Pentecost to the end of

your Church Year. This is now the time for green vestments for what is called ‘ordinary time’. Thirty-four Sundays is more than half of your year’s Sunday celebrations. Keep praying for the conversion of sinners, as you go out to all the nations to spread My Good News of My Resurrection.”
Jesus said: “My son, this basal cell cancer was small on your wife’s face, but it is worthy of giving thanks that it was successfully removed. Your wife does a lot of things to help you in your mission, and you know how much you need her in your life. So give thanks for this healing, and your prayer group can give thanks to Me as well.”

Friday, May 25, 2018:(Nicholas Valino, Fr. Valino’s father funeral)
Jesus said: “My people, it is always difficult to have a father pass away. You have asked where Nicholas is. He is ‘not yet’ in heaven, and he needs purification in purgatory for a few Masses. Nicholas was sorry to leave his family, but he will be praying for them, because he loves them very much. Keep a picture of him in a prominent place, so you can remember to pray for him.”
Jesus said: “My people, today you are critical of your free liberal media newspapers. In your vision you saw the regular newspaper presses stopped, and then the newspapers were changed to a communist controlled news, like you would get in China or Russia. When you see your free press taken over, you are seeing the beginning of the Antichrist’s control of your news media and your TV networks. After the Warning, you will get rid of all of your cell phones, TVs, and computers so you do not look at the eyes of the Antichrist where he could hypnotize you to worship him. It will be then that I will call you to My refuges so My angels will protect you from the evil ones. Trust in Me to protect your souls, and you will later come into My Era of Peace.”

Saturday, May 26, 2018: (St. Philip Neri)
Jesus said: “My people, the evil ones are instigating plans for their next wars that could come in the Middle East or Korea. You are already seeing skirmishes with Iran and Israel. A war between Iran and Israel could draw in Russia and

America. There are still tensions between America and North Korea. Your people are not going to get North Korea to disarm their nuclear weapons. So do not threaten war over that. Instead, your people need to pray to stop any more wars. Wars do not have any winners, and it kills many people. So make peace where you can, instead of forcing wars on people."
Jesus said: "My people, even though Alberto is only a subtropical storm, you are seeing emergency declarations all along the Florida coast. There definitely could be some flooding in the path of this storm. You have seen a lot of rain in Florida over the last month, so it would not take much rain to cause flooding. You are seeing warmer than usual weather for this time of year. If the oceans stay warm, you could see more serious storms this year. Be prepared for another hot summer, as each year is setting records for storms and heat."

Sunday, May 27, 2018: (Trinity Sunday)
God the Father said: "I AM WHO AM is here to remind you that you all were made in Our image and likeness. This is the meaning of the mirror in the vision. In the second reading there is a reference to Me in 'Abba, Father'. Today, you are celebrating Our Blessed Trinity of Father, Son, and Holy Spirit-Three Persons in One God. This truly is a mystery of faith which is impossible for man to totally comprehend. Your priest brought up St. Patrick's shamrock of the three leaves on one stem to try and symbolize Our Blessed Trinity. When one of Us is present, all three of Us are there, because We are indivisible. When you receive Jesus in Holy Communion, you receive Me and the Holy Spirit as well. I continue to thank you for dedicating your chapel to Me, especially the picture of all Three of Us, and your Ten Commandments. Continue giving Us praise and adoration in your prayers."

Monday, May 28, 2018: (Memorial Day)
Jesus said: "My people, in the vision you are seeing two evils that are taking many lives of your people from wars and abortions. In wars you have fought

against dictators like Hitler who dealt with the occult. You have had wars fighting against atheistic communist takeovers. Now you are seeing radicals who are killing people indiscriminately with guns, bombs, and even vehicles. You have been killing millions of babies in the womb for your own convenience, and then you wonder why your populations are decreasing. When your fertility rates drop below 2.1, you are not replacing those people who are dying. This is true for many countries, and abortion is one of the main causes. If you kill your babies, then life has less value to some. Some people do not even see that abortion is a great sin against your Creator, because it is truly murder of another human being. The devil is behind all of this killing, but your people are still tolerating this killing for blood money. Are your people that selfish that they do not want to raise your own children? Your people will be punished for your abortions. So pray to stop abortion, and pray to stop your foolish wars that the one world people are perpetrating on you for their own wealth."
Jesus said: "My people of America, you are seeing wars in the beginning of your country, and you are still seeing wars fought today. You remember all the veterans from your wars. You had the Revolutionary War, the Civil War, two World Wars, and many wars up to now. For the most part, people died in your wars to defend your freedoms. I keep asking you to pray for peace, because now many of your countries have nuclear weapons that can kill thousands of people with one bomb."

Jesus said: "My people, just as My apostles and I suffered persecution for the sake of the Gospel, so My disciples of today will suffer also. You are only being slightly harassed by some non-believers now, but you will see a time when they will want to kill you because of following Me. Do not be afraid because My refuge builders are preparing safe places for My faithful remnant. When your lives are in danger, I will call you to come to My refuges of protection. Your guardian angels will lead you with your backpacks to the nearest refuge at the proper time. After the Warning you will see events move quickly to a takeover by the Antichrist and his one world followers. Some people will be martyred, but most of My faithful will be protected. Be patient, because the Warning will signal the time to leave for your safe havens is at hand."

Jesus said: “My people, in older days Christians suffered many kinds of torture before they were martyred. You can also remember how the Indians tortured the North American Martyrs before they were killed. In Arab countries Christians are being beheaded even now. This is why I am having My refuge builders set up safe havens so you can be spared martyrdom. You have not witnessed some of these means of torture, so you will be fortunate to come to the safety of My refuges, where My angels will protect you. Pray for your relatives to be converted so they will be able to enter My refuges with crosses on their foreheads.”
Mass intention for Betty Theut: I did not see her in heaven yet. Jesus said: “My people, Betty will be with Me shortly, but she is being purified in purgatory for a time.”

Jesus said: “My people, this huge kettle of soup is larger than you have ever seen. It is the size of large vats in a soup factory. I am showing this to you for those people who do not believe I can multiply soup, or for those people who doubt that I could do this. For Me, all things are possible. So when you are at My refuges during the tribulation, I will take what little food you have, and I will magnify it so it is a huge portion to feed all of your people. I will magnify your fuels in the same way, as well as your water, so you can survive through all the seasons, even in the Northern States. So do not worry about what you will eat, or what you will wear, because I will provide for all of your needs, and My angels will defend you from all the evil ones, so you will not need any weapons.”
Jesus said: “My people, I have told you before about how vulnerable your country is to an EMP (electromagnetic pulse) attack on your electrical grid. You have listened to some experts who are trying to get your government to protect your grid. It may cost a few billion dollars to put Faraday cages over your electrical components. The effects of an EMP attack otherwise, could shut down

your grid which would paralyze banks, your vehicles, and appliances run on microchips. Such a disaster could last over a year, and some estimated 90% of your people could die of starvation. At My refuges even now, My angels are putting a shield around your solar panels so they would be protected from an EMP surge. Various countries could send only a few nuclear weapons high in the sky to shut down your grid. The one world people will find a way to shut down your electricity before they try to take you over for the Antichrist. I will protect My faithful at My refuges with My angels, so trust in Me to multiply what you need."

Thursday, May 31, 2018: (Visitation of Mary to Elizabeth)
The Blessed Virgin Mary said: "My dear children, St. Joseph was my human spouse, but the Holy Spirit is my true spouse who allowed Jesus to be conceived in my womb after my 'fiat'. When St. Gabriel came to me to ask if I would be the mother of Jesus, I told the angel 'Be it done to me according to your word.' Then the angel told me Elizabeth had conceived a child, and she was six months pregnant. I then set off from Nazareth to Ein Karem, where Elizabeth lived. In the Gospel you read how Elizabeth greeted me as the mother of Jesus, that was recognized by St. John the Baptist in his mother's womb. I then recited my Magnificat (Luke 1:39-56) which is read every evening in the Liturgy of the Hours. I came to help Elizabeth through her delivery of St. John the Baptist, and then I returned home. Give praise and glory to God for all He has done for me."
Prayer Group:
Jesus said: "My people, your friend, Jeanne Maureens, has given you more relics, and she was happy that they would be protected at your refuge. It is sad that those people who inherited these relics were willing to have the money, instead of treasuring these relics as sacred. As with your other relics, you need to display them in places like your prayer group. Be thankful for these wonderful gifts to your refuge."
Jesus said: "My people, I told you that you would be seeing more weather records this year. Already you had the coldest April in a while, and the warmest May in a long time. You also are seeing some flash flooding from heavy rainstorms. Your hurricane season is just starting with your subtropical Alberto storm. The lava in Hawaii is continuing to cause evacuations and has destroyed

homes. You will be seeing more continuous events that could test your economy. Pray for all souls who could die suddenly with bad weather, because they may not have time to prepare their souls for death."
Jesus said: "My people, you can see the reason why your President is protecting your steel industry from dumping steel imports, because he is assuming it is a national security to produce your own steel. Other countries are subsidizing their steel industry as China, and that is how they can sell steel cheaply. Your President is even brave enough to put tariffs on your allies because China could sell it through third parties. You will see little effect in your prices, but your steel industry will be protected."
Jesus said: "My people, you need to pray for the farmers who are providing your food to eat. They have a heavy investment in their land, their seed, and their farm equipment. They are at the mercy of the weather every year to have the right amount of water for their crops. Too much rain can rot the crops, and make it hard to harvest in the mud. Too little rain and a drought could dry out the crops. Irrigation is possible if enough water is available. Farmers take this risk with every crop year. A time will come when you will see a world famine, so storing some food is wise for such an event."
Jesus said: "My son, you are preparing to start ordering your small backup solar addition of 12 panels and 12 batteries so you could have power in the winter. On a lower roof you could remove the snow easier and keep some solar power running for your sump pumps and your water pump during the winter. This will require some planning for your off grid system. I will give you the graces to be successful with this project."
Jesus said: "My people, today you are seeing what happens when your air conditioning does not work. You suffer some uncomfortable sweating during the summer when you to not have air conditioning. This will be the case at your refuges because air conditioning would be too hard to run with solar panels. You will have fans and wet cloths for cooling then. Be thankful you will be protected by My angels; and your food, water, and fuels will be multiplied."
Jesus said: "My people, I have told My people to give 10 per cent of their income to charity for those people who are less fortunate. You can give donations to your local food shelves. You could help with your time in giving food to the poor. You could send money to help places like Puerto Rico and other places devastated by storms. By helping others with your prayers and donations, you can store up treasure in heaven for your judgment."

June 16, 2018
Friday, June 1, 2018: (Ada Ferrari Funeral Mass)
Ada said: “My dear family and friends, I thank all of you for coming to my funeral. I am thankful for all of the kind words from Rita, Fr. Pacwa, and from Fr. Tony Mugavero, but it was a little long. I am most thankful for Fr. Tony in telling you how much I loved Jesus and His Blessed Mother. I thank those who cared for me in my later years. I am also thankful for all of My fellow Carmelites who came. I am with my Jesus now, since I did my purgatory on earth. I will be praying for all of my family and friends who I love so much. I will be waiting some day to greet you at heaven’s gates.”
Jesus said: “My people, imagine if your grocery stores and your banks had no electricity. They would not be able to keep perishable food from spoiling. The cash registers would not work, so people could only make cash transactions. Your banks would not be able to pull up your accounts, and you could only make paper transactions. People would quickly run out of cash. If your vehicles did not work, your stores would run out of food. Only dried foods and canned foods would keep without refrigeration. Food and fresh water could quickly become scarce, and there would be fights for survival. When you think of a possibility of not having electricity, it could be frightening to those people who do not have any food preparations. This is why I am asking people to have some food storage that does not require a refrigerator. A short time power outage is very possible with bad storms, but you should have a pantry that could support your family for six months to a year. Then you would be prepared if your power outage would be a long time. Think about the people in Puerto Rico who were devastated from a hurricane last year, and they still are having problems getting enough electricity. Your solar panels are a good source of electricity if you had a prolonged power outage. Having extra food for survival would also help you, especially at My refuges. Having a water well is another good source of water if your town water was no longer available. My refuge builders have been given advice how to live independently, so they are prepared to help My faithful survive the coming tribulation. Have no fear because My angels will protect you, and they will multiply your food, water, and fuels.”

Saturday, June 2, 2018: (St. Marcellinus & St. Peter)
Jesus said: “My people, you can see right away the parallel of the life of a butterfly, and your own personal resurrection. The butterfly goes through a metamorphosis from a worm to a cocoon, and then emerges as a flying butterfly. I was born as a God-man with two natures. Once I died, I then resurrected with a glorified Body. My faithful also are born in Our image, but by Adam’s original sin, you are weak to sin, and will die. Once you die, you will be judged to heaven, purgatory, or hell. My faithful, who come to heaven, will be separated from their human body and their spirit. On the final judgment day, My faithful will be resurrected with their glorified bodies, and they will be one again with their body. It is this promise of resurrection that I have fulfilled, that all of My faithful are striving to see and experience. So focus your life around Me in all you do, and imitate My life, and you will find eternal happiness with Me in heaven.”

Sunday, June 3, 2018: (Corpus Christi)
Jesus said: “My people, I am honored today in giving My Body and Blood up for all of the sins of mankind. You have been remembering My death and Resurrection at every Mass, ever since it happened. In Holy Communion I have left Myself with you in your soul, and My graces go out to you as well. You know how much I love all of you by how I gave up My life for you. There have been many miracles of My Eucharist when blood has appeared on My consecrated Hosts. The Catholic Church teaches My Real Presence is in My consecrated Hosts. I have allowed such miracles so unbelievers can see My Real Presence in the Blood. You have witnessed many of these miracles in Lanciano, Italy and Las Teques, Venezuela. The blood was tested as AB blood type, and the flesh was actual heart tissue with no rigor mortis. Give praise and glory to Me so people can witness My Real Presence in every consecrated Host.”
Jesus said: “My son, it is true that you are seeing more solar projects being installed for residential home use. I have asked you to get a solar system set up on your second story roof, so you could have electricity for your refuge through the time of the tribulation. You had enough money available for your project from your neighbor’s inheritance. You have noticed a problem of little to no

electricity generated from December to February, mostly because of snow on the panels and less light available. As you researched about snow removal from solar panels, most examples had panels on the first story or on the ground. You have purchased more panels for your roof on your new addition on the first floor facing South. This would be easier to remove the snow, and it would be off grid, and would not interfere with your existing grid panel setup. This would help run your sump pumps in the winter and your water pump. Continue to pray for this project that it will help your refuge when you need power in the winter."

Monday, June 4, 2018:
Jesus said: "My people, in the Gospel I told a parable about the tenant farmers who were killing the vineyard owner's servants. The owner was asking for a share of the harvest, but the tenants did not want to give it up. When the owner sent his son, the tenants killed him for the inheritance. The religious leaders realized that the parable was about them, and they wanted to kill Me, like they killed the other prophets. Today, there are many evil people who want to kill and harass Christians because these evil ones do not want people telling them about their sins. Just as I suffered, so My faithful will suffer for their faith also. You may be criticized and mistreated for My Name's sake, but trust in My protection at My refuges. A day is coming when these evil ones will be cast into hell for their crimes."
Jesus said: "My people, My refuge builders do not realize how important it is to be able to house and feed all the people who I will send to them. Refuge living will be more difficult than you think, because you have been spoiled with all of your conveniences. You will have little hot water, no ovens, and no air conditioning in the summer. You may have to do sponge baths without daily showers. You will have some lights if you have solar panels, windup lights, and lanterns. Your natural gas heater will be replaced with kerosene burners, propane burners, and a wood fireplace. Your food preparations will be limited to dried foods, MREs, and some canned foods and soups. If you have a garden, you may have some fresh vegetables. Your sleeping places may also be a little cramp with forty people or more. Be thankful that My angels will be protecting your refuge from any evil people. My angels will multiply your food, water, and fuels. They will even multiply your living places, if more people come. You will need to

have counselors and job assignments for everyone to help your group. Remember your prayer time and around the clock Adoration. Either a priest or My angels will bring you daily Holy Communion. My faithful will be fortunate to have a refuge for protection during the tribulation time. This time will be shortened for the sake of My elect. The faithful will need to have their backpacks ready to leave, and have crosses on their foreheads. Trust in Me to prepare you at My Warning, and to have a safe haven to stay."

Tuesday, June 5, 2018: (St. Boniface)
Jesus said: "My people, you need to be a little more understanding of other people's problems. You need to visit the sick and help people in need of your assistance. When you are doing good deeds, you need to do them with love, and not just as a duty. Some people have health problems or mobility problems that you need to pray for them, and assist them in travel, even if you are not asked. You also need to be patient driving your car behind slow drivers. Do not be too impatient with others, because you do not know all of their physical disabilities. By being more loving and caring for others in their problems, you are sharing My love for people. Be thankful to Me for your own health, both physically and mentally. Be also thankful for your loving Me in faith that is such a gift. I told My apostles to love one another as they love Me. By practicing what you preach and believe, you can avoid being a hypocrite."
Jesus said: "My people, for many years you have been asked to pray for peace, and now your prayers are needed more then ever. America is sending its warships into the South China Sea where China is threatening your ships with antiship missiles on converted islands. Any such ship attacks could start a war with China, and most of your imports would be shut down. In Syria you have Russia and Iran storing missiles that are prompting attacks by Israel to destroy Iran's weapons. Iran is starting to fight back, and America could be drawn into a war to defend Israel. Russia has weapons supporting the Syrian leader, and America has sent two missile attacks on Syria because chemical weapons were used. Russia could also retaliate against American warships that could start a war in the Middle East. North Korea wants to have peace talks, but they could threaten America or its allies with nuclear missiles at any time. They could even launch missiles from satellites. You could have a war from any one of these

countries. So continue to pray for peace so nuclear weapons are not used."

Wednesday, June 6, 2018: (St. Norbert)
Jesus said: "My people, you read how St. Paul continued to witness to Me, even though he was in prison. He wrote letters or epistles to encourage the faithful in all the places where he taught. My faithful also need to give witness to Me, despite being persecuted for your faith in Me. In the Gospel (Mk 12:18-27) the Sadducees, who did not believe in the resurrection, were misled when they thought people would marry in heaven. I told them that the saints in heaven are like angels, and they do not marry. Your relatives in heaven are always watching you on earth, and they will greet you on your entry into heaven. Spouses on earth will be joined again in heaven. Only in the Era of Peace will My faithful continue to marry and have children. My faithful need to rejoice in Me, and seek to be with Me in the eternal joy of heaven and My love."
Jesus said: "My son, I know you will be doing a lot of driving this summer in some of your trips to Canada. You will need to do your long form of the St. Michael prayer going there and returning home. You also could pray some rosaries for the safety of the other people on the road as well. You enjoy being together with your friends, who are good believers as well. Keep praying for all the refuge builders who will have the responsibility for taking care of so many faithful at the proper time. All of your preparations will be used and multiplied. Give praise and thanks to Me for protecting My faithful at My refuges. Remember that only those people with crosses on their foreheads will be allowed to enter My refuges."

Thursday, June 7, 2018:
Jesus said: "My people, in the readings you are seeing two kinds of people: the ones who are open and desire to love Me, and the others are those who ignore Me and do their own will. Unless you are open to loving Me and loving your neighbor, it is hard to follow My ways. If you love Me, I will be faithful to you.

Those people, who deny Me, I will still be open to receive them in life, and I love everyone because I cannot deny loving My creations. But some will defy Me, and they are on the road to hell. I have given you the two greatest commandments of loving Me with your whole mind, body, and soul, and loving your neighbor as yourself. If you live in a loving relationship with Me, and let Me lead your life, then you can fulfill the mission I have planned for you. When people do their own will, it is hard for them to work for Me. I depend on My faithful to reach out and evangelize the wayward souls so they can be saved."

Prayer Group:

Jesus said: "My son, you have been blessed again to have your friend send you the bone relics of St. Peter, St. Paul, and St. Rita. These relics are added to your other beautiful relics. You have them displayed at your prayer group meetings in church and at your home. If you have people come to your chapel, you should have your relics displayed then also. Relics are a tribute to have a little bit of their presence with you always."

Jesus said: "My people, continue your novena to My Sacred Heart that you will be celebrating tomorrow. You can remember in years past how you used to do an all-night vigil for the Two Hearts of Myself and My Blessed Mother. Friday you will celebrate My Sacred Heart, and on Saturday you will celebrate the Immaculate Heart of Mary. The Hearts of My Blessed Mother and Myself are joined together as one. You can pray to our Two Hearts as you have a picture of both Hearts in your computer room. Unite your heart with our Two Hearts so we can help you with our graces every day."

Jesus said: "My son you have been blessed with a rare relic of St. Anthony of Padua. You were fortunate to have visited his tomb in Padua, Italy. You could feel some electricity when you touched his tomb. Your priest friend fell down twice when he touched this tomb. You have prayed to St. Anthony many times for lost objects, and you have many stories of even objects being materialized when they were not there. St. Anthony thanks you for your confidence in his intercession to find objects for you."

Jesus said: "My people, you remember the story of the Tower of Babel where man was prideful in trying to build a huge tower into the sky. This was an affront to Me because people worshiped this tower over Me. As a result I caused the people to speak in many languages so they could not understand each other. The Holy Spirit enabled My apostles to speak in different languages so they could evangelize all nations. America's Twin Towers were destroyed on 9-11-01 as a sign against America's idol worship of things. But America rebuilt your

Freedom Tower in defiance of My judgment and without remorse for your sins. There will be another destruction of this Tower, and it will be another sign of My judgment against America for your abortions and your sexual sins. Pray to save the souls of America, especially those souls who will die suddenly in natural or man-made disasters."
Jesus said: "My people, you have seen how your schools are corrupting your children with sexual education at young ages, even about homosexual and transgender people. You are seeing drug overdoses and suicides of young people. Many young adults are being influenced with drugs and pornography. Now some of your people want marijuana legalized, but this could further destroy the minds of your youth. It is hard to get your young adults to pray, come to Mass, and come to Confession because they are being distracted by the evil things of your society. Protect your children from abuse, abortion, and pray for their souls, especially all the children in your own families."
Jesus said: "My people, it is sad when young children are abused by anyone, but especially when it is a priest. Homosexual priests are also a problem in My Church. These situations may only be a small percentage of all the priests, but it puts a bad light on My priest sons when a few fall into such sins. You have a shortage of priests, so you need to pray for more vocations to the priesthood, and that your active priests remain faithful to their vocations."
Jesus said: "My people, do not expect too much out of this summit meeting between America and North Korea. It will be difficult for North Korea to give up its nuclear weapons. The expectations on both sides have different goals. Pray that no war starts over sanctions or any other threats. Continue to pray for peace all over the world."

June 16, 2018
Friday, June 8, 2018: (Solemnity of the Most Sacred Heart of Jesus)
Jesus said: "My dear people, today you are seeing an outpouring of My love from My Sacred Heart that is on fire for love of all of you. My Heart has been pierced by the soldier, but I suffered death for all of your sins out of love for you. Every time you look on My crucifix, you see My deep love for My people. I only ask that you return your love to Me, and that you love your neighbors as well. I am love, and I welcome all of you to be in a perpetual love relationship with Me. I am always by your side to comfort you in sickness, hardships, and

consolation for deaths in your family. You can come to Me in Confession to purge your sins, and receive My graces to restore your soul to its original beauty. Always remember how much I love all of you."
Jesus said: "My son, you are about to have a smaller off-grid solar system installed with your intention to be able to keep the snow off of your new 12 solar panels in the winter. Up to now your on-grid solar system has enabled you to make electricity mostly for the summer, so you can send the excess back to your power company for an electricity write-off. Only a few rare times did you actually run on your batteries to run your dedicated lines during a power outage. You will see when you research off-grid systems, that you have to plan your power needs when the sun shines, and limit your usage at night to conserve your batteries. This will be one of your projects of how to use an off-grid solar system, because that is what you will use when the evil ones turn off your power grid during the tribulation time. Try to get some good books on off-grid power, or some information on the internet. There are people who use off-grid power with generator backups. It is the generators that are noisy and consume a lot of fuel for heavy duty power uses. Your daily power usage does not require a lot of power, but it takes planning how to store and use the solar power you generate. Remember that you are doing these things to provide lights and power for your water pump and sump pumps that will be needed in the winter for your refuge to help your people. My angels and I will assist you with any needed information to use what you have."

Saturday, June 9, 2018: (Immaculate Heart of Mary)
The Blessed Mother said: "My dear children, I want you to slow down the speed of your lifestyle so you can appreciate the more important things in life. If you focus your life on filling up your day with activities that you never finish, you will be frustrated, and you will not enjoy life as you should. You can take care of your necessities, and then make time for helping people, and for your prayer life. Giving glory to God in your prayers is even more necessary than your human tasks. You are here in this life to know, love, and serve God, so this should be your primary concern to focus your life around Jesus as I do. Jesus and I had our hearts joined as one because I did His very Will every day. I know you have

inherited Adam's weakness to sin, but my Son died for your sins, so you could have a better life following His ways of love. In the end there are only two choices for your eternal destination. Either you can be with your Lord in the joy of heaven, or you can suffer the eternal flames of hell where the devil hates you and torments you. The devil tries to trick you into what looks pleasing to the body, but your soul needs to follow the attraction to Jesus, your Creator, because He is the only One who can give you true peace and true love. Join our Two Hearts in all you do, and you will receive our love to carry you on your path to heaven."

Jesus said: "My people, in the Bible it talks about famines, earthquakes, and pestilence occurring in the end times. It also talks about wars and rumors of wars at that time as well. You are seeing earthquakes in Hawaii, Oklahoma, and the Western coast. Now there is volcanic lava problems in Hawaii, and the beginning of summer fires in the West from dry conditions. There are also earthquakes in Guatemala that have killed many people, so these natural disasters are happening all over the world. Now is a time to get your soul right with Me in Confession before the events of the tribulation are upon you, and it could be too late to change. Once My Warning comes, events will move quickly to a takeover by the Antichrist. Read the signs of the times because nature is telling you what is coming. Have no fear because I will provide for My faithful at My refuges."

Sunday, June 10, 2018:

Jesus said: "My people, today's first reading was about the original sin of Adam and Eve when they ate the fruit of the forbidden tree in the Garden of Eden. This sin of Adam has been inherited by all of mankind, and I came onto the earth to help people get released from their chains of sin. When you are addicted to various sins, you are a prisoner to that demon of that addiction. It is only by your will to change, prayers of deliverance, or exorcism that can break these addictions. You may not see physical chains holding you down, but certain drugs can be so addictive that you need treatment to break it. So pray for people who have addictions, and use Confession to free yourselves of your sins, so you are not held by the bonds of the devil. I came to release people from the bonds or chains of their sins, so take advantage of My sacraments to heal the wounds of

your sins."

Monday, June 11, 2018: (St. Barnabus)

Jesus said: "My people, today, you are honoring St. Barnabus, St. Paul, and other evangelists who were converting the people to My new Way of the Good News of My Resurrection. In Antioch, Turkey My followers were called 'Christians' for the first time. As many people came to know Me, then the Holy Spirit directed some of My new evangelists to separate, so they could share My Good News with neighboring towns. This is how the Gospel was spread to all the nations by the power of the Holy Spirit. The Holy Spirit has helped you, My son, in your own travels to share the faith in writing your messages, and sharing My Word at your talks. You have been granted two missions to teach My Word at your talks, and to prepare a small refuge for the faithful during the tribulation. Give praise and thanks to Me for directing your missions when it will be harder for conversions to take place with all the world's distractions, especially the cell phones. I will use My Warning to convert and re-convert souls before the Antichrist will be allowed an hour of testing."

Jesus said: "My people, I am thankful for all the refuge builders who have put a lot of money and time into places where they could feed and house many faithful. There is a coming tribulation time when the Antichrist will have a short reign over the earth, and evil people will try to kill My faithful. This is why I will send My faithful to the protection of My refuges where My angels will be shielding you from any harm. I will provide for all of your needs at My refuges, but this living will put some demands on your living together. I have told you, My son, that you will be traveling around to other refuges to encourage My people, much like St. Paul did. Since it will be dangerous to be on the roads during the tribulation, you will be moving about via bilocation so My angels will make you invisible. Do not be fearful of such traveling, for I will be at your side all the time. I will be shortening the time of the tribulation for the sake of My elect, but do not worry how long it will be. My Warning will prepare all sinners for the coming tribulation, and everyone will have to make a choice to be with Me or the Antichrist. Trust in Me that I will soon bring My victory over the evil ones who will be cast into hell. I will bring My faithful into My Era of Peace for a time, and then into heaven when they die. Give praise and thanks to Me for

taking care of My faithful through all of these trials."

June 16, 2018
Tuesday, June 12, 2018:
Jesus said: "My people, you have read several passages about the multiplication of food in the Bible. You are most familiar with how I multiplied the fish and the loaves of bread to feed the 5,000 and the 4,000 people outside. Today's account (3 Kings 17) about Elijah was during a famine in Israel. He asked the widow for a cup of water and a little cake to eat. She told Elijah that then she would not have anything more to eat. Elijah told her in prophesy how her cup of flour and her jar of oil would not run dry. So for a year Elijah, the widow, and her son survived on the multiplication of the little food she had. At My refuges you will be witnessing the same multiplication of water, food, and fuels, so My faithful can survive the time of the tribulation. Trust in Me to protect you and provide for your needs at My refuges."
Prayer Group:
Jesus said: "My people, you have just witnessed a historic summit between your President and the leader of North Korea in Singapore. You could see the two leaders talking about denuclearization of North Korea. There was a mention of toning down military exercises and attempting to verify nuclear weapons being destroyed. This was a big moment, but it may take a while to see any serious actions. Pray for continuing peace talks to lessen any talk of using missiles or nuclear weapons."
Jesus said: "My people, your President was bold in claiming he was going ahead with tariffs on steel and aluminum imports at the G-7 meeting. Other countries were voicing their own retaliatory tariffs on US goods. There is a fear of a trade war, but your President wants to protect your steel and aluminum manufacturing for security purposes. Other countries have higher tariffs, but your President wants an even playing field for trade."
Jesus said: "My son, you had a message about the destruction of your Freedom Tower because of how you built this building in defiance of My judgment on your nation. Another person had a similar message about a high building attack. Such a destruction could be by a terrorist attack, or sabotage like the Twin Towers. You could also see a possible false flag destruction carried out by the one world people. Pray that this can be prevented by your novena prayers to God

the Father."
Jesus said: "My people, you are aware of the freemasons as part of the one world people who are behind the death culture in America. These are the people who help finance your abortion industry, instigate wars and divisions, encourage euthanasia, and the use of laboratory viruses and vaccines to kill people. These people are focused on drastically reducing the world's population. Some of these people worship Satan, and they are carrying out his orders. Pray for the stoppage of abortions, wars, and any means used to kill people."
Jesus said: "My people, you know how fragile your food supplies are in your stores and warehouses. Your stores have only three days supply of food that would run out soon, if trucks could not make their food deliveries. This is why several times I have advised My faithful to have 6 months to one year's supply of food stored for every family member. Storing dried food, canned food, or MREs would not need refrigeration, and it could help you to survive any temporary food shortage. Think of this as food insurance. Call on Me, and I will provide for your needs."
Jesus said: "My people, you can look at Russia and China who are building large navies, and they are controlling passages via canals and places for ports in foreign countries. All of these preparations have one goal, and that is to defeat America on the battlefield. America is the largest force standing in the way of a communist takeover of the world. Pray that you will remain strong against atheistic communism, and pray for peace."
Jesus said: "My son, I have given you several messages that speak about the football season as being the most likely time for the Warning to occur. This time is from September until February. So be alert that My Warning could come any year, and the signs of the end times are all around you. After the Warning, you should try to evangelize your family members so they could have crosses on their foreheads that would let them enter My refuges. You could also prepare your souls for the Warning by coming to frequent Confession. Have your backpacks ready also, so you can leave quickly for My refuges when I will warn you when your lives will be in danger. Trust in Me that I will protect you from the evil ones by making you invisible with My angels."

June 16, 2018
Wednesday, June 13, 2018: (St. Anthony of Padua)

Jesus said: “My people, in your first reading (3Kings 18:20-40) Elijah performed a great proof that I am the only true God in front of the people of Israel. He was the last of the prophets for Me against 450 prophets of Baal. Elijah challenged the prophets of Baal to bring down fire on their sacrifice, and nothing happened. Elijah prepared his sacrifice, and drenched it three times with water. Then he called on Me to bring fire down on the sacrifice, which I did. Seeing this proof before their eyes, the people said: ‘The Lord is God’ twice. The prophets of Baal were then killed. At times people of today also doubt My existence, but there have been constant proofs of My existence in My many miracles. You, My son, have seen many confirmations of Me, and your own mission. Once you truly believe in what I am doing in your lives, then you need to proclaim My praise and glory from your rooftops. I have come to fulfill all of My laws, and I want all of you to love Me and your neighbors in obeying My laws. If you truly believe in Me, and accept Me as your Savior, then you need to witness this in your actions by following My laws in all that you do. If you fail and commit sins against My laws, you can come to Me in Confession, and I will forgive you. My laws are forever, and they shall never be changed. Anyone, who refutes or tries to change My laws, is a heretic, and they should not be listened to. Such heretics should be cast out of your society. When heretics and the evil ones enter My Church, you will see a division between a schismatic church and My faithful remnant. I will protect My faithful remnant from the gates of hell, but those people, who refuse to believe in Me, will be cast into hell forever.”
Jesus said: “My people, you will be seeing droughts and fires in one area out West, and storms and floods in other areas of your country. I will bring America to its knees with natural disasters for all of your abortions and sexual sins. Your politicians are trying to promote recreational marijuana in your states, but this will bring ruin to your already sinful society. My laws do not change, and your people are committing more mortal sins without seeking My forgiveness of their sins. Some people are compounding their sins by committing sacrilege of taking Holy Communion in mortal sin. How long do you think I will allow such rampant sin without bringing My just punishment to these sinners? Your punishment has been lessened only by the prayers of My faithful servants. I will take away My faithful from the rest of the bad sinners, and then I will rain down My destruction upon these evil ones. My heavy punishment has not fallen because My faithful are still present among the evil ones. My justice will be carried out in due time among the evil ones who refuse to repent of their sins.”

Thursday, June 14, 2018: (Flag Day for US)
Jesus said: "My people of America, today you are celebrating a national day of honoring your flag and all the people who have defended your country. In the vision I am showing your people a choice, much like you see on the farms of California. Where you have irrigation with water, you have green lush crops, but you have an arid desert without water. America is at a crisis point spiritually. You may have a good economy now, but if you do not change your sinful lifestyles, you will be calling down My justice upon your country. You can have either the blessing or the curse. It is because of My faithful who are praying, that My severe punishments have been held off. Your country needs to repent and change its ways, or you will be facing natural disasters that will bring this arid land to your crops. Keep praying to atone for your country's sins, but with no change, you will see disasters at record levels."
Jesus said: "My people, you are fortunate to be going to two weddings where the bride and groom are being married in My Church. When you bless your marriage with a Mass in the sacrament of Matrimony, I will bless it with My grace, and you will be fruitful in bearing children. I am the Third Partner in your marriage, and I will help you through all of your struggles in life. If you pray every day, and give your will over to Me, you will be successful in all that you do. Trust in My Word, and put it into your actions."

Friday, June 15, 2018:
Jesus said: "My son, all throughout history the people have criticized and even killed My prophets, because they did not want to hear them speak of repenting and following My laws. I have given everyone free will in My image, and I do not force people to love Me. I have given the Ten Commandments to love Me and your neighbor. These laws are My guidelines on how to live your lives in

this time on earth. Some people want to do their own things, and they do not want to accept that they were created to know, love and serve Me. Many people are weak to sin, but they do not want to repent, or seek My forgiveness in Confession. It is this rejection of Me by man that has caused My prophets to be persecuted. Just as Elijah was persecuted, all of My prophets even today, are facing persecution. The evil people and the Antichrist will seek out My prophets and My faithful to kill them. This is why caves and refuges will be provided to protect My prophets from harm. As time goes on, you My son, will see increasing persecution and you will call on My angels for your protection. Some of My faithful will be martyred during the tribulation, but have no fear, because martyrs will become instant saints in heaven. My faithful will be rewarded in My Era of Peace and later in heaven."
Jesus said: "My people, in the vision you are seeing My good angels taking up their battle stations in preparation for the last battle with the Antichrist. My people will need My angel power to wage battle with the evil ones. You do not know how severe this battle will be. Just as more evil angels are coming up out of your active volcanoes, so I am sending My faithful legions of good angels for your protection. You will see a major battle between good and evil in the Battle of Armageddon. When I will call My faithful to come to My refuges, call on Me, and I will have your guardian angel lead you with a flame to your nearest refuge. Your angel will put a shield of invisibility around you, so you will be protected from any evil ones. Trust in My angels to protect you, and provide what you need during the tribulation."

Saturday, June 16, 2018:
Jesus said: "My people, I am showing you a stairway to heaven as your goal for life. You do not want to go down into the abyss of hell with its flames. For those people, who desire to love Me and be with Me for all eternity, it is a long hard road to reach heaven. Your life on earth has a finite number of days, so every day brings you one step closer to your death, and your entry into heaven. It is by your daily prayers and good deeds that you will store up treasure for your judgment. Strive to obey My Commandments of love, and follow My Will for your mission in life. Even when you falter in sin, I am always willing to forgive a repentant sinner. You are always under attack by the devil and his temptations,

so call on Me and My angels to help you every day to keep on this path to heaven."
(4:00 p.m. Mass) Jesus said: "My people, some people love life and appreciate My creation more than others. It is a miracle how plants grow from seed to produce your food. Children and young animals mature over more years. You can even see how your spiritual life grows and matures as well. As you age and are more settled, you can ponder your faith in Me, and see how without Me, you can do nothing. Your faith in Me is one of your greatest gifts. Guard your faith in frequent Confession, so My graces will protect you."
Jesus said: "My people, at the time of the flood, you see another example of how I removed the few good people, and I then killed all the unrepentant sinners with the flood. There was a second creation after the flood. There will be more people killed in the tribulation, once I protect My faithful at My refuges. After the tribulation and My victory over the evil ones, there will be another new creation of a new heaven and a new earth in My Era of Peace with no evil. My Era of Peace is how I intended My creation before the devil interfered with the Garden of Eden and Adam and Eve. Give praise and thanks to Me because I will reward all of My faithful in My Era of Peace."

Sunday, June 17, 2018: (Father's Day)
God the Father said: "I AM WHO AM, is with you to celebrate father's day for all the husbands who have brought forth children. It is the women who bear the children, but it is I who places the life giving souls in the bodies. So I am truly the spiritual Father of all the souls who will live forever in heaven, or in hell. Your souls are eternal, and they will never disappear. Keep praying for all the souls in your family so they can be in heaven forever. Give praise and thanks to Me for your faith, and your very life in the body and the soul. Continue to pray to Me every day in your 'Our Fathers', 'Glory Bes', and the 'Sign of the Cross.'"

July 6, 2018
Monday, June 18, 2018:

Jesus said: “My people, you are faced with many events, and you can react with kindness, or with a selfish intent. This is the contrast in today’s readings. In the first reading King Ahab wanted to have Naboth’s vineyard, but he was willing to give Naboth money for it, or another vineyard. Naboth did not want to give up his ancestral heritage. It was Jezebel, Ahab’s wife, who chose an evil way of having Naboth killed, so the king could have Naboth’s vineyard. There are times in life when you do not always get your way, but you do not kill people just to have something you like. In the Gospel I have given you a more loving approach even to those people who may persecute you. If someone slaps you on one cheek, then turn the other cheek, instead of seeking revenge. The Jewish law allowed equal retaliation, but I am preaching a new law of love that does not seek harming your neighbor. This kind of love does not come easy to man’s sense of justice. If you are going to imitate My way of love, then you can see how I desire that you love everyone, even your persecutors. I am merciful and loving, but I am also just in how I deal with My people. I am always willing to forgive a repentant sinner, but those people, who worship idols and kill others, will face My punishment.”
Jesus said: “My people, you are seeing some severe thunderstorms in your area and heavy rains in Texas on the coast. Other flooding is occurring in the Midwest. You are continuing to see earthquakes and volcanic eruptions in Hawaii, as the lava flow has destroyed many homes, and it ends in the ocean. Other volcanoes have become more active, and you had a 6.1 earthquake in Japan. I told you that you will have more of these natural disasters one after another. You have been planning to get a smaller off-grid solar panel kit so you could pull the snow off the panels in the winter from the first floor. In the tribulation time, this could give you some solar power to run your sump and water pumps between December and March. It is difficult for your on-grid system to work when you have snow on the panels on the second floor. Now, your new kit has arrived, and you will be scheduling a time to install your 12 panels and 12 batteries with an inverter and controller. You have continued to prepare your refuge for the faithful people who will be coming. My angels will continue to help you in getting your refuge ready for the tribulation.”

Tuesday, June 19, 2018: (St. Romuald)

Jesus said: “My people, in this account of Ahab and Naboth (3Kings21:17-29) you read how Jezebel had Naboth killed by false letters with the king’s seal. Just as Ahab was about to take possession of Naboth’s vineyard, Elijah gave a judgment from God against King Ahab and his wife, Jezebel. Elijah said how both of them would be killed by dogs, or birds in the field. On hearing God’s judgment against Ahab, he tore his garments, and then fasted in sackcloth. The king humbled himself before Me, so I did not kill him, but the punishment would fall on his son. Because Jezebel did not repent, she was immediately killed by the dogs for her evil deeds. There is a lesson here for all sinners. If you repent and are sorry for your sins, no matter how grievous, I will forgive you. But woe to the sinner who does not repent and does not seek My forgiveness, because that sinner is on a road to the eternal flames in hell. This is why My faithful need to come to Me in Confession at least once a month, so you can show Me you are like King Ahab when you repent and humble yourself before Me.”
Jesus said: “My people, you are seeing a near tropical storm bring a lot of rain into Texas that has already caused some flooding. You are also seeing some heavy rains in Illinois that are causing floods. Hail is falling in Colorado, and frequent 5.4 earthquakes are causing a constant lava flow which is causing a loss of homes in Hawaii. Flood damage is increasing this year. Volcanoes are also becoming more active. Do some research to see comparisons of floods and active volcanoes over the last five years. You can see how pole shifts and the HAARP machine are affecting your weather, earthquakes, and volcanoes.”

Wednesday, June 20, 2018:
Jesus said: “My people, in today’s reading (4Kings 2:1-14) you read how Elijah first used his mantle to separate the waters of the Jordan River to walk on dry land. Then he was taken up in a fiery chariot with the help of My angels. His mantle fell down for Elisha to use. Elisha had asked for a double portion of Elijah’s spirit, and Elisha received it when he saw Elijah enter heaven. Elisha tested the use of the mantle, and the Jordan River separated again. This was a passing of spiritual power from one older prophet to a younger prophet. In the Gospel I told My apostles to pray in private without showing others, and My Father in heaven would reward them. The same is true when you are giving alms. Do not brag or tell others what you are giving, and you will have treasure

in heaven. Those people, who broadcast their good deeds, have already received their reward. When you fast, you also need to dress as normal, without showing others how you are suffering in your penance. Some people do all these things to be noticed as religious, but whatever you do in secret, My Father will see it, and reward you with treasure in heaven."
Jesus said: "My people, I am showing you what it would be like when I call on you to come to My refuges. You will take your backpack, which contains food and hygiene items, in your car and leave immediately. As you leave your home, your guardian angel will lead you with a flame to the nearest refuge. My angel will put an invisible shield over you to protect you from the evil ones who will want to kill you. Once you arrive at My refuge, you will see a luminous cross in the sky. When people look on this cross, they will be healed of all of their ailments. You will not return to your home, and none of your cell phones, etc. will work at My refuges. You will be confined to the borders of that refuge. You will be living as a Christian community, and I will see that you have food, water, and fuels to survive. By seeing this event actually being carried out in the vision, this is another sign that this is coming close in your time. Do not be afraid of the evil ones because My angels will protect you. Only My faithful, who believe in Me and wear a cross on their foreheads, will be allowed into My refuges. My refuge will protect you from bombs, viruses, and even comets. You will have daily Holy Communion, and you will have perpetual Adoration at all of My refuges. I will be with you all the time in My Real Presence, so have no fear."

July 6, 2018
Thursday, June 21, 2018: (St. Aloysius Gonzaga)
Jesus said: "My people, the Bible is a gathering of books that were inspired by the Holy Spirit for the authors. It is a history of the Jewish people, and My Word in the Gospels. All of My words are true, and they will remain forever, and will not be changed for a better hearing. Anyone, who tries to change My words, is a heretic, and should not be followed. I have set My laws before you, and they are all wrapped up in love of Me, and love of neighbor as yourself. Your society is getting out of control when living in fornication and adultery is accepted as normal. Using birth control, vasectomies, tubal ligations, and abortion are also accepted, but all of these things are mortal sins, and require Confession before Holy Communion. People who abide by My laws are criticized, and My

prophets who speak against these sinful actions are persecuted for being righteous. If you learn anything in the biblical accounts, you will see that unrepentant people are punished. Those people, who follow My laws, may see persecution, but they have a heavenly reward awaiting them. You all make decisions in your actions every day that are either with Me, or against My laws. Your actions speak louder than your words, so do not be hypocrites, and practice what you preach as good examples. I love all of you, and I will forgive the repentant sinner. I desire that you love Me in return in all that you do every day."

Prayer Group:

Jesus said: "My people, you have a divided society along party lines, and those people who are against your President are criticizing him for separating families at the border. Your President signed an Executive Order to stop separating children from their parents at the border. The double standard is that your previous President did the same thing, but the media did not criticize him. People should be focused more on loving neighbors instead of causing division."

Jesus said: "My people, the threat of a nuclear war has grown worse as more nations are producing new missiles and large nuclear weapons. North Korea and Iran are still nuclear threats, and they are growing more hostile, despite all the treaties they have violated. The peace accord to denuclearize North Korea needs to be confirmed to verify they are following what they agreed to. My people need to keep praying for peace to stop any nuclear war that could kill many people."

Jesus said: "My people, I told you that America would be facing continuous natural disasters as a punishment for your abortions and grievous sexual sins. You are calling down My justice, and these events will become more serious, if your country does not repent and change your sinful lifestyles. You are seeing continuous earthquakes almost daily with lava flows in Hawaii that are setting records. In Texas you are seeing unusually heavy rains and flooding that has caused some evacuations and displaced people from their homes. Even in Puerto Rico the people are still having power outages and food shortages from last year's hurricane."

Jesus said: "My people, your scientists have noticed some unusual auroral borealis in various places that could be linked to pole shifts and the HAARP machine. Some people also are hearing unusual trumpet sounds of unknown sources. You are also seeing many accounts of sink holes in various places. These things are more signs of the end times that you are entering. Have no fear, but trust in My protection when you will come to My refuges."

Jesus said: “My people, you are starting out on another hot summer when your people will be putting more demands on your electric grid as you turn on your air conditioners. Your grid is already vulnerable to power outages, and any added strains could test your people. Your people are so used to having electricity, but your needs are expanding beyond your addition of new power stations. Pray that you do not have power outages, but be prepared with some water, batteries, and extra food.”
Jesus said: “My people, you have seen some pictures of how I am constantly knocking on the doors to many hearts of the people on earth. Some people ignore Me or reject Me, and they will not open their hearts to Me. These cold hearts are on a path to hell, if they do not let Me in. Other people open their hearts to Me in My Sacred Heart, and they are rewarded with My graces. Stay close to Me in your prayers and frequent Confession, and you will be on the right road to heaven.”
Jesus said: “My people, I have told you before that it is only for God the Father to know the date of the Warning. I have told you also that the signs of the times and the more frequent Warning messages are signs of the Warning getting closer. Those people, who desire My Warning to come, do not know what they are asking. The Warning will be a judgment for all souls, and it will be My last chance to change sinners from their sinful lifestyles. The Warning is a preparation for people to repent so they could convert their lives to Me, and have a cross placed on their foreheads. This will be needed to enter My refuges when I call you to My safe havens. Trust in My protection, but you must have faith in Me to be saved.”

Friday, June 22, 2018: (St. John Fisher & St. Thomas More)
Jesus said: “My people, you have two beautiful saints today in St. John Fisher and St. Thomas More who stood up against King Henry VIII of England. The king wanted to leave his wife for another woman by annulment so he could have a male heir. The king later had these saints imprisoned and martyred for their resistance to his oath of his love interests. The king also was instrumental in causing the Anglican Church to split from Rome. St. John Fisher was bishop of Rochester, England, and that is how he became the patron of our diocese. You, My son, even went to St. John Fisher College. There have been other splits from

My Church under Martin Luther. I have been giving you messages of another split coming in My Church between a schismatic church and My faithful remnant. The schismatic church will be teaching New Age doctrines, and that the sexual sins are no longer mortal sins. This split will be close to the coming tribulation of the Antichrist. Follow My true teachings in the Catechism of the Catholic Church so you are not misled by heretical teachings. Call on the Holy Spirit for discernment of any heresies."
Jesus said: "My people of America, you are seeing a coming failure of the dollar when debts and contracts of indebtedness, or derivatives, will fall under their own weight. America has trillions of dollars of National Debt that are increasing beyond what can be paid back. Other countries have even worse debts, so the dollar is not falling yet. When you look at what a dollar buys, you are seeing how it is worth less each year. Already there is a movement to get rid of all the cash money, so it could be controlled by the future chip currency. Eventually, your leaders want a microchip in the hand for all buying and selling. This is the beginning of the mark of the beast that was started in your health insurance. If you then have mandated chips in the body, these chips will control your mind, so refuse to take such chips. If you cannot buy food without this mark, then you will have to come to My refuges for food, water, and fuels. These things are the necessities to live that will be provided at My refuges. When you see the dollar fail and mandatory chips in the body, this will be the time to leave for My refuges with your backpacks and crosses on your foreheads."

Saturday, June 23, 2018:
Jesus said: "My people, I have told you that fears, worries, and anxieties are from the devil, and My people need to have more trust in faith that I will take care of their needs. I ask you to look back through your life, and you saw how I brought you through what seemed like impossible situations. You make many prudent plans, but you need to be flexible when events turn out different from what you expected. I told you how I feed the birds of the air, and dress the flowers of the fields, but you are more valuable than a flock of sparrows. Seek first the Kingdom of God, and everything else will be given to you. Do not worry about tomorrow, for today has enough trouble of its own. You can only live in the present moment, so do your best to follow My laws and repent of your

sins. Those people, who abide by My laws of loving Me and loving neighbor, will have eternal life with Me in heaven."
Jesus said: "My people, some people have taken My advice and they are storing six months to a year's supply of food for every member of their household. Others are not making such preparations, and they may not find food in the stores, if there was a natural disaster. You have seen where bad weather has put a run on water and batteries in the stores, so it is better to stock up on your survival needs now, while you can still buy things. No matter what events happen, I will help provide for your food and water to survive. When there is a power outage or a food shortage, you may be called on to help your family, and your neighbors. Be willing to share what you have with those people who come to you for help. This will be how your refuge will protect and feed My faithful. Be ready to receive a lot of people that I will send to you."

Sunday, June 24, 2018: (Nativity of St. John the Baptist)
Jesus said: "My people, St. John the Baptist was My herald in the desert, and even in the womb, he stirred on My arrival in My Blessed Mother's womb. Zachariah and Elizabeth were advanced in years, and it was a miracle of God that Elizabeth conceived St. John the Baptist. Even in the Gospel St. Gabriel the archangel had told Zachariah that the child's name to be born will be called 'John'. (Luke 1:13) When it came time to name the child, the people expected to name him after his father. It was then that the parents said his name was to be John, according to the angel's message. St. John proclaimed Me the 'Lamb of God' after he baptized Me. So some of My followers came after Me. St. John said that I must increase while he must decrease. This is true for all of My people, that I should be the most important one in your life, even more than your own life. St. John the Baptist was a prophet for My first coming. There are even more prophets who are preparing for My coming after the tribulation. Trust in My power that will overcome the Antichrist, and all the evil ones who will be cast into hell."

Monday, June 25, 2018:
Jesus said: “My people, the one world people, or ‘deep state’, are displeased with the way your President is running your government. He is trying to break all the global plans of your previous Presidents. You have seen many attacks from the opposition party over Russian collusion and immigration recently. In this vision of a sinking ship, you are seeing the next attack will be a financial distress over your dollar, the National Debt, the derivatives, and all the possible trade wars. The opposition has tried to find something so they could impeach your President, but this has failed. If these one world people cannot upset your finances to remove your President, then they will even consider an assassination attempt. I have mentioned this possibility before, but these evil people are ruthless in trying to achieve the goals of Satan and the Antichrist. I have been encouraging My refuge builders to be ready to receive My faithful at the proper time. You will be seeing a conflict of your President with these one world people, and it could turn violent at any time. Trust in My protection when I will call My faithful to My refuges of protection, where My angels will shield you from the evil ones.”
Jesus said: “My people, your President realized that there were a lot of unfair trade practices going on that is bleeding America with excessive trade losses every year. His first tariffs were on steel and aluminum both on China and your allies. This was intended to protect home production of these metals as a security to make weapons. Once these tariffs took effect, China and other countries started putting additional tariffs on American exports. Each time more goods are being added to the list of imports to America that have tariffs. There is a present fear that you could see a full blown trade war that would make your imports more expensive to your consumers. This could add to inflation and nullify any advantage of your tax cuts. You have seen your stock market react negatively, because of the uncertainty of how far such a trade war will go. China and other countries could suffer in their fragile economies with such a trade war. If such trade problems continue, you could see a world recession or worse. Pray that America can make some better trade agreements without causing a trade war that will hurt everyone. It is true that America has been treated unfairly in your trade, but it will be difficult to find a fair way to resolve your problems. Pray for a resolution of these problems before more damage is done to all of the world’s economies.”

Tuesday, June 26, 2018:
Jesus said: “My people, the king of Israel pleaded with Me to protect Jerusalem from the Assyrian king’s troops. So I sent My angel in the night, and he slew one hundred and eighty-five thousand of his troops. This forced the Assyrian king to return home in defeat by My power. (4 Kings 19:35) My son, you have used this passage to show the power of one angel who was given My authority to kill this many soldiers. So when you are at My refuges during the tribulation, have no fear, because My angels are powerful enough to shield you from the demons and the evil people. My angels will put an invisible shield over you on the way to My refuges, and at My refuges. You will be protected from EMP attacks, bombs, viruses, and even comets. So trust in My power which is much greater than My angels. I will multiply your food, water, fuels, and even your buildings to provide for the faithful who I will send to you. My angels will finish any needed projects, and they will even bring you daily Holy Communion, if you do not have a priest. You could even survive on Holy Communion alone, if you have no supplies. Have some things stored so they can be multiplied. After the tribulation I will bring My victory over the evil ones, as they will all be cast into hell. I will renew the earth, and bring you into My Era of Peace, and later into heaven. It is only My faithful who believe in Me with crosses on their foreheads, who will be saved at My refuges.”
Prayer Group:
Jesus said: “My son, you are seeing the eye on top of a pyramid that represents the view of the masons who control many governments. When you looked closely at the back of your $1 bill you read ‘the New World Order’. This is the plot of Satan to control the whole world to make it ready for the Antichrist’s reign. These masons are behind the global plans for a world takeover. Your President is defying their plans, and this is why he is being harassed constantly. You are noticing how violent these people are getting. I have given you your President for a short time, and then the evil ones will be allowed their hour.”
Jesus said: “My people, a time is coming when Christians will be persecuted, and your lives will be in danger. Elijah had to hide from Jezebel and others who wanted to kill him, so he hid in a cave on Mt. Carmel. My faithful will also have to seek a place of hiding from people who will want to kill you because of your faith. These places of hiding are called refuges or safe havens, where My angels

will shield you from the evil ones. Be thankful that I am calling many refuge builders to prepare places for My faithful during the tribulation."
Jesus said: "My people, it saddens Me that more people should be coming to Confession, but many are too spiritually lazy to take time to have their sins forgiven. Reconciliation is My sacrament to have your sins forgiven, and heal your souls through My grace of the sacrament. It takes humility to admit your sins to the priest. You need Confession to remove your mortal sins so you can worthily receive Me in Holy Communion. You should come to Confession at least once a month, so you can renew your love relationship with your Lord. I love all of you, but it is difficult to look at so many black souls who need My forgiveness. Encourage your family and friends to come to frequent Confession."
Jesus said: "My people, you are called to come to Sunday Mass to worship Me by My Third Commandment. It is a serious sin for My faithful to miss Sunday Mass, so encourage your family to be faithful in worshiping Me. You also should remember Me every day in your prayers. If you love someone or Me, you do not just say so once a week, but every day. I await your loving words because prayer is like conversing with Me in love. You pray in Adoration, for your intentions, for grace before meals, and for sinners on earth, and souls in purgatory. Prayer expresses your love for Me and your love for your neighbor."
Jesus said: "My people, a church is a place for My faithful to come together as a faith family. Celebrating Mass is the best prayer to share your love with Me and your neighbors. You read My Word from the Scriptures that gives you My example in life in how to obey My laws, and seek the forgiveness of your sins. You need to pray for the protection of your churches from any heresies, and help support them financially. At every church you have My priest and My sacraments. When a church closes, you lose a faith community, so pray that you can keep your churches open and faithful."
Jesus said: "My people, some people allow pride to control their actions because they want to be important in the eyes of other people. Do not let the devil mislead you into prideful actions, but seek to be humble and more concerned about helping others. When you think more of loving Me and others, then you will have less focus on being selfish in your own desires. Do not be afraid to reach outside of your comfort zone to help people."
Jesus said: "My people, some people do many things just to have more money than they need in order to survive. You do need certain things as food and a place to stay, but you should be more content just to survive without seeking

riches for its own sake. Do not make money, fame, or rich living as idols before Me. You should focus more on helping people with charity donations, than just enriching yourselves. Your treasure is where your heart is. So if you seek to be with Me, store up your treasure in heaven, instead of useless treasure on earth that will rot or be stolen."

Wednesday, June 27, 2018: (St. Cyril of Alexandria)

Jesus said: "My people, in the first reading the King of Israel renewed the people's covenant with Me, as he had the Scriptures read to the people. The previous leaders were not following My laws, so this king was asking My mercy to be reconciled. In the Gospel there was a focus on 'by your fruits you will know people through their actions.' A good tree only bears good fruit, while a bad tree only bears bad fruit. This is why I call My faithful to obey My laws and let Me run your lives, so you can bear good fruit in your good works. In the vision and in actuality, your workers are installing another 12 solar panels and 12 batteries in an off-grid system. This will help supply power to run your sump pumps and water pump in the winter when you can remove the snow from the first floor panels. It is too dangerous to remove the snow on the second floor panels. This will be another source of power to run some other needs during the tribulation when your power grid will be down."

Thursday, June 28, 2018: (St. Irenaeus)

Jesus said: "My people, you were reading today (4 Kings 25:1-17) how King Nabuchadnezzar laid siege to Jerusalem and the Israelites were defeated and carried off to Babylon. This was the Babylonian Exile that lasted 70 years, and this was My punishment for all the evil idol worship and breaking of My Covenant. The Israelites did evil in My sight, and they called down My wrath upon them. There is a parallel to the evil going on in America where you are killing My babies in abortion, and there is rampant fornication, adultery, homosexual acts, and now even transgender mutilations. Your drugs and legalized marijuana are ruining your society. There is idol worship of fame and

seeking riches, and many are ignoring Me in their lives. Just as I was displeased with the sinful Israelites, I am also displeased with America and its sexual sins. In Israel I took away My protection, and I allowed Israel to be defeated by the Assyrians. So it will be in America, when I will allow your enemies in the one world people, to take you over. The failure of the dam in the vision, is how America will face many natural disasters that will be instrumental in your fall to the evil ones. The tribulation of the Antichrist is in the Scriptures, and evil will have its hour. Trust in My protection during the tribulation, when I will provide My refuges for My faithful. America will suffer a similar defeat and exile just as Israel did."

Jesus said: "My people, My Warning experience will shake up a lot of people, when they see their life through My eyes and the eyes of those people around you. You will feel the remorse of your failures in sin, when you hurt Me in My love for you. I want all people to be saved, but I cannot force My love on you. Each person has free will to choose their own eternal destination in heaven or hell. After your life review, you will see your mini-judgment to heaven, purgatory, or hell based on your life experiences. You will also physically experience your destination, so you can have a taste of where you are going. This could wake up and save some souls who would otherwise be lost. After the Warning, you need to pray and convert as many souls as you can, especially your family members. You do not want to lose anyone to hell, so pray constantly for your family, and you could help save their souls. Saving souls from hell is the most valuable gift you could give your family."

Friday, June 29, 2018: (Alex and Christina Wedding)

Jesus said: "My son, you heard the deacon speak of how Christina and Alex's desire for a marriage in the Church was to be commended. They are dedicated so much to each other, that they wanted to do everything the right way according to God's law. They will receive the grace of My sacrament, and I will be with them throughout their marriage. They will also receive the support of the whole family in their needs. All of the family should pray for the success of this marriage."

Saturday, June 30, 2018: (The First Martyrs of the Roman Church)
Jesus said: “My people, this Roman Centurion had a deep faith that I could heal his servant, even from a distance. He gave a response that you all say in the Mass: ‘I am not worthy that you should enter under my roof, but only say the word, and my soul shall be healed.’ This was an early convert, and he gave witness to My authority. This was a man of authority in the Roman Army, and he acknowledged Me with such a strong faith that I told the people, that I did not see such faith anywhere in Israel. I call all of My faithful to have such a strong faith in Me to do many impossible tasks for them. Believe in My power and follow My laws, and you will share eternal life with Me.”

Sunday, July 1, 2018:
Jesus said: “My people, in the Gospel I healed the woman with the hemorrhages, and I raised Jairus’ daughter from the dead. I could only heal each of these people because they had faith that I could heal them. This is true for all healing that is done in My Name. You need to have faith that I can heal you. In the vision you see the faithful in church wearing life preservers. In one meaning I will save people’s souls because they believe in Me, and they come to Sunday Mass. In a second meaning I will help heal any physical sickness as well. You are made up of body and soul, and saving souls is your most important mission on earth. So keep praying for all the souls in your family to help save them from hell.”
Jesus said: “My people, at times events can aggravate you to the point when you want to blow off steam like this locomotive. It is not easy to contain your frustrations, and you sometimes will criticize others for causing you trouble. Do not overreact, so you can stop any anger or swearing. Try not to take out your critical language on your spouse. The spouse may not even understand why you are displeased. In some cases you can apologize for any bad behavior. Call on Me to forgive you of your sins, and I will calm your stress and tensions.”

Monday, July 2, 2018:
Jesus said: “My people, you are suffering through a hot spell of high temperatures and high humidity. Some people have power outages now because they are using a lot of air conditioning to fight the heat. I mentioned before how you would suffer such power outages in previous messages. You are seeing weather problems, fires, and severe storms. These events will continue to test your people because of your abortions and sexual sins that are so rampant. If your people do not repent and change their spiritual lifestyles, you will be brought to your knees with even more severe punishments. I see all the sins and crimes that you are performing every day. Do you think you will avoid My justice? I tell you, My angels are preparing to lead My people to safe havens. Then you will see My wrath fall on those people who refuse to obey My laws, and those people who refuse to love Me. I will use the evil ones to bring down your country in payment for your sins.”
Jesus said: “My people, this vision of a castle is a good place of protection when you have enemies who want to harm you. This reminds you of having refuges that will be protected from the evil ones by My angels. The angels will put shields up that will only allow My faithful to enter My refuges. The evil ones will not harm you, because My angels have more power than your enemies. You will be living a harder life with multiplied food and water. Everything will be provided for your survival. You will have daily Holy Communion and perpetual Adoration. You will have people praying around the clock for more hours than you do now. Trust in My protection and My multiplication of food, water, and fuels. Your refuge living will have less comforts, little electricity, no air conditioning, and sponge baths. You will be tested in your tribulation as a purgatory on earth, but I will bring you into My Era of Peace with My victory.”

Tuesday, July 3, 2018: (St. Thomas, our 53rd Wedding Anniversary)
Jesus said: “My people, when you think of the UN building in the vision, you first think of all the nations joined for peace. In reality this is just another global plan for the one world people. It is the plan of the one world people to take over all the governments, and give them over to the Antichrist in the European Union. The time for the evil ones is running out, so these people are looking for a quick takeover of America, because your country is blocking their takeover. After the

Warning, you will see a quick takeover, so the Antichrist can have his reign. When you see such a takeover and mandatory chips in the body, this is when I will call My faithful to My refuges for their protection. Trust in Me to protect My faithful, and I will bring My victory at the end of the tribulation. Today is our 53rd Wedding Anniversary, and we are witnesses that marriages can last longer with a common faith in God. When you put Me at the center of your lives, I can help you through all of life's troubles. I bless you in all that you are doing to share your faith with your family, friends, and the people you meet at your talks."

Jesus said: "My people of America, you are celebrating your independence from England when you put forth your Declaration of Independence. You have a beautiful Constitution of three branches of government. You also have a pledge of allegiance to your flag with 'under God' in it. You again have a flag representing the thirteen original colonies and the present fifty states. Your country was founded as a democratic republic on your Judeo-Christian roots of freedoms. Because you have followed My ways in your roots, I have blessed your country with many riches. In recent years your country has drifted away from My laws, and your morals have deteriorated to idol worship without worshiping Me at the center of your lives. Only a small amount of My faithful are staying true to My laws. The rest are on a path to hell, if they do not stop their sinful lifestyles and seek My forgiveness. I seek all souls to come to Me in Confession, so you can repent of your sins. Without repenting of your sins and seeking My forgiveness, you cannot enter heaven with a pure soul. Show Me your love by following My Commandments, and praying to Me every day. Then you will be worthy of entering heaven."

Wednesday, July 4, 2018: (Independence Day)

Jesus said: "My people, you are celebrating your independence and freedom from England. You have been so used to your freedoms, you do not know what it is like to be oppressed and controlled by atheist communist leaders. Your freedom of religion is a gift you should not take lightly. I am calling all of My people to love Me and love your neighbor. You can start showing your love for Me in your daily Mass and rosaries. You can also pray for all the souls in your family to be open to My love. Share your faith by reaching out to evangelize as

many souls as you can. In all you do, trust in Me to lead you on the right path to heaven."

Thursday, July 5, 2018:

Jesus said: "My people, in today's first reading (Amos 7:10-17) you see the priest of Bethel criticizing Amos, the prophet, for prophesying against Israel. I choose prophets from the people to warn them of the sins they are committing against Me. This is the first stage of My attempt to reach out and save the people. Once the people refused to repent and change their sinful lives, then I sent My prophet Amos to tell the Israelites that many of them will be killed by the sword, and they would be exiled in a distant land. Today, I am choosing many prophets to warn America to repent and change its sinful lifestyles of fornication, adultery, and homosexual acts. You are killing My babies in abortion, and you are calling down My wrath on America. Your last warning will be My Warning experience of your life review and judgment. If America does not change its ways, you will receive the same punishment that Israel received. Many of you will be killed and the one world people will take you over. Some people could even be exiled to the European Union when the Antichrist reigns. I have told you before how your Freedom Tower will be attacked because you rebuilt this building in defiance of My judgment. Be prepared to come to My refuges where only My faithful with crosses on their foreheads will be allowed to enter at the proper time. All of My prophets of the end times are calling out to Americans, to repent and change their lives, or you will suffer an agonizing defeat. My punishment is coming against America, and it will be so devastating, that you will not recognize your destroyed country. Repent and pray to save souls while you still can."

Prayer Group:

Jesus said: "My people, the masons and the one world people are planning their world takeover. Every year at the Bilderberg meeting (June 7-10, 2018) they have an agenda led by Satan. If you are able to see their plans, then you could see the next actions they are taking. They are starting to manipulate your interest rates, and other plans to bring your dollar down, so they could bring down your President's government. Trust in Me to protect you from the plans of these evil

men."
Jesus said: "My people, your home is precious to your families, and it is a tragedy to lose your home. You have many fires ongoing in the West that are burning up houses. Most people have been evacuated, so only some lives have been lost among the firefighters. It is sad when you learned that some of these fires were started by arsonists. You also are seeing homes lost to the relentless lava flows that are very active in Hawaii. These events are the continuing natural disasters against your country from your sins."
Jesus said: "My people of this prayer group, I thank you for your weekly prayers to help counter the evil in the world and the occult coven activity. You may not realize it, but you are in a spiritual battle with the evil ones in the world. The witches are praying against your President. This is why you need to pray for your President to counter the evil hexes placed on him. There is an attempt to harass your President, but you can pray for his success to help your country."
Jesus said: "My people, each week you are seeing new tariffs placed on your imports and exports of various commodities. Your President wanted to level the playing field in your trade agreements. What started out as a tariff to protect your steel and aluminum makers, is spreading into a trade war of tariffs that could hurt your farmers and small companies. Pray that your economy is not forced into a recession from all the new tariffs."
Jesus said: "My people, your country has laws against illegal entry, but some people are fighting against your laws. Some want to stop separating children at the border. Others want to do away with your ICE workers who try to keep illegal immigrants from entering your country. This issue is splitting your people over who and how many people can enter your country. Pray for an acceptable resolution of this problem."
Jesus said: "My son, you have followed My plan for forty people to come to your refuge. You bought and built several bunk beds with the mattresses. You also bought twenty cots with small mattresses, and you have pillows and blankets as well. Other refuge builders are also preparing bedding to receive large numbers of people. These refuges will be needed during the tribulation to protect My faithful from the evil ones. Pray for My angel protection, and for any needed multiplication of your buildings, as more faithful will be coming in desperation for protection."
Jesus said: "My people, you are seeing many of your freedoms being taken away, one by one. Your latest attack has been over your freedom of religion. You have hate laws and speech restrictions against speaking out against homosexual

or transgender people. These people are trying to take away your freedom to teach your children that homosexual acts are mortal sins. The educators are forcing sex education on young children. You need to stand up for obeying My Commandments against these sexual sins. You are seeing how Christians will be persecuted for your beliefs, and you may have to hide from the authorities enforcing evil laws against you. This persecution will eventually threaten your lives, and you will be forced to come to My refuges for protection from these evil ones. Trust in My power which is greater than the evil ones."

Friday, July 6, 2018: (St. Maria Goretti)

Jesus said: "My people, today's St. Maria Goretti is an example of a young girl (12 yrs. old) who was protecting herself from a man trying to rape her. She refused to give in to his advances, and the man killed her by stabbing her to death. She is a patroness for chastity in avoiding any sin of fornication, which is widespread in your society. It is better to avoid these sexual sins. Once you are married, then it is proper time for conjugal love. Some people are not getting married, and they are living in sin with fornication. You can come to Me in Confession to forgive your sins, and then you will be worthy of receiving Me in Holy Communion at Mass. If you are in mortal sin, then avoid coming to Holy Communion, or you commit another sin of sacrilege. There are also mortal sins in homosexual acts, and they need Confession as well. People, who are living in sinful relationships, are trying to use your laws to outlaw even speaking of these actions as sins. When your laws allow abortion of babies, and promote sexual sins, then you are defying My Divine Laws of My Fifth and Sixth Commandments. You remember My punishment on Sodom and Gomorrah, which I destroyed with fire. America's many such sins are calling out for My punishment. You will see many natural disasters become even more severe, if you do not repent and stop your sinful lifestyles. Pray for the souls of your people to be open to My grace, so their souls can be saved from hell."

Jesus said: "My people, these things of nature in the blowing wind, the flowing river, and the sun traveling through the sky, are always repeating their given path by My command for My creation. Remember that your bodies are mortal, and that one day I will call you home to Myself. You rise every day from your sleep, and you expect to live out another day. Your days are numbered on this earth, so

make the best use of your time in prayer and good works. When you come before Me at your judgment, you will have to make an accounting of how you spent your time during your life. Look to store your treasure in heaven for all that you do for Me and your neighbor. My faithful servants will be called home one day, and I will say to them: 'Well done My good and faithful servant, you have fought the good fight and have carried out My Will for your life. Enter into your heavenly reward."

Saturday, July 7, 2018: (First Saturday)

Jesus said: "My people, I performed My first miracle at the wedding feast of Cana, when I changed the water into wine. My Blessed Mother told Me they had no more wine. Then she told the servants: 'Do whatever He tells you.' So I asked the servants to fill six large stone jars with water, and then take some to the head waiter. You saw one of these huge stone jars that held thirty gallons of water. The head waiter, after tasting the water made into wine, remarked how they saved the best wine until now. This saying of My Blessed Mother refers not only to My miracle of changing water into wine, but it refers to how all of My faithful should center their lives around Me. When you follow what I teach you in the Scriptures, and carry out My mission for you, then you will be on the right path to heaven. I will not lead you astray, but you have to give up your pride to let Me lead your life. Other people want to lead their own lives, and they do not have faith in Me to know that I know what is best for you in life. When you let Me lead your life, it will be the right spiritual path that will lead you to heaven. Have no doubt in My ways, even if I take you out of your comfort zone to help people. When you follow Me, you will share in My happiness both on earth and in heaven."

Jesus said: "My people, you are seeing the Lucerne Super Collider in Europe that is the most powerful in all the world. These scientists are trying to explore the 'God' particle in how I made everything, but their work can be dangerous to people who live around this device. This machine and plasma generators could possibly form a black hole which could cause a lot of damage. You are also seeing how the HAARP machine and the polar shifts could cause heat waves by causing high pressure systems to stay in one place for days. Your recent heat wave has been caused by the HAARP machine focusing a high pressure system over the Northeast. Whenever you see a high or low pressure last for days, this is

a signature of the HAARP machine being used. Pray for more normal weather so your farm fields get enough rain, and are not dried out that could cause a famine. Trust in Me to feed My faithful with whatever you need to survive."

Jesus said: "My people, this vision of a huge number of children who were aborted, is just a small portion of the million babies killed per year in America alone. Your abortions, that are legal in America, are one of the main reasons I am bringing My punishments upon your nation. I am sending out My prophets to not only prepare you for the end days of the tribulation, but also to draw your attention to your sins of abortion, fornication, adultery, and homosexual acts. The sinners, who commit these sins, do not want to hear My prophets telling them of their sins, and they strike out against My prophets. These are the people who promote abortion, and make laws against speaking out against fornication and homosexual acts. My son, you and all of My prophets of today will be persecuted for your mission against these sins and evils of your society. You may even have to hide from those evil ones who want to kill My prophets. Continue to be faithful to your missions in your talks and in setting up your refuge. My angels will be protecting you from all of the evil ones' attempts to harm you."

Jesus said: "My people, you have seen many people over the centuries who have worshiped other gods than Me out of their ignorance of My creation. In today's first reading the Israelites worshiped Baal, but I sent My prophets to warn them to return to Me, or they would face My punishment. Many times the Israelites did not want to hear My prophets, and they even killed them. I protected some prophets for a while, until the Israelites heard My message. When the Israelites did not change, I would allow their enemies to overtake them. When you look up into the stars and study the heavens, you realize that you are just a dot in My infinite universe. There is a first cause of all of My creation, and I am the only true Creator of everything, including everyone's soul and body. Do not worship anyone else than Me, because I am more powerful and loving than the demons or anything else. Give praise and glory to Me for creating all of you, and dying for your sins on the cross, so you could be saved."

Jesus said: “My people, you are seeing a respected judge in Bret Kavenaugh being nominated by your President for the Supreme Court. Your President is replacing Justice Kennedy who is retiring. This is a young judge, who could be on the court for some years, if he is confirmed. It will be decided if this confirmation will require 51 votes. This nominee will need to be questioned on his views, and he will need to talk to the Senators to win their vote. There will be a battle to block this confirmation, so you will see possible lies and obstructions to this vote. Pray that a good judge will be confirmed to your Supreme Court.”

Jesus said: “My people, when I healed the man with a mute spirit, the people were amazed that I could demand evil spirits to leave, and they obeyed Me. One person even claimed that it was by Beelzebub that I could command spirits to leave. I told them that Satan’s kingdom would be divided, if I cast demons out by Beelzebub. Instead, it is by the power of God in My Name that I cast out demons. You had thousands of flies in your chapel that required a St. Michael prayer and blessed salt to remove the ‘Lord of the flies’ in Beelzebub. You have some exorcist priests who can cast out demons in My Name when they pray over possessed people. It takes a strong faithful priest to rid demons. People, who are addicted to alcohol and drugs, have demons attached to these addictions. You need deliverance prayers and faith in My power to rid people of their demons and addictions. If people continue their bad habits of these addictions, they are re-opening portals for the bad spirits to re-enter. This is why it may take several exorcisms to convert someone of an addiction to alcohol. Keep praying for the souls of your family, and you could help save their souls.”

Jesus said: “My people, you are beginning to see an increase in the amount of imports that are having more tariffs put on them. Both America and China are increasing their tariffs as you are seeing a trade war getting worse. Your President’s attempt at getting a more fair trading field, could cost your farmers, manufacturers, and your consumers. At first you were seeing modest increases, but as your trade war continues, you could see higher prices for everyone. It would be best to make better trade agreements, than keep increasing your tariffs. Pray for your country to make better trade agreements with your allies, instead of punishing their economies with tariffs.”

Wednesday, July 11, 2018: (St. Benedict)
Jesus said: "My people, I am showing you all the empty seats at your Sunday Mass. In earlier days you had standing room only on Sunday Mass. Today, only about 20 to 25% of your parish attends Sunday Mass. You have many distractions with your cell phones, computers, and TVs that occupy a lot of your time. Every person needs to set aside some quiet time for Me in your prayers. Once you have shut off the noise of the world, only then can you meditate on your spiritual life, so you can avoid your habitual sins. Your prayers can help you slow down to appreciate My love for you. I need to be the center of your life so you are always focused on your final destination with Me in heaven. If you allow the devil to take up all of your time with frivolous activities, then you will not have time for Me in your daily lives. Make quiet time for Me every day, so you are focused on My ways and laws, than on the world's ways."
Jesus said: "My people, this news story of the 12 boys and their soccer coach being rescued from a cave with water, was a miracle operation. Only one rescue person drowned in this Thailand cave. The rescue people had to move quickly because more rain was about to flood the cave. I heard the many prayers, and My angels guided the boys out to safety. This is another example of a miracle rescue that is always possible with My help. No matter how impossible a job may seem, you can pray to Me in confidence that I can answer what seems impossible for your human expectations. Set aside some quiet time each day, so you can ask Me for My help in solving your problems."

Jesus said: "My people, in many countries they are making nuclear bombs, ships, tanks, missiles, and planes for possible war. You are becoming armed camps preparing for an eventual war. The world is bringing a message of hate and war, but I am bringing a message of peace and love. This is the age old battle between Satan's hate for mankind, and My love for all of you. In the Gospel I told My apostles to proclaim: 'The Kingdom of heaven is at hand.'

(Matt. 10:7) I told My apostles to cure the sick, raise the dead, cleanse the lepers, and cast out devils. These things seem impossible to you, but I give this healing power to all of My followers who have faith that I can heal people. Most of all, I want My people to preach My Gospel of love, so they can evangelize souls to My ways, so they can save their souls from hell. I give all sinners an opportunity to repent of their sins and seek My forgiveness. Give praise and thanks to Me, because I have brought you salvation through My death on the cross."
(Fr. Ted Metzger's Funeral Mass) Fr. Ted said: "I want to thank my family, my friends, Bishop Matano, and my fellow priests for taking the time to come to my funeral Mass. It is poetic to have my funeral Mass at the same church as my Baptism. I want to thank all of my care givers in my last days, and for all those people who helped me through the years. I love all of my family and friends, and I will be praying for all of you. I am in heaven now by the grace of God, and I am happy to have served my Lord as a priest for all of these years. Thank you, John, for sharing these words, and I bless you in your mission."
Prayer Group:
The Holy Spirit said: "I am the Spirit of love and I shine My graces on every soul. The seven doves in the vision represents the seven gifts I give to everyone. The bright Light in the vision represents the graces shining on you. I give you My help to spread the message of the Gospel to all of the nations. This message of My Word is how I inspire My faithful to reach out to convert souls to the Lord. Do not worry how you will preach the Gospel, because I will give you the words necessary to evangelize souls."
Jesus said: "My people, you are spoiled by having electricity run all of your appliances and your computers. Many of you would be lost without your cell phones, and your electronic banking on the internet. When the evil ones want to take you over, they will shut down your electricity, and this will leave many of you helpless. This is why many of My refuge builders are including solar panels to run their lights and their sump pumps, and water pumps. As you see people surviving in older days, you will have less comforts at your refuges."
Jesus said: "My people, you are fortunate to have your freedoms in a democratic republic as opposed to a lack of freedoms in communist countries. You have some people who are proposing that you live under socialism, or as they call themselves progressives. This is just another name for communism, which is total control of your freedoms by the government. Do not be tricked because socialism is also a Godless way of life, much like atheistic communism. Socialism will take away your freedom of religion, and they will persecute you

for believing in My ways. So avoid socialism, communism, and any such control of your freedoms. Many have died in wars to protect your freedoms. So do not give them away to the socialists who want to take over America."
Jesus said: "My people, you are being tested with a heat wave that continues to test your patience with heat that is hard to avoid. This heat is being combined with little or no rain, which is drying out your crops and your lawns. Without watering by irrigation, you could lose some of your crops. Pray for enough rain and less heat, or you could see a beginning famine."
Jesus said: "My son, I want you to remember to pray your long form of the St. Michael prayer before your trip and on the way home. You can see how accidents can happen, so pray for your safety. You all rejoice in joining together in prayer for honoring St. Anne. Trust in My protection on your long trips so My faithful can enjoy their meeting."
Jesus said: "My people, you are seeing an ongoing trade war between China and America. China's industries and their consumers will be suffering from the tariffs, just as America's businesses and consumers are suffering. You have had cheap products from China for many years, but you did not realize how you are transferring your wealth to China every year that you have over $300 billion in trade deficits. Your country will need new trade agreements to survive cheap labor made goods in China."
Jesus said: "My people, every time you have seen recessions, the money people raised interest rates too high to discourage too much buying. You are seeing another series of interest rate increases, as well as a selling off of government securities. If this happens too quickly, your buying of goods could decrease with a loss of jobs. Pray for a continuing good economy, but beware of the manipulation of your interest rates and Federal balance sheets. I am watching over your people, and I will guide you to My refuges when your lives are in danger."

Friday, July 13, 2018: (St. Henry)
Jesus said: "My people, you are in a constant battle between good and evil, as represented in the chess pieces of white against black in the vision. The devil comes after you every day with his temptations to sin. He attacks you with pride

so you strike out at people who criticize you, or insult you. He attacks you with gluttony to eat more than you need, or with eating foods that are not good for your health. He attacks you with sexual desires to look with lust on other women or men, than on your spouse. He attacks you with a need for things that are not necessary in the stores. He tempts you to lie about things to save face in front of others. He tempts you to swear in My Name over things you have no control over. By mentioning how the devil works, you can be more on guard to avoid any temptations to sin. Even if you fall into sin, you can come to Me in Confession as a repentant sinner, so I can forgive your sins, and restore My graces to your soul. You are all sinners with an inherited weakness to sin from Adam. This is why you need to confess your sins at least once a month, to bring your soul back to its original state of grace at your Baptism. You want to keep your soul in a state of grace, because you do not know when I will call you home to My judgment."

Jesus said: "My people, at My refuges My builders need to provide some beds for the people to sleep. It may not be the best beds, but I will provide a place for everyone to sleep. When you have cots, you could use any available space to sleep. Once you wake up and put your cots away, then you could use the same space for serving your meals. You will have people praying your perpetual Adoration around the clock. You may only eat two meals a day, but you will have daily Holy Communion with limited hot water. You will be taking more sponge baths, rather than showers or baths. You will have to learn how to live with many people in a confined space within the borders of your refuge. Pray for My help every day, so I can provide for all of your needs."

Saturday, July 14, 2018: (St. Kateri Tekakwitha)

Jesus said: "My people, in the vision you are seeing how I called My prophets and evangelists, and I prepared them with My angels to help save souls from hell. Then you saw in another vision where there was a huge pit of Gehenna, or hell with steep sides in a huge circle. The sides going down were moving as souls were falling into hell. You could see My servants reaching out to grab as many souls as possible to keep them from falling into hell. All souls, who go to hell, are choosing this destination of their own free will. Pray for all souls so they could be open to My saving grace to love Me. Those souls, who love Me

and seek My forgiveness of their sins, will be saved in heaven. Avoid the demons and evil people, who can cause people with soul and body to fall into hell. Reach out to evangelize as many souls as you can, so you can keep them from going to hell. Pray especially for all of your family in persistent prayer, so they could wake up and be saved."
(4:00 p.m. Mass) Jesus said: "My people, by your Baptism you are called to be priest, prophet, and king. Because you are My people, and you are united with Me, you have inherited My gifts to share your faith with others. There are some of My special people who are called to be prophets, and they receive visions and messages like the prophet Amos in the first reading. There is a passage in (Amos 3:7) 'Indeed the Lord God does nothing without revealing His plan to His servants the prophets.' You, My son, have been called to prepare My people for the coming tribulation. You know of the time of the Antichrist that is coming, and it has to happen because it is in the Scriptures. So prepare My people by telling them that it is important to come to frequent Confession, at least once a month. In this sacrament I can forgive your sins and restore your soul to when you were baptized with My grace. Keep your souls clean and ready for your judgment at your Warning and your death. Just as I called My apostles to go out two by two to evangelize the nations, so I am calling all of My baptized faithful to go out and convert souls, so they can receive the faith, and be saved from hell."

Jesus said: "My people, I gave gifts to My apostles for their mission so they could lay hands on people to cure them. They also could forgive sins in Confession, and they were protected from eating poisoned foods. They all could raise the dead, and exorcise demons out of possessed people. Even today My faithful, who have deep faith, can call on Me to use these same gifts that I gave to My apostles. You see possessed people now, and some demons control people through their addictions, especially alcohol and drug addicts. This is why you need to fight legalizing marijuana. It takes many deliverance prayers, exorcisms, or a miracle to heal possessed people in ridding their demons. You also have masons and demons in My Church that are promoting New Age teachings and idol worship. Pray that My faithful remnant will discern, and leave the coming

schismatic church. When you see a division in My Church, it will be the time to come to My refuges for protecting your bodies and your souls."

Monday, July 16, 2018: (Our Lady of Mt. Carmel)

Jesus said: "My people, there are many parallels between the fall of Israel and the coming fall of America. In today's first reading (Is 1:10-17) I am calling out Israel for punishment, like I destroyed Sodom and Gomorrah. I warned them to change their evil lifestyles, and learn to do good. Instead, they refused to let Me be the center of their lives, so I allowed the Assyrians to defeat the Israelites, and they lived in exile in Babylon. So it will be in America, because your lifestyles are even worse in your abortions, fornications, and homosexual acts. I will allow your enemies in the one world people to take you over, and you will be exiled in your own country. It will be at the time of the Christian persecution, that I will call My people to My refuges of protection. My refuges will be like islands of hope amidst the evil ones who will kill many people. Trust in My angels who will shield you from the evil ones. In the vision you are seeing many souls taken down an elevator into hell. This is the destination for all those souls who refuse to let Me lead their lives, and for those who refuse to take up their crosses to follow Me. Those people, who repent and obey My laws, will have their reward in heaven."

Jesus said: "My people, you are seeing more sink holes all over your country, and especially in Florida. As the ground gives way to caves, gas fracking, and hollow spots underground, many sink holes are formed that can ruin homes. This is just one more natural disaster that is afflicting your people. The heat wave all over your country is another trial that could cause fires, power outages, and even a famine. The West is seeing extensive fires due to very little rain and substantial winds. You will be suffering many natural disasters as a punishment for your sins. Turn from your evil ways, and let Me lead your lives, and you will have your heavenly reward."

Tuesday, July 17, 2018:

Jesus said: “My people, throughout history you see armies battling for control of certain lands. As you had armies fighting in Israel, even so you are having battles in war still today in the same lands of the Middle East. You have more deadlier weapons with your machine guns, missiles, planes, and tanks. It is the devil who is inspiring evil men to continue fighting, and the selling of weapons to both sides. It is the one world people who are funding these wars. If there were no wars or threats of war, then your defense contractors would be out of a job. This is why the evil ones stir up wars so weapons are needed. Pray for the stoppage of your wars, as you pray for peace. No one really wins these wars, and many innocent people are killed because of your leaders.”
Jesus said: “My son, you were recently given several boxes of special logs for burning in your fireplace. You had a cheap price for the commercial logs, because your neighbor was cleaning out his basement. When you had one of your practice drills overnight with your prayer group, you burned logs in your insert fireplace. This new insert gave you 70% of the heat generated, instead of only 10% of the heat without the insert. You also saw your second set of twelve solar panels and twelve batteries being installed. You now have electrical outlets going to all of your pumps so your new panels could be cleared of snow and generate any needed power in the winter. You still are having a problem installing your solar charge controller, but you will soon have the needed parts to complete the job. Now, you will have a backup system for winter power, when the snow covers your other panels on the second floor. I will see to your needs at your refuge so the people will have some needed electricity to run your sump pumps and water pump.”

Wednesday, July 18, 2018:
Jesus said: “My people, I watch over all of My people, and I know your needs more than you do. You have been suffering through a hot summer, and your air conditioner needs an upgrade, along with a new heater. At the urging of your

wife, you will have both replaced sooner than you planned. The new heater could also be used while you still have natural gas that I could multiply for you, if your gas gets cut off. I could also multiply your wood and kerosene to provide enough heat in the winter. In the tribulation time I told you that I would multiply your fuels, food, and water at My refuges. Have no fear of the evil ones, or any worries about what you will eat, or how you would find enough fuel. I will see to your needs physically and spiritually when you will have daily Holy Communion from a priest or My angels. You all need to have more trust that I can do the impossible for all the situations you will endure in this life. This is My comfort that I am giving to My people who love Me and have faith in Me."
Jesus said: "My people, you have had several messages on the Warning that have indicated it is getting close. The Warning will be a second chance for sinners to repent and seek My forgiveness of their sins. When you come before Me, you will see your life review, and you will understand how much you offend Me with your sins. You will also see how your actions have offended people without you realizing it at the time. You will be judged on how you used your time to show your love for Me in helping others. At the end of your life review, you will see your mini-judgment of your destination based on your life's actions. I have asked sinners to come to Me in frequent Confession so they will not see any judgment to hell in their Warning experience. If you love Me, you will show it in your prayers and good works. Those people, who love Me all throughout their lives, will receive a just reward. But those people, who refuse to love Me, I will tell them that I do not know them, and they are on a road to hell. Pray for these souls to wake up and be open to My love. Your persistent prayers for these souls can give them a chance to be saved. At one point they will be given a choice to love Me or not. All the souls going to hell have chosen not to love Me, even when they know they will be punished in hell forever. My Warning will give these sinners one last chance to love Me. Pray that you could convert such souls after their Warning so they could be saved from hell."

August 1, 2018
Thursday, July 19, 2018:
Jesus said: "My people, your society in general is very much like the people who built the Tower of Babel, when they thought they were more powerful than I am. They worshiped this man-made tower, instead of worshiping Me. I brought a

punishment down upon these people when they started speaking in different languages, and they could not communicate with each other. Today, in your modern world of skyscrapers and electricity, mankind has entered the digital age, and many are worshiping your scientific innovations more than Me. In one recent event you saw a power outage when one of your electric poles caught on fire, and people lost their air conditioning, lights, and their electric appliances. How easy these incidents show you how vulnerable your lifestyles are, when you lose your electricity. Instead of worshiping mankind's inventions, you need to worship Me, who created everything you have to survive, with the sun and your oxygen to breathe. I have given you your very life, and your soul that will live on forever. Do not let your pride, or the devil deceive you, because without Me, you are nothing, and you would not even exist. Give praise and glory to your Savior, who forgives your sins, and I provide everything for you."

Prayer Group:

Jesus said: "My people, you have many commercial sources to provide power so your people can have electricity. Some power plants are run by burning coal or natural gas where it is available. Other sources are from nuclear power, or hydroelectric power from dams. Very little non-fossil sources come from solar and wind power. All of these power sources have different costs, but they all contribute to your electric grid. Pray that you can protect your grid from hacking and terrorist attacks, since your society is very reliant on electricity."

Jesus said: "My people, you have had heightened tensions between Russia and America over Syria and the Ukraine. Since your two nations possess the most nuclear weapons in the world, it is good to meet and lessen these tensions to minimize any chance of a nuclear war. Continue to pray for peace and stop any further wars."

Jesus said: "My people, you have seen many dried out lawns when they are not watered. The same is true of your farms that could lose their crops if they are not watered with irrigation. Finding enough water to water your lawns and farms can be more of a problem in the West where there are many fires. You could see your crops affected by this hot, dry summer. This could be the beginning of a famine, if you continue to have hot summers. Again it would be good to stock up on some extra food in case a famine breaks out. Pray for rain and pray that I will provide you with enough food to survive this heat."

Jesus said: "My son, when you had your wife's mother living with you, you had to help her with a ramp to the car, and a chairlift to get her up to her bedroom. She also needed a walker to get around. Handicapped people have a heavy cross

to bear, so reach out to help them in transportation and their shopping for food. Pray for the sick, and visit them to give them hope, and take away any despair."
Jesus said: "My people, not everyone can afford air conditioning during a hot summer. If you know of elderly or homeless people, you could buy them a fan, or help them to a shelter so they do not get dehydrated and die. Just as these people could die from the cold in winter, they could also die of excessive heat in the summer."
Jesus said: "My son, you worked at a food shelf without pay so you could help those people who needed food to survive. Even though you have welfare and food stamps, some people may not know how to get help. It is your food shelves that supply a need for people without food. This is why you all could give donations to your local food shelf. You could also help in buying food and distributing the food to those families in need. Pray for the poor and needy so they can find the food they need to survive."
Margaret came and said: "I am grateful for all the prayers and physical help I received in my last days with cancer. Our prayer group was happy to see you, John, at your talks. You could see all the work and preparations we made at our joint refuge. I did not get to use our refuge, but your messages were an inspiration to prepare for the coming tribulation. Pray for me, and all the faithful people who will need God's protection at His refuges."

Friday, July 20, 2018: (St. Apolinaris)
Jesus said: "My son, I am giving you another message on the Warning. This time I am showing you how you will leave your body, and leave the earth as your soul body will go into space. You will be traveling fast through the stars, and gradually you will come to My great Light. It is then that you will have your life review of all the events and actions of your life flashed in front of you. You will view all of your actions, and you will see them through My eyes and the eyes of the people around you. As you advance in age, and your faith deepens, then you will see how you are more conscious of following My laws and a desire to love Me. It is this love of Me and your love of neighbor that will appear in your judgment to show you if you are one of My followers or not. You will have a deep sorrow for your sins, and you will have a strong desire for Confession. You may even have a taste of purgatory, as you will make some reparation for your

sins. Then you will be suddenly put back into your body, and you will have a strong feeling to seek My forgiveness of all of your sins. After you have an opportunity for your own Confession, then you will see a chance to evangelize the souls in your own family that need saving. This Warning is a blessing for all sinners who take this opportunity to repent of their sins, and be saved by My grace. Give praise and thanks to Me for saving some souls that would have been lost, without My Warning experience."
Jesus said: "My people, in communist atheistic countries, you are already seeing Christians being martyred for their faith. In the early days after My death, there were many Christians martyred by the Romans. As the progressive people gain power, you will see more persecutions of Christians. This will turn into hate for Christians, and it will lead into the killing of Christians, much like Hitler killed the Jews. Just as the religious leaders wanted to kill Me, you will see the leaders of the schismatic church trying to kill My faithful remnant. When your lives are threatened by the evil ones, then you will need to seek My refuges for your protection. Trust in My protection by My angels during the coming tribulation."

August 1, 2018
Saturday, July 21, 2018:(Fr.George Weinmann, Sr.Lillian Mclaughlin)
Jesus said: "My people, I am grateful for the priests and Mike McBride for arranging this tribute to My two Eucharistic martyrs, Fr. George Weinmann and Sister Lillian Marie Mclaughlin. There was a fire at St. Philip Neri Church, and both of these saints tried to rescue My consecrated Hosts from the fire, but they died in this attempt. You are all aware of My Real Presence in My consecrated Hosts. These saints thought more of protecting My consecrated Hosts, than their own lives. They loved Me so much that they risked their lives for Me. Those souls, who receive Me in daily Holy Communion, and come to Adoration daily, are My special adorers. When you make Me the center of your lives, you will have your heavenly reward. Give praise and glory to My Blessed Sacrament, and I treasure all of My martyrs who died for their faith in Me."
Our Blessed Mother said: "My dear children, I am happy to receive your prayers in your rosary, and I bless all of you for coming here for the rosary and my Son's Mass. Your priest gave you some good intentions to pray for. You truly need to pray for more vocations to the priesthood. It is sad to see churches close, but my children need to bring their families to Sunday Mass, and contribute to the

support of your church. It is also important to give your children a good example in coming to monthly Confession. All sinners need to come to my Son to have their sins forgiven. Without your prayers and seeking your forgiveness of your sins, you cannot come to heaven. Pray for the souls of your family and encourage them to come to Sunday Mass, Confession, and live in marriage in my Son's Church, and not in fornication. These things are all a part of your faith when you were taught in school and by your parents. Show your love for Jesus and your neighbors, and you will be on the right path to heaven."

Prayer Group:

Jesus said: "My son, you are replacing a 24 year old central air and heater system that was not large enough to cool your house with the new addition. Since you will have a new heater, you can use the natural gas a bit longer. You have assumed that you will not have your natural gas during the tribulation. I told you that I would multiply your fuels during the tribulation. So with prayer and trust, I could multiply your natural gas, and you could still use your new heater. You will not have enough power to run your air conditioner, so this summer you are experiencing the heat you will have to endure during the summer in the tribulation."

Jesus said: "My son, you had a flashback to your first vision back on July 21, 1993, twenty-five years ago. You smelled roses in your bedroom, and you had a vision of a headline in a newspaper that read 'DISASTER'. Today, you receive visions and messages which you share on the internet, in your books, and in your printed pages for your prayer group. You need to pray for your publisher, Queenship Publishing Co. so they can find a way to publish your book and the other books. Their typesetter has died, and they are trying to find another typesetter, or another means to publish the books. Trust in Me so you can have your books published."

Jesus said: "My people, you have some people who are mentally unstable that are choosing soft targets to shoot children in schools without armed guards. After several of these incidents, some schools are hiring armed guards, or allowing some teachers to carry weapons. It is sad that such sick people would want to kill a lot of children with rapid fire weapons. Continue to pray for less violence in your schools, and more means of thwarting entry for such gunmen."

Jesus said: "My people, you are seeing stores closing, and prices rising because of new tariffs. Many of your stores are competing with online delivery stores. It is getting harder for some smaller stores to compete with large internet delivery stores. As a result, you are seeing stores closing in large numbers. You also are

seeing the beginning of trade wars with China, Europe, and other countries. This will eventually raise prices on your store items, and it will put a strain on your consumers, as well as the consumers in other countries. Be prepared to adjust to these new ways of purchasing what you need. Trust in Me to keep providing for your needs."
Jesus said: "My people, you have seen some military drills that have tested your people in certain areas. You could also see rolling power outages that are a sign that your power demand is overwhelming your old power grid. There are also down times when your internet has shutdowns. All of your power and communications are vulnerable to failures. This is why it would be prudent to have backup power with generators, some water sources, and some extra food storage. This is also why I am having My refuge builders prepare for coming disasters and the tribulation."
Jesus said: "My people, I have warned your people of America that you would be punished with natural disasters, if you do not stop your abortions, and you do not change your sinful lifestyles. You have the one world people in control of the HAARP machine that can be used to enhance tornadoes, hurricanes, and earthquakes. Some of your heat waves are being caused by stationary high pressure systems caused by the HARRP machine. This device can also cause hurricanes to ramp up to Category 5 strength that could cause major damage on land. Pray for your people to change their ways, or you could see more damaging disasters."
Jesus said: "My son, I have given you a mission to help prepare people for the coming tribulation. Your prayer group was started as a Blue Army Fatima cell, and I commend all of your people for being so faithful to Me in your prayers every week. This is why I am blessing all of you as a reward for staying close to Me. I love everyone, but My prayer group members are special to Me because you are giving a good example to the rest of My faithful. Continue your prayers and trust in Me to protect you, no matter what events will test you."

Jesus said: "My people, there were many people coming to Me for healing, or to hear My words of preaching. This is why I took My apostles to a deserted place for some rest and quiet from the crowds. Once we came to shore in a boat, the

people greeted us as we arrived. I took compassion on the people, as they were like sheep without a shepherd. Since there was no food there, I multiplied the two fish and five barley loaves so the people would have something to eat. It is the same way in your spiritual life that I need to feed you with My Bread of life in Holy Communion. You also need to find a quiet place, so you can pray and listen for My words to your heart on what I want you to do. When you make Me the center of your life, then you will be like the crowds as you seek My help and My instruction in the Scriptures."

Monday, July 23, 2018: (St. Bridget)
Jesus said: "My people, in today's Gospel the people asked Me for a sign, and the only sign I would give them, is the sign of Jonah. At the warning of Jonah, he told the people that their city would be destroyed in forty days. The people of Nineveh repented of their sins, and they changed their sinful lifestyles. So it is today, I am giving you another sign. The vision is of a crop failure with rotted food in a wooden crate from the fields. You can see how your hot weather will have a bad effect on your crops, if they do not get enough water. This is a sign of a coming famine, when food will be hard to find. You could see a time of chaos and fighting over any food and water that is left. This is also another warning to My people to stock up on some dried foods or canned foods for at least six months to a year's supply of food for every household member. Be prepared for a coming famine, that could threaten your lives. This will be another time to come to My refuges of protection, where you will be guarded by My angels, and be fed by multiplying your food, water, and fuels."
Jesus said: "My people, a time is coming when you will see the tribulation of the Antichrist. I am having refuge builders prepare My refuges with bedding, food, and water. In the Northern climates you will need fuels that I will multiply to keep you warm. If you do not have a refuge, then you need to prepare a backpack or a roller board with items for traveling. In the vision there is a suggestion to bring things like you do for a picnic. Have some food, snacks, dishes, and bottled water. You could store two changes of clothes, hygiene things, a washcloth, and some spiritual things as rosaries and a small Bible. In addition to your backpack, you could bring a tent and a sleeping bag. By having your things already packed, you could place them in your vehicle and be ready

to leave in twenty minutes. Trust in Me that your guardian angel will shield you, and guide you to the nearest refuge."
Mass for Betty Theut: Jesus said: "My son, your Mass today has enabled Betty Theut to be released from purgatory. She is with Me in heaven. She thanks all the people who were praying for her, and those people, who had Masses said for her intention."

Flo said: "I want to thank all of my family and friends for coming to my funeral Mass. This is my last chance to have the final word on this service. I am glad they talked about my kindness, but I did like St. Paul's words about how he fought the good fight up until the end. As you saw in another Tripi funeral, my family can get long winded. I was happy to be a faithful parish member at Holy Name of Jesus, and at St. Charles Borromeo. I will be doing a short stay in upper purgatory, and I was happy to help people in many ways. God bless all of you, and I will be praying for you."

Wednesday, July 25, 2018: (St. James)
Jesus said: "My people, you are seeing droughts, fires, record high temperatures, and floods from heavy rains. I told you that America will be punished for your sins by natural disasters. In the vision you are seeing food being heated in a crude outdoor oven using wood. As you approach the tribulation time, you will be in need of food and water. Your money will fail, and you will need the protection of My refuges from the evil ones. You will have daily Holy Communion from My angels or a priest. You could even survive on My Blessed Sacrament alone. So have no fear of what you will eat or drink, or where you will stay. My angels will guide you and protect you at the nearest refuge."
Jesus said: "My son, at times you will be tried in fixing things at your refuge. Do not be upset or impatient with your problems. You need to pray to Me for help. You need to finish your small solar system when you get back. You also should

have your new heater and air conditioner done. You have been given sufficient funds to deal with all of your preparations. Continue your daily prayers, and you can work through the rest of any repairs. Trust in Me to guide you, so you can provide what is needed for the people at your refuge. As you visit other refuges, you can see how I have guided them as I have helped you."

Thursday, July 26, 2018: (St. Anne & St. Joachim)
Jesus said: "My people, just as you see this black water rising all over the world, it is a sign of how the evil is increasing in the world. You are seeing many volcanoes erupting all over the world. I have told you before that there are demons coming up into the world through your active volcanoes, like in Hawaii. I know the evil ones are gaining in power, but My power is greater, so do not fear these evil ones. When you are being attacked by evil around you, call on Me, and I will bring legions of My angels to defend you. Evil will appear to be winning on the world stage, but fear not because My angels are preparing for My great victory over the Antichrist, the demons, and the evil people. Once I come in victory, all of these evil ones will be cast into hell. Then I will recreate the earth, and I will bring My faithful into My Era of Peace, and later into heaven."
St. Anne said: "My dear children, I am so sorry that you all could not come to my Shrine as you did for many years. You can see the evil one's hand in closing the hotel, and stopping the free space for the poor people and their trailers. Other changes also have sent the priests to other places. Pray for this Shrine of mine that the people do not forget to honor me. I am happy for all the arrangements that your people have made to honor my feast day at the Oasis of Peace. I have blessed you all for your efforts to be here together. I realize how you all have made sacrifices to take time to be here for me. I love all of you as Jesus' Grandmother, and I thank you for remembering My feast day. I love your effort in your brochure so people could remember to pray to me throughout the year. Do not hesitate to ask my intercession for your prayer intentions. Remember to pray your long form of the St. Michael prayer on your way home. I also will pray for your safety, and have angels guide you through any problems."

Friday, July 27, 2018:
Jesus said: “My people, in the vision I am showing you an earthly king who will declare his kingdom all over the earth. For My faithful this will be the Antichrist, and he will be assisted by the false prophet, and Satan himself as a black ugly demon. You are looking at the beginning of the tribulation time. After the six weeks of reparation after the Warning, I want My people to get rid of your TVs, cell phones, computers, radios, and any other screens or devices connected to the internet. This is so you do not look at the eyes of the Antichrist, or listen to his words, or he could control your mind and soul to worship him. Refuse to take the mark of the beast or a computer chip in your body, that also could control your mind. I will warn My faithful at the proper time to leave for My refuges of protection from the evil ones. At My refuges you will see My luminous cross, and when you look on it in faith, you will be healed of your physical and spiritual ills. I am the only King of the Universe, and I am the only One to be worshiped. All other people and gods are not to be worshiped, or you will sin against My First Commandment. Just as you have My Blessed Sacrament before you now, so you will have perpetual Adoration of My Eucharist at every refuge. With daily Holy Communion given to you by My angels, I will feed you My Real Presence, and My love will permeate your body and soul to give you strength to bear this evil time to come. Trust in Me to have My angels protect you, and guide you to My refuges. Pray for all of My refuge builders who are preparing safe places for My faithful. You will need My cross on your foreheads by My angels, in order to enter My refuges. Give praise and glory to Me for protecting you and leading you into My Era of Peace.”
Jesus said: “My people, I want you to contemplate on two eternal destinations. You can be with your King in heaven as in the castle of the vision, or you can be with Satan in the dark dungeon of hell. All of My saints and angels are with Me in My beatific vision as the angels are constantly singing My praises in heaven. Heaven is so magnificent in all of its beauty and glory. You would much rather be in heaven with your Lord who loves you, than be in hell with Satan who hates you. All of My saints and angels are beautiful spirits that have My heavenly light shining out from each of them. This is contrasted with the black, ugly demons, and black souls who are also ugly in hell from the ever burning flames. If you could see heaven and hell side by side, you would wonder how anyone could

choose to be in hell. But the devil uses people's pride to keep them from choosing to give their will and life over to Me. Unless you seek My forgiveness of your sins, and accept Me as your loving Savior, you cannot enter heaven with Me. You are all called to love Me and serve Me, but many reject My call. The more you are given, the more that I will expect from you. Come to Me out of love, more than out of the fear of hell. I want all of My faithful to have a loving relationship with Me. My adorers of My Blessed Sacrament, are My special souls that I give extra graces. Stay close to Me throughout your life, and you will have My heavenly reward forever."

Saturday, July 28, 2018:
Jesus said: "My people, this parable of the wheat and tares, is how everyone has to make a decision in all of your actions every day. You have to choose whether you are doing things for Me, or whether you are doing things only for yourself. You see how I allow the good people to grow up with the bad people. You have a choice to be faithful as the wheat, or you can choose to be selfish as the weed. At the judgment it will be like the harvest of souls. I will gather the weeds, or the evil people, and they will be thrown into the flames of hell. I will then separate the wheat of My faithful, and I will gather them into the barn of heaven. I allow My faithful to live among the evil ones, so they can evangelize souls to the faith, for those who desire to love Me. My people are placed on this earth to know, love, and serve Me. This is why saving souls from hell is your most important mission. Pray for all souls to be saved, especially for all of your family members. I give everyone many opportunities in life to be saved. To come to heaven, you must seek the forgiveness of your sins, and show your love for Me and your neighbor in your prayers and good deeds. I read all the intentions in your hearts, and I will reward My faithful in heaven. Trust in My mercy and My justice to give you a fair judgment of your life."
Jesus said: "My people, I am showing you in the vision another example of man's pride. Some people boasted about the Titanic: 'Not even God Himself could sink this ship'. Little did the builders know that the Titanic would sink on its maiden voyage. When man openly defies Me that I could not sink this ship, he is calling down My justice upon this ship. You know the history of the sinking

of the Titanic by an iceberg. There is another challenge by the people of America when I allowed the destruction of your Twin Towers in New York City. This was a terrorist attack, but it was planned in advance when your buildings were taken down for a financial profit from the insurance. Your leaders spoke out to rebuild these buildings, but it was in defiance of My judgment that this was done. Even the words are put on the Freedom Tower by your previous President: 'We remember. We rebuild. We come back stronger.' Because you built this Freedom Tower in defiance of My judgment, you will see its collapse, as it will be destroyed again. When you openly defy Me as with the Tower of Babel, the Titanic, and the Freedom Tower, you are calling down My judgment upon you. Be prepared for such a destruction of your man-made tower that you have made into an idol. I love your people, but you will be chastised for your abortions and your sexual sins."

Jesus said: "My people, in the vision you are seeing the eyes of the Antichrist that look like the eyes of a serpent. This is what I do not want you to look at, or the Antichrist could mesmerize you to worship him. After six weeks after the Warning, avoid all of your screen devices so you do not look at him or listen to him, because he will control all of the means of communication. When your lives and souls are in danger of being lost, I will call My faithful to come to My refuges. My angels will place an invisible shield over My faithful, and your refuges will be protected from the evil ones, and no harm will come to you, even now at My refuges. Trust in My protection because My angels will protect your souls as well as your bodies. In the Gospel you saw how I multiplied the bread and the fish for the 5,000. So My angels will give you daily Holy Communion, if you do not have a priest. My angels will also multiply your food, water, and fuels at My refuges, but you must pray and accept My gifts with faith that I can do the impossible for you. As more people come to your refuge, My angels will also multiply your buildings, or add floors to your existing buildings, so every person will have their own place. The evil of the tribulation will test you with the evil ones, because this will be your purgatory on earth. But I will be beside you to protect you. Do not fear the evil ones because My power is greater that all of them. Trust in Me to provide for all of your needs. St. Anne and I are blessing all

of you to protect you on your way home."

Monday, July 30, 2018: (St. John Chrysologus)
Jesus said: "My people, I treat you as a mother because you are all of My creations. This is why I love you so much, and I want you to love Me in return for all I have done for you. In the Book of Jeremiah, Jeremiah showed you how his loincloth rotted, and it was good for nothing. Then I spoke to Jeremiah how Israel would rot from its sins and idol worship. Later, Israel was defeated and carried off to Babylon as a punishment for their offenses. America is also rotting from its abortions, sexual sins, and idol worship of money and pleasures. You are falling into the same sins, and your country is on its way to destruction from natural disasters and the one world people. When your lives are in danger, I will call you to My refuges of protection. My faithful will be rewarded in My Era of Peace, but the evil ones will be cast down into the eternal flames of hell."
Jesus said: "My people, in places where you have electric and power lines hanging on poles, they are vulnerable to heavy storms as tornadoes, lightning, or hurricanes. In the vision you could see such a storm knock down all the power lines. When your power is cut or turned off, it causes a loss of communication, and it could cause your banks to make paper transactions. Your cell towers could also get knocked down, and your cell phones would not work. When you lose your electricity and cell phones, you need some back up generators or batteries to run your equipment. Your people should have some back up plans when you lose your electricity. Having solar power is a good plan. Even if your grid goes down, you can recharge your batteries with sunlight. My refuge builders need to have some solar power, even for some lights and power for your pumps. Trust in Me to provide for your needs through all the seasons, including winter."

Tuesday, July 31, 2018: (St. Ignatius of Loyola)
Jesus said: "My people, in the vision you are seeing a black spray of a weapon's grade virus that was being spread over America from the chemtrails. This is being purposely spread by the one world people to reduce the population. This

will be another pestilence among your people, so the one world people can control who gets the antidote, or who does not. My people are to come to My refuges of protection when you see people dying from an epidemic virus. When you come to My refuges, you will look upon My luminous cross, and you will be healed of any virus or sickness. My angels will put up shields of protection around My refuges, so no one will be harmed in any way from the evil ones. Trust in My miraculous protection at My refuges. My angels will overpower any threat from the evil ones."

Jesus said: "My people, this vision of a dark, ominous sky truly is a sign of a major event that is about to happen. This will even be a significant evil event that may take some adjustment in how you live. Do not fear because I will protect you from the evil ones. If necessary you can call on Me, and I will send you My angels to defend you. As time goes on, I will give you some updates, and I will advise you in how to deal with what is coming. Trust in My protection at all times."

Wednesday, August 1, 2018: (St. Alphonsus Liguori)

Jesus said: "My son, many times you find yourself in difficult or impossible situations that you do not know how to resolve. You are having a problem finding the time, and the right help to finish your new solar setup. You need to pray for help, and call the original contact to finish your job. On the good side you are thankful that you had your new heater and air conditioner fully installed and working. This heat was a problem for your guests, but now this problem is finally resolved. The problem of record heat is still causing record fires, and power outages all across your country. This is becoming another natural disaster for many of your States. Pray for less loss of life, and a moderation of your high temperatures."

Jesus said: "My people, you are seeing fires all over the dry West that has no rain and intense sun. California has seen the most damage, and the most homes burned by the fires. You are still seeing continuous lava flows in Hawaii, and heavy rains with floods along the Eastern United States. You have seen continuous high pressure systems in the West and on the East coast. These high pressure systems have been almost stationary, indicating the HAARP machine is actively causing the highs. Amidst all the heat and high humidity, it is good that

you had a more powerful air conditioner installed. Many people are suffering from the heat and lost homes. Pray that your fires can be brought under control, and that the heat will subside. Pray also that you can get your solar charge controller fixed."

Thursday, August 2, 2018:

Jesus said: "My people, just as in the vision, I am the potter, and I form each of you with My loving hands. You are like sand and dust when I made you, and you will return to dust, just as on Ash Wednesday. Many people even have their bodies cremated into ashes, although this is not respectful for your body in My eyes. Your life is but a few years on the earth, and you are ready to die. So while you are alive, see your time as a gift, so you could save as many souls for those who want to love Me and be saved. Use your time for prayers and good deeds, when you are not working for a living. Even in the workplace you can show your love for your fellow workers by helping them and sharing with them. Take advantage of every opportunity to help people out of love for Me. When you ignore others in need, you could be committing sins of omission. Those faithful, who use their time wisely in helping others, are storing up treasure in heaven for their judgments. Keep praying for sinners and the souls in purgatory. Make time for Me in prayer every day, and you will be rewarded in heaven."

Jesus said: "My people, I thank Juliet for obtaining a nice tabernacle for storing Holy Communion for a short time. I am also pleased that you are honoring My Blessed Mother's request for Raoul to have a vigil of prayer this Saturday and Sunday. My Blessed Mother and I will bless all of your preparations that you have made for this vigil. In order to prepare your people so they will be protected from any attacks of the devil, it would be good if you could come to Confession before you make this vigil, so you could have a clean heart and a clean soul. Those people, who come to Confession, would be more enlightened to be able to see My Blessed Mother. Pray that the people have open minds and open hearts to see this revelation."

Friday, August 3, 2018: (First Friday)
Jesus said: “My people, I am showing you this clock going backwards as a sign of My coming Warning. The clock is going counterclockwise as you will have a life review. When you go back in time in the Bible, you can start with St. Joseph (Matt. Chap 1) and My Blessed Mother, and you go back through each generation of parents until Adam and Eve. You could also go back and start with Adam and Eve and go forward through all the generations up to St. Joseph. (Luke chap 3) This is how it will be in your Warning experience with your personal life review. Some will review their lives backward from now back to their conception in their mother’s womb. Others will start their review from conception and move forward to the present moment. You will pass over all of your forgiven sins, but your unforgiven sins will stop and move on. When you come back into your body, you will remember every unforgiven sin and how you offended Me greatly. I will forgive all repentant sinners, and after this Warning experience, you will have a strong desire for Confession. This night vigil that you are about to take part in, is a preparation for when you will have your Warning experience. By coming to frequent Confession and loving Me every day, then you could avoid a mini-judgment of being judged to hell. All those people, who see a judgment to hell, will have one last chance to change their lives and be saved. Some will accept Me, but others will continue on a path to hell. Pray for all sinners and your family, so they could be saved from hell and come into My loving arms.”
Jesus said: “My people, this falls in the vision represents how My graces flow into your heart and soul. At Baptism you receive My graces that cleanse your original sin from your soul. At Confession you repent of your sins, and I cleanse your sins from your soul. At Holy Communion you receive My graces that heal your soul from the effects of your sins. Rejoice in receiving My ever flowing graces, so you can be prepared to come to heaven. You are about to pray your vigil, so it would be well for all of you to come to Confession so you could be prepared. In the Gospel I told you how a prophet is not always respected in his hometown. I send out My prophets to share My Good News, so everyone will have an opportunity to be saved.”

Saturday, August 4, 2018:

Jesus said: “My people, you have seen helicopters used to rescue people’s lives in emergencies of various kinds, as in the vision. In the news you can see helicopters lifting people from lava fields, from rooftops in floods, and for emergencies to a hospital. For My faithful you can think of yourselves as being spiritual helicopters, where you are trying to rescue souls from the demons and from going to hell. I give My faithful many helps in your rescue attempts. I provide you the money to live, and have the means of travel vehicles to get to the people. I provide you the food you need so you can maintain your health. I give you My angel protection and your deliverance prayers to help fight the demons, so souls can be saved. You are My arms and legs, and I give you this mission to help save souls. So do not just live to save your own soul, because you have been enabled with My gifts to go out and evangelize souls in all the nations. When you arrive at your judgment I will ask you how much you loved Me and your neighbors? I will also ask you how many souls were you able to rescue with all of your time to evangelize souls? So do not be spiritually lazy, when you could be praying for sinners to be saved, or working in the fields to help be a spiritual helicopter to save souls.”
Jesus said: “My people, I have a spotlight on every soul, and all of heaven is watching your every action. Be conscious of performing every action out of love for Me in following My Will. Be a good example for all the people on earth who are watching your every move. I know you are weak from Adam’s sin, and you will commit sins in your lifetime. It is how you react to your sin that I am watching to see if you are sorry for your sins, and are willing to seek My forgiveness. You are celebrating My Blessed Mother’s birthday, and she is happy for your honoring her. The best present you could give her is your sincere prayers and love.”

Sunday, August 5, 2018:
Jesus said: “My people, in the Gospel I told the people: ‘I am the Bread of life.’ This was the sign that the people were seeking. I give you My Real Presence in My Eucharistic Host. Just as I multiplied the loaves of bread for the 5,000 and the 4,000, so I multiply Myself so all of you can receive Me in Holy Communion. In the Old Testament I sent My people manna in the desert. Now, I give My people the spiritual Bread of Myself in every consecrated Host.”

Jesus said: “My son, you are seeing unusually hot summers both in America and now in Europe. Some people think this global warming is coming from increased carbon dioxide, but this is being caused by other factors. You have researched the polar shift when your magnetic North Pole is moving toward Russia 40 miles every year. When this pole changes, it will shift the weather as well. You also read how the strength of the magnetic North Pole is diminishing as well. The earth is protected from the sun’s radiation by the strength of your magnetic poles. As the strength of this magnetism diminishes, you will be heated more by the solar wind of the sun. Do some more research on the effects of this polar shift and diminishing magnetism. As this heat of the earth increases, you will see more severe droughts, and more violent weather. The increase in natural disasters is also a reflection of the effects of increased sin and how less people are coming to Sunday Mass. America needs to repent and make Me more a part of your lives, or you will see more damage from your natural disasters.”

Monday, August 6, 2018:

Jesus said: “My people, you may not realize it or not, but your religious freedom to worship Me, is being challenged by the progressives, almost communists, and the Muslims in your country. For a short time your President is protecting your constitutional freedoms. Many of the progressives are moving toward socialism which is a cousin of atheistic communism. These people have abortion in their platform, and they have other views against My laws. They are a threat to your President and your freedoms. You also have a militant Muslim population that has its goal to out populate you, and take over from the grass roots. My faithful are close to Me, but there are many lukewarm Christians, who are not close to Me in their actions. You even have the beginning of a division in your Roman Catholic Church. New age teachings and liberal theology is dividing My Church, and you will see a split between a schismatic church and My faithful remnant. You also have some faithful who are preparing refuges for protection during the coming tribulation. I am warning My faithful that a time is coming when you will be persecuted from the communists, the atheists, the Muslims, and those people following the devil. This is why I have asked you to be prepared to leave for My refuges, when your lives and souls will be in danger. Just as I was persecuted in life, so My faithful are and will be persecuted as well. Trust in Me

and My angels to protect you from the evil ones at all times."
(The Transfiguration of Jesus) Jesus said: "My people, I took St. Peter, St. James, and St. John up to the top of Mt. Tabor. Before them I was transfigured with My Glorified Body, and Elijah and Moses appeared on either side. Then God the Father spoke out: 'This is My beloved Son, listen to Him.' St. Peter wanted to make three booths for all three in the appearance. When they looked up, only I was there in front of My apostles. I cautioned My apostles not to reveal this experience until after I would rise from the dead. I told My apostles several times that it was My mission to die on the cross for all the sins of mankind, and I would rise from the dead on the third day. My transfiguration is a preview of My Resurrection where I conquered sin and death. This is even how I will come at the end on the clouds as I will claim victory over all of the evil ones. My transfiguration was meant to build up confidence in My apostles so they should not worry about being martyrs for My new Church. They could see My power that is greater than all the evil ones. I am also giving My faithful of today a similar confidence in My power over the devil, the Antichrist, and the false prophet. Have no fear, for My angels will protect you at My refuges."

Tuesday, August 7, 2018:
Jesus said: "My people, beware of the lies and deceitful ways of the devil. He is trying to devour souls from Me, and you need to be more focused on following My Will. If you ask to follow My Will, then anything I tell you to do, will not be sinful. Otherwise, you should ask yourself, if the action you are about to carry out, is against My laws or not. Adam and Eve were deceived into eating the forbidden fruit because the devil told them they would be like gods, if they ate it. In the morning you should consecrate yourself and all of your actions over to Me for the day. You do not want to offend Me with your sins because mortal sin can break our love relationship, and your soul would be black and empty of all grace. It is hard for Me to look at so many black souls all over the world. If you do fall into sin, you can restore our love relationship by repenting of your sins in Confession. You also want to make a good Confession by having a firm purpose of amendment not to commit that sin again. Some people are living in fornication, and they should repent and get married because their Confession is

not truly honest to continue living in a sinful lifestyle. Converting your addictions and changing any evil lifestyles should be your resolution to follow My Will and My way of life. Imitate My life and that of My Blessed Mother, and you will be on the right path to heaven."
(St. Cajetan) Jesus said: "My people, this vision is when the boat of St. Peter was tossed about in a storm. St. Peter represents the Pope, and the Church is in the boat. I came to rescue My apostles from the storm, when I walked on water to them. I called St. Peter to come to Me walking on the water, but he began to sink when he saw the fury of the storm. I reached out and I took St. Peter into the boat as I calmed the storm. This is a sign to all of My people today, that you should not lose faith or hope in My saving power. Every day you can call on Me to calm the storms or troubles that you encounter. This requires a strong faith to be persistent in your daily prayers with full trust in My saving power. I watch over you every day along with your guardian angel. So as you leave this celebration, you can read your long form of the St. Michael prayer on your way home."

Jesus said: "My people of America, you have a choice for your country. You can choose to repent and follow My laws, and you will be rewarded with green trees and lush crops with plenty of water. You can also choose to refuse to repent, and continue to live in your sinful lifestyles. This bad behavior will cause droughts, fires, and floods in various places. With such behavior against Me, you will eventually see a desert result with little or no water. I have given you your President as a temporary reprieve from the previous administration that was destroying your country. If your people do not repent of their sins, and change their lifestyles, then what little gain you have achieved, will be taken away from you. Listen to My words and heed My warning from My prophets, or you will face worse natural disasters than you have now. If you continue on your current path, all Christians will be persecuted for proclaiming My Name and My Resurrection. When your lives are threatened, I will call My faithful to the protection of My refuges. Fear not because My angels will protect you there."

Thursday, August 9, 2018: (St. Teresa Benedicta of the Cross)
Jesus said: “My people, the religious leaders of My day were the authorities in the Jewish religion, and they did not want to hear My message of love, because I was a threat to their power. The devil was also behind these leaders, because Satan did not want Me to die for the sins of the people. Even St. Peter was standing in My way, because he thought as man does, and not how I do. I even called him Satan, since St. Peter did not understand that My mission was to save mankind from their sins by My death on the cross. All through the ages people have persecuted Me and My ways, because man’s ways are not My ways. It is My miracle that I have protected My Church from the gates of hell through all these years. Man follows the desires of his bodily needs, instead of following the spiritual needs of the soul, which are to love Me and love your neighbors. Every time you try to do good works in My Name, the devil will fight you through using people against you. You can even see this battle going on in your own families. Do not worry about those people who persecute you for My sake, but pray for them and love them as I do.”
Prayer Group:
The Blessed Mother said: “My dear son, I want to thank all of the people who attended the all night vigil to honor my birthday at Gospa prayer house, Ca. You heard about my coming to Rowel who had an apparition of me on that early morning. I blessed all the people who came to the all night vigil, and I am blessing all of your prayer group for praying your rosaries. I will give your intentions over to my Son, Jesus.”
Jesus said: “My people, some people take their means of traveling in their car for granted, without always remembering how they could have an accident at any time. Whenever you get into your car, you could say a short St. Michael prayer and a guardian angel prayer for safe travel. I have asked you many times to pray the long form of the St. Michael prayer both going and coming to your talks. Call on My help and your angel to guide you safely on your trips.”
Jesus said: “My people, you have seen a lot of people dying recently, especially the two people who worked for Queenship Publishing Co. Jamie P. died a few weeks ago and he was their typesetter for many years. Now, in the last week you saw David S. die who ran the operations in Kansas. This was your publisher’s son and he was a big loss to his mother, as well as the business. Pray for their

souls and for Queenship Publishing that they will be able to continue their book publishing."
Jesus said: "My people, many of you climb stairs every day to get into your house. You do this so often that it becomes very common to enter your earthly home. There is another day when you may have the opportunity to come into your heavenly home. If you are blessed, you could even climb into the higher levels of heaven. If you are doing My good works and saving souls, you could be in the higher levels of heaven. Keep striving to please Me in the best ways that you can, and you will have your reward in heaven."
Jesus said: "My people, you need to keep praying for your farmers so they are able to deliver your fruits to your grocery store without damage. You have seen the heat, the cold, and the floods affecting many farms. The farmers take risks every year to have a good harvest. If your farmers have bad crops, it will be more difficult to put food on your table. Pray also for the poor people who cannot always afford to buy their food. Be thankful for all the food that you eat each day."
Jesus said: "My people, some areas of your country do not always get enough rain to irrigate the crops and provide drinking water. So when you get a nice rain, you need to thank Me during your hot summer. Your farmers depend on a certain amount of rain in order to grow their crops. Some are fortunate to be able to irrigate their farms. Other farms are losing crops due to a lack of rain. Pray again for rain that is needed on a regular basis."
Jesus said: "My son, you have been fortunate to have your friend from Louisiana continue to send you relics of the saints that are difficult to find. You need to thank her for all that she is doing for you without taking any money for them. Keep bringing your relics to your prayer group so the people can venerate them and be fortunate to have such relics available."

Friday, August 10, 2018: (St. Lawrence)
Jesus said: "My people, unless a grain of wheat dies, only then can it grow and produce more wheat. My people are given many gifts and plenty of rich soil to produce abundant fruit. It is up to each person to die to self, so you can bloom where you are planted, and follow My Will. You can share your time, talent, and money with those people in need. For I love a cheerful giver who shares what

she or he has in abundance. The more you share, the more treasure you will have in heaven toward your judgment. In some cases like St. Lawrence, he even gave his life for My sake in his martyrdom. This may not be required of everyone, but it is a great sacrifice to give one's life up for their faith in Me. You can also share your prayers for people in their needs. I have given you My love and life itself, so you can return your love to Me by sharing what you have as a thanksgiving for what you have received."
Jesus said: "My people, you are about to see some dirty politics try to take over your government. During the upcoming primaries and elections, you are going to see billionaires and the opposition party pull all kinds of dirty tricks and use money to unseat your current party in power. Beware of more tampering with the ballot boxes that will again be manipulated by the opposition party to change the votes for their candidates by hacking your electronic voting machines. You should have people signing a voting ledger to validate their legal right to vote. You will continue to see dead people, convicts, and illegals padding the vote illegally. If your people do not control the cheating, then you will allow the opposition party to take over. Your people have to rise up and vote out the deep state people who are trying to takeover your government."

Saturday, August 11, 2018: (St. Clare)
Jesus said: "My people, in the vision you are seeing the 'eyes of faith' meaning you are following in My footsteps. When you truly believe in Me, you are seeing the world through My eyes. In My life I gave My apostles a living example to follow without sin. I know you are all weak to sin and the devil, because you inherited the weaknesses of Adam's sin. Even though you are not perfect, I call you to strive to be perfect as My heavenly Father is perfect. This means when you fall into sin, you should repent and seek My forgiveness in Confession, when I can restore My graces to your soul. You have read My Gospels of how to live your lives, now you need to live your lives as if you were looking through My eyes."
(4:00 p.m. Mass) Jesus said: "My people, you already know how illegal drug trafficking is getting worse with your drug cartels. The drugs are selling because they have a lot of addicted users. Your government wants to do away with cash and coins so you are reliant on chips and charge cards. Many drug raids find lots

of cash and drugs. Cash is a way of selling things under the table where there is no paper trail for transactions. You have seen such problems even selling gold and silver. Cash also is a medium for buying drugs. If cash was stopped, the drug people would need a new medium of exchange. The one world people want more control over the people, so going to a cashless society is one of their goals. Be ready to have a year's supply of food, because soon you will need the mark of the beast to buy any food, or anything else. Trust in Me to provide for your needs, especially at My refuges."

Jesus said: "My people, as you see these burning candles, you are seeing a sign of light and giving praise to Me for all that I do for you. I died on the cross out of love for all sinners, and I have left you with My gift of My Real Presence in My Eucharist. Every time you receive Me in Holy Communion, you are with Me intimately in your heart and soul. I give you My graces in every sacrament to strengthen you against the devil's temptations. I am always at your side to help you through life's troubles. Just call on Me, and I will support you through any tough times. You can also pray to Me in your prayers and Adoration, so you can keep focused on Me as a daily part of your life. I love you all so much, and I want you to do what is right by your own free will. Trust in My protection and help in your needs."

Jesus said: "My people, I am showing you in this vision how you purify and refine gold metal from all the impurities. This is how I also desire to purify and refine your souls from the impurities of your sins. You can come to Me in Confession to repent and confess your sins, so I can purify your soul and restore My graces on you. Some people do not desire to love Me, and they need My love to convert them. You need to be persistent in your prayers for these wayward souls, so My graces can open their hearts to be able to love Me as their Creator and Savior. I love all of you, and I desire that all souls could be saved,

because I died to give you all salvation from your sins. Every year you could take stock of how you have grown closer to Me in your faith. You need to make some steady improvement in your spiritual lives. Keep refining your faith, because I am calling you to be perfect as My heavenly Father is perfect."

Jesus said: "My people, at times you have a glimpse of the black demons and the flames around them. They try to upset you with trials and distract you from your mission to Me. Do not fear them, because I send you My legions of good angels to help you, especially when you call on their help. You will meet troubles and difficulties in life, but they are only temporary, and when you call on My help, I will heal your ills and fix whatever needs repair. You need to live in full trust of Me, and I will take care of all of your needs. Trust can be difficult if your faith is weak, so pray to Me to increase your faith."

(Vigil of the Assumption of the Blessed Virgin Mary) The Blessed Mother said: "My dear children, I thank you all for coming to this vigil of my Assumption into heaven. I bless all of you for praying my rosary. You saw in the vision where they laid my body to rest. Then you saw a gift of my Lord who allowed me to be assumed into heaven with both body and soul. My Lord spared me the corruption of my body, because I was born free of Adam's original sin. Without original sin, I did not suffer all of the consequences of this sin. Even now I am praying for all of my children, and I am united with Jesus and my glorified body. Our two hearts are joined as one heart, and we call all of the faithful to be joined with our two hearts. Rejoice in my Assumption, and the faithful will one day be joined with your glorified bodies at the final judgment."

Wednesday, August 15, 2018: (Mass for the Assumption of Mary, also to honor the new monastery of the St. Benedict Joseph Labre monastery)

The Blessed Mother said: "My dear children, I am happy to see all of you in your celebration of my Assumption at this Mass. You are seeing in this vision a ship full of souls from purgatory, as they are all graduating to be saints in

heaven. On my feast day, I am happy to bring many souls to heaven from purgatory. This is a glorious time for these souls, because some of them have taken a long time to be purified enough for heaven. Continue to pray for the souls in purgatory who have yet to be released. You can have Masses said for these souls, as well as your prayers. This is also a great celebration for Fr. Michel who is realizing one of his dreams to have a new monastery for the priests of the New Era. Heaven has called Fr. Michel for this mission in forming the fraternity of St. Benedict Joseph Labre. He has worked hard through many struggles to bring this fraternity and this monastery to completion. He will also need your prayers and donations to finish the future buildings. My Son, Jesus, and I have blessed his work. Give praise and glory to Jesus, God the Father, and God the Holy Spirit for all they are doing to save souls from hell."

Thursday, August 16, 2018: (St. Stephen of Hungary)

Jesus said: "My people, today's Gospel is all about seeking My forgiveness for your sins in Confession. It is truly seen in My 'Our Father' prayer that I gave My apostles. The one servant was forgiven a huge debt, but he did not want to forgive a smaller debt of a fellow servant who pleaded for mercy. So that first servant had to pay the whole debt in My justice. My people, in life you have two accounts. You have a storehouse of assets on one side, and you have a list of debts or bills that you have to pay with your work. It is similar in your spiritual life. You store your treasure of good deeds in heaven, while I keep a list of your sins or spiritual debts that you need to make reparation for. I am calling all of My faithful servants to be able to forgive everyone, both those who love you, and those people who are your persecutors or enemies. It is not easy to forgive those people who have hurt you in some way, but you must forgive them in love from your hearts all of the time, just as I forgive all of your sins. Even with the souls in purgatory, when a more grievous sin is forgiven, there is more joyful thanks being given by that soul. So in life when you forgive larger debts from someone, they are more appreciative of your generosity. When you give a large donation to a worthy cause, you will receive more thanks from the receiver, and you will receive a great treasure in heaven. So be able to forgive everyone from your heart, so you can grow in your perfection for your judgment."

Jesus said: "My people, I am showing you in the vision a sign of the end days.

On one side you are seeing a herd of sheep that represents the souls of My true faithful who will be taken up into heaven. On the other side you are seeing a herd of goats that represents the souls who will be lost, and they will fall into the abyss of hell. At the judgment I will separate My sheep from Satan's goats. This is truly a sign of the end days. These grounds (at the monastery) will be a refuge for the end days, because this fraternity of St. Benedict Joseph Labre has been faithful to My Word and to My calling. During the tribulation, the three archangels of this Chapel will be guarding these grounds from the evil ones with an invisible shield. Be prepared to receive many people who will come here for protection during the tribulation. I will then multiply all the food, water, and fuels for your needs. If you have not done so, these same angels will finish your second monastery and a larger chapel. If necessary, My angels will multiply your buildings to accommodate all the people who will come here. You will have priests for Mass, Confession, and Adoration. Give praise and glory to Me for bringing this all about at the proper time."

Friday, August 17, 2018:

Jesus said: "My people, when you approach the sacrament of Matrimony, this is not to be taken lightly, for this should be a life long commitment of a man and a woman to live together in the sacrament of My love. This married life is the proper way to live and have children. There are some people who live in fornication or homosexual relations that are sinful lifestyles. I did not want My children to divorce, but there may be some real impediments in a marriage that would allow an annulment by My Church. I ask that My children do not abuse this annulment process only for your own pleasure. It is difficult in your present age to live a proper marriage without using an abortion or birth control. Family planning or abstinence is acceptable, but using birth control devices, pills, vasectomies, or tubal ligations, are all mortal sins to be avoided. Authoring life is a precious act, and it should only be conducted in a non-sinful manner. I bless all married couples and their children. This is the third part of this fraternity. Remember to pray your long form of the St. Michael prayer on your way home."

September 2018

Saturday, August 18, 2018

September 6, 2018
Saturday, August 18, 2018: (4:00 p.m. Mass)
Jesus said: "My people, many faithful take My Eucharist for granted, and some Roman Catholics do not even believe that I am truly Present in My consecrated Host. It is good to have a homily on My Real Presence so the faithful could learn to give Me reverence by genuflecting to Me in the tabernacle, and on two knees when I am Present in the monstrance. This quotation of John 6:54-55 has the most important lines in the Bible: 'Amen, amen, I say to you, unless you eat the flesh of the Son of Man, and drink His Blood, you shall not have life in you. He who eats My Flesh and drinks My Blood, has life everlasting, and I will raise him up on the last day.' Some of My people stopped following Me because they thought I was calling them to cannibalism. It takes true faith in believing that the words of Consecration cause a transubstantiation of the bread and wine into My Body and My Blood. Believe in My Real Presence in Holy Communion, and you will have eternal life with Me in heaven."
Jesus said: "My people, if you truly believe in My Real Presence in the consecrated Host, then you will give Me reverence by not receiving Holy Communion with mortal sin on your soul. If you have a mortal sin on your soul, you need to come to Confession so the priest can forgive you, and absolve your sins. Those people, who have mortal sin on their souls, commit a sin of sacrilege if they receive Holy Communion in a sinful state. Some people do not believe in My Real Presence, even though I am still Present in the consecrated Host. If you truly love Me, and believe in My Real Presence, then such people will come to receive Me in daily Mass, and they will visit Me in daily Adoration. When you love Me in return, you want to be with Me as much as you can. My daily adorers are My special believers, and I hold them close to My Heart."

Jeanne Marie said: “My dear husband, Al, how I love you so much, and I wish I could show you more somehow. I miss being with you. You were and still are the joy of my life for the few years we were together. Remember all the spiritual things that I shared with you. I am praying for you every day, and I am watching over you like your second guardian angel. I thank John and Carol for coming today to my Mass intention, and for bringing us together. Life with you was a blessing, and I thank the Lord for the gift of being with you. Keep close to Jesus and Mary, and I am waiting for the day when we could be back together again in heaven.”

Monday, August 20, 2018: (St. Bernard)
Jesus said: “My people, you have been seeing some large earthquakes recently, and those earthquakes under the ocean floor can cause tsunamis. This vision of a large wave of water coming ashore is another example of a natural disaster. Earthquakes, volcanoes, or fires are other kinds of natural disasters that are happening even now in some parts of your country. I have warned you of an evil event that could be triggered by the HAARP machine. This machine could be used to cause droughts and earthquakes. I also have warned you about the destruction of your Freedom Tower that could be caused by terrorists. An event that would change the way you live, could come from a Yellowstone eruption of a super volcano, or an event that could cause a martial law. Be watchful also if you have an EMP attack that could ruin all of your microchips and stop your vehicles, banks, and electricity. Trust in Me to protect you when your lives will be in danger. If your way of life is changed, you will need to come to the safety of My refuges.”
Jesus said: “My people, today, many people own cell phones, so they can keep in touch with their family and friends. This convenience has a price, so others can track your whereabouts as long as you do not disconnect the battery on your cell phone. People with cell phones are also affected by microwaves that could cause cancer, especially if you hold it up to your ear. It is better to use ear buds to keep away from the microwaves that are close to your head. If you do not have a cell phone, and you keep your charge cards in aluminum sleeves, the one world people cannot track you, unless you charge something. The one world people want to control everyone. This is why they want you to have the mark of the

beast in your body so this chip could control your mind to make you into their slave. Avoid taking any chip in your body, so you can retain your free will. Even if they threaten to kill you, refuse these chips. When you come to My refuges, your cell phones will not work, so throw them away. Trust in Me fully for your survival, and I will fulfill all of your needs. I will help you both physically and spiritually for all that you will need to endure the coming tribulation."

Tuesday, August 21, 2018: (St. Pius X)
Jesus said: "My people, what does it profit a man to gain all the world's wealth and lose his soul? (Matt. 16:26) Your true wealth can only be found in Me, because only I can give peace to your soul. Some people on earth strive to accumulate wealth so they can live comfortably in this world. Instead, you should trust in Me only to give you what is needed. This is why you love My saying: 'Seek first the Kingdom of God and His justice, and all these things shall be given you besides.' (Matt 6:33) It is better to trust in Me than your wealth, that will rust and disappear. The rich people will have a difficulty to be saved, because such people make money their god. You cannot have any gods or idols before Me according to My First Commandment. So focus your lives on loving Me and your neighbor, instead of loving your cold possessions that will never love you as I do. You were put on this earth to know, love, and serve Me of your own free will. So follow the path of My Will, and you will have eternal life in heaven."
Jesus said: "My son, I have directed you in many projects how to get them completed. It takes faith that I will find solutions to help you solve your problems. For man some of your problems seem impossible to solve, but for Me, all things are possible. Trust in Me in faith that I can fix the problem with getting your solar charge controller working to charge your new batteries. It is still a good idea to have some solar power working during the winter to run your pumps. You may have to remove the snow, but you can have some power working for you. Pray your rosary for a good outcome when the solar man comes to make the needed repairs."

Wednesday, August 22, 2018: (Queenship of Mary)
The Blessed Mother said: 'My dear children, you have been faithful in your devotions to praying my rosary and wearing my scapular. I hear all of your prayer petitions, as I take them to my Son, Jesus. You are also my faithful pilgrims in your travels and in sharing your faith with others. There are many souls that need converting, and this is one of your prayer petitions. I also see some refuge builders who need help in finishing their preparations to receive my children during the tribulation. Keep storming heaven with your prayers, and trust my Son to answer your pleas. Continue your prayers for Queenship Publishing that they will be able to carry on their business."
Jesus said: "My son, I am showing you a jar of honey to remind you of how St. John the Baptist lived in the desert eating locusts and wild honey. You remember well when you went to Israel, and you visited the Jordan River in the place where St. John the Baptist baptized people. He called out to the people to repent and convert their lives by being baptized in the Jordan River. He was even brave enough to call out Herod for living in sin with his brother's wife. I call My prophets of the end days to follow in St. John the Baptist's footsteps, by going out to all the nations, and speak My words of the Gospel to save souls from hell. I send My angels out with you for protection at your talks. So do not be afraid to go forward to preach My Word of salvation to all those people who listen to you. Today, you had your solar worker come out and fix your solar charge controller, so you could charge your new batteries with your new solar panels. You prayed for the success of his work, and your prayers were answered. Now you can pray some prayers of thanksgiving that you have a working system that could work in the winter when you remove the snow off of the solar panels. I told you that I would solve your problem, and you trusted in My Word, and you were rewarded. You are seeing again how I am helping you with all of your projects. Give praise and thanks to Me for helping you and all of My refuge builders."

Thursday, August 23, 2018: (St. Rose of Lima)
Jesus said: "My people, many times I have spoken of how you are all invited to

My wedding banquet in heaven. All of you in My Church I consider as My bride, and I am the Groom. I am speaking of My invitation to confess your sins and accept Me as your Savior in order to enter heaven. In another parable I told you about the five wise virgins and the five foolish virgins. The Bridegroom was slow in coming. The five wise virgins were prepared for My coming because they bought extra oil for their lamps. When the foolish virgins tried to light their lamps, their lamps went out, and the foolish virgins had to go out to buy more oil. When they returned, the door was shut, and the gatekeeper said: 'I do not know you, for you know neither the day nor the hour.' (Matt. 25:21) This is how it will be for those souls who do not follow Me in faith, nor have confessed their sins in sorrow. Those, who are prepared to enter heaven, will be allowed into My wedding banquet, but those, who refused to accept Me, will fall into hell. 'For many are called, but few are chosen.'" (Matt. 22:14)
Jesus said: "My son, you are going to have good days and bad days in your life, but it is how you react to life's events that you need to be watchful. Once something happens, it cannot be changed, and you may be humbled in difficult situations. You make the best of your situations, and try not to repeat any bad actions. I am always willing to forgive you, but other people have a choice to forgive you or not. Pray to Me to help you through your problems, as I have helped you in the past. Pray also for any people who you may have offended in any way."

Friday, August 24, 2018: (St. Bartholomew, apostle)
Jesus said: "My people, you have been watching and listening to the news report of Hurricane Lane coming into the Hawaiian Islands. I was asking you to pray the Divine Mercy Chaplet for any people who might die from this storm. This storm is the second natural disaster to strike Hawaii, in addition to the increased lava flow on the main island. Because of America's sins that you are not repenting for, you will continue to see more natural disasters. You are also seeing an increase in earthquakes and volcanic eruptions in various parts of your country, in addition to the fires in the West. Israel also was chastised for worshiping idols and false gods. America is worshiping idols of money, fame, and possessions which are sins against My First Commandment. Keep focused on Me, as I should be the center of your lives."

Jesus said: “My people, as you come to the time of the tribulation, you will see the masons and those who are led by the demons who will be destroying all of My churches. They will crush the statues and the stained glass windows. They will burn down My churches. My angels will come and rescue My consecrated Hosts in all of the tabernacles. None of My tabernacles will be destroyed. My faithful will be led to My refuges to protect their lives and their souls. Every day I told you My angels would give you Holy Communion, if you did not have a priest. The Hosts that they will be giving out, are the Hosts that will be rescued from all the tabernacles of the destroyed churches. Give praise and glory to Me for showing you where all these Hosts would come from, because they need to be consecrated at a Mass by a priest.”

Saturday, August 25, 2018: (St. Louis, St. Joseph Calasanz)
Jesus said: “My people, I want to give you a lesson in trusting in Me all of the time, because I can do the impossible for each of you, since I love all of you so much. When you think about how you are to make a living, what you are to eat, or where you are to live, do not worry about these things because I always take care of My people. If you have trouble finding a job, pray to Me to find one, and you will find a job. When you need a home and the mortgage to pay for it, trust in Me, and pray to Me, and I will find a shelter for you. When you have true faith and trust in Me, you will have no worries, no fears, and no anxieties. These are the fears that the devil will tempt you with. Pray every day and trust in My love, and I will satisfy all of your needs that are proper for your soul. Pray to follow My Will and you will have all that you need. When you repent of your sins, accept Me as your Lord and Savior, then you will be on the right path to heaven. Give everything over to Me, and I will provide for all of your needs. In a word trust in Me for all that you do and all that you will need, then you will find true salvation for your soul in heaven.”
Jesus said: “My son, you are seeing certain situations where you could sense evil beings were present. If you can leave easily, then it is good to avoid evil temptations or haunted places. If you are confronted with evil spirits, then you need to call on Me to bring My angels to protect you. When you have Me with you, do not be afraid, but call out My Name for the demons to leave. You must have faith and confidence that My Name will make them leave. When you had

to face possessed people, you were strong to stand up to the demons, as you had confidence that My Name could heal them. Have trust that My power is greater, and the spirits will leave you, and the person you are praying over."

September 6, 2018
Sunday, August 26, 2018:
Jesus said: "My people, I am showing you how civilizations rise up and how they fall. Some like the Roman civilization, fell because of their spiritual decay when their families were broken with the sexual sins of their day. America started out following Judeo-Christian morals as you had Me mentioned in your Declaration of Independence and your Constitution. Your civilization has lasted over two hundred years, but now you are seeing a similar decay in your morals, similar to the Roman decay. Your families are seeing more divorces, and you are even seeing homosexual marriages. Because your people are more promiscuous, some couples are living in fornication without marriage. Your society is less focused on Me, which is why you have so few people coming to Sunday Mass, and even fewer are coming to Confession. When families stop praying together, it is hard to pass the faith down to your children. This is why family prayer is so important to keep families together. Your morals have decayed as well, so you are seeing abortions and drugs which are ruining your society. I have mentioned how important it is to stop the legalization of recreational marijuana. This drug can lead to cocaine and heroin, which destroys your youths and kills brain cells. America needs to repent of its sins and change its sinful lifestyles, or you will see your country fall and face My punishments from your natural disasters. Come back to Me in faith and love, and your country will continue to prosper, instead of decaying in your sins."
Jesus said: "My people, I am thankful to be able to share Myself with everyone at today's Mass. When you receive My consecrated Hosts, and consecrated Wine, you are receiving My very Body and Blood of My Real Presence. Give praise and thanks to Me for loving you so much, that I leave you My very Self in your soul every time you receive Me in Holy Communion, worthily. In the second vision you are seeing Me at the center of a large pool to indicate that I need you to place Me at the center of your lives. When you let Me lead you in all that you do, then I can use you to fulfill the mission I have given you. So continue to pray to Me every day so I can lead you to do the right thing in all of

your activities."

Monday, August 27, 2018: (St. Monica)
Jesus said: "My people, you are the Light of the world, and you need to share your faith out of love for your neighbor and love of Me. Just as you are drawn to My Light, so people will be drawn to your Light of faith. So be a good example and practice what you preach about Me. You do not want to be a hypocrite like the Pharisees who I told the people not to follow in their selfish example. St. Monica prayed persistently over thirty years to convert her son, St. Augustine. My people need to imitate St. Monica when you pray persistently for your relatives and friends to be saved and converted to the true faith in Me. Be a shining example of faith in your good works and persistent prayers for souls."
Jesus said: "My people, in the vision you are seeing a snake trying to upset your mission. It is not by accident that every time you come to see your spiritual advisor, he has just had a snake come into his house. You also heard of a large snake that came into your daughter's house. It was very frightening to see these snakes, as it took some doing to capture them and get rid of them. Serpents can be a sign of evil among you without being invited. Continue to pray your St. Michael long form prayer to protect yourself from any demon attack on yourself or on your relatives and friends. Trust in My protection all of the time, even when you are confronted by demons in the form of serpents."

Tuesday, August 28, 2018: (St. Augustine)
Jesus said: "My people, in today's Gospel I was criticizing the Scribes and Pharisees for being hypocrites in their actions. They proclaimed the Mosaic Laws which I told people to listen to, but not to follow their actions. This is true for My followers who need to practice My Christian teachings in all that you do. It is by your good example that people can see My love in you, so they could be converted. If you act in a non-Christian way, then you too, could be called

hypocrites. The more that is given to you, more will be expected. So imitate My life in all that you do. If you follow My ways instead of man's ways, then you will have your reward in heaven."
(Mass intention for David S.) Jesus said: "My people, at times it is good to walk in a quiet place for contemplative prayer as in a quiet forest. As you walk the trails, you could be praying your rosary for your intentions. It is good to walk amidst nature and My creations. When you see how beautiful everything is, you can see My touch of beauty in the trees and the animals. You need to give Me thanks for giving you life, and a gift of faith to know and love Me in return."
For David S.: Jesus said: "My son David died a little young, but he had a good life in doing My work. Give thanks for the gift of his life, and pray for all the family who miss him dearly. Keep praying for his soul, and with some Masses for his intentions. Pray also for Claire, his family, and their business."

Wednesday, August 29, 2018: (Passion of St. John the Baptist)
Jesus said: "My people, you have a contrast in personalities between King Herod and St. John the Baptist. King Herod loved to flaunt his authority, and he even put St. John the Baptist in prison for criticizing him for marrying his brother's wife. He was later humbled for promising Herodias' daughter anything she wanted, for performing a dance for him. When she asked for the head of St. John the Baptist, King Herod was too proud to refuse her request, and he had St. John the Baptist beheaded. St. John the Baptist was fulfilling his mission to prepare My way, by calling sinners to repent and be baptized. He was a righteous man, and he even corrected the King for marrying his brother's wife. This was dangerous to criticize the King, but St. John stood up for the truth, no matter what the consequences he would face. In the same way I call all of My faithful to stand up for the truth, especially in spreading My Good News of My Resurrection with everyone. You may not be martyred, but you need to witness against those people who are fornicating and having abortions. Reach out to save souls from hell in My Name, and you will have your reward in heaven."
Jesus said: My people of America, you are seeing storms in the Atlantic Ocean moving toward your country in the vision. September is the peak of your hurricane season in the Atlantic Ocean. You have had little activity there, but now you will see storms coming one after another. You have had a lot of activity

in the Pacific Ocean, but you are now seeing storms starting up in the Atlantic Ocean. The vision of a swirling storm, is a sign that you could see at least one storm hit the mainland. Some of your forecasters were showing the destruction of Hurricane Katrina which happened about this time of year. In your technology advances you have a lot more forecasts of when and where a storm could hit, which gives you more time to evacuate. Your people need to be alert to any storms that could hit land. I have warned you that such natural disasters will be your punishment for your sins. Last year you had to endure three storms that caused major damage. This is why your people need to be ready to endure another hurricane season. Call on Me to protect your people from any harm, so you can minimize any deaths. Pray for all the people who will be enduring any storms."

Thursday, August 30, 2018:
Jesus said: "My people, 'Stay awake' are the first words of warning in today's Gospel. All of My faithful are awaiting My return to the earth when I will judge everyone if they are either with Me or not. Those people, who are faithful and without serious sin, I will welcome into My Era of Peace at that time. But those people, who are not prepared and have serious sin, will not be accepted, and they will grind their teeth and cry out in the flames of hell. This is like the parable about the five wise virgins who were prepared to meet the Bridegroom with extra oil for their lamps. They were welcomed into My Wedding Banquet, and the door was shut. The five foolish virgins were not prepared, and they went away to buy extra oil for their lamps. When they returned, they could not enter the closed door, and I told them: 'You cannot enter because you know neither the day nor the hour.' So keep your souls free of sin by frequent Confession so you will be ready with a clean soul for when you have to face Me at your judgment."
Prayer Group:
Jesus said: "My people, your schools have become a place to teach the students more about the world without teaching them about prayer to Me. Your colleges have been purged of any teachers who teach about Me as the Creator of this world. Even the textbooks have distorted the history of your country and any mention of Me. You have taken prayer out of the schools, and the students are brainwashed with atheism. People with faith come out of college with their

minds emptied of any devotion to Me. This is why Bible study is needed, and parents need to encourage their children to come to Sunday Mass and monthly Confession. Pray for your children to be strong in their faith by your example."
Jesus said: "My people, some of your politicians are claiming falsely that there is nothing wrong with using marijuana. Some extracts may help pain, but this drug being promoted, will cause addictions and lead to more serious drugs as cocaine and heroin. This drug kills brain cells, and it could cause accidents while driving and smoking. Marijuana should never be promoted as good, because the bad effects are worse."
Jesus said: "My people, awhile back your Congress passed a Real ID law that mandated states to issue drivers' licenses with a microchip in them. Your states have been slow to carry this out. Now the states are being forced to implement these chips, or they could lose Federal funding. This is all about the one world people trying to control you with more chips to track you. Pray for your authorities to vote this down."
Jesus said: "My people, these new smart meters are supposed to make it easier to read your water meter from the street. This smart meter puts out a microwave radiation that may not be good for your health, and it could be considered an invasion of your privacy. Some people are fighting against such a mandate. There is an alternative by installing an analog meter without the radiation. Pray that your people can stop this forced invasion into your homes."
Jesus said: "My people, you can see various rich people who are trying to use their money to buy elections and votes to change the policies of your government. You are even seeing political cleansing of any conservative voices from your social media. The socialists are making a big push to change your government's decisions. This is why there will be a strong attack against your incumbent Congress people and Senators. Pray for your country to come closer to Me in prayer and repent of your sins. Choose to support people who defend My ways."
Jesus said: "My people in the end days you will see an increase in earthquakes, famine, and pestilence. Earthquakes and volcanoes are increasing in activity all along the Ring of Fire. You also will be seeing more viruses that will cause a pestilence. There is a goal of the one world people to reduce the population, so they will use viruses to kill many people. I call My people to have masks, and take Hawthorn pills to build up your immune system to protect you from these viruses. When you see people dying in large numbers, this will be a sign to come to My refuges, where you will be healed by looking on the luminous cross in the

sky."
Jesus said: "My people, the one world people are using flu shots to break down your immune systems and cause more harm than good. Avoid taking these flu shots as I have warned you in the past. This is another means for the pharmaceutical companies to make more money from your government without proving that their shots stop the flu. Pray for your people to have good health with hawthorn, herbs, and vitamins, which will stop some of the harmful effects of the laboratory made viruses."

Friday, August 31, 2018:
Jesus said: "My people, if you saw a small child drowning in the lake, you would take immediate action to try to save the life of that child. All life is precious, and you should also reach out to mothers to stop having any abortions of the small child in their womb. It is also important to reach out as quickly to save the souls of children who are in danger of losing their souls in hell. You are seeing teenagers who are engaged in vaping and addictive drugs that could endanger their lives and their souls. The demons are trying to steal souls from Me through addictions. So pray deliverance prayers for the youth of today so they are not killed with opiod overdoses. Continue to fight against legalizing recreational marijuana to help prevent more youth and adults from drug addictions. You can help save souls from going down the wrong path to hell."
Jesus said: "My people, in the vision you saw a fire truck racing down the street to put out a fire. This vision is how in the spiritual world the priest puts out the fire in your soul in Confession. People in mortal sin have their souls on fire, and they need to come immediately to the priest, so with absolution, he can put out these flames of sin on their souls. Once you receive the grace of absolution of your sins, you have peace in your soul and rest in your spirit. Rejoice every time you have the opportunity to come to Confession."
For Margaret: Jesus said: "My people, in the vision of Margaret you are seeing her dressed in a white wedding dress with a white veil. She was smiling and happy to be with her Bridegroom in heaven. She is thankful for all the prayers and Masses that were offered up for her intention, so she could be released from purgatory to come to heaven. Give praise and glory to Me for My death on the cross that has enabled souls to be able to enter the gates of heaven."

Saturday, September 1, 2018:
Jesus said: "My people, today's Gospel speaks about My coming to the Cana Wedding with My Blessed Mother. When the wine ran out, My Blessed Mother told Me, and she told the servants: 'Do whatever He tells you.' These words referred to the wine problem, but they could also be directed to everyone to follow My example in life. I told the servants to fill the six large stone containers with water, and take some to the head waiter. The waiter remarked that they had saved the best wine until now. This first miracle of changing the water into wine, also helped My apostles to believe in Me and My mission. There is another lesson in this miracle, because at the Last Supper I changed the wine into My Blood, and the bread into My Body. This gift of Myself in Holy Communion is one of My lasting miracles that far surpassed the multiplication of the bread and fish that fed the 5,000 and the 4,000. Give praise and thanks to Me for feeding you My Real Presence whenever you receive Me worthily in Holy Communion at Mass."

September 6, 2018
Sunday, September 2, 2018:
Jesus said: "My people, you heard the deacon give a good homily on faith and works. Faith is a gift I offer to everyone out of My abundant love. I offer it freely, and it is up to your free will to believe in Me or not. If you truly believe in Me, you will return your love for Me. It is mentioned by St. Paul that if you do not have love of Me and your neighbor, then all of your works are as nothing. When you have faith in Me, then you will desire to follow My Commandments which are based on love of Me and love of your neighbor as yourself. When I am the center of your life, then you will want to help your neighbor in good works out of love for Me. This faith that you have in Me, is like My love, because you need to share it with as many people as possible for all those people who listen to you. If faith and love for Me is lacking in your family or friends, then you need to pray for them to be open to My love. I desire that all people will come to know and love Me, and I use My faithful as My instruments to

spread the Good News of My Resurrection upon everyone. Those souls, who accept Me, love Me, and repent of their sins, will be rewarded when I lead them up the steps to heaven."
Jesus said: "My people, in the Gospel I spoke of all the filthy sins that come out of your hearts as sinners. Many people are quick to judge others' bad actions, but they quickly forget their own sins. I am the only One to judge all sinners, so avoid judging others. Recently, you have been seeing some clergy accused of abusing young children, and some of these events happened years ago. It has been a bad example that many of these cases were hidden from the public, and possible prosecution. Since all of you are sinners, you all need to pray for sinners and especially for your priests who are being criticized. So instead of judging or criticizing others, you all need to practice what you preach without being hypocrites. Give good example to everyone, because your actions are seen by people on earth, and all of us in heaven."

Monday, September 3, 2018: (Labor Day)
Jesus said: "My people, today you are celebrating Labor Day, and the gift of working to earn money for your families. It is common to see both parents working to help pay for the expenses of your children. Single parents may even have to work two jobs to keep up with paying for shelter and a car. You are fortunate to have enough employers to provide good paying jobs. Running a household takes patience and skill to meet all of life's demands. In the Gospel you are seeing why prophets can have problems with the people's belief in the prophet's hometown. Because the people of Nazareth did not have faith in My healing, I could not heal people in My hometown. Pray for your priests and prophets so they can fulfill their missions to My people. Your retired workers need to be paid their pensions and Social Security as a reward for the many years of paying into their retirement plans. Social Security for retired workers was earned, and it is different from welfare recipients. You will not find much justice in this world, but you will in your next life."
Jesus said: "My people, you are seeing how progressives control the schools, the newspapers, the television programs, and the social media. It is very difficult for a conservative voice to be heard, let alone a true reading of history. Through all of these channels the progressives can brainwash the students in the schools and

colleges, and brainwash the people who watch the television programs. It is hard to determine the truth of anything because of the fake news and disinformation. You are seeing the communist tactics carried out in front of you every day: 'If you tell a lie often enough, you can get people to believe it as the truth.' This is also a tactic of the devil when it comes to faith in Me. The devil is full of lies to deceive you into hell. If you want to know the truth in the Catholic faith, you need to read the 'Catechism of the Catholic Church'. This has all of the truths of the faith that the devil and the evil ones are trying to hide from the people. If you follow the Catechism, you will see the liars who claim there is no hell, or that hell is not eternal. Eventually, you will see New Age teachings take over parts of the Church, but they only worship things, and not Me. You will need to discern which voices are telling the truth, and which ones are telling lies. Call on Me to help you stand up for the truth in My Good News, that I died on the cross to save all souls who will believe in Me."

Tuesday, September 4, 2018:

Jesus said: "My people, in the vision you are seeing someone in a confined space, which represents times when you are asked to go outside of your comfort zone to help someone. It is easier to help people when it does not take much effort, as in giving a token donation. It is much more of a challenge if you are asked to make a substantial donation, or to help someone for an extended period of time. It is also easier to help a close relative than it is to help a stranger in need. When you go the extra mile to help someone, you will have your reward in heaven, because I see your extra effort. So when you are asked to pray for sinners and the souls in purgatory, this does not take much effort. So be willing to include these intentions in your daily prayers, because you can help people spiritually as well as physically."

Jesus said: "My people, some elements of My Church want to open the Church more to non-believers. Some even are favoring a one world religion. These same people want to allow everyone to come to receive Holy Communion. These ideas are foreign to the Church that I established with My apostles. Other religions do not believe in, or practice Catholic traditions. To become a Catholic, you need RCIA classes to learn the faith. My faithful need to come to Confession to cleanse any sins from their souls. Then they are worthy to receive

Me in Holy Communion. Only people with souls free of mortal sin are able to receive Me. People, who do not believe in My Real Presence, do not truly understand enough how to appreciate the gift of My Eucharist. I am holy and Sacred, and those people, who receive Me in Holy Communion, also need to be clean and holy as well. Keep your traditions that were passed down through the years, and be firm to not change your preparations to receive Me in Holy Communion."

Wednesday, September 5, 2018: (Bob Farnand Memorial Mass)

Jesus said: "My people, when I went to St. Matthew, the tax collector's house, there were many sinners and tax collectors at the supper. Some of the Scribes and Pharisees asked Me why I ate with sinners. Those people, who are well, do not need a doctor, but those people, who are sick, need Me to heal them. It is mercy I desire, and not sacrifices of animals. Since you all inherited Adam's original sin, then you are all sinners and in need of My forgiveness of your sins. So come to frequent Confession at least once a month, so you can have clean and healed souls. You are all in need of My grace, and a cleansing of sins from your souls. It is better to be a repentant sinner, than a self-righteous person who thinks he is without sin. Bob Farnand is in purgatory and he needs your prayers and Masses."

Jesus said: "My people, you are seeing some damage caused by hurricane Lane in the Hawaiian Islands, and tropical storm Gordon in the Gulf of Mexico. You are also seeing more storms in the Pacific Ocean and the Atlantic Ocean, as you are entering the peak of your hurricane season. These are more natural disasters on top of the previous storms and fires. You are also witnessing more 90 F summer days in your area than you normally receive in two or more years. Your weather has been changing all over the world with hotter than expected temperatures. I have mentioned before that warmer temperatures could be coming from a stronger solar wind, as your magnetosphere is losing the strength of its magnetism. Be prepared for more weather extremes that are a punishment for your sins. My refuge builders also need to get their projects done, because their preparation time is running out. Trust in Me that I will provide for your needs during the tribulation."

September 23, 2018
Thursday, September 6, 2018:
Jesus said: “My people, you have had a long hot and dry summer, so this rain is refreshing your lawns and the farmers’ fields. Just as your ground is refreshed with water, so your souls need to be refreshed with My graces. Many souls are also dry and parched, because they are too weak to come to Mass or Confession. If you are in mortal sin, your soul could even be burning in flames. You need to put out the fire with My grace of forgiveness in Confession. Just as you crave a nice glass of ice cold water on a hot day, so your soul also craves to be satisfied with the grace of My sacraments. Encourage the weak sinners to come to Me so they can be refreshed with My ‘Living Water’. This is the same ‘Living Water’ of the Holy Spirit that I promised the woman at the well in the Gospel. There are many people searching for My peace in their souls, but they have lost their way to seeking Me, their Creator. Pray for these lost sinners to find their way back to Me, and pray that they could open their hearts to receive Me, so I can refresh their souls with My graces and My ‘Living Water’.”
Prayer Group:
Jesus said: “My people, I pray that all churches could afford to have a large crucifix placed on the altar. When you have My corpus on the cross, then it is a true crucifix. A cross without My corpus does not convey how much I suffered on My cross. Crosses with a resurrected corpus also do not show My suffering. When you look on My crucifix, this reminds you of how much I love all of you, that I would die for your sins. Give praise and thanks to Me for all I do for you.”
Jesus said: “My people, it is sad that certain people are paying others to cause a disturbance at this hearing. Judge Bret Kavenaugh has answered most of the questions that did not involve speculative answers. He is a qualified judge, but he is being tested by the committee on many subjects. It will be up to the Senators when they vote on his confirmation. He is filling a vacancy on the Supreme Court. Bless this process that is being seen before everyone.”
Jesus said: “My people, Philadelphia is the same place that your forefathers established your Constitution that still governs your country to this day. Your Bill of Rights and the Amendments have established an individual’s freedoms in your country of laws. Many of the discussions of your Supreme Court candidate have focused on how he will interpret the Constitution and uphold today’s precedents in previous proceedings. Give thanks that I have guided your leaders

to interpret your laws justly. You still have many decisions and accepted laws that violate My laws. So pray that your evil laws could be changed to follow My laws."
Jesus said: "My son, I have guided you in your refuge projects, and now you have installed a second solar array that is on the first floor. Your solar charge controller is functioning now for your off grid system that is powering your dehumidifier during the day's sun. You have tested it for running your water pump, and you will be testing your sump pumps shortly. This was installed so when there is no electricity during the tribulation, you will have power in the winter to run your pumps, once you remove the snow off the panels."
Jesus said: "My son, you have installed a water well that will supply water to your toilets and sinks. As long as your sewer drains work, you could use your water system. If they back up, then you will need to use your backup outhouse with a hole in the ground. You have done well to provide fuels for heating in the winter, food to eat, water to drink, and beds to sleep on. You have everything in place, but you will need to pray for My multiplication of your food and fuels. My angels will bring you daily Holy Communion, if you do not have a priest. You will continue your perpetual Adoration with My Hosts during your trial. Trust in Me to provide for all of your needs. You may want to have one more practice run to test all of your preparations."
St. Meridia said: "I am St. Meridia and I stand before God in His service. I am proud to be your prayer group angel, and I bless all of you here tonight with My protection. I am also proud to be your refuge angel as well. Even now I am placing a shield of protection over your refuge from any damage. I am reminding you that during the tribulation, only those people who have a cross on their foreheads will be allowed into your refuge. Give thanks to God for all that He is doing to direct me for your protection and guarding your refuge."
Jesus said: "My people, please pray for the safety of your students and teachers from any terrorist or mental people that may try to kill these school people. Pray that their classes will train the students to help them in life. Even if there is no prayer in the schools, you can still pray for the students' success in their studies. I love all of the children, and I do not want to see any harm come to any of them."

Jesus said: “My son, I long to be with you, and all of My people who love Me so much. When you come before Me in Adoration, you appreciate My love for you, and you are giving your time to share your love with Me. When you receive Me worthily in Holy Communion, this is your closest taste of heaven that you could have while you are living on earth. I am the One who should be the center of your life at Mass, in your prayers, and at Adoration of My Blessed Sacrament. Everything you do should be done out of love for Me, as you consecrate yourself and your daily actions up to Me. When you are fully focused on Me, then I can use you to fulfill your intended mission for this life. Give praise and thanks to Me for all that I do for you, and I bless all of your actions and intentions.”
Jesus said: “My people, you are seeing how the devil has encouraged man to take the discovery of DNA, and make it into GMO products that are not natural food for your bodies to consume. This is what is causing your allergies and ruining your immune systems, which is causing more disease and cancer. It is better to eat organic or natural foods which the body can digest without side effects. You have problems with your artificial medicines that are not natural products either. The more medicines you take, the more chance you have for bad interactions in the body that can cause disease, and harm your liver and kidneys. You may have some cures for certain diseases, but you also can have side effects. When you eat natural food and use natural medicines, there is harmony in your body’s functions, without side effects that could damage your organs. The more you use natural things in your diet, the healthier your body will be, because that is how I created everything in perfect balance and harmony.”

Saturday, September 8, 2018: (Nativity of the Blessed Mother)
Jesus said: “My people, America is a collection of immigrants and the native Indians. Life before electricity and cars was much harder than what you see now. Many of your inventions are dependent on electricity, and various means of transportation. Even your fuels have not changed much for heating your homes. You have moved to natural gas to replace oil, coal, and wood. When you will lose your electric grid in the tribulation, you will need your solar panels and your old fuels of wood, kerosene, and propane. I will multiply your food, water, and

fuels for your physical survival. Your priest or My angels will provide your spiritual survival in My daily Holy Communion. At My refuges you will be living like in the early days without many of your current comforts. Your hot water and air conditioning will be a rarity at most refuges. Learn to live simply with more prayer in your lives, because this will be what it will be like living during the tribulation with angel protection."
Jesus said: "My people, you are seeing some serious storms bearing down on your East coast, and near Hawaii. I told you that you would see one event after another. Your people need to prepare for some hurricane force winds that could cause a lot of damage. Once you see the place of landfall, people may have to evacuate inland or further away from the storm. Other people will be stocking up on food and batteries. I have been urging people to have food on hand for just such emergencies. Have some lights, solar, or generators for backup power if power lines go down. Call on My help to get you through this hurricane season."

Sunday, September 9, 2018:
Jesus said: "My people, you have seen many droughts and less rain in some areas. This has caused some dried out lawns, and even the farmers are getting little rain for their crops with hotter weather than normal. In the spiritual realm I am raining down My graces on everyone, but if your heart is not open, then many souls will remain parched. It is the souls who are free of mortal sin, who can accept My graces and prosper in their spiritual lives. You have solar panels, but when the clouds are heavy, you make little electricity. When souls are black, they cannot receive My graces. As I look down on the earth, I see many black souls and a parched earth of evil. My faithful need to share their faith and wake up these parched souls so you can have them seek Me for the forgiveness of their sins. Even among Catholics there are black souls because they are not coming to frequent Confession. Encourage your family and friends to come to Confession. Too many souls are spiritually lazy, and they are not benefitting from My free graces of My sacraments."

Monday, September 10, 2018:
Jesus said: “My people, the Scribes and Pharisees wanted to criticize Me for healing people on the Sabbath. I even asked them if it was lawful to heal on the Sabbath, but they had no response. After I healed the man, they were outraged at My healing, and even more so that I defied their strict interpretation of the Mosaic laws. At times you are called to do good deeds as well, but the devil will always taunt you through people around you. Do not be afraid of any criticism for a good deed, but help your neighbor when he or she is in need. You can also reach out in faith to try and evangelize souls so they can be saved from hell. Such attempts to save souls, will receive even more contempt from Satan, for trying to steal his souls wrapped in sin. Pray for sinners and the souls in purgatory who need your help.”
(Briana Nadine Mass intention) Jesus said: “My people, when you build a house, you need to have funding from savings or a mortgage to be able to buy the lot, and enough money to complete the building. In addition to the mortgage you will need to pay for land taxes, and the utilities. Each person needs to build their house of faith on a solid foundation of the Church, and the rock of St. Peter. I give everyone enough grace to carry out each person’s mission with the talents I have given people. By calling on My help, you can build up your own faith, and you can help build up My Church by evangelizing souls to the faith. Keep praying constantly for all the souls of your family and friends. You have heard how people build their mansions in heaven with the good deeds of their lives. Continue to do good deeds for your neighbors, so you will have the tools and boards for your own mansion.”
For Briana: Jesus said: “Briana needs prayers and Masses since she is in lower purgatory.”
White and Blue light: It represents the white Light of Jesus and His graces, and the blue Light is a lesser light of the Blessed Mother, and all of her prayers for us in the Two Hearts of Jesus and Mary.

Tuesday, September 11, 2018:
Jesus said: “My people, in most areas you are seeing a decline in Sunday Mass attendance. There has also been a decline in the number of priests, as fewer are becoming ordained. I am encouraging My faithful to continue to come to Sunday

Mass, and give good example for your children to come. You also need to encourage your family and friends to pray more, and come to Confession once a month. I am showing you this pew to help you see the need to pray for your priests, your family, and for your country. There are not enough people praying to counter the evil in your country. As you see more violent natural disasters, this may bring you to your knees in prayer. I continue to thank all of My prayer warriors who are the heart of your families. Keep up your rosaries and Holy Hours for My Blessed Mother's intentions."
(Twin Tower anniversary 2001)
Jesus said: "My people, in 2001 on this day, you saw the terrorist take down the Twin Towers which represented the wealth of your country. Many people were killed, and still more are dying of cancer from the dust of the towers. Out of your pride, you built the Freedom Tower to defy the terrorists. Your original Twin Towers were destroyed where George Washington consecrated your country to Me. This was a punishment for your abortions and sexual sins. When you rebuilt the Freedom Tower, you did not repent or change your evil ways. Instead, this is a defiance of My judgment on America. So this tower will be taken down also for building it in defiance of Me. In addition to the destruction of this tower, you will be seeing more punishments from natural disasters. Your hurricanes are an example of this destruction. Pray for your country to stop your abortions, and your evil lifestyles, or you will be brought to your knees before Me."

Wednesday, September 12, 2018:
Jesus said: "My people, recently I mentioned to you how America needs to stop its abortions, and your sinful lifestyles, or you will be brought to your knees through natural disasters. There is a message in the fact that you are seeing three storms all at once about to come ashore in three areas of your country. You have the large Hurricane Florence about to cause damage on your Eastern coast. You are seeing a tropical storm Olivia about to hit Hawaii after Hurricane Lane. You also have a storm in the Gulf of Mexico about to hit Texas on the coast. This is not coincidental, but it emphasizes how I am bringing My punishment upon America for your pride to be humbled, for your sexual sins, and for your abuse of My babies in abortion. I told you if you did not stop your abortions, I would stop them with My punishments. I call on your people to repent of your sins and

come to Confession so I can forgive you, and absolve your sins. Change your bad lifestyles into one acceptable to My laws. If you do this, you will be blessed, but if you do not, then I will bring you to your knees. I am offering you the blessing or the curse. It is up to you to choose the right way to love Me and love your neighbor."

Thursday, September 13, 2018: (St. John Chrysostom)

Jesus said: "My people, all the things in the world that you consider as valuable, are as nothing to Me. What is valuable to Me, are the souls of all the people who I want to save from hell, and to love Me. I do not force My love on you, but I want you to choose to love Me of your own free will. I am all love, and I love the good and bad souls. In today's Gospel I want My people to imitate My love by loving both your friends, and your enemies as well. I want you to pray for your friends and your enemies. You are still believing in an eye for an eye, and a tooth for a tooth. But I am asking you to help your friends and your enemies. I call you to evangelize all souls who are open to your word. You all are sinners, and you all need conversion to My laws. Your mission is to help save all souls, both the good and the bad. So reach out to help everyone, no matter what they have done in the past. My grace and My rain falls down on the good and the bad, and it is those who repent and accept Me in love, who will be saved from hell."

Jesus said: "My people, yesterday you experienced a power outage for a few hours when a car crashed into a pole carrying electric lines. You had a little problem with the garage door opener, but your power came back after you returned from the restaurant, so you had lights at night. With the hurricane coming ashore, the winds and flooding could cause many power outages for a long time. (800,000 without power at the height of the storm) You were praying your Divine Mercy Chaplet for any souls that could die. With a lot of rain, it will be hard to find a dry shelter, and there could be no power for pumps, lights, or air conditioners. You could see food and water shortages with no refrigeration, and the power lines not working. Pray for the people who will find it hard to provide food and water. If possible, you could donate money to help people restore their lives back to normal. The people in the rest of your country need to come to the aid of the storm victims where they can help. I will bless all of your efforts to help the storm victims."

Friday, September 14, 2018: (Exaltation of the Holy Cross)
Jesus said: "My people, this day you are celebrating My feast of the Exaltation of the Holy Cross. In My day I was crucified on the cross as a common criminal, but I committed no sin. Some people may think this is a failure of My mission, but they did not understand that My death on the cross was My victory over sin and death. My death was a supreme sacrifice of My Body and Blood that is given up for all the souls of mankind. It is My Blood that washes away your original sin at Baptism, and My Blood washes away your actual sins in Confession. My crucifixion is outside of time, so you can join your pains and troubles with My pain on the cross. You are blessed to have a relic of My true cross that you have used to pray over people, especially over some possessed people. Do not have fear of the evil one, but trust in faith that I can heal even possessed people. Pray deliverance prayers over addicts so they can be healed of their demons. Pray the long form of the St. Michael prayer to heal all of your family members, and make a cross with holy water on their pictures. Trust in faith that I can heal those people who you are praying over. If the person to be healed believes that I can heal him, then that person can be healed. Pray today for all the victims of your current hurricane. Pray the Divine Mercy Chaplet for those who will die from this storm, and for all those people who will die today. Those people who believe in My saving death on the cross, will have eternal life with Me in heaven. Repent of your sins, and accept Me as your Savior."
Jesus said: "My people, you are celebrating My Holy Cross, and you are seeing a prefigure of My Holy Cross in the first reading when Moses lifted up the bronze serpent on a pole. When people who had been bitten by the seraph serpents looked on the bronze serpent, they were healed. People who look upon My Holy Cross and confess their sins in Confession are also healed in their souls. At the time of the tribulation My faithful will be called to My refuges of protection from the evil ones. My angels will protect you with invisible shields. Those faithful, who have a cross on their foreheads by My angels, will be allowed to enter My refuges. When you enter, you will see a luminous cross in the sky. When you look upon it, you will be healed of all of your ailments, and your souls will be cleansed as well. All of My faithful, who take up their daily crosses and follow My ways, are on a path to eternal life in heaven. Give praise and

thanks to your Savior for dying on the cross to save you from your sins."

Saturday, September 15, 2018: (Our Lady of Sorrows)
The Blessed Mother said: "My dear children, you have seen many of my statues that are weeping, because I see some of my children suffering. You, my son, carry the oil of my tears from Maureen's house, and you see its healing power. Right now my eyes are tearing again because my children are suffering from Hurricane Florence in North and South Carolina. When you are praying your rosaries, make these suffering people one of your intentions. You have read of my seven sorrows, as when Simeon told me a sword would pierce my heart. I also suffered when my Son, Jesus, was lost and found in the temple at twelve years old. I suffered watching Jesus carrying His cross, and when He died, I held Him in my hands at the foot of the cross. My children will also see sorrows in your lives, but I have suffered before you, so call on My help to comfort you and support you through all of your troubles. When you pray your rosaries, I hear your intentions, and I give them over to my Son, Jesus. Trust in me that all of your prayers are heard in heaven, and we will watch over you and protect you. We will provide all that you need, and you only have to be faithful to Jesus and all of His laws."
Jesus said: "My people, you have been seeing the devastating damage caused by Hurricane Florence. You have seen some deaths, many power outages, and considerable flooding in North and South Carolina. This is causing major damage that has not been seen in this area in decades. You had three major hurricanes last year, and this year you are seeing Hurricane Florence, tropical storm Gordon, and Hurricane Lane all strike America. You could still face more storms this year. Not only are you facing warmer temperatures this summer, but the heat is causing more severe storms. Pray for all of your storm victims, and that flooding will be minimized. Your State and Federal governments will now have to provide aid to get power back, and clear any damage. If your churches call for aid to the storm victims, you could make a donation to help these people. Trust in My help and keep praying for all of those affected by this storm."

Sunday, September 16, 2018:
Jesus said: “My people, in today’s Gospel you heard My identity given by St. Peter when he said: ‘Thou art the Christ, the Son of the living God.’ I commended St. Peter for his faith that was given to him by the Holy Spirit. I then told My apostles that I would be crucified, and I would die to save the people from their sins. St. Peter did not want Me to die. I told him: ‘Get behind Me, Satan, because it is man’s desire for Me not to die, but it is God the Father’s plan for the salvation of mankind that I die for your sins. When you receive Me in Holy Communion, you must be free of mortal sin. If you receive Me in mortal sin, you commit another mortal sin of sacrilege. If you have mortal sin, you must come quickly to Confession so you can be restored in My graces. Before you receive Me, I ask that you pray a sincere Act of Contrition, so you can cleanse any venial sins. This prayer does not cleanse mortal sin, but you need Confession to cleanse mortal sin. In the second reading you heard that faith without works is dead. If you have true love of Me and believe in Me, you will love your neighbor by helping them with good works. Such works are a sign of your love for Me in your neighbor. So reach out to provide for your neighbor’s physical needs, and share your faith evangelizing your neighbor’s spiritual needs. I love all of My people, and I desire to save all souls. It is your free will decision to love Me and your neighbor. Those people, who repent of their sins, and do good works for their neighbor, will be welcomed into eternal life with Me in heaven.”

Monday, September 17, 2018: (St. Robert Bellarmine)
Jesus said: “My people, all of heaven is watching your every action, as you are all on the stage of life. If you profess to be a Christian, you need to show it in your actions every day. I love all of you, and I desire that you love Me and your neighbor. Each day you need to consecrate everything and all of your actions up to Me. You need to make some quiet time for Me in your day, so you can pray to Me and give Me your petitions. If you can come to daily Mass, then I can share My love intimately with your soul in Holy Communion. If you make time for Me in Adoration, again I can share My love with you, and you loving Me. I need

to be the center of your life, and you need to make every action a means of following My Will for you. Trust in Me to direct your lives in following your mission on earth. I give you your talents and the graces to carry out your mission. So walk in My footsteps as you imitate My actions on earth. Learn from My Scriptures so you can do the right things without offending Me in your sins. I bless you all day, as you are called to evangelize souls to help save them from hell. I will forgive your sins when you repent and ask My forgiveness. When My faithful come to their judgment, I will say well done, enter into My heavenly court where you will take your place among My angels and saints."
Jesus said: "My people, now that Hurricane Florence is gone, the people of North and South Carolina are dealing with floods from record flood stage on their rivers. Many of these people, who have water damage, do not have flood insurance. You are also seeing an increasing death toll from many flood incidents. Continue to pray your Divine Mercy Chaplets for those victims who have died. Pray also for the flood victims who will have to rebuild their water damaged homes from their own pockets with little Federal aid. It may be difficult to get food, water, and other donations to the people who need them. Pray for these victims that they will receive the needs for their survival, and repairs to their homes. Your people need to understand the connection between your sins, and these natural disasters as your punishment."

Tuesday, September 18, 2018:
Jesus said: "My people, in the Gospel you saw Me touch the dead man, and I said: 'Arise', and he came back to life with the power of Myself and the Holy Spirit. There is also a healing of a dead soul in mortal sin that can be brought back to life by absolution in Confession. I must tell you that I am looking at many dead or black souls on earth, and they are all in need of My forgiveness in Confession. In the vision you are seeing people drinking My 'living water' when they accept the Holy Spirit in My sacrament of Holy Communion. My people need to come to Confession at least once a month, or sooner if you are in mortal sin. You do not want to risk loss to hell if you are called to your judgment in mortal sin. You also want to be reunited in My love by confessing your sins and seeking My forgiveness. With a clean soul you are now worthy of receiving Me in Holy Communion. Keep close to Me in My sacraments, and take advantage of

any opportunity to confess your sins to My priest sons. I love all of you, and I want to see you in a pure white soul."

Jesus said: "My people, years ago My Blessed Mother gave a message after World War I. She said if the people do not pray the rosary and change their evil lifestyles, an unknown light will be seen in the sky, as a sign of another war as World War II that is about to happen. With this vision of a ball of light in the sky, the people on earth are being given another choice to pray the rosary and change their lives, or they will see such a light in the sky to signal the beginning of World War III. Do not take this message lightly, since My justice is about to come over the earth, because of man's sins, and how fewer people are worshiping Me on Sunday. You will see a war that will kill many people, and My faithful will need to seek the safety of My refuges. Keep praying your rosaries to lessen the severity of this war, so fewer people will die."

Thursday, September 20, 2018:

Jesus said: "My people, you have plenty of food and enough money to live comfortably for most people in America. You can see many needs for help in North and South Carolina, as well as in Puerto Rico. There are also many poor countries in need of food and donations as well as your own country. You have several groups you could give donations to help areas without enough food. You can even donate to your local food shelves to help your neighbors in need. There are also spiritually needy people who need prayers, and even sharing your faith to bring them closer to Me, so I can feed them with My graces. Where possible you could encourage relatives and people to come to Confession so they could clean their souls and change any sinful lifestyles. You have so much sin around you, and these people need your prayers and spiritual encouragement in the faith. Give your good example to those around you."

Prayer Group:

Jesus said: "My people, you are seeing more politics and accusations going on

with your latest Presidential nominee for the Supreme Court. You will see the accuser have her day in court, and the Senate will take a vote on any testimony."
Jesus said: "My people, you are living in an armed camp where several nations have nuclear weapons. I continue to request your prayers for peace in the world. There are dangerous moves in the Middle East that could trigger a World War III. By keeping negotiations going between your warring states, you can keep relations calm without a world war. Several people have had visions or messages of a world war, which is possible. Using nuclear weapons cannot win a war, but you are risking the loss of many lives. Pray that such a war does not happen."
Jesus said: "My people, you are seeing several communist states that are using totalitarian control to force atheism on the people. This communist control over some countries is a purge of My people who live in these countries, as they are persecuted for their faith. Pray that such atheistic communism does not take over your country or any other country."
Jesus said: "My people, you have heard reports that church attendance on Sunday in Canada is a lot worse than in America. This number of church attendees is a fair measure of how faithful a country is to Me. Canada has been losing attendance to church over a period of years with a more rapid decrease than America. This is another reason to pray for a firm faith in your country, because it is very difficult to stop the current trend. You have heard Me say: 'Will I find any faith on the earth when I return?' There is a great battle for souls going on, so pray for your families to live a good Christian life."
Jesus said: "My people, you need to have souls who will leave themselves open to My love. If you have an open mind to accept My love into your hearts, you have a chance to be saved from your sins. It is those souls, who have closed their souls completely to My love, that are on a path to hell. Without even a small opening, it is very difficult for a soul to come to Me with no love in their heart. Keep praying for the conversion of sinners, and pray for My grace to open the cold hearts, so they will have a chance to be saved."
Jesus said: "My people, your candidates have many different stands on what they believe. You all can express your free will in choosing your candidates. I have urged you in the past to vote for those people who hold life as precious at all ages. When your people have spoken in your votes, it is proper that their wishes should be carried out, and not overruled by your media. Pray for your country that you can follow My ways and not man's evil ways."
Jesus said: "My people, families today should be praying together now more than ever. The devil is attacking your children through drugs, vaping, and

pornography. Parents should communicate with their children, so they know what they are being taught in school, and what kind of friends they have. Children need a good faith formation early with an emphasis on Sunday Mass, daily prayer, and monthly Confession. You are seeing fewer young people in church because the parents and your society are not doing their job. Pray for your children and consecrate them to My Blessed Mother to watch over them."

Friday, September 21, 2018: (St. Matthew)

Jesus said: "My people, I called Levi, the tax collector to follow Me, and he left his place of collection immediately to follow Me. That night I went to his house for dinner. While I was there, the Pharisees criticized Me for eating with sinners. I told them that the sick need a physician, and I came to save sinners and not the self-righteous. I am calling all of My faithful not to judge people, because I am the only One to judge people, since I know everyone's faults. Just as I called Levi to follow Me as Matthew, so I call all the people to follow My ways as well. When you become My disciple, you need to count the cost of giving up your old sinful habits, and make a new life with Me. I teach you how to love Me and to love your neighbor as yourself. Not everyone will desire to follow My way of life in the Spirit, which means giving up your will over to My Will. Some people are selfish, and they want to be in full control of their lives. If you love Me and accept Me as your Savior, then you will pick up your cross and carry it through the rest of your life. It was not easy for St. Matthew to give up everything to follow Me in faith. But this is what I call all of My faithful to do for love of Me. Trust that I will lead you on the right path to heaven."

Jesus said: "My son, I want you to think of how your deep faith was formed. In a Catholic grammar school you were taught to memorize some basic truths of the faith. You remember your Baltimore Catechism of why you were placed on the earth. You are here to know, love, and serve Me for My greater glory. Your father gave you a deep love for Confession when he took all three of you boys to Confession every month for many years. He also brought you to Sunday Mass until you could drive yourself. You learned Theology and Philosophy when you went to St. John Fisher College for four years. Now you have been receiving My messages for 25 years, and you have seen Me perform many miracles and confirmations of My promises to you. Because of your deep faith, you trust in

Me, and you are faithful to Me despite the fears, anxieties, and worries that the devil tempts you with. You have a faith that is shared with many people in My daily messages to you. You appreciate this special quiet time you have with Me in your Adoration hour. You also need to show your love for Me and your neighbor in your daily actions. Your prayer life and daily Mass and Holy Communion has firmed up your faith the most. Give praise and thanks to Me for your gift of faith and continue to share it with everyone."

Saturday, September 22, 2018:

Jesus said: "My people, it is good to think about your mortality, so you can plan your eternal destination. I am giving you two of your favorite quotes on this subject. Unless you are ready to die, you are not ready to live. As a seed of life, you must die to self in order to bear good fruit, and follow My Will. Many people are afraid to die because they fear the unknown after death. But My faithful people believe in My Resurrection, and they will have their soul and a glorified body reunited on the last day. If you are repenting of your sin in frequent Confession, and you love Me and your neighbor, you do not have to fear judgment to hell. My faithful may have to be cleansed in purgatory, but you are assured of your eternal life with Me in heaven. Trust in My Word of the Gospel and My love for you, and you will have nothing to fear."

Jesus said: "My people, some people have gotten themselves into so much trouble, it may look totally impossible to solve their problems. My faithful servants can help turn troubled people into good stories with some physical and financial aid. If the troubled people are willing to cooperate with Me and My servants, miracles can happen. You can pray to help such souls, but your best help is to get them on to a good education and a good job. Once you inspire hope in a person's life, they will not only thank you, but they will understand your love for them goes beyond what they can understand. My servants will have the joy of helping someone get restarted in life. I can perform the impossible, if

people would just walk with Me in the hands of My helping servants. When you reach out to help people out of love, you will be rewarded for your efforts."

Jesus said: "My son, just as your priest said, listening is as important a gift as speaking. It is important to listen to Me in My Word of the Gospel, and if you are fortunate, to hear Me in locution messages. I want you to take My words to heart, and listen out of love for Me. Take them into your lives so you can share My love with others. Another case of listening is to listen to those people around you in love, so they know that you love them as you love Me. Some people are hoping to tell people their troubles, and you could comfort them. By showing your love and respect for others, you can add love to a world full of evil and hate. Love one another as I have loved you."

Jesus said: "My people, it is good to strive for a good education in college if you can finance it. Having a college degree can help you get a better paying job, but it does not mean you know everything. It usually means you know a little about your field of study, but you need experience on the job to put your knowledge into something useful. Because you are knowledgeable in one field, it does not mean you are capable in other fields. There is another graduation that requires a learning in faith, and that is when you die and come to your judgment. Some people may not even be prepared for their judgment, and their souls may be at risk of being lost in hell. In order to pass life's graduation, you must be educated in My laws and My love. First you must recognize My existence, and know that I died for your sins on the cross. I am your Creator and your Savior. My Commandments are all about love of God and love of neighbor as yourself. Once you are aware of My love, you also need to know about My mercy and forgiveness in Confession. When you disobey My laws, I call you to repent of your sins, and seek My forgiveness. If you keep your soul clean, and show your

love for Me on Sunday and your daily prayers, then you will know Me. Those souls, who do not repent, and do not love Me, will fail at graduation on a path to hell. Those souls, who repent and love Me, will pass their graduation into heaven. Passing your life's graduation will be the best degree you could obtain."
Jesus said: "My people, My faithful are already being martyred in foreign lands, and you need to pray for all Christians who are being tortured or killed for their faith. You are seeing already how evil it will be during the tribulation. I will warn My faithful when the evil ones will begin their purging for the Antichrist. You know at that time, it will be necessary to come to My refuges. My refuge builders have been preparing for this time of tribulation for a long time, and now it is at the door. Trust in My angels of protection, and My multiplication of your necessities. I will send faithful to you, who have crosses on their foreheads. You will be praying more than now at your refuges."

Jesus said: "My people, every work day people have to struggle in the morning to get to work on the road. People, who have jobs, are fortunate to be able to earn a living to support their families. Your unemployment rate is quite low, which is because of your good economy for now. When people have money to pay their bills, there is calm among these efforts. You need to thank Me for helping you in life to have your necessities provided for. For those people, who are suffering through floods, you need to pray that they can have food and water to survive. Some people have lost homes, or their homes were damaged by water or fires. You can help them physically and with your donations. You all know how hard it is to recover from a flood. So do not complain that your life is a struggle, when you see others have to deal with no power and damaged homes. Be thankful for what you have, and reach out to help those who need food and shelter."
Jesus said: "My people, I have warned My people not to take the flu shots because they can do more harm than good. The Pharmaceutical companies make millions of dollars on the flu shots every year in the fall. It is the government who subsidizes the cost of these shots, so they can be given out for free. These companies make a calculated guess as to what virus strains that will be prevalent during the year. This is because it takes six months or so to make the flu shot

batches. This is why with mutations of the flu, that these shots may only be 30% effective. The side effects of these shots make some people sick, and they can have a bad effect on your immune system that could be harmful to some people. It is better to take your Hawthorn pills, herbs, and vitamins to build up your immune system. Many flu causing symptoms are caused by the chemtrails in the sky. When virulent viruses are used to reduce the population, I will warn My faithful to come to My refuges. When you look upon the luminous cross, you will be healed of all of your sicknesses. Trust in Me to protect you from physical and spiritual harm at My refuges."
David Schaefer: Jesus said: "My people, David was a very helpful leader for Queenship Publishing Co, and he will be missed by many, and especially by his mother. He loves all of his family, and he needs some prayers and Masses in upper purgatory."

Jesus said: "My son, you can identify with My apostles when you and your wife travel out to share My messages with the people. You have also learned to travel light because it is cheaper to only use carry-on luggage on the airplanes. You may not have the miraculous gifts of My apostles, but with vans and airplanes, you can travel further and faster than My apostles did. I thank you for the many years of your missionary work."
(Anniversary of Camille Remacle's death, Carol's father) Camille said: "Hello John and Carol, I want to thank you for taking care of Vic at the hospital for his dog bite. Thank you for providing what he needs in his house and for his food. I now understand why you do not charge more for your books, because you are doing God's work for free. I am proud of you for your missionary work, and I see how gracious you are to help souls for Jesus."
Jesus said: "My people, your U.S. ships have many armaments for both defense and offense at sea. One of these new weapons is called a rail gun that could be mounted on ships, and it fires a projectile at thousands of mph. Such a weapon could possibly destroy incoming missiles, attack other ships, or target land targets. This could be useful in any sea battles. Do some research to see how accurate such a device could be. China is developing multiple missiles to attack your ships all at once, along with EMP devices. There are many sophisticated

weapons being used, but it is hard to know how they would perform in a battle. Trust in Me that My power is greater than all the newest weapons being developed. My angels will protect My faithful at all of My refuges."

Jesus said: "My people, I am showing you a time when you will no longer have Mass available in your churches. This will be caused by the division in My Church, or by your government which will close or burn the churches. I told you before that My angels will remove My consecrated Hosts from the closed or burned churches. You are seeing evil things closing in all around you, as you will be seeing a communist and Muslim takeover by the one world people. The evil ones want total control over the people, including mandatory chips in the body, or the mark of the beast. Before this happens, I will warn My faithful when it is time to leave for the safety of My refuges with angel protection. My refuge builders need to quickly finish their projects, so they can welcome My people at the proper time. Trust in My protection from the evil ones who want to kill you and steal your souls."
Prayer Group:
Jesus said: "My people, abortion is being allowed by your Supreme Court decision, and it is the most grievous sin America has had in allowing the killing of My babies. This decision is totally against My laws of the Fifth Commandment, and you are killing a million babies each year. Your best chance of changing this decision is to put a judge on the court who supports life at all ages. Keep praying for such a judge to be put on the Supreme Court."
Jesus said: "My people, you have seen some serious natural disasters that have emphasized the need to be prepared for any emergency. I have asked My faithful to store six months to one year of food for every member of your household. You saw how quickly food and water were cleared out of your stores with the latest hurricane. Most stores have only three days supply of food in their warehouses. By being prepared with food, water, and batteries, you will be ready for the next disaster, even when you are called to My refuges. I will multiply your food, water, and fuels for your survival."
Jesus said: "My people, there are some people who trust more in their stocks and money than they do in Me. Your stocks can crash, and your money can become

worthless, so it is much safer to put your trust in Me for everything. I love all of you, and I want you to love Me in return, because I can provide for all of your needs. Your country needs to repent of its abortions and sins. Then you will continue to prosper."
Jesus said: "My people, many of the rivers in North and South Carolina are cresting and are still at record flood stage. Keep praying for these flood victims, and work to donate what money and time you can give to help them. It will take some time for the floods to subside, so people can return to their homes. They will need Federal and state aid to restore their homes to shelters they could live in. Pray that they could be spared any more rain so the waters could subside."
Jesus said: "My people, you have been enjoying a good economy for a number of years, but these times can change with your increasing interest rates and foreign tariffs. October has been a trying month for drops in your stock market. Pray for your people to repent of their sins and improve their lifestyles. I have warned you to make such changes in your lives, or you could see some financial troubles. Pray for your morals to be improved, or you will see more punishments for your sins."
Jesus said: "My people, you are seeing a battle of fund raising, as some people think they can buy elections with enough campaign ads and literature. You have further concerns over the manipulation of your voting machines. This has become a problem when machines are hacked or manipulated for changing votes to a certain candidate. Pray for a fair election, but be aware of possible cheating."
Jesus said: "My people, My angels are watching over you all of the time. You can pray for help from your guardian angels, and you can pray your St. Michael prayers for deliverance of sinners and addicts. Remember to call on Me to send you My angels whenever you are under attack from the demons. My power is always greater than the evil ones all around you. So pray to Me and trust in My help every day."

Friday, September 28, 2018: (St. Lawrence Ruiz & companions)
Jesus said: "My people, today you have daily Mass at your churches, but a time is coming soon when you will see a division in My Church. There will be a split between a schismatic church and My faithful remnant. The schismatic church

will teach New Age heresies, and that the sexual sins are no longer mortal sins. When you see New Age teachings come into a church, then leave that church for one that does not teach heresies. I tell you that you will not travel to all the towns of Israel until a time of tribulation will come upon the earth. Once this evil time comes, I will direct My faithful to My nearest refuge where My angels will protect you. Today's martyrs died for their faith, and soon you will see more severe persecutions in My Church of today. Trust in My protection no matter how far you will have to travel to My refuges. When you come there, My angels will multiply your food, water, and fuels for your survival."

Saturday, September 29, 2018: (St. Michael,St. Gabriel,St. Raphael)
St. Michael said: "I am Michael and I stand before God, as I am a leader of God's angels. In the first reading you read how there was a great battle in heaven between those angels who wanted to serve God, and those angels like Satan, who refused to serve God. Lucifer was the brightest angel, but pride overtook him, and he would not serve God. I then cast Satan and all the evil angels down into hell on the earth. Hell is forever, and the bad angels suffer in the flames of hell, and they are now ugly looking beings. They are allowed to tempt humans into sin, if the humans so choose. I and the good angels of God are preparing for another battle with the demons and the evil people at Armageddon. The Lord and all of heaven will be victorious again against Satan, the Antichrist, and the false prophet. God's power is much greater than all of the evil ones, so have no fear of them. Call on us angels to defend you when you are attacked by any evil angels. Today is the feast of the Archangels of myself, St. Michael, St. Gabriel, and St. Raphael. Give praise and glory to God for all of His creation. You pray my long form prayer to protect you in your travels, and to help those souls who are away from God. Keep praying this prayer of protection and deliverance because I and your guardian angel are always at your side to protect you from harm and the evil ones."

Sunday, September 30, 2018:
Jesus said: “My people, you have heard Me talk of My prophets in the readings. Each prophet has been given a separate mission, but they are all directed to share My Words of love, and to reach out to save souls from hell. I do caution My faithful to discern the meaning of their words. Just as I send out My prophets, the evil one sends out false prophets as well to mislead even My elect. Trust in My Good News of My Resurrection, but do not listen to the false news of the evil ones. You have a strong message to follow My ways, so you will not be misled to a path to hell. I call you to worship only Me, and do not worship gold, silver, or your possessions as idols. When you focus on following My Will, and repent of your sins, you will be on the right path to heaven. If you follow your own desires for comforts, or listen to false prophets, you could be misled down the path to hell. Avoid all temptations to sin, and come to monthly Confession to keep your souls clean. Pray to Me daily in your rosaries, and you can join your heart with My Sacred Heart and My Blessed Mother’s Immaculate Heart. We love all of you, and we direct you on the right path to heaven. Give praise and glory to Me, God the Father, and God the Holy Spirit.”
Jesus said: “My people, many of you have been waiting for things to begin the end times with My Warning. Some people have even complained that this should have happened sooner. You do not know how evil it will get before I bring My Warning. Once you see the two suns in the sky, you will see My Warning, when everyone will have their life review at the same time all over the world. After reviewing your life’s actions, you will face a mini-judgment to heaven, purgatory, or hell. You will have six weeks to convert your family and friends. You are anxious for My return, but you must first be tested by the tribulation of the Antichrist. I will send My faithful to My refuges at that time for their safety by My angels. Be prepared at My refuges. This is why I want you all to have one more practice run overnight with your prayer groups to test the readiness of My refuge builders. I am asking you to do this because this time is coming soon. This place where you are, is a refuge as it has been prepared for many years. Have no fear because I will be helping you to get through this trial. At the end of this trial, you will see My return in Spirit to renew the earth and bring My faithful into My Era of Peace.”

Monday, October 1, 2018: (St. Therese of Lisieux)
St. Therese said: “My dear son, it has been awhile since I gave you a message. I am thankful that you prayed your novena of the 24 Glory Bes to my intercession. I want to bless all of you, and I pray that you can follow my ‘Little Way’ in your lives. Give up all of your actions to Jesus, and He will bless you for all of your good works. You see me in my statues that I am carrying my cross and my red roses to honor Jesus. Jesus calls us to pick up our cross of life, and carry it through life so we remember how He died for all of us in His crucifixion for our sins. I love my Jesus so much, and I want to be an example for all of you to follow. You remember several times in life when I sent my rose to help you. Many times people pray to me for intentions, and I send my roses to comfort them in their troubles. Remember how I lived a simple life to gain my salvation, and all of you can live this way of loving Jesus, and He will reward you in heaven.”
Jesus said: “My people, you have seen all the damage caused by Hurricane Florence as more people are being added to the death toll. These people have not seen so much water damage than with any other storm. The floods are still subsiding, and the length of time their homes were under water, insures many homes will be a total loss. You need to pray for these people who will have to start all over to make a new home. There are still needs for food and water to help these people to survive. You may be able to send donations to get them through a tough time when they need your help.”

Tuesday, October 2, 2018: (Guardian Angel day)
St. Mark said: “I am Mark and I stand before God. I thank you for praying to me every day, and I watch out for your spiritual welfare constantly. When you are traveling, you keep me busy all of the time. There are so many evil distractions around you all the time in this world. Your dedication to the Blessed Mother’s rosary has kept you protected through these many years of your mission. You give praise and thanks to God in your Adoration hours every day. Just as you adore God, we angels adore God every minute of every day. You have a strong faith to spread God’s Word, and you work on trying to save souls as well. Continue to stay close to Jesus, and you will keep your gifts. I watch over you,

and you can call on my help at any time you need me."
Jesus said: "My people, you are seeing a dark evil come over your country as the opposition party will do about anything to take back control of your Congress. You will see the social media controlled by activists that will try to win the Congress any way they can. You will see more manipulation of the polls and the voting machines as before. You could even see violence and an attempted coup to try and take over your country. The socialists, who are trying to take over, will be using communist tactics, and the people will see how truly evil they are for power and greed. The television programs will continue their false accusations of whatever your President does, even though he is working hard to make your country better. The lies and disinformation will get worse, and your country could be on the brink of an instigated civil war with the one world people behind it. Pray for peace in your country, because there are evil people who are behind causing division among your people."

Wednesday, October 3, 2018:
Jesus said: "My people, you have been reading the account of Job in the Bible, and you see how I allowed a test of Job's faith in Me. He lost his family and his wealth. Some people are aware of the saying about the 'patience of Job'. In all of his trials, he was always faithful to Me, and later he was rewarded when I restored his wealth. Some of My people get upset when just a small discomfort, or a small loss occurs. You need to take a lesson from Job, and keep faith in Me no matter what happens to you. I can give you gifts, and I can take them away. You need to learn about not worshiping possessions, and depend on Me for everything, and not on your wealth. I know what you need to survive, so trust in Me, and call on My help when you have difficulties. I am always at your side ready to help you, because I love all of you so much."
Jesus said: "My son, you have been traveling a lot this year, and you are seeing a cross in your travels. When you have talks close together, it is difficult to keep up with all of your responsibilities. Go where you are invited, and I will protect you from any criticism. You have scheduled a lot of visits because it will become more difficult as time approaches the tribulation. Then there will be more problems when the evil ones will taunt you more. Keep praying your long form of the St. Michael prayer for protection, because the devil's attacks will keep

getting stronger against you as time goes on."

October 11, 2018

Thursday, October 4, 2018: (St. Francis of Assisi)

Jesus said: "My people, I am showing you black clouds coming over America, more from a political conflict than from a physical volcano. I told you more demons are coming up out of these volcanoes, adding to the evil you already have. The opposition party will do almost anything to take back power in the Senate and the House. They will flood your media with lies and disinformation to confuse your voters. They may even cause more riots at your election rallies. The goal of the one world people is a takeover of your government, and they will stop at nothing to achieve their goal of a communist takeover. These black clouds indicate an increase in violence like you have never seen before. This attack on your President's Supreme Court nominee, is just the beginning of the opposition's desperate tactics. They could even resort to shooting your leaders, or some other means to eliminate their competition. Pray for the safety of your government leaders who will be coming under physical attack, and mob violence."

Prayer Group:

Jesus said: "My people, you have seen how the opposition party has done everything to block your current nominee to the Supreme Court. There have been many delaying tactics to block this confirmation. Just as you had to pray hard to My Blessed Mother to get President Bush and your current President elected, so you will need to send a novena of prayers again to get your Supreme Court nominee confirmed. There are many protests, but now is the time to take a vote."

Jesus said: "My people, you have had some success in your tax cuts and trade talks from your current Administration. The upcoming elections could determine whether or not your President can continue his success in running your government. There is a thin majority in the Senate, and it could determine if your President could put more people on the Supreme Court. Pray for your country and its leaders to do the right thing for your people."

Jesus said: "My people, you may or may not know about the hundreds of detention centers all across your country. They have many foreign troops there, with the intention to imprison all those people who refuse to take a mandatory

chip in the hand. Those people, who are captured, could be gassed and cremated in these facilities. Before you could be threatened by these UN troops, I will warn My faithful to pack up and leave your homes for My refuges. Call on your angel to lead you to the nearest refuge at the proper time."
Jesus said: "My people, those people, who are advocating for socialism, are really pushing for a communist takeover of your government. Listen to their deceptive campaign for complete government control. They will even try to take away the rights of your states for government control. If you allow the activists to get voted into office, you could lose your rights and freedoms. Be careful to discern what candidates you are voting for, so you know their intentions."
Jesus said: "My people, I have asked you to pray for your country, and there are many intentions you could pray for at these rosary celebrations. My Blessed Mother's rosary is a powerful weapon against all the evil going on in your country. Evil will appear to be winning for a while, but in the end our two hearts will be victorious over the devil, the Antichrist, and all the demons. Trust in My power which is greater, and continue to pray your daily three rosaries."
Jesus said: "My son, you are getting closer to the coming Warning and tribulation. When the evil ones will gain control over the world, I will warn My faithful that it is time to come to My refuges for your safety. My refuge builders have been preparing for My people to come to My refuges. By practicing your overnight stay, you can be better prepared for the real event of the tribulation. Learn from your experiences so you will be ready to endure this evil time. Trust in Me and I will provide for all of your needs."
Jesus said: "My faithful people, you are the ones who have crosses on your foreheads, and who will be able to enter My refuges of protection. You will see My angels provide miraculous protection from all the plans of the evil ones. When you look on the luminous cross, you will be healed of all of your ailments. I will multiply your water, food, and fuels so you can survive the tribulation at My refuges. Have no fear of this time and trust in My protection. No one will be able to challenge the power of My angels."

Friday, October 5, 2018:
Jesus said: "My people, you are celebrating First Friday in front of My Blessed Sacrament. I have left you My Real Presence in every consecrated Host. On

Friday I died for everyone's sins, and I did this out of My love for you. This is why I am showing you My Heart because I want to save all of My faithful. It is your free will decision to show your love for Me in return. I call everyone to love Me, and I bless those people with a gift of faith for those who love Me. This world has many evil distractions, and those people who are faithful to Me will receive My heavenly reward. I call My people to show Me their love by their daily prayers, daily Mass, Adoration, and monthly Confession. By staying close to Me with a clean soul, you will be protected from the devil's temptations. Trust in Me and My angels to watch over you and protect you."

Sunday, October 7, 2018: (Our Lady of the Rosary)

Jesus said: "My people, those couples who wish to be married should get married in My Church with the sacrament of Matrimony. Those couples who get married by other means, can still be married in My Church. Those couples, who live together in fornication or homosexual marriage, are living sinful lifestyles. The couples of man and woman should get married in My Church also to avoid living in sin. Homosexual couples are living in sin, and they cannot be married in My Church. They need to change their lifestyle to man and woman couples to get married in the Church. Couples who were married in the Church, need to have annulments in order to get married again. Annulments can only be obtained if there were impediments in the first marriage. Parents need to encourage their children to marry in the Church, and not to live in fornication or adultery. It is important to live your faith in proper marriage, and avoid sex outside of marriage. By following My laws, you can avoid sexual sins that could lead people to hell, if they do not seek My forgiveness."

October 11, 2018

Monday, October 8, 2018:

Jesus said: "My people, you heard a good explanation of the Gospel of the 'Good Samaritan' by the priest. You were told the first and second Commandments of loving Me and your neighbor as yourself. Then you were given an explanation of who your neighbor is. You are to love everyone, even

those people you call your enemies. I love all of you, even those people who do not love Me. I am showing you more destruction that will be brought upon you by your enemies. You are seeing the smoke and destruction of your Freedom Tower. The devil and the one world people are so angry at your President for undoing all of their plans, especially putting in two justices on the Supreme Court. This is why the evil ones will be striking back with a major evil event to try and stop what your President is doing. You are seeing the frustration of the one world people, and they will be planning more violence for your mid-term elections. Pray for your country because you will be going through some dark times. When the evil gets so bad, I will warn you when it is time to come to My refuges."

Jesus said: "My people, I have told you that every refuge should be consecrated to Me, and you need a source of fresh, drinkable water that will not be shut down. You have water piped into your house from the city or town water. At My refuges you will need to be independent from the outside world. This means you cannot depend on your water lines that could be turned off. Many refuges have streams of water or lakes. Other refuges, as your own refuge, have had to drill wells to get water. In your practice runs, you saw how much water 25 people use in one day. This is why it was important to have your water well put in because you cannot survive without fresh water. I will multiply your water at your refuge so it will not run dry. All of My refuges need to take a lesson from your experience, and spend the money it takes to have a well dug, if you do not have any other source of water. This is one of your main projects of this year, and I provided the workers and the materials you needed."

October 11, 2018

Tuesday, October 9, 2018:

Jesus said: "My people, you read the Gospel about Mary and Martha, and it takes some understanding to see the two missions that people have. When you have guests, you are always willing to offer meals and a place to sleep. You clean the house and make it ready for your guests. When you invite Me into your house, this is a different mission of cleaning your spiritual home in your soul with Confession and Mass. Martha was busy with offering Me meals and a clean house, but Mary was giving Me her undivided attention of loving her Lord. I would not take that opportunity away from Mary, as Martha complained. These

missions are both needed when you are hospitable to guests, and your prayer life with Me out of love. This is also a lesson for all of you not to be complainers, but you need to reach out to everyone in love, and especially to your Lord. I love all of you so much, and I am pleased to see you return your love for Me. Trust in My help, and you will always have My peace."
The Holy Spirit said: "I am the Light and the Flame of God's love that came down upon the apostles. I give you My gifts to strengthen your faith, and I give you the words to evangelize souls to the faith in the Good News. I watch over all of those people who are faithful to God, and I pray for the souls who are away from God. Do not ever give up on any soul, but be persistent in your prayers to save souls. Love is what joins Us Three Persons in One God. We call on all of you to love Us and your neighbors. The Flame of My love rests upon all of you, just as it did on the apostles. Give praise and thanks to Us for all the gifts We bestow on all of you."

Wednesday, October 10, 2018:
Jesus said: "My people, I am showing you the Good News of My Resurrection, and My faithful will be resurrected on the last day
as well. This is the Good News that I want My faithful to spread to all the nations. I love all of My people, both the Jews and the Gentiles. St. Paul welcomed the Gentiles into the Christian faith with Baptism, and they were not obligated to follow all of the Jewish customs. I came to save all souls, and you need to seek My forgiveness of your sins, and accept Me as your Savior. By giving your will over to My Divine Will, you will be able to carry out your individual missions. To come to heaven you must love Me and your neighbor as yourself. By being faithful to My laws, and coming to frequent Confession, you will be prepared to meet Me at your judgment."
Jesus said: "My son, you were walking amidst a village of old houses that did not have electricity and very little running water from wells. If you have your electricity turned off for a long time, you would have little light from candles or your battery lanterns. If people do not have much food stored, they could die of starvation. I will multiply your food at My refuges, so trust in Me for your survival. This is why I am showing you My refuges where I will feed My people so they can survive the tribulation. Many people do not have much food stored,

which is why I told you to have at least 6 months to 1 year of food stored for each member of your household. My refuge builders have been working hard to prepare their refuges to receive a lot of people. At My refuges during the tribulation, you will be living as back in the 1800's, so be thankful that I will be providing for your needs."

October 24, 2018

Thursday, October 11, 2018: (St. Pope John XXIII)

Jesus said: "My people of America, you have just witnessed Hurricane Michael as a category 4, strike your nation in Florida with great devastation and flooding. You have had several storms strike America, as I told you how events will happen one after another. Many of your people do not realize how these natural disasters are a punishment for all of your sexual sins and your abortions. In the vision you saw a flood of water from the storm surge that has inundated your Florida coast. You are still assessing the damage and those who were killed by this hurricane. You will need more help for all of these storm victims who lost their homes. You can also pray your Chaplet of Divine Mercy for all the people who passed away to help save their souls."

Prayer Group:

Jesus said: "My people, you are just starting to see the pictures of destruction caused by Hurricane Michael. You are seeing floods and over a million people without electricity. It will take months or longer to clear the debris and restore the power. Keep praying persistently for the victims and for the souls who died. Each storm has been taking its toll on homes and businesses. Call on My help to bring peace to those who lost their homes. Trust in Me that people will wake up to the need for prayers to stop the abortions. These storms are a punishment against America."

Jesus said: "My people, your stock market rose to unusually high prices, and now concerns about interest rates and trade tariffs have taken its toll on these prices. You have seen serious drops in your market in October over the years. Pray for your people that your economy can continue to thrive. It is the speculators among your traders that have shaken the confidence in your prices. Trust in Me to protect America from further financial problems."

Jesus said: "My people, the first chore after a severe storm is to be able to clear the storm damage from the roads. Restoring power where homes are still intact

will be the next stage. Rescue workers will be searching for people in need. Many people could see power outages for a long time. There are many line workers who are coming in from other states to help Florida to restore power. Keep praying that food and water can be brought to the storm victims in their need."

Jesus said: "My people, you will soon be voting for all of the House Congress people, and a third of the Senate. There has been a lot of division between your parties, and there is some concern over fair elections without cheating on the polls and election machines. The confirmation of your Supreme Court nominee reached new lows in protests, and it has made new precedents for future confirmations. Pray for peace among your people, and to quiet down the anger between your people."

Jesus said: "My people, not only are you seeing disasters in America, but you are seeing thousands of deaths in Indonesia and Haiti from severe earthquakes. It is unfortunate in these poor countries where it is hard for these people to recover from such destruction. These countries need to depend on more well-to-do countries to help them weather their disasters. Be observant of the need for help with food and water in these devastated countries. Now is a good time to help your neighbor in America and abroad."

Jesus said: "My people, there was an initial goal of protecting your steel and aluminum with some tariffs. As other countries reacted with their own tariffs, you can see increasing tariffs being proposed for other products, especially with China, because of the high trade deficits. As a result, you will be seeing some increases in the cost of many of your products in the stores. Pray for reason in all of your trade negotiations, so the economies of all the countries are not damaged."

Jesus said: "My people, having relics of the saints to venerate, is also a prompting to lead your lives in following the example of the lives of the saints. You have a rich treasure in the lives of the saints, and these relics can help focus your lives on how I want you to live. When you follow My laws and confess your sins often, you will be rewarded as you imitate My saints. Venerate these relics as you have devotions to My various saints. You are all working toward being saints, and it is comforting to see how some souls have achieved sainthood. It is possible to be a saint, so keep progressing toward your perfection."

October 24, 2018
Friday, October 12, 2018:
Jesus said: “My people, this comfortable chair in the vision is how some people are taken up with a good life, but then you can have the destruction of a hurricane in an instant. In life you have to be alert to natural disasters so you can seek safety in an evacuation. People can also get comfortable with their spiritual life, but the devil never sleeps. You also need to protect your soul from spiritual destruction as well. By daily prayer and frequent Confession, you can protect yourself from the devil’s temptations. So just as you are alert in this life for your survival, so you also must be alert spiritually to protect your soul. Pray for all sinners and for the souls suffering in purgatory.”
Jesus said: “My people, you have heard Me complain of all the babies that you are killing in abortion. It is so evil, I can no longer look at the doctors and mothers who are killing their children. You just saw the Gosnell movie in the theater, and you saw the irony of how one doctor was killing live babies with scissors on their necks, and the other abortionist was killing live babies in the uterus with salt needles into the heart. Every abortion takes the life of a live baby, and they are all murders against My Fifth Commandment. America is allowing one million babies to be aborted legally every year. Very few are struggling to stop this carnage, and I keep asking you to pray for your abortions to stop. Abortion is the blood on all American’s hands, and you are paying for this in your natural disasters. Keep praying for these mothers to have their babies, and not to abort them. How can a mother kill her own child? This is not just a blob of tissue, but they are all human little babies that you are killing. The more sins you commit, the more evil will be compounded. Please stop your abortions, or your whole country will look like the Florida beach that was decimated by Hurricane Michael.”

October 24, 2018
Saturday, October 13, 2018: (Our Lady of Fatima)
Jesus said: “My people, you have viewed ‘Baby Boy A’ who was 32 weeks, and he was fully formed and living before he was brutally killed by using a scissors

to cut his neck. This was from the Gosnell movie that many people should see, and it could change hearts, if people so choose. When people understand how grisly it is to kill your own babies, they could change to a pro-life position as many of the cast in the movie did. My Blessed Mother gave you a message that to do nothing to stop abortion, is the worst sin of omission. Even in the Gospel, I said how people should hear My words and act on them. You are praying to stop abortion, and some people even pray at the abortion clinics, and counsel women not to abort their children. Even in your upcoming elections, you should vote for the candidate who supports life, instead of those who promote death of the unborn babies you saw in the vision. America will pay a dear price for all of your abortions, and the decision of your Supreme Court to legalize abortion. Pray that this decision can be overturned, and that your mothers will wake up, and stop killing their children."

Jesus said: "My people, you could know all of the information in all of these books, and you would just be touching the surface of all the information I have of this world. So do not be prideful of having so many degrees, because you are far from knowing everything. Some people with college degrees may try to belittle people who are less educated. I am impressed more by your prayers and love of Me and your neighbor, than by how smart you are, or how many possessions you have. You should practice humility because all of heaven is watching you. By taking time for praying for your intentions, I will grant your requests that are good for your soul. Take time also to listen for the needs of the people around you, so you can help them physically and share your faith with them. You will see that everyone has the same basic needs for food, water, and shelter. Pray for everyone to be able to obtain the basic needs to survive, and pray for the souls of sinners to be saved from hell. I love all of you, and I will see to all of your needs both now, and during the tribulation."

Sunday, October 14, 2018:

Jesus said: "My people, in today's Gospel a rich man asked Me 'What must I do to gain eternal life?' I told him to follow My Commandments of loving Me and loving his neighbor. I also told him that he could give his possessions to the poor and follow Me. But he went away sad because he had many possessions that he did not want to give up. I told My apostles that it is more difficult for the rich

people to come to heaven because they do not want to be humble in giving up their possessions. In life you will suffer as I did, and you would rather depend on Me to provide for your needs, than depend on your wealth. I can help you out of love, but your wealth is cold and can be stolen. I can do the impossible to help you, which is more dependable that wealth that can dissipate and be lost. Let Me lead you in life by giving up your will to follow My Divine Will. This is how you can labor in the world to help save souls, and share your wealth and your faith."

Monday, October 15, 2018: (St. Teresa of Avila)

Jesus said: "My people, I told the people of My day that they were looking for a sign, and the only sign I will give them is the sign of Jonah. For Jonah told the people of Nineveh that their city would be destroyed in forty days if they did not repent and change their evil lives. The people of Nineveh repented, and their city was spared. I have told the people of America that you also need to repent and change your bad lifestyles, or you will see more punishments like Hurricane Michael. All of My prophets of the end days have had the same message, and some are asking the people to prepare refuges where My faithful will be protected from the evil ones during the tribulation. The devil's times grows short, and soon I will bring My victory over the evil ones. Prepare to come to My refuges at the appointed time, because I will protect you and feed you what you need."

Jesus said: "My people, when souls become addicted to drugs, alcohol, or any number of addictions, they are controlled by the demon of that addiction. In the vision you are seeing a whirlpool of evil when souls allow themselves to be sucked into the power of the demon of their addiction. You need prayers of deliverance or an exorcism to break these addictions. If a soul knows about Me, that soul can call on Me to send My angels to break any hold of the demons on that soul. I am more powerful than these demons, but the soul needs a desire to break any addiction. When you give your 'yes' to an addiction, you are opening a portal for the demon to control you. This is why you also need to say 'no' to continuing any addiction to close such a portal. You also need to say 'yes' to My help by your deliverance prayers as the long form of the St. Michael prayer. You can also pray this prayer for your family members to deliver those souls from the

demons of their addictions. Remember to pray this prayer often, because it is your persistence in prayer that can save the souls of your family and friends."

Tuesday, October 16, 2018:

Jesus said: "My people, it does not matter if you talk about people in My time on earth, or now in your time, man still has the same weaknesses. The Pharisees were full of pride to follow the Mosaic customs in public, but they were not following the rest of My laws of love. Even today, some people put on appearances of being holy, but they are not Christian in the way they deal with people. The Pharisees also demanded the people to pay the temple tax, while they did not give alms to help people. Your people of today give token amounts to the church and other charities, but they lavish themselves with many expensive possessions, eating in restaurants, and taking expensive vacations. Many of your people could share some serious donations for church and charities, if they put more love into helping people, instead of being selfish. The lesson here is to have less pride and more humility. It is also to be willing to share your wealth with those people who are in need for their survival."

(St. Margaret Mary Alacoque, Sacred Heart) Jesus said: "My people, many of you have pictures displaying My Sacred Heart, and today's St. Margaret Mary Alacoque promoted this picture of My love for mankind. She had opposition in her order, but she was persistent out of love for Me. Her visions from Me proved to the religious authorities that honoring My Sacred Heart in June was worthy of a special feast day. Most people, who have this picture, see a flame of burning love, and a crown of thorns around My Heart, indicating how I suffer for all sinners. I love all the people so much, that I died to forgive your sins, and I bring salvation to all souls who accept Me as their Savior. You also see many pictures of My Sacred Heart joined with a picture of the Immaculate Heart of My Blessed Mother. Our two hearts also has a special devotion. Love comes from the heart, and My Sacred Heart shows you how much I love everyone, and I ask you to love Me in return."

Wednesday, October 17, 2018: (St. Ignatius of Antioch)
Jesus said: “My people, in the early Church many Christians were fed to the lions in the coliseums of the emperors. This is why the early Christians lived and were buried in the catacombs for protection. It took a strong faith to be a Christian, because you could be killed for your faith at any time. This same persecution will be coming to this present age. When the lives of My faithful will be in danger, I will warn you when it is time to come to the new catacombs at My refuges. My prophets and faithful have been hiding from persecution for many years, and it will be worse during the tribulation. You have lived in a free society in America for many years, where you have had freedom of religion. But when the atheistic communists take over, you will be sought out to be killed by the evil ones. This is why I have asked certain faithful to set up refuges of safety that My faithful could enter for protection with My angels. Be thankful that I am providing safe havens for My faithful, where My angels will protect you and feed you.”
Jesus said: “My people, you are still seeing power being restored to places hit by your latest hurricane, especially in Florida. The vision of wire is how the linesmen string new communication wire and power wire to restore power and phone service. The searching is still discovering more dead people in the rubble. This storm moved through very quickly, but the surge and high winds have caused catastrophic damage. Keep praying for these victims who lost their homes, and are having trouble finding food, water, and another place to live. The storm damage was spread into several states, and it will take some time to restore many places back to normal. Your storms this year seem to be getting as bad, or worse than last year’s storms. The damage is taking a toll on your economy, and in some cases lost crops. These storms are sending you another message, that your people need to repent and change your evil lifestyles, or you will see more punishments. You need to stop your abortions, and all of your sexual sins, or worse storms will come. As you see cold weather moving in, you will be facing snowstorms soon. Be prepared for all of your winter problems that ice and snow can cause. Call on My help to get you through these daily trials.”

Thursday, October 18, 2018: (St. Luke)
Jesus said: “My son, these readings about traveling to spread My Good News, is

very familiar to you, because you and your wife have been traveling to evangelize for over twenty-five years. You have been traveling more that usual this year, and for a longer number of days. You travel light with carry-on bags for your clothes and your books. You share My messages, and you bring rosaries and scapulars as well. The people need to hear My words on sin, and things they do not hear much in the churches, especially about purgatory and hell. In the Gospel it even mentions about how the laborer deserves to have someone put you up for the night, and provide for your food. In some cases when you fly by airplane, you also need help with your ticket. I have always provided for you in health so you could travel. Remember to pray your long form of the St. Michael prayer before and after you go to a venue for your talks. My angels are also watching out for you against the devil's obstructions to your travels. Trust in Me to help you in spreading My Word, and you will both have a prophet's reward."

Funeral of Joseph Marcello:

Jesus said: "My people, Joseph was a very industrious and kind man throughout his working life. He also served his country well. He will be missed by his family and friends. He will be watching out for his family, who he loves very much. He will be praying for all of them as well. Pray for his soul as you remember him in his pictures."

Prayer Group:

God the Father said: "I AM WHO AM, is warning America about the plans of the evil inspired deep state. Their goal is to win the House or the Senate by whatever means possible. Your opposition party will again try to rig the voting machines to favor their candidates. The evil ones behind the deep state will try to outspend their opposition to gain any possible advantage. If they cannot win at the ballot box, they will try to cause a coup or revolution against your duly elected officials. Your President is thwarting all of their global plans, so expect a vicious backlash, if they do not win. Pray for calm in your country."

Jesus said: "My people, you can see the evil working against your government, when witches join together to send hexes upon your government officials. This is how desperate they are to take over your government. You saw the attacks on Justice Kavanaugh, and you will see even worse attacks on your Congress people running for election. Pray for civility among your people without any resort to violence."

Jesus said: "My people, every year you are seeing more focus on glorifying Halloween costumes, pumpkins, and even the emphasis on the day of evil demons and scary costumes. Have your children avoid evil looking costumes,

and only give glory to Me, and not the day for the demons. When you glorify evil, you are inviting the evil spirits to have reign over you. Instead, glorify Me over the demons who have little power against Me. Do not let people bring evil over you on this day before All Saints Day. By loving Me and following My laws, you can put aside all the distractions of the devil."

Jesus said: "My people, you are in a battle to support life in America, and not the abortion of your babies. It is very clear that the opposition party supports abortion and many other evil positions. It is up to your American voters to vote for those candidates who support life. You are being given a choice for life or against it. Call on My saints to help win your election for life. Be prepared, My faithful, because the evil ones are looking for any way to take over your country. Once you are taken over by the one world people, you will face relentless persecution that will require coming to My refuges. Trust in Me to protect you."

Jesus said: "My people, you have seen some countries that were taken over by communist dictators, and the people no longer had freedom of religion. In communist and Muslim countries you are seeing Christians being killed by beheading them. So when you see people proclaiming socialism or communism, you know it is time to vote against such persecution. The time of tribulation is at your door, so be prepared to come to My refuges of protection during this evil time."

Jesus said: "My people, this is true that the devil and the demons will be allowed a short reign, but they will have limited control over My people. Fear not this time because I will have My angels protect you. The tribulation will be a test of your faith whether you want to love Me, or the world run by Satan. My faithful will be given the spiritual strength to endure the devil's attacks, and you will be separated into the protection of My refuges. Those people, who refuse to love Me, will be persecuted and controlled by the demons. Have trust in Me, and follow Me to heaven."

Jesus said: "My people, be not afraid of all the evil that will briefly reign over the earth. This time of tribulation will be shortened for the sake of My elect. You will be called to My refuges where My angels will protect you from all of the demons and evil people. The evil ones cannot enter My refuges without the cross on their foreheads. My faithful will be healed of their pains by looking upon My luminous cross. After all the evil ones have been cast into hell, I will renew the earth as a new Garden of Eden, and I will bring My faithful into My Era of Peace. You will live a long time without any evil, and you will be perfected for heaven as saints once you die. Rejoice after suffering this purgatory on earth, for

you will soon be with Me in heaven."

Friday, October 19, 2018: (North American martyrs)

Jesus said: "My people, you can see the hand of the devil in pushing an evil agenda against your current government. Hatred and outrageous threats are coming from activists who are funded by rich evil people who are trying to destroy your way of life. From social media and your TV networks, there is more hatred coming for the current Administration than you have ever seen before. They are talking and promoting violence, and these activists are trying to brainwash the people into following communist ideas and tactics. If your people allow a vote to favor the death culture, then truly you will see more floods and devastation come upon your country. It is time to choose life over death, or you will face the consequences of your choice."

Jesus said: "My people, your coming election is not just a battle against abortion and religious freedom, but there is also a battle against a socialist or communist takeover of your government. The opposition party is for abortion, and they want free health care, and free college education. There is no mention about how they are going to pay for health care and college, but it will be paid for by the taxpayer at an expensive price. These things are just the beginning for establishing an atheistic communist government. I have warned you that the deep state wants total control over your government, including mandatory chips in the body, or the mark of the beast. So all of your freedoms are at stake with this mid-term election. There are even threats to try and impeach your President if the House or the Senate is lost to the activists. This is all the more reason to pray special novenas for the pro-life forces to win this coming election on November 6th, or your country will never be the same. Once a takeover occurs, My faithful will soon need to come to My refuges. Trust in Me to protect you from the evil forces who want to kill My faithful."

Saturday, October 20, 2018: (St. Paul of the Cross)

Jesus said: "My people, I am appalled at all the evil things people are doing in

your society. You have heard the accounts of how I punished the evil people of Sodom with fire and brimstone. There was nothing left of that society but ashes and rubble. I had My angels guide Lot and his family out of Sodom before I destroyed it. Your society of today is even worse than Sodom, and I am not sending more destruction until I have separated My faithful in My refuges. Then you will see fire rain down, and there will be nothing left but the ashes of your evil ones. Notice even in the Bible how I speak of the separation of the lambs and goats, or the tares from the wheat. Even the evil souls will all burn in the flames of hell. Trust in Me that I will protect My faithful, but some will die as martyrs."

(4:00 p.m. Mass, Mission Sunday) Jesus said: "My people, in today's Gospel you are seeing some spiritual pride in St. John and St. James who thought they could sit on My right hand and on My left hand in heaven. This would be like asking the bride's parents if you could sit in the most prestigious seats of the reception. I told My apostles that if they wanted to be first, they must be the servants to everyone. God the Father chooses these reservations, and you are to be humble before Him, and accept what is planned for you. Even in life, it is better to earn the respect of others, than to presume you deserve respect. When you perform good works for your neighbor, you store up treasure in heaven for your judgment. Do what you can to make the best use of your time in gaining merits in heaven, rather than trying to accumulate earthly treasure that will be lost. When you follow My laws, you are only doing what is expected of My servants. Do not look for greater rewards, but be satisfied with your lot, and you will please Me by your love."

Jesus said: "My people, I want you to keep praying your 24 Glory Be Novena to St. Therese right up to election day. Pray to put angels of protection around your government officials. I am more powerful than these evil ones, and I will thwart any evil intent coming from these witches. Your prayers are more powerful than these hexes. Trust Me in your prayers now, and for your election of pro-life candidates. By keeping faith in Me, I will guard My faithful through the coming evil trials. Have trust in Me, and keep storming heaven with your prayers. Remember what I told you: 'Ask in My Name, and you will receive your request.'"

Sunday, October 21, 2018:
Jesus said: “My people, I am showing you how each person in an orchestra has to make a good contribution, so all of the people in the orchestra are on the same page, and they can all play in harmony. I give special gifts to each person so they can make their contribution to your society. In order for people to work together in harmony, they all need to follow the conductor, like Me, and give their will over to Me. Once you all are on the same page with Me, then you can make beautiful music together. But if each person wants to do things their own way, then you have chaos, just as when the orchestra is tuning up their own instruments. If you want order in your society, then you need to live a proper moral life following My Commandments. Your country is in chaos now because the demons are influencing your people with your many addictions. Pray your deliverance prayers for your addicts, and work to fight the legalization of marijuana, because it is a gateway to opiod drugs that are killing your young people. When you are in harmony with My love, there is no need to search for anything else.”

Monday, October 22, 2018: (St. John Paul II)
Jesus said: “My people, I give you life, your soul, and your faith as the true treasures of this world. Remember you are here to know, love, and serve Me. You are not here to accumulate wealth, but to share it with your neighbors. Do not try to control people with your wealth, but use it to feed people and support them in their needs. By being gracious with your gifts, you will store up treasure in heaven. My faithful also need to reach out and share My Good News and your faith with others, so they can come to know and love Me. Your spiritual gifts and prayers are more valuable than all of your wealth and possessions. Look at the rich man in the Gospel who stored up riches for himself, but he did not prepare his soul to meet Me in his judgment at death. I give everyone a set length of time on this earth. So use your time wisely and do not forget to keep your soul close to Me with frequent Confession. By keeping your soul holy and clean, then you will be ready for your judgment on the day I call you home to Myself in death. Today, you are celebrating the feast of St. John Paul II, and you should be thankful for his gift of the Catechism of the Catholic Church. You need to keep a copy of this book in your home, so you can use it to defend the faith against any

evil heresies. Trust in Me to protect you from any heretics or evil people, for I am more powerful than all the demons."
Jesus said: "My son, you are making preparations for winter by taking in your hoses, closing your storm windows, and getting your snow blower ready. You also put away your lawn chairs and your window air conditioners. When it gets cold, you also will need your hat and gloves. Each season has its own things to get ready. Your spiritual life should be ready all year round with your prayers, Masses, Adoration, and frequent Confession. You always need to be ready to meet Me at your judgment when you will die. You could die at any time, which is why you should always be prepared for your judgment. Many people may be prepared for your seasons of hot and cold, but not everyone is concerned to be spiritually ready for their death. Death can come suddenly in an accident or a heart attack. Terminal cases, like cancer, can take some time, but the soul has time to get right with Me. All Christians should recognize their mortal nature, and be prepared to die. Some people put off their spiritual preparation because they think they have many years to live. Do not put off getting and keeping your soul clean, because you may not have time, if you die suddenly. You are not ready to live, unless you are ready to die and meet Me at your judgment."

Tuesday, October 23, 2018: (St. John of Capistrano)
Jesus said: "My people, being patient in waiting for someone to arrive, can test your patience. When it is a wedding, it is a more formal occasion, so people are a little more forgiving, if someone is late. Even in traffic you may be tested by slow drivers, so learn to not rush so much. When you are waiting for the Warning, or for Me to come back to earth, this is even more than a formal event. People who lived before My birth, waited a long time for the Messiah to come. What you are seeing is that everything happens according to God the Father's timing, and not before. So as you are patient for earthly times, do not criticize God the Father for not sending Me sooner. Some of you have little patience, and this could drive you to swearing in anger. Do not let delays upset you, and pray to be more patient. Your fast paced society expects everything to happen right away, but for heaven, time is not as important for when events are chosen."
Jesus said: "My son, you have been given some gifts to know the place of souls only at their funeral, and only those people who you know. This gives some ease

for those people who are mourning. Do not answer other requests for any other souls, because people are only asking out of curiosity. Use your gift for what it was intended, but do not go beyond this, no matter who begs you to know. It is not your mission, nor your place to ask about other souls. You only can receive what a soul tells you, but do not seek any such knowledge on your own. Trust Me to guard you in these questions."

End October 2018

November 2018

Tuesday, October 30, 2018 (Fr. Michel Rodrigue message)

November 1, 2018
30th October 2018
From the Eternal Father
My son,
Listen and write
I recommend (translation) that this message be communicated to everyone and everywhere that you have preached in United States and in Canada.
Remember the night when Padre Pio brought you into Heaven to see the Holy Family. It was a teaching for you and for the people who have heard you. It was also a sign to recall the night when my Beloved Son Jesus was born into the world.
Remember how my Evangelist Matthew wrote by the divine inspiration of the Holy Spirit how the star stopped over the place where My Baby Son Jesus was born. It was a sign for the Wise men. Today, it is a sign for you and for all Christians and for all the nations.
The Holy Family is a sign for every family, and we should model ourselves after them. I recommend (translation) that every family, who receives this message, should have a representation of the Holy Family in their home. It can be an Icon or a statue of the Holy Family, or a permanent Manger in a center place in the home. The representation must be blessed and consecrated by a priest.
As the star, followed by the Wise men, stopped over the Manger, the chastisement from the sky will not hit the Christians families devoted and

protected by the Holy Family. The fire from the sky is a chastisement for the horrible crime of abortion and the culture of death, the sexual perversion, and the cupidity (lust) regarding the identity of man and woman. My children seek their perverted sins more than Eternal life. The increasing blasphemies and persecution of my just people offend Me. The Arm of my Justice will come now. They do not hear my Divine Mercy. I must now let many plagues happen in order to save the most people that I can from the slavery of Satan.
Send this message to everyone. I have given Saint Joseph, My representative on earth, as a protector of the Holy Family, the authority to protect the Church which is the body of Christ. He will be the protector during the trials of this time. The Immaculate Heart of My daughter Mary and the Sacred Heart of my Beloved Son Jesus, with the Chaste and Pure Heart of Saint Joseph, will be the shield of your home, your family, and your Refuge during the events to come. My Words are my blessing over all of you. Whoever will act according to my Will, will be safe. The powerful love of the Holy Family will be manifested to all.
I AM your Father,
These words are Mine!
Jesus said: “My people, today’s first reading speaks of how everyone should be under My authority. A husband and wife are under a bond of love to love each other in marriage in the Church, but they also answer to My love. The single person also is under authority to Me and My Church. The priest is under authority to the bishop, the Pope, but also to Me in his ministry. My prophets are under authority to their spiritual directors and Me. By living under authority, you are living in obedience to Me and to those who you are under. Always recognize that you live in obedience to a higher authority than yourself. Do not think you can rule over just yourself or others. You need to live every day in humble obedience to Me and My laws. Every person is united in My love, as I love all of you, and by your free will, you could love Me as well. Give praise and thanks to Me for living according to My control of all creation.”
Jesus said: “My people, some people enjoy accumulating money for themselves so they can control people, buy the latest gadgets and cars, and some use money to buy drugs. Too much money can be a source of sin. Money can also be a source of killing people for inheritances. You need some money to buy your food, and money for a car or a house. Do not treat money as a god, and do not desire money for its own sake. Instead, you should be willing to give 10% of your money to charity in helping your neighbor. By sharing your money, you are

storing up treasure in heaven. So be satisfied with your lot, without seeking to be rich. I told you how hard it is for the rich man to gain heaven, because he does not want to part with his wealth. You are better to trust in Me to give you what you need, and you will have the necessities because I love you. You are here to know, love, and serve Me, and not to accumulate as much wealth as you can. Money is cold and it can be lost or stolen, so do not put your trust in money. Instead, put your trust in Me and that will be enough for you."

Sunday, November 4, 2018:
Jesus said: "My people, you have been praying your 24 Glory Be Novena to St. Therese for the pro-life people to win the elections. Now My Blessed Mother wants you to pray to her through her Guadalupe image for your people in your elections. You remember when President Bush was re-elected on December 12th with a Supreme Court decision. This image of My Blessed Mother also is connected with stopping abortions, which is what is at stake for your pro-life candidates. It is to your candidates' credit to stand up and fight to save My babies from abortion. Bring this image to your prayer group to help win the coming elections."
Jesus said: "My people, I am showing you a power surge that will cause areas of power outages much like you had some years ago when the Northeast grid went down. In the vision you were seeing sparks and transformers exploding as the power grid will go down. Such a massive power outage will take a long time to repair. The vision was not in the winter, but it will be difficult to have lights at night, and power to run your natural gas burners. Generators and solar systems will be working, but there will be gasoline and food shortages if the pumps are not able to pump gasoline. Such a long power outage could cause a famine. This is why I have encouraged My faithful to have 1 yr's supply of food for each person in your household. You may also need a source of water. Such a power outage will be the means for a takeover of America, so be prepared for such a disaster. Trust in Me to send you to My refuges, if your lives are in danger."

Wednesday, October 24, 2018: (St. Anthony Mary Claret)
Jesus said: “My people, I am showing you how all of heaven is looking down on all of your actions, so you need to be on your good behavior in all that you do for Me in My Name. I want you to take to heart the words of the Gospel where the more that is given to you, even more will be expected of you. This means that it is the duty of My faithful to always preach how I was crucified, the glory of My Resurrection, and how I will come again in victory over the evil ones. You recite this in the Mass, but you need to live it, as you need to be prepared for My coming every day. You also need to keep your soul ready and pure by frequent Confession. Just as in My parable, you always must be waiting for the bridegroom to come, by having your lamps ready with extra oil, as the five wise virgins. I will bring My Warning first to give all sinners an opportunity to repent and be saved. Then during the tribulation My refuge builders will have My refuges ready to receive My faithful, and they will distribute the food that I will multiply at the proper time. Be grateful that My faithful, who have crosses on their foreheads, will be protected from the evil ones by My angel of the refuge. Do not be concerned about when or how this will happen, but trust that I will be separating the lambs from the goats, and My faithful will then be brought into My Era of Peace, and later into heaven.”
Jesus said: “My people, you have seen one of your worst hurricane seasons with Florence and Michael in the Atlantic Ocean, and many storms and typhoons in the Pacific Ocean. Each year your storms have taken a toll of damage on your buildings and your economy. Even your stock market is having its own problems. There is an increase in global warming that can enhance these storms, but it is happening on account of your decreasing magnetism of your magnetosphere, and from the HAARP machine. These storms are also a punishment on America for your many abortions as portrayed in the Gosnell movie. Your laws and decisions in your courts still allow legal abortions which are against My laws. You know deep down in your soul that abortion is murdering My babies, even if you do not want to admit it. This callous killing of babies I told you needs to stop, or I will stop it with even more serious disasters or wars. Listen to My words that America needs to stop killing a million of My babies every year. Keep praying to stop abortion and pray for pro-life candidates to win and change your evil laws. Keep praying your 24 Glory Bes to St. Therese so the mid-term elections can save your country from further destruction.”

Thursday, October 25, 2018:
Jesus said: “My people, you are surely living in the end days. As in the vision, the curtain is opening on the last act of the evil ones. During the tribulation, it may seem that evil is winning, just as I was being crucified seemed to look like evil was winning as well. But fear not because this evil time will be shortened for the sake of My elect. At the Warning I will give every sinner a chance to repent and change their lives. You will have a life review and a mini-judgment to wake you up to how you have offended Me with your sins. Some people will be converted, but there could be divisions in families where some will believe, and others may not be converted. Work to have your family members believe so they can have a cross on their foreheads. Only those people with such crosses will be allowed to enter My refuges. You will see chaos and evil so bad after six weeks from the Warning, that it will be necessary to come to My refuges. The angel of your refuge will protect you and multiply your food, water, fuels, and even your buildings. After this trial, you will have your reward in My Era of Peace, and later in heaven.”
Prayer Group:
Jesus said: “My people, I want you to pray for Pope Francis and for all the priests who are being accused of any improper activity with children. You are seeing several cases being brought forward for civil trials in various states. It is sad that some priests, who have committed crimes, are giving a bad name to all the good priests. So pray for all of your priests so they could continue in their proper ministry to provide you Mass and the sacraments.”
Jesus said: “My people, you have seen thousands of people intent on coming into America despite your border laws. This is not the proper way to enter any country without an invitation, and they should be waiting their turn for entry. There are even reports that terrorists from other countries are joining this invasion of your laws. America is within its rights to refuse entry for this caravan. Pray that no violence will occur.”
Jesus said: “My people, these actions appear to be focused on disturbing the upcoming elections by their timing of a few weeks before your elections. There could be some devious people who are trying to steal the current headlines for political purposes. Pray that the perpetrators can be brought to trial for such

crimes."
Jesus said: "My people, many of your markets are manipulated for gains, or even for political reasons. Some traders appear concerned about interest rates and the latest tariffs. Earnings have driven some moves, but there appears to be some unusual reasons for the latest down trend. Pray for your country's economy which is doing better than some people are not admitting."
Jesus said: "My people, I have warned you before to beware of illegal use of your voting machines to change votes. There also are some people who are not citizens or dead people's names being used to vote that is illegal. A closer inspection should be made to verify if any people are voting twice or more. It is such manipulation of your voting process that is being used to put some people into office in close elections. Pray that you will have a fair election without such cheating."
Jesus said: "My son, call on My angels of protection to guard you from any harm from the weather at your talks. Have your people pray for your safety, as you reach out to share My messages with the people at your venues. It is important to help save souls, and I will help protect you and keep you in good health. The evil ones will try to throw stumbling blocks in front of you, but go forward in faith because My power is stronger than any evil demons. I will go before you to protect your travel."
Jesus said: "My people, you are seeing how important the upcoming elections are for your country's survival. The opposition party continues to support abortion, and some are promoting a socialism takeover. Your country will decide whether you will choose a democratic republic or a socialist government. Getting out to vote is important to preserve your country's freedoms. Remember to pray the 24 Glory Be Novena to St. Therese for your pro-life candidates to win, and keep praying this prayer every day up to election day."

Friday, October 26, 2018:
Jesus said: "My people, there are many people who do not believe in the existence of the devil, but there truly are many demons on the earth tempting people with sin and addictions. All addictions have a demon attached to it, and that is why it takes deliverance prayers, exorcisms, or miracles to break any addictions. During the coming tribulation, if the demons had physical bodies,

they would blot out the sun. I am more powerful than all of the demons, so have no fear of them, and call on Me and My angels to protect you from their attacks. It is only when souls give their assent that they are opening portals for the devil to enter and control them. So bring souls to Confession so I can heal them and close any portals to the devil. I love all sinners, and I want to save every soul. It is by the soul's free will choice to choose to follow Me that will help save that soul. Those souls who reject My love, are risking hell, if they do not change before they die. Pray for your soul, the souls of all sinners, and for the souls in purgatory."

Jesus said: "My people, soon I will bring the Warning experience that you have been patiently waiting for. Everyone will have their life review at the same time all over the world. Your soul body will come up out of your physical body, and you will be outside of time as you will come to My Light. You will know that I truly exist, and you will have a life review where you will be able to remember all of your unforgiven sins. You will see your individual mini-judgment of heaven, hell, or purgatory. You will have a taste of whatever judgment you will be given. You will be placed back into your body so you could decide to follow Me or not. You will be given six weeks of time to convert your lives, and an opportunity to try and bring your family back to the sacraments. Those people, who are converted, will receive their cross on their forehead, and they will be able to enter the refuges. This Warning is a part of My Divine Mercy for all sinners to change their lives and be saved. Give thanks and praise to Me for all the gifts I give to all of My faithful."

Sunday, October 28, 2018:
Jesus said: "My people, you have heard the Gospel of how Bartimaeus, the blind man, called out to Me to be healed. He called out to Me as the Son of David. When you listen to the Gospel of My genealogy, you see the line of succession

passing through King David. I healed Bartimaeus of his blindness, and he rejoiced that he could see Me, and he danced around. He had faith that I could heal him, and so his request was answered. I love all of My people, and I want all of My people to love Me from their hearts. I want you to take away this brick wall image, so you can see My loving Heart, and you can join My Heart in love with your own heart. Once you have established this daily love relationship with Me in prayer, I will protect you from any attacks and addictions of the devil. Once the scales of your spiritual blindness have been removed, you will see Me clearly, and you will want to be with Me always in your prayers, Mass, Adoration, Confession, and in your good works. Once My love envelops your heart, you will want to share My love with all of the people who desire to love Me. So take away this brick wall of your spiritual blindness, and rejoice in your love relationship with Me."

Jesus said: "My people, you are so used to hearing breaking news on your TV or in your newspapers, but this news is temporary, and the truth could be different. It is My Good News of My Death and Resurrection that is forever, and forever true. If you have My Word of love in the Bible, then why are you not reading the Bible every day? You would rather read the bad news in your papers, than My Good News in the Scriptures. When you read the Bible, you should read it slowly in your prayer room, and meditate on it, as well as acting on it. Do not just leave your Bible on the table to collect dust, but you should read a few pages at least every day. My words are forever, but your words are thrown out and discarded the next day. Remember My words of love that should be imprinted on your hearts forever. I love all of you so much that I died to save your souls. Give praise and thanks for all the gifts and blessings I bestow on you."

Jesus said: "My people, you are blessed to be visiting an old Abbey of St. Benedict that dates back to the 1860's. The priest gave you some history of this Abbey. Every viable monastery is a blessing and a place of refuge. These monasteries may not all be preparing for the end times, but My angels will bring food and water for the people to survive. The angels will also provide bedding when needed. My people need safe havens for protection during the tribulation, and these monasteries will fulfill this role. Pray that the monks will have

sufficient funds to survive this time. I will bless them, and put My angels of protection around them. My people can also pray for them and help support them where possible."
Jesus said: "My son, you are seeing how I was persecuted by the religious leaders of My day in the Pharisees. They chastised Me for healing a woman with a back problem on the Sabbath. I called them hypocrites because they preached the Mosaic law, but they themselves did not obey My laws of loving Me and loving their neighbor. My son, you also have been rejected and even criticized for proclaiming My words and My laws. You have been rejected by some priests to talk in their parishes because they fear the truth, or being against some bishops. Do not be afraid, My son. I want you to continue giving your talks, but you may have to avoid speaking in the churches, who do not want to hear My words. Pray for your priests that they could be healed of any addictions. Pray for the souls of the priests who are constantly being attacked by the demons. I love My priest sons, who are offering Mass and providing the sacraments for My faithful."

Wednesday, October 31, 2018:
Jesus said: "My people, in today's Gospel I am telling My faithful to enter heaven through the narrow gate. I call everyone to be reconciled for your sins, and work on loving Me in all of your actions. Those people, who repent of their sins, and seek My forgiveness, will be recognized by My Father in heaven. But those sinners, who refuse to repent, and refuse to accept Me as their Savior, I will not witness to them before My Father in heaven. My faithful will be welcomed into heaven, because many are called, but few are chosen. The unfaithful sinners will shout out Lord, Lord, but I will tell them I do not know you, and they will be cast into the flames of hell. Now is the time to get your soul right with Me in frequent Confession. Establish a love relationship with Me by your prayers and good works, and you will become My worthy disciples. Go out to all the nations and share My Good News, so people can believe in Me, and be saved by your evangelization efforts."
Jesus said: "My people, some people treat Halloween as a time to think of witches and demons, but you saw some cute little children asking for trick or treat candy. I have mentioned before not to use ugly, scary costumes for your

children, and indeed the children you saw were dressed well. This is not a day for demons, but it should be a preparation for All Saints' Day. You could use the lives of My saints as models to follow for your own lives. It is not easy to strive to be a saint with all the evil distractions of today's possessions and desires for earthly things. It is better to desire heavenly things and perform good works, than to focus on pleasures and comforts of this world. So do not let the demons mislead you with their lies, but focus more on My love and the beauty of My creations."

November 8, 2018
Thursday, November 1, 2018: (All Saints' Day)
Jesus said: "My people, today there is a great celebration in heaven among all the saints, which includes all the people who have made it to heaven. Many of you have favorite saints, and you call on their help with prayers of intercession. Everyone in heaven is looking down on all of you, as My faithful are 'saints in progress'. Continue to follow Me, and keep on the right path, so you can come to heaven one day. You are tested on earth among all the demons, and most faithful need purification in purgatory. Those faithful, who live through the tribulation, will suffer their purgatory on earth at My refuges. Once I purify the earth of the evil people and the demons, I will renew the earth, and bring My faithful into My Era of Peace. There you will be perfected as saints, and on your death, you will be brought into heaven."
Prayer Group:
Jesus said: "My people, I have warned you how the persecution of prophets and good priests will get worse, as the demons gain more power. Some of your persecution will even come from within the Church. If you see unusual and heretical things being said in a church, then leave that church for a more traditional church. Eventually, many churches will not be teaching properly, and you will need to come to the safety of My refuges."
Jesus said: "My people, I have told you in previous messages how there will be a schism in My Church that will be divided between a schismatic church and My faithful remnant. If you see New Age teachings and Reiki healing being taught, then leave this church that is infested with demons. My faithful remnant will teach what the apostles taught, and if you see the churches teaching another Gospel, then you will need to come to My refuges."

Jesus said: “My people, you are seeing the darkness of the demons spreading all over the world in some churches, schools, and in the media. Persecution will come to My faithful, so be prepared to come to My refuges when I give you the word. Once I tell you, call on Me and I will have your guardian angel lead you with a flame to the nearest refuge. Your angel will put a shield of invisibility over you for your protection. Angels will protect you at My refuges and they will multiply your food, water, and fuels. Trust in My power which is greater than all the demons. You will have daily Holy Communion given to you at every refuge.”

Jesus said: “My people, you read in today’s reading from Revelation how the faithful people will be marked with a cross on their foreheads. You will see these crosses during the tribulation. Only those people, who believe in Me, will receive their cross from My angels. At the Warning those people, who are converted to the faith, will also receive their cross on the forehead. Work to bring your families back to the faith so they can have a cross on their foreheads. Only people with crosses on their foreheads will be allowed to enter My refuges. Those people without a cross on the forehead, will not be allowed by My angels to enter My refuges.”

Jesus said: “My people, you are aware of those media who are supporting abortion, euthanasia, and homosexual lifestyles. I tell you these media will collapse under the weight of their own evil weight. I will punish those people who are teaching and promoting evil lifestyles. My faithful may be persecuted now by these evil ones, but soon I will bring My justice down against these evil ones, as they will be cast into the eternal flames of hell.”

Jesus said: “My people, you will encounter evil people in all of their evil lifestyles. They will criticize you for not following worldly ways, but disregard their taunts, and continue to follow the faithful ways of My saints. When you face evil attacks, call on My saints and angels to protect you and support you in your battle against evil. My power is greater, and I will come to your aid in any situation. In the end I will win the victory over all of the evil ones, so be patient for you will be with Me in the glory of heaven.”

Jesus said: “My people, there are some people who may doubt how I will provide enough food for all of My faithful at My refuges. You know in the Scriptures how I multiplied the fish and bread for 5,000 and 4,000 people. Nothing is impossible for Me. I only ask that you store some food, water, and fuels, so I can multiply what you have. I will provide you daily Holy Communion at My refuges, and you could survive even with My Eucharist

alone. Fear not, because I know what you need to survive, and you will have it in abundance, even as they collected seven and twelve baskets of fragments from the original two fish and five barley loaves."

Friday, November 2, 2018: (Funeral Mass for Peggy Spiegelman)
Jesus said: "My people, it is always hard to lose a mother, but she was a good woman and faithful to Me. Peggy needs prayers and Masses, and she will be praying for her family and friends. Pray for peace in the family, as life is too short to not love each other."
Jesus said: "My people, I am showing you a massive corona discharge from the sun that could harm your communication satellites. Such an effect on the earth will cause a large aurora borealis at both poles. This will be like the strange light that was seen before World War II started. The Blessed Mother told the people then to pray the rosary and change their bad lifestyles. They did not listen to heaven's warning, and a strange light appeared in the sky, followed by World War II breaking out. A while back the Blessed Mother also called the people of today to pray the rosary and change their lives, or a grave punishment would come upon the earth. This great light that will be seen in the sky, will be a precursor for World War III. Your prayers could minimize the deaths, but this war will happen in the Middle East similar to the descriptions of the Battle of Armageddon. Keep praying for peace and for less people being killed, but this will be a punishment for your abortions and your sexual sins."

Saturday, November 3, 2018: (St. Martin de Porres, First Saturday)
Jesus said: "My people, I performed My first miracle of converting six large jars of water into the best wine in Cana. I am always generous in My miracles, and I fulfilled My Blessed Mother's request, for they had no more wine. My Blessed Mother leads you to Me with her rosaries that you pray every day. She also was a strength for My apostles after I rose into heaven. The Holy Spirit emboldened My apostles to have no fear, as My apostles went out to spread My Good News.

From the cross I gave My Blessed Mother over to the care of St. John the Evangelist. Give thanks for My Blessed Mother to lead you."
Jesus said: "My people, your society has reached new lows in your morals. Few people are coming to Confession, and few people are living in a proper married state. Many couples live in fornication and adultery, instead of proper marriage of a man and a woman. Some continue to use birth control devices and abortion to control the live births. Your elections are coming in a few days, and America has a choice between voting for a socialist, communist government, or a Constitutional democratic republic. You have heard the lies and false accusations by the opposition party, but now your people can vote for those people who are speaking the truth. Your election will determine which way your government will be run. Pray for your country to correct its morals, or you will see more punishment in your natural disasters."

Monday, November 5, 2018:
Jesus said: "My people, you are living in an armed camp where many nations could use enough nuclear missiles to destroy most of your land all over the earth, and cause a nuclear winter. Most of your weapons are for a deterrent, and you hope they never have to be used. You even have anti-missiles to try and take down offensive missiles. When a major war breaks out, it is a threat to your human survival if you resort to using these nuclear missiles. This is why you need to pray for peace every day so such a catastrophic war does not come about. Trust in Me to warn you of such a danger, so you have time to get to a refuge for protection from a nuclear or virus attack."
Jesus said: "My people, I thank you for all of your prayers to elect pro-life candidates. This small house represents how there will be a close election for who will control the House of Representatives. If you pray in faith, you can have the House remain in the hands of the current party. This vision of the unfinished house, represents how it still remains to be decided. It is your people who will decide the direction of your country. Continue to pray your 24 Glory Be Novena to St. Therese for the pro-life candidates to win. Pray also for a fair election without any cheating at the polls. I will send My angels to protect your votes from any cheating."

Tuesday, November 6, 2018: (Election Day)
Jesus said: “My people, today your country has an opportunity to vote in the pro-life candidates to protect your rights in a democratic republic. It is your civic duty to get out and vote for the persons of your choice. America stands at a crossroads between socialism and your Constitutional way of life. Your abortions are the worst sins of your country, and that is why you need to vote for pro-life candidates to help stop the abortions that are causing your punishments in your natural disasters. Continue to pray for a fair election with no manipulation of votes, and no votes from people who should not be voting. Pray for My angels to guard your votes against the evil ones who are trying to falsify your election.”
Jesus said: “My people, I am showing you an empty church because you are closing churches, and your numbers are decreasing on Sunday in your churches. America needs a faith renewal, as the faith is weak in some churches. My faithful need to continue their daily rosaries, and come to Mass and Holy Communion as often as they can. Your people also need to come to Confession at least once a month. Without a good prayer life, and repenting of their sins, the lukewarm will gradually fall away from their faith. Keep praying to convert sinners, and keep your family members close to Me. If your country improves your morals and your lifestyles, then you will have more time before the evil ones will take over for a short time. Fear not, since I will protect My faithful at My refuges.”

Wednesday, November 7, 2018:
Jesus said: “My people, this scene of whale bones and a massive tsunami of water is a sign that many of your people will die from natural disasters. This scene was caused by a large earthquake on the floor of the sea. Because your people are not repenting of their sins, and they are not correcting their sinful lifestyles, your natural disasters will continue to get worse. America needs to understand the connection of your sins to your physical punishments, or none of your cities will remain standing. Pray for the conversion of sinners, especially in

your own families."
Jesus said: "My people, I am showing you how I provide for all of your needs in My creation. Mankind has changed My creation with your GMO crops, which are making people sick. You have abused the earth with your pollution, and you are disobeying My laws in your spiritual life. You will see an evil time of tribulation by the evil one, but I will shorten this time for the sake of My elect. I will protect you at My refuges. I will then bring My Comet of Chastisement on the earth, and all the evil ones will be cast into hell. I will then renew the earth as My original creation with the Garden of Eden all over the earth. I will bring My faithful into My Era of Peace, and you will be prepared to be saints. When you die, I will bring you to heaven. Rejoice in My coming victory over sin and death. I will provide for your needs, and you will be rewarded for being faithful to Me in heaven."

Thursday, November 8, 2018:
Jesus said: "My people, every soul is valuable to Me, which is why I died on the cross to offer salvation to everyone. It is your free will choice to repent of your sins and accept Me as your Savior. I am all love, and I want you to love Me, but without being forced. It is sad that I reach out to save everyone, but the devil puts many earthly distractions in front of people, and they forget to love Me. I am the most important Person in your life, but many people refuse to focus on Me, and instead they focus on their pleasures and possessions. Remember that everything on this earth is passing away, and when you die, you cannot take anything with you, except your soul. You should be more concerned about your eternal destination of heaven or hell, than anything on earth. Do not put off getting your soul ready to meet Me at your judgment. You need to repent of your sins and seek My forgiveness, if you want to be with Me forever in heaven. Those souls, who show their love for Me and repent, will be saved. But those souls, who refuse to love Me, and refuse to repent, are on a path to eternal loss in the flames of hell. Choose to come to Me now while you have time, or you will be too late, and you could be lost in hell."
Prayer Group:
Jesus said: "My people, now after your elections, you will have a split Congress with the House of Representatives going to the opposition party. You saw record

numbers coming to the polls for a mid term election. There is a hope that you will see more compromising, instead of a hard and fast bipartisan battle. Some people are talking about less fighting among your Congress people, but you will need to pray for political peace. Your Congress people should work together to make your government work without corruption and cheating."
Jesus said: "My people, it is always a tragedy to see so many lives lost. This man had warning signs of some post war trauma, but he was not treated for his illness. This may be a lesson to help your war veterans more with psychological problems. Pray for these souls with your Divine Mercy Chaplet so they could be saved."
Jesus said: "My people, even after your election, some of your media people were mean to your President in not sitting down, nor giving up the microphone. The same rude behavior continues to harass your President. Pray for your media to have better manners and be more civil in their behavior. There are different views, but you are seeing attacks even on the homes of your conservative announcers. Pray for less anger in your society, and treat such activity as crimes."
Jesus said: "My people, you are seeing caravans of Hondurans and others, who have suspicious origins that by some reports are being funded by the opposition party. There is a huge debate about claiming asylum when there are other intentions. If these caravans come against your troops, you could see some possible violence. Pray that no one is hurt, but your immigration laws are not protecting your citizens from abuse of asylum."
Jesus said: "My son, you have been invited to come to Mexico, even though there are some concerns about a new leader, and some caravans coming to Mexico City. I have told you to go where you are invited, and I will send My angels to protect you. You are coming to the Shrine of My Blessed Mother's Guadalupe appearance, so enjoy coming to this miraculous image. Trust in My power that is greater than the devil and the evil people. Pray your long form of the St. Michael prayer for your protection."
Jesus said: "My people, it is good that you are honoring all of those parishioners who have died in this last year. You just celebrated All Souls' Day, so you can have Masses offered up for the dead, and pray for them so they could gradually leave purgatory for heaven. Do not forget the deceased by having their pictures in front of you so you can remember to pray for them."
Jesus said: "My people, I keep warning you to repent and change your sinful lives, or you will face more natural disasters. Many of your people do not want

to hear My words from My prophets for not obeying My laws. Your people need to come closer to Me in prayer, because your society is getting more evil every day. If you truly love Me, you need to evangelize sinners."

David said: "My dear parents, we are happy to give you a word of how we are praying for both of you in your mission. We are also praying for our sisters Jeanette, Donna, Catherine, and their families. Just as you desire, we both do not want to lose any family member. We are concerned about Catherine that she should be coming to Sunday Mass. Missing Mass is a serious sin which is why we are encouraging her to follow your example in coming to Mass on Sunday. We are both grateful even for the short lives we had on earth, but you both gave us life and a soul that will live on forever. I thank you for visiting my grave and for putting my picture on the refrigerator. You also have Mary's message and my picture in your chapel. I was happy to intercede for the women you prayed over to help them have children. You can continue to pray intentions to me, and I will give them to Jesus. Thank you for all you did for us, and for all that you do to help the Lord in your work."

Jesus said: "My people, you are always in a battle between God and the devil. I have told you that you can only have allegiance to Me or your money. You can only have one Master. You will love one and hate the other. So put your faith and trust in Me because I love you, and I know what you need. I will find a way to support you and your family. I will find you a job and a shelter when you are in need. Your money will not help you, so it is better to trust in Me. I know your needs both physically and spiritually. Give praise and thanks to Me for helping you in all of your problems."

Sunday, November 11, 2018:
Jesus said: “My people, this vision refers to a Gospel reading when the Pharisees criticized Me and My apostles for not preparing for eating by the washing of hands and pots. I told them it is not what passes through your lips that condemns a man, but it is what comes forth out of your lips from the evil of one’s heart that will condemn him. In the first reading you saw how Elijah called on God to multiply the flour and oil, so the widow, her son, and Elijah could survive the famine of that time. This is how I will multiply the water, the food, and the fuels at the refuges, but the people must have some food stored so I can multiply what you have. Trust in Me that I will help all of My people to survive the tribulation, except some who will be martyred.”
Jesus said: “My son, I asked what would you ask if you had one wish to change the world? You answered to be able to stop all abortions. Your answer is near and dear to My Heart, because I too, am greatly offended by the mothers and doctors who are killing My little babies. The angels of these aborted children are coming in front of Me to testify to each death of an aborted baby. You have killed more babies than all of the soldiers who died in your wars. Your abortionists are so cruel in how they dispose of My babies. They use My babies for body parts and to make beauty creams, and flu shots. These evil ones do not even think about death certificates, but they treat My babies as human garbage. Some abortion people do not even want to accept that unborn babies are even human, which they are from conception. What am I to do with the mothers who kill their children, or the nations who have legalized the killing of My babies? I told you before, if you do not stop your abortions, then I will stop them with My punishment of natural disasters. Learn the connection between your severe sins and the increase in your natural disasters.”

Monday, November 12, 2018:
The Holy Spirit said: “I am the flame of love in the heart of Jesus, and I give life to every soul. You are My Temple where I dwell until the end of your life. You know My seven gifts and how I inspire you to give your talks, and I help you to write down your messages. Every time you make the Sign of the Cross, you are invoking My power. I bring you the deep longing to be with all of Us, especially

in the Real Presence of Jesus in His Eucharist. It is a shame that some priests do not recognize the Presence of the Holy Trinity in every Holy Communion. All Three of Us Persons of God are present in every Holy Communion, and We do demand reverence for our Presence. In the Bible it says how you all must kneel before Us, and give glory to Us. All the angels both good and evil, must bend their knee to their Creator at the Name of 'Jesus'. All humans must also bend their knee when you hear the Name 'Jesus'. I call on all of Our faithful to stand up for your belief in the Blessed Trinity and defend us against all heretics and heretical teachings. Even if you may be killed as a martyr, you must maintain your allegiance to Us every day."
Jesus said: "My people, you saw the widow's mite as she placed a few copper coins into the Treasury, but it was all she had to live on. Some people only put in a token amount in the Sunday collection, when they could donate more. My people should be willing to share 10% of their income to My Church, your food shelves, and other worthy charities. I love a cheerful giver. The more you share, the more graces you will be storing up in heaven for your judgment. So do not be selfish and be willing to share meaningful donations. When you share what you have, you are thanking Me for all the gifts that I have given you. When you give your donation, do not let your left hand know what your right hand is doing. In other words, give freely without holding back. Your wealth is temporary, and it will pass away, so use it to help people while you still can."

Tuesday, November 13, 2018:
Jesus said: "My people, when you think about your survival during the tribulation, you should be planning your storage of food, water, and fuels. Do not be concerned because I will multiply what you have in faith, so the people who come to your refuge will have enough food to eat. I will even send deer or other game to your refuge, and they will die so you can cut them up for your protein. For fuels you can cut down your trees for wood in your fires. The water is supplied from your well as you turn your pumps on. You may not have enough water for showers, but you will use sponge baths. You can grow crops in your garden, and I will multiply your dried foods, MRE's, and canned foods. I told you how many would die without electricity, but if they stored food, they will

still survive. You can have solar panels that will provide power for your sump pumps, water pumps, and your lights. You will need your propane ovens and wood fires for cooking. You have provided enough beds and cots for the people to sleep, along with the needed pillows and blankets. You also have water to flush toilets, or an outhouse if the drains plug up. You can even remove some snow from your panels in the winter to supply power. Trust in Me to provide for your protection from the evil ones with My angels, and I will also provide for your other needs. Your people will not go out beyond your land perimeter where your angel will protect you. I have given you projects to help your people, and you will all need to work and get along with each other in prayer. You will have daily Holy Communion from the angels for your spiritual survival, and each of you will have an hour of daily Adoration. You will be praying more in the tribulation, as you will come closer to Me after the Warning."
Jesus said: "My people, I am showing you a cave carved out of a mountain, and this is a refuge or hiding place for My faithful remnant. A time is coming when the evil people will be trying to kill Christians and My prophets. This is why My refuge builders are building refuges for hiding that are stocked with food, water, and fuels for survival. When your lives are in danger, I will send an inner locution to all of My faithful that it is time to call on Me, and I will have your guardian angel lead you to the nearest refuge in twenty minutes. Your guardian angel will lead you with a flame and there will be an invisible shield placed over you as you leave your home. Once you arrive at My refuges, only those people who believe in Me, and have a cross on their foreheads will be allowed to enter. My angels are marking an invisible cross on the foreheads of My faithful, and converts after the Warning will also have crosses on their foreheads. The angel of the refuge will not allow any other people to enter if they do not have a cross on their foreheads. You will see a luminous cross in the sky over My refuges, and when you look upon it, you will be healed of all of your illnesses. You will stay at My refuges for less than 3½ years, and then you will be brought into My Era of Peace."

Jesus said: "My people, today's Gospel about the healing of the ten lepers, is a lesson for all of you to be thankful for everything I do for you. Only one leper

out of the ten returned to give thanks to Me for healing his leprosy. The other nine should have thanked Me as well. You remember how St. Therese thanked Me for every little thing in her life. So I want you to do the same, and thank Me for everything I did for you today. Thank Me for your safe plane flight, even if it was late. Thank Me for the wait and final return of your luggage. Thank Me even for the little trouble that you had as you eventually found Marisa and Jorge. Thank Me for getting you to this Mass today. Thank Me for receiving Me in Holy Communion. Thank Me that you could see this beautiful church and hear the beautiful choir. You can live your whole life thanking Me for all of My gifts, and I will say go, because your faith has saved you."

Our Lady said: "My dear children, I am happy to see all of you again at my Shrine of Guadalupe. I love all of you so much, and I lead you to my Son in prayer. You can see all of my beautiful Mexican people. Have no fear of any of your troubles, because my Son and I are watching over you. We will solve your problems, so do not lose your peace. Trust in my Son's help in all that you do. The devil will test you, but have faith, and we will protect you from his temptations, and any physical problems. We love you, so go forward to save souls by your evangelization efforts."

Friday, November 16, 2018: (St. Gertrude)
Jesus said: "My people, I am calling My people to enter heaven through the narrow gate. Do not be like the pagans who try to enter heaven by the broad road that leads to the devil and hell. Give your mind, soul, and spirit over to My Divine Will, and you will receive your heavenly reward in heaven. My people, as you approach the end of the Church Year, you are receiving the Gospels of the end times. In today's Gospel it speaks about how the good people were separated from the evil people. In Noah's time his family was separated in the ark, and the evil ones were killed by the flood. Lot and his family were taken out of Sodom, and the evil people were killed by fire and brimstone. Now in today's world, My

faithful will be separated from the evil ones at My refuges during the tribulation. The Comet of Chastisement will strike the earth and during the three days of darkness, the evil ones will be killed and cast into hell. I will raise My faithful into the air, and I will renew the earth like the Garden of Eden all over the earth. I will then bring My faithful down into the Era of Peace where they will live a long time without evil. My faithful will then be taken up to heaven as saints when they die. Give praise and thanks to Me for all of My faithful who are written in the Book of Life, for they will be with Me in heaven for all eternity."

Saturday, November 17, 2018: (St. Elizabeth of Hungary)

Jesus said: "My people, you are reading about the unjust judge who finally gave a proper decision for a woman who was constantly requesting a just decision to settle her case. This persistence in prayer is what is required to help save souls who are away from Me. You know how your wife prayed many years for her father's conversion. He was kept alive until he could receive Confession, as he had a deathbed conversion. So it is with your family and friends who need conversion. You can save souls through your deliverance prayers, especially using the long form of the St. Michael prayer. My mercy is upon all repentant sinners and even those people who are away from Me. I will honor your prayers to save them. Give praise and thanks that I forgive you of your sins, and I will accept My faithful into heaven."

(7:00 p.m. Mass) Jesus said: "My people, in today's Gospel you are seeing the signs of My coming to the earth. When you see the fig tree putting forth shoots, you know summer is near. When you see a red sunset, you know the next day will be sunny. So it is with the signs of My coming. You will see the faith decreasing in the people, and I will ask: 'Will I find any faith in the people when I return.' My faithful will be protected at My refuges. You will see My Comet of Chastisement and the three days of darkness. I will be coming on the clouds to judge the people, and I will send the evil ones into hell. I will bring My faithful into My Era of Peace for their reward, and when you die, you will enter heaven with Me. Give praise and thanks to Me for being My chosen elect who are written in the Book of Life."

Sunday, November 18, 2018:
Jesus said: “My people, one of the end time signs is a decline in the number of faithful people who are coming to Sunday Mass. The faith is getting weak, and the parents are not encouraging their children enough to follow their good example. My older faithful are dying off, and they are not being replaced by young people who have a strong faith. When you look at the demographics of the Roman Catholic Churches, you are seeing a higher average age and the youth numbers are declining as well. The decreasing numbers at Sunday Mass is a sign of a declining number of faithful in general who are falling away from their original strong beliefs. This decline in numbers is also causing a decline in the money collected, which will result in a decreased budget to help the spiritual life of the parish. You need to encourage more youth to be strong in their faith, so less people will stop coming to Sunday Mass. To have a vibrant parish you need more new members and less people leaving. Bible study groups can help improve the faith of the people, but the people must have a desire to increase their faith. Call on Me in prayer to help increase your numbers.”

Jesus said: “My people, in the Responsorial Psalm (Psalm 1) it spoke of how My victorious people will be fed by the Tree of Life. This victory is when I will bring My Comet of Chastisement to end the reign of the Antichrist during the tribulation. All the evil people and the demons will be cast into hell. Then I will renew the earth all over, as in the Garden of Eden. There will be many Trees of Life all over the earth that will feed My people, and they will live a long time. This Tree of Life is also symbolic because it represents Me in how I feed you Myself in Holy Communion. I am the Vine and you are the branches. Without My graces you would have much difficulty in living a fruitful life. It is by My graces in the sacraments that I allow you to be strengthened to do your mission. Give praise and thanks to Me for all of My gifts to help you in this life, and in the life of the Era of Peace.”
Jesus said: “My people, when I call you to My refuges, it will be a time of

persecution of Christians, and your lives will be in danger. When you receive My inner locution, then it is time to come to My refuges. Call on Me and I will have your guardian angel lead you with a flame to the nearest refuge. Grab your backpack of your necessities and be ready to leave in twenty minutes. Your angel will put an invisible shield over you and your vehicle, as you leave your home from which you will not return. It may take some time to come to a refuge, so you could sleep overnight in your car or in your tent. Do not be afraid because you will not need a gun for protection. My angels will put an invisible cross on your forehead so you will be able to enter My refuges. When you enter a refuge, you will see the angel that is protecting that refuge. You will also see the luminous cross in the sky. When you look upon it, you will be healed of your infirmities."

Tuesday, November 20, 2018:

Jesus said: "My people, this vision of a large missile taking off, is a real possibility from several nuclear powers. North Korea and Iran are especially possible suspects who could launch a missile on America. It would only take a few missiles that could explode at high altitudes that could destroy your electric grid with an EMP attack. It is difficult to shoot down multiple missiles. Your people are unprepared to handle the loss of your electricity and chips. This again is why I have encouraged your people to have one year's supply of food for every member of your household. Some reports claim that if electricity was stopped for a long time, you could see 90% of your people die of food starvation. Many people do not store enough food for such a disaster. It does not cost that much money to buy freeze dried food or MREs. You want to buy food that does not require refrigeration. By having a food storage program at your home, you could endure various disasters where other people would not have enough food to survive. Even at My refuges, I will multiply the food for those who come. Trust in My providing for your needs, but you need to have some food that I could multiply."

Prayer Group:

Jesus said: "My son, some people will have a view of their life before the Warning occurs. You, My son, are seeing a prism that is showing you parts of your life in how it will appear to you in your Warning. You can see the evil

things going on that are signs of the coming tribulation. Many refuge builders are making their last additions to their refuges. My faithful need to have their backpacks ready to leave their homes quickly. Trust in My angels to lead you to the nearest refuge."
Jesus said: "My son, it is right that you thank all the people who were praying for you, your wife, and Fr. Michel. You had some problems, but everything worked out in the end. You saw the original tilma with the image of My Blessed Mother on it in Guadalupe. You had many Masses, four talks in Texas, and you shared your messages. This was a good trip for Fr. Michel where he received some generous donations. You all had some nice museums to visit with beautiful pictures in Mexico. Thank Marisa and Jorge for all they did for you."
Jesus said: "My son, about every two years you make an updated DVD that shows people your current messages, and any updates at your refuge. These DVD videos help people to see what is needed at a typical refuge. You give the people all the information that you have gathered, to show them what is important to have. Pray to St. Therese in your novena of Glory Bes for the success of your next DVD video. I will watch over your people so you can have what is needed."
Jesus said: "My people, you are seeing some caravan people headed toward Tijuana, Mexico, but they are receiving criticism from the Mexican people. There may still be a clash with the border police. You have seen a judge put down your President's attempt to stop the people who are seeking asylum in the U.S. Pray for peace with these caravans that are trying to break through your border."
Jesus said: "My people, you have seen record fires in California, with some dead and a lot of people who have not been found. Pray your deliverance prayers and your Divine Mercy Chaplets for the souls who have died quickly without time to get their lives ready to meet Me at their judgments."
Jesus said: "My people, I have asked you to plan another practice run at your refuge, so you need to make some plans for an acceptable time for your prayer group. You may have to use your well water and your fuels for keeping warm. Use your dried food and MREs for eating, along with your beds and your cooking plans. Have delegated jobs so everyone has a job. You all will have an Adoration hour each day around the clock. Do not put this off, because you need to see how ready you are for the coming tribulation."
Jesus said: "My people, I am sending My Warning to give all sinners an opportunity to be saved. You can help evangelize your family and friends after

the Warning. It is important for your family to have the faith, so they could receive a cross on the forehead by My angels. Then they can enter My refuges. Pray for your family that they will be converted in the six weeks after the Warning. I am confirming Fr. Michel's message that during the six weeks for conversion, there will not be any demonic influence, so the people can freely choose to be with Me or not."

Wednesday, November 21, 2018:(Presentation of the Blessed Mother)

Jesus said: "My people, you are seeing a window in the roof of an attic, and the snow was drifting in. This vision is a sign that you will have a cold and snowy winter. It is also a sign of so many cold hearts that are not acknowledging Me in their lives. Today, you are also celebrating My Blessed Mother's Presentation. You need to pray your rosaries for the intention of saving these souls with cold hearts. The lukewarm and other sinners need prayers to warm their hearts to My love and My Blessed Mother. These sinners need someone praying for them, so they can be open to understanding My love for them. Without open hearts, it will be much harder to convert them. Keep praying for sinners, and so My Blessed Mother can put her mantle of protection over them."

Jesus said: "My people, your life is very short on earth, and it is like a bicycle race that ends at the finish line when you die. There are two ways to measure your success in life. The first way is your physical life in how you improved yourself financially, which does not matter in heaven. The second way is how well you gained spiritually in your good works, and how many souls you helped get to heaven. Even your donations to help people can gain spiritual merits. It is the spiritual life that is most important for your soul at your judgment. Coming to heaven should be the real prize you are struggling to gain. Some souls have improved their spirituality more than others, but this is measured against the talents that were given to each soul. I am merciful and just in My judgments, so you all will receive a fair reward for your life's successes. Continue to strive for

the higher places in heaven, as you go through your life."

December 5, 2018
Thursday, November 22, 2018: (Thanksgiving Day, St. Cecilia)
Jesus said: "My people, I am happy that you all celebrate a day for Thanksgiving for all the gifts that I bless you with. In the vision you are thankful for fresh water to drink, the crops for your food, and even the animals you eat at dinner. Some gifts you take for granted, as the air you breathe, the sun that gives you light, and the rain or snow that waters your crops. Most of all you should be grateful for your very life and the lives of your family and friends. Your faith is another gift that can bring you to heaven. Even your good health is a needed blessing. In the Gospel the ten lepers were healed of their leprosy, but only one returned to thank Me. I told him to go, because his faith had saved him. This is another lesson to always thank Me for all I do for you every day. Sometimes I allow trials to come into your lives to test your faith. Have no fear and no worries, because I also give you opportunities to solve your problems. I bring good out of hardships that can even mold your life into something better. You may lose one job, but then you could find a better one. Trust in Me in your prayers to provide for your needs, and keep giving Me thanks for all I do for you."
Jesus said: "My people of America, your morals are so bad in a good share of your people that they stink like a sewer. Many people do not follow My laws, or even love Me. The demons have captured people with addictions, the occult, and New Age teachings. Because of all the abortions, fornication, adultery, and pornography sins, you are calling down My judgment in the form of natural disasters as the floods in the vision, and the fires in California. You can see the killings and hatred in your politics that are inspired by the demons. The division is getting worse between the Democrats and the Republicans, where the opposition party will use any means to gain power, even with cheating in the elections. Unless your people change their sinful lifestyles, you are calling My wrath down upon you. Keep praying for sinners in America so more souls can be freed from their demons."

Jesus said: “My people of America, your future is looking pretty grim with many natural disasters leveling your land because of your sins. Now, this vision of a shark swallowing your country, means the one world bankers are going to take over your money system, and make it into a cashless society with mandatory chips in your body. You are moving quickly toward My Warning and the Great Tribulation of the Antichrist. You can see the demons at work in dividing your country on politics, race, and religious persecution. As events present dangers to your lives, I will call you to My refuges for My angel protection of your bodies and souls. Trust in Me to guard you from those evil ones who want to kill you.” (5:00 p.m. Mass) Jesus said: “My people, this vision of a large fan becoming a great wind is a sign of more severe winds that will be coming against your country as a punishment for your sins. You have jet streams up high in the atmosphere that control the flow of your weather. When these jet streams drive at a lower level, they can cause much stronger winds than usual. Such winds can cause blinding snow storms, which will be testing your people. Keep praying for sinners to repent and be converted, so you can help save some souls from the demons.”

Saturday, November 24, 2018: (St. Andrew Dung-Lac)
Jesus said: “My people, a time is coming for all Christians to be safe at a refuge in hiding from the evil people controlled by the devil and the Antichrist. Do not worry about where these safe havens are now, because at the appointed time, your guardian angels will lead you with a flame to the nearest refuge. You need to thank and possibly help the refuge builders who have said ‘yes’ to setting up a refuge for My faithful. I have blessed My refuge builders with enough funds to build what is necessary for survival. You have a water well, food, fuel, and beds that will be multiplied in faith for those who come to your refuge. Be thankful to Me for providing you My angels for protection, and to build or finish any needed structures depending on how many come. My angels will only allow believers with crosses on their foreheads to enter. So have your families converted to the

faith after the Warning, so they can have their crosses to enter. Trust in Me for all you will need."
(4:00 p.m. Mass, Christ the King) Jesus said: "My people, you have so many churches to come to Mass on Sunday, yet fewer people are taking the time to give Me glory on Sunday. It is a mortal sin against My Third Commandment to miss Mass on Sunday, and not give praise and honor to Me. If people are so lazy to honor Me in the peaceful time, what will they do when the Christian persecution begins? I am your King and Creator of everyone in the universe. You need to give respect to your King, and do not ignore Me. If you do not witness to faith in Me, then I will not witness for you to My Father in heaven. Hear the truth of My words, and believe, or you will be on the road to hell. I love all of you enough to die for your souls, so you could return your love to Me and be closer to entering heaven."

Sunday, November 25, 2018: (Christ the King)
Jesus said: "My people, your priest gave a good homily on how secular your people have become in the face of My glory and kingship. Many people are falling away from their former religious fervor and traditions. You have become tied to your cell phones, and are losing your art of conversation and friendship when you meet people. I should be the center of your lives, and your daily prayers are needed to tell Me how much you love Me. Do not let the attractions of the world so distract you from My love, and how you are here to help save souls. I provide for you, so thank Me by your good works and your prayers, and you will be on the right road to heaven."

Monday, November 26, 2018:
Jesus said: "My people, many of you are growing weary from the fires, tornadoes, hurricanes, and now the snow storms. I told your people you would see one event after another with no let up. Your people are ignoring Me in their sins, and you will continue to see natural disasters as your punishment. When

you change your evil lifestyles, and stop your abortions, then you will have a reprieve. But until you recognize Me as your Savior and Creator, you will continue to suffer. Your economy is taking hits from these disruptions, so change the evil in your hands."
Jesus said: "My people, in this week of My Kingship, I am showing you that I am the Way, the Truth, and the Life that your soul is seeking. This life is all about Me and My creation. Many people have no idea of My power, especially over the demons. I allow the devil to tempt you, but I give all of you a guardian angel to watch over you. You need to keep your focus on Me as the center of your life. This life is short, and you are only on this stage of life for a short time, then you will return to dust. Your body will die, but your soul lives on forever. It is up to you how you want to spend your eternal destination. It will be with Me in heaven, or with the devil in hell. I died to save your soul, so come to Me as your Savior, and I will forgive your sins. You need to repent of your sins, and seek My forgiveness, if you choose to be with Me in heaven. Trust in My protection, as you will have your reward in the Era of Peace, and later in heaven."

Jesus said: "My people, the reading from Revelation speaks about the end times when the angels will wield their sickles to separate the good people from the evil people. My faithful will be led into My Era of Peace, while the evil ones will be thrown into the flames of hell. In the Gospel I answered My apostles who asked what signs they will see of the end. You will see famine, earthquakes, and pestilence, as well as great signs in the skies. Have no fear because I will lead My faithful to the safety of My refuges, where you will stay for less than 3½ years. The time of day will be shortened, as this will be your purgatory on earth. You will all work to help each other survive your trial. I will provide water, food, and fuels so you can survive, even if I have to multiply what you have. Everything of this world is passing away, so start detaching yourself from your possessions that will be no more. Saving souls is your mission, so disregard any other earthly distractions. Do not allow the devil to trick you with his lies and false promises. I am the only One who speaks the Truth, and I lead you to My love into the eternity of heaven."

Jesus said: “My son, you have had a miracle picture in your Bible for over forty years, and it pictured today’s first reading of Revelation 14:14. In it you could see Me holding a sickle in My right hand, sheaves of wheat in My left hand, and a crown on My head, as I sat on My throne in heaven. My angels were being sent down to earth to gather the clusters of grapes of the evil souls that were placed in the flames of hell. The tares or weeds in the fields were put together and burned in hell. The wheat, which represents My faithful, were gathered into My barn of heaven. Give praise and thanks to Me for protecting My faithful from the evil ones, who want to kill you.”

Jesus said: “My people, you have seen Christians persecuted in various communist and Muslim countries. Even in America, you will be seeing such persecution, and you will have to stand up for your beliefs in Me. Be ready to defend your faith against the pagans and heretics of your time. Many are called, but few are chosen. My faithful will be in the minority, but you are strong in the faith. The evil ones will be allowed a brief reign, but I will protect My faithful at My refuges. Fear not the coming tribulation of the beast, because My angels will defend you. You are about to see a battle between good and evil that you have never seen before. Stay close to Me in prayer and My sacraments, and you will have the strength to survive. I will bless My refuge builders as they prepare to receive My faithful at the appointed time. Trust Me that I will defend you, and provide for your needs.”
Jesus said: “My people, I told you before that your President has given you a short reprieve from all the gridlock that you have had in your Congress. Now that the opposition party has taken over the House of Representatives, you will again return to gridlock in your Congress, and your President will have difficulty in any compromises. Your President may use his Executive Orders to accomplish things, just like your previous President did. If you have any impasses, you may see some partial government shutdowns. Events will lead to a weakening of your freedoms, with an increase in the persecution of Christians in your country. My faithful need to be prepared to leave for My refuges at any time. My refuge builders also should be ready to accept all the people who I will send them. Fear not, because My angels will defend you during the tribulation.”

Thursday, November 29, 2018:
Jesus said: “My people, today’s readings are all about the end times when the millstone that will be thrown into the sea, will become My Comet of Chastisement. The harlot, Babylon, is America as it will be taken down and destroyed. In the vision you see Me coming on the clouds to judge the earth, as it is in the Scriptures. This is My moment of victory over the evil ones. During the three days of darkness, I will cast all the evil ones into hell. I will then renew the earth, and I will bring My faithful into My Era of Peace. Stand up and rejoice, for your Redemption is at hand. These Scriptures have to be fulfilled, so have patience, for the reign of the evil ones will be brief, before I bring My judgment on the earth.”
Prayer Group:
Jesus said: “My people, this problem with the Honduran immigrants is that they are trying to enter your country without the proper documents. They know the process to come in legally, but they want to enter by force illegally. Some are throwing stones, so the border police used teargas to disperse the caravan. This group is being supported by money from those people who want to cause trouble for your President. Your people have every right to defend your border. Pray for a peaceful resolution of this problem of asylum.”
Jesus said: “My people, you need to pray for the victims of these fires, and pray they can find the food, water, and shelter they need. Now with rains coming, there is concern for mud slides. These fires were the worst that has happened in California. There is even some concern that arson could have contributed to the size of this destruction. Pray also that these people can be helped to obtain new homes.”
Jesus said: “My son, you added 12 more solar panels on your first floor addition so you could clean the snow off, and have some power to run your pumps in the winter. You have cleaned off the snow several times, and you are able to generate power for your off-grid use. This will allow you to have electricity at your refuge even during the winter snow. Your plan is working for your needs. My angels will protect your panels from harm from the weather. Thank Me for bringing this project about.”
Jesus said: “My people, the readings from the Book of Revelation are showing

you the prophetic words about the end times. You have been warned of a coming tribulation led by the Antichrist. I will allow his brief reign of less than 3½ years. I will limit his control over the people. I will protect My faithful remnant at My refuges that I have had people build for this time. Do not fear these evil people, because My angels will help you at My safe havens. After the Warning and the tribulation, I will cast the evil ones into hell, and I will bring My people into My Era of Peace."
Jesus said: "My people, you will soon be starting a new Church Year as you have the First Sunday of Advent this weekend. Many have crib scenes and Advent wreaths with the four candles to celebrate My coming at Christmas. This is a happy season with many familiar Christmas songs. Remember that your focus should be on My birth at Bethlehem, and not on all the glitter of presents in your stores. Many are wishing each other 'Merry Christmas' without being concerned about the politically correct people. It is better to please Me with your prayers and Masses, than to try to please everyone's religion."
Jesus said: "My people, when you read about My genealogy, you are seeing My plan of salvation history. If you want to be prepared for this coming Advent, you could read the Nativity readings of St. Luke and St. Matthew. You can also do some extra prayers and fasting to prepare for My birth on Christmas. This feast is all about My Light that shines on My people as I am truly the awaited Messiah. The days will get longer after Christmas as My Light grows in your lives even in nature."
Jesus said: "My people, on the last days of this Church Year you are celebrating My final victory over all the evil people. You know the end of this story, and I will lead My people to the Era of Peace and then to heaven. This is My return to earth. In the first days of Advent you are celebrating the preparations for My first coming in birth at Bethlehem. My star goes before you as the Wise Men were led. You will see My Light bring forth My birth among men in My Incarnation as a God-man. Give praise and thanks to Me that I came to the earth to bring you salvation with My death on the cross."

Friday, November 30, 2018: (St. Andrew)
Jesus said: "My people, you are now preparing for the next season of Advent in the new Church Year. Already your churches are preparing the Advent wreath

candles in preparation for Christmas. Your stores are also happy to sell you presents for your families. Christmas is a happy time of the year, as families make a point of getting together to share presents and each other's company. For a family that is far apart, Christmas is a means to bring you together. I love all of you, and it is always easy to love Me as an infant. Share your love with everyone, as you greet Me in Advent."
Jesus said: "My people, the 7.0 earthquake in Alaska today is just a harbinger of what is to come. Eventually, you will see a major quake along the San Andreas fault that will cause San Francisco to fall into the ocean. A serious earthquake off the coast of Oregon could cause a massive tsunami that could flood Washington State. An earthquake could also strike the New Madrid fault with devastation splitting America. I have also shown you destruction in New York City that could come from an earthquake. The HAARP machine is located in Gakona, Alaska, and this also could be used by the deep state to cause some strong earthquakes. It is certain that either nature or the HAARP machine will set off some strong earthquakes that will cause major damage. The governor of Alaska is already calling for disaster relief. Pray for the people who are suffering from earthquake damage, and pray your Divine Mercy Chaplet for any people who died suddenly without being prepared."

December 5, 2018
Saturday, December 1, 2018:
Jesus said: "My people, today, you are rejoicing at the Alpha and the Omega, the end of the Church Year, and the beginning of Advent. The black vestments of the vision are like a funeral for the earth, when I will come on the clouds to judge the good and the bad souls. Be prepared for this last day, for you do not know the day nor the hour of My coming. By being prepared with a clean soul from monthly Confession, you will always be prepared for your personal judgment, or My judgment of the earth, whichever comes first. It is good to remember your mortal nature, because one day you are appointed to die. So as you think of the end of the earth, or the end of your life, you will meet Me at your judgment, and be ready. Rejoice once you will leave this life of pain and misery, for your next life will be free of this life's worries and concerns. Have hope in My promise of a new life in your spirit."

Jesus said: “My son, this vision of an ongoing earthquake is a sign that you will be seeing more frequent earthquakes, and they will be increasing in severity. You saw a recent 7.0 earthquake in Alaska, and this is just the beginning of a series of earthquakes. You remember in the Book of Revelation that earthquakes are one of the signs of the end times, along with famine and pestilence. At My refuges I will be protecting My faithful from all natural disasters. As your lives will be in danger from these events, I will call My faithful to My safe havens. Once I notify My people to leave their homes, you need to grab your backpack, and leave quickly with your guardian angel to the nearest refuge. The signs of the end times will also be increasing to warn you of My coming. Get your spiritual lives in order with frequent Confession, because your events will be speeding up, since the devil’s time is running out. The evil ones are desperate to speed up their time table for their takeover of the world. Trust in My angel protection when you will need to hide from the evil ones.”

Sunday, December 2, 2018: (First Sunday of Advent)

Jesus said: “My people, today you are celebrating both My first coming at Bethlehem, and My coming on the clouds when I will return to judge the earth. In the Gospel reading you are reading of the sun, the moon, and the stars which are showing you great signs in the skies. Some people will even die of fright when you see Me coming on the clouds, and the powers of heaven will be shaken. The last Sunday of the Church Year, and the first Sunday of Advent both point to the end times of My victory over the evil ones. My faithful will rejoice with Me in My Era of Peace.”

Jesus said: “My people, I have given you many messages about the coming tribulation of the Antichrist. Now, you are seeing signs of this coming event in the earthquakes, and the indications that the Antichrist is positioning his people for his coming reign. Even as you are preparing for Christmas, you are seeing the spokesman for the Antichrist speaking on the radio. You will see more takeover of your communications, as the Antichrist’s people will show their power. The one world people, who worship Satan, will be taking over the money system, and setting up unions on all of your continents. I will allow the evil ones to gain power over your governments. When you see these things causing mandatory chips in the body, you will know it is time to come to My refuges of

protection. So be prepared to come to My refuges when I give you the Word, because these events are at the door. Trust in My protection, but leave immediately for My refuges at the appointed time."

Monday, December 3, 2018: (St. Francis Xavier)

Jesus said: "My people, I am showing you My Star of Light that led the Wise Men to My crib in Bethlehem. I will lead you again with My flame of Light to My places of refuge with your guardian angel. I light your way every day with My sun. But in the Era of Peace, My Light will be with you all of the time with no darkness of night. The evil ones hide in the darkness, but they disappear in My bright Light. Trust in Me constantly, even as the Centurion trusted in My Word to heal his servant. All of My faithful should have faith as strong as the Centurion's faith in My healing power. I came to heal souls and convert them to the faith. My first coming is to bring salvation to all souls who choose to accept Me. This is why I died on the cross. Rejoice in My Light of the world."

December 5, 2018

Tuesday, December 4, 2018: (St. John Damascene)

Jesus said: "My people, you are seeing signs of oppression in the vision of barbed wire and open handcuffs. I have come to free the oppressed, to heal the sick, and most of all to save souls from hell. You see not only physical oppression, but you also have spiritual harassment from the demons. I also come to free people of all of their addictions, and the demons who control people with addictions. You need to have faith in My love, My mercy, and My forgiveness of your sins. By loving Me in your actions and prayers, you can have a clean soul, especially with frequent Confession. I love all of you so much, that I died on the cross to free you of your sins. Give praise and thanks to Me for all I do for you, especially in this Christmas season."

Jesus said: "My people, I am happy to see My faithful preparing to celebrate My birth with your Christmas decorations. Remember to have a crib scene in your decorations so you can show My birth is the true reason to celebrate Christmas. You have four weeks of Advent, so you could do some fasting and prayers like

you do during Lent. Pick some little sufferings during Advent for helping the spiritual lives of your family members. Adding some penances to your prayers can show Me you are sincere in trying to help your family members. These penances can be your gifts that you bring to My crib like the three Wise Men, or the Magi."

December 19, 2018

Wednesday, December 5, 2018:

Jesus said: "My people, this is a joyful season as you sing your Christmas Carols. In the Gospel you read of how I multiplied the bread and the fish for the crowd of people to have something to eat. This also is a sign of the bread and wine of My Eucharist that is multiplied at every Mass. This is My greatest gift of Myself every time you receive Me in Holy Communion. You have a little Christmas at every reception of Me into your soul. I even asked you to place a small Nativity scene in your prayer room so I can be with you all year long. The people of the Old Testament waited a long time for the Messiah to come, but they did not recognize Me in the breaking of the bread, as on the road to Emmaus."

Jesus said: "My people, this is another sign of the coming Warning, as you view your life's events inside a circular box. This is like a kaleidoscope of your life review, and this is another sign of how close My Warning is to being seen by everyone. You have been seeing 7.5 and 7.0 earthquakes as another sign of the end times. I have had some willing faithful set up refuges for the rest of My faithful to come at the appointed time. My refuges will be your places of protection during the tribulation of the Antichrist. I will multiply your food, water, and fuels. You will have beds to sleep in and places to eat. Everyone will have to work together to provide for your survival. Trust in My angel protection, as I will put a shield of protection over your refuges. Only those people who have a cross on their foreheads will be allowed to enter My refuges."

December 19, 2018

Thursday, December 6, 2018: (St. Nicholas)

Jesus said: "My people, you have nations with nuclear warheads that are secretly

moving missiles into position to launch, so you could not detect when or where they will be launched. Your satellites will tell you of a launch of missiles, but depending on how far away they are, you will have little time to react. Missiles launched from ships or submarines will shorten this time further. Your enemies only need a few missiles to cause an EMP attack from high altitude blasts. If your people do not deploy Faraday cage protection around your electric grid, you will remain vulnerable to such an EMP attack. Once your chips are destroyed, you would no longer be a world power, and a famine could come over your land. I will protect My refuges from such an EMP attack. Be prepared to come to My refuges in a short time if such an attack happens. My angels will guide you safely to My refuges."

Prayer Group:

Jesus said: "My people, you are seeing dry bones in the vision on a desolate landscape. My people need to prepare for a coming severe famine, when food will not be available in your stores. I have warned you many times to have one year's supply of food stored for every member of your household. You are approaching a time when food will be hard to find. If you do not store this food now, you could risk starvation for your family. When the famine starts, it will be too late to stock up. Better to store this food as soon as possible, because events will lead up to a time of severe famine. My faithful will eventually have to come to My refuges where I will multiply your food, water, and fuels. Trust in Me to provide for your needs."

Jesus said: "My people, when I call you to come to a refuge, do not be critical of how your refuge will appear. Be thankful that you have a shelter that will be protected by the angel of that refuge. I will provide food and water for all of My faithful who come to My refuges of protection. You will have daily Holy Communion either from a priest or My angels. You could even survive on only Holy Communion if necessary. My angels will provide for your shelter, and your food and water will be multiplied. Give Me praise and thanks for protecting you during the tribulation."

Jesus said: "My people, some refuges are like farms where they have chickens to provide eggs for breakfast. It takes some feed and building a chicken coop to house the chickens. At the refuge time, I will multiply the feed for your animals, and the fuels to provide your heat. Do not fear about the evil time, but trust in My protection. I will provide for all of your necessities."

Jesus said: "My people, some barns are used to house animals, but in the refuge time, it will be a place for My people to sleep, and storage to house your food. I

will protect your food from spoiling, and from animals, as mice, who will not eat it. You need to store dried foods and MREs that do not require refrigeration. You will need a water source like the well that you had installed. Be thankful that My refuge builders have fulfilled their projects to provide what you will need to survive."
Jesus said: "My people, all of My refuges will be independent from the outside world. You cannot count on using town water or electricity from the electric grid. With some solar power you could have lights at night, and off-grid power to run some pumps and light machines. With a water well you could have some water for the people to drink and wash. Give thanks for all of the people who have been preparing to live independently."
Jesus said: "My people, you need to prepare for heating in the winter and some cooling in the summer. You have wood, propane, and kerosene heaters along with some wood, and other fuels. I will multiply your fuels to keep you warm and for cooking. You may have to keep cutting up trees for your wood fuel. During the summer you will need fans with some electricity. These things are needed for your comfort, and you will need some plans at your refuges."
Jesus said: "My son, it is true that the refuge time is near, and this is why I have given you many messages on how to prepare a refuge. You also need to make another practice run with those in your prayer group who would want to participate. This takes some planning for jobs, preparing food, bedding accommodations, water, bathing, and minimal use of electricity. Heating the house in the winter is another chore. You all will be helping each other without worrying about all of your usual comforts, meaning you will need sponge baths. When you prepare another talk, you will need to pray your 24 Glory Be novena to St. Therese for your success. Your DVD can help people in their refuge preparations. Always keep praying for My help to complete your projects."

Friday, December 7, 2018: (St. Ambrose)
Jesus said: "My people, you are made up of body, soul, and spirit, as you are all My creations. As you see the blind given their sight, so I want you to look at each person with the eyes of faith. In each person you have the Presence of the Blessed Trinity. If you were not in our Presence, you would cease to exist. That is why every soul is important to Me, and I wish to save every soul from hell. It

is only by your free will choice that you choose to love Me, and believe in Me as your Savior. I do not force My love on you, but I pray that you will choose to love Me, as I love you. So when you meet people, you need to greet them, and see Me in them."
Jesus said: "My people, many people are attracted to new cars, new homes, and computer related things. You like to have new things, and how quickly your desires fall for the next newest thing on the market. The evil one uses the things of the world to distract you from being close to Me in all My glory. Compared to heavenly things, earthly things fall flat, because I can offer you more joy and peace than all of the newest worldly gadgets. When you visualize My Light and My love for you, nothing of this earth comes close. Heavenly things are like My words which last forever. Man-made things age, get obsolete, and decay into obscurity. So focus your life around Me, because eternity with Me in heaven should be your soul's desire above everything else. Your life needs to be centered around Me in all that you do for Me. It is your prayers and good works that will help you the most at your judgment."

December 19, 2018
Saturday, December 8, 2018: (Immaculate Conception of Mary)
The Blessed Mother said: "My dear children, in this Advent season you are celebrating My Immaculate Conception when I was given a soul without original sin. I was chosen by God apart from all women to be the Mother of my Son, Jesus. You read of Adam and Eve who committed the first sin. But I have become the new Eve without sin, and I am truly the Mother of all God's children. You can imitate my life without sin and strive to stay close to my Son with a pure soul by Confession. You saw how the Angel Gabriel greeted me and awaited my fiat or 'yes' to being the Mother of God. The Holy Spirit conceived Jesus in my womb, and I bore Him on the first Christmas. You also saw a vision of my shrine that you visited in Guadalupe, Mexico. I am the woman dressed in the sun in the Book of Revelation. Give praise and thanks to God for all He has done for me, and His death on the cross to save all of mankind who accept Him. Go and spread His Good News to all those people who will accept Him in faith."
Jesus said: "My people, you are seeing My Blessed Mother pointing an arrow at Me. This is highlighting the expression 'to Jesus through Mary'. My Blessed Mother followed My Will in all of her actions in her life. She lived truly in My

Divine Will, even from her Immaculate Conception. My Blessed Mother's life and Mine are examples for all of you to imitate. If the Lord asks you to do a special mission, be willing to give your own fiat as My Blessed Mother did. You all suffered a little in the cold, while you prayed your rosaries at the Shrine of Christ the King. My Blessed Mother and I were both pleased to accept your intentions for offering this up to us. You also were happy to visit with Alice and Fr. Fraats. I love all of you, and you proved your love for us by your faithfulness to My Shrine with your prayers."

Sunday, December 9, 2018: (The Second Sunday of Advent)

Jesus said: "My people, the theme of the first reading is about preparing for My coming at Christmas, and even about My second coming. The vision of St. John the Baptist preparing the people to be baptized can be seen when the prophets speak of 'one crying in the desert to repent.' This is another preparation you could do for your soul by coming to Confession before My feast of Christmas. You also had a vision of My Blessed Mother pregnant with Me, and waiting for My birth. You have the feast day of Our Lady of Guadalupe coming this week on December 12th. She is pictured as a pregnant mother in the image on Juan Diego's tilma. All of these visions are appropriate preparations for My birth on Christmas. Rejoice for My coming on Christmas, and when I will return again on the clouds."

December 19, 2018

Monday, December 10, 2018:

Jesus said: "My people, the Pharisees remarked that I was committing blasphemy when I said to the man 'Your sins are forgiven.' Then I told them that the Son of Man has the power to forgive sins, and I proved it to them when I told the lame man to pick up his mat and go home. The man was healed, and all the people were amazed at My gift to heal this man. You can read the accounts of many of My healings where I first forgave a persons' sins, and then I healed their physical illness. You have seen others who heal people, as your priest friend. He had them confess their sins, and then he healed them. When you want to pray for

someone's healing or deliverance, you first have to pray that the person's sins will be forgiven. Then they can be healed once they are free of their demons. People with addictions also need to be delivered from the demon of that addiction, before they can be healed. This is why the forgiveness of sins in Confession is so powerful in healing people both spiritually and physically."
Jesus said: "My people, you have had incidents when cars crashed into poles controlling your electricity. You are also seeing thousands of people without power in North Carolina and Virginia because of snow storms. You may have seen temporary power outages that have lasted less than a week. Many people are not prepared to be without power for a long time. First you seek light sources like candles or some strong battery lanterns. Have some lithium batteries that last six days or more. During the winter your natural gas heater may not work without electricity. You may need a wood fire or a kerosene heater. When the one world people take over, they will shut down your electric grid. Again I remind you to have one year's supply of food for every member of your household. Any long power outage could cause a lot of people to die of starvation. Some of My refuge people have solar power even in the winter, water from their well, and food for those who come to My refuges. If you see long power outages, virus attacks where many are dying, or mandatory chips in the body, you need to come quickly to My refuges for food and angel protection. I will multiply your food, water, and fuels at My refuges. So have no fear when I call you to come to My refuges."

December 19, 2018
Tuesday, December 11, 2018: (St. Damascus I)
Jesus said: "My people, I have told you many times how I desire to save all of My children, but I know how many are rejecting Me, and even ignoring Me. This Gospel is about leaving the ninety-nine sheep in the desert, and seeking to save the lost sheep. This is how I am always seeking to save the lost souls. I am the hound of heaven, always seeking souls to love Me, and be saved from hell. You are all My precious creations, and I love all souls, even the ones who do not love Me. My prayer warriors are My delight, because I call on them to evangelize souls, especially their own family members. Keep praying to convert sinners, and pray for the souls in purgatory for their release to heaven."

Jesus said: “My people, you have seen many gyrations in your stock market because there is so much uncertainty about trade with China, and the interest rates from the Federal Reserve. There are rumors that China is willing to lower its tariff on cars, if your President does not raise tariffs on Chinese goods by 25%. If a deal can be made, this will ease fears about a trade deal. The interest rates also may be just about over for more increases after December. Now, there are concerns about funding the wall, which could be taken out of the military funds. Pray for these events to calm down, or your markets will continue to fluctuate. Once the new Congress takes office, there is a threat to impeach your President on very little facts. You can see more gridlock and problems in your government next year. You can also expect more natural disasters as a further punishment for America’s abortions and sexual sins. Pray for peace in your country with less divisions.”

Wednesday, December 12, 2018: (Our Lady of Guadalupe)

The Blessed Mother said: “My son, I want to thank you and Fr. Michel for coming to meet me at my shrine in Mexico. You accepted the invitation from Marisa and Jorge to visit me at my shrine in Guadalupe, Mexico. Fr Michel thanked me for the purchase of his land on my feast day. You know the story of how Juan Diego took roses in winter in his tilma as a sign to the bishop to build a church on Tepeyac Hill. The bigger sign was my image as a pregnant Indian woman on Juan Diego’s tilma. This was my message to the Indians to stop offering up their babies to the gods as a sacrifice. I was a sign to stop killing the babies then, and I am a sign to stop your abortions of today. Your mothers now are offering up their babies to the gods of pride, convenience, and money. Killing God’s babies is a mortal sin of murder, and you need to pray that these mothers have their babies instead of killing them.”

Jesus said: “My people, you have seen some strong earthquakes around Vancouver, and now a 4.5 earthquake in Tennessee. Both of these areas could cause major earthquakes along the San Andreas fault or the New Madrid fault. Some earthquakes could even cause tsunamis or floods. It is true that you will be seeing more frequent natural disasters because of your sins. Continue to pray your reparation Masses to help the souls who die suddenly without having time to make amends at their judgment. This is why it is wise to come to frequent

Confession so you can keep your soul clean and prepared for your judgment at any time. Your life on earth is very short, so keep your focus on Me, and do not get distracted by the pleasures and possessions of this world. Call on Me every day to lead you on the right path to heaven."

December 19, 2018

Thursday, December 13, 2018: (St. Lucy)

Jesus said: "My people, you are seeing the persecution of Christians in various parts of the world, but a time is coming when this persecution will be world wide, even in America. The same atheistic people will be killing Christians all over, so it will be necessary to find a safe haven for hiding My faithful. I have asked some people to build refuges for My faithful to stay during the tribulation of the Antichrist. This troubled time will last less than 3½ years. I will have My angels protect My refuges from harm, and I will multiply your food, water, and fuels so you can survive. You will have daily Holy Communion and perpetual Adoration at all of My refuges. Some people will be martyred, but most of My faithful will be protected at My refuges from the evil ones. Give praise and thanks to Me for watching over you."

Prayer Group:

Jesus said: "My people, you were seeing hundreds of young children singing in a concert in a neighboring church. These children are the future of your church. So when you look around at your Sunday Mass, and you only see a few children, you are looking at a church that is diminishing. Because of your many abortions and a desire to have less children, your country is barely replacing those people who are dying. Your older prayer warriors are not being replaced by children with a strong faith. Pray to stop abortion and for your fertility rate to increase, or your church and your country will cease to exist."

Jesus said: "My people, your fishing people are taking too many fish out of your oceans, and they are depleting your fishing banks. You also are dealing with pollution with plastic wastes, and even radiation from Fukashima, Japan. Some countries are using fish ponds with stocked fish, but it is hard to produce enough fish for the millions of people who are seeking to buy fish. Pray for a better control of your fishing banks."

Jesus said: "My people, you have researched the cause of this warming trend. It is your polar shifts with a decrease in the strength of the magnetism of your

magnetosphere, that is allowing more heat from the sun to warm the earth. This is contrary to your carbon dioxide theories which do not correlate. This warming trend is heating up your oceans and it is causing more severe hurricanes and tornadoes. It is also melting your polar ice caps. Pray that this loss of magnetism will return to normal, or this polar shift will get worse."
Jesus said: "My people, there has been an increase in the number of volcanic eruptions and earthquakes which may be triggered by the progressing polar shift, or some magnetic bodies that are interfering with your molten iron core. You have been seeing activity where such events have not happened before. Be prepared for more serious storms and more earthquake upheavals."
Jesus said: "My son, you are well aware of the increased use of microchips in every phase of your lives. You have robots and artificial intelligence devices to try and save you time, but these devices are replacing workers. There is even a plan to place microchips in the body to control your minds like hypnotism. Refuse to take a chip in the body, because they will control your life and even your soul's free will. Pray for people not to be misled with chips in the body."
Jesus said: "My people, having some good light sources would be most helpful in an extended power outage. You have some bright lithium battery powered lanterns that give light for six continuous days. You used oil lamps, but you had problems with the wicks. Candles are useful but they only last three days. Wind up lights can give continuous light without batteries. Even your solar panels and batteries can provide light. Generators work also, but they require a constant source of fuel, and they are noisy. Keep these light sources on hand when you will need them for the next power outage. I will multiply your fuels and batteries at My refuges."
Jesus said: "My people, you have seen Me give sight to the blind in My miracles. You all have occasional eye problems when you need stronger glasses, an operation for cataracts, or problems with macular degeneration with your retinas. Some of your eye problems can be fixed with shots, operations, or new glasses, but other eye problems cannot be fixed. Give thanks to Me if you have good eyesight, but be ready to help people with bad eyesight. Sight is a gift, so treat your eyes with respect. During the tribulation you can look on the luminous cross, and any eye defects will be healed."

Friday, December 14, 2018: (St. John of the Cross)
Jesus said: “My son, this trip through a tunnel to My Light is the same experience you will have at your Warning experience, and at your death. When you come before Me, I will show you all the good and bad things you did during your life. You will have a special enlightenment on all of your unforgiven sins at that time. At the end of your life review, you will have a judgment based on your life to heaven, hell, or purgatory. You will also have a taste of your destination and what it would be like to be there. Then after the Warning, you will be placed back into your body for a chance to improve your life with a better destination. If you do not change your life, your destination will not change. Keep coming to frequent Confession so you will have less purgatory time for the remission of your sins. Following the Divine Mercy Sunday requirements will give you a plenary indulgence to lessen your purgatory time. If you are present during the tribulation time, this will be your purgatory on earth. Keep close to Me in your prayers and My sacraments, and you will be with Me in heaven in due time.”
Jesus said: “My son, you prayed to Me to help your purchase of a year old vehicle, and that it would go smoothly. You had to pay a little more than you planned, but it was still in your price range. I did help you in your purchase, so give Me thanks that you could have your car today. This van will help you in your future driving missions, as when you come to the Washington, D.C. March for Life in January. I have provided for all your financial needs, so trust in what you need from Me, and I will help you with it. Your refuge is important for the needs of My faithful, and I thank you for saying ‘yes’ to provide a refuge. You have been faithful in carrying out all of the projects that I have asked of you. I will bless all of your efforts, even for having your third practice drill for your prayer group overnight.”

Saturday, December 15, 2018: (A Mass for Peter Barilla)
Jesus said: “My son, I thank you for having this Mass offered up for the soul of Peter Barilla. His family treasures his life, and he loved being close to nature in his garden. He suffered some in his death, but he is praying for all of his family. He will watch over them. Remember him in your prayers, and it is nice to have his picture around to think of him.”
(Andrew Lynch Funeral Mass) Andrew said: “I am sad that I died alone, but this

was the time the Lord called me home. I want to say good-bye to my family and all of my friends. I truly loved the Lord and the Blessed Mother. I thank the priests for their kind words about me. I truly enjoyed coming to the Latin Masses, and I was happy to join your prayer group in praying the rosary. I am happy to be with my Lord, and I thank you for your prayers and Masses that have helped me get to heaven. Rejoice in the Lord because I love Him so dearly. I love all of you, and I thank you for coming to my wake and my funeral Mass."
Jesus said: "My people, in 3 Kings 18:29-40 you read the account of how Elijah challenged the priests of Baal to bring down fire upon a sacrifice, and they were not successful. Then Elijah called on Me to bring down fire on his sacrifice, and so I did, and the people believed in My power. When I came on the earth, the Pharisees and the Jews did not believe in Me, but I became the sacrifice, and I was crucified, but I rose again to conquer sin and death. Now, at every sacrifice of the Mass, the priest consecrates the bread and wine into My Body and Blood. I share My Real Presence with you every time you receive Me worthily in Holy Communion. Rejoice because I am with you always until the end of time."

Sunday, December 16, 2018:(Third Sunday of Advent-Gaudete Sunday)
Jesus said: "My people, this is 'Gaudete' Sunday, or rejoice with your pink candle for the Third Sunday of Advent. As you listen to St. John the Baptist announce the coming of the Messiah, there is rejoicing at My coming. The people thought I would free them from their captivity under the Romans, but I came to free them from their sins. You may hear St. John the Baptist rejoicing at My coming, but he also was preparing the people when He said: 'Repent and be baptized'. My people of today can repent also by coming to Confession before Christmas. Just as the people rejoiced on hearing about My coming, so today My people are rejoicing at My coming again on the clouds. Have no fear of the evil ones who tempt you, because in a short time, I will cast all the evil ones into hell, and I will bring My faithful into My Era of Peace."

Monday, December 17, 2018:

Jesus said: “My people, this vision is showing you some buildings in a city that were collapsing from an earthquake. You have been seeing some earthquakes near Vancouver, Canada, other quakes off the coast of Oregon, and one in Tennessee. I told you that you would see continuous natural disasters. This sign of buildings collapsing is a sign that you will see more serious earthquakes in a city that could take down buildings. Keep praying for any souls who could die suddenly without time to prepare for their judgment. Come to Confession frequently so you will always have your soul ready and pure when you die.”
Jesus said: “My people, it is difficult for families to get together when they live far away from each other. Most families make an extra effort to get together and share presents for Christmas. It is also good to go to each other’s homes so the driving is shared with each other. Christmas is a joyful time of year, and you love hearing the accounts of the Blessed Mother and St. Joseph at Bethlehem. You can bring your gifts of prayers to My crib, along with your pure souls after Confession. Encourage your family to come to Mass and Confession for Christmas. I love all of you so much, and you can show Me your love at Mass and in your prayers. My angels will be singing wonderful Christmas songs during Advent. Give praise and thanks to Me for My first coming at Bethlehem.”

Jesus said: “My people, it is impossible for man to completely understand the mystery of My Incarnation as a God-man. It was difficult for Me to restrain My powers as God in a man’s body. I love all of you so much that I became a man, so I could die for you on the cross to forgive your sins. The Holy Spirit conceived Me in My Blessed Mother, which is why I chose her without sin. While I was inside My Blessed Mother’s womb, she was an Ark of the Covenant, and a tabernacle of My Real Presence. There was rejoicing in heaven at My birth in Bethlehem. St. Joseph was told in a dream how I was conceived by the Holy Spirit. So he took My Blessed Mother as his wife into his home. He was to be My foster father, but he was the provider for our Holy Family. Rejoice with My angels that I came to you as a God-man to fulfill all of the prophecies of the prophets.”
Jesus said: “My people, it was dangerous to travel alone over long distances, so it was wise to travel with a caravan to avoid any attack from robbers. The terrain

was quite difficult to travel, and it was hard to find food and water. St. Joseph and the Blessed Mother were from the house of King David, so they had to travel to Bethlehem because of the Roman census. My parents also had a hard time finding a place to stay, and they finally stayed in a place for animals, which is why I was born and placed in a manger. I had a humble place for My birth, and a hard life as a carpenter's son. Give praise and thanks to My Father in heaven for allowing Me to teach the people, and heal many people of their illnesses. I taught the people about the coming of My Kingdom, and I taught them in parables."

January 2019

January 3, 2019
Wednesday, December 19, 2018:
Jesus said: “My people, in today’s readings you read how Samson and St. John the Baptist had miraculous births by their mothers who conceived in their old age. Zachariah was made mute by St. Gabriel for not believing the angel’s message. His mouth was loosened when St. John the Baptist was being named. By these miracles, the people knew that this child would have a special mission. St. John the Baptist was the herald in the desert to announce My coming. All of these accounts show you My plan of salvation for all of mankind. My Blessed Mother also had a miraculous birth of Myself, but it was by the Holy Spirit that she conceived Me. Truly you can see how the Blessed Trinity can do the impossible.”
Jesus said: “My people, you have read the accounts of My birth in a stable because My parents could not find room at the inns with any privacy. I was born and placed in a manger where the animals ate their food. This was a humble setting in Bethlehem. We traveled from Nazareth to Bethlehem which was difficult to travel in My day with a donkey. Later in life, I traveled on a colt into Jerusalem with palms celebrating My coming. Give praise and thanks to God that I came as a God-man so I could sacrifice My life for all the sins of mankind.”

Thursday, December 20, 2018:
Jesus said: “My people, you are seeing in Isaiah how Ahaz gave a sign that a virgin shall conceive a son and call Him Emmanuel. Then in the Gospel of St. Luke you are seeing this prophecy fulfilled, when St. Gabriel told My Blessed

Mother that she would conceive a son by the Holy Spirit and His Name would be called Jesus. Then My Blessed Mother gave her fiat in saying let it be done to me according to your word. This is when I came to earth in the womb of My Blessed Mother. The whole world and the souls in sheol rejoiced that the Messiah would soon be born to eventually suffer the cross for their sins. After My death and Resurrection, the gates of heaven were opened to all worthy souls. All of the people of today are also promised heaven if they seek My forgiveness, and give their fiat to accept Me in love. So prepare yourselves to receive Me at Christmas with a clean soul from Confession."

Prayer Group:

Jesus said: "My people, at times you need to clean out the dust in your heat ducts, and also remove any blockages in your arteries to the heart. Your soul can gather darkness from your venial sins. This is why you need to come to monthly Confession to clean out your sins to give you a clean soul. This is also a good preparation for My coming at Christmas. You want to have a clean soul when you receive Me in Holy Communion."

Jesus said: "My people, I want you to follow in My footsteps as you try to imitate My way of life. You need to focus on doing My Will instead of following your own will. It is not easy to look beyond all the distractions and pleasures of this world. I am calling all of My faithful to follow Me on the narrow road to heaven. Call on your guardian angels to help you every day to keep your focus on Me."

Jesus said: "My people, I am showing you a beautiful Adoration chapel where you could visit Me when it is convenient for you. Many times My tabernacle sits alone with very few people coming to visit Me and keep Me company. I am the Creator of this world, and you need to acknowledge Me with your love. Even tonight I thank you for your prayers, and your presence to adore Me. I also thank you every night you pray to Me in your Adoration DVD. This being close to Me, lets Me know you are sincerely in love with Me."

Jesus said: "My people, I thank you for acknowledging Me in your Advent candles as you light them every night. This is a good tradition to remember each of the four weeks of Advent. You are preparing your Christmas gifts to share with your family and friends. You could also thank those people who bring your newspaper, or your mailman for their year long service for you. You can pray for your priests and share with them for all the daily Masses they offer for you. These are all kindnesses you could do for those people who help you every day."

Jesus said: "My people, at times I come knocking on the door of your soul so

you could let Me in to share My love with you. If you truly love Me, you need to show Me in your daily prayers, and your Holy Communion at daily Mass. You can also perform good works for people when you see them in need of your help and your skills. You can also pray for your family and friends to help them in their spiritual lives. Thank you for all the ways you show your love for Me and all those people in your life."
Jesus said: "My people, if you saw someone drowning in cold water, you would want to throw them a life preserver and pull them out of the water quickly before they drown or freeze. In the same way you can see people drowning in their sins or their addictions. You should quickly encourage them to Confession, or you could pray deliverance prayers to help save their souls. Some souls, who are away from Me, have a high price on their soul. It may require a long time of constant prayer to bring them back to Me. Do not give up on any soul."
Jesus said: "My people, you have seen ambulances taking people to the emergency room to provide life saving help to save that life. In a spiritual emergency, you may have to get a priest quickly to give the last rites to a dying person. I allow deathbed conversions, but people need to come to Me sooner, and not wait until the last moment. If you want to come to heaven, you need to repent of your sins, and seek My forgiveness in Confession at least once a month. You all are mortal and will die one day. So keep your soul clean, so you are ready every day, in case you come to your judgment suddenly. I love all of you, and I do not want to lose any soul to the evil one."

Friday, December 21, 2018:
Jesus said: "My people, you are so blessed that I came down from heaven to be among you as a God-man to share all of your troubles, pains, and sufferings of human life. I have made all of you in My Image that you can choose to love Me or not by your own free will. As you prepare for Christmas, think about the miracle of My Incarnation that I love all of you so much, that I became a God-man so one day I could sacrifice Myself for your sins. In My teachings in My public life, I brought you My loving ways, so I could fulfill the Commandments of love of God and love of neighbor. By My life on earth I have given you a way to live according to My Will, as all of creation is in harmony with My Will. Give praise and thanks to Me for coming to you on Christmas, and for all I do for you

every day."
Jesus said: "My people, you are seeing a vision of drops of blood that I shed for all of mankind, when I was climbing Mount Calvary on My way to My crucifixion. You may have to endure some suffering in this life, but it is not nearly as harsh as My crucifixion. You can join your suffering with Mine, and you will gain some graces for your judgment. Many people shy away from pain and suffering, and you reach for pain pills when it is needed. Even when you pray and do good works, the devil attacks you to try and discourage you from doing good. Move forward according to your own will, and do not be distracted by the things of the world. I love all of you, and you can call on My angels and graces to support you in times of trouble and stress."

Saturday, December 22, 2018:
Jesus said: "My people, you had a few warm days, and now you are back into the winter cold. Many of your families are traveling to meet your relatives for Christmas. You remember how difficult it was for our family that we had to travel away from our friends on the first Christmas. There are some now who will be facing difficult weather conditions to visit their parents' home. Pray for everyone's safe journey. It is always good news to be all together a few times each year, but especially on My birthday. Remember to keep My Name in Christmas, and to greet people with 'Merry Christmas.'
Jesus said: "My people, you may think the evil ones are controlling things, but I only allow them to have limited influence over My people. I do not fear them, and My faithful should not fear them either, because you have Me protecting you. A time is coming when I will bring My final victory over the evil ones, who I will cast into hell. Then I will renew the earth and bring My faithful into My Era of Peace. So bear with the trials of your life for now, because you will soon be at My Era of Peace with no more evil. Only those people who love Me and do My Will, will have their reward in My Era of Peace."

Sunday, December 23, 2018: (Fourth Sunday of Advent)
Jesus said: “My people, this stage is representing how you lived your life in public, and now you are facing your judgment before Me, for what you did in life. The roulette table means I want you to love Me and follow Me without gambling on your eternal destination. When you love Me and adore Me, you are assured of a place in heaven. When you love Me, you must love your neighbor as well, and you also need to repent of your sins. I came on the earth out of love for all of you, so I could die on the cross for all of your sins. So do not fear the evil ones because you can cleanse your souls in Confession if you fall into sin. I love all of you so much and I come to you as a baby in Bethlehem. Sing praise to Me as the angels do.”

Monday, December 24, 2018: (Christmas Eve)
Jesus said: “My people, I am the Light of the world, and My Light overcomes the darkness of evil. In the vision of the lighthouse, it is My Light that leads you to Me and avoids the rocks or temptations of the evil ones. It was My Star that led the Magi to My place of birth in Bethlehem. They gave Me gifts of gold, frankincense, and myrrh, which were kingly gifts. They were directed not to return to Herod. My birth is a fulfillment of the Scriptures that I would be born of a virgin. Give praise and glory to Me on Christmas, even as My angels constantly sing My praises.”

Tuesday, December 25, 2018: (Christmas Day)
Jesus said: “My people, you are celebrating My birth as a baby in a stable. Then you saw how Herod wanted to kill Me, but St. Joseph was warned in a dream to flee with us into Egypt. Herod killed the innocent baby boys of Bethlehem in an attempt to kill Me. You also are seeing the many abortions of babies in the womb. This is why you are receiving a punishment of disasters because of your ruthless killing of My babies. In the vision you also could be praying your Divine Mercy Chaplets for all the people in Indonesia who were killed by a

recent tsunami. You will be seeing more disasters from earthquakes and volcanoes, so prepare your souls for what is to come."
Jesus said: "My people, I have told you many times that the Warning would happen most likely during the football season, which is between September and February of a following year. This is why you saw a football in the vision, which is another indication that the Warning is very close. After the Warning happens, the tribulation will follow close behind. You are seeing many end time signs, so I am warning My faithful to have their backpacks ready to leave for My refuges. My refuge builders have finished their preparations, and they are ready to receive My faithful, once I give the word. Repent of your sins, and get your souls ready for My Warning."

Wednesday, December 26, 2018: (St. Stephen)
Jesus said: "My people, St. Stephen was brave and dedicated to Me, even when his life was at stake. He was the first martyr after My Resurrection. My faithful will also be suffering from the persecution of the evil ones, who do not want to hear about Me. I will give you what to say whenever people try to put you down for My sake. The Holy Spirit will speak through you. You may suffer to witness about Me now, but later you will be vindicated in My Era of Peace. So do not be fearful of the coming tribulation, because I will be protecting My faithful at My refuges. There will be some people who will die as martyrs for My sake, but all those, who will die, will be raised up in My Era of Peace. Trust in My protection, and you will be rewarded in the Era of Peace, and later in heaven."
Jesus said: "My people, many conflicts with spouses or people living together comes from anger that leads to swearing and physical abuse. If you truly love and respect someone, you would not resort to verbal or physical abuse. There may be disagreements or differences of opinion, but it is better to make compromises, than resort to violence. Spouses and couples need to pray together so you can show your love for Me, and those people around you. You need to pray for each other as well. Families at peace can accomplish more spiritual good works when you keep close to Me. Call on My help in all that you do."

January 3, 2019
Thursday, December 27, 2018: (St. John the Apostle & Evangelist)
Jesus said: “My son, you have just celebrated My birth, and now this Gospel is celebrating My Resurrection. In one sense, you are seeing the purpose of My coming in Bethlehem, which is My sacrifice on the cross for all the sins of mankind. When you celebrate and give witness to My Resurrection, you are joining in My victory over sin and death. My Resurrection is a preview of all of you at the judgment, when those people, who are worthy, will be joined again with a glorified body. You will be made whole again as I intended. In your vision of St. John’s place of burial, you also remember how he acknowledged that you are carrying on his preaching about the end times. Continue to go out to all the nations and spread the Good News of My Resurrection, and the salvation for all souls who accept Me.”
Prayer Group:
Jesus said: “My people, in a previous message I asked you to pray your Divine Mercy Chaplet to help save some souls who died in the Indonesian tsunami. You saw the Indonesian people praying for those who died in this tragedy. This is just one more natural disaster that is happening all over the world.”
Jesus said: “My people, you have many occasions for having a Mass outside, especially during the summer. You just celebrated My birth at Christmas, and you have a beautiful crib scene in front of your altar in this chapel. You have been with your family in sharing gifts, and it is good to see your relatives who live far away. Even a week’s stay went quickly while you had them at your house. You will see them again when you come to your March for Life.”
Jesus said: “My son, I have called you to go and speak where you are invited, wherever you are led. I am pleased with all of your talks, and all the effort you took to visit many people with My messages. The people, who invited you, paid for your travel expenses, and they provided your meals and a place to stay. Give praise and thanks to Me for helping you in this mission.”
Jesus said: “My people, adoption of children is a special option in your Right to Life effort, where pregnant mothers could give life to their children instead of having an abortion. In the movie, ‘Instant Family’, you saw a married couple decide to adopt three siblings, and one of them was a teenager. They went through some trials before they could trust each other, but it had a happy ending with a new family. At the end of the movie they showed several adopted

families. Many orphans are striving to have someone adopt them, and it can be a joy to bring up a young child that is desperate for love and a place to belong."
Jesus said: "My people, it is not easy to try and get another job when you find yourself unemployed. It is proper for family members to do what they can to help their own members until they can find another job. It is more difficult when the unemployed person has loan commitments on homes and cars. Your other members could chip in to help the one in need. You can also offer your prayers for the unemployed person to find another job. This unemployed person should thank anyone who is willing to help."
Jesus said: "My son, you are fortunate that your Bishop comes every year to support this cause for saving the aborted babies. Your pictures gave witness of your Rochester, N.Y. support of this cause as a family Diocese. You are preparing to make this trip again to take a stand against abortion in your country. You can see how strongly the pro-abortion people are in fighting this cause, when they tried every way to block Judge Bret Kavanaugh's confirmation to the Supreme Court. Pray to stop abortion in America."
Jesus said: "My people, St. Joseph was given a warning in a dream to take the Holy Family to Egypt, to avoid Herod's attempt to have Me killed. Unfortunately, all the boys under two years old were killed in Bethlehem. You have even seen the holocaust in World War II where millions of Jews were killed by Hitler. Now, you are seeing another holocaust of the killing of unborn babies by abortion. Your country's Supreme Court decision to legalize abortion is why I am allowing many natural disasters to punish your country for all the killing of My babies. Continue to pray to stop abortion in your daily prayers."

Friday, December 28, 2018: (The Holy Innocents)
Jesus said: "My people, these babies, who were killed in Bethlehem by Herod, have a special small mansion in heaven because they are considered martyrs for Me. When we escaped to Egypt, these babies took My place to satisfy the wrath of King Herod, who did not want anyone to threaten his throne. You have a lot of ruthless leaders throughout history, who have killed their own people for fighting against them. You are fortunate to have your current President who protects his people from the deep state evil ones. On this feast you also are reminded of all the innocent unborn babies who are being slaughtered by the pro-abortion

elements of your society. Those people, who struggle to allow the legalization of abortion are working for the devil, and they will have a heavy price to pay at their judgments. Pray to convert these evil ones, and pray to stop your abortions."
Jesus said: "My people, I have been preparing you for the coming Warning, but people have not been preparing with frequent Confession as I told you to do. If you do not cleanse your soul, more people will be seeing experiences deep in purgatory. Many of My faithful know enough to come to Confession, but they are spiritually lazy. You are coming down to the last moments before My Warning, yet you do not see the need to cleanse your souls. You need to mark a particular Saturday on your calendar so you can remember to come to Confession. Do not plan anything on that afternoon. If you allow the evil one to fill up your Saturdays with events, then you will not have time for your Confession. It is only with a clean soul that you can avoid any hell or deep purgatory experiences at your Warning. You need to be ready for the Warning, because evil events will happen quickly after the six weeks of conversion. Continue your good prayer life every day as well."

January 3, 2019
Saturday, December 29, 2018: (St. Thomas Becket)
Jesus said: "My people, you know this world has evil people in it that are controlled by the devil. All of My teachings about love of God and love of neighbor are contrary to the way the worldly think. This is why people in authority persecute anyone who is against their way of life. In the last few days you saw St. Stephen stoned to death, the babies in Bethlehem were killed, and now St. Thomas Becket was killed in England. You will encounter evil people in your country, and shortly you will see all Christians being persecuted, and you will need to come to My refuges to avoid being killed. Pray for your persecutors and follow My laws of love."
Jesus said: "My people, you see in the vision how many people come to large stadiums to watch football games, but how many of these people are willing to attend Sunday Mass? Your Mass attendance is slowly dropping and the young people are not attending Mass much. Your demographics show more older people and older priests are coming to Mass. Your people are more interested in entertainment and comforts, than taking time to come to Mass. Even fewer are coming to frequent Confession. The Antichrist will take advantage of this large stadium mentality. When mandatory chips in the body are in place, the Antichrist will call his subjects to these stadiums, and he will control their minds by hypnotism through the chips in the body. I am calling My faithful not to take any chip in the body, even if you are martyred for not taking it. When the evil ones announce mandatory chips in the body are necessary for buying and selling, then My faithful need to come to My refuges of protection. Those people, who take the mark of the beast and

worship the Antichrist, will be condemned to hell. I will protect My faithful from the evil ones at My refuges throughout the whole tribulation."

Sunday, December 30, 2018: (Holy Family Sunday)

Jesus said: "My people, the dark clouds over your families are a sign of how your morals have deteriorated. Many families are divorced or separated, and only a third of your households have a husband and wife present. Many of your couples do not get married, but they live together in fornication. An even lower number get married in the Church. Because of all of your abortions, sexual sins, and birth control, this is why there is a dark cloud over your households. The parents have become lax in training their children with good morals, teaching them their prayers, and coming to Sunday Mass and Confession. Without good examples, now you see why the children live immorally. My Warning will wake up all sinners, but they still have to choose to love Me in order to be saved. Give your children good examples both physically and spiritually. A time is coming when I will separate the good people from the evil people. My faithful will come to My refuges, but the evil and lukewarm people will be cast into hell. Follow Me in My Commandments, if you want to come to heaven."

Monday, December 31, 2018: (St. Sylvester I)

Jesus said: "My people, this vision has two meanings for the end of the year. As with St. John's beginning when he spoke of Me as the Word, you are all waiting for My return, or your death, whichever comes first. You still are busy saving souls, but your waiting is also cause to have a pure soul with frequent Confession. The other sign of waiting are the poor souls in purgatory, who are anxious to be with Me in heaven, and get out of the punishment of purgatory. Souls in purgatory do suffer not having My love, but they are promised one day to be with Me in heaven. Some souls in lower purgatory even suffer flames, a little as in hell. This is a true burning all over their soul bodies. This is also why I ask you to pray for the souls in purgatory, and have Masses offered for those souls who you know. You could even have Masses said for yourself in your will to help those in your family to remember your soul. The souls, who have been separated from their bodies, want you to have pictures of them, so you can remember to pray for them to get out of purgatory."

Jesus said: "My people, I told you that America would suffer much from natural disasters. In the vision you are seeing a large tsunami wave come against your East coast. This could flood many of your coastal cities, and it could be more damaging than a power outage. Your prayers could minimize the damage, but America will be seeing more devastation, as your storms will continue to intensify. Prepare to move inland if such a wave comes. This is why I have warned My faithful not to live near rivers or oceans. Be prepared to leave for My refuges when your lives are threatened."

Tuesday, January 1, 2019: (Solemnity of Mary)

Blessed Mother said: “My dear son, I hear all of your prayers for your family members. Some of them have a high price, and they need deliverance prayers, as your long form of the St. Michael prayer. Try to remember this prayer every night, because they definitely need persistent prayers, and you are the only ones praying for them. Souls can be saved, but you need to be persistent for the hard cases. I am thankful that you pray to Me and Jesus every day. Your prayer life is a good example to others. You know how important it is to be linked to us in love because we can help you with your intentions. I give them to Jesus, and He always listens to His Blessed Mother. Try to encourage others to pray daily, and come to Mass when possible. For you, who receives messages from us, it is a necessity to keep your gifts. Continue in your missions of sharing our messages, and preparing your refuge. Now, you need to plan your next practice run, and start your new DVD.”

Jesus said: “My son, I am alerting you to the possibility of asteroids or comets coming close to the earth. Any such objects or sun flares could affect your satellite and internet communications. Even tonight you are experiencing a loss of your internet signal. You also had some high winds that could have affected your lines. When you are able to link your internet, check to see if any objects are headed close to the earth. This could be another source of disasters for your country. Trust that I will protect My refuges right through the whole tribulation.”

Note. There is a comet coming around February, but 60 million miles away.

Wednesday, January 2, 2019: (St. Basil & St. Gregory)

Jesus said: “My people, after over three hundred years when I was born, the persecution of Christians came to an end. Then, Christians could come out of hiding without fear of being killed. Still over the years, there have been many martyrs for the faith. Even in today’s time, Christians are still being persecuted in communist and Muslim countries. St. Basil and St. Gregory fought heresies over My Divine Nature. Some people could not accept My Divinity as a God-man. I am still the Son of God, the Second Person of the Blessed Trinity, and My Incarnation is a mystery for man to understand. My believers accept My Divinity on faith, as well as My Real Presence in the consecrated Host, even though they may receive criticism for these beliefs. In the coming tribulation, Christians will again need to seek a hiding place, since your lives will again be threatened by the Antichrist and his followers. This is why I am having some of My people set up refuges where My angels will protect you from harm. My faithful will be living at refuges, so be prepared to come at My call.”

Jesus said: “My people, you know how evil many of the people on earth are acting. My punishment will soon fall on the people who are not at My refuges once you are called to come to My refuges. During the tribulation, My faithful will be suffering their purgatory on earth. After the tribulation, when I bring My victory over the evil ones, I will cast all the evil ones into the flames of hell. There will be much punishment going on for all the abortions and sexual sins of your people. People will be given one last chance to repent and change their lives with My Warning. Those people, who refuse to love Me, will be suffering in the eternal flames of hell. I am merciful, but I

am also just. People will have to choose their eternal destination by their actions back in their bodies after the Warning in the six weeks of conversion."

(Joan Theut Mass) Jesus said: "My people, every time you come to the sacrifice of the Mass, you are focused on Me in the priest, and on the consecrated Bread and Wine. You are praying for Joan's soul, and it is proper to pray for the dead and have Masses said for their souls. Every soul is tested by the trials of life, and Joan had to suffer as well. Joan will be missed by her family, and she will be praying for them."

Saturday, January 5, 2019: (St. John Neumann)

Jesus said: "My people, you are preparing to make another trip to your March for Life against your Supreme Court decision that legalized abortion. You ask yourself, how can a country legalize the killing of your children? You have My Fifth Commandment that says you shall not kill anyone. If you kill someone, you could go to jail for life. Yet killing an unborn baby is accepted in your society. You know by all reason that this is wrong, and My faithful do not have to obey an unjust decision. I am holding your country accountable for the million abortions you commit every year. This blood is on your hands, and until it is changed, you will see disasters, and evil things continue in your land. Pray to stop abortions, and encourage your mothers to not kill their children."

(Franca Mass) 4:30 p.m. (Epiphany) Jesus said: "My people, I have asked you to have a third practice run because you will be spending a fair amount of time at your refuge. This time is growing close so you need to be ready physically and have a pure soul spiritually. You have been preparing for this time with all of your projects for water, food, and fuels for the winter. You are learning how to eat your survival food of MREs and dehydrated food. You also have your alternate heaters ready along with your solar electricity. Thank you for taking on this mission of a refuge."

Jesus said: "You are having this Mass said for Franca's soul and she is grateful for your prayers and Masses. It was sad to see her pass, but people had a chance to see her before she died. Keep her picture out so you can remember to pray for her. She loves all of you, and she will be praying for you. Thank Me for the gift of her life to all of you."

Jesus said: "My people, today is a glorious celebration of My Kingship. The Three Kings from the

orient highlighted My Kingship when they brought Me kingly gifts of gold, frankincense, and myrrh. All of heaven was also singing songs of praise for My coming to earth. Even though I retained My Divine Power, I was humbled to be a baby in man's world. My parents had to protect Me from Herod's attempt to kill Me when we traveled to Egypt. The evil one hates Me and My followers, so you need to be careful to avoid the evil people who want to kill Christians. This is why you will need My protection at My refuges with My angels."

Monday, January 7, 2019: (St. Raymond of Penyafort)

Jesus said: "My people, this sign of the jackals pouncing on your President and your government, means the deep state, evil people are beginning their takeover. Little by little these evil ones want to take away your rights by your Constitution. These evil ones want a communist state because the backers of the one world people want to prepare the way for the Antichrist's complete takeover of the world. Once your President and your Republicans lose power, the communists will take over all of your rights. Have your backpacks ready to leave for My refuges when I give you the word to come. There will be a financial collapse, followed by an electric grid shutdown that will cause a famine in your land. This is another sign of the end times. Pray for My protection during the coming tribulation of the Antichrist."

Jesus said: "My people, you just read how the Magi brought Me their kingly gifts. Then our family had to leave for Egypt because Herod was trying to kill Me. In the vision you saw Santa Claus knocked to the floor, as people were trying to stop him from giving out his gifts. This is symbolic of how the one world people are doing everything to bring down your President. They want to keep him from putting up a wall to stop the illegal immigrants. You will be seeing a battle between your President and the opposition party over immigration and the wall. Your partial government shutdown could be dragged on, or your President may find the money from another source. This gridlock will get worse when it comes to your budget, and the debt ceiling. Pray for your country, because without some compromises, nothing will get done in your Congress."

Tuesday, January 8, 2019:

Jesus said: "My people, I could make humans as robots to give Me praise, but I am love, and I made you in My image with free will. You have been given freedom to choose to love Me or not. I do not force you to love Me, but I want you to love Me because it is your free choice. If you choose to love Me, then let Me be the center of your life in all that you do. When you do good deeds for others, you should do it out of love for Me in that person. You were taught in your early years that you are here to know, love, and serve Me in this world. The more you do for Me, the more treasures you are storing up in heaven for your judgment. Think of Me in every action of your life, that you are doing everything for love of Me. By following My Divine Will, you will be assured of a place in My Kingdom of heaven. Do not be concerned over the things or evils of this world, because they will pass away in My judgment. Focus on heavenly things and saving souls, who will last forever. I thank all of My faithful for being obedient to My Word, because you are in

harmony with all of My creations."
Jesus said: "My people, you are seeing more divisions in your country, especially over your immigration policy. Your opposition party is refusing to fund a small part of your budget to build a wall on your Southern border. These same people voted earlier for a wall, but now the real reason to fight the wall is coming out. The more illegal immigrants that come into your country, the easier it will be to defeat the Republicans. By illegal means these illegal immigrants are voting for Democrats which is why the Democrats do not want to build the wall. This opposition party does not care about those people who are killed by illegal immigrants, nor do unscrupulous employers want to stop the cheap labor. If there is no resolution of the immigration problem, you could see your President use emergency powers to build the wall. This could trigger lawsuits to the Supreme Court. It could also trigger riots and revolts caused by terrorists. If there is no compromise soon, you could see the communists exploit a takeover of your country. I have been warning you that your freedoms would soon be lost, and you will need to come to My refuges for your protection. The evil ones will use any crisis to create chaos for their takeover. My angels will protect you at My refuges, so be ready to leave for My refuges when I give you the word."

Jesus said: "My people, in the readings you read how I am love itself, and I love all of My creations, even when you sin against Me. I am all powerful also, and you saw Me in the Gospel as I went to My apostles walking on the water, and I calmed the storm. There are many problems on the earth that are being set in motion by the evil ones. The one world people want to take over the world through your money people and those people who run your government behind the scenes. Your President is fighting these people because he loves America, and he wants to stop their takeover. In the short term I will allow these evil ones to have their control, but then I will bring My power over the Antichrist with My victory. You will be persecuted for a while, but I will protect My faithful at My refuges during the tribulation. This is why you will travel to My angel protected safe havens. Do not be fearful of the evil ones, but trust in My protection as I protected My apostles."
Jesus said: "My people, during winter you are used to snow and cold. What you are seeing in your country, is a great division because you have many people with cold hearts. In days past you saw people compromise so each political side would have something they wanted. In your politics of today, there is a hard way to see any compromise, even if what is being debated is good for your country.

With politicians, who are uncompromising, your government shutdown could last a long time. You need to pray for peace between your parties, or very little will be accomplished. Pray for more love between your people, because your people need to cooperate to get your work done. Focus more on My agenda of getting along with each other in love than in constant hate."

Thursday, January 10, 2019:
Jesus said: "My people, St. John's letter is reminding all of you that you need to obey My Commandments of loving Me and loving your neighbor. If you do not love your neighbor, then you are not fully loving Me, your Creator. Even though you have divisions over politics, you still need to love each other as your human family. In fact if you remember to love each other, there would not be so much hate among your people. It is the devil who is stirring up so much animosity in your speech to each other. So love your enemies and your persecutors, and pray for their souls to be saved. In the Gospel you are seeing how I told the people that I am literally fulfilling the Scriptures, as I heal the sick and forgive their sins. Later on, the people of Nazareth wanted to kill Me because they could not accept that I am the Son of God. Many people even today, do not want to believe in My Divinity. You have My Real Presence in the consecrated bread and wine at the Mass, so give respect to My Eucharist in your tabernacles when you genuflect, or bow to receive Me in Holy Communion. Give praise and thanks to Me for coming among you on earth as a God-man, who died for your sins."
Jesus said: "My people, you hear the wind blowing as My sign to give you a message here. This monastery is a refuge, and I will protect it from damage, and My angels will guard it from those people who do not have a cross on their foreheads. My angels will provide food, water, and fuels to heat during the tribulation. The angels will also set up invisible shields to block the evil ones. The angels will bring the people Holy Communion every day, if a priest is not present for Mass. My faithful will be directed here by a flame with their guardian angels. Rejoice because all faithful monasteries will be refuges for My people to come during the tribulation."
Prayer Group:
Jesus said: "My people, you have seen this scene of crutches in Lourdes, France,

where lame people were healed, and their souls were cleansed as well. Some times in life you need some help with your problems. When you call on My help, I am always at your side. You can lean on Me as a crutch to get you through your trials. I help you out of love, but you need to confess your sins, so you can be open to receive My graces."
Jesus said: "My people, you have been spoiled with warmer than normal temperatures, and very little snow in the last few months. Now, you have some snow and much colder temperatures, and you are already complaining. Do what you can to help people that are in need for heating their homes, or for helping the homeless. You can also help people at your food shelves with food, money, or clothes."
Jesus said: "My son, these friends have been directed to come to see you, and learn from your experiences. They are sharing with your prayer group and your friends. Hopefully, they are being satisfied for the reasons they chose to come. I will shine My blessings upon them, and on your prayer group for all of your many hours of Adoring Me, when you make time for Me in your lives."
David said: "My dear parents and sisters, you are traveling around town, so maybe you could stop at my grave on the day of the anniversary of my death. This would be even a greater remembrance than when you found the green little stone at my grave. Remember to acknowledge my sister Mary as you think of me. We are constantly praying for all of our family members to help save your souls. We are waiting for you in heaven, and please remember us as a part of your lives."
Jesus said: "My people, you are seeing some people who are more excited to watch football games than come to Sunday Mass. I have been preparing My people for the coming Warning by coming to frequent Confession. There are many sinners who will have a wake up call to see that I should be more a part of their lives. Even some faithful have become lax in their prayers, Sunday Mass, and Confession. Give good examples to your family and the lukewarm, that they will see the importance of their soul's eternal destination, and they could change their ways. Those souls, who do not come to Me after their Warning, are risking hell if they ignore My love."
Jesus said: "My people, you remember when your previous President (Obama) used executive orders to get what he could not get from a Republican Congress. Now, your President is threatening to declare a national emergency to fund this wall for your National security. Your opposition party only likes their own ways of doing things, since they live by a double standard of hypocrisy. Your media

also uses a double standard, and they also do one thing, but expect others to obey their one sided thinking. You may not see justice now, but these evil ones will pay dearly for their crimes, when I bring My victory. Have patience because My victory is not far off."
Jesus said: "My people, I am showing you how I suffered from wearing this crown of thorns. I suffered much from My scourging, carrying My cross, and dying by asphyxiation on the cross. My people on earth cry out with the least little problem of cold, hunger, or small pains in your body. You will suffer much worse persecutions during the tribulation, and you will be fortunate to be protected by My angels at My refuges. You need to do some fasting and offer up any inconveniences or pains to Me so you can store up these treasures in heaven for your judgment."

Jesus said: "My people, you have enjoyed visiting this great Basilica, and reading about Fr. Baker, Servant of God. He did great works to establish an orphanage for young children. You can pray to him as an intercessor for your prayers for your family. The spires that are pointed to heaven, give you hope that one day My faithful can be with Me in heaven. When you pray with your hands pointed to heaven, you are offering all that you do up to Me. I am thankful that you keep a daily prayer life to show your constant love for Me and your neighbor. Be ever vigilant prayer warriors for your family, and strive to evangelize souls to the faith. It is the souls that are so valuable to Me, and I do not want to lose even one soul. By reaching out to save souls, you can keep some of the lukewarm from going to hell. By praying daily for your family, you could help save them from hell also. Keep close to Me in your prayers, Masses, and Confession.

Saturday, January 12, 2019:

Jesus said: “My people, you have an option in life to follow My Will or your own will. Some people want to control their own lives, but they are on the broad road to hell. My faithful let Me run their lives, and they follow My Will and My Commandments. St. John the Baptist was called to prepare the people for My public ministry by his baptizing the people, and calling them to repent. Once I came on the scene, St. John the Baptist said: ‘I must decrease, while He must increase.’ This is why I do not want My people to focus on money, fame, and possessions before Me. All of these earthly things will pass away, but I and your souls will live on forever. So put your trust and love in Me, and not in your importance or your wealth. Center your life around Me, and I will provide for all of your needs.”
(4:30 p.m. Mass) Jesus said: “My people, in the Gospel My baptism by St. John the Baptist is one of the few places in Scripture when you see all Three Persons of the Blessed Trinity witness before the people. You saw Me being baptized, and I am the Second Person of God. You read how the Holy Spirit appeared as a dove, and He is the Third Person of God. Then you heard a voice from God the Father who said: ‘This is My Beloved Son in Whom I am well pleased.’ God the Father is the First Person of God. So you have Three Persons in One God. As I walked away from St. John the Baptist he realized that I was the Messiah, and he said: ‘There goes the Lamb of God,’ and some of My apostles started following Me. When you baptize people, you are calling down the Blessed Trinity when you say: ‘In the Name of the Father, the Son, and the Holy Spirit.’ Baptism is a sacrament that brings you into the faith, and it forgives your original sin. I want all of My faithful to have your children and grandchildren baptized to help save their souls. If you live long enough, you can see your great grandchildren baptized as well.”

Sunday, January 13, 2019: (The Baptism of the Lord)
Jesus said: “My people, I have told you that the angels are placing crosses on the foreheads of all the people who are still faithful to Me. These crosses are invisible now, but during the tribulation they will be visible to only My faithful. Only those people, who have a cross on their forehead, will be allowed by the angel of the refuge to enter. When you were baptized, you were marked with a

cross with chrism on your forehead. Over the years some of My baptized faithful have fallen away from the fervor of their faith. These people will have one last chance to receive a cross on their foreheads by the angel, after their Warning experience. If people still refuse to love Me after the Warning, they are risking hell. Pray for all of your family to be converted back to the faith so you can help save their souls. The Warning is the best time for conversions, but people have to choose to love Me in order to be saved."
Jesus said: "My people, in the vision you are seeing the black eye of the Antichrist. I have warned you in the past to avoid looking at the eyes of the Antichrist because he could hypnotize you into worshiping him. Avoid seeking the Antichrist's website as well. The one world people will also try to mandate chips in the body for everyone in order to buy and sell. Refuse to take any chip in the body, even if they threaten to kill you. These chips will also control people's minds and souls to worship the Antichrist. When you hear about mandatory chips in the body, this will be a sign to come to My refuges where My angels will protect you from the evil ones. After the Warning you will have six weeks of time for conversions. Then events will lead up to the Antichrist coming into power. I will warn My faithful to come to My refuges before the Antichrist comes into power. I am reminding you of these events so you can get to Confession before the Warning comes. You will be thankful for My protection as these events are very close."

Jesus said: "My people, My mission required Me to have My apostles to send out My message to evangelize the people. So My first need was to call My apostles from being fishermen, when I told them they would be fishers of men. My apostles accepted their calling without looking back, and they felt honored to be with the promised Messiah. Later, their mission to evangelize people would cost them their lives in martyrdom, except St. John. I am grateful they all accepted My call. Even today, I am calling on people to believe in Me, and those people, who answer My call, will be saved. During these coming end days, I have even asked some faithful to set up refuges, or safe havens for My faithful to stay during the tribulation. I am grateful that these refuge builders have

answered My call without objections. You are seeing how close events are by the serious nature of the recent messages about My Warning. Be prepared to bring your backpacks to My refuges when I call you, and you will follow the flame of your guardian angel to the nearest refuge."
Jesus said: "My people, your country has trillions of dollars of National Debt, and each year your government spends more that it takes in with revenue. Your deficit spending is reaching a limit when you will find it hard to even pay the interest on your debt. The Federal Reserve of bankers has been manipulating the value of your money for years. Just compare what a dollar bought even ten years ago to today's value, and you will see that you have fiat money with no backing. All of your deficits and your debt instruments as derivatives are teetering on bankruptcy. Be prepared for a financial crash of your dollar that could cause chaos among your countries. This is why I keep telling you to put your trust in Me, and not in your money that has no inherent value. Trust heavenly things of value more than your currency that can be manipulated."

Jesus said: "My people, in today's Gospel I commanded the evil spirit to come out of a possessed person, and it left. The people were amazed at My power to remove demons from people. There were evil and possessed people in My day, and there are some in your day as well. There are some people with evil intentions to persecute Christians, and they are led by demons. In the vision you are seeing people who want to cover up My cross, and harass those people who believe in Me. As you look around, you can see evil influences in drugs, marijuana, and killings, especially abortions. You can pray deliverance prayers for addicts, and against those people who promote abortions and the death culture. Keep giving your good example of prayers, and coming to Sunday Mass and Confession. My faithful are a light of faith among the darkness of evil and the lukewarm people. Pray for sinners to help save their souls."
Jesus said: "My people, when you see books being read by people, this is getting old compared to some who read electronic books, or newspapers on line. Some people still enjoy reading their daily newspaper. Some people also read My holy Words in the Bible. Reading the Scriptures allows you to lead a life in My

footsteps. You could make it a practice to read a few pages each day. By keeping close to Me in prayer and reading the Scriptures, you can lead a holy life in preparation for your judgment. Trust in My Word that lasts forever, instead of your daily news that is thrown out the next day."

Jesus said: "My son, I applaud your determination to drive to the March for Life in Washington, D.C. I will clear the way for you to travel through any snow storms. It still would be wise to have some preparations in your car. Take some food, your boots, and your shovel and broom just in case. Your bishop is your incentive for coming every year for all of your people. This is a great experience for the youth to protest your abortions. Your country is suffering natural disasters as a punishment for your many abortions. As you travel, you could pray your rosaries to stop your abortions. Take many pictures to show the people all of the large numbers of protesters that are not well publicized."
Jesus said: "My people, I have been warning you for a long time that there would be a flood of evil that would enable the Antichrist to take over the world. You are about to see this prophesy come true. I will allow the Antichrist to have his hour with limited power, and he will reign for less than 3½ years. After the Warning and the six weeks of conversion, you will see a tribulation of evil that you have never seen before. It is during that evil time that I will protect My faithful at My refuges with My angels. At the end of the Antichrist's reign, I will bring My victory with My Comet of Chastisement, and all the evil ones will be cast into hell. Then I will renew the earth like the garden of Eden, and I will bring My faithful down into My Era of Peace. Later, you will all be brought into heaven."

Thursday, January 17, 2019: (St. Anthony of the Desert)
Jesus said: “My people, I healed a leper of his leprosy, and I also healed his soul of his sins. My people of today also need healing of the leprosy of your sins. Your nation’s people also need healing of all of your abortions and sexual sins. You see much evil around you, and fewer people are coming to church on Sunday. My people need to heal your cold hearts with My warm love. Come to Me with all of your troubles, and I will help you. I will have My angels protect you on your trip to protest abortions in Washington, D.C.”
Jesus said: “My people, you see snow storms every year in the winter, but some times you see heavy snow storms or freezing rain that can take down trees and electric lines. These storms can cause great damage and power outages. If people do not have backup wood fireplaces or kerosene burners, they could freeze in the winter, or they could find a place with heat. You will be marching tomorrow in protest of your abortions being legalized in the Supreme Court. Your people do not understand the link between your sins of abortion and your punishment with severe natural disasters. I keep asking you to pray your rosaries to stop abortion, and to make reparation for your nation’s sins. Pray that your mothers have their babies instead of killing them with abortion. Pray to soften the hard hearts of those mothers who listen to the lies of the abortionists. Trust in My Word to repent and stop your abortions, or your country will be taken over by the evil ones.”

Jesus said: “My people, you know how guilty your country is in allowing a million abortions every year. You also have many sexual sins as well. I hear your prayers to stop abortion, and I know many of you make great sacrifices to come to Washington, D.C., and how you walk several hours in your March for Life, and then back to your vehicles. You also come to Mass with your bishop as the main celebrant this year. Because of all of your prayers and sacrifices, heaven hears them, and they help mitigate your punishment as reparation for your sins. Be thankful for My mercy, but My justice does require some payment for killing

My little ones. Do not give up, and continue your prayers and sacrifices to help the unborn babies."

Jesus said: "My people, in today's Gospel I called Levi, the tax collector, to follow Me as one of My apostles. Levi was later named Matthew, who wrote one of the four Gospels. The Pharisees asked why I ate with sinners and tax collectors. But I told them that I came to call sinners and not the self-righteous. I told them that the sick need a physician. In the vision I showed you a humble attic that was plain and without much decoration. You do not need all of your extra comforts beyond your needs to survive. You should seek heavenly things as prayers, good works for your neighbor, and giving donations to the poor and needy along with My Church. Give a substantial donation, and not just a token amount from your excess wealth. By sharing with your neighbor, and worshiping Me at Sunday Mass, you can store up more valuable treasures in heaven for your judgment."

You can give thanks by your daily prayers, and by coming to Mass and Confession."

Jesus said: “My people, I told the people that My disciples would fast after the Bridegroom is taken away from them. If My people are faithful to My Will and My Commandments, then you will truly be judged worthy of heaven. For one day you will have your reward with Me at My Great Banquet table in heaven. Follow the humble life of St. Agnes as a model for your life. You are also celebrating freedom for all races as you honor Martin Luther King, Jr. Trust in Me every day as I am leading you all to heaven.”
Jesus said: “My people, some of My faithful are already being persecuted in communist and Muslim countries. This vision of a prison is to emphasize that Christians all over the world will be subject to persecution during the coming tribulation. This vision is also telling you that this persecution will be coming soon, and you need to be ready to flee to My refuges to avoid being martyred. Do not expect justice in this world now, but later everyone will have to answer to Me for all of their evil actions. Then you will see My mercy and My judgment. Tomorrow is the anniversary of your Supreme Court decision that legalized abortion in America. Again you have injustice of allowing abortions of your unborn babies. But the mothers and doctors will pay a heavy price for their misdeeds at the judgment. I will forgive your sins, but you need to come to Me with contrite hearts to seek My forgiveness. Confession is the best way to have your sins absolved.”

Tuesday, January 22, 2019: (Anniversary of Roe vs. Wade)
Jesus said: “My people, the decision by your Supreme Court to allow abortions to be legal, is the worst precedent that your people have ever made. This is a case where man’s law is evil, and My Fifth Commandment of ‘Thou shalt not kill’, is true justice. This sin is the worst because you kill a million of My babies every year. The death culture has been set up by Satan, and all of your evil one world people who worship him. Have no fear because My justice will reign after the tribulation, and all the evil ones who do not repent, will be thrown into hell for their crimes. Your persecution will get worse, but I will protect My faithful at My refuges. I will shorten this evil time for the sake of My elect. Pray to stop abortions, or you will continue to have more severe natural disasters.”

Jesus said: “My people, I am showing you these major natural disasters because this damage is a punishment for all of your abortions. Your New York State Legislature and Governor purposely chose this anniversary of Roe vs. Wade to pass a bill called the Reproductive Health Act, and your governor signed it into law. This was done to try and prevent any future decision in the Supreme Court that would overturn Roe vs. Wade. Whenever the Democrats gain a majority, they will vote to take away your rights for their new world order. Expect more such votes to take away more rights with guns and marijuana in the future. Your government will get so evil because the one world people are manipulating the voting machines, along with illegal votes. Once they gain power in the U.S. government, they will force mandatory chips in the body on you, just as they are forcing new meters on you for gas, water, and electricity readings. Pray for your people to get ready to leave for your refuges, because the evil ones of the tribulation are about to take over. I will warn you when to come to My refuges, as your guardian angel will lead you to the nearest refuge.”

Wednesday, January 23, 2019: (St. Marianne Cope)
Jesus said: “My people, you are seeing a lot of divisions in your country over many issues, but when one party rules all the seats of power, it becomes a dictatorship. You are seeing this in New York State as the Democrats are going to push through all of their liberal agenda over your people. In your Federal government you are seeing an impasse over funding for a security fence on your Southern border. You are seeing no compromise, as neither side wants to compromise. There are some attempts, but the opposition party wants illegal immigrants to keep coming into your country for their votes. You have the media so against your President, that you find it difficult to even hear the media’s ranting. When people and your President take more assertive actions, you could see more possible violence from the left radicals. The next few years could see more violence over your current gridlock. Pray for peace, and to stop the devil’s stirring up trouble.”
Jesus said: “My people, there are times when you see people in need, and you can share your money and your talents to help them. Doing good works for people will store up more valuable treasure in heaven. When you can help someone, it warms your heart to provide your services and donations. There are

some selfish and mean people in this world, but when you show love and kindness for people, it counters a lot of the hate going on. Even praying for people, especially deliverance prayers to help people in their addictions, is a needed help that some are thankful for. You can visit the sick in hospitals, take care of your relatives' kids, or help sick people to get better. When you do things out of love for Me and love for others, you are following Me in My footsteps. I desire that all people love one another, instead of all the divisions and hate you see all around you. You have heard Me say that you should love one another, as I love you. If there was more love in this world, your lives would be much better off."

Thursday, January 24, 2019: (Mass for Camille & Lydia Remacle)
Camille said: "Hello everyone, we are watching all of the political battles, and all of the problems with Vic's house and the damage in the garage. You have some problems paying for all the damage that needs fixing. Do not give up on Vic, but help him physically, and pray for his soul as we are doing. The events are getting more serious with Trump, and you will be seeing more signs of problems for your country. Be prepared for the Warning when it comes. Tell Sharon and Carol I love them, and I thank them for taking care of Vic."
Prayer Group:
Jesus said: "My people, you have seen all the ways that the opposition party has tried to stop your President, and even have intentions to impeach him. He has had several attempts on his life, as the left and the one world people will go to any means to eliminate your President. You will be seeing more serious attempts on his life, because the left despise him, and all he is doing to fight the one world people. Pray for your President's safety, because he will be fortunate to finish his first term."
Jesus said: "My people, you just had a huge protest march against abortion in your country right in front of your Supreme Court. In the vision you are seeing many white crosses that represent the death of so many unborn babies. If you were in heaven, you could see all the guardian angels of these souls that have come before Me to witness to these abortions. My justice is going to fall on your country and other countries for legalizing these murders. All of those people who advocate or perform abortions will pay a heavy price for their crimes at My

judgment of their souls. If they do not repent, they could be suffering the flames of hell for all eternity. Pray to stop abortions. Your country will suffer much for your many abortions."

Jesus said: "My people, it was bad enough that your Governor and the New York Legislature passed an abortion law to insure abortions will not be stopped. Now to glorify this legislation's passing, your Governor has put a pink light on top of your Freedom Tower. I have told you before how this Tower will come tumbling down because you are defying Me in rebuilding the previous towers. Now with this latest act of glorifying abortion with this pink light, your whole state will suffer from My justice. I will spare My faithful, but those people who support abortion will pay dearly for their actions that mock Me."

Jesus said: "My people, socialism and communism promote atheism, and it defies My order of Creation. It is those people, who promote socialism, who want to take over your government. The atheists who defy any belief in Me, will be your persecutors of Christians, as in communist countries. My faithful need to stand up for their faith, but you will have to come to My refuges to avoid being killed. You are seeing signs of the coming tribulation when you see activists who defy My existence, and follow the orders of Satan who controls their souls. Pray for all souls to be converted to the faith, but avoid their attempts to kill you."

Jesus said: "My people, hell and the devil exist, and the evil demons are trying to bring souls into hell. I have given you My weapons to fight these evil ones with My sacraments, your deliverance prayers, and your guardian angels. If you are attacked by evil demons, you can call on Me and I will send you a legion of My good angels to defend you. When you pray using My Name, the evil ones will leave you because they fear Me. Trust that My power is greater than all of the evil ones."

Jesus said: "My people, I am having you prepare for another refuge practice run, because events are leading quickly to a time when you will be seeking My protection from the evil ones. At My refuges you will be protected by My angels from the evil ones. You will not be able to leave the grounds of your refuge. My builders will provide for your needs, and I will multiply what you need. You will be healed by looking on My luminous cross. You will be praying in front of My Eucharist around the clock. Trust in Me to protect you and feed you just like I did for Moses and his people."

Jesus said: "My people, I have warned you not to take any chip in the body which will be used to control your minds and souls like hypnotism. Do not worship the Antichrist and avoid looking at his eyes. This is why after the six

weeks of conversion after the Warning, you are to remove all cell phones, computers, and TVs out of your homes so you do not look at the Antichrist's eyes. His time is coming, and this is why I am having people set up refuges so you will have a safe haven of protection. Keep the faith so angels can put My crosses on your foreheads, so you can enter My refuges."

February 3, 2019
Friday, January 25, 2019: (Conversion of St. Paul)
Jesus said: "My people, St. Paul's conversion was a miracle to literally open his eyes to how he was persecuting Me by killing My followers. He was blinded by My Light, as he fell off of his horse. He had to be helped until I had My disciple heal his eyes, so he could see. Once he was baptized and learned the faith, St. Paul was one of My greatest missionaries for the Church. He helped the Gentiles join the Church without demanding they be circumcised. He suffered much to spread the faith, and he wrote many Epistles or letters, even while he was in prison. Imitate St. Paul's vigor to spread the Good News to as many converts as you can. Those people, who follow My laws of love of God and love of neighbor, will have their reward in heaven."
Jesus said: "My people, it appears your President is going to open the government for three weeks so the government workers can get their back pay. There is hope that Congress can work out some compromise to run the government for the rest of the year. If they do not add funding for the wall, then your President is planning to declare an emergency or shut down the government again. He could fund the wall from other sources with an emergency. It is to be seen if any court or Congress will challenge any action by your President. With such a division in Congress, it will be difficult just to pass their normal budget, and debt ceiling actions necessary for your government to operate. Pray for peace in your country before this hate could cause some riots."

Saturday, January 26, 2019: (St. Titus and St. Timothy)
Jesus said: “My son, you have two missions to carry out; one to spread My Word in My messages to evangelize souls, and the other is to prepare a safe haven for My faithful to come. You have been traveling to give your talks on the end times for over twenty years. You can identify with today’s Gospel when you stay at people’s houses, and they provide your food and travel expenses. You also put My messages out on your website every two weeks. You sell your books and give away rosaries and scapulars. Your second mission is to set up a refuge at your home, as you prepared beds for forty people, food to be multiplied, a well for water, heaters and fuels for heating and cooking, as well as solar panels for electricity. You are preparing for your third practice run to use your stored food and well water. Everyone at My refuges will have a job, and you all will do one hour of Adoration through the night. I asked for this practice run because events are getting close to the tribulation time. Having a safe place to stay during the tribulation, is the whole reason for setting up My refuges. Trust in Me to multiply your food and water, as well as directing My angels to protect you from the evil ones during the tribulation.”
Jesus said: “My people, when I went to My hometown of Nazareth, I read the quotation from Isaiah. Then I told the people that today this Scripture is fulfilled in their hearing. The people were proud to see Me, because they heard of My healing of people in other towns. But when they asked Me to heal them, I told them they did not have faith in My healing power, so I did not heal any of them there. For this the people wanted to throw Me off a cliff to kill Me, but I walked through their midst. It is difficult for a prophet to be accepted in his hometown, because of the lack of faith. Pray for conversions to the faith, so all the people could believe in My Good News.”

Sunday, January 27, 2019:
Jesus said: “My people, your people in general are having fewer children than is needed to replace those people who are dying. Your large number of abortions is part of the reason for your decreasing population. It is sad that so many people support abortion, because you are killing your children who would support you later. I have told you many times to pray to stop abortion, and encourage your

mothers to have their children. When a nation has laws against My laws, there will be a price to pay for your killing of My little ones. You are seeing a division in your politics between those people who support your death culture vs the pro-life people. You need to pray for your country, and the reparation for your sins."

Monday, January 28, 2019: (St. Thomas Aquinas)
Jesus said: "My people, those faithful, who come to My tabernacle or exposition to visit Me, are My special adorers who are close to My Heart. You know at the Consecration of the Mass how you see a miracle of My changing the bread and wine into My Body and Blood. This may be hard to comprehend because the appearances of bread and wine do not change. It is only by faith that you believe you are receiving My Body and Blood. There have been many Eucharistic miracles where blood appears on the consecrated Host. You were amazed when you went to Lanciano, Italy where the heart tissue and blood crystals were tested. The heart tissue had no rigor mortis, and the blood was type AB. These miracles are to witness that the bread and wine are truly changed into My Body and Blood. These miracles are to help the non-believers of My Real Presence in the consecrated bread and wine. Rejoice in My gift of Myself that I give to you at every Mass."
Jesus said: "My people, tsunamis are usually caused by underwater earthquakes, and they travel quite fast. The waves at sea are not very high, but when they come ashore, they can get very high, depending on the depth of the water. Earthquakes at sea are happening frequently. It takes a 7.0 or 8.0 earthquake to cause a substantial tsunami. This vision shows the people in their boats and ships who were trying to get out to sea before a tsunami hit the coast. I have warned you in the past that you could see a tsunami hit either the East or the West coast. If you get such a warning, you need to get up high from sea level, or quickly escape out to sea. Tsunamis can cause a great deal of damage, and it could kill a lot of people as in Indonesia. Pray that you are not near the shore when such a wave will strike."

Tuesday, January 29, 2019: (Mass for Richard Nevinskas)
Jesus said: “My people, the souls in purgatory need your prayers and Masses when you know their name. Richard is definitely benefitting from this Mass, as you saw in the vision of how he is moved up in purgatory. The souls in purgatory suffer from not seeing Me or My love. It is only when people pray for them, or have Masses offered for them, that they are relieved of some of their suffering. It is lonely and grey in the upper parts of purgatory, but they are promised one day to be with Me in heaven, once they have been purified. Continue to remember Richard in your prayers and Masses.”
Jesus said: “My people, you are seeing a conflict between the deep state and your President over funding more of a wall on your Southern border. There is a deadline on February 15th when the Congress will try and make a compromise to fund the wall or not. Your President is threatening another shutdown, or declaring a national emergency to build the wall. This could trigger a court battle, or even a possible internal struggle to try and stop the wall from being built. I told you before how the opposition party does not want a wall, because they use the illegal immigrants to vote for the Democrats. This is just the first of many conflicts with your President. When you do not have compromises, you could see a possible civil war break out over government policies. Pray for peace in your country, but your divisions are getting worse every day.”

Wednesday, January 30, 2019:
Jesus said: “My people, today’s Gospel is about the Parable of the Sower. The seed represents My Word that lasts forever. Some seed fell on the path, on stone, and among briars where the grain never grew. Other seed fell on fertile ground where it gave thirty, sixty, and a hundred fold. You need open hearts to hear My Word and act on it. Those people, who believe, are called to go out to all the nations and spread My Good News of salvation. My faithful need to reach out to people to convert them to the faith. Each person has been given certain gifts, and the more gifts you are given, more will be expected of you. So as you hear My Word, take it to heart, and act on it in your good works.”

Jesus said: “My people, every day you are learning how evil the deep state is, and how desperate they are to get rid of your President and Vice President. You have heard of various coup attempts to put your Speaker of the House in power as President by killing your top two leaders. Some have mentioned as many as eleven attempts have been made to assassinate your President. He has many guards to protect him, besides the Secret Service. Your prayers and his plans have kept him alive. If he dies, the deep state will take over your country, and you will have a dictatorship that will support the Antichrist. It is important to pray for the safety of your President. You may still see a civil war between the socialist anarchists and the patriots who believe in your country’s Constitution. You have had freedom so long, and many will fight the deep state forces from taking over. Your President may have to use your military troops to put down this communist rebellion.”

Thursday, January 31, 2019: (St. John Bosco)
Jesus said: “My people, the guardian angel of each of these aborted babies has witnessed these crimes before Me, and My justice will be falling down upon your country. You all know that killing these babies is a mortal sin against My Fifth Commandment of thou shalt not kill. But your laws and decisions are legalizing the slaughter of My babies. Your pro-death people are so appalling to Me, and they will face their judgment of these crimes of killing My babies. This is the worst sin to not allow these souls a chance for life. Some people have asked why I have not brought My justice down upon these murderers. You must be patient, because I will soon bring My Warning which will offer everyone a chance to repent and change their ways. Those people, who refuse to repent, and keep killing My babies, will be cast into the flames of hell after the tribulation. I will separate My faithful from the evil ones at My refuges. Then I will bring destruction down upon these evil ones. Once the evil ones are cast into hell, they will burn in the flames of hell forever. So do not be critical that My justice has not come, because when it does, it will be final. No evil people will enter heaven, or My Era of Peace.”
Prayer Group:
Jesus said: “My son, you are planning to have your third practice run at your

refuge on Friday. You are setting up your kerosene burner that requires two gallons of kerosene every eight hours. You have some cold weather, so you are planning to have some wood to burn in your fireplace as a backup if needed. The most important plan is to have someone praying in your chapel around the clock. With fewer people, you may have to take two hours each. Heating your house will need constant attention, but you also will be planning meals and baking bread. Each person should be assigned a job to spread the work around. Use your lantern lights at night along with your windup flashlights. You could use your well water also."

Jesus said: "My son, you have some dried eggs and oatmeal for breakfast. You will make some soup with whatever beef and vegetables you have. You will have chicken and rice for supper. You also will have bread loaves to bake. By planning your meals and using your stored food, you can see what refuge living will be like. You will have well water to your sinks and toilets for your washing and bathroom needs. Thank Me for helping you to plan how to use a refuge for survival."

Jesus said: "My son, you have a second solar set up on the first floor roof that could power your water pump. You could also use this to run at least one light. You will have your rechargeable batteries to power your lanterns on all three levels of your house for light. People will also have windup flashlights for moving around in the dark at night. Try to understand how you will be using your preparations to survive the tribulation time."

Jesus said: "My son, every refuge will have a refuge angel to protect you from the evil ones with an invisible shield. Your guardian angels will lead you to the nearest refuge with a flame. The refuge angel will only allow people with a cross on their forehead to enter your refuge. My angels will place such a cross on all the faithful people who believe in Me. You will also see a luminous cross in the sky, and when you look upon it, you will be healed of your ailments. Give thanks to Me for protecting you at My refuges, and for multiplying your food to survive."

Jesus said: "My son, I will provide meat for you with the deer, and I will provide My consecrated Bread every day by My angels or a priest. You will need someone knowledgeable in how to prepare the meat from the deer. My Eucharist could enable you to survive, even if you did not have food. I will be with you at all times, as you will use one Host for perpetual Adoration when you will have someone present at all times."

Jesus said: "My son, refuge living is not easy. You will have beds, pillows, and

blankets for your sleeping needs. You will also have to practice how you would wash your clothes and wring them out. You will need sponge baths and other hygiene needs for brushing your teeth for example. You all will have assigned jobs, and you will be praying more, and getting along with each other."
Jesus said: "My people, be thankful that I have directed some refuge builders to prepare a safe haven for My faithful to live during the tribulation of the Antichrist. This will be a means to separate My faithful from the evil people. The evil ones will be removed after My Comet of Chastisement will kill them when it strikes the earth. Their souls will be cast into hell. After the tribulation, I will renew the earth, and I will bring My faithful into My Era of Peace for your reward. Have patience and trust that I will see to all of your needs at My refuges."

February 3, 2019
Friday, February 1, 2019: (First Friday)
Jesus said: "My people, I keep telling you that My Warning is near, and coming to Confession could help you endure it. The tribulation that you have been preparing for, will follow closely behind the Warning and the six weeks for conversion. My faithful will need both physical and spiritual endurance to get through the persecution of the tribulation of the Antichrist and his followers. It is My refuges that have been prepared to receive My faithful during this hour of evil that will last less than 3½ years. Only My believers with crosses on their foreheads will be allowed by My angels to enter My refuges. The time of the tribulation will be your purgatory on earth to make up for your sins. Your practice run tonight is needed to get you used to refuge living, which will be quite different from your present comfortable living. Heating your dwelling, getting water and food, will all be major chores when you are living independently from today's services. Learn from your experiences so you can adjust to a new lifestyle of depending on My protection all of the time in prayer. Trust in My angel protection, and how I will provide for your food, water, and fuels that I will multiply."
Jesus said: "My people, I thank all of you for coming to this refuge practice drill. You are truly being blessed for your efforts at this refuge. You had another dancing light on your wall underneath the eighth Station. You will see more

signs here as one lady told you. You are having this third practice run because the time of the Warning and the tribulation is growing close. You are seeing how you will be living during the tribulation under My angel protection. Because you have practiced, you are familiar with how you will be eating, drinking, and sleeping. Rejoice that you are seeing how I will protect you, and provide for what you need to survive. Have patience because the final events are about to unfold. All of your preparations will be used and needed during the tribulation."

February 20, 2019
Saturday, February 2, 2019: (Presentation of the Lord)
Jesus said: "My people, today you are blessing candles on the feast of My Presentation. You had your practice drill last night, and now you have a real appreciation for having a light in the darkness. You also have My Light of faith that puts fire in your hearts for loving Me. You were able to heat your house to 70 F all night and all day with your kerosene burner and your wood burning fireplace. Outside it was 15 F. During the day you will be preparing your meals, and baking bread in your propane oven. You can use your butane burner to boil water. You continue to pray in your chapel all day long. Your people will now understand how I will provide for them, with multiplying your well water, your dried food, and the fuels you are using. Give thanks to Me for inspiring My refuge builders to prepare safe havens for My faithful. I will shorten your tribulation time, and My angels will protect you from the evil ones. Be patient, and soon you will have your reward in My Era of Peace, and later in heaven."
Jesus said: "My people, you have seen the opposition party that has gone over the edge to support killing babies who are born alive. Several left leaning states are pushing the worst form of killing that goes beyond abortion. It is bad enough for that party to support abortion, but to support infanticide, is really calling down My justice. The evil coming out of this party is like Satan himself is leading them. You are going to see My justice carried out against these baby killers. Your whole nation is responsible for your evil abortion laws and decisions. My justice will fall on you so severely, that My faithful will need to come to My refuges to save their lives and their souls. Be ready to leave for My refuges when the next big disaster strikes your people."

Sunday, February 3, 2019: (St. Blaise for throats)
Jesus said: “My people, in the reading St. Paul talked about the virtues of faith, hope, and love, and the greatest of these is love. This is why My Commandments are focused on the love of God, and the love of neighbor. In the Gospel the people of Nazareth wanted Me to heal them, as I did in other towns. But I could see how they did not have faith in My healing power, so I did not heal them. Because I defied them, they tried to kill Me, but I left them. My son, your prayer group people were educated in how they could live a refuge life. You were praying in your chapel, preparing food with your butane burner, and making bread in your propane oven. You had water from your water well for your sinks and toilets. You had lantern lights at night, and the cots for your sleeping. All of you were helping, and you had heat from your kerosene burner, and a wood fire in your fireplace. This third practice run is a sign that your refuge time is near. So be ready to come to My refuges when I give you the Word. Trust in Me to protect you and multiply what you need.”
Jesus said: “My son, what you experienced during your practice drill, should be shared with other people who have refuges. I thank all of My refuge builders for all of their efforts and sacrifices to provide safe places for My faithful to come. I keep warning My people that the time to come to My refuges is coming close. You are seeing more divisions in your country that could lead to a time of conflict. I will call My people to My refuges, when I give you an interior locution. In the reading you read how loving your neighbor is so important. Even though certain people or politicians have evil plans or legislation, you still need to love them, and pray for their souls. You do not want to see anyone lost in hell, so pray for your family and all the poor sinners who have not been judged.”

Monday, February 4, 2019:
Jesus said: “My people, in the early years of My Church, many faithful Christians had to hide from the Romans in the catacombs. As My faithful get closer to the tribulation, they will be persecuted more by your authorities. You will also be seeking My refuges to hide from those people who want to kill you.

My angels will place an invisible shield over My refuges to hide you. You had a successful practice drill with water, food, fuels, and bedding provided for you. You also had lights at night, warmth from your heaters, and you were praying in the chapel. Hopefully, you could have a priest for Mass, but if not, My angels will bring you daily Holy Communion. You could have used more lanterns at night, along with some more rechargeable batteries. You have hosts, wine, priest vestments, candles, and chalices for Mass in your chapel. I thank all of My refuge builders for all of their preparations. Now, that your drill is over, you can work on your sixth DVD."
Jesus said: "My people, remember that everything in this world is passing away. So do not get comfortable with all of your expensive cars and homes, because they will all be taken away from you, including your money. When you use your money just to please yourself, this will not go well with you at your judgment. It is better to share what you have with others in donations, your talents, and sharing your faith. Your goal is to help save as many souls from hell as you can. Some people sell their souls to the devil for fame and fortune, but they will suffer in hell for all eternity. It is better to store up heavenly riches, than to accumulate worthless wealth that can rot or be stolen. Trust in Me for all of your needs, and I will take care of you both here and in heaven."

Tuesday, February 5, 2019: (St. Agatha)
Jesus said: "My people, in the Gospel I am asking everyone to pick up your own cross, and follow Me on the road to Calvary. Life in this world is not easy, when you are working for a living, and helping to support your family. You can follow your own will to failure, or you can give your will over to Me, and let Me lead you through life. I will lead you down the right path to heaven, where you will find your reward with Me for being faithful to My Commandments. It is not easy to give control of your life over to Me, because you have so many cravings for the body to be satisfied in this world. It takes a strong spirit in prayer to follow Me with your cross. When you do everything out of love for Me to help your neighbor, then you have the right motivation. Listen to My ways and the

prompting of your guardian angel, and you will be on the right path to heaven."
Jesus said: "My people, because of your latest abortion laws, I am going to bring My justice upon you. Before any event that will kill many people, I will bring My Warning to allow people to change their ways. I will also give a warning to My faithful when it is time to come to My refuges for their protection. My justice will come upon the evil ones who want to kill My babies, especially when the babies are born alive. In other words, I will protect My faithful from all major disasters, especially those people at My refuges. Be ready when I will take away all of these evil ones, and cast them into hell, so they can no longer perform abortions. I told you if you did not stop the abortions your way, then I would stop it My way that will include bringing a major disaster to do away with the evil ones."

Wednesday, February 6, 2019: (St. Paul Miki & companions)
Jesus said: "My people, I have given you your current President to help your country to maintain your freedom a little longer. He has some faults, as all of you do, but he is helping you in many ways. He has the interests of your people at heart, and he is standing up against atheistic socialism, to thwart some new voices in the opposition party. Some of his initiatives are to help against child cancer and AIDS. He continues to want to build a wall at your Southern border to keep out the drugs and criminals. He is appalled by recent legislation in New York state and Virginia that is even killing live babies, called infanticide. When your President is no longer leading you, you will see the beginning of the end of your freedoms. Pray for your country to keep its morals, and stop passing evil legislation against My laws."
Jesus said: "My son, you remember how destructive your ice storm was in 1991, when many branches broke off of your trees. Now, tonight you have a lot of ice already on your bushes and trees. You will be having more rain and possible freezing temperatures which could add to the ice you already have. You were praying your storm prayer before the ice came. You could pray another storm prayer for tonight, so the ice does not get thicker on your trees. Tomorrow will get warmer to melt the ice. Pray that you do not get any wind that could knock branches off of your trees. You have had more damage from ice storms than you

have with snow storms. Trust in My protection from any natural disasters. You are being tested with all of these winter storms because of your abortions, and your new abortion laws."

Thursday, February 7, 2019:
Jesus said: "My people, I ask My faithful to follow Me in My footsteps, and give your will over to Me. You are experiencing an ice storm, and you need to be careful, or you could slip and fall on the ice. You are fortunate that you will have a warmer day above freezing to melt the ice. Again you have the symbol of icy cold hearts which is why you have so many problems, because you have taken Me out of your lives. Not only do you need to put 'Christ' back into Christmas, but you need to put Me back into your whole life, all year long. If you ignore Me and do not pray, and do not worship Me on Sunday, then you will have constant problems with your health, your jobs, and your relationships. You need to love Me and love your neighbor to take away your ice cold hearts to gain freedom of the devil's hold on you. Trust in Me for all of your needs, and your life will be much happier."
Prayer Group:
Jesus said: "My people, China, Russia, and North Korea are all communist countries that have nuclear weapons. They are threats to your country, but your President is still reaching out to have talks with them to keep the peace. He is brave to stop making missile treaties, but he does not want to be limited by treaties that are not kept by Russia. Your world is an armed camp of weapons that could kill a lot of people. Keep praying for peace to stop any use of nuclear weapons."
Jesus said: "My people, your trade with China has been one sided, as you have a large deficit of payments with China. Your President is trying to even the playing field of trade that other countries have been taking advantage of you in trade and currency manipulation. This tariff with China has caused your stock market to dip on any news of uncertainty. Pray that you can make acceptable talks with your trading partners."
Jesus said: "My people, I have warned you about the hazards of socialism which is similar to communism that is destroying Venezuela. This use of socialism also

is atheistic which tries to take Me out of your lives. Your Constitutional republic was started with Me as your Creator, and your traditions were started based on freedom of religion. Socialism would take away your freedoms, and the state would control everything without Me in your midst. Pray to stop any promotion of socialism which would be the downfall of your country. Your President made a point that America would never go socialist when he said so in his State of the Union message."

Jesus said: "My people, you had a brief ice storm that covered your bushes and trees. You prayed your storm prayer to lessen any damage from the ice. Your prayer was answered as your warmer weather is melting the ice. These severe storms are a punishment for your sins, especially your abortions. I have given you time to change your evil ways, but you insist on defying My Commandments, especially in killing My babies by abortion and even infanticide. Because your laws are mocking Me, you will see even more serious natural disasters. Pray to stop your abortions."

Jesus said: "My people, I am grateful that you were able to get together for another practice refuge drill. Every time you have these drills, you learn something for when your refuge time will come. I was especially thankful for all of your round the clock prayers in the chapel. You will need a plan to heat your basement when your gas heater is not working. You also bought more lanterns and rechargeable batteries to run them for light at night. You took some video clips of your practice run so you could use them in your new DVD."

Jesus said: "My son, you have made DVDs of your talks about every two years. So you need to prepare another one for these times. Remember to pray your 24 Glory Be Novena to St. Therese for the success of this new DVD (#6). You could use your practice refuge video and a chart pad for people to follow your talk. You have a limited time to complete this work, so get this together as quickly as possible so you do not waste your time. I will bless your work, so have confidence in My help."

Jesus said: "My son, I am giving you daily messages on many subjects, but the main goal is to convert as many souls to the faith as you can. Saving souls from hell is your most important task for all of My faithful. Use My messages to share the faith with those people who come to your talks. Remember to pray the long form of your St. Michael prayer when you leave and return from your talks. The Holy Spirit will guide you in what to preach to the people. You can also pray your 24 Glory Be novena to St. Therese for the success of your talks as well. I will send My angels to protect you on your travels."

Friday, February 8, 2019: (St. Josephine Bakhta)
Jesus said: "My people, you have seen many tornadoes come across the middle of your country, and they are a sign of great damage where they travel. You are having a windy day which is a sign of chaos and damage in your society. The devil is moving more states to have stronger abortion laws because these people fear that Roe vs Wade may get overturned in the Supreme Court. You are also seeing new voices promoting socialism, and impossible ways of stopping the use of coal, oil, and natural gas in a new 'Green' plan. You are now seeing the atheism that comes along with socialism, that is trying to take My Name out of your lives. Removing Me from your society's thinking, is the worst evil with socialism. So continue to pray for your country to reject socialism, and keep Me at the center of your lives."
Jesus said: "My people, in the vision you are seeing the aftermath of an EMP attack on America. Many people have been warned to have one year's supply of food for everyone in their households. But how many people have acted on this message to go out and buy the food? You, My son, have been stocking up on food for quite a few years, so your refuge is ready, and I will multiply it when it is needed. When your electricity, water, and natural gas are shut down, many people will be in a panic, and all the shelves in the stores will be emptied. You will see My faithful come to your refuge, and they will be desperate for food and water. If too many come, I will expand your buildings and multiply your food, water, and fuels. Those people, who do not have crosses on their foreheads, will not be able to enter a refuge. My refuge angels will put an invisible shield over you so no one will be able to harm you. There will be chaos in the streets when people will be killing each other for food. The military will declare martial law, and only those people who take a chip in the body, will have access to food. My faithful should refuse any chip in the body, and trust that I will feed you at My refuges. This EMP attack is the big disaster that I am showing you after the Warning. Be thankful that My faithful will be protected at My refuges by My angels. Think about how desperate people will be to get any food. Give praise and thanks to Me for all the preparations I have had you prepare for this coming tribulation. Many people will die of starvation because they are not believers,

and they are not prepared."

Saturday, February 9, 2019:
Jesus said: "My people, you remember in the Scriptures how I went off into the mountains to pray and rest from the crowds. It is good to take time to pray and think about Me, and how you could improve your life. You also remember the times at the Notre Dame Retreat House, how you spend three days listening to talks, having Mass, and going to Confession. Coming to Me with a contrite heart to repent of your sins, is something everyone should do at least once a month. Once you have your spiritual batteries recharged, then you can do more good works for your neighbor. I saw the crowd looking weary, so I multiplied their food so they had energy to get home from the deserted place. Look to help your neighbor when you see them in need. You can take time out of every day to thank Me in your prayers, and worship Me at daily Mass. Keep close to Me, and I will lead you on the right path to heaven. I love all of you, and I thank those people who love Me also."
(4:30 p.m.) Jesus said: "My people, I performed many miracles that enhanced the faith of My apostles. St. Peter was astounded at the catch of fish, since he had caught nothing all night. He doubted they would catch anything, but he followed My Word. Throughout your lives I am helping everyone to survive, and there are times when miracles will happen to encourage your faith. When you let Me lead your lives, you will see many great things happen. You will learn to trust Me in My Word, and things will work out for you. There will be times when you are tested, but when you pray for My help, I will come to your aid. I am always at your side, so you can call on Me at any time, and I will hear your prayer."

Jesus said: "My people, you heard a call to help the 'Food for the Poor' with

prayers and donations. When you cannot go out to the missions, you can at least help those people who are feeding and housing poor countries abroad. You saw a crowd in a vision and they need people to bring My word of love and Good News to them. This is part of your mission, My son, to spread My messages to those people who will listen and be converted. You use your mission to spread My Word in your talks, your books, and on your website (johnleary.com). You also share your DVD videos, which is why you need to work hard to finish up what you started. Continue your twenty-four Glory Be novena to St. Therese for the success of your sixth video. I will help you to complete this project."

Monday, February 11, 2019: (Our Lady of Lourdes)
Jesus said: "My people, today's feast of Our Lady of Lourdes reminds you of your trip to Lourdes, France. You felt like an electric shock when you touched the water of the grotto. Your wife went into the baths, and the water dried off quickly as she left. Many people have been healed of their diseases and disabilities at Lourdes. At My refuges I mentioned to you in previous messages how you would have a spring or well water there. Those people, who drink the spring or well water would be healed of their ailments. This would be useful if you did not have a luminous cross for healing. This healing spring water and the luminous cross will only be available during the tribulation at My refuges. Rejoice that you will not need doctors or medicines at My refuges during the tribulation. This is one more note that you could add to your new DVD. Trust in Me to help you in your needs at all times."
Jesus said: "My people, you will be seeing harsher winters and hotter summers, as you keep setting records every year. You will be seeing a global warming that is coming from a decrease in magnetism of the earth's magnetic shield that will allow more warming from the sun. This is more of a cause of heat than from carbon dioxide. You are seeing continuous ice, snow, and rainstorms that are spreading over your country. In the spring and summer you are seeing violent tornadoes and hurricanes. Each year you are seeing heat records that are making it hard to provide enough energy to run your air conditioners. As you face cold and snow storms, Australia is recording record hot summers. Your abortions and sexual sins are also being punished with your violent weather. You are seeing

floods, power outages in winter, and fires in the summer. These weather extremes will make it hard to live on the surface of the earth. You will eventually be called to My refuges for protection from the weather and the evil ones. Trust in Me to protect you, and provide for your needs at My refuges."

Tuesday, February 12, 2019:
Jesus said: "My people, when I made the earth, everything was pristine, but man is polluting the air and the water with all kinds of filth. Even your minds and souls are polluted with evil sins and bad thoughts. The devil has tried to destroy man and the beauty of the earth. During the time of Noah, the people were so evil that I sent a flood to kill the evil ones, and I protected Noah and his family in the ark. The earth had to be renewed all over again. Your people are again becoming so evil that I will separate the good people in the arks of My refuges, and I will bring a Comet of Chastisement to kill the evil ones. Then I will renew the earth as a new creation in My Era of Peace without the devil's influence. My faithful will be prepared to be like saints, so they will be worthy to enter heaven when they die. The evil ones will reign for a short time, but in the end I will bring My victory, and all the evil ones and demons will be cast into hell. You will rejoice to have your reward in My Era of Peace, and later in heaven for being faithful to Me as Noah was."
Jesus said: "My son, I have been urging you to make another updated video #6. You spent several days getting your information together of more recent messages. You made some changes to show people all of the work that a refuge builder needs to do. You have been preparing your own refuge with the projects I have given you. You see now how all of My plans have come together to give you an independent refuge. This video includes some excerpts from your third practice run that I also asked you to do. Now you have had your third successful trial run using your well water and your wood and kerosene burners. You also have completed your 6th DVD. You need to review your DVDs and then you can start getting it copied in a new case. Thank you for answering My requests for this drill and the new DVD. Now you can share this with people to show them how to run a refuge. Continue your 24 Glory Be prayers of thanksgiving for the success of your work."

Wednesday, February 13, 2019:
Jesus said: "My son, you have been given two missions: one to spread My messages on your website, your books, and your talks all over; the other mission is to set up a refuge at your house. I have told you to stay close to Me in your daily prayers and Masses so you will have the spiritual strength to carry on with both of your missions. You are following Me down this winding road of life in the vision by your constant faith in Me to lead you. I thank you for your allegiance to Me as My prayer warrior. Keep in mind that saving souls and loving Me and your neighbor are your every day work, and you will have your reward with Me in heaven."
Jesus said: "My people, you are seeing a cold and icy winter in many places all over your country. You have had two small ice storms that coated your trees and bushes with ice. Some areas have had power outages, and your driveway was all ice this morning. Some of these storms are a punishment for your sins and bad laws supporting abortion, as in New York State. Your storms will continue to cause problems with air flights and your power. You are seeing more political battles between socialism and capitalism. Your opposition party is backing some radical plans that are not practical. You finally finished fixing your sixth DVD video that needed some adjustments before having them for sale. It was good to show the people how you ran your refuge practice drill with all of your projects. It was especially good to see your hourly prayers in your chapel around the clock through the night during your drill. Remember that I had you run another drill and make another DVD because you are approaching the Warning, and the time to come to My refuges. Pray for your family members to have faith in Me, so they can have crosses on their foreheads that will be needed to enter My refuges."

Thursday, February 14, 2019: (St. Cyril and St. Methodius)

Jesus said: “My son, in the first reading from Genesis I formed a woman, Eve, from the rib of the man, Adam. Adam was very pleased as he said: (Gen 2:23,24) ‘She now is bone of my bone, and flesh of my flesh; she shall be called Woman, for from the man she has been taken. For this reason a man leaves his father and mother, and clings to his wife, and the two become one flesh.’ My son, I have given your wife to you to help you through life, and provide your beautiful three daughters. Each spouse has a responsibility to help each other to come to heaven. Your wife has helped you in many ways, and she is the right person to help you in your missions. Give praise and thanks to Me for all that I do for you. This is St. Valentine’s day and love of Me and your love for each other makes you a special couple in My field for saving souls.”

Prayer Group:

Jesus said: “My people, your President said he would sign the latest agreement to keep the government open in time to prevent another shutdown. This bill would provide $1.3 billion for the wall, which is far short of the $5.7 billion your President was seeking for the wall. Your President will then declare a National Emergency to provide the rest of the money from other sources. This could cause another battle in the courts to test his authority to do so. Pray for your country and all of its border problems.”

Jesus said: “My people, I told you I would bring My justice against you for all of your abortions and your new abortion laws. You are seeing flights cancelled, ice storms, and now flooding in parts of your country. A continuing set of natural disasters will be weighing heavily on your economy. You may be seeing local disaster declarations for major disruptions of your air travel. Pray for your people who are suffering from your weather problems.”

Jesus said: “My people, in your practice runs you used an infra-red heater to keep people warm in the basement, but it was run on electricity. Using a smaller kerosene heater would make it easier to carry it up and down the stairs, and also provide heat in the basement without electricity. You can try it out to see how it works. You will need a small open window for more oxygen and ventilation for any fumes. You have used various projects and adjustments to provide for your refuge needs. I thank you for carrying out these plans.”

Jesus said: “My son, it is not easy to bring in sticks or provide newspaper to start your fires in the fireplace. These treated logs from your neighbor helped you to easily get a fire started. Each practice run has given you an opportunity to try new things. You changed your town water over to your well water which was powered by solar power to run your water pump and deliver water to your sinks

and toilets. You ran your propane oven in your sun room to bake your bread. Thank Me for helping you to make some adjustments to fit your needs at your refuge."
Jesus said: "My son, you were fortunate to find another supplier to copy your DVDs. This supplier could have your copies made quicker as well. This is a great help to your publisher and this service could be used for other DVDs at Queenship Publishing. Just as you are finding another supplier, I will also be multiplying your food, water, and fuels as you need them. Trust in Me to help you in all of your needs."
Jesus said: "My son, you will be going out for more talks as the year progresses. You took advantage of your time without talks so you could run your refuge practice drill and make your next DVD #6 video. I have enabled you to have time to make preparations for these two projects. Your time to My Warning grows close, and you will not have much more time to give your talks. Plan what talks you can until I will warn you about your time to open your refuge for protecting My faithful. Pray for My help in all that I ask you to do."
Jesus said: "My people, I am calling My faithful to prepare for the coming Warning by coming to frequent Confession. I have had you do three practice drills so you are ready for the coming tribulation. By sharing your messages on refuges and your new DVD #6, people can learn how to prepare their refuges when people will have to live independently from your present services. I thank all of the refuge builders for their efforts to supply safe havens for My faithful, where My angels will protect you. So do not be afraid of the coming evil tribulation, because you will be led to My refuges of safety with invisible shields."

February 20, 2019
Friday, February 15, 2019:
Jesus said: "My people, I offer everyone an opportunity to choose to follow My way or your way. As in the vision with the map, you can choose to follow My Will in leading you through life, or you can follow your own will as Adam and Eve did in sin. Following My Will is not easy, because I will ask you to do

things that take you out of your comfort zone of the body. Following My Commandments of loving Me and loving your neighbor as yourself, can be a little difficult to human reasoning. I am always calling you to a higher place of spirituality, but it takes My grace to fulfill this mission. In the Book of Genesis I told Adam and Eve not to eat the fruit of the Tree of the Knowledge of Good and Evil, or they would live a short life and die. When you act against My laws, you are committing sin as Adam and Eve committed original sin, when they ate of the forbidden fruit. Every day you are faced with temptations of the devil to take the easy way out. Do not judge the right thing to do by what is pleasing to the comforts of your body. To remain in My grace, I am calling you to obey My laws out of love, and avoid falling into sin or the devils' temptations. When you sin, you can come to Me in Confession for My forgiveness, and then I will cleanse your soul of sin, and give you My sanctifying grace. Keep close to Me in prayer and follow My ways instead of your ways."
God the Father said: "I AM WHO AM is here to give you a message on what you see going on all around you. I have told you before 'When I return, will I find any faith on earth?' You have all heard My Son's words: 'Many are called, but few are chosen.' It is the families who come to Sunday Mass that have enough faith to be saved. It is the children and grandchildren who need your prayers to keep the faith enough to be saved. There are prayer warriors in almost every family who pray the rosary. It is My faithful who need to pray constantly for your family members to be saved. If families do not know Me, and they ignore My love, there is very little chance to save them from hell, unless they wake up at My Warning. Without a faithful person, no one in that family will be prayed for, and they will be lost unless a miracle happens. This is why the parents have a special responsibility to help save their children and grandchildren. You can offer them up to Me, My Son, and the Blessed Mother to watch over their souls. You need to pray for your children and grandchildren every day that they will be saved from hell. Only a minority of the population will be saved. So keep praying for your family."

Saturday, February 16, 2019:
Jesus said: "My people, there are some people who say the first original sin was

a ‘happy fault’ so God the Father would send Me to die for the reparation of your sins. I knew that man would weaken with the devil roaming the earth, so I have given you your own guardian angel to help you. I also have instituted My sacraments as your source of grace, especially Confession to purify your souls, and My Eucharist to heal the damage of your sins. I know you have a weakness to sin because of your fallen nature. But you can lift yourself up out of the filth of your sin, by seeking My forgiveness in Confession. It is important to stay close to Me in your daily prayers, and My sacraments of grace. I love all of you so much that I do not want to see your soul wasting in hell. Keep your eyes focused on Me, and give your will over to My Will, and you will be on the right path to My glory in heaven.”

Jesus said: “My people, when you come to Mass, do not look to be entertained, but you come to give Me worship and praise. I died for your sins, so you need to seek My forgiveness, and give Me thanks for all that I do for you. I love all of you, and you need to show Me how you love Me in your prayers and sharing with your neighbor. You have the Beatitudes in the Gospel of St. Luke, and I am encouraging everyone to love Me, and I will take care of your needs. Those people, who are selfish and do not share, may have their possessions and comforts taken away from them. Give thanks to Me for what you have by sharing your prayers and donations with those people who are less fortunate than you. All of your good works will store up treasures for you in heaven.”

Jesus said: “My people, I have talked to you before about a possible electric grid failure, and the consequences it could have on your society. Americans are so dependent on electricity that you do not realize how vulnerable you are for your survival. Most people do not store more than a week or two of food in their pantry. If trucks could not deliver food to your stores, or gasoline to your stations, many people could starve in a few months. If you do not have water or natural gas coming into your house, you could die of thirst or freezing in the winter. This is why My refuge builders have obtained water wells, dehydrated food, and some fuels for heating their houses. I have warned people to store one year’s supply of dried foods for each family member. Unless you are supplied, you are risking starvation, if the grid goes down for any length of time. Start getting your food storage before it is too late. Trust in Me that I will multiply what My faithful have at My refuges for your survival.”

Jesus said: “My people, when you are at Mass, some people notice how fewer people are coming to Mass. You have very few young children, small numbers of teenagers, and mostly older people, who are dying off. You see some Baptisms, but very few weddings in the Church. A good share of your people do not get married, but they live together in fornication. All of My faithful are called to evangelize souls to build up My Church. If you do not have enough new souls to replace the dying ones, then your churches will be closing for lack of members and donations. Encourage your family and friends to come to Sunday Mass, and you will gain treasure in heaven.”

February 20, 2019
Monday, February 18, 2019: (President’s Day)
Jesus said: “My people, Cain did not give Me the best of his crops, but Abel offered the best of his flock. Because Abel made this extra effort out of love for Me, I accepted Abel’s offering, but not Cain’s. Because of Cain’s jealousy for Abel, Cain slew his brother in the field. Cain received My punishment of not being able to grow crops from the land, but I protected him from anyone trying to harm him. This same idea of offering Me the best that you have, like Abel, is how I want you to show your love for Me. You no longer offer up animals or crops, but you can share your prayers, donations, and good works with your neighbor. You can also share your faith to evangelize sinners. When you share, make a good effort, and give up more than just a token donation from your surplus wealth. The more you give, the more treasure you will have in heaven. Do not be jealous that others have more possessions than you, or that others have more fame than you. Accept your lot, and be thankful for all I have given you.”
Jesus said: “My people, you have seen several Democrat candidates for President proposing socialism, and a ‘Green’ new world without fossil fuels. Socialism is total control of everyone by the state, and it is similar to atheistic communism as in Russia and China. If socialism took over in America, you would lose all of your freedoms in your Bill of Rights, especially your right to worship Me. Your environmentalists who are behind this ‘Green’ plan are

speaking of getting rid of all of your fossil fuels, including natural gas, oil, and coal. There is not enough hydroelectric, nuclear, solar, or wind power that could take the place of your carbon fuels that give you electricity and heat for your homes. These idealists or communists have not succeeded on their own, and Venezuela is an example of how they can ruin a country. The loss of your freedom to worship Me follows from their atheistic practices of no religion being accepted. Once the radical left and the deep state take over your country, they will try to kill all of My faithful who oppose their thinking. Pray for your country to uphold your Democratic Republic, or you will become part of the North American Union that will unite with the Antichrist. I will protect My faithful at My refuges, and I will bring My victory over the evil ones, who will be cast into hell. Then I will renew the earth, and I will bring My faithful into My Era of Peace as their reward."

Tuesday, February 19, 2019:
Jesus said: "My people, at the time of Noah, the men of the earth were corrupt with all sorts of violence. I had in mind to destroy all of these evil people with a flood. Noah and his family were the only just ones, so I would save them on an ark. I gave Noah instructions how to make an ark, and I told him to save at least a female and male of the animals, and place them in the ark. In today's world you also are seeing so much corruption and violence, when you are even killing your own children by abortion in the womb. Just as I wiped out all the evil ones of Noah's day, so I will again use fire to wipe out the evil ones of this age. I will have My faithful build refuges which will be your arks of protection during the tribulation. (Matt. 25:37-39) 'And as it was in the days of Noah, even so will be the coming of the Son of Man. For as in the days before the flood they were eating and drinking, marrying and giving in marriage until the day when Noah entered the ark, and they did not understand until the flood came and swept them all away; even so will be the coming of the Son of Man.'"
Jesus said: "My people, Noah was given instructions on how to build a large ark for his family and all of the animals. Today, I give instructions for some to build large refuges, and for others to build smaller refuges. This is not an easy job to build a refuge, depending on how much money you have available to spend. The

big message about arks and refuges, is that I am finding the means to separate the good people from the evil people. In the case of Noah, I saved them in the ark, and I killed the evil ones with the flood. In the case of Sodom and Gomorrah, I had My angels lead Lot and his family out of the city, and then I destroyed the evil people with fire and brimstone. In today's time, I will be sending My faithful to the protection of My angels at My refuges, which are modern day arks. Then I will bring My victory over the evil ones with My Comet of Chastisement. My faithful will not be harmed by the Comet. The evil ones will be killed, and their souls will be cast into hell. Then I will renew the earth, and bring My faithful into My Era of Peace."

Wednesday, February 20, 2019:
Jesus said: "My people, after the flood that killed everyone but Noah and his family, I made a covenant with man. I said I would not kill all of man on the earth again. Then I said I would not kill man with a flood either, and that is why I set My rainbow in the sky as a sign of My covenant. When I will bring My Comet of Chastisement, it will not kill everyone, but only those people who are not at My refuges. It is My angels, who will protect My faithful at My refuges from any harm of the comet, or man's weapons, and the weather. Trust in My help and My protection at all times."
Lorenzo's son who died from drugs: Jesus said: "My son, there are many young people dying from drug overdoses. They do not realize the hazards of fentanyl from China that is mixed in their drugs that is deadly. I will have mercy on their souls, as Lorenzo's son. They will be in the lower regions of purgatory."
Jesus said: "My people, in the days leading up to the tribulation, there will be authorities trying to kill My faithful prayer warriors because of their belief in Me. This is why My faithful will be seeking out a place to hide. This is why I am having My angels lead you to the nearest refuge with a flame to follow. My

angels will put an invisible shield around you, so the evil ones cannot see you. When you arrive at My refuges, you will also be protected by an invisible shield. Christians will be sought out because they want to kill you. There may be some people who are martyred for their faith in Me, but most of My faithful will be protected from those who want to harm you. You will be living in dangerous times, but My angels at My refuges will protect you from harm. Throughout history My believers have been persecuted and even martyred. I have found ways to protect My faithful, and My refuges will be your safe havens for the coming tribulation. When I call you to My refuges, follow your guardian angels to My safe havens."

Thursday, February 21, 2019: (St. Peter Damian)
Jesus said: "My people, I asked My disciples who I was, and My disciples gave various responses. Then St. Peter said: 'Thou art the Christ, the Son of the living God.' I commended St. Peter for answering correctly, but it was the Holy Spirit who inspired his answer. Then I told them that I would be killed by the Pharisees and the Romans, but I would rise in three days. Some of them were shocked at My words, and St. Peter did not want Me to die. I told him: 'Get behind Me Satan, because you are thinking as man does, and not as God does.' I repeated this to My disciples openly, several times, but they did not understand what rising from the dead meant. I gave you a vision of the tomb where My dead Body would be resurrected. My Resurrection is My greatest miracle of My Good News, and this is My promise to all of My faithful that you will all rise on the last day to join your soul with a glorified body. Give praise and glory to Me for bringing all of you to heaven one day, when you repent and seek My forgiveness of your sins."
Prayer Group:
Jesus said: "My people, you can see new missiles being developed by Russia, China, and North Korea. America has stopped the missile treaties with Russia, and now a new arms race is being started. Any of your adversaries could launch an EMP attack on your National Grid that could be devastating to your people. Your country could launch such missiles against an opponent, but without as serious an effect. Pray for peace with less killing."
Jesus said: "My people, you need to pray for safe travel to Canada with your

long form of the St. Michael prayer both coming and returning. You also need to pray your storm prayer so you do not get caught in the coming storm. Leave early enough so you can arrive home in the light of day. You can share your pictures and movies with those who want them. Give thanks and praise to Me for giving you another bishop."

Jesus said: "My people, I thank all of My refuge builders for all they are doing to supply safe havens for the faithful during the tribulation. My refuges will be your only places to hide from the evil ones who want to kill My faithful. My refuges will protect you from any missiles, EMP attacks, or virus attacks. Trust in Me to provide for your protection and your survival. Have no fear and be patient, as these events will come quickly."

Jesus said: "My people, you have become so accustomed to all of your inventions and comforts in this world. Remember to rely on Me for all of your needs, instead of relying on your money and your possessions. All of these things will be passing away, so all that is important is saving your soul in heaven. This is why praying to save the souls of your family is so important to teach them the faith, so they can have crosses on their foreheads to be allowed into My refuges."

Jesus said: "My people, it is important to build up your churches with new members so your churches can support themselves and keep from closing. My churches provide a source of grace in My sacraments, and a chance for My faithful to grow strong in your prayer groups and organizations. Struggle to keep your churches open, despite the attacks from outside and the devil's temptations. Call on Me to send My angels to protect your churches."

Jesus said: "My people, now you could start thinking of how you could improve your spiritual life in this coming Lenten Season. For those people who can do fasting between meals, you can even start early. By getting your soul closer to Me in your prayer life and Confession, you can think of what areas of your life need changing for the better. Lent lets you pause to analyze if you are getting better, or if you are slipping back into old bad habits. Call on My help to prepare you for the coming Lenten Season."

Jesus said: "My people, during Lent your parish may offer you a chance to attend a mission or a retreat for some organized prayer meetings. Make an effort to support such offerings by participating in what is offered. During Lent, prayer, Confession, almsgiving, and good deeds would help your spiritual life. If you do not attend a prayer group, this would be an opportunity to help you in prayer all year around. You also might think of attending a Bible study group as a good

Lenten activity to enhance your spiritual life. Lent is an opportunity to use your time wisely to improve your spiritual life in coming closer to your Lord."

Jesus said: "My people, Fr. Guy is truly needed in this diocese because the current Archbishop is turning 75, which is usually a retirement age. He will be an auxiliary bishop, and it will be a new life for him to work closely with the leaders of this diocese. Fr. Guy will be Most Reverend Guy, and he will have the authority to ordain faithful priests. He will take on a new set of responsibilities for the souls of his people. He has many skills which he will need in delegating people to help him with his many tasks of financing and having enough priests for the many churches. Pray for your new bishop that he is not overwhelmed with his new job. He needs to keep a good prayer life with daily Adoration to carry out his work in My service."

Saturday, February 23, 2019:
Jesus said: "My people, the readings and the beautiful homily are all about love and faith, that is seen in all of the patriarchs and prophets. I have told you, My son, if you keep praying every day, you will keep your gifts. The day you stop praying, is the day you could lose your gifts. I know you love Me so much, and I love you even more than you know. My angels are guarding you in your ministry, and you are carrying out your missions as I have encouraged you. Continue to be a source of faith and confidence in Me for all the people that you meet. You had a gift of My Presence when you came to see Neville. It is this Presence of Mine that you bring to many people when you bring My Word. Keep spreading My Word and praying for the conversion of sinners. I will give you all the graces that you need to carry out the missions which I have given you. Remember to pray your long form of the St. Michael prayer for your protection. Congratulate Bishop Guy on his ordination and pray for his work."
Jesus said: "My people, you are seeing divisions between your two political

parties, and even division in My Church. You need to pray to build bridges of friendship between your political parties, so they could vote to make progress for your country, instead of constant fighting and gridlock. You also have divisions in My Church between progressive thinking people and the traditional following of My laws. Even in My Church you could build bridges of friendship between your liberals and conservatives. In order to draw people closer together, you need prayers of love for each other. You are all capable of loving each other for a common good, and following My laws. I am sending My graces down to you to help fight off the devil's temptations for hate and division. Call on My angels to help you all work together to build your bridges of love in religion and politics."

Sunday, February 24, 2019:
Jesus said: "My people, when you are dealing with people, you should always take the high road of being nice to people, even if they think differently from what you believe. Do not criticize or judge people, because I am the only judge. Even if people are doing bad things, or persecuting you, you need to pray for them. It is not easy to love your enemies and pray for them, but you need to imitate My ways of love. Today's Gospel had a lot of good ways to live, and you need to act on My words. You had the golden rule of do unto others as you would have them do unto you. Living a Christian life takes a lot of effort because My ways are much different than your earthly ways. You may be criticized for living a loving life of sharing, but you will gain praise from Me. Make an effort to follow My Gospel, and you will be on the right path to heaven."

Monday, February 25, 2019:
Jesus said: "My people, you know about people who are possessed by demons, and they have many appearances. This boy, whom I healed in the Gospel, was foaming at his mouth, and the demon threw him into fire and water. In other cases the demon talks through the person with a growling voice. Another case is

when it is cold in the room. The father of the boy had great faith in My healing power, so I cast the mute spirit out of the boy. You may see demon effects when people have various addictions. This is why you need to call on Me with deliverance prayers to cast out the demons in order to stop an addiction. You need to pray for the souls as well, so a healed person does not revert back to their old addiction. The demons can control people through their addictions, and that is why it is hard to stop, unless the demonic influence is removed. Remember not to allow anything to control you, and you can prevent falling into an addiction. Daily prayer can protect you. Keep praying your St. Michael prayer in the long form to break any addiction in your family or friends."
Jesus said: "My son, you just watched the Gosnell movie again, and you now realize that Gosnell went to jail for life in prison, because he killed three live babies after birth by cutting their necks with a scissors. It is bad enough to be killing My babies in the womb, but to kill babies who are born alive, is supporting infanticide. You just had a bill in the U.S. Senate that failed to stop infanticide. (53 to 44, 3 Democrats in favor, 3 Republicans did not vote; failed to reach 60 to break filibuster) There were only three Democrats that would vote to stop infanticide. This has become part of the sick Democrat platform. You can see that once the Democrats get control, your country will be going down the path of Venezuela to a communist dictatorship. Because you are not moving to stop your abortion laws, you are calling down My justice on America. My justice and punishment will be in the form of an increase in natural disasters, and a takeover of your country by the socialist communists and the Antichrist. When the persecution of Christians begins, you will need to come to My refuges to avoid being killed. After the short reign of the Antichrist, I will bring My Comet of Chastisement on the earth that will kill all of the evil ones, and their souls will be cast into hell. Only My believers will be protected at My refuges, and they will join Me in My Era of Peace."

March 6, 2019
Tuesday, February 26, 2019;
Jesus said: "My people, My apostles were discussing who was the greatest among them. I told them, whoever wishes to be first, must be the servant of all. There are people who wish to be famous, but this is an earthly desire that will not last. Only desire to be first, if I call you to be a leader, like I called St. Peter. I

took a little child in My arms and I said: (Mk 9:36)'Whoever receives one such little child for My sake, receives Me; and whoever receives Me, receives not Me, but Him who sent Me.' The converse is also true. If you do not receive a little child, then you are against Me, and I will not witness you to My heavenly Father. You are seeing an ugly precedent being made by the pro-death people, that they now support infanticide. This is the killing of live born babies who were intended to be aborted. This is a slippery slope that could lead to killing anyone who is not desired. You saw in communist China how they were killing all girls because they wanted a male child for their one child. This could lead to killing malformed babies, old people in euthanasia, Christians, or those people who are not politically correct, as in communist Russia where they are sent to Siberia. Your nation is moving more to the devil's ways than My ways, and all of these evil ones will be cast into hell. Pray to convert sinners, but those people who reject Me, will be rejected into hell."

Jesus said: "My people, I have asked My faithful to prepare both large or small refuges, depending on the size of their property. It is not easy to plan for years of living in a confined space. Do not worry about running out of food, water, or fuels, because I will be multiplying what you need. Right after the Warning and the six weeks of conversion, there will be chaos leading up to My telling those people with crosses on their foreheads to come to My refuges. It is important to leave quickly with your backpacks and sleeping bags, or people could be captured by the men in black and killed. My angels will put a shield of invisibility over you as they will lead you to the nearest refuge. My refuge builders need to be ready to accept more people than they expected. If necessary, My angels will be finishing or building more buildings to accommodate all the faithful people who come. You will assign beds to sleep in and jobs for everyone. You may need counseling to calm down people who may be in a panic. Once you can set up a daily plan for eating, sleeping, and prayer times, your lives will be more ordered. Living with a lot of people in a confined space will require patience for everyone. My refuge builders need to have all the things they will be using, so they can help everyone with their needs. I am reviewing your refuge plans because it is difficult to know how to have everyone organized for this kind of living together. Trust in My help, since I will provide for all of your needs."

Wednesday, February 27, 2019:
Jesus said: “My son, in the vision you see Me leading you in My footsteps. I have led you all throughout your life, and you have been a faithful servant in following Me. You are about to embark on a perilous journey, when the evil ones will try to kill My faithful, and especially My prophets who are speaking out, as yourself. You know that the Antichrist will be coming to declare himself after the Warning and the six weeks of conversion. Once he declares himself, this will start the less than 3½ years of the evil tribulation. I will warn you when to stay at your refuge, when the evil ones will be searching to capture you, before martial law is declared. I told you before that those people on the red list will be picked up before martial law starts. Those people, who are captured, will face death at the detention centers. I will warn all the people on the red and blue lists when it is time to go into hiding at My refuges of protection. You remember in history how Hitler killed people in his gas chambers. This killing of My faithful will be as back in that time. This is why My faithful will be warned when to avoid being killed. Some of My people will be martyred for their faith, but they will become instant saints, and they will return to earth during My Era of Peace. My son, you will be traveling to various refuges in bilocation to help support My people. Follow in My footsteps as I will lead you through the tribulation.”
Jesus said: “My people, you have seen statues and pictures of My Sacred Heart. You usually have a large crucifix of Me on your altars. You also could see statues of the Blessed Virgin Mary, St. Joseph, and saints of a given church. Sometimes you may see statues of angels around the altar or the tabernacle. There truly are angels adoring and worshiping Me wherever My consecrated Hosts are stored, and during Mass. This is why I call My faithful to make visits to My tabernacle or My exposition in the monstrance, so you can adore Me in silence. You also see an image of Me in pictures of My Divine Mercy by St. Faustina. You can gain graces by praying before this image. When you pray in church, you can try and imitate the lives of the saints and Me. You may see icons of My Blessed Mother and the saints in Eastern Rite Churches. All of these images and statues add beauty and purpose to My churches in addition to My Presence, so be thankful they are in your churches.”

Thursday, February 28, 2019:
Jesus said: “My people, there are some wealthy people who may have made their wealth on the stock market or an inheritance. Some of them flaunt their wealth, and some even sell their soul to the devil for fame and fortune. No matter how much money or possessions you have, they are nothing to Me, because I was responsible to give you your talents, or good fortune in your inheritances. These things will pass away, but I and your souls will live on forever. This is why I am asking you to depend on Me for everything, and not on your money or possessions. Your life is short, but your soul lives on into eternity. So it is your eternal destination that is most important to be with Me in heaven, rather than with the devil in the eternal flames of hell.”
Prayer Group:
Jesus said: “My people, you are seeing signs by China as they want to exert their influence on the shipping lanes in the South China Sea. They also would like to take Taiwan, but the US Navy stands in their way. You are concerned about a trade war with China, but you could have military interference from China, as they get bolder with their new ships and missiles. Pray that war does not start with China and America.”
Jesus said: “My people, you just saw a breakdown in talks with North Korea. Now, there is a question if your President can make a deal with trade with China over proposed tariff increases. The deficit of payments with China is draining money from your country, and there is a limit to how long this will go on. Pray that America can make a fair deal with China to keep the peace.”
Jesus said: “My people, you are entering March, and you are still seeing serious cold, and a continuous string of snow and ice storms almost every week. Some of these struggles are a punishment for your new abortion laws. You even saw an attempt to pass a law to ban infanticide of babies who survived an abortion, but it failed in the US Senate. I told you that you will see worse storms as your punishment, and you are seeing record cold, snow, and floods. It is time to stop your abortions, and pray for the sins of your country to decrease.”
Jesus said: “My people, I have called some people to set up refuges for people to stay during the tribulation. Independent living is not easy without water and some electricity. This is why I advised My refuge builders to have some source of water. You also could use some solar power to run water pumps, and sump pumps, as well as lights. When you have power outages, you see how vulnerable you are. I will help all of My refuge people to survive, even with some crude means. My faithful will need to come to My refuges during the tribulation to

save your lives and your souls. Pray for your family to convert to the faith so they can be saved from hell."
Jesus said: "My people, Americans have enjoyed freedom from communism, but it is hard to understand why they would want a socialist country. It is the leaders of the opposition party that are moving closer to embracing socialism. Socialism is very similar to communism, and both have support for atheism, which will cause a conflict with Christians who want freedom of religion. This conflict between capitalism and socialism could lead to a civil war that could invoke martial law and a possible takeover of your country. Pray to preserve your freedoms, but this could cause a time to come to My refuges for protection."
Jesus said: "My people, there is just so much credit that your country needs to finance your ever increasing National Debt. Your country runs deficits almost every year, but there should be more attempts to limit your spending. If you cannot find enough buyers for your bonds, you could see a coming default on your debts. Your Congress needs to address this problem before it gets worse. Pray for your leaders to make the right decisions."
Jesus said: "My people, every Lent should be an excellent opportunity to examine your consciences to see how you could lead a better spiritual life. You all have various weaknesses to sin and bad habits. By looking close at your life, use this Lent to work on your most frequent sins. You can start with Confession, fasting, and some spiritual reading. You can also give some donations to your food shelves, charities, and your Church support. Some people are not coming to Sunday Mass or Confession, so encourage your lukewarm family members to make some changes. You can make more prayer efforts for your family and friends if you are not doing so already. Saving souls is hard, because the price on souls needs consistent prayers, and you need to make an effort this Lent to make a difference in your life and those lives around you."

Jesus said: "My son, you know that I am your best friend, and your Creator. You can depend on Me to help you at all times. The Book of Sirach speaks about various friends. Some people are only friends to get something from you, but in hard times, they disappear. A real test is when someone has cancer, and people who are true friends will stick by their friend. You have acquaintances at church

and work, but there are only a few friends you can trust not to turn on you. You may have closer friends in your prayer group who think like you do. When you find a true friend, they are truly valuable in your lives. Keep close to Me, but you need to pray for all of your friends that their souls can be saved, especially your family members."
Jesus said: "My people, in the West and along the Mississippi Valley, you are seeing floods and ice jams from all the rain and snow you had in recent storms. You also are seeing melting snow contribute to your floods. As you move into March, you are still seeing snow and cold. Winter is not giving way to spring in the next week or so. Many of you are tired of your continuous snowstorms, but they are not going away, even though you are having more light during the day. You have been cleaning the snow off of your new solar panels on the first floor. This is your first winter for your new twelve solar panels, and they are able to supply electricity during the winter when you clear the snow off of them. Continue to trust in My help when you will be at your refuge during the tribulation."

Saturday, March 2, 2019:
Jesus said: "My son, you and your wife were blessed with five pregnancies that gave you three daughters who lived, one daughter as a miscarriage, and one son who died after four days. It was difficult to suffer the losses of the two who died, but now you have eight grandchildren and two great grandchildren. This vision shows you how each child which you are given, is a gift from Me, even the ones who died. You have two saints in heaven praying for you. I told My apostles that they need to have the innocence and love of a child to come into heaven. It is this simple love and dependence on Me that I desire of all of My faithful. I love all of you so much, and I pray that you will love and obey Me as well."
Jesus said: "My people, in the vision I am showing you the old silver coins that have inherent value, as opposed to your dollars where the paper money has no inherent value. They are only debt instruments of your Federal Reserve. The bankers, who finance your National Debt, are running a scam using debt money to pay for things. The bankers collect the interest on the National Debt. Most of

the rich people have property, artwork, gold, and silver. They have little in paper money and stocks. When they crash your money, they will lose very little, but everyone with dollars, will lose all of their savings. Be prepared with some cash on hand before the crash, and your silver and gold to pay your taxes. A crash of the dollar and the stock market will cause chaos all over your country and the world. This would precipitate a martial law, and I would issue a warning through an inner locution for My faithful to come to My refuges for safety, when people will be killing each other for food and water. Remember only My faithful believers will be allowed into My refuges with crosses on their foreheads. Trust in Me to protect you through the coming tribulation."

Sunday, March 3, 2019:
Jesus said: "My people, because of the language restrictions, I spoke in exaggerated terms which were hard to imagine. It is hard to actually picture a wooden beam of wood in someone's small eye, but you can understand a splinter in someone's eye. The point I was making is that people need to look at their own faults first before talking about other's faults. Even some people are hypocrites when they complain about others, but they are doing the same wrong. You are seeing this in your own society that is called a double standard. Some people criticize your President for the least little thing, but when the opposition party does the same thing, the media is silent. You have many hypocrites in your society, but you need to pray for everyone despite their bad habits."
Jesus said: "My people, in today's Gospel you heard that you can tell a good person from a bad person by their fruits. A good tree can only bear good fruit, and a bad tree can only bear bad fruit. If you see someone helping another in need, you know that person is likely a good person by their actions. If you see someone stealing from another or bullying people, you know that person is doing evil. You will know people by their fruits, or by their actions. This is why it is so important for parents to teach proper morals to their children. Otherwise if the children are not disciplined, they can be problems for your society. Your children need love and attention, so they will be loving parents for their own children. It is the absence of love in your society that is breeding so much hate between people. I am asking My people to be loving of all people and pray for

them, so you can be good examples for others to imitate. Americans need to repent and love each other, instead of all of the hate and revenge. Pray for your country and your people to come close to Me, so they all can be on the right path to heaven."

Monday, March 4, 2019: (St. Casimir)
Jesus said: "My people, the rich man in the Gospel said he followed My Commandments from his youth, but to gain heaven, he was lacking in giving his possessions to the poor, and then I asked him to follow Me. This was too difficult for the rich man to give up, so he went away sad. It is one thing to give substantial donations to the poor or other worthy causes, but giving up all of your money and possessions is difficult for most people. I know you need money to pay your bills and taxes, but when you die, you will give them up, because you cannot take them past the grave. The rich people also have power over people with their financial influence. I love a cheerful giver, but do not hold back anything from Me, and put your full trust in Me to provide for your needs. Do not put your trust in money that can rot and be stolen."
Jesus said: "My people, this closed door in the vision is how some people block Me out of their lives. I am warning people to be ready for My judgment every day, because you do not know when I will return to judge your souls. I knock on the door of your souls to let Me into the love of your heart. If you refuse to be open to Me, you could be judged to hell. When I come in judgment, I will not knock, but I will demand that you make an accounting of your life. In order to be ready for My judgment, you must keep your souls clean from sin by frequent Confession. There are only two places to go at that time-heaven or hell. This is why you are not ready for heaven, unless you are ready to die every day."
Mass intention for Chris Theut's father: Jesus said: "My people, Chris' father is in purgatory, and he needs your prayers."

Tuesday, March 5, 2019:
Jesus said: “My son, in the vision you are seeing My tabernacle in an old church, and a nun dressed in her habit. This reminds you of the days when you were taught religion by the nuns, when you were in grammar school. In the Gospel My apostles were saying how they gave up everything to follow Me. When you hear My Word and act on it, it takes a strong faith to come out of your comfort zone to spread My Gospel. I call on many people to be converted and follow Me. You may have been taught the faith, and have it memorized in your head. But you need to move this down into your heart, so you are acting out of love to go out and teach My Good News to the people. You have the seed of My Word of love planted in your heart from reading the Scriptures, but it takes spiritual courage to put My Word into action, when you try to evangelize people to the faith. Now, when you bring My Word and My messages to the people, they will have an opportunity also to put My Word into action in their hearts and souls. By coming closer to Me, people can have a deeper love relationship with their Creator. You have Lent starting tomorrow with Ash Wednesday, so make your plans on what you can give up for Me, that will improve your spiritual life.”
Jesus said: “My people, I have warned you in many messages of a coming division in My Church between the schismatic people who follow the New Age crystals, and the faithful remnant. It is only the faithful remnant of My Church that the gates of hell will not prevail over. Those people, who worship any person or thing other than Me, will be condemned to hell by their disobedience. When the Christian persecution comes, I will direct My faithful to My refuges of protection. If you have a faithful priest, you could have daily Mass at your refuge. Pray for your families that they could be converted and saved at My Warning. You do not want to see any of them lost in hell. Your constant prayers for them, will give them a chance to be saved. In the end only the people, who love Me and repent of their sins, will be saved.”

March 21, 2019
Wednesday, March 6, 2019: (Ash Wednesday, beginning of Lent)
Jesus said: “My people, today you heard the priest say: ‘Remember thou are dust, and unto dust thou shall return.’(Gen. 3:19) You have your ashes on your forehead right where the angel has placed your invisible cross to get into My

refuges. This is the beginning of the Lenten Season when purple vestments are used for forty days. This time of repentance relates to the forty days I spent in the desert, and the devil tempted Me three times. You are thinking of what penances you could do to restrain your body to the will of your soul for love of Me. This is the day of salvation, and you could start your fasting, prayers, almsgiving, and time for repenting in Confession. Whatever penance you choose, you should resolve to keep it throughout these forty days. If you want to do an extra penance, you could even include Sundays to continue your choice of penance. Remember that you will be working to improve your spiritual life every day of Lent. Call on Me to help your resolve in your penances for Lent."
Jesus said: "My people, you have heard Me talk about your unusual weather that has been giving record cold and snow amounts. You have had violent winds and tornadoes that have killed people, along with constant snow storms. Your people still do not see the link between your bad weather and your abortions and infanticide as in the Gosnell movie. Some states are putting almost no limit on when you could kill My babies in their new laws. Your people should be appalled at the killing of a million babies by abortion every year. Your country and your states will be punished for killing My babies, and your severe weather is a payback. America needs to repent and make reparation for killing your children. If you keep passing worse laws on abortion, you are challenging My justice. Change your ways America, before I will change them for you."

March 21, 2019
Thursday, March 7, 2019: (St. Perpetua and St. Felicity)
Jesus said: "My people, the first reading speaks of the blessing or the curse, where all of your need to follow My Commandments on your way to heaven, or else you will be choosing the curse of hell. This is a very stark choice at the beginning of Lent, but there are truly only two choices: to be with love of Me in heaven, or with the hate of the devil in hell. In the Gospel (Matt 17:24-28) I give you a choice to pick up your daily cross or not, and follow Me on a path to heaven. You are to deny yourself and give your will over to Me. (Matt 17:26) 'For what does it profit a man, if he gains the whole world, but suffers the loss of his own soul?' In the end you can only take your soul beyond the grave, and you want to choose your eternal destination with Me, and not the devil. For this

world is passing away, but My words will not pass away. During Lent you could be fasting between meals, and avoid eating meat on the Fridays of Lent. You can also choose to give something up that you like, as your additional penance. By cleansing your soul in Confession and working to avoid your sinful habits, you can keep your soul ready for your judgment."
Jesus said: "My people, I am asking My prayer warriors not to lose hope because I am going before you to do battle with the demons who you are fighting against in some of your weak leaders in the Church. Keep fighting to have My Word heard, no matter how difficult it may appear to you. Pray for the people who are causing your problems because I love all of you. I will work with you to provide the necessary paperwork. You have seen this trick used against you at the last moment in other talks. I am proud of My warriors who are fighting to save My babies from abortion. When you pray your rosaries in front of the Planned Parenthood buildings, you may not see a quick answer to your prayers, but I hear your prayers coming from your heart. You prayed many years in front of an abortion hospital, but finally that hospital has closed in Rochester, N.Y. All of the people who help fight abortion, are storing up treasures in heaven for your judgment. Trust in My help to support your efforts to stop abortion, and let people know about the Gosnell movie. You are not only fighting abortion, but you are even fighting to protect the lives of the babies who survive an abortion. The killing of live babies in infanticide is an even worse offense to Me than the abortion attempt. Keep praying to stop abortion, and pray that your program can be run despite your problems. Do not give up, but keep struggling to spread My messages."

Friday, March 8, 2019:
Jesus said: "My people, this hurricane in the vision has both a physical and spiritual meaning. In the physical meaning you are seeing category 5 hurricanes striking your country and causing billions of dollars worth of damage. The last few years have even caused much damage to your economy. Some damage I have allowed as a punishment for your abortions and your sexual sins. You will be seeing My Warning come amidst a lot of chaos caused by such storms. A spiritual meaning of the hurricane in the vision is the effects of the devil's

influence that is behind the drugs, alcohol addictions, break ups in marriages, and a general breakdown in your morals in America and all over the world. You can see how the faith of the people is weak because people do not pray enough, do not come to Sunday Mass, do not come to Confession, and do not recognize My Real Presence in My consecrated Hosts. If Catholics really believed in My very Presence in My Eucharist, how could they leave My sacraments for the itching ears to hear another Gospel? I started My Church with St. Peter as the first Pope, and it is the allegiance of My faithful to keep holding My Church together, and even building it up with your evangelizing sinners to follow My Good News. Parents need to teach the proper morals of My Commandments to their children, and do not leave it up to religion classes or the government. Once children do not come to Sunday Mass, it will be difficult to pass the faith down to their children."

Jesus said: "My people, I want you to love and appreciate My gift of My Eucharist to you that I left behind. You have My Real Presence in every consecrated Host and the consecrated Wine. Some people do not believe in My Real Presence in the consecrated Host. This is why I have allowed miracles of My Eucharist, where blood appears on the Host, to help the non-believers. Those people, who do believe in My Real Presence, have a strong desire to receive Me in Holy Communion every day. They also desire to be with Me in Adoration of My Host. Because My Host in Holy Communion is so holy, I want My people only to receive Me in the state of grace. Those people, who receive My Host in mortal sin, are committing a sin of sacrilege. If you have mortal sin, you need to confess it in Confession, before receiving Me in Holy Communion worthily. You need to respect My Real Presence by bowing or kneeling to receive Me. You also need to genuflect to My tabernacle when you come into church, and when you leave. Those faithful, who come to adore Me at My tabernacle, are My special adorers who have a place deep in My Heart. I love all of you, and those who love Me, are on the road to heaven."

Jesus said: "My people, in Lent you are focused on repenting of your sins and converting your lives in Confession. The Pharisees complained how I was eating

with sinners, but I told them that the sick need a physician in Me to heal their sins, while the self-righteous do not need a physician. I know My people are weak to sin by your inheritance of original sin from Adam, but I have brought you salvation by My death on the cross. I have given you My sacrament of Reconciliation so you can come to Me in the priest where he can absolve your sins in Confession. Remember to keep My Commandments of love of God and love of neighbor. Call on Me to protect you from the devil's temptations."
Jesus said: "My people, you remember in My first message recently (3-7-19) how I told you not to lose hope, even when you needed a letter from Fr. Michel's bishop. The letter was never received by email, but you were able to retrieve the letter from Fr. Michel's email. You had it printed for the pastor and this allowed the speaking to go ahead. The priest did not want you to talk, as he only allowed you about ten minutes. A window was opened to talk at a private home. Fr. Michel prayed over the people, and he received some donations for his second monastery. I helped you get through your problems, so now prayers of thanksgiving are in order. I know you and your people are grateful for how I worked things out for you. My son, you were confident in My help, and you were rewarded for your faith in Me. When My faithful know not to lose hope, and you trust in Me to work out your problems, I am always willing to answer your prayers. Many people were touched by your words and Fr. Michel's words. Fr. Michel blessed the people with his oil and his St. Joseph statue, and there were some healings as a result. This is another lesson to always trust in My help to get you through life's trials. Thank Me again as you give Me your prayers of thanksgiving."

March 21, 2019
Sunday, March 10, 2019: (First Sunday of Lent)
Jesus said: "My people, today's Gospel of My forty days of fasting in the desert, is a sign for celebrating the forty days of Lent. During this time you are also fasting between meals, repenting of your sins in Confession, sharing your money, time, and talents with those in need, and you continue your daily prayers. In the desert I suffered three temptations from the devil. The first was to change stones into bread to satisfy My hunger, but I told the devil that man does not live on bread alone. You have a need to satisfy your hunger and thirst, but you must

trust in Me to provide food and water for your needs. The devil tempted Me by wanting to give the power of the world over to Me, if I would bow down to him, but I told him you are all to worship God alone. Many are tempted to acquire money and possessions for power and comforts. Some people even kill for money, or they sell their soul for fame and fortune. So do not worship things or people, but only worship your God in heaven according to the First Commandment. The third temptation was one of pride so I would throw Myself down a cliff for the angels to protect Me, but I told the devil not to tempt the Lord your God. Pride is a huge temptation to be shown off to people as famous and well known. This leads to many sins, but be humble and loving of your God and neighbor. The devil tempts you to gain your soul, but do not follow his lies and deceits because I love you always, and the devil hates you. Give your will over to My Will in all that you do, and one day you will have your reward in heaven."

Jesus said: "My people, I am proud of My prayer warriors for standing your ground against the pro-death people at the Planned Parenthood building that performs abortions. Fr. Michel prayed some exorcism prayers in Latin. He then shook the incense smoke all around the building to try and shut down this abortion clinic. You then prayed three rosaries and the Chaplet of Divine Mercy to stop the abortions. You saw five police cars that tried to intimidate you to no success. You are still amazed that mothers continue to kill their own children in the womb. The devil is trying to kill as many babies as possible. Keep praying to stop abortions, no matter how much these people are persecuting you for your efforts to save My babies. Killing babies is against My Fifth Commandment, and if your country does not stop the killings, you can expect more punishments from natural disasters. Learn from your mistakes, or you will continue your sins and worse punishments. I love all of you, and you need to love every one as well."

Monday, March 11, 2019:

Jesus said: "My people, I want to revisit a subject I gave you before about your cell phones. Today, you are using cell phones for voice and data communications using your cell towers and satellites. Almost everyone has a cell phone, so they

are connected through the internet. This network will be used against all the people who accept the mark of the beast, or a computer chip in the body. After the Warning and the six weeks of conversion, you should get rid of your cell phones, TVs, and computers so you do not look at the eyes of the Antichrist. The mark of the beast will allow the Antichrist to use your communication to hypnotize people and control their minds to worship him. The Antichrist will also use this control over people to find and kill anyone who believes in Me. Those people, who are chipped, will carry out this order to kill Christians. This is why I will warn My faithful through an inner locution when it is time to come to My refuges to save their souls and their bodies from the evil ones. So do not mock My refuge builders, but help them to prepare their refuges with food, water, and fuels that I will multiply for the faithful who will come to My refuges. Some people will be martyred, but they will become instant saints. This is why you need to convert your family members after the Warning so they will receive a cross on their forehead to enter My refuges. Trust in My help and My Word that I am giving to all of My faithful."

Jesus said: "My people, in the vision you are seeing rows of students at their desks. You all remember your years as a student when you were taught your subjects in school. As you grow up and mature as an adult, you also were a student of life's experiences. By the grace of your parents, your teachers, and My help, your kernel of faith has grown into a strong faith of one of My prophets and a refuge builder. It is important to grow in your knowledge of the faith, as much as it is important to excel in your worldly knowledge. Knowing and loving Me is the better knowledge to have. Following My Will is also much better than following your own will, because My ways are better than your ways. It is also important to try and instill faith in Me to your children, because you are responsible for saving their souls by your prayers. Your mission is also to spread My Good News in converting souls to the faith. Keep working on improving your faith this Lent. The more you do for Me, the more reward you will have in heaven for your judgment day. Keep the faith and trust in Me always to help you through life's trials."

Jesus said: “My people, you look at nature and you see how the squirrels prepare for winter by burying nuts and making a shelter with leaves. Man also prepares for winter by stocking up on wood for heating his house, and putting meat in the freezer from the game he kills. There is another kind of preparation and that is to stock up a refuge when people will need a safe haven from the evil ones during the tribulation. Stocking up on wood, propane, and kerosene will be needed at My refuges to keep people warm at My refuges during the winter. You will also need a water source and some dehydrated food to feed the people as well. I have asked My refuge builders to make these preparations, so My faithful will have a place to hide when the evil ones want to kill you. Do not be afraid, because My angels will protect you and multiply your food, water, and fuels to survive the less than 3½ years of the Antichrist’s reign. At My refuges My angels will put an invisible shield over you. So trust in My protection when the tribulation will come over the earth.”

Wednesday, March 13, 2019:
Jesus said: “My people, today you have the account of Jonah the prophet, which is the only sign that I will give to you. He was asked to go to his enemy in Nineveh and tell them their city would be destroyed in forty days. Jonah did not want to go to Nineveh, but he fled on a boat. Then a large storm came up, and the men on the boat threw Jonah overboard, because they thought he was the cause of the storm. A large fish swallowed him, and spewed him on the seashore. Jonah was given another chance to carry out his mission. When the people felt threatened by Jonah’s words, they put on sackcloth and sat in the ashes. They also changed their evil ways. When I saw the people of Nineveh repent and change their ways, I relented of the punishment that I was going to bring down on this city. This account is a lesson to everyone, that it is better to obey My laws and repent of your sins, than suffer My wrath of punishment. This is an unusual response for man’s behavior, because in most cases there is no change in his actions. This is why I punished the people in Noah’s time, and the people of Sodom because of their evil ways without repenting. Even in today’s evil ways, you are again seeing extremes in nature as your punishment. Lent is a time of

prayer and fasting to show Me that you are sorry for your sins. By coming to Confession, you can restore your souls to My graces. So do not be reluctant to come to Confession, but come back to Me to change your evil ways."

Thursday, March 14, 2019:
Jesus said: "My people, because of your evil abortion laws and infanticide, I warned you that you would see worse natural disasters. This latest Ulmer storm looks like a hurricane, and its high winds are toppling trees and large trucks, as well as many power outages. If you do not change your ways, you are calling down My justice as a punishment upon your people. Many of your recent storms are taking a financial toll on your possessions. If you do not understand My wrath, then I will wake you up with losses in your finances. At some point you will be on your knees asking to stop these storms, but I have taken away your protection from such storms. Let Me make it perfectly clear. If you do not stop your abortions, infanticide, and fornications, you can look forward to more damaging winds and floods. You are seeing a reflection of your evil deeds in the damaging weather all around you. Pray to stop your recent abortion and euthanasia laws."
Prayer Group:
Jesus said: "My people, money and riches can cause people to sin in stealing, killing, or embezzling
people for money. Greed for more money than you need, can be seen among the rich. You need a certain amount of money for modest cars and homes, and to pay your bills. Many people need to struggle with working at jobs to pay for everything. Do not let money be an idol before Me, and trust in Me to provide for your needs. You sometimes have to depend on others to help you with unforeseen bills."
Jesus said: "My people, other countries and your own country have offered to send food to Venezuela, but the communist government was refusing this aid. There is a political conflict between the current leader and a popular man who is trying to take over for the people. There could be a civil war between these factions, and some have wondered about other countries assisting in support for a new leader. Pray for peace in this area."

Jesus said: “My people, you have had a lot of snow and cold, and you are seeing signs of a warming trend as your days are getting longer. Once the cold stops, you will be seeing the spring flowers coming up through the ground. You may have to endure tornadoes and strong winds with the change in your seasons. Melting snow can also lead to flooding. Seeing a warm day as today, gives you a new lease on life working in your yard. Be willing to help each other in your needs.”

Jesus said: “My people, you have been fasting and doing your penances for some few weeks. It is important for your spiritual strength to continue to keep up your chosen penances for the rest of your Lenten Season. You may be giving up sweets and not eating between meals, which takes a strong will. You, My son, are even continuing your penances on Sunday, which is new for you this year. By holding your body’s desires in check, you will be strengthened to avoid the devil’s temptations. Call on My grace to help you bear up through the rest of Lent.”

Jesus said: “My people, it is hard to struggle through life while you are suffering a temporary sickness. You can get some relief with your doctor’s medications, and by eating a healthy diet. It is a help if you have some family members assisting you in your sickness. I ask you at times to pray for the sick who may also be in depression from not being active. I hear your prayers, and I am helping people to recover. Your prayers are needed.”

Jesus said: “My son, even though you were tested at the churches, you were still able to talk to a core group in a private home. You were patient and confident in My help, despite your trials. Do not be afraid of any rejection, but continue to go forth and preach My Good News, and warn people of the coming need to be at My refuges during the coming tribulation. People may feel a little uncomfortable with what is coming, but you are being very practical in your preparations at your refuge. Continue to spread My messages to encourage My faithful in these difficult times. Trust in My angel help to give you all that you need.”

Jesus said: “My people, you do not want to see anyone go to hell, especially your family members. It is your persistent daily prayers that are necessary to help save any wayward souls in your family. By your good example, you can help show your family why it is important for their souls to come to Sunday Mass. In order for people to come to heaven, they must repent of their sins, and seek My forgiveness. People need to show their love for Me and their neighbors, if they want to come to heaven. Lent is a time to evangelize souls and draw them closer to My love. Do not give up on any soul, because you all can be saved if

people could come closer to Me in their prayers. It is better to seek conversion while you still have time. Your salvation with Me must come before you die, so act on My words of faith now, before it is too late."

Friday, March 15, 2019:
Jesus said: "My people, by the tall size of this wave of water that will hit the East coast, this will be the result of the Comet of Chastisement that will hit in the Atlantic Ocean. This event will also bring the three days of darkness that will come from the comet and many volcanoes that will block out the sun. This will be the time of My victory over the Antichrist, when all of the evil ones will be cast into hell on their judgment. All of My faithful people will be protected at their refuges by My angels from the comet. I will lift My faithful up into the air so I can renew the earth, and bring them down into My Era of Peace. This will be their reward for being faithful during the tribulation. Only those people, who believe in Me and love Me, will be allowed into My Era of Peace."
Jesus said: "My people, you are seeing a lot of problems in your society coming from various addictions as alcoholics, drug addicts, and now even vaping. You are also seeing a loss of morals and shame for sin, especially with those people who are living in fornication, homosexual relations, and adultery. You have people with little respect for authority and very little responsibility for people's actions and lifestyles, especially little care in bringing up children properly. When faith is lacking, many people are living in sin with many social problems, even to finance their own bills. I have mentioned before that many are called, but few are chosen to be saved. In order to be saved you need to have a moral compass that starts with obeying My Commandments. By loving Me and repenting of your sins in Confession, you can follow My Will for your life. You are only on this earth for a short time, and you need to choose your eternal destination. You can come to Me in heaven, or you will be with the hate of Satan in hell. You would much rather be with the One who loves you all of the time. Even if you falter in sin, you can have your souls cleansed in Confession by the absolution of the priest. I offer you salvation, but you need to accept My gift and show your love for your Creator. By coming to Sunday Mass, and using My sacraments, you can have the grace to be saved from hell. Choose life with Me,

and you will have your eternal reward in heaven."

Jesus said: "My people, you are seeing a lot of hate in your politics, even to the point of shooting people, as your Congressman, Scalise and those killed in New Zealand. I came to the earth to show you My love for My people by even dying on the cross to free you of your sins. I want My people to love Me and your neighbors. I am even asking you to love everyone, including your enemies as a more perfect way of loving. I love all of My creations, so I want you all to be perfect as My heavenly Father is perfect. I know it is almost impossible for humans to live perfectly, but with My help, all things are possible. This is also why I ask you to imitate My life and that of My Blessed Mother because we are examples of the perfect love that we shared with you. Strive for perfection and you have Confession to pick yourself up when you falter."

Jesus said: "My people, this vision of people protesting in the streets, is how the communist activists will stir up the people against your government. They will struggle to upset your economy in the name of helping the poor, but the real goal is a takeover of your government. Beware of the socialists who are plotting your overthrow. If they cannot takeover with protests, they will resort to violence and possible assassination of your leaders. It will be your military who may have to establish martial law to keep the peace. When the one world people want to take over, they will turn off your electricity, so they could then control you with the mandatory chip in the body. When this happens, or before, I will warn My faithful to come to My refuges. Be prepared to leave for My refuges, because this time of tribulation draws close."

Monday, March 18, 2019: (St. Cyril of Jerusalem)
Jesus said: “My son, you are seeing in the vision how people are hiding from the evil ones at one of My refuges. This reminded you of Moses and the Exodus when they had to eat a meal in haste with unleavened bread. They were hiding in their house with the blood of a lamb on their lintel to protect them from the angel of death. My faithful will soon be called to My refuges, and My people will need to leave in haste with your backpacks. Your guardian angel will lead you with a flame to your nearest refuge. My angels will protect you with a shield of invisibility. I thank all of My refuge builders, and I bless their work for saying ‘yes’ to My call to have a refuge for My faithful. This will be My means of dividing My faithful remnant from the evil people, when I draw you to My refuges. My faithful will be protected from the Comet of Chastisement and fires from the volcanoes. The evil ones will be killed, and their souls cast into hell. Rejoice when I will call My faithful to come to My Era of Peace for your reward for being faithful to Me.”
Jesus said: “My son, you are seeing unusual proposals by the opposition party that do not make financial or social sense for your people. The media and your college teachers are promoting a ‘green’ plan to stop using fossil fuels as natural gas, oil, and coal. Your gasoline that powers your cars, comes from oil, and that oil also lubricates your cars. There is no ready way to power your cars without fossil fuels. Electric cars still use fossil fuels to generate your electricity. Coal is still used to generate almost 30% of your electricity. Your power plants are converting some power plants over to natural gas from coal, but this is still a fossil fuel. So how are you going to run your cars, heat your homes, and generate your electricity without fossil fuels? Nuclear, wind, solar and hydroelectric power covers only about 20% of your needs. A second proposal concerns your Medicare program which is financed for seniors’ medical plans for people over 65. If Medicare is given to everyone, there would not be enough funds to run it. You already have ruined the Social Security program meant for retirees by more of your giveaway programs. Now, you want to ruin your Medicare with more giveaways. The third proposal is to legalize marijuana in all of your states for recreational use. Your states think they can make money by taxing marijuana, as they do for cigarettes. This legalization is already causing more accidents on the road similar to deaths caused by alcohol. This drug will ruin your brains, and it

makes no social sense to legalize. All of these proposals defy common sense, but they are all part of a plan to bring down your country. Pray for sound reasoning to prevail, or your country will go down in ruins."

Tuesday, March 19, 2019: (St. Joseph)
Jesus said: "My people, today you celebrate the feast of My foster father on earth. He took My Blessed Mother into his home when it was revealed to him that I was conceived by the power of the Holy Spirit. St. Joseph was the protector of our Holy Family, especially when he was warned to take us into Egypt so Herod could not kill Me. St. Joseph is a patron for all fathers and for the dying. So when fathers are struggling with their jobs, they can call on St. Joseph for help. He is also a father image to be imitated, and he is celebrated as a worker on May 1st. All fathers should be willing to protect and guide their families in a world that is troubled by your identities as husband and wife. Pray for your families and children to imitate our Holy Family."
Jesus said: "My people, you have seen people killed in your fires last year, and you have seen people killed in tornadoes. Now, you are seeing some people killed in a record flood in the middle of your country. If you study these events, there are signs of increasing new records for the extent of fires that could have been caused by arson, and floods that could have been started by the HAARP machine. Whether you are seeing natural, or man-made events, you are seeing a punishment coming for your abortions and your sexual sins. I have warned you in several messages, if you do not change your evil ways and repent, then you will see worse natural disasters fall on your country."

Wednesday, March 20, 2019:
Jesus said: “My people, in today’s Gospel two apostles wanted to be on My right and on My left when I enter My Kingdom. I told them this was chosen by My heavenly Father. If someone wants to be first, they must be the servant of all. In this earthly life there are others who are striving to control the world. This all starts with Satan as he controls atheists as Karl Marx to take over the world with socialist communism. Look at Russia and China as they preach atheism, but many of these communist countries would not exist unless very wealthy people supported it. I first pointed you to the ‘Agenda’ movie of Curtis Bowers that exposed the plot of a communist takeover by 50 plans to take control of your schools & colleges, your media, destruction of your morals, the use of sex and drugs, destruction of the family, and religion. Many of their goals have been accomplished. Now, you have a new socialist movement by the Justice Democrats, who are trying to take over your government using ‘puppet’ Congress people supported by experts and wealthy Democrats. Their goal is the same to turn America into a socialist communist government as Russia. They are using expert campaigners to take over primaries to win seats in your government. Behind these same lies is Satan and those preaching atheism. This is a new smoke screen disguised to trick the people into favoring socialist ideas. The worst tactic is if they continue preaching these lies often enough, that people will believe it. This is why the liberal left continues to keep spreading the same lies every day. Refuse to accept this Godless philosophy of socialist communism, or your country will be another Russia or China.”
N.B. see on youtube.com: ‘The brains behind AOC’, Curtis Bowers’ ‘Agenda:Grinding Down America’, and ‘Agenda 2: Masters of Deceit’.
Jesus said: “My people, I know America is one of the last nations to stand up to Russia and China. Because these nations are building up their navies, and they are making new military hardware, your country is also in need of keeping up its military strength to defend against these countries. This is why your President has had to build up your Defense, and why he is protecting your steel and aluminum plants. He knows he cannot rely on foreign countries to make your sophisticated weapons. War is not what man needs, but a good deterrent can help prevent a war. Even amidst the military buildup among nations, you need to pray for peace among your nations.”

Jesus said: “My people, you are just starting spring, but your farmers in the Midwest will not be able to plant their fields until the water dries up. This will set back their crops that will be late in planting, and it may cause a shortage in your food supply. You need to pray for your farmers so they could bear any losses from a late planting, if they can plant at all. This is the worst flooding you have seen there in many years. Such a food shortage will affect many of your exports, where other countries will need to search for food elsewhere. I have talked about a coming famine, and anything like floods can greatly affect your food supply. This is another reason to have a 1 year’s supply of food on hand for every member of your household. These floods are just another example of how natural disasters can affect your economy. See these events as a continuing punishment for your abortions and sexual sins.”
Prayer Group:
Jesus said: “My people, My young children are special to Me, and I do not want anyone to abuse them. In today’s workplace it is hard for some young parents to have good wages to provide a home, food, and clothes for their young children. In some cases there are divorces or separations so one parent has to bring up the children. This means that parent needs babysitting while that parent has to work for a living. It is hard for single parents to find time to be with their children, but they must bond with their children and show them love and attention. It is better to have both parents help bring up the children, but it is sometimes necessary for both to work to make a living. Pray for all parents and children, and pray they do not have an abortion.”
Jesus said: “My people, when your children are young, you can take them to Sunday Mass without much resistance. When the children get older, they are influenced by their peers and their teachers. They learn quickly that many teenagers do not come to Sunday Mass, especially if any family members do not come. Keep praying for your children and for all teenagers to come to Sunday Mass.”
Jesus said: “My people, some people, who live in Northern climates, are ready for spring warmth after a long hard winter. Many cannot wait to clean their yards, and plant some flowers. You, My son, enjoy taking pictures of the spring flowers. You were raking up your lawn debris on a warm day. Have patience

because the cold temperatures will be warming soon. You have the four seasons, and every season has its joys and difficult weather. So enjoy the beginning of spring which brings everything alive again."
Jesus said: "My people, you need a certain amount of rain to bring life to your crops, trees, and vegetation. But if you live close to a river, you could be risking floods with a heavy rainfall. You are fortunate to have dams and working levies to hold back the water. Pray for those people who have inundated homes in the Midwest. They have to find another dry place to live, and they could lose their homes."
Jesus said: "My people, there are some people who have had power outages from strong wind storms. This is difficult to heat your home if you do not have alternate heating, as wood in a fireplace, or kerosene in a kerosene burner. You also need light sources at night as generators or solar power to have working lights. These things are the same preparations needed at My refuges. Be willing to take people in during a power outage, if you have heat and lights. It is good to share with those people who do not have alternate sources of heating. You will need such preparations during the tribulation."
Jesus said: "My people, during Lent you need to be more focused on loving Me in your Lenten devotions. You need to pray and repent in Confession. You may come to services for the Stations of the Cross on Friday, and observe your fasting between meals, and no meat on Fridays. You could even attend a mission if your church offers one. You also need to remember whatever extra penance you were suffering for love of Me. You also could come to Adoration of My Blessed Sacrament. This season is meant to help you love Me more and improve your spiritual life."
Jesus said: "My people, another devotion for Lent is for almsgiving, or sharing your donations with the poor, or your food shelves. You could even take some food to your food shelves, or help distribute food to the poor. You may be asked to help people in need, so be quick to answer their needs without so many questions. I died for all of you to be saved, so you also can help evangelize souls to the faith. Reach out in love to help people when you see an opportunity to help them."

Friday, March 22, 2019:

Jesus said: “My people, all of you are destined to die, and it is just a matter of time until you will be in a casket to get buried. You wonder where all the years went, until you realize, you are only here for a short time. It does not matter how rich or poor you are because you all will be in a grave. The important thing is where your soul will be judged. This is why you need to keep your soul clean from sin by frequent Confession, so you are always ready to meet Me at your particular judgment. If you love Me and your neighbor, and repent of your sins, you can be on the right path to heaven. Many souls need some time in purgatory to make reparation for their sins. Very few people go directly to heaven, only those who lived saintly lives, or those who suffered their purgatory on earth. Keep focused on Me and pray for sinners, and those souls still in purgatory, and I will one day welcome you into My heavenly kingdom.”
Jesus said: “My people, you can see at different churches that Sunday Masses have fewer people, and the collections are down as well. There have been some articles in your newspapers about priests abusing young boys, but some of these charges happened years ago. Many of your people have stopped coming to Sunday Mass for various reasons. I keep reminding you about My Third Commandment, which says: ‘Remember to keep holy the Sabbath day.’ This is a mortal sin to miss Sunday Mass on purpose, especially when you are not sick. If you truly love Me, you would come to Mass to receive Me in Holy Communion. If you believe in My Real Presence in Holy Communion, you would not want to miss a chance to receive My Body and Blood. Lent is a special time to pray and do good works for your neighbor. See the importance of attending Mass not only out of obligation, but because you want to be with your God who loves you.”

Saturday, March 23, 2019:
Jesus said: “My people, the parable of the Prodigal Son is well known, but it is a sign of how much I am happy to receive any sinner who repents of their sins. I am truly merciful to forgive a repentant sinner. You have heard how heaven rejoices over even one sinner who repents and changes his or her ways. In this account the father was so happy to have his son back, that he gave a great feast to celebrate this joyous occasion. It was even hard for the faithful son to accept his father’s compassion. There is a great line when the father said: ‘This son of mine was lost, but now he is found.’ I wait anxiously for all sinners to come back

to Me to seek My forgiveness. My grace and forgiveness await all sinners. It is in Confession that I am constantly forgiving you as many times as you return to Me."
Jesus said: "My people, Satan is behind the masons who want to make the United States into a socialist communist country, so you could be linked with other countries under the authority of the Antichrist. To bring this about, the evil ones need to control your government and eliminate your Constitution. They will crash your money and turn off your electricity to control you. They will then force mandatory chips in the body on you so you can only buy and sell with the mark of the beast. They will use your cell phones, cell towers, and satellites to control you like hypnotism. When you see your electricity turned off all over, martial law, or mandatory chips in the body, this will be your sign to come to My refuges to avoid being killed. You will be led by your guardian angels to the nearest refuge. I will provide and multiply your food, water, and fuels so you can survive at My refuges. Your country will be taken over by the evil ones, but do not be afraid because My angels will protect you. Those people, who believe in Me and love Me, will be saved at My refuges. I love all of you, but you must repent of your sins and seek My forgiveness, just as the Prodigal Son was forgiven."

God the Father said: "I AM WHO AM is here to speak to you about My encounter with Moses. I was Present in the burning bush, and I told Moses to come no further, because he was standing on holy ground, and he needed to remove his sandals. It is out of respect for My glorious Presence that he stopped, and removed his sandals. I proceeded to tell Moses that he would be the deliverer by My miracles to lead his people out of bondage by the Egyptians. Today, you have the holy ground of My Son, Jesus, wherever you see a tabernacle with His consecrated Hosts. This is why you give your respect to Us by kneeling in front of the tabernacle on arriving and leaving Our Real Presence. When you receive Holy Communion you need to bow or genuflect. You also need to be free of mortal sin in order to receive Us worthily. In every Holy Communion you receive all Three Persons in the Blessed Trinity: Myself, the Father, Jesus, the Son, and the Holy Spirit, because We are always One and

undivided. Learn from your Lenten devotions to keep focused on Us and pray your prayers of thanksgiving to Us every day."

Monday, March 25, 2019: (Annunciation)
Jesus said: "My people, you are seeing the hand of Satan in the attempted destruction of My Church, the U.S. government, and the family. The socialist communists are trying to take over the world by controlling the media and your education system. You can see the control of the television stations by socialist liberals where conservative voices are being removed. The newspapers, the radio, and the internet are also stifling any conservative voices as well. You can see your freedom of speech is being taken away. You have the same socialist liberals trying to take over My Church also. There will soon be a division between the schismatic church and My faithful remnant. The attack on the family can be seen in divorces, homosexual marriages, fornication, adultery, and abortions. This destruction of your society has been carefully orchestrated by the devil using the one world people to prepare the world for a takeover by the Antichrist. I will allow a short tribulation in revolt against Me, but I will protect My faithful at My refuges. I will then bring My destruction upon all the evil ones, when they will be cast into hell. Then I will renew the earth with no evil, and I will bring My faithful into My Era of Peace. My faithful will be tried and tested in this purgatory on earth to see who are My true believers. Trust in My protection during the coming tribulation."
Jesus said: "My son, I was giving you a scene of a flooded church where the water was coming up to your waist. It is one thing to hear about floods, but when you experience it first hand, it gives you a hopeless feeling, and you want to escape to dry land. The flooding in the Midwest is devastating, and with more snow to melt, there could be more flooding with further rain showers. This scene is to give you a personal feeling for what these farmers are going through. Many farmers could lose their farms if they cannot plant their crops. The governors may have to declare an emergency to get some aid from the government to pay for the land and the crops that could not be planted. This could be a disaster for the farmers, and for the people who depend on this food to eat. There will be food shortages, and people may have to stock up on what food is available. Pray for your farmers and for your people to have enough food to eat."

Tuesday, March 26, 2019:
Jesus said: “My people, in the Gospel I told you a story of how one man was forgiven a huge debt because he begged for more time to pay it off. Then that same man would not forgive a smaller debt from a fellow servant. This man later had to pay off the whole debt because he did not treat his fellow servant with mercy as his master did. I also told My apostles that they need to forgive their neighbors seventy-seven times. My people come to Me many times to seek My forgiveness of their sins in Confession. So just as I forgive repentant sinners, My people need to forgive others as well. If someone seeks your forgiveness, then you should be willing to forgive them. So do not look for revenge, and do not be angry with people who do you wrong, but be willing to be more loving in granting your forgiveness. This is not easy for man, but I asked you to love everyone, even your enemies. During Lent, you need to work harder on your loving people, and forgiving people.”
Jesus said: “My son, when I gave you the instruction to have a third refuge practice run with your prayer group, I was suggesting that other prayer groups could do the same. You had a twenty-four hour drill that went from 7:00 p.m. of the first day to 7:00 p.m. of the second day. Remember to have around the clock Adoration in a prayer room, with people signed up for various hours. You will have to work out some bedding arrangements with cots, sleeping bags, or beds overnight. Then you could use well water and meal preparations for at least two meals for everyone. You could use your stored food to see how to prepare it. If you have alternate heating, you could replace your natural gas heater. If you have wind-up flashlights, you could bring them with you, and even bring one lantern to help with the lighting. You could use solar panels for power also during the day, or by batteries during the night. All of your projects have helped you to be prepared for your refuge. You can share your experiences to help other people who have refuges. Assign jobs so you all have something to do. When you are finished with your practice run, you could take notes on what needs improving, so your practice run can teach you how to make it better. I thank all of My refuge builders for all they are doing to help My faithful survive the coming tribulation.”

Jesus said: “My people, you have seen in the Scriptures how you need to enter heaven through the narrow gate by following My Commandments. It is the broad road that leads to hell. It is obedience to My laws out of love, that puts you on the right path to heaven. I also call you to give your will over to My Will, so you will have allegiance to what I want you to do, rather than your own ways. When you follow the ways of the desires of the flesh and the world, you are quickly led astray from the right path to heaven. During Lent you need to orient your ways to following My ways, which are more perfect. Follow My Light to be with Me, rather than follow the devil into the darkness. Your spiritual life is the most important means of bringing your soul to heaven. When you focus your life on Me and heavenly things, then you will keep your eyes faced on your goal of heaven.”
Jesus said: “My people, recently you have seen a measles outbreak among some children who were not vaccinated. Your medical people were quarantining people who were not vaccinated from the area of the outbreak. Many of your young children receive multiple vaccinations close together. There are some people who think such shots could be related to autism, but this has not been proven. Some think it is better to space the shots out instead of having them all at once. It may also be better to wait for the children to get a little older than infants. Most of the research on autism is conducted by the makers of the shots, but they are biased to not find any connection with the shots and autism. It would be better to have independent testing to have an unbiased answer. Pray for the children who develop autism after their shots.”

Thursday, March 28, 2019:
Jesus said: “My people, every day you are battling the demons because they do not stop tempting you. You have your guardian angel and your deliverance prayer of St. Michael to help you against the demons. Even if you are tormented by the demons, you can call on Me, and I will send you a legion of My angels to protect you. Even at My refuges you will have a special angel to protect you.

You, My son, have many angels protecting you in your mission when you go out to speak. You have recently encountered some problems speaking in the churches when the priests do not want to hear My messages. It is better not to go to churches where the priests are not open to your end time messages. Keep remembering to pray your long form St. Michael prayer on coming and leaving your talks. Do not be afraid of the demons or people who do not want to hear Me, but trust in My protection."

Prayer Group:

Jesus said: "My son, you have endured some trials for accepting My mission to prepare the people for the end times. Even though some people have tried to put you down, I have told you not to make a defense. You have been faithful to your mission, despite some criticism. I told you as the tribulation gets closer, there will be stronger persecutions that you will endure. Stay faithful to My Word and keep reaching out to save souls in this trying time."

Jesus said: "My people, the devil knows his time is short to drag more souls down into hell. This is why you will be seeing more attacks against My priest sons and My prophets who are spreading My Good News. You can pray for My priests and prophets that they will be protected from the coming persecutions from the evil ones. All of My faithful believers will be under attack for your belief in Me. So pray to remain faithful to Me despite any attacks of the devil or those who worship the devil."

Jesus said: "My people, you are seeing constant attacks on some priests who were accused of being a pedophile with young children. There have been many articles putting down the Church, but this gives a bad name to all the innocent priests. There is also another attack by the devil in dividing My Church between a schismatic church and My faithful remnant. When the persecution of Christians comes, they will need to seek My protection at My refuges."

Jesus said: "My people, you are seeing a number of opposition candidates for President who are promoting socialism in their platforms and in their speaking. I have been warning you of the evils of socialist communism which starts with the threat of atheism or the preaching that I do not exist. You have seen how Christians are persecuted in communist and Muslim countries. You do not want America to go communist like China and Russia. Pray for your country, and work for your current President to overcome this new evil that wants to take over your country."

Jesus said: "My people, it is no surprise that many students, who graduate from your colleges, are being brainwashed with socialist ideas. Some teachers who

promote religion or a belief in God, are being expelled from your colleges. This is why your students are only hearing one side of the politics of your country. This is also why the opposition party wants to lower the voting age to sixteen, so they can get more votes for their socialist causes."
Jesus said: "My people, this coming election is clear. On one side you have a President standing up for your Constitutional rights, and against abortion. On the other side you have candidates in favor of socialism and abortion. You need to vote against atheistic socialism that will be attacking My believers. Eventually, I will allow a takeover of your country as a punishment for your abortions and sexual sins. My faithful will need to come to My refuges for their protection from the evil ones."
Jesus said: "My people, you can see in the world how there is much division in your society. You are seeing fewer people praying, and fewer coming to Sunday Mass. Other countries are even less religious than America. You can see evil taking over in all parts of your society. My faithful need to be beacons of faith in your Creator. Even if others may criticize you, do not be afraid to speak out on your love for Me and your neighbors. Be a light of faith, and be good examples of being Christians. You will be losing your freedom of religion, and you may have to go into hiding when your lives are threatened. Keep the faith in Me no matter how much opposition you will suffer for your beliefs in Me."

Friday, March 29, 2019:
Jesus said: "My people, most of you know My Sixth Commandment of 'Thou shalt not commit adultery.' This Commandment is all about the transmission of life, and it includes fornication, homosexual acts, masturbation, prostitution, birth control, vasectomies, and tubal ligations. One of the biggest problems you have in your families is when your sons and daughters are having sex without marriage. I instituted the sacrament of Matrimony for young couples to make vows with each other for life. This love under the bond of marriage is the proper environment to have children and bring them up. The morals of your country have so deteriorated that many couples are no longer getting married, but they live together in fornication. I know My faithful parents are praying for their children, who have gone astray, to live a proper married life. You are also seeing sins of abortion that result from living together. Even My married couples need

to live without using birth control which is also sinful. I see how all of you are living, and you all will have to answer to Me for your sins at your judgment. I love all of you, and I want you to love Me and your neighbors. Keep praying for your children to live a proper life, and give them a good example by your own lives. Your persistent prayers for your children could keep them from being lost in hell."
Jesus said: "My people, I have given you My two Great Commandments of love of God and love of neighbor. You have two plaques where three Commandments are on one plaque, and seven Commandments are on the second plaque. I did not come to change this law, but I came to fulfill it. When I gave the Ten Commandments to Moses, this was My covenant of love with all of mankind. This love continues on through today. I have made man and woman in My image, and I have given you all free will to love Me or not. For those people, who want to come to heaven, I call you to obey My Commandments. I call you to repent of your sins in Confession, and keep Me close to you as you seek My forgiveness. Teach your children to follow My Commandments as well. Do everything out of love for Me, and you will be on the right path to heaven."

Saturday, March 30, 2019:
Jesus said: "My people, during Lent you are focused more on loving Me and following My Commandments, so you do not offend Me with your sins. Even if you should find yourself in sin, you can come to Me in Confession, and I will forgive your sin. Then I can restore your soul to its former way in My good graces. Do not just be ashamed of your sin, but you need to run to the confessional to get right with My love. Only receive Me in Holy Communion without mortal sin on your soul. If couples are living in fornication, it is not a good confession if you continue to fornicate. Either get married in My Church, or refuse to have sex. Reserve having relations until you are married. In the Gospel I told of two people who came to church to pray. The Pharisee told himself how he obeyed My laws and gave to the collection. He was thankful that he was not like other sinners, but he was spiritually proud, instead of being humble in My holy place. The tax collector remained in the back of the

synagogue, and he asked Me to forgive him, a sinner. He bowed his head and kneeled praying as he beat his chest in humility. The tax collector went away justified in his humble prayer, but the Pharisee was not humble. This is how I want all of My people to pray in asking for My forgiveness, and living a humble life without bragging. Be thankful for your gift of faith, and show Me your sincerity by loving Me and all of your neighbors in your daily prayers and actions."

Sunday, March 31, 2019:
Jesus said: "My people, today's Gospel is how I healed the blind man, and I opened his eyes to see the world that he has been in, through a whole new light. I also opened his spiritual eyes of faith to believe that I could heal him. He gave thanks to Me for his sight in the world, and for his spiritual sight. In the vision you are seeing a small gold tabernacle with the consecrated Hosts in it. Then you were given a glorious view of heaven with a huge golden altar and Myself on a throne with all the angels and saints around Me. Your priest talked about striving to be a saint every day in your actions out of love for Me. He also talked about how necessary it is to trust in Me for everything, as I will work things out for you. Call on Me in prayer and I will find a way to solve your problems. You would much rather trust in Me than trust in your money. So do not let your little problems so frustrate you that you lose heart in depression. Give your problems over to Me in prayer, and I will have someone help you if necessary. My son, you have lived your life by trusting in Me to solve your problems, and I have taken good care of you. For those people, who are worried about things, just look back into your life, and you will see how I solved many of your problems. Even some problems you thought were impossible to solve at the time, I brought you through them, because nothing is impossible for Me. Keep trusting in Me in faith, and you will have nothing to fear."
Jesus said: "My son, every time you have a practice refuge drill, it is a learning experience for the people present. It was the first one for your hosts. They learned how to operate the kerosene burner, and how much kerosene they might want to have on hand. You could use the well water if you have a well. We turned off the natural gas heater, and we kept the house warm with the fireplace

running as well as the kerosene burner. We had a lentil broccoli soup, bread and butter, and some mango slices, with water for drinking. The chef oven worked, but the propane canister was faulty in going out. The host could try another canister to see what works. For lights we had wind-up pocket lights, and battery powered lanterns that were hung high for more light. The well water provided water to the toilets. The hosts took notes of what they will need in the future. My refuge builders should all try some practice runs with friends or your prayer group members. You all took turns praying an hour in the prayer room, and you opened the door for fresh air every hour. Living at a refuge is doable as long as you have working equipment and multiplied fuels, food, and water. Trust in Me that I will multiply your needs."

Monday, April 1, 2019:
Jesus said: "My people, you just had a practice refuge drill at one of My refuges, and My refuges will be your safe havens of protection during the tribulation. My angel of your refuge will shield you from all the evil ones who want to kill My faithful. In the vision you are seeing three large structures like megaphones that were sending out microwave signals to those people who had the mark of the beast, or a computer chip in their bodies. These people were drawn to a large amphitheater where there was a large screen with the Antichrist speaking on it to them. He was hypnotizing the people with his eyes, and he was instructing them to go out and kill all the faithful Christians who believe in Me. This is why at that time, I will draw My faithful to My refuges where they will be protected by My refuge angels from any harm by the evil ones. Only My believers, who have crosses on their foreheads, will be allowed by the refuge angel to enter the refuge. My angels are placing invisible crosses on all of My faithful who believe in Me. My faithful will not take any chip in their bodies. During the tribulation, My faithful will see their crosses as visible, but the evil ones will not see them. If you do not see a cross on a person's forehead during the tribulation, then that person will be evil and will try to kill My faithful. Avoid these people who have the mark of the beast because they are a danger to your lives, and a danger to your souls. Trust in My Word and I will see to your protection."
Jesus said: "My people, I have already warned you of the coming socialist

communist takeover of America that will be a punishment for all of your abortions and your sexual sins. Once the communists take over, you will see the beginning of the Christian persecution in America. Because of their atheistic principles, the communists call the worship of Me as the 'opiate of the people.' It will be their first thing to close all of the Christian churches, so they can control the minds of the people. Anyone who preaches My Word, will be singled out to be killed. It will be at that time that I will call My faithful to My refuges because your lives will be in danger. Do not be afraid of the evil people because My angels will be protecting you with an invisible shield on the way to and at My refuges. If your people do not learn from history, or do not learn from trusting in Me, then you will live to repeat the mistakes of the past. My people know that in the end, I will triumph over the evil ones, so have hope and be patient when I will bring My victory over the evil ones. I love My faithful, and I will protect them at My refuges during the tribulation. Trust in Me and you will have your reward in My Era of Peace, and later in heaven."

Jesus said: "My people, in many instances I took compassion on the sick people, and in this case I healed a lame man who had suffered for thirty-eight years. I did not force Myself on people, but I asked them if they wanted to be healed. I was not only concerned about their health, but I healed the sin on their souls as well. You are made up of body and soul, and I desired to heal the whole person. When you pray over someone, you also must pray to heal the soul and the body. My son, you can identify with the lame man when your bone spur was causing you to limp in pain. When you took four pills of your Calcium Aspartate, the pain went away the next day, and you were able to walk through the airport halls. It is not easy to endure pain, but you can offer it up to heal souls with your redemptive suffering. Trust in Me to help you on your missions to speak and get to your venues."
Jesus said: "My people, the 'Unplanned' movie showed you how a baby was suctioned out of the womb in pieces. The people there had to count all the pieces to make sure they had everything. The doctors are responsible for carrying out the abortions, as they get their blood money from their patients. The mother is

also responsible for killing her child, just for convenience, or to remove shame for being pregnant usually outside of marriage. You are seeing that this is a multi billion dollar business that the owners do not want to give up. All of the workers, doctors, and supporters have blood on their hands. It is the American people who voted for abortion, but the judges approved it, and you are all liable for punishment. If you do not change your laws, and you continue this slaughter of My babies, then My justice will fall on America with more severe natural disasters, and an eventual takeover of your country. All of the money being saved by aborting your children, will be taken away from you when your dollar and stock market are crashed. You cannot put a price on a life, and you need to respect the preciousness of the gift of life. When you see little live babies, how could you think of killing My miracles of creation?"

Wednesday, April 3, 2019:
Jesus said: "My people, I have said in the Scriptures how My apostles would be fishers of men. This vision shows you a shark eating the fish. This represents how the demons are not only attacking the people, but they are also attacking My priest sons. Your priests are My servants who give you the Mass every day, and the sacraments, especially Holy Communion and Confession. They are also present for Baptism and Confirmation. A few of your priests are being attacked in your newspapers for abuse of children, but this could discourage some people from coming to Sunday Mass. Pray for your priests and support your churches, because your parishes are struggling for collections to pay the bills. Your numbers are diminishing because the younger people are not replacing the older faithful who are dying. This is part of your demographics of a decreasing population from abortion, and a decrease in your fertility rate."
Jesus said: "My people, I have told you before that a crash of the stock market could precipitate a financial crisis like you had in 2008. If this crisis is severe enough, it could also cause a martial law to be declared. You have seen an unusual rise in the stock market with very little pull back. You have heard from various news why the market has gone so high. You have many corporations buying back their stock which puts buying pressure on the price of stocks to rise. Other speculators are borrowing money at low interest to buy stocks on margin.

This also raises the stock prices. You are seeing an inversion in your interest rates where short term interest rates are equal to longer term interest rates. This makes it hard for banks to make money on long term loans. If this buying pressure was stopped, and people shorted the stocks down as in 2008, you would have a market collapse worse than before. This is a plan by the one world people to make your President look bad before the election. If the Federal Reserve bankers crash your money because of not enough money to support your National Debt, this also would cause chaos in the streets. When you see a danger for your lives, I will call My faithful to come to My refuges for their protection. Have no fear of the evil ones because My angels will protect you, and the evil ones will be eventually thrown into hell."

Thursday, April 4, 2019: (St. Isidore)
Jesus said: "My people, it is only for the sake of My faithful that I have not brought destruction down upon your people. There are many depraved and stiff-necked people who ignore Me, and who kill their children by abortion. You also are killing your older people by euthanasia, and both of these killings are done for money. You have many corrupt people who only think about money as their only god. In the end your corrupt money will fall, and many who sought money, will be left bankrupt when your stock market and money fall. I will separate the evil people from My faithful at My refuges. Then the evil ones will go down into the pit of hell for their punishment. My faithful need to give praise and thanks to Me for all that I do for them."
Prayer Group:
Jesus said: "My people, you are seeing a big push by the opposition party to do away with your Electoral College that was set up in your Constitution to give equal weight to the states with less population. The whole US Senate gives two senators to each state. To have an election by popular vote would give too much power to just a few well populated states. This was set up by your founding Fathers, and pray that their intention for fairness is upheld."
Jesus said: "My people, many people have seen the 'Unplanned' movie and it has become more popular. This movie is about a director of a Planned Parenthood building that did many abortions. This lady decided to leave her

position when she was asked to participate in an abortion. It is a little graphic, but people need to see how they are killing My babies at Planned Parenthood. This is a big business of billions of dollars. Pray to stop abortion and keep protesting at these places with your rosaries to help save My babies."
Jesus said: "My people, those people who are protesting at the Planned Parenthood abortion clinics, are praying to defend the lives of My babies from being killed. The doctors are making huge amounts of money by killing babies. The mothers are denying their babies from seeing life, which they were meant to see. This is killing against My Fifth Commandment, and the doctors, mothers, and supporters will pay dearly for their crimes. Try to give time to protest for the babies, and you could possibly help save some babies from being murdered."
Jesus said: "My people, this latest effort by the opposition party to investigate your President, has found no collusion with Russia. The Mueller Report was backed by a dossier paid for by the opposition party on false pretenses, and it deserves an investigation of its own. All the members of this report were on one side, and its results are very biased. Once the report is released, you will see it was intended to remove your President based on false claims. This venture has only served to divide your country. Pray for your country to have peace, without all the hate of the opposition party."
Jesus said: "My people, many of you are aware that the Medicare program was meant to help people over 65 with their health care costs. You have Medicaid and welfare programs to help the poor. By tearing down the fabric of Medicare, this is another tactic to try and overwhelm your government with a cost that could ruin your whole health care program. There are some people who want to take over your government, and they think that by overspending your National Budget, they can bring down your government for a communist takeover."
Jesus said: "My people, Satan and the demons are bringing hate and division into all parts of your society. You can see this hate in your politics, and in the persecution of Christians who are voicing peace and love. Pray for peace in your society and let My love overcome Satan's message of hate. I even asked My faithful to love your enemies, which takes an extra grace. Do not continue dividing people, but reach out to bring My love to everyone."
Jesus said: "My people, in every life you can see the effect of sin on your life and on the lives around you. This is why it is important to come to Confession to put your life back in My good graces, so you can live the holy lives that I desire for you. The more you sin without repenting, the deeper Satan will lead you away from Me. I love you, and I want you to love Me, but sin drives a wedge

between us. Do not let Satan keep you from coming to Confession where your soul can be replenished with My sanctifying grace. You need to have a clean soul from sin to help your love relationship with Me grow. By daily prayer and obedience to My laws, you can grow in My love. You need to seek heaven by giving your will over to Me, so you can be focused on your goal of being with Me for all eternity."

Friday, April 5, 2019:
Jesus said: "My people, in the Gospel you read how I slipped into Jerusalem secretly because the Jews wanted to kill Me. I did not have any fear because I knew that it was not My hour. This is why I spoke openly in the synagogue. This is an example of how I want My faithful to speak out about My Good News, even if you are criticized. The people need to hear My Word, even if the authorities and religious people do not want to hear it. My son, your messages of the end times and My refuges need to be heard, so the people can be prepared to come to My refuges. Even if some priests do not want you to speak, find places where you can freely spread My messages. Some of My priests do not want to risk losing their collections, but they will lose them anyway with your decreasing numbers. People need to know about the takeover of your country by the socialist communists. They also need to know of the coming division in My Church between the schismatic church and the faithful remnant. The Antichrist is about to have his time of control, and My faithful will be called to the protection of My refuges. My people need to have full faith in Me in order to have My angels put a cross on your forehead. The angels of the refuges will only allow believers with a cross on the forehead to enter My refuges. Pray for your family members to be converted after the Warning, or they may not be allowed into My refuges."
Jesus said: "My people, you have seen floods in the Midwest, but the forecasts show more rain in this same area. Without a dry spell, it is going to be difficult for farmers to plant their crops. If you have problems growing crops, you may see a significant food shortage. I have been warning people to have a year's supply of food for just such an event as a famine or food shortage. Those people, who have food stored, will be thankful for My warning, so they will have food to

eat, while others will be near starvation. If a food shortage strikes, you will see empty shelves in your stores. If people start fighting over food in the streets, then I will call you to My refuges for protection. I will multiply your food, My Hosts, water, and fuels so you can survive this tribulation. Trust in Me to feed you what you need."

Jesus said: "My people, in today's Gospel you have read about one of the confusions of the Pharisees, who did not know of My earthly origins when I was incarnated as a God-man. My Blessed Mother conceived Me by the power of the Holy Spirit at Nazareth when she gave her fiat to St. Gabriel. At one point there was a census by Caesar that everyone had to register at their line of heritage. This was Bethlehem for both St. Joseph and My Blessed Mother because they were from the house of David. This is why I was born in Bethlehem according to the Scriptures. My parents took Me to Egypt to avoid Herod's call to kill the babies in Bethlehem. Then we returned to Nazareth where I grew up. This is why the Pharisees did not want to believe in My claim as a prophet because I came from Galilee. You are seeing the beginning of how the Pharisees wanted to kill Me because My miracles were causing people to follow Me. In the next few weeks you will be preparing for Holy Week, which starts with Palm Sunday or Passion Sunday. You will be understanding why I was born, so I could offer My life for the salvation of all souls who accept Me as their Savior."
(Requiem Mass for Pamela Gilfus) Pamela said: "I thank everyone for coming to My funeral, and I thank Fr. Bonsignore for an excellent Latin Requiem Mass in his black vestments. He gave some nice words about Me. I know at the wake you saw me shrunk down from what you used to see Me, but I am nicer looking in my soul body. I thank you folks for coming to see my wake, even if it took some time in the traffic. I remember all of my Blue Army friends, and I ask you to pray for me and have some Masses said, since I will spend a short time in purgatory. It was good to see all of you one last time."

Sunday, April 7, 2019:
Jesus said: “My people, I have been urging your people to change your laws and stop your abortions. Your lawmakers are only making your laws worse in allowing the killing of babies up to birth, and some even after. Your lives of fornication can result in unwanted pregnancies outside of marriage, and you saw all of the young girls going in for abortions at the Planned Parenthood clinic. I told you if you did not stop your abortions, that I will stop them for you. You are seeing some of your punishment in severe natural disasters. You will see further punishment when your country will be taken over by the socialist communists in preparation for the Antichrist’s tribulation. Only My faithful believers will be protected at My refuges, and the rest will suffer from the evil ones, and My Comet of Chastisement. Soon I will separate the evil ones into hell and My faithful into My Era of Peace. Pray to save as many souls as you can from going to hell.”

Monday, April 8, 2019:
Jesus said: “My people, in this world of yours, you do not always see justice carried out, as many people get away with their crimes undetected. But I see all that is happening and I know all the circumstances. At the judgment you all will be held accountable for all of your sins and crimes. In the first reading from the Book of Daniel, you saw how the two elders plotted to have unlawful relations with Susanna. She refused their attempts, even when they threatened her with a false adultery claim. It was Daniel’s wisdom that saved Susanna’s life when the two elders perjured themselves with conflicting stories of finding them under a mastic or an oak tree. Justice was served that day. You are seeing many people living together in fornication without marriage. The morals of your country have been degraded, and this is why you have many family problems. The children are suffering without a proper marriage environment. This is another case where the sins of some are affecting your whole society, when the children are not always loved, and they may be abused in babysitting. At the judgment all of your dark sins in secret will be revealed in the Light, and My true justice will be

carried out."
Jesus said: "My people, you are approaching Holy Week beginning this Sunday with Palm Sunday. You will be reading about My Passion, and how I suffered to bring salvation to all of mankind, if you would accept My gift. You remember when St. John the Baptist baptized Me in the Jordan River. Once I died, I brought you a new Baptism in the Name of the Father, the Son, and the Holy Spirit. You saw the wave of water in the vision. So now when you are baptized with water, you are joined with Me in the beginning of your faith life. You are now prince, prophet, and king, so My faithful can go out and spread the Good News of My Resurrection to everyone. It is hard for all of you to suffer your Good Friday, but it is glorious to celebrate My Easter Resurrection. I bring you new life in the Spirit as you celebrate the weeks of Easter. You remember Me telling you that all of heaven is rejoicing even more on Easter Morning of My Resurrection. It is then that you realize why I had to come to earth and die for all of your sins. This is why it is important to have all of your babies baptized into the faith, so they can grow up and experience My love in their lives. When you attend a Baptism, you repeat the truths of the faith in your Apostles' Creed. All of My faithful are called by their Baptism to go out to all the nations and evangelize souls to come to Me. You are experiencing the Living Water of the Holy Spirit at every Mass."

Tuesday, April 9, 2019:
Jesus said: "My people, when Moses was with his people in the desert, they complained about their wretched food in the manna. The people did not appreciate My miracle of the manna, and because of their ungratefulness, I sent them seraph serpents that killed some of their number. Then the people begged Moses to help them. I then instructed Moses to mount a bronze serpent on a pole. Those people, who were bitten and looked on the bronze serpent, were healed. This bronze serpent on a pole is a forerunner of the image of Me on the cross. When people pray to Me on a crucifix, you could also be healed by looking on Me in faith. During the tribulation you will come to My refuges and

look on the luminous cross in the sky, and you will be healed of all of your ailments. You can come to Me in Confession, especially in Lent, to have your sins absolved by My priest sons. Once your soul is purified, then you can receive My new Manna which is My Real Presence in My Body and Blood of Holy Communion. This Host is unleavened, similar to the bread of haste that was eaten at the Seder Supper of deliverance from Egypt. Prepare for My remembrance of My Crucifixion in Holy Week, as I am a sacrifice on My cross for the sins of all humanity."
Jesus said: "My son, you saw a 'bomb' cyclone form in the Midwest that could cause a few feet of snow to fall. This name 'bomb' means the low pressure drops significantly in 24 hours causing a strong storm to form. This is being aided by the HAARP machine to grow so violently. This microwave machine is altering your weather and causing floods in this same area. There also was an unusual 5.0 earthquake in Idaho, not far from Yellowstone. This snow storm is unusual when it comes in the beginning of spring. Much of your storm damage is part of a punishment for your abortions and sexual sins. You should pray your storm prayer so you are not harmed in your travel to Denver."

Jesus said: "My people, I mentioned before how you are seeing the second unusual storm in about a month. Both of these storms were caused by the HAARP machine. The purpose of these storms is to add moisture to the ongoing floods in the Midwest. The one world people who control this machine have an evil intention of trying to cause a famine by keeping your farmers from growing their wheat, corn, and soybeans. You saw in another year how the cherry and apple trees started to bloom, and then you had a late frost that killed these buds. That year you did not have apples or cherries as a result. Your plants and trees are delicate, and by controlling the weather, people can ruin your crops. Pray for your farmers that they will be able to grow your crops, or you could see the beginning of a perpetrated famine on your people. I keep reminding you to store one year's supply of food for each member of your family for just such occasions that could cause a famine. Pray for all the people who will be suffering on account of this storm. I protected you on your flight when you prayed your

storm prayer."

April 22, 2019
Thursday, April 11, 2019: (St. Stanislaus)
Jesus said: "My people, in St. John's Gospel I told the Jews that before Abraham came to be, I AM. You read in the first reading how I changed Abram's name to Abraham because I was making him a father of nations, and his descendants will be as numerous as the stars of the heavens. I existed for all time before Creation because the Father, the Son, and the Holy Spirit created the universe and all that is on the earth. It is hard for man to comprehend how I could create an infinite universe. It is even harder to understand how I could make Myself into a God-man. When Adam and Eve sinned, all of humanity inherited original sin, and a punishment of death. I promised mankind through My prophets that I would come as a Redeemer to save you from your sins. The Jews knew of a promised Messiah, but they did not want to believe that I am the author of all life. They knew I AM represented the Name of God, and they wanted to stone Me for blasphemy. You are about to witness My Crucifixion and death on the cross in Holy Week. I suffered death in reparation for your sins, and I resurrected to heaven because I conquered death and sin. I also have left My Real Presence in My Eucharist so you can receive My Body and Blood at every Mass, because I AM is present to you for all time."
Jesus said: "My people, every day you have to choose between loving Me or not. Some people offer their will over to Me out of love, and they will be satisfied with Me in heaven. Other people are selfish in running their own lives, and they ignore Me or reject Me outright. Those people, who do not love Me, and do not seek Me for the forgiveness of their sins, are on the wrong road to hell. It is sad when people ignore My love, and do not seek My love. These people are the lukewarm who choose the love of the world over Me. You read the Scriptures about how much I love you, that I even died for your sins. It is true love when a person gives up his or her life for another person. If you truly love Me, then you need to prove it by your actions and good deeds. When you pray daily, visit Me in Adoration, and come to Mass often, you are showing Me that you really care for Me, and love Me."

Friday, April 12, 2019:
Jesus said: “My people, these young children are My most precious little ones, and I do not want to see any abuse of them. I call all of them to be with Me, and anyone who misleads them or abuses them, should have a millstone put around their necks and be thrown into the sea. I do not want to see any abuse either of the unborn in abortion, or of euthanasia of the elderly. Life is too precious to kill, and each person, who has life, has a soul, and is made in My image. I call you to respect life at any age. Each person is at a different progress in their faith, so do not criticize or look down on those people who may not have a strong faith. Faith is a gift from Me, but My people need to be open to receive Me into their hearts and souls. By loving Me with your whole heart, your whole mind, and your whole soul, you are on the right path to your sainthood. Every day you should strive for a more perfect faith, and Lent is an excellent time to take stock of your spiritual life. See if you are getting better, staying the same, or getting worse. If you keep struggling to improve your faith and love of Me, then you are following Me as I called you. Reach out with your gift of faith to share it with others as an evangelist, and you will have your reward in heaven. Keep praying persistently for your family members to be saved from hell.”
Jesus said: “My people, I want you to have respect for My Real Presence in My tabernacle in church, and in front of My consecrated Host at Adoration. You hear many times in church how the priest is asking you not to use your cell phones at Mass for texting or talking. Unless you are a doctor on call, you should not have your cell phone turned on, so it does not ring at Mass or at Adoration. You saw how disturbing it was for a lady to have her phone ring twice during Adoration of My Blessed Sacrament last night. It may seem important for some people to have cell phones turned on, but it is irreverent to Me to have cell phones ringing in church, let alone talking on cell phones in church. You come to adore Me in silence, and others are praying, and do not want to be disturbed by ringing cell phones. Have consideration for Me and consideration for people praying in church. So keep your cell phones turned off in church and at Adoration. You can answer your calls later out of reverence to keep it quiet in church.”

Saturday, April 13, 2019: (St. Martin I)
Jesus said: “My people, tomorrow you will be starting Holy Week with Palm Sunday and a reading of My Passion. Yesterday, you did a beautiful Stations of the Cross with your personal feelings of each station that pleased Me very much. As you hear My Passion, you will hear of My scourging, My trial, My walk with My cross to Calvary, and My Crucifixion on the cross for all humanity. This suffering and death on the cross, is My gift to all of you out of love, as I offered My life to save all souls who accept Me and love Me. This holiest week of the year is the culmination of your own Lenten sacrifices and devotions. Your fasting, prayers, and what you gave up, is your own little Calvary which helps to renew your faith in Me. You appreciate more how special My sacrifice is, as you share your pains and troubles with Me on My cross. I want you to make an effort to come to all of the Triduum services, and especially your joy in My Resurrection.
I want to wish your brother Mike and your sister-in-law Joanne a happy 50th anniversary of marriage as they will be renewing their vows of marriage today. I thank them for their dedication to keeping their marriage sacred through the years, and their dedication to loving Me and My Blessed Mother as well. We love Mike and Joanne and all the faithful who are helping to spread My Good News of My Resurrection. This rising from the dead is My greatest miracle, and I am an example of how all of My faithful will also rise from the dead on the last day of judgment.”
(Palm Sunday 4:30 p.m.) Jesus said: “My people, today you have read My Passion in the Gospel. Because I was performing unusual signs as feeding thousands of people, raising people from the dead, walking on water, and healing people, the Jews thought I was a threat to them. Many people were coming to hear My sermons, and I claimed to be God’s Son. This is why the Jews wanted to kill Me. They had a mock trial, and the people were inspired by their leaders to have Me crucified. Judas became the traitor to showing the Pharisees where I could be found. He handed Me over to the Pharisees for thirty pieces of silver. I suffered much to bring salvation to all of mankind. Give praise and thanks to Me for offering up My life, so My faithful could be justified in heaven.”

Sunday, April 14, 2019:
Jesus said: “My people, when I was at My Last Supper, I offered the first sacrifice of the Mass. I shared My bread as My Body, and the wine as My Blood. My sacrifice was completed when I died on the cross, but I died outside of time, so you can still unite your suffering and troubles with Me on My cross. I have left My Eucharist with you as the priest can repeat My sacrifice in an unbloody manner, as he consecrates the bread and wine into My very Body and Blood. When you receive Me worthily in Holy Communion, you have My Real Presence with you for at least 15 minutes. So be reverent to My Presence for that time, and do not rush out, but let Me talk to your heart and soul. At My death and burial, people were mourning for Me. This mourning was brief because I resurrected in My glorious Body in three days by the power of God the Father, and the Holy Spirit. Death had no hold on Me, and My Resurrection is My Good News of salvation for all sinners who love Me and repent of their sins. Remember to receive Me worthily in Holy Communion with no mortal sin on your soul. You do not want to commit a sin of sacrilege against My Holy Eucharist. I love all of you and I want you to obey My Commandments at all times.”

Monday, April 15, 2019:
Jesus said: “My people, in the psalm it speaks of not being afraid, but have trust in Me always. Your hope is to be with Me forever in heaven. By giving your will over to Me, you can share what you have with others, both in donations of money, and in sharing your faith with others. You remember another time when Martha complained about her sister Mary not helping her to share in the things of hospitality. I told Martha that Mary has chosen the better part of listening to My Word, and it will not be taken from her. In today’s Gospel Mary washed My feet with her tears and dried My feet with her hair. She then poured precious oil over My feet which was a sign for My burial. This time I reprimanded Judas who wanted the oil to be sold to give the money to the poor. I told him that you always have the poor with you, but you do not always have Me with you in the flesh. Judas only wanted money for himself, but Mary would not be denied her

favor of anointing Me. You remember when I washed the feet of My apostles as an example for all of you to be a servant to others. You are here on earth to know, love, and serve Me. Learn from these readings how to have no fear, and go forward and spread My Good News of My Resurrection. Bringing souls to Me out of love, is your most important task, so more souls can love Me and be saved from hell. To come to heaven you must repent of your sins, and deny your life by letting your will follow My Will in all that you do. Bring yourself to Me with good deeds in your hands, and you will have your reward in heaven."
Mother Cabrini said: "My dear children, I am happy to be present among you through the eyes of my statue. You are calling on me in your 'yes' to watch over your children, your grandchildren, and your great grandchildren. I will guide them and pray for them in heaven. I know you have one of my statues in your bedroom. I would appreciate it if you could bring my statue down into your chapel, and place one of my fabric relics under it. When you call on me to help people, I will deliver your request to My Jesus. Thank you for coming to my shrine, and remember to pray to me every day for your intentions."

Jesus said: "My son, this burning of Notre Dame Church is not the beginning of the tribulation, but it is a punishment I allowed that Satan was behind. This fire has suspicious reasons for such a quick blaze. Very few people in France come to church on Sunday, and they treat Notre Dame Church more as a tourist attraction, than My place of My Real Presence. This is an allowed punishment and a wake-up call for the people to come back to church. Your fires in California are also allowed because of the sinful behavior in that state. Some fires are a result from arson because the fires were so intense and hotter than normal fires. These fires are also a symbol to see that the wages of sin are death in the eternal flames of hell."

Wednesday, April 17, 2019:
Jesus said: “My people, you need to have open hearts to love Me every day. When you awaken, you need to pray your morning offering and consecrate all of your actions to Me for the day. Do not be like Judas who betrayed Me. If you ignore My love in the morning, you are like the people who struck Me. It is the lukewarm whom I detest, because they are neither hot nor cold. Remember to love Me every moment of your lives, and let Me be a part of your lives. You can call on My help in all of your troubles. Call on Me to guide you and give you My plan for what to do for Me every day. It is My ways that are more perfect than your ways. By being humble, you can give your will over to My Will. I love you all so much that I suffered and died for your sins on the cross, and to bring you salvation. If you repent of your sins, and show Me your love and respect in your prayers and actions, then you will be assured of a place in heaven for all eternity. Go out to all the nations and spread My Good News of My Resurrection, so you can help save as many souls as you can from the flames of hell. I am all love, and I want you to love Me and all of your neighbors, even your enemies.”
Jesus said: “My son, you have had some difficulty in getting some places to speak because some people do not want to hear you talk about the end times. People are comfortable about keeping things unchanged, and they do not want to leave their homes, let alone store food for the coming famine. I am showing you a man who is opening a door for you. This is a sign that I will find places for you to give your talks, despite those who are trying to block you. My prophets are being protected for a time, so they can get My message of love and protection out to the people. As your lives will be threatened, people will realize the need for hiding in a safe haven. Your messages from Me about going to refuges are important to enable My faithful to be separated from the evil ones. Trust in Me and I will enable My faithful to come to My Era of Peace, even if some are martyred for their faith in Me.”

Thursday, April 18, 2019: (Holy Thursday)
Jesus said: “My people, your group shared the Seder Supper of the Passover meal with the wine, the matza, the bitter herbs, and the lamb. This is why you celebrate My Eucharist with unleavened bread as the Jews did at the Passover. I said the prayers over the bread and wine, as you hear the words of the Consecration of the Mass. The difference from the Passover is that the priest is able to consecrate the bread and wine into My Body and Blood. This is called the transubstantiation of the bread and wine into My very Body and Blood. Even though you do not see a physical change in appearance of the bread and wine, you still believe this is My Real Presence with you that you receive in Holy Communion. This is My greatest gift of My very Self to you in My Eucharist. You cannot have the Mass without Holy Thursday, and without My death on the cross. The gift of My life for your sins is the very essence of the Sacrifice of the Mass. The Mass brings My faithful together every Sunday to show your love for Me, and your belief in My Eucharistic Presence.”

Friday, April 19, 2019: (Good Friday)
Jesus said: “My people, you have read another Gospel of My Passion, and you see the difference between Judas and St. Peter. Judas betrayed Me and he was sorry for his betrayal, but because Satan entered his heart, Satan urged him to commit suicide, which he did. St. Peter denied Me three times, but after he was sorry for his denials. After My Resurrection, I asked St. Peter if he loved Me three times, and I told him to feed My sheep. Today, you read the account of how I was scourged, and I had to carry My cross to Calvary. This is a sign for all of My faithful, that you all are called to pick up your cross and carry it to your own Calvary. Even as you are struggling through life, you can join your suffering with Me on My cross. You all have to endure your own Good Friday, before you can enjoy your Easter reward. Just as Simon helped Me to carry My cross, so you can call on Me to help you carry your cross also. Your life on this earth is short, so make the most of your time to follow Me, and help others to believe in My Good News. Every soul you can bring to Me, will be one less soul lost to

hell. Give thanks and praise to Me for saving your soul from hell."

Saturday, April 20, 2019: (7:30 Easter Vigil)
Jesus said: "My people, the moment of My Resurrection was actually captured in the Shroud of Turin. There was such a radiant flash of light, that it partially singed the cloth with a negative image. As the Shroud was examined, the image was not painted, but partially burned into the cloth. No other person raised himself from the grave because death had no hold on Me. I went to sheol or the place of the dead to release those souls worthy of heaven. These souls are eternally grateful for My death on the cross that paid the price for their sins. I also have given salvation to all souls who love Me and repent of their sins. It is not easy to believe in My Resurrection because it takes faith and belief in the eyewitness testimonies of My apostles who saw My resurrected Body. St. Thomas could feel My wounds, and I ate the baked fish to show them I had true flesh and bones. I love all of My people so much that I sacrificed My life, so all of you could be saved if you so desired. Come to Me out of love, and you can be assured of a place in one of My many mansions in heaven."

Sunday, April 21, 2019: (Easter Sunday)
At St. Charles Borromeo after Holy Communion I could feel a strong Presence of the Lord as He left His tomb. Jesus said: "My son, you receive a taste of heaven when you receive Me in Holy Communion. Today, you felt My Presence stronger than other times, to let you know what you will be experiencing all of the time in heaven. Right now you cannot handle My very Presence fully because it would overwhelm your mortal body. After you receive your glorified body on the day of judgment, then you will be able to experience Me in My beatific vision. (You will receive the beatific vision when you first come to heaven. This was referring to a particular time in heaven when you will receive your resurrected body.) Rejoice on this feast day of My Resurrection from the dead. This is a sign to you that all of My faithful will be resurrected on the last

day. All of your struggles and troubles you suffer now, will be rewarded in heaven. Be patient and humble in your faith, and you will see My day in Paradise."

Monday, April 22, 2019:
Jesus said: "My people, you are seeing many Christians dying in Sri Lanka at the hands of the Muslims on Easter morning. This is another sign along with the burning of Notre Dame that Satan is striking out at My churches to destroy them. Satan has only a short time left, and he is inspiring all of those people who hate Me, to strike out at the destruction of anything faithful to Me. I showed you in a previous message (4-1-19) how the Antichrist will hypnotize all of those people who take the mark of the beast to go out and kill all of those people who believe in Me. You will soon see the destruction of the churches also in America. Your lives will be threatened, and I will call My faithful to come to the safety of My refuges that have been prepared for this evil time. Thank Me for preparing My refuges."
Jesus said: "My people, I am showing you burning churches from Islamic terrorists in America. Only the churches that have persistent Adoration will be protected from fires, because they will be refuges for My people to come. Some places that were designated refuges, may lose their calling if it is sold, or people are no longer praying there. Every refuge needs faithful people praying. It is just like your gifts. If people stop praying at a refuge, that place will lose its calling and its protection. Call on My angels to protect your refuge, and it is important to pray your daily rosaries in your house to be faithful to your calling. I am calling on My refuge builders to honor Me in their chapel or prayer room every day. This is also confirmed that during the tribulation, you need someone praying before My Blessed Sacrament every hour of the day as a perpetual Adoration. It is your constant prayer and devotion to Me that My angels are calling on for your protection. Give praise and thanks to Me for all I am doing to protect My faithful, even during the tribulation."

Tuesday, April 23, 2019:
Jesus said: “My people, before I died on the cross, I told My apostles several times that I would rise from the dead after three days. You have been celebrating My Resurrection from the grave with My empty tomb. St. Peter and St. John saw the empty tomb, and they believed in My Resurrection. (St. John 20:14-18) Mary Magdalene was at the empty tomb, and she was the first one to see Me in My glorified Body. I told her to tell My apostles that I have ascended to My Father in heaven. She told the apostles of My appearance to her, but they did not want to believe her. The apostles did not yet understand what rising from the dead meant, because no one had ever done such a thing. Just as you see new life in nature as the spring flowers come forth, so you can imagine My new life rising from the tomb by the power of God the Father and God the Holy Spirit. Give praise and glory to Me because My Resurrection is cause for great rejoicing both among the living and the dead.”
Jesus said: “My people, you can see how it will be when the people will be coming to your refuge. At first it will seem to be overwhelming to handle so many people all at once in a confined space. Do not worry about how many people will come, because My angels will expand your buildings and multiply the food, water, and fuels. You have prepared well, and you will use all of your preparations to feed everyone. You will be calming down the people from their life threatening experiences. It will be your faith and constant prayers that will get you through the challenges of being able to multiply your food, water, and fuels. Even during the winter you will be cutting down trees for the wood needed to heat your house. You will be good examples to others in how to distribute food, and the people will marvel at the multiplication of food, as it will be your faith that will allow Me to provide what you need. Just as I performed miracles to help My apostles have faith, so the miracles at My refuges will help the faith of the people, who I will send to you. Be happy that I will shorten the time of this tribulation of the Antichrist, because I will not test you beyond your endurance. You will be suffering your purgatory on earth during the tribulation. Once this trial passes, I will bring My Comet of Chastisement to bring My victory over the evil ones, who will be cast into hell. Then I will recreate the earth into a new garden of Eden, and I will bring My people into their reward in My Era of Peace. Once there is no evil, you will be prepared to be saints, so when you die, you can come directly into heaven. Rejoice when you will share in My love and happiness forever in heaven.”

Thursday, April 25, 2019:
Jesus said: “My people, I came into the midst of My apostles, and I said: ‘Peace be with you.’ My apostles had heard of My appearance to Mary Magdalene and the two disciples on the road to Emmaus, but they still did not believe in My Resurrection. My apostles were overjoyed to see Me in the flesh, but I had to prove to them that I was not a ghost. I showed them My wounds and I ate some baked fish before them. Then I related the Scriptures to them about how I had to fulfill the promise of a Messiah, who would suffer to bring salvation to all sinners. It is not easy to preach the Good News of My Resurrection, because people have a hard time explaining how I rose from the dead. When even the apostles doubted My Resurrection, it is not easy to understand My rising from the dead as My victory over sin and death. It is My witness of My live body that helped My apostles believe in My Resurrection, but they would now have to proclaim My Resurrection to all the nations, and seek to help save souls.”
Prayer Group:
Jesus said: “My people, you are seeing a continuing persecution of Christians, when Moslems are killing My people and destroying the churches. These Islamic terrorists are evil, and they are carrying out Satan’s plan to eliminate My faithful people. Churches are being burned in France, and suicide bombers are killing Christians in the churches of Sri Lanka. Take heed, My people, because you will be seeing the same persecution here in America. The evil ones will have their hour, but in the end, I will cast all the evil ones into hell.”
Jesus said: “My people, I told you that I allowed your President to win so you could have a reprieve from the death culture of abortion and euthanasia. Now, you are seeing the socialist communists taking over your opposition party. Now that this party has taken over the House of Representatives, you are seeing a continuing harassment of your President by constant investigations. Your previous President used Executive Privilege to protect his Attorney General’s misdeeds. Your current President will now use his Executive Privilege to protect his own people. Pray for peace in your government, instead of constant criticism.”
Jesus said: “My people, you all have important missions to prepare for the coming tribulation. My refuge builders are getting their places ready so My

faithful will have safe havens for their protection. Fr. Michel Rodrigue is preparing his monasteries for the priests who will be needed in the Era of Peace. Some of your trips will help him to secure some needed finances to complete his second monastery. Pray for safe travel in your trips, and continue to reach out to save souls."

Jesus said: "My people, you have just celebrated Easter in your churches, and you are seeing signs of new life in our beautiful spring flowers. As you celebrate My Resurrection and My new life, you are seeing new life come forth in your flowering trees and flowers coming up through the ground. This is a joyous time to take your pictures of all the many colored flowers. You could see your Easter Vigil candidates receive Baptism and Confirmation, as they were welcomed into your faith community. Rejoice in bringing new members into My Church."

Jesus said: "My people, because of your many sins, you are continuing to see damaging weather as your punishment. You already are seeing more tornadoes this year than normal. Rain and floods are still making it difficult for your farmers to plant their crops. Even now, you are seeing some late snow storms in your Northern states. Pray for the victims who are suffering from the loss of their homes, or flooding problems."

Jesus said: "My people, you can see the coming takeover of your country once your current President is removed. After this short reprieve, I will allow the one world people to use the socialist communists to take over your country. This is part of your punishment for your abortions and killing of the elderly. Be patient when you will come to My refuges for your safety. The Antichrist will control things for a short time, but I will bring My victory over him, and you will be brought into My Era of Peace."

Jesus said: "My people, you are celebrating My Easter Season now, but I do not want you to forget all of your prayer devotions that you practiced during Lent. You can use these same devotions throughout the year to help strengthen your spiritual lives. Your old Adoration place at St. Theodore's had to close the dedicated hours, but you can still come there to adore Me on your usual Wednesday night. It is getting difficult to keep Adoration sites operating because there are fewer people coming to adore Me at dedicated hours. Pray to keep your Adoration places open. I thank your prayer group for adoring Me each week of your prayer meetings. Keep supporting My Adoration sites so people can have a place to come and adore Me."

Friday, April 26, 2019:
Jesus said: “My people, you have two great moments in both readings. In the first reading (Acts 4:8-12) St. Peter and St. John were explaining to the elders how it was in My name that the crippled beggar was healed. Then St. Peter said: ‘For there is no other name under heaven given to men by which we must be saved.’ You can only be saved by believing in Me. The Gospel reading was My third appearance to My apostles. They had not caught any fish during the night, so I told them to cast their net, and they caught 153 large fish. They were astounded by such a catch of fish, but this was a sign how they will go out to all the nations to evangelize souls for Me. They were happy to see Me again in their midst. This is also a sign for all of My faithful, that you are also called to go out to all the nations and preach My Good News of My Resurrection from the dead.”
Jesus said: “My people, you have seen how fasting and not eating sweets during Lent has helped you to lose weight, and you feel better as well. It is good to read about the right kind of foods that are good for your body. If you eat the right kind of diet for life, you could cut down your weight, and have less chances of having diabetes or kidney problems. By learning how your body functions, you can see which foods to avoid, and which foods are better for you. Continue looking into nutrition of the better foods to help yourself to good health. Taking care of your body will help you to avoid over eating, or gluttony. Do not let your food cravings control your life, since excesses could cause you health problems. Blending your eating habits with daily exercise can also take good care of your body. A daily prayer life can help keep your spiritual life close to Me as well. You need to feed your body well, and your soul needs proper feeding with My sacraments of Holy Communion and Confession. It is your soul that will live on forever, so taking care of your soul should be your most important concern in this life.”

Jesus said: “My people, you are always celebrating My Resurrection when you are in My Presence, either in Holy Communion or at Adoration. I want you to be

quiet and reverent in My Presence. Do not be concerned about racing around to your next event, but lead your life at a moderate pace, so you can take in My Presence and appreciate My gifts of life. I love all of you so much, but you need to be calm to fully appreciate all that I do for you in your life. Just as when you write My messages in quiet, so you also need quiet time to capture the moment of My visitation in My Presence. I made sure My apostles appreciated this mystery of My Resurrection, because they now had to preach it to all the nations."
(Memorial Mass for Laura Rimore)Laura said: "I want to thank everyone for coming to share my memorial Mass. I am happy to see my family and some old friends. I am watching over Tony and I thank him for all he did for me in life. My son, John, gave me a nice tribute in how I supported my family members. I thank Carol, John, and Judy for remembering me in this service. God bless all of you, and the best request I could ask of you, is to keep your faith in my Lord, Jesus. I love all of you and keep my picture with you."
Jesus said: "My people, you are seeing the second attack on a Jewish synagogue in six months. Not only are Christian churches being attacked, but Jewish synagogues are being attacked as well. This appears to be a hate crime with one dead and three others wounded. These attacks on the places of worship will be increasing. This was another shooting with an assault rifle, but the man was apprehended. People need to take care in places of worship where violence is possible, because the churches are vulnerable. It is difficult to anticipate such people who are the shooters, but people are becoming more aware of such hate on your social media. Pray for the victims and families, and pray that your security people can stop these crimes."

Sunday, April 28, 2019: (Mercy Sunday)
Jesus said: "My people, you have heard of St. Thomas being called a doubter because he did not believe in My Resurrection at first. But the other apostles did not believe either, even when Mary Magdalene and the two disciples on the road to Emmaus gave witness to seeing My resurrected body. The apostles believed when they saw Me, but blessed are those people who believe in My Resurrection, and they did not see Me. Once St. Thomas put his hand into My wounds in My hands and in My side, then he believed and said: 'My Lord and

My God.' My apostles were then given the Holy Spirit as I breathed on them. This gave them the strength to go out and preach the Good News of My Resurrection. In the Acts of the Apostles you read how many sick people were healed, and demons were cast out of people. Rejoice as My Easter people, and go out to all the nations to evangelize the people."

Monday, April 29, 2019: (St. Catherine of Sienna)
Jesus said: "My people, in the Gospel I spoke to Nicodemus about being born again from above. This does not mean physical rebirth, but it means being baptized in the Holy Spirit. When you received Confirmation, you were baptized in the Holy Spirit, and you received all of His gifts. Call on the gifts of the Holy Spirit, and He will give you the words to proclaim My Good News. You, My son, are feeling the power of the Holy Spirit, as you write down these words. Give praise and thanks to the Holy Spirit in all He does to help your mission. At the end of your fifty days after Easter, you will be celebrating Pentecost Sunday when the apostles had the tongues of fire over them, and they could speak other languages. The Holy Spirit plays a big part in your spiritual life, so call on His help in your mission out speaking, and your mission to have a refuge."
Jesus said: "My people, this scene of a church tabernacle being flooded is a sign of how some churches will be destroyed by terrorists and natural disasters. Many people do not appreciate the treasures they have in My churches and synagogues, because there are a lot of people who do not attend every weekend. Some people do not come because they do not believe in Me, or they are too lazy to wake up on Sunday to come. You have some attacks coming from atheists, anti-Semites, and Islamic terrorists. Still some churches are closing from a lack of people and priests. Other churches will be destroyed by natural disasters. When there are few or no churches to attend, you will be meeting at prayer groups or My refuges. Save your Bibles, rosaries, statues, and Mass books for when it will be hard to find a Mass. The Christian persecution will get worse leading up to the tribulation. I will warn My people to come to My refuges when their lives are being threatened. Pray for My protection and My angels to defend you."

Jesus said: "My people, you just celebrated Divine Mercy Sunday and you prayed the Novena prayers of St. Faustina. You also need to come to Confession within a week of this feast. By following these requirements, you can have the reparation for your sins taken away for less time in purgatory. Just like your yard needs to get cleansed from the leaves in your flower beds, so you need to cleanse your souls of your sins in Confession. If you did not go to Confession last Saturday, this weekend is still not too late for your gift of your plenary indulgence. Give praise and thanks to Me for My Divine Mercy on your souls."

Wednesday, May 1, 2019: (St. Joseph the Worker)
Jesus said: "My people, when I was brought up by St. Joseph, he taught Me the carpenter's trade. It is good that different people have various skills because you need various trades to build and fix things. It is good to have a good work ethic so people are on time to work, and they do an honest day's work. In your working days you saw some people who were lazy, and some who were over achievers. You also saw some injustice in favoritism and even dishonest treatment of workers in firings, or not paying a just wage. It is not easy when some people have to take less paying jobs when better paying jobs are not available. It even means working two jobs, or both parents need to work to pay the bills and support their children. Work is needed to finance your homes and vehicles for transportation, and to pay your taxes. Be patient in this world because there are many unjust situations in the workplace. Be thankful if you have a job, or a good retirement income. Some people even need to pray for a job when they are unemployed."
Jesus said: "My people, I have mentioned before that when the Warning comes, it will be in a time of chaos. You are seeing signs of violent weather, an uprising in Venezuela, and a constant hate for your President. The opposition party is

trying to harass your President with all kinds of unnecessary investigations. When there is a mention of investigating the FBI and the source of the Mueller Report, then there is fear in the opposition party. You will be seeing more confrontations that could even lead to a civil war. You are hearing of more church fires in various places. It may be hard to prove, but a good share of these fires are arson acts of hate crimes. Keep praying for the safety of your churches, but the persecution of Christians is going to get worse."

Wednesday, April 24, 2019:
Jesus said: "My people, My disciples recognized Me in the breaking of the bread, and then I disappeared from them. This was My second appearance after My Resurrection, as I explained My references in the Scriptures to My two disciples on the road to Emmaus. They said later how their hearts were burning within them while I explained the Scriptures to them. This was then reported to the apostles as they were joyful at My appearances. This confirmed My Resurrection that I was alive, and it gave My apostles strength to know I was still with them. This was the greatest of My miracles to rise from the dead, and it showed My power over death and sin. My Easter people are now even prepared to endure the coming tribulation."
Jesus said: "My people, you are seeing the world's morals going downhill with many people disregarding My Commandments. The bigger problem is that your people are not coming to Sunday Mass as much as they used to, and they are not praying as they used to. Some of your children come to Sunday Mass, but fewer of your grandchildren come to Sunday Mass. You can see this decay in your own family. This is why I depend more on My prayer warriors, but My stronger faithful are dying off, and there are very few children to take their place. This lack of praying people is more of a sign to you that I will soon bring these evil people and lukewarm people to an end. When people do not even acknowledge Me in prayer, and they ignore their Creator, this is why I have to come with My Warning to wake the people up with one last chance to change their lives to love Me. You can see that My faithful are in the minority, but I still intend to protect My faithful at My refuges. My faithful need to be patient and keep praying to help save their family members. You will have one last chance to help save them

during the six weeks after My Warning. Be prepared to help save the people I send to your refuge."

May 22, 2019
Thursday, May 2, 2019: (St. Athanasius)
Jesus said: "My people, you are seeing an uprising in Venezuela because the people have no food under a communist rule. There is an attempt to overthrow the current leader, but there are Russian planes present. The tank you saw in the vision, could indicate a coming war in this country. You are seeing communist movements in both Central and South America. Three million people have already left Venezuela because of the bad conditions. Even humanitarian aid is hard to get into this country because of the military regime. Pray for these people who are fighting for their freedom."
Prayer Group:
Jesus said: "My people, you saw your President enumerating the attack on the Jewish synagogue in California, and several other attacks on churches. He was standing up for your freedom to worship without threats from terrorists. He also spoke out in defense of all life, even the unborn. Your society is under attack on your basic freedoms, and evil people are behind these killings and shootings. Pray for the victims of these crimes."
Jesus said: "My people, the evil one is inspiring arson attacks on many churches in your country. You saw a recent huge fire that destroyed St. Joseph's Church in Phoenix, Arizona. You know this church because Fr. Michel Rodrigue offered Mass there with you. You also protested abortion with Fr. Michel at a Planned Parenthood clinic in Phoenix, Ar. It was a fire that was on May 1st the feast day of St. Joseph the worker, at this church of St. Joseph. I have mentioned how you will be seeing more attacks on the churches with fires and terrorist attacks with assault rifles. The church and synagogue attacks are going on all over the world."
Jesus said: "My people, you are reading several reports of the protests against the communist leader of Venezuela. The people have little or no food, and hard to find medicines. Many have left the country for survival. This leader is being backed by Russia, and he is mobilizing his military to put down the protests in the streets. Pray for these people because the military is even stopping

humanitarian aid from entering the border."
Jesus said: "My people, you are seeing frequent tornadoes in the Midwest and the South that are a continuing punishment for your abortions. In Davenport, Iowa along the Mississippi River, floods are coming into the city. You are seeing even late snow events out West. Your weather has been colder for this time of year, and the trees and flowers are late to come out. Again, pray for the victims of your bad weather and floods."
Jesus said: "My people, now that the Mueller Report did not find collusion with Russia or obstruction against your President, the opposition party is trying to attack your Attorney General. If he pursues an investigation of the FBI leaks and misdeeds, there could be a reverse accusation against the political people who made attempts to unseat your President. The degree of hate among the opposition party and your media has not ever been so long lasting as this attempt to impeach your President. I have had My angels protecting your President from all the attempts to kill him. He has been given some time to stop your takeover, but eventually you will be taken over as further punishment for your abortions."
Jesus said: "My people, you are seeing a liberal control of your colleges, schools, and history books. This is part of a communist movement to rid Me and prayer out of your schools. The teachers are espousing socialism as the only choice for their students. They also are encouraging atheism as they brainwash their students. These same socialists are trying to take over your churches with a global religion without Me. There are also attacks against the family in encouraging homosexual marriages and other sinful perversions in your movies and your politically correct behavior against My Commandments and promotion of abortion. Your society is being broken down by attacks on the family, the church, and your government. Your country was founded on My precepts, and America needs to repent and come back to Me, so I can forgive you of your sins."
Jesus said: "My people, you can come to Me in trust for My help to battle the heretics and paganism in your secular society. Many people have lost their faith, and they need to see the errors in their ways. I will be bringing My Warning to give all sinners a chance to see their errors, and I will give each of you an opportunity to turn your lives around from the evil in your hands. You will have a life review and a judgment that will wake up some sinners when they see hell and purgatory waiting for them. Change your life now in following My Commandments, and you will have less suffering at your Warning. There are only two final destinations: love with Me in heaven, or hate with the devil in hell

for all eternity."

Friday, May 3, 2019: (St. Philip and St. James)
Jesus said: "My people, today you are celebrating the feast day of My two apostles, St. Philip and St. James. They were martyred for spreading their faith in Me. Pray for all the Christians who are being persecuted and even killed for their faith in Me. This vision of two moving circles around Me, is a sign of My coming Warning, but it is also emphasizing there are only two final choices for your soul's destination. You have free will to choose to be with your loving Lord in heaven, or you can choose to be with Satan in the flames of hell. Do not be misled by the worldly things and the devil because this world is passing away. My Warning will give all sinners one last chance to see their soul's destination, and a chance to change their lives in getting close to My love. Those people, who refuse to love Me after the Warning, will be passing up My last attempt to save their souls. Pray for the souls of your family that they will all be saved by your assisting prayers, especially during the six weeks of conversion."
Jesus said: "My people, you were experiencing some beautiful faith music, and you heard a great witness of faith from a Steubenville man named John. He talked of how he had to go through his wife's trial with breast cancer that she survived. He also was tested with his son's near fatal car accident where his head was healed by prayer. It is important that you all come to Me in full trust, and give everything over to Me. Would you trust in Me if you lost all of your money? If you lost your spouse? If you lost your son or daughter? If you lost your home? In all that I have given you, I can take it away, and you still need to trust in Me. When you surrender your will to Me, then you will walk with Me through life in faith. This is how your faith is perfected by suffering through all of life's trials. Witness your faith to others, and do not be troubled by worries, anxieties, or fears because the devil tests you with these things. Trust in Me always."

Saturday, May 4, 2019:
Jesus said: “My people, you are still celebrating My Resurrection from the dead, as you know there is an after life, because your soul is immortal and lives on forever. It is the destination of your soul that is most important. This is why every Lent gives you a chance to use your fasting and offering up your penances to improve your spiritual life. You will face My Warning and the tribulation before you see My Era of Peace. But all of My faithful can look forward to sharing My love on the last day, and you will have your own resurrection when your soul will be united with your glorious body. Then you will be whole again to love Me with all My angels and saints. Pray for your priests and deacons who bring you My sacraments and My words of the Gospel.”
Jesus said: “My people, the people of Venezuela are starving for food, but that government is keeping food from coming into their borders. Many of the people have left the country for pure survival reasons. The socialists in America do not want to hear about the failures of socialism in Venezuela. When you were there years ago, you could see open signs of communism with Lenin’s picture all over. There is no question that this is a communist run country, and this is why the people are protesting and fighting for their freedom. America needs to see this lesson of what happens when socialists take over a country. In a word there are no more freedoms. Pray for these people who are finding it hard to obtain food.”

Sunday, May 5, 2019:
Jesus said: “My people, in today’s Gospel I appeared to My apostles for the third time. I encouraged them to cast their net out for a catch, and they caught 153 large fish, which is a sign of how they would be fishers of men and women in all the nations. After they had breakfast of the bread and fish, this was another sign of how I multiplied the bread and fish for the 5,000 and the 4,000 people. I then talked to St. Peter, and I asked him three times if he loved Me. St. Peter said ‘yes’ that he loved Me, and I told him to feed My lambs. This was to atone for the three times that St. Peter denied Me. I forgave him, but now I wanted him to spread My Good News. This forgiveness is like when you come to Confession, and I absolve you through the priest, and you receive a penance to tell Me how

you love Me also. It is important that you come to Confession often, at least once a month. Even if you only have venial sins to confess, you need to cleanse your souls. Especially, if you have mortal sin on your soul, you need to come immediately. The more you remain in your sin, the weaker you will be to sin more. Do not forget Confession because My grace keeps you close to Me in love, even if you falter. Encourage all the faithful people to come to Confession. It is needed for your salvation, and to receive Me worthily in Holy Communion."
Jesus said: "My people, when I was on the shore of Lake Tiberias, the apostles did not recognize Me in My resurrected Body at first. After I asked them to cast the net to the right side for a catch, they were able to catch 153 large fish. It was then that St. John recognized Me, and he called out: 'It is the Lord.' My apostles were overjoyed to see Me for the third time. Just as My apostles were elated to see Me, today you all were able to see Me as well when your priest raised the consecrated Host. Every time you receive My Host, you are overjoyed to receive My Real Presence. For a short time you are all like little tabernacles. You can also come to Me in Adoration at My tabernacle, so you can be overwhelmed in My Real Presence. You can understand how My apostles were so happy to be with Me, especially after My Resurrection. At the Mass I have given you the gift of My Real Presence that you can treasure to the end of time. Give praise and thanks to Me for being with you in My Eucharist."

Monday, May 6, 2019:
Jesus said: "My people, in the first reading you read how St. Stephen was winning the debates against his peers because he spoke the truth about Me. Because these evil ones hated St. Stephen, and they wanted to get rid of him, they brought false witnesses against him with their lies before the Sanhedrin. Eventually, they stoned him when he saw a vision in heaven. These are the same tactics of lies that you are seeing today in your own politics. You saw an innocent Bret Kavanaugh persecuted by unconfirmed lies from a woman who complained about Bret, only to try and stop his Supreme Court confirmation. Once her story could not be confirmed, her lies were found out, and Bret was confirmed by the Senate. You are also seeing more lies in the Mueller Report

that was falsely brought against your President, who was harassed for speaking the truth. Those people, who lie and support abortion, will pay for their crimes against My laws. When the opposition party could not win an argument of truth with your President, they resorted to lies and false allegations to try and impeach your President. Lies and deceit are the tools of the devil, and I have protected your President from this evil lot, who are trying to take over your country. I love all of My people, but you will soon have to bear the cross of the coming tribulation. This will be a test of your faith, but I will protect My people at My refuges."

Jesus said: "My people, in the first reading St. Stephen called the elders a stiff-necked people. He also accused them of being like their ancestors, who persecuted and killed the prophets, who were preparing the people for the Messiah. In today's world My prophets of the coming tribulation, are also being persecuted because the people do not want to hear about the end times. You, My son, have also been criticized, and some do not let you speak, especially in the churches. Some people do not want to hear about the trials the Antichrist will bring upon you. The evil people will be separated from My faithful people at My refuges. Then I will bring My victory over the evil ones, who will be killed and cast into hell."
Jesus said: "My son, you have accepted My mission to go out speaking My messages to the people in various cities. I gave My apostles a mission to spread My Good News to all the nations. You have given Me your 'yes' to follow in their footsteps. Over the years you have met many friends all over your country. You are sharing your contacts with Fr. Michel Rodrigue, and it is helping his donations for his monastery. You both have a sense that serious events could precipitate another war abroad or some financial disasters. I have told you how your Christian persecution will be getting worse, and this could include arson or terrorist attacks on your churches. This year you need to call on My angels for your protection as you go out to speak My messages. This is in addition to praying your long form of the St. Michael prayer going and coming home."

Jesus said: "My people, I am the Bread of Life, and I am also the Light of the world that shows you the path of your life. My Light replaces the darkness of evil, and I am your source of spiritual energy that urges you to share My Good News with every one. You are My Easter people, and the glorious Light of My Resurrection shines over all of My people. When you see a sunny day, your spirits are lifted up. When you receive My Real Presence in Holy Communion, your soul is invigorated, because you have the Bread of Life uplifting you in your spiritual life. You eat food for your physical energy, but you take My Bread of Life to feed your soul and give you spiritual energy. My consecrated Host can even feed you physically, as some saints have lived solely on Holy Communion. Give thanks and praise to Me for feeding your soul at every Mass. This is what attracts My daily Mass people to be with Me every day, and to bring in My rays of Light at Adoration of My consecrated Host."

Thursday, May 9, 2019:
Jesus said: "My people, an Ethiopian eunuch was a treasurer for the Queen, and he was returning home from Jerusalem. He was reading in Isaiah about a sheep led to the slaughter, which referred to Me dying on the cross. The Spirit of God urged St. Philip to go up to the Ethiopian's carriage. St. Philip explained the Scriptures to him, and then he baptized the Ethiopian into the faith. Then St. Philip disappeared like a miracle. My apostles were given many gifts of the Spirit so they could carry on their mission to spread My Good News. The apostles performed many miracles to help the people believe in My Word. All of My prophets and missionaries are gifted with miracles and talents to help evangelize souls. Pray for your priests, prophets, and missionaries so they will be protected for their missions to the people."
Prayer Group:

Jesus said: “My people, your President is challenging China to change their trade positions which are unfair. China has been stealing secret technology for their industries, and they are unfairly restricting the US imports. China is trying to change the original trade plans. Your President is threatening to increase a 10% tariff to 25% on $200 billion of imports to the US, and this could start tomorrow. China has been stalling in hopes of having a new President in 2020. Pray that your trade deal can be accomplished that is fair to both sides.”
Jesus said: “My people, many people have backup generators that are run on natural gas in case you have a power outage. This choice works unless your natural gas pumps stop working. I have advised My refuge builders to have at least two alternative heaters for keeping you warm in the winter. During the tribulation you could have a wood fireplace with plenty of wood available. You could also have kerosene heaters, propane heaters, or solar panels if natural gas is available. Be prepared to be able to heat your home several years when I multiply your fuels.”
Jesus said: “My people, as you approach the time of the Antichrist, you are seeing why I am calling you to set up refuges for your physical and spiritual protection. My angels will lead you to My refuges when your lives are in danger, and I call you to come. My angels will also put shields around you so the evil ones cannot see you. I will provide for your water, food, and fuels at My refuges. Be prepared to leave your house in a short time for the refuges.”
Jesus said: “My people, you have seen the shelves of your stores go empty when you have hurricanes or massive fires. You also can have a possible famine if your farmers cannot get their crops planted. You are seeing tornadoes and floods already on your news. In addition to having a safe place to hide from a tornado, you also have been advised to have one year’s supply of food for each member of your household. When you come to My refuges, your refuge builders have already prepared themselves to have food, water, and fuels for a while. By having extra food, you will be ready for most disasters.”
Jesus said: “My people, you know about water, food, and fuels that will be needed for survival at My refuges. My refuge builders also need to have altars for a Mass, or a place for perpetual Adoration. During the tribulation, you will have a priest or My angels bring you daily Holy Communion. You can place a consecrated Host into your monstrance for perpetual Adoration. You should have someone praying in front of My Host around the clock at various hours day and night. My Eucharist will protect you during the tribulation.”
Jesus said: “My people, some people have guns in their houses for protection.

You also should have your weapons of rosaries, holy water, and blessed salt in your homes to protect you from the forces of evil. You remember the attack of the flies on your chapel, and you used holy water, and your St. Michael prayer to defend yourselves from the evil ones. The spiritual weapons are more powerful in fighting off the demons and evil people. Rejoice that you will be protected by My angels at My refuges."
Jesus said: "My people, you are seeing a division in your people between the capitalists and the socialist communists. With capitalism you have a free market provide for your needs and there is a personal incentive to provide for your family's survival. With socialism or communism, you have the state or the government provide for your needs, but you can see how life is in Venezuela, Cuba, China, and Russia. You also lose your freedoms under communism that promotes atheism and no freedom to worship Me. Pray for your people to protect your Constitutional freedoms, and do not let Satan run your country."

Friday, May 10, 2019: (St. Damien)
Jesus said: "My people, the conversion of St. Paul was a miracle, as I spoke to him directly. I asked him: 'Why are you persecuting Me?' Saul was having the Christians imprisoned, but now he would become Paul, and become one of My great missionaries for the faith. I asked Ananias to heal St. Paul's blindness. Then St. Paul was baptized into the faith. Not all conversions are so dramatic, but this shows My power to change someone's life all around. When you believe in My Word, I can work great miracles in your lives. In the Gospel of St. John, I told the people if they did not eat My Body and drink My Blood, they could not have eternal life with Me. When you receive Holy Communion without mortal sin, you will have eternal life with Me in heaven. My Eucharistic Presence will strengthen your spiritual life as I helped St. Paul."
Jesus said: "My people, there are some people who are in favor of legalizing recreational marijuana, which is what your governor is in favor of. There are others who think marijuana will harm people's brains, and people could get addicted to it. It also could increase car accidents, as it has happened in states where it is legal. It would be better to have legalization of marijuana voted on as a proposition, than pass it as legislation. It is sad that some states have legalized

marijuana just for the tax income, but it is ruining many lives. Keep praying that it is not approved in your state."

Saturday, May 11, 2019: (4:00 p.m. Mass)
Jesus said: "My son, you remember well back in 1949 when you received your First Holy Communion at this church. This was your first visit with Me in your soul. Ever since you were 17, you have been a daily Holy Communicant. As you saw a young boy and a young girl receive their First Holy Communion, you admired their new young faith. The pastor gave them both a rosary with the intention to teach them how to pray the rosary. In St. John's sixth chapter of his Gospel, you read again how I told the people: (John 6:51) 'He who eats My flesh and drinks My Blood has life everlasting, and I will raise him up on the last day.'"
Jesus said: "My son, as you are seeing this rotating circle of events, you are reminded of the coming Warning with its life review. I also told you as you see more messages on the Warning, this will be a sign that the Warning is near. Now, I am telling you that you will be receiving more messages about the Warning, because it is indeed close to happening. The best preparation for the Warning is coming to frequent Confession. You also can minimize the severity of the Warning by what you did for your Divine Mercy Novena when you received your plenary indulgence. This cleansed the reparation due for your sins. After the Warning and even now, you need to keep praying to help save your family members who are away from Me. During the six weeks of conversion, you will be praying hard to convert the family members who need to have the faith so they can receive a cross on their foreheads."

Sunday, May 12, 2019: (Mother's Day)
The Blessed Mother said: "My dear children, today is an extra joyful occasion as I am your Blessed Mother, and I am sharing this with all mothers in my month of

May crowning. I love all of you so much, and my Son, Jesus and I have our two hearts joined together as the picture in your room. You have another picture of me holding the baby Jesus and a lamb. Your priest was speaking of my Son as the Good Shepherd who is also watching over all of you. It was a nice touch to give roses out to all the mothers after Mass, which was from your Right to Life group. You want all mothers to have their children, instead of aborting them. Babies are God's gifts of life, and they are too precious to kill or discard. Keep praying your intention to stop abortions, because abortions are very offensive to my Son, Jesus."

Monday, May 13, 2019: (Our Lady of Fatima)
The Blessed Mother said: "My son, I am coming to you to celebrate my feast of Fatima, Portugal where I appeared to the three children. You have been to Fatima in 1987 when they celebrated the 70th Anniversary of my appearance with the miracle of the sun in 1917. You are a member of my Blue Army for many years, and your prayer group started as a Blue Army cell for 47 years. I thank you for carrying on with your prayer group and your Adoration of my Son every week. You also have been praying your three rosaries every day. By staying close to me and my Son in your persistent prayer, you have kept your gifts of the Holy Spirit. We have helped you with both of your missions to share my Son's messages and build your refuge. I also thank all of your prayer group for being faithful to your prayers and Adoration of my Son. Your world needs lots of prayer, and there are only a few dedicated prayer warriors left."
Jesus said: "My people, your President was seeking a trade deal with China to try and obtain a fair trading field. You have a large trade deficit with China's imports, and they have been cheating you in many ways over the years. It will be hard to get a fair trade deal while China continues to spy on your companies and discourages buying your goods. China has also been stalling for time, waiting for another President to take office. Both countries have increased their tariffs on each other's imports. This is what caused a big sell off in your stock market. There is a possible increase in prices that could raise inflation with higher tariffs. Pray for fair trade between your countries, or you could see a more aggressive trade war."

Tuesday, May 14, 2019: (St. Matthias)
Jesus said: "My people, there was an obligation to find someone to replace Judas, who betrayed Me. That person had to be someone who was with Me through My three years of public ministry. So the apostles proposed Justus and Matthias, and they called on the Holy Spirit to choose between them. When they cast lots, the vote chose Matthias to replace Judas. Now, there was twelve apostles again, so they could go out two by two to spread My Good News to all the nations. In the Gospel I told My apostles to love one another as I have loved them. If people follow My Commandments of love, then they will show their love in their actions."
Jesus said: "My people, you have seen several oil tankers with large holes from sabotage explosions. You also saw how drones were damaging Saudi Arabian pipelines with bombs. There are signs and even threats to your allies in the Middle East. All of these incidents have caused your President to send an aircraft carrier task force, Patriot missiles, and many soldiers to the region around Iran. Even B-52 bombers were sent to the area. With so many assets in close proximity to Iran, there is a possibility of a war that could be started with any miscalculation. Russia and other countries could be involved to back Iran, which could cause a broader war possibility. The large bowl of oil in the vision is connected to all the oil that is shipped out of the Persian Gulf. You all need to pray a novena that war does not break out in this region."

Wednesday, May 15, 2019:
Jesus said: "My son, you are seeing one portal to hell and there are others all over the earth. Demons can enter and come out of these portals when I allow it. I am showing you hell in the bowels of the earth. Many souls are falling into these eternal flames because they have chosen to reject My love. All souls are given many opportunities to love Me and reject Satan. There are souls who refuse to

love Me, and refuse to seek My forgiveness of their sins. These souls have chosen hell of their own free will. It is My justice that they will suffer these flames forever. This is why I am asking My prayer warriors to pray for the souls of all of your family members, even those members who do not pray, nor come to Sunday Mass. It is by your persistent prayers that you could help save your family members from being judged to hell. I love all of you, but it is by your own free will that you choose your eternal destination."

Jesus said: "My people, I have told you in past messages that you are going to see more persecution of Christians, and more churches will be destroyed. You have been seeing more incidents of shooting people in synagogues, churches, and schools. You have also seen more churches being burned by arson. This is the goal of Satan and those people who hate the Catholic Church. This destruction and persecution will continue to worsen. Those people, who kill people and destroy churches, need to be brought to justice. Keep praying for your protection at your churches. A time will come when your lives will be in danger, and you will be called to My refuges for your safety. When you feel threatened, you can call on Me, and I will send My angels to protect you."

Friday, May 17, 2019:
Jesus said: "My people, today's Gospel is read at many funeral Masses. Dying is a part of your life, and it is a consequence of Adam's original sin. I have told you how I am going to prepare a place for all of you. In heaven there are many mansions. Some people see these mansions as a sign of the many years of your good works and faithfulness to Me. I told My apostles how I will come on their day of death, and I will take them to Myself at their judgment. You have only two final destinations, either heaven or hell. Many souls will need to be purified in purgatory before they are worthy of entering heaven. Those people, who

desire to come to heaven, need to repent of their sins, and seek My forgiveness, as in Confession. By obeying My Commandments and doing good works for your neighbor, you can witness your love for Me and your neighbor as yourself. When St. Thomas asked Me where I was going, I told him he would have to come to Me, because I am the Way, the Life, and Truth. Now, My followers need to go out to all the nations and preach My Good News of My Resurrection. All of My faithful will be resurrected with Me on the last day."
Jesus said: "My people, you have reason to be alarmed at the opposition party's new Equality bill that they passed in the House of Representatives. This would essentially take away your freedom of speech, your freedom of religion, and the ability to exercise your right to refuse anything that violates your religious beliefs. The liberal establishment is trying to dictate what you can do according to their rules. Many of these provisions violate existing laws according to your Constitution. It is doubtful such a bill would pass the Senate, nor your President's veto. Even still, you are looking at your future, once the liberals control your government. Beware of the manipulation of your voting machines, and all the illegal immigrants who are voting illegally. This is how the deep state will take over your government. Be patient through the coming tribulation, because in the end the evil ones will go to hell, and My faithful will go to My Era of Peace and then to heaven."

Saturday, May 18, 2019:
Jesus said: "My son, in your practice refuge runs, you had your prayer group people, who you know and were acquainted with the foods you prepared. During the tribulation time, I will be sending you strangers who may have different customs and different food preferences. They will need to accept what you have for your stored food, bedding, and washing of your bodies. Washing clothes could be difficult without enough electricity to run your washer and dryer. I will multiply your food and water. My angels will make more buildings if needed, and they will multiply your fuels for heating and cooking. Be prepared to assign jobs for people with the needed skills for cooking food, washing clothes, and

heating and cooling when needed. Remember that everyone will need to pray certain hours of the day in adoring My Eucharist. If you have a priest and the bread and wine, you can have Mass and Holy Communion every day. If you do not have a priest, My angels will provide daily Holy Communion. Call on Me and My angels to help you with your needs. Have patience and calm the people down with your counseling people."
Jesus said: "My people, in today's world you see many people striving to be first in everything from money to how many possessions they can obtain. This is all based on pride that the devil tricks people into for striving for things that will pass away. People would be better off striving for heavenly things that show your love for Me and your neighbor. At the end of this life, all of your things remain behind, but you have heavenly treasure stored that will last forever. So focus more on doing things to gain heaven, because this is your greatest desire which is to be loving Me in heaven forever. Your next desire it to offer up prayers to help save the souls of all of your family members."

Sunday, May 19, 2019:
Jesus said: "My people, a time will come when all of My faithful people will die, and they will graduate from this life. You are seeing all of the faithful people dressed in their caps and gowns, but most people leave this world in a casket or are cremated. When you come to your judgment, you will be tested on your school of life. Those people, who are on the spiritual honor roll, will be welcomed into heaven. Those faithful people, who need some purification, will face some time in purgatory. Those people, who did not love Me, nor their neighbors, are the souls who failed their school of life, and they will not graduate to heaven. These life failures have chosen the flames of hell by their bad actions in life. So it is important for people to do your life assignments of showing Me love in your prayers, and good deeds in order to pass your final exams. I love all of you and I do not want people to fail in loving Me and your neighbors as yourselves."

Monday, May 20, 2019: (St. Bernadine of Sienna)
Jesus said: “My son, you read in the Acts of the Apostles that it became dangerous in some places for St. Paul and St. Barnabus to proclaim My Good News. They avoided going to Iconium when they realized that they could get stoned by the people there. In a recent message I warned you that you may have to pray novenas for your talks because it will be harder for people to accept My messages. You have had some rejections in some of your venues, so you will have to be more careful where you choose to talk. For now you have not faced physical abuse, but as you approach the tribulation time, you could see more disagreements over My messages. Pray for My angel protection when you could face physical harm. Eventually, you may have to stay at your refuge for your safety.”
Jesus said: “My people, I gave you a message before about My Warning, and how you will have messages on it close together as you approach the Warning. This is another message on the Warning, and it concerns the six weeks of conversion when the devil will not interfere with your evangelization efforts. After you adjust from your own Warning experience, then you will be focused on trying to get your family members to come to church and be sorry for their sins. You will still be dealing with the free will of your family, but they could be shocked to see their destination in their Warning experience. Keep praying for their souls so they could be saved by their Warning experience. I love all of you and I will give all of you enough opportunities to be converted. Learn from your Warning because this could be the last chance for many people to be saved.”

June 6, 2019
Tuesday, May 21, 2019: (St. Christopher Magalianes & companions)

Jesus said: “My son, as you read the travels of St. Paul and St. Barnabus, this reminded you of how you also travel to many places to share My Good News. I have asked all of My faithful to go out to all the nations to share the joy of their faith with others. When you love Me so much, it brings you great hope and joy. My love is contagious, and it is meant to be shared with everyone. When you have Me at your side, you should have no fears, anxieties, or worries. I guide you on your way, and the Holy Spirit inspires you with the words to touch people’s souls with My love. You should be thankful that you have been chosen to share My messages. So go in peace, and I will bless you for being one of My evangelists and prophets.”

Prayer Group:

Jesus said: “My son, you will soon leave for North Carolina so you can be at Meghan’s wedding. She is the daughter of your wife’s cousin. You have also traveled to Cana in Israel where I had My first miracle of turning water into wine. This was also a wedding that My Blessed Mother and I attended. I have instituted My sacrament of Matrimony so a man and woman can be married with Me as a third partner. Being married in My Church is to be commended, because some couples live together in sin without marriage. Pray for this couple’s wedding, and you could pray to St. Raphael to bless this marriage. Pray for your safe travel as well.”

Jesus said: “My people, this month of May is the peak of your tornado season, and you are seeing some tornadoes in Texas, Kansas, and Missouri. You also are seeing some flooding along the Mississippi River. Even your own Lake Ontario is seeing some high levels from your rain and melting snow. Pray for all the victims of destruction who have lost homes, and some have died.”

Jesus said: “My son, you have had some messages about how your President has had several attempts on his life. You need to pray for your President’s safety. He is involved with a trade dispute with China, and recently he has ordered military assets to the Middle East because of a threat from Iran. Pray for a fair trade deal with China, and pray that there is no war with Iran. You have an armed camp of nuclear weapons, and you do not want many people to be killed in a nuclear war.”

Jesus said: “My people, this black record spinning around on a record player, is a sign of the coming Warning experience. The Warning will be a life review for everyone on earth, all at the same time. You will all come to Me out of your bodies and outside of time. Everyone will see their own life with an emphasis on your unforgiven sins. At the end of your life review, you will see a judgment

destination based on your life's experiences. This will be to heaven, hell, or purgatory, and you will have a taste of what it will be like at your destination. Those people, who see hell, will have a second chance to change their lives when they will return to their bodies. Prepare for the Warning by coming to frequent Confession."
Jesus said: "My people, I want you to remember My Third Commandment which says you are to honor Me at Mass on Sunday, or the anticipation Mass on Saturday. It is indeed a mortal sin to miss Mass when you could come. Some of My faithful have stopped coming to Mass, and they are not honoring Me and are living in sin. You can come to Confession to have your sins forgiven. Fewer faithful are coming to frequent Confession. Pray for all sinners, and especially for your family members who are not coming to Sunday Mass."
Jesus said: "My people, Satan is inspiring some evil people to persecute My faithful by burning My churches and shooting people as well. You are also seeing Moslems killing Christians in Arab countries. When My faithful have their lives in danger, I will call My faithful to come to My refuges of safety. Trust in Me when your guardian angels will guide you to My refuges. The angels will make you invisible, so have no fear."
Jesus said: "My people, after My Resurrection on Easter Sunday, I appeared several times to My apostles to show them My resurrected body. After the forty days you are celebrating My Ascension into heaven. I told My apostles that I had to leave them so I could send the Holy Spirit down upon them. Later on you will be celebrating Pentecost Sunday when the Holy Spirit came over My apostles and disciples with flames of fire. Rejoice in these feasts that will end your Easter Season. You can call on Me and the Holy Spirit at any time to help you with your troubles."

Wednesday, May 22, 2019: (St. Rita of Cascia)
Jesus said: "My people, in today's Gospel (John 15:5) I spoke to the people that I am the Vine and you are the branches. Without Me you are nothing. Those people, who do not love Me, are like the branches that fall and wither. These dead branches will be burned up in the fires of hell. With Me you gain your nourishment both physically and spiritually. It also says in John 6:54 : 'Amen, amen, I say to you, unless you eat the Flesh of the Son of Man, and drink His

Blood, you shall not have life in you.' In both of these readings it is very clear that you are dependent on Me for the life of your soul, and to help you gain heaven. Those people, who choose to be on their own without Me, will die in their sins, and be thrown into the eternal flames of hell. To be with Me in heaven you need to have good fruit of prayers and good deeds. Repent of your sins and seek My forgiveness. Then you will be worthy of coming to Me in heaven."
Jesus said: "My people, it is very possible that you could have an EMP attack from any of several enemies. You are seeing a new scene where people were riding horses and using carriages drawn by horses. You would be sent back to how you lived in the 1800's, if you were to suffer an EMP attack. Such an attack would destroy all of your microchips which run your appliances, and it would stop your electricity and your vehicles. This could cause an overnight destruction of your economy, and it could affect your Defense weapons. Your stock market would crash, your banks could not use their computers, and it could even precipitate a crash of your dollar. At My refuges My angels would have a shield of any EMP effect on your solar systems and your appliances. You could use some electricity to run your water pump and your sump pumps. Be grateful that you could come to the protection of My refuges. Pray that your people will be prepared to face such a disaster with some food storage."

Friday, May 24, 2019:
Jesus said: "My people, in the vision you are seeing a refuge with stored hay for horses. The horses will be needed for transportation with carriages if you had an EMP attack. After the coming EMP attack, cars will not work, and electricity will be scarce. This is why I will be calling My faithful to the protection of My refuges. In the first reading St. Paul and St. Barnabus received a decision from the Holy Spirit that the Gentiles did not have to be circumcised to become members of the Church. They then spread this message by letter to the Gentiles. In the Gospel I spoke about loving one another. This word 'love' is appropriate as you are here to celebrate the marriage of Megan and Bill on Sunday. Love in marriage of a man and a woman is also the model of Me as the Groom and My Church as the bride. Remember to pray for Brad's return to good health, as Jeanette and her family will be taking care of his needs. Pray also for the newly weds that they will have a long life together."

Saturday, May 25, 2019:
Jesus said: “My people, in the Gospel I talked about how I chose you to be My faithful. The world will hate you, as they hated Me enough to crucify Me on the cross. The worldly love their own people, but they hate My followers. Just as I was persecuted for telling the truth of loving God and neighbor, so the worldly people, who follow the devil, will persecute you as well. You are getting very close to the Warning and the coming tribulation. When your lives are in danger, I will have your guardian angels lead you to My refuges of protection. In the vision you saw a house that is a refuge, and then you saw shades cover the doors and windows. This was a sign of how your refuge angel, St. Meridia in your case, will place a shield of invisibility over your refuge. Only those people, who believe in God, will have crosses on their foreheads, which will allow them to enter My refuges. The refuge angel will not allow non-believers to enter a refuge ground. This is why it is so important to have your family members converted during the six weeks of conversion after the Warning, or they cannot enter My refuges of protection. Trust in Me and I will provide for your needs.”

Jesus said: “My people, this is another vision of your coming Warning experience. This is also a unique display of how everyone will have their Warning experience all at the same time all over the world. You saw a line of people all climb into their open caskets, because the life review will be the same as when you die. The large difference with the Warning, is that you will come back into your bodies for a second chance to improve your spiritual life. This event will be like a near death experience. During the Warning, your soul body will leave your physical body, and you will be outside of time. I will show everyone their life review with a focus on your unforgiven sins. You will see your judgment and your present destination of heaven, hell, or purgatory. If you do not change, then your final destination will be the same as your first

judgment. I will tell you how to change your life, if you want to come to heaven. You will be returned to your physical body to change your life, if you so choose. Many will choose to seek Confession and other faithful will help them in the six weeks after the Warning. If people continue to refuse to love Me and others, and they do not repent of their sins, those people could face hell for all eternity. Come to My Light and love Me, and you could have eternal joy with Me in heaven. Worldly things will pass away, so only strive for heavenly things."

Jesus said: "My people, you have been watching the devastation of your tornadoes on Oklahoma and Texas on your televisions. During May you have had 50% more tornadoes than the average for this month. You also are seeing continuous flooding along your rivers from the heavy rains that you have had. I have told you that if you do not stop your abortions of My unborn babies, I would bring more destruction upon your country as a punishment. You are trying to put more restrictions on your abortions in some states, but this will be challenged in your Supreme Court. You are having your Memorial Day parades that honor all the people in your services who have died in your wars. This is good to thank all of those people who died to protect your country. Remember that more unborn babies have been aborted than all of those people who died in your wars. Pray to stop your abortions."

Jesus said: "My people, you are fortunate to live in America where you have adequate amounts of food to survive. In the vision you are seeing people with baskets hoping to get enough food for the day to live. In poor countries and some communist countries, the people are having a hard time to find food, and their money is losing value to inflation. Venezuela, Cuba, and North Korea are having problems to feed their people. When the government runs everything, it is not efficient in farming to provide enough food for the people. When dictators

control things, the people have little control in providing for their needs. Your capitalist system gives incentives to people to provide for their own living expenses. Be thankful for your farmers who have been providing your food at reasonable prices. The farmers sometimes need help with their loans in buying equipment, seed, and fertilizer. It is the large farms that produce the most food, and the smaller farmers struggle the most for their families. Pray for the people all over, that they will be able to find enough food to survive."
Jesus said: "My people, your asylum laws are being abused by lawyers to circumvent your immigration requirements. Some people try to get on lists to make a legal entry. Others are coming to claim a false asylum, and get released into your country, because you do not have enough facilities to wait for a hearing. These caravans are putting a strain on your hospitals, and aid for people without homes and food. In the vision you are seeing some restraints as razor wire and tall walls to discourage illegal entries. Some immigrants are seeking jobs, but not all of those coming in have skills for working. It is truly a crisis when hundreds of thousands of immigrants are crossing your border each month. Some employers want cheap labor, and some political people desire votes for their candidates. Pray that you can have proper immigration laws to control possible terrorists and drug sellers, who are trying to come into your country illegally."

Jesus said: "My people, you have seen several large Dozule Crosses that are illuminated with blue and white, and they are located at various refuge places. I want you to research the origins of the Glorious Cross of Dozule in France. Between 1972 and 1978 I appeared 49 times in Dozule, France to Madeleine Aumont. This is about an annunciation of My return, and the construction of the cross is a sign of My coming. Madeleine was given a prayer to recite every day: 'Jesus of Nazareth has triumphed over death-His reign is eternal. He comes to triumph over the world and time. Mercy My God, on those who blaspheme You; forgive them for they know not what they do. Mercy My God, for the scandal in the world; deliver them from the spirit of Satan. Mercy My God, on those who run away from you; give them a taste for the Holy Eucharist. Mercy My God, on those who shall come to repent at the foot of the Glorious Cross. May they find

there, peace and joy in God our Savior. Mercy My God, so that your kingdom come, but save us… as there is still time…for the time is near and I AM coming. Amen. Come Lord Jesus, we attend you. Amen.' It would be good to place this prayer on your cross so people could read it. My Glorious Cross and My luminous cross will protect you and heal you at My refuges."
Jesus said: "My people, this vision of people on a train represents your train of life. Every day you take this train to your next event in your life. Sometimes people have near death experiences, and they can see their lives on a time line. You do not see the time of your death, but you will have a life review when you die. At the time of the Warning, you will have a similar life review, only you will come back into your body to improve your spiritual life. Your train of life will stop at your destination of heaven, hell, or purgatory when you die, and when you have your Warning experience. You can prepare for your Warning and death by coming to frequent Confession at least once a month. You can also take part in Mercy Sunday with your novena and Confession to gain a plenary indulgence for the reparation due for your sins. You would much rather be with Me in heaven and My love, than be in hell with the devil who hates you. Choose to be with Me every day on your life train and you will be worthy to stop off at heaven."

Thursday, May 30, 2019: (Ascension Thursday)
Jesus said: "My people, today's feast of Ascension Thursday is forty days after Easter, and it is My last appearance to My apostles as I rose up into heaven through the clouds. The two angels told My apostles that I would return among the clouds just as I left them. This occurred on Mount Olivet near Bethany. I also told My apostles to stay in Jerusalem because I was sending the Holy Spirit upon them to give them the grace and courage to go out to all the nations and tell My Good News. In ten more days you will be celebrating Pentecost Sunday, or fifty days after Easter. This commemorates when the Holy Spirit came down upon My apostles and disciples in the form of tongues of fire. A great wind came into the Upper Room as the Holy Spirit came upon them. When you receive the sacrament of Confirmation, you receive the gifts of the Holy Spirit, so all of My faithful are called to spread My Good News. Rejoice in this moment of My Ascension into heaven, as you are all awaiting My return."

Prayer Group:
Jesus said: “My people, today in the readings at Mass you read how I ascended into heaven. In the vision you are seeing a stairway to heaven with clouds all around it. This means I am showing you the way to heaven, and I am calling you to holiness so you will be worthy to enter heaven. If you follow My Commandments of loving Me and loving your neighbor as yourself, you will be starting on the first step of this stairway. You also need to repent of your sins and seek My forgiveness. By following the example of My life, you can walk in My footsteps toward heaven.”
Jesus said: “My people, some of your people are claiming that it is the global warming that is causing more violent weather. You are seeing some global warming, but this is happening more from a loss of magnetism in your magnetosphere, than just and increase in carbon dioxide. The earth is getting ready for a shift in the poles, and as this happens, your scientists have seen a 15% loss in the strength of your magnetosphere over the last 200 years. The magnetic North is moving 40 miles a year toward Russia. Pray that you can adjust to these changes, as some of these storms are a punishment for your abortion sins.”
Jesus said: “My people, those people, who live in the center of your country, are suffering one storm after another. On your news, you are seeing all the destruction. You are seeing so much rain, that places along your rivers are flooding. Pray for the victims of these storms because some have lost their homes, and some have died. Even your farm crops could suffer losses from too much rain. You are seeing weather changes all over the world because the sun is stronger due to a drop in your protection from your magnetosphere.”
Jesus said: “My people, as your trade war continues with China, your imports will become more expensive. This could increase some inflation as both of your countries will be dealing with tariffs on your imports. Many people were hoping that a trade deal could be worked out, but your talks have not yielded any success in stopping the tariffs. Pray for a fair resolution of your trade problems.”
Jesus said: “My people, the restrictions on North Korea has prompted them to begin more development on short range missiles. Iran also is suffering from trade restrictions so they are enriching uranium to make bombs. Iran is also threatening to damage oil tankers in the Persian Gulf. China is causing problems by claiming the South China Sea as their own. All of these tensions could lead to a war, so pray that such a war can be prevented.”
Jesus said: “My son, you and your prayer group have been dedicated to constant

prayer and Adoration of My Eucharist every week. You are celebrating 47 years of your prayer group and I thank you all for your dedication. It is not easy to keep prayer groups and Adoration of My Host going for so many years. This is another sign how I have been guiding all of you to rely on your prayers. I hear all of your petitions every week, and I will help your people in their problems. Continue to carry on your prayer group and thank your prayer group angel, St. Meridia, for guiding you."
The Holy Spirit said: "I am the Spirit of love, and you can call on Me to help you in all of your daily trials. My son, you call on My help to write your messages, and I give you the words to evangelize the people. You trust in My help with your travels, and you are using My gift of prophesy. All of your people need to call on My gifts, and use them to spread the messages of Jesus. Do not just think of Me only on Pentecost Sunday, because you pray to Me every time you make the Sign of the Cross, and pray the 'Glory Be' prayer. Call on Me often to strengthen your faith, much like I gave courage to the apostles."

June 6, 2019
Friday, May 31, 2019: (Visitation of the Blessed Virgin Mary)
The Blessed Mother said: "My dear children, this message is about the sin of abortion. You are defying God in sin twice with an abortion. First, you are killing an innocent, defenseless unborn baby. Second, you are defying God's plan for the unborn baby's life in your abortions. Think about what would have happened if St. John the Baptist or Jesus had been aborted. You would not have been saved by my Son's death on the cross. Every life is important, and people do not have the right to take away God's plan for any life. When mothers claim they have rights over their own body, they forget that the unborn baby is not part of their body. The baby has different DNA in his or her make-up, and the mother is only providing nourishment for the baby. Because you are aborting so many babies every year, Our Lord is taking away His protection from your storms. You are seeing your punishment for your abortions in all the destruction of your tornadoes and floods. When you are brought to your knees, then you might realize the connection between your sins of abortion, and your punishment in natural disasters. Wake up America, and pray to stop your abortions, or you will face worse disasters."
Jesus said: "My people, you are seeing the priest consecrate the bread and wine

into My Body and Blood at every Mass. For those people, who believe in My Real Presence, coming to daily Mass is an opportunity to see this miracle every day. Receiving Me in Holy Communion is a glorious opportunity to be with Me intimately for a short time. I have allowed miracles of My Eucharist to give evidence to unbelievers that I am truly Present in every Host. Sometimes you see blood appear on the consecrated Host, and other times you can see Blood in or on the cup. Just as I gave proof to My apostles that I truly resurrected by My appearances and eating fish, so I am giving you proof of My Eucharistic Presence. Give praise and thanks to Me that I am with you always in My consecrated Host and the consecrated Wine."

Saturday, June 1, 2019: (St. Justin)
Jesus said: "My people, during the summer you see many people taking vacations to view the National Parks at Yellowstone, Niagra Falls, and the Redwood Forests, where you have been. I have given you life, and you can take time to appreciate My many beauties of nature. Even when you take walks at your local parks, it gives you exercize, and you can see the animals in the woods. I have given order to the plants and animals, and I even have given man an opportunity for moral order through My Commandments. Give thanks and praise to Me for arraying all that you see around you in nature, and hopefully peace among all peoples."
Jesus said: "My people, you have seen a trade war of tariffs on Chinese imports. China and other countries are charging fees on your imports to their countries, even before the tariffs have been applied. There are large trade deficits because other countries subsidize their manufacturers. The tariffs are being used to equalize the unfair trade practices that have been going on for years. Some countries exploit low wages by near slave labor to make their products cheaper. The tariffs do add to the cost of imports, but they enable your own goods to be able to compete better with slave labor prices. It is better to rely on your own manufactured goods than to buy products from a potential enemy. Socialist or communist countries are not your friends, and buying their goods, enables them to buy more weapons to fight you. Your trade with other countries is getting more complicated with tariffs, and you need to pray for a fair trade that is not

one sided."

Sunday, June 2, 2019:
Jesus said: "My people, you are seeing all of your people praying as one in Me. At every Mass you are joined with Me in Holy Communion when I come into your soul for a short time. You experience My gift of Myself to you, so I am always with you in My Eucharist. In the reading from Revelation I told you that I am the Alpha and the Omega, the first and the last. This means I always existed even before creation. I am the First Cause of creation, and all of you are My creatures out of My love. I love all of you dearly, and I desire that you love Me as well. You know how much I love you because I died on the cross to forgive your sins, and bring you salvation. All I ask of you is that you accept Me as your Savior, and repent of your sins. To be worthy of coming to heaven, you must be brought to perfection in a pure soul. Most people, who desire heaven, will need some purification in purgatory. You will rejoice one day to be with Me in heaven."
Jesus said: "My people, in the vision you are seeing the tablets of the Ten Commandments that were given to Moses. You have tablets in your chapel as well. Moses asked God the Father what Name he should tell the people who He is. Moses was given the Name 'I AM WHO AM' which is also the Name on your chapel doors. Whenever you receive Holy Communion, you receive all Three Persons of the Blessed Trinity. We are Three Persons in One God, which is a mystery for man to understand. When you receive Us in Holy Communion, you are united as one with the saints in heaven, the souls in purgatory, and all the souls on earth. Rejoice when you are receiving Us at Mass because you have a taste of heaven with every Holy Communion."

Monday, June 3, 2019: (St. Charles Lwanga & companions, Uganda)
Jesus said: "My people, you are reading how the Holy Spirit was active in

helping the apostles and St. Paul in baptizing the people. My faithful need to witness your Christian faith by helping those people who seek your help. When you help your neighbor in need, you are helping Me in them. Show your love all the time to Me and your neighbor. This is the best way to show Me and others that you truly are a believer, and you practice what you preach. You may have to endure persecution for My Name's sake, but you need to love everyone, even your persecutors. Loving your enemies could even help them to have a change of heart. Do not be selfish, but be willing to share your money, your time, and your talents with those in need."
Jesus said: "My people, I have told all of My faithful to love one another, and even to love your enemies. It is unfortunate that your media is full of hate for your President. You even have some legislators in the House of Representatives that actually want to impeach your President for no apparent crime. The opposition party is so against your President because he is defying all the plans of the deep state, and he is solidly defying socialism, which the radical left supports. The one world people are frustrated with your President because he is tearing down the globalist plans. You need to pray that all of this hate can be stopped, so your government can do their job of governing. Pray for more love and less hate."

Tuesday, June 4, 2019:
Jesus said: "My people, in the first reading St. Paul was saying good-by to his faithful people because he knew he would face hardship in Jerusalem. He was thankful that he could complete his mission, even when he wrote some epistles from prison. In the Gospel I was saying good-by to My apostles right before I was to be crucified on My cross. Even today, My faithful are suffering persecution and even martyrdom for My Name's sake. You, My son, are already facing rejection for preaching My messages. Have faith and trust in My protection at your refuge. As you all approach the coming tribulation, there may be more faithful who will suffer martyrdom. Have no fear because you will have your reward in My Era of Peace."
Jesus said: "My people, at Sunday Mass you sometimes see infants being baptized, but adults may be baptized at the Easter Vigil when converts come to

the faith. You, My son, have seen some adults being baptized by immersion in the Jordan River, where St. John the Baptist baptized people. At Baptism you are cleansed of original sin, and other sins if one is an adult. Your soul is made clean, just as when you come to Confession. In Baptism you are joined in the faith and you are able to evangelize souls to the faith as well. Some people take this calling to preach My Word as a true calling in action. Missionaries bring people to Baptism, and My prophets draw people to Me also. Rejoice in My sacraments that give you the grace to work toward your goal of heaven."

Wednesday, June 5, 2019: (St. Boniface)
Jesus said: "My people, I am the center of your life, and you should do everything out of love for Me. Even when you help others, you are doing it out of love for Me. You remember how St. Therese did everything for Me in her 'little way', and it gained her sainthood. Your feast day is for another martyr of the faith in St. Boniface. My faithful are evangelizing in the world, but you are not of the world. The worldly seek worldly things, but these things will pass away. It is better to seek heavenly things, as good works, because they can be stored in heaven without passing away. When you are preaching My Gospel and My Good News, you will meet with persecution from the worldly people. Do not be afraid, but keep on evangelizing, even if people threaten you harm. You are called to suffer for My Name's sake, even as I had to suffer persecution."
Jesus said: "My people, you have been watching all the rain storms, and now record flooding. What you are not hearing is how the farmers' fields are too wet to plant their crops in some places. If your crop yield decreases dramatically, you could have the beginning of a possible famine. If other countries are seeing weather problems, this could contribute to a world famine. You could stock up on some more dried foods, and you could order more dried eggs and meats. Dried foods would have less weight, and you have your well water to reconstitute them. My refuges need to have plenty of food for a possible famine. During the tribulation I will multiply your food, water, and fuels for your survival. If necessary, My angels will multiply your buildings, or build more floors onto your house. Trust in Me to protect you and provide for your needs. Pray that your family members can be converted after the Warning, so they can

enter your refuge. Those people, who do not have a cross on their foreheads, will not be allowed by My angels to enter My refuges."

Thursday, June 6, 2019: (St. Norbert)
Jesus said: "My people, you know how I had to suffer at the hands of the religious leaders of My time, because they could not accept that I was truly the Son of God. Now in the readings about St. Paul, he was being persecuted in Jerusalem for speaking about My Resurrection from the dead, and how all of My faithful will be resurrected from the dead as well. He also suffered prison in Jerusalem and Rome, and eventually he was martyred for My Name's sake. When you proclaim My Good News as a Christian, My followers will also suffer persecution from the worldly evil people. When you talk about the end times and the coming tribulation, you are being criticized even in some churches, who do not want to hear My messages. Even talk about refuges is hard for people to understand. But when the tribulation of the Antichrist comes, people will see why I am having My faithful prepare refuges of safety from the evil ones. Keep proclaiming My messages, even if you will face persecution as I did."
Prayer Group:
Jesus said: "My people, I want you to pray for your priests, since there are fewer priests being ordained than are dying. Pray for more vocations to the priesthood so you can have Mass and the sacraments. You also need to support priests and churches with enough donations to keep your churches open. My priest sons bring you to Me in Holy Communion, which is your Bread of Life. Treasure My sacraments from the priests at Baptisms, Marriages, and Funerals."
Jesus said: "My people, World War II veterans are being honored on this June 6th which is the 75th anniversary of the storming of the Normandy beaches. Many brave soldiers had to die in order to take back Europe from the German troops. In France the leaders thanked America and England for standing up to Hitler's war machine. This D-Day was just the beginning of overturning the Axis control that caused World War II. Pray to stop wars that kill many people."
Jesus said: "My people, I have warned your people that you will be tested by many natural disasters because of your million abortions every year, and your abortion laws. You are seeing some states restricting abortions, and some states

making it easier for abortions up to birth. This abortion issue will be sent to the Supreme Court. Your farmers are only able to plant half their soybeans and only 2/3rds of their corn because of their wet fields. The floods also have caused a lot of flooded homes and some deaths from drowning. Pray that your farmers can supply enough food, or you could see a coming famine.
This is another reason to stock up on some more dried food for your refuges."
Jesus said: "My people, I told My apostles to wait for the Advocate, or the Holy Spirit to come upon them. My apostles had tongues of fire over them when they received the gifts of the Holy Spirit. This is the last big feast to end your Easter Season at fifty days after Easter. After Pentecost Sunday you will return to Ordinary Time or the many Sundays after Pentecost. Rejoice in this feast of the Holy Spirit, as He will bring His gifts on all of you."
Jesus said: "My people, your President is making some bold moves with his tariffs on imports to try and even the playing field for your trade deficits. China has been cheating on their trade with America with cheap labor, stealing manufacturing secrets, and taxing your imports to China. Your trade deficit with China is huge, and it needs addressing by your leaders. Pray that your countries can reach an agreement, or there will be a long trade war with China."
Jesus said: "My people, you are seeing a lot of rain storms, but your floods have polluted water. Your fresh water sources are becoming strained, especially in cities in the West. Wells are being overused, and surface fresh water is scarce in Western cities. The Great Lakes have a large portion of the world's fresh water. I have encouraged you and other refuge builders to have water wells put in the ground for your needed water supply. You cannot live without fresh water, so this is an important issue for all of your people."
Jesus said: "My people, a lot of your politicians have been talking about global warming and reducing all sources of burning fossil fuels that produce carbon dioxide, which is a 'greenhouse' gas. A sudden stoppage of burning fossil fuels is not very practical because you cannot make enough energy without using such fuels. Water power, nuclear power, solar power, and wind power cannot replace your fuels and supply enough energy for your needs. You have researched the decrease in the strength of your magnetosphere around the earth which is causing more global warming than carbon dioxide. The poles of the earth are changing, as your magnetic North pole is moving 40 miles a year toward Russia. During this polar shift, the strength of your magnetosphere will decrease, and it is decreasing 5% every ten years. This is a big story which overshadows all of your attempts to stop burning fossil fuels. The carbon credits are a hoax to

control nations. Let the people research this magnetism decrease on their own, and they will see why the sun is heating up the earth more, which overshadows any 'Green' plan."

Friday, June 7, 2019:
Jesus said: "My people, I love the little children who are so lovable and innocent. I have told My faithful how unless they become like loving children, they cannot enter heaven. You saw how the pre-schoolers made hand prints in plaster with a picture of themselves imbedded in the plaster. This was one of their gifts for their fathers for Father's Day. It is sad that fathers are not always faithful to their children, either from abuse or divorce. Many single parent families leave the mother to work and take care of her children. Pray for the children of broken families that they can find love with their parents and Me."
Jesus said: "My people, in a previous message I advised you to stock up on some more dried foods because of a possible famine from all the wet fields of the farmers. I thank you and your friends for making a trip to get some more dried food for your refuges today. I also recommended buying some more protein with dried meats and dried eggs. These are appropriate because dried foods do not require refrigeration, and they will last longer. Some people have responded to My call to stock up on at least one year's supply of food for each member of your household. A good majority do not see the need to buy food because they do not realize how your stores could be shut down very quickly. Your stores only have three days supply of food. If a disaster hits and the trucks cannot deliver the food, you would see empty shelves in a day. People need to understand that an EMP (electromagnetic pulse) attack would stop your vehicles, your banks, and your food. So be prepared, or you risk starving to death."

Saturday, June 8, 2019:
Jesus said: "My people, there is a right way to live and a wrong way to live. It all

starts with whether you will allow Me to run your life, or you are foolish enough to run your own life without My help. If you are praying each day and honoring Me at Sunday worship, then I can help you through life's trials. Your first plan is to get some education so you can have a job that can pay your bills. If you desire to have a relationship with the opposite sex, it should be in a marriage and not just living together in fornication. You need monthly Confession as a part of your spiritual life. Getting a job or two is necessary to pay for your transportation and a place to live. These things are all big life decisions that need the right choices, or your lives are going to be full of troubles that are hard to repair. You can always start over, if you make mistakes, but you need to have your souls right with Me in following My Commandments. There are people in your family to help you, but do not abuse them for your own selfish pleasures. These are lessons in life that people can learn the normal way, or the hard way. The main course of life is to follow Me, or you will have more hardships."
Jesus said: "My people, you have seen many movies about World War II and how many lives were lost because of the aggression from Germany, Japan, and Italy. It was your country's Armed Forces that helped turn the tide against the Axis war machine. Since that time, you have many nations who have nuclear weapons, and many other weapons and biological weapons that can kill many people. All of your wars have not helped anyone, but they have caused destruction and great loss of life. Pray for a stoppage of your wars, and a return to peace."

Sunday, June 9, 2019: (Pentecost Sunday)
The Holy Spirit said: "I am the Spirit of life, and I bring My gifts upon all of you. My seven gifts are wisdom, understanding, counsel, fortitude, knowledge, piety, and fear of the Lord. My son, you know of My other gifts in prophecy, helping you with writing messages, and giving your talks. When Jesus said not to worry what to say when you are evangelizing, He meant that I would give you the words to speak at the proper time. I am always available with My gifts to help you in your trials of life. I am the Spirit of love that emanates from the union of God the Father, and God the Son, because we are always Three Persons in One God of the Blessed Trinity. Remember Me every time you make the Sign

of the Cross, and when you pray the ‘Glory Be’ prayer.”

June 19, 2019
Monday, June 10, 2019: (Blessed Mother)
Jesus said: “My people, this is a new feast commemorating My Blessed Mother as Mother of the Church. On the first Pentecost My Blessed Mother was present, and she also had a tongue of fire over her from the Holy Spirit. You read from the Book of Genesis about the first Eve who sinned by eating the forbidden fruit. Now in the Gospel you are hearing about the new Eve without sin, so she was worthy to carry Me in her body. At the foot of the cross I gave My Blessed Mother over to the whole Church and to St. John the apostle. Last month she gave you a message on Mother’s Day, but now she has a special feast to honor her motherhood of all the Church. Rejoice because she surely looks over all of you with her mantle of protection, especially for those who pray her rosary.”
Jesus said: “My son, I have mentioned before about two requirements to have a refuge. You need to have a priest consecrate the buildings and the land, and you need to have a source of fresh water. This could be a stream, a pond, a river, a lake, or a water well. Once you find a proper place on the property, then you can have a well put in. You know about all the other requirements of food, and fuels for heating your house in the winter, and for cooking. When you pray in faith, I will multiply your water, food, and fuels. Having solar power is an extra for most refuges. You have some good rechargeable batteries to provide power for your lanterns. Remember to order some more meats and eggs for your protein source. Trust that I can provide for all of your needs when you have sufficient faith.”

Tuesday, June 11, 2019: (St. Barnabas)
Jesus said: “My people, I am showing you people who are gambling at a casino

because I do not want to see you gambling with the destination of your soul. If you desire to come to heaven, then avoid occasions of sin, and try to keep your souls clean with frequent Confession. Do not take chances on being in mortal sin, but follow My Commandments of love. The more sin you have, the easier it is for the devil to lead you into more sin. Make time to examine your conscience so you can avoid sinful addictions and sinful bad habits. You may have to change your lifestyle, if you are living in fornication or in homosexual sins. I love all of My people, but if you love Me, you should show Me by avoiding sin in your lives by your actions and good deeds. You can help yourselves to live a better life by daily prayers, daily Mass, and Adoration when you can. For My prophets and evangelists, they need daily prayer to keep their gifts. When you do everything for Me, and consecrate your actions to Me every day, then you will be on the right road to heaven."

Jesus said: "My son, last year I had you put in a water well that you did not know you could do. This water well that you have is adequate for your present water needs, and I will multiply your water if you have more people come than you expected. I want to underline the necessity of having a source of fresh water on your refuge. You cannot live without fresh water. Besides water for drinking, you use a lot of water for cooking, washing things, and for toilets, if they are operating with your well water. You started out storing 55 gallon barrels of water, but after seeing how much water you used for 25 people in a day with your practice refuge run, you realized the necessity for a water well. You are fortunate that you have soft water with only a small amount of iron in it. You have a device that oxidizes soluble iron to solid rust which is flushed out. This is needed so you do not stain your clothes with iron. For all of your fellow refuge builders, you need to advise them of the necessity for having a water well, because your water line into your house could be shut off. Keep trusting in Me to provide for all of your needs at My refuges."

Wednesday, June 12, 2019:

Jesus said: "My people, I know you like to see beautiful sunny days, but rainy days are My gift of fresh water for you. Some people even use rain barrels from your roof for a source of fresh water. The rain waters your crops in the field to

give you your food. For the farmers, rain is a necessity for their crops. Sometimes the rainstorms cause too much flooding, or they can bring damaging winds. It is your floods that have been causing problems to plant your crops. During the summer months some farmers need irrigation to keep their crops watered when there is little rain. Getting a source of water for farming relies on aquifers and rivers. There is a competition for drinking water for the people and water for the farmer's fields. Without sufficient water, many crops would dry out. So pray that you can have enough rain for your needs."
Jesus said: "My people, I am showing you a building run by the deep state, and they are planning ways to impeach your President, or manipulate the elections to defeat him in the 2020 election. He is holding back the globalist plans for taking over your country. If they defeat your President, they will take over your government, and give it over to the Antichrist. This would begin the tribulation, but the Warning will come before the Antichrist declares himself ruler of the world. There will be chaos before and during the tribulation right after the six weeks of conversion which happens after the Warning. As your country will be taken over, your lives will be in danger, so I will call My faithful to My refuges for protection. My faithful will be at My refuges during the takeover of your country, and the tribulation. Trust in My angel power to protect you and multiply what you need to survive at My refuges. Be prepared for the coming Warning with your frequent Confessions."

June 19, 2019
Thursday, June 13, 2019: (Funeral Mass for Russ Dilorenzo)
Russ said: "Please assure Jeanette that I am fine with Jesus. I had a little pain at the end. I love my wife so much, and I did not want to leave, but the Lord was calling Me to come because it was my time. I thank everyone for coming to my funeral. You know how I suffered much at the end, but I was always looking forward to receiving Holy Communion. I did my purgatory on earth, and now I am happy to be with the Lord. I want all of my family to pray the rosary every day, and keep close to Jesus. Thank you for the beautiful readings. Give my love to everyone."
Prayer Group:
Jesus said: "My people, severe sanctions have been placed on Iran, and your

President pulled out of a nuclear arms deal made by your previous President. You saw several smaller attacks on four oil tankers and an attack on Saudi Arabian pipelines several months ago. This caused your President to send a carrier task force and B-52 bombers to the Middle East. Today, two more tankers were heavily damaged and the crews had to be picked up by one of your ships. These incidents on international shipping could lead to some retaliation for this damage. Pray that a war does not result."

Jesus said: "My people, your President threatened tariffs on Mexican imports if they did not stop so many Central American immigrants from traveling through their country into your country. Your President made a deal with Mexico to stop the tariffs, if they stopped the Central Americans from crossing your border. It remains to be seen if this threat changes the border crisis. Otherwise the tariffs may be applied. Pray for less problems at the border."

Jesus said: "My people, you are seeing the House demanding contempt of Congress on various parts of your current Administration. There is a battle over Executive privilege in this matter. Your Administration is starting their own investigation of the beginning of the Mueller report. There is a continuing conflict between your parties, but you need to pray for less hate and more peace."

St. Anthony said: "Dear people of God, I am happy to hear your prayers to find your lost objects. I take your petitions to Jesus and he sends his angels to help you. Many of you are happy to find your lost objects, but you need to pray some prayers of thanksgiving after finding things. I bless all of you for knowing to pray to Me for lost things."

Jesus said: "My people, you are seeing a continuous amount of rainstorms over the same area in the middle of your country. You have seen many floods all along the Mississippi River and its tributaries. With more rain, it is hard to dry out these areas. You are starting to see hotter temperatures, so you need to be prepared for a hot summer that could cause some fires, as you see in the West every year. Pray that there is less arson in starting huge fires as last year. All of your destructive natural disasters will continue to worsen if you do not change your abortions and your bad abortion laws. Still pray for all the victims who have lost lives and homes in your recent floods."

Jesus said: "My son, remember to pray your long form of the St. Michael prayer as you start out and return on your trip to Puerto Rico. I have also warned you that you may face more evil resistance to your mission. The evil ones will be fighting any good that you are trying to accomplish. Pray your novena to St.

Therese on every trip you take this year for your extra protection. If you face any strong evil, remember to call on Me and I will send you My legion of angels to protect you. I thank you for reaching out to spread My Good News."
Jesus said: "My people, you are seeing signs of the end times coming with these two problems mentioned in your vision. It is true people are getting more lax in the profession of their faith. It starts when people stop praying to Me, and when they stop coming to Sunday Mass. When you leave Me out of your lives, you will have to face your trials without My help. Do not be spiritually lazy, and wake up from your spiritual slumber because I should be at the center of all of your lives, if you want to come to heaven. Your other problem will be an increasing persecution of Christians. You see this in your media when you are attacked for fighting against abortion and even your freedom to worship Me without political or government interference. The devil will be getting stronger in the end times, and you will see stronger persecution of those people who follow My Commandments. You can only stay strong in your faith by daily prayer, frequent Mass, and frequent Confession. Trust in Me and My sacraments to give you the grace to stand up for your beliefs in Me no matter how much you will be criticized or persecuted."

Friday, June 14, 2019:
Jesus said: "My people, in today's Gospel I warned the people not to commit adultery, or in today's language, not to have affairs with married people. Under the Sixth Commandment you are not to live together in fornication either. I even mentioned if you have lust in your heart for someone of the opposite sex, you have already committed that sin. Another warning was not to marry divorced people unless they had annulments. Most all sexual sins are mortal sins, and you need to get to Confession to have them forgiven. You have noticed how the priests avoid this subject because they do not want to offend someone and lose donations. I remind you of this sin because it is a threat to your soul and your eternal life. Pray that you avoid the sexual sins to keep your souls clean."
Jesus said: "My people, you have been killing My babies, and I have warned you, if you do not stop killing My babies, I will stop you through your natural disasters. I have been warning you many times to stop killing My babies, so now

you will be brought to your knees with violent natural disasters. You will finally learn the connection between your sins and My punishments. You have seen more tornadoes than usual, and many floods. These disasters will continue to get worse in the summer. You will see heat, fires, earthquakes, and hurricanes take their toll on your country. When you are crying out for mercy, then you will realize that it is your abortions that are bringing these disasters upon you. Wake up America and stop your abortions, or you will face worse disasters."

Saturday, June 15, 2019:
Jesus said: "My people, I reach out to all of My faithful with kindness and forgiveness. You all start out with child-like faith at Baptism, but as you grow older, you are tested by the comfortable ways of the world. The worldly people do not want any restrictions, as the loving ways of My Ten Commandments. These laws are My guides to a happy life with Me out of love. You are seeing the influence of hate by the devil's ways that are all about greed and power over people. I want My people to be kind to each other, and be willing to forgive people, as I forgive you of your sins. My ways are not your ways, because everything I do, I do out of love. If you can love like a little child, then you will be ready for heaven."
(4:00 p.m. Mass, Holy Trinity Sunday, Father's day) God the Father said: "I AM WHO AM comes to you on this Father's Day because I am the Father of all creation, and I love all of you so much. I know it is hard for man to comprehend Three Persons in One God-God the Father, God the Son, and God the Holy Spirit. It is good to look at Us in symbols of the Bible, as I appeared as a burning bush to Moses. You see pictures of Me as an older man as you think of a human father, but it is beyond your human comprehension to truly know an infinite, loving God. The image of your vision of an infinite universe, is just an example of how hard it is to know Me. I gave Moses My Ten Commandments and I guided the Hebrews out of Egypt eventually into their promised land of Israel. If you truly love Me, you can follow My Commandments and come to frequent Confession at least once a month. You can call on Me to help lead you to heaven with your love of Me and neighbor in your good deeds. Spread the Good News of My Son's Resurrection, as He died for your sins to bring you salvation. God

bless all of you in your love for Us."

Sunday, June 16, 2019: (Holy Trinity Sunday, Father's Day)
My father, Ed Leary said: "John, I am happy you are carrying on the family tradition of coming to Mass at St. John the Evangelist. Your family has spread into your eight grandchildren. I love all of you boys: John, Mike, and Chuck. Say hello to your brothers for me." Carol's father, Camille Remacle said: "Hello, John, it is unusual to have a word with you on Father's day, but you know me, I am always happy to talk with you. I love you and Carol, and I am watching over Sharon and Vic. Keep all the family in your prayers. Vic needs the most help, since his health is not good. When you have your party today, remember us fathers in your celebration. We are looking down on you all the time. We love all of you so much."

June 19, 2019
Monday, June 17, 2019:
Jesus said: "My people, you remember how the Early Christians had to hide from the Romans to avoid being killed for their faith in Me. In Rome there were catacombs where people hid, and where they buried the dead. This idea of hiding from people, who want to kill you, will be needed again in the coming tribulation. This is why I am having My faithful build refuges that will be protected by My angels. These refuge angels will place an invisible shield over My faithful at My refuges. Trust in Me that you will be led to My refuges at the proper time by your guardian angels. The refuges will be the means of separating My faithful from the evil ones. Only people with crosses on their foreheads will be allowed to enter My refuges. My refuge angels will prevent all other people from entering the refuges."
Jesus said: "My people, I will be giving all of the people a chance to change their lives after they view their life review in the Warning. There are many sinners who could be on their way to hell as a final destination for their souls.

All those souls, who are headed to hell by their evil actions and no love for Me, will see themselves on a road to hell. I will allow them to see what it is like to be burning in hell's flames and have the demons torture them. Having this experience will scare some people, because they do not want to spend eternity burning in hell, and turning ugly like the souls there. All of you will be given a second chance to change your lives so you can avoid hell, and choose to come to heaven. Some souls, who see hell, will be converted, but others will not choose heaven. Those souls, who go to hell, choose it by their own free will. Pray for the souls, who see hell in their life review, to wake up and love Me before it is too late. I love all of you, but only the souls, who choose to love Me, will be saved."

Tuesday, June 18, 2019:
Jesus said: "My people, you have certain people in the world who want to control things, and when they are blocked, they develop hate for the person stopping them. This is why you have so many people hating your President because they cannot control people like they want to. The devil thrives on hate, greed, and controlling people. The difficult problem in today's Gospel, is that I want you to love everyone, even the people who hate you for your beliefs in My love. If you only love those people who love you, there is no merit in that, because even non-believers love each other. I love everyone, even the worst sinner. It is My way of loving everyone that will lead you closer to perfection. So love one another, even your enemies and persecutors."
Jesus said: "My people, I am showing you a dark portal to hell where demons are coming up out of hell to stir up evil and hate among your people. You have been noticing a decline in your numbers at Mass on Sunday. Some people are getting lazy, and they stop coming to Mass. Others are leaving to go to Protestant churches. The demons are becoming more active, and they are tempting people with all their comforts to take the people away from the Roman Catholic churches. Most of your local churches are seeing less attendance and more deficits in their budgets. This is another sign of the end times when fewer people are coming to Sunday Mass. America is following in the footsteps of other countries where less than 5% of the people attend Mass. Pray for your people to

keep their faith, and come to Sunday Mass."

Wednesday, June 19, 2019: (St. Romuald)
Jesus said: "My people, I want My faithful to support their churches with generous offerings. Do not be selfish in only giving token donations, and do not use My churches for your own gain. There are even some people who steal from the Sunday collections. I ask My faithful to be generous to other charities as well, with your money, time, and talents. As in the Bible, I love a cheerful giver, especially those people who can afford to share their wealth. When you give donations without notice to others, My Father in heaven will reward you with treasure in heaven. Do not forget to help your own family members in need. Most of all, pray for their souls to be saved."
Jesus said: "My people, you have some radical socialists that are trying to take over your opposition party, and they are promoting socialism or communism for your country. Under your current democratic republic, you have guaranteed rights in the Bill of Rights under your Constitution. Refuse to accept atheistic communism and fight for your freedoms, as the right to worship, and the right of free speech. You have been given a President who refuses to accept socialism, and he stands up against abortion. Pray that your people refuse to back socialism, or you will lose your freedoms. If you follow My Commandments of love, you will not kill babies in the womb, or take away the freedoms of your government by the Constitution."

Thursday, June 20, 2019:
Jesus said: "My people, this year you have seen so much rain that the farmers have had trouble trying to plant seeds in their flooded fields. You are already starting to see some food shortages at your grocery stores. Rain is still important to keep your lawns green, and keep the soil from getting too dry. Tomorrow you are starting your summer of more heat when you will be happy to get some rain.

Ever since one year when you had a very dry year, you do not complain about more rain than usual. You are seeing some unusual weather from your climate changes. Be thankful to live in an area without tornadoes or floods. Other parts of your country are being tested with floods and tornadoes, but soon you will be entering the hurricane season. Give thanks to Me for all the rain you are receiving."

Prayer Group:

Jesus said: "My people, you have seen Iran sabotage several oil tankers and they destroyed some Saudi Arabian pipe lines. Now they have used a surface to air missile to destroy one of your surveillance drones. They shot at another drone and missed on another occasion. Such open violence is testing your President to act. As Iran develops enough enriched uranium for a bomb, they could be inviting Israel to attack them. Iran is backed by Russia and Israel is backed by the United States. Each incident is drawing Iran and America closer into a conflict. Pray that there is no war between your countries."

Jesus said: "My people, there is quite an array of candidates to choose from for the Democratic choice to run against your President. There are some new primary times for some states, so your primary voters need to be attentive to your voting times in your state. Pray that there will not be any cheating in these votes."

Jesus said: "My son, you have just received your new order of eggs and meats that I asked you to stock up on in case of a food shortage. There are some farmers who may not be able to plant crops in their wet fields. As the time to plant passes by, you will have a better estimate of how short you will be in your crops. It will be harder for your stores to get food even from other countries. It is not too late to order some dried foods for your emergency pantry. If your crops are in short supply, it may be difficult to provide enough food for your stores. Pray that your people have some preparations, or you could face empty shelves at your stores."

Jesus said: "My people, you are seeing major threats against the oil tankers and other ships in the Persian Gulf from Iranian saboteurs, or ground to ship missiles. If more incidents keep occurring, you could see some retaliation against Iran. If there is a miscalculation, you could see a strike against Iran that could lead to a full scale war. If Russia or other countries support Iran, you could get closer to a potential World War III. Keep praying that a World War III does not occur."

Jesus said: "My people, I have warned you before about how your natural

disasters will get worse as a punishment for your abortions. You saw some terrible fires in California that were a result of arson last year. Expect more arson fires that could even come from terrorists. Your summer heat waves and violent storms will test your people with more damage. I told you that I would bring you to your knees if you do not stop your abortions. Be prepared for the worst when you do not listen to My warnings."
Jesus said: "My people, your President is trying to make a trade deal with China, and there are some great problems if there is no deal. It is possible that more tariffs could be added that could cause problems for your companies in America and those in China. Such a battle of tariffs could trigger an unintended recession in both countries. Pray that a fair trade deal could be reached, or both China and America's economies could suffer."
Jesus said: "My people, you have a delicate trade problem with China that could be hampered by military consequences in the South China Sea. China is one of your enemies, and they are using your trade deficits to build up their navy and military. At some point you could see trade compromised, if there were military problems with China and North Korea. America should be prepared to start making more of your own goods at home, in case trade with China ceases. Be prepared for a possible war that could stop this trade with China."

Friday, June 21, 2019: (Aloysius Gonzaga)
Jesus said: "My son, when you go out to give your talks, you are seeing increasing resistance to hear My messages about the end times and about abortion. Despite the difficulty in giving My messages, you need to stay strong in My grace to go forward. Some people may not hear this message, unless you tell them. You are approaching the end times, and it will be even harder to get people to listen to My words of warning. The people need to know about My coming punishment for your abortion sins. They also need to know about My protection at My refuges, so they can endure the coming tribulation. My people need to come to My sacraments, especially Confession, so they can have the grace to fight the temptations of the demons. Be prepared for some possible

wars, and more severe persecution of Christians."
Jesus said: "My people, Iran is feeling the pinch on their economy from not making enough money from their oil sales. Because of the sanctions, Iran is trying to stop other ships from sending oil through the straits of Hormuz. Iran will continue to test your people with further ship attacks. At some point America will have to guide ships through, so they will not be attacked. Your President will have to respond at one point when more ships are at risk of attack. Such harassment of the ships by Iran could draw America into a conflict with Iran, which could create a serious war between your two countries. Pray that your countries do not start a war that could be a disaster to your countries."

Sunday, June 23, 2019: (Corpus Christi, Body and Blood of Jesus)
Jesus said: "My son, you are seeing places of adoring My Blessed Sacrament when you adore Me most every day. I know that I am the center of your life, but I still thank you for coming to daily Mass, praying your daily rosaries, and visiting Me in Adoration on almost every day. You also have Adoration every week at your prayer group meetings. My gift of Myself in My consecrated Host is your taste of heaven every day. You believe in My Real Presence in My Host in My tabernacles, and at your Masses. Treasure the moments you share with Me after you receive Me in Holy Communion. This is also your time to receive a message from Me so you can share it with other people. These are the messages you put on the internet, in your books, and in your talks. You are now getting ready for your trip to Puerto Rico. Keep praying for safe travel."

June 29, 2019
Monday, June 24, 2019: (The Nativity of St. John the Baptist)
Jesus said: "My people, you have been reading how the farmers were lucky to plant half of what ground they normally plant because of the floods. Now, they could be tested with more rain that could threaten the planted crops. I have warned My people to stock up on what food you can, because your harvest could

be reduced from what you normally gather. Even your meats may be short because of less grain to feed your animals. It is better to be prepared for a possible famine, when it will be hard to feed food to all of your people. When the stores have difficulty finding food, you will have empty shelves, high prices, or both. This is just the beginning of weather changes that could threaten your food supplies. At My refuges I will multiply your food, but you must have faith in My miracles of multiplication, just as you read how I multiplied the bread and fish for the 5,000 men. Pray that your people can find enough food to survive."
Jesus said: "My son, when you look around at your society, it is very hard to find people who pray every day, let along come to daily Mass. You have heard some people who teach in your schools, and you are taken back by the disorder with no authority in control of the students. You have read of old statistics where only a third of your families have a father and mother in a household. You have many single mothers bringing up their children while they have to work to provide food and a place to stay. Your children have no authority figures in their homes, and that is why they are out of control. They have no models of behavior to follow. Because many parents do not go to church, there is very little spiritual life in your families, and the children do not know Me either. Your children and your society are not being taught properly in your liberal public school system. Only home schooled children and some private schools have a chance to train the children better. Unless your people wake up and let Me be a part of their lives, your society will get worse with the devil's influence. Pray for your families to stay together in proper marriage. Your people have become so worldly that I need to bring My Warning to show you how to live properly. Only some people will change, and I will separate the good people at My refuges from the evil ones who cannot enter My refuges. Stay close to Me in My sacraments so you can be ready for heaven. Give your lives over to Me so I can guide you on your mission to heaven."

Tuesday, June 25, 2019:
Jesus said: "My people, you have read the account of Abram and Lot in the Book of Genesis where their livestock were so many, that they had to separate. But Lot chose to live in the watered places near Sodom and Gomorrah. You

know how evil the people of Sodom were who practiced homosexual living. I am sorry to say that your society is as bad as Sodom or worse because you have accepted homosexual marriage as a legal way of life. I know you all are expected to be tolerant of this lifestyle, but you know that this is blatantly against My Sixth Commandment. You love everyone, but you have to believe this is definitely a sinful lifestyle, as much as living together in fornication is also a sinful lifestyle. You can see that you are living in a modern day Sodom and Gomorrah. This is why I will separate My faithful from those who are evil by bringing My faithful to My refuges. Once the good people are separated from the evil people, I will bring My Comet of Chastisement, and the evil ones will be killed and cast into hell. This is the same account of how I took Lot and his family out of Sodom, and I sent destruction upon those evil ones. Also do not look at this destruction, since Lot's wife was turned into a pillar of salt for disobeying My command. As you continue reading this account of Sodom and Gomorrah, look around you as you see how sinful your society has deteriorated. Pray to save as many souls of your family as possible."
Jesus said: "My people, both your President and Israel do not want to see Iran possess nuclear bombs. Yet Iran is currently making more bomb grade enrichment of uranium after the nuclear agreement ended. With Iran's incidents, you nearly had a war with Iran. Israel knows that Iran would like to bomb Israel with nuclear weapons, so Israel may seek to try and destroy Iran's bomb making ability. Once Iran declares they have nuclear weapons, this could in itself trigger a war with Israel and Iran. Since the United States backs Israel, you could quickly be drawn into this conflict, with Russia backing Iran. If you are asking how such a war could be stopped, it would take lots of prayers and Masses, but also it would require keeping the peace among your leaders without so many threats."

Jesus said: "My son, you were down to your local beach on Lake Ontario, and you saw water flooded all over from the high lake levels. You also have been reading about the billions of dollars of damage caused by the floods along the Mississippi River. Remember how I told you that you would be punished by

natural disasters unless you stopped your abortions. You are seeing your punishment right before your eyes, and you still do not see the connection between your abortion sins and My punishment. I also told you, if you do not change your abortion laws, and stop your abortions, that your natural disasters will get worse until you see the light. So be prepared for the worst because your hearts are so cold to My love."
Jesus said: "My people, there are many people who have to live through illnesses and various trials in life. You may be one who is suffering a temporary health problem, a chronic health problem, or even a terminal illness. Do not waste your pain, but you can offer it up to Me for redemptive suffering. When you give your pain over to Me, I will store your offering in heaven. You can also direct your suffering to help souls on earth or in purgatory. You know of people who are going through hard times, so you can share your suffering to help them. Others who are caretakers, also suffer in a different way to help their family, or even their spouses. It is hardest for a spouse to see their partner dying of a terminal sickness or cancer. You can pray for all of these intentions. Even if someone is suffering, you can comfort them with your caring visits. I love all of you, and I want you to show your love for Me and your neighbor."

Thursday, June 27, 2019: (St. Cyril of Alexandria)
Jesus said: "My people, it is not enough to call 'Lord, Lord', and know My Commandments, but you must be able to act on My laws and follow the Will of My Father. Because the people around Me did not follow My laws, I called them 'evildoers'. I emphasized My teaching with a parable. I told them that they needed to build their house on rock, so when the wind and rain come, the house will not be washed away. What this means, is that they need to build their faith strong on the Ten Commandments so their faith is solid on a good foundation. I built My Church on the rock of St. Peter, who was the first Pope. Those people, who hear My Word of the Commandments of love, but they do not put them into action, are like those people who build their house of faith on sand. Then when trials, or rain and wind come, their house of little faith is washed away, and they could be lost. So put your knowledge of the faith into actions by good deeds, and obey My Ten Commandments. Then you will be on the right road to heaven."

Prayer Group:
Jesus said: “My people, I showed you a vision of an explosion coming soon. Now, you are seeing a report in one of your news outlets that ISIS is planning an attack on New York City about the time of July 4th. The most likely target is your Freedom Tower, which I told you would be brought down because of your defiance of the first Trade Tower crash. You need to treasure your freedom while you have it, because when your President leaves office, you could be taken over by socialist communists. Have no fear because I will call My faithful to My refuges during this takeover.”
Jesus said: “My people, you are seeing the G-20 nations meeting together. Many people are hoping that China and the US will smooth out their current trade war. There is ongoing concern about Iran making nuclear weapons, and their continued attacks on oil tankers, and your drone being shot down. Europe and the US need to be aware of this danger, even if Europe wants Iranian oil.”
Jesus said: “My people, you are seeing an inversion in your interest rates of Treasury Bonds that in the past has been a sign of a coming recession. This is bad news for savers when interest rates go down. This is also a sign that investors are running for security in 10 year bonds, and the gold price also is at a new high of $1400/oz. My people should be prepared for hard times when your stock market could drop hard. Pray for your country’s economy and that you will have enough food to eat.”
Jesus said: “My people, you are starting to see more unusual hot weather coming to your country that will challenge your electric grid for air conditioning. Your flooded rivers are still in flood stage that could threaten your food supplies. Your country is not alone because Europe is seeing 100 F temperatures with fires in Spain. Your weather is changing and it appears to be heating up from a decrease in the strength of your magnetosphere in addition to your increased carbon dioxide. These natural disasters are a continuing punishment for your abortions.”
Jesus said: “My people, you have seen a political battle going on between your two parties over the illegal immigrants coming into your country. They are so numerous that you have run out of facilities to house so many immigrants. Your Congress is working on a needed $5 billion grant that is needed for humanitarian needs to house and feed these people. The opposition party wants open borders and your Supreme Court refused to allow citizenship questions on your next Census report. Pray for a fair resolution of your border problems.”
Jesus said: “My people, for several months now I have been asking My faithful to have at least one year’s supply of food stored for each member of your

household. You are seeing floods that have reduced your crops that could be harvested. You are seeing hotter temperatures with difficulties of getting fresh water later in the summer. You are seeing beginning fires in various states. You have a decreasing bee population that is threatening proper pollination. All of these factors will affect your available food at your stores, so stock up now before you could see empty shelves."
Jesus said: "My son, you will be traveling to Puerto Rico soon, and you will witness first hand the results of Hurricane Maria on this island. There are some poor people and many are struggling to find food, fuel, and electricity. You will see how valuable your electricity is to our living, and how devastating it is to be without electricity. You and Fr. Michel will be sharing your messages with the people of Puerto Rico. You had some good interest in your talks the last time you visited this island. Pray for these people who are suffering with many deficit debts in their government."

Friday, June 28, 2019: (Most Sacred Heart of Jesus)
Jesus said: "My people, in today's Gospel and the first reading you see accounts of how I pasture My sheep as you are all so loved by Me. I am like the hound of heaven always searching for lost souls, and encouraging souls to come to Me out of love. People, who do not have love of Me in their soul, will live a very depraved life. I am your Creator, but the devil is always trying to block My love to people's hearts. Do not get wrapped up in the desire for earthly things, or seek vengeance for other people's wrongdoing. Love everyone, even those people who persecute you or aggravate you. You need to always think of loving thoughts, and not revenge or evil thoughts out of greed. Heaven is a place of love, and in order to enter, you must be pure and loving in your heart and soul."
Jesus said: "My people, I have pointed this time out to you in the Ninth Chapter of the Book of the Apocalypse or Revelation when it talks about the seven trumpets. In one trumpet a star fell from heaven called 'Wormwood' that would destroy a third of mankind. In another trumpet there were plagues of locusts that were not to harm those people who had the mark of God on their foreheads. But for those people, who did not have this mark, they would be stung for five months from scorpions the size of horses, but they would not die. The sounds of

trumpets all over the earth are a sign of the coming Antichrist. But I will bring My victory over him with My Comet of Chastisement. Then the evil ones will be killed, and cast into the eternal flames of hell. My faithful will be protected at My refuges, and after the tribulation, they will come into My Era of Peace."

Saturday, June 22, 2019: (St. John Fisher & St. Thomas More)
Jesus said: "My people, both St. John Fisher and St. Thomas More were brave bishops to stand up in defiance of King Henry VIII. The king wanted a male heir to his throne, so he kept marrying different women, and had some killed. The king had these bishops beheaded, and formed his own Anglican Church so he could divorce and remarry other women. St. John Fisher was adopted patron of your Rochester diocese since he was Bishop of Rochester in England. You also had a college named after him, as you graduated from St. John Fisher College. You remember receiving a book about the life of St. John Fisher. There have been many martyrs who died for their faith in Me. My people need to imitate the lives of My saints."
Jesus said: "My people, I am showing you some dramatic events about to happen soon. I am not giving you the details now, but I will tell you when things get closer to this time. Your world is getting closer to another war, but you need to hear all the details that could trigger such a war. The last time you went to war was when nearly 3,000 people were killed in your trade tower attack. This is why your President did not start a war over an expensive unmanned drone. This means if a lot of Americans were killed in an attack, your President would probably call for action against the aggressor. Pray that you do not have a war, but if some nation starts a serious aggression, they could be signing their death warrant. Keep ready for some serious events, especially if a nation tests your President's will to carry out an attack."

July 17, 2019
Saturday, June 29, 2019: (St. Peter & St. Paul)
Jesus said: “My people, these two men are truly your pillars of faith. To St. Peter I gave the keys of My Kingdom, as he was chosen to be My first Pope of the Roman Catholic Church. You have been reading all the accounts of My Early Church in the Acts of the Apostles. St. Paul was converted from a Pharisee, who was killing My converts, to a great missionary of the Gentiles. My Early Church made a decision not to require circumcision and other Jewish requirements to become a Christian. I had Jewish roots, but I came to fulfill My laws of love. Loving everyone, even your enemies, is a new way of life, even for the Jews who lived by ‘an eye for an eye, and a tooth for a tooth’. My apostles have given you the faith in My Gospels and St. Paul’s epistles, so follow My words in your actions, and you will have eternal life.”
Jesus said: “My people, you remember reading the accounts of the Book of Genesis after I created everything on the earth. I put Adam and Eve in the Garden of Eden and they were without sin. Once the devil tempted them to eat the forbidden fruit, they committed the original sin against Me. Sin and death came into the world as Adam and Eve were cast out of the Garden of Eden. I came down to the earth to die on the cross to bring salvation to all of My people. Some people have accepted Me, while others have not. Those people, who remain faithful to Me through the tribulation will have their reward in My Era of Peace and later in heaven. You will rejoice in this new Era of Peace without the devil or any evil thing. This Era of Peace is how I wanted man to live before the devil changed the world. But I am more powerful, and I will defeat all of the demons and cast them back into hell. Look forward to My Era of Peace for all the people who will be faithful to Me in word and deed.”

Sunday, June 30, 2019:
Jesus said: “My people, in the first reading you are seeing Elijah passing on his

mission of prophesy to Elisha when Elijah put his cloak over Elisha. Elisha completed his farming mission by killing his oxen for a feast because he was not coming back. Elisha bid his parents good-bye and followed his new mission with Elijah. In the Gospel I was calling people to share My mission also. When I called people, I wanted them to follow Me at once, without looking back. If you are called to be a priest, a prophet, or a missionary, be thankful for the opportunity to spread My Good News. Do not look for excuses not to serve, but be ready to be with Me in converting souls to the faith. Some people I call for special missions, but all of My followers are called to evangelize souls by their Baptism. You can help your own family members to come closer to Me in prayer and coming to Sunday Mass. Be ready to follow Me and make Me the center of your life so you can love Me and your neighbor."

Monday, July 1, 2019: (St. Junipero Serra)
Jesus said: "My people of America, how I love you so much for all you do to help people and other nations. But your behavior as a nation is worse than Sodom and Gomorrah. I keep giving you warning messages to stop your abortions, fornications, and homosexual acts, but you are not listening to My pleas to change. As a punishment you will be seeing worse natural disasters, and eventually I will allow the one world people to take you over. My saving grace for My faithful believers is that I am having My people set up refuges of protection where I will separate My good people from the evil people. Only My believers will have an invisible cross on their foreheads, and this will allow them to enter My refuges. People without this cross, will not be allowed to enter because the refuge angel will prevent them from entering. This is why during the six weeks after My Warning, you will need to try and convert your family members so they can receive the cross on the forehead to enter my refuges. Lot and his family were removed from Sodom and then I destroyed that town because there were no more just people. Once My faithful are safely in My refuges, I will bring My Comet of Chastisement, and all the evil people will be killed and cast into hell. My refuge angels will shield My faithful from the Comet, and then I will bring My faithful into My Era of Peace. The Antichrist and the demons will be defeated in My victory, and they will burn in hell as well as the evil people. Rejoice in My love, but My justice will be carried out because

of your sins."
Jesus said: "My son, you are well aware of the value of the Mass where the priest consecrates the bread and wine into My Body and Blood in My Real Presence. The sacrifice of the Mass has more value than any other prayer because it involves My unbloody sacrifice. You had some messages about My justice punishments coming on your country. There are people who could lose their lives in storm, earthquakes, or accidents. Some of these people who die suddenly, may not have the grace of time to prepare their souls to meet Me at their judgment. It is for this reason that you have some priest offering up Masses of Reparation to help such souls faced with a sudden death. I want you to continue to support this effort for Masses of Reparation that will be needed more when more serious destruction falls on your land."

Tuesday, July 2, 2019:
Jesus said: "My people, in today's Gospel you saw how My apostles were fearful for their lives in the storm, even though they knew I was with them. When they called Me to help them, then I calmed the storm, and the apostles were amazed at My power over the seas and wind. This faith in My Presence by your side should be remembered when storms come up in your lives. At times you will have what appears as impossible problems to solve. This is when you can call on My help to get you through your trials. It is your faith in My help that I will hear in your request, and I will answer you. There are many trials that you will face which are beyond your control. So always remember to call on My help in prayer."
Prayer Group:
Jesus said: "My son, Fr. Michel, yourself, and your wife will be leaving soon to give talks in the cities of Puerto Rico. Your friend, Nilda, will be translating for both of you as you bring My Word to the people of God in Puerto Rico. You will see some places that were damaged by Hurricane Maria, and it is hard to recover from such a disaster. Comfort and pray for these people who have suffered much destruction. Give them hope in My love so they can pick themselves up. Maybe you could see some places to help when you get back home. Take some video to show the people in America how they are living now."
Jesus said: "My son, do what you can to help Nilda and thank her for all of her

work. She is concerned for her people, and she wants them to hear about refuges and the trials that are coming. The people will be happy to hear Fr. Michel's stories and his message for these times. Your time to prepare for the end times is growing short and the people need to be prepared for the coming Warning by coming to frequent Confession. Continue to pray for the people of Puerto Rico and the success of your trip."
Jesus said: "My people, you have had a time of prosperity for some time with full employment all around you. There are signs on your farms that you could see less crops harvested that could test your food supplies. There are also signs that your businesses might start slowing down as some people are concerned about a recession due to your inverted yield curve on your government bonds. Pray that people will be prepared with some extra food that may be needed if your stores have less food than needed."
Jesus said: "My people, in My days the people were asking Me for a sign, but the only sign I would give them is the sign of Jonah. You know how I asked him to go to a city of his enemies to tell them in forty days their city would be destroyed if they did not repent and change their lives. He was reluctant at first, but he was able to convert the people of Nineveh. So the sign for all of My faithful is to reach out to your neighbor and try to save and evangelize as many souls as you can. Do not have any fear, but call on My help and the Holy Spirit will give you the words you are to preach to them."
Jesus said: "My people, you are seeing possible threats from North Korea who has nuclear bombs and delivery missiles. Your President reached out to him at the border. You also have Iran stirring up trouble with the oil tankers and expanding and enriching more uranium to make potential bombs. Keep praying that you do not have a war in this area of the Middle East."
Jesus said: "My son, you are fortunate to have a beautiful wife and family over these many years. You have made Me the center of your life, and you have been rewarded for your efforts. You have answered My call for your mission to preach about the end times and a further mission to prepare a refuge. You should be thankful for your prayer group who have supported you in your missions. Continue to trust in Me, and I will lead you to help other people in their faith."
Jesus said: "My people, America is a special nation that was founded on a Constitution of a belief in Me and Judeo-Christian principles. Many of your people have kept your freedoms to worship Me and earn your own living. You are now seeing a confrontation with socialist communists who are trying to change your Democratic republic into another atheistic communist country like

China and Russia. This will be a moment of truth for your people to choose between your current freedom, or give in to oppressive communist leaders. You are also choosing between loving Me or not. Atheism is a lack of love for Me, so hold on to your original beliefs of your Baptism in the faith. You would much rather be with your loving God in heaven, than suffer the flames of hell where the devil hates you. Choose life with Me as your eternal reward."

Wednesday, July 3,2019:(St. Thomas, our 54th wedding anniversary)
Jesus said: "My son, I want to congratulate you and your wife for being faithful to each other for fifty-four years, as your marriage has produced great fruits of love for your family. With your society it is harder to find couples staying together this long. I instituted the marriage sacrament of Matrimony so couples of husband and wife could bring up their children in an environment of love. I even use marriage to show My relationship as Groom and My Church as My Bride. It is unfortunate that many of your people are not following My plan, but they are living in sinful lifestyles of adultery, fornication, and homosexual acts. Your people are also using abortions to cover up their sins. You need to pray for young couples to get married properly before having children. They would be best to get married in My Church with a commitment to keep their marriage together without divorce. Love in a family is needed more than ever in your world."
Jesus said: "My son, when you come to the Puerto Rican people, you will be seeking out souls to be saved by My grace. Many people are seeking the love and hope in Me to bring them through their trials. Let the people know how much I love them, and I am bringing My servants to share My messages of love in the end times. My Warning is coming to give all souls a chance to repent and change the sinful lives of this world. The Warning may be your last chance to be saved, so choose to change your evil lives into good Christian lives. You will have a life review with a focus on your unforgiven sins. Then you will have My judgment of your souls. You will all have a taste of your present destination for your soul. Repent of your sins in frequent Confession so you are not faced with the flames of hell in your mini-judgment. I love all of My people, and I do not want to lose one soul. All the souls who choose hell, make that choice from their own free will. I will never violate your free will, but I encourage you to love Me

and one another."

Thursday, July 4, 2019:
God the Father said: "I AM WHO AM is calling all of you to come and honor My Beloved Son because He has brought salvation to all of your souls by His sacrifice on the cross. His sacrifice is making atonement for all of your sins, past, present, and to come. When you come to adore My Son in the consecrated Host, thank Him for dying for your sins, and opening the gates of heaven to all worthy souls. This plan of My Son as your Redeemer, was started after the original sin of Adam and Eve. I have restored man's standing, despite your fallen state. I love all of My creations, and I will not abandon your souls to the evil ones. Instead, My Son's death and Resurrection offers eternal life to all souls who will repent of their sins and love Me, as well as loving My Son as your Savior."

Friday, July 5, 2019: (St. Anthony Zaccaria)
Jesus said: "My people, in today's first reading Abraham wanted to keep his race pure, so he had Isaac instructed to only marry someone of his own family's descendants. Isaac was married to Rebecca, and he was the one to carry on the descendants of Abraham. This is also a sign to have a pure marriage with no sexual relations before the marriage. This is an example for all of My young people that you need to be properly married in My Church with only a man and a woman. Avoid living in fornication, adultery, or in homosexual marriages. If you commit any sexual mortal sin, you need to be confessed in Confession in order to receive Holy Communion worthily. Do not receive Holy Communion in mortal sin, or you commit another mortal sin of sacrilege. I am perfect and holy, and you should only receive Me with a pure and holy soul. Go forward and evangelize as many souls to the faith as you can."

Jesus said: “My people, I told you that I would be with you always to the end of time. At the tribulation time My faithful souls will all be separated at My refuges. Some refuges will have a priest, and they will have Me in daily Holy Communion. Other refuges may not have a priest, so I will send My angels to give you daily Holy Communion, just as you see the angel in the vision bringing My Hosts to the people. Once you receive My Hosts, you can place one Host in a monstrance for Adoration in your chapel. Then My faithful need to assign Adoration hours to the people at all hours of the day and night. This is so someone is constantly present before My Real Presence. This will be a Perpetual Adoration so I will protect and feed all the people at your refuge. I love all of My people so much, and I desire to be with you at all times. Give Me your love, and repent of your sins, and you will have eternal life with Me in heaven.”

Jesus said: “My people, the harvest of souls is great, but the workers in the field to evangelize the people, are few. Pray and ask the Master of the Harvest to send more workers into the fields to reap the harvest of souls. My son, you and My special prophets need to share the faith with the people. You may be the only one to greet some people with My faith in My Kingdom that the people will ever meet. Bring as many souls to Me as you can. Pray for more vocations to the priesthood, but the time before My Warning grows short. It will be My gift of My Warning that will help convert some souls who would have been lost. My prayer warriors will need to reach out to all of their family members to convert their souls during the six weeks of conversion after the Warning. This will allow the new believers to have the angels put a cross on their foreheads so they can enter My refuges. You do not want to see any one of your relatives lost in hell. I am depending on My prayer warriors to help Me in the harvest of souls. The devil is trying to take souls away from Me, but I am more powerful. I am sending My Holy Spirit down to help My faithful in winning souls over to Me. He will give you the words to speak to the people so they could be saved. Give

your free will over to My Will, and you will be with Me in heaven, just like the thief on the cross entered Paradise with Me."

You are fortunate to have people paying for your plane ticket, serving you food, and providing housing. My servants are worthy of their needs which are provided by their friends. All of those people, who help you, will receive their reward in heaven. You can also thank them for their generosity. It is almost time to say good-bye to the Puerto Rican people. I am blessing them all for being faithful to Me and My Blessed Mother. Continue, My son, to go forward and share My messages with those people, who come to hear them, and they need to act on My messages of love by loving Me and one another in all that you do."

Jesus said: "My people, in the messages I gave you in Puerto Rico, I was showing you a missionary trip to evangelize people. Not only do I call you to baptize new converts, but I want you to reach out to the fallen away Catholics, who are no longer coming to Sunday Mass. You have heard of Me as the Good Shepherd of My people, and I am constantly searching for My lost sheep. I love all of My people, and I want My prayer warriors to help seek out the lost souls, so they can be saved. Saving souls is your most important work for Me. So do not be afraid to go out of your comfort zone to find these lost sheep. You can also pray for the lost souls to return to Me, and for the souls in purgatory. When you are generous with your prayers and your help, I will reward you in heaven."

Wednesday, July 10, 2019:
Jesus said: “My people, you have been reading the account of Joseph in the Book of Genesis. He had a dream interpreted for the Pharaoh of Egypt who saw seven fat cows and then seven thin cows. This meant that there would be seven years of plenty and then seven years of famine. Joseph was given control over the food in Egypt. So he had the people store extra grain during the years of plenty. Then he was able to ration the grain to the hungry people during the famine. Even his own family benefited from these rations of grain. My people have been warned also of a coming famine. So now is the time to save at least one year’s supply of food per family member. If you do not have the money or space for so much food, then in faith I will multiply your food when it is needed. My refuges need to stock up on your dried food, MREs (meals ready to eat), and canned food. I will multiply your food, water, and fuels so you can survive at your refuges. Just as I provided manna and quail for My people in the desert, so I will provide daily Holy Communion and deer at My refuges. Trust in Me to provide for all of your needs at My refuges during the tribulation, along with your refuge angel shielding you from the evil ones.”
Jesus said: “My people, in your news you heard of several Iranian boats that were trying to capture a British supertanker in another provocative incident. This was in response to British ships capturing an Iranian tanker that was trying to avoid the sanctions against Iran. A British warship close by warned off the attacking boats. You have seen at least four recent events of Iranian attacks on tankers, and shooting down your drone. If these incidents continue and get more serious, you could see some retaliation that could initiate a war between America and Iran. The vision of seeing a tank is an indication of a possible war. You need to add another intention to your daily prayers that you do not have a war with Iran.”

Thursday, July 11, 2019:
Jesus said: “My people, in the Gospel you see Me instructing My apostles in how to go out to all the nations to preach ‘The Kingdom of God is at hand.’ I

told them to take no money in their belt, no sack, no extra tunic, and no sandals. I also said how they are to heal the sick, raise the dead, and forgive their sins through My commission of Holy Orders at the Last Supper. Even today, I am calling My priests, missionaries, and My prophets to go out and heal people, and the priests can hear confessions. It is a special mission to go out to spread My Good News of salvation through My death and Resurrection. In the vision I am the Vine and you are the branches. I give you life in My Eucharistic graces and the Holy Spirit to speak the words to convert souls. It is the rainwater of converts that you bring to Me. Reach out to save converts, and all of the fallen away Catholics. I offer salvation, but the people need to repent and accept Me as their Savior."

Prayer Group:

Jesus said: "My people, you are seeing a second tropical storm, Barry, that could turn into a hurricane. Several low lying areas are being evacuated, and there is a possibility that enough rain or storm surge could break some levees. Pray for the safety of the people of Louisiana, and that the levees hold. Many people may not be fully prepared. You could pray your Divine Mercy Chaplet for anyone that may die from this storm."

Jesus said: "My people, I have been warning you that you could be tested by some serious natural disasters because of your sins of abortion in killing My babies. You have already seen a 6.6 and a 7.1 earthquake in Southern California. You could see more after shocks and possibly more large earthquakes. You are also seeing some heavy activity with geysers going off 23 times. All of this activity has not occurred in two decades. Be prepared for disasters as the Barry storm. Pray for the people who may experience losses or even some deaths."

Jesus said: "My people, Iran has been harassing the oil tankers going through the straits of Hormuz. Some have been mined or set on fire, but there has been no loss of life so far. The sanctions on Iran has caused them a bad economy. It will be hard to restrain from retaliation if more ships are set on fire. Pray that a war does not break out in this area."

Jesus said: "My people, some of your socialist Democrats are proposing unreasonable plans as the 'Green' plan to stop burning fossil fuels. This would be difficult since your alternative sources of electricity could not generate enough electricity for your needs. Other proposals were to do away with ICE, Homeland Security, the Secret Service, and even the Coast Guard. Some of these plans are to form an atheistic communist country. This is why your President is against socialism and taking away your right to worship Me. Pray that the

socialists do not take over, but eventually I will allow your takeover as a punishment for your abortion laws."
Jesus said: "My people, you have seen several movies come out that exposed the dreadful killing of babies in late term abortions. Some have shown doctors killing live babies, and others showed an abortion clinic director who quit her job, and now fights abortion. Many are bringing cases to your Supreme Court. Pray to stop abortion, and if possible, repeal your Roe vs. Wade decision that allows abortion. If your laws or decisions are not changed, you will see worse disasters."
Jesus said: "My people, you have just celebrated Independence Day when your people fought for your freedoms from England. You have a democratic republic with your Bill of Rights in your Constitution. Your liberal activists are trying to change your Electoral College vote to a Popular Vote that would only favor populous states. Preserve your freedoms and fight against socialism which is a Godless or atheist form of government."
Jesus said: "My people, your President has been trying to have fair trade without cheating and hidden fees. Tariffs on China have had some hard consequences on your farmers. Your President is also encouraging more plants to make things in your own country, but this has only increased slightly. The uncertainty over your trade issues could affect your economy. So pray that a reasonable trade agreement can be worked out with China and other countries."

Friday, July 12, 2019:
Jesus said: "My people, you have seen a lot of flooding with heavy rains this year. It is so bad that farmers could only plant a portion of their usual crops because of the muddy fields. Now, you are seeing tropical storm Barry coming into Louisiana, where it is forecasted to flood this area with heavy rains. There is concern that the water could come over the levees. The vision of money under water is a sign that your people are losing billions of dollars due to the flooding of your rivers and farmlands. This money under water can also be a long term sign of doing away with cash money for transactions, or a crash of the dollar. The one world people manipulate the stock prices and the interest rates so they can buy stocks on margin with cheap money. It is your savers in cash who are

getting less money on their savings with lower interest rates. Pray for the people and farmers who are suffering losses on their crops and buildings."
Jesus said: "My people, you have been seeing many earthquakes all around the Rim of Fire in the Pacific Ocean. When you have a 7 or 8 earthquake, you could see a tsunami occur that can travel very fast in the water. I will give you more details as this time approaches. Be prepared for one event after another as the time of the Warning and tribulation are near in your time. The people all over the world are concerned more about their daily activities, possessions, and fame, when they should be more concerned about their soul's destination. For those people, who desire to be with Me in heaven, you need to make Me the center of your lives. By your prayers, Masses, good deeds, and monthly Confession, I can see that your love for Me is sincere. I am always at your side so you can ask Me to help you through the trials in your life. Trust in Me at all times in My love, and you will have your reward in heaven."

Jesus said: "My people, I see everything that happens around you, and I want to comfort all of My people so you do not fear the people around you. When you go out to speak, you meet some beautiful people, and you share My messages of love and warning with them. You have some criticism, but in general you are helping the people know and love Me. Be thankful that you have the opportunity to enrich the faith of the people you are speaking to. Continue to pray your St. Michael long form prayer for your protection coming and returning from your talks. You can also pray your St. Theresa Glory Bes for added protection as you approach the Warning and the tribulation. I love all of My people, and I thank those people who are making refuges."
Jesus said: "My people, I just gave you a message that you would see one disaster after another. Your first hurricane to hit your country is flooding Louisiana, and the people could not go about their pleasures on this weekend. There is plenty of sin in this area which is why they have flooding and power outages. Another incident is a power outage on Manhattan, New York City that is causing a blackout on the anniversary of the 1977 blackout, and it is causing 60,000 customers to lose power. There is also plenty of sin in New York City as

well to receive this punishment. Your people only take notice of things that affect their wallet of money. If this is the only way to get your attention about your sins, then expect more of these incidents. My people need to stop your abortions and sexual sins, and change your lives, or I will change them for you."

Sunday, July 14, 2019:
Jesus said: "My people, when I formed My Church, I founded it upon the rock of St. Peter and the gates of hell will not prevail against My Church. The faith in Me that you have been given, is your foundation built on rock. In today's Gospel of the Good Samaritan, it is important to act out your faith with good deeds. The man asked Me who is My neighbor, so I gave this parable where the Samaritan helped a man who was beaten by robbers. He bandaged up his wounds and paid the innkeeper to take care of the man. The Jews disliked the Samaritans, but he was the kind neighbor in this parable. This was the neighbor to help the man in distress, and I told the one who questioned Me, to go and do likewise. When you see people in need, you are to reach out in love when you can help them. Your church is asking for your people to increase their donations, so people should help keep My Church supported as much as you can. Remember how I love a cheerful giver."
Jesus said: "My people, many of your utilities of lights, water, and other phone lines are vulnerable to people hacking these systems. There are alleged stories from some intelligence sources that the blackout in New York City was caused by a malicious computer virus that someone entered into the electrical system. It was isolated and the lights were able to be returned to service. This story may not be released by your media, but it is very possible to confirm by your officials running your electric grid. Such viruses could be perpetrated by various rogue states like Iran. Your electric lines are vulnerable to more viruses or an EMP (electromagnetic pulse) attack by atomic bombs. Those people at My refuges, who have solar panels, will be protected by My refuge angels. If your country loses your electricity for a long time, there is a danger that many of your people could die of starvation. Many people do not have enough stored food to last a long time. My refuges have food and water that I will multiply for My believers. Trust in Me to warn you when it is time to come to My refuges."

Monday, July 15, 2019: (St. Bonaventure)
Jesus said: "My people, in today's Gospel I am calling people to let Me be the center of their lives. When you help people, you are helping Me in them. Be willing to reach out and help people in need both financially and spiritually encourage their faith. By your good example you may be able to lead people to Me and away from bad lifestyles. I mentioned how in one way I was dividing families, but only how each member believes in Me or not. My believers are on a road to heaven, but those people, who reject My love and refuse to repent of their sins, are on a path to My justice in hell. Pray for sinners and your family that they could be converted to the faith and be saved. It is everyone's free will to choose their eternal destination."
Jesus said: "My people, you know in the Bible how it speaks of a time of tribulation under the Antichrist. I will allow him partial control of the world for less than three and one-half years. When this is allowed, I will warn My faithful to come to My refuges of protection. This will mean at some point America will be taken over by the one world people as your punishment for your abortions and sexual sins. This takeover could come in many possible ways. The first is an EMP attack from several nuclear bombs that would take out your electricity, vehicles, and microchips. Another takeover could be from a communist takeover of your government. Still others would involve a crash of your money or your stock market. You could have mandatory chips in your body, or a combination of natural disasters that could cause a famine. Even a pandemic virus could kill a lot of people. Have no fear because My faithful will be protected at My refuges, although some could die as martyrs from the evil ones. Trust in Me that I will have My angels defend you from the demons and evil people. The reign of evil will be brief before I will bring My destruction upon all the evil ones. Be patient during this purgatory of the tribulation, and you will have your reward in My Era of Peace, and later in heaven."

Tuesday, July 16, 2019: (Our Lady of Mt. Carmel)
Jesus said: “My people, in the Gospel I called out woes to the towns where I performed most of My miracles. Corosin, Bethsaida, and Capharnum were all rebuked for not repenting of their sins, when I preached My words of salvation. I told them that the Kingdom of God is at hand, but they still did not repent of their sins. That is when I told them that they would go down into the nether world for not believing in My words. I told them that their judgment would be worse than Sodom. Now I am calling, ‘Woe to America’, for you have heard My words of My Gospel and you have still not repented. You were struck a blow on 9-11-01 in your Twin Towers and you did not repent, but you built another Freedom Tower in defiance of My judgment in Isaiah 9:10. Your country will be brought to its knees by natural disasters, and you will be taken over as a punishment for your abortions and sexual sins. Repent now for those people, who want to save their souls. I will protect My believers at My refuges.”
Jesus said: “My son, earlier in the planting of crops, it appeared your farmers were not going to be able to plant their normal fields because of the muddy fields. The yield of your crops will be down, but it is not known how much of a shortage you could have. You could see some shortages in your stores as time goes on, and this will tell you about any shortages in your fields. Your friend is right that it may be a good idea to stock up on some food before you may not be able to order it. I asked you to get some more eggs and meat which you ordered, and you got some other foods. Now your friend is replacing some food that you donated to your priest friend. Be grateful for the people at My refuges who are storing food for the tribulation time. Do not worry about having enough food for those people who will come to your refuge, because I will multiply your food, water, and fuels for your survival.”

Wednesday, July 17, 2019:
God the Father said: “I AM WHO AM is telling you how I saw the Hebrews suffering from the slavery of the Egyptians. This is why I appointed Moses as the ‘deliverer’ of My people. Another king took over after Joseph’s help with the food, and the Pharaoh put the Hebrews into slave labor to build his supply cities.

Just as I appointed Moses, so now I am appointing many prophets to prepare the people for the coming Warning and tribulation. The people of this world are being led astray by the devil, and they are turning evil in their lifestyles. I am preparing My faithful to be separated into My refuges, so I can bring My punishment down upon the idolaters of sex and greed. Trust that I will protect My faithful."
Jesus said: "My people, without Me, you are nothing. My Body and Blood feeds you your spiritual sustenance, and only those people who eat My Body and drink My Blood will have eternal life. This is why the devil is trying to get rid of My Eucharist in the Host because he is weak to My power. This is why the devil attacks the priests, the hierarchy, and My Church people. He wants to do away with the Mass because My consecrated Hosts are his number one target. This is why you need to pray for your priests, bishops, and cardinals to remain faithful to Me. Pray that the Mass is not changed, since it should not be a one world religion. When you see a division in My Church, you are to remain with My faithful remnant, and do not accept the coming schismatic church. At My refuges you will have My true Mass, and My angels will bring you daily Holy Communion. Treasure My Adoration hours as your grace and strength that will help you to remain faithful to My love. I love all of you, and I will be with you to the end of time in My Eucharist."

Thursday, July 18, 2019:
Jesus said: "My people of America, in the vision I am showing you the Tower of Babel and how the pride of man blinded their eyes in not obeying Me. Because of their pride, I caused them to be confused with many languages. Today, you are seeing a similar pride in your technology, and in building your Freedom Tower. The devil has also blinded your people with greed, changing gender, and a lack of My Presence in your lives. You have been witnessing several power outages from unexplained sources. When your electricity goes out, many of you suffer in darkness without air conditioning in your current heat wave. Your people should get ready to endure more disasters from earthquakes, storms, and more power outages as a punishment for not repenting from your abortions and sexual sins. Pray that you do not have any wars, especially in the Middle East with Iran.

Your people need to come to Me in church to repent of your sins. Those people, who make Me the center of their lives, will have My reward in heaven, and I will see to their protection during the coming tribulation at My refuges."
(Funeral Mass Robert Brennan) Jesus said: "My people, you heard about Robert Brennan from his son's words about his father. Robert was a gracious and generous man in helping his family and others. He was a model father for people to imitate. You knew his wife when she came to your prayer group in the beginning of your ministry. Robert is with Me now, for he is worthy of his heavenly reward. He will be praying for his family and watching over them. His family can call on him for prayers and help."
Prayer Group:
Jesus said: "My people, your weather forecasters are predicting 100 F days for the weekend. This could be a heat stroke threat for those people without any cooling. If many people use their air conditioners all at once, you could have brown outs or power outages. This is another test from your natural disasters. Be prepared for more of these heat waves, as you could see occasional record highs this summer. Trust in Me that I will protect My faithful."
Jesus said: "My people, your Congress finally authorized $4.5 billion for humanitarian aid for your border facilities that are overwhelmed by too many illegal immigrants who are seeking asylum. Your Congress has failed to act to correct your asylum laws. This is why you are holding people until their trials. Some flee into your country in violation of their judgments. Those people in Congress, who are complaining about the overcrowding, should look at their neglect to have better immigration laws."
Jesus said: "My people, you have just seen Iran take control of an oil tanker with engine problems. You also saw your Navy shoot down an Iranian drone, similar to when Iran shot down your drone. As more incidents keep occurring, you could be getting close to some kind of conflict with Iran. Keep praying that there is no war in this area."
Jesus said: "My people, in the last week three cities experienced unexplained partial power outages. They were New York City, Washington, D.C., and Fullerton, Orange County, California. These events were not connected to the coming heat wave, and they could possibly be related to cyber attacks from other countries. Your National electric grid, water, and communication lines are vulnerable to virus attacks by hackers. Pray that your people can protect you from such attacks. Now, tonight you had your own partial blackout at your house."

Jesus said: “My people, you have the one world people and the Justice Democrats giving media time to your socialist communist activists that are proposing tactics opposed to your Constitution. It is a constant drumbeat of anti-democratic policies that you keep hearing on your media and in your colleges. There is a plan for the one world people to cause riots in the streets for these activists to get their way of a communist takeover. As your opposition party moves further left to adopt such communist goals, you could see a coming civil war. Pray that your voters see the errors in these atheistic plans and keep your current democratic republic. Pray for calm and not constant hate.”
Jesus said: “My people, with all of your summer heat, there is more of a need for fresh water. Some rivers and reservoirs could be drying up, and this could make your drinkable water in short supply. Keep some water on hand in case your wells or water sources have little water. This is why I am asking My refuge builders to have water wells on their land. You cannot live without sufficient amounts of drinkable water.”
Jesus said: “My people, I have been warning My people to stock up on some extra food throughout the year. If your farmers continue to predict some food shortages from your harvests, you could see stores with empty shelves. If food is in short supply, this could cause some panic among your people in a partial famine. It is better to have a full pantry than very little in a food shortage. In the future you also may need a chip in the body to buy any food. When your lives, or your food supply is threatened, I will lead you to My refuges where I will multiply your food.”

Jesus said: “My people, this reading from the Book of Exodus about the Passover, is connected to your salvation in My Sacrifice on the cross. Moses received from Me that they were to kill a spotless male lamb, and put its blood on the lintel and door posts. Then when the destroying angel came, the angel would pass over that house. All the Egyptian houses had the first born killed. It was this last plague that Pharaoh allowed My people to leave Egypt for the Promised Land. In My death on the cross, I was the unblemished male that

became the Lamb of God who was offered up in atonement for all of your sins. The Last Supper was the first Mass modeled after the Jewish Passover. During the Mass you receive My Body and Blood in the consecrated bread and wine. My Eucharist is your spiritual food to make you strong in your faith, and it helps heal any weakness to your sins. Give thanks and praise to Me for dying on the cross for your salvation."
Jesus said:"My people, all over your country you are seeing hot temperatures, and I want you to pray for those people who may be susceptible to heat strokes. Some people may have air conditioning or fans, but others may not. You are also seeing power outages in various places, that could prevent people from being cooled off. Pray also for those people who have lost their power as you did last night. You could see more power outages throughout your summer, so have your solar backup checked out."

Saturday, July 20, 2019: (celebrating Our Lady of Mt. Carmel)
Our Blessed Mother said: "My dear children, I am happy to see all of you come to celebrate my feast of Mt. Carmel. I know you all are suffering from today's heat, but I thank all of you for your rosaries and today's Mass. I am blessing all of you and your families to keep faith with our two hearts of my Immaculate Heart and my Son's Sacred Heart. Your world is being tempted by the devil with all manner of sin in your abortions and sexual sins. Pray for peace in your world which is heading toward a war in the Middle East with Iran. America needs to repent of its sins as the one world people are preparing for the coming Warning and the tribulation. Do not fear because my Son will protect you at His refuges. Trust in us for all of your needs."
Jesus said: "My son, you have had a few power outages when your batteries worked to put some lights on, but this time the inverter did not work. Your system provides power when you have sun, but you need to search why your alternative circuit box did not go on. This will be another project to check with your solar installer. You could also try to learn how to fix this problem in the future when your larger system will be off grid. You also had some problems with some of your battery powered lanterns not working. Now, you replaced all the bad batteries with rechargeable batteries, and you put paper stoppers on the

contacts so they would not discharge. The lanterns with rechargeable batteries are renewable and safer than your oil lamps for light. This latest power outage is a wake up call for your solar system. Your second set of panels, which are off-grid, works fine, and during the day it powers your basement dehumidifier. Get this main system working now for when you will need it."

Jesus said: "My people, with all of your bad weather problems, your people will be fortunate to have enough food to eat for your people this fall. The heat will be hard to endure through this summer, as each year seems to have more problems. You are looking around at several communist countries, and they have food shortages in many cases because of their lack of incentives to work. It is hard to farm crops with bad weather, but a communist form of government makes food shortages even worse. Your people do not want a socialist government, if you want to have enough food to eat for everyone. Trust in Me to provide the food that you need, and I will multiply your food at My refuges."

Monday, July 22, 2019: (St. Mary Magdalene)
Jesus said: "My people, St. Mary Magdalene was given the honor of being the first person to witness My resurrected Body. When she reported this to the apostles that she had seen Me, they did not want to believe her. So St. Peter and St. John went to the tomb, and they found it empty, and they believed in My Resurrection. Later, I appeared to two disciples on the road to Emmaus, and then to My apostles. Their witness testimony is true, and now I am asking all of My followers to share the Good News of My Resurrection. I suffered death on the cross for the salvation of all souls who want to repent and believe in Me. My apostles saw Me, and they believed, but blessed are those people, who did not witness My resurrected Body, and they still believe. My true followers, who love Me and accept Me as their Savior, will be resurrected with a glorified body as

well on the last day."
Jesus said: "My people, pray that you will be strong in your faith when the religious persecution comes against My Church. Soon the churches will be forced to pay taxes, and there will be many new laws restricting My Name in public, and even in churches and schools. You will be seeing attacks against My churches to set them on fire, and to steal My Hosts from My tabernacles. Even the priests will be harassed for offering Mass. Your prayer services and Masses will need to go underground, and soon you will only find safety at the protection of My angels at your refuges. Never deny Me, even if you have to die as a martyr for My Name. The evil will get so bad that I will call all of My faithful to come to My refuges to save their lives and their souls. Be ready when I will call you to the safety of My refuges."

Tuesday, July 23, 2019: (St. Bridget)
Jesus said: "My people, you just read the account of how I enabled Moses to bring the destruction upon Pharaoh's army at the Red Sea. I allowed Moses to stretch his staff over the Red Sea to divide it, and allow his people to pass through it on dry land. Then Pharaoh's army followed them, but the chariots were stuck in the ground, and the waters flowed back and drowned Pharaoh's army. Then My son, I gave you a vision of how I will protect you and your people at your refuge. Just as I performed a miracle to protect Moses and his people, so I will perform another miracle as I will bring destruction upon the evil people at the end of the tribulation. My Comet of Chastisement will kill the evil ones, but My refuge angels will shield My refuge people from this destruction. This will be My victory over the Antichrist, the devil, and all the evil people and demons as they will be cast into hell. You will then rejoice as I will bring you into My Era of Peace, and later into heaven."
Jesus said: "My people, you know how My first mission was to save the lost people of the Jewish faith. During My three years of ministry, I told the people, the Kingdom of God is at hand. I was forming My apostles to teach My new way to all the nations, even to the Gentiles. I formed My Church on the rock of St. Peter. It was St. Paul who brought the Gentiles to the faith. To be a good Christian follower, you need to be able to follow My Will and obey My

Commandments. I have a plan for everyone's life, but you can only fulfill that plan by allowing Me to run your life. If people only want to run their own lives, then their desires will get in the way of My mission for them. In order to fulfill the mission I have given you, you need to die to self, and let Me lead you. I have died on the cross to bring salvation to all souls, but you must repent of your sins, and accept Me as your Savior. Your true mission for everyone is to save souls, and this is why I call My faithful to go out to all the nations and share My Good News of My Resurrection. You now see why your deep roots of faith are needed to be one of My devoted disciples. Trust in Me and follow Me, and you will have your reward in heaven."

Wednesday, July 24, 2019:
Jesus said: "My son, you are seeing some signs of how evil your society is getting by the new laws that your liberal states are passing. You are seeing some states allowing euthanasia and recreational marijuana. There is also a breakdown in your respect for your laws which allow immigrant criminals to roam your streets, and even your police are facing abuse by your citizens. Some states are trying to do away with your Electoral College which is not according to your Constitution. This lawless state along with the coming persecution of My churches will soon lead up to the tribulation time when I will call My faithful to hide at My angel protected refuges. This is why you are seeing yourself preparing your food to eat at your refuge during the tribulation. You also will be preparing yourself with monthly Confession for My coming Warning. When you come to My refuges, when I call you, you will see the Luminous Cross in the sky that will heal people of any ills by looking on it. Trust in Me to protect My faithful from the evil ones who want to kill you from the devil's hate."
Jesus said: "My people, you have seen how the opposition party was depending on the Mueller Report to launch their impeachment attack on your President. After today's testimony by Robert Mueller, many people were disappointed in the results of this testimony. There are some who will still seek impeachment, but this cause is not supported by the people who watched these testimonies. Because the opposition party has lost credibility on the reasons for impeachment, they will act like a cornered rat, and they will cause riots in the streets to try and

overthrow your President from office. These activists will use any means to try and remove your President from office. They could even resort to assassinate your President. Your President needs to protect himself from all the attempts on his life, fix any manipulation of the voting machines, and correct any illegal voting. Pray for peace among your people, and pray to stop all the hateful activity against your President."

Thursday, July 25, 2019: (St. James, apostle)
Jesus said: "My people, it is a corporal work of mercy to visit the sick and comfort them. You can even pray with them to get better. Sometimes your priests or deacons can pray with the sick, and even anoint them if they have a serious illness. You know for yourself how you feel when you have pain, or you are sick with an illness. You are thankful for people who visit you, or bring you flowers to cheer you up. When you comfort the sick, or visit the elderly, you are doing it for Me in them. Prayers for the sick are also helpful in requesting their healing. When you make these visits, you will be storing up treasure in heaven."
Prayer Group:
Jesus said: "My people, many people have seen this video of how two New York City policemen were abused by people pouring pails of water on them. The police were warned by the mayor not to use violence against such abuse. Once other people protested this abuse, the police arrested three suspects who threw the water. You also are seeing abuse of your border patrols and ICE agents who are trying to protect your people from criminals on the border. It is time that your people started respecting your authorities, or you are inviting chaos and riots in the streets. Your people also need to respect Me, your Creator and Savior."
Jesus said: "My people, you are seeing how much the opposition party still wants to impeach your President, even though the Mueller Report brought no charges against your President. These people have harassed your President since he was legally elected by the people. Pray for peace in your country despite all of your divisions and criticisms by the media and the opposition party."
Jesus said: "My people, your society is having many problems with your children because the majority of your households have only one parent. With just one parent it is difficult to work a job and still have time to take care of the

children. Your couples need to commit themselves to keeping the marriage together where possible. Pray for your young people to get married before having children. Your nation needs to restore marriage as a proper institution, so you can have a loving environment for your families."
Jesus said: "My people, your scientists and weather people are showing you record high temperatures in your country this summer. You are seeing heat records being set in Europe as well as in America. There are several factors contributing to your global warming by the Sun. There may be some effect from your green house gases. There is a larger effect coming from the decrease in the strength of your magnetosphere where more solar wind from the sun is coming through to warm your atmosphere. Pray that your people can protect themselves with some form of cooling."
Jesus said: "My people, I told you that you would be tested by more severe natural disasters because of your sins. It is true that you have had 20% more tornadoes than average. You also have had 30% more floods than average, which caused your farmers to have trouble with muddy fields that did not allow them to plant all of their fields. Pray for all the victims of your storms, tornadoes, and floods."
Jesus said: "My people, you are seeing how evil your society is becoming, and your country will be taken over because of it. Even in your courts and investigations, the oath of truth is not followed by 'So help me God' as in the past. You are seeing My Name taken out of the schools and public buildings. By not getting married in My Church, I am not being asked to bless the marriage. You also are seeing more persecution of traditional Christians even in America. You see more pornography, sexual sins, and continuing abortions. My judgment is coming against your country for your many sins against Me, so be prepared when I call My faithful to come to My refuges."

Friday, July 26, 2019: (St. Anne and St. Joachim)
Jesus said: "My people, you have been reading from the Book of Exodus, and today you are reading the Ten Commandments that I gave Moses and his people as My covenant. I am a merciful God, but a just God as well. I came on the earth to fulfill My love of mankind to die for your sins, and fulfill My laws of love.

You are seeing visions of My justice on the evil people of Noah's time when they were killed in the flood. In Abraham's time you saw My justice in destroying the evil people of Sodom with fire and brimstone. In Moses' time I destroyed Pharaoh's army to protect My people. Now in your time I will destroy the evil people at the end of the tribulation with My Comet of Chastisement. I give everyone an opportunity to obey My laws or not. My faithful love Me and obey My Commandments, and they will be rewarded in heaven. But the evil ones who do not love Me and disobey My laws, will all face their judgment in hell. Choose life with Me and you will see heaven, choose the curse of the devil and you will see hell."
Jesus said: "My people, I am showing you the edge of a cliff, and you will see the weather that is reflecting the extremes in your society. You will see extreme heat in the summer, and extreme cold in the winter. Your people are neither hot nor cold, because many are lukewarm, and they are ignoring their God. There are some rich one world people who are using sentiment in your markets to make a recession into a self-fulfilling prophesy. The fear of a trade war with China is restraining your companies, and this could push your economy into a recession and some drastic swings in your stock market. In addition to a bad stock market, you could see problems with food shortages in various places. I have asked My faithful to stock up on food because you could see problems with your harvests. When your recession comes, you will again see your companies make some drastic lay-offs, and many people will have problems paying their bills without their jobs. You may want to also save some money now to get you by, if you should lose your jobs. When the evil ones are allowed to take over your country, I will call My faithful to My refuges of protection. At My refuges I will multiply your food, water, and fuels. Trust in Me to provide for you, even among riots and evil people who will try to kill you."

Saturday, July 27, 2019:
Jesus said: "My people, I am showing you how I am the center of your life in the two visions. When you think of stability in your life around Me, this is how you are anchored to Me for all that you need. When you think of how you are spiritually nourished, you see how the branches get fed by the Vine of My life

line. You all have choices in this life to follow Me or not, because I do not force people to love Me. You must choose to love Me of your own free will. This is why I chose today's Gospel because you choose to be a weed who does not love Me, or you can be the wheat of My faithful. At the harvest of souls, My angels will separate the weeds of the evil people from the wheat of My faithful. The evil ones will be burned up in hell, but My faithful will be gathered into My barn of heaven. Continue to hold fast to Me by loving Me and obeying My Commandments. The more good deeds you do, and souls that you save, the more treasure you will be storing up in heaven for your judgment."

Sunday, July 28, 2019:
Jesus said: "My people, you have several spots of conventional wars that could break out at any time, especially with Iran harassing the oil tankers. Pray that any such skirmishes do not break out into more serious conflicts. Later on, you are seeing a war with nuclear weapons. Before such a war, I will call My people to the protection of My refuges. If your initial war starts in the Middle East, you could see a disruption in oil deliveries that could upset some economies and your world finances. Keep praying for peace, but be prepared for a war that America could be drawn into."
Jesus said: "My people, many people use their television for recreation and news, and when their signal or TV is not working, it becomes an inconvenience for your pleasures. Then when all the lights go out, you need to find a source of light at night as you did last week. It is good to have a wind-up flashlight handy to find your lanterns for light. You have been seeing several power outages from your hot weather and the air conditioners. This blackout is another sign of how vulnerable your electric grid is to various ways of losing power. The most damaging effect would be an EMP attack on your electric grid. This would stop your vehicles, your banks, and it would be hard to get your grid working again. This is why I want My people to have backup electric sources as your solar system and batteries, or at least some sources of light at night. If your power is out for an extended length of time, I will call My people to come to My refuges for lights, food, water, and fuels which My angels could multiply. Fear not the coming tribulation, for your guardian angels will lead you to the nearest refuge.

You will be healed of your ills when you look upon My luminous cross. I will protect My faithful from the evil ones, and you will even be protected from My Comet of Chastisement. So do not worry where you will go, because My angel will lead you to a safe place nearby."

Monday, July 29, 2019: (St. Martha)
Jesus said: "My people, I am the Resurrection and the Life, and he who believes in Me, even if he dies, shall live; and whoever lives and believes in Me shall never die.'(John 11:25,26) I was comforting St. Martha after her brother, Lazarus, had died. She believed that he would rise again on the last day. I took that opportunity to call Lazarus up from the dead, and I called him to come forth from the tomb. All the people were amazed that I had the power to raise someone from the dead. Later on, the people and My apostles were even further amazed when I rose from the dead by Myself at My Resurrection. I still had My wounds which St. Thomas had to touch to believe. Give thanks and praise that I died on the cross to bring salvation to those people who repent and accept Me as their Savior."
Jesus said: "My people, every year you see wild fires in the West and where it may have dried out underbrush. A good share of your fires are started by arson and lightning. You will see more such fires and some people could be trapped and killed. Pray for the victims of these fires and that they are able to start over in making their homes. Pray also for the firemen who are trying to bring these fires under control."

Tuesday, July 30, 2019: (St. Peter Chrysologous)
Jesus said: "My people, you are entering your hurricane season, and you see some dark clouds and heavy waves coming ashore. Be prepared for more serious

events that will be testing your people. You could see serious storms, flooding, earthquakes, and fires. I told you before that you will have one event after another. You will be seeing more destruction from your natural disasters as a punishment for your abortions and sexual sins. Some of your people are being misled by the devil in changing their gender, or committing homosexual acts. Many of the reasons I destroyed Sodom are happening among your people. I will separate My faithful in My refuges before I will punish the evil ones. Pray for your families that they will follow Me after the six weeks after the Warning."
Jesus said: "My people, every refuge will not be beautiful and up to date, because some refuges may be quite old. Each refuge will have a water source with usually a water well pumped into the house. You will have beds and blankets to cover you. You will see food stored in the pantry, and some clothes stored in the closet. You will have some wood cut up for the fire in the wood fireplace for the winter. You may have oil lamps or rechargeable battery powered lanterns for lights at night. Be grateful that you have a place with the angels protecting you. The evil ones will not be able to see you, because the angels will make you invisible. Fear not the coming tribulation because I will provide food and water every day along with daily Holy Communion."

Wednesday, July 31, 2019: (St. Ignatius of Loyola)
Jesus said: "My people, I love My faithful followers, and I will reach out to protect you from the evil ones. There are people in My own Church that are trying to mislead My faithful, and they will be causing a schismatic church. You will have to separate yourselves from this evil group, and only follow My faithful remnant. In addition to the schismatic church, you will see persecution coming from your government, once your current President is removed. When your lives are in danger, I will call My faithful to My refuges. Fear not these evil ones because My angels will shield you at My refuges. After the Warning, the

six conversion weeks, and a brief reign of the Antichrist, I will bring My punishment upon the evil ones, and they will be cast into hell. My faithful will have their reward in My Era of Peace, and later in heaven."
Jesus said: "My people, you have been seeing some active earthquakes cause some damage in California. You are also seeing in the vision another earthquake with devastating quaking which could even send San Francisco into the Pacific Ocean. I have given you several messages about San Francisco falling into the ocean. This city is a modern day Sodom and Gomorrah, and it will suffer from My justice for its many sins of homosexual activity. Once My faithful are secure at My refuges in this area, I will allow this earthquake to swallow up San Francisco as a punishment for their sins. Now is the time to get your souls ready to handle your Warning judgment by coming to monthly Confession. Keep praying for your families that their souls will be saved during the coming tribulation."

Thursday, August 1, 2019: (St. Alphonsus Liguori)
Jesus said: "My people, I gave the people a parable about the Judgment Day. Some fishermen put out their net for a catch of fish. They pulled in their nets with the fish, and they had to sort out the good fish from the bad fish. This is similar to the Judgment Day when My angels will sort the bad people from the good people. The evil people will be collected and thrown into the flames of hell. While the good and faithful people will be escorted into My Kingdom in heaven. You are either with Me or against Me. My faithful will repent of their sins, obey My Commandments, and perform good works to show how they believe in Me. The evil ones will refuse to love Me, and they will perform all manner of evil works without any repentance for their sins. I will forgive even the most serious sin, but people must be sorry for their sins and seek My forgiveness in Confession to a priest, if they want to be saved. Be prepared with a pure soul so you are ready to face Me at your particular judgment when you die."
Prayer Group:
Jesus said: "My son, you saw four men that wore beards in four cars in your church parking lot that looked suspicious. Now, last night you saw a shed to collect clothes for the poor, that was burned to the ground this morning. It was

arson, and this could be linked to what you saw last week. It would be wise for your church to have some cameras that could view your parking lots. At least you could see any suspicious people like you saw last week. You are seeing churches burned down, so this could be a warning. Pray that you could find out who did this arson."

Jesus said: "My son, St. Joseph's Church in Phoenix, Arizona was one of the churches that you were trying to speak in along with Fr. Michel. On St. Joseph's day this church was burned to the ground. This burning of churches will be a part of the coming persecution. You will see Christians persecuted and more churches will be burned down. In other countries you are seeing terrorists burning down churches and killing Christians. When your lives are in danger, I will call you to come to My refuges of protection. Only My faithful with crosses on their foreheads will be allowed into My refuges."

Jesus said: "My son, you were instrumental in gathering these theology books from Fr. Fraat's house, and you gave them to Fr. Michel for his English library. Your priest friend could use this English library to help his seminarians in teaching theology in English. Fr. Michel will be with you in his attempts to get enough money to build his second monastery. Pray that his second monastery could get started soon, because you are approaching the tribulation."

Jesus said: "My people, I will be calling My faithful to My refuges before the tribulation time. My refuges will be at My Blessed Mother's apparition sites, places that have been consecrated by a priest, shrines, places that have adored My Blessed Sacrament for years, monasteries, and even caves. In the vision you are seeing some faithful living at the entrance of a cave. If necessary, My angels will provide them tents, blankets, food, water, and fuels for the winter. Do not have any fear of the evil ones because My angels will provide for your protection and all that you will need for your survival."

Jesus said: "My people, your opposition party candidates are struggling to decide what issues they will support. So far their ideas about Medicare for all, the 'Green' plan, and other programs appear to be very expensive and not very realistic. Continue to pray that your people do not fall victim to voting in the socialist communists."

Jesus said: "My people, your weather events are about to turn more serious as you will be seeing more storms coming near your country. Pray for any victims that may encounter such storms. This is another reason why I want you to continue your reparation Masses for those people who could be killed suddenly from natural disasters."

Jesus said: “My people, you may be called on to help support some missionary priests as Fr. Moreta, Fr. Boniface, and Fr. Michel. They need your prayers as well as your financial aid. So be prepared to help them when you have the opportunity to do so.”

Friday, August 2, 2019: (St. Eusebius)
Jesus said: “My people, you can see in the vision how plans for the second monastery were about to be fulfilled. The money for the materials has been donated, and the procedures for building it are being worked on. It is part of this plan to obtain the materials for the monastery, as you are seeing in the vision. If this second monastery is to be built during the tribulation, then the people who come to this refuge and My angels will be needed to finish the construction. Give praise and thanks to Me for all I am doing to help Fr. Michel prepare the priests for the end times.”
Jesus said: “My son, I am happy that you had a water well put in, and you were blessed to have soft water, which is unusual. You need drinkable fresh water for your refuge people. It has a little iron, but you have a cylinder to oxidize the soluble iron to rust. Your well is 47 feet down and you have a five gallon/minute rate for your water. You still put a little clorox into the well to keep any coliform out. You also are able to pump the water to your sinks and toilets. You have your smaller solar panels to run your electric water pump even in the winter, when you clear the snow off of your first floor panels. Be thankful for your water source, because you need fresh water to live.”

Jesus said: “My people, in the first reading you read about the Jewish Jubilee celebration of 50 years, and how the land was valued by how many crops it could produce. As you think about the harvest of crops, you could see some reductions in your food supply this fall, because of all the rain you had this year in muddy fields. Pray that your farmers can maximize their yield from the crops

that were planted. You have been blessed with fertile land, so be thankful that you can produce enough food for your people to eat. Be thankful also for all of your hard working farmers who have to take risks in growing their crops."
Jesus said: "My people, I told you that you would see one event after another. Now you are seeing shooting events in addition to your natural disasters. These shooters are picking soft targets and areas that are restricting weapons. Your first responders are doing the best they can, but with rapid fire guns, many people are shot before the gunman can be stopped. It is hard to defend against terrorists, but their houses are showing the radical character of these shooters in their writings. Since some people are using social websites, there may be some means to spot such shooters before they can kill someone. Pray that your people can be protected as much as possible."

Jesus said: "My people, you had a missionary priest give a talk at your Mass, and he was sharing the faith with the people in South Korea. My son, you also are like a missionary, but you have a mission of preparing the people for the end times. You also are preaching to save souls, but your mission has an urgency to prepare people before the tribulation comes. I have talked to you also about a mission to have a refuge at your house. This will be for people to have a safe haven from the evil ones who want to kill you. You just saw twenty people killed by a gunman in El Paso, Texas. Now, you just heard on your news of nine killed by another gunman in Dayton, Ohio which is close to Columbus where you will be speaking in a week or so. These mass killings are becoming more frequent, but it is hard to know the reason for the action of these shooters. Some of these people are acting irrational, and should not have access to these rapid fire guns. Pray that you can find ways to limit these kinds of mass killers."
Jesus said: "My people, you are seeing so many mass killings, that you were wondering if they were connected with each other. There is a master plan to use these mass killings as a means to take away your guns. You know how your various agencies have the means and the knowledge of how to make someone want to kill a lot of people in a crowded place. You know of putting chips in people to control their minds. You also know of people who were hypnotized that can be following someone's direction of their will. Some people also have

psychological problems, and drugs can drive them to do these killings. When there are so many incidents, it is true that they are being directed by a group who wants total control of your country. Pray that these groups of evil ones can be controlled, so you know when and where they will strike next."

Monday, August 5, 2019:(Dedication of the Basilica of Mary Major)
Jesus said: "My people, 'I am the Bread of Life. If anyone eats of this Bread, he shall live forever; and the Bread that I will give is My Flesh for the life of the world.' (Jn 6:48-52) You are seeing a thread of how important My Eucharistic Bread is in today's readings. The first sign is the manna that I rained down on Moses' people in the desert. The second sign is the multiplication of the loaves and fish that I gave to the 5,000 men and later to the 4,000 men. The third sign is My Blessed Sacrament that I have given you in the first Mass at the Last Supper. My consecrated Host is given to you now at every Mass, and you receive My Real Presence when you receive Me worthily in Holy Communion. Treasure My intimate Presence with you every time you receive Me worthily in Holy Communion. This is My gift of My very Self to you at every Mass."
The Holy Spirit said: "I am the Spirit of love that unites the Father and the Son. When you call on Me, I will give you the graces to speak the words to the people for converting them. I help give the words also in writing your messages for the people. You can pray to Me when you pray the 'Glory Be' prayer. This is why the Lord asked you to pray the 24 Glory Be prayers to St. Therese, because you are invoking My Name in each prayer. When you go out to your talks, you have been asked to pray the long form of the St. Michael prayer, and to pray the 24 'Glory Be' prayers to St. Therese. This will be your protection from the evil ones, and a help in your driving to your destination safely. Be prepared to share your messages from Jesus as you instruct the people."

Tuesday, August 6, 2019: (The Transfiguration of Jesus)
Jesus said: "My people, My Transfiguration was a preview of My Resurrection,

as I appeared to My apostles radiant in My Glorified Body. I also appeared with Moses on one side and Elijah on the other side. During that moment God the Father spoke from heaven: 'This is My Beloved Son in whom I am well pleased, hear Him.' (Matt. 17:5) I told St. Peter, St. John, and St. James not to speak about what they had seen until after My Resurrection from the dead. My son, you remember when you were on Mount Tabor, and you saw the Church of the Transfiguration. It had a chapel to Elijah on one side and a chapel to Moses on the other side. In the church near the altar, you could see an opening to the rock on which I was transfigured. There were beautiful angels painted on the walls. This is a beautiful church to mark this glorious event."
Jesus said: "My son, you and many other faithful are working quickly to get your refuges ready to receive many people. You have stored some food, some water, some beds and cots, as well as your fuels for the winter. You also have a chapel with an altar, chairs, and vessels and vestments for Mass. You have a monstrance for your perpetual Adoration, when you will assign hours for people to be constantly praying before My consecrated Host. You have a Lectionary and a Roman Missal for offering Mass, along with hosts and wine. You will have daily Holy Communion at your refuges from a priest or My angels. My angels will protect you with an invisible shield, and they will help multiply what you need, and provide any needed buildings. Have faith in My protection at My refuges, and be prepared to live as a faith community with making meals and places to sleep. You will have assigned jobs for cooking, washing things, and providing latrines. You may want to have one more refuge practice run to refresh your memory on how to prepare your foods and use your water and fuels in the cold weather. Living at your refuges will be your purgatory on earth during the tribulation. Remember to work hard on converting your family and friends during the six weeks after the Warning. Only My believers will receive a cross on their foreheads from My angels. This cross will be necessary to have on your forehead in order to enter My refuges. Call on Me and your guardian angels to lead you to the nearest refuge, when I call you to come to My refuges."

Wednesday, August 7, 2019:
Jesus said: "My people, in the Book of Numbers you read how the princes of the Hebrews scouted the Promised Land, but some of them were fearful of the

Anakim giants. Because of their reluctance to enter the Promised Land, the Hebrews were punished for forty years before they could enter. There was a lack of faith in the power of the Father, and for this they were punished. You remember how David slewed Goliath as a sign of My help against the giants. Even today, you face many trials that may seem impossible to overcome. But with Me, all things are possible, so you need to call on Me, and I will find a solution for your problems. I am looking for your trust and faith in My power, and then I will help you through your impossible trials. When you want Me to multiply your food in the tribulation, it will be this deep faith and trust that you must have for Me to provide for your needs."
Jesus said: "My people, there is very little justice in your world for how much people should pay in taxes. Some people pay less taxes because they can use legal deductions from tax laws that are not easy to determine. Many people want to tax the rich up to 70%, but the current Federal law is placed at about 39%. When you add in State income tax, Social Security Tax, land taxes, and sales taxes, your taxes for a middle income earner can reach 40% to 50%. Most of your taxes do come from the middle class. Another complaint is that some corporations do not pay their fair share. Part of that is because many localities offer corporations tax breaks to bring jobs to their areas. It is this corporate welfare that lowers corporate taxes. The bigger problem is that your government is allowed to spend more money than it brings in with taxes. It is these deficits that will bring down your finances. Pray for a just tax system that will be fair to all levels of income."

August 21, 2019
Thursday, August 8, 2019: (St. Dominic)
Jesus said: "My people, the Father and I both had to scold Moses and St. Peter for their lack of faith. The Hebrews in the desert complained that they had no water. So I had Moses call the people together, and I told him to strike the rock once with his staff to have water. But Moses appeared to doubt My word, because he struck the rock twice instead of only once. For this I told Moses he could not go with his people into the Promised Land. In the Gospel I was telling My apostles how the Scribes and Pharisees would have Me crucified, but I would rise from the dead on the third day. St. Peter said that this should not happen to Me, so I called St. Peter to be Satan, and to get behind Me. I told St.

Peter that he was thinking as human beings do, and not as God does. Dying on the cross for all of mankind's sins, was the very reason why I came into this world, because I am your promised Savior and Redeemer. So I ask all of My faithful to follow My Will for your missions, and follow My Commandments to show you believe in Me for your soul's salvation. Do not be weak in faith as Moses and St. Peter, but always follow Me in faith."

Prayer Group:

Jesus said: "My people, the hate in your country has gotten out of hand, that some people did not want your President to even visit El Paso, Texas or Dayton, Ohio. The candidates for President even accused your President for causing these shootings. Your country needs to mourn the loss of those killed, and stop making these incidents into political opportunities to criticize your President. Pray for peace and less hate in your country."

Jesus said: "My people, your President is trying to level the playing field in your trade with China. Because China is not changing their agreed to faults, your President is using tariffs to try and bring them to a trade deal. It appears that a trade war is occurring that could be hurting both of your economies. Pray that both countries can reach an honest trade deal, or the tariffs could affect other countries as well."

Jesus said: "My people, as both China and the US look for other trade options, your farmers may lose some markets in China. Even your own companies may seek other suppliers of your imports than China. This trade issue will have an effect on your currencies and sourcing that will affect your import prices. Pray for a fair trading agreement, but China may not choose to do it."

Jesus said: "My people, with so many uncertainties with your China trade war, your businesses may pull back their production, which could push prices up if your goods are in short supply. There is a recession possible and a possible shortage in your fall harvest. Pray that your economy will continue without being affected by the latest problems you are facing."

Jesus said: "My people, some areas of your country are dry, while other areas are receiving too much rain. You are still seeing tornadoes, and some hurricanes that will threaten your cities. Keep offering up your Reparation Masses for those victims who could die from storms and your shootings. Those people, who die suddenly, need this grace at their judgments."

Jesus said: "My people, a few months ago you had some severe earthquakes of 6.6 and 7.1 in the southern part of California. These earthquakes were the strongest in several decades. Many people in this area were frightened by such

strong earthquakes. Your coming Conference with the Gospa prayer house in California is needed to calm any fears, and prepare the people for the coming Warning and tribulation. When your people receive My word to come to a safe haven, you will be thankful for the refuges that I have inspired people to prepare for this time."
Jesus said: "My son, you have been called to share some important missions with Fr. Michel in several places this fall. Your time for speaking is getting short before events may lead to My calling you to the safety of My refuges. I told you how evil your society is getting, and I will be separating the good people in My refuges from the bad people. Once you are at My refuges, I will bring My punishment down on the evil people to destroy them, and cast them into hell. After My Warning you will have six weeks to convert your families to the faith. Those people, who believe in Me, will have My angels place crosses on their foreheads. Only those people with a cross on their forehead will be allowed into My refuges."

August 21, 2019
Friday, August 9, 2019: (St. Teresa Benedicta, Edith Stein)
Jesus said: "My people, in World War II you saw the evil of Satan in how he directed Hitler to kill millions of Jews because they were hated and criticized. In today's world you are seeing this hate again spewed by your media and liberal thinking people toward anyone who does not think as they do. This is the devil demonizing anyone who thinks conservative, or who supports your President. You can see that this hate could lead to a civil war of the liberals vs the conservatives. Because Satan is leading this hate, you can see how the atheistic communists will also focus their hate against all Christians who believe in Me. Many forget that the religious people, as priests and nuns, were also killed along with the Jews by Hitler. Today, the persecution and killing of Christians is also occurring because of the devil's hate of Me. This is why I will be calling My faithful to come to the protection of My refuges. My angels will shield you from the evil ones who will try to kill you. In the Gospel I want you to take notice of the original translation of Matt. 16:26: 'For what does it profit a man, if he gains the whole world, but suffers the loss of his own soul?' The loss of your soul is for all eternity. But the loss of your life, as in the current translation, is only temporary. It is a greater loss to lose your soul than to lose your life. This is why

such changes in your translations change the whole meaning of the Scriptures. Follow the original translation you were given."
Jesus said: "My people, when you come to Me at your judgment, I will not judge you on how much money you have, or how many possessions you have. Instead, you will be judged on how much you loved Me, and how much you loved your neighbors in your good deeds. Your treasure in heaven will balance off some of the punishment due for your sins. So focus your life around Me, and strive to save as many souls as possible. Do not be seeking more wealth than you need, but be more concerned about your eternal destination with Me. Also be willing to help many people at your refuge for their protection, and to provide for their needs both physically and spiritually."

Jesus said: "My people, I have bestowed many graces, and even a good income on those people who follow Me in love. Those people, who love Me, are the same people who love their families and people in need of help. If you have been blessed with some excess wealth, then you can afford to share your money with family and those in need. My Church needs your regular support as well as some family members. When you share your money with others, this is your way of thanking Me for giving you a good income. When you give to My Church and others, do not just give token donations, but give substantial donations that you can afford. In addition to financial donations, you can share your prayers, and even reach out to save souls by encouraging them to attend Sunday Mass. You know how I love a cheerful giver, so share what you can to help those in need."

August 21, 2019
Sunday, August 11, 2019:
Jesus said: "My people, in the Gospel there are two great quotations to ponder in your heart. The first is: (Lk 12:12) 'For where your treasure is, there also will

your heart be.' If your treasure is being in front of My consecrated Host at Adoration, or if your treasure is helping people with good deeds or donations, then your heart is present with Me. If your treasure is how much money or possessions you could acquire, then your heart is cold to Me, as you love worldly things more than Me. The second quotation is: (Lk 12:48) 'Much will be required of the person entrusted with much, and still more will be demanded of the person entrusted with more.' So if you inherited a lot of money, you will be expected to share that money with people. And if you received a gift of strong faith, you would be expected to share your faith with others as well. As for the vision of My coming Judgment, My people need to be prepared to meet Me at any hour of any day. The best way to be prepared for the Warning and My judgment is to keep your soul clean all the time with frequent Confession, daily Mass, Holy Communion, and daily prayers. If you make Me the center of your life, then you will have no worries, because you know I will give you your reward in heaven."

Monday, August 12, 2019: (St. Jane Frances de Chantal)
Jesus said: "My people, it is your duty to help support My Church, so you can help the priest with the expenses of maintaining your church. You know how you have to pay for your heat and your lights at your home. So the church has even more to pay. You also have to pay to keep your roof, your heater, and even your driveway maintained, but your church also pays for such maintenance. So when you give your donation, do not just give a token amount, but give a substantial donation. You also pay land taxes to your town and your schools. You may also have to help support your Catholic schools. The churches for now, do not pay land taxes, but this could change in the future. In that case you may have to increase your donations. Once your churches are persecuted, you may not be able to go to a church in public, but you may have to have Masses underground, or in hidden places like your refuges. Be thankful for what you have today, because during the coming tribulation, you will be living a harder life of isolation. Trust in Me because My angels will protect you and provide for your needs."

Tuesday, August 13, 2019:
Jesus said: “My people, this swirling vortex, like a whirlpool, is another sign of My Warning, and it is very close. I am seeing how evil this world is, and how the devil is doing everything to lead the people away from Me. Your schools and colleges are brainwashing your children and young adults to take Me out of their lives. This is why it is hard to get your youth to come to Sunday Mass. This is also why the young people have little respect for authority in obeying your civil laws and My Commandments. The parents need to teach their children about how I love them, and how I died for their sins. You need to teach your children their prayers, and how important it is to have Me lead their lives. With many single parent households, it is difficult for the mother to work, and teach her kids about love of Me and their neighbor. Bringing up your children in the Catholic faith is needed in all families, and the parents need to show love for their children. Call on Me to help your children to know their prayers, and for them to love Me.”

Wednesday, August 14, 2019: (St. Maximillian Kolbe)

Jesus said: “My people, do not forget that many nuns and priests were also killed with the Jews in Hitler’s death camps. Where there is evil killings, the devil will also try to remove My priests and those who believe in Me. The Holocaust in World War II was so horrible, yet you did not think this could happen again. You are killing a million of My babies every year in your country alone. You are also seeing Christians being killed in Muslim countries. You are again seeing gunmen committing mass killings in your various cities. I will not allow this constant killing of innocent people much longer. My Warning and the tribulation are coming soon, then I will send all of these evil people to their deaths, and their souls into hell by My justice. Have patience and be ready to come to My refuges of safety, where I will separate the good people from the evil people.”
Jesus said: “My people, you have heard and read stories of how the farmers were unable to plant all of their land because of the muddy fields. They did some late planting, but it is unsure if that late planting will have enough time to mature. Do not be surprised if your farmers have less crops to harvest this fall. I have even warned My people to stock up on your dried foods, because there could be a shortage of crops for your people to eat. When you see shortages in your stores, you will remember My warnings. You will be seeing more years of bad crop yields, which is another reason to continue adding to your supply every year. Remember Joseph in Egypt when he had the people grow as much as possible during the years of plenty. He also had them store extra food for the lean years. You are about to see some lean years, and those people, who are stocking up now, will be the people who will have food during your lean years of a coming famine. This is not hoarding food, but it is prudent storage for a time of need in the coming famine. You need to start planning for your next refuge practice run. You could choose a date acceptable to your prayer group, when you are not traveling.”

Thursday, August 15, 2019: (The Assumption of Mary into heaven)
Mary said: “My dear children, today’s Gospel is about my coming to be with my cousin, Elizabeth. I was pregnant with my Son, Jesus, by the Holy Spirit, and as I entered, St. John the Baptist in Elizabeth’s womb leaped for joy. This was in Ein Karem, Israel, and after Elizabeth’s greeting, I recited my Magnificat giving

glory to God for both our unborn babies. You, my son, have been to Mexico City to see Juan Diego's miraculous image of me on his tilma. This image was of me clothed in the sun, and I was pregnant at the time. I am the Immaculate Conception, and I am the Patroness of all the Americas. Today is a great feast day of my Assumption into heaven, when the Lord took me into heaven so I would not suffer corruption of my body. The Church confirms this miracle, and I am your Blessed Mother where I place my mantle of protection over all the Americas. Call on me to bless and protect your children from all the temptations of the devil and the world."

Prayer Group:

Jesus said: "My people, you are seeing more gun incidents where police were shot in Philadelphia, Pa. You also are seeing many places that want to have stricter gun laws. Even if your guns were taken away, the criminals would find a way to get assault rifles and the ammunition. When you have gun laws that restrict people from having guns, you are only restricting law abiding citizens who need guns for protection. All of these incidents have taking away your guns as the reason why they are being orchestrated. Eventually, I will call My people to My refuges where you will be safe from these gunmen."

Jesus said: "My people, because your 10 yr Treasury bond yields are higher than other countries, many people are buying them as safe assets. When stocks go down, those people in stocks switch to the 10 yr bonds. The more people who buy these treasury bonds, the lower the yield goes. This is why you are seeing an inverted bond yield where the two year bond yield is almost equal to the ten year bond. In the past, such inverted bond yields have been a sign of a coming recession. Many countries are having trouble with their economies. It is these low GDP numbers that other countries are having, that is contributing to a lower stock market. Pray that your economy does not falter as the other countries are doing."

Jesus said: "My people, today's feast day of My Blessed Mother celebrates her Assumption into heaven. This was a blessing given to My Blessed Mother to honor her life without sin, and for answering the angel's call to be My mother. She is the one person who was sinless on earth, as I was sinless. Give praise and thanks to Me for giving you My Blessed Mother to guide you to Me."

Jesus said: "My people, you have seen Iran capture a British oil tanker because Great Britain seized one of their oil tankers. Now, Great Britain has released the seized Iranian oil tanker, but it is not certain that Iran will release the captured British tanker. Iran's seizure of ships and damage to other ships has raised

tensions in the Persian Gulf. Continue to pray that no war will come from Iran's actions."
Jesus said: "My people, your President is using tariffs on China's exports to try and change their bad trading habits. This can be dangerous in affecting your import prices from China, and it could affect the global economies. It is this uncertainty of tariffs that is affecting your stock prices. Keep praying that your two countries can come to a fair trade agreement."
Jesus said: "My people, I have called a good number of people to set up refuges so My faithful will have a safe haven to come to for their protection. I am even asking you to have your fourth refuge practice run with your prayer group. This would be a good practice to do for all of My refuges. You need to be ready to accept people at your refuges for sleeping, eating, and praying together. I told you this will be how I will separate My believers from the evil people."
Jesus said: "My people, My Warning is needed at this time to wake up the sinners who are ignoring Me, and not repenting of their sins. Once My people face their life review and mini-judgment, they all will see how much their sins offend Me. Many people after the Warning will have a strong need for Confession. You can come to frequent Confession before My Warning, so you do not see hell in your mini-judgment. This world needs a wake-up call because your sins are getting worse every day. Only My believers will receive a cross on their foreheads. So work on converting your family members during the six weeks after the Warning, or else they may be lost and not allowed into My refuges. You do not want to see any family members lost in the eternal flames of hell."

Friday, August 16, 2019: (St. Stephen of Hungary)
Jesus said: "My people, in the first reading I was showing the Hebrew people how they were led by Moses and Joshua. I was instrumental in protecting them from the Egyptians. When they crossed over the Jordan River, I also helped them to defeat the various people on the Promised Land. I helped them in battle, and I sent hornets to clear the land for the Hebrews. This is a lesson even for My faithful of today, so you can see how I protect My people even from the evil forces of communism and the jihadist Muslims. There are many forces, who

follow the devil, who will try to kill My faithful. Have no fear because I will protect you at My refuges. You will have My angels to defend you, but do not take any pride in these actions of Mine, because it is I who am defeating your enemies."
Jesus said: "My people, you have had several bad storms approach your refuge, but when you prayed your storm prayer, they broke up and did not cause any damage. You have faith that I will protect all of your refuges so you will have a safe place of protection. In other words your refuge angel will protect your place from damage, even before the Warning and the tribulation. I have told you that after the Warning, your refuge angel will put a shield of invisibility over your refuge so the evil ones will not see you. This same angel will also put a shield over you that will protect you from any damage from storms or bombs. If you can believe in such miraculous protection during the tribulation, then you can believe that the same angel will protect your refuge even before the Warning. Continue to put your trust in My Word, and you will have no worries of the Warning and tribulation to come."

Saturday, August 17, 2019:
Jesus said: "My people, in the Book of Joshua you are reading about the covenant that Joshua made with Me and his people. He did not want them praying to the false gods of their neighbors, and he emphasized their allegiance to Me by making markers and statues to Me. He said: (Joshua 24:15) 'As for me and my household, we will serve the Lord.' You have My Commandments that were given to Moses. This is My covenant with all of humanity that you will love Me, and your neighbor as yourself. These laws are the two great commandments that spell out My love for you. I am your Creator, and you are made in My image. You are here to know, love, and serve Me as when you were taught in your early years. Hold fast to My laws of love, and you will have your reward in heaven."
Jesus said: "My son, I have asked you to prepare for your fourth refuge practice run because My people need to be prepared for the coming tribulation. My refuges will be your places of safety, as you will be protected by your refuge angel, St. Meridia, at your refuge. Your last practice run was done on February 2,

2019, but you are seeing events getting more serious now. It is because of the closeness of the Warning, and your need to practice what you learned, that I am calling you to plan your fourth refuge practice run. You usually start at 7:00 p.m. on Friday and you go to 7:00 p.m. on Saturday. You first plan the hours on a sign up sheet for the constant hours of Adoration in your chapel. You then assign jobs and plan what you will have for your meals. You will be using your stored food, without using any electricity or ovens. You used your butane burner and fuel for heating water and your food. You used your propane oven to bake your loaves of bread. If it is cold out, you can use your kerosene burners, and/or your wood fireplace for keeping you warm. You will be using your well water for water, and your pump powered by your solar panels during the day. You have wind-up flashlights, and rechargeable battery powered lanterns for light at night. You will need cots, pillows, and blankets for sleeping at night. You may also try washing your clothes by hand and your wringer. By having a plan for people to have various jobs, you can handle sleeping, eating, the latrine, and providing water and food. You will need fuels to run your heaters and ovens. All of these things will need to be multiplied by faith in Me, so your people can survive several years if needed. Plan a specific date so most of your people could come to your practice run."

Sunday, August 18, 2019:
Jesus said: "My people, in today's Gospel I am speaking about how faith in Me is dividing families. There are some family members who pray and come to Sunday Mass, but there are other family members in the same family, who ignore My love, and they refuse to come to Sunday Mass. Now, you are seeing even more cause for problems in My Church with the latest old pedophile cases that could bankrupt your dioceses. There are some true abuses, but it is your governor and the lawyers who are trying to bring down My churches with exorbitant settlements that the churches cannot afford. In addition to pedophile cases, you are also going to see a further division in My Church between a schismatic church and My faithful remnant. When you see heresies promoted in these schismatic churches, you are to leave such churches for My faithful churches. You will also see My Churches persecuted by your government for

taxes and hate crimes. You can see how eventually, My faithful remnant will need to come to My refuges of safety for Mass and prayers. When your lives are in danger, I will call My faithful to leave their homes, and come to My refuges, where My angels will protect you and provide for what you need to survive. Trust in Me to help you through My Warning and the tribulation of the Antichrist. Have no fear and follow My angels."

Monday, August 19, 2019:(St. John Eudes, anniv Mass Jeanne Marie)
Jeanne Marie said: "My dear husband Al, how I love you so much, and we are separated for now. But we will see each other again when you come to heaven. I am watching over you for now. Remember, how our love is forever beyond this fence of time in the world."
(Lee Campanella Funeral Mass) Lee said: "I love My wife, Rosetta, and all of my family. Thank you all for attending my funeral. I also want to thank all of my care-givers in the last years of my life. I thank Lori for a nice eulogy. The Lord has accepted me into heaven because I was able to do my purgatory on earth. Keep your focus on Jesus and your prayers, and he will guide you through life. It is your faith and good deeds that will help you into heaven. I pray that all of my family members will follow my example. I will be watching over you, so have no fear."

Tuesday, August 20, 2019: (Evelyn Gravino memorial Mass)
Jesus said: "My people, there are times when some people are always agitating others because they are mean spirited. Even if one person causes you stress, do not be like the other person, but show your Christian kindness, even to evil people. Because someone causes trouble, do not let them spoil your life, but be loving to everyone. Evelyn was part of your lives, and she deserves some respect

for her life among you, despite what others have done. It is better to pay your respects for her funeral, than to hold any hate for someone. Any hate or dislike for someone can only hurt your own life. It is better to have peace about the passing of your relatives."
Jesus said: "My people, you have seen some serious earthquakes in California over the last few months. In southern California you saw a 6.6 and a 7.1 earthquake. More recently, you have seen a swarm of smaller earthquakes along the San Andreas fault. These swarms of earthquakes have been occurring more frequently. You will be seeing more such swarms along this same fault line. There are several fault lines that are even connected to Yellowstone's super volcano. If you see more serious earthquakes, you could see them cause an eruption of this volcano that could kill many people, and it could cover your fields with three inches of dust. Pray that your people will be ready to evacuate from the San Andreas fault, so they will be saved from any destruction."

August 30, 2019
Wednesday, August 21, 2019: (St. Pius X)
Jesus said: "My people, today's Gospel seems a bit unfair to the worldly people who always complain if things do not look fair. In the parable the owner of the vineyard sent workers out into the vineyard for various numbers of hours of the day. They all agreed to work for the daily usual wage. When they received their pay, they all received the same daily wage. Some people complained that they should have received more for working longer hours. The owner asked them if they were envious because he was generous to those workers who only worked one hour. This parable has a deeper spiritual meaning than just the daily wage. This represents how people may be converted to their faith in Me at various ages of life. Some people may be faithful to Me their whole lives, and they are saved in heaven. Few people may even be saved at their death bed in the last hours of their lives, but they receive the same gift of heaven. I am more than just generous, but I am merciful even to a sinner who repents at the last hour before death. So do not risk waiting to the last hour to be saved, but repent of your sins, and let Me lead your life as soon as possible. Then you too, can receive eternal salvation with Me in heaven. When you come to Me, you will truly receive your eternal prize of being with Me in heaven."

Jesus said: “My people, I am showing you a map of the United States, but the edges are on fire. This represents how the demons and the flames of hell are affecting your people with the filth of their evil. You are seeing how the socialist agenda is taking over your opposition party. This socialist communist plan is also infecting your opposition party with atheism as well. It is the Godless part of communism that is inviting more demons to take over your country. Once you take Me out of your schools and public buildings, the demons will take over this void. This is why your schools and colleges are brainwashing your young adults with atheistic communism. They are taking away the faith in Me that you taught your children. These same liberals are trying to do away with your history, traditions, and even your treasured Constitution. This is why they want to do away with your electoral college and any mention of My Name in public. You need to re-educate your youth in the faith, or their souls could be lost to the demons who are trying to take over your country.”

Thursday, August 22, 2019: (Queenship of the Blessed Virgin Mary)
The Blessed Mother said: “My dear children, I am happy to celebrate my feast day with you, as I place my mantle of protection over all of my children. I bring you to my Son, Jesus, so you can share in the love of our Two Hearts. We are seeing the terrible killings going on in your world, especially all of your abortions of God’s little ones. We both love all of you so much, and we pray to save as many souls as possible. You can imitate our lives, but you need to give your free will over to my Son’s Divine Will, so you can carry out the mission He has given each of you. I want to thank Queenship Publishing for all they do to spread the messages of God’s love in all the books and DVDs that they sell. I pray for their success, so they can carry on their mission. I also thank them for honoring me with their title. Continue to pray my rosary every day, and wear my scapular as a sign of your faith in Me and my Son, Jesus.”
Prayer Group:
Jesus said: “My people, your President is making some more changes in your immigration rules at the border. There have been many complaints about separating parents from children while the parents wait for a court date for their asylum claim. Now the new rule is not to separate the children, even though

separating children was done under your previous President. Another new rule is to implement an existing law of mandating a DNA test for everyone, so criminals found guilty of crimes, cannot enter the country. This law was stopped under your previous President, but now it is being reinstated because so many criminal immigrants are seeking asylum."

Jesus said: "My people, you are seeing some mentally unstable people able to get guns and large ammunition clips. When they announce their killing plans to friends, or they put it on your social media, now people are warning police of possible mass killing attempts. You have seen three or more such people arrested for having many weapons and large magazines of bullets in their houses along with their threats. Such discoveries are saving lives, and people need to warn the police of such dangerous situations. Pray that you can continue to stop these mass killings."

Jesus said: "My people, you have seen the opposition party and the media try to impeach your President over the Russian collusion and other fake news. Now these same people are talking about a recession and how they can blame your President for a bad economy. You have seen an inverted yield curve where the 10 yr bond yield is less than the 2 yr bond yield. The 10 yr bond yield is being artificially lowered by so many investors both here and abroad who are seeking safe assets with positive interest. Foreign bonds are even charging negative interest rates. Many economists are dismissing this recession sign since consumers are still buying things. Pray that your economy can continue to prosper."

Jesus said: "My people, you are seeing the opposition party candidates proposing issues that do not make financial sense to carry out. The 'Green' issue of doing away with fossil fuels is not practically possible. Claiming Medicare for all is another financial impossibility that would bankrupt this program that was only meant for seniors at or over 65. Claiming to pay for free college, or forgiving such loans is another financial impossibility. These candidates are making outrageous proposals without any plan for how to pay for them. Another danger is to propose a socialist takeover of your government. This may eventually happen, but it is not supported by your voters now. Be ready to come to My refuges if the socialists threaten to take over your country, because your lives would be in danger."

Jesus said: "My people, you will soon see a conflict in your country between those people proposing a socialistic society vs those people who support capitalism and your Constitutional rules. You are seeing poor economies in

communist countries, and a lack of love of Me in their atheistic ways. Capitalism has some flaws, but it does reward people who work hard to earn a living. Pray that your country will not turn to socialism, since it is a stepping stone to atheistic communism."
Jesus said: "My people, there are some people who want the popular vote to replace the electoral college vote, but this would require an amendment to the Constitution. The electoral college is meant to equalize the representation of high population states with low population states. Now some states want to force all of their votes to go to the candidate with the most votes. This replaces district by district votes that splits up the states' tallies. You can see this as another means to try and prevent your President from winning again. Pray for a fair election according to your Constitution."
Jesus said: "My people, you are seeing more and more evil coming into your society because your people are not obeying My Commandments. Your families are not staying together, and you continue killing a million of My little ones every year. Unless you repent and change your evil ways, I will allow more natural disasters, and your enemies to take you over. In the Old Testament you saw how I allowed Israel's enemies to overtake them when they followed foreign gods instead of Me. When your lives are threatened, I will call My faithful to My refuges. Then I will destroy the evil ones and cast their souls into hell."

Friday, August 23, 2019: (St. Rose of Lima)
Jesus said: "My people, you are here in this magnificent basilica which is a testimony to all the beautiful things that Fr. Baker did for the people. He is a Servant of God on his way to sainthood. He touched many lives with his leadership, and it was by his daily prayers that I accomplished his mission in accessing funds for his projects. It was the spiritual gifts that he shared, that helped so many souls through hard times. He is an inspiration of faith to see what you can accomplish if you have faith and trust in Me. He faced many trials, but My graces were sufficient for him to succeed in his projects. All of My people are faced with trials in life, but when you give it all over to Me, I can help you succeed also in carrying out your individual missions. Continue to trust in Me, even in your refuge mission, where I will provide for all the people who will

come to your refuge. By My grace you will be able to house and feed the people who I will send to you."
Jesus said: "My people, abortion is killing one million babies every year, which makes this subject the biggest threat to human life on your planet. You have seen the Holocaust kill millions of Jews, priests, and nuns in World War II by Hitler. Now, you have a new holocaust of abortions that is threatening all unborn babies. This movie of 'Unplanned' about Abby Johnson shows you exactly how Planned Parenthood and its doctors are killing millions of babies for profit. It is pointed out in the movie how money received for abortions is their main source of income. Now Planned Parenthood is refusing to take Title X funds from the taxpayer. The interviews on this DVD show how a Planned Parenthood clinic director turned to pro-life when she witnessed a baby being sucked out of the womb. When your people realize they are killing their babies with every abortion, then they may wake up to how cruel this killing is, and how it offends Me very much. Do not listen to the devil who tells you to kill babies out of convenience, but think about how you are violating My Fifth Commandment in killing your baby. Life is too precious to kill, because these babies will never see a chance to fulfill the mission that was meant for each baby. You are committing a mortal sin by killing your baby, and you are violating My Divine Will for the purpose of this life."

Saturday, August 24, 2019: (St. Bartholomew)
Jesus said: "My people, My apostles were all chosen by heaven, and it was not easy for them to leave their families and follow Me. They did not realize how important their mission would be to share My very words of the Gospel to all the nations. They were given the gifts of the Holy Spirit to speak different languages, and they had gifts of healing, and some could even raise people from the dead. They also had protection from the demons and could exorcize demons out of people. I sent them out two by two to spread My message of love. Today, I am also calling on My new apostles of the end times to save souls, and prepare the people for the Warning and the tribulation of the Antichrist. All of My original apostles, except St. John, were persecuted and martyred for My Name's sake. So in the end times My apostles will also be persecuted, and some may be

martyred as well. I am having My refuge builders prepare safe havens for My faithful to come and be protected by My angels. I will separate the good people at My refuges, from the evil people who will be killed and cast into hell with My Comet of Chastisement. Trust in My power as I will protect My apostles and My faithful at My refuges."
Jesus said: "My people, socialism is giving more power over to the federal government, and it eventually takes away all of your freedoms guaranteed by your current Bill of Rights. One of the most flagrant loss of rights in socialism is the acceptance of atheism and the loss of your right to worship Me. You can see how the devil promotes socialistic communism because it will push Me out of your churches. You see socialists who want free health care and education paid for by the government. Medicare for all and free college for everyone would cost more money from your taxpayer. Right now the middle class pays most of the taxes and has voting rights. In a true communist government, you would lose your right to vote, and the party leaders would benefit the most. Capitalism allows you to have the reward of your work, and you keep your freedoms according to your Constitution. Your people have had their freedoms too long to give them up over to the socialist communists. Pray that your people continue to vote against communist tactics. The worst thing about communism, is that the socialists hope their constant lies will be believed as true when you hear it over and over on your media. Pray to keep your Christian faith, and vote against your atheistic socialist plans for taking over your country."

Sunday, August 25, 2019:
Jesus said: "My people, in the Gospel someone asked Me 'Are only a few people going to be saved? I answered him: (Luke 13:24) 'Strive to enter by the narrow gate; for many I tell you, will seek to enter and will not be able to.' You have two choices: you can either enter the narrow gate to heaven by witnessing your faith in Me by your actions, or you can enter the broad road to hell where the devil tempts you with all kinds of worldly pleasures. In Matt 22:14 I told My people: 'For many are called but few are chosen.' This was at the end of My parable about the wedding feast when the people invited, failed to attend. So the king wanted to fill his room with guests, so people were invited off the street. Some

people, who were invited, were not dressed with wedding garments, so they were bound and thrown outside. It is not enough to hear My Word, but you must put My Word into action by making Me the center of your life. Those people, who accept Me, will have their reward in heaven, but those people, who refuse to give up their own will to Me, will be punished in hell."

August 30, 2019
Monday, August 26, 2019:
Jesus said: "My people, in today's Gospel I called out the woes on the Pharisees for how they were swearing by the temple and the altar. The Pharisees were lovers of money, and their directions were the obligations of swearing by the temple's collections. They put money before worshiping Me. Just as I was calling out the evils of My society, so My faithful need to call out the woes of your society's evils as well. It is one thing to call for repentance of your sins, but it is more important to name those sins, and call on people to change their lives. Call out publically the need to stop your abortions, to stop fornicating without marriage, to stop engaging in homosexual sins, and to stop promoting pornography. Many of your priests are afraid to talk about abortion and sexual sins in their homilies from the pulpit. Yet many souls are going to hell because of these sins. Instead of trying to hide the woes on these sins, they should be exposed for the true evil in your society. You have a 'politically correct' fear of talking about My Commandments, but this is the devil's trick to avoid the shame of your sins, and the need for repentance and conversion from a sinful life. Do not have fear about speaking out about your society's sins, but speak out about the need for Confession and a daily prayer life. People commit their sins in the dark, and try to keep them hidden. By exposing these sins in the light, you can help save souls from their sinful habits."
Jesus said: "My son, what you are seeing, is the moment of My victory over the Antichrist and the evil people. When your lives are in danger, I will call all of My faithful to come to My refuges. Once My faithful are safely at My refuges, then I will bring My Comet of Chastisement to kill all the evil people, and then I will cast the evil ones into hell. You saw My Comet of Chastisement pass close to the moon, and then it struck in the middle of the Atlantic Ocean. My faithful will be protected from being killed at My refuges by the shields of My angels.

The faithful will then be raised up into the air so I could renew the earth into a Garden of Eden all over the earth. Then I will bring My faithful down into My Era of Peace where they will live a long time. Once you die, you will be like saints entering into heaven. Rejoice that you are living in this glorious time."

Tuesday, August 27, 2019: (St. Monica)
Jesus said: "My people, I called woes down upon the Pharisees and scribes because they were hypocrites, and they did not practice what they preached. They were people full of pride and desiring to lord their authority over people. I even told the people to listen to their words, but do not imitate their actions. It is one thing to listen to My words, but it is another thing to act on My words in showing your love for Me and your neighbor. I am warning My faithful not to be hypocrites as well, because it is important to give a good example by living out what you are preaching. Today, you are honoring the feast day of St. Monica. She prayed persistently for the conversion of her son, Augustine. After thirty years of St. Monica praying, St. Augustine was converted and he accomplished great things for My Church. St. Monica is a good example for all of you who have wayward children. Parents can pray persistently for their children and other family members to help save their souls. You saw how years of prayers helped save your wife's father. So you see the need to pray for all of your family, especially for those members who are not coming to Mass on Sunday. Your prayers are being stored in heaven for the time of My Warning, when the people you prayed for will desire repentance, if they so choose. Keep remembering to pray for the souls of your family every day, to show Me how sincere you are in helping to save their souls."
Jesus said: "My people, you have heard some prophesy speak of My return through this Golden Gate at the wall of the old city of Jerusalem. I will separate the bad people from My faithful. Then the evil ones will be cast into hell. I will then renew the earth, and I will bring a new Jerusalem down into My Era of Peace. It is the arch of this new Jerusalem that you are seeing in your vision. At the end of this Era of Peace, you will be escorted to heaven, and you will see all the mansions I have prepared for each of you. Your mansions will be built with the treasure of your good deeds, and your level of heaven will be gifted to you

based on your life on earth, and how you helped My people. Rejoice, because your mansion in heaven awaits your arrival."

Wednesday, August 28, 2019: (St. Augustine)
Jesus said: "My son, your life on earth is a preparation for your next life with Me in heaven. You see a tree growing and vibrant, as you are alive but limited in your body. Then you saw the tree dead and cut down, as your spirit will leave your body when you die. But once your body dies, your spirit continues living in a freedom from the limits of this life. Some souls are sent to hell because of their lack of love in their lives of evil. Some souls are sent to purgatory to be purified from the punishment due for their sins. Only a few souls go directly to heaven for what they suffered on earth. Now, those souls, who are believers and will suffer the purgatory of the tribulation, will have a chance to witness what it was like for Adam and Eve in the Garden of Eden. You will experience My Era of Peace for a long life, and then your spirit will come to heaven when you die and are separated from your body. It was this sense of freedom in your spirit that you witnessed for a short time in your vision. Life with Me is glorious, and it will be your reward for being faithful to Me in all of your trials on earth."
Jesus said: "My son, you remember Bishop Sheen's words when he visited a hospital, and he said how there was a lot of wasted pain in hospitals that could be offered up for sinners and the souls in purgatory. In the same way you do not want to waste your own time or pain, when you could offer up your prayers for souls. You have plenty of intentions for prayer even in your own family. You all have a mission of praying for and converting sinners with My help. In your world today the devil is misleading many people with desires for money, possessions, and fame. Your society is pleasure oriented for sex and comforts. Many people are selfish and they do not want to help others. If you love Me, you should love your neighbors and reach out to help them with your time, your faith, and your treasure. When you help people, you are storing up true treasure

in heaven that will not be stolen or lost. Let your love for Me flow out to others in their need."

Thursday, August 29, 2019: (Passion fo St. John the Baptist)
Jesus said: "My people, there are some priests who do not want to talk about difficult subjects as today's reading about the beheading of St. John the Baptist. They also are afraid to talk about abortions, or the sexual sins that are taking many souls to hell. They are concerned about offending people, and those people may stop their donations. This is why you rarely hear homilies on these sensitive subjects, and the homilies are a rewording of the readings of the day. I mentioned in a previous message that My faithful need to speak out about the sins of your society that need Confession, and the conversion of sinners and fallen away Catholics. Pray for sinners to be healed and converted, because this is every mission of baptized people. It is the lukewarm souls who could be lost, if you do not reach out in faith to save them, and urge them to return to Mass and Confession."
Prayer Group:
Jesus said: "My people, you have pictures of the Georgia Guidestones that have the commandments of the one world people on large stones in eight languages. Their first statement speaks about keeping the population at or below 500 million, which means they want to drastically reduce the population from 7.5 billion people down to 500 million people. This mass killing would require a famine, some nuclear wars, or a pandemic virus. You can be sure the devil is behind this plan because he hates man. Pray for My protection at My refuges when your lives will be in danger."
Jesus said: "My people, you are entering the peak of your hurricane season, and you are being tested by many natural disasters. In the next few days your weather forecasters are predicting Hurricane Dorian will come near Florida as a category 3 or 4 storm. Your people need to be prepared with food and water because of some possible power outages. Some people along the coast may need to be evacuated to safe areas. Pray for the safety of your people and your government help to take care of any damage."
Jesus said: "My people, you have been reading about the fires in Brazil in the Amazon. You have many fires out West as well. Pray for your first responders

and for all those people who could lose their lives and their homes in these fires. This is why you are having your reparation Masses to pray for any souls who die suddenly without time to properly prepare for their judgment."
Jesus said: "My people, you are seeing several candidates for President dropping out of the current primary race. It is unusual to see so many opposition candidates who are putting forth many socialist plans. Keep in mind that it is better to support candidates who are against abortion. Your country needs to change its abortion and euthanasia laws, or you will face worse natural disasters. Pray for your country to vote in God-fearing people who will support My Commandments."
Jesus said: "My people, you know all the unfair trade practices that China has committed and it continues to take advantage of your country in its trade. This is why your President is trying to make a fair field for trade by increasing the tariffs on China's imports. It appears no trade talks are happening, and the first new tariffs will start September 1st. It is unclear how these tariffs will affect your economy and the global economy. China will suffer more than America because China has more to lose. Pray that there will be a fair trade agreement, or both of your economies could be affected."
Jesus said: "My people, you just witnessed a 6.3
earthquake off the Oregon coast along with other smaller earthquakes. You have been seeing several strong earthquakes along your Western coast that are becoming more frequent and more severe. These earthquakes are more natural disasters that could lead to larger earthquakes. Again pray for the victims of any earthquakes who could be suffering deaths or losses of homes."
Jesus said: "My people, I have asked you to plan a fourth refuge practice run because events are getting close that would require My faithful to come quickly to My refuges. These practice runs have helped you to see where you have further preparations to be made. Most of you have what is needed, and I will have My angels finish any refuge preparations that are not completed. My angels will also multiply what you need for food, extra buildings, and water and fuel supplies. My angels will also give you daily Holy Communion if you do not have a priest. Remember your around the clock prayers in the chapel, and to use your stored food. Try to set a specific date so you can plan when to get things ready. Have no fear of the coming tribulation, because I will be shielding My faithful remnant from the evil ones."

Friday, August 30, 2019:
Jesus said: “My son, you have heard the familiar parable about the five wise virgins and the five foolish virgins. The five wise virgins bought extra oil for their lamps, but the five foolish virgins did not, and they went out late to buy some oil. The gate was locked and the five foolish virgins were not allowed into the wedding feast, because they knew not the hour nor the day. This is similar to the need to come to a safe haven during the tribulation. If people do not believe in Me, they are like the five foolish virgins, because they will not have a cross on their foreheads. The refuge angel will not allow those people who do not have a cross on the forehead to enter My refuges because I do not know them. In the vision you are seeing your second mission is to have a place of refuge for people to stay and be protected from the evil ones during the tribulation. You have prepared a water well, food to store, beds and cots to sleep, and even solar panels for electricity, as well as fuels for cooking and heat in the winter. By making your refuge preparations, you will be ready to receive the people I send you, and receive Me in the Bride Groom in Holy Communion from My priest or My angels. You will truly be blessed when I will invite you to My wedding feast in heaven.”
(Memorial service for Michael Luck) Michael said: “I am crying out with love for my father and mother. I am sorry that I had to leave you so soon. I thank all of the people for coming to my service, and thank you for all the Masses to help me. It was a nice touch to pray the Divine Mercy Chaplet for me. Do not worry about me because I am in a safe place. You are seeing how short life can be. Remember me in your prayers, as I will be praying for all of you.”

Saturday, August 31, 2019:
Jesus said: “My people, this account of the talents of gold (today worth $1,616,000/talent) in the parable is really about how people use their God-given talents of skills in life. It is important to learn a trade or acquire a college degree so you can have a good job to support a family. It is your motivation in life that may determine what you do with your own skills. In the parable the one servant,

who buried his master's gold, was later reprimanded for being lazy and non-productive, and it was taken away from him. It is by the fruit of your actions that you will be known to people. The evil and lazy people will be held accountable at their judgment, and if they do not love Me, they could be on the road to hell. Those people, who bear good fruit and avoid evil doings, will have their reward in heaven. So use your talents both physically in supporting your family, and spiritually in following My Commandments, and you will have a just reward."
Jesus said: "My son, it is true that I spoke of the Warning happening soon, most likely during the football season of some year between September and February. There will be some major events happen that will precipitate the need to bring My Warning. The devil's time is running out, and he will be instigating some wars that will endanger your lives. I will bring My Warning when it is needed to bring souls back to Me who so desire. Have patience, but this timing is close. Trust in Me to warn you when your lives will be in danger, so you can come to the safety of My refuges."

Sunday, September 1, 2019:
Jesus said: "My people, when you see this cliff in the vision, you are seeing how close you are to the world of purgatory, where the poor souls are suffering their purification. The souls in purgatory are all promised that one day they will be allowed into heaven. There are different levels of purgatory with the highest level close to coming into heaven. In the lower levels souls are being purified with flames as those in hell. Those souls in hell will never see Me, and they are condemned forever in the flames and torture from the demons. The souls in purgatory need the help of the living people for Masses and prayers. Remember to include the souls in purgatory in your daily prayers. Those faithful, who live through the tribulation, will be suffering their purgatory on earth, which is far better than in real purgatory. This is My justice that souls need to be purified to be worthy of being in My Presence in heaven. Remember today's Gospel teaching that those people, who exalt themselves, will be humbled, and those people, who humble themselves, will be exalted."

Monday, September 2, 2019:
Jesus said: “My people, I am stressing how important it is to all of My refuge builders to have a source of fresh water on the land of their refuges. In your refuge practice runs you have seen how much water twenty-five people use in only one day. When I mentioned what is needed for a refuge, I made a point that a source of fresh water is a necessity because you cannot live without water. You cannot be sure that your town or city water will be available during the tribulation. This is why I gave you a project last year to have a water well put in for your refuge. To live independently from the outside world, you will need water, food, beds, and fuels for cooking and heating. At every refuge My angels will provide for your needs. The angels will multiply your food, water, and fuels. They will also multiply your buildings and give you daily Holy Communion. Have no fear of the evil ones because My angels will shield you from any harm at My refuges. Make sure your water wells are working properly, and in some cases you will need some electricity for pumping your wells using solar panels in the winter. In your case you can remove the snow from your solar panels to receive light on them. You have made many preparations, but preparing to have water, is most important. Remember also to have perpetual Adoration at every refuge as well.”

Tuesday, September 3, 2019: (St. Gregory the Great)
Jesus said: “My people, you have been watching the movements of Hurricane Dorian that reached a category 5 of 185 mph winds. This storm was stationary over the Bahamas, and it was causing much damage as the people were crying out for help. This storm will still cause some damage along your Eastern coast, but it is not forecast to make landfall. Many people have had to evacuate their homes near the coast. It is a blessing that such a powerful storm did not come directly into Florida. But the islands have taken a direct hit for many hours. Pray for the victims of this storm and that there is little loss of life. It will take some time to know the full extent of damage and loss of life from this storm.”
Jesus said: “My people, I want My faithful of the end times to have faith in My

miracles, just as the people of Moses' day had faith in the miracles in the desert. In the desert there was no water, so Moses asked Me for water, and I told him to strike the rock with his staff. Water came forth for all of the people. My son, you have water now from a well that I told you to have made. This should be adequate for your needs. If you have more people than you expected, I will multiply your water when it is needed. In the desert I provided manna every day in the morning, and I sent quail that dropped in the camp for meat at night. For My refuges I will give you daily Holy Communion from My angels or the priest at Mass. You have dried meats in your food storage, and I will send deer into your camps for meat as well. You will need someone to fix the deer meat for you. In the desert Moses and Aaron offered a daily sacrifice. If you have a priest, you can have a sacrifice in daily Mass. My angels will bring you Holy Communion so you can place a Host in your monstrance for perpetual Adoration. You can have people take turns adoring My consecrated Host every hour. Moses held up a bronze serpent on a pole to heal snake bites. At My refuges you will have a luminous cross in the sky, and when you look on it, you will be healed of any ailment. My angels will lead you to My refuge with a flame to follow. My angels will also multiply your food, water, fuels, and buildings when it is needed. It will be your faith and trust in My miracles that will allow this multiplication. My angels will protect you from the evil ones by making you invisible, and they will not allow any evil people or demons to enter your refuge. Give praise to Me every day in your prayers."

Wednesday, September 4, 2019:
Jesus said: "My son, I send My Holy Spirit to help you write down My messages, and He gives you the words to speak, when you give your talks. There is power and authority in My words, as you reach out to share My messages of these end times. You are truly an apostle of the end times. You are preparing the people to help them endure the coming Warning and the tribulation of the Antichrist. You are also advising people why it is necessary to prepare refuges, and to be ready to leave your homes to come to a safe haven guarded by My angels. It is at My refuges that you will be protected from the evil ones during the tribulation. Your refuge life will be unique in living your faith, and it will last less than 3½ years for the sake of My elect. Remember how important your

prayers are for protection, and to give your talks. Before you leave and before you return, you need to pray the long form of the St. Michael prayer and your 24 Glory Be prayers to St. Therese. Everything that you do for Me must be led by prayer because you rely on My help to carry out your mission of preaching. You, My son, have a second mission to prepare your refuge for receiving the people who I will send to you. You need to be able to turn on both of your solar systems so they are working for your needs. My angels and I will help you through the tribulation. This is why you need to carry out your fourth refuge practice run."
Jesus said: "My people, you have seen the destruction of the homes in the Bahamas. Some reports spoke of 45% of the homes were destroyed or unlivable. It will take much foreign aid to restore the homes there. Hurricane Dorian was a category 5 hurricane that spent more than a full day over the Bahamas causing this destruction. Now it is a category 2 hurricane, and it is damaging your Southern states along the Eastern US coast. It will take some time to assess the damage to your coastal states. Your hurricanes are getting stronger and more devastating each year. These natural disasters are a punishment for your many abortions and sexual sins. Keep praying to stop abortion, and pray for the victims of this storm."

September 11, 2019
Thursday, September 5, 2019: (Evelyn Gravina memorial Mass)
Jesus said: "My people, there was a little doubt about how Evelyn passed away, but now you need to give thanks for her long life among you. She was visited many times, and she was assisted by her sister in many ways. This vision is showing you how she was in purgatory for a while, but the many Masses said for her, has raised her up with Me in heaven. She will be praying for her relatives and friends."
Prayer Group:
Jesus said: "My people, the damage in the Bahamas is catastrophic, and there are many deaths to be uncovered from the debris. You can pray your Divine Mercy Chaplet for the people who have died. This Hurricane Dorian is still causing damage in North and South Carolina. Pray for the victims that they may be safe, and help them to repair any damage. My people, I have taken away your shield of protection, which is why you are suffering more severe losses. When will your people wake up and change their lives in the face of your trials?

Jesus said: “My people, your parents need to be more attentive to what your teachers are teaching your children. Many of the college teachers are teaching a liberal mind set of socialism without any balance on the conservative side. They also are not teaching about Me, and if anything, they are teaching atheism. Even in the elementary schools the teachers are told to teach about sex and gender choices. This is why parents need to know what your children are being taught, because parents need to guard their kids’ faith from the atheism of the liberal teachers.”
(‘GOD IS NOT DEAD’ is an example)
Jesus said: “My people, because your governor has taken away the time limits for pedophile cases, this is an attempt to destroy your churches by exorbitant settlements to the lawyers for old cases. Many of your dioceses may have to claim bankruptcy to defend themselves from cases they cannot afford to pay for. This could ultimately close your churches in payment for any debts. My people may have to have Masses in secret because of your future closed churches. You are seeing another reason to have My refuges.”
Jesus said: “My people, you are hearing rumors of the new agenda of the upcoming synod. If there are heretical proposals made, My people are not obligated to follow any heresy in My Church. I have warned you to have the ‘Catechism of the Catholic Church’ in your house so you can tell what is a heretical teaching. If such events happen, you could see the beginning of a schismatic church which you should avoid attending. Be aware of any changes so you can compare them to what My Church teaches in this catechism. Call on the Holy Spirit to help you discern what is right to follow.”
Jesus said: “My people, all of these new tariffs on China’s imports are having serious consequences on both economies in China, the US, and even globally. It may be too much to expect China to be truthful in any agreements. Your President may still go ahead with more tariffs, if China does not change soon. This could cause a recession in all of your countries, and it could even lead to a war between your countries. If serious wars start, you may have to come to My refuges when your lives will be in danger.”
Jesus said: “My people, you all are sinners, which most people would agree. If you are sinners, then you need to see the importance of monthly Confession so you can be absolved of your sins. Even venial sins need cleansing, or your souls could fall into bad habits. Especially mortal sins need to be confessed before receiving Holy Communion. Many people are falling away from their faith because they are not praying, and they are not seeking My forgiveness in

Confession. So I am calling on My faithful to return to the confessional to save your souls."
Jesus said: "My son, as you travel around giving your talks on the end times, you are seeing a difficulty in people and priests accepting your messages about refuges and the coming tribulation. Some clergy do not want to admit there is a need for refuges, so you are meeting some resistance. Do not worry, My son, as the time of the Warning and tribulation grows near, many of My prophets will be proclaiming the need for refuges. Keep giving your talks so My refuge builders will be able to protect My believers in the coming tribulation."

Friday, September 6, 2019:
Jesus said: "My people, when I held the little children, I told the people that they needed to be innocent and loving as the children love their parents. This is how St. Therese lived her life in constant obedience to Me, and she did every little task for Me. The biggest offense to Me is when your mothers kill their babies in the womb because they do not want to love them, or take care of them. The children are your gifts from heaven, but they should be conceived out of love in a marriage. It is difficult also for mothers to bring up their children without a committed father. The family of father and mother should be the backbone of your society. When your families break down from divorce, or living together without marriage, the children suffer from not having both parents. So avoid aborting your children, and couples should be married in My Church. By living according to My Commandments, you can be promised a place in heaven."
Jesus said: "My son, I am showing you another vision that represents the coming Warning. I told you how you all would have an extensive life review at the same time all over the earth. In every life review incident, you would see how your words and actions affected people for good or bad in every scene. You will remember every unforgiven sin in explicit detail so you will know it when you return to your body. When your life review begins, you will come to My Light outside of your body, and outside of time. This experience will help you understand everything that you did wrong, and how it greatly offends Me. Those people, who believe in Me, will have a strong desire to come to Confession. Those souls, who do not desire repentance or conversion, could be lost forever, if they do not change their lives. All souls, who are judged to hell, will go to hell if

they do not repent of their sins. Everyone will have a taste of whatever destination they were judged to. Pray that your family members will be converted during the six weeks of conversion after the Warning, so they can receive a cross on their foreheads that will allow them into My refuges. If the souls are not converted during the six weeks after the Warning, they could be lost in hell. Come to Confession monthly so you do not see a vision of hell as your judgment."

Jesus said: "My people, My Blessed Mother's 'fiat' to St. Gabriel was a complete surrender of her will to My Divine Will. She was without sin, even without original sin, so she could be the holy tabernacle for Me in her pregnancy. My Blessed Mother is your example for everyone to imitate by her 'fiat' to do My Will. I know you are sinners, but call on the Holy Spirit to do the best that you can do to please Me by following the mission I have given to each of you. You can only accomplish your mission by giving your will over to Me. So do not seek to follow your agenda, but follow the mission I have given you in faith. Some people, like yourself, have been given more than one mission. So ask My grace to carry out however many missions you have been given."
(Funeral Mass for Marie Sanders) Marie said: "I want to comfort my mother and father for all they had to endure during my last years with cancer. This was a blessing in one sense, that I was able to suffer my purgatory on earth. I am with my Jesus and the Blessed Mother in heaven. I thank all of My Carmelite friends for being here for my funeral. I thank all of the people who came, and for all the people who visited me in the hospital. I am grateful for all the people who took care of me. I will be praying for all of you. I am sad that I had to leave my parents at a young age, but my Lord was calling me at this time. I love my mother and father so much through all of my life, thank you."

Jesus said: “My people, for those people, who wish to be My disciples, you must take up your cross and deny yourself as the ruler of your life. It is not that I want you to hate anyone, but I need to be your first love and ruler of your lives. In the Commandments I call you to love Me, and your neighbor as yourselves. In order to fulfill your mission, do not let other distractions of the world interfere with following My plan for your life. When I lead you, and you give up your life to Me, then you can be totally free to follow Me. Do not hold back your love from Me, because I am your Creator, and you should always place My Will before your own will. When you love Me, you will love Me in your neighbor. Trust in Me and follow Me, and everything will be given to you for what is needed.”

Monday, September 9, 2019: (St. Peter Claver)
Jesus said: “My people, in today’s Gospel I confronted the Pharisees when I asked them if it was lawful to heal the man with a withered hand on the Sabbath. They did not answer, and then I healed the man. The Pharisees then started making plans to harass Me and get rid of Me, because I was a challenge to their authority. You have a similar confrontation with your President and the deep state that likes to control things. Your President is defying all of the plans of the one world people, and they too are plotting to harass your President, and even to get rid of him. Your President was My blessing to you, and you need to pray for his protection, and success in his work for your country’s benefit. He stands up against abortion and mentions My Name, which is why the deep state wants to silence him. Pray for your country which is becoming more depraved every year.”
Jesus said: “My people, you have heard of various stories of what would happen to America if you received an EMP (Electromagnetic pulse) attack. This could come from nuclear weapons or a smaller EMP device. Such an attack could take out your electric grid, as well as your vehicles and the microchips that run your appliances. Without electricity, unless generators worked, you could see banks close, and your trucks could not deliver food to your stores. It is possible that a food shortage could kill many people by starvation. This is another reason to

have one year's supply of food for each member of your household. You could protect your grid with Faraday cages, but there is no movement to bring this about, thus leaving you vulnerable to an EMP attack. My refuges would have your solar systems intact because My angels are protecting them even now. This is another reason to make sure your solar systems are working properly. My angels will fix any electrical problems, if needed, during the tribulation. Trust in Me to provide for all of your needs at My refuges."
Kathy's water well? Jesus said: "My son, I have told you that My angels will finish up any unfinished refuge preparations, which could include water wells providing water. I also told you that My angels would provide for your food, water, fuels, and any needed buildings. This could come from a multiplication of whatever things you have on hand at a refuge during the tribulation. Do not worry, I will provide your water, even if I have to multiply any water you have stored."

Jesus said: "My people, I am showing you a large tsunami that will flood the shore, and it will be caused by a large earthquake. I will give you more details in time of where this will occur. This is also a forerunner of an even larger tidal wave that will spread out when a large comet will hit the earth in the middle of the Atlantic Ocean. This will be My victory over Satan and the Antichrist. My people will be protected at My refuges from the comet, but the evil ones will be killed, and their souls will be cast into hell. Be prepared for these events with your daily prayers and monthly Confession. Trust in Me to protect your lives from the evil ones, and all of My natural disasters."
Jesus said: "My son, you just saw a movie on the one child policy in the cities of China, which has been stopped. It was so cruel how the female babies were left in the market place to die, or to be taken to orphanages for money. This was because many families preferred to have male babies if they could only have one child. Even some parents killed their female babies. Here in America you are killing your babies with abortion, irregardless of the sex, but it is profitable for the doctors. In both countries your population will be going down with less births. You will not have enough children to support your Social Security

payments, or enough workers to fill your needed jobs. When you do not value the life of a child more than your convenience, then you put a dollar value on life, that is too precious to kill. Keep praying to stop abortion all over the world, because taking a life stops My plan for that life."

Wednesday, September 11, 2019:
Jesus said: "My people, you are honoring all the people who died on 9-11-01. This was one of the worst tragedies that has happened in your country in recent years. There were a lot of deaths, and some are dying of lung cancer in your first responders. This was a test of your country, but you have not repented, nor have you changed your lives. After a month of prayer in your churches, then you returned to your sinful lifestyles and worse. Because you have not heeded My pleas to stop your abortions and sexual sins, you will see a worse disaster that will be like an EMP attack. Be prepared physically to come to My refuges when I call you, and prepare your souls spiritually with your daily prayers and monthly Confession. Trust in Me to protect you in your more serious disaster."
Jesus said: "My people, you know in your personal life how hard it is to pay all of your bills, and how you have to plan your resources to provide enough money to pay for them. When you are working, it is easier to pay your bills, but when you are retired, it requires more planning. Some people get by going from paycheck to paycheck, and it is hard for them to save. Others live on welfare, and they are restricted in what they can own. It is hard to help poor people if they do not want to work at a job. They need to be given enough incentive to work, and not get penalized in their support. It is this inner drive to want to get out of poverty that motivates people to work. You would much rather help a poor person who is struggling to work out of their debt, than just keep giving money for their needs. Pray for the poor to get out of their poverty, and help those people who are willing to help themselves."

Thursday, September 12, 2019: (The Most Holy Name of Mary)
Jesus said: "My people, in today's Gospel I am asking My disciples to go the extra mile in reaching out to help people, even strangers or those people who are persecuting you. It is easy to love the people you know and your relatives, but even sinners do as much. I am asking My faithful to even love strangers and those people who you feel uncomfortable to love. The more you can love everyone, you are perfecting your love to imitate My love for everyone. You are all made in My image, and you can love Me in your neighbor. Reaching out to save strangers in faith, or to serve their needs, takes faith in Me to move you to do this. When you love everyone, you are truly showing your Christian roots, because everyone does not do this. If everyone loved each other, there would be no fighting in wars."
Prayer Group:
Jesus said: "My people, Hurricane Dorian spread its destruction all along your Eastern coast, and even up into Halifax, Canada, as well as decimating the Bahamas. In the Bahamas it looked like a tornado all over the islands. It will take years and many international monies to help restore the Bahamas. Even along the Eastern coast of America, there is much need for disaster relief from your government. Pray also for all those people who died, and for the lost homes."
Jesus said: "My people, your Supreme Court has ruled on your immigrant asylum rules. They affirmed the current rule that all Southern countries beyond Mexico have to wait for asylum court rulings in Mexico. This is because there are not enough facilities to house them, and they were going into your country and not returning to court. There was a second ruling that the President could reallocate Defense money to build the wall on the Southern border."
Jesus said: "My people, you have seen many of your President's initiatives stopped by judges favorable to Democrat politics. It is too much power to place in a single Federal judge's ability to stop all of the President's orders. So your President is placing judges, approved by the Senate, on many of the Federal district courts. This jurisdiction should be restricted to the district of the judge, and not control the whole country. Your government may have to pass legislation controlling this whole problem of jurisdiction."

Jesus said: “My people, your Federal Bond interest rates are much higher than foreign countries, especially in Europe. The Federal Reserve is lowering interest rates, even when there is no inflation and your economy is doing well. The stock market and borrowers are benefitting, but your savers are losing. Pray for some justice in these rates.”
Jesus said: “My people, babysitting expenses are becoming expensive to accommodate single parents who have to work for a living. There is time before school starts and time after school is over that requires a substantial payment per month for babysitting (about $400/month in one case). This may require single parents to seek grants or help from family members. Pray for these working mothers to find the means to pay for these expenses.”
Jesus said: “My people, it is one thing to have your children learn their worldly courses, but it is another thing for parents to be responsible to have their children receive a spiritual education as well. This is taught in Catholic schools, but this schooling has a cost that every family cannot afford. It is these children in public schools who are not receiving much help in your CCD programs. It almost requires the parents to teach their children their prayers and some articles of faith. Parents need to realize how important it is to educate their children in the faith. This is just part of the reason why you do not see many children or youth coming to Mass. Your future generation of Catholics depends on this spiritual education.”
(We are planning on 7:00 p.m. Friday, November 1 to 7:00 p.m. Saturday, November 2 for those who want to come to the 4th refuge practice run.) Jesus said: “My son, I have asked you before to make a specific date for your fourth refuge practice run. Events are moving quickly, and the time for My Warning and the tribulation are growing near. You will need to come to My refuges for your protection during the tribulation. So it is important to know how you will be living at My refuges when I call you to come. The more practice runs you have, the easier it will be to understand this new community living of My faithful. Make some plans of what meals you will have, and whatever needs you will have to prepare for this overnight run. Use your stored food, and try not to use your electrical devices, because some refuges may not have electricity. Trust in My help and remember your perpetual Adoration hours for each person.”

Friday, September 13, 2019: (St. John Chyrsostom)
Jesus said: “My people, you have two persecutors. The first are the greedy lawyers who are trying pedophile cases that are thirty or more years old. The second is your governor and his legislature who passed a law taking away any statute of limitations on these old cases. Your governor knew it would work a hardship on the Catholic churches, but they passed it deliberately to bring down the Church. Your diocese is the first of many dioceses to declare bankruptcy (Chapter 11) in New York State. You will see further persecution of your churches when they will take away your protection from land taxes. This will be in addition to increasing harassment of Christians when you say My Name in public or talk about homosexual acts as sinful. Your persecution will increase when you will not be able to find a Mass because of your coming schismatic churches. Eventually, you will have Masses in secret at My refuges. You will also seek My refuges when the government will try to mandate microchips in your body. This is why your practice refuge runs are needed to prepare you for the coming Warning and the tribulation.”
Jesus said: “My people, the devil and the demons despise man, and they are inspiring doctors to continue killing babies for money. Killing My babies in abortion greatly offends Me, and many liberal thinking people are taken in by the reasons to have abortion available as a right for women. The baby has different DNA from the mother, and she nourishes the baby, but the baby is not part of the mother’s body. Giving birth should be a joy that you are bringing new life into the world. But some women think pregnancies are an inconvenience in some cases, and they listen to the lies of the Planned Parenthood people. Life is too precious to kill a human being, and it is a mortal sin to have an abortion. You would much rather choose life to have a baby, than to choose death to kill a baby by abortion. You can see all the evil ones promoting death by abortion, so keep praying to stop abortion, and pray to close these clinics of death.”

Saturday, September 14, 2019: (Exaltation of the Cross)
Jesus said: “My people, My death on the cross is to redeem all sinners who repent and accept Me as their Savior. You were at Mount Calvary where the Holy Sepulcher Church was built. There is a lot of symbolism when Moses lifted up the bronze serpent for the people to look on so they could be healed of their

snake bites. This reminds you how I was lifted up on My cross. When you pray your rosary, you are looking on My sacrifice for your sins. When you will come to My refuges, you will also see My luminous cross. Those people, who look upon My luminous cross, will be healed of all of their ailments. As an added grace, I will also heal your souls and forgive your sins because some refuges may not have a priest to hear your Confession. Give praise and thanks to your Savior for My death on the cross."
(4:00 p.m. Mass) Jesus said: "My people, the parable of the Prodigal Son is an example of My willingness to give every sinner an opportunity to repent for even the most serious sin. I love every soul, and I wait for all sinners to return to Me and seek My forgiveness. Sometimes you may act like the second brother who feels he got cheated out of a better reward. Do not seek human justice in spiritual matters, because I give everyone plenty of time to repent, even up to your last moment before your death. But do not wait to the last minute to convert, because you may not have a last minute conversion if you die suddenly. Instead seek to keep your souls pure by monthly Confession. Give thanks and praise to Me because I forgive your sins every time you seek My forgiveness and you repent of your sins."

Sunday, September 15, 2019:
Jesus said: "My people, you have read today's Gospel where a sheep was found, a coin was found, and a son was found. All of these were lost at one time, and they were found in My parables. You are seeing in your vision many faces that need to be saved for heaven. You are seeing the mission for everyone to reach out in faith to try and save as many people around you as you can. It is your job to bring My messages to the people so they can hear My Word. It is up to the people to make their own choice if they want to be with Me or not. Those people, who are believers, will have to come to My refuges for protection and their needs during the tribulation. My angels will help them by leading them to the nearest refuge with a flame."

October 3, 2019
Monday, September 16, 2019: (St. Cornelius & St. Cyprian)
Jesus said: “My people, right before receiving Me in Holy Communion, you recite the words of the Centurion: ‘Lord, I am not worthy that Thou should come under my roof, but only say the word, and I shall be healed.’ When the centurion described how he too had people subject to him, he understood completely in My healing ability. It was his faith that healed his slave. So it is with My faithful. You need to have faith in My help for everything you need in life, both physically in health, and spiritually in your soul. I am at your side all of the time. All I ask is that you have just a little of the faith of the centurion, and I will answer your prayer.”
Jesus said: “My people, you are meeting together to share some special messages from Fr. Michel Rodrigue and yourself. Fr. Michel will have unique messages for what God the Father wants to share with your people. Remember to pray your St. Michael Prayer in the long form and your 24 Glory Be prayers to St. Therese for your travel protection coming and leaving from these meetings. I will be watching over you to protect you from any of the devil’s attempts to disrupt your meetings.”

October 3, 2019
Tuesday, September 17, 2019:
Jesus said: “My son, I am showing you this vision as a sign that you will be in hot water, meaning trouble with Iran. You remember the problems you had with power outages in several cities, including New York City. This showed you how vulnerable your electric grid is to those people who could hack into your infrastructure. Be prepared for some severe events that could affect your electricity. Iran is disrupting the oil tankers in the Persian Gulf. They are also attacking Saudi Arabia’s oil facilities for the second time, and there is no response to the Yemen rebels’ drone attacks. Iran will find more ways to try and provoke a war, and your military needs to be ready to defend yourselves. Pray that you do not have a large war that could involve other countries.”
Jesus said: “My people, I have called some special faithful to be refuge builders. Not all of the people who I called were willing to say yes to this mission. It requires you to have a building to house the people, a source of fresh water like a well, and a consecration of the land preferably by a priest. I did not want people

to spend more money than they can afford. You will also need cots for people to sleep, and some heaters if you live in cold weather, along with the fuels. You could also store as much food as you have room, and if funds are available, you could have some solar panels and batteries. Every refuge is different. Some can house more people on more acres, while others have small places for fewer people. This all requires independent living without any dependence on outside sources. I am very grateful for all of My refuge builders, and you will be helping My faithful during the tribulation. You especially must put Me in the center of your lives, and you will be depending on Me and My angels to multiply your food, water, and fuels for your survival. My angels will shield you from harm at My refuges, and you will have daily Holy Communion. Now some of My refuge builders are coming together to hear God the Father's words from Fr. Michel Rodrigue. Remember your prayers coming and going for your safety."

Wednesday, September 18, 2019:
Jesus said: "My people, some of you are asking why I take people home when it looked to you that their work on earth was not finished. Your life in the body is vulnerable to have a heart attack, or you could die from cancer. You have known your friends or relatives for many years, but at some point the age of a person reaches its human limit. It is difficult to lose your friends or relatives at death, but you must learn that death of the body is part of living on earth. Be thankful for the many years that you shared with the deceased people in your life."
Lise wanted to give a few words because we may not be here for the funeral.
Lise said: "I am sorry I could not carry on with my life any longer because of my weak heart. I will miss all of my family and all of my prayer partners. I love all of you, and I will be praying for all of my family members. You would really please me and God, if you came back to your God at church. Please pray for me and have a few Masses offered for me, and I will be coming to Jesus in heaven."
Jesus said: "My people, you were sad when your friend died of heart complications. What is more important to you, is that your friend was a refuge builder. Now you do not know if someone would take over running her refuge. You have seen other refuge builders who died, and the family did not continue their refuges. If no one works her refuge, then this means even more people will come to your refuge. You were about to have your 4th refuge practice run (Nov

1-2) and this will have more meaning without other refuges around you. Your monthly Reparation Masses will also be important. Your meeting with other refuge builders is also important to share your preparations and the messages of Fr. Michel. My son, you have only been working on your refuge for about four years, but you have all of your basic necessities. I have given you many projects to get ready, and you have carried them out. You saw one vision of a stadium of people coming to your place. This means My angels will have to add on floors to your house and multiply your buildings, as well as multiply your water, food, fuels, and more sleeping quarters. Your practice runs are important not only to see if you have what is needed, but also it gives your people an idea of what refuge life would be like for several years. Perpetual Adoration prayers are important to call on My help, and to calm down the people during a reign of evil during the tribulation. Trust in Me and St. Meridia to protect you and provide for your needs."

October 3, 2019
Thursday, September 19, 2019: (St. Januarius)
Jesus said: "My people, in today's Gospel you read how this woman washed My feet with ointment, kissed My feet, and dried them with her hair. I explained to the Pharisee how those people with more sin are more grateful to Me for forgiving their sins. I am always compassionate and loving of every soul. I wait for souls to ask My forgiveness, and I forgive the repentant sinners. There is another responsibility for My faithful who have been given much to carry on My mission. More will be expected of them, and I will give them the necessary graces to carry out their missions. Do everything for My greater glory, so that all of your actions have the right intention to help people out of love for Me. I look into the heart for every intention you are carrying out in your actions. Pray that you are able to do My Will, despite the devil's attempts to distract you. I pray for a safe and successful trip to your meetings in Alabama and Georgia."
Prayer Group:
Jesus said: "My people, you are mourning the loss of your friend, Lise, but you need to consider what will happen to her refuge and all of her preparations. You need to consult with the family what to do with the food storage, and the statues. Hopefully, they will not discard these things, but let people take care of it. Continue to pray for Lise and have Masses said for her. She is not far from

coming to Me in heaven."
Jesus said: "My people, you are blessed to have one more opportunity to hear Fr. Michel speak. He is one of My great servant priest sons, and he has a mission to teach the priests for My new Era of Peace. He has been blessed to have so many people in America to help him in building his monasteries. You can see how I can perform what may seem to be impossible miracles, when you have a deep faith in carrying out My Will. May you all have a safe and successful trip this week."
Jesus said: "My people, you cannot force anyone to come to Me in faith, but each person has to choose their own eternal destination. I do not force people to love Me, but they need to make their own free will choice to love Me from the bottom of their hearts. You read the Scriptures and My words in the Gospels, but you need to act on My Word in your good deeds if you want to come to heaven. Lise called her family back to church in her dying request. Many of you are praying for those family members who have left My Church. Keep praying persistently for your children. You all may be able to help convert their souls after the Warning. Do not give up on trying to save your children."
Jesus said: "My people, you need to be aware that there are many college professors who are quite liberal in teaching atheism and socialism. You need to try and help your children to get some religious training. You went to daily Mass on campus to have Me help you with your studies. Your daughter was president of a Newman Club which helped Catholic students to improve their faith. Pray for your children so you can give them over to Me and My Blessed Mother to watch over them. You can trust that I will hear your prayer and help them, but they must give their will over to Me to fulfill their mission."
Jesus said: "My people, you can see in your churches how many Roman Catholics are leaving and losing their faith in Me. There are many worldly distractions that can pull people away from coming to Sunday Mass. My faithful servants need to give a good example to your children by coming to Sunday Mass and monthly Confession. Enrich your spiritual learning by reading the Scriptures or books of the saints. You could even join a prayer group, or a Bible study group. If you truly love Me, you will want to learn more about My love for you. Keep the faith, and do not let the devil get you to be lazy in your faith."
Jesus said: "My people, I want My faithful families to keep a copy of the 'Catechism of the Catholic Church' in your houses so you can discern what is true in what My clergy are proclaiming. I have warned you many times that there will be a division in My Church between a schismatic church and My faithful

remnant. Be aware of any heresies because the schismatic church will teach 'New Age' things that are not acceptable to My ways. There will be a call for a world religion, but do not follow such a heresy. My faithful remnant will stay in faithful churches and finally they will come to My refuges for their protection. Trust in what My apostles taught in the Catechism, and be faithful to My Commandments."
Jesus said: "My son, you have been faithful to keeping your refuge alive and active in your prayers and Reparation Masses. Your weekly prayer group is a good source of unity for My faithful remnant. See your refuge practice runs as important to teach your people how they will be living at My refuges. Your perpetual Adoration is as needed for your souls as water is needed to keep your body alive. Trust in Me and My angels to protect you and provide for your needs to survive the coming tribulation of the Antichrist."

Friday, September 20, 2019:
Jesus said: "My son, every time that you receive Me in Holy Communion, you receive the graces of this sacrament, and you are feeling the Real Presence of all Three Persons of the Blessed Trinity. When you eat your physical food, it gives you strength for your body. When you receive My Body and Blood in Holy Communion, I give you strength for your soul to ward off the temptations of the devil. If you receive Me in daily Mass, then you will be feeding both the soul and the body. I want you to remember what I stated in John 6:54-55: 'Amen, amen, I say to you, unless you eat the Flesh of the Son of Man, and drink His Blood, you shall not have life in you. He who eats My Flesh and drinks My Blood, has life everlasting, and I will raise him up on the last day.' You are blessed to receive Me into your soul at every Mass."

Saturday, September 21, 2019: (St. Matthew)

Jesus said: “My people, you may not realize how powerful one Mass is, but all the angels are present at every Mass giving honor to My Real Presence in the consecrated Hosts and the consecrated Wine. When you receive Me in Holy Communion, I am Present in you like a tabernacle for about fifteen minutes. This is why people should not rush out of church after Holy Communion, but you should be quiet and honor My sacramental Presence. My people should also receive Me worthily without any mortal sin. You can pray your Act of Contrition to purify your soul from some of your venial sins. I am holy, and I want all of My communicants to be holy in order to receive Me worthily. Rejoice, when you have an opportunity to be with Me at Holy Mass. You are starting a new season of fall, which is another sign of the beauty of My creation, as you see the beautiful colors of the changing tree leaves. When you come to heaven, you will also see all manner of colors in the splendor of My eternal Presence.”

Jesus said: “My son, the time to come to My refuges is near, and I am showing you how My angels will lead you with a flame. You will come to My refuges when I call you, and it will be a time when your lives are in danger. Be aware that you will need to leave your home within twenty minutes after I call you. You will not be coming back to your homes. Once you leave your home, your guardian angel will put a shield of invisibility over you and your vehicle. If you leave too late, you will see the men in black going house to house trying to force the mark of the beast on everyone. Those people, who refuse the microchip in the body, will be killed in the gas chambers. Rejoice that My faithful will be protected from the evil ones and the Comet at My refuges by My angels. At the end of the tribulation and the Era of Peace, I could see us being led to the Light of Jesus in heaven with all kinds of lights. We will be prepared to be saints in the Era of Peace, so do not be afraid of dying when you leave your body for heaven. I look forward to the day when all of My faithful will come to heaven.”

Monday, September 23, 2019: (Memorial Mass for Lise Farnand)
Jesus said: “My people, I know how you are mourning the loss of your friend, Lise. She will be praying for all of you, and she will be watching over her husband, Gerry. You are seeing her casket being placed in the ground. When you think of someone passing away in death, this should be a reminder to all of you how you are mortal too, and you will die some day. I want all of My faithful to keep clean souls so you are ready every day to meet Me at your judgment, if you should die today. By your prayers and monthly Confession, you need to keep your soul free of any mortal sin. If you do commit a mortal sin, you should come to Confession as soon as possible, so you can be absolved of your sin. If you are dying with mortal sin on your soul, you can pray an Act of Contrition, and I will forgive you. When someone dies, you can pray the Divine Mercy Chaplet for that soul, and they can be saved. Give thanks to Me for My mercy on repentant sinners when I will forgive their sin, even at the point of death.”
(St. Padre Pio) Jesus said: “My people, I have asked My faithful to come through the narrow gate, if they want to come to heaven. Do not follow the crowd through the broad road to hell. When you come through the narrow gate, this means that you will be following My Commandments, and coming to monthly Confession to help save your soul. You remember when I told you that many are called, but few are chosen. I also told you that you need to act like innocent children in loving Me, in order to enter heaven. If you follow My ways instead of your imperfect ways, then you will be on the right road to heaven. Being with Me in heaven should be the goal of every soul.”

Tuesday, September 24, 2019:
Jesus said: “My people, beware of the masons and the one world people who worship Satan, since they are carrying out his orders. You are seeing how the evil ones are bringing all manner of evil upon your society. Many people are falling away from their original fervor in the faith, and they are succumbing to the comforts and riches of the world. Do not let the devil distract you from your prayers and allegiance to Me. Once you stop praying your daily prayers, and stop coming to Sunday Mass, you could be slipping away into the abyss of the

devil's people. If you want to come to heaven, you must stay close to Me every day. You are seeing many evils in your society as abortion, fornication, homosexual marriages, pornography, and prostitution. It is unfortunate that the tentacles of the masons also reach into My Church at the Vatican and other churches. You will be seeing a coming schism in My Church, when you will need the Holy Spirit and the 'Catechism of the Catholic Church' to discern the coming heresies of the schismatic church. This evil church will teach New Age and that the sexual sins are no longer mortal sins. My faithful remnant will need to come to My faithful churches, and eventually, I will call My faithful to My refuges of safety by My angels. Have no fear of the Antichrist and the tribulation, because My angels will protect you at My refuges, and they will provide for your physical and spiritual needs."

Jesus said: "My people, take a lesson from My creation when the sun shines down on you in the dawn of the day. I want My faithful to spread My Good News of My Resurrection upon all the people, just as the sun shines down on everyone. You have My Word of the Scriptures that you read every day at Mass. So go forward two by two and spread My Word to everyone. You all have the power by the Holy Spirit to speak My Word and heal people of their sicknesses. Have faith and trust in Me, and you can perform miracles as My apostles and I did. I love all of you from My Sacred Heart, and I want you to return your love to Me, and share My love with those people whom you meet. By your daily prayers, your Masses, and your good deeds, I will see you are sincere in your faith, and you will receive your reward in heaven."

Thursday, September 26, 2019: (St. Cosmas & St. Damian)
Jesus said: "My faithful refuge builders, I am happy to have all of you come together to share how you have prepared your refuges, and to hear Fr. Michel's

words that were given to him. You have an excellent retreat center, and when you provide bedding and food, you will be helping each other. Be patient with each other, and accept what is provided for you out of love. I love all of you, and I want you to love each other as well. Be grateful that you were all called to witness this celebration of My words to prepare you for the coming Warning and tribulation."
Camille said: "I have some somber words for you this day: 'Be prepared, for the end is in sight.' John, you have been giving messages of Jesus for how the faithful need to prepare refuges to protect the people. I mentioned before how the Warning was close. I experienced a near death experience when I visited hell. I thank Carol for helping to save my soul. People need to come to Confession frequently so they can avoid my experience in hell at the coming Warning, life review, and mini-judgment. God bless Vic, Carol, and Sharon."

Friday, September 27, 2019: (St. Vincent de Paul)
Jesus said: "My people, every soul is faced with a choice of your destination. You can choose the blessing or the curse. I love all of you, and I do not want to lose even one soul. In the world you have many distractions, but you need to put aside all of the world's comforts and desires, so you can focus on My Will for your life. Your life needs to be focused around Me, and fulfilling the mission I have given to each of you. If you are not praying your daily prayers and doing everything out of love for Me, you will not be able to carry out your mission. If you are only concerned about following your own agenda, then you cannot serve as My disciple. Lift up your eyes and soul to Me, and call on Me each day to give you the grace to carry out My mission for you. Focus your life on My Real Presence in My Blessed Sacrament so you can live your life in the present moment without worrying about the future or the past. It is love of Me and love of neighbor as yourself, that will bring you your reward in heaven. By having faith and belief in Me, in knowing Me, loving Me, and serving Me, you can be My disciple, and you can bring souls to Me."
Jesus said: "My people, I know some people have guns for self-defense against criminals, but people also have to protect themselves from a possible ruthless government. There will be new red flag laws which are intended to take away

the guns from mentally disturbed people. Unfortunately, once they take away some guns, the same law enforcement people could take away anyone's guns. This is against your Second Amendment, and gun confiscation would allow an easy takeover of your people. Do not rely on your guns for your safety, but rely more on My protection. When I will give an inner locution to everyone, then you are to leave your homes in twenty minutes, and follow the flame of your guardian angel to the nearest refuge. Have no fear of anyone trying to kill you, because your guardian angel will put an invisible shield over you so the authorities will not see you. I love all of you, and My angels will protect you from harm at My refuges."

Saturday, September 28, 2019: (St. Wencelaus)
Jesus said: "My people, you see the three sins that the devil tempts you with in the temptations of the devil when I fasted 40 days in the desert. The first temptation was the devil asking Me to change the rocks into bread. I told him that man does not live by bread alone. This is the temptation of your bodily desires that include gluttony and the sexual sins that you should avoid. The second temptation of the devil was when I was on a cliff and the devil wanted Me to throw Myself down. I told the devil not to tempt the Lord thy God. This involves a sin of pride when I am asking My faithful to give up their wills over to My Divine Will to follow. It means to deny yourself, and do only My Will. The third temptation by the devil was when he showed Me all the kingdoms of the world, and that he would give them over to Me if I bowed down to the devil. I told him that you are to only worship Me, and no other. This is a sin of seeking power over people using money and possessions for your own gain. Only use what you have to serve Me and your neighbors, and do not be selfish. The temptations of the devil against Me are the same temptations he uses against all of mankind. So call on My graces of My sacraments to strengthen you against the devil's ploys. When you serve Me in following your mission, you will receive your reward one day in heaven."
Jesus said: "My people, you are aware of a coming synod at the Amazon in Brazil. It is possible that such a synod could cause a division in My Church between the schismatic church and My faithful remnant. At this synod they are

proposing many heretical and schismatic things against My Church. If some propose changing My words of Consecration, I will not be Present at such a Mass. This will be an attack against My Eucharist. There are also proposals for married priests, and women deacons and women priests. If a schism results, this schismatic church will take over My churches, and you may have to come to My refuges for a proper Mass. When you see the Antichrist's black eyes, you do not want to look at them, or he could hypnotize you to worship him. After the six weeks of conversion after the Warning, I want My faithful to get rid of your cell phones, your TVs, and your computers, and any other device connected to the internet, so you do not look at the Antichrist's eyes. Put all of these devices out of your home so you are not connected to the internet. It will not be long after the six weeks are over, that you will see events lead up to the coming of the Antichrist into power. Have no fear because My angels will protect My faithful at My refuges. Trust in Me and I will provide for all of your needs and shields at My refuges."

Sunday, September 29, 2019: (St. Michael, St. Gabriel, St. Raphael)
Jesus said: "My people, the souls, who are sent to hell, are not written in the Book of Life, but their soul bodies will burn forever in hell's flames. I do not forget them, otherwise they would cease to exist. Be on guard for those people who preach 'annihilism', because they preach these souls will disappear and not suffer hell. A soul exists for all eternity, and it does not disappear. This is a heresy. In the Gospel the rich man is called Dives in some literature. This rich man is punished in hell, and he called out to Abraham to warn his brothers not to come to hell. But Abraham said if they do not listen to Moses and the prophets, then they could be lost. Abraham said that even if one should return from the dead, such as Me, and they do not listen and repent, then they will fall into hell. So come to monthly Confession to repent, remember your daily prayers, and you will be saved and written in the Book of Life."
St. Michael came and said: "I am Michael and I stand before the throne of God. God appointed me to cast the devil and the bad angels out of heaven and into hell. When the appointed time of Jesus' return comes, I will again cast the Antichrist and all the evil demons and evil people into hell. Even when the devil

appears again to tempt the people, I will again cast him and all the demons and fallen souls into hell. I am God's servant and I am appointed to help the people of America. Continue to pray your long form of my prayer for protection in your travels, and to help break any generational sin among your relatives and friends."
Jesus said: "My people, beware of the black masses being offered up against your President by evil witches. They are offering up human sacrifices, and sometimes stolen consecrated Hosts in their occult services. They are trying to put hexes and curses on your President every week. I am calling on My faithful prayer groups to offer up your Masses and prayers to counteract these occult curses and hexes on your President. I have put your President in power to counteract all the evil things that your previous Presidents have done. Keep praying for him and your country to turn around your sins, or you will suffer severely for disobeying My Commandments with your abortions and sexual sins. You are seeing a continuous rejection of your President as he will face more threats from the masons and the deep state. Your prayers and faith in My power will hold back any harm to your President. Your President is a brief reprieve from the evil ones, but the Antichrist will soon be allowed to have his hour of reign over the earth. This reign will be brief, when I will soon bring My victory over the evil ones who will be cast into hell."

Monday, September 30, 2019: (St. Jerome)
Jesus said: "My people, you need to thank Terry for inviting all of you to her retreat center. This is the Bridge Ministries that you saw in a covered wooden bridge in the vision. It is fitting that you have your meeting here. You should thank Fr. Michel also for all of his talks and guidance. You have a beautiful scene here of mountains and fields which bring you closer to My creation. The Holy Spirit has blessed all of you, and He will give all of you what to speak during the coming tribulation. You are all united in My love, and I thank all of you for attending, because I know all the hardships you may have suffered to be here."
Jesus said: "My people, you have been to see Yellowstone National Park and the Old Faithful geyser that is still going off on a regular basis. It is true that the Steamboat geyser erupted eight times in 2018, which is unusual since its last

eruption in 2014. There is a growing magma that is pushing up the land by three feet. This is below the caldera of the super volcano that is the size of the whole park. Previous eruptions of the super volcano covered half the Western states with much dust and ash. Any eruption could kill people up to six hundred miles away from the volcano. This appears to be stable now, but earthquakes in this area could trigger an eruption that would cause dust to cover your fields, and this could lead to a famine. Be prepared to come to My refuges for protection if this volcano should threaten to erupt."

Tuesday, October 1, 2019: (St. Therese of Lisieux)
St. Therese said: "My dear children, I am happy to greet you again, and I thank you for honoring me in your prayers for safe travel to your talks. I love all of you, and I want you to imitate My love for Jesus, our Savior. He loves us so much, and I did everything out of love for Him, especially in my 'Little Way'. I am sorry you are suffering in sickness, but I also suffered much in my last days. Remember to offer up your suffering for poor sinners and the souls in purgatory. Even when you suffer the trials of life, you can offer up all of your hardships for the same souls. After a while in this life, you can find many ways to do everything for your Lord, Jesus. Jesus appreciates every way you can show your love for Him."

Wednesday, October 2, 2019: (Guardian Angels feast)
St. Mark said: "I am Mark and I stand before God as I watch over you, my son. I was guiding you in some of your travel decisions, and I nudge you to pray your rosaries and your chaplets. You are good not to let addictions control you, which you learned from your old computer addiction. Not having a cell phone is helping you also. The Lord has blessed you with enough finances and help with

your tickets, so you can travel places to talk. You have done well in managing your refuge and your personal finances. You share your money and faith with others who are in need. Continue to keep your focus on what is needed most for your speaking mission and your refuge mission. I am by your side all of the time, so you can pray for my help for any of your needs."

Thursday, October 3, 2019:
Jesus said: "My people, in the Gospel (Luke 10:1-12) I spoke to My disciples: 'I am sending you like lambs among wolves'. I knew My disciples would face some rejection of My messages, so I warned them ahead of time on their journey. I also told them: 'The Kingdom of God is at hand for you. Whatever town you enter and they do not receive you, go out into the streets and say: The dust of your town that clings to our feet, even that we shake off against you.' So it is with you, My son. I know that some people will reject My messages of the end times. You are just experiencing some people who are trying to block your talks even now. Be at peace, and avoid any confrontations, but be wise with My wisdom to not go to places that do not want to receive My messages. My messages about refuges for the tribulation are special for My faithful remnant, but others may not want to hear this. My refuges will be My only place of safety during the tribulation. You will be encountering even more rejection when you will face the schismatic church. Follow the teachings of the 'Catechism of the Catholic Church' and you will be properly led by the Holy Spirit. This is true for all of My faithful remnant to follow and reject any coming heresies."
Prayer Group:
Jesus said: "My people, you need to pray your novena prayers that you do not see any heretical proposals passed at the coming synod in Amazon, Brazil. If the Vatican approves of anything against My Church, you could have a schism with a schismatic church taking over the churches. It would be difficult to find a proper Mass at a schismatic church. You may soon have to come to My refuges for a proper Mass."
Jesus said: "My people, you have some conflicting signs in your economy where businesses are seeing weaknesses, but your consumers are still spending. Your Federal Reserve is lowering interest rates to try and ward off a recession. The

opposition party continues to seek signs of a recession to put your President in a bad light for the upcoming election. Pray that your economy holds up, despite some global weakness in some countries."
Jesus said: "My people, the opposition party is constantly bringing new false allegations from a CIA whistle blower this time. More time is spent by the House investigations that have not found any substantial charges against your President. On the other side, your Attorney General is looking into false statements made against your President. Your political divisions are getting worse with no true basis in fact, just as the Mueller Report found nothing to warrant any crime."
Jesus said: "My people, you have seen your own diocese declare chapter 11 bankruptcy to protect your finances from being destroyed by suspicious cases of pedophile acts from many years ago. It was your New York State governor and legislature that removed any statute of limitation on old pedophile cases. This has threatened to bankrupt many dioceses with new cases being brought up. Pray that My churches are not destroyed by these latest financial developments."
Jesus said: "My people, My Blessed Mother's rosary is your best weapon against the evils of your society. It was used to hold back a Muslim attack at Lepanto in Europe years ago. Now America needs prayers to stop the advance of socialism and atheism in your society. You already are being punished with natural disasters for your abortions and sexual sins. Your country needs to storm heaven with your rosaries to help prevent communism from taking over your country."
Jesus said: "My people, you are seeing a spread of vaping, and more states are allowing marijuana and euthanasia. Pornography is also spread over your internet. Many addictions to cell phones and computers are obsessing your youth. There are demons associated with your addictions of drinking alcohol and taking drugs that are hard to remove without exorcisms or deliverance prayers. You need to call on Me and the Holy Spirit to remove these demons, and cure your addicts. Do not let any addictions control you by keeping a clean soul with Confession."
Jesus said: "My people, you are aware of the demons and the devil who are constantly tempting you to sin. You have your St. Michael prayer in the long form and your Guardian Angel prayer that you can use to fight the demons. Call on My angels to help you when you are tormented by the demons. Keep your souls clean by frequent Confession and Holy Communion to protect your souls from the demon attacks. Know that My power is greater than the demons, so call on Me when you are being tested by the devil."

Friday, October 4, 2019: (St. Francis of Assisi)
Jesus said: “My people, in the Gospel (Luke 10:13-16) I called out the woes for Corozain, Bethsaida, and Capharnaum for not repenting for their sins. Because they would not listen to My words and repent, I told them that they would be thrust down into hell. So America has not listened to My words to repent of your sins of abortion and your sexual sins, and you still have not changed your laws against these sins. You also have not repented as a nation. Because of your sins, I call woes unto you as well, and your punishment will be a takeover of your country by the one world people under communism, along with natural disasters. Fear not because I will save My faithful remnant at My refuges, but the evil people will be cast into hell when I will bring My victory over evil and judgment on the evil doers.”
Jesus said: “My people, a few messages ago, I showed you a tornado sucking soul bodies down into hell. Today, I am showing you a whirlpool that was dragging even more souls into hell. Many souls are falling into hell because they ignored Me in life, and they did not repent of their sins. During life I give every soul plenty of opportunities to find Me , and be aware of how their sins offend Me. Without loving Me and knowing who I am, people have dismissed Me as the Creator of everything. Other souls hate Me and deny My very existence, and they fall deeper into hell. Still other souls try to bring people to worship the devil, and they are in the lowest realms of hell. I have called My faithful to reach out to lost souls and convert them to the faith before it is too late. You will have one last chance to convert souls during the six weeks after the Warning. Those souls, who see themselves in hell at their life review of the Warning, will have an experience of what it would be like to be in the flames of hell. These souls will have one last chance to change their lives to loving Me and be saved. If they refuse to love Me, and do not change their lives, then they will truly be swept away into hell at their judgment. Pray for poor sinners to be saved, especially after the Warning.”

October 17, 2019

Saturday, October 5, 2019: (Bl Francis Xavier Seelos)

Jesus said: "My people, I want you all to have as strong a faith as My apostles. In today's Gospel the apostles marveled that they could cast out demons in My Name. But in another time they could not cast out a demon, and they asked Me why they could not do it. I answered them: (Matt 17:19-20) 'Because of your little faith; for amen I say to you, if you have faith like a mustard seed, you will say to this mountain, 'remove from here' and it will remove. And nothing will be impossible to you. But this kind (of demon) can be cast out only by prayer and fasting.' My people have the power to heal and pray deliverance from demons, but you must call on My Name, and have faith in My healing power. There will be times when someone is possessed by a powerful demon or many demons. It is these occasions that you need to fast and pray deliverance prayers as the long form of the St. Michael prayer. You may even require an exorcist priest. This is why I keep saying: 'Peace be with you, and be not afraid of the evil ones.' Even when you pray My Blessed Mother's rosary, the demons will shy away from her and My Name. Give thanks and praise to Me for protecting you from the demons. If you are beset by demons, call on Me and I will send you My angels to help you. Above all, you need to have faith in My power to heal people and cast out demons."

Jesus said: "My people, when you come in front of Me at your Warning, you will all receive your life review at the same time. Once you have your life review, then you may wait for a moment to receive your mini-judgment. There is no time in heaven, so it may seem like a long time. Your judgment will take you to heaven, purgatory, or hell, and you will have a taste of what your destination will be, if you do not change your life once you return into your body. This may be a sudden shock for some people, but My Warning is merciful because I will give you a second chance to change your life's destination. This judgment will be like your spiritual report card. An 'A' will be given for heaven, a 'C' will be for purgatory, and an 'F' will be for hell. Pray for your family members that they can pass with at least a low C so they can avoid hell."

Sunday, October 6, 2019:
Jesus said: “My people, your life on earth all boils down to whether you love Me or not by your own free will. Just as you see this vision of a fork in the road, you can choose heaven or hell by your life’s actions. If you love Me, then you will give your will over to Me and perform your actions out of love for Me. If you truly love Me, you will come to frequent Confession to repent of your sins, and seek the absolution of your sins from the priest. It is because of your contrition for your sins, that I will be merciful and forgive you. I will forgive all repentant sinners, so come to your Savior to keep a pure soul. You should keep your soul clean so you are ready for your judgment on whatever day that you die. The other choice to hell is for those souls who refuse to love Me, and refuse to repent of their sins. You are all sinners, but only those sinners, who repent of their sins, will see heaven. Trust in My mercy as I wait to receive all sinners who want to seek My forgiveness.”

Monday, October 7, 2019: (Our Lady of the Rosary)
Jesus said: “My people, you may wonder why I did not talk about Jonah or the Good Samaritan, but My concern today is about all the people who have stopped coming to church because of the pedophile cases, or other reasons. Worshiping Me on Sunday is part of the Third Commandment, and it is a mortal sin to miss Mass when you are able to come. People, who stop praying daily prayers, and stop coming to Sunday Mass, are part of the lukewarm who are on a road to hell if they do not repent of their sins. These lukewarm sinners need your prayers, and they need to see your good example in coming to Mass. Hell is full of souls whom no one prayed for them. If you want to think of being a Good Samaritan, you can pick up your rosary on this feast day of My Blessed Mother, and pray for your relatives and your neighbors to get them back to Mass.”
Jesus said: “My people, these storm clouds over America are not a good sign. Your opposition party has tried to fix the voting machines, but My angels reversed their fixing, as the people were given a gift with Trump’s victory in the 2016 election. Now this same party of lies and fake news has tried collusion with Russia, and the Mueller Report which failed again. They are trying more lies with whistle blowers about a Ukraine phone call with the President that was

published for all to see, and there was no crime. This same party is afraid to have a full house vote on impeachment so it will not hurt their members in the next election. With all of these failures, this party is backed into a corner to get rid of your President before the election. They may resort to civil unrest in the streets, or more attempts to assassinate the President. In all of your history, you have never seen a President so harassed as your present President. You saw your President call up some Marines because he fears a coup attempt by the opposition party. Pray for your President's safety, and pray that you do not have a civil war."

Tuesday, October 8, 2019:
Jesus said: "My people, in the account of Jonah I asked him to go to Nineveh to tell the people to repent, or I would destroy the city in forty days. Jonah refused at first, and he tried to escape on a ship, but I sent a storm, and he was chosen by lots to be thrown into the sea. A large fish swallowed him, and he stayed three days and nights in the fish, just as I did in the tomb. Finally, I had the fish spew Jonah onto the shore. Now, Jonah finally saw his mission, and he went into Nineveh proclaiming its destruction in forty days, if they did not repent. The people actually listened, and they stopped their evil ways, and put on sackcloth and repented of their sins. Because of their change, I did not destroy the city. This is a similar story in America where I have asked your people to repent and change your evil ways. After 9-11-01 and the planes crashed into the Twin Towers, people went back to church, but after a month, they returned to their evil ways and stopped coming to church. I did not claim destruction in forty days, but America will face a coming attack and natural disasters. I will warn My faithful to come to My refuges before such an attack, and then I will destroy the evil people while I protect My faithful at My refuges. Be prepared to leave for My refuges when I tell you."
Jesus said: "My people, when you pray the Stations of the Cross, you see how much I suffered in carrying My cross to Calvary. In the vision you saw how the bottom of My cross dragged along the ground, when Simon and I carried it to Calvary. This is a sign that I want My faithful to pick up your own cross in life, and carry it to your judgment at the end of your life on earth. Some crosses are

heavier than others, but your own cross fits your mission. I do not test people beyond what they can bear. Each person has a responsibility to carry out the mission I have given you. If you have been given much, then much will be expected of you. Call on Me to give you the necessary graces to fulfill your mission. My son, you have been tested recently with a bronchial sickness, but you are offering up your suffering for the souls in purgatory and poor sinners. You finally are receiving the needed medicine to get well. Be thankful you are on the road to recovery, even if it took longer than usual to get your medicine. These problems are just part of your cross to carry."

Wednesday, October 9, 2019: (St. Denis and companions)
Jesus said: "My people, I have shown you this vision before, but I am revealing it again to you for those refuges who may not be able to have a priest present during the tribulation. At such refuges I will send My angel to distribute daily Holy Communion to all who are worthy to receive My Body and Blood. I have also told you, if you are short on food, you could even survive on receiving only Holy Communion every day as the saints did. This is also similar to how the angel gave Holy Communion to the children of Fatima. So have trust in My help and protection at all of My refuges during the coming tribulation. Do not be afraid because I will provide for all of your physical and spiritual needs."
Note: Jesus asked me to order more large Hosts because we were almost out of them.
Jesus said: "My people, in the vision you are seeing a dark night with no lights, because you will receive an attack on your country that will take out your electric grid as an EMP attack. Such an attack will paralyze your country with no working gas pumps, no banks with computers, and your vehicles will not run. If you can get generators to work, you may have some power, but you will be vulnerable to a martial law takeover. I will bless all of My refuges, as their solar power will be shielded from such an EMP attack, even now. When you have such an attack, I will call you to My refuges before anyone is killed. Trust in Me to provide for your needs and to protect your lives and souls from the evil ones."

October 17, 2019
Thursday, October 10, 2019:
Jesus said: “My people, I am a jealous God and I do not want any other gods or possessions before Me. There is only One true God in your life, and I am the One who gave you life in your soul. I am the Creator of everything, and I love all of you who are My creations. I do not force My love on you, or force you to love Me, but you all need to know the importance of loving your Savior. I love you so much that I died on the cross for your soul to be saved from your sins. You have other earthly things in the world that you love, and you even make money and sports little gods. In the vision this baseball glove is a sign for your love of sports. Loving Me is much more important than loving earthly things as sports. You are here on earth to know, love, and serve Me. This world will pass away, and you can either go to heaven with Me, or to hell with the devil. These are your only two choices after you die. So worship Me and love Me in life, and you can come to heaven. If you worship earthly things more than Me, then you will be on the road to hell. You need to set Me first in all of your priorities. It is more important to come to Mass on Sunday than worry about your sports games.”
Prayer Group:
Jesus said: “My people, your country is being tested with the first snow in the Northern plain states, and the winds in California with power outages and fires. This a continuation of one event after another event. Be prepared for more serious events to come. Pray for the people who are being affected by these latest storms.”
Jesus said: “My faithful refuge builders, you were blessed to receive your talks and Masses from Fr. Michel. This was a well executed plan for picking up your people at the airport and transporting them 2½ hours to your retreat center in Georgia. Your people also helped to bring the food for over fifty people. You just mailed out the DVDs of the talks of Fr. Michel to your people. You all received many blessings to help all of My refuge builders. You are also thanked by Me for all the efforts My people put forward to set up your refuges. These refuges will be needed by My faithful during the tribulation.”
Jesus said: “My son, I told you that the people of Lise’s refuge may have to come to your refuge. You wondered what would happen there, but the food was taken out, and you received a good share of it. You had to make room for it at

your own refuge. It is always sad when a refuge builder dies, and that refuge has to close. My people need to be thankful for all of My refuge builders who will be providing a place to come for My faithful during the tribulation. Angels will protect My refuges, and you will have all that you need to survive."
Jesus said: "My son, you have seen various health problems and babysitting difficulties among your relatives. It is good that your members help each other when they can. Sometimes it takes contributions of money and time to fit into your schedules. It is even more important to pray for the souls of your families, even when some are not coming to worship Me on Sunday. Give your relatives a good example of your faithfulness to Me in your faith and Mass attendance."
Jesus said: "My son, I thank you for keeping up your traveling to spread My messages in your talks, even when you have had some challenges in fixing your venues. You also have been working hard to prepare your refuge with some of your upgrades of getting a water well, and more solar panels. Now you had to store your friends food from her closed refuge. Keeping up both missions has been a challenge along with your family help. You and others also have been helping My priest sons of Fr. Michel, Fr. Moreta, and Fr. Boniface with their missions. You will have graces in heaven for your 'yes' to My requests."
Jesus said: "My people, your President has come under criticism for withdrawing some troops from Northern Syria. This means the Kurds in this area could be killed and taken over. It may be hard to understand your President's concern for stopping endless wars that do not benefit your people. He is trying to save American soldiers from dying in so many foreign wars. Pray to stop these wars and that countries could compromise their differences."
Jesus said: "My people, the persecution of Christians will become more violent as you approach the tribulation of the Antichrist. There will be divisions in My Church, and the government will turn against My people when your President leaves office. This will be another reason you will need My refuges for protection from the evil ones of the Antichrist who want to kill you. As you see these events getting worse, now you know why I am calling you to have this fourth refuge practice run on November 1-2. Other refuges could also have practice runs to test if they have everything ready to receive the people. Remember that My angels will finish any needed buildings or food preparations. My angels will also build more buildings and multiply your food, water, and fuels if you receive more people than you expected. I will help protect My faithful at My refuges and provide for all of your spiritual and physical needs."

October 17, 2019
Friday, October 11, 2019: (St. John XXIII, Pope)
Jesus said: "My people, the demons are constantly tempting you with earthly things to distract you from loving and adoring Me. The demons want you to love and adore the gods of this world as sports, money, and buying new things. The demons never sleep or take vacations, so they will be tempting you your whole life. Do not be afraid of them because I give you your guardian angel and My graces from the sacraments to help you. If you fall into sin, I will forgive you if you repent of your sins in Confession to the priest. Cleansing your sins will prepare you to receive Me in Holy Communion, when My graces will heal the effects of your sins, and give you the spiritual gifts to fight the demons' temptations. I can offer you heaven and My constant love. The demons will only hate you and lead you into the eternal flames of hell. So do not give in to loving things, but love your Savior who brings you love and joy in this life and in heaven."
Jesus said: "My son, I gave you two messages: one was of the left leaning opposition protesters who would cause riots in the streets, and the other was about the President calling up the Marines to help in your country. You can now see the connection to have the Marines ready to stop any civil unrest, or a coup attempt to try and take over the government. These left activists will stop at nothing to try and remove your President from his office. Look for more violence by such left groups at more rallies for the President's re-election campaign. Pray for the safety of your President, and that the communists will not take over your election in 2020."

Saturday, October 12, 2019:
Jesus said: "My people, you remember when Moses brought down the tablets of the Ten Commandments and he divided the people who were with God from the people who worshiped the golden calf of false gods. So it is with this vision of

the separation of day from night. You also are divided into two camps. You are either with Me and My Blessed Mother in the camp of the living God of Light, or you are in the camp of darkness with all of the evil ones who are on a road to hell. There is no grey area. You are either for Me or against Me. I call all of My people to love Me and serve Me. Listen to the Gospel of today: 'Blessed are the people who hear the Word of God and observe it.' It will be by your actions that I will see the fruit that you will bear."
Jesus said: "My people, this vision of a blue goo going throughout a city street, is a sign of the opposition party's control of your large cities. One of the more recent problems have been the sanctuary cities, meaning your police are not bringing illegal immigrants to trial for their crimes. The political leaders are not enforcing your laws for protecting your people from criminal illegal immigrants. The other obsession of the opposition party is to try and impeach your President without taking a full vote of the House of Representatives. They have been making up false stories for the last few years trying to impeach your President. It is getting so bad for the socialists that they are resorting to violent protests at your President's campaign rallies. Keep praying for peace and less division among your people, or you could see a civil war."

Sunday, October 13, 2019:
Jesus said: "My people, today's Gospel is very familiar to My faithful, when I answered the ten lepers who cried out for mercy to heal them. I asked them to go before the priest to confirm their healing. On the way to the priest, all ten lepers were healed. After seeing the priest, only a Samaritan returned to give Me thanks for his healing. I told him to go because his faith had saved him. I also asked him where were the other nine lepers who were healed, but he did not have an answer. So it is even now, when people pray for something, and I answer their prayer. Many forget to give Me thanks. You have many things to be thankful for in your life that include: the light of the sun, the air you breathe, good health, your fervent faith, a good living, a good and free country, and many more such things. Most of all you should thank Me for dying on the cross to forgive your sins. I love all of you so much, and I reach out to save as many souls as possible. Give thanks to Me every day for all that I do for you."

Monday, October 14, 2019: (St. Callistus I, Pope)
Jesus said: "My people, the only sign that I gave was the sign of Jonah. You remember how Jonah proclaimed to Nineveh that in forty days, Nineveh would be destroyed. But the people of Nineveh repented of their sins and changed their evil ways. Because of this I did not destroy the city. So it is with America today. If you listen to My prophets to repent of your sins and change your evil ways, I will not bring any punishment upon you. But if you persist in your abortions and sexual sins, then I will allow your enemies to take you over, and you will suffer from natural disasters. As you see the leaves falling from the trees, you know that winter is near. But now you are seeing an increase in evil all around you, and you know that the tribulation of the Antichrist is near also. When I return, will I find any faith left in My people? It will be My faithful remnant that will survive at My refuges, because the gates of hell will not prevail over My refuges, nor My faithful remnant. There will be six weeks of conversion after the Warning, which is close to forty days. This will be the same time to change your lives and believe in Me, so you can receive the cross on your forehead. If you do not change your ways, then you could be on the road to hell. Only My believers with a cross on their foreheads will be allowed to enter into My refuges, and they will be protected from the evil ones."
Jesus said: "My people, when a nation displays a little weakness, other nations will move in to take advantage of the situation. It is difficult to understand all the connections with Russia and Iran in the Middle East fighting. There are plenty of possibilities for these countries to make a miscalculation of how your troops will react to any aggression. You could see more incidents that could lead to a major war in the Middle East. It is a war that is waiting to happen. Pray for peace in the Middle East, but there are countries ready to try and take over territory in these areas."

Tuesday, October 15, 2019: (St. Teresa of Avila)
Jesus said: “My people, the people in your world today are being more influenced by the devil, because they have taken Me out of their schools, and out of any public buildings. Because the parents do not take their children to church on Sunday, the children do not know Me, nor do they know their prayers. This is why they are selfish and without manners. Parents and babysitters let the children be consumed by their electronic games, which is not good for learning social interactions. It is better to involve your children with prayers and Mass, than to let the devil control their minds. I criticized the Pharisees because they made themselves look holy on the outside, but inside they were like dead men’s bones. Unless the people have a personal relationship with Me, they will become the lukewarm, who will fall away on the road to hell. How do you wake up your people to the need for loving Me, when they ignore Me with earthly distractions? My only answer for now, is to bring My Warning to show them who they are, and how I should fit into their lives. Pray for the sinners of today who are not allowing Me to be a part of their lives. It is only My prayer warriors who can pray for your people to help them, but there are not enough prayer warriors to help so many people. Pray to double your prayers because your people are worse than the Pharisees, since the people do not even know who I am.”
Jesus said: “My people, I have mentioned before how I will send everyone an inner locution message when it is time to leave for My refuges. Once you are notified to leave your home, you are to grab your prepared backpack and leave in twenty minutes. Call on Me and I will have your guardian angel lead you with a flame to the nearest refuge. Your guardian angel will put an invisible shield over you, as the angel leads you to a refuge. Have no fear of the evil ones, because My angels will protect you.”
Because of various heresies being proclaimed, Our Lord gave these teachings.
Jesus said: “My people, you have been hearing rumors of what the Pope is reported to have said. Unless a statement is written and signed, it does not hold any meaning to My Church. There are several heresies being mentioned. The first heresy is called ‘annihilism’ which says that hell and the souls in hell will disappear. Hell is eternal (as stated in the Catechism of the Catholic Church) and it was established as an eternal punishment for the demons who were cast out of heaven. Now the souls of mankind can also be sent to hell if they refuse to love Me, and refuse to repent of their sins.
Another heresy is the Arian heresy which does not believe I am God. I am truly the Second Person of the Blessed Trinity. There are three Persons in God: the

Father, the Son, and the Holy Spirit. I am fully man and God at the same time. Another error speaks of a world church, but there can only be One Church that I instituted with St. Peter, and the faith in My Church will not be changed to accommodate other religions. If people profess any of these heretical errors, you do not have to believe such people, because they are heretics. Trust in My Word and follow the 'Catechism of the Catholic Church', and you will be teaching the truth about the faith. Call on the Holy Spirit to discern what is true."

Wednesday, October 16, 2019:
Jesus said: "My son, you were tested again with a sickness of a stomach ache when you threw up in the toilet. Keep remembering to offer up your suffering for the souls in purgatory and for poor sinners. You saw how disabling sickness can be when you could not go to your daily Mass. There are many people who are sick either briefly or chronically. You now know what they are suffering. Your sickness is a good example to pray for the people who are sick with cancer or other chronic illnesses. You will greatly appreciate My healing powers when you come to My refuges, and look upon My luminous cross. Those faithful, who look upon My luminous cross in the sky, will be healed of all of their ailments. Give praise and thanks to Me for My help to all of My refuge builders. You will soon be having your fourth refuge practice run on November 1-2. This will be another opportunity to see how you will be living during the coming tribulation of the Antichrist."

Thursday, October 17, 2019: (St. Ignatius of Antioch)
Jesus said: "My people, you read in the Gospel how I criticized the Pharisees and their fathers for killing the prophets of God. These religious leaders were hypocrites in their teachings that they did not follow. The prophets and apostles that I sent to correct the people's evil actions, were rejected, and these evil ones persecuted and killed My prophets because they could not stand the truth of their

words. So it is today with My prophets, that they are also persecuted for speaking the truth. You My son, and people speaking the words of the end times, are being criticized and kept from speaking in My churches. You have the same religious leaders, as the Pharisees, who do not want to hear the words of My prophets. These leaders see you as a challenge to their leadership, and that is why you have difficulty speaking in churches, as I had difficulty speaking in Jewish synagogues. Some of My priest sons are afraid to talk about sinful subjects because they do not want to offend their people, and lose money in their collections. It appears that some are more concerned about money, than the souls of their parishioners. Continue, My son, to speak out about the sins of the people, and their need to repent in Confession. Saving souls from their sins is truly more valuable than all the money in the world. Do not worry about any persecution for speaking My messages to the people. I will give you the grace and good health to deliver My words to all the nations."

Prayer Group:

Jesus said: "My people, you continue to see more testing with your natural disasters. A strong storm of wind and rain is striking the Northeast with some wind damage. You also are seeing a new storm in the Gulf of Mexico that will strike your Gulf coast. In California you are still seeing some fires that are causing some evacuations. These events and your constant political battles are keeping your people troubled in your spirits. Pray for peace among your people."

Jesus said: "My people, it is Turkey who is to blame in their attack on the Kurds. You are also seeing Russia and Syria filling the void left by the Kurds. It has been difficult to contain Turkey for fighting in Northern Syria because they are a NATO country. There may be some economic sanctions placed on Turkey for their fighting. Keep praying for peace in this area."

Jesus said: "My people, you saw some violence at one of your President's rallies in Minnesota, which is a blue state. As more rallies occur, you will see which states will cause more problems. When radical protesters cause problems, you will see how well your local police handle such disturbances. It is sad when these protesters use violence to try and hold your President back in using free speech. Pray for your country to heal any divisions."

Jesus said: "My people, your Amazon Synod leaders are making some drastic proposals to have married priests, and women in some ministries. This Synod lasts until October 27, and it will be shocking if your leaders try to change your priestly functions. Some people are saying these proposals will be made in the Church. Some of these changes could cause divisions in My Church. Pray for

unity in My Church, instead of allowing divisions to upset people."
Jesus said: "My people, Planned Parenthood has been a promoter of abortion, as this is how they make their money on abortions at their clinics. The 'Unplanned' movie has opened people's eyes to how they are killing babies with their abortions. Your guest will verify the truth of what was revealed in this movie. You can tape her talk to share with your people. Continue to pray for the stoppage of abortion in America."
Jesus said: "My son, continue to pray your long form of the St. Michael prayer and your 24 Glory Be prayers to St. Therese for your safe travel coming to and returning from your talks. The evil ones will try to disrupt your travels, but My angels will guard your path. Trust in My help in your travels, and also the help of the Holy Spirit in giving your talks. I thank you, My son, for continuing to share My messages with My faithful people. Have your prayer group pray for a successful trip."
Jesus said: "My son, I asked you to have another refuge practice run because time is getting close for the coming tribulation. There is some planning involved for what food you will have for your meals. You should use your dried foods and bake some bread as you did before. Have a sign-up list for the hours of your Perpetual Adoration. You may need some heating from your kerosene burners and your fireplace. Have your wind-up flashlights and pull-up lanterns ready for light during the night. You will not use your electricity, your gas heater, nor your oven. Living on a refuge will be a lot of work just to meet your daily needs. You will be using your water well run by your solar panels during the daylight. Your prayer group is invited to come on November 1-2."

Friday, October 18, 2019: (St. Luke)
Jesus said: "My son, you read in the Gospel how I sent out My disciples two by two to evangelize the people. I told them to stay at one house, and rely on the people to provide for their needs. The worker in the field is worth his support for the cost of transportation. My son, when you go out to speak, you go with your wife as two, just as My disciples went two by two. The people, who invite you, give you money for planes, or gas for your car. They provide you food and a place to stay overnight. When you share My messages, you are encouraging the

people, and preparing them for the coming tribulation. It is not easy to take as many trips as you do, but I give you what is needed to carry out your mission. Continue to pray your long form of the St. Michael prayer, and your 24 Glory Be prayers to St. Therese for your protection while you are traveling. I thank you for saying 'yes' to My call to spread My messages."

Saturday, October 19, 2019: (St. John de Brebeuf, St. Isaac Jogues)
Jesus said: "My son, you have been given a strong faith to share My messages with the people who invite you. In today's Gospel there were two words of knowledge that are important to your mission. The one is how the Holy Spirit gives you the words to speak to the people. The Holy Spirit is also instrumental in helping you to remember and write down My words. The second word speaks about how blaspheming against the Holy Spirit will not be forgiven. Such a sin is that of unbelief in Me, and to deny Me, which makes it hard for Me to forgive people. You need to be sorry for your sins and repent of them, before I can forgive your sins. This is the reason that you come to Confession, so you can tell Me in the priest how you are sorry that you offended Me in your sins. Without this contrition and a seeking of My forgiveness, you are blocking My merciful forgiveness. I forgive all repentant sinners, but not those who do not love Me, and do not come to Me for forgiveness. I am always like the father of the Prodigal Son, as I wait for you to come to Me to forgive your sins."

Sunday, October 20, 2019:
Jesus said: "My people, today's Gospel spoke about persistence in prayer to help save souls. It also speaks of being faithful to your prayers for your family, the souls in purgatory, and poor sinners. I love all of My people all of the time, and I do not stop loving you. I also wait for you to come to Me in Confession to confess your sins and seek My forgiveness. It is not easy to be faithful in hard times because you may have to help a family member with sickness, or comfort

someone who lost a loved one. It takes a strong faith in Me to be persistent in praying for people who refuse to love Me, or refuse to come to Sunday Mass. Do not give up on any soul because I do not either. You may not see miracles at first, but with Me, all things are possible. I call all of My people to be with Me in heaven, but each soul has to endure the trials of life to be able to embrace My reward in heaven for your efforts. For all that you do for Me in helping others, you will store up treasure in heaven for your judgment."

Jesus said: "My people, I told a parable about the rich man who stored up the treasure of his harvest for himself only. In this world all of your possessions will pass away. I do not want you to be selfish, but you need to share what you have with those people who could use help with donations. When you share your wealth, you are storing up treasure in heaven for your judgment. Where your treasure is, there is your heart also. If your treasure is on earth, then you are putting your worship of money before Me. If your treasure is being with Me, then your heart is with Me, and you will have your reward with Me in heaven. Do not let the worldly things control you in any manner of addiction, but use these things for your needs. Do not worry what you have, or do not have, for I will provide for your daily needs in faith. I will multiply what you have for the days of famine and the tribulation. You are storing up food at your refuge so you can accommodate the people's needs for when I will send them to your refuge. Go and be a good steward of what I have given you, for your true treasure is having Me in your heart."
Jesus said: "My people, time is running out for your President to try and have an agreement with China. If China does not change their bad trading habits, your President could be forced to increase the tariffs on Chinese imports. Such a threat, if carried out, could drastically affect both China's and America's economies. Such a resumption of a trade war with China, could cause the stock market to take a dip, especially in October. Any further tariff increases could cause your companies to buy their goods cheaper from other countries. Your country should not be so dependent on a communist country to provide your

necessities. Pray for your leaders to make the right choices for America."

Tuesday, October 22, 2019: (St. John Paul II, Pope)
Jesus said: "My people, one of the many blessings you had from St. John Paul II, was his establishment of a collection of the tenets of your faith in the 'Catechism of the Catholic Church'. With all of the recent confusing statements from the Vatican, this book is needed in your homes for your time to discern any heresies in My Church. You will need this information to discern any coming schism or division in My Church. Many people do not know their faith, and some clergy may be giving heresies that are confusing to the people. Use this Catechism in your home to point out any heresies that are being proclaimed. My Catechism will reveal who is a heretic and who is not. Know your faith, and do not follow any disguised heresies. If some churches are teaching heresies, move to a faithful church. Eventually, you will need to come to My refuges to avoid the schismatic church."
Jesus said: "My people, Jonah warned the people of Nineveh to repent of their sins, or their city would be destroyed. The people did repent, and their city was not destroyed. So, I am telling you, My son, to tell the people of America to repent of their sins, or they will be cast down into the nether world. I am separating the believers in God at My refuges from the non-believers. Only My believers will have crosses placed on their foreheads by My angels, and they will be the only ones allowed into My refuges. The evil people and the non-believers will not be allowed into My refuges. At the end of the tribulation, I will send My Comet of Chastisement on the earth in the middle of the Atlantic Ocean. My refuges will be shielded from this destruction by your refuge angel. The evil people and the demons will be cast into hell, when the people are killed by this comet. Then I will re-create the earth, and bring My people into My Era of Peace. You will live a long time in the Era of Peace, and when you die, you will be like saints ready for heaven. I will be calling all of My faithful to My refuges, so do not hesitate, but move quickly to your safe haven."

Wednesday, October 23, 2019: (St. John of Capistrano)
Jesus said: “My people, in today’s Gospel (Luke 12:35-48) you have a warning to be ever watchful when I will return. Just as you are preparing your refuge for the coming tribulation, so you always need to be ready for My coming, or when I come for you at your death. You want to have a pure soul with monthly Confession so you are always ready to meet Me at your judgment. I showed you a bell to alert the people at the proper time of My coming. It is also a sign of freedom, as I will protect My people from the evil ones. You will also be alerted with an inner locution, when I will tell everyone to leave their homes to come to My refuges of safety. Even now, you are preparing to have your fourth refuge practice run. When your lives are in danger, I will call you to the safety of My refuges. Be thankful that I have inspired My refuge builders to prepare their refuges to receive My people before the tribulation. You will see a brief reign of the Antichrist, but then I will bring My judgment on the evil ones, as I will bring My victory over all evil. The evil ones will be cast into hell, as I will bring My faithful into My Era of Peace.”
Jesus said: “My people, the current Amazon Synod is drawing to a close in a few days. Many of the proposals are not according to the traditions of My Church. It will be a deciding point if any changes are made permanent. If any liberal changes are adopted, it could cause some divisions in My Church. I have given you many messages about a coming schismatic church that will eventually control most of the churches. My faithful remnant may be forced to come to My refuges early, if there is no proper Mass for them to take part in. Pray that you have a good priest at your refuge. Pray also that the schismatic church will not control all the churches right away.”

October 30, 2019
Thursday, October 24, 2019: (St. Anthony Mary Claret)
Jesus said: “My people, yesterday you saw the two movies: ‘Unplanned’ and ‘Gosnell’ with your right to life group at your house. You also had Lynn give a talk about her friend, Kim, who worked at Planned Parenthood, and left as she was converted to be a Roman Catholic. This was a busy day, but the people, who

saw the movies, were wishing they could be shown in the high schools. This killing of My babies is such an obvious evil in your society, when you are offering up the lives of your children to the gods of convenience and money. You know My Fifth Commandment of Thou shall not kill anyone, but you are killing a million babies every year. These babies are My creations, and you are preventing these little ones from fulfilling the missions I have given them. Life is precious, but your society is disposing of My babies as human garbage, which greatly offends Me. You are not even giving these babies a proper burial. Did you think I would not punish your nation for having laws to legalize abortion? I tell you, you will see My swift justice in your natural disasters, and a takeover of your country. Since the 1980's mankind has killed 1.5 billion babies. This is a lot of blood on your hands, as you watch the abortion doctors kill My babies in these movies. Pray to stop your abortions, and repent of these grisly killings."

Prayer Group:

Jesus said: "My people, you could take this vision of empty shackles in two ways. The first is a spiritual release of the shackles of your sins that were released when I was crucified on the cross. I died on the cross so all sinners could be saved by seeking My forgiveness of their sins in Confession to the priest. The second meaning could be how many souls suffer physically with persecutions and even martyrdom for their faith. Some Christians are being held in shackles in prisons for holding dear to their faith. Have no fear of the evil ones because My angels will protect you."

Jesus said: "My people, your people were shocked at how evil the killings of babies are at the Planned Parenthood clinics. It does not matter if the doctors kill the babies by snipping their necks, or if they use toxic chemicals into the heart, the result of a dead baby is the same in all of the abortions that you saw in the movies 'Unplanned' and 'Gosnell'. Pray to stop abortion, and make it know how such killings need to stop, or I will stop it."

Jesus said: "My people, I really have a Book of Life where all of My faithful believers are written. Those souls, who are not written in this Book of Life, will not enter heaven, and their souls will burn forever in the flames of hell. When you believe in Me, and you have My angels place an invisible cross on your foreheads, then you will be written in My Book of Life. This is another reward for being faithful to Me in life."

Jesus said: "My people, Halloween is more of a celebration of the evil ones than a preparation for All Saints' Day. Many people use evil symbols of devils and witches in their decorations. Avoid using any evil symbols in your decorations.

The children have fun getting candy that night, but do not dress them up in any evil costumes. Think more about honoring My saints than honoring an evil holiday."
Jesus said: "My people, be prepared for more natural disasters as you enter another cold snow season. As the cold time returns, you can remember your heavy snow squalls, and how you have to plow out your driveways. You barely have time to rake up your leaves before the winter snow will be upon you. You have had a warm fall without a frost yet. You see the leaves changing and falling, which is a sign of winter coming. You endure the four seasons as a circle of life's changing seasons. Give thanks to Me to see the beauty of My creation."
Jesus said: "My people, you could see how deep seated your opposition party is in their hatred for your President. You have never seen such a movement to impeach a President when no true crime has been brought forth. Many of your people are tired of hearing the same lies over and over. These deep state people are evil and ruthless in their impeachment secret meetings. Pray for peace and unity in your country, instead of all the fake news that is being reported."
Jesus said: "My son, you are always willing to go where I send you to share My messages. Remember your prayers for the safety of your travel. You have been speaking at many places this fall, and you have a feeling that you may not be speaking much longer. In every trip it is important to pray for the souls who attend. Sometimes you even have sufferings to offer up for the souls who come. Continue to call on My help for your safety and good health. You trust in Me in all that you do, and I am grateful for all the work you do for Me and the souls."

Jesus said: "My people, I know you all love Me in My Eucharist, and My faithful remnant believe in My Real Presence. Every time a priest uses the proper words of Consecration, I am Present with the consecrated Host and consecrated Wine. There will come a time, and even in some places now, when the priest does not use the proper words of Consecration. In these situations I will not be Present in that host. As the schismatic church comes into power, it will be difficult to find a proper Mass with the proper words of Consecration. Only come to a Mass of My faithful remnant that will become scarce to find. At

some point you may only find a proper Mass from a faithful priest at My refuges. No matter who denies the Real Presence in My consecrated Host, I am still Present. Follow only a proper Mass for My faithful. I have told you that My angels will bring you daily Holy Communion to My refuges during the tribulation. This will be needed if you cannot find a faithful priest for Mass. Trust in Me that I will provide for all of your spiritual and physical needs at My refuges."

Jesus said: "My people, I have told you before, by the fruits of people's actions you will know them. A bad tree will only have bad fruit, while a good tree will only bear good fruit. So it is with good people who bear good fruit in their good deeds. But bad people bear bad fruit in their evil deeds. I call on My people to imitate My life on earth, and follow My Commandments. If you desire heaven, you need to repent and confess your sins in Confession. By your good actions throughout your life, you will be storing up treasure in heaven for your judgment. At the harvest of souls, every soul will have to make an accounting of one's actions in life, and how you made use of your time. Enter through the narrow gate, and not through the broad road of the worldly. My judgments are true and just. So if you give yourself over to Me in everything you do, you will receive your eternal reward with Me in heaven."

Jesus said: "My people, I want My people to be humble and give glory to Me for all that I do for you in your life. Instead of letting your pride control you to follow your own agenda, you need to let Me be the center of your life, and let Me lead you in your life. Even though you may have certain accomplishments in your life, do not brag about them or your possessions. You must give praise and thanks to Me for helping you with your God-given talents. Without My gifts and

blessings, you cannot accomplish anything. Remember that everything in this life is passing away. It is your eternal life that is most important, so you want to do everything for Me, so you may be worthy by My grace to come to heaven. By being humble in all you do, you will be exalted to heaven. If you exalt yourself, you will be humbled in shame. I love all of you so much, and I pray that you will love Me and your neighbor as yourself."

Monday, October 28, 2019: (St. Simon, and St. Jude)
Jesus said: "My people, you are seeing many evil things happening all over the world. This vision of black smoke rising into one large black cloud, is a sign of how the evil demons are spreading all over the world. Many people are being controlled by various addictions, especially by drugs and alcohol. There are demons attached to each of these addictions. Your abortions and sexual sins are sending up their black clouds of smoke. When a city is so covered with the filth of sin, it is being marked for destruction by My angels. I will call My good people out of such an evil city so it could be destroyed as a punishment for their sins. Trust in My protection for all of My faithful, even as I will destroy the evil ones around you."
Jesus said: "My son, soon you will be planning to have your fourth refuge practice run. In the vision you are seeing how you will be washing your clothes the old way with soap suds, rinsing with water, and using your wringer to rid the water. You may have to tumble your clothes by hand so they are not straight as a board when the clothes dry. This will be another job to assign the people as part of your preparations. You have sorted out some of your meats and eggs that you have stored on your two new shelves. You will start at night with your round the clock perpetual Adoration hours, as people will sign up for their hour. You will have your lantern lights ready, along with your wind-up flashlights to provide light at night. You may have to use your kerosene burner for heat at night. You will have to plan your meals and bake some bread. You will be using your well water for your water needs. Do not use your gas heater or your normal electricity. Get use to eating your dried food and your MREs for your meals. It will not be easy to adjust your life to a basic survival test, but these practice runs will help your memory, because you may come to My refuges sooner than you

think.”

Tuesday, October 29, 2019:
Jesus said: “My son, you have read several Scripture passages of how I provided miracle catches of fish for My apostles. I told them that now they will be fishers of men for making conversions. So it is with you, My son, when you are traveling many places with Fr. Michel to evangelize the people. You know that the tribulation is close, and you may not have much more time to evangelize. Go where I send you in these last days. I know it is hard to carry your books and things to all the places you go, but be ready to share My messages with the people you meet. The people, who invite you, are very generous by paying for your plane ticket,giving you food and accommodations, and even some donations to help pay for your books and DVDs. You also have been recording your talks and sharing your DVDs with the people. You have been given another gift by visiting a miraculous cross that has been oiling with gold flecks and even salt. Give praise and thanks to Me for this gift and for your safe travel. Trust in Me to have My angels protect you in your travels.”
